

Fourth Week of Summer Term
TUESDAY
July 8, 1980

Published for the staff of Lane Community College.
Deadline for contributions is 2 p.m. on the day before publication.
Editor/Coordinator: Jeannine Ferguson, ext. 2201

KLCC GETS GRANT - KLCC-FM has received a \$96,053 grant from the National Telecommunications and Information Administration (part of the Commerce Department) to purchase new equipment. Program Director Sam Hochberg says the money will be used to replace outdated equipment in the station's two existing studios, to equip an additional studio, and to purchase a new microwave system. Grant monies will also be used to raise the station's signal from 10,000 to 30,000 watts, and to install translators to rebroadcast KLCC programs in Oakridge, Florence and Cottage Grove. The expansion was necessitated by KLCC's increased commitment to local and national news and public affairs and to minority and women's programming, Hochberg says. KLCC Development Director Gina Ing was primarily responsible for the preparation of the grant application, with assistance from Hochberg and Chief Engineer Steve Barton.

GRANT GOES TO HORSTRUP, TOO - Carl Horstrup is recipient of a \$60,000 grant awarded by CETA and the Oregon Department of Education to develop preapprenticeship curricula in 10 apprenticeable trade areas. In addition to pre-job modules and instructional analyses, the project will incorporate basic skill components, patterned after a program which Horstrup is currently coordinating at LCC. Shannon Kracht will direct the project.

ELECTED - Bill Dotson was elected vice-president (and president-elect) of the National Association of Small Business Management Instructors at the Association's Third National Conference in Duluth, Minnesota, June 23-26. He will serve a two-year term. The organization serves to keep SBM instructors up to date on developments in the program.

SOME GOOD SIGNS - Although LCC's "A" ballot in the June 24 election was rejected 12,671-15,099, the percent of the Yes vote was 46, compared to 40 at the May 20 election. Some 58 precincts were supportive (34 percent district-wide), compared to 27 supportive precincts on May 20; there was a 53 percent Yes vote in Eugene 4-J, and 49 of the supportive precincts were in 4-J (63 percent). The "B" ballot was supported by central and southeast Eugene precincts, but rejected by outlying areas. The "B" measure received 1,373 more votes than the "A" measure, indicating that some voters may be unaware that the "B" cannot be levied unless the "A" passes.

MANAGEMENT COMPENSATION - Seventy-eight percent of the Management Employees responded to a "ratification vote" on the Board of Education's 1980-81 Management Compensation package last week, approving the package unanimously. The approval represents a "vote of thanks" to the Board, even though the Management Employees are not a bargaining unit with legal authority to reject or accept the package.

DONATION - Verne Whittaker, Chairman of the Management Steering Committee, reports that the Management Employees Group is donating \$1,000 to the LCC Advocates Committee and has initiated an additional fund-raising campaign to help insure that district residents are informed when they go to the polls in September. He says the donation equates to slightly more than \$10 per management employee, and he encourages the four bargaining units at LCC and other concerned supporters of the College to follow the leadership of the management group.

YEAR END CLOSINGS - Financial Services says thank you to all staff for their help and support in promptly submitting budget transfers and expenditure items according to the year-end closing calendar. Following are July year-end closing reminders:

July 8 - Return Payroll Verification sheets to Personnel to report overtime and timesheet hours worked between June 21 and June 30, inclusive.

July 8 - Cutoff date for submission to Emily Sachs, Financial Services, of June specific trip travel and expense reimbursement requests.

July 17 - Cut-off date for receipt by either Personnel Services or Financial Services of requests to correct June charges to incorrect account numbers.

WOMEN'S CENTER SUMMER HOURS - The Women's Awareness Center, Room 217 of the Center Building, will be open from 8 a.m. to 1 p.m., Monday through Thursday, during the summer. They will resume regular hours of 8 to 5, Monday through Friday, at the beginning of Fall term. The Women's Awareness Center is a resource and referral center for women and men at LCC and people from the community.

HEALTH EDUCATION SEMINARS - The SelectCare health maintenance organization is conducting four health education programs for the general public this summer. The seminars will be held at Amazon Community Center on Thursday evenings from 7:30 to 9:30 p.m. They are free to SelectCare members; cost for non-members is \$1 each. Program dates and topics are:

July 10 - "Improving Your Lifestyle: What's Best for You?"

July 17 - "Making Lifestyle Changes Work: How to Do It"

July 24 - "Your Weight and Nutrition: You're in Charge"

July 31 - "Stress: Making It Work For You"

MORE NEWS

LAST CHANCE - Tickets are almost gone for the LCC production of "Where's Charley?" directed by Ed Raggozino, but a few good tickets are left. It's a great way to spend a summer family evening. Box office hours are 10 a.m. to 4 p.m. The play opens Friday.

INSURANCE - Insurance agents of record Gene Manley and Liz Kelso will be at Personnel Services today from 11:30 to 1:30.

GOODBYE FROM JILL - To everybody I didn't get a chance to say goodbye to--Goodbye! I know it's kind of sudden but it was a long time coming. I have enjoyed knowing you and working with you. I'm going into the furniture biz. Your former humble co-worker, Jill (Neudorfer)

ANY COTTON? - Plant Services would appreciate any donated cotton sheets, towels or any other cotton material to be used as rags. If you have any, they'll pick it up. Call Deloris at ext. 2564.

DON'T KICK IT - Complaints, comments, suggestions regarding the vending machines on campus should be in writing and directed to Jay Jones, Director of Student Activities.

KLCC - Tonight at 7:30 p.m., Women's Night Out presents "Making a Living at Your Own Art," the second half of a two-part series examining women and art. A panel of local women artists, including Lotte Streisinger and Nancy Pauli, will discuss problems and possible solutions to artists' survival in the Northwest.

Every day--Deli sandwiches, hamburgers, cheeseburgers, fishwich, soup, chili, salad bar.

Fifth Week of Summer Term
TUESDAY**
July 15, 1980

Published for the staff of Lane Community College.
Deadline for contributions is 2 p.m. on the day before publication.
Editor/Coordinator: Jeannine Ferguson, ext. 2201

CWE GROWING - LCC's Cooperative Work Experience Program is now the fifth largest such program in the nation, and one of the most successful, reports CWE director Bob Way in the June issue of the CWE newsletter. Since 1970, the program has added to its initial offerings in forestry and mechanics to reach its present range of offerings in over 70 instructional areas.

MOBILE CLASSROOM UPDATE - The Annual Report for the LCC Mobile Classroom, prepared by Coordinator Linda Myers, contains the following facts:

- 380 people visited the Mobile Classroom between October 8, 1979, and June 6, 1980.
- 307 (81%) of those visiting the classroom were women.
- 79 of the 380, or 21%, registered for classes. Community members registering for classes vary in age from 19 to 72. The majority of the students are women in their early twenties to late forties.
- About 75% of the people who visit the M.C. take home some informational pamphlet, brochure or catalog. Most people who visit the bus need to talk to someone about programs at LCC, how to get into classes, who to contact, or how to apply for financial aid.
- A total of 427 videos were viewed this year by M.C. visitors.

SPENDING AND HIRING FREEZE - Governor Atiyeh's call for a 30 percent reduction in state support has resulted in a spending and hiring freeze at LCC. President Schafer has placed a freeze on all new hires, capital outlay expenditures, and other requests for funds not "absolutely necessary for the immediate continued operation of the college." Approval for any expenditures will be made through President Schafer's office.

POPULAR PROGRAMS - Seventy-two qualified applicants applied for 20 openings in next year's Dental Hygiene class. Final selection was made using personal interviews and other screening criteria. There were 42 applicants for 34 openings in the Dental Assisting program. In the equally popular nursing programs, a modified lottery was used to select next year's classes from among qualified applicants. There were 154 applicants for 80 spots in the Associate Degree Nursing program; 85 applied for the 30 openings in the Practical Nursing program. Applications for the Medical Office Assisting and Respiratory Therapy programs close this month.

NEW CLASSROOM - Board approval was given last Wednesday for remodeling of PE 115 for use as an emergency care classroom. The class had outgrown its old room, PE 111. Work on the classroom, scheduled for completion this summer, is being funded from uncommitted construction fund.

NEEDHAM RESIGNS - Linn-Benton Community College President Ray Needham has resigned to take the presidency at Guilford Technical Institute in Jamestown, North Carolina. Needham has been president at LBCC since October 1970. His resignation is effective August 15. --OCCA Digest

STATE BUDGET DEFICIT - The July 3 issue of the OCCA News Digest predicts dire consequences for community colleges resulting from the state's projected deficit for the current biennium of about \$200 million. Warns the Digest, "Whatever the Legislature decides, it is certain that community colleges will have much lower revenue from the state for the 80-81 year than they have already budgeted for."

PAYROLL - July payroll verification sheets will be available in Personnel at 1:30 p.m. on July 18, and are due back by 5 p.m. on July 21.

INSURANCE - Insurance person Liz Kelso will be in Personnel today at 2 p.m. to answer your insurance questions.

THANKS FROM BONNIE - Sincere thanks to all the generous contributors who sponsored me in the 20-hour Muscular Dystrophy Dance-A-Thon. Michael Walker and I were the oldest dancers, but we lasted to the end! We appreciate the support of so many friends in a good cause.

--Bonnie Graham, Records Management

CETA PSE EMPLOYEES AND THEIR SUPERVISORS - There will be a meeting at 9 a.m. on Wednesday, July 16, in the Boardroom, second floor of the Administration Bldg. Please attend. If a supervisor is unable to attend, please send a representative.

**The intended publication day for the once-a-week summer Daily is Monday. The Tuesday distribution of the Daily for the past 2 weeks was unforeseen. The Daily will, if all goes well, appear on Mondays for the duration of summer term; please submit news & ads by 2 p.m. Fr

ON KLCC - Today's Community Access topic at 12:40 p.m., 89.7 on the FM dial, is "The death penalty and the draft," with Allison Hoehne of the Walk Against Genocide....Tuesday night from 7:30 to 10, Women's Night Out features a special Jazz Alive tape of concerts, workshops and jazz sessions recorded at the 1979 Women's Jazz Festival held in Kansas City.

LIKED THE LIGHTHOUSE - Laird Prouty of the Oregon Community Education Association says his group was impressed with the location and view of the Heceta Head Lighthouse, where they held their annual conference, and they thank LCC for use of the facility. Their only disappointment he says, was that no one in the group saw "the ghost."

CLASSIFIED ADS

Sixth Week of Summer Term
MONDAY
July 21, 1980

Published for the staff of Lane Community College.
Deadline for contributions is 2 p.m. on the day before publication.
Editor/Coordinator: Jeannine Ferguson, ext. 2201

HELP US GET THE WORD OUT - To save money during this time of uncertainty, LCC's Fall Term class schedule will not be mailed to district homes as in past terms. Copies of the schedule will be available on campus and at the Downtown Center beginning Tuesday, September 2.

GETTING READY - Lane Community College Employees Federation is conducting a smash campaign to pass the LCC budget in September. All classified employees will be contacted by Jerry Sirois or some other representative (on their own time) during the week of July 21-25. Please be prepared to make a contribution--cash or checks (made payable to LCC Advocates) in any amount will be appreciated. Receipts will be given for cash donations.

SCHOLARSHIPS - Two Associate Degree Nursing students, Marianne Wharton and Deborah Burt, both of Eugene, have received scholarships toward their second year of study at LCC. Wharton received the \$300 Clairol Loving Care Scholarship; Burt received a \$450 scholarship from the Business and Professional Women's Foundation.

MORE ENERGY SAVINGS IN THE WORKS - Four projects to reduce energy consumption at LCC have been identified by Marquess Engineering, the firm hired to investigate ways of increasing the college's energy efficiency. Grant proposals to the Department of Energy for funding of the four projects are "in the process." If approved, the grants would cover half the total project costs of \$135,000, with the college asked to come up with the other half. Facilities Director Paul Colvin says savings from the four projects could amount to an annual \$30,000, meaning the college's share would be repaid in energy savings within 2 years.

MID-MONTH DRAWS - If you are a member of the classified bargaining unit and would like to receive a regular, monthly mid-month draw paycheck, come to the Personnel Office by October 15 and sign up. Requests to stop mid-month paychecks will also be processed during this period only. Contact Marion or Nancy in Personnel for sign-up forms.

ANOTHER WORD ABOUT MID-MONTH DRAWS - Mid-month paychecks are calculated by the computer each month at 30% of the salary set up for that month. Because July salaries could not be set up before July 15, the mid-month percentage was run against June salary amounts so that mid-month checks could be printed. Please be assured that August mid-month checks will reflect 1980/81 salary increases. We appreciate your patience at this busy time of year.

SHORT-HANDED - The Funded Projects section of Financial Services will be closed on Mondays during the month of August due to the resignation of Mary Lou Fulgroat and Jeanette Marineau effective July 31.

INSURANCE - Liz Kelso, insurance agent of record, will be in Personnel tomorrow, July 22, at 11:30.

ANNOUNCING - Donald Cronin, Plant Services, is getting married this Friday, July 25, in Springfield. His bride-to-be is Eva Sue Kloak.

NEW BABY - Rosemary Busby, Adult Education campus office, and her husband Steve are parents of a new baby boy, Kellyn Matthew, born at 7:35 a.m. July 12. Kellyn weighed 7 lbs. 12 ozs. at birth, and is reported to have blonde hair, blue eyes, and no wrinkles.

JADE ON DISPLAY - An exhibit of ancient and modern jade carving techniques, including some small carved jade pieces from the U of O Art Museum's permanent collection, is now on display in the LCC Library. The exhibit, prepared by staff of the Art Museum, is a sampling of the priceless collection displayed at the U of O. LCC is the first stop on a planned 3-year "tour" for the exhibit; its length of stay here is undetermined, so don't miss it.

HOSTS NEEDED - Host families are needed for Japanese students--primarily junior high aged boys--who will be visiting Eugene from July 27 through August 15. The students are from Eugene's sister city, Kakegawa, and are hoping to experience typical American lifestyles in a small city. If you would like to share in this cultural exchange, and can host one (or more) Japanese student(s) in your home for this 3-week period, call Joanne Johnson at 485-2672.

WOMEN'S NIGHT OUT - Women and body image will be the topic tomorrow night beginning at 7:30 p.m. on KLCC. Beth Emmons, Debby Dane and Bebe Crouse will talk with women in their 30's and 40's about how they feel about their bodies, why women are concerned about the body image they present, and why many have compulsions about food. The book Fat Is a Feminist Issue, by Susan Orbach, will be discussed, and a Eugene psychologist will examine anorexia nervosa, a disease caused by people starving themselves to get thin.

Seventh Week of Summer Term
MONDAY

July 28, 1980

Published for the staff of Lane Community College.
Deadline for contributions is 2 p.m. on the day before publication.
Editor/Coordinator: Jeannine Ferguson, ext. 2201

NEW POSITION POSTING PROCEDURE - Personnel Services Office will be posting all positions on a once-weekly basis effective immediately. This means that positions will be posted on Monday only. All completed Requests to Post must be received in Personnel on or before 5 p.m. Wednesday in order to be posted on Monday. Any requests received after that time will not be posted until the following Monday. Personnel is also implementing a new mailing procedure for Notices of Vacancy; discontinuing the use of envelopes and posting once a week will reduce mailing costs considerably. Your assistance is needed in helping to cut costs.

REMINDER - The classified employee drive to collect money for promoting passage of the LCC budget in September is continuing. If you have not yet been personally contacted, take a moment to call Jerry Sirois at ext. 2329 and let us know that you want to contribute. We need to have all money in by August 1 so that the LCC Advocates can plan the campaign. This doesn't mean that they will not accept donations after that date, so please keep the dollars coming in.

SHORT-HANDED - The Funded Projects section of Financial Services will be closed on Mondays during the month of August due to the resignation of Mary Lou Fulgroat and Jeanette Marineau effective July 31.

INSURANCE - Our insurance agent of record will be on campus at 11:30 tomorrow, July 29.

NEW BABY - Barbara Stout, former driver/coordinator of the LCC Mobile Classroom, and her husband Carlyle are parents of a new son, Kevin Preston, born July 15. The Stouts are living in Ashland.

KLCC THIS WEEK - On **WOMEN'S NIGHT OUT**, tomorrow evening from 7:30 to 10:30, KLCC-FM will broadcast a conversation between National Public Radio's Susan Stamberg and Tillie Olsen, winner of the 1961 O'Henry Book Award. Olsen first published at the age of 50, after her children were grown, and talks with Stamberg about the difficulty women authors have finding time to write amid family responsibilities. Iris Dudman and Beth Emmons, producers of **WOMEN'S NIGHT OUT**, will add music and other features to complement this profile....Thursday from 8:30 to 10 p.m., **EARSCAPE** features a 90-minute radio drama, "An Unwritten History," by local author Ken Babb. The drama is Babb's adaptation of a work by the frontier poet Joaquin Miller, an early Oregon resident who lived in gold mining camps and later with the Indians, and made his living at various times as an express rider, an editor, and a judge.

EMERALD EMPIRE COMMUNITY COLLEGE? - An historical note: six names were considered for LCC when it was established 15 years ago. They were Emerald Community College, Lane, Timberland, White Water, Emerald Empire, and Whiteaker. The name Lane--after Gen. Joseph Lane--was finally settled upon.

HOT WEATHER POETRY - By Paul Armstrong, former Language Arts instructor at LCC.
(from The Flip Side of Paul Armstrong, 1971)

Efficiency Quotient

On any sultry day at all,
In any work I try,
My relative stupidity
Runs very, very high.

The Usual

I'll leave those tools right where they are,
Just now it's too darned hot;
This evening when it's cool I shall
Forget them, like as not.

EMPLOYMENT

NOTE: Temporary freeze on hiring--positions posted subject to budgetary restrictions.
