## Correction

The official department name is *not* Mass Communications, as reported in the *Daily*. The official name is Mass Communication.

## Closure

The Center Computer Lab will be closed for staff training from 9:30 a.m. to 5 p.m. Thursday, June 7, and Friday, June 8.

## Golf tournament to benefit athletes

The Eighth Annual 18-Hole Golf Tournament is scheduled for Monday, June 11, starting at noon at the Springfield Country Club. The tournament will employ a two-man scramble and the Calloway Handicap System. Prizes will be awarded for best scores on front and back nine, the longest putt (men's and women's), the longest drive (men's and women's), shot closest to the pin (men's and women's) and low net first, second, and third (men's and women's). There will also be a putting contest.

The fee for entering the tournament is \$35; \$18 of which you can claim as a tax deduction. Proceeds will provide scholarships for the men's basketball and baseball programs at LCC.

Registration is limited to 64 participants. To register or for more information, call Dale Bates or Bob Foster in Health & P.E., ext. 2215.

## Survey results to be revealed

Results of the Student Success Outcomes Survey have been analyzed. Lead Researcher Linda Gerber will review the results with the Student Success Outcomes Advisory Team Wednesday, June 6, at 1:30 p.m. in PE 205. All interested staff are welcome to attend the meeting. For more information, contact Julie Aspinwall-Lamberts, ext. 2576.

## Maze is a gas, man

Mike Maze, Mass Communication instructor, has a small part in the movie, "The Grand Tour," currently being shot in and around Eugene. He plays the part of Gas Man 3.

## Free Spanish lessons

Four men and a woman from the Dominican Republic will be attending classes in furniture making at LCC June 17 through July 30. If you can host one or more of them for a day or evening, call me at ext. 2883 or 344-6483. They

are free during the day on June 24, July 1, July 4, and July 8, and every evening during their visit. They speak no English; this is a chance for you to brush up on your Spanish. If you can't travel to an exotic Spanish-speaking country this summer, take advantage of this opportunity to learn about another culture.

-- Linda Myers, ITP.

## Mementos available

Twenty-fifth anniversary pencils and napkins are still available for department use. If you can use them, call or leave a message for Sara Baz, Institutional Advancement, ext. 2268.

## Thank you

Alvin and Bob: A very special thank you for all your help with any repairs and problems in my area. You are always so prompt and helpful. What would I have done without you?

-- Lori Bell, supervisor, Women's Locker Room.

## Memorial to be established in name of late bus driver

Two memorial plaques will be placed and roses will be planted in the LCC Peace Garden in honor of Donald White, a LTD bus driver who died this spring. White drove the LCC route for over six years. He was known and liked by the many students and staff who rode with him. White's family, friends, and riders are raising funds for the memorial in his name. If you'd like to contribute, send your donation to the Donald White Memorial, in care of the LCC Foundation. Contact Joe Farmer at the Foundation, ext. 2810, for more information.

## Attention contracted faculty

Faculty level change application packets for the 1990-91 academic year are available at the reception desk in Personnel Services. Completed applications must be returned to Personnel Services no later than November 1, 1990.

-- Sue Colvin, Personnel.

## Promotional materials to be reviewed

The college is reviewing recruitment and information publications, such as the four-color brochure and career cluster brochures. If you have ideas for publications or samples from other schools, contact Susan Sutton in Institutional Advancement, ext. 2593, by tomorrow.

## Design students to display their work

The 1990 Graphic Design student show, portfolio review, and graduation ceremony is scheduled for Wednesday, June 6, from 4 to 6 p.m. in the Art Department Gallery, first floor of the Math & Art Building. Drop by to see the students' portfolios and the student-produced color poster, and partake of some refreshments.

## Sequence out, registration in

Beginning fall term 1990, "registration number" will replace "sequence number" in all college materials. If you are preparing your fall term printed materials, please use the new term to be consistent with the class schedule and the ClassLine voice.

## Grants alert

Listed below are deadlines for applying for upcoming federal grants. The numbers following the program refer to the pages in The Guide to Federal Assistance, which details the programs. The guide is in the Grant Resource Library in the Faculty Resource Room on the mezzanine level of the Library. For more information, call Sara Baz, Institutional Advancement, ext. 2286.

## LCC loses a friend

Wayne Shields, former contractor and long-time LCC supporter, died June 3 after a lengthy illness. He was 82 years old.

Shields and his partners build Valley River Center, Valley River Inn, YaPoAh Terrace, Springfield High School, and other business buildings, schools, churches, banks, and houses in Oregon, Washington, and California.

In 1987 Shields donated \$500,000 to LCC for scholarships, teaching equipment, and the Dislocated Worker program. In recognition, the college named the Industrial Technology Building

after him. Each year the earnings from his donation provides scholarship for 29 students at LCC. It was his practice to visit the campus several times a year to meet with the scholarship recipients.

A memorial service will be held Friday, June 8, at 2 p.m. at Westminster Presbyterian Church, 777 Coburg Road. Instead of flowers, Shields' family requests donations in his memory to the LCC Foundation or the U of O Foundation.

## Hiring a minor this summer?

Child labor laws impose specific requirements on employers who hire workers under 18 years of age. Severe penalties are assessed for non-compliance. If you are planning to hire a minor this summer, call Darlene Turpin in Personnel Services, ext. 2586. She has a short, easy form for you to fill out and more information on hiring minors

## Florence Center steps out at Rhody Fest

LCC put on its best face at this year's Rhododendron Festival in Florence on May 19 and 20. Bill Porter, director of Lane Community College at Florence, reports that LCC students entered projects in the festival art show, and LCC instructors demonstrated techniques in acrylics, water color, and clay.

For the first time a LCC entry marched in the parades. Staff and students in cap and gown marched with the LCC "float." The "float" (pictured below) won the Fire Chief's Award in the Children's Parade and an award ribbon in the Grand Parade. The car was bedecked in pink, red, and white rhododendrons and topped with a mortarboard fashioned from wood, rhododendrons, and blue and white ribbon.

The LCC "float." Laura Ory drives while Darlene Moore rides shotgun.

## Professional development workshops set for fall

The Faculty Professional Development Team has processed the requests for proposals for workshops and presentations for the fall professional development period (formerly called inservice), and have come up with a list of programs.

A total of \$4,095 will be funded for fall workshops. Requests for funding exceeded the budget by \$5,500. Consequently, not all workshops and activities were funded, and, in some cases, the funding is less than the amount originally requested.

Included in the criteria the team used to select workshops were: To use local talent whenever possible, to use LCC facilities, and to encourage interdepartment activities to maximize the number of people who can attend workshops.

If you have any questions about the workshops or funding process, contact any of the team members.

## Madden top instructor

Milt Madden of the Social Science Department has been selected as Lane Community College Instructor of the Year for 1989-90. Madden, in his 21st year at LCC, teaches American history and Oregon history. Congratulations, Milt!

## Search for one V.P. continues; search for another ends

President Moskus met Tuesday with the Search Committee for Vice President of Student Services to review their final recommendation. Because some members of the campus community did not receive the vacancy announcement on time, the committee has recommended that the position be reopened for 30 days. There were also unresolved issues surrounding the job description.

Moskus has agreed to reopen the position in-house this summer, and asks that anyone who wishes to apply, but who might not receive mail in a timely fashion over the summer, contact him soon. A vacancy announcement will be mailed this month.

The committee wants to stress that neither the candidate's application nor his performance was brought into question.

The process for selecting an interim vice president of Instruction is concluded. The president will recommend to the Board next Wednesday that the position be filled by Jim Ellison. Moskus reports that all three finalists received strong support from the four groups that interviewed them, but that Ellison's support was strongest.

"Jim Ellison is an outstanding instructional administrator who cares deeply about people and about LCC," Moskus said. "I look forward to working with him."

## Golf tournament to benefit athletes

The Eighth Annual 18-Hole Golf Tournament is scheduled for Monday, June 11, starting at noon at the Springfield Country Club. The tournament will employ a two-man scramble and the Calloway Handicap System. Prizes will be awarded for best scores on front and back nine, the longest putt (men's and women's), the longest drive (men's and women's), shot closest to the pin (men's and women's) and low net first, second, and third (men's and women's). There will also be a putting contest.

The fee for entering the tournament is \$35; \$18 of which you can claim as a tax deduction. Proceeds will provide scholarships for the men's

basketball and baseball programs at LCC.

Registration is limited to 64 participants. To register or for more information, call Dale Bates or Bob Foster in Health & P.E., ext. 2215.

## Closures

- The Women's Center will close for the summer tomorrow, June 8, and will reopen in mid-September. The Transitions to Success and The Clients in Action programs, however, will remain open Monday through Thursday during the summer.
- The Library will close next week, June 9 - 17, and reopen June 18 with summer hours of Monday through Friday 8 a.m. - 5 p.m.
- The Center Computer Lab will close for staff training from 9:30 a.m. to 5 p.m. today and tomorrow.
- Student Health Services will close for the summer at noon tomorrow, June 8, and reopen on September 24.

## Survey results in

The student outcomes rated most important by faculty on the recent student success questionnaire were:

- \*Basic skills in reading, math, writing, and English language.
- \*Positive self-perception.
- \*Interpersonal skills needed in the workplace, such as teamwork, communications, and problem-solving.
- \*Fundamental skills and knowledge to adapt to new learning demands on the job.
- \*An appropriate work ethic, which includes such traits as punctuality, integrity, and concern for quality.
- \*Skills to set educational and career goals.

The results of the survey will be used to develop a student outcomes assessment plan and to identify information that faculty needs. If you wish to see the full report, contact Julie Aspinwall-Lamberts or Sally Wilson in Research, Planning, & Evaluation, ext. 2576.

## Office skills program best in state

LCC's Office and Accounting Skills Training program was named Oregon's outstanding post-secondary adult program by the Office of Community College Services and Oregon Department of Education. The program is administered by the Training and Development Department.

### **Instructor named to arts board**

Judith "Sparky" Roberts, a part-time theatre instructor in the Performing Arts Department, has been appointed to the Lane Regional Arts Council Board of Directors for a three-year term. She also serves on the Room Tax Committee for the City of Eugene, which funds cultural arts.

### **What will planning look like this fall?**

The Planning-Budgeting Task Force has recommended a planning-budgeting process that stresses openness and continuous staff feedback. Departments will prepare plans based on a vision of the college's future and specific criteria statements submitted by the president, vice presidents, and executive dean.

The department plans will have three components:

1. A master plan that contains the mission, goals, rationale, basic program operations and needs, and an equipment replacement schedule.
2. A projects plan that outlines any desired major new endeavors.
3. Resource transition potentials, or areas for potential reduction or elimination.

Department plans will be merged with branch plans, which in turn will be merged with a college-wide plan.

Questions? Comments? Want to see further details? Call a member of the task force before the next meeting, Thursday, June 21, at 10 a.m. in the Board Room.

## Staff Directory update

Please make the following change in your 1989-90 Staff Directory: On page 10, Under Computer Services, and page 42, first column, change Alen Bahret's phone number from 2191 to 2247.

## Enrollment looking good

With the final winter term and fourth week spring term enrollment figures in, it is certain that LCC will top 8,000 FTE for the first time since 1984-85, reports Marie Matsen of Research, Planning, and Evaluation. Latest projections are for 8,206 FTE, a 5.5 percent increase over 1988-89 enrollments.

## Procedure for purchase orders for new fiscal year

Each year we process between 500 and 1,000 purchase orders in the first week of July. The sooner you forward your POs to Purchasing Services the greater chance they will get issued in July.

We will preprocess POs by checking for appropriate account codes, signatures, quotations, and exemptions, and will hold the POs for issue during the first week of July. If submitted early, deficient POs can be clarified or returned for additional input well before the beginning of the new fiscal year or before you leave for an extended period.

Please review your requirements for the 1990-91 fiscal year and prepare the necessary POs as early in June as you can. At the same time, please review your account codes and ensure that the codes not loaded automatically will be manually loaded early in July through the budget change process.

Please help us expedite your orders by reviewing next year's needs now. Call us at ext. 2208 for any help you may need.

-- Lloyd Rain, Purchasing Services.

## Attention faculty

- Faculty level change application packets for the 1990-91 academic year are available at the reception desk in Personnel Services. Completed applications must be returned to Personnel Services no later than November 1, 1990. -- Sue Colvin, Personnel.

- The Faculty Council will meet during the summer. All meetings will be from 9 a.m. to noon in the Board Room. Meetings are scheduled for: June 20, June 27, July 11, July 25, August 8, and August 22.

## Revised 1989-90 closing calendar for budget administrators

Because of a delay in the distribution of May 1990 departmental expenditure reports, following are some revised dates for close out procedures:

**June 18:** Cutoff date for receipt by Financial Services of purchase order listing to be kept open or closed in exception to routine encumbrance policy.

**June 18:** Submit your final purchase requests to Purchasing on or before this date to allow the purchase orders to be issued before July 1. 1989-90 purchase requests of an emergency nature will be accepted until noon on June 29.

**June 20:** Cutoff date for receipt by Financial Services of intercampus forms requesting correction of May 1990 materials and services and capital outlay transactions charged to incorrect account numbers. Correction requests will generally not be accepted after this date.

**Starting next week the Daily will be published once a week, on Tuesdays. Get your announcements, news items, and ads to the Daily by noon on Monday for them to be included in that week's issue.**

## Scholarship established in memory of Nyegaard

As most of you know by now, Doreen Marshall Nyegaard, part-time instructor in the Dental Hygiene program and daughter of Vice President for Student Services Bob Marshall, died last week. A scholarship has been established in her name. If you'd like to contribute to the Doreen Marshall Nyegaard Dental Student Scholarship, send your contribution to the LCC Foundation. For more information, contact Roberta Opdenweyer, LCC Foundation, ext. 2810, or Joyce Kofford, Student Services, ext. 2315.

## Daily to go weekly

Starting next week, and until September, the *Daily* will be published once a week, on Tuesdays. The deadline for news items, announcements, and ads is noon Mondays. Contact Larry Romine, ext. 2303, if you have any questions.

## Datapoints reprints available

I want to apologize to our loyal Datapoints readers. Several copies of our spring issue were distributed with some very obvious errors. If you'd like a corrected copy, call me at ext. 2576.

## Florence campus wins grant

LCC at Florence is the winner of this year's Eldon Schafer Endowment for Innovation, a \$3,250 grant. The grant will be used to develop nature trails and outdoor classrooms in the 15 acres of native coastal forestland on the Florence campus. The area will be used for classes and community activities.

## Thank you

I am so very moved to have learned just recently that the picnic area outside Campus Services is being erected in honor of Bob Upp. The original idea was Ted Florey's, and everyone in Campus Services agreed it would be a nice thing to do. How Bob loved the outdoors! I'll just bet Bob is looking down and saying to you all, "Hey, you guys are all right." He loved you all so very much and so do I. Please accept my most sincere appreciation. -- Gayle Upp.

## We get letters

*Excerpts from letters recently received at LCC*

- To President Moskus: I wanted to personally thank you for keeping the Dislocated Workers program. After working in a mill for 21 years, and then losing my job, I was really terrified about my future. ... Your program was my last hope. ... I have entered your program and only enrolled in study skills courses, but I am very proud to say, after only one half semester, I have learned to do math, read and spell. With the help of all my wonderful and caring teachers, I am now pulling straight "A's"! I was a failure in high school, but there's no stopping me now!  
-- Frank Henderson.
- To John Bernham and Robert Marshall: I am writing you to commend Jean Conklin's representation of LCC and her presentation at our workshop last Friday. Her commitment to quality and communication skills contributed a great deal to this day.  
-- Susan Roudebush, Oregon Career Information System.
- Dear Theater Arts Department: I had to write to tell you what a wonderful time I had Saturday night for the final production of "The Voice of the Prairie." ... The staging, pace and timing were superb. Rob Carpenter, Simone White and Jay Allen Jenkins were outstanding. The changing characters from scene to scene presented a real challenge for the cast and they responded to it in the finest professional manner. ... This production was one of the finest productions I have seen in Eugene.  
-- Wayne Westling, School of Law, U of O.
- Dear Doug White: You constantly amaze me how well you work with our vocational student state officer groups. The presentation is so professionally done and meaningful to all who participate. We have enjoyed our many years' relationship, and it's so positive to be working with such a "pro."  
-- Nat Etzel, Executive Director, Student Leadership Center, Salem.
- To Pat John: At the twelfth annual conference of the Oregon Developmental Studies Organization, April 12 & 13, [Cheryl Kempner] [Sharon Sandgathe] [Linda Wong] gave a presentation titled "Specific Skill Building in a 3-week Mini-Class Format." ... We appreciate [her] professional commitment and willingness to share her information and ideas with colleagues from around the state. Her presentation actively helps carry out the ODSO purpose, which is to give adult educators an opportunity to share similar interests, exchange ideas and information and keep abreast of new developments in the field.  
-- Fran Collins, OSDO Coordinator/President-Elect, Clatsop Community College.

## What will planning look like this fall?

The Planning-Budgeting Task Force has recommended a planning-budgeting process that stresses openness and continuous staff feedback. Departments will prepare plans based on a vision of the college's future and specific criteria statements submitted by the president, vice presidents, and executive dean.

The department plans will have three components:

1. A master plan that contains the mission, goals, rationale, basic program operations and needs, and an equipment replacement schedule.
2. A projects plan that outlines any desired major new endeavors.
3. Resource transition potentials, or areas for potential reduction or elimination.

Department plans will be merged with branch plans, which in turn will be merged with a college-wide plan.

Questions? Comments? Want to see further details? Call a member of the task force before the next meeting, Thursday, June 21, at 10 a.m. in the Board Room.

## Insurance in retirement

When planning for retirement, classified and management employees need to remember that changing insurance carriers and adding dependents must be done at the open enrollment before the date of retirement so that insurance coverage may continue into retirement. Faculty employees must have two years of immediate prior coverage with OEA Choice before retirement to be eligible to carry their insurance into retirement. Once you retire, you cannot add a dependent or change insurance carriers.

First week of Summer Term

# THE DAILY

Published for the staff of Lane Community College  
Editor: Wendell Anderson, Ext. 2591

**PRESIDENT COMMENDED** - Faculty Council has given President Jerry Moskus a high mark for his work. In a memo shared with the Board of Education last week, the Council said:

It is our pleasure to take this opportunity to commend President Jerry Moskus for the job which he has done in the past three months. There is, on this campus, a renewal of interest in college affairs. The newly formed Faculty Council, consisting of faculty from across the departments of the LCC community is a direct expression of this interest.

**APPLAUSE!**

Dr. Moskus solicits the opinions of those persons who will be affected by a decision or policy, listens to their responses, and gives due consideration to those responses in making his decisions. The College Council, the Faculty Council, and the soon-to-be formed Council for Classified Staff are seen as genuine reflections of Dr. Moskus' openness and interest in the LCC community.

Jay Marston, Science, who read the faculty statement, said it is an "incredible pleasure" to work with the President. His remark was echoed by Classified President Jerry Sirois and Management Steering Committee Chair John Bernham.

**BUDGET ADOPTED** - An operating budget of \$38.8 million has been approved by the Board of Education for the fiscal year which begins July 1. The Board is asking Lane County to levy \$16.6 million in local property taxes to apply toward the budget and the last year of the \$725,000 serial levy for equipment. Estimated cost for property owners is \$1.99 per \$1,000 of assessed value. Remainder of revenues will come mostly from the state, along with tuition and some federal contributions.

**ELLISON APPROVED** - The Board of Education last week approved President Moskus' choice of Jim Ellison as interim vice president for Instruction from June 14 through December 31. Other personnel matters: Robert Creed moves from acting to permanent Health and Physical Education head effective September 10. Joyce Godels comes from the South Carolina College of Nursing to become associate head of Health Occupations effective August 27. Sandra Jones moves from the Valley West Health Care Center of Eugene to director of the Senior Companion Program. John N. (Nick) Cheshire is the new program manager in Computer Services. Kenneth A. Johnson retires from Campus Services after 22 years.

**REROOFING TO START SOON** - Summer reroofing projects this year include the main gym, auxiliary gym, and P.E. buildings by River Roofing of Eugene for \$174,942; Performing Arts building, Electronics/Science buildings, and Downtown Center by Umpqua Roofing of Eugene for, respectively, \$90,280, \$42,990, and \$77,780. Serial levy funds will be used to pay the bill.

**OTHER PROJECTS** - Besides the reroofing, a parking lot light improvement effort will be made in coming months at a cost of \$17,500 to raise lighting levels in lots most used at night. A robotics lab remodel at a cost of \$5,200 also is scheduled. In the planning stage are four projects: underground storage tank removal, auto body paint exhaust improvements, welding lab exhaust improvements, and Florence campus outside lighting improvements.

**PURCHASES APPROVED** - The Board of Education last week agree to spend \$16,680 to buy a computer aided manufacturing (CAM) lab for the Mechanics Department. Students will be able to draft machine parts and machine them by computer. News-Register Publishing of McMinnville will produce four class schedules in the new fiscal year for \$64,500.

**NO SUMMER ELECTION** - If the College is to seek additional funding from voters, it won't be at an election this summer. The Board of Education wants to consider the matter further before making a decision. The College anticipates being as much as \$2.3 million short of needed revenues by the 1991-92 year.

**CLOSED FOR THE SUMMER** - The Downtown Center Student Services Office is closed until September 11. Students may be referred to the Main Campus Counseling and Advising Center. - Ron Van Scoyoc, counselor, ext. 2204

SHORT-TERM TRAINING PROGRAM PARTICIPANTS GRADUATE - "Congratulations to the participants in the Office Skills and Ward Secretary vocational training programs who have completed six months of intensive training, including Cooperative Work Experience assignments with local businesses. The Training & Development staff is proud of all of them for their dedication and really hard work! Interested LCC staff are invited to attend the graduation ceremony on Tuesday, June 26, at 7 p.m., in the Performing Arts Theatre, and the reception afterward in the northeast corner of the Cafeteria." - Valerie Reed, T&D, ext. 2862

REELECTED - LCC Education Association members reelected this year's officers for a second term. Jay Marston, Science, is president; Wayne Workman, Mechanics, vice president for full-time credit faculty; Kelly McGean, SBDC, vice president for full-time non-credit faculty; Peter Jensen, English and Foreign Language, vice president for part-time faculty; Sharon Chandler, Health Occupations, secretary; and Marilyn Rholl, Business, treasurer.

DAILY OUT TUESDAYS THIS SUMMER - The Daily will be out weekly (hope we spelled that correctly) this summer. Send your items by Monday noon to Institutional Advancement. Larry Romine is doing the honors except for three issues in July, when Diane Dann takes over. Call Romine at ext. 2303; Sandy Young also may be able to help. She's at ext. 2199.

FOUR PROPOSALS FUNDED - Four of 17 proposals to the Eldon G. Schafer Endowment for Innovation will share \$9,750 to carry out College-improvement projects. The winners were chosen by a committee chaired by Lucy B. Schafer, widow of LCC's president from 1970-85. The winners, in order of Committee preference:

1. \$3,250 grant to implement Bill Porter's proposal to establish a network of nature trails and an outdoor classroom/assembly area on the 15 acres of LCC-owned forest land directly behind the Florence campus. It's to be completed by August 31.

2. \$3,000 grant to implement Betsy Vander Schaaf's proposal to complete the Art and Applied Design Department's art history computerized slide catalog project. It was begun in 1987 and is approximately three-fourths completed through efforts of Vander Schaaf, Kitty Seymour, and Satoko Okito. The 35mm slides cover art monuments from paleolithic cave paintings to contemporary works. They are catalogued in order of chronology and by medium and represent a documented history of western and Asian art traditions. The project is to be completed by the end of next fall term.

3. \$500 award in recognition of the Industrial Technology Department's in-progress City of Springfield construction partnership. Carl Horstrup submitted the proposal. This program provides real world experience for students who work on projects benefiting the city. Springfield provides the materials; LCC provides labor, equipment, and tools. The current (third) project is renovation of the historic Springfield Train Depot. Students will work this year in all phases of construction, along with skilled professionals hired by the city. The cash award will go toward project-related expenses.

4. \$3,000 grant to implement Harvey Bond's proposal to develop an LCC addiction services training program to open by fall 1991. Student Health, Social Science, and Counseling would give input to the program, which would have ties to Serenity Lane and the Sharp adolescent treatment center at Sacred Heart General Hospital. Graduates would earn the A.A.S. degree in Chemical Dependency/Addiction Services.

The Schafer fund is administered through LCC Foundation.

FOUNDATION INVESTMENT PORTFOLIO TOPS \$1,000,000 - Over the past 18 months, net capital changes of \$181,113 in gifts and transfers have pushed the market value of LCC Foundation's portfolio to \$1,003,286 as of the close of business on May 31. In November 1988, the Foundation trustees moved the assets from certificates of deposit to a money manager, Marshall & Sullivan of Seattle, through Wedbush Morgan Securities of Eugene. Assets at the time totaled \$629,785. Progress since then has placed LCC Foundation among the top 25 community college foundations in the nation.

MARK YOUR CALENDAR - The eighth annual LCC Open golf tournament will be held on Friday, September 14, at Emerald Valley Golf Course at Creswell. Cosponsors are Uncle Bud's Mazda of Cottage Grove and Bit by Bit Computers of Eugene.

COMMITTEE FORMING - Oregon Community College Association will hold a public meeting in the northwest area of the LCC cafeteria on Saturday, June 23, at 3 p.m., to talk about forming a community college political action committee. All persons interested are invited to attend. The group would work on behalf of community colleges at the 1991 Legislative Session. (Note: LCCEA has announced that it is encouraging its members to continue to support its own PAC, OEA-PIE.)

LCC WILL BE OUT IN THE COMMUNITY THIS SUMMER - Information booths will be at these events: Valley River Center July 21-22 and September 15-16; Springfield Broiler Festival July 27 (evening) 28-29; and Eugene Celebration September 22-23. If you can spare two to four hours to help staff a booth, call Charlene Blinn at ext. 2235 or 461-0589 between June 25 and July 9 to reserve a block of time. No previous booth experience is necessary. A friendly smile is appreciated.

BOARD POLICIES REVISED - The Board of Education has approved revisions of two purchasing policies. The new wording:

3321 Purchasing Procedure All procurement on behalf of the College shall be executed in accordance with the requirements of Oregon Revised Statute #279 and Oregon Administrative rule #125. The various thresholds for 'formal' or 'sealed' public bidding shall remain in compliance with these regulations as they may be amended from time to time. Where Federal procurement regulations apply and are more restrictive than the State regulations, the Federal regulations shall prevail.

3322 Purchases of Used Personal Property Purchases of used personal property shall be made within the context of Oregon Administrative Rule #125-310-075. When the value of any such purchase exceeds \$15,000, such purchases shall be authorized only by the College President, who shall notify the Board of such purchase at the next regularly scheduled meeting of the Board of Education.

GRANT APPLICATIONS WANTED - Looking for a funding source for your project? The Charles Stewart Mott Foundation funds projects in education. Its 1990 interests include: at-risk youth, including pregnancy prevention and teen parenting; community education; intergenerational programs; minority education; early childhood and parenting education; employment training and counseling; redesigning education; and special initiatives. The Foundation is looking for programs that are truly innovative and that will be able to sustain support after the funding period is over if it is a continuing program or that will have a lasting benefit to the community if it is a limited time period project. The 1990 Programs, Policies and Procedures booklet is in the 'new' box for the Grant Resource library in the Teaching and Learning Center. - Sara Baz, Institutional Advancement, ext. 2268

TIME MANAGEMENT WORKSHOP OFFERED - "Time Management for Home-Based Businesses" will be offered by the SBDC on Saturday, July 14, from 9 a.m. to 4 p.m. at the Red Lion Inn on Coburg Road. COMMUNICATION ENCOURAGED - "If you are seeking grant funding, don't let your hard work go to waste. Many agencies direct all formal communication to the President, who in turn sends them to grants staff in Institutional Advancement. Sometimes we cannot locate the staff member involved. Last week we had to scramble to track two applications, one that was funded and one still in the application state. Don't let this happen to your grant. Whenever you are in contact with a funding source or are working on a grant application, please be sure you are following the College grant process and that you are keeping us informed. This is equally true if you are involved in a consortium requesting funding, even and especially if some other organization is writing and submitting the proposal. Thanks." - Diane Dann, I.A., ext. 2592

NEXT WEEK - Independence Day, July 4, is a College holiday.

COPIES AVAILABLE - If you didn't receive a copy of Well, Well, Well... for July, or need more copies, call Sandy Young at ext. 2199.

CLASSIFIED INSURANCE CHANGE EFFECTIVE JULY 1 - "Classified full-time permanent employees are eligible for College-paid full family medical insurance after 36 months of seniority. Classified part-time employees (hired after September 25, 1984, who regularly work 80 or more hours per month) are eligible for College-paid prorated (premium contribution will be based on the budgeted FTE of the position as of September 1 each year) family medical insurance after 36 months of seniority. Eligible employees will receive a memo on reaching their eligibility date. Be sure to enroll your family immediately or you will need to wait for open enrollment. If you have questions about your eligibility, call." -Marie Nelson, Personnel Services, ext. 2590

CHANGE OF MARITAL STATUS ON INSURANCE - "When you have a change in your marital status due to death, divorce, or legal separation, you will need to delete your spouse from medical, vision, and dental insurance coverage since they no longer qualify as a dependent under these plans. Change of Status forms can be completed in Personnel Services. Remember: When you delete a spouse from insurance coverage because they are no longer a dependent, the College will offer them the option to self-pay for coverage for a period of 36 months or longer. If you have questions about the spouse coverage and/or continuation, call." -Marie Nelson, Benefits Assistant in Personnel Services, ext. 2590
