THURSDAY
June 10, 1976

BOARD OF EDUCATION--It was a quiet Board session last night--for a pleasant change. Several items of interest, though, for staff members. The Board approved a change in our fringe benefit health and accident coverage company. Aetna Life and Casualty Company submitted the lowest bid and was accepted to provide the insurance for the 1976-77 fiscal year. Greater Oregon, our current insurance contract-holder, did not (obviously) have the lowest bid.

Other items of discussion included Board review of the administrative plan which will combine the nursing and parodontal/paramedical departments into the Department of Health Occupations. The details of the change are yet to be worked out administratively. And initial discussion of the status of the Women's Program for the coming year was begun with a report from Anne Stewart, Women's Program Specialist. It appears it will be several meetings before the Board makes a decision on the future course of the coordinator's position and the status of the program.

GOODBY PARTY--An informal reception for the 10 staff members retiring this year will be at 3 p.m. today in the Boardroom. Plan on attending.

STUDENT/CITIZEN COMMITTEE FOR LCC BUDGET--LCC student Mildred Holly has formed a committee of LCC students and local citizens to work for passage of the LCC levy June 29. Her committee has put up posters, bought advertising and is planning other kinds of supportive activities. If you are interested in joining the committee or helping out with a donation, you can call Mildred at 746-2836, or send any donations to her at 366 So. 79th Street, Springfield, Oregon 97477.

REMINDER TO INSTRUCTORS--In those cases where the instructor has chosen to withdraw a student rather than assign a grade, the date of withdrawal must be indicated on the grade sheet submitted to Student Records, even if it is the last day of the term. If you have questions, please call Dean of Students Jack Carter, ext. 346, or the Veterans Office, ext. 275.

DON'T FOOL WITH THE POST OFFICE--Authorities have been consulted regarding possible harrassment/postal regulation violation occurring at LCC. Any individual or department with information or examples of anonymous letters should contact Hap Stanley, Director of Security, ext. 305, immediately.

NO GO--The Youth Summer Sports Program offered through the Health and Physical Education Department has been cancelled due to the lack of participants.

FRIDAY
June 11, 1976

SUMMER CLASS--A class will be offered this summer to unearth some dirt on the lifestyle of the American Coastal Indian. It is an archeological dig at the Oregon Coast. Students in the class will camp at the site of an Indian village and participate in an active excavation from June 28 to July 2. To participate in the class, interested persons are asked to meet June 23 at 10 a.m. in the Apprenticeship Building, Room 205, for an organizational meeting. Cost for the five-day workshop is \$25. For information or registration, call instructor Jeff Zucker, 747-7968.

LEVEL CHANGES--The Level Change Committee will meet today in closed session. Personnel Services will attempt to notify as many of the classified and faculty who applied for changes as to the results.

LAST DAY--For many of us, today is the last day of school (or work) before the summer break. This is also the last regular Daily. Throughout the summer the Daily will be published once a week on Mondays. Items are due the Friday before to be included. Have a good summer.

NEW HOURS--New hours for the Switchboard, starting Monday, will be from 7:30 a.m. to 6 p.m. Monday through Friday.

FOODSERVICE--The cafeteria will be closed today and will reopen Monday for the summer session. Summer hours will be 7:30 a.m. to 3:30 p.m. The snack bar will be closed, following today, for the summer.

SUMMER SHAPE--For those of us trying to slim down to fit into last year's swim suit, diet has become a four-letter word.

ONE MORE REMINDER--If today is your last day, don't forget to vote June 29. And if you are interested in joining the Student/Citizen Committee for the LCC Budget, call chairwoman Mildred Holly at 746-2836.

SLIM PICKINGS--They say no news is good news, so maybe this week's Daily fits in that category. It seems that things have slowed down to a near stop. Maybe streaking will come back in to add a little excitement...

GOOF--It is nice to report someone else's goof rather than our own, for a change. The Register-Guard ran a list of graduates and story last Thursday reporting graduation would be Friday, June 11, which is close but still a week late. They promised a correction, though. We hope not too many people showed up to a locked Theatre Friday night.

EVS PARTY--About 100 students and faculty of the old Eugene Vocational School attended a reception Saturday at LCC. David Butler's book, Fourth and Madison, was presented and available for purchase. Music from the '40s, old pictures and slides, and reunions added to the festivities. Also, those of you interested in purchasing a \$2 copy of the history of the old vocational school, may do so at the College/Community Relations Office.

WEDNESDAY--All classified employees are invited to attend a meeting of the LCC Employees Federation on Wednesday, June 16, from noon to 1 p.m. in the Boardroom.

WHEN YOU ARE GONE--Please notify the switchboard operators when staff members will be out of their offices or whole departments will be closed this summer so they can reroute incoming calls. We all know how aggravating it is to finally reach the right extension and then have the phone ring and ring without an answer.

REGISTRATION--This week is registration for summer term. Registration will be from 8 a.m. to 7 p.m. June 15 and 16 and 8 a.m. to 5 p.m. June 17 and 18 in the first floor of the Center Building.

SNACK BAR CLOSED FOR SUMMER--The cafeteria is the only Foodservice in operation this summer. Hours will be from 7:30 a.m. to 3:30 p.m.

OFF FOR SUMMER--Mary Jeanne Jacobsen, Curriculum Specialist, will be off campus from today through August 27. Calls about curriculum approval procedures should be directed to the Associate Deans or the Dean of Instruction.

June 21-25

IT SURE HASN'T SEEMED THAT BUSY--According to Jean Shaffer in the Registrar's Office some 1,972 students has registered thus far for summer term. She said that by the time all registration is complete there should be near the same (or perhaps, a bit ahead) of the 2,066 students who took classes last summer.

MAYBE YOU HADN'T HEARD--June 29 is the LCC Budget election and volunteers are needed to call voters to remind them to vote. Joyce Nichols says some 200 volunteers are needed to call about 30-40 people each. Call her at ext. 344, please! She also has absentee ballot applications, and she reminds those of you who are not registered that you may do so until the polls close on the day of the election (but why wait that long and end up waiting in lines?).

Items on the agenda for discussion only are part-time salaries, Management Agreement and Faculty salary schedule, reduction in force proposal, explanation of budget reductions, Foodservices, and retirement policy. The work session is open to the public.

OUTSTANDING--The Lane County Dental Assistants Association voted Dental Assistant Instructor Beth Webb as Outstanding Dental Assistant of the Year.
