Published for the staff of Lane Community College.  
Deadline for contributions is 2 p.m. on the day before publication.  
Editor/Coordinator: Jeannine Ferguson, ext. 2201

**ENROLLMENT** - Spring term enrollment is up slightly from last year at this time. As of Monday morning, enrollment totalled 1,656 FTE, compared to 1,587 FTE last spring at the same point in registration.

**CONGRATULATIONS** - LCC student body president David Anderson was elected president of Phi Theta Kappa at a convention last week in Houston, Texas. Lisa Taylor, a first-year theater major, was elected vice-president at the same meeting. Phi Theta Kappa is a national scholastic honor society for community and junior college students. George Alvergue, faculty advisor to the LCC chapter of Phi Theta Kappa, says this is the first time in 40 years that 2 students from one college have been elected to national office. Former LCC student Jeff Arnold, now an aide to Senator Mark Hatfield, was president of Phi Theta Kappa in 1976.

**REMINDER** - The OEA-NEA Leadership and Management Skills Training for Women will be held April 11 and 12 at Treasure Valley Community College. Any interested people should call Art Tegger at ext. 2661 for further information.

**NEW EMPLOYEE SEMINAR** - If you are a new, regular member of the LCC staff and would like to attend the New Employee Seminar on Tuesday, April 7, please call Personnel Services at ext. 2583. The seminar is scheduled from 8:45 a.m. to 2:30 p.m. in the PE Conference Room (PE 205). A tour of the campus is planned, so wear comfortable shoes. Lunch will be provided in the Renaissance Room courtesy of your dean, so please be certain to let us know before 9 a.m., Friday, April 3, if you plan to attend. Copies of the day's agenda are available in the Personnel Services office.

**TEACHERS** - If your students think they can't, they won't. Learn more about this topic at Dan Hodges' seminar on the causes and cures of student discouragement. Dan has been researching this topic for several years, both as a sociology instructor and now as head of Testing. Learn about his findings tomorrow from 3 to 4:30 in the Renaissance Room. Call Carol Clarke, ext. 2360, for reservations.

**PIANO CONCERT** - David Smith, music instructor at SWOCC, will give a piano concert of classical music next Wednesday, April 8, at 4 p.m. in the Theatre. The concert is free and open to everyone.

THURSDAY

First Week of Spring Term

Published for the staff of Lane Community College.  
Deadline for contributions is 2 p.m. on the day before publication.  
Editor/Coordinator: Jeannine Ferguson, ext. 2201

**SPOTLIGHT** - On Roger Cardinal, who began work yesterday as the new LCC Director of Purchasing. Roger has been assistant budget officer at the University of Oregon for the past 2 years; before that he was manager of business services at OIT. He received a B.S. degree in business from Oregon State in 1970. Roger and his wife Kay have a 3½-year-old son. Welcome!

**FOOD FOR THOUGHT** - A special 8-page supplement in today's Torch carries a variety of stories about raising, finding, making, and buying foods for less money. Fixing tofu dishes, raising rabbits, catching ocean fish, gardening year-round, and shopping for a family of four on \$45 a week are included in the issue. And on Wednesday of next week, April 8, the Torch and ASLCC are sponsoring a Food For Thought exhibit in the food service area, at which many of the local people mentioned in the stories will be present to discuss their food ideas with interested students and staff members. Food Service Director Bob Tegge has planned an April 8 menu that includes baked rabbit in mushroom sauce, and fried rabbit; a Willamette Valley vegetable bake; a vegetable souffle; and some other specials.

**SOME WIN, SOME LOSE** - The results were mixed in statewide community college levy elections on Tuesday. Linn-Benton voters approved an A ballot of \$789,408, but defeated a B ballot of \$760,992; Central Oregon also won on an A ballot (\$3,623,038), but lost on a B ballot of \$343,254. Blue Mountain's request for a \$2,796,794 levy was defeated by a margin of only 39 votes. Chemeketa lost both A and B ballots--for \$8,474,078 and \$695,222, respectively--by large margins; their A ballot was defeated by nearly 8,000 votes. A 3-year rate-based serial levy was approved by Clackamas voters; it will generate \$6.6 million in the first year. Clatsop also won approval, for a \$1,545,875 levy. Those schools whose levies were defeated will have 4 more opportunities this year to present them to voters, the earliest on May 19.

TO VERN FOWLER AND DENNIS MILLS, Media Services & Electronic Maintenance Services, from Diana Reiber, Business Department, for their prompt and efficient service, and the pleasant way they responded to meeting a deadline for last-minute service on calculators.

**CORRECTION** - LCC student Lisa Taylor was elected vice-president of the West/Northwest region of Phi Theta Kappa, not of the entire organization, as reported in yesterday's Daily.

**NEW EMPLOYEE SEMINAR** - If you are a new, regular member of the LCC staff and would like to attend the New Employee Seminar on Tuesday, April 7, please call Personnel Services at ext. 2583. The seminar is scheduled from 8:45 a.m. to 2:30 p.m. in the PE Conference Room (PE 205). A tour of the campus is planned, so wear comfortable shoes. Lunch will be provided in the Renaissance Room courtesy of your dean, so please be certain to let us know before 9 a.m., Friday, April 3, if you plan to attend. Copies of the day's agenda are available in the Personnel Services office.

**CAR TROUBLE?** - Automobiles are needed for mechanical repair by auto tech students. Contact Mike Bailey, ext. 2388.

THEATRE - "Twelfth Night," a comedy by Shakespeare, plays April 17-18 and 22-25, at 8 p.m. in the LCC Theatre. The show, directed by Tom Lasswell, promises to be lively and entertaining. Those who have seen or intend to see the play at the festival in Ashland might find it especially worthwhile. Tickets are \$4, and may be purchased at the box office from 10-4 weekdays. Instructors, please remind students that they can purchase 2 tickets for half price with their current student ID.

ROCK 'N ROLL - The ASLCC is sponsoring a dance this Friday evening from 8:30-12 in the cafeteria. Music is by Nightwing, and all are welcome. Tickets are \$1 and may be purchased in advance in the cafeteria during lunch hour, or at the door.

**PRODUCTIVITY COMMANDED** - In its April 1981 issue, Home Video magazine talks about productivity in Japan and also shows that one can have fun with the idea of productivity. Here are the magazine's "Ten Commandments as Handed Down from Mt. Fuji."

## I

Thou shalt have no other consumer electronics firms before the one that employs thee.

## II

Thou shalt do nothing to undermine the collective harmony of thy company.

## III

Thou shalt not take the name of thy supervisor in vain. Rather, thou shalt learn all the words of thy company's song.

## IV

Six days shalt thou labor and on the seventh day shalt thou rest thy body and contemplate productivity.

## V

Thou shalt honor thy efficiency planners and production managers.

## VI

Thou shalt not commit murder on the factory floor, nor in any way harm, scream at, criticize or argue with thy co-workers.

## VII

Thou shalt not commit adultery, unless by doing so thou shalt raise productivity.

## VIII

Thou shalt not steal from thy company nor give secrets to thy competitors.

## IX

Thou shalt not bear false witness against thy neighbor on the assembly line.

## X

Thou shalt not covet thy co-worker's promotion, for thou, too, hast productivity bonuses and lifetime employment.

**HELP WANTED** - The position of Director for a new LCC Productivity Center has been posted with Personnel Services. The job is temporary for one year, but may become permanent. For details, see the back of today's Daily under EMPLOYMENT.

(CETA)....Darrell Estep of Olympic College in Bremerton, Washington, writes to thank Bob Way, CWE Director, for Bob's assistance when a team of faculty members from Olympic visited LCC. FRIDAY

Second Week of Spring Term

Published for the staff of Lane Community College.  
Deadline for contributions is 2 p.m. on the day before publication.  
Editor/Coordinator: Jeannine Ferguson, ext. 2201

**TUITION INCREASE APPROVED** - The LCC Board of Education Wednesday night approved a tuition increase which will generate an additional quarter million dollars toward next year's budget if projected enrollments are met. The increases amount to 6.7% for in-district students, to \$176/term for full-time and \$16/credit hour for part-time; 7.7% for out-of-district students, to \$308/term for full-time and \$28/credit hour for part-time; and 9.4% for out-of-state and international students, to \$770/term full-time and \$66/credit hour for part-time. Non-credit adult education classes will also cost more; a standard 30-hour class goes from \$20 to \$22. The tuition increases, which go into effect in September, were approved 6-1 by the board, with Catherine Lauris dissenting. LCC's tuition rate remains in the mid-range among tuition rates for Oregon community colleges, which vary from a low of \$153 to a high of \$192 for in-district students.

**HIRING FREEZE** - A temporary freeze on new hires has been imposed by President Schafer, effective today. Following is President Schafer's message to the Board regarding the freeze:

Because of the uncertainty of the level of future state funding and the almost certainty of reduced CETA funding, I have reluctantly advised the Board of Education that I would plan a temporary freeze on all new hires, effective April 10, 1981.

I have reached this conclusion based not so much on the current budget status but on the fact that we need additional resources during the 1981-83 biennium. Our present tax base will increase only 6 percent in 1982-83 and the outlook for any increase above the present state funding level is highly questionable.

With the full understanding that a blanket freeze might create an untenable condition for a service area, I will review emergency situations which may be referred to me by the deans.

I trust that the legislature will have determined our level of support by July 1, 1981, thereby allowing us to finalize our 1981-82 budget and level of service. It is my intention to terminate the hiring freeze at the earliest appropriate date.

**JESSER HONORED** - Velma Jesser, Business, received "best article" recognition for her article in the December issue of Word Pros, the monthly newsletter of the Willamette Valley Chapter of International Word Processors Assn. The article was about the IWP symposium in Washington, D.C., which Velma attended last fall. She was awarded a \$25 gift certificate at the chapter's March meeting. The IWP Willamette Valley Chapter includes all of Willamette Valley from Portland south.

**TO YOUR HEALTH** - Register for Optimum Health Day May 8. Space is limited. Call Staff Development at ext. 2660 for more information.

**CANCELLED** - Both sessions of the "Strategies for Career Success" workshop, scheduled for Tuesday and Thursday this week and again April 18, have been cancelled.

**WAGE/BENEFIT PACKAGE** - The Management Steering Committee is working on a wage/benefit proposal for next year which it will present to the management group soon. In the meantime, any manager who has concerns or questions should share them with the representative for his or her area. The representatives are: Instruction--Jack Kreitz, Bob Radcliff; Administrative Services--Paul Colvin, Sue Colvin; Student Services--John Bernham, Sandra Ing; President's Complex--Diane Dann.

**OTHER BOARD ACTION** - At its Wednesday night meeting the LCC Board: (1) Approved revisions to the Criminal Justice program, including addition of two new courses, deletion of five non-major courses, and an increase from 3 to 6 credits for SFE; (2) Approved allocation of \$8,730 from Plant Funds to construct five more campus directories similar to the one at the west entrance, and an additional \$3,500 to complete a schematic design of the Forum Building as an aid in a proposed remodeling of that building; (3) confirmed new appointments on three advisory committees; (4) approved LCC's continuing the administration of the ACTION Senior Companion Program and its proposed budget (as fiscal agent); and (5) accepted the resignation of Bob Radcliff as Health & P.E. Department Head, to return to full-time teaching within that department effective September 4. The Board also awarded a bid for a chiller starter unit to Graybar Electric Company; for broadcast equipment and antennas for KLCC to Allied Broadcast Equipment; for 3 translators for KLCC to DYMA Engineering, and for an Exciter for KLCC to Broadcast Supply West. Purchase of the KLCC equipment is from grant funds.

**PAYROLL** - April payroll verification sheets will be available in Personnel at 1:30 today. Signed and completed sheets are due back in Personnel by 5 p.m. Monday.

**ON SALE** - Stuffed animals, student designed and sewn, are now on sale at the LCC Bookstore. Don't forget the new Bookstore hours, beginning April 20: Monday through Thursday, 8 a.m. to 7:30 p.m.; Friday 8 a.m. to 4:30 p.m.

**CAREER IN, SERVICE OUT** - High school seniors are most interested in having a successful career, according to a "life goals" study by the National Center for Education Statistics (NCES). And earning lots of money is more important to them today than it was to their peers in the 1970s. The percentage of students that said "working to correct social and economic inequalities" was very important to them, dropped from 27 to 13 percent. At the bottom of the heap was "being a leader in my community," which was cited as very important by only 10 percent of seniors, down 1 percent from the 1972 study.

#### DIETER'S PSALM

My weight is my shepherd;  
I shall not want low calorie foods.  
It maketh me to munch on potato chips and bean dip;  
It leadeth me into 31 Flavors;  
It restoreth my soul food.  
It leadeth me in the paths of cream puffs in bakeries.  
Yea, though I waddle through the valley of Weight Watchers,  
I will fear no skimmed milk;  
For my appetite is with me;  
My Hostess "Twinkies" and "Ding Dongs" they comfort me;  
They anointeth my body with calories.  
My scale tippeth over!  
Surely chubbiness and contentment shall follow me all the  
days of my life,  
And I shall dwell in the house of Marie Callender pies forever!

ECC SAYS ALL SHOULD SHARE IN CUTS - If it becomes necessary to cut Governor Atiyeh's recommended 1981-83 budget by 10%, then all segments of Oregon education ought to share equally in such cuts, says the Educational Coordinating Commission. If community college appropriations are reduced 10%, the ECC says much of that could be accomplished by eliminating state funding for adult self-improvement courses. The ECC also has recommended eliminating state reimbursement for any postsecondary (c.c. and Higher Ed) physical education course. The OCCA's position was that if appropriations are cut, each community college board was best able to decide how to cope and budget adjustments should be left entirely to board judgment. A 10% cut translates into an overall budget cut of 3% for school districts, 4% for community colleges and 5% for Higher Ed.

Fourth Week of Spring Term

Published for the staff of Lane Community College.  
Deadline for contributions is 2 p.m. on the day before publication.  
Editor/Coordinator: Jeannine Ferguson, ext. 2201

**RADIOTHON** - Fifty-two hours into its 8-day radiothon, KLCC-FM had achieved 40 percent of its \$20,000 goal. The Classical All-Stars will perform live in Studio B of the Forum Bldg. today at 9 a.m. The KLCC Jazz All-Stars will give a live performance at the studios on Sunday from 2-3 p.m. Don't miss these superb performances by LCC's own special performers!

**COUNTY FAIR** - LCC will participate once again in the Lane County Fair, to be held this year August 18-23. Included this year will be a KLCC-FM booth and one LCC information booth. Any departments wishing to participate are encouraged to volunteer to help staff the booth; the volunteers' department will receive special promotion at the Fair that day. The theme this year, which matches a nationwide theme, is "America's Energy as Mind Power." If you or your department would like to participate, contact Jolene Bowers at ext. 2688.

**SUMMER YOUTH PROGRAM** - There is still time to submit your request for a summer worker through the Lane County CETA Summer Youth Program. Even though the priority deadline has passed, requests will still be considered. The program is designed to employ low income persons ages 14-22, beginning June 22 through August 21. See Rose in Personnel Services for position request forms.

**HORSE LOGGING TO BE DONE** - Thirteen acres of college land at the southeast edge of campus will be logged by horses next month, as part of a forest management program conducted by forestry instructor John Phillips and his students. LCC has hired Dale "Happy" Greenough of Day Spring Logging, Veneta, to thin mature fir trees on the land in the first phase of a 127-acre forest management plan developed by students last spring. Phillips says the horse logging is intended to demonstrate the dollar advantages of horse logging; profits are increased by protecting the land from machinery, which also results in minimal impact on the environment. The logging demonstrations, which will be open to the public, are scheduled for May 13, May 18, May 20, and May 27. Anyone interested in watching the operation should contact Phillips at ext. 2470.

A big THANK YOU to all the Social Science staff for making Secretary's Week a fun (and fattening!) event. You're terrific!

--Karen and Sharon

**LCC EMPLOYEES TAKE NOTE** - What is your future at LCC? Where and what are the opportunities for career mobility? On April 28, at noon in the Boardroom, Sue Colvin, Director of Personnel Services, will discuss the "World of Work at LCC: Career Ladders." Bring your lunch and your questions.

**RENT-A-TABLE AT SOUND SWAP '81** - Sell your music equipment, records, tapes, or services and help raise \$ to rehabilitate the Thrasher House in Alton Baker Park across from the community gardens (keep your profits). The Sound Swap will be Sunday, 10 a.m. to 5 p.m., at the Agriculture Building at the Lane County Fairgrounds. Rates are \$2/hour or \$10/day. The event is sponsored by The Day Island Group, Inc., a non-profit organization, and KZEL radio. Contact Tarley Barber, Health Occupations, ext. 2408 or 726-5798, for more information.

STRESS MANAGEMENT - The Voluntary Action Center is sponsoring a Stress Management workshop on May 7, 9 a.m. to noon, at the Eugene Public Library Lecture Room. The workshop will identify major sources of stress, the effect of stress on our lives, and will suggest some techniques to develop an individualized stress management plan. Presenter is Marv Himmel. The cost is \$12.50 for VAC members; \$15 for non-members. For registration or other information, contact the Voluntary Action Center, 1430 Pearl St., phone 342-4451.

**CONFLICT MANAGEMENT** - "Managing Conflict Between Men and Women" is the subject of an all-day workshop this Saturday, May 4, from 9:30 to 4 in Center 420. The workshop will explore issues that divide the sexes, conflict management, and communication models. Full participation of those attending will be encouraged. The workshop is free, and is sponsored by ASLCC Student Forum, Dean of Instruction and Dean of Students. Participants should bring lunch; coffee or tea will be provided. For more information, call Nancy ext. 2332.

**A TURN TO THE LEFT** - LCC will be turning slightly leftist in at least one aspect of future purchasing policy. The upper hand in the acquiring of classroom tablet chairs in the near future will go to southpaws, those people who write with the left hand. It seems that virtually all classroom chairs on campus are built for right handers; lefties have had to be contortionists to adjust. But, help is on the way. The Facilities Planning Committee is working on the problem, with the blessing of our left-handed President.
