## LCC TO HOST STATE BOARD

The State Board of Education will be on campus Tuesday, February 7, for an all day, full agenda meeting. The Board will meet in the Studio on the Eugene Campus during the morning, and will tour the facilities after lunch before adjourning to the Lane County IED Office later in the afternoon.

## ENROLLMENT GROWTH CONTINUES

Latest figures show a total of 4,811 full and part-time students enrolled Winter Term at LCC, an increase of 1,888 over Winter Term for 1965-66. Of these, 1,443 are enrolled in college transfer programs; 2,810 are in occupational programs; the remainder are in MDTA and other special programs.

Classes are being held in 40 different locations to accommodate the record enrollment.

## STAFF ASSOCIATION MEETS

The LCC Staff Association has scheduled a meeting for staff members on Thursday, February 9, at 4:00 pm, in the Studio on the Eugene Campus.

Main topic of discussion will be Health and Medical Insurance proposals. However, this will be an open agenda meeting if anyone has items to bring up at this time.

## THE BAND PLAYED ON

The LCC Student Body should be congratulated on the outstanding success of their first formal dance. The occasion turned out to be a real "Date With a Dream" for SB President Robert Wimberly, who announced his engagement to Shirley Ann Urych of Salem during the evening. More than 150 couples enjoyed dancing to the music of the MOGULS, local group which includes Greg Nance, LCC electronics student.

## STAFF COUNT

LCC now has 247 staff members, including 91 full-time instructors, 77 part-time instructors, 18 administrators, and 61 classified staff members. Counselors are included in the faculty count.

I believe that every right implies a responsibility; every opportunity, an obligation; every possession, a duty.

A WEEKLY NEWSLETTER FOR THE STAFF OF LANE COMMUNITY COLLEGE, 200 NORTH MONROE STREET, EUGENE, OREGON

### FEATURE SERIES

Lane Community College was featured as the first college in a new series of articles now being published in the Portland Oregonian. The series of fourteen articles, written by John Guernsey of the Oregonian staff, will cover all Oregon Community Colleges; and will point out the wide variety of offerings of community colleges and some of the financial problems being faced by the State Legislature due to the rapid development of community colleges.

### ALL STAFF

The winter term All-Staff Meeting will be held Thursday, February 16, at 4:00 pm in the Bethel gym. This will be a general information/discussion meeting. All staff members are expected to attend.

### TITAN PICTURES

Photographers from Alex Ziel Studio will be at three major campus locations during the next month to take pictures of students and staff for the TITAN, LCC yearbook. There will be no cost for having pictures taken. However, pictures will be available at special rates for those wishing to purchase them.

Appointment sheets will be circulated during the next few days. Pictures will be taken at the following places and times:

Eugene Campus	February 22 and 24	Studio
Bethel Campus	March 1 and 3	Front Hall
Springfield Campus	March 8 and 10	To Be Announced

It is hoped as many students as possible will have their pictures taken so that a true representation will be reflected in the TITAN.

### LIBRARY CARDS

A new circulation policy adopted by the University of Oregon Library allows LCC staff members to borrow from the library upon presentation of proper identification. Photographers will be taking pictures of staff members for the yearbook during the coming weeks, and these photos may be used on identification cards which will be accepted.

KPNW TURNED ON

At exactly 8:30 am Monday morning, February 20, LCC's own radio station KPNW signed on the air with its first regularly scheduled broadcast day. Preliminary reports from listeners indicated the FM station had an excellent signal in Springfield, Junction City, and in the Eugene area.

Since the station will be used as a training laboratory by Radio Communications students planning to work in commercial broadcasting stations, a typical commercial station format of "music and news" will be followed, with emphasis on a middle-of-the-road approach to music.

KPNW is heard on 90.3 megacycles, FM channel 212, with a power of 450 watts.

AAJC CONFERENCE

Board Chairman Lyle Swetland, Vice-Chairman Dean Webb, Budget Committee Chairman Richard Williams, President Dale Parnell, Dean of Instruction William Hein, Dean of Students I.S. Hakanson, and Gerald Rasmussen, President of the LCC Staff Association, will represent Lane Community College at the National Conference of the American Association of Junior Colleges in San Francisco February 27-March 3.

GOALS GAINED

27 students are now enrolled in MDTA sponsored classes held at the Labor Temple Campus. Four major study areas are involved: reading development, refresher math, basic shop skills, and occupational exploration.

In the occupational exploration classes students are helped to develop occupational goals so they can work toward being employed in a specific job. In order to acquaint students with possible job choices, field trips are arranged to industries and businesses in the area.

Instructors include Minnie Kronenberg, Mildred Wilson, Claudia Bringle, Olive Field, and Aldin Whittle.

Truth often suffers more by the heat of its defenders,  
than from the arguments of its opposers.
