Second Week of Summer Term

Published for the staff of Lane Community College.
Deadline for contributions 7 p.m. on the day before publication.
Editor: Keli Osborn, ext. 2591

Lane Community College is an Equal Opportunity/
Affirmative Action/Section 504/Title IX institution.

REORGANIZATION - A Specialized Services Unit was formed within the Student Services Division, beginning June 10. It's comprised of Student Health, Women's Program, Multicultural Center and Disabled Students Program. Sandy Ing is director of the new unit. For now, the existing programs will remain in their current campus locations.

INNOVATIVE MOVE - Two LCC employees will exchange jobs (and offices) for the upcoming academic year. Tricia Hahn will move from her Cooperative Work Experience position to pick up Joe Freeman's assignment in Counseling and his CWE load in Mathematics. Hahn will retain her CWE Food Services program. Freeman will move to the CWE Department and take over Hahn's Construction Tech and Mechanics programs. He will continue as CWE coordinator for Data Processing.

The two made the exchange for professional development and renewal opportunities. "Management was very supportive," Hahn says. "Joe and I will be sharing our expertise with new people in new areas, both on campus and in the business community."

FILM USERS - The Learning Resource Center is again accepting orders for rental films. Please note that summer hours for booking films with the Lane Education Service District are 7:30 to 11:30 a.m. on Friday. This means that orders to be used Monday through Thursday should be ordered through the Learning Resource Center before noon the preceding Thursday. This will enable LCC staff to order the film from the Lane ESD the next morning. Staff member Carol Barton will pick up and distribute ESD materials Friday mornings. If you have questions, call her at ext. 2673.

BOOKSTORE REMINDER - The Bookstore is closed through Wednesday and will reopen on Friday. Summer hours are: 8 a.m.-4:30 p.m., Monday through Thursday; 9 a.m.-4:30 p.m., Friday. The Downtown Center Bookstore is closed this summer.

CLOSED FRIDAY, JULY FIFTH - The following departments and programs are closed this Friday, as staff turn the July 4th observance into a four-day weekend:

Veterans' Office	Printing/Graphics
Social Science	
English & Foreign Languages (formerly Language Arts)	
Student Activities	
Associated Students of LCC	
Productivity Center	
Word Processing	

"HAPPY" BOOKLET - You may have received a publication with tips on "how to be happy." If so, you should know the publication--copyrighted by L. Ron Hubbard of the Church of Scientology--is not endorsed by the college. Nor did the college provide a mailing list to the publication's senders.

TIPS FOR A HEALTHY SUMMER*

You can save your skin in more ways than one if you take simple steps to protect yourself from the sun.

The American Cancer Society reports that between 300,000 and 600,000 cases of skin cancer are diagnosed each year, and that about 5,000 people die of the disease annually.

Fortunately, most cases of skin cancer are easily curable if they are diagnosed and treated in time. Most of the deaths result from the rarer, melanoma form of skin cancer, although common types of the disease can become serious if they are left untreated.

Staying out of the sun during the hotter, midday hours will go a long way toward preventing sun damage, because the dangerous ultraviolet rays are strongest when the least amount of atmosphere filters them--two-thirds of the harmful radiation is emitted between 10 a.m. and 2 p.m.

When you have to be out in strong sunlight, applying one of the new sunscreen preparations instead of the conventional suntan lotions will considerably reduce the harmful rays reaching the skin. Any sunscreen is effective, but the best are those containing para-aminobenzoic acid--PABA--or benzophenone.

Only a doctor can tell if a skin condition is cancerous or likely to become cancerous. But anyone who has a sore that doesn't heal or a mole or mark that undergoes change in color or size should get a medical checkup promptly. Usually such signs do not mean cancer, but they should be taken seriously.

The harmful rays of the sun not only can cause cancer, but may lead to premature "aging" of the skin by destroying its elasticity and leaving it dried out and wrinkled.

FOOD DISTRIBUTION - Cheese and milk will be distributed at LCC Wednesday, from 8 a.m. to 2 p.m., near the west entrance to the cafeteria. The Associated Students of LCC are coordinating the campus distribution of federal surplus items to low-income people. All food recipients must show proof of Lane County residency and must meet all federal guidelines posted at the site. For information, call the ASLCC office at ext. 2330.

CLASSIFIED MEETINGS - Karen Gorder, a staff member with the Oregon Federation of Teachers, will speak at the LCC Employees Federation meetings on Wednesday. BOARD REPORT - The LCC Board of Education met last Wednesday night. The board elected Jim Pitney as chairman and Mary Unruh as vice chairman. Pitney, serving his third term on the LCC board, owns a dairy farm in Junction City. Mary Unruh is a financial consultant in Eugene. In other business, the board approved creation of a new two-year degree at LCC--one that would prepare students for direct entry into bachelor of science programs at four-year schools. The board also adopted a resolution to support passage of a sales tax in Oregon. The resolution specifically noted that the college would receive no additional money as the result of a sales tax, but the tax would provide property tax relief as well as more stable funding for public schools and community colleges.

CONGRATULATIONS, DAVID JOYCE - David Joyce, who teaches in Art and Applied Design and Mass Communication, recently took the Best of the Show award at the Oregon/Washington Juried Exhibition held at the Maryhill Museum of Art in Goldendale, Washington. Discussion is underway about the ranking being given the projects and the means for financing them. To learn more about the Eugene Agenda and to give your input, plan to attend a session planned on the main campus Thursday, Aug. 8. Eugene City Councilor Debra Ehrman will present a slide show and solicit opinions in a session beginning at noon that day in Forum 308.

BOUGHT ANY NEW SOFTWARE SINCE LAST SEPTEMBER? - Staff Development is compiling a list of who's using what programs and will publish the information in early October. CHANGING CHAIRS IN HEALTH OCCUPATIONS - Welcome to Marie Wiles, the acting associate department head for Health Occupations. She assumed the position July 1, after serving as a faculty member for the past seven years. She's directly responsible for administering the nursing programs. Jeanne Harclerod is assuming department head responsibilities for the summer while Doug White is on leave.

CLOSED - The Scheduling Office will be closed July 29 through Aug. 16. If you need any summer room scheduling, please call Bill Porter at ext. 2306. For schedule changes or scheduling for other terms, please wait until Aug. 19.

HOST FAMILY NEEDED - Yoko Yamashita, a student at Nagasaki Wesleyan Junior College in Japan, will be attending LCC next year as an exchange student. A host family is needed to provide a home and supportive environment. For information, call the Office of Instruction at ext. 2306.

ASLCC AT THE CRESWELL AIR SHOW - The Associated Students of LCC are helping out at this weekend's Creswell Air Show. Those working a three-hour shift (taking tickets, setting up the field) will gain free admission to the show. The ASLCC will provide transportation. If you'd like to help, student or not, call Randy Scovel at ext. 2330. The show is planned Friday, Saturday and Sunday at the Creswell Airport.

POTLUCK PICNIC - You and your family are invited to the Aug. 3 picnic planned by the Community Education Division. It will begin at 2 p.m. at Lowell Park near Dexter Lake. There will be volleyball, softball, horseshoes and swimming. Bring a dish to share, your own eating utensils and your own drinks. If you plan to attend, please call Cherrill Hemminger at ext. 2508.

BACK FROM NICARAGUA - Alan Siporin, host of KLCC's "Blue Plate Special," has returned from a fact-finding trip to Nicaragua and has prepared an eight-part series. The series has begun and will continue daily through this Friday, resuming next Tuesday through Thursday. Tune to 89.7 FM at noon for a perspective on Nicaragua.

"NAME IT" CONTEST - LCC will unveil a new suggestion program in the fall. It needs a creative, dynamic, positive, exciting name. Name the program and win a lunch for two in the Renaissance Room! Call or send your suggestions to the Productivity Center by July 26. If you'd like more information on the suggestion program, contact Julie Aspinwall-Lamberts in the Productivity Center, ext. 2576.

PRACTICAL SUPERVISION - Staff Development soon will subscribe to a new publication, "Practical Supervision." This twice-monthly newsletter is published by the same people who provide "The Office Professional." Please call ext. 2577 by the end of the day this Friday to reserve a spot on the routing list.

UPDATE FOR ADMINISTRATIVE SECRETARY - A one-day seminar presenting new trends in office procedures, current formatting requirements for electronic office equipment and more is set for Saturday, Aug. 3. The seminar, instructed by Velma Jesser, is scheduled from 8 a.m. to 5 p.m. The cost is \$19 for one credit. For information, call the Business Department at ext. 2221.

"Get in the Swing" for the Sept. 20 tournament at the Emerald Valley Golf Course and Forrest Inn. The cost is \$100 per person, \$175 per couple. All donations are tax deductible and proceeds go to support worthy causes chosen by Foundation trustees. Entry forms are available at the Foundation office, Administration 209. Or call 726-2226 to register. (You even can pay by VISA, Mastercard or payroll deduction.) Prizes include a new Mazda 626 and \$5,000 in cash. Call today for details!

FYI - Although it's now the Mass Communication Department--with speech instructors moving into Language Arts--it's too early to be calling the latter department by a new, longer name. No change is official.

TALK ON EUGENE AGENDA - Eugene City Councilor Debra Ehrman will visit the main campus Thursday, Aug. 8, to give a presentation to interested staff and students on the proposed Eugene Agenda. A 15-minute slide show will be followed by a short question-and-answer session designed to solicit your opinions on the proposed improvements and possible costs of the Eugene Agenda.
