**Tuesday, June 1, 1999**

## TODAY AND THIS WEEK

- \* College Council will meet today, Tues., June 1, at 1:30-3:30 p.m. in the Boardroom.
- \* The Daily will not be published on Friday, June 4.
- \* Disability Services will close Friday, June 4th at 11:00 a.m. for an in-service. In case of an emergency, contact the Women's Center or Student Health.
- \* Click <http://www.hometownonline.com/LCC/events.phtml?show=week> for a complete list of events at Lane for the next week, or go to Lane's home page and click on Calendars and then Events and Meetings Calendar. To add your events, e-mail or call Therese Picado, Ext. 2060.

## FIVE STUDENTS RECEIVE DIVERSITY SCHOLARSHIPS FOR 1999-2000

The Diversity Team Scholarship Subcommittee is proud to announce the recipients for next year's Diversity Scholarships. Four of the Diversity Scholarships are sponsored by the Wayne Shields Endowment Fund; the fifth scholarship is possible through private donations. The five scholarship recipients and their majors are: Dylan Blanks (Nursing), Lawrence Gillespie (Juvenile Corrections), Desiree Sakai (AAOT), Rosalie Tucker (Dance), and Mary Martinez Wenzl (Liberal Studies). Special thanks are given to the many individuals who participated this year with the scholarship committee and the selection process: Connie Mesquita, Yvonne Cook, Ginger Yamamoto, Adrian Rodriguez, Angela Miller, Shelley Evans, Vicki Levine, and Paloma Amabisca, Anselmo Villanueva, Joe Farmer and the Foundation. Diversity Scholarships are offered on an annual basis. For more information, contact Linda Wong, Academic Learning Skills Dept., Ext. 2444.

## LARRY WARFORD ELECTED TO CHAIR OF OCIA

Vice President Larry Warford was recently elected to chair the Oregon Council of Instructional Administrators. The Council is made up of Vice Presidents and Deans of all Oregon community colleges and meets on a quarterly basis. Warford will serve a one year term beginning July 1.

## IN CASE OF EMERGENCY . . .

The staff in Student Health would like to share with everyone the guidelines to follow if you have a medical emergency situation in your area. Call Student Health at Ext. 6666. This is a separate phone that rings only in case of emergency. Tell the person answering the phone at Student Health as much information as possible, i.e., who is hurt, what the problem is, how it happened, and the location of the patient. "A person is down" is a pretty vague description of the situation and could be a number of things. If cardiac arrest is suspected, the nurses will bring the defibrillator. If a person has sprained their ankle, they'll bring ice packs and a wheelchair. It may be difficult to assess the situation--especially because many times the person who calls Student Health has gotten the information third hand themselves--but the more information you can give, the better.

It would also be a good idea to have someone in the department meet the nurse to show her where the emergency is. Time is of the essence in every emergency. If you have any questions or need clarification, please call Donna in Student Health at Ext. 2668. Thank you for helping us help those in need of medical attention.

## IMPROVEMENTS MADE TO EVENTS AND MEETINGS CALENDAR

In an effort to make Lane's Events and Meetings Calendar more responsive, event descriptions will now not exceed more than four lines of information. The decision was made to curtail descriptions after staff had raised concerns about the slow speed of downloading larger calendar files. After researching the problem and other institutional calendars, it was thought that shorter event descriptions would help in making files less bulky and improve speed of downloading. To accomplish this, a limit of 350 characters was programmed into the event description field. In addition to this change, the new banner graphic created for web pages has been added.

To see Lane's Events and Meetings Calendar, go to "Calendars" from Lane's home page, then "Events and Meetings Calendar." For more information about submitting events for your department,

contact Therese Picado, Institutional Advancement, Ext. 2060. Each department is responsible for submitting their own events.

#### AAWCC OFFERS LEADERSHIP AWARD TO WOMEN STUDENTS

The LCC Chapter of the American Association of Women in Community Colleges is soliciting applications from eligible women students for its third annual leadership award designed to "assist and encourage women students at Lane to become leaders, giving voice to women who might otherwise not be heard." A one-year \$1,500 scholarship will be paid in three equal disbursements in the 1999-2000 academic year. Payment is contingent upon enrollment status of at least half-time and satisfactory academic progress (3.0 GPA). The award also will pay the applicable costs of the recipient attending an appropriate leadership or professional conference in Oregon, up to \$500. An AAWCC member will serve as mentor to the recipient during her award year. Application forms, selection criteria and instructions are available from the Women's Center and the Office of Instruction and Student Services. Completed applications are due to the LCC Foundation on or before June 20. The recipient will be selected and notified by July 11.

#### EXTRA! EXTRA! READ ALL ABOUT LANE'S RETIREES!

Extra copies of the 1999 retiree booklet are available through Therese Picado in Institutional Advancement. Many staff keep the booklet as a memento of their experience at Lane or the experience of a close colleague. In addition to retirees and close colleagues, family and friends of retirees may enjoy having their own copy. Call Therese at Ext. 2060 to order your souvenir copies.

#### REMINDER: ANNUAL REGISTRATION ENDS JUNE 7

Please remind students that advising for annual registration ends June 7. Continuing students can meet with an advisor or counselor to develop an annual course plan and reserve and confirm classes for fall 1999, winter 2000, and spring 2000. Students can check with the Counseling and Advising Center, CEN 205, for annual registration information and instructions. - Vicki Doughty

## GRADUATION MOVES TO NEW TIME AND PLACE THIS YEAR

Graduation ceremonies for Adult High School, General Education Development (GED) and Adults with Special Needs students will be held tonight at 7:30 p.m., and graduation ceremonies for credit students will be held Thursday, June 3 at 7:30 p.m. Both events are being held this year in the Performance Hall at the Lane County Convention Center and Fairgrounds.

## BENEFITS NOW AVAILABLE FOR SAME-SEX PARTNERS

A special open enrollment period (June 1-15) has been established for eligible employees who wish to add a same-sex domestic partner and/or dependents to their insurance coverage. The effective date for coverage for partners/dependents added during this period will be July 1, 1999. A written summary of benefits can be picked up in Personnel Services or viewed on the Personnel Services Web page (<http://lanec.edu/perssvcs/personel/htm>). Employees desiring additional information are encouraged to contact a Personnel Services Representative (Ext. 2211) for a confidential discussion.

In December, 1998, the Oregon Court of Appeals ruled that public agencies must provide benefits for same-sex domestic partners and their legal dependents that are equal to the benefits extended to the spouses of married employees and their legal dependents.

## CONGRESSMAN PETER DEFAZIO TO VISIT STUDENTS

Congressman Peter DeFazio will speak to Steve Candee's American Government class on Thursday, June 3, from 10-11 a.m. in Center 402. Guests are welcome but seating is limited. For information, contact Steve at Ext. 2188.

## WELDING STUDENTS ASSIST BURLEY BICYCLE COMPANY

Fabrication/welding instructor Mark Huntington and the second-year students recently did consultation work for Burley Bicycle Company of Eugene. Burley Bicycle had a parts failure problem and approached Mark to ask if Lane's program could evaluate the parts. Mark and his students analyzed the parts, developed failure analysis questions and met with Burley's mechanical engineer. As a result of their investigation, Lane's welding/fabrication program determined that welding by Burley had not contributed to the failure of the parts. Burley Bicycle was extremely appreciative of the assistance provided by Mark and his students at Lane.

## RETIREMENT RECEPTION PLANNED FOR NICK CHESHIRE

Please join the Computer Services Department in celebrating Nick Cheshire's retirement at a celebration on Thursday, June 3 from 2:30-4 p.m. in the northeast corner of the cafeteria.

#### PAID INTERNSHIPS AVAILABLE FOR INSTRUCTORS

Lane Education Service District (LESD) has a number of interested local businesses that would like kindergarten-14 instructors for summer internship positions. Areas of employment range from web site development, statistician, banker, fish habitat specialist, personnel work, to public relations and others. Most of the positions are paid, the length of commitment is negotiable, and application is simple. Use these opportunities to reconnect your curriculum with the current world of work. You may view the up-to-date list of placement opportunities at [www.lane.k12.or.us](http://www.lane.k12.or.us) by clicking on Lane ESD's School-to-Work Program. ## CONSTRUCTION ON MAIN CAMPUS WILL BEGIN THIS SUMMER

Construction of Bond Issue Projects on the Main Campus will begin this summer and will continue for a few years. The Bond Management Team is striving to minimize the disruption, dirt, and noise which are byproducts of construction activities, and safety is a paramount concern.

This summer construction on the following projects will begin: Welding Technology Building, Child Care Center, Parking Lot Improvements, Site Preparation for the new Science and Math Building, and an addition to the Campus Services Building. The improvements to the Parking Lots and the Site Preparation projects are expected to be completed in the early fall. The Welding Technology Building should be completed by December 1, 1999. The Child Care Center will continue through January 2000. Finally, the Campus Services Addition should be completed by May 1, 2000. Other projects are scheduled to begin late this fall. Updates on the status of the Bond Projects will be published periodically.

Construction traffic will use Eldon Shaffer Drive and some traffic will go through the South parking lots to get to the Child Care and Parking Lot Improvement Projects. Your awareness, patience, and understanding is greatly appreciated. -Bob Mention, Bond Project Manager

## TONIGHT'S GRADUATION IS AT NEW LOCATION

Graduation ceremonies for credit students will be held Thursday, June 3 at 7:30 p.m. The event is being held this year in the Performance Hall at the Lane County Convention Center and Fairgrounds, rather than at the Hult Center for the Performing Arts as in recent years.

## GOOD-BYE PARTY FOR KORINNA BAGLEY IS TOMORROW

Korinna Bagley, Administrative Support Specialist for the Bond Project Management Team, has accepted a position with the Salem-Keizer School District. Korinna's last official day at Lane will be on Friday, June 4. Please join us to say good-bye and share cake and ice cream in the Campus Services Conference Room, CS 201, Friday at 3:30 pm. -Judy Fuller, Facilities Mgmt. and Planning, Ext. 2216

## LANE'S WEB SITE AND SERVER WILL SHUT DOWN THIS WEEKEND

Lane's website will be unavailable starting at 5 p.m. Friday, June 4. Computer Services will be doing Y2K related maintenance. Internet access for remote users to sites other than Lane's will not be affected. The site should be up by 5 p.m. on Sunday, June 6.

Also, Banyan Vines file server ENMA6 will be unavailable starting at 5 p.m. Friday, June 4, and should be back online by 5 p.m. on Sunday, June 6. During this time, hardware/software upgrades for Y2K compliance will be made. The groups on this server will be notified by E-mail. -Carolyn Cruz, Ext. 2864

## CAREER DEVELOPMENT FACILITATOR TRAINING AT LANE

Beginning Fall 1999, the Human Development Dept. will offer a three-class sequence (4 credits each term) to train career development practitioners at Lane and in the community. People who

successfully complete all three classes may be eligible for national certification as a Career Development Facilitator. The courses cover topics such as career development theory, assessment tools, career planning process, labor market information, technology, job search skills, and program development and are designed for staff who work with youth or adults on career and employment issues. As the course instructor, I am trying to determine who at Lane might be interested in enrolling. The classes will be held during Fall 1999-Winter 2000-Spring 2000 on Mondays from 5:00-8:50pm. If you are interested, would like more information, or know someone else who might want information, please contact me as soon as possible through email at [swankb@lanecc.edu](mailto:swankb@lanecc.edu) or call at home (726-1809). Thanks. -Beth Swank, Career Counselor, Counseling Dept.

## GUIDED STUDIES PROGRAM WINS INNOVATION OF THE YEAR AWARD

The Guided Studies Program has won the 1999 Innovation of the Year Award at Lane Community College. Program developers include Mason Davis, Linda DeWitt, Phyllis Geyer, Edna Grass, Gail Hemsoth, Dan Hodges, Pat John, Cheryl Kempner, Ellen Lacey, Carolyn Litty, Carol Lynn Morse, Leigh Alice Petty, Elaine Pray, Leslie Rasor, Alice Whitenack, Tom Wiedeman, John Winquist, and Linda Wong.

The Guided Studies Program is designed for students whose reading placement test scores indicate the need to strengthen academic skills before entering college-level courses. Guided Studies students are required to take appropriate preparatory courses and are restricted from other college-level courses their first term. Their program of studies is tailored according to their educational needs and goals. The program

- \* improves success for at-risk students

- \* contributes to a lowered default rate on Financial Aid

- \* streamlines placement testing and referral procedures for students who score low on reading and writing placement tests

- \* provides successful interventions for at-risk students who have reading and writing skills below college level

The program involves collaboration of multiple units of the college including Counseling, Testing, Advising, Study Skills, Adult Basic & Secondary Education, Financial Aid, as well as the support of academic and technical departments. The addition of a College Success component to the program enables students to expand their focus beyond academic factors to include time management, stress reduction, learning styles, goal planning, decision making, and self management. Student evaluations and staff discussions are used for continuous improvement and overall program evaluation.

The Guided Studies Program was conceived in 1995-96, and a 1998-99 follow-up study showed a positive correlation between guided study participation and course completion and improved grades. It is a proven vehicle for assisting students in successfully pursuing their goals.

The award is presented annually at League for Innovation colleges.

## ITC NEEDS TO CLEAR SPACE ON THE HARD DRIVES

The Instructional Technology Center needs to clear space on the hard drives in the lab. If you have any files stored there, please come in before the end of spring term, retrieve them, and delete them. If you are unable to do that within this time frame, please call Roka at Ext. 2751 and make other arrangements.

#### ATTENTION CLASSIFIED EMPLOYEES IN ACADEMIC YEAR POSITIONS

If you are a classified employee in an academic year position who is interested in summer employment, please contact Personnel Services (Ext. 2211). We'll add your name to our register of regular, classified employees available for hourly employment during the summer months. This register will be maintained for use by departments who need extra help during the summer.

#### REMEMBER TO RECYCLE OLD PHONE BOOKS

Purchasing Services began delivering 1999 telephone books last week. Main campus staff should take their old phone books to the large containers on the east side of the Center Building (outside the cafeteria). Phone book recycling cartons also have been placed at the DTC, Flight Tech, Cottage Grove and the Wildish Building. Other off-campus users may bring their old phone books to one of those centers or main campus for recycling. The last date for recycling phone books is June 12. No agency will take phone books after that date and the recycle containers will be removed then. For more information, call Steve Evans at Ext. 2453.

#### REMINDER: CAREER DEVELOPMENT FACILITATOR TRAINING AT LANE

Beginning fall 1999, the Counseling Department will offer a three-class sequence (four credits each term) to train career development practitioners at Lane and in the community. People who successfully complete all three classes may be eligible for national certification as a Career Development Facilitator. The courses cover topics such as career development theory, assessment tools, career planning process, labor market information, technology, job search skills, and program development and are designed for staff who work with youth or adults on career and employment issues. As the course instructor, I am trying to determine who at Lane might be interested in enrolling. The classes will be held fall 1999, winter 2000, and spring 2000, on Mondays from 5-8:50 p.m. If you are interested, would like more information, or know someone else who might want information, please contact me as soon as possible through e-mail at swankb@lanecc.edu or call at home at 726-1809. - Beth Swank

## TERM'S END SHAKESPEARE RECITAL IS WEDNESDAY

A free Shakespeare recital will be given Wednesday, June 9, at 7 p.m. in the Blue Door Theatre. All are welcome. Students from Bill Woolum's and Sparky Roberts' English and Theatre classes will perform scenes from: Henry V, Twelfth Night, Winter's Tale, The Tempest, Hamlet, and Much Ado About Nothing. For more information call Sparky at Ext. 2648.

## KLCC'S "ROOSTER" STEPS DOWN FROM HOSTING FRESH TRACKS

There's a change in the air; more specifically, on the air. Lane County's hippest DJ, Gavin "Rooster" Fox, has been missing from the airwaves and anxious listeners have been calling the station. What's up? Rooster recently was diagnosed with ALS (amyotrophic lateral sclerosis), commonly known as Lou Gehrig's Disease. He has chosen to step down as morning host of Fresh Tracks to conserve energy for battling the disease.

The good news is that he plans to continue hosting Blues Power, KLCC's pre-eminent blues show and Rooster's regular Saturday afternoon gig since 1977. With a little help from his friends, Rooster will come to the KLCC studio and share his vast knowledge of the blues with KLCC listeners for as long as possible.

For the time being, Music Director Michael Canning will host the morning segment of Fresh Tracks. Michael is one of the original creators of Fresh Tracks, hosting the show from 1988 until Rooster took over in 1995. Liz Wise will continue to host the afternoon segment of Fresh Tracks.

KLCC is adjusting to Rooster's absence, and is working diligently to accommodate his needs so he can continue to host Blues Power. Rooster has been an integral part of KLCC for over 22 years, and is regarded by the staff as far more than a co-worker. He is, and will continue to be, a friend, mentor, blues historian, walking encyclopedia, sports fan, and overall "guy you want to hang out with."

**HOW YOU CAN HELP:** Well-wishers can send cards and letters to Rooster c/o KLCC, 4000 E. 30th Ave, Eugene OR 97405. E-mail messages can be sent to [klcc@efn.org](mailto:klcc@efn.org). Accounts have been set up to help defray the cost of Rooster's medical and living expenses. Contributions can be made at Selco Credit Union, "Rooster Donation Fund," Account #367569; or at Key Bank, "Gavin Fox Account," Account #370 60201 9504. A benefit for Rooster will be held Monday, June 21, at the Wild Duck. "Rooster's All-Stars Blues Jam: A Benefit for Gavin Fox" will feature Curtis Salgado, Paul de Lay and others. Doors open at 7 p.m. and the show begins at 8 p.m. Tickets are \$20, on sale now at the Wild Duck and Fastixx.

## SUMMER OFFICE HOURS

\* The men's and women's locker rooms will be open including clothing exchange services Mondays through Thursdays from 7:30 a.m.-12:30 p.m., beginning June 21. If you have questions contact Mike Zimmerman at Ext. 2554 or Kim Gilbert at Ext. 2557.

## THANKS

"We do not love people so much for the good they have done us, as for the good we have done them." - Leo Tolstoy. Bruce Patton, Senior Development Officer with Northwest Medical Teams Inc. drove from Portland on June 2 with only one intention: to pick-up the 257 plush animals and \$245 donated towards medical supplies for the Kosovo children. According to Bruce, "The families were driven from their homes with literally what was on their backs. Toys were not a priority; the children will respond better to medical interventions with the tactile stimulation of holding these animals." Thank you all for

your help and for sharing your heart with the Kosovo children. A Big Special Thank-You to Shelley Dutton and her team in the Bookstore for the 25% discount idea, and for collecting all those critters! NWMTI continues to provide free medical services in the Pacific Northwest. If anyone is interested in donating counseling services, cash for medical supplies, or medical intervention services, please contact Paloma Amabisca, Ext. 2688.

## PHONE BOOK RECYCLING DEADLINE IS FRIDAY

The deadline to recycle old phone books is Friday, June 11. Main campus staff should take their old phone books to the large containers on the east side of the Center Building (outside the cafeteria). Phone book recycling cartons also have been placed at the Downtown Center, Flight Tech, Cottage Grove and the Wildish Building. Other off-campus users may bring their old phone books to one of those centers or main campus for recycling. No agency will take phone books after June 11 and the recycle containers will be removed. For more information, call Steve Evans in Purchasing at Ext. 2453.

## CONTRACTORS BREAK GROUND FOR WELDING BUILDING

Contractors broke ground for the welding technology building on Monday. Heavy equipment is now excavating the former parking lot east of Campus Services for the new 19,000 square-foot facility. The facility will house both fabrication and jewelry programs. Parking spaces lost to the project will be added back in a paving project on the west side of main campus later this summer. The \$1.4 million welding tech building should be completed in December 1999. The floor plan for the facility can be viewed on the web at <http://lanecc.edu/campsvcs/bond/dwgs/welding.htm>. Welding tech is the first major construction project on main campus to be funded by the May 1995 bond.

## PERSONNEL ACTION FORM YEAR-END DEADLINE APPROACHES

Monday, June 21 is the final deadline for receipt of Personnel Action Forms by Personnel Services for correction of transactions charged to incorrect account numbers. Correction requests for 1998/99 transactions processed through the OPAY database will not be accepted after this date. If you need a copy of the complete year-end closing memo from College Finance, contact Stan Barker, accounting manager.

## CLASSIFIED COUNCIL AGENDA

Classified Council will meet Thursday, June 17, from 8:30-10 a.m. in PE 206. Robert Mention, bond construction project manager, will be council's guest at 9 a.m. All staff are welcome to come meet him and bring practical questions about the bond construction beginning on main campus.

## BOND UPDATE: WELDING, ELMIRA, FLORENCE NEWS

The welding technology building broke ground on June 7, reported Bond Construction Project Manager Bob Mention at the June 9 Board of Education meeting. The \$1.4 million, 19,000-square-foot facility is the first major bond construction project on main campus. It will house fabrication and jewelry programs and will be completed in December. Parking spaces lost to the project will be added back in a paving project on the west side of main campus later this summer. The floor plan for the welding facility can be viewed on the web at <http://lanecc.edu/campsvcs/bond/dwgs/welding.htm>.

Also this summer, work will begin on the child care complex, the parking lot improvements, and site preparation for the science building addition. A logging road at the south perimeter of campus will be reserved for construction traffic to improve safety in regular parking lots and driveways.

The learning center planned at Elmira High School was bid over budget, President Jerry Moskus reported at the board meeting. The center bid was combined with the school district's own construction bid and there might be misplaced specifications; however, if the construction cost does exceed budget, the center will not be built.

The Florence center bond-funded addition is nearly complete, the president also reported. Separate physical plant improvements have been made.

## AFRICAN AMERICAN RITES OF PASSAGE SUMMER ACADEMY

Lane is offering the African American Rites of Passage Summer Academy again this summer from Tuesday, July 6 through Friday, July 30, at main campus. The academy addresses the academic, cultural, career, and social needs of African American high school age youth in Lane County. The program seeks to connect African American and multicultural youth with the history, literature and traditions of the African American experience in the United States. The academy was held in 1996 and 1997 and was redesigned in 1998. The fee is \$30 and includes a bus pass; some scholarship assistance is available. For more information or a program brochure, contact Greg Evans, special projects coordinator, at 747-4501 Ext. 2340.

## SIGN UP FOR FAMILY SWIM

Lane Recreational Sports will sponsor a family swim at Lively Park Swim Center on Friday, June 25 from noon-5 p.m. The cost is free to Lane students with current student ID, and their immediate family; and \$4 for faculty, staff and the general public. Registration deadline is Thursday, June 24. For more information, call Ext. 2293. To register, stop by PE 204.

## BOARD REPORT

LANE COMMUNITY COLLEGE AND THE UNIVERSITY OF OREGON have different strengths which minimize competition between the two institutions, said UO President Dave Frohnmayer in the latest strategic conversation held by the Board of Education at its June 9 meeting. Frohnmayer said Lane is unparalleled in its ability to respond quickly to emerging training needs, as demonstrated with Symantec, Sony and Hyundai, while the university offers research and long-term resources to the community. However, he agreed that state funding practices pit K-12, higher education and community colleges against one another, and he suggested that UO/LCC competition in the continuing education arena is healthy. When asked about collaboration, Frohnmayer and his associates suggested enhancing transfer, dovetailing lower and upper-division offerings in math and pre-engineering, exploiting the local distance learning infrastructure, and lobbying for changes in state funding methods.

OUTGOING BOARD MEMBERS James W. Britt III, Michael Dubick and Jim Pitney, were honored. Adam Young, absent, also was acknowledged. Pitney said, "This has been a great thing in my life ... I am proud to know all of you."

THE 1999-2000 BUDGET passed 6-0. The general fund is \$67.5 million and represents a 6.1 percent increase over the current year budget and includes no program cuts or lay-offs.

THE TREATMENT OF STAFF MONITORING REPORT was delivered by Executive Assistant to the President Linda Waddell. The report acknowledged a need for grievance procedures not covered by employee contracts and for clearer policies for volunteers. Debate centered on whether Lane has achieved a participatory environment. Dennis Gilbert, sitting in for faculty union president Margaret Bayless, said Lane has not achieved shared governance, and he detailed two personnel grievances to demonstrate his point. Board member James Britt asked whether the grievances indicate that an uncollaborative

environment exists. Gilbert said he believed so. The vice presidents opposed that premise and said most management supports and tries to create a participatory environment. Classified union president Alen Bahret said lack of release time from frontline positions continues to pose a barrier to participation for support staff. Board Chair Roger Hall concluded that the monitoring report showed opportunity to participate, but the next one should show response and perception as well.

IN OTHER BUSINESS, the board approved: Management Employees Working Conditions for 1999/2000; fund appropriations for 1998/99; budget transfers for 1998/99; the president's annual authorizations for 1999/2000; and 13 personnel appointments; all with 6-0 votes.

PERSONNEL APPOINTMENTS included Elizabeth Frye as instructor in Academic Learning Skills; Patrick Grady O'Connor and Greg Sheley as instructors in Health and Physical Education; Hyla Rosenberg, Russell Shitabata, Andrew Viles, and Mary Rose Williams as instructors in English Foreign Language and Speech; Matthew Schubert as associate division chair of Family and Health Careers; Joe Escobar and Ken Zimmerman as temporary instructional technology support persons to the Strategic Learning Initiative; Ben Hill as temporary instructor in Mathematics; Bonnie Simoa as instructor in Music Dance and Theater Arts; and Eileen Thompson as temporary coordinator for the Strategic Learning Initiative.

FOR BOND NEWS reported at the meeting, see the BOND UPDATE in the June 14 Daily. If you need a copy, contact THE DAILY@INSTADV\_MA (in-house) or DAILY@LANECC.EDU (external); or contact Joan Aschim, editor, Ext. 2591.

#### DIVERSITY TEAM HOSTS END-OF-YEAR CELEBRATION

You are invited to an End of the School Year Celebration on Friday, June 25, at 5 p.m., at the home of Anselmo and Rose Mary Villanueva, 28044 Gimpl Hill Road, Eugene, hosted by Lane's Diversity Team. Bring a side dish and beverage. For more information and directions call 343-7182, or from Eugene, proceed west on West 18th Avenue past Chambers Avenue. Continue on 18th past Churchill High School to the next stop sign, which is Bertelsen. Turn left on Bertelsen. Continue south on Bertelsen, which turns into Bailey Hill Road. Turn right onto Gimpl Hill Road at the Bailey Hill Market. Proceed on Gimpl Hill for about five miles (curvy and hilly at first, straightens out a bit after about three miles). The driveway is the second to the last driveway on your left. If you come to a stop sign at Pine Grove Road, you have gone too far.

#### PRINTING/GRAPHICS INVENTORY CLOSURE

## BOARD OF EDUCATION TO HOLD SPECIAL MEETING

The Board of Education will conduct a special meeting on Wednesday, June 30, at 2 p.m., in the Boardroom. The agenda includes bid awards for construction of the child care building, parking lot improvements, science addition site preparation, and a price agreement for building electrical components. The next meeting will be a week later than usual on Wednesday, July 21, in the Boardroom.

## BOND UPDATE

**AWARDING OF BIDS.** The Bond Project Management Team accepted bids last week for three main campus projects. The recommended bids awards are up for approval at a Board of Education meeting on June 30. Recommended are Delta Construction Company for the parking lot improvement project with a base bid of \$284,825 and total alternate bids of \$121,450; John Hyland Construction for construction of the child care center project with a base bid of \$1,774,729 and total alternate bids of \$121,647; Gary Burnett Earthmoving for site preparation for the science/math project with a base bid of \$97,890 and a unit price for rock removal of \$56.97. Delta and Hyland bids were within budget. As a component part of the total science/math bid, the site preparation did not have a specific dollar figure assigned to it. However, by having the site preparation portion of the project bid separately and prior to the main science/math project, considerable expense was saved. Excavation work undertaken during summer months when weather conditions are more apt to be optimal results in overall lower costs. Construction of the science/math project is scheduled to begin December 1999.

**DEVELOPMENT OF SOUTH ACCESS ROAD.** Eldon Schafer drive will be the main construction route used during bond construction. Within the next two weeks, Delta Sand and Gravel will begin development of the access road beyond the south parking lot. The access road will allow construction traffic to pass to the west side of campus with the least amount of campus disruption. Signs are being developed to notify drivers on Eldon Schafer Drive and Gonyea Road to the presence of construction trucks and equipment.

**PARKING SPACE.** Main campus will see an overall increase in parking spaces by fall 1999. More efficient use of space in the west parking lot will result when the two existing gravel lots are paved and lined. Additional new parking will be developed adjacent to the new Early Childhood Education building. Between the two sites, 10 disabled and 242 regular parking stalls will be provided.

**THE BOND PROJECT MANAGEMENT TEAM** will be available during summer hours to provide information and answer any questions that may arise. All communication received by the BPMT during summer months will be reviewed regularly by the team, the architects, and the Facilities Management Committee. The BPMT can be reached at 744-4154, NANCY M NICHOLS@CAMPSEMA, or on the web at <http://lanec.edu/campsvcs/bond/main.html>.

## KAY MALMBERG APPOINTED INTERIM DIRECTOR OF COMPUTER SERVICES

Kay Malmberg has been appointed interim director of Computer Services following the (final) retirement of Nick Cheshire in early July. Kay was hired at Lane in 1986 as operations manager for College Finance. Most recently she served as a full-time coordinator for Students First! You may reach her at Ext. 3005. - Marie Matsen, Vice President, College Operations

## SPRINGFIELD STUDENT WINS \$2,000 JELD-WEN SCHOLARSHIP

Douglas Foster of Springfield has been awarded the 1999/2000 Jeld-Wen Foundation scholarship of \$2,000 to attend Lane, reports LCC Foundation Director Joe Farmer. Foster graduated from Springfield High School in June with a 3.89 grade point average. During his four years of high school he was active in industrial arts and computer science. This past year he raised \$4,000 to develop and build an electric car which he entered in the Electron races sponsored by Portland General Electric. He plans to major in computer science at Lane. The Jeld-Wen Foundation scholarship is limited to new college students with financial need who have demonstrated scholastic achievement and live in a community where a Jeld-Wen facility is located. The local facility is the Northwest Pellet Mills plant in Brownsville.

## INTERN AVAILABLE TO HELP WITH WEB DESIGN, MULTI-MEDIA PROJECTS

The Instructional Technology Center welcomes Josh Bercey, second-year graphic design student, as an intern for summer term. Josh will be available to help faculty and staff with design of materials and web pages and to assist with multi-media software available in the ITC. Summer hours for the ITC (until further notice) are 10:30 a.m. - 1:30 p.m. Mondays through Thursdays.

## MORE YEAR-END CLOSING DEADLINES

\* Tuesday, June 29: Deadline for final current-year requests for independent contractor payments for services performed prior to this date, to College Finance, so the check may be written before June 30.

\* Wednesday, June 30: Final deadline for petty cash reimbursements, 5 p.m., College Finance counter.

#### PAPER PRESENTATION WORKSHOP: JUNE 29

If you are applying for a position at Lane, a strong, well thought-out application package (Lane application, resume, cover letter, etc.) will help you qualify for an interview and, when you're hired, will provide documentation of your experience to be hired at the highest step possible within the position. Bring your lunch to Apprenticeship Annex 156 for this noon-1 p.m. workshop on Tuesday, June 29. Individual appointments are also available. Call Lynne Swift, Ext. 2503, to register for the workshop or for an individual appointment.

#### JOB INTERVIEWING WORKSHOP: JULY 1

Are you applying for a position at Lane? This workshop can help you systematically prepare for and feel confident in the interview situation. Bring your lunch to Apprenticeship Annex 156 for this noon-1 p.m. workshop on Thursday, July 1. Individual appointments are also available. Call Lynne Swift, Ext. 2503, to register for a workshop or for an individual appointment.

#### REGISTER NOW FOR MCKENZIE RIVER RAFT TRIP

Lane Recreational Sports is sponsoring a McKenzie River raft trip on Saturday, July 10 from 7:45 a.m.-4:30 p.m. The cost is \$10 plus a \$10 refundable deposit for those with current student ID. Faculty, staff and the general public can participate for \$25 and the \$10 refundable deposit. The registration deadline is Tuesday, July 6. For more information, call Ext. 2293. To register, stop by PE 204.

#### KLCC WILL BROADCAST THE OREGON COUNTRY FAIR

KLCC 89.7 FM will broadcast live from the Oregon Country Fair beginning Friday, July 9, and continuing throughout the weekend. Performances begin each day at 11:30 a.m. and continue until 7 p.m. A break will be taken for National Public Radio news on Friday from 4-5:30 p.m. Following Saturday's live broadcast, Downtown Deb will host a special Dead Air from the fair from 7-9 p.m. The broadcast is entirely funded by sponsors from the KLCC business community.

#### AAWCC HOSTS GOLF EVENT

The Lane Chapter of American Association of Women in Community Colleges will hold a golf tournament for members and interested others at Camp Putt on Thursday, July 22. Cost is \$4.75 per person, payable at the door. After a rousing 18 holes, we will adjourn to Track Town Pizza for no-host pizza to celebrate our victories. Members, potential members and guests are welcome! Please reserve a spot with Julie Baker via e-mail or at Ext. 2199.

#### FAIR BOOTH VOLUNTEERS NEEDED

The Lane County Fair is coming to town. Student Activities sets up the Lane Community College booth at the fair in the Exhibit Hall each year and needs volunteers to help staff the booth throughout the week. Various days and times are available. If you would like to enjoy a day at fair for free, call Tina in Student Activities at Ext. 2336.

#### LANE ATHLETES TAKE LEAGUE HONORS

Lane finished 1998/99 with an significant number of distinctions in the Northwest Athletic Association of Community Colleges, the league for Oregon and Washington.

The Lane men's baseball team won the NWAACC Southern Region championship and the NWAACC conference championship this spring. Coach Donny Harrell was named NWAACC Southern Region Coach of the Year and NWAACC Coach of the Year.

Also this spring, the men's track and field team placed third in the NWAACC Southern Region and second in the NWAACC conference. The women's track and field team placed third in the conference. Both teams were coached by Grady O'Connor.

Earlier in the year, the men's basketball team won its second straight championship in the NWAACC Southern Region and placed second in the NWAACC championship conference. The team established four college records en route to its 29-3 season: best overall record, most wins in a single season, best field-goal shooting percentage, and longest winning streak (21 games). Coach Jim Boutin was named Coach of the Year for the NWAACC Southern Region and Coach of the Southern Region All-Star

Team. The women's basketball team finished fourth in the NWAACC Southern Region and won a play-off berth in the NWAACC conference, with coach Cheryl Duman.

Athletic Director Harland Yriarte was named Outstanding Athletic Administrator of the Year in the NWAACC.

And as if that weren't enough - 20 percent of the student athletes earned a GPA of 3.5 or better.

#### AFRICAN AMERICAN RITES OF PASSAGE SUMMER ACADEMY

The African American Rites of Passage Summer Academy is offered Tuesday, July 6-Friday, July 30, at main campus. The academy addresses the academic, cultural, career, and social needs of African American high school age youth in Lane County. The program seeks to connect African American and multicultural youth with the history, literature and traditions of the African American experience in the United States. The academy was held in 1996 and 1997 and was redesigned in 1998. The fee is \$30 and includes a bus pass; some scholarship assistance is available.
