## -----APPRECIATION-----

A thousand beautiful bouquets and a thousand thanks to the exceptional grounds people whose work has presented the students, staff and public with a most impressive and enchanting vista of shrubs, lawns, flowers and trees all year round. This fall, in particular, the whole area has been simply spectacular as the trees gained color and glowed forth in the sun. What an abundance of pleasure you have given us! You may not be the highest paid grounds people in the community but I don't believe any crew, anywhere, surpasses your work. (A special thanks to the work-study students, too. They contribute their labor to achieve the lovely effects.) I am speaking not just for myself but for the many, many others who have expressed the same admiration. -- Evelyn Tennis, Student Activities

Refreshments will be served and prizes awarded.

**WHAT DO YOU NEED?** - President Eldon G. Schafer is meeting movers and shakers of the community these days to ask help in maintaining and enhancing LCC's margin of excellence. Most department heads have submitted lists of items needed in the near future. If your department has a pressing need which you aren't sure has been made known, contact your department head and get a memo to the president immediately. Answer these questions: What is the item? Why is it needed? What is the approximate cost? Would a used item suffice? List multiple requests in priority order. Who is the contact person, if more details are needed?

KLCC is licenses to LCC, which provides facilities and 50 percent of the station's budget. Local community support accounts for 36 percent, and the remaining 14 percent comes from the national Corporation for Public Broadcasting. Listeners who contribute will receive the KLCC program guide for one year and a KLCC bumper sticker, and may be eligible for special premiums. Pledges are tax deductible. Starting at 6 p.m. Saturday, call 741-0777 to pledge support.
