ABOUT THAT PARTY STORY IN SATURDAY's Register-Guard: Attendance had to be more than 200 because 350 programs were given out and many never found the table where the programs were located....There were eight rather than five alumni award recipients, five in the Voorhees Alumni Family of the Year alone....Jerry Moskus is LCC's fifth, not seventh president....Voters approved establishment of the college by closer to a 5-1 rather than 4-1 vote....The college colors are blue and white, not silver....Not all the alumni winners were graduates.

WINNERS AT DRAWING were Jim Brooks, Mechanics, night at Driftwood Shores; Don Ownbey, Library, antique gum ball machine; and business student Sandra Curtis of Springfield, color tv.

SOUVENIR PRINTED PROGRAMS from Friday's afternoon party, as well as copies of the booklet, "Eight 1965 Staff Still on Job," are available by calling Sandy Young at ext. 2199. Sorry, the souvenir key holders (250 of them) are gone.

AMONG STUDENT HEROES AND HEROINES to be singled out at graduation are Sue Cox, single mother supporting three children, who graduates in nursing; Angela Miller, single mother of three, who came with a fear of math and graduates in accounting; Mari Adams, high school dropout, mother of two, who graduates in respiratory therapy; Earl Jones, disabled by Agent Orange in Vietnam, graduates in accounting; and Terrie Jones, Earl's wife, who left an office job to earn a degree in welding technology. Graduation speaker Dale P. Parnell of AACJC is expected to introduce them June 1 at graduation at the Hult Center.

CALIFORNIA ASSOCIATION OF COMMUNITY COLLEGES would like to hear from people who want to speak at the November 1990 convention at Los Angeles. THE DAILY

Published for the staff of Lane Community College

ELECTION ON BOARD AGENDA - LCC's Budget Committee and Board of Education will each meet Wednesday night. The Budget Committee will convene at 7 in ADM 216 to receive the Administration's spending plan for the fiscal year which begins July 1. The \$40.2 million proposal will be up 10.3 percent over this year because of such things as a \$940,000 reserve fund to be used in 1991-92 toward an anticipated revenue shortfall.

The 8 p.m. Board of Education meeting will focus on housekeeping matters plus a discussion about possible funding elections. On the table is an offer by Lane County to pay up to \$25,000 toward costs of an LCC election to be held between now and July 1991. The Board could consider either or both a serial levy or tax base election.

Both meetings are open to the public.

TODAY - Facilities Committee meets at 3:30 p.m. in CS 203. The agenda includes discussion of the five-year facilities plan update, 1991 summer roofing projects, a memorial tree request, parking policy, smoking in the Performing Arts Building, a BUS 108 wall change, and CEN basement lounge. It's open to the public.

CLOSURE AHEAD - Purchasing Services will be closed Thursday and Friday, May 10-11 for inservice. For normal purchases, Director Lloyd Rain asks that POs for the week be turned in by Tuesday night, May 8, for processing on Wednesday. For emergency items, the order can be called to vendors; Purchasing staff will process them Monday, May 14.

CLOSED - Records Management is closed at least until May 21. Nita Cameron, micrographics technician, is out due to surgery. Those needing assistance may call Michael Ridderbusch in Archives at ext. 2466.

SUMMER TERM DATES - The class schedule is to arrive in homes on May 29. Registration begins June 5; classes begin June 18.

VOLUNTEERS REQUESTED - Four people are needed to help at the Heceta House Open House on Sunday, May 20. Call Carol Beckley at ext. 2363.

TOUGH DECISION - KLCC has to learn whether listeners are willing to help pay costs of continuing programming by Garrison Keillor. The station has to pay \$13,000 for this show. Those who want Keillor continued can help by sending \$25 or more to help pay the fee. Contact Development Director Paul J. Chan at ext. 2486 or 2224.

PLANNING UNDERWAY - Fall inservice will focus mainly on meeting needs of faculty this year, because other groups find it an inconvenient time for that activity. College-wide staff activities are scheduled only for Monday, September 10, 8 a.m. to 1 p.m., and Thursday, September 20, from 8 a.m. to 1 p.m. A faculty professional development team is organizing inservice for teachers. ANOTHER ALUM MAKES GOOD - Jeffrey Arnold, LCC class of 1976, has been promoted to deputy director for Congressional Affairs for the U.S. Department of Interior. His salary is \$78,000.

PLANNING/BUDGETING STUDY CONTINUING - Second meeting of the Planning-Budgeting Task Force is Thursday, May 10, in the Board Room, from 10-11:30 a.m. It's open to all interested. COMMUNITY COLLEGES ENROLLED 45.4 percent of all U.S. undergraduates in fall 1988, according to AACJC.

ABOUT ED-NET - For those who have asked about where the College President stands on Ed-Net, the answer is that he's neutral. Jerry Moskus says his past experience in Illinois and Iowa has helped him see the values but also the problems. The issue remains on the back burner.

LOOKING BACK - The Daily of March 10, 1976, reported that LCC had received an Energy Conservation Award for "responding to a nation-wide appeal to conserve energy by adopting the Department of Commerce Business and Industry Energy Management Program." We get letters

Excerpts from letters recently received by the college

- I would like to make special note of the involvement of Joan Ryan at the National Business Education Association Convention in Reno. Joan served as a publicity committee member. ... Thank you for your support of business programs at Lane Community College and for supporting the involvement of your staff in professional activities. Your support will help ensure quality business programs at LCC and throughout the state.
-- Greg Harpole, Specialist, Oregon Department of Education.
- Last semester I took Reading I through the Dislocated Workers Program. ... I have improved from a 6th grade reading level to a 8th grade level in one semester This was mainly due to my instructor, Linda Wong, who spent a lot of time with me one-on-one. ... I wanted you to know that she is definitely an asset to Lane Community College's staff.
-- Steve Cully.

- I am writing to you regarding one of your staff, Ron Van Scoyoc. I just finished his Career-Life Planning class and feel it was one of the best thing I've ever done in my life. ... He always goes that extra mile for his students whether in the Student Services office, During class or on his own time he's always there to guide and assist with compassion and humor. ... My son and two of my friends have decided to register at LCC and take this class because of their appreciation of his style when I described it.
-- Francie Plumb, Eugene.

- Just a comment on your registration system. The computer/phone registration is so user-friendly that it makes the U of O's seem like the stone age. After 3 hours at the U of O, I registered for classes at LCC over the phone in 3 minutes. I called the downtown center and even got an instructor's phone number from Laura. I have found the staff at LCC to be most helpful.
-- Pamela Burnett, Weyerheaeuser Company.

- I am writing this unsolicited letter in praise of Sharon Moore. ... Sharon is without a doubt the hardest worker I have had the pleasure to deal with. She takes on a project and the project is finished. She always follows through. She has wonderful organizational skills and exudes a great deal of professionalism. Her work on behalf of Lane Community College locally, regionally and nationally deserves recognition. I admire Sharon as a professional colleague and as an individual. You are fortunate to have someone of her caliber in your organization.
-- Shirley Gregory, Head of Cooperative Education, Oregon State University.

Moskus gives specific charge to Insurance Task Force

Reprinted from LCCEA News

The Insurance Task Force (Pat Dickover, Dick Eno, Linda Loft, Germaine Mock, Bill Reilly, Jackie Thomas) has been reviewing the college's current benefit program for all employees and has evaluated cost containment measures as proposed by the Agent of Record. In a January 16 memo to the three bargaining units, the task force recommended that the college and the bargaining units investigate having a single insurance carrier or trust organization which would provide the current level of benefits. They further recommended that the investigation entail the procurement of informal bids from the various insurance carriers and trust organizations.

In a March 22 memo, President Moskus suggested:

1. Exploring the feasibility of self insuring by the college.
2. Developing Requests for Proposals based on the insurance coverage currently applicable to each group and no less coverage for present employees based on negotiated contracts.
3. Evaluating potential carriers and their proposals.
4. Looking for ways to use the approximately \$20,000 of surplus funds from the Vision Service Plan.
5. Any other efforts which the task force deems appropriate toward improving benefits college-wide while containing the rapid escalation of insurance programs.

Twenty-fifth anniversary stickers, balloons, pencils, and napkins are still available for department use. Call or leave a message for Sara Baz, Institutional Advancement, ext. 2268.

V.P. search underway

Three candidates for the position of interim vice president for Instruction took the hot seat in College Council yesterday. Jim Ellison, Dean of Weekend College and Applied Technology; Pat John, Chair of the Study Skills Department and Director of the Learning Resource Center; and Ron Mitchell, Chair of the Social Science Department interviewed with members of College Council in open session. About two dozen interested staff members attended the session.

All three candidates stressed the importance of greater cooperation among college branches, called for a well-trained faculty, and promised to continue the move toward shared governance on campus.

The candidates will interview with members of Faculty Council, Instructional Cabinet, and ASLCC during the next several days.

President Moskus will take recommendations from the various advisory groups to the Board of Education meeting on June 13 and ask the Board to appoint an interim vice president at that time.

Meanwhile, a search committee to find a permanent vice president for Instruction will be in place by Friday. The committee will be comprised of representatives from Instructional Cabinet, Faculty Council, College Council, Instructional Support Staff, and ASLCC.

Thank you

- Over 30 students from the Health and P.E. Department volunteered their time during the weekend of May 19 and 20 to make the State Special Olympic Volleyball Tournament a huge success. We thank these students and the Health and P.E. Office and teaching staff for all their help.
-- Lisa Youngman, Oregon State Volleyball Special Olympic Committee.
- Thanks to all who came to wish me well at my retirement reception. I know many people were not able to attend, and called to tell me. It's nice to know I will be missed from the LCC family. A special thanks to Bob Vogel, Audrey Stribling, and Pam McClelland for the cake, refreshments, etc. I plan to be like "20-20"; I'm in touch, so you be in touch.
-- Ralph Cook, Electronic Services.
- To Lou Noah and his Community Education clown class: Thank you for giving us a "helping hen" with the First Annual Jaycees Community Easter Egg Hunt. Your help was "eggs-actiy" what we needed to make this project a success.
-- Cindy Pratt, Chair, Springfield Jaycees "Hare Force."
- The support staff in Health Occupations think Phil Powers is wonderful. Ask him why.

Congratulations

Tom Taylor, Dennis Mills, and Ralph Cook, all of Electronic Services, have received the Cooperative Education Outstanding Classified Employees of the Year Award for 1989-90.
