## College Council report

### Three proposals recommended for investment opportunities fund

Three proposals were recommended by the Investment Opportunities Committee to College Council at its May 18 meeting. Committee spokesperson Sandy Cutler said a fitness education center, a brand name restaurant, and a student exchange appeared to meet the intent of the fund to start activities that would save the college money or generate new revenue. Recommendations will go to the Board of Education.

The proposed fitness center would need \$75,000 to start up and would generate new revenue through fees and FTE reimbursement. After discussion, President Jerry Moskus directed Bob Creed of Health and Physical Education to revise the proposal budget and to speak with more local fitness businesses about their concerns of competitiveness.

The brand name restaurant would need \$60,000 to start up and would generate revenue through sales. It could be a franchise owned by the college or owned by an outside party paying a percentage to the college. After discussion, Moskus directed Vice President Linda Fossen to investigate how sales revenue would be channeled into the general fund.

The student exchange would be with the Republic of Georgia in the former Soviet Union and would need \$17,000 to start up. Revenue would be generated through FTE reimbursement and international tuition. Council queried whether the proposal should include more countries.

All three proposals will be brought back with clarifications to the June 1 council meeting before being referred to the board.

### College restructuring being considered

Moskus said Executive Cabinet has held two all-day sessions so far to consider college restructuring. He said changes in our community, economy, technology, the state and other changes require us to "look at the system" at Lane. He foresees possible matrix responsibilities, such as Vice President Larry Warford overseeing staff development for the college as a whole as well as directing Community and Economic Development. The problem with this is work overload, said Moskus. He also foresees more leadership on the front lines and a move away from the old bureaucratic method of being told what to do. He cited Julie Baker's initiative in leading an effort to establish an emergency sick leave bank for employees as an example. "But to succeed in this, we all have to know the college vision," said Moskus. Job descriptions may change from a listing of tasks to a statement of purpose. Executive Cabinet will continue working on a restructuring plan.

Council meets again today, June 1, from 1:30-3 p.m. in the Board Room.

## Musicians and singers to perform this week

The **Lane Jazz Ensemble**, under the direction of Ron Fertucci, will perform on the mainstage of the Performing Arts Theater tonight at 8 p.m. The concert will feature music by Matt Harris, Freddie Green, Matt Catingub and Willie Maiden as well as several vocal features with vocalist Darcy Du Ruz. The South Eugene Jazz Ensemble will open the program.

The **Lane Symphonic Band** and the **Lane Concert Choir**, under the direction of Ron Bertucci and Wayte Kirchner respectively, will be held Wednesday, June 2, at 8 p.m. This final concert by retiring instructor, Wayte Kirchner, accompanied by Arlene Kirchner on piano, will feature a lively mix of tunes.

Donations of \$4 for adults and \$2 for students are requested for both events. However, Lane staff are welcome to enjoy the concerts for free. For information, contact the Box Office, Performing Arts Theater at ext. 2202.

### **Management Personal Development Committee to meet**

The Management Personal and Professional Development Committee will meet on Thursday, June 17, 1993 to review applications for both personal and professional development. Please submit applications by Friday, June 11, 1993. The Committee will be unable to review late and incomplete applications. Please call Lloyd Rain for forms and guidelines (ext. 2208).

### **Annual graphic design show opens next Monday**

The annual graphic design student awards show for second-year students will be held June 7-11 in the Art Department Gallery.

### **Final diversity series seminar to cover Chicano history**

The "Issues in Cultural Diversity" seminar series concludes today with "Chicano History" from 3-4:30 p.m. and 5:30-7 p.m. in Apr. 216. For more information, contact Vicki Levine at ext. 2074.

### **Book sale today and tomorrow**

The Library book sale is June 1-2 from 10 a.m.-2 p.m. in the Center Building second floor lobby. Prices are \$.50 paperbound and \$1 hardbound. Book donations are needed.

### **Tickets on sale now for all-staff night at the ballpark**

The classified, faculty, and management professional development teams invite all staff and their families to the Eugene Emeralds baseball game and a pre-game all-you-can-eat-and-drink picnic at Civic Stadium on Thursday, July 15. Arrive at 5:45 for the picnic and stay on for the 7 p.m. game. This was a fun outing last year and promises to be even better this year. Jerry Moskus is warming up for the first pitch and "The Gorilla" will be on hand to entertain fans, not to mention some great baseball from the Ems and Boise! Cost for general admission to the game and the picnic is \$8.50 per person. Get a group together from your office and get your tickets now! Contact Sarah LaMaster, ext. 2312, Institutional Advancement for information and to buy tickets.

### **Flight Tech open house**

The Flight Technology Department invites one and all to its annual open house on Friday, June 4, 11 a.m.-3 p.m., at the airport. Awards will be presented from 1:30-2:30 p.m. A video on Lane's aviation training will be shown. Refreshments will be served. For more information, call 689-2021.

### **Send-off planned for Laura Ory Merz of Florence center**

Join the LCC at Florence staff on Saturday, June 5, as they hold their end-of-year party as a special thank-you to Laura Ory Merz, administrative assistant at the center for over five years. She is leaving to pursue a degree in music education at Willamette University for a career in choral music direction. The all-day celebration will be at the home of Niki Shelp, LCC at Florence adult basic education instructor. Call her at LCC at 997-8444 or at her home at 997-7041 for directions to her wooded retreat. Y'all come!

### **Auditions scheduled**

Lane staff are encouraged to audition for the fall production of Pete Peterson's play, "That Pioneer Road," to be directed by Jim McCarty. Auditions will be held on the Performing Arts mainstage on Wednesday, June 2, from 4-6 p.m., Thursday, June 3, from 4-6 p.m., and Wednesday, June 9 from 6-8 p.m. Auditioners should prepare a one-minute monologue. Needed are three men, age 30, 50, 60; two women, age 25 and 55; and about 15 non-speaking parts, all ages. Rehearsals begin Sept. 20. Six performance dates will be held from November 5 through 20. For details, call Jim McCarty at ext. 2643.

### **Mike Gleason rescheduled for June 4**

Mike Gleason, Eugene city manager, previously scheduled to speak to Steve Candee's "State and Local Government" classes on Friday, May 28, had to reschedule and is now set for Friday, June 4, from 1-2 p.m. and 2-3 p.m. in Center 402. Guests are welcome.

### **Applause**

After completing a complex course of study and taking a lengthy exam, Ed Case of Purchasing Services has been certified by the Construction Specifications Institute as having passed the Construction Documents Technology Program. Combined with his certification as a "Certified Professional Public Buyer" by the National Institute of Government Purchasing, Case is one of only a handful of people in Oregon to obtain these purchasing credentials.

## Student success meeting

A brief student success meeting will be held on Monday, June 7, at 4 p.m. in PE 205. Contact Evelyn Nagy at ext. 2947 for information.

## Fair volunteers needed

Enjoy a free day at the Lane County Fair from Aug. 17-22 by volunteering to assist a few hours at the Lane booth. To volunteer call Barb Delansky or Sally Meadow at ext. 2336.

## Reception set for Bill Buskirk

The Science Department will host a retirement reception for Bill Buskirk on Friday, June 4, from 1-3 p.m. in SCI 104. Buskirk retired in December after many years of teaching anatomy/physiology and microbiology full-time. His assignment just prior to retirement was a teaching exchange in Australia.

## Fixed assets threshold increased

Fixed assets are inanimate physical items other than real estate which have an expected useful life of two years or more. These items are invariably coded as capital outlay within the 7300 and 7400 object codes. Recently, the minimum value for placing an item in fixed assets has been \$200. As of July 1, the fixed asset threshold will become \$500. This means that any item with an original value of \$499.99 or less should not be classified as a fixed asset. Some grants and contracts may have different fixed asset thresholds; administrators of grants and contracts are responsible for ascertaining and abiding by the appropriate fixed asset requirements. Please consider these comments when coding your purchases for FY 93/94. Thanks. - Lloyd Rain, Purchasing, ext. 2208

## Confirm insurance before retirement

Before retiring from Lane, it is important to change your insurance records. Call Marie Nelson in Personnel Services at ext. 2590 to confirm that all necessary forms have been completed.

## New in the Grants Library

The Grants Library has received the National Directory of Corporate Giving, Second Edition, which profiles 1,791 companies making contributions to nonprofit organizations. Profiles include information on contacting the funding source, types of programs funded, geographic limitations, and financial data. Also new is a proposal development guide "From Idea to Funded Project--Grant Proposals that Work." Grant library reference materials can be used in the Grants Library in the Administration Building. Contact Sarah LaMaster, Grants Coordinator, ext. 2312.

## Fall in-service plans underway

Fall 1993 in-service plans scheduled so far are: all-staff meeting, Sept. 20, 1-4:30 p.m.; student success roundtables and lunch, Sept. 21, 12-3 p.m.; LCCEA activities, Sept. 22, 11 a.m.-3 p.m. Twenty individual presentations by staff have been scheduled throughout the two weeks of in-service. An all-staff picnic is planned for Sept. 23 from 11 a.m.-2 p.m. on Bristow Square. Complete schedules will be mailed in late August. - Julie Baker, IA, ext. 2199

## Library announces on-line computer catalog

Got a modem on your home or office computer? You now can dial Athena, the library's new on-line computer catalog. Phone numbers are 744-3964 or 74-3965. Baud rates are 1200 or 2400, parity N, data bits 8, stop bits 1, echo N. Login and password are both "library" in lower case. Emulation should be set to VT100. Call the library at ext. 2220 for a full instruction sheet.

## Reception today for student winners of national art competition

*"Rabbit Running" by Karen Ehlers*

A reception will be held today at 2:30 p.m. in the President's Office reception area for two Lane art students who won first and second place in the annual national student art competition sponsored by the League for Innovation in the Community College. This is the first time that a school has won both the first and second place prizes. There were 90 entries in the competition.

President Jerry Moskus will present the \$500 first place award to Karen Ehlers of Eugene for her bronze casting titled "Rabbit Running." She is a second-year student but this was her very first casting. She said it

*"Big Idea" by Marilyn McNabb*

took her two terms to finish the project including a full summer term of 10 a.m. to 5 p.m. days in the studio three times a week. The president will give the second place award of \$200 to Marilyn McNabb of Eugene for her etching titled "Big Idea." She studied etching 11 years ago and took it up again fall term at Lane part-time. The winning piece was her first project. Both works are on display outside the Board Room. The competition was juried by internationally known printmaker and University of Iowa art instructor Virginia Myers.

## Flight technology students tour Boeing factory

The annual Flight Technology Department field trip was completed Friday, May 21, under the direction of Chief Flight Instructor Bruce Gustafson. He reports that six aircraft, flown by 14 advanced students, were able to accomplish the flight under the supervision of LCC flight instructors.

Departing Eugene by 10 a.m., the six aircraft flew via Portland and Seattle to Everett, Washington, for a no-host luncheon at the Jet Deck restaurant, followed by a special free tour of the Boeing 747 factory. Lane flights departing Everett by 5:30 p.m. were back in Eugene by 8 p.m.

All aircraft operating costs were paid by the participating students, who accomplished required lessons or aircraft checks enroute.

## New phone books available

New US West telephone directories are available in the warehouse. Take your old phone book and trade it in. If you have any questions, call Virginia Brady in Campus Services at ext. 2565.

## New Tai Chi class offered

## Year end purchase order process

Please review your purchasing requirements for fiscal year 1993/94 now. If you have purchase requisitions which need to be processed early in July (blanket POs, service agreements, leases, rentals, etc.), begin formulating them now and pass them through the signature process. Be sure to clearly mark each PO with a note showing FY 93/94. As we close out this fiscal year, Purchasing Services will do its best to accommodate your needs; however, please be aware of these changes and constraints:

- 1) We will be unable to issue purchase orders between June 21-30 except in emergencies; please have all remaining POs for FY 92/93 in our hands by the close of business on Monday, June 21.
- 2) Open POs (also known as blanket POs) will all be discontinued at the close of business on June 30. New open POs for FY 93/94 will have to be issued to replace those which are closed.
- 3) There will be no "deferred PO" system this year. Purchase orders for FY 93/94 which absolutely must be issued before July 1, 1993, will be issued (reluctantly) with a separate set of PO numbers. All other matters on these POs, including account codes, will be normal.

We apologize for any inconvenience these restrictions may cause. We are trying to streamline the purchasing process as best we can; when we go "on line" things will improve dramatically. Thanks for your understanding. - Lloyd Rain, ext. 2208

Those unable to attend the meeting may vote at the LCCEA office, Industrial Technology Room 210, through finals week. Ballots will be distributed to satellite campuses. - Don Micken, LCCEA president, ext. 2177

## Management rep needed for College Council

Management employees need to elect their at-large representative for the 1993-94 College Council. Carol Beckley held this post for 1992-93. Those interested in running for this position should notify the President's Office by Wednesday, June 16. Management positions on the council include a vice president, the chair of the Management Steering Committee, and an instructional rep. For more information, contact Marie Matsen, ext. 2313.

## Jean Whiteside named outstanding employee for June

Jean Whiteside, Continuing Education secretary since 1985, is Outstanding Classified Employee of the Month for June. Vice President Larry Warford conferred the award certificate on Tuesday as co-workers cheered. Nominators said, "Her attitude is one of service" and "that life and people are interesting." She is "the most cross-trained member of the department, at her own request" and "always beats deadlines" and "keeps meticulous records." She is credited with superior people skills and has many letters of thanks from students and instructors and customers who ask for her specifically.

Whiteside came to Lane to get information about buying a home computer. Instead, she got encouraged to enroll in a three-month training program in business skills and office procedures. She did. Her personality and 120 words-per-minute typing prowess became known and the college hired her upon program completion. Lane's was the first job application she'd ever filled out, having spent 35 years traveling with husband in the oil business and living around the world.

Born in Oklahoma, Whiteside has a bachelor's degree from the University of Georgia. She and her husband have three grown children, including daughter Patti Jackson who teaches for Lane at the Emerald Job Center. Whiteside volunteers for Very Little Theater and is a former member of Sweet Adelines, the American Association of Women in Community Colleges, and the Instructional Support Staff Association at Lane. She has taught bridge at Lane. She has yet to buy her home computer.

*Jean Whiteside shares a hug with boss Shannon Kracht.*

## If you distribute your department's mail, read this

Those who sort their department's mail should advise The Daily how many copies of The Daily will be needed during summer term while part-year staff are absent. The new count is needed by Monday, June 14. In the past, The Daily has made its own estimate but this year would like to hear directly from departments. The Daily will publish only on Tuesdays from June 15-Sept. 14. The full schedule will resume Monday, Sept. 20.

## New phone books available

New US West telephone directories are available in the warehouse. Take your old phone book and trade it in. If you have any questions, call Virginia Brady in Campus Services at ext. 2565.

### Supplemental life insurance

Supplemental life insurance with Standard Insurance Company is available to classified and management employees and spouses from \$30,000 to \$300,000 in increments of \$10,000 with a \$30,000 initial minimum purchase. Premium rates for each \$10,000 are based upon the employee's or spouse's age and are paid through payroll deduction. For details of enrollment, call Marie Nelson in Personnel Services at ext. 2590.

### Fair volunteers needed

Enjoy a free day at the Lane County Fair from Aug. 17-22 by volunteering to assist a few hours at the Lane booth. To volunteer call Barb Delansky or Sally Meadow at ext. 2336.

### Thanks

Thanks to the carpenters and custodians from Campus Services for help with the Denali Finale. We couldn't have done it without you! - Jeanette Nadeau, Denali editor

### Roundtable presentations invited

Is there some special talent you possess related (or unrelated) to student success that you would like to share with your colleagues during the annual fall in-service roundtable sessions? Call Evelyn Nagy, ext. 2947, for details. Those of you who have already volunteered, please don't forget to forward your two-to-three sentence explanation before you leave for the summer.

### Performing arts

## Professional grants will enhance learning

The Faculty Professional Development Team has awarded mini-grant funding to the second round of recipients. Four projects were funded to improve the quality of teaching at Lane.

**Dennis Gilbert** and **Jamie Sokolowski** of Science will use new physics software to create interactive simulations for the classroom.

**Pat McLoughlin** of English will integrate improvisational theater and creative art therapy into the teaching of English. She will also offer a series of workshops to demonstrate how to incorporate these strategies into the classroom.

**Vicki Levine** of Study Skills and **Sydney Kissinger**, a consultant, will prepare a diversity resource book for faculty.

**Carrie Raisanen** of Science will develop a wild-life slide collection to be used by both contracted and part-time faculty. Congratulations!

The FPDT will offer additional mini-grants in the 1993-94 academic year. Watch for the next call for proposals. Questions? Call Carmel Decroos at ext. 2638 or Julie Baker at ext. 2199.

## Faculty feedback wanted

Cheryl Kempner, Study Skills, has enlisted the skills of volunteer faculty to interview contracted and part-time faculty about the issues of quality teaching. What is important to you? How can the professional development team best serve you? This fall the goal of the team is to listen to as many faculty as possible. If interested in assisting with these interviews, contact Kempner at ext. 2844.

## Don't leave for summer without one!

## College Council report

### Proposals recommended

At its June 1 meeting, College Council forwarded three investment opportunities proposals for board of education approval. This was council's second review of the proposals. Recommended for board review were a fitness education center, a bid request for a brand name restaurant franchise, and a student exchange program. Council questioned whether the fitness center would be seen as competitive by private health clubs but Health and Physical Education Chair Bob Creed said the educational approach of the center had satisfied the private clubs. Although some council members also were concerned that staffing costs might exceed projections, the proposal was supported. It requires \$75,000 in seed money. Council decided a proposal for a brand name restaurant be put out for bid as both a college-owned franchise and as an outside-owned franchise. The latter raises the question of whether employees be hired by the business at its own wages, or hired by the college at union wages. Council had no objections to a student exchange with the republic of Georgia in the former Soviet Union. The proposal asks for \$17,000 over three years. The exchange should generate new tuition revenue and enrich the multicultural diversity of Lane. Foreign students pay higher tuition than in-state students. The proposals were in response to a call from the president to find ways to save the college money or generate new revenue. Start-up money for approved projects will be loaned from board contingency funds.

### Membership to change

In discussing its 1993-94 membership, council wondered whether Community and Economic Development and Student Services were adequately represented. Council decided to invite the branches to send a rep from any of its employee groups (classified, faculty or management). Council will hold a joint session with new members coming to office in July to lend continuity to ongoing discussions. Representative groups determine their own length of service and term dates on College Council. Most groups change representatives on July 1.

### Board agenda reviewed

Council reviewed an incomplete agenda for the June 16 board meeting. The board will adopt and appropriate the 1993-94 budget and conduct other annual business at that time.

### Legislative news

President Jerry Moskus said the Oregon Community College Association now expects the Oregon legislature to approve community college funding at the level recommended by the governor. "It's a comment on the quality of community colleges in Oregon," he said. The governor's budget cuts community college funding by about 5 percent. Earlier in the session, the house considered worse cuts. Moskus cautioned that nothing is certain until the legislature actually passes the state budget.

### Next meeting

College Council meets again on Tuesday, June 15, from 3-5 p.m. in the Board Room.

## Faculty Council report

At Faculty Council's May 27 meeting, Larry Brown of Research, Planning and Evaluation gave an update on the upward management evaluation process and asked members for feedback. He said that faculty will be given opportunities to suggest improvements for future revisions of the evaluation form.

Maxine Frauman told council of a Future Faculty Task Force that she and Jay Marston have been asked to lead. She presented a draft of the task force mission and objectives and asked for comments and suggestions.

In other business, council reviewed a revised draft of the "Student Evaluation of Instructor" in preparation for a trial run. Council also brainstormed topics for the fall in-service all-faculty meeting. Council's last 1992-93 meeting is today at 3 p.m. in the Board Room. - Kimberly Buchanan

## Substance abuse prevention training offered to managers

## Matsen presents at national conference

Marie Matsen, assistant to the president, presented at the annual forum of the Association for Institutional Research May 16-19 in Chicago. Her topic: "The Institutional Researcher as Interpreter and Critic of the Organization."

## Performing Arts praised by playwright

We all need to hear when the college earns kudos from the community. Now the community extends all the way to Seattle. Playwright Chad Henry, who wrote the book, music and lyrics for the recent production of "Little Lulu", was able to see the Lane production of his play. A few days later Performing Arts received from Henry a long letter praising the theater department as "top flight" and the production as "consistently high-quality". He commended the fine directing work of Sparky Roberts, who "was able to draw out a level of professionalism in her fine cast that is rare in college theater." Henry's work has been produced in New York, Los Angeles, London, Tokyo, Chicago, Miami, Melbourne and more. He said feels he has a pretty objective view of theater by now and that what we have at Lane is terrific. The Performing Arts Department would like to thank the Lane staff who have offered help this year through ushering and those who bought tickets. Your help is very much appreciated. To join the usher pool for next year, call ext. 2209.

## Computer prices revised

The college requirements contract with Omnitek for "386" and "486" computers provides for renegotiation of prices every three months. New prices are based upon changing conditions in the market including cost of parts and labor. New prices have now been set for June 11-Sept. 10:

Item	Initial Price(Mar '92)	Previous Price (Mar '93)	New Price ( 6/11/93)
"386" (complete)	\$ 1,754	\$ 1,546	\$ 1,471
"486" (complete)	2,101	1,896	1,807
4 MB upgrade	164	164	164

These machines are "loaded" with multi megs and ports; they include DOS and Windows. Call Purchasing at ext. 2208 for more information and for spec sheets on the machine configurations.

## **President asks classified staff for efficiency ideas**

Classified Council met May 26 and June 2. At the first meeting, Larry Brown of Research, Planning and Evaluation and Sue McDonald of Financial Services discussed the upward management evaluation process and asked for feedback. Brown said staff who have comments or suggestions should contact him or other members of the Management Evaluation Committee.

President Jerry Moskus addressed council at the later meeting. He ask for classified staff support in helping Lane adapt successfully to change. He requested that classified staff play a greater role in planning by thinking of ideas that will improve efficiency in their departments. He also suggested that staff share ideas with one another and strengthen communication between departments and groups to facilitate improved efficiency. Classified Council meets again June 23. - Kimberly Buchanan

## **Recommendations to be presented to Clinton**

President Jerry Moskus and a college-community team today are providing information at one of seven national forums on developing a national workforce policy. Forum results will be presented to the Clinton administration. Forum sponsors are the League for Innovation in the Community College and the American Association of Community Colleges.

## **KLCC/KLCO news director invited to the White House**

KLCC/KLCO news director Tripp Sommer has been invited by President and Mrs. Clinton to the White House to attend the 25th anniversary celebration of the Corporation for Public Broadcasting. Sommer, invited as president of Public Radio News Directors, Inc., will attend the June 17 reception. CPB funds approximately one-quarter of KLCC/KLCO's annual budget.

## Public relations policy clarified

Recent additions to the college Business Operations Manual include procedures related to public relations, media relations, publications, and advertising. With a few exceptions, these activities are to be coordinated through Institutional Advancement. Two exceptions include classified advertising related to college bids, which are placed by Purchasing Services, and any advertisements related to hiring staff, which should be coordinated through Personnel Services. For a copy of the BOM policy related to public relations and marketing, contact Angela Miller, IA, ext. 2268.

Week 1 summer term

## This week

- Classified Council, Wednesday, June 23, 3-5 p.m., PE 205, Kay King facilitating.

## College Council report

The 1994-95 budget criteria and process will mirror the prior year's, said Executive Cabinet member Marie Matsen at the June 15 College Council meeting. The principles remain unchanged but some criteria should be dropped since they proved to be of no benefit during the 1993-94 planning process. Three criteria were recommended to be dropped from evaluating FTE-producing areas. "Not available elsewhere in the community" and "actively seeks and maintains partnerships" were too universally true to serve as discriminatory tools. "Revenue neutral or positive" created too much work for staff and the results couldn't be fairly compared. Criteria recommended to be dropped from the service and support areas list were "revenue neutral or positive" and "actively seeks and maintains partnerships" for the same reasons. Council supported dropping those criteria. The recommendations will be forwarded to the board. Departments or other college units will be asked in September to resubmit updated function sheets. Council meets again on July 20.

## One more term

One nomination was submitted for the management at-large position on College Council. Carol Beckley has agreed to serve a second year on the council as a management representative. Thanks to Carol for continuing her valuable service another year.

## Budget approved

The 1993-94 budget passed with a unanimous board of education vote and no public comment on June 16. The general fund total of \$50,914,463 is a 4.87 percent increase over 1992-93. Revenue includes \$13.57 million from local property taxes, 13.8 percent less than last year due to Measure 5. At the same time, state support is up 14.9 percent. New tuition from the \$24 to \$26 per credit hour hike is expected to bring in \$600,000. Savings from not filling job vacancies should total about \$510,000.

The budget also assumes a .4 percent increase in full-time equivalent students and a 5 percent increase in materials and services. The revenue breakdown includes 35.4 percent state funding, 26.7 percent local property taxes, 20.3 percent tuition and fees, and 17.6 percent other. Expenses are estimated at 70.2 percent for personnel, 15.4 percent for materials and services, .9 percent for capital outlay, 4.9 percent in transfers out, and 8.6 percent other.

## Board report

In addition to approving the 1993-94 budget (see above) at its June 16 meeting, the LCC Board of Education nailed down other business as well. **Personnel** items approved were the appointment of Kathleen Morrison-Graham as full-time science instructor and Richard Ricketts as part-time temporary computer information technology instructor; the retirements of Virginia DeChaine and Lucille Lamoreaux; and the resignation of Joan Ryan. **Bid awards** approved were \$31,000 in dental program supplies to a variety of vendors; \$97,811 to Central Valley Roofing Company of Salem for Campus Services reroofing; and Elderhostel accommodations on a requirements basis to Driftwood Shores.

Also approved were the **president's annual contractual authority, financial aid appropriations, and year-end budget transfers** for 1992-93, all with a 7-0 vote. The resolution to **levy taxes** for 1993-94 passed with a 6-1 vote. Larry Mann said he opposed the motion because the college doesn't collect out-of-district fees although out-of-district people use college services. New programs approved were one-year certificate programs in **coaching** and **aerobics instruction**. The board approved participation in a regional delivery system for job training, education and placement services coordinated by the Lane Regional Workforce Quality Committee with a 7-0 vote.

Three **investment opportunity proposals** received support. A 7-0 vote funded a fitness education center at \$75,000. Brand name restaurant information will be sought through bids for both college-owned and outside-owned operations. In addition, Foodservices Manager Jim Wychules will investigate a create-your-own restaurant package just now being offered by a national association of college food services. A student exchange program with the Republic of Georgia passed on a 6-1 vote. Larry Mann said he opposed the proposal because it is not an answer to our financial problems.

An **Automotive Service Excellence** plaque was given to the college by Dan Flanagan from the certifying institute, who made a special trip from Seattle for the presentation. Many educational institutions strive for ASE certification but few achieve it, he said. It is the first time Lane has earned the recognition. Accepting the plaque were President Jerry Moskus, Vice President for Instruction Jim Ellison, and automotive instructors Billy Jones, James Mathews and Wayne Workman.

The board meets again July 14.

## Retirement reception

A retirement reception will be held for Shirley Pearson, secretary to the president and the board of education, on Tuesday, June 29, from 2-3:30 p.m. on Bristow Square.

### **TRIO grant not funded**

The college received notice this week from the U.S. Department of Education that its proposal to the TRIO/Student Support Services program was not successful. The proposal was developed last fall by faculty and staff from several program areas and focused on assisting disadvantaged students to be successful in meeting their educational goals. Lane's proposal was one of 1,100 competing for \$130 million. Program planners will obtain reviewer's comments and other feedback on the proposal to improve it and seek funding from other grant sources. Contact Sarah LaMaster, grants coordinator, for additional information, ext. 2312.

### **Open and closed**

- The Women's Center will be open during June from 8 a.m.-5 p.m. Monday-Friday. During July and August it will be open from 9 a.m.-3 p.m. During September hours will return to 8 a.m.-5 p.m.
- The Bookstore will be closed on Tuesday, June 28, for inventory, and will re-open June 30.

### **In-service brochure deadline announced**

Information for the fall in-service brochure should be submitted to Julie Baker, Institutional Advancement, by July 19. The brochure will be mailed the last week of August or first week of September. Thank you.

### **Mentor program seeks participants**

Fall 1993 can be the beginning of a memorable experience as another person, new to Lane, gets a helping hand from you. If you've participated in the Staff-Student Mentoring Program before, you'll be receiving a letter about fall activities asking if you remain available. Respond by campus mail to Carrol Barton, Library. If you're new and have questions, call Ginger Yamamoto, ext. 2660. Watch The Daily for news of summer training activities.

### **Air show preview, "relief" pitcher, and the Phoenix Gorilla await Lane fans**

When LCC goes to the ballpark on July 15, fans will get a preview of Steve Wolf's air show act. Wolf, a Creswell resident, will skywrite with Samson, considered the ultimate air show bi-plane because of its noise, smoke and maneuverability. President Jerry Moskus has a conflict that date, so "relief" pitcher Jim Pitney of Junction City will throw out the first pitch. Pitney begins his 19th year of service on the LCC Board of Education this July. The Phoenix Gorilla, featured in the NBA playoff games at Phoenix, will perform throughout the game. Tickets are available through July 6 from Sarah LaMaster, ext. 2312. Cost is \$8.50 per person. Buy your tickets now to insure our large group reservation!

### **Workshop offers non-defensive communication skills**

If you missed Sharon Ellison's presentation on non-defensive communication skills on Martin Luther King Day, Donna Albro has arranged for another presentation on July 15 from 8 a.m. to noon in the Board Room. Call Albro at ext. 2040 to reserve your spot.

### **Budget deadlines**

June 24 is the deadline for departments to submit intra-department budget changes and position transfer changes within a fund's expense function to Carol Beckley. June 25 is the due date for travel reimbursements and petty cash reimbursements to be charged to 1992-93, if you're not going to incur additional June travel or petty cash expenses.

### **Thanks**

"Dear Friends at LCC: I would like to thank all of you who were a part of my 'surprise.' I really did just want to fade away. However, your effort and demonstration of love meant a lot to me. Thank you. I will miss you and LCC. These have been great years." - Dal Haverland

Week 2 Summer Term

## Today

- The Bookstore is closed today, July 29, for inventory. It will open as usual tomorrow.
- Retirement reception for Shirley Pearson, today, June 29, 2-3:30 p.m., Bristow Square.

## Summer blockbuster: Enrollment

The theaters may have "Jurassic Park," but Lane has classes. Like the movie premiere, the first day of summer term attracted over-flow crowds. Credit and Adult High School students numbered 3,072 on June 21, 9.4 percent more than last year's 2,808. The college added 39 sections of classes to meet the demand. Last summer, only seven sections were added.

Eight sections were added in English, six in social science, five in art and applied design, three in math, three in family and health careers, and one or two in several other areas.

Vice President for Student Services Linda Fossen said she believes students are enrolling now for the 1993-94 academic year so that they may be counted as "returning" students in the fall. Returning students get to register earlier than new students, so they have a better chance at getting the classes they want. The need for job training and retraining and the quality, accessibility and affordability of community colleges have made Lane more popular than ever this summer, she says.

Eat your heart out, Steven Spielberg.

## Linda Waddell to receive leadership training at Cuyahoga

Linda Waddell, director of financial aid at Lane, has selected Cuyahoga Community College District in Cleveland, Ohio, as the site for her American Council on Education fellowship from August 23, 1993-May 31, 1994. The ACE Fellows Program trains leaders for senior positions in higher education administration. Waddell was one of 31 fellows named nationwide in April. She is only the 12th person from Oregon to receive the fellowship, and the first from an Oregon community college since the program's institution in 1966. She has directed the Financial Aid Department at Lane since 1984. WHO? will direct the department until Waddell's return.

## Thad Cowdin to present at national computer conference

Thad Cowdin, computer specialist for Continuing Education and Outstanding Classified Employee of the Month for October 1992, will present at the 1993 10th annual League for Innovation conference on "The Community College and the Computer," Nov. 14-17 in Nashville, Tenn. The theme of the conference is "Reinventing the Community College: Using Information Technology to do Things Differently...To Do Different Things." Cowdin's presentation will feature a real-time illustration of actual hardware and software applications titled, "Electronic Forms Design and Management in the Continuing Education Department."

## Oregon Country Fair to be broadcast

KLCC will broadcast live from the mainstage of the Oregon Country Fair on July 9, 10 and 11.

## Professional-technical faculty internships offered

Ten faculty internships in professional-technical education are offered by the Lane County Professional Technical Education Consortium. Internships take 15 days and pay \$90 a day. They culminate with a four-to-six hour instructional unit as a final product. Funding is provided by a Carl D. Perkins grant. For more information, call Marv Clemons, regional coordinator for Lane Education Service District, at 689-6500; or attend an orientation session on Wednesday, July 21, 4-6 p.m., at Lane ESD.

## Job Placement Office summer schedule

The Job Placement Office will be closed from 12p.m.-1p.m. beginning July 1 through August 31. On July 2 the office will be closed from 11:30 a.m.-1:30 p.m.

## Classified survey in the mail

A survey from the Classified Professional Development Team is in the mail to all classified staff. Please help your team in planning events for next year by completing the survey and returning it to Julie Baker, Institutional Advancement. Your team thanks you!

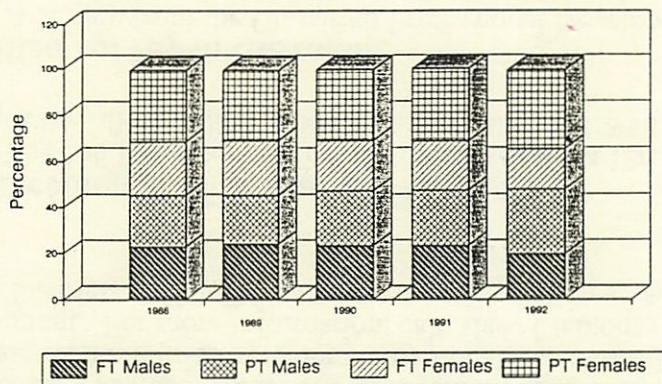

## More budget deadlines

- June 30, 3 p.m. -- Deadline for final petty cash reimbursements.
- July 6 -- Cutoff date for submission to Financial Services of June travel expense reimbursement requests.
- July 7 -- June detail expenditure reports will be distributed.

## Workshop offers non-defensive communication skills

If you missed Sharon Ellison's presentation on non-defensive communication skills on Martin Luther King Day, Donna Albro has arranged for another presentation on July 15 from 8 a.m. to noon in the Board Room. Call Albro at ext. 2040 to reserve your spot.

## Remember Corinne Meehan

Help is still needed for the Corinne Meehan insurance fund. Please send a dollar or two to Julie Baker, Institutional Advancement. Every dollar helps. Corinne is mending well, but she is not yet back at Lane.

## Just the facts, ma'am

The 1992-93 edition of "Facts," a college information brochure, is now available from Research, Planning and Evaluation. Among the things you'll find there: Staff was 41.5 percent male and 58.5 percent female in 1992-93, compared to 40.6 percent male and 59.4 percent female the prior year.
