Summer Term
July 2-6, 1979

Published for the staff of Lane Community
College. Deadline for contributions is 2 p.m.

ELECTION - District voters said "yes" last Tuesday to a \$713,605 levy beyond the Oregon 6 percent limitation for LCC's 1979-80 operating year. It was the first time voters had supported the college on the first attempt at the polls on a money issue since May 28, 1968 when they approved a \$1.5 million tax base. The final tally on the June 26 election was 11,457 yes (52%) to 10,680 no (48%). Total votes cast: 22,137. Just under 16 percent of the registered voters went to the polls.

BOARD OF EDUCATION - Last Wednesday night's Board of Education meeting included the unanimous approval of the college's proposed \$19.2 million budget for 1979-80. It came as no surprise however, since LCC District voters had already put their approval on it in the special election the day before. In other business the Board: approved three new courses, Single Parent Experience, Future of Energy, and Fiber Spinning and Dyeing; accepted a bid by Sani-Pac for garbage disposal. In personnel matters: Jim Ellison was appointed Associate Dean of Instruction, Instructional Services Division, a post he has held on an interim basis for the past year, and approved a Leave of Absence for Business instructor Gordon Wehner, who will reenter the business world to keep abreast of the current changes and discoveries in the accounting field. He will return to LCC Spring Term of the 1979-80 year. The next Board of Education meeting will be Wednesday, July 11 at 7:30 p.m. in the Board room.

SUMMER CLOSURE - Student Health Services has closed its doors for the summer and will remain closed until September 4. Emergencies will be handled by the Security Department, ext. 2558. Retiring director Laura Oswalt advises departments and offices to locate their first aid boxes and check the contents. Supplies can be ordered from the Warehouse. Also, know who in your area is trained in first aid and CPR and update your emergency posters.

BACK IN BUSINESS - Both the Warehouse and the LCC Bookstore are back in business today after being closed last week for inventory. The Warehouse hours are 8 a.m. to 5 p.m. and the Bookstore hours are 8 a.m. to 4:30 p.m.

NEW HOURS - The Health & Physical Education Department office hours will be 7 a.m. to 5:30 p.m. Monday through Thursday beginning today (July 2) through September 10. They will be closed on Fridays.

DEADLINE NEARS - The deadline for application to the Medical Office Assistant Program for the coming year is July 14. Application packets are available from the Admission Office.

INSURANCE - Archie will be on campus today at 2 p.m. in the Personnel Services office. If you have questions or need to see him call 2211.

WORKSHEETS - Payroll verification sheets for June 21-30 are in Personnel Services and should be picked up, completed and returned by the end of the day today. These worksheets are for persons who are part-time hourly employees or for persons who have overtime from June 21-30.

PARKING - Regulations for parking your car while on campus will be in force during the summer session. Please note that Security will enforce the regulations by issuing citations to violators. For questions call Security, 2558.

HAPPY FOURTH OF JULY! - Don't forget, the college will be closed and there will be no classes this Wednesday in observance of Independence Day.

RATES INCREASE - Effective July 6, 1979, postage rates for Special Fourth Class and Library rates will increase. Also, on the same day, the nonprofit Third Class Bulk rates will be increased. The new bulk rates are: 3.1¢ per piece for mailing pieces weighing not more than 3.1 oz.; 16¢ per pound for books and catalogs having 24 or more bound pages, with at least 22 printed, weighing more than 3.1 oz.; 19¢ per pound, for all other third class bulk mail matter weighing more than 3.1 oz. Thank you for your attention to this matter. If you have questions, call the mailroom, 2575.

ELECTED - Art Tegger, Language Arts, has been elected President of the LCCEA bargaining unit for the coming year. Art has promised to furnish a list of the other newly elected faculty reps and we'll print them when we get them.

MIDMONTH DRAWS - Employees who wish to sign up for or terminate an existing mid-month draw must do so by signing a mid-month draw form in the Personnel Services Office sometime during the period of July 1 to October 15. If you are receiving a mid-month draw now, which you want to continue next year, do nothing; it will be carried over for you automatically.

PEOPLE - Bob Way, CWE department head, was a finalist and runner-up for the Oregon Vocational Educator of the Year Award. Bob was nominated by the Work Experience Coordinators of Oregon.

Second Four-week Session

Published for the staff of Lane Community College. Deadline for contributions is 2 p.m. on the day before publication day.
Editor/Coordinator: Kathy Dave, ext.

BOARD REPORT - The Board of Education met last Wednesday night and elected Jim Pitney, a Junction City dairyman, as the new chairman for the 79-80 year. Ed Cooper, Veneta educator, is the vice-chairman. Pitney is just beginning his second four-year term, representing Zone 2. Cooper is in the third year of his first term and represents Zone 1. In other business: the Board approved a recommendation that the college hire a full-time typewriter repair technician rather than carry a maintenance contract with an outside firm; heard annual progress reports from the college's advisory committees; appointed President Schafer as clerk for the 79-80 year and also named as deputy clerks, Tony Birch and Bill Mansell, Administrative Services, Verne Whittaker, Financial Services, and Nile Williams, Community Education. After some discussion approved payment by the college of PERS contributions for management employees. In personnel matters: accepted with regret the resignations of Jo Wallin, Instructional Developer, and Brian Dwyer, Mechanics instructor; and approved a request for retirement from Howard Zink, Mathematics instructor. The next Board of Education meeting is August 15 at 7:30 p.m. in the board room.

SUMMER HOURS - Two more instructional departments have shortened the work-week for summer term. Mass Communication and Study Skills Center will have office hours Monday- Thursday from 7 a.m. to 5:30 p.m. and will be closed Fridays. Mass Comm will go back to the regular 5-day schedule August 31 and Study Skills will resume regular hours August 10. Other departments working on the four-day schedule are Business, Electronics, Flight Technology and Health & Physical Education.

PAYROLL DEADLINES - July payroll verification sheets will be available in the Personnel Office July 18 at 1:30 p.m. Completed payroll sheets, signed by the department head, with leave records and timesheets attached are due back in Personnel by 5 p.m. on Thursday, July 19. Please remember that personnel action forms reflecting absence without pay must be submitted to the Personnel Office.

LCCEA NEWS - As promised we have the names of the new LCCEA officers to pass on to you. President is Art Tegger, Language Arts; vice president, Kathy Wiederholt, Library; and treasurer, Bill Buskirk, Science. The office of secretary is as yet unfilled.

BIG BAND SOUNDS - A new program, Big Band Bash, made its debut on KLCC last weekend. The one-hour program brought to you by John Wilson, Director of Records Management, airs at 6 p.m. on Saturdays. The program is a summer stand-in for the vacationing Focus on Jazz. KLCC is 89.7 on the FM dial.

SECOND FOUR WEEKS - Classes for the second four-week session begin today. Students may register in the Admissions Office, second floor, Center Building.

AT IT AGAIN - That guy who claims to be a psychology student at LCC is once again calling area residents to ask questions about child discipline. He goes by the name of Steve Bressler and claims to be in a class taught by someone named Johnston. If anyone asks you about it, please tell them that the caller has no official connection with Lane and is not conducting a survey for an LCC class.

INSURANCE - Archie will be on campus this Thursday, July 19. Call Personnel for an appointment. Also, if you are a classified or faculty employee covered by group insurance, please remember that there is a rate increase effective July 1 which will affect your take-home pay in July. If you have questions about why or how much, call Lee Sowers, Personnel, 2583.

WHAT THEY SAID - Quality instruction, personalized attention and the wide variety of classes were three things Lane Community College district residents said they liked about LCC in a recent phone survey conducted by Community Relations. Sixty percent of the 882 respondents said "yes" when asked if they had received any type of instruction in the last five years. Half of those polled said they took the class at LCC, while only 25 percent attended 4-year institutions. The reason most often given for taking the test was personal development or to advance or change occupations. Asked if they would be interested in taking future classes, some 61 percent said "yes." Slightly more women than men said they will take classes at LCC in the future with the majority of those who said they would be taking classes in the 25-49 age bracket. Most prefer to take classes in the evening. On balance, residents of Eugene-Springfield (where the survey was conducted) think LCC provides an important service to the community. Eighty percent of those surveyed think very favorably of LCC while only 4 percent rated the college below average. The C/CR office will be conducting similar surveys in other geographical areas of the District this fall.

AND THEY'RE OFF AND ROLLING - The Downtown Center has just announced its entry for the Second Annual Muscular Dystrophy Bed Race scheduled for downtown Eugene this coming Saturday, August 4. Festivities begin with a parade and contest for "Best Dressed Bed" at 8:30 a.m., followed at 9:30 a.m. with the race. The course will be marked on Tenth Street between the Overpark and the Atrium Building. Beds will race two at a time in separate heats with double elimination providing the winner. LCC's bed was donated by Medical Services Inc. and will be decorated by staff. Each bed must have five pushers and a rider. Here is a list of our gallant team: pushers- Roger Jay and Tom Reimer (alternate), of the Math Department; Dick Newell, Community Education; Mitch Allara, Athletics and Robert Thompson, MSI. The rider is Leila Matheson, Downtown Math Center.

FAIR UPDATE - The 1979 Lane County Fair is August 14-19. That's just two short weeks away and we have lots of information for all fair participants. If you have equipment that needs to be taken to the fairgrounds please let Jolene Bowers know as soon as possible so she can make arrangements to have it delivered for you. Also, if you plan to use departmental brochures please see that Jolene has a supply before the fair opens. The general information portion of our booth will make available all sections of the catalog and departmental brochures if you want them distributed during the entire fair. If you plan to have a slide show from your area put on video, contact Tito Balducci in Media Productions, ext. 2365. All of the above-mentioned arrangements must be made with Jolene or Tito prior to Friday, August 10 at 5 p.m. Fair passes will be distributed to departments on August 10. If you have questions or need additional information call Jolene at ext. 2688 after August 1.

FROM KLCC - A series of three half-hour programs will air on KLCC (89.7mc) during the month of August with the focus on energy and the economy. The first program which airs Wednesday at 7:30 p.m. will deal with the effect of the energy crisis on the economy. Guest speakers are Gayle Southworth of the Union of Radical and Political Economists and an economist from the Chase Manhattan Bank. The second show, on August 8 at 7:30 p.m. presents Ralph Nader speaking on how consumers can organize to fight giant energy corporations, the dangers of nuclear power, energy legislation and more. The last of the series will be August 15 and will be a discussion of the 1974 energy crisis. It will include the background of oil production in America and how energy is used by Americans. Don't miss it.
