**WORK SESSION** - There will be a work session of the Board of Education tonight in the Board Room of the Administration Building. It will begin at 7:30 p.m. Topics of discussion will be financial projections for 1987 through 1992 and the potential serial levy request.

**OUR TOWN COMPETES** - The LCC Theatre production of OUR TOWN has been selected by the American College Theatre Festival as one of four college productions to participate in regional competition in mid-February at Mount Hood Community College. In addition, two actors from OUR TOWN, Jeff Bull and Dee Roberts, will compete in the Irene Ryan Competition, during the Mount Hood regionals for a \$2,500 scholarship. "We're really honored LCC has been selected as a finalist," says Patrick Torelle, LCC Theatre instructor and the play's director. "This is a wonderful opportunity for our students to develop their theatre skills and insights."

**EVENING INFO** - LCC's Winter Evening Edition newsletter is now available. It contains useful information about evening hours of operation for different offices on campus and a host of other items of interest. Staff may pick up a copy of the newsletter at the Student Resource Center, Counseling or by calling Lynn Richmond, Evening Administrator, ext. 2900. Instructors who teach in the evening will receive copies of the newsletter from their department offices, for distribution to their evening classes. Lynn Richmond

**EMERGENCY UPDATE** - If you are distributing the winter issue of LCC's Evening Edition, please correct the telephone number for campus security, as noted on the back page of the newsletter. The new phone number should be ext. 5555 (not ext. 2555). Vicki Miller, Institutional Advancement, ext. 2593

**TAKE NOTE** - The Career Information Center will be open on Saturdays from 9 a.m. to noon beginning January 10th. Other hours during winter term are: Monday and Tuesdays, 8 a.m. to 8 p.m.; Wednesday, Thursday, and Friday, 8 a.m. to 5 p.m. On January 31st, from 9 a.m. to 3:30 p.m., a one-day career choice workshop will be held in the Center. The CIC is located on the second floor of the Center building adjacent to the Counseling area. Call Jean Conklin or Jan Brandstrom at 726-2204 for more information. Jean Conklin

**LEADER SPOTLIGHT** - Linda Loft, an instructor and computer programmer in the Data Processing Department, is one of three LCC women who have been chosen to participate in the "Leaders Project," an international leadership training program for two-year college administrators. Loft has been with LCC since 1972. Her project will be to develop a college-wide understanding of a management information system and to help focus its direction. Several projects, such as developing computing networks for administrative purposes, implementing a telephone registration system, and selecting between vendor technologies, present an evolving challenge for future planning. Loft earned a bachelor's degree in interior architecture in 1969 and a master's degree in computer science in 1981 from the University of Oregon. She has over 14 years of experience in the computer field as a programmer, systems analyst and consultant.

**PERSONS OF THE MONTH** - Two Business Assistance Center staff members were honored in December. Rosemary Busby, Administrative Assistant, was selected as the "Support Person of the Month" by the Oregon Small Business Development Center Network. Eugene Moore, Business Counselor, was awarded a certificate for contributing over 1,000 hours to counseling small business clients. Congratulations, Rosemary and Eugene! Wendell Anderson, BAC, ext. 2255

Barbara Hasbrouck and family would like to thank you for the loving messages, and many kindnesses extended to them during the illness and at the time of the death of Chal Goss. You are a very special group of people and very much appreciated.

**HAPPY NEW YEAR!** - "Welcome back from the holiday break. I look forward to working with each of you in this new year to make LCC a meaningful experience for both staff and students. Thanks for your past cooperation and help. Here's to a great 1987!"- President Richard M. Turner, III

**REPORTING CHANGE** - During Paul Colvin's service as interim vice president for Administrative Services, Director of Personnel Services Sue Colvin is reporting to Executive Dean Larry Warford. College policy doesn't permit a manager to supervise a spouse. (Sue, laughing gleefully, told a Daily correspondent to write that she doesn't report to Paul in any capacity.) A new vice president (Paul says he won't be a candidate) is expected to be hired in about six months.

**CC ENROLLMENT LOOKING GOOD** - The December issue of EDU GRAM reports that Fall term enrollment in Oregon's community colleges is up 4.8 percent over last year according to State Community College Executive Director Michael Holland. Holland says these are the highest enrollment figures in five years. He believes that this is due to the fact that Oregonians believe that community colleges are a ticket to employment whether they are recent high school graduates or older students who need retraining. Holland also believes that enrollment will continue to increase as the economy improves.

**LEAP FLYER AVAILABLE** - Recently, the Life Experience Assessment Program for High School Completion (LEAP) sent out a flyer describing pre-college services available at LCC's main campus and its satellites. If you have not received a copy and feel it might be useful to you in your contacts with potential LCC students, please call ext. 2939. Joanne Payne, LEAP, ext. 2947

**MUSIC TO YOUR EARS** - The Oregon Mozart Players will present a concert on Saturday, January 10, at 8:30 p.m. in the Hult Center's Soreng Theatre. The concert will be repeated the next day, Sunday, January 11, at the University of Oregon's Beall Hall at 2:30 p.m. Works featured will include Vivaldi's Four Seasons and Stravinsky's Danse Concertantes. The Oregon Mozart Players include three LCC faculty from the Performing Arts Department. They are: Ed McManus, Nathan Cammack, and Owen Bjerke. Tickets are available at the Hult Center Box Office for both concerts and at the EMU Main Desk Ticket Office and the LCC Box Office for the Sunday performance. Dick Reid, Performing Arts, ext. 2209

**DIRECTORY NEWS** - The much anticipated and long awaited staff directory is due out soon - within days. Maybe even Friday. Hang in there! I'll put a note in the Daily when you will be able to pick them up. In the meantime, there is a new number for the Displaced Homemakers/Single Parents Program. You can reach Project Director Charleen Maclean and Project Assistant Janet Henker at ext. 2837. Diane Prokop, ext. 2591

**NEW FACE** - Cooperative Work Experience has hired Jerald L. Seifert as the new coordinator for performing arts. Seifert received his master's degree from San Francisco State University in Theatre Arts and was the Director of Theatre at Linfield College. He can be reached at ext. 2645. Welcome aboard Jerald! Valerie Brooks, CWE, ext. 2203

**ART SHOW** - Two Oregon artists have their work on display at the Art Department Gallery. William Moore, a wood sculptor, and Harry Widman, who works in mixed media will show their work through the end of the month of January. The public is also invited to slide-lectures given by the artists: Moore - Wednesday, January 14 at 1 p.m. in Forum 309; Widman - Tuesday, January 27 at 11:30 a.m. in Forum 309. Gallery hours are 8 a.m. to 10 p.m., Monday through Thursday, and 8 a.m. to 5 p.m. on Friday. Harold Hoy, Art Department, ext. 2412 or 2417

Please accept our sincere thanks for the gifts, cards, letters and expressions of gratitude from so many wonderful people at LCC. You each will hold a special place in our lives as outstanding performers at this institution. Whatever success we enjoyed is directly attributable to all of you that made working here such a pleasure. Continued best wishes and thank you again.  
Bill and Carol Berry

WELLNESS SPACE - Many of us put a lot of stock in our bathroom scales and believe the slightest gain or loss of body weight indicates a fluctuation in body fat. Although this is occasionally true, body weight changes are often the result of changes in muscle mass and/or water retention. For example, several years ago I was thirty pounds heavier than I am now and actually had a lower percentage of body fat than I do currently. **ELECTION DECISION DELAYED** - LCC's Board of Education has postponed until its Feb. 11 meeting a decision on whether to seek a maintenance and equipment levy at the Mar. 31 election. On advice of attorney Ed Harms, the Board agreed to seek an opinion from the State Department of Revenue regarding the difference between operating monies and capital expenditures. Only the latter would be in the levy. Harms said the statute which would tell the College what it could include, "frankly, is a mess."

In other business, the Board was advised that underrealized enrollment and salary settlements which exceeded early cost estimates could put the College in danger of overspending its budget by the end of the year. The shortfall could reach \$200,000, according to Interim Vice President for Administrative Services Paul Colvin. He said the College's contingency fund could cover it if the shortfall goes no higher.

Vice President for Student Services Jack Carter reported that winter term enrollment may be as much as 100 full-time equivalent students lower this year than last. The Nanny program in Home Economics has been approved by the State as an optional track in Early Childhood Education, reported Vice President for Instruction Jacquie Belcher. She said the program is attracting students from across the nation, since it's the first such program in the country at the community college level. Prospective employers already have contacted the College to hire its first graduates.

In personnel matters, the Board accepted the retirement of William J. Beals, Jr., from the Social Science faculty, effective Jan. 1. Beals, former Social Science head, spent 20 years with LCC. Margaret Stauffer of RSVP will retire Jan. 31 instead of last Dec. 31; she will remain on the job until her successor is hired. Appointment of Paul Colvin as Interim Vice President for Administrative Services was approved.

**WELCOME** - Institutional Research, Planning, and Evaluation is pleased to welcome new staff members. Barry Singer is our new Research Associate, and Laurel Paulson has transferred into our office on a temporary assignment.

Week 3 of Winter Term

Editor: Diane Prokop, ext. 2591

**SPENDING RESTRAINT ASKED** - Looking ahead to the fiscal year which begins July 1, the President has asked budget managers to create a five percent reserve in this year's budget to help meet next fiscal year's needs. This year's budget includes a \$1.1 million cash carry-forward. This has been a standard procedure in LCC budgeting for some years. The cash carry-forward is thus an essential part of each year's budget. Without it, cutbacks would be inevitable. The five percent figure will not be across-the-board, however, since spending for campus-wide obligations such as insurance and utilities cannot be avoided. Creation of the reserve at this time comes about because of budget uncertainties about total enrollment and other expected sources of revenue. Should the financial picture improve this spring, some of the reserves identified through this process may be released.

**ALL FACULTY CONFERENCE II** - Vice President for Instruction Jacquelyn Belcher will host the second All Faculty Conference on Thursday, Jan. 29, at 2:30 p.m. in Forum 308. Faculty members are invited to suggest agenda items by phoning or writing Dr. Belcher's office (ext. 2306), or by contacting one of the committee members: Linda Riepe, Home Economics (ext. 2287); Milt Madden, Social Science (ext. 2427); Doris Burkland, Study Skills (ext. 2439); or Pete Peterson, Mass Communication (ext. 2474). Deadline for agenda suggestions is Thursday, Jan. 22.

Based on faculty responses to the first conference, the Jan. 29 agenda will include time for spontaneous questions and "rumor clarification." The room, Forum 308, will permit better seating/viewing. Although the primary goal is to improve communication between the Office of Instruction and faculty members, all college employees and students are invited to attend. Pete Peterson, Mass Communication, ext. 2474

**W-4 INFORMATION SESSIONS** - The new law requires all employees to fill out the W-4 withholding allowance certificate so that withholding from wages will be as close as possible to the taxpayer's liability. The Internal Revenue Service will conduct two information sessions on Jan. 30 in Forum 308-309 at 12-1 p.m. and 2-3 p.m. Pre-registration is required. Call Darlene Turpin, Payroll Manager, ext. 2586

**TSA CHANGES** - A local company (United Financial Systems, Inc.) is offering consultations on the Tax Reform Act's affect on tax sheltered annuities. A handout is available to the first 25 who call The Daily at ext. 2591.

**NEH SUMMER SEMINARS** - The National Endowment for the Humanities is seeking applicants for its 1987 Summer Seminars for College Teachers. Participants receive a stipend to help cover expenses. If you would like to look at the brochure, please stop by my office. Also, if you or someone you know at LCC has participated in one of these seminars, please let me know. You may be able to provide valuable insight to colleagues interested in applying. Diane Dann, Institutional Advancement, ext. 2592

**FARE-THEE-WELL** - All staff are invited to a Fare-Thee-Well Open House being held for our supervisor, Jean Specht. It will take place in the Admissions Office on Thursday, Jan. 29 from 2 to 4 p.m. Refreshments and reminiscences will be shared on this occasion in honor of her retirement. Sharon Moore, Admissions, ext. 2207

GIVE BLOOD

**BLOODMOBILE ON CAMPUS** - Lane Memorial's Bloodmobile will park outside the snack bar area on Friday, Jan. 30, from noon to 3 p.m. Call Student Health, ext. 2665, for appointments and more information.

The fear of AIDS is making life-saving blood more and more scarce. Remember, donating blood carries absolutely no risk of AIDS. The risk is only to the recipient who, without the blood could surely die. You can spare a pint, can't you? This is your opportunity to perform this important community service. Make an appointment now! Ann Metzger, Student Health

NEW COORDINATION OF BENEFITS RULE - Effective Jan. 1, 1987, Oregon state law has changed how all health insurance carriers in Oregon will determine who has the primary responsibility for health care claims involving a dependent child who is covered by more than one group policy. In the past, claims for a dependent child were always paid under the father's contract first and the mother's contract second. Now, benefits will be covered first by the parent whose birthday falls earliest in the year. If the birthdays fall on the same day, then the contract that has covered the dependent for the longest period becomes primary. If you have questions regarding this provision call Marie Nelson, ext. 2590.

RECOGNIZE EXCELLENCE - All staff members are invited to nominate those who have made outstanding contributions to vocational education. People who are not instructors - advisory committee chairpersons, business people et al. - are eligible, as are LCC faculty and staff. Your nominations are due in the Office of Instruction by Friday, Jan. 30. Nomination forms can be picked up at the Office of Instruction.

**ELECTION ANSWERS** - The Daily is willing to try to find answers to your questions about the proposed maintenance and equipment levy for LCC on the Mar. 31 ballot. Send your question to The Daily editor, ADM 210.

**WOULD FAILURE OF THE MAINTENANCE/EQUIPMENT LEVY AFFECT THE OPERATING BUDGET?** Yes. Past rejected levies already have. In each of the last three budget years, the College has allocated \$250,000 toward deferred maintenance. That's how the College funded the reroofing last summer of the Health and Science Buildings. That money could have been used for operating expenses or to replace worn out equipment, had a prior maintenance/equipment proposal been approved by voters. If this year's proposed levy is rejected by voters, the College may have to move more money away from operating to fix more roofs and meet other needs that can't be put off. It depends on what needs suddenly become critical. Moving money away from operating to maintenance and equipment needs can't help but impact, to some degree, staffing and supplies budgets. The investment in the physical plant has to be protected. Paul Colvin, Interim Vice President for Administrative Services

**FINANCIAL PLANNING WORKSHOP** - SELCO is sponsoring a Financial Planning Workshop on Saturday, Jan. 31, from 9:30 a.m. to 12:30 p.m. at the Red Lion on Gateway in Springfield. Wednesday's orientation session drew over 20 participants, and we'd like to remind you that today's orientation sessions are at 10 a.m. in the Board Room, and in Room 321 at the DTC. Initial weigh-ins are scheduled in Room 112 of the Health & PE building (Correctives classroom) today from 8:30 a.m. to 9:45 a.m., and on Friday 11 a.m. to noon. If you are unable to meet any of these times, call Trish at ext. 2283, Kurt at ext. 2327/2545, or Sue Thompson at ext. 2271/2545.

## 1987 W-4 WITHHOLDING ALLOWANCE CERTIFICATE CHANGES

All employees are required to file the new 1987 W-4 form so that withholding from wages are as close as possible to the tax liability.

If you expect to have non-salary income (interest, dividends, rental income and capital gains) of \$950 or more, you must estimate the amount and enter the estimate on the form W-4 worksheet. Non-salary income will reduce the number of withholding allowances you claim.

Employees whose spouse will earn more than \$950 must use a special new table (W-4 page 4) to determine the effect on the employee's withholding.

Employees who have more than one job must use a special new table (W-4 page 4) to determine the effect on the employee's withholding.

Employees with tax deductions that will no longer be allowed may be seriously underwithheld if the new W-4 isn't filed because the Tax Reform Act eliminates or reduces many tax deductions.

Withholding must match actual tax owed more closely in 1987. It must equal the lesser of 90% of taxes owed for 1987 or 100% of taxes owed in 1986. The taxpayer may be liable for a penalty tax and a \$500 fine.

The employer is required to send the IRS copies of the W-4 form if the employee claims more than 10 withholding allowances or if the employee claims exempt and earns more than \$200 per week.

An employee who can be claimed as a dependent on another person's tax return must pay tax in 1987 if he or she has non-wage income and the wages and non-wage income exceed \$500.
