**FILM** - "Broken Treaty at Battle Mountain" may be seen tonight, Monday, 8 p.m., on Channel 7, Cable 5. Counselor Jack Shadwick says it's one of the few definitive films on American Indian life. You may already have seen a short segment of it on the May 5 CBS "Sixty Minutes" program.

**MISSING SLIPS** - In this case, it's some of those Retirement Report slips which were circulated last week. Some people didn't receive theirs. If a stray has come your way, send it to the Personnel Office today.

**BOARD MEETS WEDNESDAY NIGHT** - They'll seat two new members, elect officers, pay construction claims, make an advisory committee appointment, hear a Bicentennial Committee report, discuss summer construction projects, learn about summer enrollment and, possibly, go home earlier than usual. It's at 8 in the Board room. Next meeting: September 10.

**NAME CHANGE** - The former Educational Coordinating Council is now the Oregon Educational Coordinating Commission. The OECC asks that records be changed accordingly. The agency retains existing duties and responsibilities along with some new functions assigned by the Legislature. Same address.

**MEETING DAY CHANGED** - RSVP Program Advisory Council meets Tuesday, July 15, 3:30 p.m., at the Kaufman Center, 996 Jefferson St., Eugene. Change in date is for the month of July only.

**MARRIED** - Business professor Gordon Wehner and Catherine Hager on June 14. They're honeymooning in Europe.

**DRAW YOUR OWN MORAL** - A sparrow flew into the Administration Building last Wednesday. (The Daily hates to print items that are for the birds.)

July 14-18, 1975

**LONG-RANGE PLANNING** - Where do we go from here? How did we get here? How do we get from here to there? Those are among the questions that President Schafer is challenging the newly appointed Long-Range Planning Steering Committee to answer. The citizen-staff-student committee met for the first time Thursday and chose two former Board members as officers: Charlene Curry as chairer and Bob Mention as vice chairer. A series of sub-committees, to include broad staff representation, will be organized to develop goals, plan activities, and conduct reviews.

**Membership includes:** Laypersons - Bank loan officer Verne Andresen of Junction City, OSSHE administrative services director Michael Jennings of Eugene, homemaker Lou Ann Murray of Eugene, builder Greg Vik of Eugene, CPA Kenneth Kohnen of Eugene, retiree Bill Cox of the world, Mrs. Curry of Springfield, and Mention of Eugene.

**Faculty** - Beth Webb of Paradental, John Loughlin of Math, Cliff Olsen of Community Ed, and Steve Hanamura of counseling.

**Classified** - Shirley Baldwin of Data Processing and Barbara Hasbrouck of Language Arts.

**Administration** - Deans Lew Case, Tony Birch and Joyce Hops, counseling director Ken Hills, and secretary Florence Hedden.

**HOW TO SPEED UP YOUR TUITION WAIVER** - Financial Services is receiving the Employee Tuition Waiver form minus signatures, in many cases, of the appropriate dean and the personnel services director. Before you take your form to Financial Services, please get the necessary signatures. That'll make things go lickety-split for everybody. Thanks.

**BUSINESS OPERATIONS REORGANIZED** - The retirement of Bill Cox has necessitated a realignment of responsibilities in the Business Operations Division, since he is not being replaced. Now reporting directly to Dean Tony Birch as operations staff are Verne Whittaker, budget; Pat Grant, purchasing; and Randy Mafit, records management/archives.

In line positions are Walt VanOrden, plant services (includes Curt Knudson as maintenance and operations manager, and Gary Washburn as custodial and grounds manager); Hank Douda, personnel services; Mark Rocchio, campus support services (includes facilities scheduling, warehouse, laundry, bookstore, security and communications); Jim Keizur, data processing; Bill Mansell, financial services; and Ken Brownell, food services.

PAYROLL -Worksheets for the mid-month payroll draw checks will be available from the Office of Financial Services on Tuesday, July 15. The regular monthly payroll worksheets will be ready to pick up from Financial Services on July 21. They are due back to Financial Services by 5 p.m. on July 22.

NEW BOARD CHAIRER - It may come as a surprise to Al Brauer when he returns from Africa in mid-August, but he's the new Board of Education chairer. His fellow members elected him last week, also selecting Jim Martin as vice chairer. Starting his twelfth year on the Board, Dr. Brauer previously was chairman (that term was still legal then) back in 1968-69. It was our first year on the new campus and Bob Hamill was acting president.

ROTARY EXCHANGE - If you're between 25 and 35 years of age and would like to visit India, local representatives of the Eugene Rotary Club want to hear from you. The Southern Oregon District of Rotary International seeks five people to send to southeast India, around Bangalor, for approximately six weeks, starting January 8, 1976. Rotary will pay your transportation, you'll stay in a private home in India, and will be expected to do some public speaking in India and locally upon your return. Contact Carl Webb, secretary of the Eugene Rotary Club, at 344-1461 or 345-3778. On-campus contact person is Dean Gerry Rasmussen.

BOOKSTORE CLOSURE - Call Georgia Henrickson at ext. 244 if closure of the bookstore during the last two weeks of August will cause you any major problem. She'll try to make some special arrangement for you if possible. The bookstore will be closed from Monday, August 18 through Monday, September 1. It will reopen Tuesday, September 2.

ABOUT THAT SERIAL LEVY WE DIDN'T GET - Purchasing Agent Pat Grant says the college instructional equipment inventory totals about \$2.1 million. He estimates that \$1.5 million of that gear needs to be replaced, repaired or updated.

YOU TOO, ERMA? - Columnist Erma Bombeck perhaps speaks for many of us when she writes: "My big fear is that by the time I have time to explore who I really am and find my true identity, I'll discover that I'm average."

**NEXT TUESDAY** - Special election on Lane County operating levy. Inflation and a severe reduction in timber receipts from federal O & C lands have caused the county to ask for \$3.5 million beyond the 6% limitation.

**LOST BOOKS** - Two copies of Guide to Evaluation of Educational Experiences in the Armed Services were sent to LCC in May or June, but they didn't arrive at the Registrar's Office where they're much needed.
