

Christma**s** Mass Dec. 20, Cancelled

Choral Director BOB NORMAN reports the Dec. 20, on campus performance of the Concert Choir and Chamber Orchestra, directed by NATHAN CAMMACK, has been cancelled. The Dec. 20 appearance was called off because the two groups were unable to schedule rehearsals together. The groups will however, be at the Unitarian Church day after tomorrow (Dec. 15) and will present the Christmas mass at 8 p.m. The church is at 447 E. 40th in Eugene.

Staff Party Tonight At Colonial Inn

Don't forget the staff Christmas party at the Colonial Inn tonight. Cocktails, dinner and dancing. The featured entertainment will be FRED PATTLE, husband of Performing Arts Secretary IRIS PATTLE. Fred is well known in the local area for his appearance in "My Fair Lady," and "Half A Sixpence". Both were musicals produced by the Lane County Auditorium Association.

'Round the Campus

Delegates will be chosen after the holidays to represent LCC at the OCCA spring convention, reports JED MERRILL, Staff Association veep. "Be thinking about nominees," he says.

LARRY MURRAY, director of Special Training Programs, is investigating the possibility of a two-week summer program to acquaint high school students with technical career programs available to them. Scientists for Tomorrow probably would pay all costs.

Math profs ED SEABLOOM and JOHN LOUGHLIN are enrolled in a course on "How to Teach Computer Programming," at the University. In conjunction with the course, they are conducting an in-service course in Fortran IV for the math profs here at LCC. Fortran IV is a computer language.

LCC's Bookstore earned an ll percent "profit" in 1967-68 and gave about a third of it to the Student Senate.

Net income for the fiscal year was \$19,177 on net sales of \$175,136, according to the Bookstore's statement of operations. The Senate was given \$5,500.

The store ended its year in balance with assets and liabilities both totaling \$49,515.

Student Senate's slice of the pie could climb considerably under plans being discussed by the Bookstore Commission. Senate could get one percent of net sales in 1968-69 (about \$10,000) and two percent in 1969-70.

A specific proposal in this regard is expected to be placed before the Board of Education in the near future. Dean of College Services BILL COX chairs the Bookstore Commission.

HOWARD LINDSTROM, audiovisual coordinator, reports that he will be available for any in-service training the faculty might request this week and final week. Those interested should call PAM HOBBS at ext. 376 and explain the area they want covered and when they would like the instruction.

Suggested areas to consider are: use of new projection equipment; use of production equipment in the Graphic Arts area; use of photographic equipment available to faculty on a loan basis and a review of audio and projection equipment used in the class room.

Math Chairman HOWARD ZINK reports the visitation of 38 students from Mc-Kenzie High School to the Math department. DAVE SANDLIN, math instructor from McKenzie, accompanies the students who were interested in discovering the math prerequisites for the various fields of occupational training.

Math Profs LEE HALBERG, JOHN LOUGHLIN, VERN SCHWIN and ED SEA-BLOOM presented the different math areas to the students.

Final Fall Term grades are due in the office of the Dean of Instruction on Dec. 20. Further details for instructors should be forthcoming from department chairmen.

LCC gets 3-yr. Accreditation

A three-year accreditation term was given to LCC Sunday by the Northwest Association of Secondary and Higher Schools at their annual business meeting in Reno, Nev.

Acting President BOB HAMILL and Institutional Research Director JIM SNOW were present to hear the results of the 18-month study of our programs. They also attended a conference that followed the regular meeting of the Association.

The accreditation means that prospective transfer students at LCC will have no trouble transfering credits to out-of-state institutions. It will also be easier for students to transfer to private institutions with the accreditation.

Dean of Instruction LEW CASE had this to say, "We definitely take this as concrete evidence of confidence in the college's educational program."

The accreditation is the result of all the work and effort expended by the staff in the self study.

Something New

Something new for all LCC staff members. Do you like to read? Would you like to share your opinions on novels you read with others who have read the same book? Why not try the newly formed "bookdiscussion club" being organized for staff members at LCC.

The first novel will be Snow Country by Yasumari Kawabata, a Japanese author. Paper-back editions of the novel will be available at the campus Bookstore in two weeks. Go over, pick up a copy and sign up for the discussion group while you're at the bookstore.

Associate Dean GERRY RASMUSSEN and Counseling Director KEN HILLS are initiating the new group and will get together with other enthusiasts to set a place for the first discussion on Jan. 24 at 8 p.m.

At the first meeting the 24th, the club will discuss the novel and share thoughts and ideas. Following the discussion a short organizational meeting will be held to make plans for future books and discussions.

Remember, this is open to all staff members and you sign up to attend the discussion when you pick up your copy of Snow Country at the Bookstore. The place of the meeting will be announced in a memo in mid January.

names in the news

Nursing Department Director MARY FIORENTINO is the author of "Issues for Teachers in Associate Degree Nursing Programs." It's a two-page article in the December issue of Junior College Journal. It's possibly the first article by an LCC staff member ever printed in the Journal.

CECIL HODGES, chairman of Health and Physical Education, recently attended a conference for the Home Health Service Agency Advisory Committee in Portland. Cecil is a member of the Lane County HHSA Board of Directors.

Dr. DEAN WEBB, LCC board member and a Cottage Grove dentist, left last Thursday to begin a two-month tour of volunteer duty with Project HOPE (Health Opportunity for People Everywhere) in Ceylon. Dr. Webb, will spend two to three weeks on the ship SS HOPE, which is equipped with the facilities of a teaching center, and he will spend the remainder of the tour at the Peradeniya dental school, teaching.

Roger Grabinski, husband of LCC Home Economics Prof. JOANNE GRABINSKI, has been elected president of the Lane Human Resources, Inc.

NORMA EVERS, secretary in Adult Education, becomes the Nursing Department's secretary on Dec. 16. She succeeds JOAN BLACKMAN, who is leaving for maternity reasons.

Publications Secretary MARJORIE HAUNHORST is back on the job after a short stay in the hospital. Marjorie has been having severe headaches.

CELESTE SCHNEIDER and CONNIE CRÁNE, instructors of Adult Basic Education, attended a workshop in Portland on "English as a Second Language." KAREN LANSDOWNE and ADA ORCUTT, English profs, also attended. The featured speaker was Harry Freeman, foreign students advisor at San Francisco State.

Dean of Instruction LEWIS CASE appeared on KVAL-TV news programs Dec. 9 to explain the meaning of the college's new three-year accreditation.

CAROL TAYLOR, director of Forensics, attended a convention of the Western Speech Association in Salt Lake City last week. Carol was elected executive secretary of the Community College Interest Group. Mechanics Chairman MEL GASKILL, and Flight Instructors MARV HOVLAND and JIM SATTERWHITE will accompany twentyfive flight technology students from A&P to the new Boeing plant at Renton, Wash. The students left Dec. 12 to tour the Boeing 707 mockup.

Associate Dean GERALD RASMUSSEN told the Cabinet recently that a group of students had visited his office to protest the times scheduled for their final exams. Quick-thinking Gerry invited them to prepare an alternate schedule, an opportunity which they enthusiastically grasped.

They returned later in a less confident mood to assure Gerry that the schedule was fine, as it was. Observers inferred that they had concluded that scheduling isn't as easy as it might appear.

JOHN LOUGHLIN, math prof, attended the meeting of the Oregon Association for Educational Data Systems Executive Committee in Salem last month. John is a member of the committee.

Some of the courses at LCC can be pretty expensive, especially to instructors. BUCK BAILEY'S Wednesday night Human Relations class cost him an even \$800. While Buck was teaching, the Elk's Club was having a drawing down town. And guess who's name came out of the hat--Buck Bailey. And guess what the prize was \$800. And guess who has to be present to collect the \$800--and guess who was faithfully teaching at LCC on 30th Ave. -- BUCK BAILEY. Sorry Buck, but you can't win them all.

BOB MAXWELL, mechanics prof, and his wife Beatrice, are the parents of a new daughter, SHARON ROSEANN. Sharon arrived Nov. 25 and weighs 30 lbs.

Agricultural-Business News of Portland is planning an article on our farm machinery course.

TORCHY WELLS joins Information & Publications Dec. 16 as secretary. She succeeds KIM JUDISH, who left Dec. 6 to move to Bend.

HAVE YOU VOTED?

Ballots are being circulated to all staff members to vote on the Staff Association Constitution revisions. The yellow ballots explain that staff members are to vote according to sections. Association Vicepresident JED MERRILL will be by to collect the ballots Monday afternoon, so don't forget to vote.

Birthdays

Happy belated November Birthday greetings to : HELEN ROSE, clerk in Science Department, 23; LORELEI VAUGHN, secretary in Mechanics, 24; CASEY FAST, math prof, and MARV HOVLAND, mechanics prof. 27; PAULINE DIXON, counselor, 28; and DICK ENO, business prof, 30.

Happy December birthday to: NATHAN CAMMACK, orchestra director, l; FRANCES HOWARD, financial aids counselor, 3; NILE WILLIAMS, Adult Education director, 5; NORMA EVERS, Adult education secretary, 10; EVA ASHEN-HURST, financial aids secretary, HAYDEN HODGES, science prof, and SELMER LOONEY, custodian, 12; HAZEL SMITH, math prof, 13; and HARRY ROBERTS, 14.

News briefs

Enrollment figures for Fall Term in both reimbursable and nonreimbursable programs number 6953 for headcount. The FTE figure is 1226.3 which shows an anticipated 3678.9 figure for the full year.

The breakdown into part-time/full-time is 4,139 part-time students and 2,814 fulltime. Remember this is all programs.

The annual staff Christmas Tea will be held next Friday (Dec. 20) in the Forum Building from 2 to 4 p.m. Any staff member who would like to contribute "goodies" for the occasion is asked to contact CAROL BECKLEY at ext. 331 on, or before the 19th. Staff members may pick up their December paychecks at the Tea.

The Business Advisory Committee met for the first time this year recently to discuss the Business Department's progress. Staff members reported on the progress of the 2-IR Middle Management Program, Clerical and Secretarial Programs. The committee also toured the new Business Building and facilities.

"Stop the World", LCC's first musical production, is a sellout. No tickets remain for the last two performances (tonight and tomorrow night) and Director ED RAGOZZINO said, "We have no plans to schedule any additional performances."

Last week's run, Dec. 5,6,7, was also a sellout.

Nearly 2,600 people are enrolled this term in about 150 Adult Education classes, reports Director NILE WILLIAMS.

Faculty identification cards are now available from the Office of Instruction. Several of the faculty members requested these for identification for using the University of Oregon Library facilities.

The staff in the office of the President echos the traditional wish for happy holidays and a peaceful new year.

THANKS FOR A JOB WELL DONE

ellow Staff Members:

As Fall Term final exam week closes, 's appropriate to point out that, like the students, we staff members have been ested. Happily, we've been found sufficient and given a superior grade: A three-year creditation by the Northwest Association Secondary and Higher Schools.

Accreditation, my desk dictionary tells 9, means that we've been "vouched for," at we've been "put into a reputable tegory." If you're sharing the heady ling that the experience has provided , you're well within your rights, for accreditation is directly attributable each staff member in many ways. First, you're doing a job in your teaching and/or support for teaching that impressed the visiting evaluation committee most favorably. Secondly, your participation in the year-long institutional self study preceding the committee's visit made possible the development of the inch-thick volume of self assessment on which the accreditation was primarily based.

Each full-time faculty member and administrator--134 in all-- was involved in the writing of at least one of the 10 sections of the report. And many staff members offered additional help by constructively criticizing sections developed by others. To Jim Snow, who chaired the immense project, and to each of you, I extend sincere thanks. You've helped to prove again that LCC is a college where staff members can and do influence the decision-making that determines the course the ship will stee. Our new accreditation proves the wisdom of that policy.

Bob Hamill

Trainer used in Adult Ed.

The new instrument flight link trainer, recently installed in the Mechanics department, will be available for evening training beginning Jan. 6, 1969. The Adult Education department will offer a class for all instrument and non-instrument pilots who want to keep their instrument rating current. The trainer has been approved by the FAA and an FAA certified ground instrument instructor will instruct the class and will sign the log book for training time.

Students must register one week in advance to allow for scheduling. Two or three persons may register to train and observe together for a minimum of three hours logged training time. A fee of \$36 for four hours of instruction must be paid when the students register.

Class time will be 7 to 10 p.m. Monday through Friday beginning the 6th.

Dean of Students BUD HAKANSON attended an editorial committee meeting of the book, Mapping Your Education, in Portland Tuesday. Bud made a proposal that the committee could improve the book as a counseling tool by increasing the information about community colleges and vocational-technical education.

The committee approved the proposal.

Social Science Prof JOE SEARL recently presented a paper "Geography and the Training of Professional People" to the National Council for Geographic Education in Kansas City, Mo. last month. The presentation was a special contribution to the NCGE annual convention. Evaluations received by the Council on Joe's presentation revealed it was accepted well and was an outstanding contribution.

GLADYS BELDEN, home economics chairman, attended an organizational meeting of an advisory meeting on vocational education for the State Board of Education, this past week. The purpose was to discuss plans for vocational education as affected by 1968 amendments to Voc. Ed acts.

LCC Art Prof JUDITH FAWKES is presenting a showing at the Maude Kerns Art Center in Eugene. Judy's exhibit is a display of weaving and macrame, a textile design using knotted threads to form a pattern.

Beginning Jan. 7 through Feb. 1 TOM BLODGETT, art prof, will be conducting a one-man show at the Oregon State University Art School. Later in the month Tom will appear at the invitational exhibit at the Museum of Art in Portland.

Mechanics Prof DON GREENLUND, and his wife DOLLY, are the parents of a new baby boy, DWIGHT. He arrived Dec. 12 and weighs 8 lbs.

REMINDER

Board of Education policies 4137 and 5148 make it clear that staff members should not accept gifts from students or classes. And supervisors do not accept gifts from subordinates. It's a matter of conflict of interest. (editor's note) The following is an exce from the Wall Street Journal's Dec. issue, submitted to the Roundup by Bu ness Chairman JOHN KREITZ.

Two year colleges in the Pittsburg area start drawing recruiters from as far away as California, New Mexico Georgia and Michigan. Manhattan Comnunity College in New York report a 15 per cent increase in the number of companies interviewing students for jobs this year. "Placement from junic colleges is just beginning to turn on, notes an official of Marin Junior College outside of San Francisco.

Many employers find junior-colleg grads well-suited for jobs as tech nicians, salesmen and draftsmen "They have more polish and are abl to grasp information better" than hig school graduates, says an F.W. Wool worth official. The junior-college gra "has sufficient education to do a goo job and an insufficient education to become dissatisfied quickly."

The girls in the President's office complex will act as hostesses for the occasion, however staff members will be furnishing the "goodies". Any staff member who has their goodies in their car or office and doesn't know where to take them, please bring them to the President's office before noon or to the lecture room in the Forum building after noon.
