2020-2021 Addendum
Lane Community College Catalog

About the Addendum

The catalog addendum reflects modifications to course or program information that was updated after the catalog was published.

Courses

This section includes any modifications to course information that occurred after initial catalog publication date.

- **Updated 5/9/22** - Completing more than one programming language (CS 161C / CS 162C or CS 161N / CS 162N or CS 161P / CS 162P) will not count as repeat courses at LCC. This supersedes previous information regarding CS 161/162 courses.
  - Note: Students who complete more than one CS 161 or CS 162 programming language course should be aware that transfer institutions may count multiple 161 or 162 courses as repeats, and may not accept them in transfer. Students wishing to complete multiple programming courses should first take a CS 161/162 series and then enroll in CS 133/233 course series for any subsequent programming languages
- HP 150 - Human Body Systems 1 3 Credit(s): Students may take HP 100 as a prerequisite to HP 150 or concurrently (corequisite) with HP 150 (effective for the 2020-21 academic year)
- HP 152 - Human Body Systems 2 3 Credit(s) has a prerequisite of HP 150 (effective for the 2020-21 academic year)
- MA 119 - Introduction to Medical Coding and Scribing 3 Credit(s): Students may take HP 150 and BI 233 as prerequisites to MA 119 or concurrently (corequisite) with MA 119 (effective for the 2020-21 academic year)
- SLD 101 - Native Circles: It's Your Life 3 Credit(s) was inadvertently left out of the catalog (effective for the 2020-21 academic year)
- SLD 103 - Post-Racial America: Challenges & Opportunities 4 Credit(s) was inadvertently left out of the catalog. This course is effective for the 2020-21 academic year
- WR 087 - English Grammar and Paragraph Writing 3 Credit(s): prerequisites and/or placement measures have been removed. EL 116 corequisite still required
- WR 097 - Introduction to Essay Writing 3 Credit(s): prerequisites and/or placement measures have been removed. EL 117 corequisite still required
- MTH 010 - Whole Numbers, Fractions, Decimals 3 Credit(s): prerequisites and/or placement measures have been removed
- ENG 104_H - Introduction to Literature: Fiction-Honors 4 Credit(s): has been added to the approved Arts and Letters list
- TA 243 - Acting for the Camera 4 Credit(s): prerequisite has been corrected to TA 141
- WR 093 - College Writing for ELL Students 3 Credit(s): prerequisites and/or placement measures have been removed. EL 113 corequisite still required
- WATR 215 - Integrated Water Management 4 Credit(s): prerequisites adjusted; prerequisite is now only WATR 101
- Starting Winter 2021, the General Chemistry and Organic Chemistry series have separate lab courses. It is highly recommended students take lecture and lab courses together. To complete an AAOT Lab Science requirement, both lecture and lab courses must be completed. The updated courses pair as follows:
  CH 221 - General Chemistry 1 4 Credit(s) + CH 227 - General Chemistry Laboratory 1 2 Credit(s)
  CH 222 - General Chemistry 2 4 Credit(s) + CH 228 - General Chemistry Laboratory 2 2 Credit(s)
  CH 223 - General Chemistry 3 4 Credit(s) + CH 229 - General Chemistry Laboratory 3 2 Credit(s)
  CH 241 - Organic Chemistry 1 4 Credit(s) + CH 247 - Organic Chemistry Laboratory 1 2 Credit(s)
  CH 242 - Organic Chemistry 2 4 Credit(s) + CH 248 - Organic Chemistry Laboratory 2 2 Credit(s)
  CH 243 - Organic Chemistry 3 4 Credit(s) + CH 249 - Organic Chemistry Laboratory 3 2 Credit(s)

- **Associate of Science, AS chemistry clarification** - General and Organic Chemistry series have separate lab courses (2 credits). Completing either the lecture course (4 credits) or the lecture course and its accompanying lab (6 credits total) will count toward the AS degree Science requirement.
- EMS 103, 212, 222, 232, 242, 252, 253, 262, 280P1, 280P2: prerequisites were inadvertently left out of the catalog (effective for the 2020-21 academic year)

- EMS 211 – previously listed corequisites have been removed.
- ES 224 - Black Male Studies: Lies, Literature, and Legacy 4 Credit(s): will be offered effective Spring 2021
- HIM 160 - previously listed prerequisites have been removed.
- HIM 260 - prerequisites have been updated to just HIM 270 and HIM 273
- PSY 212 - was inadvertently left off of the AAOT science non-lab list. It has since been corrected and removed from the AAOT social science list.

Programs

This section includes any modifications to program information that occurred after the initial catalog publication date. Program information revisions will be effective as of the date listed.

Computer and Information Technology AAS programs
- CIS 100 - Computing Careers Exploration 1 Credit(s) may be taken for a grade of C- or better, or Pass, as a core course in the following programs: Computer Simulation and Game Development: Art Option, AAS; Computer Network Operations, AAS; Computer Programming, AAS; Cybersecurity, AAS (effective for the 2020-21 academic year)

COMM 260 added to Human Relations list
- COMM 260 - Introduction to Conflict Management 4 Credit(s) has been added as an option in the Human Relations course list. This list is used for Career-Technical degrees and certificates that are 45 credits or more. COMM 260 has been added to all relevant programs, with the exception of the Medical Assistant 1-Yr Certificate and programs that have a designated Human Relations course

BA 280 added to Business Specific Requirements list
- BA 280 - Co-op Ed: Business Management 3-12 Credit(s) has been added to the Business Specific Requirements list in Associate of Science Oregon Transfer: Business, ASOT-BUS. Must be taken for 4 credits to reach the 20 minimum credits required in this section of the degree

MFG 101 cannot be used as a substitute for geometry
- MFG 101 - Safety and Basic Shop Practice 3 Credit(s) is not an accepted substitute for the geometry requirement in Wire Drive Welder, CPC and the Shielded Metal Arc Welder, CPC

ET 130 added to Program Electives
- ET 130 - Electrical Theory 2 1-4 Credit(s) has been added to the Program Electives list in Construction Technology, AAS

Paramedicine, AAS
- All program courses must be completed with a grade of C- or higher; P/NP not accepted.

Commercial Cooking, 1-yr Certificate - Suspended
- This program is suspended as of 1/1/21 and no new students will be admitted after Fall Term 2020. Please contact the academic advisors for this program for information about this suspension and teachout: culinaryhospprograms@lanecc.edu

Computer Simulation and Game Development Art Option, AAS - Suspended
- This program will be suspended as of 3/26/21. No new students will be admitted after Winter Term. Please contact the academic advisors for this program for information about this suspension and teachout: CITPrograms@lanecc.edu

Practical Nursing, 1-yr Certificate
- Program Core courses must be completed with a letter grade of C or better. P/NP is not accepted (except for PN 101B, PN 102B, & PN 103B). The 3 laboratory exceptions were previously left out

Flight Technology AAS - to be suspended
- This program will be suspended starting 3/19/21. Please contact program staff or academic advisors for information about this suspension and teach out.

Automotive Technology 2-yr Certificate - to be suspended
- This program is no longer offered as of Spring 2021. This change is due to updates to Associate of Applied Science degree requirements that have made the 2-year certificate the same as the Automotive Technology, AAS degree. Students previously pursuing the 2-year certificate can change to the AAS without any change in course requirements. Students interested in this program should contact the Advanced Technology department or academic advisors at advtechprograms@lanecc.edu for assistance.

Diesel Technology 2-yr Certificate - to be suspended
- This program is no longer offered as of Spring 2021. This change is due to updates to Associate of Applied Science degree requirements that have made the 2-year certificate the same as the Diesel Technology, AAS degree. Students previously pursuing the 2-year certificate can change to the AAS without any change in course requirements. Students interested in this program should contact the Advanced Technology department or academic advisors at advtechprograms@lanecc.edu for assistance.

Other Catalog Content
This section includes any modifications to other information included in this catalog.

Board-approved fees as of Fall Term 2020
- **Emergency Fee:** $5 per credit hour. This fee was established for Winter and Spring terms of 2021 to cover expenses related to the economic shutdown in response to COVID-19. CARES Act funding was used to cover this fee for Fall, 2020.
- **Remote Learning Course Fee:** For the Fall 2020, Winter and Spring 2021 terms, Lane is assessing a $10 per credit remote learning fee for classes that have moved from in-person to remote learning. At the same time, a credit will be issued for the exact same amount to offset that charge. **Students will not have a balance from this charge/credit.**
