### Q. HOW CAN I SEE THE PRESIDENT OR THE DEAN OF INSTRUCTION

- A. President Parnell is always available to staff members by appointment. If it is not possible to arrange a mutually agreeable time through the President's secretary, Mrs. Haynie, he has designated Monday afternoons from 3:00 to 5:00 pm for "drop-in" conferences.

Dean of Instruction William Hein keeps Wednesdays free for conferences; and staff members may see him without an appointment whenever he is in his office.

Staff members are reminded that any questions about procedures, proposed action of the college, etc., should be clarified through the Division Chairmen if possible. The Staff Handbook has been detailed (perhaps too much so) for the express purpose of aiding staff members to understand the many complexities of this very diverse institution. We hope this handbook will serve as a first reference for answering staff questions.

## HOLIDAYS

Friday, November 11, will be a holiday for students and staff at LCC. Veterans Day is a school holiday observed by the Oregon State Board of Education. As a part of the educational system under the State Board, LCC will observe the holiday along with the other public schools in the area.

Friday, November 25, will also be a holiday for students and instructional staff members.

### LCC GRADE AA

Standard & Poors, Bond Rating Service, announced today that LCC has received an AA rating for the pending bond sale.

It is highly unusual for a new community college to receive this high a rating, and it will reflect a sizable saving in interest over the life of the bonds.

### CONFERENCE HOSTED

School Lunch personnel from around the State gathered at LCC to attend the School Lunch Supervisors Conference held the 2nd and 3rd of November on the Eugene Campus. About 50 persons attended the two-day conference.

Guest speaker for the meeting was Dr. Homer G. Barnett, Professor of Anthropology, U of O. Miss Jean Davis, State Department of Education, was in charge of arrangements.

### SCHOOL VISITORS

From time to time through the year interested groups will be visiting the LCC campuses. It is the intent of the administration to keep class disruption to a minimum during these visitations. Advance notice will be given whenever possible.

Staff members wishing to make arrangements for visiting groups, or for class visitations to other schools or businesses, are asked to contact Bert Dotson, Administrative Assistant to the President.

### NEW MEDIA EXPLORED

President Dale Parnell, Social Science Division Chairman Gerald Rasmussen, and Communications Division Chairman John Howard traveled to Chabot Junior College, Hayward, California, the 1st and 2nd of November to observe instructional media and automated information retrieval systems.

The trip was sponsored by the Chester-Dialog Systems, Fresno, California.

### LCC WHO'S WHO

Pauline Dixon, Counselor on the Bethel Campus, has announced the LCC Student Directory will be ready some time within the next two weeks. The Directory will contain over 2200 listings. All LCC students will be listed with the exception of those who have not turned in the necessary information. Out-of-District students who have not supplied local addresses will be listed with home addresses. Miss Donna Roid, student at LCC, is doing the typing for the Directory.

Students and staff members will receive the Directory free of charge.

### FOR KICKS

Three Saturdays remain in which to enjoy LCC intramural football: November 12, 19, and 26. Games will be played at Willamalane Park, and begin at 10:00 am and 11:00 am. Schedules are posted on the various campuses.

### Q. WHERE ARE WE ON NEW CAMPUS DEVELOPMENT?

A. The Board, Staff, and Architects have been making steady progress in the development of the new campus on East 30th Avenue. Among significant major happenings are:

1. Passage of a \$9.9 million bond issue September 20, 1966.
2. The call for bids for the sale of the bonds has been set for December 7, 1966.
3. Grading and site work are about 80% completed for the new campus.
4. The Board of Education has approved final drawings for three mechanics buildings and two related structures. These buildings will be bid for construction January 4, 1967. Actual construction should begin about January 5 with completion of these structures within 1 year.
5. East access road to the main campus will receive a base rock covering by mid-January, 1967.
6. A total of 14 new buildings (first stage for 1400 day students) are planned for completion by fall of 1968. These will be bid periodically during the first half of the coming year.

Liberty of thought is the life of the soul  
Voltaire

### Q. WHAT IS THE SIGNIFICANCE OF LCC OBTAINING A BOND RATING FROM STANDARD AND POORS?

A. Bond buyers vary interest rates on bonds with the credit risk (or bond rating) label assigned to a seller. LCC's AA credit rating signifies that the college and the community are excellent credit risks.

This high rating may mean a savings of many thousands of dollars to the District taxpayers over the life of the bonds due to an expected lower interest rate because of the AA credit rating.

Another significant implication of this high rating is that the basic long term economy of the community itself has been favorably viewed even though there is evidence of a slump in the lumber industry here.

### IN-SERVICE PLANS

The December In-Service for Instructional staff members will be dedicated primarily to three subjects:

1. New campus architectural plans.
2. Instructional use of media.
3. Evaluation of instruction (time permitting).

Monday, December 19, is grade report day. In-Service days are Tuesday and Wednesday, December 20 and 21.

### SCHEDULING DISCUSSED

Student inspection copies of the winter term time schedule are in the hands of members of the Student Council it was reported today by William Hein, Dean of Instruction. This will give Student Council members an opportunity for discussion with a concrete schedule model in front of them.

Students who find the schedule a hardship should work out a tentative schedule by using the Student Council copies and take it to his counselor for discussion.

### COUNSELOR HONORED

Irene Parent, Bethel Campus Counselor, has been named to the State Advisory Committee on Guidance and Counseling. Mrs. Parent is the only community college representative on the 7-man committee.

### OCCSA

Mr. I. S. Hakanson, LCC Dean of Students, accompanied 8 student representatives to the Oregon Community College Student Association meeting in Bend November 11-12.

Students planning to attend the conference include Bob Wimberly, Student Body President; Phyllis Booth, Corresponding Secretary; Darrol Gesh, 2nd Vice-President; and Council members Rick Allison, Pat Clifton, Gary McNabb, Vicki Merrill, and GiGi Gamble.

### JOB SEARCH TECHNIQUES

Mr. Ray Zeigler, Director, Senior Work Division, Oregon Bureau of Labor, began holding classes in the use of Creative Job Search Techniques Thursday, November 10, in room 31-a on the Eugene Campus. These are continuous classes giving information on self-evaluation as an employee; facts concerning employer requirements, etc. Each person will attend 2 sessions, about a week apart. Both beginner and advanced group sessions will be held each Thursday: beginners from 7:00-8:25 pm and advanced from 8:30-10:00 pm. There is no charge for this service which is a joint community service conducted through the cooperation of the Oregon Bureau of Labor and Portland Community College.

### ADULT ED ENROLLMENT

Recent figures from the Office of the Dean of Adult Education show 2198 students enrolled in 144 classes at the present time. Class locations have increased to 32 in the LCC District.

Adult Education students, in addition to the 2205 students in the day and evening credit courses, make a total enrollment of 4403 at LCC at this time.

### PERSONNEL POLICIES COMMITTEE

The SPPEC will meet Tuesday, November 15, at 2:00 pm in Room 6-b on the Eugene Campus. Discussion will center on evaluation and professional growth. The Committee would welcome visitors who would like to speak to the subject.

### INDUSTRIAL EDUCATION MEETING

The state convention of the Oregon Industrial Education Association was held Friday and Saturday, November 11 and 12, in Eugene. LCC staff members on the program included Dr. Dale Parnell, who served as MC at the Friday evening banquet; G. R. Bloomquist, Assistant Dean of Instruction; and William Ruitter, Drafting Instructor.

## WINTER TERM SCHEDULE AS USUAL

Upon the recommendation of Dean of Instruction William Hein and Dean of Students I. S. Hakanson, President Parnell is announcing today that the Winter Term schedule of classes will be planned on the basis of the present Fall Term pattern.

The proposed new 3M schedule has been discussed at length by faculty and students. As a result of these discussions it appears the new schedule would disrupt individual plans and work programs to the extent that re-study is in order. Therefore, students and faculty may count on the Winter Term schedule of classes in the traditional manner.

The common LCC problem, however, remains the same: how to accommodate more students in existing spaces. President Parnell has indicated plans for continuing study and discussion on this problem. The administration is committed to involving students and staff in the decision-making processes wherever possible.

It is currently planned that the Winter Term schedule of classes will be published in the December 8 issue of The Torch. Counselors should have rough draft copies of the Winter Term schedule around the 1st of December to allow for scheduling of students.

## ----- FROM THE PRESIDENT'S OFFICE

Q. WHAT IS THE FINANCIAL PICTURE FOR LCC THROUGH JUNE, 1967?

A. An unanticipated growth in community college enrollment throughout the State of Oregon has made State fund budget allotments insufficient to reimburse the community colleges fully for the 1966-67 fiscal year. A request to the State Emergency Board for additional funds has been taken under advisement and the State Board of Education has asked for a meeting with the Emergency Board in December. If funds are not obtained from this source a request will be made to the State Legislature for operating funds necessary to carry the community colleges through June, 1967.

Failure to receive money from either of these Boards could result in a curtailment of courses at LCC for Spring Term.

Q. HOW CAN THE STAFF PARTICIPATE IN CAMPUS PLANNING?

A. Staff members at LCC last year were involved during the initial campus planning. Present involvement is being carried out through the Division Chairmen, Advisory Committees, etc. Also, the In-Service December 19-21 will be devoted almost entirely to developing room specifications for the new campus.

Instructors having suggestions or comments should take them to their Division Chairmen for consideration.
