THE WEEK OF
August 2-6, 1976

IN CASE YOU MISSED IT IN THE MEDIA--The Cooperative Science Museum Commission has been awarded a \$410,000 grant from the Economic Development Administration to erect a building in Baker Park. Eugene, Lane County, IED, and SWOMSI will contribute additional monies to raise the project total to \$750,000. Construction is expected to begin next spring. Partners, besides those mentioned, include the U of O and LCC. Lewis Case is our man on the CSM Commission.

ABOUT THAT SEPTEMBER 21 ELECTION--The \$1,424,794 beyond the 6% limitation is the same amount as last year's levy. Annual cost for the owner of a \$25,000 home is \$9.15. A total of 20.6% has now been cut from the original budget proposal. The total LCC property tax rate (for the levy, tax base and bond retirement) would be \$1.35 per \$1000 true cash value or \$33.75 for the year on a \$25,000 home. Your LCC property taxes should be lower than last year unless your 1976 property reassessment exceeded 19.3%.

DATE CHANGE--The Fall term schedule of classes will be published in the Register-Guard on Monday, September 6, instead of the following day as announced earlier. The R-G had a printing problem.

PEOPLE--Business Chairman Jack Kreitz has been reappointed to another 3-year term on the State Department of Education's Business Education Council. Jim Evans and Sam Twidale of the Business faculty developed the materials which the State Board of Tax Services Examiners is using for its Basic Income Tax Preparation Course. Board of Education members Richard Freeman and Stephen Reid have been reappointed, respectively, to the RSVP advisory committee and the Oregon Community College Assembly. Judy K. Dresser is the new Home Economics Department chairwoman. Leon Adkins and LuAnn Reif have resigned from the Nursing faculty; Gary Washburn has resigned the position of head groundskeeper.

Looking for a staffer to write a column on automobile and motorcycle repairs, the managing editor of the St. Paul Dispatch received an application from a person purporting to be novelist (and former technical writer) Robert Pirsig, author of "Zen and the Art of Motorcycle Maintenance." He wrote that he was working on other books: "Catholicism and the Double Overhead Cam Engine," "The Reciprocating Engine and the Albigenian Heresy," "Methodism and Multi-Viscosity Machine Oils."...

Abraham Lincoln said--

"You cannot bring about prosperity by discouraging thrift. You cannot strengthen the weak by weakening the strong. You cannot help the wage-earner by pulling down the wage-payer. You cannot further the brotherhood of man by encouraging class hatred. You cannot help the poor by destroying the rich. You cannot keep out of trouble by spending more than you earn. You cannot build character and courage by taking away man's initiative and independence. You cannot help men permanently by doing for them what they could and should do for themselves."

WEEK OF

AUGUST 23-27, 1976

ANOTHER TEACHING TOOL - Joe Romania Chevrolet has given a 1976 Vega to the Mechanics Department. It was damaged in a spill off a transporter. Details of acquisition were handled by Chairman Howard Dull and CWE Coordinator Mike Hoggan.

CROWDED BALLOT - LCC's September 21 election date will be shared, it appears, by South Lane, Junction City, Oakridge, Pleasant Hill, Fern Ridge, and Eugene school districts. It's do or die for most of us. The only other levy election date in 1976 is November 2.

STATE FAIR - LCC will be part of the OCCA booth August 29 through September 6 at the State Fair at Salem. College/Community Relations people will be staffing the booth on August 28 and September 3.

IN CASE YOU'RE ASKED - Prospective students seeking the Interdisciplinary Studies Department should be referred to Language Arts for English classes and to Social Science for political science, history, psychology, and women's studies. And, of course, Nursing and Paradental/Paramedical are now in one department called Health Occupations. There's been a reorganization, too, in Counseling; changes in assignments will be announced later.

LCC ADVOCATES - That's the title of the citizen group working toward passage of the LCC operating levy on September 21. Mildred Holly, 366 S. 79th, Springfield 97477, telephone 746-2836, is chairwoman. They're looking for donations and volunteer help.

SECRETARY OF THE DAY - Social Science secretary Karen Ault was surprised on August 17 by the delivery of a long-stemmed red rose. KSND radio picked her as its secretary of the day.

CAFETERIA MENU - Today: creamed turkey on biscuit, barbeque sandwich. Tuesday: veal parmigian, grilled beef and cheese sandwich. Wednesday: franks and beans, grilled Hawaiian farmer sandwich. Thursday: savory meatloaf, Monte Cristo sandwich. Friday: broiled chicken, Mission City grilled sandwich. Everyday: sooper soups, hamburgers, cheeseburgers, deli sandwiches, salads.

AND FINALLY - The Ragan Report reports that Brigham Young University, according to one of its news releases, is "a campus of 25,000 predominately white students."

FOR SALE - 1965 Chevelle Malibu, V-8, 283 engine. \$500. Contact Karen Ault, Ext. 241, Social Science Department, or call 688-2049 evenings.

FOR SALE - Honda 305. Dream. \$150. Bill Curry, Bookstore, ext. 244.

FREE - One gold male kitten, 8 weeks. Come out to the farm and get him. Barbara Mathewson, Health Occupations Department, Ext. 266 or 998-2797.

THE WEEK OF
August 30 - September 3, 1976

LCCEF MEETS THIS NOON--Classified staff members meet today (Monday, August 30) at noon in the Board Room. The agenda includes a film on the new state driving laws, handouts regarding the grievance procedure and the AFL-CIO convention, and a short business meeting which will include a financial report.

HOLIDAY--The College will be closed next Monday, September 6, for Labor Day.

THE BIG DAY--Tomorrow, in case it has sneaked up on you, is Payday.

CAFETERIA MENU--Today: Chinese pepper steak, French dip sandwiches. Tuesday: Swedish meatballs, an open entree. Wednesday: cheese souffle, stuffed bell peppers. Thursday: macaroni and cheese, chili dogs. Friday: tuna noodle casserole, baked fish. Everyday: sooper soups, cheese burgers, hamburgers, deli sandwiches, salads.

TANK TRANSPORTATION BID AWARDED--The LCC Board of Education met briefly at noon last Tuesday to hire the Progressive Transportation Co. of Irwindale, CA to haul two huge water storage tanks to the campus. The tanks, which have a capacity of 54,000 gallons each, will be instrumental to a plan to reduce campus heating costs and thus save an estimated \$107,000 annually. It's complicated, but the plan in a nutshell is to heat water at night and then siphon the heat from it each morning to warm the buildings. The saving accrues because EWEB charges for its electricity based on peak usage; this plan will reduce the peak usage dramatically and cut costs by a fourth. The tanks are federal excess property and thus free to LCC except for the \$16,250 transportation cost. They're big: 65 feet long, 13 feet high, 12½ feet wide and weigh 101,100 pounds each. That height makes it necessary to truck them on "back roads" because I-5 overpasses are too low. They're supposed to arrive September 10 and to be in service in October.

AND FINALLY--A flea and a fly in a flue

Were imprisoned, so what could they do?

Said the fly, "Let us flee!"

"Let us fly!" said the flea,

And they flew through a flaw in the flue.
