THE WEEK OF SEPTEMBER 5-8, 1978

THAT OL' BIG BAND SOUND - The Division 1 Deadbeats are among the top names in entertainment who will appear at the Staff In-Service banquet on Wednesday night, September 13, in the cafeteria. Get your tickets this week so you don't miss the sounds of pop music of the '50s as offered by such luminaries as Casey Fast on trumpet/guitar, Jim Piercey on drums, Barbara Piercey on the organ, Howard Dull on accordion/organ, Douglas White on percussion, and Maggie Moore and Judy Bagby with vocal renditions. If that isn't enough, get ready for John Klobas and the Polka Pipers. And more (we hope). Get your tickets from Kathy Dave at the information counter, first floor ADM. Price is \$3.50 per person for prime rib/ham dinners and wine. There'll be wine tasting at 6 p.m., dinner at 7 p.m., and entertainment about 8:15.

CLOSURES - Health Occupations (both nursing and dental areas) will be closed on Wednesday. Financial Services' cashier's counter will be closed from 2:15 to 3:30 p.m. on Thursday to allow staff to attend a training session on Visa/Master Charge for registration.

MOVED - Purchasing Services and Excess Property have moved from ADM to the first floor of Campus Services, next to the mailroom. Phone numbers remain the same.

ELECTION INFORMATION - People have been asking for data to share with friends, etc. Here tis:

LCC seeks voter approval of a one-year \$535,000 levy beyond the Oregon constitutional 6 percent limitation at the September 19 election.

"We're asking for a 7.8 percent increase in our operating budget at a time when inflation is more like 10 percent," says LCC President Eldon Schafer.

"Not only will we be maintaining present services within that budget, we'll also be staffing our new Downtown Center," he said.

A yes vote would increase the local property tax for LCC from last year's \$1.35 per \$1,000 assessed value to an estimated \$1.37 for this year.

This 2-penny increase would cost the owner of a \$40,000 home an estimated additional 80 cents in total LCC property tax for the year.

"We've reduced our levy request some 29 percent from the \$784,000 rejected at May and June elections," Schafer said. Allowing for uncollected taxes, the college

would net about \$499,500 of the proposed September 19 levy.

"For the third year in a row," Schafer said, "departments will get no increases to cover inflation in materials and services and capital outlay accounts."

Student tuition was raised 5 percent to make it among the highest of Oregon community colleges.

Schafer said voter approval of the September 19 proposal would raise the total property taxes for college support to \$5.8 million. That is about 35 percent of the proposed operating budget of \$16.8 million. State support, tuition and fees, and some federal monies generate the other 65 percent of the budget.

"The average local property tax rate has been \$1.47 per \$1,000 assessed value over the past 10 years," he said. "We're asking for a rate for this year that's 10 cents lower than that average."

Schafer pointed out that Lane is the only Oregon community college still seeking a levy approval.

WHAT LCC'S PROPOSED TAX LEVY WOULD COST YOU

LCC now receives \$1.35 per \$1000 of assessed property value. If the proposed levy passes, LCC would receive an additional 2¢ per \$1000 of assessed value, for one year only.

If your property is assessed at:	Passage of the levy would increase your LCC tax by:
\$10,000	.20
20,000	.40
30,000	.60
40,000	.80
50,000	1.00
60,000	1.20
70,000	1.40
80,000	1.60
90,000	1.80
100,000	2.00

THURSDAY, SEPTEMBER 7, 1978

EXTRA! EXTRA! EXTRA!

What sits at the bottom of the ocean and trembles? A nervous wreck.

Don't make nervous wrecks out of your In-Service Banquet Committee. Get those tickets today or before 4 p.m. tomorrow (Friday) so that Foodservices Manager Bob Tegge will know how much prime rib and ham to order.

MAKE YOUR DECISION NOW to attend the In-Service "Meet the Board of Education members" get-together. It's next Wednesday, September 13, in the cafeteria.

6 p.m. - White and red wine and the music of John Klobas and the Polka Pipers

Hosting the Board members: 4 faculty and 3 classified staff to be named by Delta Sanderson and Darrell Allyn.

7 p.m. - Dinner: prime rib or ham, whipped potato, mixed vegetables, roll and butter, assorted desserts, coffee and tea. Vegetarian plate available.

8:15 p.m. - Entertainment: Buck Bailey, master of ceremonies; John Klobas and the Polka Pipers; Charlene Pierce, belly dancing; Tom Dewart, juggling; Milt Madden, songs; Bonnie Graham and Mike Walker, disco duo; and the Division 1 Deadbeats, the big band sound of the '50s. Jim Brock, P.A. system.

Dress - All kinds

Numbers no object - Come by yourself, with spouse, with date, with friend, whatever.

TICKETS - Only \$3.50 per person for what is usually a \$5.75 dinner. Buy yours today or before 4 p.m. tomorrow (Friday) from Kathy Dave at the Information Counter, first floor, Administration. For telephone reservations (pay Monday or Tuesday), call Kathy at extension 340.

WHY NOT GET A FEW FRIENDS and come as a party? START the new year on a positive note!

SELCO CALENDARS - When picking up your banquet tickets, ask Kathy Dave for a free pocket calendar from your SELCO credit union. They're available in yellow, green or blue. One to a customer, please.

LCC REPORT - Your mailperson should be delivering your copy of LCC Report early next week. It's an 8-page newspaper with information about the college and the coming election. It's going to all district residences. Prepared by the Community Relations office at the direction of the Board of Education, Report may in the future be used as a means of distributing the class schedule to district residents. Diane Dann in C/CR welcomes reactions to the Report and the idea of mailing the class schedule. She'd also like to know if the mailperson fails to leave a copy of Report at your house next week.

MONDAY, SEPTEMBER 11, 1978

WELCOME BACK KOTTER - We 12-month Sweathogs missed you.

IN-SERVICE MEETINGS - Today and Wednesday of this week and Monday and Tuesday of next week are scheduled for In-Service meetings. The other days of each week are reserved for departmental activities.

THIS MORNING - 9-10:30 in the Theatre: Welcome from President Schafer; remarks by Larry Perry, Board chairman; Darrell Allyn, president of Classified Association; Delta Sanderson, president of Faculty Association; James Cox, president of ASLCC. In-Service announcements by Vern Ho. Theatre procedures by Edward Ragozzino. Refreshments: 9:30-10. Information tables by Development Fund, Lyle Swetland and Pat Williams; SELCO table by Jean Webb. 11-12 a.m. in the Theatre: "All You Ever Wanted to Know About Measure 6 But Were Afraid to Ask," Richard Munn, Legislative Revenue Officer, State Department of Revenue.

THIS AFTERNOON - 1:30-3 in Forum 302: "A Look at New Student Orientation and Testing Services" by Dave Roof and Gene Sorenson of the Counseling Department. 1:30-3:30 in Forum 307: "Presenting the Newly Organized Office of Instructional Services" by Gerald Rasmussen and Keith Harker of the Office of Instruction.

WEDNESDAY NIGHT - Tickets will be sold through the noon hour today for Wednesday night's In-Service "meet the Board of Education members" dinner in the cafeteria. Price is \$3.50 per person for prime rib or ham. See Kathy Dave at the Information Counter, first floor, Administration.

BACK ON DAILY SCHEDULE - The summertime weekly Daily is now again a daily Daily starting today.

SELCO CALENDARS--Stop by the Information Counter, first floor, Administration, and pick up a free pocket calendar from your SELCO credit union. They're available in yellow, blue and green. One to a customer, please.

COMING THIS WEEK--You should receive your copy of LCC Report, an 8-page newspaper with information about the college and the coming election, in the next couple of days. Prepared by the Community Relations office, Report is going to all district residences. If you for some reason don't receive a copy of Report please contact the C/CR office at ext. 340.

PHONE CAMPAIGN--We will be having a "Get Out the Vote" phone campaign for next Tuesday's election and we need your help. To keep the calling time per person to a 20-30 minute limit we need between 100 and 150 volunteer callers. If you would be willing to give some time to this effort contact Kathy Dave, ext. 340.

CHANGE--All inquiries regarding insurance should be directed to Jim Egan in the Personnel Services office, ext. 258.

SUMMER GRADES--More than 2,200 grade reports will go out to students this week as the Student Records office releases grades for all sessions of the 1978 summer term. Supervisor Grace Cameron says all grades should be in the mail no later than Friday.

REGISTRATION--Continuing student registration continues today through Wednesday from 8 a.m. to 7 p.m. in the Auxiliary Gym. Registration for new students and students returning from a term other than spring or summer will begin Friday, Sept. 15, and continue on Monday through Thursday, Sept. 18-21. There will be no registration on Thursday, Sept. 14.

CONGRATULATIONS--to Jeanne and Douglass Harclerod (Jeanne is associate department head of Health Occupations) on the birth of a daughter, Carla Jeanne born Sept. 7.

INFLATION HITS FOODSERVICES--If you've been frequenting the Snack Bar in the last week or so you probably noticed an increase of price in your favorite dish. Prices on meat items and salads were forced up due to the rising cost of raw foods. Here are a few of the changes: cheeseburgers went from 60¢ to 75¢ and hamburgers were 50¢ and are now 60¢. In the salad line, the small "make your own" salad was 60¢ and is now 75¢ and the large salad went from \$1.15 to \$1.25. Prices on soup and chili were also increased. Most of the meat entrees in the cafeteria line will show a 5 to 10 cent price increase. Foodservice hours during this week of in-service will remain the same. On Sept. 18 the cafeteria will open at 7:30 a.m. to 3:30 p.m. and the Snack Bar will be closed until Sept. 25. On that day Foodservices will resume normal operation with the cafeteria open from 7 a.m. to 1:30 p.m. and the Snack Bar open from 7 a.m. to 9:30 p.m.

TUESDAY
September 12, 1978

HOSTS AND HOSTESSES--Helping introduce Board of Education members to those attending Wednesday night's In-Service banquet will be Darrell Allyn, Plant Services; Steve Lange, Records Management; Sally Lange, Financial Services; George Alvergue, Social Science; Carmel Decroos, Health Occupations; Delta Sanderson and Karen Lansdowne, Language Arts.

BOARD MEETING--After enjoying the handshaking, food and entertainment Wednesday night, Board of Education members will convene for what could be a short meeting, starting at 9 p.m. in ADM 216. They will pass resolutions for this year's property tax levy, talk about appointments to the KLCC Advisory Commission, appoint members to the college budget committee, act on several personnel matters, and hear reports on enrollment, county fair, cooperation between adult education agencies in the community, and the September 19 election.

IN-SERVICE-- Today is set aside for departmental activities. Tomorrow's schedule begins at 9-10:30 a.m.: "College Teaching: Putting the Pieces Together" by John and Suanne Rouche, in the Performing Arts theatre. 10:30-12 noon: "Readability for Your Textbook" by Jim Ellison of the Study Skills Learning Center, in APR 211. Or, 10:30-12 noon: "A Thumbnail Sketch of CWE at LCC" by Bob Way, Coordinator of CWE, in APR 213. 2-3:30 p.m.: Follow-up session with John Rouche for Language Arts and Study Skills, and 3:45-5 p.m.: Follow-up session with John Rouche for Instructional Services. Both of the Follow-up sessions are open to all interested staff. 6-9 p.m.: "Meet the Board of Education" dinner and entertainment in the cafeteria.

PHONE CAMPAIGN--Volunteers are still needed for the "Get Out the Vote" phone campaign for next Tuesday's election. To keep the calling time per person to a 20-30 minute limit we need between 100 and 150 volunteer callers. Please give some time to this effort by calling Kathy Dave, ext. 340.

CHANGE--All inquiries regarding insurance should be directed to Jim Egan in the Personnel Services Office, ext. 258.

TICKET RESERVATIONS--All tickets on reserve for the Wednesday night In-Service dinner must be paid for and picked up by 4 p.m. this afternoon. There are about 50 reserved tickets that still need to be picked up today. See Kathy Dave at the Information Counter, 1st floor ADM.

FROM THE RAGAN REPORT--A recent issue of Corporate Public Issues tells of a Michigan businessman, with 58 employees, who was wearily but faithfully filling out his 47th federal form for 1978, when he came to this section: "Number of Employees, broken down by sex." An honest man, he pondered this for a while. Then he wrote, "None, so far as I know. Our problem here seems to be alcohol."

STILL TIME TO REGISTER--If you haven't registered to vote in next Tuesday's election, there is still time to do so. Contact Student Activities on campus for mail-in registration or drop by the County Elections Department at 175 W. 8th in Eugene. If you will be unable to go to the polls Tuesday, you may apply for an absent voter's ballot by written application through the mail (forms are available in Community Relations) or in person at the Elections Department.

Absent voter ballots are also available at the Elections Department if you will be unable to go to the polls that day.

CHANGE--All inquiries regarding insurance should be directed to Jim Egan in the Personnel Services office, ext. 258.

FROM THE RAGAN REPORT--Reflecting on communication, editors of Southeast Missouri Hospital's Synapse, quote two studies: one shows that typical managers spend 90 percent of their time communicating; the other states that communications make up at least half the cost of running the economy.

SPEAKING OF ECONOMY--Here's a look at what LCC does for the county economy. This year we bought \$1.6 million worth of supplies, instructional materials, equipment, and services from 600 local merchants. We estimate that \$7.1 million of the \$10.6 million paid in salaries was spent locally. We spent more than a million dollars (mostly from federal sources) on construction this year. Our students received \$4.9 million in state and federal financial aid and spent it here.

CONGRATULATIONS--to Rod and Anne Metzger (Rod teaches in Social Science) on the birth of their son, Brady Shane. He arrived September 11.

rites set--Funeral services for custodian Otto Gluesen will be held this afternoon at Hope Lutheran Church, 14th & B Streets in Springfield, at 2 p.m. Otto was killed in a car accident this past weekend near Mapleton.

First Week of In-Service
Friday, September 15 1978

LOCATION CHANGED - As previously announced, the Curriculum Committee will meet Tuesday, September 19, to determine workshop approvals. However, the location of the meeting has been changed from the Board Room to APR 215. The group will meet at 2 p.m. If you have questions, please call Vickie Ugorek at extension 201.

COUNTING DOWN - We only have a dozen of the 100 volunteers needed for the get-out-the-vote campaign for next Tuesday's election. We supply the names and telephone numbers; you call and remind them to vote. It's easy. Can you spare a half hour on Tuesday? Call Kathy Dave in C/CR and volunteer. Thanks.

PEOPLE - At Wednesday night's Board of Education meeting, Susan Nieminen was appointed director of Personnel Services, Beverley Rozaire-Brown was hired as counselor-instructor for the Siuslaw Area Center, Bill Powell of Social Science was granted a leave of absence for Fall Term, and resignations were accepted from Mildred Cox of Nursing, Jim Erwin of Mechanics, and Vern Schwin of Mathematics. After 11 years at LCC, Schwin is joining an insurance firm. Cox is pursuing a graduate degree in Portland and Erwin has moved to Centralia, WA.

CRITIQUE - Some 232 people were counted at Wednesday night's In-Service banquet. Judging by comments afterward, they had a good time. To build a file for future committees, those who attended are asked to send comments and suggestions to the banquet chairman, Larry Romine, in Community Relations. Were you satisfied with the food, date, day, time, place, program, etc.? Want more white wine and less red? Want these dinners held more than once a year? Would you prefer that it be held the second rather than first week of In-Service? Let us know so that the next committee can do an even better job of meeting your needs. Thanks.

PAY LESS - Do you want to save money on food? Buy a coupon book worth \$15 for \$14. Contact Foodservices.

MONDAY IN-SERVICE - "Teaching as Performance" by Ed Ragozzino in PA 121 from 9-10:30 a.m.; "Learning Theory" by Ron Mitchell in CEN 10 from 9-10:30 a.m.; "Holistic Reading" by Marjorie Kirrie of PSU in APR 211 from 10:30-noon; "Ballot Measures 6 & 11" by John Danielson of OEA in the PA Theatre from 10:30-noon.

MONDAY NOON - All-faculty meeting at noon in the PA Theatre. LCCEA officers will discuss 1978-79 activities. Free coffee and punch after the meeting.

MONDAY AFTERNOON IN-SERVICE - "Getting Ready for Retirement" by Bill Cox, Jonathan West, Helen Loomis and Ellene Goldsmith in APR 212 from 1-2:30 p.m.; "Falling off the Tower of Babbie" by Dan Rothwell in APR 214 from 1-2:30 p.m.; "What's Going on in the Job-Getting Skills Lab?" by Betty Vail in Forum 303-304 from 2:30-4 p.m.

MORE NATIONAL ACCLAIM - In its October issue, Musician Magazine has conferred upon KLCC-FM second place in its "Satin Doll" competition. The award is recognition of overall excellence in FM jazz broadcasting. First place went to WKCR, New York. Elsewhere in Musician's special jazz radio issue, KLCC was cited for its "excellent playlist" and for playing a significant amount of "straight ahead mainstream and classic jazz."

CHANGES - There have been some changes in offices and/or phone numbers for Administrative Services people. Says Dean Tony Birch: "We apologize for the confusion that may reign until phones and offices are fully functional and understood by all. Your patience and cooperation are much appreciated."

COPYRIGHT INFORMATION: Guidelines for Single Copying for Teachers

Remember that the guidelines are suggestions to assist in compliance with the copyright law and are not the law itself. They are not designed to limit fair use copying but to make certain that the copying privilege is not abused.

A single copy may be made of any of the following for a teacher at his or her individual request for his or her scholarly research or use in teaching or preparation to teach a class: (1) A chapter from a book, (2) An article from a periodical or newspaper, (3) A short story, short essay or short poem, whether or not from a collective work, and (4) A chart, graph, diagram, drawing, cartoon or picture from a book, periodical or newspaper.

Strict compliance with the guidelines may cause considerable problems and/or inconvenience. The guidelines seem to imply that, if an instructor has a copy of a (interpreted as one) chapter from a book, then it is not permissible to copy a different chapter from the same book. If one takes a (one) graph from a book, then it may not be permissible under the guidelines to copy a second graph from the same book.

If one reads the four criteria listed in the law under fair use and compares it with the guidelines, a case can be made that taking two graphs from the same book is fair use even though the guidelines would prohibit it. Again the basic rule seems to be reasonable copying for educational use if there is damaging economic effects.

VOTE TODAY! Don't forget to exercise your right as a citizen of the Lane Community College District, vote on the 1978-79 operating levy. If you don't know your polling place call Kathy Dave, ext. 308, and she'll tell you where to vote.

SEASON TICKETS--1978-79 LCC Theatre season tickets are available to staff and students for \$9. This includes admission to three productions: "Pippin"; "Arms and the Man"; and "The Madwoman of Chaillot". Reservations must be returned to Performing Arts between 9 a.m. and 1 p.m. Sept. 20-22 and 25-27.

TUESDAY MORNING IN-SERVICE--"Job Market for the 1980s" by Bruce McKinlay of University of Oregon CIS, in APR 211, 9-10:30 a.m.; "Cognitive Mapping Workshop, Part 1" by Gleason Eaken of Mt. Hood CC, in APR 214 from 10:30-noon.

TUESDAY AFTERNOON IN-SERVICE--"Cognitive Mapping Workshop, Part 2" in APR 214 from 1-2:30 p.m.; "Marketing Techniques for Instructors" by Wil Moon, Business Department, in APR 211 from 2:30-4 p.m.; "Handicapped Awareness" by Steve Hanamura, Counseling, in CEN 108 from 2:30-4 p.m.

BALLOT MEASURE #6--The ASLCC has information (both pro and con) on this issue gathered by the Community Colleges of Oregon Association and Committees (CCOSAC). If you're interested in looking it over drop by the ASLCC office, 2nd floor Center.

FROM THE OEA--Speaking to the issues raised by Measures 6 and 11 the Oregon Teachers Association has released this information in question/answer form: Which measure provides the most property tax relief? Ans: Ballot Measure 11 provides the most relief to homeowners as it assumes one-half of the property tax bill up to \$1,500 on an individual's principle residence. Ballot Measure 6 limits the tax rate to 1½ percent of the full cash value of the property based on 1975 values. In some instances that may actually create an increase for some taxpayers.

CORRECTION--Don Ownbey who submitted the Copyright information on the back of yesterday's Daily would like to add one word to the last sentence in his guidelines. It should read: Again, the basic rule seems to be reasonable copying for educational use if there is NO damaging economic effects.

DONATION--A copy of "Equal Marriage" by Jean Stapleton and Richard Bright is now available in the library with call number HQ 734 S847. The book was donated by Board member Catherine Lauris.

IT'S UNOFFICIAL--LCC district voters approved a \$550,000 operating levy for 1978-79 at the polls yesterday and here are the unofficial results: 13,904 YES to 11,791 NO. That's about 54.1 percent voting in favor of the levy. We'll have the official results with a short analysis in tomorrow's Daily.

SUPPORT--The support and cooperation of the entire LCC staff during this last campaign is appreciated. Thanks for your contribution to this effort.

MINI SEMINAR--The Women's Awareness Center is holding a "mini" Project Awareness Seminar Thursday, Sept. 21 from 9 a.m. - 3 p.m. in rooms 219-220 of the Center Building. The mini course is designed specifically for Women's Center staff, but all LCC staff are welcome to attend. For details call the Women's Center at ext. 350.

FROM THE WAREHOUSE--Please update your Warehouse Catalog by using all revisions from our office and making any corrections needed. When ordering, please be specific on items you want and use stock numbers. This will help us to better serve you. Should we receive an order form without the proper information we will return it to you, causing a delay in the order of your needed supplies. Thank you for your cooperation.--Warehouse Staff.

HONOR--Bill Blix, instructor in Art and A.D., is exhibiting his sculpture in the office of Governor Bob Straub through Oct. 12. Gov. Straub honored Bill at a reception in Salem two weeks ago.

REMINDER--All classified and faculty staff are asked to please have your tuition waiver form completed and signed by the appropriate supervisors before you turn it in with your registration form when enrolling in an Adult Education class. Thank you.

TICKETS--Season tickets to the LCC Theatre go on sale today between 9 a.m. - 1 p.m. in the Performing Arts Department. You won't want to miss this special discount offer for students and staff at LCC. Total price for three productions is \$9.

IN-SERVICE-- Today and continuing for the remainder of the week all staff will be involved with departmental activities.

5 or 11 - WHICH COST THE MOST TO IMPLEMENT--Measure 11 costs slightly in excess of \$500 million over the 1979-81 biennium. The cost of Measure 6 is in excess of \$800 million over the same period. Because business and industry receive over half of the relief in Measure 6, Measure 11 provides more relief to homeowners.

TODAY--A mini Project Awareness Seminar is being offered by the Women's Center from 9 a.m. to 3 p.m. in rooms 219-220 of the Center. It was specifically designed for Women's Center staff, but other interested LCC staff are welcome.

TAKING ORDERS--Dick Reid of the Performing Arts Department says that the season ticket orders are really coming in. At this point they are just accepting your reservation sheets at the office and won't actually begin filling the orders until tomorrow. When the orders have all been completed and are ready for staff and students to pick up there will be an announcement in the Daily. Reservation sheets are accepted on a first come/first served basis from 9 a.m. to 1 p.m. today and tomorrow and Monday- Wednesday of next week (Sept. 25-27). If you didn't receive a reservation sheet, they are available at the information counter.

MANAGEMENT EMPLOYEES--The Management Employees Committee will meet this afternoon immediately following the IMAC meeting in the Board Room. The agenda includes: new election of officers and discussion on reorganization of the management membership. All members should attend.

FROM OCCA DIGEST--Between July 1977 and July 1978, the cost of living in Portland's metropolitan area, as measured by the U.S. Bureau of Labor Statistics, increased 9.2 percent. Using 1967 as the index year, the cost of living in the past 12 years fell just short of doubling (199.2 percent increase). For the two-month period ending July 31, prices in the Portland metro area shot up two percent; translated into an annual inflation rate, this increase would be 12 percent. Housing costs continue to rise faster than most other prices. Food price increases, however, have been slowing down somewhat compared to the early part of the year.

ON MEASURES 6 and 11--Today's question: Are there expenditure limitations contained in the measures? Reply: Measure 6 contains no expenditure limitations, only a limitation on property tax income. Measure 11 contains expenditure limitations on both state and local government. Increases in the state operating budget are limited to an amount not greater than the increase in personal income over the just completed biennium. Local government is limited to an increase based on the cost of living adjusted by population increases unless that amount is exceeded by the voters of the district, or unless the district is operating with a tax base approved through the provisions of Article 11 of the Constitution and the 6 percent allowable increase is greater than the amount that would have been provided by using the CPI plus population adjustment.

LUNCH-HOUR DISCO--There's still plenty of room in the "lunch-hour disco" dance class offered through Adult Ed this term. The class will meet in Apprenticeship 223-224 Thursdays at noon for 1 hour. ANALYSIS--LCC's win in last Tuesday's election resulted from dramatic increases in the number and percent of Yes votes in all school districts, as compared to the June 27 election. District-wide, the Yes percentage went up from 45 to 54. In Eugene 4J, the increase was from 51 to 60; in Springfield, from 41 to 51; in Lowell, from 41 to 62. In Blachly, LCC lost by 11 votes in June and won by 4 this time; in Marcola the June loss was by 100 votes and the September win was by 3; in McKenzie, LCC lost in June by 51 votes and won this time by 8 votes. Besides those 6 wins, LCC was close in 4 other districts and tied in Linn County where the college lost by 20 votes in June. In this latest election, LCC lost by only 1 vote in Oakridge, 8 votes at Pleasant Hill, 2 votes in Crow-Applegate, and 27 votes in South Lane.

LCC won in 69 of 107 precincts (61 percent). The college got 1 percent fewer Yes votes in 4J than that district, but won 1 more precinct there. LCC lost in only 3 of 56 4J precincts, 4J lost in 4. Eugene 4J gave the college 56 percent of its district-wide Yes vote. Springfield and 4J together provided LCC 74 percent of its district-wide Yes vote.

LCC THEATRE--If you haven't had a chance to place your order for season tickets to LCC Theatre 1978-79 do it today. The Performing Arts Department is offering three productions for just \$9. The department will be taking orders today through Wednesday. Order forms are available at the Performing Arts Department and the Information Counter, 1st floor ADM.

SECOND SERIES--With the birth of Measure 11 in the Oregon legislature recently, local government associations have decided to hold a second series of regional meetings for public officials to compare the two measures (6 and 11). There will be a second regional meeting Thursday, September 28 at 7 p.m. in the Eugene City Council Chambers.

WHAT'S FOR LUNCH-- Today in the cafeteria: ham and escalloped potatoes, hot turkey sandwich, chopped steak w/gravy; vegetarian entree: Marco Polo spaghetti; snack bar: fried chicken, barbequed beef.

EMPLOYMENT--Assistant to the Dean of Instruction, manager/administrator, application deadline is Oct. 6. Accounting Clerk in Financial Services, application deadline is Oct. 4. Clerk I at the Siuslaw Area Center in Florence, CETA position, application deadline is Oct. 2. Athletic Secretary in Health & Physical Education, application deadline is Sept. 27.

Q and A ABOUT MEASURES 6 and 11--What happens in the future if there is a surplus in the General Fund Budget? Under Measure 6 the disposition of the funds is left to the State Legislature. Under Measure 11 any surplus over 2 percent of the General Fund Budget must be refunded to taxpayers as a personal income tax refund.

** USE A LITTLE RESTRAINT **

Traffic accidents are the number one killer of young Americans from 1 to 35 years of age. In 1977, 21 infants and small children (up to age 4) were killed while riding as passengers in cars in Oregon. 1,132 children in the same age group were injured. No disease has a comparable impact. Of the 21 deaths, at least 50% could have been prevented through the use of education to encourage adults to properly restrain their children in the car. In spite of the obviously increased safety level achievable for small children with the use of restraints, the use is not widespread. The Multnomah County Health Education Section (248-3704) has a pamphlet available that lists the approved seats and where they can be obtained.

In order to generate a life style change that will significantly increase the use of infant restraints, all concerned agencies and professional groups involved in the education of adults should advise and teach the use of restraints in autos. The slogan, of course, is: Use a Little Restraint! (From Oregon Nurse, August 1978)

** PROTEIN DIETS **

The FDA Bulletin for May-July 1978 issues the warning that very low calorie protein diets may cause serious illness or death. DO NOT USE FOR WEIGHT REDUCTION OR MAINTENANCE WITHOUT MEDICAL SUPERVISION. Do not use for any purpose without medical advice if you are taking medication. Protein diets are not for use by infants, children, or pregnant or nursing mothers.

** HOW'S YOUR BLOOD PRESSURE? **

The facts are in:

- * 35,000,000 Americans have high blood pressure.
- * Half of these people don't know it.
- * Blood pressure-related diseases kill more of us than any other cause - including cancer or highway deaths.
- * Only 20% have their high blood pressure treated in time.

But the condition is treatable! For your own life's sake - keep track of your blood pressure.

First week of Fall Term classes
Tuesday, September 26, 1978

CONSTRUCTION - Summer rains have slowed construction of the Health & P.E. addition. The contractor has requested a 20-day extension to the scheduled December 15 completion date. It means a probable move-in after January 1; the facility is supposed to be ready for Winter Term classes.

OTHER CONSTRUCTION - Some 13 projects are in progress, including: Apprenticeship Annex, where plans for landscaping are now ready; Apprenticeship welding exhaust system, for which plans are half completed; Machine Tech independent study area, schematics completed; Air Tech power plant lab partitions, working drawings being prepared; campus interior signing, now underway; Air Tech woodshop exhaust connections, working drawings half completed; Science Building biology fume hood, utilities being connected; Boiler Room electrode shield drives replacement, project almost done; Apprenticeship first floor classroom, awaiting delivery of light fixtures; Science Building venting, in progress; Student Health room, awaiting delivery of fixtures; Women's restrooms in vocational labs, grab bars now being manufactured; Energy Management System, drawings in progress for valve access structure for energy tanks.

BOARD MEETING - The LCC Board of Education meets at 7:30 p.m. Wednesday in the Board Room. The agenda includes requests for \$10,000 to erect a storage quonset hut at the Siuslaw Area Center, \$7,500 for facilities planning, and \$2,900 to finish a new Apprenticeship classroom area; award of a \$16,558 bid for two Mag Card II typewriters for the Business Department; and four appointments to the KLCC Advisory Commission. Discussions will include the architects' design feasibility study for the Downtown Center; proposed cost for Phase I is \$1.8 million. Personnel items include the retirement request of Lewis Case, former dean of instruction.

MANAGEMENT EMPLOYEES - A memo and ballot have been sent to all management employees in regard to reorganization. Those not receiving them should contact Mary Ellen at ext. 292. The ballot is to be returned to Mass Communication by Friday, September 29.

FALL TERM ENROLLMENT DATA - As of last Friday, according to the dean of students, enrollment in credit classes looked like this: Sections offered--1,552 (up 136); Courses offered--760 (up 40); Course openings (seats)--37,119 (up 1,633); Course enrollment--22,670 (down 993 compared to a year ago); Head count--6,181 (down 78); Full-time students--4,137 (down 207); Part-time students--2,048 (up 129); FTE--1,680.5 (down 34.7). Departments showing the most gain: Special Programs, up 15.2 FTE; Mass Communication, up 5.1; Language Arts, up 4.8. Departments showing the most loss: Social Science, down 22.9 FTE compared to a year ago; Science, down 18.0; Art & Applied Design, down 9.1.

FREE TICKETS - Call at the Information Counter, first floor ADM, for free tickets to the October 10 American Legion Benefit Talent Show. It's at 7:30 p.m. at Springfield Junior High School. There are 25 tickets. First come, first served.

AUTHOR - American School & University magazine in its September issue devotes pages 28-31 to 5 photos, 2 graphs, and copy by Dean Tony Birch about "Energy Management for an All-Electric Campus."

THE "LAST" DAILY - An explanation for Monday's Daily with the word "last" added to the title somehow got left out. Inflation and the lack of increases in materials and services budgets for the past three years are forcing departments to make adjustments. The Daily now costs considerably more than it did when its budget was set up three years ago. To stay within budgetary constraints, it's now necessary to cut the Daily to twice a week during the regular school year. Starting this Thursday, it will be published Mondays and Thursdays. Deadlines for submission of items are 3 p.m. Fridays and Wednesdays. The editor plans to call this publication "M-T Express," at least until something better comes along. Let her know how you like it.

FROM ADMINISTRATIVE SERVICES:

Training Session for Departmental and Budget Administrators

Administrative Services is planning to offer a training session for departmental and budget administrators and staff such as head secretaries and clerks in order to share information on:

New personnel forms and related procedure and process changes;

Printing & Graphics charges;

Proposed telephone system change and telephone charges;

Word Processing services;

Bill paying and other Financial Services procedural matters;

The Administrative Services organizational form.

All College staff involved in preparing or approving items relative to the above are invited to attend.

Staff may either attend the morning session (10 a.m., October 11, 1978, in Forum 309) or the afternoon session (3 p.m.) on the same day at the same location.

First Week
THURSDAY
September 28, 1978

EXPENSIVE--An architect's proposal that a \$2.1 million remodeling be done at the Downtown Center didn't generate much enthusiasm at Wednesday night's Board of Education meeting. President Schafer suggested that the college could get by with less, maybe \$300,000 to correct building code deficiencies. The Board decided to talk about it further at its October 18 meeting. In other business, the Board decided it won't try for an updated tax base at the November election, and learned that LCC will be the lead institution in producing an ACCESS television course on energy management. Four people were appointed to the KLCC Advisory Commission: attorney Alan Scott Jr. of Springfield; Sharon Genasci, Eugene filmmaker; KVAL-tv newsman Mike Makela, and Charles Kraus, owner of a Eugene media services company. Jim Rear of Junction City was appointed to the college budget committee.

UN-DAILY--Because the Daily is now on a Monday, Thursday publishing schedule, not daily, we need to find an appropriate name for it. We've decided to be democratic and solicit suggestions from the staff since it is your publication. College/Community Relations will be taking suggestions for the new name until Oct. 5. Enter as many names as you like. Call Kathy Dave at ext. 340. For the time being, please submit all information or questions to the Un Daily, Kathy Dave, ext. 340, first floor ADM.

MEETINGS--There will be a meeting for all High School Completion, Adult Basic Education and English As A Second Language bargaining members tomorrow (Friday, Sept. 29) at 3 p.m. at the Downtown Center. LCCEA leaders will be on hand to discuss the merger issue on bargaining and grievance procedures for 78-79. For more information call Joe Kremers, ext. 241.

CURRICULUM--October 13 is the curriculum deadline for applications for new and revised courses and revised programs for winter term implementation. If you need information or assistance with your proposal, call Vickie Ugorek, curriculum specialist, ext. 201 or stop by the curriculum office on the library mezzanine.

PROFESSIONAL DEVELOPMENT--The Professional Development Leave Committee will meet during the second week in November to consider requests for professional development leave for spring and summer quarters. Applications will be due in the Office of Instruction by October 31. Guidelines and applications are available in the Office of Instruction. Contact Shirley Pearson, ext. 326.

LCC IS HAVING AN ANNIVERSARY--It's 10 years since the first classes were held here on the main campus. And we thought this summer was a wet one. We moved out to the campus the last of June in 1968 and it rained until the first of July for a late spring. The contractors were planning on a good hot summer and late fall to continue with construction, and what happened--the rains came. It began raining the 9th of August and continued, with 2½ times the amount of rain we had during the past month of August.

To refresh memories of staff who were here in 1968 and to give newer employees a visual background of construction of the total campus, a photo display, including 100 photographs and memorabilia is on exhibit in the Mezzanine Gallery of the Library through the month of October. The display, arranged from the college Archives, also includes a number of aerial photos from Bert Dotson's collection.

REPLACEMENT NAMED--Mary Ann Manderino has been named as acting associate department head for Health Occupations for 1978-79 replacing Jeanne Harclerod who is on leave. Manderino was most recently a community health nurse for Lane County in 1977-78 and before that was assistant professor of a graduate program for psychosocial nursing at the University of Utah in Salt Lake. She holds a B.S. and M.S. in Community Health Nursing from the University of Colorado and received her PhD. in Counseling/Psychology at Arizona State.

EVERYTHING IS COMPARATIVE--If you think LCC sometimes has problems, consider the latest at the U of O. Those who want to travel out of state must submit a request two months in advance and have it approved by the department head, dean, vice president, president, the UO business office, the State Board of Higher Education, and the State Executive Department. Anyone along the way can veto the request. Further, the UO's house publication, Oregon Week, has just been cut to every two weeks.

IN COMPARISON--A comparison of voting in the 16 Lane County school districts during the last two September elections indicates that support in Eugene-Springfield has remained about the same while support in the outlying areas appears to be growing. The percent of Yes votes was 54 for both elections; however, LCC won only two school districts--Eugene 4J and Pleasant Hill-- in September 1976. In September 1978, LCC won six districts: Blachly, 4J, Lowell, Marcola, McKenzie and Springfield. In 1976, 4J gave the college 64 percent of its district-wide Yes votes; the percent this year was 56.

Some people think a larger turnout in a special election produces a larger number of No votes. That didn't seem to be the case in the 1978 election. Bethel, Lowell, Marcola and Springfield had greater turnouts in 1978 and also greater percentages of Yes votes, compared to 1976. There were 7,160 more voters in 1976, but the district-wide No percentage was 46 in both elections.

Eleven of the 16 districts had larger percentage Yes votes this year than in 1976. Five districts had smaller percentage Yes votes this year: 4J, down 1 percent; Junction City, down 8 percent; Mapleton, down 1 percent; Pleasant Hill, down 2 percent; Siuslaw, down 11 percent.

MANAGEMENT EMPLOYEES--A memo and ballot have been sent to all management employees in regard to reorganization. Those not receiving them should contact Mary Ellen at ext. 392. The ballot should be returned to the Mass Communication Department by tomorrow, Sept. 29.

INSURANCE INFO--Archie Zarewski will be here tomorrow at 11 a.m. to handle staff insurance questions. Call Jim Egan in Personnel Services, ext. 258 for an appointment. Also, Aetna Insurance has recently switched from manual claim processing to computer processing. This should result in easier to understand, more accurate and prompt claim determination.

HANDICAPPED PARKING--Dean of Students Jack Carter reminds all staff that the reserved parking areas for handicapped persons are limited and very necessary to these people. Please do not park in spaces reserved for handicapped persons, especially in the area to the south of the Center, which is for wheelchair persons. Thank you for your cooperation in this area.

STUDENT INSURANCE MOVES--Information about the student health comprehensive insurance plan is now available in Student Health Services, first floor Center, south end. It was previously handled in Student Activities.

TICKETS READY--If you ordered season tickets to LCC Theatre 1978-79, your tickets are ready to be picked up in the Performing Arts Department.
