## Instructional Services Council to meet

Instructional Services Council meets on Wednesday, July 3, from 1:30-3 p.m. in the Boardroom.

## Managers' Forum canceled

The July 12 Managers' Forum has been canceled. The next regularly scheduled Managers' Forum will be held on August 16.

## Open forums held for Performing Arts chair finalists

Open forums will be held for the three finalists for the now vacant position of Performing Arts chair. All three forums will be held in PA 122 at the following times: Dr. Lee Orchard, Wednesday, July 3, 11 a.m.; Dr. Victoria Harris, Monday, July 8, 10:30 a.m.; and Dr. David Edgecombe, Wednesday, July 10, 3 p.m. Everyone is welcome to attend!

## Students First! to present draft recommendations

The Students First! team will hold a special presentation for staff on Wednesday, July 10, from 1-3 p.m. in FOR 310. This will be an opportunity for the college community to hear and respond to the draft recommendations of the Students First! team. The team will be recommending major changes in the way Lane offers services to students. Implementation will begin this fall and be phased in over five years. If you have questions or would like to contact other organizations that have engaged in process redesign, you may contact any of the following Students First! Redesign Team members: Rich Freund, Counseling, 3002; Edna Grass, Financial Aid, 3008; Johanna Hanley, Student, 3007; Kay Malmberg, College Finance, 2781; Bee McRae, Admissions, 3004; Carol Lynn Morse, Counseling, 2234; Jana Nelson, Mathematics, 3003; Jane Scheidecker, Business Development Center, 3006; Ray Smith, Computer Services, 3001; Sharon Williams, Admissions, 3005; John Winquist, Counseling, 2870; Advisors, Debra Lamb, Continuing Education, 2915 and Leslie Rasor, ABSE, 2515; consultants, Susan Phillips, Phillips & Associates; Barbara Lombardo, Pama Miller, David Hemingson; and Peat Marwick, LLP.

### Q & A

#### Questions and answers about changes at Lane related to process redesign.

**Q.** How will I know if my job will be affected by redesign?

**A.** During the information gathering sessions in May and June, the Students First! Redesign Team talked with the process owners of services to students. The team also talked with a broader group called "other providers" who provided services to students but maybe not in the Center Building or not on the main campus. While many people's jobs will be affected by redesign (including all the members of the redesign team), those most affected will be people currently in Counseling/Testing, College Finance, Financial Aid, Admissions, Student Records, Career Information Center, and Job Placement.

**Q.** If it is, what will happen to my job?

**A.** Lane's redesign is done WITH you, not TO you. If you are a member of the Students First! project group where some changes will take place, you will be invited to be integrally involved in redesigning your own work. The first step has been for you to let the team know what's working and what's not. The redesign team will make recommendations based on your input and a very rich variety of additional research, and you will make those recommendations become a reality in the workplace.

## College catalog available soon

The 1996/97 college catalog is expected to be available on campus by July 12. The new program brochures will be available August 15.

## Instructional Equipment Bond User Group to meet

The Instructional Equipment Bond User Group will meet on Tuesday, July 9 from 1:30 to 3 p.m. in PE 205 (note room change).

## Current quotes from Omnitek

Lane has an agreement with Omnitek to supply microcomputers to the college at prices which are now revised monthly. Prices for the month of July are: Standard Configuration ("486"), \$ 1,182 each; and Advanced Configuration (Pentium), \$ 1,665 each. There are numerous options. Call Purchasing at 2208 for a Summary of Prices & Specifications.

## Bookstore gets a new look

The Bookstore has undergone an extensive remodel, but will continue to provide services with a limited inventory of books and supplies. The project is expected to be complete by the start of fall term. Many of the fixtures, including bookcases, cabinets and display racks, have become surplus property and are available to interested departments at no charge. For more information, call Bob Cudmore at 2571.

## Writing Center offers free tutoring

The Writing Center offers free tutoring for students with writing assignments from all departments. It is open Monday and Wednesday from 9 a.m.-2 p.m. and Tuesday and Thursday from 8 a.m.-2 p.m. The center is located on the fourth floor of the Center Building in the southeast corner and operates on a drop-in basis. Questions? Contact Kathleen Shull at 2118.

## Workshop helps women get business loans

The Business Development Center is holding a workshop for women interested in learning about business loans. The Loan Programs for Women workshop is on Wednesday, July 10, from 1-4 p.m., in DTC 302. The cost of the workshop is \$27 and is open to both existing business owners and women considering going into business. To register, call 2255.

## Early advising program successful

Lane's Early Advising Program served 1,384 continuing students from April 15-June 14. As a result, these students developed course plans for the 1996/97 academic year and will receive an early registration time for fall term. Serving returning students at this time will make it possible to place a greater focus on Lane's new students in the fall. Thanks to all faculty and staff who helped make this program successful.

## Network training classes to be announced

Additional network training opportunities will be announced in an attachment to the July 9 *Daily*. The schedule for the remainder of the summer, although not extensive, will include remote access installation training as well as the normal cycle of training classes offered during the regular school year. If you have questions, contact Bob Barber at 2305.

## Last chance for Glaser training opportunities

Don't let this opportunity pass you by! Register now for one of the remaining Glaser communication training sessions offered July 30-31, August 7-8 or September 4-5. Call 7775 to make your reservation now!

## Attachment

Attached to today's *Daily* is a schedule of events sponsored by Recreational Sports.

## BDC accepting applications for S.T.A.R.S. and SBM

The Business Development Center is currently accepting applications for the Small Business Management and New Business S.T.A.R.S. programs. To receive an application, contact Jane Johnson at 2255 before July 31. Applications for SBM are due August 1; S.T.A.R.S. applications are due August 15.

## Adam Grosowsky exhibits art work in San Francisco

Adam Grosowsky, part-time painting instructor in Lane's Art Department, will be exhibiting his work at the Contemporary Realist Gallery in San Francisco from July 6-27. This is a show of emerging artists sponsored by the San Francisco Art Dealers Association.

## Second annual small business resource fair scheduled

The Business Development Center invites business owners who sell product or service to other businesses to participate in its second annual Small Business Resource Fair on Friday, September 6, from 10 a.m.-5 p.m. in the cafeteria. For a \$25 fee, participants will be provided with a display table to showcase their specialty. Electrical outlets are available upon request. To reserve an exhibit table, call 2255 by the August 30 deadline.

## Lane breaks ground at Cottage Grove

*Digging up dirt were Jim Pitney, Don Strahan, Cindy Cable, and Kathleen Shelley.*

Citizens of Cottage Grove helped college employees, Board of Education members and advisory committee members break ground for the new LCC at Cottage Grove facility on July 1. The new center will be built on a three-and-one-half acre site provided by South Lane School District on South River Road. Construction on the 18,519 square feet facility began on July 2. The new facility will replace two old buildings at different locations in downtown Cottage Grove and should be ready for occupancy by June 1997. For more information, call Don Strahan at 942-4202 or check the LCC at Cottage Grove web page under College Departments on Lane's home page. - photo by John Bauguess

## Board meeting agenda items

The Board of Education will meet on Wednesday, July 10 at 7 p.m. in the Boardroom. Agenda items include: Board appointments to community organizations (action), management employees working conditions (action), budget development criteria/process (discussion), addition to Board Policy 4A.050, Contractual Authority (first reading), and athletic track resurfacing (discussion/action). The next scheduled meeting will be September 11.

## Change of marital status on insurance

When you have a change in your marital status due to death, divorce or legal separation, you will need to delete your spouse from medical, vision and dental insurance coverage since they no longer qualify as a dependent under these plans. Change of status forms can be completed in Personnel Services. Remember: When you delete a spouse from insurance coverage because they are no longer a dependent, the college will offer them the option to self-pay for coverage for a period of 36 months or longer. If you have questions about the spouse coverage and/or continuation, contact Personnel Services at 2211.

## KLCC to broadcast live from Oregon Country Fair

The 1996 Oregon Country Fair will be broadcast live on KLCC July 12-14. All the performances from the fair's main stage will be aired live from Veneta. The broadcast begins around 11 a.m. each day and will conclude each day around 7 p.m.

## Q & A

### Questions and answers about changes at Lane related to process redesign.

**Q.** How will I get the skills for my newly redesigned job?

**A.** The Leadership Team and the Redesign Team are working with consultants and other college staff members to design a system of ongoing training opportunities to help employees provide excellent service in the newly designed positions in order to serve students better.

**Q.** How do I know Students First! and its effects is going to last any longer than Quality Circles?

**A.** The college is investing substantial time and money to achieve fundamental and radical change. The team members, consultants, executive leadership members, and staff members are a cross-functional group committed to helping move the college forward. The Students First! project is a tool to make the change radical and permanent.

## Cindy Cable continues as board chair

Cindy Cable continues as chair of the Board of Education in 1996/97 and Michael Dubick continues as vice-chair, both by unanimous vote at the July 11 board meeting. Unanimous votes also continued appointments to community boards including Roger Hall, LCC Foundation; Michael Dubick, Lane Council of Governments; Peter Sorenson, Senior Companion Program; Jim Pitney, Retired Senior Volunteer Program, Cindy Cable, Oregon Community College

Association; and Pat Riggs-Henson, Lane Regional Workforce Quality Committee. Reappointed as district clerk was Jerry Moskus, and as deputy clerks were Linda Fossen, Marie Matsen, Mary Spilde, Larry Warford, and Verne Whittaker.

The board gave conceptual approval to three changes in management working conditions for 1996/97; the annual cap on dental insurance will rise from \$2,000 to \$5,000; the professional development fund will increase by \$10,000; and salaries will increase by 2.64 percent plus a step for those eligible. The board requested more information on a tuition waiver proposal. President Moskus said the cost to the college of the three approved changes would not exceed 3.99 percent.

In other action the board unanimously approved athletic track resurfacing, purchase of a computerized wheel alignment system, and a brand name exemption for another network server. The board acknowledged the retirements of Peggy Marston and Dave Sherman and approved the appointments of Jerry Baarson as industrial technology instructor; Ruth Bichsel as social science instructor; Beverly Hickey as early childhood instructor; and Stacey Kiser as science instructor.

The board plans no August meeting although a telephone meeting may be held if needed. A board retreat will be held July 27-28 at Driftwood Shores. The next regular meeting will be September 11 in the Boardroom.

## Students First! proposals tested on staff

The Students First! Redesign Team tested its draft proposals with selected staff groups and in an open forum last week. The team incorporated suggestions after each session and will present revised proposals to the Process Redesign Leadership Team on July 26. From there, proposals will go to the Executive Leadership Team in mid-August. In the meantime, an implementation team is being formed.

## Summer academy for African-American youth

A summer academy for at-risk African-American ninth- and tenth-graders will be held at Lane from July 21-Aug. 9 sponsored by the African American Community Coalition and LCC. Fifteen students have been accepted. "They show the potential for academic success beyond high school, but are at risk of dropping out," says coordinator Greg Evans. The kick-off will be Sunday, July 21 at noon in the Blue Door Theater.

The program includes morning classes in math, writing, public speaking, and African-American history. Afternoon workshops will cover SAT test-taking skills, spirituality, cross-cultural communications, violence, AIDS, and several other topics. To instill the concept of community service, students will spend the afternoon of Aug. 7 removing graffiti around town.

Classroom faculty are William Powell, writing; Hal Sheller, math; Jeff Scott, Oregon State University, African-American history; and Bobby Green, Lane County commissioner, public speaking. Workshops will feature speakers from throughout the community.

A budget of \$13,900 has been funded by the sponsors. The academy is free to participants. For more information call Greg Evans at 2340.

## Kudos

Bill Klupenger of the Business Development Center was recently elected to a two-year term as president of the International Association of Small Business Management Instructors.

## Annual LCC Night at the Ems

The fifth annual LCC Night at the Ems will be held on Wednesday, August 7. The First Base Cafe has been reserved for LCC families and friends to enjoy an all-you-can-eat barbecue before the Ems take on the Southern Oregon Timberjacks. The barbecue will be served at 6 p.m. followed by the game at 7 p.m. Make your reservations now by paying \$10 per person in College Finance to account number 101-541-8017-000000-4610. Box seat reservations may be purchased for \$12 per person. Return a copy of the receipt with names of guests attending to Gloria Jarvis in the Office of Instructional Services, or Vickie McKenna in College Finance. Deadline for reservations is Monday, July 29. For more information call Gloria Jarvis at 2308.

## Enrollment up for summer

FTE credit enrollment for summer term is up 4 percent from a year ago. Second week reports show a significant 10 percent rise in lower-division credit courses while enrollment in professional-technical classes is down slightly. "We don't know why enrollment is up," President Jerry Moskus told the Board of Education on July 11, "since enrollment typically declines when employment is good. But it's good news for Lane."

## Zenger Miller working series starts this week

The Classified Professional Development Team kicks off the Zenger Miller Working Series with the Introduction and the Basic Principles on July 18 from 1-5 p.m. or July 19 from 8 a.m.-noon. This session explains the concept of internal and external customer relationships, and how all internal interactions can have an impact on organizational goals of service, quality and profitability. It will give you the best framework for getting the most out of the following sessions to be offered in August: Listening to Understand Clearly, August 2, 8 a.m.-noon or 1-5 p.m.; Giving Feedback to Help Others, August 13, 8 a.m.-noon or August 15, 1-5 p.m.; Getting Your Point Across, August 20, 8 a.m.-noon or August 23, 8 a.m.-noon; Resolving Issues With Others, August 27, 8 a.m.-noon or August 30, 8 a.m.-noon. Julie Baker, certified Zenger Miller instructor of Training and Development, will facilitate these sessions. Preregister at voice mail box 7775.

## Space still available for tunnel tour

The Classified Professional Development Team says there is still space available for the tunnel tour on Thursday, July 18 at 10 a.m. on the main campus; the Tuesday, July 16 date has been filled. The tours will start at the northeast corner of the cafeteria and will last about one hour. All staff are welcome to participate. Participants will learn about the tunnels and get a special surprise at the end. To pre-register, call voicemail box 7775. For more information, call Susan Tatar at 2216 or Sharon McCarroll at 2063.

### Q & A

#### Questions and answers about changes at Lane related to process redesign.

**Q.** Why are we changing? Lane is doing okay.

**A.** In our information gathering, we found that Lane's students and customers spend a lot of time trying to navigate through our complex systems, policies, and dispersed physical locations to enroll and complete transactions. The changes that the redesign of services to students brings will simplify policies, streamline systems, and bring together services in physical locations so that most students will stop in only one place to receive most of their services. This leaves them more time for their studies. Also, less employee time will be needed to help students get from one place to another or understand complex policies.

**Q.** When will all this happen? There is so much proposed that it can't all happen at once.

**A.** Because a significant amount of what is being proposed will be phased in with changes in physical facilities, there will be several years of moving toward full implementation. One aspect of implementation that the team has looked at is a pilot STUDENTS FIRST! CENTER. This smaller version of the envisioned center and its LCC-wide implications would enable us to test the proposal ideas and fine-tune some of the changes before we roll them out in a full implementation.

## Warner Bros. first shoot will be at Lane main campus

Lane has signed an agreement with Warner Bros. to shoot one scene of the movie "Pre" on main campus. According to Warner's current schedule, it will be the first filming done for the movie in the Eugene-Springfield area. Lane's track, soccer field, and adjacent berms, access roads and the theater parking lot will be used by Warner Bros. Shoot date is Tuesday, Aug. 6, approximately from dawn to noon. A team of Lane staff is working with Warner on the project.

Warner has invited a few guests from Lane to have lunch with the film crew that day (from 10-11 a.m.) and one of those guest spots is up for grabs via a drawing. To enter the drawing, write your name and extension on a card provided next to a box marked "Pre" in Institutional Advancement, second floor ADM. One entry per person. Deadline: Aug. 1. The winner will be notified by phone on August 2.

And yes, they do need extras: call 302-6228 for more information.

This is old hat to some Lane people: The movie "Getting Straight" with Elliot Gould was filmed on main campus in 1970.

## Printing/Graphics closed

Printing/Graphics will be closed Wednesday, August 7. Please plan accordingly.

## Volunteers needed for Lane County fair

Volunteers are needed to assist with the LCC booth at the Lane County Fair, August 13-18. Work for a few hours and then enjoy the fair. It's a great way to visit with old friends, meet new people and let the community know about all the great things happening at LCC. To volunteer, call Jeannee Beauchaine at 2336 or Tina Jaquez at 2338.

## Kudos

- Leigh Alice Petty, coordinator of Disabilities Services, recently received acknowledgment from Northwest Christian College for her contribution to their Faculty ADA Handbook and thanking her for her support and assistance. Northwest Christian College used, with permission, most of the manual Petty produced for Lane.
- Liane Swope, work study for Instructional Services, has been awarded a scholarship in the amount of \$5,529 from the Ford Opportunity Program. Congratulations!

## Deadline extended for LCC night at the Ems

Don't delay, sign up today! The July 29 deadline for LCC Night at the Ems has been extended to after payday, Thursday, August 1. Take this opportunity to join other LCC staff and friends for an evening of food and fun at the baseball game. ## Canadians to visit Dislocated Worker Program

Representatives from Vancouver, British Columbia visited the Dislocated Worker Program at Lane on July 22 and 23. The purpose of the visit was to learn more about Lane's program to improve their own, says Training & Development Associate Director Ellen Palmer. Canadians are dealing with resource problems common to the northwest, including mining and timber. Lane's DWP program has been nationally known for years. Canadians began inquiring after their media picked up a story in the New York Times in October 1994 which described how retraining programs such as Lane's helped Oregon prosper even with natural resources in decline.
