OISS WELCOMES NEW ASSISTANT TO VICE PRESIDENT

The Office of Instruction and Student Services is pleased to welcome Anna Kate Malliris as Assistant to Vice President Cheryl Roberts (replacing Addie Lou Thomas, whose last day is August 16). Anna began her new position on Monday, July 30, working part-time until August 16. She has already proven herself invaluable for her friendly, warm, and welcoming disposition and extremely capable abilities. Anna comes to us with a great deal of experience. Her last position was as an attorney practicing elder law; and she has worked in human resource management and bank management. We're excited that Anna has joined our team, and we invite everyone to come by the second floor of the Administration Building (Building 3) to welcome her to Lane.

RETIREMENT RECEPTION FOR ADDIE LOU THOMAS

A retirement reception for Addie Lou Thomas will be held Thursday, August 15, from 1-2:30 p.m., in the Renaissance Room. Addie Lou has been at Lane for 12 years, eight of those in the Office of Instruction and Student Services. Please join us in thanking Addie Lou for her years of service and friendship, and in wishing her well in her new endeavors. Please let us know if you are planning to attend so that we have an accurate count for food and beverages. RSVP to Debbie Johnson via e-mail or phone (ext. 5037) or Miriam Jordan (ext. 5315) by August 9. Also, we are working on a photo collage. If you have pictures of Addie Lou, please feel free to scan and e-mail as an attachment, or forward actual prints to us. Inspiring stories are also welcome! Thank you!

REMINDER: INTERNET ACCESS UPDATE

As of fall term last year, Computer Services stopped updating the binders with LCC Home Internet Access install instructions. Those instructions have been made available as a downloadable PDF file, which one can print out and take home. We have striven to keep these documents up to date.

Changes have been made in the installation documents for installing LCC's Home Internet Access to enable Banner access from home. We have also provided a document to help make the necessary settings changes for those who already have Home Internet Access installed. At this time, Banner access is only available through LCC's Internet access, not through private Internet Service Providers. The document is available on the Computer Services Web Page. - Dale DuVall, Computer Services

FOUNDATION GOLF SCRAMBLE NEEDS VOLUNTEERS

We need you! The Annual Golf Scramble will be held Monday, September 9, at the Eugene Country Club. We need help with set-up, registration, selling mulligans, being hole-in-one witnesses, being runners, setting up the auction tables and cleaning up. A volunteer orientation is scheduled for Thursday, August 22, at 4 p.m. in Boardroom. If you can help at any stretch of the day, please call or e-mail Janet Anderson at the foundation (Ext. 5803 or e-mail andersonj@lanecc.edu).

BOND REPORT

FIRE ALARM SYSTEM TESTING TODAY. After multiple delays, inspection of the fire alarm system for the new Academic Learning Skills area on the Center second floor is scheduled for today. Horns and strobes on all floors of the Center will be engaged as the fire marshal tests the second floor system. As with other tests, a notification will be released at the beginning and completion of the testing. Bond and LCC personnel will be on site while testing occurs. Since preliminary testing of the system was successful last week, the bond team is confident that the system will pass inspection, and occupancy permit will be issued, and the few remaining ALS office personnel will finally be moved into their new quarters.

FOURTH FLOOR DEPARTMENTAL OFFICES MAKE THE MOVE. As part of the Center fourth floor relocation, the main offices for English, Foreign Language and Speech and Social Science are moving this week. Today, the EFL&S office moves to Center 260; Center 260 is the former location of Distance Learning. Please note that the main entrance for the EFL&S departmental office is from an exterior door in the southeast corner of the building rather than through the library. The Social Science Department is moving tomorrow, August 21, to Building 20, the former location of Training and Development. In order to help students find their way to the relocated main offices, directional signs, if not already posted, will be placed along critical pathways of the campus. Signs are already posted on all entrances to the Center Building. Students First!, Counseling and Testing also possess relocation maps as aides to help students locate the departments. Relocation of all personnel and functions on the Center fourth floor is tentatively scheduled to occur by the middle of September. The majority of personnel will be moved by the end of August with classrooms and specialized areas relocated during the first half of September.

INSTRUCTIONAL COMPUTING LABS BEGIN RELOCATION. The four computer labs/classrooms on the Center fourth floor have begun relocation to various areas on the main campus. Already moved to Building 13 (Electronics Annex) Room 108 is the open lab formerly located in Center 478. Joining the open lab is the Social Science lab, formerly located in 423 and 423a. By the end of the month the two computer classrooms (478a and b) will move to Building 13 (Electronics Annex) Room 104 and Building 5 (PE) Room 126. Directional signs will be posted at significant locations on campus to help guide students to the relocated computer labs and classrooms.

FOR MORE INFORMATION regarding bond projects or relocations please contact Nancy Nichols at ext. 5027 or e-mail the bond office.

PRINTING/GRAPHICS NEEDS NEW ACCOUNT NUMBERS

Printing/Graphics has changed to the new Banner system for billing all print shop services and convenience copier charges. When you submit work orders to the print shop, please use your new Banner account numbers on the forms, and use spaces or hyphens between the four series of numbers. If you have already put in order forms using the old account numbers and have saved your pink or yellow copies, we ask you to send us those (or photocopies) with the new numbers written on them. We will use them to match to our billing copies and make the updates. (Your copies of the forms will be returned to you). Printing/Graphics also needs your new account numbers for department convenience copiers. Please provide these as soon as possible, matching the account numbers to the appropriate access codes used by your department. If you need a copy of the list of your codes, or have questions or concerns, please contact Loreta Pritchard by e-mail or call her at 463-3109.

RSVP SEEKS NEW SPONSOR

The Retired Senior Volunteer Program (RSVP) is seeking a new sponsor and will hold a meeting to present sponsorship and grant information on Thursday, September 5, from 10 a.m. to noon, at the Trude Kaufman Senior Center at 996 Jefferson Street in Eugene.

RSVP is funded by a \$82,715 grant from the Corporation for National and Community Service (CNCS), and receives administrative services from Lane. Lane has sponsored RSVP since 1972 but will relinquish sponsorship at the end of the CNCS grant period on December 31, 2002, due to increasing budget constraints at the college.

"RSVP is a very valuable program," says Jane Sheidecker, interim executive director for Business, Workforce Development and Extended Learning. "We at LCC are proud to have been associated with RSVP and are committed to working with the Corporation for National Service and RSVP over the next several months to support a healthy transition to another community sponsor."

Public and private nonprofit organizations are eligible for sponsorship and are invited to attend the meeting to learn about the program, sponsorship and grants. RSVP has sponsored the Trude Kaufman

Senior Center, Community Time Share, Money Management, and the Family Caregiver Support Program, all programs which can be sponsored independently or through RSVP. Meeting presenters will be Elaine Barrett, RSVP director, and Claudia Moorad of CNCS.

Lane's RSVP was recognized by CNCS last year as one of a handful of 30-year-old RSVP programs in the United States still thriving.

Potential sponsors who cannot attend the meeting may obtain grant information from the Kaufman center or may contact Moorad at (503) 231-2103 for more information.

THANK YOU, WONDERFUL PEOPLE AT LANE

My heart is filled with warmth and gratitude for the wonderful send-off I was given last Thursday. It couldn't have been a better retirement party -- I felt so loved and appreciated. Thank you all for your warm goodbyes and your good wishes for my future. (For those of you who aren't aware, I'm following a long-held dream of being a personal trainer at Fitness Advantage, 1745 West 11th, 345-3588. Come by and see me sometime.)

As I fade peacefully into the sunset . . . or leap into the next phase of my life . . . I also want to thank each and every one of you for your part in my experience here at Lane. You've helped me in many ways and challenged me to expand my thinking and grow in my abilities to interact with diverse personalities. We've had some good times and some difficult ones; we've worked together well and sometimes worked through differences. But all in all, it's been a rewarding experience, and I feel honored to have had the chance to know you - blessed, even, that you've enriched my life in so many ways. Thank you for your presence in my life.

May God bless you all in your worthy endeavors here at Lane, strengthen you to you cope with these difficult times, and help you to see the blessings amidst the turmoil. With warmth and affection, Addie Lou Thomas. (Note: The retirement celebration was paid by Friends of Addie Lou.)

THANKS FOR THE PRIZES

We would like to thank the following Lane departments for their generous donations of prizes for the drawing at the Lane County Fair booth: Conference and Culinary Services for a lunch for two in the Renaissance Room; Bookstore for a \$25 gift certificate; Music, Dance and Theater Arts for two tickets to a performance; and the Foundation for a three-credit class. Your donations helped increase the interest in the Lane booth. From Karen Dickey and Tina Lymath.

MACHOMER PERFORMANCE IS SEPTEMBER 18

An internationally acclaimed one-man show of Shakespeare's MacBeth is coming September 18 to the McDonald Theatre. "MacHomer" is a laugh-filled performance of "The Simpsons" doing MacBeth. Over 50 Simpsons voices and video images bring Shakespeare into the 21st century. This is a benefit performance for the Lane Business Education Compact, a local non-profit focusing on teacher and student internships and better relationships between area businesses and all of our schools. Lane is a charter member and supporter of the Lane Business Education Compact and would like to invite all of you to attend. Tickets are available through Fastixx (Safeway, Hult Center, etc.) with a discounted student show at 7 p.m., any seat for \$12 (student ID required.) The 10 p.m. performance tickets range from \$12 to \$35 and this show includes some "extra" entertainment. Check out www.MacHomer.com for more information.

REMINDER: FOUNDATION GOLF SCRAMBLE NEEDS VOLUNTEERS

We need you! The Annual Golf Scramble will be held Monday, September 9, at the Eugene Country Club. We need help with set-up, registration, selling mulligans, being hole-in-one witnesses, being runners, setting up the auction tables and cleaning up. A volunteer orientation is scheduled for Thursday, August 22, at 4 p.m. in Boardroom. If you can help at any stretch of the day, please call or e-mail Janet Anderson at the foundation (Ext. 5803 or e-mail andersonj@lanecc.edu).

REMINDER: PRINTING/GRAPHICS NEEDS NEW ACCOUNT NUMBERS

Printing/Graphics has changed to the new Banner system for billing all print shop services and convenience copier charges. When you submit work orders to the print shop, please use your new Banner account numbers on the forms, and use spaces or hyphens between the four series of numbers. If you have already put in order forms using the old account numbers and have saved your pink or yellow copies, we ask you to send us those (or photocopies) with the new numbers written on them. We will use them to

match to our billing copies and make the updates. (Your copies of the forms will be returned to you). Printing/Graphics also needs your new account numbers for department convenience copiers. Please provide these as soon as possible, matching the account numbers to the appropriate access codes used by your department. If you need a copy of the list of your codes, or have questions or concerns, please contact Loreta Pritchard by e-mail or call her at 463-3109.

REMINDER: VOLUNTEERS NEEDED FOR WELCOME BOOTH

Each year the Student Life and Leadership Development office hosts a welcome booth in the front of campus (Building 1) to welcome new and returning students to Lane. This year we will be utilizing the beautiful new tent that Facilities has purchased to cover our booth.

Pepsi Co. Premier Distributors and other businesses donate goodies to give away to students throughout the day and KNRQ does a live broadcast on the first day of school. The booth starts at 7 a.m. and close at 6 p.m. We are looking for people to work in two-hour shifts throughout the day. If you are interested and can spare two hours on the first two days of school, September 23 and 24, please e-mail me or call me at 5336 to volunteer for a shift. This is a great way to welcome students and to route them in the right direction. - Tina Lymath, Student Life and Leadership Development
