Board to hold work session

The Lane Community College Board of Education will hold a work session on Wednesday, Jan. 5, from 3-7 p.m., in the Board Room. They will review the board self-study conducted by Dr. Jerry Bogen and continue a review of board policy.

HEARING

The first of five open hearings on college restructuring will be held Monday, Jan. 3, 2:30-3:30 p.m., in the Board Room.

"We need leadership from all of you." - Jerry Moskus

New management training program offered

FrontLine Leadership, a new supervisory management training program, is being offered by Business and Industry Services. This six-week series is Fridays, 8:30 a.m.-12:30 p.m., starting January 21, in DTC 202.

This award-winning program from ZengerMiller reflects the values of teamwork, open communication and continuous improvement. It is designed for experienced managers as well as those newly promoted. The cost for the series is \$285. To receive a FrontLine Leadership brochure and additional information, call Peg Allison, Ext. 2923.

Outstanding classified employee nominations due

February's Outstanding Classified Employee nominations are due to the office of Community and Economic Development by Jan. 14. Nomination forms are available from Debbie Powers, Ext. 2120.

Student success strategies conference

Applications for the Student Success Strategies Conference are available from Evelyn Nagy, Ext. 2947. The conference will be held in Portland, Feb. 9-11. The cost is \$70. Deadline for registration is Jan. 14.

Well-known California painter to show at Lane

Lynne Brooks-Korn will show her abstract acrylic paintings at the Art Department Gallery from Jan. 3-21. The show consists of seven paintings, as large as 8 by 12 feet, on canvas. The artist will lecture on her work Tuesday, Jan. 18 at 10 a.m. in the gallery.

Brooks-Korn's current abstractions express the vitality of the meeting of land and sea. The vibrant color, the fluid and energetic lines move outward from a center of intensity, suggesting an inner source of energy, a point of contact where the explosion begins. In her statement she explains, "With my studio between the Pacific Ocean and the coastal hills, the landscape encompasses me. It seems to move, breathe, and have a life of its own. As the clear California light comes through the studio windows, it changes with the fog, the rain, the sun. It strides so confidently across my floors and walls. My work is influenced by this environment, by its abstract and representational elements, its colors and lines. I work to capture a part of its embrace and to hold it fast."

Gallery hours are Monday through Thursday, 8 a.m. to 10 p.m. and Friday, 8 a.m. to 5 p.m.

Annual celebration of electronic music

Lane presents Harmonic Currents, a unique multimedia concert of electronic music, video and dance with laser and lighting effects Friday, Jan. 7 and Saturday, Jan. 8 at 8 p.m. in the Performing Arts Performance Hall. Featured composers Chris Owen and Heather Perkins will premier new works written for acoustic and electronic instruments. Tickets are \$8 adults and \$6 students and seniors.

Lane Community College provides a quality learning experience in a caring environment.

Faculty interviewers honored

The Faculty Professional Development Team has been conducting faculty interviews in an effort to determine how best to serve Lane's faculty. The interviewers were honored at a luncheon hosted by the FPDT, Dec. 6 in the Renaissance Room. The goal of the FPDT is to interview 200-300 faculty members by the end of winter term. Eighty-six interviews have been completed.

Special thanks go to all volunteer interviewers and interviewees for their time and effort. If you would like to be involved in the project, please call Cheryl Kempner, Ext 2844 or Carmel Decroos, Ext 2638.

Summer institutes being offered

The East-West Center and University of Hawaii are offering two summer institutes. South Asian Culture and Civilization will be held from June 4 to July 8 and Infusing Asian Studies into the Undergraduate Curriculum will be held July 25 to August 13. Both programs provide outstanding background information and curricular materials to participants. The institutes are designed to assist instructors of courses in all fields. Some financial assistance is provided by the institute. For more information, contact Tom Reimer, Ext. 2392.

Weyerhaeuser Referral Center opens in Cottage Grove

Mary Hedges has been named coordinator of the Weyerhaeuser Referral Center in Cottage Grove. The center opened recently to prepare for the planned March lay-off of 80 Weyerhaeuser employees at the Cottage Grove plant due to a planer/shipping modernization.

Hedges was a lumber separator for Weyerhaeuser in Springfield until being laid off in 1991. She then entered the Dislocated Worker Program at Lane and went on to earn an associate of applied science degree in office administration in 1993. She worked for the program's Job Resource Center most of 1993, helping newly laid-off timber workers put together resumes, job search strategies, and other things. She and Lane supervisor Patti Lake describe the new Cottage Grove job as "a golden opportunity." The center has a planned six-month service assignment; however, a former, similar center in Springfield lasted two years. Hedges hopes to return to work in the Lane program when the center closes.

Fitness Center offers staff hours

The Fitness Education Center has reserved Tuesday and Thursday mornings from 7-8:20 a.m. during winter term for staff. Individualized programs will be provided by Dr. Mary Schreiber including a complete fitness assessment and a personalized program to help you meet your specific fitness goals. To help you with exercise adherence and compliance, small group support activities will be offered. Call ClassLine and register for Faculty/Staff Fitness, Registration No. 1458. Don't forget to apply for your faculty/staff tuition waiver. For more information, call Schreiber at Ext. 2545.

"LCC Today" interviews Rue the ghost

"LCC Today," the television show produced by Media Arts students, kicks off winter term with an interview with Rue the ghost. Rue haunts Heceta House north of Florence, say caretakers and many students who have attended Lane workshops and events at the old lighthouse keeper's residence. Also on the show will be Bill Porter, director of LCC at Florence, and Heceta House caretakers Carolyn Stockton and Doyle Duncan. Hosts will be student John Smith and instructor Michael Maze. The coast-ghost special can be seen Tuesday and Thursday, Jan. 4 and 6, at 4 p.m. on cable channel 12, and on Tuesday, Jan. 11, at 7 p.m. on cable channel 11.

Week 1 of Winter Term

Edited by Joan Aschim

Ethnic diversity project kicks off today

College Council will participate in an orientation to the Institute on Ethnic Diversity, an interactive, participatory, campus-based process to develop and build strategic diversity plans and initiatives. The orientation is today from 1:30-3:30 p.m. in the Board Room and will be presented by representatives from the Western Interstate Commission for Higher Education. Council has been asked to serve as the core leadership group for the institute.

Commissioner's proposal hard on Lane

Oregon community college commissioner Roger Bassett submitted a funding equalization proposal to the colleges' presidents last month that would cost Lane \$8 million in state funding, said President Jerry Moskus on Monday. Lane had projected it would lose less than \$4 million due to equalization. Moskus believes the commissioner listened carefully to objections and will make a second proposal.

Moskus said, "Ironically, under an equalized state funding system, having had good support from local voters in the past is a handicap; having had weak support is an advantage. Lane had relatively good support." He added that the commissioner's proposal was a not-so-gentle reminder that we must stay on the track of providing quality learning experiences while reducing costs as much as possible. "Our goal is to meet the needs of learners even with reduced resources. Given the skill and resourcefulness of our staff, I think we can meet that goal. But people will have to be ready to accept some changes."

Informational picket staged

Plumbers and Steamfitters Local 290 staged an informational picket of Servco Inc., of Lebanon, on Monday morning near the Gonyea Road entrance to main campus. Servco is doing air handling upgrade work in the auto body paint shop. Servco was low bidder. The Board of Education awarded the bid after directing an investigation into complaints by union spokesperson Mike Carmickle at the Nov. 10 board meeting. Carmickle questioned Servco's qualifications and said that it was a non-union company and that his union might picket. The staff investigation showed no outstanding problems with the vendor. Oregon law requires public institutions to accept qualified low bids and prohibits exclusion of non-union bidders. Bidders must pay prevailing wages on public contracts.

An informational picket involves distributing information but does not signify a grievance. Lane's faculty and classified union contracts and Oregon statute all prohibit employees from interrupting work due to informational pickets.

Dick Gregory to speak at Lane

Dick Gregory will lecture on Thursday, Jan. 13, at 7 p.m. in Performing Arts Theater. Tickets are free but limited to a first-come, first-served basis. Ushers and ticket-takers are needed. For ticket information or to volunteer, call Ext. 2040.

Gregory is a civil rights activist and lectures at colleges throughout the United States. He was born in St. Louis in 1932 and was a star college track athlete. He began performing comedy while in the army. Later he became known for hard-hitting satire along with two others: "Mort Sahl handled the political revolution, Lenny Bruce challenged sexual and religious conventions, and Dick Gregory was the voice of the rising civil rights movement," according to Ronald L. Smith, editor of "Who's Who in Comedy." Gregory ran for president in 1968 on the Peace and Freedom Party ticket. He quit stand-up in the early 1970s. He also is an expert on nutrition and vegetarian diet.

Memorial service scheduled for Norma Stevens

Norma Stevens, former medical office assistant instructor-coordinator, died Dec. 19 of cancer at age 71. She began the first telecourse, "Medical Terminology," in 1983, and introduced an advanced terminology course in 1986. Her telecourse has been purchased and used by several community colleges in Oregon and British Columbia. She co-wrote "Introduction to Medical Terminology" in 1992. The memorial service will be held Saturday, Jan. 8, at 1:30 p.m., Westminster Presbyterian Church, Eugene. Contributions may be made to Greenhill Humane Society, 88530 Greenhill Road, Eugene, OR 97402.

Former math instructor passes away

Scott McFadden, who taught "Fundamentals of Elementary Mathematics" at Lane from 1991-93, died Christmas Day from heart failure at the age of 61. He received the national Presidential Award for Teaching in Mathematics in 1984 and the Oscar Schaaf Award for Excellence for Teaching Mathematics in 1993. In addition to teaching at Lane, he taught in the Eugene School District, the American School of Paris, and the University of Oregon College of Education. Memorial contributions may be made to the Oscar Schaaf Scholarship Fund in care of Chuck Peterson, Route 1 Box 164, Halfway, OR 97834.

Where have all the jobs gone?

"Where Have All the Jobs Gone" is the title of a video by Dr. William Bridges to be shown at the next Transition Planning Team meeting on Thursday, Jan. 6, 2-4 p.m., Board Room. Guests welcome. The video is available from the library.

Transitions to Success offers counselor referral

Transitions to Success can now refer program participants to local counselors for low-or-no-cost services. Program assistant Cindy Veldhuis developed the referral service by working with community counselors. Transitions hopes to offer referrals to lawyers and physicians in the future.

Week 1 of Winter Term

Edited by Joan Aschim

Today:

- Student Services directors, Wednesday, Jan. 5, 9-11 a.m., Board Room.
- Board of Education work session, 3-7 p.m., Board Room.

First hearing draws insights

Executive Cabinet answered questions and offered thoughts at the first open hearing on President Jerry Moskus' college restructuring proposal on Monday. Some random highlights:

- The audience indicated consensus that the college must respond to the forces of change listed in the proposal, and that restructuring may be one way to do that.
- This is really about changing the way we work, and work together.
- Changing the way we work will pose challenges to existing employee contracts.
- Include a team to constantly sort through the forces of change and prioritizing them according to the best overall interests of the college.
- Drop the term "learner" and stick with "student."
- Name and include part-time faculty (and other part-time staff) in the plan. If changing the way we work, consider assigning part-timers to matrix or project teams when not busy with classloads or their regular jobs.
- Don't necessarily eliminate rules, just make them simpler.
- Develop a sense of group responsibility.

The next open hearing is set for Monday, Jan. 10, 5:30-6:30 p.m., in the cafeteria

HEARING

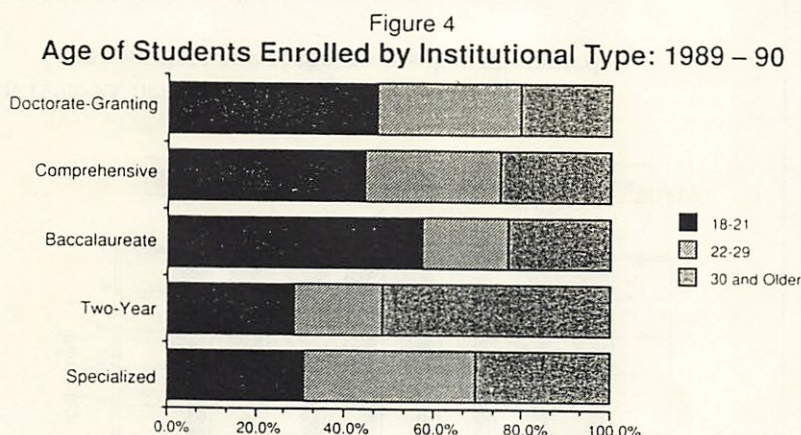

The next open hearings on college restructuring will be held Monday, Jan. 10, from 5:30-6:30 p.m., in the northeast corner of the cafeteria; and Wednesday, Jan. 12, from 9:30-10:30 a.m. at the Downtown Center, Room 202.

Older students choose community colleges

Source: U.S. Department of Education, NCES, IPEDS, unpublished data.

A recent study by the American Council of Education revealed students age 30 and older are more likely to enroll in two-year institutions. This comes as no surprise to community college staff!

Dental insurance reminder

The maximum amount of dental benefits for eligible classified staff is \$1,000. The amount for faculty and managers is \$1,500 for covered services for each person covered per benefit year. If you have questions regarding your benefit year, you may call your insurance carrier (Blue Cross/Blue Shield or OEA Choice). If you have insurance questions, call Carol Goldsberry in Personnel at Ext. 2590.

Wheelchair accessible van ready

The motor pool now has a passenger van that is wheelchair accessible. It will accommodate two wheelchairs plus six other passengers. The van is approved for field trips and college business. To schedule the van, call Betty Weese in Security at Ext. 2562.

Julie Baker named outstanding employee

Jerry Moskus and Julie Baker

The Outstanding Classified Employee of the Month for January is Julie Baker. She coordinates college-wide staff development and conducts special projects for Community and Economic Development and Institutional Advancement. President Jerry Moskus asked her on Monday where she parked. She told him. He said, "You're parking in the wrong spot," and presented the award which includes reserved parking, lunch with the president, and a portrait on the classified union bulletin board.

Nominators said Baker completes tough assignments in a quality, timely manner, works with a minimum of supervision, keeps the "big picture" in mind, and has a professional, efficient and courteous demeanor.

Baker participated in Transitions to Success in 1978. She held a co-op placement with the faculty union from 1978-81 and then was hired as secretary to the English department. She transferred to Curriculum/Scheduling in 1987 and to her current post in 1991.

Baker has a master's degree in educational policy and management from the University of Oregon, master's and bachelor's degrees in education from Central Washington State, and an associate's degree from Everett Community College. A perennial student, she takes a class every term at Lane.

She has served on numerous campus committees, the classified union bargaining team, and campus and state chapters of the American Association of Women in Community Colleges. She was Cooperative Work Experience Employee of the Year in 1984 and attended the National Institute for Leadership Development in 1986.

College Council learns more about diversity institute

College Council committed Lane to a diversity project at its Jan. 4 meeting after hearing a presentation, but did not yet name a core group to lead the effort. Suzanne Benally and Tom Massey from the Western Interstate Commission for Higher Education explained The Institute on Ethnic Diversity and its purpose of helping an organization develop a strategic diversity plan through a participative process.

The institute typically includes seven meetings with the facilitators over the course of year. Interim work includes collecting background information, assessing the situation, defining diversity, developing a vision, training, setting benchmarks, and writing an action plan. Of key importance is achieving a common definition of diversity, if not a change of attitude, behaviors and circumstances, shared by all members of the college community, on campus or off. Leadership and kinship in the process are critical, said facilitators. President Jerry Moskus said of all the issues facing Lane, this may be the most important.

Also attending the presentation were representatives from the University of Oregon, the City of Eugene, and Eugene Public Schools.

Taco Time cart almost ready

Foodservices staff attended training at Taco Time International last month in preparation for opening a Taco Time cart in the snack bar. Student help is being hired and trained this week. The cart will offer 10 authentic Taco Time specialties and will open on a trial basis on Monday, followed by a grand opening on Jan. 24. Manager Jim Wychules said campus services staff did a superb job of remodeling the snack bar area to make room for the cart.

League technology conference-goers to share information

Staff who attended the fall League for Innovation conference on "Reinventing the Community College: Using Information Technology to do Things Differently and to do Different Things," will share information with all who are interested on Wednesday, Jan. 12, at 10:30 a.m. in the Board Room. The discussion will focus on what the future might look like for technology on campus. Conference topics included networking, current and future uses of technology in the classroom, distance learning, and planning for technology needs. Attending the conference were Thad Cowdin, Ted Kotsakis, Nick Cheshire, Bob Barber, Marie Matsen, and board member Larry Mann.

See the attached flyer for details. Winning essays will be considered for publication in The Daily or the spring class schedule. There, also, are plans to hold a faculty writing contest as part of the celebration. Watch The Daily for further details. - Julie Baker, Ext. 2199

Business Development Center works for continuous quality

Santa crashed a discussion on continuous quality improvement at the BDC last month to give Jerry Moskus a pair of scissors for cutting red tape and Marie Matsen some tea for the hot water she gets into.

system philosophy now. "I was cynical at first because I had been through all the philosophical shifts at Lane over many years. But I am seeing real positive change here. And I'm doing some changing in the way I think."

President Jerry Moskus and his assistant Marie Matsen visited the Business Development Center last month to hear about its project in continuous quality improvement. Learning CQI is like learning a second language, said director Jane Scheidecker. "Assume you are a native English speaker and you need to learn Spanish to deal with an increasing Spanish-speaking population. All around you, only English is being spoken, but we are trying to become fluent in Spanish. Well, for the time being, we have to speak English because that is how we get 99% of our work done. But we want to use Spanish whenever possible so we can become fluent as soon as possible." This requires working in two systems simultaneously and expending extra effort, says Scheidecker.

Small business instructor-coordinator Bill Dotson has used CQI methods for years, but has added a whole

A call for ideas and help

Thirty years ago, voters approved the founding of Lane Community College and elected its first Board of Education. We're planning a celebration! If you have ideas or want to help, call Angela Miller, Ext. 2268.

Drop dead...line

A STARS Team reminder: Friday, Jan. 14, is the last day for students to drop classes and receive a refund. Spread the word.

Stories wanted

"The Latest from Lane," the newsletter sent to district high school students and staff, is seeking submissions. If you have any brief news items of one to three paragraphs that you would like to include in the newsletter, please forward them to Shan Titus, High School Relations (Admissions), Ext. 2688.

If you can't go to Mexico, bring Mexico to you

Host families are needed for participants in Lane's international cooperative education program in Guadalajara, Mexico. Our Mexican guests, who are bilingual, will arrive in April or May. A variety of hosting opportunities are available and include providing room and board for two to four weeks, emergency housing for one to three days, weekend hospitality, one day special activity, and one evening hospitality. Don't miss this wonderful opportunity to learn about Mexican culture and maybe even practice your Spanish. To take advantage of this exciting opportunity, call Peggy Marston at Ext. 2423.

Nursing students and staff help out a senior citizen

From Sandra Jones, director of Lane's Senior Companion Program: "A great big thank you to the nursing program and all the giving staff who sponsored a client of one of the Senior Companions. The client is 87-years-old and lives in a small trailer in Springfield. She has no family and her Senior Companion is the only person that visits her weekly. Because of all the fine people in the nursing program, she had a very wonderful Christmas: they pitched in and gave her a bathrobe, slippers, warm clothing, boxes of groceries, and money for a pair of much-needed walking shoes. The companion, Melba Sanders, was very happy to be the person to deliver the presents. She said there were so many boxes of groceries, she had to get her son to help her. She said for her it was the best part of Christmas. The Senior Companions and staff are proud to be a part of Lane and its great people."

Athletics Department founds a hall of fame

The Athletics Department established the Athletic Hall of Fame on Jan. 8 and inducted its charter members. Inducted were two-time NJCAA coach of the year Mike Manley; 1976-77 OCCAA cross country champion Ken Martin; 1975 all-American heavyweight wrestler Mark Booth; 1982-84 all-conference basketball player Greg Merlau; and the 1979 women's cross country team. These champions were honored at a banquet and with half-time ceremonies at last Saturday's basketball game. Athletic Hall of Fame displays are located in PE 205.

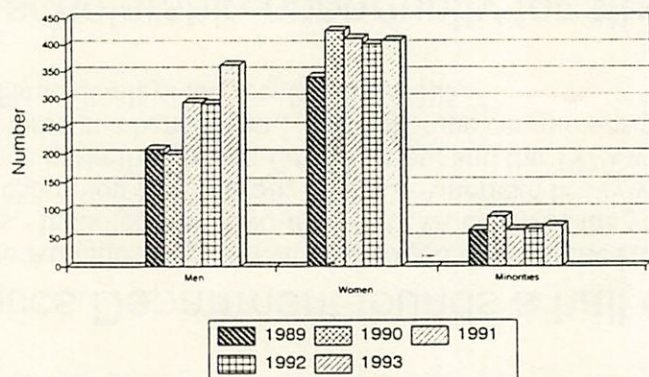

New scholarship opportunity for study abroad

The National Security Education Program received congressional funding in November for study-abroad scholarships. NSEP seeks to educate U.S. citizens to understand foreign languages and culture, strengthen U.S. competitiveness, and enhance international cooperation and security. Scholarships must be used in countries outside of Western Europe, Scandinavia, and Canada. Undergraduates receiving less than 12 months of aggregate support do not incur obligation, but those receiving more than 12 months of aggregate support are obligated to post-award service in government or education. For application information, contact Mason Davis in CEN 221, Ext. 2239. The deadline for on-campus application for 1994-95 is Feb. 7.

Lane and U of O partner on Talent Search grant proposal

Staff from the University of Oregon Upward Bound Math/Science program and staff from Lane Community College's Counseling and Adult Basic and Secondary Education departments have worked together over the past months to prepare a grant proposal for the federally-funded Talent Search program. The proposal was mailed Dec. 22. If funded, the program will encourage qualified youths ages 11 to 27 years to complete secondary school and undertake a program of postsecondary education. Lane will implement program services designed for individuals in alternative secondary education programs and those re-entering postsecondary education. Services will include career and educational counseling, assistance in filling out admissions and financial aid forms, tutoring, and specially designed career and life planning classes. Lane will serve 600 students in alternative secondary education or re-entry programs. The U of O will serve 100 middle school students and 500 high school students.

The first year budget request totals \$496,113, with approximately \$207,000 for services provided by Lane. The initial grant cycle would be four or five years, with an opportunity for continued funding cycles after that. Notification of funding is expected late this summer, and, if successful, program activities would begin in the fall. For further information, contact Greg Fishwick, Counseling, Ext. 2322 or Sarah LaMaster, Institutional Advancement, Ext. 2312.

New activities announced for Workforce 2000 conference

New activities at the League for Innovation Workforce 2000 conference to be held later this month in New Orleans have been announced. These activities are not included in the conference brochure. In addition, participants are asked to help form a team to bring back information for staff unable to attend the conference. For details, contact Debbie Powers at Ext. 2120.

Week 3 of Winter Term

Edited by Joan Aschim

Lane helps attract Sony

Sony Corporation of America will build a new optical disc manufacturing center in Springfield, Gov. Barbara Roberts announced to the community Tuesday. Joining her for the announcement from Lane were President Jerry Moskus, Vice President for Community and Economic Development Larry Warford, and Business and Industry Services Director Dave Oatman. Lane will help train Sony employees and has been working with Sony since October 1993 to determine its start-up and ongoing workforce training needs. About \$300,000 in state lottery funds will support the cost of training. Up to 300 local people are expected to be hired for the start-up. Sony plans to build a 250,000 square foot facility in the McKenzie-Gateway Corporate Park, breaking ground in April. They hope to produce 3 million discs per month with manufacturing to begin in the fall of 1995.

The college will help provide training in quality improvement and statistical process control, statistical math review, trouble shooting and diagnosis, problem solving, team communication skills, criteria defect training, computer software training, and plastic manufacturing.

Moskus shared the announcement at College Council. "This is quite a coup for Springfield and for Lane. Our partnership with Symantec gave us credibility. I understand the jobs will be fairly high-paying at \$30,000 and up. This will really help our area."

Board report

Commissioner Roger Bassett submitted a **second proposal on community college funding** equalization on Jan. 12, said President Jerry Moskus at the Board of Education meeting. The new proposal would cost Lane about \$3.5 million, rather than the \$8 million suggested in the first proposal.

The board granted permission to staff to participate in a statewide request for state approval of an **emergency medical technician degree program**. If approved by the state, internal college approval for a degree program would be sought. Lane currently offers EMT courses through Continuing Education.

Board member Larry Mann outlined suggestions for pursuing **bond funding for current and new capital projects**. The board directed the president to submit a decision-making plan at the next board meeting including the budget calendar, long range planning, and shared decision-making process.

The board decided to keep its **contract award authority** after a second reading of a recommendation to delegate that authority to staff.

Moskus gave board members a chance to comment on the **restructuring proposal** distributed to them and all staff the week of Dec. 6. Chair Peter Sorenson said to make sure advisory committee members and other volunteers be given a chance to comment.

President Moskus continues to do an outstanding job, Sorenson said, announcing that the president's annual performance evaluation is complete. Board member Cindy Weeldreyer, participating via telephone, said, "People still come up to me and thank me for my role as a board member in having selected Jerry as our president."

The board instructed its attorney to write letters to the City of Eugene and Lane Transit District regarding its concern about **loss of parking from the proposed LTD terminal**. The terminal would be built across from the college Downtown Center and would cost 176 parking spaces currently favored by students and staff. Sorenson will write LTD and ask for a joint board meeting, and staff will determine sale value of the DTC and consider relocating its programs.

The board believed itself to be over its travel and outside services budgets and authorized a transfer from its contingency fund to cover the gap. However, the next morning a calculation error revealed that the **board is still within its travel budget** and Assistant to the President Marie Matsen said she will not make the transfer.

In other business, the board awarded a food supply contract to Sysco Food Services of Portland, approved the college year-end audit, approved routine transfer of funds for 1993-94, and postponed a discussion on grading standards. The next regularly scheduled meeting is Feb. 9.

Martin Luther King III to speak on campus

Week 3 of Winter Term

Edited by Joan Aschim

Today: Lane-Sony partnership to be explained

Lane's training relationship with Sony Corporation of America will be explained in an open forum today at 11:30 a.m., in Forum 308, for all interested staff and others. Vice President for Community and Economic Development Larry Warford will facilitate.

Gov. Barbara Roberts announced Tuesday that Sony will build a new optical disc manufacturing center in Springfield beginning in April. Lane will help train Sony employees and has been working with Sony since October 1993 to determine its start-up and ongoing workforce training needs. Up to 300 people are expected to be hired for the start-up. Hiring will be done by the State Employment Division in August to September. Lane will train people after they are hired.

Today: Part-time faculty meeting

Part-time instructors will meet today from 5-6:30 p.m. in FOR 308. Department representatives, please attend this meeting. Full-time faculty are welcome. - Wes Chamberlain, Ext. 2271

Today: Multiculturalism address

Bill Powell, English instructor at Lane, will lecture on the issue of multiculturalism today from 12:30-1:30 p.m. in HEA 105. His address is sponsored by ASLCC.

\$600,000 gift will fund scholarships to Lane

An anonymous Eugene couple has pledged \$600,000 to Lane for student scholarships. The couple established a trust that will create an endowment upon their deaths. One student from each of the eight Eugene-Springfield area high schools will be selected annually to receive a two-year scholarship to Lane at \$3,500 per year. Additional two-year awards will be given to students who choose to continue their education at four-year institutions. Recipients will be selected based on financial need, a grade point average of 2.5 or better, and an inability to qualify for other scholarships or grants.

"The donors just want to give something back to the community," says Foundation Director Joe Farmer. "They see Lane as accessible. It makes me hopeful that more people will step forward to support education in this way." Over 60 percent of Lane students require some form of financial assistance, says Farmer.

Classified Council "overwhelmed" by suggestions

Julie Baker, of Community and Economic Development and Institutional Advancement, shared her idea for an insurance premium fund at Classified Council's Jan. 12 meeting. The fund would allow participating Lane staff to access the fund during a major medical crisis. Baker says the idea evolved from a sick leave bank which she initiated during the illness of Nancy Jacques. She asked the council to consider addressing the issue.

The council expressed appreciation for the overwhelming response to the suggestion box. Council decided to review college goals and objectives in order to read the suggestions from that perspective. Suggestions will be reviewed at the next meeting, set for Jan. 26. - by Arlene Hougland for The Daily

Faculty Council concerned with grading system

At its Jan. 13 meeting, Faculty Council decided to create a task force to explore the college grading system and the faculty's role in formulating a consistent policy of standards and grades.

Council asked Don Micken, technical drafting instructor, and Tom Birkenhead, business instructor, to present some ideas to the college Graduation Committee on ways to increase faculty participation at graduation ceremonies. Council's next meeting is Jan. 27. - by Arlene Hougland for The Daily

Nationally acclaimed textile artist to show at Lane

Nationally-acclaimed textile artist Sheila O'Hara of Oakland, Calif., will show at the Art Department Gallery from Jan. 24-Feb. 11. The show, "Creativity and the Computer in Weaving," will feature a variety of color, texture, shape and materials woven on computerized looms. A reception for O'Hara will be held on Friday, Jan. 28, 7-9 p.m., in the gallery. She will lecture on Thursday, Jan. 27, at 1 p.m., sponsored by ASLCC.

O'Hara is nationally recognized for her innovative tapestries. "This exhibition represents two different facets of my work," she says. "The majority of pieces are hand-woven in a unique fabric structure which I have developed since my graduation from California College of Arts and Crafts in 1976. The remaining two pieces are products of Art & Industry: The Jacquard Project, a collaborative effort between five textile artists and a German mill." The show also includes one piece each by Lia Cook and Cynthia Schira, who participated in the jacquard project.

Gallery hours are Monday-Thursday from 8 a.m. to 10 p.m. and Friday from 8 a.m. to 5 p.m.

Tax forms available

Federal and state tax forms are available in the library. Ask at the reference desk.

You can register at the door on Women's Day

"Women's Day at Lane" will be held on Saturday, Jan. 29, from 8 a.m.-4 p.m., in the cafeteria. The free event offers women a chance to explore career opportunities. General pre-registration is appreciated but not required. Reservations for child care, however, should be made by Monday, Jan. 24, at Ext. 2353.

LGBA to host fundraising dinner

The Lesbian Gay Bisexual Alliance student club at Lane will present its first annual fundraising dinner, Friday, Jan. 28, 6-9 p.m. at the Unitarian Church, 477 East 40th Ave., Eugene. Guest speakers include state representative Cynthia Wooten. For details, contact Scott Leckington, Ext. 2338.

THANKS

• I want to express my thanks for the assistance of the international students, Julie Baker, Mark Harris and Lorna Funnell for logistics at the Dick Gregory lecture. The event would not have occurred without your help. - Donna Albro

Meet Patrick Lanning

Patrick Lanning joined Lane this year as instructor-coordinator for the Fitness Education Center. He worked with Lane in a part-time capacity in 1992-93. Before that, he taught health and physical education and coached track and field at the University of Oregon. He has directed track and field events for the Oregon State Athletic Association and the Oregon Track Club. He is president of the Nike-Oregon International Athletic Team and is on the U.S. Olympic Committee in charge of the National Hurdle Development Program.

Lanning has a master's degree in the social psychology of sport from the U of O, where he also earned his bachelor's in educational psychology.

Lanning's expertise both outfitted the fitness center with state-of-the-art equipment and technology and designed a flexible program for students and staff. Tuesday and Thursday mornings from 7-8:20 a.m. have been reserved for staff during winter term.

Faculty contracts distributed

Faculty should have received copies of the contract agreement effective June 30, 1996. This includes all part-time and full-time faculty. If you did not receive a copy, check with your department secretary, or pick one up from Personnel Services. - Wes Chamberlain, LCCEA, Ext. 2271

Florence has no courier service; use U.S. mail

There is no courier service to Florence campus. Items put in intercampus mail may age in the Mailroom until someone from Florence can pick them up. We have received meeting notices and project due dates after the fact. Please use U.S. mail for items of special importance or for timely items. Thank you! - Bill Porter, Director, LCC at Florence

Grants manual and grant writer's workbook available

If you are developing a grant proposal or seek funding, get a copy of the college's Grants Manual and Grant Writer's Workbook from Institutional Advancement. These booklets contain helpful information about grant development, grant writing, and the college procedures and timeline. Some tips:

- When you first decide to seek funding: Read the Grants Manual! Complete and circulate Grant Review Form, Part A, Preliminary Approval.
- As early as possible: Develop draft of proposal. The Grant Writer's Workbook is a good guide.
- No later than 10 working days prior to mailing: Provide drafts to Financial Services and Institutional Advancement for review.
- No later than five working days prior to mailing: Circulate one copy of final proposal and one copy of funding source guidelines and Parts A and B of college form to people on list for sign-off.
- No later than three working days prior to mailing: See that final proposal has reached President's Office for signature.

The timeline allows key players in the grant development and review process time to consider your proposal carefully. By adhering to the timeline, your chances of developing a high quality project and proposal with strong institutional support are increased. For a copy of the Grants Manual and Grant Writer's Workbook, or assistance in developing and processing grant proposals, contact Sarah LaMaster, Grants Coordinator, Ext. 2312.

Scholarship for disabled students funded by SELCO

Gifts for people who have everything

If you thought writing that thank you to Aunt Millie for the hand-painted nut dish was tricky, imagine the thank you notes for these gifts! These are from the list of gifts to federal employees from foreign government sources reported in the Federal Register for calendar year 1992. Gifts are received because "Non-acceptance would have caused embarrassment to the donor and the U.S. government." Before he left office, President Bush received, among other things, 1200 gel type body warmers from the Prime Minister of Japan (valued at \$400); 100 "Ochinai Ringo" apples, apples that did not fall because they stayed on their trees during a fierce typhoon and which are considered lucky for a politician facing election from the Mayor of Fujisaki (valued at \$743); and, most remarkably, a 24 karat gold replica of an ancient fortress of the royal family, weighing about 3100 ounces and measuring 4 feet by 4 feet by 16 inches from the King of Saudi Arabia (valued at \$1.4 million). For his leadership in Desert Storm, General Schwarzkopf will never be late for another meeting. From various grateful friends in the Mid-East he received five watches, including two Rolexes (one valued at \$2,200 and the other at \$8,400). Of course, all gifts are either assigned to archives for storage or display, or are transferred to the Government Services Administration. The General's watches are listed as "pending transfer." Source: Federal Register, Dec. 29, 1993.

shared decision-making news

College Council report

College Council members will serve as the core leaders for the **Institute on Ethnic Diversity** project or personally recruit replacements, they decided at their Jan. 18 meeting, except for Executive Cabinet members, who are required to be on the core team. Council also will publish notices in The Daily to recruit volunteers and guests to diversity project meetings. The project involves monthly meetings for a year with the aim of developing an action plan to promote diversity at Lane. It is facilitated by the Western Interstate Commission for Higher Education (WICHE).

Council continued its discussion of President Jerry Moskus' **restructuring** proposal. While members expressed general support for the idea, some questioned how it would really help to break down bureaucratic barriers. What we really need is change in behavior, said others. Moskus said their comments, along with others college-wide, would be considered in the revision which is due out for more feedback about Feb. 9.

Tuition waiver spending should be limited and budgeted, council agreed. Limits were proposed by the vice presidents. Moskus said the college spent \$100,000 on courtesy tuition waivers for "casual" employees last year. Council will direct Verne Whittaker from Financial Services, Sue Colvin from Personnel Services, and the vice presidents to draft a new policy including spending limits.

Council's next meeting is Feb. 1.

Marketing meetings scheduled

Marketing Council will meet Friday, Jan. 28, 10 a.m., in CEN 321; call Ext. 2268 for directions. In addition, a briefing for departments will be held Thursday, Feb. 3, 1-3 p.m., in the Board Room. For details or to get on the list of interested persons, call Angela Miller, Ext. 2268.

Four-year college and university reps available

Counseling has arranged a visit day for students and interested staff with reps from four-year colleges tomorrow from 9 a.m.-1:30 p.m., in the cafeteria. To be represented are: Bassist College, Columbia Christian College, Concordia College, Eastern Oregon State College, George Fox College, Linfield College, Marylhurst College, Oregon Institute of Technology, Oregon State University, Pacific Northwest College of Art, Pacific University, Portland State University, Southern Oregon State College, University of Oregon, University of Portland, Warner Pacific College, Western Baptist College, Western Oregon State College, Western States Chiropractic College, and Willamette University.

Former mill worker, student featured in business magazine

Former Lane student and dislocated worker Jerry Jensen is featured in an article titled "Workers Paint New Lives Into Shifting Job Scene" in the December 1993 issue of Oregon Business magazine. A former Bohemia mill worker, Jensen earned two degrees at Lane and now is purchasing manager and chief draftsman for Hi-Tec Steel and Boiler in Springfield.

Baseball camp to be held

Bob Foster and the Titan club baseball team will host a camp for young men ages 12-to-18 from Feb. 19-21. The camp is designed to teach advance drills in hitting, infielding, outfielding, catching, pitching and baserunning. The cost of the camp is \$50. All proceeds go to help offset expenses for the baseball team's upcoming season. For more information, please call Ext. 2215. T-shirts will be provided to all participants.

Scholarships available

\$ The Guistwhite scholar program seeks Phi Theta Kappa members who already have been installed as scholars. Ten stipends of \$5,000 each will be awarded to a PTK member who will receive an associate degree in 1993-94, who will enroll as a junior in 1994-95 to earn a baccalaureate degree, and who has at least a 3.50 grade point average. For scholarship information, contact Velma Jesser in Business at Ext. 2157. For PTK membership information, contact Bette Dorris at Ext. 2340.

\$ Scholarships of up to \$4,000 for displaced homemakers to pursue a college degree in accounting are available through the Women's Program. Contact Charlene Maclean at Ext. 2840 for more information.

\$ The National Security Education Program received congressional funding in November for study-abroad scholarships. NSEP seeks to educate U.S. citizens to understand foreign languages and culture, strengthen U.S. competitiveness, and enhance international cooperation and security. Scholarships must be used in countries outside of Western Europe, Scandinavia, and Canada. Undergraduates receiving less than 12 months of aggregate support do not incur obligation, but those receiving more than 12 months of aggregate support are obligated to post-award service in government or education. For application information, contact Mason Davis in CEN 221, Ext. 2239. The deadline for on-campus application for 1994-95 is Feb. 7.

Women's Program schedules brown bag luncheons

The Women's Program has scheduled its winter term series of brown bag luncheons. All luncheons will be held in the Board Room:

Monday, Feb. 7, 12-1:30 p.m. "Challenging Physician Control: The Women's Self-Help Slide Show," with staff from the Feminist Women's Health Center.

Tuesday, Feb. 22, 11:30 a.m.-1 p.m. "Cuban Women and the Challenge of the 'Special Period,'" with LCC women's studies instructor Patsy Raney. Raney will present slides and talk about her recent participation in a women's delegation to Cuba to discuss current issues and problems facing Cuban women.

Wednesday, March 2, 12-1 p.m. "Energy Management as a Career Choice for Women," with Roger Ebbage, coordinator of the energy management technician training program at Lane.

For more information, call Ext. 2353.

If you can't go to Mexico, bring Mexico to you

Host families are needed for participants in Lane's international cooperative education program in Guadalajara, Mexico. Our Mexican guests, who are bilingual, will arrive in April or May. A variety of hosting opportunities are available and include providing room and board for two to four weeks, emergency housing for one to three days, weekend hospitality, one day special activity, and one evening hospitality. Don't miss this wonderful opportunity to learn about Mexican culture and maybe even practice your Spanish. To take advantage of this exciting opportunity, call Peggy Marston at Ext. 2423.

Faculty professional development funds available monthly

Faculty professional development activity funds are available for conferences or other activities. Deadlines are the first Monday of each month from October through June. In most cases, decisions are made one week after the deadline. Request and approval must be made in advance of the activity date. For applications, contact Roxanne Flowerday or Pat John in Study Skills at Ext. 2439.

Lane Community College provides a quality learning experience in a caring environment.

International students enjoy skiing, plan more outings

A small international universe left Eugene at 6:30 a.m. in a chartered bus on Saturday. Aboard were 47 international students and American students, on their way to Willamette Pass to enjoy a day in the snow. Some skied cross-country under the tutelage of Dick Williams, while others tried to stay upright on the downhill slopes. Still others enjoyed throwing snowballs. The trip was sponsored by the International Student Community Program. Special thanks to Barb McCall for helping count cold noses. Kiyomi Okawa and Mish'al Samman, peer coordinators, gave their help to Pat Williams, program coordinator, making it a successful day for everyone. The next trips will be to Salem on Feb. 12 and to Wildlife Safari on March 5. If staff would like to join the fun, call Pat Williams at Ext. 2165.

Baseball camp to be held

Bob Foster and the Titan club baseball team will host a camp for young men ages 12-to-18 from Feb. 19-21. The camp is designed to teach advance drills in hitting, infielding, outfielding, catching, pitching and baserunning. The cost of the camp is \$50. All proceeds go to help offset expenses for the baseball team's upcoming season. For more information, please call Ext. 2215. T-shirts will be provided to all participants.

College Council to discuss budget reductions

College Council meets Tuesday, Feb. 1, from 1:30-3 p.m., in the Board Room. They will discuss budget reductions, restructuring, and training for council. All meetings are open. Guests are welcome to participate.

Governor announces grant funding

Gov. Barbara Roberts on Thursday selected the Downtown Center as the site to announce \$565,000 in funding for projects recommended by the Lane Regional Workforce Quality Committee, including \$150,000 to Lane for programs to teach total quality management in local businesses and to help local businesses to assess workforce training needs. Participating in the announcement from Lane was President Jerry Moskus. The governor toured the DTC after the announcement.

[Providing a site for the press conference required the spirited teamwork of a few dozen individuals from main campus and the DTC who were undaunted by last-minute changes. Their behind-the-scenes efforts made the event professional and comfortable for guests and media. Special thanks go to Debra Lamb for coordinating DTC efforts, Scott Hall for outfitting the location with quality audio electronics, and Terry Caron for liaison work with the Lane Regional Workforce Quality Committee. - Joan Aschim, Media Relations]

Faculty reminded to complete survey

Contracted faculty: Please take time, if you haven't already, to complete the League/USC teaching and technology survey and send it to USC in the envelope that came with the survey. If you have questions, call the President's Office at Ext. 2200.

"Understanding Learning Organizations" video to be shown

The Transition Planning Team will show the video, "Understanding Learning Organizations," by Dr. Peter Senge, on Thursday, Feb. 3, from 2-4 p.m., in APR 215. If you can't stay for the entire three-hour showing, the video is available from the library. A brief discussion will follow the video. Guests are welcome.

Veteran's Office notes slight increase

The Veteran's Office reports that 502 students are using veteran's benefits winter term, compared to last term's 491.

Child abuse workshop well-attended

About 150 child care providers attended a Jan. 15 workshop on child abuse prevention and response coordinated by Sue Norton of the Child Care Resource Connection.

Women's Program students helps with community outreach

Jasmine Rose, work-study student for the Women's Center, is liaison between the center and Catholic Community Services Teen Parent Program. She works a few hours each week at their site and will be available at Lane to help these young parents with admission, financial aid and connecting with other services.

Lane Community College provides a quality learning experience in a caring environment.

Service tip from the president

"LCC is, above all, a service organization. High quality service can occur only when we know the needs and expectations of the public and each other and meet those needs more than 90 percent of the time. This is the ultimate goal of our caring community." -- President Jerry Moskus, "Vision for Restructuring LCC," presented to College Council Sept. 7, 1993.

Nagasaki exchange applications due

Applications for the student exchange to Nagasaki Wesleyan Junior College are due Feb. 23. This successful program will send a student to Japan for the ninth time and host a student from Nagasaki Wesleyan. The exchange lasts from September 1994 through July 1995. Lane's student will study Japanese language and culture in a beautiful setting on the southern island of Kyushu. Some prior knowledge of Japanese is desirable but not required. For an application and more information, contact Mason Davis, international student counselor, CEN 221, Ext. 2204.

Students to perform six short plays

An evening of six short plays is planned by LCC's performing arts students this Friday and Saturday, Feb. 4 and 5, at 8 p.m. in the Blue Door Theater on main campus. Called, Making a Scene: The Director, this event is a student production backstage and onstage. The plays are "Sure Thing" by David Ives, a romance; "Lord Byron's Love Letter" by Tennessee Williams; "Come and Go" by Samuel Beckett, about friendship; "Salzburg Dance of Death" by Bertolt Brecht, a social parody; "Present Tense" by John McNamara, about teenage romance; and "The Problem," by A.R. Gurney Jr., about love, marriage and sex. Tickets are only \$4 and are available from the Lane box office at 726-2202 weekday afternoons.

Teleconference will explore computer networks

An interactive teleconference, "Solving Local and Wide Area Network Challenges," will be shown at Lane on Thursday, Feb. 10, from 9:30 a.m.-12:30 p.m., in FOR 309. It is recommended for people designing, planning or implementing networks. It is sponsored by the Eugene Chapter of the Data Processing Management Association. For more information, contact Lorina Johnson in Computer Information Technology at Ext. 2826.

Florence has no courier service; use U.S. mail

There is no courier service to Florence campus. Items put in intercampus mail may age in the Mailroom until someone from Florence can pick them up. We have received meeting notices and project due dates after the fact. Please use U.S. mail for items of special importance or for timely items. Thank you! - Bill Porter, Director, LCC at Florence
