Seventh Week  
MONDAY  
November 6, 1978

**BOARD MEETING**--The LCC Board of Education returns to the main campus Board room (it met in the Downtown Center basement last time) for a meeting at 7:30 p.m. Wednesday. The brief agenda includes some housekeeping bid awards, acceptance of completed construction-remodeling projects, a discussion of part-time, full-time staffing, and an examination of ASLCC objectives for this school year. The session is open to the public.

**SELECTED**--LCC's Industrial Orientation course has been selected as one of 13 vocational programs for extensive field study by the American Institute for Research (AIR). Preliminary studies were made on 100 programs in the U.S. Jay Egan, of AIR, will be here today, tomorrow and Wednesday conducting interviews for the U.S. of Education Vocational Equity Study.

**NEW PROGRAMS**--Some eight new courses and or programs in career education are being investigated by various instructional departments. They include: Hotel-Motel Management in conjunction with current foodservice programs, Auto-Diesel Fuel Injection and Industrial Hydraulics for Mechanics students, Piano Tuning and Repair, Interiors and Home Furnishings Specialist, Radiologic Technologist, Solar Energy Technician, Visual Aids for Mass Media, training of personnel for electronics firms, and Veterinary Technician.

**RECERTIFICATION CLASS**--Cecil Hodges will teach a class tomorrow and Thursday for CPR people who are ready for recertification. Please call Cecil at ext. 277 for time and place.

**APPRECIATION**--Several letters of appreciation to staff are included in this week's Board mailing. A letter to Dean Tony Birch from the Goshen Rural Fire Protection District thanking him and Tom Baker, mechanics instructor, for repairing a nozzle on one of their hoses. Frances Clark, Early Childhood Ed instructor, received two letters expressing appreciation for her efforts with a visually handicapped preschooler who attended the LCC summer nursery. The letters were from the child's kindergarten teacher and the director of the regional program for the Visually Impaired Education Center. Dr. Schafer received words of appreciation for Mass Communication instructor Virginia DeChaine for her work on the Telecommunications Coordinating Advisory Committee. And Associate Dean Jim Piercey received a letter of thanks from the Oregon Vocational Association for his part in the OVA All Service Conference in Seaside, October 13.

**HEADCOUNT GROWING**--LCC's "share of market" has been growing constantly since the college's founding, according to figures developed by Paul Colvin in Information Services. Enrollment headcount per 1,000 population in Lane County has grown from 24.57 in 1965 to 125.95 last college year. The FTE per 1,000 population has climbed from 8.19 in 1965 to 31.19 last year. Obviously, both would be even higher if the population base were restricted to those aged 18 and over.

**BIG TIME**--LCC's Cooperative Work Experience program is 14th largest in the U.S. among all four and two-year colleges and universities. Northeastern University at Boston has 8,244 students and leads the parade. The largest two-year CWE enrollment is 2,600 at Orange Coast College at Costa Mesa, CA. Lane is the fifth largest community college with 1,453 CWE students. Source of this information is CWE Director Bob Way and the sixth edition of Undergraduate Programs of Cooperative Education in the United States and Canada.

**LCC PEOPLE**--John Kocher, Social Science instructor, is the new president of the Oregon Association of Criminal Justice Educators. His goal for the coming year is to increase enrollment in the criminal justice-security areas while maintaining quality education. Shannon Kracht, related training coordinator for low enrollment Apprenticeship programs recently represented LCC at a seminar of the American Culinary Federation in Pittsburg, PA. Lane currently provides related training for an established cook's apprenticeship program in the Eugene area. The trip was financed by ACF.

Tony Birch, dean of Administrative Services, was recently named to the Executive Committee of WACUBO (Western Association of College and University Business Officers) and is also currently chairman of that Association's membership committee.

**BOARD MEETING--**LCC's Board of Education met briefly Wednesday night and awarded an \$18,939 bid for drilling cooling system wells under the Downtown Center, awarded a \$7,631 bid for 18 different types of equipment for the Health & Physical Education Department, allocated \$89,726 from the contingency fund for items ranging from repair of the mobile classroom bus engine to copyright license fees to additional faculty travel and staff development to research funds for needs assessments in the community. A \$396 Board Scholarship was approved for the director of the Student Resource Center. John Bernham was appointed acting director of counseling; Jeanne Armstrong was named interim department head of Home Economics; and President Schafer's contract was extended from June 30, 1980 to June 30, 1981. Next meeting of the Board is December 13.

**DOING TIME--**What happened to our campus clocks is this: The master clock, a mechanical marvel of gears and chains, etc., has cams which operate micro switches. For some reason, the cams have moved and are giving correction impulses at the wrong times. Darrell Allyn, electrician, who offered the above explanation, says Campus Services is now awaiting the arrival of schematic drawings which will guide repairs. The drawings, Darrell says, "will tell us which switch is which."

**GRANTS AVAILABLE--**The LCC Development office announces the immediate opening for receipt of idea papers for small grants of up to \$1,000. All staff and recognized student groups are eligible to apply. Deadline for submitting applications is December 11 and awards will be made shortly thereafter. For further information call Lyle Swetland or Pat Williams at the Downtown Center, DTC ext. 635.

**SPOT BID SALE--**The Purchasing Department is holding an excess property spot bid sale Saturday (Nov. 18) in the Snack Bar area of Foodservices. Here are the particulars: Inspection of bid items, Friday, Nov. 17 from 1-4 p.m. and Saturday, Nov. 18 from 8-9:45 a.m. (just prior to the 10 a.m. sale.) Bidders unable to attend the sale may bid by mail. Bid envelopes must indicate item number, Attention: Pat Grant; and must be received at LCC Purchasing Office prior to 4 p.m., Friday, Nov. 17. Items up for sale include: stainless steel hood, pool table, storage cabinets, lockers, tables, chairs, antique chairs, gas generator, warehouse tractor, tape recorder, desks, sewing machine (industrial), partitions, light fixtures, pharmacy bottles, fire suits, mop buckets, buffers, vacuum cleaners, copiers, 1250 multilith press, theater seats, institutional kitchen equipment, ice water machine, ice cream freezer chest, sander (double disk), magnetic tape, accordians, index card stock, mercury, pumps.

**TURKEY TROT--**Join the fun and run in the annual LCC "Turkey Trot". The trot is scheduled for Tuesday, Nov. 21 at 4 p.m. or Wednesday, Nov. 22 at noon. Sign up at the track on either day. Contestants predict what their "finish times" will be before they run a 2.5 mile cross country course and those contestants in each category coming closest to their prediction will win a turkey. Two turkeys will be awarded in each of three divisions, men, women and staff. There will be a drawing for a free turkey following Wednesday's run, for all non-winning participants. Course maps are posted on locker room bulletin boards. For more info see Mitch Allara, Health & P.E., ext. 277.

**BUDGET PROCESS--**The 14-member college Budget Committee will divide into seven groups to study the proposed budget for next college year. Specialty groups will look at each of the four instructional divisions, student services, administrative services and the president's complex. That decision was made Wednesday night by the Budget Committee at a preliminary planning session. The meeting was devoted to a discussion of particular items of information which members want the Administration to develop as an aid to the budget process. Another preliminary meeting is set for December 6 to continue the discussion.

**NO MERGER--**The state Employment Relations Board has dismissed a petition for merger of the LCCEA and the HSC/ABE faculty unit. ERB said there is a lack of a community of interest, no interchange of teachers among the groups, different term lengths, different pay systems, and that HSC/ABE teacher problems can be adjusted without regard to LCCEA faculty.

**WOMEN'S CENTER--**The Oregon State Division Graduate Fellowships Committee has released information on a \$2,500 graduate fellowship currently available to an Oregon woman. Eligibility requirements, criteria for selection, and general conditions for acceptance are posted in the Women's Awareness Center.

Ninth Week  
MONDAY  
November 20, 1978

Published for the staff of Lane Community College. Deadline for contributions is 2 p.m. on the day before publication day.  
Editor/Coordinator: Kathy Dave, ext. 340.

**HOLIDAYS**--The Thanksgiving holidays are upon us and Christmas is not far behind. The college will be closed this Thursday and Friday in observance of Thanksgiving. Classes will resume Monday, November 27. The information desk has received several calls concerning which days the staff will be off for the Christmas holidays. Here is the schedule: the last working day for faculty is December 15. Classified and management staff will be off December 22, 25, and 26. And for New Year's, everyone will be off Monday, January 1.

**"PIPPIN" OPENS FRIDAY**--LCC Theatre opens its fall run this Friday, November 24, with the musical "Pippin". Many LCC students and staff took advantage of the discounted season tickets so we remind you to check your tickets for the date you reserved. The show was a complete sellout even after adding three additional performances. Curtain time is 8 p.m.

**CURRICULUM COMMITTEE**--The Curriculum Committee will meet tomorrow from 2-5 p.m. in the Board Room to review new and revised course proposals and program revisions. The committee will meet again on Thursday, November 30, at 3 p.m. in Center 442 to review workshop proposals. If you have any questions concerning these meetings or the agenda, please call Vickie Ugorek, ext. 201 or stop by her office on the Library Mezzanine.

**READABILITY**--The reading ease of LCC's catalog is in the 13th to 16th grade range, according to a study just completed. Dean of Students Jack Carter commissioned Study Skills Director Jim Ellison to direct the study. Jim trained a group of Student Service Associates to do the actual computations, based on five readability formulas: Farr-Jenkins-Paterson, Danielson-Bryan, Flesch, Smog, and Fry. The study indicates that course descriptions, in particular, tend to contain educational jargon. Considerable rewriting apparently will have to be done, over time. The effort is part of the college's renewed commitment to discovering student needs and meeting them.

**TURKEY TROT**--Join the fun and run in the annual LCC "Turkey Trot". The trot is scheduled for tomorrow at 4 p.m. and again on Wednesday at noon. Sign up at the track on either day. Contestants predict what their "finish times" will be before they run a 2.5 mile cross country course and those contestants in each category coming closest to their prediction will win a turkey. Two turkeys will be awarded in each of the three divisions, men students, women students and LCC staff. There will be a drawing for a free turkey following Wednesday's run, for all non-winning participants. Course maps are posted on locker room bulletin boards. For more information call Mitch Allara, Health & P.E., ext. 277.

**SAFETY RECORD IMPROVING**--A total of 10 accidents, none major, and costing only \$214, occurred among staff during the first 3 months of the fiscal year. There were no lost work days. That's a dramatic improvement over the same period last year. In Administrative Services, there were 3 falls, a foot in a lawnmower, a finger punctured by a stapler, and a cut finger. In Instruction, there was a cut and bruised forehead and a leg wound from a saw. Student Services reported a cut finger and a fall.

**LETTERS**--The college has received letters of appreciation for the work of Carole Painter, student loans clerk, for her help in solving a problem for a borrower; and from the dean of instruction at Johnson County Community College at Overland Park, KS, following an LCC visit. Cited were Jim Lawson, Howard Dull, Keith Harker and Jim Piercey.

**ANOTHER SALE**--The Purchasing Department will have another sale of LCC surplus equipment. If you have any equipment you wish to sell, please send a sales transfer form #761 for each item to the Purchasing Department. Be sure to have Dean's approval on all items. Forms without proper authorization will be returned for proper signatures. Thank you-- Purchasing.

**FAREWELL LUNCHEON**--There will be a farewell luncheon honoring Associate Dean Keith Harker for his years of service at LCC on Friday, December 1 at the Rodeway Inn beginning at 12 noon-1:30 p.m. Tickets for the luncheon are available from Study Skills Department Head Jim Ellison at \$5.50 each and should be purchased before November 28. Make checks payable to LCC College Aid.

**MANAGEMENT EMPLOYEES**--New representatives will be introduced to the group at 3 p.m. in the Board Room Thursday, November 30.

Tenth Week  
THURSDAY  
November 30, 1978

Published for the staff of Lane Community College. Deadline for contributions is 2 p.m. on the day before publication day.  
Editor/Coordinator: Kathy Dave, ext. 340.

**NOT OUR SURVEY**--The college has received complaints that a person who calls himself Steven Russell is telephoning people, representing himself as an LCC student in a child psychology class and asking questions for a survey on discipline. He apparently asks respondents if they believe in tickling as a form of discipline. His teacher is supposed to be someone named Johnstone. LCC has no such class, no such survey, no teacher by the name of Johnstone and student named Steven Russell.

**NO CHRISTMAS CARD**--There will be no special "college" Christmas card available this year for sending season's greetings. Each department will be free to do what it feels is best for its situation.

**CLASS SCHEDULE**--The Schedule of Classes for winter term will appear as an advertising supplement in tonight's Eugene Register-Guard. The schedule was originally supposed to come out in the December 4 Guard. This way staff and students will get a little longer time to check out the courses available. The schedules will also be inserted in this week's TORCH.

**REVIEW**--The Curriculum Committee meets this afternoon at 3 p.m. to consider workshop proposals. The group will meet in CEN 449.

**GOBBLE, GOBBLE**--Winners in the annual LCC Turkey Trot, sponsored by the Intramurals office, are, in the student division: John Winkist, whose prediction was right on target; Bud Proctor, off four seconds; Jody Saum, eight seconds off; and Bonnie Poorly, 21 seconds off. In the staff division: John Bernham, director of counseling, ran in his predicted time and Joe Freeman, counselor, was two seconds off his predicted time. The drawing held among the remaining contestants was won by Loretta Plaa, Home Economics. A total of 57 entrees were recorded. All results are posted on the locker room bulletin boards.

**PHOTO ID'S AVAILABLE**--LCC faculty and staff are eligible for the photo ID cards that are available through the Student Resource Center. Just take your receipt showing you paid the \$2 fee at Financial Services to the SRC and they will issue your card.
