## KUDOS

Duane Partain, instructor/coordinator of the Culinary, Food Service and Hospitality Program, has been appointed to serve a term as trustee of the Oregon Restaurant Education Foundation. Foundation volunteers help develop products and services for hospitality operators, and work with industry to support high quality training and workforce development.

## BOND UPDATE

SCIENCE FACULTY AND STAFF PLEASED WITH REMODEL. No longer housed in temporary quarters or classrooms, Science personnel are happy to be settling into newly remodeled areas that are the culmination of many months of dedicated design development. While some staff are in temporary offices until the west addition is completed, attitudes are positive as students fill classrooms that directly reflect the needs and desires of Science personnel. With remodeling activities completed, tremendous activity is taking place in the West Addition. It seems sub-contractors are everywhere on the second floor! Work centers on mechanical and electrical work since interior framing is all but complete. The north side of the first floor, or the side closest to the Forum, is completed to the point that ceiling grid can be installed. Ceiling work will commence as soon as taping, texturing, and painting are completed on the south portion of the addition. Once ceiling grid is installed on the first floor, carpet and tile will be laid. Interior framing of labs is finished in the South Addition. It is still anticipated that the labs will be available for classes during winter term. The East Addition, which will provide much needed storage space, is having drywall hung. This addition should be completed by mid-November. The sidewalk that runs on the south side of the Science/Math Addition will be poured this week.

LTD BUS STATION A HIT. As promised, the new bus station was operational for the beginning of fall classes. Buses are running on time and multiple bays designating differing routes clearly display bus schedules. While waiting for their buses, students are already congregating under the shelters and enjoying the company of fellow travelers at the sitting wall. The permanent stop is providing an attractive and practical gathering spot from which riders enter and leave Lane main campus. Currently, brick masons are working on various aspects of sign holders and the clock tower. It is anticipated that the clock tower and permanent roofs for the shelters will be completed this coming January.

**CHILDCARE FACILITIES OPEN DOORS FOR CLIENTS.** Although getting the three remaining Childcare facilities on line for the beginning of fall term went down to the wire, staff and instructors were able to open their doors for children and parents the first day of classes. The fully operational facilities will have work begin on permanent fencing on October 10. Landscaping work continues with the focus on irrigation work. Future landscaping work will include seeding of grass, planting of trees and shrubs, and development of a 'dry' creek bed.

**HEALTH TECH REMODEL CLEARS HURDLE OF MAJOR DISRUPTIONS.** If there was a report card for undergoing intense upgrading activities, the residents of the Health Technology building most certainly earned an "A" for the month of September. Electrical and water shut downs coupled with noisy seismic work could be viewed as a necessary major exam that had to be completed before the start of fall term. With the majority of major disruptive activities behind them, residents are more than able to conduct classes and regular activities as remodeling work continues. Currently, interior wall framing is fifty percent complete. Concrete pouring is finishing up this week. LCC painters will postpone painting of installed seismic structures until winter.

**STUDENT SERVICES BUILDING GETS A SHOWER.** Although brick on the Student Services building looked good two weeks ago, recent pressure washing activities have left the exterior surface looking great. Perhaps you've noticed the large two-story window frames that are on site. The frames will be positioned on the four exterior walls this week with glazing, or the installation of window glass, following shortly. Drywall continues to be installed on the first floor. The second floor has approximately eighty percent of wall framing complete.

**OCTOBER 9 ANTICIPATED COMPLETION DATE OF MODULARS.** While the basement of the Center building is complete, providing offices for Hospitality personnel and general use classrooms, remodeling activities continue on Modulars #30 and #31. Modular #31, which will house the Culinary Arts Demo Kitchen is scheduled for completion by October 4, providing time for staff to prepare for classes on the 10th. LCC trades are working towards an occupancy date of October 9 for Modular #30, which will house Hospitality and Business and Industry Services.

**MIKE HOPINKSON REJOINS MANAGEMENT TEAM.** With buildings going up and site preparation being dug down, it is often easy to overlook a significant aspect of what bond monies are providing: new furnishings. The substantial task of seeing that newly constructed areas are provided with appropriate and useful furnishings will now be coordinated by Mike Hopkinson. Previously, Mike worked as a Communications Specialist for the Bond Project Management Team. With the knowledge and understanding developed in his previous position and his years of experience as an instructor here at Lane, Mike is well prepared to step into the position of Furnishings Coordinator.

**UPDATED MAP SHOWS CURRENT RESTRICTIONS.** A global map displaying current restricted areas on LCC's main campus is now available at the bond web site. Access the map at the 'Alert' section located at the top of the bond home page.

**A REPORT FROM GROUNDSKEEPER FRANK DRENGACZ** will be published in tomorrow's Daily. Don't miss it.

**FOR MORE INFORMATION ON BOND ACTIVITIES,** contact Nancy Nichols at extension 2027, or e-mail [bond@lanecc.edu](mailto:bond@lanecc.edu), or check out the bond web site at [http://lanecc.edu/campsvcs/ie/ns\\_bond.htm](http://lanecc.edu/campsvcs/ie/ns_bond.htm).

#### COMING OUT IS COMING UP

National Coming Out Day will be celebrated Wednesday, Oct. 11. Call Susan Matthews at Ext. 2276 for more information.

#### NEW COLLEGE BROCHURE IS READY

Lane's new recruitment brochure is finished and available for distribution. This brochure has been completely rewritten and redesigned and provides an introduction to the college and an overview of college programs and services. It's colorful, informative, and it also fits nicely into a standard No. 10 envelope. For copies, contact the Students First! Center or Institutional Advancement. Contact: Daniel Moret, Ext. 2268.

#### TRAINING REQUIRED TO CHAIR A HIRING COMMITTEE

Planning to chair a hiring committee this year? If so, you must have completed the Hiring Process Training. Training & Development has designed a time configuration to meet faculty needs better, changing the two-full day format into four half-days, all on Fridays. You can complete the series in four

Friday mornings or four Friday afternoons, or a combination, but they do have to be done in order, so it's a commitment to attend four Fridays in a row for four hours -- each time. The series begins on Friday, Oct. 6. Register at Ext. 7775. Seating is limited to 35 participants per session. Questions? Contact Julie Baker, Ext. 2199.

Guests are invited to attend and participate. For information contact Steve Candee at Ext. 2188.

## FROM THE GROUNDS UP

*A report from groundskeeper Frank Drengacz:*

This month I would like to discuss the plant loss due to construction that will start with the most visible, the London Plane trees at the new bus stop. Originally, all the trees were going to be saved. Then the unforeseen began to happen. The soil cut to accommodate the new sitting wall needed to be extended. This cut would impact six of the smallest trees. The finish cut would be within approximately 2-3' of the trunks. This would severely stress these trees. Healthy trees would weather the storm. These smaller trees were suffering though. I suspect they were infected with a root disease called anthracnose. With this disease it is only a matter of time before the trees would need to be removed. The decision was made to remove them now.

During excavation, the existing power for the parking lot was damaged beyond repair ( it wasn't where it was supposed to be). New conduit had to be run from the Health building. The only route for the new conduit was directly in the path of the western most Plane tree. So the tree had to be sacrificed.

It was discovered that a storm drain, nearest the flag pole, had never been connected. The route of the new line would travel through the root zone of the largest Plane tree. I had requested that the new line be tunneled under the root zone. That was researched. It was determined the cost to tunnel under the root zone would be prohibitive. An open trench was dug. There was substantial root damage. There was not enough damage to kill the tree. There was enough damage, to the windward side of the root zone, to raise the possibility that the tree might not survive a significant wind storm. An arborist was consulted. He concurred. Consequently, the tree was removed. If it is any comfort to people, the trunks are going to be used at Child Care for climbing structures.

A new free-standing elevator will be installed by the Business building. A new walk will be constructed around the wood deck between Administration and Business. The plants in those beds were moved to the front of Air Tech.

A new door and sidewalk was installed at the northeast corner of the existing Science building. A daylily and a butterfly bush were in the path of the new walk. These plants were removed. The butterfly bush was about 6' tall. We did not save the butterfly bush because it is an invasive plant. It is starting to cause problems in some parts of Oregon.

Of course, all the trees that have been and or will be removed are going to be replaced. They will not necessarily be replaced with the same varieties. Nor will trees be replanted in the same areas. The quantities to be replanted will be greater than those removed.

Since I am already depressed, I might as well tell you that one of the mainstays of the grounds department is leaving. Angie is moving to the Portland area. She has been a work-study student and part-time worker for about four years. She has been instrumental in all of the improvements of the campus grounds. We will miss her.

#### SCHEDULING OFFICE WELCOMES HEATHER LEE

Please welcome Heather Lee, Lane's new scheduling specialist. Heather began employment on Sept. 1 in the scheduling office. She will be scheduling meetings and events in a few days, after her training is complete. Special thanks to Carol Waterhouse, who did a wonderful job filling in for this position while we were hiring for the position. - Pat John, Academic Learning Skills

#### PERSONNEL WELCOMES DIANE REIBER

Personnel Services and Archives would like to welcome Diana Reiber to Records Management, 012A CEN. Diana's new extension is 2467. Welcome, Diana!

#### CAMPUS MINISTRY WELCOMES BRENT THIELE

Campus Ministry has a new director, Brent Thiele. Brent is the college pastor at Eugene Christian Fellowship. He was one of the campus ministers working at Lane last year and is looking forward to his involvement as director. He can be reached at Ext. 2850.

The ministry helps representatives and students from all faith traditions and denominations to participate in a faith experience on campus. It also aids students in emergency situations with small short-term loans, bus passes, meal tickets, and resource/referral information. During fall term the office will be open 9 a.m.-4 p.m. on Tuesdays, 11 a.m.-3 p.m. on Wednesdays, and 12-4 p.m. on Thursdays. Students can leave a message at the office (Center 242) or on voice mail (Ext. 2850) during closed times.

#### USE STAFF AND DEPARTMENT NAMES WHEN MAILING TO COLLEGE FINANCE

When addressing intercampus mail to College Finance, please include the name of the individual as well as the department name. The department's many areas and staff make it difficult to sort mail addressed only to the department. Thanks. Contact: Darlene Baker.

#### INSURANCE PREMIUMS CHANGE FOR FACULTY

Attention faculty: Many of you have noticed that there has been a change in your payroll deductions for your insurance premiums. OEA had a rate increase that became effective in October. Because October rates are deducted from September's paycheck, the increase shows in this check. The Faculty Insurance Rate Chart is available in the Personnel Office if you would like to take a look at these new rates. Also, please do not forget that it is still open enrollment for Faculty. The last day for making changes is Oct. 13! The effective date for open enrollment is Nov. 1. Please direct questions to Personnel Services at 726-2211.

#### COMPUTER CLASS OFFERINGS FALL TERM FOR STAFF AND FACULTY

All classes are held in CEN 423b and limited to eight participants. To register for a class call Ext. 7775. The schedule is also listed in the LCC online calendar of events at <http://206.98.102.225/LCC/events.phtml?show=week>.

#### UPDATED CAMPUS MAP AVAILABLE

Institutional Advancement, Facilities and Printing/Graphics have worked together to update and improve the main campus map. The map now includes new buildings on campus, accessibility information, building numbers, parking lot designations and buildings under construction.

Please contact Printing/Graphics to order copies or make modifications to the campus map. Shirley Nagy will manage the master file of the campus map, updating it monthly as construction progresses. In order to circulate the latest and most accurate map and provide consistent information to students and visitors, it is imperative that there be one source for the map and that all staff go through Shirley to acquire the most current version of the map. The map can be viewed from the Facilities web page at: <http://www.lanecce.edu/campsvcs/ie/fpo/maps.htm> in two different versions and from a link off of the Locations and Maps web page at <http://www.lanecce.edu/instadv/lanemap1.htm>. IA has a small supply of maps available. For larger quantities, order through Printing/Graphics. Presentation-quality maps are \$0.06/copy for 8-1/2x11 copies (blue ink on smooth, white text) and \$0.55/copy for 11x17 copies (black and white poster). Black and white copies of the map on basic bond are available for approximately \$0.03/copy for 8-1/2x11 and \$0.04/copy for 11x17. Contact: Therese M Picado, IA, Ext. 2060.

## SCHOLARSHIP WORKSHOP FOR STUDENTS AND COMMUNITY MEMBERS

Career & Employment Services (CES) will present a scholarship workshop on Thursday, Nov. 16, from 4-5:30 p.m. in FOR 309. This workshop will feature the Oregon Student Assistance Commission scholarship packet. Two coveted awards that will be covered are the Ford Opportunity Grant and the Ford Scholars Scholarship; both pay 90 percent of a four-year degree.

Students will also hear a brief overview of how to research programs using print materials and computer databases, prepare application materials, "sell" themselves in essays, and compile a scholarship portfolio. Many scholarships for the 2000-2001 academic years have application deadlines from January-March. Now is a good time for students to understand the process and available resources.

Workshop seating is limited. Come to CEN 210 and sign up or call 726-2217 after Oct. 15. If you get voice mail please tell us you want to RSVP for the scholarship workshop and leave your name and phone number. For more information contact Geri Meyers at Ext. 2296.

## MORE EMPLOYEE APPOINTMENTS

\* Colleen Cairney was appointed apprenticeship coordinator in Cooperative Education, effective July 1.

\* Barbara Thorson was appointed administrative coordinator for English, Foreign Language and Speech, effective August 21.

\* Merrill Watrous was appointed coordinator in Cooperative Education, effective August 31.

Check yesterday's Daily for more personnel announcements. Readers are invited to submit items announcing new employees anytime. E-mail submissions to [daily@lanecc.edu](mailto:daily@lanecc.edu) .

## GUESTS WELCOME AT BALLOT MEASURE INFORMATIONAL MEETING

Ballot measure information will be presented at the Political and Governmental Action Team (PAGAT) meeting on Thursday, Oct. 5, from 7:30-9 a.m. in the Boardroom. Guests are invited. If you would like to attend, contact Steve Candee, co-chair of PAGAT and legislative/political chair of LCCEA, at Ext. 2188.

## NEW SERVICES AT THE LIBRARY

In case you hadn't heard... the Library has expanded its services. Subscriptions to several new online databases have been added. The EBSCO databank is a collection of full-text articles and abstracts from thousands of journals, newspapers, reference books, and source documents of academic, business, health, professional and general interest. Another new online database is the Grove Dictionary of Art, containing 45,000 articles on all aspects of the visual arts. Other full-text databases include SIRS Knowledge Source on critical social issues and the Oregonian.

This year, the Library will be circulating its video collection. Videos which have not been reserved for instructional use may be checked out by students and staff for seven days. Visit the library's home page at <http://www.lanecc.edu/library/library.htm> for further information about these and other educational resources and services, or call the reference desk at Ext. 2355.

Lane employees are eligible for free library privileges. To check out books, videos and other materials, and access the library's subscription databases from home, you only need to register at the Circulation Desk of the Library, second floor Center Building. We hope to see you soon. -- Nadine Williams, Library Director

#### LAST CALL FOR HIRING PROCESS WORKSHOPS

A few spaces remain in the Hiring Process workshops set to begin Friday, Oct. 6. The former two-day training has been reconfigured into four four-hour modules. Module I will be offered Friday, Oct. 6 from 8 a.m.-noon or 1-5 p.m. Staff may register for morning or afternoon sessions on voice mail box 7775. Questions? Contact Julie Baker, Ext. 2199. This training is mandatory for hiring committee chairs and recommended for committee members.

#### NEW EMPLOYEE ORIENTATION OCTOBER 11

New Lane employees are invited to attend the fall term new employee orientation on Wednesday, Oct 11, from 11 a.m.-2 p.m., in the Boardroom. We will meet the president and vice presidents, get to know about LCC and each other, have lunch, and learn about communications at Lane. To make your reservation, phone voice mail box 7775. Questions? Contact Julie Baker, Ext. 2199.

#### FALL INFORMATIONAL SERIES FOR NEW EMPLOYEES

This year we are piloting an informational series designed for new employees, and open to all interested staff. Each Wednesday from 3-4 p.m. in CEN 420 we will feature a presenter with in-depth information on the topic in question so new staff have a chance to get to know other new staff and learn about various services for students/staff at Lane. Sessions will include: Privacy Act/FERPA, Oct. 18; Sexual Harassment, Oct. 25; Purchasing Processes and Issues, Nov. 1; Public Safety and Medical Emergencies, Nov. 8; Student Conduct Code, Activities, Clubs, Nov. 15; Disability Services, Nov. 22; and Substance Abuse, Nov. 29.

New employees will be introduced to Lane staff at the Employee Recognition Gala on Dec. 6 from 3-4 p.m. in the main campus cafeteria. Check the Staff Training Calendar for a constant update of trainings and workshops. Julie Baker, T&D.

#### "SHAKESPEARE BY DAYLIGHT" PERFORMANCE/LECTURE TO BE HELD

Graham Christopher, an education actor at Shakespeare's Globe Theatre, will appear on Wednesday, Oct. 25 from 7-8:30 p.m. in the Blue Door Theater. The free event is sponsored by Performing Arts and Student Activities.

The Globe Theatre was rebuilt and occupies a riverside site opposite St. Paul's Cathedral in London. It offers a theatrical experience as close as possible to that enjoyed by the audience of Shakespeare's time. Graham's workshops and talks have engaged student groups of all ages at the Globe for the last six years. Globe Education aims to enhance the understanding of Shakespeare's plays as scripts to be played and heard rather than texts to be read.

The performance lecture draws on Graham's skills as an actor, to describe the rich experience of being in the Globe, and the unique relationship between audience and player. Using some of his favorite speeches from Shakespeare and elsewhere, Graham examines the challenges of "daylight playing" where the audience is seen by the actor. Is the quest for 'emotional truth' as described by Stanislavski then compromised for the modern actor? Graham has actors play small segments of a Shakespeare script, as if it were for a performance in the Globe. His style is engaging and often funny as he tends to assume the characters he describes. He teaches how to relish Shakespeare's language so that it speaks for itself. For more information contact Sparky Roberts, Ext. 2648.

#### ACTORS' WORKSHOP OFFERED

On Tuesday, Oct. 24, from 4-6 p.m., Graham Christopher will conduct an actors' workshop in the Blue Door Theater. The workshop is limited to 30 participants, with Lane students given preference. Those interested in trying a wee bit of Shakespeare in the style of "Daylight Playing" that Graham teaches must sign up with Patrick Torelle, Ext. 2648, by Friday, Oct. 20, after which available spots will be filled from the local community of actors.

#### USE STAFF AND DEPARTMENT NAMES WHEN MAILING TO COLLEGE FINANCE

When addressing intercampus mail to College Finance, please include the name of the individual as well as the department name. The department's many areas and staff make it difficult to sort mail addressed only to the department. Thanks. Contact: Darlene Baker.

#### INSURANCE PREMIUMS CHANGE FOR FACULTY

Attention faculty: Many of you have noticed that there has been a change in your payroll deductions for your insurance premiums. OEA had a rate increase that became effective in October. Because October rates are deducted from September's paycheck, the increase shows in this check. The Faculty Insurance Rate Chart is available in the Personnel Office if you would like to take a look at these new rates. Also, please do not forget that it is still open enrollment for Faculty. The last day for making changes is Oct. 13! The effective date for open enrollment is Nov. 1. Please direct questions to Personnel Services at 726-2211.

## ALTERNATIVE HEALTH EXPERT TO SPEAK

Dr. Partap S. Chauhan of India, an expert on original Ayurveda medicine and science originating from ancient Vedic scriptures, will speak on Thursday, Oct. 19, at 7 p.m., at the Downtown Center, Room 202. The free lecture is sponsored by Lane's MultiCultural Center.

Chauhan is an international lecturer, educator and author. He co-founded the Jiva Institute of Vedic Science and Culture and heads the Jiva Health Wing and Ayurvedic Research Institute. He practices Ayurveda and is a long-time student of Kaviraj Nanak Chand Sharma who is accepted worldwide as an authority on Ayurveda. Dr. Chauhan established the Online Health Center at <http://www.ayurvedic.org> and offers online Ayurvedic study. The online courses have been taken by over 800 students.

Ayurveda is not merely a system of medicine dealing with physical health but a way of life dealing with mind, senses and soul, say the sponsors. The essential philosophy of Ayurveda is to maintain a natural harmony in the body as well as the universe. Eternal and practical principles applicable to everyday life which maximize health and well-being and can play major role in building a healthy, peaceful and happy society.

For more information about Dr. Chauhan's stay in Eugene contact Shivraj Khalsa at (541) 344-4937 before 9 p.m. or e-mail [ajeet@rio.com](mailto:ajeet@rio.com).

#### ANTI-COLUMBUS DAY TO BE OBSERVED

The Multi-Cultural Center will acknowledge Anti-Columbus Day on Monday, Oct. 9 from 10 a.m.-1 p.m. in the cafeteria. This is a day of solidarity with the indigenous people of the Americas. When Columbus came to these shores he brought with him disease and slavery and took land and gold. The Native American Student Association will have a table from noon-1 p.m. Frank Merrill will have a drumming circle as a blessing and for protection. Call Susan Matthews at the Multi-Cultural Center for more information, Ext. 227

#### UPDATED CAMPUS MAP AVAILABLE

Institutional Advancement, Facilities and Printing/Graphics have worked together to update and improve the main campus map. The map now includes new buildings on campus, accessibility information, building numbers, parking lot designations and buildings under construction.

Please contact Printing/Graphics to order copies or make modifications to the campus map. Shirley Nagy will manage the master file of the campus map, updating it monthly as construction progresses. In order to circulate the latest and most accurate map and provide consistent information to students and visitors, it is imperative that there be one source for the map and that all staff go through Shirley to acquire the most current version of the map. The map can be viewed from the Facilities web page at: <http://www.lanecc.edu/campsvcs/ic/fpo/maps.htm> in two different versions and from a link off of the Locations and Maps web page at <http://www.lanecc.edu/instadv/lanemap1.htm>. IA has a small supply of maps available. For larger quantities, order through Printing/Graphics. Presentation-quality maps are \$0.06/copy for 8-1/2x11 copies (blue ink on smooth, white text) and \$0.55/copy for 11x17 copies (black and white poster). Black and white copies of the map on basic bond are available for approximately \$0.03/copy for 8-1/2x11 and \$0.04/copy for 11x17. Contact: Therese M Picado, IA, Ext. 2060.

#### CLASSIFIED IN-SERVICE DATE CHANGE

Please change your calendars for the classified fall in-service from October 26 to October 24. The site and program will be announced at a later date. The college will not be closed. Classified staff will have the option of a morning or afternoon session to allow offices to remain open, so all classified staff may attend. Contact: Julie Baker, T&D.

## GROUPWISE MAINTENANCE SCHEDULED

On Saturday, Oct. 7, the GroupWise e-mail system will be unavailable from 8 p.m. until after midnight. This will affect GroupWise users on LCC campuses and remote GroupWise Web Access users. The purpose of the outage is for necessary server maintenance. We apologize for any inconvenience this may cause. – Computer Services

## BOND UPDATE

SHORT DELAY IN CONFERENCE CENTER CONSTRUCTION PROMPTS EROSION CONTROL. Although architects and engineers are devoting tremendous time to the various bond projects, their heavy work load has required that scheduled construction on the Conference Center portion of the Workforce Training Center be moved back from November 2000 until the beginning of January 2001. In light of the delay, Eugene Sand & Gravel will apply 20 truck loads of gravel to the site prepared for this construction. In addition to the black plastic already in place on the site walls, the rock will promote drainage and prevent erosion during Oregon's notorious rainy season. The new tentative schedule for the Workforce Training Center is as follows:

- November 1, 2000: Workforce Training Center out to bid
- November 30, 2000: Bid opening
- December 8, 2000: Board awards contract
- January 1, 2001: Construction begins
- September 1, 2001: Phase I complete (Conference Center)
- June 1, 2002: Phase II complete (remodel of Apprenticeship)

MODULAR #31, which will house the Culinary Arts demo kitchen, will be operational on October 9. Modular #30, which will provide classroom space for Hospitality and Business & Industry Services, will be ready for classes during the week of October 16.

FROM THE GROUNDS UP (a report from groundskeeper Frank Drengacz). They are bailing on me left and right. I'm referring to my wonderful crew. Angie has gone to Portland, Ben has gone back to school, Marty and James are back to work-study status (3 hours/day). Jared is the only one left. We almost finished the Child Care Complex before school started. The lawn seeding will be done soon, then it's off to the Florence campus. They have been waiting patiently for us to show up. Landscaping the new north building should take about two weeks.

I have been contacted by a group that would like to see regional plants used more extensively on campus. They are putting together an educational package to distribute. I'm not sure how they plan to distribute them. When I learn more, I'll let you know.

If you wander by Child Care, you'll notice the posts have been set for the greenhouse. Next we will start assembling the roof trusses. We won't make much progress until probably December though. The greenhouse will have to put be on hold until Florence and the fall pruning is complete.

Construction on the new Forum elevator should begin about mid-October. One large vine maple will have to be dealt with. Two questions are to be answered if the tree is to be saved. The first is, how many of you weekend warriors will help? Just kidding. The real first question is, after we dig it can we move it? I'm not sure we will be able to maneuver our crane in those tight quarters. Ted, from HVAC, will take a look and see what he thinks. The second question is, can we find a new location that is as sheltered as the current location? I don't think there is such a site on the main campus. The Florence campus may have potential. So if you see a big hole in the ground, by KLCC, but no tree, we have moved it. If you see a stump and no tree, you'll know it just wouldn't work. Hope for the best.

It is time to start hardening-off the plants in your landscapes. Hardening-off is simply reducing new growth. You want to reduce watering. You should also wait till late October before you do your fall application of fertilizer. I'll assume you are using an organic fertilizer.

If you happen to see a young man limping around campus and he looks like he has the weight of the world on his shoulders, it is probably Jared. I think he is a little overwhelmed by what I still want to accomplish in October. I think we will manage though.

Go, Titans! (Frank's report and accompanying pictures can be viewed at the bond web site under Special Highlights.)

FOR MORE INFORMATION about bond activities, contact Nancy Nichols at extension 2027, or e-mail [bond@lanecc.edu](mailto:bond@lanecc.edu), or check out the bond web site at [http://www.lanecc.edu/campsvcs/ie/ns\\_bond.htm](http://www.lanecc.edu/campsvcs/ie/ns_bond.htm).

#### NEW EMPLOYEE ORIENTATION OCTOBER 11

New Lane employees are invited to attend the fall term new employee orientation on Wednesday, Oct 11, from 11 a.m.-2 p.m., in the Boardroom. #### AFRICAN AMERICANS IN HIGHER EDUCATION CONFERENCE

"Missing in Education: The State of African Americans in Higher Education, Our Challenge for the New Millennium," is the theme of the Western Region Council on Black American Affairs annual conference on Oct. 13, 14 and 15 at the Hilton Hotel in Eugene. The featured speaker is Dr. Jwanza Kunjufu, renowned educator, author and president of African American Images Consulting Co. Kunjufu has appeared on the Oprah Winfrey Show and has been featured in Ebony and Essence magazines, among other engagements. Workshops will focus on the theme, careers, the role of corporate partners, student retention, hiring and mentoring, classroom techniques, technology, and teaching. Lane is sponsoring the event. For a brochure and to register, contact Greg Evans at Ext. 747-4501 Ext. 2340, or fax 744-4170, or e-mail [evansg@lanecc.edu](mailto:evansg@lanecc.edu).

#### NEW SERVICES AT THE LIBRARY

In case you hadn't heard... the Library has expanded its services. Subscriptions to several new online databases have been added. The EBSCO databank is a collection of full-text articles and abstracts from thousands of journals, newspapers, reference books, and source documents of academic, business, health, professional and general interest. Another new online database is the Grove Dictionary of Art, containing 45,000 articles on all aspects of the visual arts. Other full-text databases include SIRS Knowledge Source on critical social issues and the Oregonian.

This year, the Library will be circulating its video collection. Videos which have not been reserved for instructional use may be checked out by students and staff for seven days. Visit the library's home page at <http://www.lanecc.edu/library/library.htm> for further information about these and other educational resources and services, or call the reference desk at Ext. 2355.

Lane employees are eligible for free library privileges. To check out books, videos and other materials, and access the library's subscription databases from home, you only need to register at the Circulation Desk of the Library, second floor Center Building. We hope to see you soon. -- Nadine Williams, Library Director

The Beyond High School Network College Faire will be held on Saturday, Oct. 14, from 11 a.m.-3 p.m. in the cafeteria. More than 85 colleges and universities from across the nation will participate in this extravaganza. This is an opportunity for Lane transfer students to obtain valuable information about offerings at other institutions. The College Faire is a one-stop shop for students and parents. Please join us. Contact: Delna Coe, College High/Tech Prep, Ext. 2008.

#### STUDENT PRIVACY LAWS MAY AFFECT YOUR JOB; TRAINING AVAILABLE

Helen Barker Garrett, Lane's new director of Enrollment Services/Registrar, reminds all returning and new faculty and staff to be FERPA savvy. FERPA, the Federal Educational Rights and Privacy Act of 1974, is a federal law protecting student privacy. You should know how the law affects your job and our students. The most common FERPA violation is allowing students to view any other student's ID/social security number. Never post grades with ID numbers, and never pass around rosters with social security numbers. Helen, and Kerri Houghton in Student Records, have put together a traveling FERPA basics workshop, which could be 15 minutes to an hour, depending on your interest. They will come to your staff meetings, in-services, or other occasions. "This is to protect our students privacy and is not meant to deter you from doing your jobs," says Helen. "Its just one more way that we can serve our students well!" To arrange for a training or if you have any specific FERPA questions, contact Helen directly at Ext. 2686.

#### SCHOLARSHIP WORKSHOP FOR STUDENTS AND COMMUNITY MEMBERS

Career & Employment Services (CES) will present a scholarship workshop on Thursday, Nov. 16, from 4-5:30 p.m. in FOR 309. This workshop will feature the Oregon Student Assistance Commission scholarship packet. Two coveted awards that will be covered are the Ford Opportunity Grant and the Ford Scholars Scholarship; both pay 90 percent of a four-year degree. Students will also hear a brief overview of how to research programs using print materials and computer databases, prepare application materials, "sell" themselves in essays, and compile a scholarship portfolio. Many scholarships for the 2000-2001 academic years have application deadlines from January-March. Now is a good time for students to understand the process and available resources. Workshop seating is limited. Come to CEN 210 and sign up or call 726-2217 after Oct. 15. If you get voice mail please tell us you want to RSVP for the scholarship workshop and leave your name and phone number. For more information contact Geri Meyers at Ext. 2296.

## BOND UPDATE

WHERE'D THE OLD LAUNDRY ROOM GO? Work in the Health Tech remodel is progressing so well that steel stud framing has left the former location of Laundry Services unrecognizable. In the most eastern portion of the first floor, a large classroom and multiple offices are now framed out, with sheetrock activity beginning. Cement flooring is now complete in the west half of the remodel, enabling work to proceed on areas that will contain operator, sterilization, and X-ray areas for the dental program. Remodeling activities on the first floor of Health Tech are tentatively scheduled for completion in February 2001.

BORDER AT LOT 'A' PROVIDES EXTRA SPACE FOR NAVIGATION OF BUSES. With the new bus station in operation, it has become apparent that the buses require a little more room to make their turns at the north end of the passageway. In order to better accommodate LTD's buses, a curb and planter at the southern end of Lot A will be removed and replaced with blacktop. While the sidewalk will remain, by removing the curb and planter in Lot A, an adequate turning radius will be established for LTD's buses thereby providing a safer traffic environment for all. In regard to the station itself, benches have been installed under the shelters and trash receptacles positioned along the plaza. Bike racks will be installed shortly.

LANDSCAPING AT CHILDCARE SITE ALMOST COMPLETE. Recently, a pale green seed covering was rolled onto various portions of the area around and within the perimeters of the Child Care facilities. Before long, fall rains will transform the pale covering into new lush grass for the staff and children to enjoy and utilize. On the drawing board for the Child Care site is a landscaped stairway using aesthetically pleasing materials rather than concrete. The stairway will offer access to the Child Care site from parking Lots F-J.

PROGRESS ON STUDENT SERVICES VIEWED BY FUTURE OCCUPANTS. Interior activity on the Student Services building has produced spaces that are clearly defined and developed. Already, walls on the first floor are awaiting texturing and painting. Relight, or windows that span half the height of a wall, are ready for glazing. Electrical work is for all practical purposes complete. The second

floor is shaping up nicely with steel stud framing almost complete. At the main entrance of the building, workers are backfilling around the first stages of concrete work for the plaza. In light of the progress on the building, various departments that will eventually be housed in the Student Services building have recently taken tours of the facility. After viewing the structure from the outside for so many months, it is always exciting for people to see the interior of the building for the first time. While there is still much to be done, with walls and windows defined, people have been able to get a good sense of the new spaces, as well as the spatial relationship of departmental locations. As usual, the camera captured your friends and colleagues from Disability Services, the Women's Center, Counseling, Financial Aid, Testing, Student Activities and the Multicultural Center as they experienced the interior of the building. Pictures of LCC personnel on tour can be viewed on the bond web site at the Student Services project update.

**SOUTH DOORWAY OF SCIENCE/MATH ADDITION A FLURRY OF ACTIVITY.** Since remodeling of the Science building has been completed, construction activity is going full force at the west addition. Perhaps of greatest visual interest at this time is the main entrance to the Science/Math building on the south side of the facility. A curved roof sets above the entrance and provides an interesting skyline under which construction workers are carrying out painting, backfilling, and siding activities. When completed, the southern entrance will welcome students with a vestibule and lobby. Already completed stairways lead from the lobby to the first and second floors. These stairways will be complemented in the near future by an elevator. Multiple windows on the south of the entrance will allow sunlight to spill in while students enter through double doors on both the west and east sides. Even though completion of the addition is tentatively scheduled for March 2001, as with other projects, furnishings and equipment will be moved to the new facility prior to the official completion of the project. While work on the main entrance continues, activity in the south addition is also progressing nicely as steel stud framing defines space for anatomy, biology and microbiology labs, and a staff workroom and the mechanical room.

#### FACILITIES MANAGEMENT COMMITTEE REORGANIZED

This summer, the Executive Leadership Team and the president approved significant changes in the Facilities Management Committee. The committee will be renamed the Facilities Management Team and will have a membership mix of elected representatives and members chosen by virtue of their positions. Members include the vice presidents, the executive assistant to the president, two faculty members selected by Faculty Council, one classified member selected by Classified Council, one classified member selected by the "trades" employees, one manager selected by vote of managers, and one student selected by ASLCC. Non-voting members include the superintendent of Facilities Management and Planning, the bond project manager, the facilities planner, a representative from Curriculum and Scheduling, and an ADA compliance officer. Transition to the new FMT will take place as new members are selected. The FMT will report to the president. Contact: Marie Matsen, Vice President for College Operations.

#### ROAD CLOSURE NOVEMBER 4

The OSAA High School State Cross Country Meet on Saturday, Nov. 4 will cause the closure of Eldon Schafer Drive (East Entrance) between the hours of 9 a.m. and 4 p.m. Gonyea Road (West Entrance) will remain open, however ticket sales will be occurring at that site. If you are working or attending classes that day, please notify the ticket sellers at the entrance. Thanks for your patience and cooperation.

#### CLASSIFIED IN-SERVICE SET FOR OCTOBER 24

Tuesday, Oct. 24 is the day set aside by the Executive Leadership Team for classified fall in-service, per the fall in-service calendar published last spring. Staff may select breakfast and a morning session from 8 a.m.-noon, or lunch and an afternoon session from 1-5 p.m. The program is still under construction. Staff will have a chance to learn about prospective changes at Lane with restructuring, and interact with the president and vice presidents. Meal count is needed by the hotel, so please reserve your spot on voice mail box 7775, and watch The Daily for further information next week! Contact: Julie Baker.

#### WANTED: OUTSTANDING CLASSIFIED EMPLOYEES

The Classified Professional Development Team seeks nominations for Classified Employee of the Month for November. The award is to recognize classified employees who are outstanding in their work at the college. Applications should be received by the end of the day on Friday, Oct. 13. Nomination applications are available in Personnel Services or from Susan Tatar at Ext. 2727.

#### CONFERENCE SET FOR WOMEN OF COLOR IN HIGHER EDUCATION

The 2000 Kaleidoscope Conference will be held in Atlanta, GA, from December 6-10. Kaleidoscope is a national leadership training program for women of color in higher education coordinated by Georgia Perimeter College. Information is available at [www.gpc.peachnet.edu/kaleidoscope](http://www.gpc.peachnet.edu/kaleidoscope). Please submit your application to Miriam Jordan in the Office for Instruction & Student Services. Registration is \$595 (funding requests will be considered). The deadline to submit is November 1.

#### "SHAKESPEARE BY DAYLIGHT" PERFORMANCE/LECTURE TO BE HELD

Graham Christopher, an education actor at Shakespeare's Globe Theatre, will appear on Wednesday, Oct. 25 from 7-8:30 p.m. in the Blue Door Theater. The free event is sponsored by Lane Theater and Student Activities.

The Globe Theatre was rebuilt and occupies a riverside site opposite St. Paul's Cathedral in London. It offers a theatrical experience as close as possible to that enjoyed by the audience of Shakespeare's time. Graham's workshops and talks have engaged student groups of all ages at the Globe for the last six years. Globe Education aims to enhance the understanding of Shakespeare's plays as scripts to be played and heard rather than texts to be read.

The performance lecture draws on Graham's skills as an actor, to describe the rich experience of being in the Globe, and the unique relationship between audience and player. Using some of his favorite speeches from Shakespeare and elsewhere, Graham examines the challenges of "daylight playing" where the audience is seen by the actor. Is the quest for 'emotional truth' as described by Stanislavski then compromised for the modern actor? Graham has actors play small segments of a Shakespeare script, as if it were for a performance in the Globe. His style is engaging and often funny as he tends to assume the characters he describes. He teaches how to relish Shakespeare's language so that it speaks for itself. For more information contact Sparky Roberts, Ext. 2648.

#### ACTORS' WORKSHOP OFFERED

On Tuesday, Oct. 24, from 4-6 p.m., Graham Christopher will conduct an actors' workshop in the Blue Door Theater. The workshop is limited to 30 participants, with Lane students given preference. Those interested in trying a wee bit of Shakespeare in the style of "Daylight Playing" that Graham teaches must sign up with Patrick Torelle, Ext. 2648, by Friday, Oct. 20, after which available spots will be filled from the local community of actors.

## CLASSIFIED COUNCIL MEETS THURSDAY MORNING

Classified Council will hold a work session on Thursday, Oct. 12 from 8-9:30 a.m. in HEA 209. Topics: Endorsement of representatives to presidential search, College Council, Facilities, Budget Advisory and Restructuring (Some slots have interested candidates, others are open); set schedule and areas of emphasis for balance of year; classified contract; strategic plan; safety and joint review committees. Contact: Carroll Barton.

## FACULTY COUNCIL MEETS THURSDAY AFTERNOON

Come learn about how our new faculty contract has changed the role of Faculty Council. Join representatives from across campus and contribute to the creation of the "new" Lane. Faculty Council meetings are the second and fourth Thursdays of every month in the Boardroom from 3-4:30 p.m. Drinks provided. Contact Tamara Pinkas, past chair, for more information, Ext. 2011.

## ENROLLMENT UP

Approximately 17,500 students have enrolled at Lane this fall, an increase of 10.3 percent over last year at the same time. Full-time equivalent (FTE) enrollment also is up, by 4.5 percent, according to second-week reports. Growth is occurring in nearly all programs, including transfer, professional technical, community education, and basic education.

"We're seeing a trend," says President Jerry Moskus. "Community college enrollment used to decline in good economic times as people left school to go to work, but this is changing as we shift from a resource-based to a knowledge-based economy," says Moskus. "The need to upgrade skills is ongoing. Community colleges are convenient, relatively inexpensive, and offer a wide range of options. People understand that learning is the key to a good job and a good life."

Lane is meeting demand by offering more sections of classes, more evening and weekend classes, more telecourses and online classes, and classes at more locations. To pay for the increase in service, the college will have to dip into reserves, says Moskus.

That's what happened last year. Enrollment grew 4 percent in 1999/2000, counting 42,337 individuals by year's end. Lane spent \$1.2 million more than it received in revenues last year to meet this demand.

## FALL WEB UPDATE

Lane has a new web server as of August 2000. Computer Services expected and has seen improved performance and is anticipating enhanced capabilities as features are implemented over the next several terms. One new capability is the ability to track how visitors are using the site, like what pages they visit most frequently and how they're navigating the site. Site management tools such as these also give demographic information about the user, like where they come from and other profile data. For instance, for the period of 16-29 September, 91,242 pages were accessed with a high of 19,689 pages on 26 September. Visitors came from 78 countries. Lane has over 8,000 web pages on its web site.

Find out more information about the new server, status and progress of future plans, as well as other information, at the web authors' resources main web page at <http://lanecc.edu/cs/website/index.htm>. Lane web authors are encouraged to submit information for the web authors' FAQ web page to improve

information available to hard-working web authors across campus. Submitted by Lori Weller, Computer Services, Ext. 2361.

#### BALINESE DANCE TO BE PERFORMED

Lane's dance program offers a special presentation of the Balinese "Legong" dance performed by dance instructor Bonnie Simoa, on Friday and Saturday, Oct. 13 and 14, at 8 p.m. in the Blue Door Theatre. All tickets for this concert are \$5 general admission. It is recommended that you call the Lane Ticket office at Ext. 2202 afternoons to hold a ticket. Both concerts are followed by an informal discussion and reception. In June of this year, Bonnie traveled to Indonesia to study classical Balinese dance - the Legong. She learned the first half of this 40-minute dance there in 1996 and returned this summer to learn the remainder of the dance with her teacher, Sang Ayu. The Legong is the most dazzling of all the Balinese dances, and represents the archetype of femininity and grace. The Legong is the first dance young girls learn, which is not to say it is the easiest. The highly stylized movement is danced to the specific and complicated rhythms of the gamelan - the Balinese orchestra. There are many versions of this dance with various scenes from Hindu stories. Despite the dramatic content, the Legong exists purely for the sake of dancing.

#### SERVICE-LEARNING ANNOUNCEMENT

The Gathering for Oregon Student Leaders in Service will be held on Saturday, Oct. 21 from 10 a.m.-2 p.m. at Portland State University Smith Memorial Center, Room 327. This event is titled "Creating Social Change through Action: Service, Activism, and Advocacy." Please encourage student leaders to attend this event. They will have the opportunity to meet other Oregon students engaged in social change work while attend workshops, engage in meaningful discussions, build practical skills, and hear from exciting guest speakers. Lunch will be provided. The deadline for registration is Wednesday, Oct. 18. To register or for more information, contact Jennifer von Ammon, EFL&S, Ext. 2140.

#### CHECK OUT NEW LABELS ON DEPARTMENT COPIERS

Recently, Printing/Graphics placed new identification labels on department convenience copiers at main campus sites. The information on the labels should expedite communication when you need service or supplies for your copier.

Each label includes the Printing/Graphics phone number, and the model and service identification numbers specific to each machine. When you call to report a problem with your copier or need to request toner, please tell us the model number and service ID number. (You may want to jot down the numbers and keep them by the phone). These two numbers are cross-referenced to our master information sheet that tells us the location of the copier, who the contact person is, and what kind of supplies the machine requires. Feel free to leave this information on voice-mail so we can act on your request as quickly as possible.

Staff at off-campus locations should have received labels for their copiers through inter-campus delivery. If you have not, please contact Vicki Miller, Printing/Graphics, Ext. 2373.

#### NEW ACADEMIC JOURNAL ISSUES CALL FOR PAPERS

The new academic journal, Community College Moment, is accepting submissions for its inaugural issue under the theme, "Exploring This Moment in the Community College." Deadline or submissions is Monday Dec. 11.

The journal offers a forum for high quality progressive articles that reflect a new vision of scholarship at the intersection of academic, activist and community interests. For the inaugural issue, due out in April 2001, we invite articles, interviews, photographs, artwork, and other work that reflects how you are reimagining your work as a community college teacher and scholar at this historical juncture. Submissions should address a thoughtful, but not specialized, academic audience. Articles may address issues of interest to local, regional, or national readers.

Send submissions to: The Community College Moment, Attn: Anne McGrail / English, Foreign Language and Speech Division, Lane Community College, 4000 E. 30th Avenue, Eugene, Oregon 97405. For submission information, contact Managing Editors Maurice Hamington at [hamingtonm@lanecc.edu](mailto:hamingtonm@lanecc.edu) or Anne McGrail at [mcgraila@lanecc.edu](mailto:mcgraila@lanecc.edu).

#### OPEN ENROLLMENT FOR FACULTY ENDS THIS FRIDAY

Attention faculty: Many of you have noticed that there has been a change in your payroll deductions for your insurance premiums. OEA had a rate increase that became effective in October. Because October rates are deducted from September's paycheck, the increase shows in this check. The Faculty Insurance Rate Chart is available in the Personnel Office if you would like to take a look at these new rates. Also, please do not forget that it is still open enrollment for Faculty. The last day for making changes is Oct. 13, THIS FRIDAY! The effective date for open enrollment is Nov. 1. Please direct questions to Personnel Services at 726-2211.

#### BROWN BAG TALK BY MEXICAN HUMAN RIGHTS ACTIVIST

Human rights activist Hilda Navarrete will speak on the topic of "Indigenous Rights and the Global Economy" on Thursday, Oct. 12 from 11:30 a.m.-1 p.m. in the Boardroom. Ms. Navarrete will discuss her work over the past decade to stop political violence and human rights abuses in her home state of Guerrero, Mexico. She works on behalf of indigenous people and others detained and "disappeared" by local authorities and the Mexican army. Bring your lunch and join us for this brown bag talk which is jointly sponsored by the Women's Program, the Multicultural Center, and the Social Science Dept. Call Ext. 2352 for more information.

## PEACH PAPER IS BACK

For those who have missed having the choice of peach paper for printing orders, rest assured. Printing/Graphics has a new supply. The shade of the new peach paper is nearly identical to the past supply, so if you are color coding materials your system should not be affected. You may notice the new paper feels a bit heftier. Contact: Vicki Miller, Printing/Graphics, Ext. 2373.

## ALTERNATIVE HEALTH EXPERT TO SPEAK

Dr. Partap S. Chauhan of India, an expert on original Ayurveda medicine and science originating from ancient Vedic scriptures, will speak on Thursday, Oct. 19, at 7 p.m., at the Downtown Center, Room 202. The free lecture is sponsored by Lane's MultiCultural Center.

Chauhan is an international lecturer, educator and author. He co-founded the Jiva Institute of Vedic Science and Culture and heads the Jiva Health Wing and Ayurvedic Research Institute. He practices Ayurveda and is a long-time student of Kaviraj Nanak Chand Sharma who is accepted worldwide as an authority on Ayurveda. Dr. Chauhan established the Online Health Center at <http://www.ayurvedic.org> and offers online Ayurvedic study. Ayurveda is not merely a system of medicine dealing with physical health but a way of life dealing with mind, senses and soul, say the sponsors. The essential philosophy of Ayurveda is to maintain a natural harmony in the body as well as well as the universe. Eternal and practical principles applicable to everyday life which maximize health and well-being and can play major role in building a healthy, peaceful and happy society. For more information contact Shivraj Khalsa at 344-4937 or e-mail [ajeet@rio.com](mailto:ajeet@rio.com).

## SERVICE-LEARNING ANNOUNCEMENT

The Gathering for Oregon Student Leaders in Service will be held on Saturday, Oct. 21 from 10 a.m.-2 p.m. at Portland State University Smith Memorial Center, Room 327. This event is titled "Creating Social Change through Action: Service, Activism, and Advocacy." Please encourage student leaders to attend this event. They will have the opportunity to meet other Oregon students engaged in social change work while attend workshops, engage in meaningful discussions, build practical skills, and hear from exciting guest speakers. Lunch will be provided. The deadline for registration is Wednesday, Oct. 18. To register or for more information, contact Jennifer von Ammon, EFL&S, Ext. 2140.

#### SCHOLARSHIP WORKSHOP FOR STUDENTS AND COMMUNITY MEMBERS

Career & Employment Services (CES) will present a scholarship workshop on Thursday, Nov. 16, from 4-5:30 p.m. in FOR 309. This workshop will feature the Oregon Student Assistance Commission scholarship packet. Two coveted awards that will be covered are the Ford Opportunity Grant and the Ford Scholars Scholarship; both pay 90 percent of a four-year degree. Students will also hear a brief overview of how to research programs using print materials and computer databases, prepare application materials, "sell" themselves in essays, and compile a scholarship portfolio. Many scholarships for the 2000-2001 academic years have application deadlines from January-March. Now is a good time for students to understand the process and available resources. Workshop seating is limited. Call 726-2217 to sign up. If you get voice mail please tell us you want to RSVP for the scholarship workshop and leave your name and phone number. For more information contact Geri Meyers at Ext. 2296.

#### A BANQUET ON THE BAYOU

The first classical cuisine dinner present by Culinary, Foodservice & Hospitality Program students will be held on Thursday, Nov. 16, with dinner served at 6 p.m., the northeast corner of the cafeteria. The dinner theme is, "A Banquet on the Bayou." Menu highlights follow.

Breads: Garlic Cheese Biscuits and Old Fashioned Corn Bread

Appetizer: Alligator Sticks from Mosquito Bayou with Red Beans and Rice

Soup: Shrimp and Mango Bisque

Entrée: Cajun Style Loin of Pork with Harlequin Green Beans, Grits Timbales

Salad: Louisiana Sunburst Salad with Vinaigrette

Dessert: Creole Bread Pudding with Warm Whiskey Sauce

A similar menu is available for vegetarian diets. Fine wines and beers will be offered. Tickets are \$ 18.50 per person and seating is limited. To guarantee your reservation, tickets must be purchased in advance. Reservation deadline is November 10. Make your check payable to LCC-Classical Cuisine Dinner and mail to LCC, BIS-Classical Cuisine Dinner, 4000 East 30th Avenue, Eugene, OR 97405.

## BOND UPDATE

**WORKFORCE TRAINING CENTER SITE OKAY AS IS.** After further consultations with Eugene Sand & Gravel and the architects, it has been determined that gravel will not need to be applied to the base of the conference center site. When construction of the center was pushed back until the beginning of the year, it was thought that gravel would need to be applied at the site, thereby promoting drainage when winter rains arrived. However, inspection of the site after the rains last week indicated that the earth seems to be handling the water well and not deteriorating as was initially predicted. Construction continues to be tentatively scheduled to begin in January 2001.

**LTD BUS SHELTERS EQUIPPED WITH TEMPORARY ROOFS.** Because permanent roofing for the shelters will not arrive until the first of the year, temporary coverings of clear reinforced plastic are in place, protecting riders from the elements. Ample lighting installed on the center pillars of both shelters is operational. As promised, bike racks are now positioned at the site.

**ENTRANCE TAKES SHAPE AT STUDENT SERVICES SITE.** The main entrance of the Student Services building is being defined to a greater degree by excavation of the ADA ramp and the stairway. As you drive by the construction site, on the right side of the main entrance you can see tiers being developed for the ADA ramp. Between the tiers and the concrete forms on the left is the location of a wide stairway. The concrete forms on the right of the main entrance are part of what will eventually be the plaza seating area, complete with benches and planters. As work on the plaza reaches greater completion, Dale Parnell Loop will be reestablished with clearly marked crosswalks guiding people from Lot B and the bus station to the Student Services building.

**PROGRESS ON HEALTH TECH CONTINUES AT GOOD RATE.** With the majority of interior framing complete, drywall activities are picking up. Sheetrock is currently being hung, with work progressing from the east to the west end of the facility. Cabinets are on order.

**WHAT IS THAT BOX ATOP THE SCIENCE BUILDING?** Regardless of speculation about a huge classroom, extra offices, or even a facility to track alien activity, the large square structure atop the Science building is really a mechanical penthouse. The 33'x56' structure houses the multi-zoned HVAC system for the west addition. The system itself occupies half of the building with the large ducts that supply and return air to the west addition taking up the remaining space. Turning to construction activities, Hyland Construction continues to make steady progress on all additions. Sheetrock and insulation work has begun in certain sectors of the second floor of the west addition. Interior framing continues in the south addition. Infrastructure work is proceeding in all areas. On the exterior of the west addition, the south entrance walkway is gaining greater definition as sidewalk work progresses.

**GROUNDWORK DEPARTMENT CONSTRUCTS STAIRWAY ACCESS TO CHILDCARE.** In order to provide a safe passageway from parking in Lot D, the Grounds department has constructed a stairway close to the northwest corner of the lot. The stairway, which is comprised of 4' x 8' pressure treated timbers and compacted gravel, will have handrails installed shortly. Wildflowers will be seeded at the location to provide seasonal bursts of color.

**LAUNDRY SERVICES NEARS COMPLETION.** As installation of the exhaust system for the booster boiler is completed, a call for inspection is expected shortly. For all practical purposes, once the boiler passes inspection, bond responsibility for Laundry Services is complete.

**FOR MORE INFORMATION** on bond activities, contact Nancy Nichols at Ext. 2027, e-mail [bond@lanecc.edu](mailto:bond@lanecc.edu) , or check out the bond web site at [http://www.lanecc.edu/campsvs/ie/ns\\_bond.htm](http://www.lanecc.edu/campsvs/ie/ns_bond.htm) .

## APPOINTMENT

On October 11, the Board of Education approved the appointment of Kay Malmberg to the position of operations manager/budget analyst. Two management retirements next summer in College Finance and the Budget Office caused the college to look at how all managerial duties could be spread out among the four remaining managers in College Finance. We decided to merge the duties of the operations manager (Kay's regular position) with those of the budget analyst. Kay has a bachelor's degree in business administration, accounting & quantitative methods from the University of Oregon and is a CPA. She was hired as operations manager at Lane in 1986 after working in the private sector for six years. Last year Kay served as interim director of Computer Services and she will continue with some duties in that area through the fall. Kay will work alongside Carol Beckley and Tasha Drake learning the budget development process this year. Both of the management positions vacated will be eliminated. If you have questions, please call the Office of College Operations, Ext. 2311.

#### TO ALL DIVISION CHAIRS, DEPARTMENT HEADS AND MANAGERS

The next meeting of the Facilities Management Team on Thursday, Oct. 19, at 3 p.m. in the Boardroom, will review current and requested special parking spaces and permits. If you have current spaces/permits or have requested new or additional spaces/permits, please attend or have a representative at this meeting. - Mike Mayer, Director, Public Safety Department

#### WHAT YOU NEED TO KNOW ABOUT STUDENT PRIVACY LAW

All new employees and other interested staff are invited to attend a special presentation on FERPA, the Federal Educational Rights and Privacy Act of 1974, on Wednesday, Oct. 18, from 3 - 4 p.m. in CEN 420. Helen Garrett, new Registrar and Director of Admissions, will explain how to maintain privacy for student information and answer questions from the audience. This presentation is part of a series to be offered for new employees on Wednesday afternoons for the rest of fall term. Please pre-register on voice mail box 7775.

## MARKETING GRANTS AVAILABLE

Marketing funds are available from Institutional Advancement to assist departments in promoting their programs and services. Marketing grants are awarded during fall and spring terms, and typically range from \$300-\$1,000. The deadline for the next round of grants is Thursday, Oct. 26. For a copy of the grant guidelines and a marketing grant application, contact Daniel Moret via e-mail or at Ext. 2268.

## MANAGER'S FORUM

There will be a Manager's Forum in the Boardroom on Friday, Oct. 20, beginning at 8:30 a.m. Contact: Diane Dann.

## MULTI-CULTURAL CENTER OPEN HOUSE

The Multi-Cultural Center will host an open house on Monday, Oct. 23 in CEN 409. Everyone is invited from 10 a.m.-3 p.m. for refreshments including a buffet at 2 p.m., music and fun. Contact: Multi-Cultural Center, Ext. 2276.

## LANE: PAST, PRESENT AND FUTURE

All classified staff are invited to participate in the Classified In-service Program on October 24 at the Doubletree Hotel on Gateway off I-5/Beltline East. Morning session will feature breakfast; afternoon session lunch.

Program will include a presentation with discussion and Q&A by President Moskus on proposed restructuring. Alen Bahret, Mary Brau, and Stephen Pruch will provide an overview of the Vanguard Project. Can you name the vice president who used to be a checker at K-Mart? The one who collects model cars? The one who helps build houses for Habitat? A roundtable sharing in small groups will help us get to know our administrative staff better.

Please make your reservation on voice mail 7775 by this Friday, Oct. 20, if you want to be included in the meal. Questions? Julie Baker, Ext. 2199.

## NEW EMPLOYEE ORIENTATION TOPIC IS SEXUAL HARASSMENT

Sue Colvin, Director of Personnel Services, will discuss issues around sexual harassment with new employees on Wednesday, Oct. 25, from 3 - 4 p.m. in CEN 420. Although this session is designed to inform new employees about policies at Lane, all interested staff are welcome to attend. Please preregister on voice mail box 7775.

## MOUSETRAP OPENS NOV. 3

"The Mousetrap" opens Friday, Nov. 3 at 8 p.m. in the Performance Hall and continues on Friday and Saturday evenings through Nov. 18, including a 2 p.m. Sunday matinee on Nov. 12 for which sign interpretation is provided. An opening night reception follows the Nov. 3 performance. Ticket prices for Lane staff and students are only \$6. Call the Lane Ticket Office afternoons at Ext. 2202.

Agatha Christie's ever-popular "The Mousetrap" is a classic who-dunnit murder mystery, full of twists and turns, discoveries and surprises. Written with Christie's inimitable understated British humor, this gem of the British theatre is currently in its 48th year on the London stage -- a startling fact which speaks for the play's undying popular appeal. Director and Lane Theatre Arts instructor, Eileen Kearney, says that "die-hard mystery fans and newcomers alike will be delightfully entertained by this production. It will be an enjoyable evening, full of entertaining puzzle-solving and good British cheer". As the play

unfolds, we meet an eclectic group of eccentric characters who, for various reasons, find themselves snowbound in an isolated guesthouse in the English countryside. Murder lurks around every corner. The play is set in Berkshire, in an old manor house converted to a hotel and cut off from the outside by a snowstorm. The characters come to realize that one of them is a murderer. The characters include Millie and Giles Ralston, the inexperienced innkeepers; Christopher Wren, an effeminate architect; Miss Casewell, a spinster with a curious background; Mrs. Boyle, a bossy matron; the mysterious foreigner Mr. Paravicini (played by faculty guest artist, Patrick Torelle); Detective Sergeant Trotter, who arrives on skis; and retired army man, Major Metcalf.

#### ENGLISH, FOREIGN LANGUAGE AND SPEECH: TEMPORARY HOURS

Due to a temporary staff shortage, the EFLS office will modify office hours beginning Monday, Oct. 23. This modification will continue for approximately six weeks. EFLS temporary office schedule is Mondays - Fridays, open 8 a.m. to 11:30 a.m., closed for lunch, open 12:30 p.m. to 5 p.m. In addition, the EFLS office will close at 3:15 p.m. for Classified In-Service Day, October 24. For more information, contact Barbara Thorson, EFLS Administrative Coordinator, Ext. 2750.

#### OREGON SHAKESPEARE FESTIVAL ACTORS TO PERFORM

Two actors from the Oregon Shakespeare Festival will present a special evening performance as part of the Festival's annual School Visit Program. The actors, Susan Champion and Tryone Wilson, will perform excerpts from Shakespeare as well as classic and contemporary literature at the Performance Hall on Monday, Nov. 6 at 7:30 p.m. Tickets are \$5 general admission and may be purchased at the door beginning at 6:30 p.m. During the 90-minute program the actors will select from, but not limit themselves to the following: "A Midsummer Night's Dream" or "The Tempest" (a forty minute cutting of the play) as well as "Seven Guitars" by August Wilson; "Joe Turner's Come And Gone" by August Wilson; "A Raisin In The Sun" by Lorraine Hansberry; Shakespeare's "Henry IV, Part I;" and "The World According To Student Bloopers" by Richard Lederer. Call the Lane Ticket Office for additional information at Ext. 2202 afternoons.

#### KLCC MEETS RADIOTHON GOAL 15 HOURS AHEAD OF SCHEDULE

\$190,000 goal surpassed in less than 7 days

KLCC's 2000 Fall Radiothon came to its satisfying conclusion a full 15 hours ahead of the designated end of Radiothon. The goal of \$190,000 was surpassed at 5:55 p.m. on Wednesday, Oct. 11 -- five minutes before the start of the Presidential Debate. This was the largest fundraising goal in KLCC history. When the phones finally stopped ringing, the grand total reached \$198,005. A total of 1425 listeners called in to pledge support throughout the week of Radiothon. Radiothon began with more than half the goal already in the bank, thanks to 1491 "Thon Busters," who contributed \$95,270 to KLCC in the weeks before Radiothon. Every dollar that came in from Thon Busters reduced the on-air goal of Radiothon. The final \$102,735 came from the 1425 listeners who made the call of support for public radio during Radiothon. The average Thon Buster contribution was \$64, while the average Radiothon contributor pledged \$62. Over 15% of the contributions were made on-line through KLCC's secure web site -- triple the amount of on-line contributions made in this year's spring Radiothon.

A huge thanks goes out to all who made it happen -- our new and renewing members, phone volunteers, office helpers, and "celebrity" co-pitchers!

KLCC member contributions help cover the cost of NPR news, nationally syndicated programs, locally programmed music, community information, live broadcasts of special events, and intelligent entertainment all year long. Over half of KLCC's budget comes from listeners and local businesses. KLCC has never failed to meet a Radiothon goal.

#### SERVICE-LEARNING ANNOUNCEMENT

The Gathering for Oregon Student Leaders in Service will be held on Saturday, Oct. 21 from 10 a.m.-2 p.m. at Portland State University Smith Memorial Center, Room 327. This event is titled "Creating Social Change through Action: Service, Activism, and Advocacy." Please encourage student leaders to attend this event. They will have the opportunity to meet other Oregon students engaged in social change work while attend workshops, engage in meaningful discussions, build practical skills, and hear from exciting guest speakers. Lunch will be provided. The deadline for registration is Wednesday, Oct. 18. To register or for more information, contact Jennifer von Ammon, EFL&S, Ext. 2140.

### TRANSITIONS TO SUCCESS ART RAFFLE

This term we are raffling several "Scheumack Brooms" This broom is hand made. The equipment used to perform the hand labor was forged as early as the 1890's. The craft of hand making these brooms has been handed down from generation to generation and represents the type of broom and the method of making them that was used in the "Ole Days" of the pioneering of our country. Benjamin Franklin is credited with growing the first broomcorn in the United States. Broomcorn is a type of Sorghum that was threshed by the early pioneers, then hand wound. The handles of these brooms are hand woven with the stems of raw, unprocessed broomcorn, and the stitching also is all done by hand. You may use these brooms as a decorative ornament to beautify and add to the decor of your home; but you will also find that it is a well made, tough, and durable product which will stand up to daily use like only an item made by hand can. Display it with pride and enjoy its durable usability. You can possess a hand-crafted, Early American Broom if you win the TTS raffle. Tickets are \$1 each or 6 for \$5 tickets are sold in the Women's Center. Drawing will take place the last week of classes. You do not have to be present to win.

## FEEDBACK NEEDED REGARDING CASH PAYOUT PROPOSAL

The Operations area of College Finance would like to know if there is any significant impact on departments if we do not provide cash paid outs, cash travel advances, and cash payments after 4:30 p.m. daily. The window would remain open so that we would still be available for questions, check

disbursements, currency exchange for departments, drop box and phone coverage. Closing the cashier function at 4:30 p.m. would allow us to be balanced by 5 p.m. each day. Please address your comments to me via e-mail by Friday, Oct 27. Darlene Baker, College Finance

#### COUNSELING PLANS IN-SERVICE

The Counseling Department will have an in-service on Friday, Oct. 20, and full-time staff will be unavailable. During that time, part-time staff will provide services in the Counseling & Advising Center and Career & Employment Services. The Testing Office will be closed. Contact: Shirlee Ford, Ext. 2322.

#### CHESS CLUB BACK IN ACTION

After being dormant for several years, the LCC Chess Club is active again. Students, faculty and staff are welcome to play informally between noon and 1 p.m. in the cafeteria Mondays through Fridays beginning October 23. Sets will be provided. For more information contact Gary Bricher at Ext. 2294, Bill Griffiths at Ext. 2124, or Russell Shitabata at Ext. 2117.

#### MULTI-CULTURAL CENTER OPEN HOUSE

#### SHAKESPEAREAN ACTOR TO PERFORM, TEACH

Graham Christopher, an actor from London's Globe Theater, will give a free performance/lecture on Wednesday, Oct. 25 from 7-8:30 p.m. in Lane's Blue Door Theatre. He'll show how to relish Shakespeare's language, and demonstrate a style of performance by daylight that he believes to be consistent with the style of Elizabethan players. Graham is on an Oregon teaching tour, presenting lectures and workshops for students and professional actors. He came to Lane two years ago at the invitation of Sparky Roberts, and now revisits the area with his wife Fiona. Graham's appearance is sponsored by the Theatre Department and Student Activities.

#### MOUSETRAP OPENS NOV. 3

"The Mousetrap" opens Friday, Nov. 3 at 8 p.m. in the Performance Hall, followed by an opening night reception. The play continues Friday and Saturday evenings through Nov. 18, including a 2 p.m. Sunday matinee on Nov. 12 for which sign interpretation is provided. Ticket prices for Lane staff and students are only \$6. Call the Lane Ticket Office afternoons at Ext. 2202.

Agatha Christie's ever-popular "The Mousetrap" is a classic who-dunnit murder mystery, full of twists and turns, discoveries and surprises. Written with Christie's inimitable understated British humor, this gem of the British theatre is currently in its 48th year on the London stage -- a startling fact which speaks for the play's undying popular appeal. Director and Lane Theatre Arts instructor, Eileen Kearney, says that "die-hard mystery fans and newcomers alike will be delightfully entertained by this production. It will be an enjoyable evening, full of entertaining puzzle-solving and good British cheer". As the play unfolds, we meet an eclectic group of eccentric characters who, for various reasons, find themselves snowbound in an isolated guesthouse in the English countryside. Murder lurks around every corner. The play is set in Berkshire, in an old manor house converted to a hotel and cut off from the outside by a snowstorm. The characters come to realize that one of them is a murderer. The characters include Millie and Giles Ralston, the inexperienced innkeepers; Christopher Wren, an effeminate architect; Miss Casewell, a spinster with a curious background; Mrs. Boyle, a bossy matron; the mysterious foreigner Mr. Paravicini (played by faculty guest artist, Patrick Torelle); Detective Sergeant Trotter, who arrives on skis; and retired army man, Major Metcalf.

#### OREGON SHAKESPEARE FESTIVAL ACTORS TO PERFORM

Two actors from the Oregon Shakespeare Festival will present a special evening performance as part of the Festival's annual School Visit Program. The actors, Susan Champion and Tryone Wilson, will perform excerpts from Shakespeare as well as classic and contemporary literature at the Performance Hall on Monday, Nov. 6 at 7:30 p.m. Tickets are \$5 general admission and may be purchased at the door beginning at 6:30 p.m. During the 90-minute program the actors will select from, but not limit themselves to the following: "A Midsummer Night's Dream" or "The Tempest" (a forty minute cutting of the play) as well as "Seven Guitars" by August Wilson; "Joe Turner's Come And Gone" by August Wilson; "A Raisin In The Sun" by Lorraine Hansberry; Shakespeare's "Henry IV, Part I;" and "The World According To Student Bloopers" by Richard Lederer. Call the Lane Ticket Office for additional information at Ext. 2202 afternoons.

#### KLCC MEETS RADIOTHON GOAL 15 HOURS AHEAD OF SCHEDULE

KLCC's 2000 Fall Radiothon concluded 15 hours ahead of the designated end of Radiothon. The goal of \$190,000 was surpassed at 5:55 p.m. on Wednesday, Oct. 11, just before the presidential debate. This was the largest fundraising goal in KLCC history. When the phones stopped ringing, the grand total reached \$198,005. A total of 1,425 listeners called in to pledge support throughout the week of Radiothon, contributing \$102,735. Radiothon began with more than half the goal already in the bank, thanks to 1,491 "Thon Busters," who contributed \$95,270 to KLCC in the weeks before Radiothon. Every dollar that came in from Thon Busters reduced the on-air goal of Radiothon. The average Thon Buster contribution was \$64, while the average Radiothon contributor pledged \$62. Over 15 percent of the contributions were made on-line through KLCC's secure web site -- triple the amount of on-line contributions made in this year's spring Radiothon.

A huge thanks goes out to our new and renewing members, phone volunteers, office helpers, and "celebrity" co-pitchers! KLCC member contributions help cover the cost of NPR news, nationally syndicated programs, locally programmed music, community information, live broadcasts of special events, and intelligent entertainment all year long. Over half of KLCC's budget comes from listeners and local businesses. KLCC has never failed to meet a Radiothon goal.

#### A BANQUET ON THE BAYOU

The first classical cuisine dinner present by Culinary, Foodservice & Hospitality Program students will be held on Thursday, Nov. 16, with dinner served at 6 p.m., the northeast corner of the cafeteria. The dinner theme is, "A Banquet on the Bayou." Menu highlights follow.

TRANSITIONS TO SUCCESS RAFFLE: This term we are raffling several "Scheumack Brooms." This broom is hand made. The equipment used to perform the hand labor was forged as early as the 1890s. The craft of hand making these brooms has been handed down from generation to generation and represents the type of broom and the method of making them that was used in the "Ole Days" of the pioneering of our country. Benjamin Franklin is credited with growing the first broomcorn in the United States. Broomcorn is a type of Sorghum that was threshed by the early pioneers, then hand wound. The handles of these brooms are hand woven with the stems of raw, unprocessed broomcorn, and the stitching also is all done by hand. You may use these brooms as a decorative ornament to beautify and add to the decor of your home; but you will also find that it is a well made, tough, and durable product which will stand up to daily use like only an item made by hand can. Display it with pride and enjoy its durable usability. You can possess a hand-crafted, Early American Broom if you win the TTS raffle. Tickets are \$1 each or 6 for \$5 tickets are sold in the Women's Center. Drawing will take place the last week of classes. You do not have to be present to win.

## BOND UPDATE:

GLAZIERS UNION STRIKE DISRUPTS CONSTRUCTION. Early Friday morning, picket lines by the glaziers union (window installers) garnered general union support as subcontractors at all job sites honored the picket lines. Consequently, construction activities were generally brought to a halt on main campus. The strike, which centers on the union's desire to have Lane County Glass become a union shop, is in no way associated with any policies or practices of LCC. Attorneys for LCC, construction companies, and labor relations organizations are seeking a remedy that will allow construction to continue while affected parties seek resolution. In the meantime, the college will post signs at each of LCC's main entrances designating Eldon Schafer Drive as a union entrance and Gonyea Road as a nonunion entrance. Echoing the main entrances, each construction site will also have dual accesses. Union representatives will not impede the passage of students, staff or faculty on either Eldon Schafer Drive or Gonyea Road. Be aware that construction vehicles, deliveries, and general congestion will increase on Gonyea Road until resolution to the strike occurs. Thank you for your patience during the strike activities. The Bond Project Management Office will provide additional pertinent information as soon as it is available.

FOR MORE INFORMATION regarding bond activities, contact Nancy Nichols at Ext. 2027, or e-mail [bond@lanecc.edu](mailto:bond@lanecc.edu) , or check out the web site at [http://www.lanecc.edu/campsvcs/ic/ns\\_bond.htm](http://www.lanecc.edu/campsvcs/ic/ns_bond.htm) .

## FACULTY COUNCIL TO MEET

Faculty Council will meet Thursday, Oct. 26 from 3-4:30 p.m. in the Boardroom. Guests and representatives from all departments are welcome. Refreshments will be served. For more information, please contact Kyle Hammon, Ext. 2737, [hammonk@lanecc.edu](mailto:hammonk@lanecc.edu) .

## CHUCK REID TO BE HONORED

Chuck Reid is retiring at the end of October after 19 years at Lane. Please join us for cake and ice cream and to say farewell on Friday, Oct. 27, at 1 p.m. in the Campus Services Conference Room, CS 201. Contact Shelly or Andy in General Services, Ext. 2455, for more information.

## REGISTER SOON FOR WOMEN OF COLOR CONFERENCE

The 2000 Kaleidoscope Conference will be held in Atlanta, GA, from December 6-10. Kaleidoscope is a national leadership training program for women of color in higher education coordinated by Georgia Perimeter College. Information is available at [www.gpc.peachnet.edu/kaleidoscope](http://www.gpc.peachnet.edu/kaleidoscope) . Please

submit your application to Miriam Jordan in the Office for Instruction & Student Services. Registration is \$595 (funding requests will be considered). The deadline to submit is November 1.

#### ROAD CLOSURE NOVEMBER 4

The OSAA High School State Cross Country Meet on Saturday, Nov. 4 will cause the closure of Eldon Schafer Drive (East Entrance) between the hours of 9 a.m. and 4 p.m. Gonyea Road (West Entrance) will remain open, however ticket sales will be occurring at that site. If you are working or attending classes that day, please notify the ticket sellers at the entrance. Thanks for your patience and cooperation.

#### SCHOLARSHIP WORKSHOP FOR STUDENTS AND COMMUNITY MEMBERS

Career & Employment Services (CES) will present a scholarship workshop on Thursday, Nov. 16, from 4-5:30 p.m. in FOR 309. This workshop will feature the Oregon Student Assistance Commission scholarship packet. Two coveted awards that will be covered are the Ford Opportunity Grant and the Ford Scholars Scholarship; both pay 90 percent of a four-year degree. Students will also hear a brief overview of how to research programs using print materials and computer databases, prepare application materials, "sell" themselves in essays, and compile a scholarship portfolio. Many scholarships for the 2000-2001 academic years have application deadlines from January-March. Now is a good time for students to understand the process and available resources. Workshop seating is limited. Call 726-2217 to sign up. If you get voice mail please tell us you want to RSVP for the scholarship workshop and leave your name and phone number. For more information contact Geri Meyers at Ext. 2296.

#### ACADEMIC JOURNAL ISSUES CALL FOR PAPERS

The new academic journal, Community College Moment, is accepting submissions for its inaugural issue under the theme, "Exploring This Moment in the Community College." Deadline or submissions is Monday Dec. 11.

The journal offers a forum for high quality progressive articles that reflect a new vision of scholarship at the intersection of academic, activist and community interests. For the inaugural issue, due out in April 2001, we invite articles, interviews, photographs, artwork, and other work that reflects how you are reimagining your work as a community college teacher and scholar at this historical juncture. Submissions should address a thoughtful, but not specialized, academic audience. Articles may address issues of interest to local, regional, or national readers. Send submissions to The Community College Moment, Attn: Anne McGrail / English, Foreign Language and Speech Division, Lane Community College, 4000 E. 30th Avenue, Eugene, Oregon 97405. For submission information, contact Managing Editors Maurice Hamington at [hamingtonm@lanecc.edu](mailto:hamingtonm@lanecc.edu) or Anne McGrail at [mcgraila@lanecc.edu](mailto:mcgraila@lanecc.edu).

#### MARKETING GRANTS AVAILABLE

Marketing funds are available from Institutional Advancement to assist departments in promoting their programs and services. Marketing grants are awarded during fall and spring terms, and typically range from \$300-\$1,000. The deadline for the next round of grants is Thursday, Oct. 26. For a copy of the grant guidelines and a marketing grant application, contact Daniel Moret via e-mail or at Ext. 2268.

#### COMPUTER CLASS OFFERINGS FALL TERM FOR STAFF AND FACULTY

The following classes still have plenty of room! All classes are held in CEN 423b and limited to eight participants. To register for a class call Ext. 7775 and register by letter. The schedule is also listed in the LCC online calendar of events at <http://206.98.102.225/LCC/events.phtml?show=week>.

#### FEEDBACK NEEDED REGARDING CASH PAYOUT PROPOSAL

The Operations area of College Finance would like to know if there is any significant impact on departments if we do not provide cash paid outs, cash travel advances, and cash payments after 4:30 p.m. daily. The window would remain open so that we would still be available for questions, check disbursements, currency exchange for departments, drop box and phone coverage. Closing the cashier function at 4:30 p.m. would allow us to be balanced by 5 p.m. each day. Please address your comments to me via e-mail by Friday, Oct 27. Darlene Baker, College Finance

## ENGLISH CONVERSATION PARTNER PROGRAM

The International Student Community Program is starting a new program this fall called the English Conversation Partner Program. This program is intended to help international students at Lane adapt to a new culture and language. We believe this program will be a bridge between international students and their community at LCC.

We are currently accepting applications from both native English speakers and International Students to join the program. We are asking volunteers to commit to one hour per week conversing with their student either here on campus or in the community. We would like to have all faculty and staff pass the word to students who they feel would be interested in this opportunity. Faculty and staff are also invited to participate!

Please contact the International Student Community Program at Ext. 2165. We are located in CEN 414. Contact: Mary Jo Erickson.

## WELCOME LANE'S INTERNATIONAL STUDENTS

All students, faculty and staff are invited to welcome our international students, this Wednesday, Oct 25 from 2-4 p.m. in the NW corner of the cafeteria. Come spend time meeting, greeting and in casual conversation with new and returning international students. Dessert, coffee and tea will be served to those who can stay for a while. Contact: Colby Sheldon.

## LEARN ABOUT SEXUAL HARASSMENT ISSUES

Join Personnel Director Sue Colvin at 3 p.m. on Wednesday, Oct. 25 in CEN 420 for a discussion on sexual harassment issues. While the session will focus on issues/questions for new employees, all Lane employees are welcome. Please preregister at voice mail box 7775.

## BOND UPDATE

**REDDAWAY TRUCK HAS CLOSE ENCOUNTER WITH STUDENT SERVICES SKY BRIDGE.** On October 19, during delivery of LCC materials, a Reddaway truck driver mistakenly took the access road that leads under the Student Services sky bridge. In so doing, the top of the freight box clipped the very bottom of the sky bridge, tearing away a small portion of sheetrock. Since the building is still under the control of Chambers Construction and ownership has not been turned over to LCC, the issue of squaring up damages is a matter between Chambers and Reddaway. The sky bridge will, however, be raised...sort of. According to gLAs architects, the portion of the bridge that was caught by the delivery truck is actually part of a cosmetic architectural line that was incorporated to provide a congruent tie-in between Student Services and Apprenticeship. By removing lower cosmetic portions of the bridge, a 14-foot passageway will be established, and the bridge 'raised,' without any disruption to the existing structural integrity of the pedestrian overpass.

**BRIEF POWER SHUT DOWN ALLOWS IMPORTANT WORK ON STUDENT SERVICES.** Initial work enabling the transformer at Student Services to be energized will occur between 10 p.m. on October 28 and 3 a.m. on October 29. Buildings that will be affected are Industrial Tech, Apprenticeship and Apprenticeship Annexes, Business, Administration, Child Care, and the Pizza Hut. Late hour scheduling allows electrical work to correspond with regular maintenance activities of Computer Services. During a second shut down the first half of November, final power connections will be made.

**WORKFORCE TRAINING DOCUMENTS NEAR COMPLETION.** Construction documents for the entire Workforce Training Center are approximately 85 percent complete. Part of the finalization

process of the documents has been the valuable review by LCC Trades. Bid documents are scheduled to go out early in November. Turning to the site, the white pipe you may have seen stretching from the south wall to the west side foundation of Apprenticeship is performing a vital service. The pipe is channeling water from Lot E into an established roof drainage system of the Apprenticeship building, thereby preventing erosion. Naturally, permanent drainage will be established when construction activities commence in January.

**OVERHEAD LIGHTING FOR LTD STATION ON ORDER.** While lighting within the LTD Bus Station shelters is installed and operational, permanent overhead lighting for the site is scheduled for installation sometime during the middle of November. It's easy to tell where the lighting will be located. Just look for the orange traffic delineators on the plaza. The delineators are positioned over secured electrical conduit for the lighting.

**DENTAL AREA COMPLETION STILL ON TARGET FOR FEBRUARY 2001.** Steady progress in definition of spaces and establishment of infrastructure puts the completion date for Phase I of the Health Tech Remodel only four months down the road, in February 2001. The Dental Department anticipates that their move into the new facility will take place after spring break 2001 during a time that has yet to be determined.

**PRELIMINARY WORK ON ADA RAMP ESTABLISHED AT SCIENCE ADDITION.** On the west side of the Science addition, a sloping passageway has been created. Once finished, the passageway will be an ADA compliant ramp providing main campus access for individuals who park in Lot L. The ramp will have overhead lighting installed at various locations and will intersect established sidewalks adjacent to the Forum. Infrastructure work has proceeded to the point in the south addition that wall coverings will be applied shortly. The south addition's four labs will be ready for winter term classes.

**CHILDCARE FACILITIES GET PERMANENT FENCING.** Oregon Fence Company is making steady progress on the permanent fencing for the Child Care facilities. The fencing is vinyl coated cyclone wire measuring 6-feet at the perimeters and 4-feet on interior locations between buildings.

#### **COLLEGE FAIRE ATTRACTS 1,000**

Over 1,000 high school students and parents attended the College Faire 2000 hosted by Lane Community College. The Beyond High School Network would like to thank the following people for helping us make the Faire a successful event: Debbie Johnson for designing and making the tabletop signs for the 87 colleges and universities; Dan Moret for designing and printing the program cover; Shirley Nagy in Printing and Graphics; Della Mathews and her staff for the food and preparation of the Renaissance Room; Len Heflin and 'Arche' Hernandez of Audiovisual Services; and the wonderful custodial staff who arranged the tables ahead of time. This successful venture on our campus was, indeed, a team effort. Delna Coe, College High/Tech Prep.

#### **CHUCK REID TO BE HONORED**

TRANSITIONS TO SUCCESS RAFFLE: This term we are raffling several hand made "Scheumack Brooms." The equipment used to perform the hand labor was forged as early as the 1890s. The craft of hand making these brooms has been handed down from generation to generation and represents the type of broom and the method of making them that was used in the "Ole Days" of the pioneering of our country. Benjamin Franklin is credited with growing the first broomcorn in the United States. Broomcorn is a type of Sorghum that was threshed by the early pioneers, then hand wound. The handles of these brooms are hand woven with the stems of raw, unprocessed broomcorn, and the stitching also is all done by hand. You may use these brooms as a decorative ornament to beautify and add to the decor of your home; but you will also find that it is a well made, tough, and durable product which will stand up to daily use like only an item made by hand can. Display it with pride and enjoy its durable usability. You can possess a hand-crafted, Early American Broom if you win the TTS raffle. Tickets are \$1 each or 6 for \$5 tickets are sold in the Women's Center. Drawing will take place the last week of classes. You need not be present to win.

## RESTRUCTURING TEAM GETS DOWN TO BUSINESS

The Restructuring Steering Team has already met twice this week! There is a tremendous amount of work to be done, and an excellent team has been identified to meet the challenge. Team members are: Anthony Baronti, Bert Ewing, Chuck Fike, Dennis Gilbert, Arne McLean, Andrea Newton, Stan Taylor, Lori Steger, Rick Venturi, Ruth Wren, and chair Donna Koechig. The RST is designing a process to address the "charge" developed by the president and will continue to communicate with you as its work progresses. Stay tuned for opportunities to participate. Donna Koechig, Ext. 2321.

## VANGUARD COLLEGE DRAFT PLAN AVAILABLE ON THE WEB

As many of you already know, Lane was selected to participate in the League for Innovation's Learning College Project. The League solicited applications from all community colleges in the US and Canada. An international team of scholars reviewed the 94 applications received and 12 colleges were ultimately selected as Vanguard Learning Colleges. Lane was selected based on a solid record of innovations, such as Students First! and the Strategic Learning Initiative. Further information about the Learning College project can be found at <http://www.league.org/league/projects/lcp/index.htm> .

The 12 colleges are now engaged in formulating their initial plans for the five-year project. Preliminary drafts of plans for all 12 Vanguard Learning Colleges are available for review on the League's web site. You can get directly to Lane's preliminary draft by visiting <http://www.lanec.edu/vanguard/index.htm> .

The Lane plan is definitely a work in progress. Between now and the end of February 2001, the Lane team will be revising and refining our plan. While we are beginning to assign responsibility for the projects (see "Facilitator" section), you should understand that these assignments are only tentative. If you have concerns or suggestions about any project, please contact a member of the Vanguard Team. Team members are listed on the web site. The team expects to engage the campus community in discussions and activities related to the project. We invite you to visit the web pages and familiarize yourself with the Vanguard Learning Colleges Project. If you have any questions or comments, please address them to one of the team members. Submitted by Stephen Pruch.

## WANTED: OUTSTANDING CLASSIFIED EMPLOYEES

The Classified Professional Development Team seeks nominations for Classified Employee of the Month for December. The award is to recognize classified employees who are outstanding in their work at the college. Applications should be received by the end of the day on November 15. Nomination applications may be obtained at the Personnel Services office or from Susan Tatar at Ext. 2727.

## LGBT AND ALLIES GROUP FORMING

#### MOUSETRAP OPENS NOV. 3

"The Mousetrap" opens Friday, Nov. 3 at 8 p.m. in the Performance Hall, followed by an opening night reception. The play continues Friday and Saturday evenings through Nov. 18, including a 2 p.m. Sunday matinee on Nov. 12 for which sign interpretation is provided. Ticket prices for Lane staff and students are only \$6. Call the Lane Ticket Office afternoons at Ext. 2202. Agatha Christie's "The Mousetrap" is a classic who-dunnit murder mystery, full of twists and turns, discoveries and surprises. Director and Lane Theatre Arts instructor Eileen Kearney says that "die-hard mystery fans and newcomers alike will be delightfully entertained by this production. It will be an enjoyable evening, full of entertaining puzzle-solving and good British cheer."

#### ENGLISH CONVERSATION PARTNER PROGRAM

The International Student Community Program is starting a new program this fall called the English Conversation Partner Program. This program is intended to help international students at Lane adapt to a new culture and language. We believe this program will be a bridge between international students and their community at LCC.

We are currently accepting applications from both native English speakers and International Students to join the program. We are asking volunteers to commit to one hour per week conversing with their student either here on campus or in the community. We would like to have all faculty and staff pass the word to students who they feel would be interested in this opportunity. Faculty and staff are also invited to participate!

Please contact the International Student Community Program at Ext. 2165. We are located in CEN 414. Contact: Mary Jo Erickson.

## CHILD DEVELOPMENT CENTER BOOK FUND ESTABLISHED

The newly opened facilities for childcare have provided a wonderful upgrade in the living/learning spaces for children in these lab schools. As these expanded facilities neared the end of construction, it became apparent that some new materials were going to be needed. One area where help was most needed was in the children's selection of books. Many of the books had become old and tattered. Some of the collection is made up of "donated books" that were already well worn before coming to us.

After the Lane Community College 2000 Golf Scramble in June, Doug White and his foursome (Jim White, Steve White & Jim Mreen) asked that the proceeds from their golf fees be used to establish a book fund for the Child Development Center. They were in hopes that the establishment of this fund would generate more donations to help expand and maintain the books necessary for the appropriate age of the population of the Child Development Center.

For those interested in making a cash gift to the Child Development Center Book Fund, checks may be made payable and sent to Lane Community College Foundation, 4000 East 30th Avenue, Eugene, OR 97405. If you would like to contribute books for the collection, contact Linda Riepe at Ext. 2287.

## CURRICULUM APPROVAL COMMITTEE TO MEET

TRANSITIONS TO SUCCESS RAFFLE: This term we are raffling several "Scheumack Brooms." This broom is hand made. The equipment used to perform the hand labor was forged as early as the 1890s. The craft of hand making these brooms has been handed down from generation to generation and represents the type of broom and the method of making them that was used in the "Ole Days" of the pioneering of our country. Benjamin Franklin is credited with growing the first broomcorn in the United States. Broomcorn is a type of Sorghum that was threshed by the early pioneers, then hand wound. The handles of these brooms are hand woven with the stems of raw, unprocessed broomcorn, and the stitching also is all done by hand. You may use these brooms as a decorative ornament to beautify and add to the decor of your home; but you will also find that it is a well made, tough, and durable product which will stand up to daily use like only an item made by hand can. Display it with pride and enjoy its durable usability. You can possess a hand-crafted, Early American Broom if you win the TTS raffle. Tickets are \$1 each or 6 for \$5 tickets are sold in the Women's Center. Drawing will take place the last week of classes. You do not have to be present to win.

HOW TO USE THE DAILY. The Daily is e-mailed mornings Mondays through Fridays during fall, winter and spring terms, and Tuesdays only during summer and term breaks. #### WANTED: OUTSTANDING CLASSIFIED EMPLOYEES

The Classified Professional Development Team seeks nominations for Classified Employee of the Month for December. The award is to recognize classified employees who are outstanding in their work at the college. Applications should be received by the end of the day on November 15. Nomination applications may be obtained at the Personnel Services office or from Susan Tatar at Ext. 2727.

#### CHILD DEVELOPMENT CENTER BOOK FUND ESTABLISHED

The newly opened facilities for childcare have provided a wonderful upgrade in the living/learning spaces for children in these lab schools. As these expanded facilities neared the end of construction, it became apparent that some new materials were going to be needed. One area where help was most needed was in the children's selection of books. Many of the books had become old and tattered. Some of the collection is made up of "donated books" that were already well worn before coming to us.

After the Lane Community College 2000 Golf Scramble in June, Doug White and his foursome (Jim White, Steve White & Jim Mreen) asked that the proceeds from their golf fees be used to establish a book fund for the Child Development Center. They were in hopes that the establishment of this fund would generate more donations to help expand and maintain the books necessary for the appropriate age of the population of the Child Development Center.

For those interested in making a cash gift to the Child Development Center Book Fund, checks may be made payable and sent to Lane Community College Foundation, 4000 East 30th Avenue, Eugene, OR 97405. If you would like to contribute books for the collection, contact Linda Riepe at Ext. 2287.

#### VANGUARD COLLEGE DRAFT PLAN AVAILABLE ON THE WEB

As many of you already know, Lane was selected to participate in the League for Innovation's Learning College Project. The League solicited applications from all community colleges in the US and Canada. An international team of scholars reviewed the 94 applications received and 12 colleges were ultimately selected as Vanguard Learning Colleges. Lane was selected based on a solid record of innovations, such as Students First! and the Strategic Learning Initiative. Further information about the Learning College project can be found at <http://www.league.org/league/projects/lcp/index.htm>.

The 12 colleges are now engaged in formulating their initial plans for the five-year project. Preliminary drafts of plans for all 12 Vanguard Learning Colleges are available for review on the League's web site. You can get directly to Lane's preliminary draft by visiting <http://www.lanecc.edu/vanguard/index.htm>.

The Lane plan is definitely a work in progress. Between now and the end of February 2001, the Lane team will be revising and refining our plan. While we are beginning to assign responsibility for the projects (see "Facilitator" section), you should understand that these assignments are only tentative. If you have concerns or suggestions about any project, please contact a member of the Vanguard Team. Team members are listed on the web site. The team expects to engage the campus community in discussions and activities related to the project. We invite you to visit the web pages and familiarize yourself with the Vanguard Learning Colleges Project. If you have any questions or comments, please address them to one of the team members. Submitted by Stephen Pruch.

## APPLICATIONS SOUGHT FOR NEW LEARNING COMMUNITIES

Faculty: We are now accepting applications for new Learning Communities for the 2001/02 academic year. This is a great opportunity to link one of your classes to another class (or classes) in another discipline in interesting ways. The creative possibilities in Learning Communities are only limited by your imagination. How do you think peanut butter and jelly got together? They started as a Learning

Community! Development money is available to help you get started. For application forms, more information, or just to talk over the possibilities contact Maurice Hamington at Ext. 2155. Keep in mind that the deadline for submitting a Learning Community proposal and have it in the Annual Schedule is November 6, but you can still submit a proposal for next year after that date. Get connected!

#### OUTSTANDING STUDENTS SOUGHT

## MOSKUS GIVEN DIVERSITY AWARD

President Jerry Moskus received the Commitment to Diversity Award from the Western Region Council on Black American Affairs at the council's annual conference in Eugene on October 14. "Dr. Moskus has consistently demonstrated his commitment to diversity by his participation and support of the WRCBAA and other organizations which focus on the recruitment and retention of diverse populations, including Blacks, Latinos, Asians, Native Americans, the disabled and other groups," said Dr. Marian C. Shivers, president of WRCBAA.

The award follows numerous efforts Moskus has made on behalf of diversity during his tenure at Lane. Besides funding events such as the WRCBAA conference, he hired Lane's first affirmative action director in 17 years and had the college affirmative action plan updated and diversity plan established. He has received commendation from other groups as well, including the local African American Community Coalition and the Northwest Coalition Against Malicious Harassment.

## BOND UPDATE

WATER/SEWER OPERATIONAL AT PIZZA HUT. During the summer, construction activities that took place at the Workforce Training Center (WFTC) site damaged a sewer line that serviced the Training and Development facilities. While the bond office wrestled over a feasible remedy to the situation, T&D's personnel and clients patiently made use of accommodations in the Apprenticeship building. After investigating multiple routes for a temporary or permanent line, and in light of up and coming construction on the WFTC, it was decided to locate temporary water/sewer tanks for the Pizza Hut just east of the building. The tanks will be removed in a few months when permanent hook-ups are made. The permanent lines will specifically accommodate the Pizza Hut and two adjacent modulars, plus any future development that occurs in the general location.

CAMPUS SERVICES ADDITION PASSES INSPECTION. Final occupancy permits have been obtained for the Campus Services Addition which houses Laundry Services and Printing/Graphics. Responsibility for the facility now falls to Facilities Management & Planning.

WHY AREN'T THERE ANY WINDOWS ON THE EAST SIDE OF THE SKY BRIDGE? Good question. The answer: energy calculation, heat loss, and code requirements. In designing buildings, architects must adhere to codes that specify a limit of 30 percent glazing in the total exterior wall area of a structure. Part of the appeal of the Student Services building is the vast expanse of glass on the west and south walls adjacent to the main lobby. Moreover, take a look at the large two-story windows that are positioned on all other exterior walls of the building and provide much coveted window space for personnel offices. Taken as a whole, that's a lot of glass! Architects had originally included windows on both sides of the sky bridge. However, in order to

meet glazing codes, general glass reductions were made in the building, among which were leaving windows only on the west side of the sky bridge.

**ADA PARKING SPACES AVAILABLE AT SCIENCE SITE.** After several delays, ADA parking spaces and the adjacent sidewalk are now available for use at the south side of the Science building. Progress continues on the new ADA ramp located on the west side of the facility. The ramp will provide campus access from Lot L.

**FOR MORE INFORMATION** regarding bond activities, call Nancy Nichols at extension 2027, e-mail [bond@lanecc.edu](mailto:bond@lanecc.edu), or check out the web site at [http://www.lanecc.edu/campsvcs/ie/ns\\_bond.htm](http://www.lanecc.edu/campsvcs/ie/ns_bond.htm).

#### **ADVISORY COMMITTEE RECOGNITION DINNER TO BE HELD**

The Annual Advisory Committee Recognition Dinner is scheduled for Thursday, April 19. The evening will kick off with a social beginning at 5:30 p.m. followed by the dinner and program from 6-7:30 p.m. The Culinary Arts program students will be serving the dinner. We look forward to an enjoyable evening recognizing the many members who serve on advisory committees. For more information contact Teri Coddington, Ext. 2203.

#### **SCHOLARSHIPS AVAILABLE TO ATTEND LEGAL INFORMATION WORKSHOP**

Legal Lifelines is the first Classified Professional Development Team's half-day sponsored training this fall, and as part of that training, the team is pleased to offer \$35 scholarships to be used toward department office coverage while a classified staff member attends the training. Preference will be given to classified staff members who historically have been unable to attend due to job duty coverage funding issues. Funding will be limited to \$35 per funded department. Applications for funding may be obtained from Julie Baker in T&D or Gloria Vanderhorst, ADM 2nd floor, Instructional Services.

#### **LEARNING COMMUNITY APPLICATIONS SOUGHT**

Faculty: We are now accepting applications for new Learning Communities for the 2001/02 academic year. This is a great opportunity to link one of your classes to another class (or classes) in another discipline in interesting ways. The creative possibilities in Learning Communities are only limited by your imagination. How do you think peanut butter and jelly got together? They started as a Learning Community! Development money is available to help you get started. For application forms, more information, or just to talk over the possibilities contact Maurice Hamington at Ext. 2155. Keep in mind that the deadline for submitting a Learning Community proposal and have it in the annual schedule is November 6, but you can still submit a proposal for next year after that date. Get connected!

#### **OUTSTANDING STUDENTS SOUGHT**

We are seeking faculty nominations of students for the Community and Junior College All-USA Academic Team. Please encourage students to apply! The college will nominate two individuals for the Community and Junior College All-USA Academic Team. This is a national competition Team sponsored by USA Today, AACC, and Phi Theta Kappa. Students selected for the first team will receive a \$2,500 stipend and national recognition. To qualify students must:

- \* be currently enrolled at Lane
- \* have completed at least 36 hours in pursuit of an Associates degree and expect to graduate no later than Aug. 31, 2001
- \* have a minimum GPA of 3.25 (international students here on student visas are eligible to participate)
- \* complete a biographical questionnaire
- \* complete a release form
- \* complete an informal essay of 500 words or less
- \* submit three letters of recommendation

Application materials are due in Student Activities no later than November 17. A selection committee will announce nominees November 22. Application materials are available at the Student Activities Office beginning today. For more information contact Barbara Delansky, Ph.D., director of Student Activities.

#### ASLCC HAS DROP-OFF BOX FOR BALLOTS

ASLCC has a courtesy drop-off box for ballots in CEN 479, the student government office, through Monday, Nov. 6. Ballots will be taken daily to Lane County Elections. No box will be available on Tuesday, Nov. 7 or later. Call Ext. 2365 or 2290 for more information. - Bette Dorris

#### CHILD DEVELOPMENT CENTER BOOK FUND ESTABLISHED

The newly opened facilities for childcare have provided a wonderful upgrade in the living/learning spaces for children in these lab schools. As these expanded facilities neared the end of construction, it became apparent that some new materials were going to be needed. One area where help was most needed was in the children's selection of books. Many of the books had become old and tattered. Some of the collection is made up of "donated books" that were already well worn before coming to us.

After the Lane Community College 2000 Golf Scramble in June, Doug White and his foursome (Jim White, Steve White & Jim Mreen) asked that the proceeds from their golf fees be used to establish a book fund for the Child Development Center. They were in hopes that the establishment of this fund would generate more donations to help expand and maintain the books necessary for the appropriate age of the population of the Child Development Center.

For those interested in making a cash gift to the Child Development Center Book Fund, checks may be made payable and sent to Lane Community College Foundation, 4000 East 30th Avenue, Eugene, OR 97405. If you would like to contribute books for the collection, contact Linda Riepe at Ext. 2287.

#### ALTERNATIVE SCHEDULES APPLICATIONS AVAILABLE

Alternative schedules and formats applications are now available. If you are interested in getting your ASF idea supported, please pick up an application from Barbara DeFilippo, Social Science, any committee member, or at <http://sliunix.lanecc.edu/~altsched/main.html>. Deadline for this term's submissions is November 15. All ideas are welcome!

#### LGBT AND ALLIES GROUP FORMING

A LGBT and Allies employee group is forming at Lane for support and discussion. All Allies and LGBT employees are welcome to come to the meetings on Tuesdays at 8 a.m. in CEN 219. For more information contact Rodney Brown in Counseling at Ext. 2299.

#### SCHOLARSHIP WORKSHOP FOR STUDENTS AND COMMUNITY MEMBERS

Career & Employment Services (CES) will present a scholarship workshop on Thursday, Nov. 16, from 4-5:30 p.m. in FOR 309. This workshop will feature the Oregon Student Assistance Commission scholarship packet. Two coveted awards that will be covered are the Ford Opportunity Grant and the Ford Scholars Scholarship; both pay 90 percent of a four-year degree. Students will also hear a brief overview of how to research programs using print materials and computer databases, prepare application materials, "sell" themselves in essays, and compile a scholarship portfolio. Many scholarships for the 2000-2001 academic years have application deadlines from January-March. Now is a good time for students to understand the process and available resources. Workshop seating is limited. Call 726-2217 to sign up. If you get voice mail please tell us you want to RSVP for the scholarship workshop and leave your name and phone number. For more information contact Geri Meyers at Ext. 2296.
