Today: Calendar fair

The fourth annual Calendar Fair is today from 9 a.m.-noon in the cafeteria. Representatives from Keith Clark and Boise Cascade will be available to answer questions. Orders may be placed at this time and special order forms will be available. Purchasing Services will provide refreshments.

Today: Classified Council meeting

Classified Council will meet today at 3 p.m. in PE 205.

Tonight: Board of Education meeting

The Lane Community College Board of Education meets tonight in the Board Room. At 5:30 members will meet in a work session to deliberate on candidates for appointment to the Zone 1 vacancy. At 6:30 p.m., the group will continue its review of board policies. The regular meeting begins at 7:30 p.m. Agenda highlights include appointment of a new board member to the Zone 1 vacancy, and discussion of the state sales tax initiative.

Board chair seeks senate seat

Lane Community College Board of Education Chair Peter Sorenson is seeking appointment to the state senate seat recently vacated by Grattan Kerans. Sorenson says serving in the Legislature would enable him to further advocate for community college education. He is comfortable about taking on an additional office and has interviewed others who have done the same, including Rep. Larry Sowa of Molalla, board member for Clackamas CC, and former senator and Mt. Hood board member Glenn Otto.

Lane County democratic precinct committee members from Senate District 20 will meet Sept. 11 to nominate three to five candidates for the appointment. Lane County commissioners then will interview the candidates and make the appointment by Sept. 30. The commissioners appointed Sorenson to the redistricting task force in 1991.

Sorenson was elected Lane board chair on July 14. He first joined the board in 1989 to complete an unexpired term and retained the post through election to a four-year term in March 1990. He said he intends to run for re-election in March 1994. He represents Zone 5 which includes central and south Eugene. Kerans left the Legislature this summer to become the lobbyist for the State System of Higher Education.

The Daily to resume full schedule

The Daily returns to a Monday-Tuesday-Wednesday-Thursday schedule beginning Monday, Sept. 20. Deadline is noon of the day prior to publication.

Insurance rates to increase for faculty

Effective Oct. 1, insurance rates for faculty will increase and, for members on OEA Choice Plan A, the payroll deduction will increase. Other members may have a deduction for the first time. All new insurance deductions will be effective with your Sept. 30 paycheck.

New insurance charts for faculty have been placed in the forms rack just inside the door of Personnel Services. You may pick up copies from 7 a.m.-5 p.m., Monday through Friday, to determine any applicable deduction. Dental rates will increase as of Nov. 1 and the Managed Care Network rates will increase as of Jan. 1. Please call Marie Nelson at ext. 2590 with any questions.

Group invites involvement in different cultures

Learn more about different cultures, their values and political systems by attending events sponsored by the International-Intercultural Committee, or joining the group itself. It usually meets once a month during the academic year. The first meeting for 1993-94 will be Tuesday, Oct. 12, at 3 p.m. in M&A 244. In the meantime, check your in-service brochure for sessions with an international flair sponsored by this committee. For more information, contact Tom Reimer, ext. 2392.

All-staff picnic tickets available

Tickets are now available for the all-staff picnic to be held Sept. 23 from 11 a.m. - 2 p.m. in Bristow Square. Lunch is free, but a ticket is required in order to help us give Food Services an accurate count to order food. To obtain your ticket, contact your department secretary, or Julie Baker, ext. 2199.

Week 1, Fall In-Service

Edited by Joan Aschim

The Daily publishes twice this week, then full-time

The Daily will publish an extra issue on Thursday to include items for which there wasn't space today. Summer term publication usually is once a week. The academic-year schedule of Monday-Tuesday-Wednesday-Thursday will resume Sept. 20. Deadline is noon of the day prior to publication.

College Council report

President Jerry Moskus described the **state sales tax** initiative to College Council at its Sept. 7 meeting. He said the tax would accelerate implementation of Measure 5 and the consequent shift in control from local to state. The initiative proposes no school property taxes for homes of principle residence and limits state spending. Revenues would be devoted to K-12 and community colleges.

Facing a list of more than a dozen **issues** it should act on in 1993-94, council appointed a committee to sort out the most pressing topics. Appointed were Sandy Ing, Ted Kotsakis, Marie Matsen and Jane Russell. They will report back at the next meeting. With money as one of the issues, council will ask college grants coordinator Sarah LaMaster to speak about grants funding at a future meeting.

Also at the meeting, Moskus suggested that **council attendance** include all the vice presidents, Julie Aspinwall-Lamberts of Research, Planning & Evaluation, and Diane Dann of Institutional Advancement, to provide staff support and to improve communications between governance and administrative groups. Council liked the idea and will talk about it some more.

In other business, council decided to ask the Science Department to maintain the **nature trail** established a year ago as an outdoor classroom and recreational facility. The trail is uphill from the south parking lot and has "gone back to nature" since its establishment. The action was a response to a recommendation from Classified Council.

The discussion on **restructuring** was postponed for lack of time. College Council will meet again Tuesday, Sept. 21, 3-5 p.m., Board Room.

Faculty Council meets *next* week

Faculty Council meets *next* Thursday, Sept. 23 (not Sept. 16 as previously announced), 3-4:30 p.m., in the Board Room.

Board report

The LCC Board of Education did not fill the **Zone 1 vacancy** at its Sept. 8 meeting but instead voted unanimously to conduct second interviews with the top two candidates, Cindy Cable of Florence and Francisca Johnson of Veneta. The interviews will be held before the next board meeting on Oct. 13. Candidate Cable attended the meeting.

The **management employees working conditions** agreement for 1993-94 was approved 6-0. The item had been inadvertently left off a revised agenda and was added back at the beginning of the meeting. Managers will get a 3 percent increase in base pay plus an additional \$350 per year. Eligible managers also will get a half-step increase. Management full-time equivalency has decreased 5 percent over the last six years from 1988-89 through 1993-94.

The **consent agenda** passed 6-0. Approved were the appointments of Kimberly DeMoss as full-time instructor in Performing Arts, Anne Paschall as full-time instructor in Business, and Kathryn Reid as half-time nurse practitioner in Student Health Services. Also approved was a bid award to Omnitek Computers of Eugene for microcomputers for the avionics lab in the aviation maintenance program.

Appointed to represent the board on the LCC Foundation was Larry Mann. Appointed to represent the board on the Senior Companion Program were Peter Sorenson and Larry Mann as alternate. Pat Riggs was appointed alternate to Lane Council of Governments.

The board heard an update on an effort to learn more about **collaborative bargaining**. A group has been meeting since the last classified contract negotiations to learn more about the collaborative process. Participating have been board member Pat Riggs, President Jerry Moskus, members of the classified and college bargaining teams, and a consultant. Riggs asked the board whether she should continue meeting with the group now that it is ready to decide what process to use in the reclassification study wage negotiations. Members generally agreed that she should. Moskus said both he and Riggs will leave the group before bargaining commences.

In other business, the board acknowledged the 1992-93 Attainment Report and the 1993-94 College Plan and examined a new financial report that will show actual revenues received and expenditures made in addition to budgeted figures. Members discussed the state sales tax initiative and may adopt a formal position on the issue at a future meeting.

Staff who help first-year students succeed eligible for award

The Counseling Department will nominate one staff member at Lane who has developed a successful way to help first-year students make smoother transitions to college. The Outstanding Freshman Advocate Award is co-sponsored by the University of South Carolina, the National Resource Center for The Freshman Year Experience, and the Houghton-Mifflin Company. Ten national awards will be made in January and recipients will be invited to attend a national conference Feb. 19-22. To nominate yourself or a colleague, obtain a form from Shirlee Ford, third floor Center Building, ext. 2322, complete the form, and submit the additional materials prior to 5 p.m., Friday, Sept. 24.

Florence center open house

The LCC at Florence Open House is Thursday, Sept. 16, from 4-7 p.m. See you there!

Insurance rates to increase for faculty

Effective Oct. 1, insurance rates for faculty will increase and, for members on OEA Choice Plan A, the payroll deduction will increase. Other members may have a deduction for the first time. All new insurance deductions will be effective with your Sept. 30 paycheck. New insurance charts for faculty have been placed in the forms rack just inside the door of Personnel Services. You may pick up copies from 7 a.m.-5 p.m., Monday through Friday, to determine any applicable deduction. Dental rates will increase as of Nov. 1 and the Managed Care Network rates will increase as of Jan. 1. Please call Marie Nelson at ext. 2590 with any questions.

Picnic is free, but you need a ticket

Tickets are available for the all-staff picnic, Sept. 23, 11 a.m.-2 p.m., Bristow Square. Lunch is free, but a ticket is required and available from your department secretary or Julie Baker, ext. 2199.

Special board meeting scheduled

The LCC Board of Education will hold a special meeting on Tuesday, Oct. 5, at 6:30 p.m. in the Board Room, to conduct follow-up interviews for the vacant Zone 1 board position.

Electronics students build over 500 computers

The electronics technician program finished the 1992-93 year with the completion of the 552nd computer built for the college to date, using student labor in the construction. Students in the program started building computers for the college in 1987 and produced 31 computers. The next three years, they produced about 75 computers each year. 1991-92 was a banner year with 157 computers built. It is estimated that these 552 computers make up over 40 percent of the 1,405 computers currently utilized by the college in classrooms, laboratories and offices.

Thanks go to the many people who have helped in this effort: Mac Allison, who has directed this massive project; Pam McClelland, who has maintained the business office; and Purchasing Services staff, who have helped expedite the many orders and shipping and receiving; and last but not least, the many students involved with this beneficial project. - Bob Vogel, Electronics

Campus computers to be networked

President Moskus has appointed Linda Loft to facilitate a task force to plan a campuswide computer network. An open meeting will be held on Thursday, Sept. 23, at 1:30 p.m. in the Board Room, to allow staff members to raise issues related to developing a network. Members of the task force have not yet been appointed and the open meeting will be an opportunity to express your interest in this important activity. If you have questions, please contact Loft in Computer Information Technology at ext. 2249 or Marie Matsen in the President's Office at ext. 2313.

New team will investigate students' concerns about college policies

Vice Presidents Jim Ellison, Linda Fossen and Larry Warford announce the formation of a four-person "ombud" team to address complaints and concerns of students regarding college policies and the implementation of those policies. Today's Daily attachment has details. Serving on the team are Mason Davis, Counseling Department, Ext. 2239; Debra Lamb, Downtown Center administrator, Ext. 2915; Sharon Moore, director of admissions and registration, Ext. 2686; and Jerry Sirois, student services representative and advisor, Ext. 2027.

The team is charged with the responsibility and vested with the authority to make confidential inquiries into informal complaints about policies or the implementation thereof; and to advise, refer, and mediate on matters brought before them. Referral of matters to the team members can be made by any college staff member or student by calling one of the members at the listed extensions.

Leadership institute accepting applications

Application forms for the 1994 National Institute for Leadership Development are now available in Carol Beckley's office, ADM 202. The institute, a professional development program for women administrators in higher education, is sponsored by the American Association of Women in Community Colleges. The institute covers a six-day period (Jan. 8-14, April 16-22, May 7-13, or June 4-10).

Qualifications: (1) Master's or higher degree and currently holding a full-time position in a postsecondary institution (exceptions may be approved); (2) The selection of a college project or professional development project and of a mentor to help you through the project. Some phase of the project must be completed by December 1994 and the project must be approved by President Moskus.

A completed application form, resume, and statement of why you should be chosen must be submitted to Beckley by Oct. 25. If you have any questions on the institute, feel free to contact Lane's past leaders (Joan Adams, Julie Aspinwall-Lamberts, Julie Baker, Carol Beckley, Diane Dann, Judith Gabriel, Jean Geiger, Sandy Ing, Velma Jesser, Linda Loft, Marie Matsen, Linda Myers, Becky Newcombe, Jane Scheidecker, Lynne Swift, or Sharon Thomas). - Carol Beckley, ext. 2363

Faculty open enrollment

If you are a faculty employee and are interested in changing from one medical insurance plan to another or in adding a dependent to your medical or dental insurance coverage, you may do so during open enrollment through Sept. 24. New enrollment forms may be picked up at the receptionist's desk in Personnel Services. All changes and additions received by Marie Nelson by 5 p.m. on Sept. 24 will be effective Oct. 1, 1993.

Printing deadline reminder

Instructional material needed for the first day of fall term is due to Printing/Graphics by Sept. 22.

Discounts available to League computer conference

Brochures describing the 1993 League for Innovation conference on computing to be held November 14-17 in Nashville, Tennessee, are available from Community and Economic Development. Lane staff are eligible for a \$100 discount off the conference registration of \$295. Past attendees have reported that this conference was one of the most significant staff development activities ever attended by their faculty, many of whom are struggling with how to incorporate technology into their classrooms. This is the single best place to learn how other practitioners are doing it, say organizers. For a brochure and discount information, call Ext. 2120.

Raft trip a success

Congratulations to the following Lane women who survived the second annual Lane American Association of Women in Community Colleges white water raft trip this summer: Patsy Raney, Charleen Maclean, Audrey McAtee, Carmel Decroos, Sandy Ing, Jane Scheidecker, Judith Gabriel, Kate Barry, Ann Clark, Mary Anderson, Lee Petty, and Linda Myers. These courageous women, inspired by their river guides, Kurt Schultz and Nancy Unruh, experienced two days of exciting rafting on the North Umpqua. This year's adventurous and hardy group was too busy paddling rapids and trying to stay in the rafts to have time for water fights. However, Schultz's crew did a better job of staying in the raft and out of the water--congratulations! The raft trip, sponsored by Lane AAWCC, is just one of the many educational and fun activities planned during the year for members. Don't miss out on these great opportunities to network, learn, and have fun with your colleagues. Membership to the Lane AAWCC costs \$5. To become a member, contact Carol Beckley, Ext. 2363, and watch The Daily for announcement of more AAWCC activities.

Board chair appointed to Oregon senate

Lane Community College Board of Education Chair Peter Sorenson was appointed Thursday to the Oregon senate by unanimous vote of the Lane County commissioners. Sorenson replaces Grattan Kerans, who left to become the lobbyist for the Oregon State System of Higher Education. Lane board member Cindy Weeldreyer sat in for commissioner Marie Frazier at the appointment meeting. She said Sorenson named education and tax reform as two of his top priorities.

Special board meeting to be held

The LCC Board of Education will hold a special meeting on Tuesday, Oct. 5, at 6:30 p.m. in the Board Room to conduct follow-up interviews for the vacant Zone 1 board position and hold a discussion of the same.

The Torch delivers

Any staff who wish to receive The Torch through intercampus mail can write the student newspaper and ask to be put on the mailing list.

Faculty art show to open

The annual Lane Community College Faculty Art Show opens Monday, Sept. 27, in the Art Department Gallery and will run through Oct. 22. A reception will be held Friday, Oct. 1, from 7:30-9:30 p.m. in the gallery.

Top ten reasons why Lane is a good place to work

Inspired by David Letterman, President Jerry Moskus opened the all-staff meeting on Monday with a list of the top ten reasons why Lane is a good place to work. If you weren't among the more than 500 people who heard it in person, here's the list:

1. Your friends work here.
2. We're decisive (in a shared sort of way).
3. The 1993 Slug Queen works here.
4. Espresso sales are offsetting budget cuts.
5. We have spacious faculty offices.
6. We get our highs from the Blue Angels, not the Grateful Dead.
7. The fitness center doesn't charge by the pound.
8. Almost everyone has a telephone.
9. The buildings have such clever names.
10. It's easy to spell.

Thanks

Thank you to those who helped make the all-staff meeting on Monday a success: Diane Dann, Skip Hubbard, Phil Powers, Dick Reid; and the volunteers who helped distribute information and cookies: Marianne Kimball, Marie Matsen, Debbie Powers, Tracy Simms, Jennie Skelton, Laura Tamura and Miriam Thompson. - Jerry Moskus

Unifying principles still ring true

Unifying principles for Lane were adopted by the Board of Education in 1988. They still hold true today. The principles state that Lane endeavors to:

- Respect the individual
- Provide quality learning experiences
- Commit to excellence
- Promote a sense of achievement
- Ensure a participatory environment
- Communicate openly
- Manage with goals
- Connect with our community, and
- Develop a sense of community ownership.

Correction

Astute Daily readers know that The Great Ping-Pong Ball Drop will be Friday, Oct. 1, not tomorrow as published yesterday. At 11:55 a.m., a helicopter will drop nearly 2,000 numbered Ping-Pong balls redeemable for prizes to students waiting below on Bristow Square. Instructors are encouraged to tell new students about the event and give them extra time to get to noon classes that day.

Week 1, fall term

Edited by Joan Aschim

Today:

Faculty Art Show opens today and runs through Oct. 22 in the Art Department Gallery. A reception will be held Friday, Oct. 1, from 7:30-9:30 p.m. in the gallery.

Board chair to be sworn in as Oregon senator

Lane Community College Board of Education Chair Peter Sorenson will be sworn in as Oregon state senator on Tuesday, Sept. 28, at 12:15 p.m. at Harris Hall, 125 E. 8th Avenue in Eugene. Secretary of State Phil Keisling will administer the oath of office and author Susan Applegate will make a statement. Everyone at Lane is invited to attend the ceremony.

Sorenson was appointed Thursday to the senate seat by unanimous vote of the Lane County commissioners. He replaces Grattan Kerans, who left to become the lobbyist for the Oregon State System of Higher Education.

It's Fall Welcome Week

Today's Fall Welcome activities include information at the Welcome Tent at the main entrance, KLCC's live broadcast from the main entrance from 9:30 a.m. to 1:30 p.m., and reggae band Unshakable Race from 11:30 a.m. to 1 p.m. on Bristow Square.

PERS workshop offered

If you are within five years of PERS retirement, you can attend a free group counseling session in Eugene that will help you make plans. Enrollment is limited. To register, call 1-503-229-6027. Sessions will be held in 1994 on Jan. 18, Feb. 3, March 3, April 5, May 4, June 1, July 14, Aug. 11 and Sept. 15.

Program will improve your teaching

Toward teaching excellence: Contracted and continuing part-time instructors are invited to participate in Lane's term-long Teaching Improvement Process (TIP). You will be observed by and will consult with a non-threatening trained consultant, be videotaped, receive a computerized analysis of student responses to your class, and get many new ideas. Apply for any term for the 1993-94 year by calling Sharon Thomas in English at Ext. 2145.

Department marketing and public relations staff wanted

Many departments have designated a staff member to oversee its marketing and public relations activities--like ads or brochures. Institutional Advancement is developing a list of these staff to receive special information and to attend a marketing and public relations briefing this fall. We know who many of you are, but please call Angela Miller at Ext. 2268 to have your name added to the list, just in case we've missed you.

Council meeting location changed

On Oct. 5, College Council will meet in PE 205, not the Board Room, from 1:30-3 p.m.

Note takers and tutors needed

Disabled Student Services needs note takers and tutors for many fall term classes at the Downtown Center and main campus. Tuition waivers and paid work are available. Call Ext. 2662 as soon as possible.

Receptionist hospitalized

Donna Sanborn, receptionist in the Job Placement Office, is in McKenzie Willamette Hospital recovering from emergency surgery. She had an operation Sept. 21 and on Sept. 23 was returned to intensive care for congestive heart failure. At this time she is unable to have visitors but flowers and cards from her Lane friends would be appreciated. Send cards to Donna Sanborn, McKenzie Willamette Hospital, 1460 G Street, Springfield, OR 97477. - Joan Adams, Ext. 2326

President calls for leadership from all employees

Following are highlights from the president's address at the all-staff meeting on Sept. 20.

Reviewing past successes.

President Jerry Moskus led the way into the new year by reviewing some of the successes of '92-93:

- Community colleges fared well in the Legislature with only a 5 percent cut compared to K-12's and higher ed's 10 percent cuts. Also, Lane's tax base was funded for two more years.
- Lane balanced its budget.
- Two new profit-making programs received approval: a fitness education center and a Mexican fast food restaurant.
- Student Health Services acquired stable funding and its staff behaved professionally in the midst of controversy.
- Vice presidents saved more than \$350,000 out of salary reserves.
- The Joint Review Committee successfully guided a new classification system through its early stages.
- Community partnerships blossomed, such as working with South Lane School District to build a new facility in Cottage Grove, and helping Symantec Corp. train its new employees.
- The Eugene 1993 Airshow made over \$100,000 for the aviation maintenance program.
- The college conducted a computer conversion now resulting in better service to students and staff.
- Lane increased services to Native American students and students with disabilities.
- The board revised its policies while leading the college through many difficult decisions.
- Lane served 37,000 students in 1992-93, a 9.9 percent increase.

Looking to the future.

Change will characterize '93-94, said the president. Changes facing Lane include external factors, technology, politics, leadership, and growth. External factors include Measure 5's impact on funding, a changing economy, education reform, workforce strategies, and new federal regulations. Staff must keep up with technology both as educators and as workers. Political control of Lane continues to shift from the local taxpayer to state and federal funding sources. Changes in Lane leadership include a complete turnover in vice presidents since 1990, six new board members since 1988, and a move toward shared leadership and decision making by all employees. Enrollment growth is revealing an increase in part-time and older students, and is requiring accompanying growth in support staff and part-time faculty.

To survive change, we must minimize bureaucracy and be light on our feet, said Moskus. Later this fall the president will propose some administrative restructuring. But more important is focusing on caring, quality and shared leadership, said the president. The leadership behaviors he advocated included challenging the status quo, striving for continuous improvement, working in teams, keeping the whole system in mind, sharing a common vision, fixing the system--not the person, and others.

In summary, the president quoted Ghandi: "We must be the change we wish to see in the world."

"A caring environment is one where the well-being of each member, student or staff, is supported, and where service to others is encouraged. We have to create a sense of community...."

"We are in pretty good shape right now, but our environment is turbulent, and we have to be sure we can adjust successfully to all the changes around us."

"Lane faces increasing demands at the same time resources are declining."

"We have seen an electronics revolution in the automobile, heavy equipment, and aviation industries, and the advent of computer-assisted design and manufacturing. New technologies threaten to outstrip the college's ability to keep up in such fields as health, business, and communications."

"The state political climate is much more important to LCC now than it was even a few years ago. If the federal government is able to move funding away from defense into education, then the federal government's influence on education is likely also to increase."

"We need leadership from all of you."

"Remember our aim: to provide a quality learning experience in a caring environment."

"We must never forget that the most important thing we do is enable students to learn. We're here to provide quality learning experiences, and if we continue to meet that primary need, we'll continue to be a successful organization."

Today:

- LCC Board of Education Chair Peter Sorenson will be sworn in today as Oregon state senator at 12:15 p.m. at Harris Hall at 125 E. 8th Avenue in Eugene.
- Computer Users Group will meet today at 10 a.m., PE 205. Guests welcome.

Jean Whiteside earns annual employee award

Jean Whiteside, Continuing Education secretary since 1985, was named Outstanding Classified Employee of the Year for 1992-93 at the all-staff meeting on Sept. 20. Board of Education Chair Peter Sorenson conferred the award. Whiteside took the microphone briefly to thank her supervisors for their support. "They allowed me to do this, they allowed me to grow."

Whiteside was cited for her service attitude, cross-training, people skills, and professional skills. She first came to Lane to get information about buying a home computer. Instead, she enrolled in an office skills training program. Her personality and 120 words-per-minute typing prowess became known and the college hired her upon program completion. She has been with Lane eight years and is a member of the American Association of Women in Community Colleges and the Instructional Support Staff Association.

Former board member passes away

Former LCC Board of Education member Catherine Lauris of Eugene, 75, died on Sept. 24. England's Eugene Memorial Chapel has set the funeral service for Saturday, Oct. 2, at 2 p.m., at Beall Hall, 961 E. 18th. Interment will be private.

Lauris served on the Lane board from 1970-82 representing Zone 5. She was the first woman to chair the board when elected to that post in 1971. She also served on the LCC Budget Committee from 1986-92 in an at-large post. On the occasion of her retirement from service to Lane, faculty union president Don Micken wrote about her in the union newsletter. To borrow a couple of quotes:

"Her resume is an embarrassment to anyone who presumes to public service. It begins where most would end--with three terms on the Eugene City Council, and ends 20 years ago, shortly after her contributions to LCC began. Before 1956 and after 1972 is more than a lifetime of service for most persons. ... At no place is there any evidence that from her activities, Catherine Lauris sought power, position, career, honors, or money for herself or for her friends. For this very private person/public citizen, service to her community has a definition which few understand, and virtually none emulate."

Mild enrollment increase reported

Overall enrollment is up about 4 percent as of the first day of classes, said Vice President for Student Services Linda Fossen on Monday. Last year produced Lane's greatest-ever enrollment increase with a 9.9 percent jump and a total headcount of 37,191 for the year. This fall, credit headcount is about the same as last fall at this same time with approximately 9,300 students registered. Non-credit enrollment is up about 14 percent with approximately 4,500 students registered. Don't add those numbers together: some students register for both credit and non-credit classes. Final reports become available later in the term.

Presidents sets open office hours

President Jerry Moskus has once again scheduled "open door" time each month for those who would like to share comments, ask questions, or just introduce themselves. Drop by on Tuesday, Oct. 12, from 1-5 p.m., or call Tracy Simms, Ext. 2889, to schedule an appointment.

Week 1, fall term

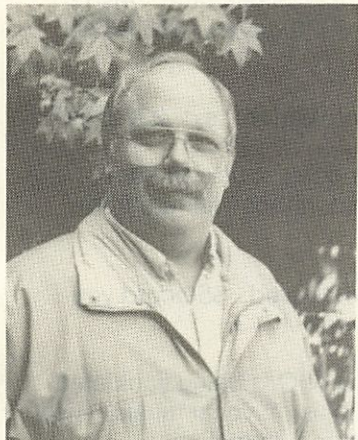

Edited by Joan Aschim

Today:

Magicians Weiss and Patricia perform from 11:30 a.m.- 1 p.m. in the cafeteria.

Jerri Adler and Gary McKenzie share teaching honor

Named at graduation, the Instructor of the Year is again acknowledged at the annual all-staff meeting. Jerri Adler and Gary McKenzie share the distinction for 1992-93.

Gary McKenzie

Jerri Adler has taught medical office assisting at Lane for nearly 12 years. She credits Lane's supportive atmosphere with contributing to her success and the success of students. In a note to her department she wrote, "Many of our health records students have gone on to other institutions...and invariably say how much they miss the nurturing atmosphere of Lane...."

Jerri Adler

Nominators described Adler as caring. Students said she has time for everyone, is kind and fair, and a creative teacher. One student said, "We have done

skits, collaborated on reports, delivered speeches and had group discussions. We have watched wonderful videos, seen comical overheads and paid strict attention to her chalkboard notes and diagrams." Adler is respected for her personal experience earned in the field. One nominator described her as a lady and a leader, and another simply put it this way: "Jerri Adler is my hero."

Gary McKenzie has taught aviation maintenance at Lane for four years. He is known for his caring attitude, his devotion to students, and his encouragement. "He would always make the students feel as if they had just accomplished the impossible" when they finished a project, said one student. All nominators remarked on his easy-going manner and respect for diverse ideas. Many counted him as a friend as well as a teacher. Several told the story of how he invited students who had no place else to go to his home on Thanksgiving.

Nominators also were impressed with McKenzie's personal field experience and professional certifications and licenses including airframe and powerplant license, inspector authorization, and designated maintenance examiner's license. He is a graduate of Lane's aviation program and worked several years in the field before returning to teach. He uses real-life examples that help students understand difficult subject matter. In the words of one student: "I've learned more from Gary McKenzie than I have from all my other instructors combined."

Manager needed on Safety Committee

The Safety Committee needs a management employee to fill an open spot on its roster. The committee meets once a month (last year meetings were 3-5 p.m. on the second Tuesday of the month) to assist in monitoring, improving and maintaining job site safety and occupational health. If you are interested in serving, please call the President's Office at ext. 2200.

Classification appeals due

Remember that all requests for classification appeals must be turned in to Personnel Services no later than Thursday, Sept. 30, by 5 p.m.

Student ambassadors wanted

High School Relations seeks two student ambassadors for the 1993-94. These positions pay \$6.25 per hour for 10-12 hours per week. Ambassadors lead campus tours, visit high schools to talk about their experience at Lane, and help with clerical work. Minimum requirements are: completion of at least one year in Lane credit classes; current enrollment of at least half-time; completion of high school diploma or GED within the past three years; and availability at least two mornings a week. If you know of any interested and qualified students, ask them to inquire in High School Relations in the Admissions office. The application deadline is 5 p.m., Oct. 4. - Shan Titus, Ext. 2688

Lane Community College provides a quality learning experience in a caring environment.

Teaching workshops offered

- The Teaching Improvement Process (TIP) invites teaching faculty to the annual teaching workshop at Heceta House north of Florence from 4 p.m. on Friday, Oct. 15, through 3:30 p.m. on Saturday, Oct. 16. Topics covered are suggested by participants. If you did get a sign-up form at in-service, call Sharon Thomas in English at Ext. 2145. We always have a great time and come away refreshed from our experience. We have room for 20 so reserve your space now.
- "TTT: Teachers Talking About Teaching: Building Rapport in the Classroom" is a workshop to be held on Tuesday, Oct. 19, from 3-4:30 p.m. in CEN 420. Discussion will be led by Phyllis Geyer and Pat McLaughlin, but do bring your own successful strategies for building rapport in the classroom. Come enjoy meeting people and sampling delectable delights from The Renaissance Room.

Art reception is Friday

A reception for faculty showing in the annual Lane Community College Faculty Art Show will be held Friday, Oct. 1, from 7:30-9:30 p.m., in the gallery. The show is open until Oct. 22.

College Council report

More and more high school students are taking credit classes at Lane, College Council heard at its Sept. 21 meeting. This raises the question of whether they are shutting out college-age students. President Jerry Moskus said this was happening statewide, especially as education reform takes shape. He said community colleges must lead the way to a solution.

Council learned that science instructor Joe Russin has plans to maintain the nature trail, which has fallen into some neglect. Russin built the trail as an outdoor science classroom and general recreational trail with an Eldon G. Schaefer innovation grant a year ago.

For most of the meeting, council attempted to identify and prioritize the issues it should address this year. Discussion reached back to a 1991 shared decision making report which says council's role is to formulate and recommend policy to the president. Council declared to reach closure on this discussion at the next meeting, which will be Tuesday, Oct. 5, from 1:30-3 p.m., in PE 205.

Teamwork wins "Pat on the Back" awards

Nick Cheshire, Rich Freund, Jan Brandstrom and Sharon Moore won a \$250 "Pat on the Back" award from the Schaefer Endowment for Innovation at the all-staff meeting on Sept. 20. The team developed group advising for current students to allow earlier registration and free up counseling services for new students.

Vince Foster, Tim Blood, Ann Clark and Lou Bombardier won a "Pat on the Back" runner-up award from the Schaefer Endowment at the all-staff meeting on Sept. 20. They designed a course to teach human relations skills in demand by employers that can be taken alone or integrated into other programs.

Three "seed money" awards go to Florence

Bill Porter

Three "Seed Money" grants from the Schaefer Endowment for Innovation were presented at the all-staff meeting on Sept. 20 to **Bill Porter, Robert Patterson and Jean Spriggs** of LCC at Florence for three projects.

A \$2,100 award will fund a computer bulletin board where students can retrieve assignments and submit their work and scan class listings and events.

A \$1,850 grant will fund development of training modules for small businesses.

Finally, A \$1,250 grant will fund bulletin boards that feature battery-operated clocks and the Lane logo to be located throughout the community.

Lane Community College provides a quality learning experience in a caring environment.

Dance class has openings

Did you enjoy the "pioneer" dancing many of us did on Bristow Square on Sept. 23? The Folk Dance class that teaches American Heritage dances is dying a slow and painful death. Please help by steering students into this fun class or registering yourself for a little aerobic American history. The class meets Tuesdays and Thursdays, from 2:30-3:50 p.m., in H&PE 125. - Nancy Anderson, Ext. 2545
