## KLCC BROADCASTS LIVE AT THE OREGON COUNTRY FAIR

KLCC 89.7 FM will bring the music and ambiance of the Oregon Country Fair to radio listeners, beginning Friday, July 7, and continuing through the weekend. The performances begin each day at 11:30 a.m. and continue until 7 p.m. KLCC will broadcast all the music, all three days, from the Oregon Country Fair Main Stage -- except for a break on Friday afternoon to air KLCC's Northwest Passage and NPR's All Things Considered, from 4 to 6 p.m. Downtown Deb will host a special Dead Air from the fair from 7 to 9 p.m., following Saturday's live broadcast. The broadcast is entirely funded by generous sponsors from the KLCC business community. Let KLCC take you to the fair -- whether in your home, car, garden, workplace, or on your way to the fair. Keep the magic of the Oregon Country Fair with you, courtesy of KLCC 89.7 FM Eugene. Contact: Gayle Chisholm, KLCC, Ext. 2061.

## LANE'S NIGHT AT THE EMS A GREAT CHANCE TO MINGLE

Baseball season has begun! Let's join together and celebrate summer at the ballpark. The 9th Annual LCC night at the Ems is scheduled for Wednesday evening, Aug. 9. Dinner starts at 5:45 p.m.; the game begins at 7 p.m. Enjoy a fun-filled evening at the Civic Stadium as the Eugene Emeralds baseball team takes on the Salem-Keizer Volcanoes. Come and join fellow Lane co-workers, family and friends at the First Base Cafe for an "All-you-can-eat-and-drink" barbecue, that includes chicken sandwiches, hamburgers, hot dogs, soft drinks and beer preceding the game. Gardenburgers are also available on request (in advance). Make your reservations now by paying \$17 per person at College Finance. The account number is 101-541-8017-000000-4610. Box seats may be purchased for an additional \$3 per person. Please return a copy of your receipt with names of the participants to Gloria Vanderhorst, Office of Instruction and Student Services, or Alen Bahret, Computer Services. Registration deadline for the picnic and game is Monday, July 31. This event is co-sponsored by LCCEF and the Classified Professional Development Team. Additional questions regarding the evening's events can be directed to Gloria Vanderhorst, Ext. 2308, or Alen Bahret, Ext. 2247.

## TIME TO REGISTER FOR LEAGUE 2000 CONFERENCE

Register online for the League 2000 Conference on Information Technology, which takes place November 15-18, 2000, in Anaheim, Calif. Registration can be completed online at:

[http://www.league.org/cit2000/online\\_reg\\_avail.htm](http://www.league.org/cit2000/online_reg_avail.htm)

About the Conference:

The League for Innovation's annual Conference on Information Technology (CIT) is the premier showcase focusing on the use of information technology to improve teaching and learning, student services, and institutional management in community and two-year colleges. Celebrating sixteen years of excellence, CIT features a technologically sophisticated and topically diverse program that aims to enable educators to explore and expand their use of technology. This year's conference continues the tradition of past CITs by providing an array of learning opportunities for participants. Among them are:

- \* Engaging keynote speakers discussing core issues facing community college educators;
- \* Learning Center courses, including day-long and three-hour intensive workshops;
- \* Hands-On Alley, offering computer labs designed to give participants practical experience with new and popular hardware and software;
- \* Forums supported by state-of-the-art presentation technology;
- \* Roundtables offering a more intimate setting for exchanging ideas and models;
- \* An extensive exhibition featuring dozens of hardware, software, communications, and service companies;
- \* A 24-hour e-mail and Internet Lab.

Also on the program are:

- \* Emerging Technologies and Careers Symposium: During this pre-conference activity, the League and the Northwest Center for Emerging Technologies provide an opportunity for educational and business leaders to come together to develop and share ideas for accurately forecasting and addressing the needs of the information technology workforce. The symposium is scheduled for Tuesday, Nov. 14, 2000, in Anaheim, CA, CIT 2000, and participation is by invitation only.
- \* Technology Job Fair: The Technology Job Fair will provide an affordable opportunity for colleges with technology-related vacancies to meet face-to-face with highly qualified candidates from Anaheim and the surrounding areas seeking technology-related employment.
- \* The Simon Wiesenthal Center: This Learning Center course helps participants integrate the teaching of tolerance into their curriculum. Experience the Museum of Tolerance, located within the Simon Wiesenthal Center, as a workshop in human behavior, and engage in dynamic discussions on the issues of tolerance in society.
- \* Virtual Reality/3-D Tour and Seminar: Tuesday, Nov. 14, 2000, from 6 p.m. to 8 p.m. EON Reality is hosting a tour and seminar introducing its latest education technology. EON Reality provides PC-based, 3-D interactive simulation solutions for training. Participants of CIT are invited to attend this pre-conference activity, consisting of a hands-on lab, an exhibition of EON's Concave Theatre, and several presentations by EON staff members. A casual "Q & A" wine and cheese gathering follows the seminar. Please visit Virtual Reality/3-D Tour and Seminar for details and to register for this special event. Transportation and refreshments are provided, but seating is limited, so please register early. Contact: League for Innovation in the Community College, 26522 La Alameda, Suite 370, Mission Viejo, CA. 92691; Phone: (949) 367-2884; Fax: (949) 367-2885.

#### WHO IS YOUR LIFE INSURANCE BENEFICIARY?

All eligible staff should be sure that the beneficiary on their life insurance is correct and current. If you would like to change your beneficiary on your LCC life insurance and also with PERS, those two forms are available in Personnel Services. If you have questions, dial 2211, and press 0.

#### DESK-SIDE PAPER RECYCLING PILOT BEGINS SOON

Recycling Services and Housekeeping are teaming up to make recycling even more convenient. During the month of August, Housekeeping plans to empty desk-side paper-recycling boxes on Wednesday nights INSTEAD of trashcans, on a trial basis. At the end of the month, recycling staff will ask for feedback, evaluate the program, and determine whether the college should continue providing desk-side recycling pick-up permanently. Free desk-side recycling boxes may be ordered at Ext. 2714. In the meantime, please remember to recycle paper, cardboard and books. Lane pays over \$100 per ton to throw away paper, but sells recycled paper for over \$100 per ton. To comment on the trial pick-up service before it starts, please contact Jennifer Hayward at haywardj@lanec.edu , or Ext. 2099.

#### TAKE A LOOK AT NEW INDEPENDENT STUDY COLLEGE PROCEDURE

A new Independent Study Procedure has been added to the College Online Policy and Procedure System. "Independent study" is defined as non-paid research and tutorial projects that do not overlap with Cooperative Work Experience. Departments offering independent study must provide written documentation before granting credit. Check it out: <http://lanecc.edu/cops/indstud.htm> . Contact: Tracy Simms, Ext. 2889 or simmst@lanecc.edu .

#### TRIO STUDENT PERFORMANCE REFLECTS STRONG PROGRAM SUPPORT

Lane's Women in Transition class quickly beckoned Tina Sledge to pursue her dreams. After completing the class in 1997, Sledge enrolled as a full-time accounting major through the TRIO program. Now en route to the University of Oregon to complete her bachelor's degree in business, Tina is excited for her future but sad to leave Lane's supportive learning environment behind. "Lane is here for the learner," says Sledge, who was the recipient of the Ida M. Crawford scholarship award in '99, followed by a NASP award, and then a Ford Opportunity Scholarship.

She credits the Women's Program, and Jill Bradley in particular, for encouraging her to enter the door of higher education, explaining that the transition program offered her "the safest feeling (I) ever had in a group." Sledge had known for some time that she had an aptitude for the business world and business-related coursework because she had received awards in high school for her performance in similar classes and projects. So the results of the career planning and placement tests she completed as part of the transitions class were all the nudge she needed to pursue a career in accounting. Sledge was apprehensive about beginning school in her 40s, but she could feel herself becoming a stronger student each academic quarter. "I knew if I went step by step, I would build a strong foundation," she says.

Her apprehension was also soothed by other supportive programs and instructors at Lane. "Lane has excellent instructors," Sledge says, "but I can't say enough praise about the math and writing instructors." And as a TRIO student, she experienced "a sense of belonging...the feeling that it was safe to learn and to learn more efficiently." Signing up for practical classes such as "Essential Study Skills" and taking advantage of TRIO program's tutors also contributed to her growing self-assurance. "I got the confidence I needed to apply for a scholarship," she says.

Tina also credits her two daughters, ages 11 and 15, with her success as a student. "We're doing it together," she says.

### BOARD OF EDUCATION MEETS THIS WEEK

The Board of Education meets on Wednesday, July 12. An executive session begins at 5:15 p.m. A work session will immediately follow to discuss budget and redesign, and develop the board+s annual calendar. The regular meeting begins at 7:30 p.m. and includes the following agenda highlights: bond construction update, including a discussion of the Workforce Training Center site preparation; an update on the status of the presidential search; board appointments to community organizations; management employee working conditions for 2000-01; Ashlane contracts; and a second reading on the board policy D.210, Tuition and Fees. Monitoring reports will include treatment of staff, governing style, global board-president relationship, and evaluation/accountability of management. The next board meeting is on Wednesday, Sept. 13. Contact: Tracy Simms, Ext. 2889; or [simmst@lanecc.edu](mailto:simmst@lanecc.edu) , or view <http://www.lanecc.edu/presoffc/board/lccboard.htm> .

### BOND UPDATE

LTD BUS STATION RELOCATION IS PUSHED BACK APPROXIMATELY ONE WEEK. The targeted date is on or about Friday, July 14. Currently, gLAs architectural firm is preparing the owner contract agreements for construction of the bus station. After completing the paperwork, Hyland Construction will begin construction. As soon as a specific date for relocation is known, the information will be immediately conveyed by a \*@\* e-mail, and as an alert on the Internet at the bond home page. (Go to LCC's home page, click on College Business and then Bond Construction.) Updates on the relocation date to the east parking lot loop will also be released on Student Activities bulletin boards and the special stanchion at the west entrance by the main fountain. In anticipation of the relocation, the concrete loading dock has been poured in the east parking loop.

THE START-UP DATE FOR HEALTH TECH SHOULD BE DETERMINED THIS WEEK when the Bond Project Management Team meets with Essex Construction for initial pre-construction meetings. In preparation for construction, moving activities are finishing up within areas initially slated for remodeling, allowing contractors to begin demolition within the former areas that have housed the Culinary Arts department. Removal of asbestos in the vacated Laundry facility is complete.

INSTALLATION OF INFRASTRUCTURE IN STUDENT SERVICES IS UNDERWAY, while work on the sprinkler and HVAC systems unfolds. Exterior work is highlighted by the erection of steel arches atop the building. Configuration of the forms for the main entrance and plaza continue. The second floor has had approximately half of the concrete flooring poured.

THE FIRE LANE FOR THE CHILDCARE CENTER has been poured. Tricycle paths adjacent to buildings No. 2 and No. 4 have been staked out, and excavation will commence this week. Landscaping will begin the latter part of this month. Building No. 2 is essentially completed and waiting on final occupancy permits. Installation of cabinetry is taking place in Building No. 3, while floor covering is being laid down in Building No. 4.

GYPSUM SIDING IS UP ON THE WEST SIDE OF THE SCIENCE/MATH ADDITION. The current siding is in the initial phase of construction, which will culminate in a final brick exterior. The main entrance, which is located directly adjacent to the lowest south parking lot, has taken on tremendous definition with the erection of all entry-way steel, barrel trusses and metal decking. Interior remodeling is progressing well within schedule.

TWO SHIFTS IN LAUNDRY SERVICES CONTINUE TO COVER DEMANDS of the heavy workload that must be met during summer months. Engineers are maintaining strong efforts toward a resolution of hot water storage issues.

#### FROM THE GROUNDS UP: A REPORT FROM GROUNDSKEEPER FRANK DRENGACZ

I imagine some of you on the west side of campus feel as if you are working in the middle of the Mojave Desert. Well, you are close. Because of the new Student Services construction, the irrigation main line for the west side of campus has been disconnected. For this reason the west lawns are beginning to dry out. Unfortunately, the main line can not be reconnected until construction is complete in spring 2001. The lawns will go dormant this summer, but with fall rains, they will green up again. The plantings, including the wildflowers in front of Administration, should do just fine. Speaking of the wildflowers -- I think I've been victimized by some eco-terrorists. Most of the wildflower beds are doing great. However, some of the beds came up 98 percent pigweed. We are starting over on those beds. We will reseed the upper west Center and the upper west Forum beds this week. Actually, these beds were the last to be seeded last spring. Apparently, the pigweed got a head start on the wildflowers. The initial phase of landscaping for Welding will be completed by the first week of July. Child care landscaping will not start until late July. This break should allow the bond crew to start erecting the greenhouse. I hate to admit it, but I think Angie, James, Jennifer and Cyndi are doing a great job maintaining the campus grounds in my absence. Dan is working hard on Mondays with the portable blower to clean off all the high-use areas in addition to completing his work. I appreciate their filling in for me while I am devoting my time to bond projects. I hope they appreciate that I did not ask them to clean the ash urns for me too. Go Titans!

(Frank's report, accompanied by pictures of his work on bond projects, is now also on the bond Web site under "Special Highlights." Go to LCC's home page, click on College Business, click on Bond Construction, then pick on "Special Highlights" under the Bond Information heading.) For more information about bond construction projects, call Nancy Nichols at Ext. 2027, or e-mail [bond@lanecc.edu](mailto:bond@lanecc.edu), or check the Web at [http://www.edu/campsvcs/ie/ns\\_bond.htm](http://www.edu/campsvcs/ie/ns_bond.htm).

#### LOOK FOR NEW LADD FORM

Expect to see a new LADD (Lane's Automatic Direct Deposit) advice beginning with July mid-month payroll. The information is presented exactly the same as the prior advice, with the exception that only the last four digits of your bank account numbers will appear on the advice. Converting to this new type of form will allow us opportunities to provide more detailed payroll information in the future. Questions? Call Sue McDonald, Ext. 2613, or Nancy Nott, Ext. 2595.

#### DEADLINES FROM THE FINANCE DEPARTMENT

\* Friday, July 21 -- Final deadline for receipt of departmental approval to pay invoices for materials and services, and capital outlay received by Friday, June 30. Contact: Stan Barker, Ext. 2608.

#### PREPARE NOW FOR LANE'S NEW E-MAIL SYSTEM

Start saving your e-mail and address book right away. You will want to have your e-mail and address book saved by Monday, July 31 to ensure you are ready for the switch over. Instructions are available on the new e-mail system homepage at <http://www.lanecc.edu/nos/index.htm>, or click on the link on Lane's homepage (<http://www.lanecc.edu>). We welcome your constructive comments, which can be sent to [newemailinput@lanecc.edu](mailto:newemailinput@lanecc.edu) or on campus at [newmailinput@cmps\\_ma@lcc](mailto:newmailinput@cmps_ma@lcc). NOS Task Force, Computer Services, Ext. 2245.

#### THE REUSABLE OFFICE SUPPLY EXCHANGE IS OPEN

Lane reopened this wonderful self-service program in which you may bring in all those surplus supplies lying around your office that you know someone on campus must be able to use. It's also a place where staff and student groups can find usable items that are free, with no strings attached, saving all kinds of money and time on departmental supply ordering. Box up and interoffice mail your supplies to Recycling Services, or drop them by the Recycling Cage on the east side of the first floor of the Center Building. Office supplies are available for all staff and student groups for free. View the current inventory on-line at <http://www.lanec.edu/recycle/rose.htm>. Then e-mail or call in your order. Supplies will be inter-campus mailed to you. Current inventory includes 3.5" diskettes, wall hanging file organizers, manila folders and much more! Contact: Jennifer Hayward, Ext. 2099.

## LCC BOARD ELECTS CHAIR, VICE CHAIR FOR 2000/2001

Robert Ackerman of Eugene was elected to a second year as chair of the Lane Community College Board of Education at the board's July 12 meeting. Ackerman served as chair in 1999-2000. Ralph Wheeler of Springfield was elected vice chair. Both votes were unanimous. Also serving on the board are George Alvergue, Roger Hall, and Mike Rose, all of Eugene; Kathleen Shelley of Vida; and Larry Romine of Veneta.

## BOARD REPORT

ROBERT ACKERMAN WAS ELECTED to a second year as chair of the Board of Education at the board's July 12 meeting. Ralph Wheeler was elected vice chair. Both votes were unanimous.

PRESIDENTIAL SEARCH consultant Dale Parnell told the board that the required presidential qualifications will narrow the field of applicants. "We'll have to go for quality, not quantity," he said, adding that the best way to get quality candidates is to "go after them" by phone and letter, which he will do. The college also will advertise in the Chronicle of Higher Education and Community College Times. The application deadline is October 6, and a hiring decision is targeted for February. Lane's home page has a link to the presidential search Web site at <http://www.lanecc.edu/ps/index.htm> .

LTD WILL MOVE to the east side of main campus from July 17 until classes begin, while a permanent station is built on the west side of campus, bond construction Project Manager Bob Mention reported. He also said the Health Tech remodel has begun.

MANAGEMENT WORKING CONDITIONS for 2000/2001 were approved. The need for board approval of this annual agreement will be debated at a future meeting.

ALSO APPROVED were the president's authority to approve contracts for student housing; the board policy on tuition and fees; board appointments to community organizations; and personnel appointments.

THE BOARD REVIEWED monitoring reports on treatment of staff and evaluation/accountability of management; and benchmarks regarding minorities as a percent of employees, budgeted contract employees and student FTE, and percent of revenues by source.

ALL VOTES were 6-0 unanimous; Mike Rose was absent. Meeting minutes are posted on the Web at <http://lanecc.edu/presoffc/board/minstoc.htm> after board approval.

## BOND UPDATE

JULY 17 MARKED THE OFFICIAL START OF HEALTH TECH REMODEL by Essex Construction. The remodel will be carried out in four phases, with the first phase of work focusing on extensive remodeling to expand space for the dental program on the first floor. The total budget for the first phase is \$876,746. Subsequent phases will center on upper level work and remodeling of adjacent areas for PE and Archives. The current project is scheduled to run from July through January 2001, with initial activities focusing on site preparation and demolition activities. The staging area for Essex is between the Health Tech building

and the tennis courts. Public access to the health facility will continue to be available on both the first and second floor breezeways at the first floor west entrance, the stairway between PE and Health Tech, and the first level corridor between PE and Health Tech. However, the second floor stairwell on the north side of the second floor will be restricted. The project manager for the Health Tech remodel is Lynn Atkins.

CONSTRUCTION OF PERMANENT LTD STATION MEANS BIG CHANGES ON THE WEST SIDE OF CAMPUS. Parking lot restrictions in the west lot (Lot B) and traffic changes will occur simultaneously when Hyland Construction begins work on the bus station this week. The staging and construction area for activities will be on the most eastern portion of the west parking lot. This means that parking restriction will include a portion of Dale Parnell Loop, the area where the LTD station was recently positioned, and portions of the lot extending further west toward Gonyea Road until approximately one third of the lot is enclosed. Note that the northern half of Dale Parnell Loop will remain open for pedestrian traffic only, which means that access to the ADA ramp and main, west passageway onto campus will be maintained. Regarding traffic changes, after completing the sweeping corner adjacent to the Millennium 2 Project sign on Gonyea Road, the road will narrow to one lane. After entering campus property by the Lane Community College sign, the road will change from one-way to two-way and proceed as usual up the hill past the Student Services site. The two entrances to the west parking lot from Gonyea Road will be available as entryways and exits from both locations on Gonyea Road. In conjunction with the Bond Management Team and Facilities Management and Planning, campus Public Safety officers will ensure that directional signage and traffic dividers are in place. Nevertheless, please be alert and careful when navigating the west side of campus during the LTD construction process. If you are unsure about parking restrictions in Lot B, traffic changes, or access routes, refer to the bond Web site for a map that indicates current restrictions and access routes. (Go to LCC's home page, click on College Business, click on Bond construction, and then pick on the LTD Project.)

CAMPUS SERVICES ADDITION IS DRESSED UP with the addition of various shrubs and trees on the east and south sides of the building. Printing/Graphics has had a directional sign positioned close to the Campus Services main entrance in order to direct those who are delivering or picking up orders from the department.

SCIENCE/MATH ADDITION CONTINUES TO GAIN GREATER DEFINITION with construction on exterior walls and entry ways. Echoing the main south entrance, several smaller awnings have been erected on the west side of the addition. Steel framing for stairwells has been completed at both the south and west entrances. Interior remodeling activities continue to focus on redefining current space with steel stud framework.

CHILDCARE FACILITIES TAKE ON A MORE FINISHED LOOK as tricycle paths are poured and general landscaping activities begin. Within the boundaries of the fire lane, flowerbeds are being seeded with varieties of thyme that will produce beautiful, low-growing red flowers. The thyme will make an excellent addition to the fire lane located between the Childcare buildings because it will soften the look of the central area and requires low maintenance. Childcare No. 2 continues to wait on occupancy permits. Cabinetry work in Childcare No. 3 is progressing. In Childcare No. 4, contractors continue to make progress with floor coverings.

PLAZA FOR STUDENT SERVICES PROCEEDS while cement is poured during work on the initial phase. Preparation for pouring the second half of the second floor is underway. Steel arches continue to be erected.

FOR MORE INFORMATION about bond construction projects, call Nancy Nichol, Ext. 2027, or e-mail [bond@lanec.edu](mailto:bond@lanec.edu), or check the bond Web site at [http://www.edu/campsvcs/ie/ns\\_bond.htm](http://www.edu/campsvcs/ie/ns_bond.htm).

#### A MESSAGE FROM OSA

As many of you know, OSA is working on registering 5,000 youth to vote, as well as coordinating 60 legislative meetings and 20 media hits this summer. OSA wants to keep you posted on how this is going. We also hope that some of these projects interest you, because there are many opportunities to help out, and get others involved as well. Following is a tentative schedule for the next two weeks. We need your help. Please let us know which meetings and events you can attend, and we will get you more details. During the legislative meetings (listed below), we will be speaking with the candidates about one or more of the following issues: Child Care Block Grant, Community College Enrollment Growth, Oregon Need Grant, OUS Budget and the OHSU Budget. Please attend one with us.

#### NO. 1 STUDENT VOTE 2000

We have arranged for students to register others to vote at the following venues:

Friday	July 28	4 p.m.-Los Lobos (Pioneer Square)
Friday-Sunday	July 21-23	Salem Art Fair
Friday	July 28	Bite of Salem (good food and lots of fun)
Tuesday-Saturday	August 1-5	Benton County Fair
Monday-Sunday	August 1-6	Deschutes County Fair

If you can help out with any of these events, please call the OSA office for more details.

#### NO. 2 LEGISLATIVE MEETINGS

Friday	July 18	5 p.m.	Rep. Chris Beck (Portland)
Saturday	July 19	9 a.m.	Rep. Kruse (Salem office)
Friday	July 19	1 p.m.	Candidate Roger Pike (OSA office)

Saturday July 20 10 a.m. Carolyn Tomei (Milwaukee)  
Thursday July 24 11 a.m. Sen. Vern Duncan (Milwaukee)  
Friday July 25 9 a.m. Sen. Tony Corcoran (Eugene)  
Friday July 25 1 p.m. Sen. Susan Castillo (Eugene)  
Saturday July 26 2 p.m. Rep. Jackie Winters (Salem)  
Sunday July 27 4 meetings in the Portland area

You must call prior to the legislative meetings about attending the important and strategic pre-meeting. Location information will be provided at that time.

NO. 3 OUR FIRST (OF EIGHT) YOUTH/STUDENT DEBATES OF THE 2000 ELECTION is on Thursday, August 10, beginning at 10 a.m., at Portland State University, featuring State Representative Bill Witt vs. challenger Mitch Greenlick: The candidates will answer questions (based on the issues listed in legislative visits above) posed by a student panel and audience members. If you are interested in providing panel questions, helping out or attending, that would be great! We're scheduling more everyday and will keep you posted. Also, please don't hesitate to call us (503) 588-1571 or e-mail osasummer@yahoo.com if you have any questions. For more information, local contact is Gibby Bridge, Provider Specialist, at (541) 726-3954, or 1-800-222-3290, or fax (541) 988-4724, or e-mail bridgea@lanecc.edu

#### OCCA HIRES NEW DIRECTOR

Andrea Henderson has been hired as the new executive director of the Oregon Community College Association, effective August 1. Henderson has served as legislative director for Oregon's Senate Majority Office since 1997. She has previous experience as an advocate for public education during two legislative sessions, as program director of Citizens for Oregon Schools, and as director of the ASOSU State Affairs Task Force. She received a bachelor of science degree in political science from Oregon State University in 1992 and a doctor of jurisprudence from Willamette University in 1995. President Jerry Moskus was a member of the search committee.

#### VANGUARD TEAM BEGINS IDEA EXCHANGE

Several people from Lane attended a kick-off seminar in Phoenix, Ariz., in June for the Vanguard College project. The project is sponsored by the League for Innovation and gathers together teams from the best 12 community colleges in the U. S. and Canada to share learning practices and models. "This project will provide us with an exceptional laboratory for testing out ideas and innovations to help community colleges become more learning-centered institutions," says League board chair Bill Wenrich. Lane has made a five-year commitment to the project, says Larry Warford, League representative. Serving with Warford on Lane's Vanguard team are Alen Bahret, Bob Barber, Margaret Bayless, Joan Benz, Mary Brau, Dennis Gilbert, Cheryl Kempner, Patti Lake, Jerry Moskus, Stephen Pruch, Adrian Rodriguez, Mike Rose and Mary Spilde. The president appointed the team based on specific league guidelines. The other Vanguard colleges are Cascadia Community College (Wash.), Community College of Baltimore County (Md.), Community College of Denver (Colo.), Humber College of Applied Arts and Technology (Ontario, Canada), Kirkwood Community College (Iowa), Madison Area Technical College (Wis.), Moraine Valley Community College (Ill.), Palomar College (Calif.), Richland College (Texas), Sinclair Community College (Ohio), and Valencia Community College (Fla.). For more information, check the Web at [http://www.league.org/league/projects/lcp/lcp\\_selection.htm](http://www.league.org/league/projects/lcp/lcp_selection.htm) . Joan Aschim, IA, Ext. 2591.

#### LANE'S NIGHT AT THE EMS A GREAT CHANCE TO MINGLE

Baseball season has begun! Let's join together and celebrate summer at the ballpark. The 9th Annual LCC night at the Ems is scheduled for Wednesday evening, Aug. 9. Dinner starts at 5:45 p.m.; the game begins at 7 p.m. Enjoy a fun-filled evening at the Civic Stadium as the Eugene Emeralds baseball team takes on the Salem-Keizer Volcanoes. Come and join fellow Lane co-workers, family and friends at the First Base Cafe for an "All-you-can-eat-and-drink" barbecue, that includes chicken sandwiches, hamburgers, hot dogs, soft drinks and beer preceding the game. Gardenburgers are also available on request (in advance). Make your reservations now by paying \$17 per person at College Finance. The account number is 101-541-8017-000000-4610. Box seats may be purchased for an additional \$3 per person. Please return a copy of your receipt with names of the participants to Gloria Vanderhorst, Office of Instruction and Student Services, or Alen Bahret, Computer Services. Registration deadline for the picnic and game is Monday, July 31. This event is co-sponsored by LCCEF and the Classified Professional Development Team. Additional questions regarding the evening's events can be directed to Gloria Vanderhorst, Ext. 2308, or Alen Bahret, Ext. 2247.

#### CREDIT UNION ACCOUNT ESTABLISHED FOR JENNIFER STANIAK

Jennifer Staniak, who works at the LCC Downtown Center front counter, will be having surgery this summer to donate a kidney to her 10-year-old-son, Branden, who has been diagnosed with polycystic kidney disease. Jennifer has been going to Portland for tests for both her and Branden, and will be going for further visits until she has surgery in mid-August. She will need to stay in Portland for at least a month after the surgery, and the family will need to rent a place for Jennifer, Branden and their caretaker. This ordeal is running up a huge financial tab. An account has been established at Selco Credit Union in Branden Shaw's name. If you would like to help them, you can make a donation at any Selco branch, and specify that it's for the Branden Shaw donation account. If you have any questions, please call Deb Lamb, Ext. 2915. Thank you.

#### ADDRESS CHANGE FOR JIM PITNEY LEARNING CENTER AT JUNCTION CITY

The address of the Junction City Center has been changed by the city of Junction City to 505 Maple (from 325 Maple). Contact: Debra Lamb, Ext. 2915.

#### MORE SUMMER OFFICE HOURS

The College High/Tech Prep office will be open only on Tuesdays from 8 a.m. to 12 p.m. Delna Coe will be in the office at that time. Judith Gabriel will return and hold regular office hours beginning Monday, August 21.

## THIS WEEK

\* FOR A FULL CALENDAR OF EVENTS at Lane, check the online college calendar at <http://206.98.102.225/LCC/events.phtml?show=week> . For more information about the calendar, contact Therese Picado, Ext. 2060. (See EVENTS AND MEETINGS CALENDAR REVS UP story about new calendar below.)

## BOND UPDATE

**HYLAND WASTES NO TIME MOVING ON LTD PROJECT.** In order to provide Lane with an operable bus station in time for the beginning of fall term, Hyland Construction and Facilities Planning & Management staff are already making significant progress with site preparation: Construction fencing is up, pedestrian pathways are established, and significant amounts of concrete and asphalt paving are being removed. Once all necessary pavement has been removed, contractors will begin establishing grades for foundational gravel work. Construction on the LTD project has required that all or portions of the lighting in the west parking lot (LOT B) will be out until Sunday, July 30.

**BIDS FOR SITE PREPARATION OF WORKFORCE TRAINING CENTER WILL OPEN AUGUST 4.** In the near future, work on the area directly west of the Apprenticeship building will undergo site preparation for the Conference Center portion of the Workforce Training Center. The staging area for the site preparation will be Lot E, better known to most college employees as the lot adjacent (south) to the Apprenticeship building. During all phases of construction on the Workforce Training Center, ADA parking spaces currently located in Lot E will be temporarily relocated directly west, toward the Childcare facilities, and across Gonyea Road to Lot D. The first eight slots on the south side of Lot D will be designated ADA spaces for the duration of the Workforce Training project. Due to upcoming Workforce Training construction, bids have recently gone out for development of a temporary sidewalk on the south side of Lot E. The sidewalk will provide a route from the west parking lots to the central campus area. From Gonyea Road, the sidewalk will run parallel to Lot E, past the Workforce Training Center staging area, and join the existing path that runs down from the south parking lot past the Forum building. Upon completion of the Workforce Training Center project, Lot E will reopen with ADA slots reestablished.

**PLAN AHEAD FOR WEST SIDE CONSTRUCTION!** When site preparation begins on the Workforce Training Center, construction activities will encompass the majority of the west side of Lane's main campus until shortly before the beginning of fall term. Prior to completion of the LTD project in September, traffic directional changes, restrictions or closures of parking lots, and rerouting of pedestrians on the west side will require patience and caution. Please consult the bond Web site for maps that show closures, restrictions, drop-off/loading areas, and access routes during construction. (Maps can be found at the bond site by clicking on "West Side Traffic Alert" located at the top of the bond home page.) Remember, parking lots on the north, east and south sides of campus have ample parking during summer term, as well as direct routes into the main area of campus.

**SLIGHT MODIFICATIONS TO TRAFFIC DIRECTIONALS ON WEST SIDE.** Campus Public Safety has mandated that vehicles no longer have the option to make any U-turns on Gonyea Road at the point where Gonyea enters LCC property, due to hazardous situations that have occurred with the modification of traffic patterns on the west side. Moreover, the official loading/drop-off zone in Lot B during LTD construction is between the larger section of the lot and the smaller portion adjacent to the former Childcare modular. Barricades have been positioned at the drop-off area to insure safety of pedestrians.

## REMODEL OF CENTER BASEMENT SCHEDULED TO BEGIN

**THIS WEEK.** Currently, demolition activities in the basement of the Center building are underway. Facilities Management & Planning staff are working to redefine space within the Center basement that was formerly occupied by Printing/Graphics. Remodeling activities will produce two temporary, general use classrooms plus office space for the Culinary Arts program. While not part of official bond remodeling that will take place, current construction in the basement will allow practical use of significant space until official bond work begins. Completion of the current remodel project is scheduled for September, prior to the beginning of fall term.

REMODEL OF FORMER DAYCARE MODULARS TO PROVIDE NEEDED SPACE DURING BOND CONSTRUCTION. Current demolition activities by Facilities Management & Planning staff at the former infant daycare modular will supply the Culinary Arts program with an area for the demonstration kitchen and a classroom. Remodeling activities at the ASLCC Co-op modular will provide temporary classroom space. Work on both modulars is scheduled for completion prior to fall term.

DEMOLITION WORK IS UNDERWAY IN HEALTH TECH FACILITIES at the former sites of the Child Development Center, Early Childhood Education and the Culinary Arts program. Collaborative discussions between Lane's trades, Essex Construction, and sub-contractors regarding plumbing, electrical, and HVAC systems are currently underway. Special thanks are extended to Ted Smouse for his help in moving the large, obsolete washers out of the old Laundry Services area.

INTERIOR REMODELING OF SCIENCE BUILDING ON TARGET. Work within the Science building is progressing at a rate that will allow occupancy before commencement of classes this fall. Already, completion of sheet rock and texturing in some areas has allowed contractors to begin painting. Floor coverings should be installed next week. Thanks to the contractor's achievements, several rooms should be finished and ready for occupancy in approximately two to three weeks. Brick is being installed on the north face of the west addition. Infrastructure continues to be established on both the first and second floors.

STUDENT SERVICES GAINS GREATER DEFINITION as Lane's "FRONT DOOR" with the erection of curved steel and barrel trusses. Steel studwork progresses on the sides of building. The remainder of the second floor slab has been poured. Installation of infrastructure on both floors continues.

CHILDCARE OCCUPANCY WAITING ON COMPLETION OF ALL ASPECTS OF FIRELANES. Lane's landscaping staff are working to establish a subsurface in the main fire lane access route that will not only be able to support the weight of fire equipment, but provide a suitable base for ground covering. Tricycle paths have been poured at each of the four buildings. Cabinetry continues to be installed in Childcare No. 3. The fire alarm system and cabinetry are being installed in Childcare No. 4. Work on floor covering work is complete.

FOR MORE INFORMATION about bond construction projects, call Nancy Nichols at Ext. 2027, or e-mail [bond@alnecc.edu](mailto:bond@alnecc.edu), or check the bond Web site at [http://www.edu/campsvcs/ie/ns\\_bond.htm](http://www.edu/campsvcs/ie/ns_bond.htm)

#### EVENTS AND MEETINGS CALENDAR REVS UP

Lane's "Events and Meetings Calendar" now resides on a newer and faster server, and is in for a better ride! Net Solutions, the company that maintains and hosts the calendar, promises enhanced performance from the technological upgrade. As the calendar's entries increased over the years, the calendar became quite bulky, which slowed the downloading of more extensive files, such as the pages that list events for the next two years. To experience the improved performance of the calendar, go to the home page, click on Calendars, then Events and Meetings Calendar, and select the time span or event subject of your choice, or go directly to <http://206.98.102.225/LCC/events.phtml?show=week>. For more information about submitting events to the calendar for your department, contact Therese Picado in Institutional Advancement by e-mail or at Ext. 2060.

#### BASEBALL SEASON HAS BEGUN!

Let's join together and celebrate summer at the ballpark. The 9th Annual LCC night at the Ems is scheduled for Wednesday, August 9. Dinner starts at 5:45 p.m., and the game begins at 7 p.m., at Civic Stadium. Enjoy a fun-filled evening as the Eugene Emeralds baseball team takes on the Salem-Keizer Volcanoes. Come and join fellow LCC co-workers, family and friends at the First Base Cafe for an "all-you-can-eat-and-drink" barbecue including chicken sandwiches, hamburgers, hot dogs, soft drinks and beer preceding the game. Gardenburgers are also available on request (in advance).

Make your reservations now by paying \$17 per person at College Finance. The account number is 101-541-8017-000000-4610. Box seats may be purchased for an additional \$3 per person. Please return a copy of your receipt with names of the participants to Gloria Vanderhorst, Office of Instruction and Student Services, or Alen Bahret, Computer Services. Registration deadline for the picnic/game is

Monday, July 31. This event is co-sponsored by LCCEF and the Classified Professional Development Team. Additional questions regarding the evening's events can be directed to Gloria Vanderhorst, Ext. 2308 or Alen Bahret, Ext. 2247.

#### PRINTING DEADLINE REMINDER

Instructional packets and books needed for fall term classes should be submitted to Printing/Graphics by Friday, August 11. Materials needed for the first day of fall term should be submitted by Monday, September 18. Questions? Call Vicki Miller, Printing and Graphics, Ext. 2373.

#### FREE SPEECH PLATFORM SEEKS MEMORABLE QUOTES

Lane has been invited to be a part of the Wayne Morse Free Speech Platform, which will be dedicated Friday, October 20, Morse's 100th birthday. The college name will be engraved in granite along with a quotation of our choice that supports the value of education as it pertains to free speech. Unfortunately we have very little time to solicit your ideas, as we need to submit our quote by the end of the month. Please send us a quote you feel would best represent Lane's commitment to free speech by responding to this e-mail before 5 p.m. on Friday, July 28. The quote can contain up to 400 characters (including spaces). The Executive Leadership Team will review the submissions and make a decision on Monday, July 31. Contact: Tracy Simms, Ext. 2889, or [simmst@lanecc.edu](mailto:simmst@lanecc.edu).

#### LANE INSTRUCTORS NAMED RECIPIENTS OF EDUCATOR AWARD

Jean Names and Bill Klupenger of Lane's Small Business Management Program are recipients of the Year 2000 Outstanding Conference Workshop Awards, as a result of presenting and developing a workshop called Best Practices for Counseling Business Owners to business educators at the United States Association for Small Business and Entrepreneurship (USASBE) national conference. "We are very fortunate to have instructors of this caliber in our association, and your local business community undoubtedly has benefited greatly from their dedication and efforts," writes USASBE Vice President Jim Entler in his letter informing President Jerry Moskus of the awards.

#### LANE'S REUSABLE OFFICE SUPPLY EXCHANGE OPEN FOR BUSINESS

The Exchange is a new Lane program that offers staff and student groups the opportunity to send their surplus office supplies to Lane's Recycling Services for reuse by other departments. Staff and student groups are encouraged to browse the inventory on the Web at <http://www.lanecc.edu/recycle/rose.htm>. Those who are retiring and cleaning out their offices are encouraged to send their old supplies to the Exchange. New employees coming on board are invited to come in and look at the inventory before they make a Boise Cascade order. The exchange already has a lot of great items such as hanging file organizers, tons of hanging and manila file folders, and even some unopened items like a box of transparencies. For more information, call Jennifer Hayward at Ext. 2099.

#### NOS TASK FORCE UPDATE

Work on the new e-mail system, Groupwise, is proceeding on schedule. We have in excess of one hundred users as part of the test pilot program. The initial feedback has been quite positive. Be sure to check the NOS homepage at <http://www.lanecc.edu/nos/index.htm> for ongoing updates. The latest of these are:

\* On Mondays and Fridays, Charlie Patterson will be available at Ext. 2192 to answer questions regarding saving messages and exporting your address book.

\* When you are saving your messages from Beyond Mail and you encounter an error message, you will need to close Beyond Mail and reboot your machine. Also, the last group of messages you were saving will not be complete and you will need to save that group again.

As always, we welcome your constructive comments, which can be sent to [newemailinput@lanecc.edu](mailto:newemailinput@lanecc.edu). Contact: NOS Task Force, Ext. 2192.

#### LCC DIVERSITY PLAN 2000: A CALL FOR CAMPUS DIVERSITY DATA AND INFORMATION

A committee has been convened to update Lane's 1995 Diversity Plan. The committee is currently in the process of gathering data and information as it relates to the following areas: recruitment and retention of students and staff; training and development; lesbian, gay, bisexual and transgender issues; disability issues; accessibility and accommodation; curriculum; gender equity issues; language competence; cross-cultural competence; community outreach and networking; leadership and commitment; and campus climate. If you have any information or current data (surveys, departmental policies, program info, etc.) that you think would be pertinent to this process, please e-mail [diversityplan@lanecc.edu](mailto:diversityplan@lanecc.edu) or contact Jason Mak in AA/D/EO, Ext. 2040.

#### EVENING CREDIT AND NON-CREDIT PROGRAMS AVAILABLE FOR 2000-01

In a recent survey of Lane county residents, 73 percent responded that they would like to take classes on weekday evenings, and 57 percent would prefer classes held on Saturday. Although Lane has consistently offered a large number of classes on evenings and weekends, it has been difficult for students to complete an entire program. This fall, Lane is offering 17 credit and 18 non-credit programs evenings and in some cases, in combination with weekend classes. The courses will be delivered through a variety of methods including classroom, online, telecourses and TBA (to be arranged). An Annual Evening Schedule of Classes by Program is now available at the college's home page through Classes and Programs. Please take a moment to familiarize yourself with the Web site and encourage prospective students to do the same: <http://www.lanecc.edu/cs/schedule/evening.htm> .

#### INNOVATIONS 2001 - CALL FOR PROPOSALS

Innovations 2001 is a conference dedicated to improving student and organizational learning through innovation, experimentation and institutional transformation. Attending will be the most energetic professionals in community colleges as they come together to showcase their model programs, share lessons learned, and look to the future by exploring innovations in: learning and teaching; leadership and organization; workforce preparation and development; student services and activities;

basic skills and developmental education; and vendor solutions and demonstrations. Proposals to present forums, roundtable discussions; or Learning Center courses at Innovations 2001 may be submitted in electronic or written form as follows:

\* Submit on-line proposals at [www.league.org](http://www.league.org) .

\* Or submit written proposals to Traci Hassett, Innovations 2001 Proposal, League for Innovation in the Community College, 26522 La Alameda, Suite 370, Mission Viejo, CA 92691, (949) 367-2884. Faxed proposals cannot be accepted. Proposals must be received by Sept. 5, 2000. To obtain a Call For Proposals brochure, contact Addie Lou Thomas, Ext. 2120, 2nd floor Admin.

#### TRAVEL OPPORTUNITY TO VICTORIA, B.C. COMING IN SEPTEMBER

The Classified Professional Development Team and the LCCEF will co-sponsor a self-supporting trip to Victoria, B.C. over the Labor Day weekend (in September), thanks to the organizational skills of Gloria Vanderhorst and Alen Bahret. Past travelers have visited the fabulous Bouchart Gardens, museums, galleries, shopping centers and other tourist sites of the city. Last year, there was an excellent jazz festival happening, accompanied by sunny weather. A favorable exchange rate allowed extra mileage on purchases. Cost last year was approximately \$200 for transportation, motel and ferry. Start saving now for this fall adventure and watch The Daily for plans as they emerge! JULIE A BAKER@T-D\_MA@LCC .

#### INTER-CAMPUS MAIL REMINDER

When sending items through inter-campus mail, please use last names on the envelopes. In our department we have several people who share the same first names, so when last names aren't used, each piece of mail must be opened to determine to whom it goes. Kay King, Family & Health Careers, Ext. 2619.

#### THANKS

Many thanks to Ray Smith of Computer Services, Casandra Rhay of Student Records, and Chris Cunningham of Institutional Advancement, for hours of brainstorming and data and word processing necessary to get the LCC graduate list published in The Register-Guard. The Register-Guard ran the list on July 8. Substantial work is required to transform the list from its institutional form into a format acceptable to the newspaper, and to solve transmission quirks in the two organizations' e-mail systems. - Joan Aschim, IA, Ext. 2591.

#### FACILITIES: FEES PROCEDURE HAS BEEN REVISED.

A couple of revisions have been made to the fees for main campus spaces, which is a segment of the Facilities: Fees procedure. <http://lanecc.edu/cops/fees.htm> reflects these revisions. Contact: Tracy Simms, Ext. 2889.

#### MORE SUMMER OFFICE HOURS

The College High/Tech Prep office will be open only on Tuesdays from 8 a.m. to 12 p.m. Delna Coe will be in the office at that time. Judith Gabriel will return and hold regular office hours beginning Monday, August 21.

#### LEARNING COMMUNITY COORDINATOR POSITION AVAILABLE

Faculty are invited to apply for the Learning Community Coordinator position by sending a letter of application to Susan Swan, English, Foreign Language & Speech Division, no later than Thursday, August 3. For a job description or more information, e-mail Susan at [swans@lanecc.edu](mailto:swans@lanecc.edu) , or call her at Ext. 2420.

#### THE FOLLOWING OPENINGS ARE AVAILABLE TO LCC CLASSIFIED BARGAINING UNIT EMPLOYEES WORKING .500 FTE OR MORE:
