

FOREIGN STUDENTS - Irene Parent, foreign student counselor, gives this report on the foreign student situation at Lane for 1978-79. Fall term some 81 students registered, winter term there were 76 and spring term there are 84. The students represented 20 different countries and paid a combined tuition of \$132,550.

# the UN-daily

Finals Week  
MONDAY  
June 4, 1979

Published for the staff of Lane Community College. Deadline for contributions is 2 p.m. on the day before publication day.  
Editor/Coordinator: Kathy Dave, ext. 2201

**CLOSED FOR REMODELING** - LCC's Downtown Center facility at 1059 Willamette will be closed this summer for extensive remodeling. The offices and programs normally housed in the building will relocate temporarily in a number of downtown locations. The switchboard and information person will occupy a recreation vehicle, donated by Viking Trailer Sales of Junction City, directly in front of the closed Center at 1059 Willamette. The main office, which handles adult ed registration and fees, and all coordinators' secretarial staff, will be housed in the Eugene Hospital & Clinic's old pharmacy building at 1162 Willamette. The Business Center, headed by Betty James, will have facilities in the Atrium, on the Mall. The Math Center, with Leila Matheson, will be located in the Bon Marche on the 3rd floor. The Downtown Center's adult basic education and English As a Second Language programs will move to the First Methodist Church, 14th and Olive, along with the Drinking Decision Program. The Development Fund Office, with Pat Williams, will share the RV located at the Downtown Center. Several programs and offices will return to the main campus, including the Life Long Learning program, Work Activity Center, Farm Business Management, Small Business Management, and Associate Dean Nile Williams. They'll all be based in the Apprenticeship Building, with the exception of Small Business and Farm Business Management. Those two programs will have offices in the Apprenticeship Annex. The phone number will remain the same: 484-2126 or if calling from campus, ext. 2227.

**UN-DAILY** - With today's issue, the Un-daily is beginning its summer publication schedule. There will not be another Un-Daily until Monday, June 11. If you have something that needs to go out to staff during that week (June 11-15) please have it in the Community Relations office no later than 1 p.m. on Friday, June 8. In the weeks that follow, the Un-daily may, due to lack of news and information items, become an Un-weekly. If you know of an event or news items that should be published for staff please let the Community Relations office know early. This way we can plan ahead for the next issue. Thanks for your cooperation and have a great summer.

**MORE ON THE FAIR** - The Lane County Fair Committee will hold workshop Friday, June 8 for all staff who will be working in the LCC Booth at the Fair, August 14-19. We encourage any staff member who is interested and has some time to volunteer to help in the booth. Workshop participants will find out how to get their fair pass, where on the grounds the booth is located, where to park, and other general information about schedules and how the booth will operate. Departments are reminded that if they haven't already turned in the daily schedule of events, to please bring them to the workshop. The session will begin at 10 a.m. in the Board Room. If you would like to help, contact Jolene Bowers, 2688.

**TOURS** - During the summer months, tours of the campus should be scheduled with Jerry Sirois in the Counseling Department, 2329. Summer is a good time for new and continuing staff to take a guided tour of the campus and become familiar with departments and offices and where they're located.

**THIS WEEK** - Graduation ceremonies for the High School Completion program are scheduled for Thursday, June 7 at 8 p.m. in the theatre.

Pinning ceremonies for the ADN nursing students are set for Saturday, June 9 at 2 p.m. on the North lawn.

**DOWN TO LCC** - All Oregon community colleges which needed budget approvals from voters for the next year now have them, except for Lane. Southwestern, Central, and Treasure Valley won at the May election, TVCC by only 11 votes.

**INSURANCE** - Archie will be on campus today at 2 p.m. in the Personnel Office. Call 2211 if you need to see him.

**FUNDING BILL MOVES ALONG** - The Legislature's SB 5510 to fund community colleges has been unanimously approved by the Joint Committee on Ways and Means. It was reported out "do pass" with amendments that raised the amount of state support by \$484,596 beyond the Governor's recommendation. The total for the biennium is \$98.5 million. Lane would get \$7.5 million for 1979-80 and \$8.2 million for the year after, assuming the College meets its FTE goals. The bill now goes to the floor for total Legislative approval.

**THANKS** - The Athletic Department would like to express its appreciation to all staff and faculty who helped with the National Junior and Community College track & field championships hosted by LCC May 17, 18, and 19.

CLASSIFIED ADS

Editor/Coordinator: Kathy Dave, ext. 2201

Summer Break  
June 11-15, 1979

**BIG DROP** - The reduction in LCC's property tax rate for 1979-80 will be considerably larger than estimated earlier. The estimate of a 2-cent reduction was a miscalculation. The actual drop could range from 7¢ to 15¢ per \$1,000 true cash value. If LCC's levy on the June 26 ballot is approved, the rate should drop from this year's \$1.33 to an estimated \$1.26 or even \$1.18. A 15 percent increase in valuation would produce the 7¢ drop and a 20 percent increase in valuation in the college district would produce the 15¢ reduction. Please pass on the happy news to friends and neighbors.

**INSTRUCTORS OF THE YEAR** - Leland Halberg, math, and Jay Marston, biology, are this year's outstanding instructors. Chosen by a faculty-administration committee, they will receive plaques at Wednesday's Board of Education meeting. Halberg has been here 14 years and previously taught in Eugene 4J for 7 years and the Air Force for 4 years. He co-authored a math text with Howard Zink. Off duty, he has been a U of O track official for 19 years and helper at the Oregon and National Academies of Artistic Gymnastics for 7 years. Marston, at LCC 11 years, taught previously at Moses Lake, WA high school. Active in curriculum development, he created such popular courses as Ecology and the Environment, Poisonous Plants of the Northwest, and a marine biology course based on a 40-mile walk along the Oregon coast. His experiment with talking plants a few years ago drew wide attention. He recorded, on a physiograph, plant reactions to such things as fire, water, wind and ab attack with a knife.

**VOLUNTEERS** - The Community Relations office needs volunteer callers to phone supportive precincts on the day and evening of the election June 26, to remind voters to go to the polls. We appreciate the response of staff in past elections and urge you to call Kathy Dave, 2201 and volunteer today. Callers are asked to donate about 30 minutes of time to the project.

**INVENTORY** - The Warehouse will be closing later this month for the annual inventory. Please submit all warehouse orders by Wednesday, June 20. No orders will be delivered after Friday, June 22. The Warehouse will be closed the week of June 25-29 and will resume regular business hours on Monday, July 2.

**DIAL 9-484-2126** - During the remodeling of the LCC Downtown Center there will be only one operational tie-line from the main campus console to the Downtown Center switchboard. When calling the Downtown Center please use an outside line and call direct, 484-2126. You'll get through much faster and spare the operator some frustrating moments. Thanks.

**PAYROLL DEADLINES** - June payroll verification sheets will be available in the Personnel Office June 18 after 1:30 p.m. Completed and signed verification sheets are due back in Personnel by 5 p.m. on June 19, with leave records and timesheets attached. Be sure to check the bulletin board next to the switchboard in the ADM Building for payroll information dates. The dates will be posted monthly.

**EVALUATIONS** - The deadline for classified evaluations has been extended from June 1st to June 30. Please return all evaluations to the Personnel Office no later than June 30.

**NO LONGER "ACTING"** - Bob Radcliff, acting head of Health and Physical Education this past year, is being recommended to the Board for appointment as permanent department head. Screening and selection committees took note of his 10 years at LCC, during which he was athletic director for 6 years and intramurals director for 8 years. Before coming to LCC, he was a department head at Linn-Benton Community College.

**TYPEWRITER DEMONSTRATIONS** - There will be demonstrations of all new typewriters starting Monday, June 25 in the Business Education Department. Anyone wishing to assist in the evaluation for purchase of typewriters may do so on June 25, 26 and 27 from 8 a.m. to 4 p.m. For details and the room number of the demonstrations call Greg Harpole, 2405, or Pat Grant, 2572.

**THANKS** - May I take this opportunity to thank all of you who made my retirement celebrations so memorable! LCC has meant wonderful years, wonderful friends and wonderful memories for me. I shall miss all of you and forget none of you.--Laura Oswalt, Student Health Services Director.

**MOVING UP** - Maggie Moore, administrative secretary in the Office of Instruction for the last five years, leaves June 22 to become a corporate personnel intern with Weyerhaeuser. She also graduates this month from the U of O with a CSPA degree. She'll intern at the Springfield plant until a permanent personnel position opens there or at one of the other northwest Weyerhaeuser locations.

# the UN-daily

Summer Term  
June 25-29, 1979

Published for the staff of Lane Community College. Deadline for contributions is 2 p.m. on the day before publication day.  
Editor/Coordinator: Kathy Dave, ext. 2201

**VOTE TOMORROW** - Lane County residents will go to the polls tomorrow to decide on several issues. LCC has a measure on the ballot asking voters to approve an operating levy of \$713,605 beyond the 6 percent constitutional limit. If you do not know the name or location of your polling place call Kathy Dave at 2201. Be sure to exercise your rights VOTE TOMORROW.

**NO, IT ISN'T YOUR IMAGINATION** - The college's air-conditioning system is out and will be out for at least a week as we wait for a part to be flown here. In the meantime, fans that move air within the buildings will be operating, and the energy management system is being used to absorb some heat. Plant Services asks that we keep outside doors closed during those parts of the day when the outside temperature is higher than the inside temperature and that we open the doors when the temperature outdoors is cooler than inside.

**WHO WILL TEACH?** - The thorny problem of who should be given the job of teaching LCC credit classes in the high schools surfaced during the last Board of Education meeting. Delta Sanderson, speaking for the faculty union, expressed concern over quality control of such courses and the possibility of high school teachers getting jobs teaching LCC classes at a time when regular faculty face reduction of force possibilities. The Board agreed to discuss the matter and consider establishing a policy at an unspecified meeting later this summer or in the fall.

**MAILROOM** - The mailroom has a limited supply of the large manila departmental delivery envelopes. Please be sure to place your mail envelope in the outgoing mail before the afternoon mail pickup. Thanks.

**SUMMER HOURS** - The Business Department will be open from 7 a.m. to 5:30 p.m. Monday through Thursday, June 18 to August 9. It will be closed August 20 to September 3.

**DEMONSTRATIONS** - There will be demonstrations of all new typewriters today in the Business Department. All IBM typewriters will be demonstrated in the afternoon. Anyone wishing to assist in the evaluation for purchase of typewriters may do so on June 25, 26 and 27 from 8 a.m. to 4 p.m. For details and the room number for the demos call Greg Harpole, 2405 or Pat Grant, 2572.

**PEOPLE** - John Bernham has been named director of Counseling, a job he has held the past year on an interim basis; Ron Mitchell, Social Science, becomes the new head of that department, replacing Paul Malm who returns to teaching; Ed Pinckney is the new laundry manager and Joan Simpson and Eilene LePelley are both new instructors in the Business Department. Jeanne Harclerod has resigned as associate head of Health Occupations to return to teaching. Jeff Young, Mass Communications, and John Haurigan, Mechanics, have resigned to pursue other interests. Leaves of absence have been approved for Charles Woodbury, Mechanics, and Jean Spriggs, Siuslaw Area Center in Florence.

**ARCHIE** - Insurance agent Archie Zarewski will be on campus today at 2 p.m. in Personnel Services, 2211. Call if you have questions or need to see him.

**HOLIDAY** - The college will be closed Wednesday, July 4 in observance of Independence Day. Regular business and office hours will resume on Thursday, July 5. Have a nice holiday!

IN THE NEWS - Jeanne Armstrong, interim head of Home Economics, has been appointed to the Oregon Commission for the International Year of the Child. The appointment was made by Delores Atiyeh...Bill Dotson and Bill Tweedie, Small Business Management instructors, were both presenters at the Annual Invitational Small Business Management meeting in Spokane, WA. LCC is clearly preceived as the SBM leader in the state...A photo of Performing Arts head Ed Ragozzino and a story about his award from United Way of America for creating public service television announcements for UW appears in the May issue of Community and Junior College Journal.

CHAIRMEN - Larry Warford, assistant to the Dean of Instruction, will chair a national conference July 22-27 at the UO on "Community Colleges/Community Schools: Directions for the Future." The conference will focus on roles, responsibilities and challenges of developing a working partnership among community colleges, community schools and other community agencies in the total education mission. Resource persons will include President Schafer and former LCC President Dale Parnell, now at Stockton, CA...Tony Birch, dean of Administrative Services, will chair the Professional Development Committee of the Western Association of College and University Business Officers.

KLCC COMMUNITY ACCESS - This week's community access is broadcast at 12:40 p.m. Monday's guest is actress Pricilla Lauris on "Los Angeles, Television, and Other Mysteries"; Tuesday - Ivan Congleton, lobbyist for the Association of Oregon Industries on "Business in the Legislature"; Wednesday - Barbara Stern on the Tenth Annual Country Fair; Thursday - TBA, and Friday - Royce Saltzman, on the UO's "Summer Festival of Music". Don't miss the other music specials featured on KLCC this week. Check your program guide.
