ELECTION SET

The LCC Board of Education established polling places for the May 1 election and set the amount of the local tax levy necessary to balance the budget at \$553,828 at the April 5 meeting. It is notable that while the head-count enrollment at LCC will have doubled during the third year of operation, the tax millage has remained the same. Millage for the 1967-68 operating budget will be 1.6 mills, down .1 mill from last year, and reflecting a \$19,000 smaller operating budget local tax levy.

Also on the May 1 ballot will be names of the candidates for the LCC Board of Education Zone 2 and At-Large positions. Running for Zone 2 will be Dr. Clifford Matson, incumbent; and Jack H. Clark and Reva M. Sater. Those running for the At-Large Zone include present Board member Olga Freeman, Charles A. Fillebrown, Mary A. Hall, and Richard C. "Dick" Williams.

Latest in the LCC COLLEGE FORUM LECTURE SERIES is Doctor Paul Jacobson's lecture on the Tongue Point Job Corps Center on Wednesday, the 12th of April, at 8:00pm in Harris Hall. Dr. Jacobson will discuss such questions as, Was it Necessary? Was it Successful? What Did it Cost? What was Actually Accomplished?

There is no charge for the lecture, which is open to the public. Support for these programs is important to their future continuance. This will be an excellent program. Mark the date on your calendar.

TONSorial TOUR

Barbers in the LCC District have been invited to a no-host luncheon at the Eugene Campus on Monday, April 17. During the luncheon LCC staff members will explain some details of the College background and future goals. After lunch the visitors will have an opportunity to tour the Eugene Campus facilities.

ENROLLMENT TALLIED

Spring Term enrollment has passed the 4000 mark, with 4073 students registered as of April 5. Enrollment breakdowns show 1316 in College Transfer courses, 1923 in Occupational Education, and 834 in High School Completion and special programs.

COME ONE! COME ALL!

There will be an all-staff meeting for full-time staff members April 12, 4:00 pm, in the Bethel Gym. Instructors are asked to cancel classes if it is necessary in order to attend.

LCC PEOPLE ON THE GO

Mel Gaskill, Mechanics Division Chairman, and Ralph Burns, LCC Job Placement Coordinator, will leave Monday noon to fly to Kansas City as guests of TWA airlines for a two-day visit to the company's maintenance department. Discussion will also cover company recruitment of LCC Mechanics Program graduates.

Mel, who paves the way for many donations of equipment to the Mechanics Division from interested industries, wonders if it will be all right for him to accept in case TWA offers to donate one of their planes to the Aircraft Department.

Pauline Dixon, LCC Counselor, and her husband Homer, Superintendent of Schools at Junction City, are deep in plans for a trip to Europe this summer. The Dixons plan to fly to Germany early in June to visit with their daughter and her family at Ramstein Air Force Base. Highlight of the trip will be meeting their first granddaughter for the first time.

COLLEGES VISITED

Members of the President's Cabinet met with similar representatives of Mt. Hood Community College, Portland Community College, and Clark Community College on Tuesday, April 4, in Portland. After the morning meeting the group toured facilities of Portland Community College and Clark College in Vancouver, Washington.

Mabel Kennedy, Records Clerk, is holding a number of get-acquainted sessions for LCC office staff members at her home in River Road. Since College offices are scattered, Mabel hopes to get secretaries and clerks from the different offices together so they can become better acquainted. She has been inviting small groups to the weekly meetings, and hopes each office staff member will be able to attend one of the get-togethers.

CHARM SCHOOL STARTS

If the LCC Campuses are overrun by glamour girls in the weeks to come, blame it on William Morris, Assistant Dean of Adult Education. He has arranged a Charm School for working girls which will begin April 18 on the Eugene Campus.

Why not join LCC's Little Charming Chicks club. Remember, staff members are eligible to take one tuition-free class a term.

COUNCIL, CABINET CAVORT

Highlight, or low point, for Student Council and President's Cabinet members for the week was the volleyball game played (?) late Thursday afternoon in the Bethel Gym. (Council members insisted on challenging the Cabinet to the contest.)

Showing unsuspected reserves of strength, Cabinet members managed to come from behind to DEFEAT the students by a substantial margin. Members of the successful team include Deans Cox, Hakanson, and Hein; Student Association President Gerald Rasmussen; Robert Hamill, Administrative Intern; Administrative Assistant Bert Dotson; and President Dale Parnell.

SBA Robert Wimberly, who is also a Cabinet member, helped spark the "old pro's" upset by playing for them the first half hour, enabling them to emerge victorious from the hard-fought contest. MUSIC, LAUGHS, AND SONG

LCC Music Director Robert Norman, deep in production plans for the Student-Faculty musical revue, finds himself in desperate need of 1/ a violinist (or celloist) (or violist) and 2/ a stand up comedian. Please contact Mr. Norman post haste if you possess these talents or know anyone who does.

Mr. Norman, anxious to heighten audience anticipation by withholding identity of faculty members taking part in the revue, was finally prevailed upon to reveal the name of one performer. Arden Woods, part-time Spanish Instructor, will present folk songs and accompany herself on the guitar.

Staff members are urged to reserve the evening of May 19 for attending COLLEGE CAPERS. Tickets will be \$1.00.

(Mr. Norman commented that no complimentary tickets will be given for the revue. Faculty performers will be required to pay for the privilege of appearing in the production.)
