

**CONSTRUCTION STUDENTS HELP BUILD AIR POLLUTION LAB**

Construction technology students will help remodel the Lane Regional Air Pollution Authority's new home at 1010 Main Street in Springfield. They will be on site all day Thursdays beginning today under the supervision of instructor Hal Davis. Students will help build an addition which will house the agency's air quality lab. The lab will handle the monitoring functions of LRAPA. It will be built to Environmental Protection Agency specifications for approval to handle certain testing procedures for other agencies throughout the United States.

Knowing the office was going to need remodeling, LRAPA contacted Lane about a possible partnership with the school's construction technology program. The two entities are now working together to remodel the new building to fit the needs of the agency. The remodel is expected to be completed by spring.

Lane's construction technology program offers a two-year associate of applied science degree and a one-year certificate of completion in construction technology. Program information is available at 2496.

**SAMOAN APPRENTICES TO TRAIN AT LANE AND EPUD**

Two apprentice linemen from Pago Pago in American Samoa will do a three-year apprenticeship training at Lane and the Emerald People's Utility District, beginning in late October. Avei Leasiolagi and Tavita Ma'o hope to work as leaders of line crews for the American Samoa Power Authority upon completion of their apprenticeship. EPUD will provide on-the-job training and Lane will provide academic training in conjunction with the Northwest Line Construction Industry and the Joint Apprenticeship and Training Committee.

Industrial Technology coordinates apprenticeship training for various trades including electrician, power lineman, industrial electrician, millwright, plumber, sheet metal worker, power plant operator, roofer, and alarm technician. For more information call the department at 2843.

**AAWCC SEEKS DONATIONS FOR SCHOLARSHIP FUND**

The LCC Chapter of the American Association of Women in Community Colleges sponsored a garage sale last weekend, which netted \$357 toward the AAWCC Leadership Award scholarship fund. This marks the beginning of their fundraising campaign to raise \$20-30,000 as an endowment account through the LCC Foundation. Presently, funds are available to award a \$1,500 scholarship for the 1999/2000 academic year. Future academic years are uncertain. However, if a minimum of \$10,000 is raised, a \$500 scholarship can be awarded annually in perpetuity. If \$20,000 is raised, a \$1,000 scholarship can be awarded and if \$30,000 is raised, a \$1,500 scholarship can be awarded. Tax-deductible donations can be made to the AAWCC Leadership Award c/o the LCC Foundation as a one-time gift or through monthly payroll deductions. Your generosity will make a big difference for a Lane Community College student. For more information, contact Miriam Castellón at 2315.

**LANE HAS CHANGED BANKS**

On July 1, the college changed to Bank of America as it's primary bank. We are now in process of closing the U.S. Bank accounts, and could use your help. There are still numerous outstanding items that need to be cleared up before the accounts can be closed. If you have any checks issued by the college and drawn on U.S. Bank (financial aid, and/or payroll) or the First National Bank of Oregon, Canby (accounts payable), would you please cash them as soon as possible? Appreciate your help, thank you. - Sue McDonald, College Finance

**STUDENT RECRUITMENT ASSISTANCE AVAILABLE**

This invitation is extended to all departments to contact High School/ Community Relations for assistance or combined coordination of student recruitment activities off-campus and on-campus. College fairs at high schools and other recruitment events have been attended by multiple Lane departments who were sometimes unaware of the other's plans. This can look seemingly disconnected to the public. Any student

recruitment activities in which we can participate together will cultivate a more effective message for our collective purpose.

High School/Community Relations can provide promotional/recruitment literature, a table display with literature racks, coordinate vehicle registration, and share booth/event fees. Also, if there is a fair or event that your department's representative cannot attend, please forward the information to the office. There may be some opportunities for the High School/Community Relations to attend on behalf of your department. - Luci Amabisca, 2688

#### HOW TO USE THE DAILY

The Daily is the employee newsletter of Lane Community College. It is published by Institutional Advancement Mondays through Fridays during fall, winter and spring terms, and Mondays only during summer and term breaks, unless otherwise announced. The Daily is e-mailed mornings by 9 a.m. Deadline is noon of the day before publication. Submissions must include a contact person for more information. Ads are free and limited to staff only. Opinion pieces, political advocacy, personals ads, and for-profit business ads are prohibited. Health, bereavement and other personal notices must be approved by the subject, a family member, or a close personal friend. Repeat placements may be requested up to three times per term. Submissions are subject to editing for brevity and Associated Press style. Submit items to THE DAILY@INSTADV\_MA (in-house) or DAILY@LANECC.EDU (external); or fax to 541/744-3989; or mail to The Daily, Lane Community College, 4000 E. 30th Ave., Eugene OR 97405. For more information contact Editor Joan Aschim, 541/747-4501 Ext. 2591. 10/01/98.

**CELEBRATE AT CHURCHILL ON MONDAY**

The Lane Community College Learning Center at Churchill High School will hold a grand opening on Monday, Oct. 5, from 5:30-7:30 p.m. at 1850 Bailey Hill Road in Eugene. The dedication will be conducted from 6-6:30 p.m. The open house will feature college information, free mini-classes, refreshments, and entertainment. The open house also kicks-off a week-long program called Widening Our World (WOW) sponsored by US West, Lane and Churchill, which offers free classes on how to access and navigate the Internet. Churchill coordinator is Mike Smith. The center's number is 343-7268.

**INFO SESSION WILL REVEAL STUDENTS FIRST! CLASSIFICATION DESCRIPTION**

Information sessions have been scheduled for interested employees to come and hear about the new classification description for the Students First! Center Representative. The purpose of these sessions is to provide some background information, an explanation of the new classification description, how this classification fits within the context of the Future Work Roles and Relationships of the college, and the training and development plan for employees. Sessions are Wednesday, Oct. 7 from 3-5 p.m. in PE 205 and Thursday, Oct. 8 from 3-5 p.m., both in BU 204-A. - Mary Glenn, Personnel

**CURRICULUM APPROVAL COMMITTEE TO MEET**

The Curriculum Approval Committee will meet on Wednesday, Oct. 7 from 3:15-4:45 p.m. in the Boardroom. If you have any questions please call Melanie Brown at 2362.

**"TELE-VISIONS" ON DISPLAY IN THE LIBRARY GALLERY**

"Tele-Visions" are now on display in the Library's Mezzanine Gallery. The artwork is constructed with junk television sets that have had the picture tubes replaced with artist James Creighton's amusing and sometimes cynical look at what the medium of television has become. The "Tele-Visions" will be on display through the month of October during normal Library hours, and the gallery space is located on the upper level of the Library. For more information, contact Daniel Moret at 2318.

**DIVERSITY TEAM TO MEET**

The first meeting of the Diversity Team this year will be on Thursday, Oct. 8 from 3.30-5 p.m. in PE 205. New members are welcome and wanted. Anyone who is interested in being a member of the team or just wants to find out more about what we've been doing is invited to attend. There will be a social hour after the meeting for old and new members to talk informally about the team's work. Contact Kate Barry, Diversity Team co chair, for more information.

**DONATIONS NEEDED TO HELP FERAL CATS**

The LCC Animal Support Committee works diligently to humanely control the feral cat population on campus. Cats are trapped and taken to a veterinarian where they are neutered or spayed and vaccinated. If the cats can be tamed, we locate homes for them. The adult cats, who are often too wild to be tamed, are returned to campus where they are fed and monitored seven days a week by volunteers. These cats are now neutered or spayed and cannot add to the campus cat population. Over the past five months, approximately 11 kittens have been caught and placed in homes; six to seven adult cats, who were too wild to be tamed, have been caught, neutered or spayed, vaccinated and released back on campus. Currently, there are under 20 cats living on college property. The committee relies on private donations to buy food and pay for veterinarian costs. The small fund has been nearly depleted by the costs incurred recently to sterilize and vaccinate these 18 cats and kittens. Your donations, in any amount, will be greatly appreciated. We also collect cans and bottles which are returned for refund and the money placed in the cat fund. We ask for your support and understanding as the committee works to assure the humane treatment of these unfortunate animals. A reminder: abandonment of animals is punishable by a fine; we do not advocate this

practice. Donations may be made to Georgia Nissen at 2534, Carolyn Cruz at 2864, Nita Arntzen at 2467, Della Mathews at 2670, or directly to the LCC Foundation Office.

## PARKING NOTICE

Campus Public Safety asks instructors to advise students to check for main campus parking space in the northwest lot (by the baseball field). There have been spaces available there everyday so far this term. Also remind students that Gonyea Road (by the ponds) is a county road and is patrolled by the sheriff's department; it's not a good idea to park there. - Sandy Ing

## UNITED WAY CAMPAIGN UPDATE

With your extraordinary support we may indeed reach our 1998 campaign goal in record time: at last count 110 Lane employees have given \$16,000! Math and Family & Health Careers deserve a special recognition for the most contributors. Please keep those employee gift cards coming via campus mail. If you have misplaced your card - do not fear - you may pick one up in ADM 206 or watch your mailboxes for a personalized follow-up. If you have already given at a United Way meeting or leadership breakfast, be sure to let me know so I can count your gift. Again, thank you for making a difference in our community; and a heart-felt thanks for making my task easier. - Lori Bumgardner

**MEDICAL OFFICE ASSISTANT GRADS PLACE IN TOP 1% ON CMA EXAM**

Fifteen graduates of the medical office assistant program at Lane took the national Certified Medical Assistant examination (administered by the American Association of Medical Assistants twice each year) in June to earn the CMA credentials. The AAMA notified Lane on September 29 that all 15 students passed the exam. When compared with graduates of 228 other medical assistant programs who had five or more certification candidates taking the exam, Lane's graduates' average scores were in the 99th percentile. That is, 99 percent of the programs represented in this exam had average scores lower than Lane's graduates! - Joyce Garibay

**ENROLLMENT UP**

The first day of classes at Lane saw a 5.5 percent increase in full-time equivalent (FTE) students over last fall at the same time. A headcount estimate won't be available until the end of the fourth week of the term, as students add and drop classes and sign up for both credit and noncredit courses. However, last fall Lane enrolled 18,432 students.

Officials attribute the increase to added sections of classes, more evening classes, and Lane's new outreach centers at Churchill, Oakridge, Thurston and Willamette high schools.

Main campus traffic and parking is congested mornings, but may lessen as students purchase the LCC Fast Pass, a \$29 per term LTD bus pass for Lane students and employees, available for the first time this fall. The pass is on sale at Lane's main campus and Downtown Center bookstores.

**WORKSHOP WILL REFINE YOUR PAPER PRESENTATION SKILLS**

A one-hour workshop is being offered to Lane employees wanting to refresh their paper presentation skills. These skills can help when applying for a new job. To register please call Lynne Swift, Training and Development, at 2503. Workshop times are Wednesday, Oct. 7, 5-6 p.m. in APR Annex 154 and Friday, Oct. 9, from 12-1 p.m. in PE 205.

**FALL WELCOME WEEK PLANNED**

Student Activities presents a fun-filled week this week including a street fair outside the cafeteria, departmental information tables inside the cafeteria, and an exciting finale: The Great Ping-Pong Ball Drop on Friday, Oct. 8, noon, Bristow Square. For details call Tina Jaquez at 2336.

**ART INSTRUCTORS APPRECIATED IN ASTORIA, ALASKA, ITALY**

Harold Hoy recently completed a commission sculpture for the University of Alaska through the Alaskan Arts Commission. He built a near life-sized "Erector Polar Bear" for the new Butrovich Building at the university. The sculpture is constructed of galvanized steel and nuts and bolts to resemble an Erector Set toy.

Satoko Okito had an exhibition of 36 watercolor paintings in an exhibit titled "Italian Light/Japanese Sight" at the Galleria Palazzo Patrizi in Sienna, Italy, from July 16-August 16. She also performed a Japanese tea ceremony during the exhibition.

Marilyn Robert recently received a commission to make a textile sculpture for Clatsop Community College in Astoria.

## LEARNER-CENTERED ENVIRONMENTS IS TOPIC OF TELECONFERENCE

Lane employees are invited to attend a SCUP-PBS Adult Learning Service live via satellite program on October 22, 9:30-11:30a.m., Boardroom. The program is titled "Creating Tomorrow's Learner-Centered Environments -- Today." This is an interactive conference for colleges and universities who are planning effectively for the new age and creating learner-centered environments to support it. "These environments encompass more than physical space and technical infrastructure: they include programs, processes, and relationships: they are truly multi-dimensional!" For more information, contact Cynde Leathers, Distance Learning, 2260.

## FACES AND PLACES

The Daily will run brief bios on new employees and those who have changed jobs at the college. To submit information, e-mail [TheDaily@InstAdv\\_ma@LCC](mailto:TheDaily@InstAdv_ma@LCC).

GARY MORT was appointed chemistry instructor effective September 21. He taught at Dixie College in St. George, UT, since 1992, and before that at the University of California at Davis. He earned ABD status at UC Davis in 1992, a bachelor of science at Southern Oregon State University in 1987, and an associate of arts from the College of the Siskiyous in Weed, CA, in 1984.

ANNE O'BRIEN was appointed full-time nursing instructor in Family & Health Careers effective September 21. She taught in Lane's nursing program from 1976-79 and coordinated nursing programs from

1979-83. After that she went to Home Health Services where she was director until earlier this year. She has worked as a staff nurse at hospitals and home health agencies in Portland, Eugene and San Francisco. She taught in the baccalaureate nursing program at the University of Portland for two years. She earned master's and bachelor's degrees in nursing in 1970 and 1965 respectively, both at the University of California in San Francisco.

STAN TAYLOR was appointed political science instructor in Social Science effective September 8. He taught part-time in the department last year. He also has taught at Oregon State University, Linfield College, Northwest Christian College, and the University of Oregon. He earned a doctorate in 1996 and a master of arts in 1988, both in political science at the UO. He has an LLM from Georgetown University Law Center in Washington, DC; a JD from the McGeorge School of Law at the University of the Pacific in Sacramento, CA; and a BA from the University of Kansas in Lawrence. He is a member of the bar in Oregon, California, and Washington DC.

## E-MAIL GUIDELINES APPROVED BY EXECUTIVE LEADERSHIP TEAM

The following collegewide e-mail guidelines have been approved by the Executive Leadership Team:

- The electronic mail function which enables collegewide distribution of messages (\*@\*@LCC) should be used only for messages of urgent, collegewide importance.
  - Only messages directly related to college business should be distributed using the \*@\*@LCC function.
  - General information of collegewide interest should be distributed through The Daily.
- The purpose of the guidelines is:
- To minimize the network traffic;
  - To minimize staff reading time (each \*@\* consumes roughly four hours of staff time which equates to well over \$200);
  - To ensure college resources are used for college business (and not for peripheral or superficial issues), and;
  - To maintain the solemnity of the \*@\* address; i.e., when a \*@\* appears, it should be regarded as highly important and read immediately.

## AAWCC TO MEET IN OCTOBER

## WEB SERVICE IMPROVED

This past summer the Computer Services System Team (Thad Cowdin, Carolyn Cruz, Lee Hallin, and Ardene Toney) installed a new firewall, web server, and Netscape Enterprise server and upgraded the UNIX operating system. What does this mean in layperson's terms? Well, thanks to the new firewall configuration and webserver upgrade, "1080/lcc/webpages" was excised from the web path, making all of our addresses mercifully shorter and more manageable for publishing and informational purposes. In addition, the new firewall allows us to perform secure transactions on the web, such as those requiring credit card and social security numbers. With the new firewall, this confidential information can be transmitted between secure sites, thereby preventing the illegitimate use of this information. The new firewall also gives us the capacity for real audio and video, i.e. sound and pictures, on the web.

Installing the other servers allows us to access the most current capabilities, maintain support with software contracts and be year 2000 compliant. With the new Netscape Enterprise server, web developers now have access to a powerful new web editor that also allows web publishing. All in all, the Computer Services crew has been busy doing some very significant work. Soon to come is a new search engine and a redesign of Lane's home page and corresponding templates for other pages. For more information about the work of Computer Services or the Web Site Steering Committee, please contact Nick Cheshire at 2804. - Therese Picado

## SHAKESPEAREAN ACTING AND THE GLOBE THEATER TOPIC OF EVENT

An illustrated talk, "Shakespeare: Relishing The Language," will be presented on Wednesday, Oct. 21, at 3:30 p.m. in the Blue Door Theater on main campus, with actor Graham Christopher. Christopher is an education actor with Globe education. He will use his acting skills to describe the rich experience of being in the Globe, and the unique relationship between audience and player. The workshop gives the participant the opportunity to play with a small segment of a Shakespeare script, as if it were for a performance in the Globe. The London Times wrote, "Graham Christopher led our group with great good humor, always showing us what we had learned about character and staging - and always leading us back to the language. After a session like this everyone goes away 'owning' lines."

The legendary Globe Theater was rebuilt in June 1997 (at the initiation of the late American actor Sam Wanamaker,) and occupies part of a 1.2-acre riverside site opposite St. Paul's Cathedral in London. It aims to offer to the greatest number of people a theatrical experience as close as possible to that enjoyed by the audience of Shakespeare's time.

Christopher has been a professional actor for almost 20 years, and he has toured with companies throughout the UK. He spent two years on the road with the Medieval Players Theater Company, visiting Australia in 1986 with The Taming of the Shrew, in which he played both Bianca and Biondello. His varied work at Globe Education includes a Macbeth workshop for eight-year-olds, a King Lear workshop for senior citizens, and workshops specifically for teachers of Shakespeare in the classroom.

The presentation is sponsored by Student Activities, and the English and theater departments.

## STRATEGIC PLANNING TEAM REPORTS ON IN-SERVICE ACTIVITIES

The Strategic Planning Team will be reporting in The Daily the results of the afternoon activities that staff participated in on Tuesday, September 22. Strategic planning documents have been developed from the results of previous group processes that have included staff and community input. These include the Future Search Conference (April 1997), external and internal scan exercises (summer 1997), the triennial Community Perception Survey, "community walk-about" conducted by the board (September 1997), and a combined workshop with the board and College Council (April 1998).

The purposes for conducting the September in-service activities were to: 1) familiarize all college staff with the proposed new vision, mission and values statements; 2) engage the majority of the campus community in the planning process by seeking meaningful input to the process; 3) check staff perceptions of importance and performance in all value areas; 4) provide a baseline for future measurement of improvement of performance in all value areas; and 5) provide a check on the planning team's perceptions and perspectives by surveying the opinions and ideas of other staff from all areas of the college.

The planning team debriefed the activities on Tuesday and was pleased with the high level of participation and enthusiasm. Reports on the results of the activities will begin tomorrow in The Daily. For more information on the Strategic Planning Project, call Ron Johnson at 2544 or visit the strategic planning web site (<http://lanec.edu/research/strplan/home.htm>).

**A MESSAGE FROM THE PRESIDENT**

It is apparent that we are enjoying an enrollment increase this fall, probably in excess of 5 percent. As is often the case with enrollment increases, some systems that we depend on, such as the telephone service, have overloaded and temporarily failed. Nevertheless, most services to students and others have been flawless, despite a great deal of stress.

I know I speak for the Board of Education and the members of the Executive Leadership Team in thanking all Lane employees for your extra hard work in getting our fall term off to a great start. You have proven once again that Lane is flexible and responsive to students' needs and that you are one of the best community college staffs in the nation.

I hope you have your best year yet at Lane. I'm very, very glad you're here.

- Jerry Moskus, President

**STRATEGIC PLANNING IN-SERVICE REPORT**

The Strategic Planning activities at in-service engaged a large part of the campus community. Results of the "Report Card" activity show that 267 classified staff, 266 faculty, 50 managers, one board member, and 10 "others" completed a college "Report Card". The total of 594 represents nearly half of all Lane employees. Participants were from main campus (83 percent), the Downtown Center (8 percent), Florence (2 percent), Cottage Grove (1 percent), and "other" LCC locations (8 percent).

Responses staff provided indicated that Lane is a student-focused college. When asked about the amount of time spent working with students in our jobs, 55 percent reported they spend 60 percent or more of their time engaged with students. Among those staff working closely with students, 56 percent thought Lane was doing a "excellent" or "good" job as "a learning organization that defines success by how well it meets the needs of its learners", and 9 percent thought the college was doing a "poor" or "unacceptable" job. For more information on the Strategic Planning Project, call Ron Johnson at 2544 or visit the Strategic Planning web site at (<http://lanecc.edu/research/strplan/home.htm>)

**CONFERENCE OFFERS DIVERSE WORKSHOPS**

## STRATEGIC PLANNING IN-SERVICE REPORT

As part of the Strategic Planning "Report Card" activity, we asked 1) how important was each value to the college and its mission, and 2) how is the college performing in each of the value areas. Below are the results of those ratings.

We used the average of all responses to compare relative ratings for the question, "How important is this value area to achieving Lane's mission?" All response averages fell within a range of from 1 (essential) to 2 (important). In order (most important to less important) the values were: Lane is respectful; Lane is accessible; Lane is innovative in its approach to life long learning; Lane is learning centered; Lane is comprehensive; Lane is collaborative; Lane practices good stewardship; Lane honors diversity; Lane is a community of learners; and, Lane is a community leader.

Tomorrow's Daily will print the results of "How well is Lane performing?" For more information call Ron Johnson at 2544 or visit the Strategic Planning web site (<http://lanecc.edu/research/strplan/home.htm>).

## COLLEGE COUNCIL MEETS NEXT WEEK

College Council will meet on Tuesday, Oct. 20, from 1:30-3:30 p.m., in the Boardroom.

## PATRICK TORELLE TO SPEAK AT LANE WRITER'S CLUB

Patrick Torelle will give a presentation about writing for theater at the Lane Writer's Club on Tuesday, Oct. 20 from 3-4:30 p.m. in CEN 480. Torelle has a master of arts in theater arts from Portland State University. He attended the Lee Strasberg Theater Institute from 1976-78, and attended individual studies with Lee Strasberg, Cicely Berry, and Arthur Lessac. Torelle was recognized by Portland's Willamette Week as one of the Outstanding Contributors to the State of Oregon in 1977. He has taught at the college level for 15 years. His work as a professional actor and director has earned rave reviews from Los Angeles to Seattle. He has performed with the American College Theater Festival, and has gone to the ACTF regionals three times. He is a Member of Actors Equity Association, as well as the Association for Theater in Higher Education. Some specific roles that Torelle has played are Richard in Shakespeare's "Richard III" and George in Edward Albee's "Who's Afraid of Virginia Woolf?". He also directed "Inherit The Wind" here at Lane.

## JOIN THE LANE WRITERS' CLUB

Do you like to write? Do you want non-threatening criticism? Do you want to meet fun people? Join the Lane Writers' Club! We sponsor writing contests, presentations by published authors and instructors, workshops, poetry and fiction readings, and writing groups. Whatever your genre of interest, from epic to beat poetry, from sweet romance to avant-garde sci-fi, from hard-hitting social satire to hard-boiled detective pulp, the Lane Writers' Club can be your resource for growth, imaginative input, and creative stimulation. Meetings are on Tuesdays from 3-4:30 p.m. in CEN 480. Questions? Call club president Wes Barstad, 344-4462, club advisor Sharon Thomas, 2760, or Kathleen Shull, 2118.

The Lane Writers' Club will sponsor its first professional speaker, Patrick Torelle, on October 20 (see above). He will wow his audience with his lively presentation style and knowledge of writing for the theater. Please join us in CEN 480 for this special event.

## COMPUTER TRAINING FREE TO EMPLOYEES

Lane employees are provided free training and consulting for MS Office products, the Internet, BeyondMail, web page development, and more! The Technical Training Team can help you solve your

software application problems, or assist you in learning new software applications. We offer training and assistance in many formats: formal class structure, department group training, and one-on-one consulting. Two new classes are offered this fall:

"Introduction to Web Page Development" consists of three two-hour blocks. You will explore using editors to create a web page, modify the html code on your page, and post your web page to the SLI UNIX server.

"How to FTP Your Web Page" is a one-hour class that will guide you through the FTP process of posting your already-created web page to one of the SLI servers.

Watch The Daily for dates and times, and how to register for the upcoming computer software training classes. For more information contact Sue Woods at 3148 or send e-mail.

#### LEGISLATIVE WORKSHOP CANCELED

A workshop, "Legislative Protocol and Political Action Effectiveness," originally scheduled for Wednesday, Oct. 21, has been canceled and will be rescheduled in the near future.

#### SOME CATALOGS ARE MISSING PAGES

It's recently been discovered that some Lane catalogs are missing pages 1-64. Please check all catalogs before releasing them to students. Should you find incomplete catalogs, contact Luci Amabisca or Angela Miller.

#### ROAD CLOSURE SCHEDULED FOR NOVEMBER 7

The OSAA high school state cross country meet at Lane main campus on November 7 will cause the closure of Eldon Schafer Drive (east entrance) between 9 a.m. and 4 p.m. Gonyea Road (west entrance) will remain open, however, tickets sales will occur at that site. If you are working or attending classes that day, please notify ticket sellers at the entrance. Thanks for your patience and cooperation.

#### HIGH SCHOOLS TO VISIT

Lane will host the annual Lane County high school visit on Friday, Feb. 5, 1999, on main campus. An ad hoc committee is being formed and will convene on Tuesday, Nov. 3 at 9 a.m. in PE 231. A representative from each department is encouraged to be a member of the committee. The event is an interactive opportunity for us to introduce high school students to Lane programs and degrees. Contact person is Luci Amabisca.

#### KLCC REACHES HIGHEST GOAL IN SHORTEST RADIOTHON EVER

KLCC concluded its fall radiothon in seven days with \$150,405 in pledges. Radiothon began with \$70,200 already in the bank thanks to 1,080 Thon Busters who contributed before radiothon. The final \$80,205 came from 1,571 listeners who called during radiothon. The average Thon Buster contribution was \$65, while the average radiothon contributor pledged \$51.

Thon Busters took advantage of over 350 community premiums offered by area businesses. Premiums were only available to Thon Busters and were not offered during Radiothon. KLCC members receive the KLCC Program Guide for a full year. Their generous contributions help cover the cost of NPR news, locally programmed music, community information, live broadcasts of special events, and intelligent entertainment all year long.

Over half of KLCC's budget comes from listeners and local businesses.

#### THANKS

I would like to thank the following persons and departments for their support, contributions, and hard work in making Fall Welcome Week and the Ping-Pong Ball drop a huge success:

ASLCC/OSA/Student Government, Audiovisual, Star Briggs, Bookstore, Campus Public Safety, Child Care Co-op, Continuing Education, Cooperative Education, Barb Delansky, Bill Del Gaudio, Bette Dorris, Facilities Management, Foodservices, Foundation, Angela Hajicek, Atsushi Kubota, Lane Transit District, Teri Lowen, Jessie Mazziotti, Media Arts, Frank Merrill, Connie Mesquita, Ayannah Moraguchi, Multi-Cultural Center, Native American Program, Performing Arts, Phi-Theta Kappa, Photo ID staff, Recreational Sports, Colby Sheldon, Leanna Stachelrodt, Student Health, Student Resource Center staff, and Women's Center staff. Without your support and hard work, these activities would not have gone as

well as they had. I look so forward to working with all of you again in the future. Thanks! - Tina Jaquez, Student Activities

## MOSKUS ELECTED CHAIR OF LEAGUE FOR INNOVATION

Jerry Moskus, president of Lane Community College since 1990, was elected 1999 chair of the board of the prestigious League for Innovation in the Community College at the League's 30th anniversary celebration held at Maricopa Community Colleges in Phoenix from October 8-9.

"With his national leadership on key community college issues and his recent election to the board of the American Association of Community Colleges, Jerry Moskus is an ideal leader to help the League make its transition into the 21st century," said Terry O'Banion, president of the League.

The League for Innovation in the Community College is a consortium of leading community colleges organized to stimulate innovation and experimentation in all areas of community college development. The League serves as a catalyst, project incubator, and experimental laboratory for community colleges throughout the United States and Canada. Lane is the only League college in Oregon. The January 1998 issue of Change Magazine called the League "the most dynamic organization in the community college world."

Moskus was elected to a three-year term on the AACC board in March. He has chaired the Oregon Community College Presidents Council and the Southern Willamette Research Corridor, and has served on numerous other local and regional organizations. Under his leadership, Lane won the David Pierce Organizational Leadership Award from the National Institute of Leadership and Institutional Effectiveness in March. The college is one of six colleges profiled in O'Banion's book, "A Learning College for the 21st Century," published in July by ACE and AACC.

## KEISLING AND DEFAZIO TO VISIT

Two speakers are scheduled for Steve Candee's government classes this month: Phil Keisling, Oregon Secretary of State, will speak to the State and Local Government class about the upcoming election, vote-by-mail and other issues on Thursday, Oct. 22, from 10-11:20 a.m. in CEN 402. Peter DeFazio, Representative of the 4th Congressional District, will speak to the American Government class on Friday, Oct. 30, from 11-11:50 a.m. in CEN 402. Guests are welcome to both speaking events, but seating is limited.

## BOARD REPORT

The Board of Education approved budget principles and criteria for 1999-2000 at its October 14 meeting. Also approved were a Zenger-Miller instructor pool; a contract increase for labor negotiations consulting; and the personnel appointments of Robert Clark as interim media arts instructor, Duane Partain

as culinary instructor/coordinator, and Clive Wanstall as chef instructor. An official first reading of policy governance policies was held. The policies are available for review.

The board heard that enrollment was up 7 percent in FTE and 11 percent in headcount by the end of the second week of classes, although continuing registration activity may change the percentages. Moskus attributed the increase to more evening and weekend classes, the opening of the community learning centers, and a possible change in the local economy. "Usually we don't get an enrollment increase like this unless the economy's poor. My guess is the economy in this area is not as good as we think. There probably aren't as many jobs available this year as last year." Vice President Larry Warford added that 1,000 people have registered for telecourses, compared to 714 last fall.

In other reports the board heard that Lane is still in the running as the site of a new 4J sports stadium; that Florence building schematics have been altered to relocate a lab and classroom, and that facilities staff is aware of current maintenance needs; that the Physical Education Building roof must be replaced, including an immediate partial repair; that the student loan default rate has dropped to 24 percent from 30 percent; that there have been no student lines in College Finance or Students First! but lines still persist in the Bookstore and information kiosks; that the unions will distribute paper copies of the Work Roles and Relationships Agreement; that student government registered 1,300 student voters; and that Lane is negotiating a training agreement with Monaco Coach which plans to add 200 jobs. President Moskus said he has been elected 1999-2000 chair of the League for Innovation. Roger Hall announced that he will not seek re-election to his At-Large position in the March election.

Due to the Veteran's Day holiday, the next board meeting will be held on Monday, Nov. 9, in the Boardroom.

## FACULTY COUNCIL TO MEET

Faculty Council will meet Thursday, Oct. 22, from 3-4:30 p.m. in the Boardroom. Topic of discussion is areas of faculty autonomy. Council meets every second and fourth Thursday in the Boardroom. Everyone's welcome.

## STRATEGIC PLANNING IN-SERVICE REPORT

As part of the Strategic Planning "Report Card" activity, we asked 1) How important was each value to the college and its mission, and 2) How is the college performing in each of the value areas. Here are the results of "How well is Lane performing in this area?"

Again, we calculated the average response from all responses to each question to determine the ranking of the college's performance on these value areas. Note that no value area average fell lower than 2.9 ("Good"). In order (from best performance down) the rankings were: Lane is comprehensive (1.3); the mission statement (2); the vision statement (2.1); Lane is a community leader (2.2); Lane is (financially) accessible (2.2); Lane is innovative in its approach to life-long learning (2.3); Lane is a community of learners (2.5); Lane is learning centered (2.5); Lane is (technologically) accessible (2.5); Lane is respectful (2.5); Lane practices good stewardship (systems and procedures support its mission and values) (2.6); Lane honors diversity (in its students and staff) (2.6); Lane honors diversity (seeks to expand understanding and appreciation) (2.6); Lane practices good stewardship (uses resources in a prudent and ethical manner) (2.7); Lane is collaborative (flexible) (2.7); Lane is (physically) accessible (2.7); and Lane is collaborative (fosters trust) (2.9), (practices open communications) (2.9).

For more information call Ron Johnson at 2544 or visit the Strategic Planning web site (<http://lanecc.edu/research/strplan/home.htm>).

## HEADCOUNT UP 11 PERCENT

You knew enrollment was up when the term started: main campus parking lots were as full at night as in the day, and traffic backed up every morning on I-5. Second-week enrollment reports affirm the anecdotal evidence: headcount is up 11.2 percent, and full-time equivalent (FTE) enrollment is up 7.2 percent.

President Jerry Moskus discussed enrollment with the Board of Education last Wednesday. "Usually we don't get an enrollment increase like this unless the economy's poor," he said. "My guess is the economy in this area is not as good as we think. There probably aren't as many jobs available this year as last year."

Final enrollment figures are calculated four weeks after the term ends.

## CALL FOR PROPOSALS

The League for Innovation in the Community College is calling for proposals for the Innovations 1999 conference to be held June 20-23 in New Orleans. Proposals may describe a forum, roundtable or learning center course regarding teaching and learning, student services and activities, workforce preparation and development, leadership and organization, or basic skills and developmental education. Deadline for submissions is December 4. For a brochure, contact Addie Lou Thomas in Instruction at 2120.

**CLINIC OFFERS LOW COST DENTAL HYGIENE CARE**

Low cost dental hygiene care is available to the public at the Lane Community College Dental clinic on main campus in Eugene. Services provided include teeth cleaning and gum disease therapy, including checkup x-rays and screening exams for \$25 for adults, \$20 for seniors 62 and over, and \$10 for children. Sealants are available for adults and children for \$2 per tooth. Full-mouth x-rays are available for \$15. Other services include nutritional counseling, polishing and recontouring of fillings, and bacterial microscopic evaluations, all at no cost.

Students perform the services under professional supervision. Graduates of the college's two-year degree program in dental hygiene consistently enjoy a 100 percent employment rate. Lane offers one of only five such programs in Oregon.

To make an appointment, call 2206.

**ETHNIC STUDIES WORKSHOP OFFERED**

**CRAIG SPILMAN'S PAINTINGS AND DRAWINGS AT ART GALLERY**

A collection of paintings and drawings by artist and Lane instructor Craig Spilman will be exhibited at the Art Department Gallery from October 26-November 13. An artist's lecture will be given in the gallery on Tuesday, Oct. 27 at 10 a.m. The lecture series is sponsored in part by the Associated Students of Lane Community College. A reception for the artist is scheduled for Friday, Oct. 30, 7-9 p.m. in the gallery.

Spilman, a full-time art instructor for 17 years at Lane, teaches printmaking, drawing, and painting and design. Prior to joining Lane, Spilman was an instructor of printmaking and painting for four years at the Maude Kerns Art Center in Eugene. He graduated in 1963 with a bachelor of arts from San Francisco State College, followed by a master of fine arts from the Instituto Allende, San Miguel de Allende, Gto, Mexico. Art Department Gallery hours are Monday-Friday from 8 a.m. to 5 p.m. For more information, call 2409.

**SOME CATALOGS ARE MISSING PAGES**

It's recently been discovered that some Lane catalogs are missing pages 1-64. Please check all catalogs before releasing them to students. Should you find incomplete catalogs, e-mail or call Luci Amabisca, 2688 or Angela Miller, 2268.

#### HIGH SCHOOLS TO VISIT

Lane will host the annual Lane County high school visit on Friday, Feb. 5, 1999, on main campus. An ad hoc committee is being formed and will convene on Tuesday, Nov. 3 at 9 a.m. in PE 231. A representative from each department is encouraged to be a member of the committee. The event is an interactive opportunity for us to introduce high school students to Lane programs and degrees. #### THANKS

I left Lane so suddenly, late in July, that I did not get to say good-bye. I have fibromyalgia, and it became much worse. By September, when I was not much better, I decided to resign rather than continue on medical leave or work part-time at my full-time position. I do miss my friends and supporters at Lane. I think of you often, and hope that all is well with you. I have been fortunate to be offered half-time work at Lane ShelterCare. I wish you all good fortune in your work, and urge you to take care of your health! With affection, Susan Sutton.

**MIKE HATTEN NAMED ENERGY MANAGER OF THE YEAR**

Mike Hatten, a Science Division Energy Management Program instructor, has been named National Energy Manager of the Year (Commercial Division) by the Association of Professional Energy Managers. Mike's nomination for this award was submitted by Roger Ebbage, coordinator of the Energy Management Program at Lane. The award was given to Hatten because of his unique combination of Commercial Energy Efficiency course instruction and practical application on the Lane campus which resulted in a lighting retrofit that generated an \$80,000 utility cost avoidance for the college. Hatten credits Darrell Allyn and Paul Colvin from Lane, and Brian Holly from EWEB, for the success of this project.

**PRESIDENT HONORED FOR HIS SUPPORT OF COALITION**

President Jerry Moskus was honored by the Northwest Coalition Against Malicious Harassment at its 12th annual conference held at Lane this weekend. Coalition Board Chairperson Jeannette Pai-Espinosa and Executive Director Bill Wassmuth presented a plaque of appreciation and joined the crowd of 300 at Saturday night's program in applauding Moskus. The president participated in the conference throughout the weekend including delivering a welcoming address and introducing keynote speakers Myrlie Evers-Williams and Dolores Huerta.

**CARL HORSTRUP GETS THE BEST KIND OF THANK-YOU**

Carl Horstrup, semi-retired department chair for Industrial Technology, recently visited Julia Craig's eighth grade class in Drain to talk about college and careers. A few days later he received 31 thank-you letters and a date for a November 13 field trip to main campus.

Some excerpts from student letters with spellings unchanged: "What you said really got me thinking about what I am going to be when I get older...." "I want to go to LCC because its close and I think it is a good collage...." "The students and I are very interested in the jobs you teach people to do like Computer programing and flight technology. We have decided to visit you on November 13." "I never knew you could pick out from so many jobs...." "I have an interest in a couple of things like autobody, flight technology, electrical, and especialy chief school (my dad is a chief)...." [Chef?] "I will not be going to LCC because I am going to veterinarian school." "I liked your speech on the classes because it wasn't boring ... when we go on a tour of the collage I hope to see the wanted chef school." "You helped alot of kids in our classes. Now they know that they can get a good education in their home state."

Teacher Craig wrote, "The majority of students in this group had believed it to be popular to have poor grades and poor attitude. Although this feeling had been trenced into years of practice, I can see a clear change in their attitude and hope for themselves. Most now have a hope toward the future that I don't believe existed previously." Watch for the kids on November 13.

**STRATEGIC PLANNING TEAM REPORTS ON IN-SERVICE ACTIVITIES**

The group discussions about the strategy statements at the September 22 in-service yielded a huge amount of data. Today's report will focus on the first question of the afternoon's discussion: "Is this the right strategy for Lane to follow?"

Responses to this question were first tabulated as "yes", "no", and "split" votes as reported by each Recorder. The results came out as follows: Life long learning: yes votes, 35 (95 percent), no votes, 1 (3 percent), split votes, 1 (3 percent). Rapidly Technological Change: yes votes, 25 (78 percent), no votes, 6 (19 percent); split votes, 1 (3 percent). Increasingly Diverse Population: yes votes, 18 (67 percent), no votes, 7 (26 percent); split votes, 2 (7 percent). Internal Systems Refocus: yes votes, 26 (74 percent), no votes, 4 (11 percent), split votes, 5 (14 percent). More Students with Fewer Resources: yes votes, 16 (67 percent), no votes, 5 (21 percent), split votes, 3 (13 percent). Demand for Workforce/workplace Training: yes votes, 22 (85 percent), no votes, 2 (8 percent), split votes, 2 (8 percent). No strategy statement received less than 67 percent "yes" votes.

The next task for the team will be to analyze the comments to see why some strategies did not receive higher approval rates. For instance, analysis of the comments on "Internal Systems Refocus" showed that a conflict in the language used in the Critical Issue and the corresponding Strategy statement caused confusion and debate among many, resulting in a high number of "no" and "split" votes. Further analysis of this feed back will be used by the team in deciding if changes to the wording or direction of the strategies is called for.

For more information on the Strategic Planning Project, call Ron Johnson at 2544 or visit the Strategic Planning web site (<http://lanec.edu/research/strplan/home.htm>).

#### LCC CHAPTER OF AAWCC BEGINS FUNDRAISING CAMPAIGN

At the first meeting of the year, the second recipient of the AAWCC Leadership Award scholarship, Rebecca Ginestar, received a public congratulations for being selected to receive this award for the 1998/99 academic year. LCC Today was on hand to film this portion of the meeting and the AAWCC Leadership Award will be discussed on LCC Today, to be aired today from 4:30-5 p.m. on cable channel 12. Through the generosity of 16 contributors, \$2,136 has been raised for the 1999/00 school year. However, in order for the scholarship award to be self-supporting as an endowment fund through the Lane Community College Foundation, \$10-30,000 must be raised. AAWCC would like to successfully complete this campaign by June 1999! Please make your tax-deductible donations to the AAWCC Leadership Award, LCC Foundation through payroll deduction or a lump sum gift. Thank you for your generosity! - Miriam A. Castellón, 2315

#### CALL FOR PROPOSALS

The League for Innovation in the Community College is calling for proposals for the Innovations 1999 conference to be held June 20-23 in New Orleans. Proposals may describe a forum, roundtable or learning center course regarding teaching and learning, student services and activities, workforce preparation and development, leadership and organization, or basic skills and developmental education. A new feature of the conference will be a large-group offering titled, "The Community College Course," which will explore the history and culture of the community college movement and look at key trends and future challenges. Deadline for submissions is December 4. For a brochure, contact Addie Lou Thomas in Instruction at 2120.

## STRATEGIC PLANNING IN-SERVICE REPORT

The Strategic Planning activities at in-service engaged a large part of the campus community. Many felt that the group discussion activity was the most engaging and meaningful of the day. Analysis and synthesis of the written materials is continuing, but we want you to know how that information will be processed and used by the team.

First, all 65 tables reported three "top" ideas for implementing the strategies that address 3 of the 6 Critical Issues. That's 65 tables x 3 ideas x 3 issues = 585 possible responses. Each of these responses is being transcribed. After all are transcribed the members of the Strategic Planning Team will be assigned to read and analyze the comments made under each one of the Critical Issues headings. Team members will be identifying trends that appear from the comments, particularly those that received multiple mentions. Further, they will identify suggestions that offer new perspectives on implementation ideas. These trends and suggestions will be presented to the entire team for action; that is, to be considered for inclusion in the plan as goals or objectives.

For more information on the Strategic Planning Project, call Ron Johnson at 2544 or visit the Strategic Planning web site (<http://lanecc.edu/research/strplan/home.htm>).

## STUDENTS PRESENT A SIX-COURSE CULINARY ODYSSEY

**COLLEGE COUNCIL PROVIDES YOU A VOICE THROUGH REPRESENTATION**

In a revisiting of its role, College Council suggested minor modifications to seven recommendations presented by a subcommittee at the October 20 meeting: (1) Council will remain a broadly representative advisory group to the president and other decisionmakers; (2) Council should meet twice monthly; (3) Members should represent their constituencies at council meetings and report back to constituencies -- Vice President Matsen said council should make it known that council is a place for every voice to be heard through representation; (4) Council agendas should reflect coordination with Executive Leadership Team and should include relevant reports from ELT and other groups when the reports are not otherwise available; (5) Current membership representation is satisfactory; (6) Council should track its initiatives; and (7) Council will evaluate its effectiveness in June.

In other business, council reviewed the proposed academic calendar for 1999-2000. Classes would begin September 27, fall in-service would include two weeks, and one in-service day would be held spring term. The calendar goes next to Instruction and Student Services Council. Final approval is needed by November.

Future agenda items include review of a signage proposal, budgeting, final review of the academic calendar; Board of Education agendas, policy governance, work roles documents, and the strategic plan. Council's next meeting is set for Tuesday, Nov. 3, from 1:30-3:30 p.m. in the Boardroom.

**TUTORING PROGRAM CERTIFIED**

After two fast years, the Central Tutor Program at Lane has received international certification from the College Reading & Learning Association (CRLA). Committee members reviewed the entire program including our criteria for hiring, training, supervising, and evaluating credit campus tutors as well as the methods we have of distributing information to students about tutoring services. Because of our newly acquired certification, tutors who attend the 1-credit Tutor Certification Course will receive a CRLA certificate that will transfer to other colleges with CRLA status. As the Central Tutor Program enters its third year I want to thank all the individuals within the various departments across campus that have been supportive of tutoring efforts among credit programs on campus. We wouldn't have gotten so far in such a short time without you! Look for the blue tutor T-shirts on Tuesdays and thank a tutor for his or her contribution to student success. - Liz Coleman, Tutoring Services, 2783

**ANNUAL REGISTRATION ADVISING CONTINUES THROUGH NOVEMBER 12**

Remind students that advising for annual registration ends November 12. Continuing students can meet with an advisor or counselor to develop an annual course plan and reserve and confirm classes for winter 1999 and spring 1999. Students can check with Students First! or Counseling, both on second floor Center, for a list of annual registration advising sessions.

## UNITED WAY CAMPAIGN UPDATE

Thank you to all of my colleagues for your generous support of our community. My personal campaign goal this year is to have more employees than ever contribute to United Way. I need at least 50 more employees to make a pledge of support in order to meet my participation goal. Please help me meet my goal so I can get back to developing grants (and I promise not to cast a spell on you for Halloween)! - Lori Bumgardner

## SCHOLARSHIP WORKSHOPS FOR STUDENTS

Career & Employment Services (CES) will present two scholarship workshops this term to help students access local and national scholarship resources. Students will learn how to: research programs using print materials and computer databases, prepare application materials, "sell" themselves in essays, and compile a scholarship portfolio. Many scholarships for the 1999-2000 academic year have application deadlines from January-March, so now is a good time for students to understand the process and available resources. Workshop dates: Tuesday, Nov. 17, 2:30-3:50 p.m. in CEN 220; and Wednesday, Nov. 18, 5:30-6:50 p.m. in CEN 220. Seating is limited, so students need to sign up at CES in CEN 210 or call 2296. For information contact Geri Meyers at 2296. Thanks for helping get the word out!
