Give calendars to young adults or newlyweds with family birthdays, anniversaries, and other special occasions already marked. Address books, favorite recipes, and photo albums filled with old family pictures give your new family members a welcome sense of belonging.

One holiday tradition spans the wonderful mix of cultures in America: Giving to those who have less. Special drives abound at this time of the year. Give of yourself—time to prepare a holiday dinner for the homeless perhaps. Give of your wealth—a check to your favorite nonprofit organization. Give of your bounty—donate items you no longer need to a deserving charity. Give of your love—make this a memorable holiday for your friends and family.

The first Christmas tree ornaments were baked, decorated dough. In the 1870s, paper, tin, wax, tinsel, cardboard, and glass decorations were introduced. Revive an old tradition and make your own ornaments from dough this year.

THE DAILY

Published for the staff of Lane Community College
Editor: Diane Prokop, Ext. 2591

OOPS, WE GOOFED! - LCC's Winter Term Schedule & Report incorrectly lists the ClassLine long distance telephone number on page 2. Using this number would, of course, inconvenience our students in the outlying areas as well as the business that currently uses this number. All staff and faculty should advise students who register by long-distance that the correct number is 1-800-541-8984.

MARKETING FAIR - There will be a marketing "show and tell" Wednesday, December 9. The display will be in the cafeteria from 12-noon to 4 p.m. and will then be used as part of a presentation to the LCC Board of Education that night. The display will feature examples of advertising, publications, college displays, and other communication activities implemented in the past year. All staff are encouraged to drop by the fair.

YES, BUT... - Attending LCC is more expensive than enrolling at Oregon State and Western Oregon State and almost as expensive as University of Oregon, according to a cost of higher education comparison in the November 28 Springfield News. The newspaper didn't state, however, that the numbers represent costs of attending school away from home for a typical full-time student. LCC's 32,000 students are unlike state system students, for the most part, in that 3 of 4 are part-time, most live in their own homes or with parents, are older (average age is 29), and so on. Attending a non-dormitory school such as LCC might cost \$6,051 a year for those coming from out of the area and renting an apartment. But, that group represents only a small portion of our enrollment and is not typical and, therefore, should not be thought of as characterizing our student body. Larry Romine, Institutional Advancement

INVITED - All staff members and students are cordially invited to the Health & Physical Education Department Winter Term Open House Wednesday, December 9 in the gym lobby. Included in the all-day festivities will be displays, demonstrations, and FREE POPCORN! Instructors will be on hand to answer questions about their classes and to help you decide what class is right for you.

CONGRATULATIONS! - The CWE Department in conjunction with the Oregon Media Task Force for Cooperative Education has been named winner of the Advertising Council's Keim Award. It was awarded for best local implementation of an advertising campaign in support of the national organization's Advertising Council campaign. The multi-media public service advertising campaign was created to raise awareness and increase participation by college students in the Cooperative Education program. The campaign theme is "You Can Earn a Future When You Earn a Degree." Cooperative Education is an educational method which combines classroom study with periods of paid, career related off-campus work.

HOLIDAY HOURS -

Visitors to the booth can pick up a brochure describing college offerings, apply for admission, and learn how to use ClassLine. The LCC booth will be located in the Montgomery Ward wing. Hours are 9:30 a.m. to 9 p.m. Volunteers are needed to transport materials to VRC on Wednesday, December 9 after 9 p.m. Return transport is also needed Friday, December 11, after 9 p.m. Volunteers are needed to help staff the information booth at VRC Thursday and Friday, December 10 and 11. Two-hour time slots are available beginning at 10 a.m. each day. Please call Charlene Blinn, Counseling, ext. 2235, to join in this marketing event. Dee Tipping, Student Services

RETIREMENT NEWS - The Public Employees' Retirement System wants to remind you that if you wish to file a variable annuity election, or make a change from a previous election, the election form must be on file with PERS by 12/31/87 to be effective 1/1/88. While you're at it, think about whether you need to change your PERS beneficiary. Forms may be obtained in Personnel. Germaine Mock, Personnel

WHAT A DEAL! - For only \$10 you can have your name printed in the Men's and Women's 1987-88 Basketball Program (under a special billing labeled "Friends of the Titans"). Inquire at the Athletics Office how you can support this good cause. Thanks. Coaches Bates and Loos, ext. 2215

The Literacy Coalition was founded in the spring of 1986 and is comprised of local businesses, service agencies, libraries, schools, and job training/employment agencies. Its purpose is to promote public awareness and coordinate adult literacy services in Lane County. As the main provider of adult literacy instruction in Lane County, LCC provides leadership and support to many of the Coalition activities. LCC staff serve on the finance, publicity, recruitment, training, and learning disability committees of the Coalition. In addition, the monthly newsletter "Update" is edited by an LCC staff member, and distributed to over 1,200 individuals, businesses, and agencies in Lane County. Currently, volunteers are needed to assist with tutoring adult learners in basic reading or English As A Second Language, and to assist with office support, marketing, recruitment, and other support activities. OF NOTE - Four LCC Speech Communication students-Andrea Pasutti, Brad Neuschwander, Vincent Jones, and Mark Llerna-competed December 4 and 5 in the Clark College Penguin Invitational Forensics Tournament, which was attended by 28 colleges and universities and nearly 300 students. While none of our students brought home trophies, they did receive impressive ratings for the three speaking rounds judged. Andrea Pasutti and Brad Neuschwander were rated first in several rounds of persuasive speaking and prose interpretation. Overall, they ranked in the top one-fourth to one-eighth in their events. Our student's performances are especially commendable considering that they competed (from our fledgling forensics program) with college juniors and seniors from fully developed and prestigious forensics programs such as the University of Oregon, Carroll College, and Whitman College. We expect to return to competition the weekend of February 5 and 6 at Clackamas Community College in Portland, hopefully adding a few more students to this worthy activity. Barbara Breden, Eng. & For. Lang.

TOMORROW - All staff are invited to a retirement party for John Shuster who has been Lead Welding Instructor at LCC for 20 years. Industrial Technology Programs will also be dedicating the metallurgy room in memory of Chet Aubrey. These events will take place in APR 107 on Friday, December 11 from 10 a.m. to 12-noon. Refreshments will be served and a good time is guaranteed to be had by all. We hope to see you there. Colleen Cairney, Industrial Technology, ext. 2843

THANK YOU - A special thank you to Special Maintenance staff Alvin Howard, Bob Cramblit and Bob Dyck for completion of the job of replacing the wind sock atop the Flight Technology building at Mahlon Sweet Airport. It was no easy task with the high winds. Jo Anderson, Flight Technology

PSA PROMOTES LITERACY - The Literacy Coalition, to which LCC belongs, recently helped produce a public service announcement with the local ABC-TV affiliate KEZI. The Literacy Coalition was founded in the spring of 1986 and is comprised of local businesses, service agencies, libraries, schools, and job training/employment agencies. Its purpose is to promote public awareness and coordinate adult literacy services in Lane County. The Coalition is staffed with resources from a national library grant administered by the Eugene Public Library. As the main provider of adult literacy instruction in Lane County, LCC provides leadership and support to many of the Coalition activities. LCC staff serve on the finance, publicity, recruitment, training, and learning disability committees of the Coalition. In addition, the monthly newsletter "Update" is edited by an LCC staff member, and distributed to over 1,200 individuals, businesses, and agencies in Lane County. Currently, volunteers are needed to assist with tutoring adult learners in basic reading or English As A Second Language, and to assist with office support, marketing, recruitment, and other support activities. If you would like to get involved, contact the Adult Literacy Volunteer Program Coordinator Lisa Henry at ext. 2919 between 2 and 6 p.m., Monday through Thursday. And watch KEZI for the PSA. Dave Oatman, HSC, ext. 2515

HOLIDAY DAILY SCHEDULE - There will be one more Daily this month on Tuesday, December 15. No E-Mail Daily entries will be accepted for this Daily only. Please route by intercampus mail or hand deliver to ADM 210. The first Daily of the new year will be Monday, January 4. Diane Prokop, Institutional Advancement, ext. 2591

GRANT ROUNDTABLE - The Grant Steering Committee is meeting tomorrow to continue work on improving LCC's ability to obtain grant funding. The last half of the meeting will be devoted to a Grant Roundtable for staff who are thinking about applying for grants and want to try their ideas out on others. If you would like to discuss an idea, learn more about LCC's grant process or talk to some of the LCC staff members who have been successful in obtaining grants, drop in. The Roundtable portion of the meeting will be held in Library 316 (mezzanine) tomorrow from 10:45 to 11:30 a.m. Diane Dann, Institutional Advancement

OF NOTE - Four LCC Speech Communication students-Andrea Pasutti, Brad Neuschwander, Vincent Jones, and Mark Llerna-competed December 4 and 5 in the Clark College Penguin Invitational Forensics Tournament, which was attended by 28 colleges and universities and nearly 300 students. While none of our students brought home trophies, they did receive impressive ratings for the three speaking rounds judged. Andrea Pasutti and Brad Neuschwander were rated first in several rounds of persuasive speaking and prose interpretation. Overall, they ranked in the top one-fourth to one-eighth in their events.
