Published for the staff of Lane Community College.  
Deadline for contributions 2 p.m. on the day before publication.

Editor: Keli Osborn, x2591

Lane Community College is an Equal Opportunity/  
Affirmative Action/Section 504/Title IX institution.

**BOARD MEETING TONIGHT** - The LCC Board of Education meets tonight at 7:30, in the Board Room. On the agenda: consideration of a tax base increase proposal for the Nov. 6 ballot, reports on investments and safety, personnel matters, and other items. The meeting is open to the public.

**OPEN HOUSE** - The LCC Central Area Education Center in Cottage Grove holds an open house Thursday, Sept. 13, from 3 to 7 p.m. You are invited to the LCC center, located at 103 South 5th St. The open house offers an opportunity for welcoming Deborah Holmes as the center's new coordinator. Holmes, formerly coordinator of the Rural Small Business Program, is no stranger to LCC or the Cottage Grove community.

**DAILY NEWS** - Daily editor Keli Osborn has a new extension, x2591, and a new location, second floor of the Administration Building (in front of room 210). Please continue submitting your Daily items by 2 p.m. the day before publication. Drop them in intracampus mail or bring them by the Daily desk.

**ENROLLMENT DECLINING** - Applications to enroll at LCC are lagging 10 to 12 percent behind last year at this time, according to Vice President Jack Carter. The result could be a 5 to 6 percent drop in enrollment, he says. LCC might enroll about 8,300 full-time equivalent students this year instead of the budgeted 8,500. Some faculty cutbacks could occur as a result among part-timers. Reports are that the same decline is happening across the state among two-year colleges. Causes probably include the aggressive recruiting by four-year institutions, competition from proprietary schools and the military, and the shrinking number of people in the high school pool.

**ELECTION NEXT WEEK** - On the Sept. 18 ballot are several money measures, from: Port of Siuslaw, Siuslaw Library, Bethel School District and South Lane School District. Also on the ballot is a one-year tax levy proposal from LCC. The college is seeking voter approval of the levy to maintain job training, educational programs and other services at last year's level. Passage of the levy would reduce uncertainty for enrolling students, according to college administrators, who emphasize the levy cannot be continued beyond a year without another vote of college district voters. Local voters last approved a college budget measure in 1980. The proposed \$652,625 levy would balance a proposed \$28.2-million operating budget for 1984-85. Voter approval of the levy would raise the LCC property tax rate an estimated nine cents above this year's rate of about \$1.63 per \$1,000 assessed value.

**SPEAKING OF THE ELECTION ....** - Volunteers are needed to call voters next Monday and Tuesday, reminding them to vote in Tuesday's election. The message is brief, and we are not encouraging a "yes" or "no" vote. Make the calls from your home. If you have time, call x2591 for a calling list and instructions. You can make a difference!

**FALL INSERVICE** - Inservice is underway with the rest of this week reserved for instructional department activities. The all-staff meeting is scheduled next Wednesday. Read future Dailies or call Staff Development, ext. 2577, for details about next week.

**NATIONAL HISPANIC WEEK** - KLCC is celebrating National Hispanic Week through Sept. 16 with several special programs. Still to come: On Thursday, Two-Way Radio will be preempted by "Growing Up Latina," from National Public Radio, at 12:30 p.m. Thursday evening, "Faces, Mirrors and Masks" will focus on the literary works of Brazilian writer Jorge Amado, at 7:30 p.m. And, on Sunday, KLCC will air a special program of Ahora Si at 7:30 p.m.

**COMMUNITY CALENDARS** - the Eugene-Springfield Community Calendar now is available in the Library. Purchase one for \$3 from Joyce Kofford, ext. 2220. The calendars are a fundraising project of the Friends of the LCC Library.

**THEATRE OR THEATER?** - All staff have received (or soon will) a season ticket order form for LCC Theatre. The 1984-85 season is a special one, as the Performing Arts Department notes the passing of 10 years in its new building. The schedule of plays - "Godspell," "Bus Stop" and "The Doctor in Spite of Himself" - makes for an especially exciting season. The cost, too, is remarkable: for just \$14 you can take home a season ticket, which comes to 22 percent less than tickets purchased separately. If you place your order this week, it will be filled before orders of the general public. But this week or next (or even later, if need be), do fill out the order form and get it to the theatre box office. Or, if that's not open, send your form to the Performing Arts Department office, and ensure yourself of several hours of entertaining live theatre in the months ahead.

**ALL DEPARTMENTS** - Personnel Services reminds you that the new Independent Contractor Certification forms are available. These forms replace the old Personal/Professional Services contracts, so please destroy the old forms as they no longer will be accepted. Directions for using the new ICC form can be found on page 428 (P-16) of the BOM.

**BOWLING LEAGUE** - The organizational meeting for the fall LCC bowling league is set for Tuesday evening, Sept. 18, at the Southtowne Lanes (2486 Willamette St., Eugene). The league is open to LCC staff, friends and family over 18. For information, contact Mary Cudney at ext. 2355, or show up at the 6:30 p.m. meeting.

**LCCEF MEETING** - The LCC Employees Federation holds a special membership meeting on Wednesday, Sept. 19, at 5:15 p.m. - in Forum 308.

**REPORT FROM BOARD MEETING** - Wednesday night, LCC Board of Education members continued their discussion of college funding, then voted unanimously to ask for a new \$12.4-million tax base at the Nov. 6 election. The board also heard where the \$566,626 in cuts will come if the college's one-year levy fails Tuesday. Projected cuts would include: reductions in part-time personnel of \$125,000; elimination of program improvements totalling \$118,403; reductions in capital outlay of \$50,000; and reductions in the college contingency fund of \$50,000. In addition, seven full-time positions vacated by retirement or resignation would not be filled.

The board also learned the Work Activity Center will be moved from its present crowded quarters in the Downtown Center to a building across from the Eugene Clinic at 1149 Willamette. The 4,700-square foot building will be leased with money from a mental health grant.

In personnel actions, the board hired Rita A. Hennessy as a part-time instructor in Social Science, James F. Webb as accounting/reporting supervisor in Financial Services, and Deborah Holmes as coordinator of the Central Area Education Center. The board also accepted the resignations of Douglas M. Partridge, Mechanics; Richard White, Counseling; Mark A. Johnson, Flight Technology; and Casey Fast, Productivity Center. The board acknowledged with regret the planned retirement on March 31 of Howard Dull, Mechanics Department head. At the board meeting, President Eldon G. Schafer announced that Julie Aspinwall-Lamberts will replace Casey Fast as director of the Productivity Center.

**ISLANDS OF MEMORY** - All are invited to campus next Thursday evening for the unveiling of a spectacular birthday present to LCC: a vibrant, 20-feet by 25-feet stained glass window that will permanently grace one of the Center Building entrances. The unveiling of "Islands of Memory" is one of the events that will highlight the year-long celebration of LCC's 20th anniversary. Area residents established the college with a vote on Oct. 19, 1964. The glass mural was created by students Pam Stout, Sam Moorehouse, Theresa Kolibaba, Linda Alford, Leighton Makanui and Nancy Parson. Instructor Tenold Peterson helped guide the collaborative project. The group spent more than 10,000 person-hours on the project. See the results next Thursday. The reception begins at 7 p.m. at the mural site - the east entrance of the Center Building's second floor. (P.S. Donations still are being taken to help fund the project. **WEDNESDAY MORNING** - For those who see this early enough, the annual all-staff session is scheduled from 9 to 11 this morning. The theme: Happy 20th birthday, LCC. Don't forget that refreshments will be served from 8 to 9.

**ALSO TODAY** - A United Way film and display is set from 11 to noon in the cafeteria. Insurance and annuity representatives will be stationed in the northwest corner of the cafeteria from 11 to 12:30. Representatives from OEA and SelectCare, also located today in the cafeteria, can help faculty make changes in policy.

**OPEN HOUSE** - The mobile classroom no longer is a bus - it's a fifth-wheeler pulled by a truck. See the new facility and equipment during today's open house, 11 to 2, at the west lot flagpole. Instructors will have a chance to see how they can adapt curriculum to the mobile classroom.

**CLASSIFIED MEETING** - The LCC Employees Federation holds a special meeting today at 5:15, in Forum 308.

**FACULTY MEETING** - The LCC Education Association holds a meeting today in the Performing Arts Theatre, following the all-staff session.

**SEE STAINED GLASS MURAL** - Artists today will be installing "Islands of Memory," a vibrant 20-feet by 25-feet stained glass mural. It's a 20th birthday present to LCC. All are invited to a reception - Thursday at 7 p.m. The mural will be at the east entrance of the Center Building's second floor.

**PROFESSIONAL DEVELOPMENT** - Find out what opportunities exist for professional development - Friday, 10-11:30, north end of the cafeteria. A number of training and development opportunities for classified, faculty and management employees will be featured in 20-minute presentations.

**STUDENT RETENTION** - Are you concerned about student retention? Attend "This Class is Cancelled, A Workshop about Student Retention," from 10 to noon on Thursday. Corilee Heinis of Counseling and the Student Retention Task Force will present the program in the Performing Arts Theatre.

**DRAW** - Classified and management employees may sign up for or terminate a mid-month draw from now until Oct. 15 only. Forms are available in Personnel Services.

**SENIOR COMPANIONS** - "The Senior Companion Program - funded by the national volunteer agency, ACTION - marks its 10th anniversary in 1984. Modest in size but mighty in spirit, the program enables about 5,000 older Americans to help their more frail peers live proud and independent lives." That comes from a new publication, "The Senior Companion Program: The Finest Tradition of Neighbor helping Neighbor." Contributors include Elizabeth Boyington, LCC project director, and Bessie Campbell, a senior companion, both of Lane County. The booklet tells about the program and offers insight into how it affects people's lives.

**TESTING OFFICE HOURS** - Starting Monday, Sept. 24, the Testing Office again will be open on Mondays and Thursdays, from 8 a.m. to 8 p.m. Regular hours (8-5) for testing will be in effect Tuesdays, Wednesdays and Fridays. But, on Tuesday the 25th, the Testing Office will be open for testing during evening registration.

**VOTERS TURN DOWN LEVY** - Tuesday voters in Lane County said "no" to LCC's \$652,625 levy request. As reported at last week's LCC Board of Education meeting, projected cuts would include: reductions in part-time personnel of \$125,000; elimination of program improvements totalling \$118,403; reductions in capital outlay of \$50,000; and a reduction in the college contingency fund of \$50,000. In addition, seven full-time positions vacated by retirement or resignation would not be filled. The college will ask for a new \$12.4-million tax base at the Nov. 6 election.

**AND THE WINNER IS** - Nancy Burian received the 1983-84 Classified/Support Staff Award in Wednesday's all-staff session. Burian, a scheduling specialist, has worked at LCC since 1968. In her job, she assigns times and rooms to LCC's more than 1,500 classes each term. One person nominating Burian for the annual award wrote, "Nancy handles one of the most crucial jobs on the entire campus. Having the responsibility of scheduling all departments... must be a high pressure position. However, Nancy seems to handle this with complete calm and assurance, always completely level headed, ready with the right answer to soothe the caller who might be overwrought at the prospect of an 'eleventh hour' schedule change." Burian was selected from among 17 nominees. She received 12 separate nominations representing all segments of campus. Previous winners of the award have been Selmer Looney, 1979-80; Jo Anderson, 1981-82; and Nancy Fausone and Jerry Sirois, 1982-83. No award was given in 1980-81.

**CROSS-COUNTRY** - The 1984 Garrie Franklin Memorial Cross Country Classic is set for Saturday, Sept. 22, with seven division races between 9:30 a.m. and 1 p.m. Among the teams entered are the UO women's and men's cross-country crews, Oregon State University's women and men, Athletics West and others. High schools participating will include Oakland, Aloha (Beaverton) and Roseburg. For information, call Mitch Allara at ext. 2599.

**GOT A STORY?** - Have you got a program, event or student success story you'd like others to know about? Call Diane Dann, Public Relations/Foundation, at ext. 2592 - or drop her a note in intracampus mail. The ideas are desired for the winter LCC Report. Get your thoughts in by Oct. 10.

**NO MEETING** - There will be no Curriculum Approval Committee meeting in September. The next regularly scheduled meeting is set for Oct. 30.

**RELIGION & POLITICS** - Tune to KLCC (89.7fm) Sunday morning for "Ronald Reagan and the Prophecy of Armageddon." The documentary begins at 10:30 and will include comments from President Reagan and numerous fundamentalist religious leaders.

SERVICE REQUEST - What you always wanted to know about the Electronic Services "Service Request" form but were afraid to ask, can now be told. The department has prepared an explanatory memo. It will be sent out in a few days. Staff from Electronic Services would appreciate having the memo shared with all personnel in departments.

AT NIGHT - To contact the security and/or custodial offices between the hours of 5 p.m. and midnight, dial extension 2558. A security dispatch person will be on duty.

**STILL NEWS** - It must have seemed too obvious to include in Thursday's Daily...but, for those who didn't already hear it, LCC President Eldon G. Schafer has announced plans to retire as the college president - effective July 30, 1985. The LCC Board of Education will conduct a national search for his successor. Schafer has been president of LCC since 1970. He says he is looking forward to fishing and golf and "truly does intend to retire." The president announced his retirement at Wednesday's all-staff meeting, where he assured his audience the decision to retire was "only tangentially" related to his health. In 1979, Schafer was diagnosed as having multiple myeloma, cancer of the bone marrow. On Wednesday, the president said he and his wife decided 20 years ago to retire when their son completed college (which will occur this school year). During his years in education, Schafer has served in many national offices and won many awards, including in 1981 the Marie Y. Martin Professional Educator Award, considered to be the highest honor available to a community college administrator. In 1982, he received the University of Oregon's Pioneer Award for community leadership. The president also has twice been invited by the government of the People's Republic of China to advise them on the establishment of a network of polytechnic schools. He made the first trip in 1982 and will return the first two weeks of October of this year.

**GOLFING TODAY** - More than 80 golfers are expected to vie for prizes in today's Uncle Bud's Lane Community College Open. Proceeds will go to LCC programs via the LCC Foundation. The event is taking place at the Emerald Valley Golf Course and Forrest Inn in Creswell. Bud Betz, owner of Uncle Bud's vehicle dealership in Cottage Grove, is sponsoring the open. He recently was named "Oregon Retailer of the Year."

**FORUM!** - Learn about some of the professional development opportunities that exist for classified, management and faculty staff members. Attend a forum today in the north end of the cafeteria. Sponsors are the President's Office and the Staff Development Advisory Committee. Among development opportunities that will be covered: quality circles; career/life planning; management leaves; student-guided instructional diagnosis; and technical skill update mini-grants. The forum is scheduled from 10 to 11:30 a.m. Preregister by calling ext. 2577.

**OCEANOGRAPHY** - Adult Education has added a class to its fall schedule. Oceanography will present the physical, biological, chemical and political aspects of the subject. It will be offered from 7 to 9 p.m. on Thursdays, starting Sept. 27. The cost is \$22. The class will take place in Math & Art 252.

**OPEN TO BOOKINGS** - LCC's 20th anniversary slide program, which received such a great reception at Wednesday's all-staff meeting, is available for showing at organizations around the county. Why not talk to the program chairperson in groups to which you belong and arrange a showing? Call Keli Osborn at ext. 2591 to make reservations.

**NEW PURCHASING EXPENDITURE OUTLINES** - New guidelines were adopted by the LCC board Sept. 12, and the next BOM revision will detail the changes. The major changes now in effect are:

**PURCHASES UNDER \$1,000.....**Obtain competitive quotes when feasible; not required.

**PURCHASES OVER \$1,000.....**Must obtain minimum of three competitive quotes which must be documented on official LCC quote forms (available from Purchasing). These forms must be attached to your purchase order before it can be processed.

**PURCHASES OVER \$10,000.....**Formal advertised, sealed bid is required.

**NOTE:** Each contract must be for a single project, not a component of, and not related to any other project. Don't break up orders to circumvent the intent of the law.

**CUT LIST BEING PREPARED** - A list of budget cuts is expected to go to the LCC Board of Education. The cuts would offset the \$575,000 which wasn't approved by voters Sept. 18.

**WORSE THAN EXPECTED** - At the end of regular registration last Friday, the college's enrollment was down 12.3 percent in full-time equivalent (FTE) students and down 11.5 percent in headcount, compared to fall term 1983. Vice President Jack Carter says all categories are down - full-time, part-time and evening. Only three departments experienced increases: Language Arts, Health Occupations and the Library. Total college FTE for the year could dip below 8,000, Carter says. Staffing adjustments are occurring to cover budget deficits which accompany enrollment slippage.

**EUGENE CELEBRATION** - Do you need something fun to do at the Eugene Celebration this weekend? Why not help out at LCC's "Happy Birthday" booth? The Eugene Celebration will include fireworks, a carnival, a jazz festival, free entertainment at the Hult Center, and a bike race - among other things. If you'd like to work at the LCC booth, the following shifts are available: Saturday/10-12, 12-2, 2-4, 4-6; and Sunday/12-2:30, 2:30-5. Your help would be greatly appreciated. Call Nancy Cutler, Public Relations/Foundation, ext. 2268, to sign up. If you can help set up the booth by providing a truck to transport materials, give Cutler a call soon. A truck and driver are needed 7:30-9, Saturday morning, and after 5 p.m. on Sunday.

**FACULTY INSURANCE** - Representatives from OEA and SelectCare will be on campus Thursday from 10 to 11:30 a.m., in Apprenticeship 205. They will help faculty employees enroll for insurance or change dependents and beneficiaries. The representatives will be on campus again Oct. 3.

**HELP THE MAILROOM** - Please return your extra intracampus envelopes to the Mailroom. Thank you.

**NEW & IMPROVED** - The Office of Public Relations/Foundation has new editions of our general brochure, "Introducing LCC," and the LCC Map and District Guide. If you need a supply of these helpful publications, call ext. 2591.

**POETRY TONIGHT** - Pulitzer Prize-winning poet and environmental activist Gary Snyder will give a reading tonight at the University of Oregon. He'll join Swedish poet Reidar Ekner at 7:30 in 150 Geology. Admission is \$3.50 for the general public. Proceeds benefit UO Survival Center.

ELECTION PREP - A note to LCC Education Association members: "Keep those cards and letters - er, I mean - checks coming, folks!" says LCCEA President Charley Bentz. Please verify information on the blue volunteer card for Ballot Measure 2 work. Return the card to your department representative today. Bentz recommends you include a check to "The Oregon Committee" for at least one dollar per year you have taught in Oregon.

KLCC'S RUN - Runners, don't forget KLCC's Jazz Fun Run on Oct. 6. Sign up for two miles or 10 kilometers. Registration is \$7 until Sept. 30, \$8 after that date. A long-sleeved T-shirt will be given registered runners. Le Jazz Hot Trio will provide entertainment. Etc. For information, call ext. 2486.

MAILING LABEL OUT OF DATE - The State Bureau of Labor keeps getting mail from LCC that is years out of date. If your department is sending something to Bill Stevenson, please change the label to Mary "Wendy" Roberts, Commissioner. The new address is Bureau of Labor and Industries, 1400 SW 5th Avenue, Suite 409, Portland 97201. Please update your mailing list so that the embarrassing letters stop coming to the President's Office.

**NATIONAL ISSUES FORUM** - Community residents are invited to old-fashioned bull sessions on three of today's most important issues. LCC Adult Education is sponsoring the National Issues Forum to give people a chance to share opinions and influence policy makers. On Oct. 4, the topic is jobs, the jobless and our changing workplace. On Oct. 25, the issue is the soaring cost of health care. And, on Nov. 8, the issue is the difficult choices about environmental protection. Forums are being held nationwide. Ours are on the Thursday nights above, from 7 to 10, at the Downtown Center.
