Tenth Week of Spring Term

Published for the staff of Lane Community College.  
Deadline for contributions 2 p.m. on the day before publication.  
Editor: Keli Osborn, ext. 2201.

Lane Community College is an Equal Opportunity/  
Affirmative Action/Section 503/Title IX institution.

**MICROCOMPUTERS** - A workshop on microcomputers in vocational education will be held on campus June 16, 17 and 18. It is sponsored by the Oregon State University Vocational Inservice Project in cooperation with the Oregon Department of Education. The workshop will cover computers in the workplace, computer hardware and software, vendor education on the application of microcomputers, computer literacy, and small group demonstrations by vocational area. For information, call Staff Development at ext. 2260.

**HELP** - Student Health Service seeks crutches to loan students. You can receive a tax deduction for any crutch donations. Call ext. 2665 to make your pledge.

**FAREWELLS** Vern Ho, Staff Development, is leaving LCC this month to devote his energies to his learning consultant business in Eugene. Ho, who used to work in Study Skills, has been at the college since 1971. A reception is planned for him on Monday, June 7, 2-4 p.m. in the Board Room. Coffee, punch and cake will be offered. Come say goodbye.

A special reception is planned for Bert Dotson, who is retiring after 18 years at LCC. The gala begins at 4 p.m. Wednesday, June 9, in the Cafeteria. LCC staff, family and friends are invited. A \$4 fee will cover food and drink, and the purchase of a gift. The reception also will provide an opportunity to recognize others who have been with the college since its beginning. Call Shirley Pearson or Pat Ladely, Office of Instruction, with reservations. (Deadline is Friday.)

**SOCIAL SECURITY NOTE** - The Social Security Administration recommends you check your record every three years to make sure earnings are being correctly reported. This is particularly important if you're thinking about retiring within the next three years. Free postcard request forms are available in Personnel Services to initiate the record check.

**EXTENSION** - Tickets for the Thursday evening luau will be on sale through Wednesday, at \$6.75 for adults and \$3.50 for children. The buffet will be served from 4 to 7 p.m.

**HIGH QUALITY** - Anne O'Brien, coordinator of LCC's nursing programs, last week received a letter from Dot Nichols with the American Cancer Society commenting on LCC's great students. Nichols chaired a fellowship program for which several LCC students applied. "It is unusual for us to receive so many highly qualified applicants from one school and we on the committee were very impressed," she writes. "The students were highly motivated, well prepared in the information they shared with the committee and made our overall decision that much harder." Two LCC students selected were Susan Johnson and John Holtzaple.

**HORRORS** - A made-for-TV horror film was shot on the Oregon coast, with exterior scenes taken on the hillside above the Heceta Head lighthouse, which LCC leases from the U.S. Forest Service. The college pays for use of the house by working on the site, according to Walt Van Orden, Plant Services. The house is used for classes and other educational purposes by LCC, other colleges and schools. "Cry for the Strangers," which used the house as a backdrop, will be shown on television this fall.

**THANK YOU** to all of you who helped make our recent book sale a success. We appreciate the donation of books by many staff members as well as purchases. The total sales amounted to almost \$1,000. The Library's book and periodical collections will be enhanced by your generosity.  
--Friends of the LCC Library

Eleventh Week of Spring Term

Published for the staff of Lane Community College.  
Deadline for contributions 2 p.m. on the day before publication.  
Editor: Kelli Osborn, ext. 2201.

Lane Community College is an Equal Opportunity/  
Affirmative Action/Section 503/Title IX institution.

TODAY...

**DEADLINE** - Today's the last day to enter the second annual LCC record-breaker contest. Forms can be found in last Wednesday's and Friday's Dailies. You, too, can be an overachiever.

**THE CATALOG IS HERE** - LCC's 1982-83 catalog booklets are now on the shelves. The most important change from the user's point of view is a reduction from 21 to 20 booklets. Booklet 1 is an introduction to the college, Booklet 2 is about community education, and Booklet 3 combines Student Services and the Study Skills Center. The other departmental booklets are numbered as in past years. Other changes include tighter layout and typography, and fewer pages...268 compared with last year's 320. Catalogs for some libraries are being put on microfiche. This saves binding and mailing costs. The catalog is produced by College/Community Relations with help from curriculum specialist Mildred Holly, Gary Anderson and others in Printing/Graphics, and a lot of other people all over campus.

**CUTOFFS FOR ADMINISTRATORS, NOT BALLPLAYERS** - The following deadlines have been set by Financial Services:

June 10

Cutoff date for receipt of 1981-82 budget change requests by Carol Beckley. No more 1981-82 budget change requests will be accepted after this date.

June 15

Cutoff date for receipt of Personnel Action forms by Personnel Services for correction of May and prior transactions charged to incorrect account numbers. Correction requests for May 1982 transactions generally will not be accepted after this date.

June 18

CLOSED TODAY - The Admissions, Veterans' and the Student Records offices will be closed from noon to 1:30 p.m. today.

OPPORTUNITY - Do you want to be a quality circle facilitator - someone trained to train and establish quality circles? To satisfy requests and facilitator demand, a special workshop on quality circle techniques is being planned. Participants will become LCC quality circle facilitators. Workshop instructors - Julie Aspinwall-Lamberts, Casey Fast, Ron Mitchell, Donna Morgan, Sandy Ing and Anne Stewart - can answer questions about the training. CHANGE THE WAY IT IS - The Oregon Committee for the Humanities has awarded a summer Chautauqua grant to Randi Douglas-Young, Performing Arts; Linda Danielson, Language Arts; Eugene actress Jane Van Boskirk, and technical director Frances Kenney to perform "Change the Way It Is." This is a dramatic and musical exploration of the lives of women in the southern mountains of the United States. Douglas-Young produced the script and played the roles of seven women in an earlier tour. Van Boskirk is replacing her in the acting roles, because Douglas-Young is leaving the area. Danielson performs music and narrates the script, which is based on the book, "Hillbilly Women," edited by Kathy Kahn.

The production will tour fourteen Oregon towns this summer. The Eugene audience will have an opportunity to attend a public dress rehearsal on Friday, July 16, at 8 p.m., at the Central Presbyterian Church (15th Avenue and Ferry Street). Other performances will occur in Corvallis, Portland, Newport, Ashland, John Day, Prineville, Roseburg, Klamath Falls and elsewhere.

## SECOND ANNUAL LCC RECORD-BREAKER CONTEST - RESULTS

Although few LCC staff entered this year's record-breaker contest, their achievements are nothing short of breathtaking. Most interesting are the self-named categories. Results follow.

- \* Casey Fast, Productivity Center, holds the record in submitting his record-breaker form sooner than anyone else.
- \* Emily Sachs, Financial Services, sold more tickets than any non-Food Services person for the 1982 luau (27).
- \* John Kocher, Social Science, claims to have skied more days than anyone else, in the 1981-82 season (53 days).
- \* Sue Kangas, Adult Basic Education, says she holds the record for attending plays this last year. She held series tickets for Oregon Repertory Theatre, Lane Community College, Very Little Theatre, and the University of Oregon. She also attended plays at Ashland's Oregon Shakespearean Festival.
- \* Carole Carlson, console attendant at the Switchboard, has repeated "Lane Community College" greetings about 520,000 times in the past 12 months.
- \* Hank Janpol, Social Science, claims the most Volkswagen van burnouts in one month (two vans).
- \* And John Bernham, Counseling, has established two categories. He says he owns the most pairs of sandals held by a non-sandal freak (10). He also claims the biggest, healthiest poison oak plants on residential property (60 feet tall!).

Most subscriptions: Casey Fast subscribes to one daily, three weeklies and six monthlies.

Fewest moves: Emily Sachs has lived in nine homes in four towns in two states.

Most moves: (new category) John Kocher has lived in 22 homes in 22 towns.

Most board meetings: Bert Dotson, Office of the President, has missed three of the LCC board's 411 meetings, which easily puts him at the top in this category.

Oldest movie-goer: John Bernham was over 40 before he saw a film in a theater.

Longest recycling effort: Emily Sachs has recycled for 11 years.

Most potlucks: Emily Sachs (that name again!) has attended three potlucks in one week.

Oregon longevity: Casey Fast's family goes back four generations to 1859 in Oregon.

Most albums: Casey Fast (another repeat winner) has more than 200 albums, seven of them by James Taylor.

Thanks to those who participated in this year's record-breaker contest. There's almost always room in The Daily to report the achievements of LCC staff. If you have news to share, call the editor at ext. 2201.

TODAY...

**GRADUATION DAY** - More than 900 students are graduating from LCC, according to Student Records. Their commencement exercise begins at 7:30 tonight, in the main gym. President Schafer is the featured speaker.

---

**GOOD NEWS** - The good news was followed by even better news about LCC's state funding. Earlier this week, word was received that Gov. Vic Atiyeh would ask the Legislature to cut only \$115,354 to offset the latest state revenue shortfall. Then, on Thursday morning, President Schafer was advised that the governor had reconsidered and now will ask no further cuts from state community colleges, beyond the cuts made last January (which cost LCC \$767,811). The other piece of good news is that local property tax collections have picked up in recent days to about 88 percent of taxes levied. That means LCC will get about \$240,000 more than we expected to collect this year. The windfalls probably will be used to offset needs in the 1983-84 fiscal year, when the college faces a crisis budget situation.

**BUDGET APPROVED** - The LCC Board of Education Wednesday night approved the 1982-83 budget, which has a general fund total of \$25,578,905. Other funds approved include special projects, with a \$3,325,080 total, and service units, with a \$724,219 total.

**MORE BOARD BUSINESS** - The LCC board approved Dean Bill Berry's request to allocate \$17,000 from contingency funds for a compressor unit on the heat recovery machine. The Dunham-Bush heat recovery machine is the nucleus of the energy management system. The machine provides the main source of heat for the campus throughout the year by recycling and reusing water from the boiler. It also heats the domestic hot water used during the warmer months of the year.

**CONGRATULATIONS** - Susan Watkins, Word Processing, has been installed as president of the Willamette Valley chapter of the International Word/Information Processing Association. She has been an active member of the organization for five years and will serve throughout 1982-83.

THANKS!!! My job as Staff Development coordinator has been one of the best jobs I have ever had in my life! The only thing that is even better is all the fantastic LCC people who have been saying good bye and good luck to me this past week. To all of you, I say, "Aloha," until we meet again. Best wishes to all my LCC friends and associates.  
--Vern Ho

**AUTHOR** - President Schafer has an article, "The Quality Circle Approach to Productivity" in the July 1982 issue of "ACCT Advisor." He describes how LCC got into quality circles and how early efforts are progressing.

**KLCC CARRIES RALLY** - KLCC will broadcast live Saturday's disarmament march and rally in New York City. Coretta Scott King and Helen Caldicott are among the scheduled speakers; and entertainers will include Jackson Browne, Pete Seeger, James Taylor and Linda Ronstadt. Coverage, scheduled between 11 a.m. and 2 p.m., will preempt "New Dimensions."

FUNDING OPPORTUNITIES - Special Vocational Programs for the Disadvantaged: Oregon Department of Education is soliciting applications from community colleges for: Special Disadvantaged Grant. Projects are limited to \$20,000; \$77,761 is available. Eligibility depends on a high rate of youth unemployment or high dropout rate. The cutoff is July 6. Limited English Speaking Grant - \$31,836 is available. Funds may be used to pay for up to 50 percent of the cost of providing vocational skills instruction in the primary or native language of the limited English speaking. English as a Second Language instruction is not eligible. The cutoff is July 6.

Head Start Training and Technical Assistance: Applications will be accepted for the new statewide training and technical assistance grants to assist local Head Start grantees in the management and provision of services. Cutoff is July 1. Community Services Discretionary Authority: Support for ongoing activities of national and regional significance which help alleviate poverty in communities. About \$25 million is available. The cutoff is June 21.

For information about these funding opportunities, contact Resource Development, ext. 2364.

FISCAL YEAR COMES TO AN END - The last day for departments to charge for items in the Bookstore, for this fiscal year, is Wednesday, June 23. The Financial Services counter will close at noon on Wednesday, June 30. Window one will be open for check cashing and paycheck pickup only. Other windows will reopen July 1. June 28 is the last day for Warehouse orders this fiscal year; they must be in by 3 p.m.

OPHTHAMOLOGIST - Those concerned that the Vision Services panel of doctors has not included an ophthalmologist should know that Eugene ophthalmologist John Lyman now will fill that role. If you have received your Vision Services authorization and a list of panel doctors without Lyman's name, you may want to call Vision Services (1-243-2617) to schedule an appointment with him. Lyman's name will appear on an updated brochure.

OCCA FLASH - A message from OCCA News Digest.... "The Governor is apparently convinced that community colleges have taken greater than our share of earlier cuts and that we are too important to the state's economy to suffer further cuts at this time. His recommendations for education budgets look like this:

	<u>DOLLAR CUT</u>	<u>PERCENTAGE CUT</u>
Basis Schools	\$13.0 million	3%
Higher Education	2.4 million	1.65%
Community Colleges	0	0

Efforts will be made to add community colleges to the cut list. PLEASE do two things: 1. Write or phone the Governor thanking him for his support

2. Write or phone your legislators asking them to support the Governor's 'no cut for community colleges' recommendation."

The Governor's mailing address is:

The Honorable Victor Atiyeh  
Governor of Oregon
