Week 3 Summer Term

Today

- Student Services director's meeting, Wednesday, July 7, 9-11 a.m., Board Room.

Last chance to buy tickets for the July 15 ballpark outing TODAY!

Today is your last chance to get tickets for the pre-game picnic and Eugene Emeralds baseball game at Civic Stadium on July 15. LCC staff, families and friends are invited. Arrive at 5:45 p.m. for the 6 p.m. picnic, followed by the Ems vs. Boise baseball game at 7 p.m. Going into the 4th of July weekend, the Ems led their division, one game ahead of Boise. See an airshow preview, the Phoenix Gorilla, and "relief pitcher" and Board member, Jim Pitney on the mound for LCC. Tickets are \$8.50 per person and must be paid for in advance. Ticket deadline is July 6--no exceptions! Bring cash or checks (to LCC Foundation/Ems) to Sarah LaMaster, Institutional Advancement, ext. 2312.

Non-defensive communication workshop

If you missed Sharon Ellison's presentation on non-defensive communication on Martin Luther King Day, be sure to register with Donna Albro for the July 15 repeat from 8 a.m.-12-noon in the Board Room. This time, the workshop is tailored for "women only" to enable participants to feel safe in exploring gender issues. Ellison is willing to do an additional workshop for males or a mixed audience if an interest is expressed. Please preregister with Donna Albro at ext. 2040 by July 9.

Long distance changes

On July 10, it will become mandatory to dial 1-503 before any long distance calls to other numbers in the 503 (Oregon) area code. This may require some extra programming on your part if your telephone has individual speed dial. These numbers will need to be re-entered with 1-503-XXX-XXXX. This also applies to auto-dial FAX machines and auto-dial or dial back modems. If you have any questions, call Virginia, Campus Services, ext. 2565.

Oregon Country Fair to be broadcast

KLCC will broadcast live from the mainstage of the Oregon Country Fair on July 9, 10 and 11.

More good news about summer enrollment

After the first week of summer term, total enrollment and FTE for Continuing Education is up from summer '92. Total enrollment is 3,183, an increase of 25.1% over last year's 2545; and FTE is 116.4, an increase of 18.7% over last year's 98.02.

Editorial featured in AACC Journal

"Co-op Builds Winning Partnerships," by Jerry Moskus and Bob Way, is the title of the editorial featured in the June/July issue of *AACC Journal*. The article focuses on the benefits and importance of instituting cooperative education programs in community colleges. For copies, contact Angela Miller, ext. 2268.

Classified survey in the mail

A survey from the Classified Professional Development Team is in the mail to all classified employees. Please help your team in planning events for next year by completing the survey and returning it to Julie Baker, Institutional Advancement. Your team thanks you!

Raft trip has room for more

A white water raft trip planned by the Lane Chapter of American Association of Women in Community Colleges members has room for a few more adventurers. The float down the North Umpqua tentatively is set for Sept. 11-12. For more information, contact Linda Myers, ext. 2883.

Reminder - Fixed assets threshold increased

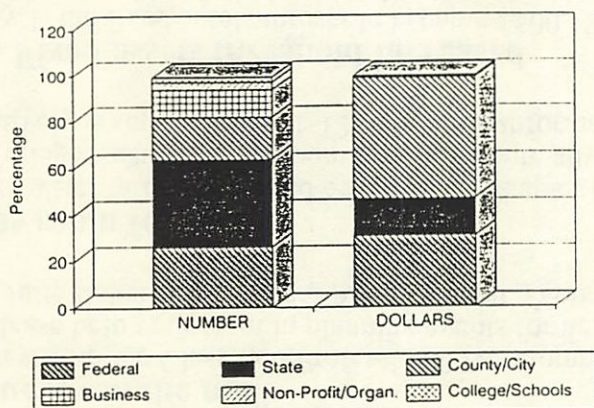

On July 1, the fixed assets threshold became \$500. This means that any item with an original value of \$499.99 or less should not be classified as a fixed asset. Some grants and contracts may have different fixed asset thresholds; administrators of grants and contracts are responsible for ascertaining and abiding by the appropriate fixed asset requirements. Please consider these comments when coding your purchases for FY 93/94. Thanks, Lloyd Rain, ext. 2208.

Mondays on the river

Use your tuition waiver and enjoy a day of rafting on the Willamette River, Monday, July 12 and/or the McKenzie River, Monday, July 19. Bring your own brown bag lunch and sunscreen. For further information, see page 17 of the summer class schedule or contact Continuing Education at 726-2252.

KEY BENCHMARKS
LANE COMMUNITY COLLEGE
Grants and Contracts
March 1993

Percentage of Grants and Contracts

- ✓ The college has over \$9.5 million in grants and contracts with 84 agencies.
- ✓ More than 10,000 people are served by these agreements.
- ✓ In March 1992, Lane had \$9.6 million in contracts with 86 agencies. The number of contracts over \$100,000 increased by two grants in 1993.

SOURCE: Financial Services (Grants/Contracts Area)
Research, Planning and Evaluation
April 23, 1993

Last budget deadlines

July 14 is the cutoff date for receipt by Financial Services of inter-campus order forms requesting correction of June 1993 materials and services and capital outlay transactions charged to incorrect account numbers.

It's also the deadline for receipt by Financial Services of listings of purchase orders to be kept open or closed. For specific instructions about these listings, call Stan Barker at ext. 2608.

Call for papers issued

Teaching Education, an award winning international journal, has announced a call for papers. The journal contains scholarly essays related to teaching education, descriptions of contemporary education courses at the graduate and undergraduate levels, teaching profiles of distinguished professors of education, reviews or annotations of print and multi-media instructional and professional resource materials, personal reflections on teaching education and photography. Manuscripts, subject to blind review, are due on or

before August 1, 1993 for Volume 6, Number 1: Questioning the Primacy of Classroom Management and Discipline. For further information contact Julie Baker, ext. 2199.

Remember Corinne Meehan

We still need help for the Corinne Meehan insurance fund. Please send a dollar or two to Julie Baker, Institutional Advancement. Every dollar helps. Corinne is mending well, but she is not yet back at Lane.

- JOBS -

Oct 5	1:30-3 p.m.	Board Room
Oct 19	3-5 p.m.	Board Room
Nov 2	1:30-3 p.m.	Board Room
Nov 16	3-5 p.m.	Board Room
Dec 7	1:30-3 p.m.	Board Room
Dec 21	3-5 p.m.	Board Room
Jan 4	1:30-3 p.m.	Board Room
Jan 18	3-5 p.m.	Board Room
Feb 1	1:30-3 p.m.	Board Room
Feb 15	3-5 p.m.	PE 205
Mar 1	1:30-3 p.m.	Board Room
Mar 15	3-5 p.m.	Board Room
Apr 5	1:30-3 p.m.	Board Room
Apr 19	3-5 p.m.	Board Room
May 3	1:30-3 p.m.	Board Room
May 17	3-5 p.m.	Board Room
Jun 7	1:30-3 p.m.	Board Room
Jun 21	3-5 p.m.	Board Room

Training program produces another student success story...

Dislocated Worker Program advisor Don Patton shares a thank-you letter from former dislocated worker and student Byron Case: "Dear Don and DWP staff: I appreciate all the help you were to me over the last two years. All you folks seem to have a good handle on how to make the transition from worker to student possible. I'm working three days a week at a local TV station and whatever work I can pick up on the side. The future looks good for picking up more hours at the station as time goes by. Again I would like to say thanks for you support the last two years."

...and another staff success story

Lynda Raybould, Training & Development Department employment specialist, was honored on June 30 as Springfield Rotary's Rotarian of the Year for 1992-93. She was recognized for her outstanding involvement in many committees and her work on the board. Congratulations, Lynda!

Applications for admission rise

Two-hundred-eighteen more people have applied for fall term admission than at this same time last year, reported Admissions Director Sharon K. Moore on Monday. The department has received 2,027 applications to date over last year's 1,809, an increase of 12 percent.

Purchase order information distributed

Attached to today's Daily is some new information about purchase orders. If you have questions, call Lloyd Rain at ext. 2208.

Remember to dial 503

On July 10, it became mandatory to dial 1-503 before any long distance calls to other numbers in the 503 (Oregon) area code. If you have questions, call Virginia Brady, Campus Services, ext. 2565.

Board agenda

The Board of Education will meet Wednesday, July 14, at 7 p.m. in the Board Room. On the agenda: faculty union contract; annual election of board chair and vice chair and appointment of the district clerk and deputy clerks; Office for Civil Rights report; bid awards for avionics lab instruction equipment and annual carpeting; capital repairs and improvements scheduled for 1993-94; and the appointments of Tracy Simms as secretary to the president, Patrick Lanning as health and physical education instructor, and the retirement of Cherry Taylor from English. The meeting is expected to take one-half hour and will be followed by a 7:30 p.m. work session to continue review of board policies.

Managers to hear about SAIF training

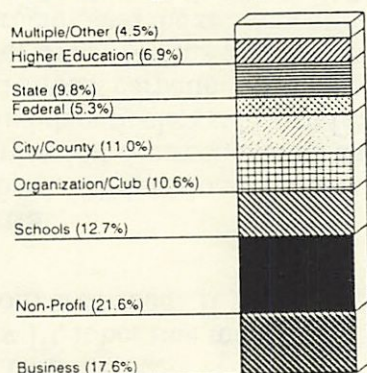

Managers will discuss college restructuring, SAIF training, and the July board meeting at Manager's Forum on Friday, July 16, from 8:30-10 a.m. in Forum 309.

Management development committee to meet

The Management Personal and Professional Development Committee will meet on an as-required basis this summer. During summer, prepare applications in the normal fashion and forward one original and three copies to Lloyd Rain in Purchasing Services at ext. 2208. Regular monthly meetings will resume in September.

Week 5 Summer Term

College Council to meet in special session

College Council will meet today from 1:30-4:30 in the Board Room in a special session to finish developing the college vision and to welcome new members.

Board report

Peter Sorenson and Cindy Weeldreyer were elected chair and vice-chair, respectively, by unanimous vote at the July 14 Board of Education meeting. Sorenson swore in Pat Riggs to her second four-year term which she won in the March 1993 election.

Chuck Ivey announced his resignation. He said he is leaving his Crow residence for a Eugene home outside his zone 1 seat which covers western Lane County. The board must appoint a replacement until the next annual election in March 1994 when voters will elect a representative to fill the term, which expires in 1996.

The faculty contract won a unanimous vote of approval. Faculty receive a 3 percent increase in base pay under the three-year contract effective July 1, 1993, through June 30, 1996. About one-third also receive a step increase of 3 percent to 4 percent but the other two-thirds are at the top step of their pay level. The cost increase to the college is also 3 percent because overall fringe benefits did not increase. President Jerry Moskus said, "The increase enables the college to live within its budget yet retain a quality faculty crucial to the growing educational and retraining needs of the community."

A carpeting bid award was protested by the very company which would have received the award. Carpet Company of Eugene's Daryl Egbert said the board should not set the precedent of approving a brand-name specific bid. He wanted a different brand to be considered. Although generally prohibited from brand-name specifications by Oregon statute, the law also allows for such specifications in some instances to ensure a good match with existing materials, said Purchasing Director Lloyd Rain. The board voted 4-3 to table the award so staff could further review Egbert's information. Opposed to tabling the matter were Roger Hall, Jim Pitney, and Peter Sorenson.

In other business:

- An **Office for Civil Rights review** conducted by the state every five years earned praise for the college, especially LCC at Florence and the Emerald Job Center where random site visits were held.
 - **Equipment for a new avionics lab** for aviation maintenance will be purchased from NIDA Corporation of Melbourne, Fla., for \$323,578, by unanimous vote.
 - **Capital repair improvements** for 1993-94 received unanimous approval.
 - **Personnel** appointments of Tracy Simms as secretary to the president and Patrick Lanning as health and physical education instructor, and the retirement of Cherry Taylor from English, all received unanimous approval.
 - A **dental bid award** from the last meeting was revised and approved by unanimous vote. The revision redistributed part of a prior award due to the bankruptcy of a vendor.
- The board meets again Aug. 11.

Symantec employees on campus for training

Forty Symantec employees began computer training on main campus Monday. Instructors Mark Niedelman, Ron Little and David Rizzi will teach two weeks of DOS, Windows, local area networks, and trouble shooting, in Apprenticeship 223 and Business 202. Symantec staff will follow-up with four weeks of product-specific training. Another 60 employees will be trained in late August. Business and Industry Services developed the training program under the leadership of Dave Oatman. Oatman worked with Linda Loft, program coordinator of Computer Information Technology, Larry Warford, vice president for Community and Economic Development, and President Jerry Moskus to tailor a program for Symantec. Part of the cost of training will be covered by lottery funds from the Oregon Economic Development Department.

Filing insurance claims

Most of the time, the insurance forms needed to file a claim for payment of medical services can be completed in the admitting office of your doctor or hospital. Your identification card will have the group number and your social security number on it. After services have been completed, the doctor's office or hospital office will send the claim directly to the insurance company. If you receive a statement that has not been billed to the insurance company, write your social security number and group number on the statement and send it to the insurance company. If you have any questions, call Marie Nelson in Personnel Services at ext. 2590.

Anniversary milestone reached

Twenty-five years ago on July 17, 1968, the Board of Education held its first meeting in the new Board Room on main campus. Campus was still under construction that summer.

Closed

The Job Placement Office will be closed Thursday, July 22, for staff in-service.

More purchase order information attached

Attached to today's Daily is some additional information about purchase orders. If you have questions, call Lloyd Rain at ext. 2208.

If you supervise management employees...

Evaluation summary sheets encompassing the results of the evaluation of each manager (to have been concluded by June 1) are past due. The management agreement states that they are to be submitted to Personnel Services by July 1. Because the summary sheet is the only documentation from a manager's evaluation that goes into the manager's personnel file, it is imperative that they be submitted in a timely manner. If you have questions, call Judy Ward in Personnel Services at ext. 2583.

Pitney throws a strike

Lane's night at the ballpark July 15 attracted 121 Lane staff, family and friends. Board of Education member Jim Pitney threw a strong first pitch. Steve Wolf flew his bi-plane overhead to advertise the Aug. 7 and 8 air show and the Phoenix Gorilla entertained fans with his gymnastic antics. The Ems beat Boise 5-4. The event was organized by Sarah LaMaster of Institutional Advancement.

Food news

The snack bar, renamed the Buffalo Grill and Snack Center, now is open at 7:30 a.m. Monday through Friday. Monday through Thursday, the grill stays open until 1:30 p.m. and the snack center until 3 p.m. On Fridays, the grill is open until 1 p.m. and the snack center until 2 p.m.

The espresso cart has added gourmet flavors. Try a free sample this week.

Fall in-service calendar deadline approaches

Information for the fall in-service calendar should be submitted to Julie Baker, Institutional Advancement, by Aug. 2. She will schedule individual sessions at that time. The calendar will be mailed to staff in late August. Major events scheduled so far include an all staff meeting, Sept. 20, 1:30 -4:30 p.m.; student success roundtables, Sept. 21, 11 a.m.-3 p.m.; LCCEF/Faculty Council issues, Sept. 22, 11 a.m.-3 p.m.; and an all staff picnic, Sept. 23, 11 a.m.-2 p.m.

Week 6 Summer Term

Vision statement adopted

"Lane Community College provides a quality learning experience in a caring environment." That, concluded College Council at its July 20 meeting after months of work, is the college vision. That is why we are here; that is what we do. The statement is for internal use; it is not an advertising slogan. Council intends the statement to communicate Lane's purpose and to inspire and motivate employees through their workdays and through the challenges facing the college. To come up with an easily-remembered statement, council members consulted their constituencies and reviewed existing planning documents such as the mission, goals and unifying principles; areas of focus; budgeting principles and criteria; the president's inservice speech; the vision paper from September; and other materials. Council charged Institutional Advancement with preparing a plan to promote the statement.

"Lane Community College provides a quality learning experience in a caring environment."

Council also reviewed its past performance. Members said council is a good forum for information sharing but needs to be more active as a policy recommending body. Council decided it could invite more staff to participate in discussions on issues within their field of expertise; assign more staff to come up with solutions to issues within their field of expertise; report solutions to sources who raised issues; and discuss any and all topics (in the past some issues were deemed inappropriate for council agendas, such as collective bargaining.)

New members at council were Angela Miller, representing Classified Council and Miriam Thompson, representing the Student Services branch.

Council's next meeting is August 3.

Library closure

The college will begin carpeting the mezzanine of the library on August 13. While the library staff is pleased, the prospect of moving 50,000 books at least twice is daunting. To do so, the library will be closed for the carpeting period.

We recognize that this closure could cause inconvenience for instructors who teach third session summer classes. Our perusal of summer classes shows that this will affect six classes: four in Science and two in Social Science. Our reciprocal agreement with the UO Library makes the UO Knight Library available to any student who has an LCC student ID card. To accommodate any third week students who do not have current LCC ID cards, the library will be open to provide ID cards to students on Tuesday, Aug. 17, from 10 a.m. to 2 p.m. We regret this inconvenience. Please advise your faculty and students about this closure and the hours for student ID.

Welcome reception

The President's Office is hosting a welcome reception for Tracy Simms, Secretary to the President, Wednesday, July 28, 10-11:30 a.m. in the President's Office area. Please come and welcome Tracy to LCC.

Award-winning plays produced in Performing Arts Department

As part of the summer playwriting festival, "Celebrating the Playwright," the Performing Arts Department selected for full production two one-act plays to be performed in the Blue door Theatre. The plays were chosen from over 75 submitted.

Everybody Hits It Big, written by Daniel Lampard of Seattle, Wash. and directed by Jerry Seifert, is a comedy about two down-and-out losers at the horse races who dream of striking it big while attempting to write the perfect race-track gambling manual. *Patchwork*, written by Ariana Burns of Moscow, Idaho and directed by Joseph Gilg, is a touching play that explores the emotional roller coaster experiences of persons living with and caring for a person with AIDS.

Both plays will be performed Friday and Saturday, July 30, 31 and August 6, 7 at 8 p.m. Tickets are \$4 at the Box Office. Call ext. 2202, 1-4 p.m. or leave a message anytime.

Bookstore and Disabled Student Services announce summer closures

The last day the Bookstore will be open for the summer is August 13. It will re-open Tuesday, Sept. 21.

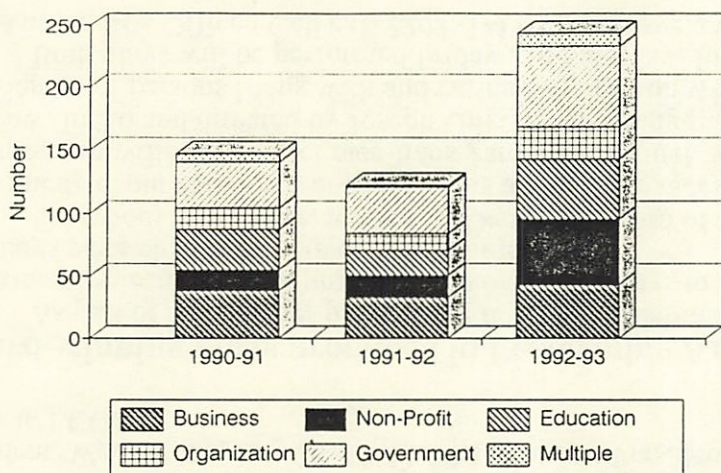

Disabled Student Services will be closed Aug. 1-29. If you have an emergency, contact Sandy Ing, Student Health, ext. 2665.

CED In-service

Some offices within the Community and Economic Development Branch may be closed this Friday, July 30, from 12-5 p.m. Staff will be participating in an inservice activity.

Comparison of Non-Monetary Agreements 1990-91 through 1992-93

Number of Nonmonetary Agreements 1990-91 through 1992-93

✓ Departments reported 120 more non-monetary agreements in 1992-93 than were reported in 1991-92.

✓ In all years, the majority of the agreements were for direct instruction or facility/equipment usage.

Excellence publication features instructor

Business English and communications instructor Eddie Jellesed is quoted in "A Celebration of Excellence: The 1993 NISOD Excellence Awards," a publication just out from the National Institute for Staff and Organizational Development. Jellesed won an excellence award from the institute in May. Her quote: "My students are adults, many returning to school after many years. I make a commitment to them the first day of class. I tell them that we are in this together; their success is my success. When I need inspiration, I think how they sacrifice just to stay in school." She has taught at Lane since 1971.

- THANKS -

Thanks to all who contributed to the Corinne Meehan Insurance Fund. Premiums are paid through July, and Corinne plans to return to work in August. Give yourself a hand for helping a fellow employee's illness be a little less stressful by knowing her insurance premiums were paid by caring co-workers. - Julie Baker, IA, ext. 2199.
