VOTERS SAY YES!

In a light turnout voters approved the LANE COMMUNITY COLLEGE budget by a wide margin. With results in from all but one precinct, figures show the budget passed with 7883 yes to 4479 no votes.

Director Lyle Swetland was returned to the LCC Board of Directors by a vote of 7317 to 3331 over Mrs. Harley Mull. William Bristow, running unopposed, received 9705 votes.

OPEN HOUSE HELPERS

Several hundred visitors were able to see the first model of the proposed new campus site during LCC's annual Open House held April 29. Also on display were two satellite models exhibited by the Eugene Unit of the Oregon Museum of Science and Industry.

Student guides were on hand to direct visitors and hand out materials. Serving as guides were: Karen Moe, Jackie Hulting, Ardythe Tym, Joanne Hutchison, Gary Keen, Nancy Wendt, Ken Henrich, Jan Delong, Rosemary Hay, Judy Nelson, Mona Clevin, Elle Gresser, Karen Alberts, Pat Pointer, Sally Allen, Jim Bard, and Jerry Wolfe.

NEW CAMPUS

Representatives from Balzhiser, Seder & Rhodes, LCC Architects, will present preliminary sketches and a summary booklet of the new campus at the Board of Directors meeting Wednesday, May 4, at 7:30 pm, in KRVM Studio. All interested persons are encouraged to attend.

STATE JOB FAIR

Approximately 130 business and industrial displays will be featured at the three-day Oregon Job Fair which will be held May 4, 5, and 6 in the Commercial Building at the Oregon State Fairgrounds, Salem, Oregon.

Purpose of the Job Fair is to acquaint young people with job needs of industry, and to make them aware of job opportunities open to them in the future. The Job Fair is sponsored by the Oregon State System of Higher Education, the Governor's State Committee on Children and Youth, and business and industry throughout the state.

LCC will be represented along with the other Oregon Community Colleges at one of the display booths.

FLYING TITANS

Members of the LCC Flying Club met at McKenzie Flying Service in Springfield on April 24 where those interested in flight lessons were given free demonstration rides. On April 26 members of the Flying Titan Ground School class also visited the Mahlon Sweet weather bureau and control tower and were shown how weather reports are compiled and how air traffic is controlled.

Seven students are taking flight lessons; sixteen students are enrolled in the Ground School.

TITANS TO BLUE MOUNTAIN

Nine LCC students represented the College at the Oregon State Community College Association conference held at Blue Mountain Community College in Pendleton April 29 and 30. Major topics of discussion were the establishment and operation of student courts; the role of a student during the Viet Nam crisis; development of better communications among Oregon Community Colleges.

Students who attended the conference returned with several ideas which they will present to the Student Council and Administration for implementation.

Making the trip were the following Council representatives: Charles Solomon, Dennis Ryan, Darrol Gesh, Bob Wimberly, Dave Quick, Kathy Downing, Pam Shurtliff, GiGi Gamble, and Phillis Booth.

JOB OF THE WEEK

WANTED: Young man with mechanical aptitude who can pass rigorous physical exam; applicant willing to demonstrate through hard work that he would like to be apprenticed in either sheet metal or electrical area. Permanent for the right person. Contact Ralph Burns, Counselor, Eugene Campus.

The Drone is presently hanging in the Aircraft classroom, and will be used primarily for engine study.

CABINETMAKERS VISIT

LCC Cabinetmaking students spent Wednesday, April 20, in the Portland area visiting plants which specialize in the manufacture of custom furniture and equipment. Places visited were Oregon Craftsman, Dependable Pattern Works, and Charles Grant Furniture. The students were able to observe advanced techniques and the use of materials in the making of custom furnishings for specialized markets.

Making the trip were Chris Tope, Bob Halford, Sherm Hopper, Larry Bauer, and Ron Harris. Mr. Gene Parro, head of the Cabinetmaking Department, accompanied the group.

INTRAMURALS

Members of LCC Student Council voted to allocate \$150.00 of Student Body funds to be used by the Intramural Council for activities during the spring term. Softball, Track, and Tennis will be offered under the Intramural Program this spring.

GIFTS FOR GRADS

Ceramic tiles for wall hangings or hot plates with the school seal in gold and blue are now on sale at either LCC Bookstore. "These would make nice graduation gifts for LCC students," Miss Zinser, Bookstore Manager, commented today. Price of the tiles is \$2.50.

UMPQUA STARTS CONSTRUCTION

Dr. Dale Parnell, LCC President, represented the College at the groundbreaking for Umpqua Community College Thursday, May 5. The ceremonies signalled the start of construction for the new UCC Campus scheduled for occupancy in the fall of 1967.

STUDENT JOBS OPEN

William Wright, Counselor on the Eugene Campus, has announced there are still job openings under the Work-Study Programs, both in the vocational areas and in full-time college transfer programs. Requirements for the vocational Work-Study program are that the student show need of financial assistance and be 21 years of age or under; the principle requirement for the college transfer Work-Study program is to show financial need. Payment is \$1.25 per hour.

Some Work-Study jobs may be expanded to forty weeks during the summer months. Full-time jobs are available only for students who plan to attend LCC next year.

For further information please contact Mr. Wright in the Counseling Center.

BIGGEST BASIC ED

The Basic Education Program administered by the Adult Education Division of Lane Community College is the largest in the State, Mr. C.S. Obitz, Dean of Adult Education, announced recently. He reports the Program is being received with a great deal of enthusiasm on the parts of both students and instructors. Ages of participating students range from 18 to 70 years.

THE OTHER SIDE OF THE MOUNTAIN

Approximately 40 Board, Staff, and Student Council members will attend the annual OCCA Convention in Bend May 13 -14. Leading discussion groups or acting as resource people during the Convention will be:

President Dale Parnell; Board Chairman William Bristow, Jr.; Staff members G. R. Bloomquist, Gerald Rasmussen, Cecil Hodges, I. S. Hakanson, Richard Eymann, and William Wright.

EQUIPMENT GIVEN

Mr. L. L. Patrick, Springfield, has donated an NCR Bookkeeping Machine to Lane Community College. Mr. Patrick recently retired from active business. The machine will be used in the MDTA Office Training Classes at LCC, according to Robert Marshall, MDTA Director at LCC.

JOB PLACEMENT CREDENTIALS

Now is the time for all graduates of LCC to register with the Placement Service if they desire to have credential files on record. Ralph Burns, Placement Service Director, reports that credential forms are now ready. The forms have space for biographical information and education history; information on honors and special interests; work experience, including military; references by professors at LCC; references from former employers and acquaintances. Please contact the Placement Center on the Eugene Campus for further information.

FEDERAL FUNDS OBTAINED

The Education Coordinating Council of the State of Oregon met May 11 to review applications from 16 institutions of higher education. Mr. Richard Eymann, Government Affairs Specialist, reported that the Council has tentatively awarded, through Title VI of the Higher Education Facilities Act, \$20,000 for Lane Community College for purchase of basic Audio Visual and Science equipment. Also awarded was \$817.00 for Educational TV. This money is in the form of matching funds on a 50% basis.

2 UP - 5 TO GO

Two members of the Flying Titans Flight class have soloed! Dave Kabisher and Terry Mishler made their first solo flights at the McKenzie Flying Service field last week, Mel Gaskill, Flying club advisor, reported today. The five other members of the group hope to solo in the near future. in

Anyone interested in the Flight class or the Ground School conducted by the Flying Titans may get further information about membership in the club by contacting Mr. Gaskill on the Eugene Campus.

BOARD SUMMARY

LCC Board of Directors met Wednesday, May 17th. Among the items of business were the following:

1. Installation of 1966-67 Student Body Officers.
2. Authorized the purchase of approximately \$26,000.00 worth of occupational education equipment.
3. Authorized the purchase of 28 electric typewriters for the Business Education division.
4. Completed the agreement with Sacred Heart Hospital for the Practical Nurse Program.
5. Authorized negotiations for a National Cash Register Accounting Machine for the business office.
6. Officially canvassed the May 2 election and proclaimed Mr. William Bristow, Jr. and Mr. Lyle Swetland to be the new board members for a four-year term.
7. Accepted the first draft of a long range ten-year plan for LCC.
8. Employed eight new staff members.
9. Accepted the resignations of Mr. Harold Smith and Mr. James Simmons.

GRADUATION CEREMONIES

The first graduation class of Lane Community College announces its Commencement exercises Sunday afternoon, June 5, 1966 at 2:30, at North Eugene High School Auditorium, 200 Silver Lane, Eugene.

SUMMER OCCUPATIONAL OPPORTUNITY PROGRAM

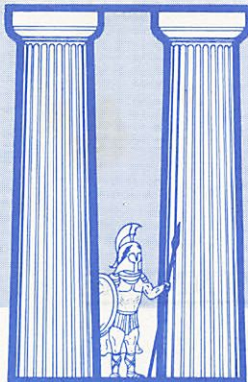

Seventeen different occupational exploratory programs will be offered at Lane Community College this summer. Each course will last for three hours a day for a one-week period. In this manner it is possible that a student could explore in depth eight different occupations during the eight week summer session. This program will be open to anyone 16 years of age or older. The cost to the student for this program will be \$7.00 per week or \$55.00 for the eight weeks. It is anticipated that individuals will want to explore several occupational areas rather than attend the entire eight weeks. In each occupational area the student will have an opportunity to receive information regarding the job opportunities in industry or business related to the curriculum. Curriculum outlines, actual demonstration and participation in lab and shop activities, etc. will be provided to give the student opportunity to experience activities related to an occupational field. Actual job experiences, and in some courses, field trips, would be provided to explore various careers for which training is offered.

The main purpose of the occupational exploratory courses is to assist the student in arriving at a decision for future training and/or employment.
