

"Could a Community College Help You?" is the title of a major article in the August issue of Better Homes & Gardens. It's a very positive article.

# the UN-daily

Summer Term  
FINALS WEEK  
September 4-7, 1979

Published for the staff of Lane Community College. Deadline for contributions is 2 p.m. on the day before publication day. Editor/Coordinator: Kathy Dave, ext. 2201

**BOARD MEETING** - LCC's Board of Education will meet Wednesday night to continue discussion on the LGPI Management Study and management compensation. There are also some personnel items on the agenda. Meeting time is 7:30 p.m. in the Board room.

**IN-SERVICE/STAFF DEVELOPMENT** - The schedule for fall staff development was distributed to all staff last week and we would like to remind you to watch for special interest items. Most of the college's departments and offices are scheduled to be closed during the one-hour all staff session on Monday, September 10 from 8:30-9:30 a.m.

**OOPS!** - On the staff development schedule listed in the brochure, the fire protection training session and the Disabilities Awareness workshop are on the opposite days. The fire protection training will be held Friday, September 14 and the Disabilities Awareness meeting is Thursday the 13th. Disabled students specialist BJo Ashwill encourages staff to register for the workshops by calling her at ext. 2234.

**CLOSED** -Financial Services will be closed from 8-9 a.m. tomorrow (Sept. 5) for an in-service staff meeting. Please observe this closure.

**PLEASE RECYCLE** - The Admissions Office is in need of 1/3 cut, letter size manila file folders. USED of course. During registration times they need a large supply for new and returning applicants and this term they're short. If you have any used folders that you could spare please contact Jean Shaffer, ext. 2685 or drop them by the office.

**SHAPE IN, NOT OUT** - Pat Williams, Physical Education prof, is once again trying to stimulate the staff by seeking students for her 6:30 a.m. Slimnastics course here on campus. She keeps saying it will wake you up and start you fresh for the day. See the Admissions Office for an application. The class meets MWF.

**SORRY, WRONG NUMBER** - If you have a question regarding payroll, please call Jim Kelly in Personnel Services at ext. 2611. Financial Services has been getting many calls, but they only write the checks. Personnel generates the numbers.

**ENERGY SOURCE** - An energy-related communication center has been established at AACJC headquarters. It is collecting information on public awareness programs and energy technician curriculums. James R. Mahoney is program director.

**STUDY GRANTS** - Fellowships in vocational education for 1980 are available from the Advanced Study Center of the National Center for Research in Vocational Education, The Ohio State University. Leaders and scholars in voc ed and related areas of study are invited to apply before November 1. Contact Earl B. Russell, coordinator of the Center, 1960 Kenny Road, Columbus, Ohio 43210.

**WE'RE INCLUDED** - LCC is one of the participating colleges in the National Community College Productivity Center, which is headquartered at the Dallas Community College District. Supported by a Carnegie grant, the Center will assist colleges in increasing productivity and will serve as the central source for information, analysis and dissemination of practices, staff development, publication preparation, and evaluation. You'll be hearing more about this at the all-staff meeting next Monday.

CLASSIFIED ADS

SPEAKING OF GRIPES - Columnist William Safire dreams of the day when he can have a dog named "Peeve." He'll then introduce him, "Here's my pet, Peeve." --From Ragan Report 8-27-79

# the Daily

Fall Term  
MONDAY  
September 10, 1979

**TODAY** - By the time you read this, the all-staff meeting at 8:30 a.m. in the Theatre probably will be over. There's probably still time to take in the all-staff lunch from noon to 1:30 p.m. in the Cafeteria. It's an informal salad buffet to provide you an opportunity to relax and visit with other staff. And it's free.

**WELCOME BACK** - This is the start of your favorite college's 15th year.

**THE DAILY'S BACK TOO** - Starting today, The Daily is daily again. Please get your announcements, ads, etc., to Kathy Dave by 2 p.m. each day to have them printed in the next day's Daily. Kathy is behind the information window on the first floor of ADM; she can be reached at ext. 2201.

**FROM THE STAFF DEVELOPMENT ADVISORY COMMITTEE** - During these next two weeks every employee is encouraged to attend one of the special staff development work sessions, with released time provided. Please plan ahead in your department as to whom will be released for which sessions so that everyone has an opportunity to attend.

**STATE YOUR NEEDS** - Staff Development meetings continue this and next week. Faculty are invited to meet in Center 420 either this Thursday at 2 p.m. or next Monday at 10 a.m. Managers meet on Wednesday the 19th at 1 p.m. in Center 420. Classified met last week. Purpose of the sessions is to give background on the planning and implementing of the new staff development program, to elicit reaction and feedback to assist in further planning and activities, and to demonstrate the staff involvement and administrative support that are behind the program. Anne Stewart, interim staff development officer, is conducting the meetings with the assistance of members of the Staff Development Advisory Committee.

**PAYROLL** - September payroll verification sheets will be available in Personnel Services on September 17 (next Monday) at 1:30 p.m. They are due back in Personnel by 5 p.m. on September 18, signed by department head and with timesheets and leave records attached.

**INSURANCE ANSWERS** - Archie Zarewski will be in Personnel Services Tuesday (tomorrow) at 2 p.m.

**LAST DAY** - Today's the last day to sign up for the Project Awareness Seminar to be held this Wednesday-Thursday-Friday at the Rodeway Inn. Released time can be granted and departments can pay the \$40 registration fee. The workshop examines ways sex bias and other forms of stereotyping, race, disabilities, age, etc., can be barriers to human potential. All staff are welcome. Call Barbara McKillip, registration coordinator, at the Library, ext. 2357.

**PAY SETTLEMENT** - An overall pay adjustment of 11.22 percent was approved for management employees at last week's Board of Education meeting. That's the average. Employees on the low end of the scale will get more and those at the top will get less. Some 2.82 percent, on the average, will be in salary. The rest will be in fringe benefits such as the previously approved 6 percent contribution to PERS. Some 1.3 percent will go to annuities. Actual dollar figures for individuals will be set by the Board later. The Board also adopted a management compensation formula developed by the Local Government Personnel Institute at Salem. The plan provides for 15 pay ranges and allocates the 93 management positions among them.

**PEOPLE** - Three management contracts were approved by the Board of Education last week. Sandra Ing, former program manager for the Lane County Health Division, was hired as director of Student Health Services. Darlene Turpin, recently with the Eugene Post Office and formerly payroll supervisor at Sacred Heart Hospital, is the new Payroll Manager. Helen Hunter is now administrative secretary in the Office of Instruction. She comes from the office of vice president for academic affairs at the University of Michigan. The resignation of Barbara Stout as coordinator/driver of the Mobile Classroom was accepted. She has moved to Medford with her lawyer husband.

**BOOKSTORE** - Before your schedule becomes too hectic, stop by to see the changes that have been made. They're open Tuesday-Wednesday-Thursday this week and Monday-Tuesday-Wednesday next week. Hours are 8 - 4 and 5-7:30.

**NO SMOKING** - House Bill 2529 passed in this year's legislative session prohibits the smoking of any cigar, cigarette, pipe or smoking equipment in a room where a public meeting is held, even if the meeting is temporarily in recess. This relates to any regular or special meeting of a public body, whether or not a quorum is present.

**MORE ON SMOKING** - A study by John W. Jones of the Psychology department at DePaul University at Chicago has shown that cigarette smoke can make non-smokers aggressive. Subjects exposed to tobacco smoke (but otherwise left alone) proved to be almost as testy as subjects whom Jones (for purposes of the experiment) deliberately harrassed. --From OSBA Outlook & Review of 8-24-79

# the Daily

Fall Term  
TUESDAY  
September 11, 1979

**WE'RE CELEBRATING AND YOU'RE INVITED** - The Health & Physical Education Department is celebrating the recent completion of its new addition and invites the entire staff to join them Wednesday afternoon (tomorrow) from 1-3 for cake, coffee, punch and tours of the new building. The food and drinks will be in room 205, but we hope you'll take time to see all of our new facilities.

**STAFF DEVELOPMENT** - Remember that there are sessions on various topics continuing this and next week as part of the staff development program. Check your schedule of events daily for special interest activities. Also, don't forget the all-staff barbeque next Wednesday evening, tickets must be purchased by this Friday at 3 p.m. See Kathy Dave in Community Relations, first floor ADM.

**ADDITION** - In addition to the activities listed in the staff development brochure, this Wednesday, September 12, representatives from the National Institution for Staff and Organizational Development in community colleges (Kellogg funded) will be on campus to determine materials and services the project might provide LCC. There will be a short meeting for those interested in learning about the project at 9:15 a.m. in the Board room on that day. Members of the Staff Development Advisory Committee will have lunch with the representatives at noon in the President's Dining Room.

**STILL ROOM** - There is still room in several of the workshops, including Project Awareness, Disabilities Awareness, and the Kellogg session. Call the number indicated in the program to sign up today. If you didn't receive a program contact Carol Clark at ext. 2360.

**CALENDARS** - The 1979-80 SELCO school calendars have arrived and are available to all staff. If your department has not yet picked them up, please stop by the information window and do so soon. Please send one representative from your office or department, rather than each staff member coming individually. Thank you.

**BOARD MEETS WEDNESDAY** - LCC's Board of Education holds its regular monthly meeting at 7:30 p.m. Wednesday in the Board room. The agenda includes a review of progress in updating the affirmative action plan and college complaint procedure, request for approval of new courses, a foodservices bid award, and consideration of a request for funds to improve lighting in drafting labs. The session is open to the public.

**PAYROLL** - September payroll verification sheets will be available in Personnel on September 17 at 1:30 p.m. They are due back in Personnel by 5 p.m. on the 18th, signed by the department head, with timesheets and leave records attached.

**SPEAKING OF PAYROLL** - We gave you a bum steer a couple of weeks ago when we told you to see Jim Kelley about payroll problems. The payroll records are maintained in the Personnel Services office under the supervision of Darlene Turpin, payroll manager. All questions concerning hours worked, rate of pay, sick leave, vacation, etc. should talk to the payroll staff, ext. 2211. Jim Kelley, Financial Services, is in charge of distribution of payroll checks and check writing. If you have questions about how or when your pay check will be distributed, call Jim at 2610 or 2614.

P.S. Darlene Turpin is new to LCC so if you have a minute, stop by and say HI!.

**STUDENTS ON CAMPUS** - Continuing students are back on campus today to register for the Fall Term which begins Monday, September 24. Registration in the auxiliary gym of the Physical Education building began this morning at 8:30, and will run tomorrow and Wednesday. On Friday, students returning from some term other than spring or summer or attending Lane for the first time will begin the registration process. New student registration will continue Monday through Wednesday of next week.

**FROM THE MAILROOM** - Intracampus mail must be addressed with a name and department name of intended recipient or it will be returned to sender for completion. Thanks for your cooperation.

**IN THE WORKS** - An annual classified/support staff award for outstanding service to the College is proposed for implementation next spring term. Charlene Van Sickle chairs a committee which has developed guidelines now being reviewed by the President. Committee members included Karen Ault, Kathy Dave, Nancy Fausone, Robert Hoffman, Phil Powers, Marie Reid, Betty Svarverud, Robert Upp and Wendy Westfall.

case. It's a beauty. \$75.  
Creosoted Timbers. Great for landscaping or  
container gardening. Various lengths from  
4' to 9'. Most are 6"x8". I have 19 of them  
at 90¢ per foot or \$80 takes all. You haul.  
Joe Freeman, 344-6468.

APPRECIATION - The College has received a letter from Marilyn Jones, supervisor of the  
transcription section of Sacred Heart Hospital's Medical Records Department. Ms. Jones  
has good words for the transcription competence of students in the Medical Office Assisting  
program. She says LCC students are "by far the best qualified" among applicants from various  
training programs. Instructor Norma Stevens gets a pat on the back.

BIOGRAPHICAL DATA SHEETS - By the end of this week most departments will receive a packet  
of biographical information questionnaires from the Community Relations office. Please see  
that each staff member gets one and is encouraged to complete it and return it to College/  
Community Relations as soon as possible. If your office or department did not receive  
copies call Kathy Dave at ext. 2201 and we'll see that you get them. These are very helpful  
in doing releases, the Daily and just knowing the staff. Thanks for helping out.

# the Daily

Fall Term  
WEDNESDAY  
September 12, 1979

**QUIET HOUR INITIATED** - To better serve staff and students Financial Services is initiating the use of a quiet hour from 8 a.m. to 9 a.m. daily. The quiet hour is intended to provide uninterrupted time for processing your payroll, travel reimbursements, etc. All inter and intra office contact should begin at 9 a.m. Thank you for your cooperation.

**ACCESS TELECOURSES BACK** - LCC will offer two Access telecourses this fall beginning the first week of October, through the week of November 26. The drama of child development and a consumer education course are scheduled to be aired on KOZY, channel 11. For days and times call the Social Science Department for the consumer ed course and the Home Economics Department for child development.

**A HELPING HAND** - The LCCEA has established a donation fund in support of striking 4J teachers. Make your donation to your department faculty contact person or to any LCCEA officer. The '79-80 officers are Art Tegger, president, Language Arts; Kathy Wiederholt, vice president, Library; and Bill Buskirk, treasurer, Science.

**MORE STAFF DEVELOPMENT** - Activities scheduled for today include a cognitive mapping session in Health Occupations from 9 a.m. to 4 p.m. Check with the department if you're interested. Don't forget the Kellogg visit today. There will be a meeting at 9:15 and then they will be visiting departments to determine what materials and services the project could provide LCC.

**COMING UP** - Tomorrow is the Disabilities Awareness Workshop and there is still room available. The workshop will run from 9 a.m. to 4 p.m. in CEN 220. If you can't catch it all you are welcome to attend the sections separately. Call BJo Ashwill, ext. 2239. The Business Department is offering a class "Getting It All Together", to enhance personal development and professional effectiveness. There is a fee. Time: 9-4. Call them, ext. 2534.

**YOUR INVITED** - Stop by the Health & Physical Education building today between 1 and 3 p.m. and tour the new facilities and meet the staff. Cake, coffee and punch will be served in the new conference room (205).

**REACHING OUT** - One of the ways that LCC reaches out in the community is through the volunteer speaker's service that we provide to area clubs and organizations each year. If you would like to be a part of this service please contact Kathy Dave in Community Relations, ext. 2201.

**THE BEER ISN'T FREE, BUT IT'S A BARGAIN** - Many people are assuming that drinks from the eight kegs of beer that Foodservices manager Bob Tegge will provide for the all staff barbeque next Wednesday are included in the price of the ticket. Not so. The beer will sell for 35¢ for a 16 oz glass and 35¢ for a 9 oz glass of wine. If you look at your ticket the social hour is "NO HOST".

**INCREASE** - Beginning Monday, September 17 there will price increases in the cafeteria. The Foodservice staff will continue to serve nutritious meals at low prices, even though the cost of food is rising.

**NEW HOURS FOR CAFETERIA** - The cafeteria will open Monday, September 17 at 7 a.m. to 3:30 p.m. and will operate during those hours each day through September 21. During this week, the **SNACK BAR WILL BE CLOSED**. The regular schedule will resume September 24, cafeteria, 7 a.m. to 1:30 p.m. and Snack Bar, 7 a.m. to 9:30 p.m.

**TIME TO REORDER** - The Warehouse staff says it's time to order your desk calendar refills for 1980. Please submit calendar orders on a campus services order form and make sure it is an individual order with no other supplies listed. Also, please include the order sheet from your current calendar (usually located in mid October) with the campus services form. Orders should be returned to the Warehouse as soon as possible. Thanks.

**SAFETY FIRST** - No restricted insecticides, herbicides or fungicides are used in LCC's grounds program, reports Walt Van Orden, director of Plant Services. The grounds people also try to do much of the spraying in the early morning hours before staff and students arrive. Time is allowed for drying in such areas as lawns where people might come into contact with wet sprays. The policy is to always use the safest chemicals available.

**MEETING** - The Board of Education meets tonight at 7:30 p.m. in the Board room in the Administration Building.

## ANSWER

- **FERRETS OUT  
THE TRUTH**
- **FASTER THAN A  
SPEEDING RUMOR**
- **LEAPS RED TAPE IN  
A SINGLE BOUND**

ANSWER is for your questions. Questions about fringe benefits, work conditions, management decisions and policies, salaries, . . . anything that affects how you feel about the college, your job, or your future at LCC. ANSWER gives you straight answers, promptly, on any college-related topic - and it keeps your name confidential. The forms are easy to fill out, are located in your own work area, and can be mailed at no expense to you.

For more information or for a supply of ANSWER forms, call Kathy Dave, ext. 340.

# the Daily

Fall Term  
THURSDAY  
September 13, 1979

**PLAY TIMES SCHEDULED** - All work and no play won't be the case Wednesday, September 19 at LCC's all staff barbeque. The fun committee (Jim Piercey, Grace Cameron, Ron Mitchell, Verne Whittaker and Bob Way) has planned fun and playtime activities for everyone from 3-5 p.m. and again from 7:30-9 p.m. Departments are encouraged to challenge one another in competition ranging from badminton to horse shoes, from basketball to table tennis. Or for those who are always ready for a challenge, there will be an egg toss, three-legged races and a few surprise variations of these sports just to liven things up a bit. Come to the barbeque and visit with staff and have some fun. Tickets are on sale at the Information Window, first floor ADM, and the deadline is this Friday at 3 p.m. Cost is \$3 each. A no host social hour starts at 5 p.m.

**ABOUT THOSE TEMPERATURES** - Administrative Services has hired Marquess Engineering of Springfield to devise a plan for operating the College's very complicated heating/cooling system within President Carter's guidelines. He has decreed that thermostats be set no lower than 78 degrees F for cooling, no higher than 65 degrees F for heating and no higher than 105 degrees for domestic hot water. Our system uses cooling to produce heat for domestic hot water and other space heating or warm up. If we don't cool as much, we lose energy and replacement energy must then be purchased. It may cost us more to be uncomfortable.

**LOW RATE** - Night crimes against people on the LCC campus have totaled five incidents since 1975, according to Paul Chase, manager of Security & Communications. In 1975 there was an attempted rape near the Performing Arts Building and a knife fight between two males in the south parking lot. In 1977 there was an attempted rape in the south lot and an auto theft at knife point in the west lot. In 1978 there was an attempted rape in the west lot. Security people patrol the campus every night, holding physical violence to a minimum.

**CETA STUDENTS** - LCC had 358 full-time CETA-sponsored students during summer term. They were enrolled in such programs as accounting/clerical, clerk/typist, secretarial science, welding, automotive technology, electronic engineering technician and practical nursing. About 85 percent of local CETA people in training enroll here. Fall term enrollment is expected to total 400 to 500 full-time students. This level of enrollment all year would bring the College \$669,000 in tuition and state reimbursement, according to Mary Jane Eastman, CETA liaison representative.

**CONTINUING** - Today is the last regular day of registration for continuing students. New and returning students begin registration tomorrow in the auxiliary gym of the Physical Education Building. No enrollment figures were available at press time, but so far everything looks good.

**STAFF DEVELOPMENT** - If you didn't get a chance to preregister for the Disabilities Awareness workshop starting at 9 a.m. today, come anyway. It will sharpen your awareness of the barriers and problems faced by disabled staff and students. It meets in CEN 220 from 9-4 today. The new microcomputer lab is holding "open house" all this week. The lab is in room 201 of the Health Building. Free lessons today at 10 a.m., 2 p.m. and 8 p.m.

**BOARD MEETING** - The LCC Board of Education last night learned that progress is being made on the updating of the affirmative action plan. A complaint procedure for those not in the unions and for students has been completed and is being implemented. Some \$7,300 was allocated from construction funds to improve lighting in the drafting lab. A foodservice management contract with Mannings was extended through June 1982. Dollar figures for 94 management positions were approved; raises range from 8 to 13 percent with people in the lowest paid categories getting the largest percentage increases. New hires: Jill Hermanson from North Eugene High School in math, Dr. Dwight Miller from Pasadena City College in math, Dr. Mary Ann Manderino (last year's nursing chairperson) to the nursing faculty, and Cleo Beswick from Lane County to payroll assistant in Personnel.

CLASSIFIEDS

# the Daily

TGIF

Fall Term  
FRIDAY  
September 14, 1979

**THERE'S STILL MORE** - The Staff Development people just want you to know that there is still more to come next week in the area of special interest meetings and workshops. Several departments are having special sessions for staff and on Monday, September 17, at noon in the cafeteria there will be a no-host luncheon for all faculty. Beverage and dessert will be provided. Following lunch, at 1 p.m. there will be an LCCEA meeting to present the proposed faculty contract agreement to all interested faculty. And don't forget the all-staff barbeque Wednesday, September 19, starting with a no-host social hour at 5 p.m. Tickets or reservations should be made at the Information Window in the ADM Building by 3 p.m. this afternoon.

**HELLO** - LCC welcomes Christine (Chris) Sajewski to the campus. Chris is the new research associate in the Office of Instruction. She replaces Lee Pettigrew who left in August to work toward a law degree at the UO. Chris comes to Lane from Michigan. She holds an M.P.H. in Health Education & Research from the University of Michigan.

**NEW COURSES AND PROGRAMS** - The Board of Education has approved the adding of these new courses and programs: Learning Skills Lab, General Pathology I & II, Orientation to Science, Clothing for the Young, Organizing Your Time, and a one-year certificate in Community Services.

**CAPITAL OUTLAY** - Some \$300,000 of the equipment allocation approved by voters last June is being distributed to departments. Student Services gets \$16,194; President's Complex gets \$2,800; Administrative Services gets \$77,483; and Instruction gets \$203,523. An additional \$100,000 is being held in reserve as a hedge in case revenues fall below projections. It will be distributed later in the year as the revenue picture becomes clearer.

**PAYBACK** - LCC's share of the payback to Pacific Power & Light, which had its property over-assessed statewide by \$5.5 million, will total \$18,855.84. It comes out of this year's property tax revenue collected for the College. All the Oregon community colleges except Treasure Valley at Ontario are among the various agencies which must share in the refund payment.

**BEST WISHES** - Dean of Administrative Services Tony Birch is resigning, as of October 19, to become controller at Whitman College at Walla Walla. He has completed five years at LCC and introduced systems and procedures which have given the College one of the best business operations around. Much success in the new job.

**MORE WORK AT DOWNTOWN CENTER** - The unfinished large classroom, room 302, at the Downtown Center will be completed after all. Savings on the total remodel are proving to be sufficient to finance this additional project. The space is in the neighborhood of 50 by 80 feet. A movable partition in the middle is being considered. A request for bids is being prepared.

**ACCESS** - Attempts to get the State Highway Department to agree to an access from I-5 to LCC's east side are still being pursued. A direct off ramp was proposed, but talks now relate to simply improving the existing access. But, negotiations will continue.

**SALVAGE** - Those four large steel-frame windows which used to grace the Downtown Center have found their way to Oakridge. Mike McCulloch of Danielson Architects purchased them and donated them for use in the senior lounge at the Willamette Activity Center. The center is a former elementary school which is being remodeled for social services, recreation and other community activities, including LCC classes.

**ARCHIE'S COMING** - LCC's insurance agent will be on campus Tuesday, September 18 at 3:30 p.m. Call the Personnel Services office if you need to see him, ext. 2211.

**SPECIAL THANKS** - The Staff Development "Fun Committee" wishes to thank the official in-service greeters for the fine welcome back given to staff at the all staff meeting on Monday. For those of you that are new or may not have realized, our greeters were all "Ten Year Employees".

**OOPS!** - In yesterday's Daily in the article about CETA-funded students we forgot to mention that there were some dental assisting students involved in the training.

**MORE RECOGNITION** - The Math Department's calculator training promotion is described in the September 20 "Ideas" column of the Chronicle of Higher Education. See page 18.

CLASSIFIEDS

FOR SALE: 1973 Volvo Wagon, 4-speed. Low miles on rebuilt engine. One owner. AM/FM cassette stereo. Excellent condition. \$3,600. Also, Early American, swivel rocker, heather brown tweed upholstery, \$25. Florence Hedden, President's Office, ext. 2200 or 345-6326 evenings.

# the Daily

Fall Term  
MONDAY  
September 17, 1979

**FACULTY CONTRACT VOTE TODAY** - There will be a no-host luncheon for all faculty today at noon in the cafeteria. Beverage and dessert will be provided by the LCCEA. Following the meal, faculty will go to the Performing Arts theatre for the presentation and a ratification vote on the proposed '79-81 contract. All faculty are urged to attend the meeting and vote on the contract proposal. If you can't make the luncheon, the meeting begins at 1 p.m. Several other important matters are on the agenda, also.

**SEASON TICKETS GO ON SALE TODAY** - LCC staff and students are invited to take advantage of top-priority status in purchasing season tickets for LCC Theatre. Order forms (with information about the plays) have been made available to all departments and offices and there are more available at the box office and Information Window. Bring the completed forms and your payment to the box office in the theatre lobby, today through Wednesday, September 19, and you will receive your tickets, by campus mail, later this week. For just \$11 you can have a good seat for each of the three plays. The orientation issue of the Torch newspaper displayed an ad which said staff and students tickets would be available September 20, 21 and 25. Please disregard the ad.

**LCC GOES TO THE MOVIES** - Associate Dean Jim Piercey is working with the Development Fund to promote the fall fund raising campaign "LCC Goes to the Movies". Piercey says his interest in the success of the campaign stems from the fact that the proceeds directly benefit Lane. Some of the projects funded through development funds are the vocational awards banquet, special curriculum projects and incentive grants. Jim urges those who can, to support the development fund by making a contribution, and join him for an evening of fun and entertainment. He has more information and order forms.

**FROM THE MAILROOM** - Please return your extra intracampus and inter office memo envelopes to the Mailroom. Thanks!

**GUEST LECTURER** - Dr. Micahel Posner, currently on a Guggenheim Fellowship at the University of Oregon, will present a talk on cognitive psychology and teaching, tomorrow (Tuesday) at 1 p.m. in CEN 420. All interested staff are invited to attend. Dr. Posner is one of the top researchers in the world in the area of human information processing capacities.

**KEEP IT A SECRET...** But, Grace Cameron is selling the "OTHER GROUP" tee shirts in the Student Records office. Don't tell her out you found out about it..

Another F U N Committee event.

**AUDITIONS** - Auditions for "Don't Drink the Water", by Woody Allen, directed by Stan Elberson will be held in the Performing Arts Building, September 24, 25, and 26 at 7:30 p.m. The show will open November 9.

**PAYROLL** - Payroll verification sheets will be available in Personnel Services today at 1:30 p.m. They are due back in Personnel by 5 p.m. tomorrow, signed by department head, with timesheets and leave records attached.

**ALL STAFF BARBEQUE** - Tickets are still on sale for the all staff barbeque this Wednesday (19th) and may be purchased at the Information Window during the day or at the barbeque Wednesday evening. Beer and wine will be available for 35¢ a serving.

## CLASSIFIEDS

FOR SALE: The LCC Bookstore has several exciting new lines of greeting cards. (One card line uses recycled paper.)

## EMPLOYMENT

MEDICAL TECHNOLOGIST, part-time, 10 a.m. to 2 p.m., in Student Health Services. Application deadline: September 19.

STUDENT SERVICES SPECIALIST, Counseling, Downtown Center. Application deadline: September 18.

STUDENT LOANS CLERK III in Financial Services. Application deadline: September 18.

DEPARTMENT SECRETARY III in Cooperative Work Experience. Application deadline: September 24.

BOOKSTORE/BOOK DEPARTMENT BUYER in Bookstore. Re-posted. Application deadline: October 5.

### ANOTHER OOPS

Industrial Orientation also had CETA-funded students enrolled Summer term.

### THIS WEEK ON KLCC

JAZZ ALIVE! (Wednesday, 8-10 p.m.): Eighty-one year old Alberta Hunter performs with bassist Al Hall and Pianist Gerald Cook; and Scat singer Jon Hendricks of Lamberts, Hendricks and Ross leads his musical family through a set of swing, blues and gospel; and Bob Ringwald performs on the piano a number of jazz standards from the 1920's.

FOLK MUSIC: From The Leffside (Monday 7:30-10 p.m.): Howie Leff celebrates another birthday this week featuring Hank Williams, the legendary country music singer.

SONGS OF WORK, STRUGGLE & CHANGE (Thursday, 7:30-8 p.m.): Features songs from the loom; cotton mill workers sing out.

KLCC Community Access (Monday-Friday 12:40 p.m.)

Monday- Gina Ing on Europe, Summer 1980

Tuesday- Winona La Duke of the National Indian Youth on Native American Rights & Uranium mining.

Wednesday- Joyce Spence on the Child Center.

Thursday- Kent Gorham of the Eugene Minority Commission.

Friday- Mike Walsh Buries Art- A conversation with John Rose.

# the Daily

Fall Term  
WEDNESDAY  
September 19, 1979

**CONTRACT RATIFICATION** - LCC faculty ratified the proposed '79-81 contract in voting Monday and Tuesday, 230 Yes to 2 No, with 1 abstain. Also on the ballot was a proposal for Fair Share. A process by which those faculty not belonging to the LCCEA contribute an amount equal to dues to the association. That measure passed 183 Yes to 50 No.

**BOARD OF EDUCATION** - The LCC Board of Education will meet this evening at 8:30 to consider the faculty contract ratification. The meeting will be in the Board room.

**FREE FILM** - The Mental Health Association is sponsoring two free films tomorrow from noon to 1 p.m. in Center 12. Each film is 30 minutes long. The first, Learning to Cope, Deals with stress, and A Chain to be Broken, ideas for community solutions to improving child/parent relationships. The films are open to all who are interested.

**CARD SHUFFLE** - Special notice to all departments using Bi-Mart credit cards. Due to the loss of a credit card, the old ones will not be accepted as of 9/17/79. The Purchasing Department has applied for new cards and they should be available within two weeks. If you have to purchase items from Ernst or Bi-Mart, please issue a separate Purchase Order each time until you receive the new cards. Purchasing.

**IN-SERVICE** - Administrative Services has scheduled mini in-services on October 24 from 2-5 p.m. and on October 25 from 9-noon. Both will be in Forum 309. The second will be a repeat of the first. Purpose is to brief secretaries, administrative assistants, managers, and others interested on Administrative Services processes, forms, and other "how-to" information. Each budget unit should have somebody or more in attendance.

**PLAIN WRITING** - The Ragan Report for September 17 encourages simple writing by retelling the celebrated story of the person writing to the government to find out if hydrochloric acid can be used to unclog drainpipes. When the first two letters failed to persuade the questioner ("...the corrosive residue is incompatible with metallic permancence"), somebody finally wrote that the stuff "eats hell out of the pipes."

**ON RETIREMENT** - The sixties were for the kids, the seventies for the women, and the eighties for the aging and the elderly. Retirement is becoming more and more the topic in organizational papers across the country, says the Ragan Report of September 17. But, some people aren't ready. "Man fools himself," says the Chinese proverb. "He prays for long life, and he fears old age." It wasn't in The Ragan Report but Woody Allen in the film, "Annie Hall," also said something about aging. It was to the effect that "Life is lonely, miserable and bitter. The tragedy is that it is so short."

## CLASSIFIEDS

## CLASSIFIEDS CONTINUED...

WANTED: House-mates. To share comfortable South Eugene home. Quiet, non-smoking, vegetarian females preferred. Two downstairs bedrooms available. \$110/person plus utilities. Robert Thompson, Math, ext. 2392.

FOR SALE: Good condition double hideabed couch, brown, \$75; shelves, \$5; chest of drawers, \$5; Walnut dresser/desk, \$20; McKenzie River boat, Johnson 6 outboard and tilt trailer, excellent condition, all operating equipment, \$1,000; bunk bed, \$50; Honda mini-bike, \$50. Tony Birch, ext. 2576 or 747-0685.

FOR SALE: Beautiful country home, 15 minutes from LCC in Pleasant Hill school district. Many features, 2,500 plus square feet, 4-bedrooms, 3 baths, outstanding value. Tony Birch, ext. 2576 or 747-0685.

Fall Term  
THURSDAY  
September 20, 1979

**UNANIMOUS** - The LCC Board of Education quickly and unanimously approved the faculty contract for this and next year in a short session Wednesday night. Both sides expressed appreciation for the document, which improves faculty salaries and fringe benefits by an average of 11 percent each year. The College picks up the employee contribution to the Public Employees Retirement System, increases the salary scale by 3 percent, and provides for experience steps. Next year, the salary scale will increase 8 percent and a 3 percent longevity bonus will be paid to faculty who have been at the top of the scale for more than 5 years. Salary talks may be reopened if the consumer price index increases by more than 12.5 percent this year. In other business, the Board accepted the resignation of Dean Tony Birch and voted to send him a letter of appreciation. Larry Perry said the College is in good financial position in large measure because of Birch. Steve Reid declared "a sense of loss." Jim Pitney said Birch has been "often on top of things ahead of the rest of us." Catherine Lauris expressed gratitude "for the reforms he brought about." Next Board meeting: October 17 instead of 10th.

**ORDER TICKETS TODAY** - If you didn't make the deadline (yesterday) for ordering tickets to LCC Theatre for '79-80 bring your order form to the theatre box office today and we'll send you the tickets in the campus mail next week.

**USE STAFF DIRECTORY** - The switchboard has been besieged with calls from staff asking extension numbers for other offices and departments. The switchboard has a heavy call load during registration and the first week of classes, so please use your directory. If your department is short on directories please make one available at each phone. Thank you.

**Y'ALL COME** - The staff of the Women's Awareness Center invites other LCC staff to drop by on Friday morning between 8 and 11 to meet new staff and check out what's happening at the center.

**BUSINESS CENTER DIDN'T MOVE BACK** - The Business Skills Center, coordinated by Betty James, did not move back to the Downtown Center with the other offices. It seems that not quite all of the renovation is completed at the center so the Business classes will begin fall term in the Atrium Building, 99 West 10th. Betty says, "we will relocate as soon as we can."

**TRUTH IN ADVERTISING** - The Oregon Supreme Court has overturned Circuit and Appeals Court decisions against a former Umpqua Community College student who sued, alleging misrepresentation of instruction. Umpqua must pay \$12,500 damages to Peter Dizick, who gave up a job to take a welding course based on catalog information which said that he would be trained on equipment which the college didn't have. The moral is that colleges can't make promises, implied or real, that they can't keep.

**MORE TRUTH IN ADVERTISING** - Oregon College of Education at Monmouth bought a September 11 ad in a Salem paper heralding its Salem Extension Center and announcing that some classes would be held at Chemeketa Community College. OCE doesn't have a Salem center, however, and hadn't gotten Chemeketa's permission to hold classes there. Also, Chemeketa says OCE is trying to offer lower division classes in Salem by giving them upper division numbers. Example: Music 334, Learning to Play the Guitar. The Chancellor of the State System of Higher Education is reportedly investigating.

**GROWTH** - Registrar Bob Marshall says Fall Term enrollment at this point is up 300 headcount and 66 FTE over a year ago.

## CLASSIFIEDS

FOR SALE: Two rug looms with counter balance. May be seen in the Art Department. One is a two-harness rug loom, minimum price- \$75.

The other is a four-harness rug loom, minimum price- \$100. Please send sealed bids to Purchasing, located on the first floor of Campus Services. Bid closing is Friday, September 21, at 2:00 p.m.

## CLASSIFIEDS

FOR SALE: 1974 Suzuki, 500 cc. Very low mileage, clean. \$795. Marie Wiles, Nursing, ext. 2636

# the Daily

Fall Term  
FRIDAY  
September 21, 1979

**DETOUR RECOMMENDED** - If your normal route to work is via I-5, using the 30th Avenue exit, we recommend that for Monday and Tuesday, the first two days of fall term classes, you take an alternate route. The State Highway Department is making road improvements at I-5 and 30th, and traffic is expected to be congested not only by the road construction, but also by the usual heavy traffic flow that comes with the first day of classes. Please find another route for the first couple of days.

**TOURS FOR NEW STAFF** - Jolene Bowers will conduct a tour of the campus for all new staff at 10 a.m. today. Those interested should meet in the gym lobby.

**PROCESS UNDERWAY** - The search for a successor to Dean of Administrative Services Tony Birch has begun with the appointment of a screening committee by President Schafer. Susan Nieminen, director of Personnel Services, chairs a committee which includes Deans Gerry Rasmussen and Jack Carter, Social Science Department Head Ron Mitchell, Bookstore Manager Georgia Henrickson, Assistant to the Dean of Administrative Services Bill Mansell, Secretarial Instructor Helen Lynn and Steve Lange, microfilm technician in Records Management. The notice of vacancy is being circulated nationally. The committee probably will do most of its work in November. The President is asking that 3 to 5 names be submitted to him for consideration; he will recommend one person to the Board for appointment. The new dean could be on the job by January 1.

**LET'S HELP OUT** - Monies collected by the Development Fund are used primarily by instruction, but also by other divisions of the College. Therefore, it's appropriate that staff show the community that it, too, believes enough in LCC to support those activities for which tax funds simply aren't sufficient. The community already is coming through by buying tickets to "LCC Goes to the Movies," the gala fund-raiser on Saturday night, October 20. Staff participation is starting, though a little slowly. Donations are sought in the amounts of \$50, \$100, \$250, \$500 and \$1,000. Call Pat Williams, assistant director of Development, at 484-2126, ext. 523 to make your pledge or get more information. Invest in yourself; call right now. It's tax-deductible.

**SATELLITE STORE OPENS** - The LCC Bookstore announces the opening of a satellite store at the Downtown Center beginning Monday. Bookstore Manager Georgia Henrickson says, "We will carry textbooks for all classes offered by the Downtown Center." Students registered for classes at the center must get the texts from the satellite store.

**LCC BUS GETS NEW DRIVER** - LCC's mobile classroom has a new instructor/driver. Linda Meyers, a former instructor in the 4J District, is scheduled to take to the road Monday, October 8 and stop at the Leaburg Community Center from 10 a.m. to 2 p.m. Other communities on the tentative schedule are Oakridge, Marcola and Blue River.

**ONE MORE IDEA** - Gov. Atiyeh is sponsoring initiative petitions to place a measure on the November 1980 ballot to freeze property tax rates at this year's level. The only way a taxing district could increase its rate would be to have voters approve a new tax base at a primary or general election.

**QUOTABLE** - "Honesty is the best policy. Of course, insanity is a better defense."--Steve (Detective Dietrich) Landesberg of ABC's "Barney Miller."

# the Daily

Classes Begin  
MONDAY  
September 24, 1979

**LCC GOES TO THE MOVIES** - Pat Williams of the Development Fund has asked The Daily to remind staff that they are invited to be a part of an exciting and elegant evening on Saturday, October 20 at Valley River Inn. It's a benefit, with funds going to LCC students and programs. There will be a cocktail party, transportation in vintage cars, some film clips, a banquet, and dancing to big band sound of The Starlighters. The star, in person, is Miss Ginger Rogers. You'll be reading and hearing more about this in the media, starting tomorrow. Because of limited space, only 250 tickets are available. People in the community have already quietly bought a good share of that number and more will go after the Development Fund people go public tomorrow about their availability. A good representation of LCC people must be at that party to show that staff care about their college too. Each ticket admits two people. Call Pat Williams today at 484-2126 or contact Jim Piercey on campus at ext. 2311.

**SUMMER STIPENDS** - The National Endowment for the Humanities is offering three \$2500 stipends for the summer of 1980. Applications and information are available from Art Tegger, Language Arts Department. Applications will be accepted through October 15.

**GARRIE FRANKLIN MEMORIAL CROSS-COUNTRY CLASSIC** - The Athletic Department invites all staff and their families to participate in the first Garrie Franklin Memorial classic, a 10,000 meter race, named in honor of a member of the 1972 LCC Championship Cross-country team who was killed in a 1974 auto accident. The race, to be held Saturday, September 29 will feature events for elementary age children through adults. Registration will take place Saturday morning before the races. There is a \$2 entry fee. The course will be plotted along LCC's athletic fields. Men's and women's locker rooms will open at 8:30 a.m. and shower facilities will be available, but you must bring your own towel. First race (1st through 6th grades) will begin at 10 a.m. and run 2,000 meters; junior high ages will start at 10:30 with girls running 3,000 meters and boys, 4000 meters; high school girls and college women, club or open entrants will begin at 11:30 and run 4,000 meters; high school boys and masters (30 and over) will begin at noon and run 6,000 meters; and finishing up, NCAA schools, clubs-men-open, NAIA schools and community and Junior colleges will run 10,000 meters at 12:30 p.m. Maps of the race course and further information are available at the Intramurals Office in the Physical Education Building, or call Mitch Allara, ext. 2599.

**MORE RUNNING** - LCC's Health Occupations and Data Processing Departments are co-sponsors with Nike Athletic Department in a 10 Kilometer (6.2 miles) road race as a benefit for the Oregon Lung Association. The race, known as the Christmas Seal run, is scheduled for Sunday, October 15 at 9 a.m. on the U of O campus. Applications and information about the race are available from the Health Occupations Department in the Health Building. All proceeds will be donated to the Oregon Lung Association. And that means that both departments are donating their services to this cause.

**CAN YOU TELL ME...** - With school back in session, the number of events/meetings/classes/ etc. happening on campus is mushrooming, and it is essential that the Information Window be able to answer questions. Too often, staff receive questions about which we know nothing nor can we readily locate information. Beginning with this issue of The Daily, we begin a new feature, a list of questions we couldn't answer or could confirm. The purpose of this column is two-fold: 1) to solicit answers and 2) to remind those planning events that we need hard facts in advance of likely inquiries.

Today's question: When and where will the second Spectraphysics meeting be held?

**REGISTRATION** - Late registration and schedule changes are in the gym lobby today through Thursday, 8 a.m. to 7 p.m. Closed for lunch 12-1:30 p.m.

## CLASSIFIEDS

FOR SALE: Two side view mirrors, suitable for pickup. \$5 each. Ed Ragozzino, Performing Arts, ext. 2209 or 687-2937.

FOR SALE: Wood delivered. Fir, \$40/pickup load, hardwood, \$55/pickup load. Ask for Joe or Paul. After 4:00 p.m. 687-8561. Bob McCorkle, Counseling, ext. 2512.

FOR SALE: 1974 Suzuki, 500cc. Very low mileage, clean. \$795. Marie Wiles, Nursing, ext. 2636.

FOR SALE: 1976 Ford Econoline Van, 3/4 ton, carpeted, paneled and insulated. Power steering, cushions storage compartments, excellent condition. \$4,000 or best offer. Marsha Russell, Nursing, ext. 2626 or 484-6606.

WANTED: Fresh eggs laid by real chickens. Please contact Jerome Garger, Language Arts, ext. 2419 or 345-7175.

WE HAVE CONVERTED...to solar hot water heating. Have five-year old double element hot water heater for sale. 50 gallon, counter top model, white. \$75 or best offer. Dave Sherman, Performing Arts, ext. 2209 or 344-3890.

FOR RENT: Quiet studio apartment, non-smoker, no pets. Between University and LCC. \$135. Clarice Bates, Nursing, ext. 2639 or 344-6592.

COOL IT! Chest freezer, 23 cubic feet, Montgomery Wards Signature model (their best). \$325. Jim Ellison, Instruction Services, ext. 2361.

WANTED TO BUY: Double or Queen size bed. Also, used baby crib in good condition. Barbara Harmon, Veterans office, ext. 2662 or 343-6356 evenings.

GOING AWAY SALUTE- Kathy Dave of the C/CR staff is moving to Idaho. A goodbye party will be held in CEN 107 at noon on Wednesday, October 10. It's open to anyone interested. If you want to be part of it, please contact Marie Reid at ext. 2301 or Florence Hedden at ext. 2200. Please make your reservation this week. Thanks.

ABOUT THAT SWITCH HITTER - The Daily doesn't want to make light of the situation, but complaints have been received that some energy saver keeps switching off the lights when leaving campus restrooms. The problem seems to be that Reddy Kilowatt doesn't first check to see if the stalls are occupied. A couple of people say it's hard to find one's way out by braille.

DISCO FOR LUNCH - Information Services programmer Bonnie Graham is teaching a lunch hour disco class on Thursdays in APR 223. No partner is needed and you can have fun. Lessons include line dances and hustles. Call Bonnie at ext. 2468 if you want to register or come to the class on Thursday at noon.

## EMPLOYMENT

DEPARTMENT SECRETARY III in Cooperative Work Experience. Application deadline: September 24.

BOOKSTORE/BOOK DEPARTMENT BUYER in Bookstore. Application deadline: October 5.

Snack Bar- Hot beef sandwich, egg roll & rice

### TUESDAY:

Cafeteria- Taverna beef steak, Monterey Quiche  
Saucy chicken & noodles

Vegetarian-Walnut stuffed tomatoes

Snack Bar- Fried chicken, Hot pork sandwich

# the Daily

First Week  
TUESDAY  
September 25, 1979

**TRAFFIC** - There must have been about 3,700 or more cars on campus at the start of the day Monday, but--amazingly--they moved into the lots at a reasonable pace. There was no traffic jam reported at either entrance. Lines of cars apparently didn't extend very far on either 30th Avenue or the freeway. Congratulations are due to the Security office, which had its people out in force. The crush should slack off in the next few days as one-passenger cars become part of carpools. And there's always parking space in the northeast lot.

**INTEREST BUILDING** - Klieg lights, vintage automobiles, photographers and announcers will help recreate the atmosphere of an old-time Hollywood movie premiere before the showing of an exciting 1930's film. That's the promise of the Development Fund for those participating in the October 20 benefit, "LCC Goes to the Movies." Super Star treatment awaits those able to donate \$1,000. They'll be offered a pre-theatre cocktail party at the Eugene Country Club, transportation in vintage cars to Valley River Inn, a champagne reception, two theatre admissions, an after-theatre buffet party and big band dance. Stars (\$500), Best Supporting Performers (\$250), Understudies (\$100) and members of the Chorus (\$50) will be honored, but with less attention than the Super Stars. Call Pat Williams today at 484-2126 to make your pledge or deliver a check.

**WRONG DATE** - That Christmas Seal Run announced in yesterday's Daily will be held on Sunday, October 14, NOT the 15th, which is scheduled to be a Monday. It's a benefit for the Oregon Lung Association and is being co-sponsored by LCC's Health Occupations and Data Processing Departments and the Nike Athletic Department. For information about the 6.2 mile run on the U of O campus, inquire at the Health Occupations Department.

**WE GOT AN ANSWER** - Yesterday's question in the Daily, when and where will the second Spectra-physics meeting be held, evoked this answer from Jerry Sirois in Counseling: Today, Tuesday, in room 219-220 Center, duplicate meetings at 2 and 7 p.m.

**AND TODAY'S QUESTION** - Are many LCC staff actually donating to "LCC Goes to the Movies?" Watch this space tomorrow.

**REGISTRATION** - By the time registration is completed, LCC could enroll at least 400 more students this term than a year ago, reports Registrar Robert Marshall. We had 7,456 last year. Registration is taking place in the gym lobby today through Thursday from 8 a.m. to 7 p.m. (closed from 12-1:30 p.m.) and on Friday from 8 a.m. to 2:30 p.m. And, of course, students can register after that with a faculty member's permission. And there's always open entry-open exit classes. "We never stop registering," says Marshall. But, if we ever do complete registration, we will have a record enrollment.

**COMING UP** - On Monday and Tuesday, October 1 & 2, the Lane Transit Bus District will have representatives on campus in the cafeteria from 10 a.m. to 3 p.m. to answer questions about bus service that is available. Staff and students are welcome to stop by and talk to them.

## CLASSIFIEDS

WANTED: used toddler GM car seat, in good condition and reasonably priced. Vivian Day, Home Economics, ext. 2531 or 937-3187.

ALMOST A CLASSIC: 1962 Buick convertible. Engine in good shape, but needs body work and a new top, 103,000 miles, nearly new tires. \$350. Diane Dann, ext. 2592 or 485-4696 evenings.

## COMMUNITY ACCESS

Broadcast daily at 12:40 p.m. on 89.7 FM. Today's guest is Tony Nathan on the Libertarian Party and the Primaries. Tomorrow listen to Nancy Casper on nutrition in the future.

# the Daily

First Week  
WEDNESDAY  
September 26, 1979

**MEMORIAL RUN** - The first Garrie Franklin Memorial Classic is scheduled for Saturday, September 29 beginning with the elementary age division race at 10 a.m. and finishing with the men's division at 12:30 p.m. Registration will take place at the race site on Saturday morning. Entry fee is \$2. The locker rooms will be open to participants, but you must provide your own towel. The Athletic Department encourages the entire family to participate. For additional information call Mitch Allara, ext. 2599.

**ANSWER** - Yesterday's question, Are many LCC staff actually donating to "LCC Goes to the Movies," produced this answer from Pat Williams, assistant director of the Development Fund: One Super Star (\$1,000), one Star (\$500), one Best Supporting Performer (\$250), nine Under-studies (\$100), zero in the Chorus (\$50). Total donors to date: 12. Ten in the Management Group, 2 are faculty members, for a total of \$2,650.

**EARLY RISERS** - There is still room in Pat Williams "early riser" slimnastics class offered MWF, 6:30-7:30 a.m. The class may be taken for credit or audit through the Health & Physical Education Department. You can still sign up on Friday.

**CLASS ADDED** - The Health & Physical Education Department has added a beginning jazz dance class on Monday and Wednesday evenings from 7:30-9 p.m. The class meets in the Auxiliary Gym. For more information call Alberta in Health & Physical Education, ext. 2545.

**KEEPING UP** - According to the Educational Coordinating Commission, community college teacher salaries have kept pace with inflation in the past 10 years. School district salaries are said to have lost 5.6 percent in purchasing power and university salaries have lost 4.7 percent. Community college salaries reportedly gained 3 percent in purchasing power. And CC fringe benefits for teachers are said to be higher, too.

**SUMMER STIPENDS** - The National Endowment for the Humanities is offering three \$2,500 stipends for the summer of 1980. Applications will be accepted through October 15.

**INSTRUCTOR'S SIGNATURE NOT ENOUGH** - In the schedule adjustment process used by our Admissions Office if a class is closed or requires instructor permission before a student can register it also needs a department stamp before the student is permitted to complete the registration process. This stamp is required whenever a signature is required whether it is the first day of classes or the second week of classes. There has been a lot of confusion for both faculty and students, so we are asking that whenever a faculty member signs a consent card or a schedule change card (green), please direct the student to the appropriate department office for a department stamp. Thanks.

# the Daily

First Week  
THURSDAY  
September 27, 1979

ONE HUNDRED THOUSAND - That's the amount of money the Development Fund wants to raise through its benefit, "LCC Goes to the Movies." The cash would be used for student scholarships, emergency aid to students, and to support some instructional projects which are not presently funded in the College budget. The event is Saturday night, October 20, and you're invited. Tickets are \$1,000, \$500, \$250, \$100 and \$50. Your donation is tax deductible. Call Pat Williams at 484-2126 today. Only about 150 tickets are left.

HAVE WE GOT A SOMANTIC PROBLEM? - The Daily has heard (glad to know we're being read) from several readers who take strong exception to the report in Tuesday's issue that Monday's traffic produced no jams. The Daily used "jam" in the literal sense that passage was not blocked or stopped. Traffic moved at a pace reasonable for that many cars trying to use the road at the same time. Thinking back to some past years, we were also implying an historical comparison. On the other hand, if the reader thinks "jam" means frustrating, clogging and slowing, then there was traffic jamming. Hope that doesn't make us seem too jelly-like on the issue of jam.

AROUND THE STATE COMMUNITY COLLEGES - Central Oregon and Oregon State University are conducting a survey to determine if OSU should establish a satellite campus in Bend on the COCC campus. A bachelor's degree would be offered....Clackamas will operate the educational program at Timber Lake Job Corps near Estacada....Two Portlanders at the Oregon Correctional Institution at Salem are the first inmates to earn associate degrees at Chemeketa....Portland has begun training people for jobs at the Wacker Chemitronics plant. Some 700 will be trained. Twelve PCC instructors spent 6 weeks in Germany at Wacker's home plant. Wacker loaned the equipment used for teaching people to manufacture semiconductor components....Clackamas will name its science building after Nobel Prize winner Linus Pauling, who was born in Portland.

GOING AWAY SALUTE - Kathy Dave of the C/CR staff is moving to Idaho. A goodbye party will be held in CEN 107 at noon Wednesday, October 10. It's open to anyone who would like to say goodbye. If you would like to be a part of it, please contact Marie Reid at ext. 2301 or Florence Hedden at ext. 2200. Please make your reservation this week. Thanks.

GOOD THINGS - Today's TORCH features the start of good things to come: the first of our weekly Art Hoppe columns and the first in a series of stories on incest by TORCH editor Sarah Jenkins. You'll also find a forum article on stress by Associate Dean Joyce Hopps. Forums are essays contributed by TORCH readers. If you have an idea for a forum article, please give us a call at ext. 2656.

PARKING STICKERS FOR HANDICAPPED - Paul Chase of Security and Communications would like to clear up the confusion of where students and staff may obtain Handicapped Parking stickers. Handicapped stickers must be applied for and picked up at the Student Health Services office, 1st floor Center on the South end. Please pass the information along, thanks.

TODAY'S QUESTION - How can opening day traffic frustrations be eased next year?

## CLASSIFIED

## COMMUNITY ACCESS

Broadcast daily at 12:40 p.m. on 89.7 FM. Today: Chinlsole on Affirmative Action for Lane County.

# the Daily

First Week  
FRIDAY  
September 28, 1979

**EVENING SERVICE AVAILABLE** - Admission and student records services, including tuition payment, will be processed in the Veterans Office from 5-8 p.m. Monday through Thursday beginning Monday, October 1. These services were previously handled through the Adult Education office in the Apprenticeship Building. Veterans is on the 2nd floor of the Center Building.

**RECORD WEEK** - Not only did we have a record number of people register for Fall Term classes, (in the neighborhood of 8,000 individuals), but Security Manager Paul Chase reported a record number of vehicles in the parking lots. He estimated Monday's number of cars at 3,900, but added that on Wednesday there were approximately 500 fewer cars. There is plenty of parking available according to Chase who says to his knowledge the Northeast lot has never been full. "It's just a matter of knowing where to look for it and then using it."

**TAKE THE BUS** - On Monday and Tuesday of next week representatives of the Lane Transit District will be on campus to give information and answer questions about transportation services that are available in the area. They'll have a table in the cafeteria from 10 a.m. to 3 p.m.

**INSURANCE** - If you have questions about your insurance coverage or a claim, Archie Zarewski will be on campus Wednesday, October 3. Call Personnel Services if you need to see him.

**CROSS COUNTRY RUN TOMORROW** - Registration for the Garrie Franklin Memorial Classic is tomorrow morning down on the track to the north of the Physical Education Building. There is a \$2 entry fee. First race (elementary ages) will begin at 10 a.m. and the Men's Division will start at 12:30 p.m.

**CHRISTMAS SEAL RUN** - Applications for the benefit 6.2 mile Christmas Seal Run are available at the Health Occupations Department. Also sponsoring the run is the Data Processing Department. They'll help with statistical info. All proceeds go to the Oregon Lung Association.

**GOLF TOURNEY COMING** - The Intramurals Office is sponsoring a golf tournament for all LCC staff and students with competition including both mens and womens divisions. The date is Friday, October 12, with the first tee-off at 2 p.m. Preregistration is required in the Intramurals Office. Call Mitch Allara, ext. 2599.

**VIA SATELLITE** - KLCC-FM will begin receiving programs via the Westar I, Transponder 2 National Public Radio Satellite beginning Monday, October 1. Service will begin with two channels and expand to four by January 1st, and increase to between 18-24 within a few years. Chief engineer Steve Barton has conducted tests for sound quality and reports that it is "excellent."

**FLEXIBILITY FOR FITNESS** - If you need exercise or have always wanted to be fit and trim why not try the 5 p.m. Flexibility for Fitness class. There is still space available and if you don't want to go it alone, bring a friend. Class meets MWF from 5-6 p.m. All exercises are geared to your own ability. The course may be taken for credit or you may audit.

**LATE REGISTRATION** - Late registration for credit courses will move from the gym lobby to the Admissions Office at 2:30 p.m. this afternoon. Please note this change and remind students.
