**BOARD OF EDUCATION--**The LCC Board will meet in public session tonight at 9 p.m. The major item on the agenda is acceptance of the election defeat April 20 and discussion of the date for the second budget election. In his agenda comments, President Schafer cited the following as reasons for the budget defeat: property valuation increases, CETA positions being picked up on local taxes, heavy turnout of voters in the outlying areas, voters against any tax increases, the desire to defeat the first budget, the payment of federal income taxes just before election, and reaction against the 4-J principal transfer. President Schafer says the April 20 budget was "a good budget adequately reflecting the operational needs of the College...Therefore, we propose not to effect major program cuts at this time." He proposes eliminating all CETA funding from the budget and identifying a cash carryover. The effect of the proposed cuts would reduce the proposed tax rate to \$1.41 per \$1,000 true cash value from \$1.61 currently. He also proposes that the Board set June 29 as the date of the next budget election.

**TORCH EDITOR--**Second year Journalism student Kathleen Monje was selected Monday evening as the Torch editor for the 1976-77 school year. **BOARD OF EDUCATION--**A decision was delayed until May 12 for the date of the next budget election and what cuts will be made in the budget proposal. President Schafer has recommended that June 29 be set as the date of the next election and that the budget be reduced \$285,000 before going to the voters a second time. If accepted, Schafer's recommendations would mean a 14 per cent decrease in the property tax rate from the current year's rate--from \$1.61 to \$1.41 per \$1,000 true cash value. The Board was presented with survey results compiled after the defeat suggesting that the major reason for no votes was a dissatisfaction with the high cost of property taxes generally.

In other business, Dean of Instruction Gerald Rasmussen indicated recommendations would be coming to the Board in the next couple of meetings for four department and program reorganizations. Those include Paradental/Paramedical - Nursing, Interdisciplinary Studies, Learning Resources, and Women's Studies.

**BOARD OF EDUCATION--**The Board went beyond the administration's recommended \$325,000 budget reduction last night, and cut the proposed budget another \$150,000, for a total reduction of just under a half a million dollars from the defeated April 20 election. As a result, district voters will vote June 29 on \$1.5 million outside the six per cent limitation on a total budget of \$14 million dollars. The tax rate will drop from \$1.61 per \$1,000 assessed evaluation this year to \$1.37 per \$1,000 evaluation -- a 15 per cent reduction. The administration proposed cuts which will eliminate all CETA funding from the budget and identify a cash carryover. The area of the additional \$150,000 cut from the budget will be determined at a future board session. With the budget reduction, it is estimated that the total LCC taxes levied on a property will be less if the budget is approved unless the property's re-evaluation exceeded 17.5 per cent.

In other action, the board voted in a 4-to-2 decision to disband the Interdisciplinary Studies department.

**GREATER OREGON--**Greater Oregon Health Insurance, which provides medical and visual insurance for classified, faculty and management employees, is under order of the Insurance Commissioner to increase its reserve from \$25,000 to \$250,000 as required by the 1975 legislature. There has been an indication that insurance rates will increase next year and since LCC has an opportunity to call for bids (within its contracts) and is aware of the possible rate increase, it will do so in hopes of keeping the costs down and services up. The call for bids has been announced and the company providing the required coverage plan at the lowest rates will be selected, effective July 1. In the meantime, Greater Oregon has assured LCC that all claims will be paid. The Personnel Office is studying the situation, attempting to keep up on new developments, as are insurance committees on campus. Lorraine Dillon, ext. 258, is available to assist with any problems anyone might have with insurance or claims.

**HAVE YOUR SAY--**Meet with members of the LCCEA negotiations committee today at noon in Health 109 (brown baggers welcome) and Friday at 2 p.m. in Science 111. The negotiators would like to know what you would like in next year's contract.

This year's student body officers have been Len Wassom, Richard Weber, Francie Killian, and Kathy Monje. Some 470 votes were cast in the Tuesday and Wednesday election, compared with 400 votes last spring.

**GOURMET'S DELIGHT**--Children in the Fern Ridge Head Start program have published a cook book that should win an award for originality -- if not for the food's tastiness. For instance, Kevin submitted the following pie recipe:

2 strawberries	3 cups sugar
3 flour	2 pepper
3 hard stuff	3 cheese

Put all together. Put in pans. Cook in oven for 6 days. Let cool 3 minutes. Then eat it. (If you dare!)

And Marl's recipe for potatoes is unbeatable:

100 potatoes -- 2 for daddy, 1 for mommy

Cook for 1 day in a pan on a hot stove. Take out of pan and smash with fork, put 1 cup of butter on them. Then daddy puts on the salt and pepper. Then eat them.

How you wrangle the afternoon off is also your responsibility.)

**IT'S A BOY**--Jan and Lyle John had a second son at 9:50 election night. Stephen Lynn weighed 9 lbs. 11 1/2 oz., was 20-inches long, has red hair, and looks like brother Brian. Now a Salem resident, Jan formerly worked in Financial Services, Institutional Research, and College/Community Relations.

**McLAINSTEIN?**--This year's Torch editor Mike McLain has been hired by the Oregon Daily Emerald at the University of Oregon to be the political reporter based in Salem. Mike will receive college credit (plus a big \$80 a month) for his year's work, as well as the experience of covering the legislature.

**UNSCRAMBLED**--For those of you with puzzled expressions, the conversation on the restaurant billboard goes like this: (see Wednesday's Daily)

'cheat? (Did you eat?)  
Nachet. (Not yet.)  
Squeet. (Let's go eat.)  
K. (Okay.)

On occasions, we do sound like that.

**NO DAILY MONDAY--**Have a restful or wild (whichever best revives you) three-day weekend.

**TODAY--**Try to find time to hear and see Brian Lanker and his slide presentation at 10:30 this morning in Forum 301. The Pulitzer-winning photographer and Register-Guard employee gives a very interesting presentation.

**LET'S START OVER--**Despite those who have accused me of making an anti-Semitic remark, McLainstein was not intended in that vain. You see, Mike McLain is a journalist and McLainstein was a play on the Woodward-Bernstein (or Woodstein) style of investigative reporting. Mike got it but I think he was one of the only ones...Maybe not as many people as I thought saw (or read) "All the President's Men."

**TERRY CLINGAN--**Twenty-eight-year-old Terry Clingan, a part-time employee for the LCC Library, died Wednesday night. He had been experiencing chest pains following what appeared to be strained muscles from moving furniture. He had been under a doctor's care for the muscle strain. Late Wednesday while eating peanuts he apparently choked on one and was unable to expell it. Del Matheson, Head Librarian, says Terry was an exceptional employee -- well-liked by his co-workers. The Library staff has set up a Memorial Fund in his name to purchase either a tree or plant for the campus or Library. Call Del for more information.

**NEW LOCATION--**For those of you who have lost Lost and Found, Carol Hull reports that it is now located in the Security Office in Campus Support Services. In the past the Lost and Found service has been handled at the Switchboard.

**PAYMENT--**When payment of personnel on personal/professional services contracts is desired by the employing department, Financial Services requires a requisition or memo requesting a check be made for the completed professional services. This request must be signed by the person responsible for the budget account being charged. Payroll expense accounts should not be charged for these costs as they are normally outside services. For more information, check with Ben Crawford, Financial Services.

**PUBLISHED--**Secretarial Skills instructor Helen Lynn has an article in the May issue of Business Education Forum. The editors of the magazine requested that Mrs. Lynn write the article about her office simulation, "The Office."
