## ACCREDITATION: TAKING PRIDE IN WHAT WE DO WELL AND IDENTIFYING WHAT WE CAN DO EVEN BETTER

The work started during in-service on our self-study for accreditation will continue throughout the year, college wide in every department. Every Tuesday and Thursday in The Daily, we will randomly select and highlight how one person's daily work aligns with the mission and core values of the college. If you would like to submit an example, send an e-mail to [SelfStudyAccreditation@lanecc.edu](mailto:SelfStudyAccreditation@lanecc.edu).

"I work with students pursuing Health Careers. These programs are intense. My goals include providing exact and excellent advising to help each student achieve their academic success and meet program-specific requirements. Keeping students informed on requirements, changes, and processes is challenging and helps ensure their retention and success. In an effort to provide better student services, I am currently learning how to develop a web-board. This tool helps me to reach the approximately 2000 Health Career students with any updates or news items in an efficient way." - Shirley Lukacs, Academic Advisor/Health Careers

Thank you, Shirley, for your work in advancing Lane's core values. The office of Instruction and Student Services will deliver a coupon for you to purchase a gourmet coffee drink or a regular coffee/tea and muffin at the espresso bar in the cafeteria. NOTICE OF LANE

## UPDATE FROM THE BANNER STUDENT CORE TEAM

The Banner Student Core Team has been preparing for the implementation of the new integrated software since January 2002. We have spent the year analyzing our current business practices, developing, with input from affected constituencies, best practices, and learning together how to implement these best practices in Banner. We have been mindful that using a fully integrated system has created what we are calling the "One Registrar Environment." Now instead of having different databases for credit and non-credit courses and students, we are operating together under the same umbrella. As a result, many of our past practices are being modified.

We have identified a number of processes that will be different when we go live with Banner Student this summer term 2003, and some changes that will take place before that time.

If you would like a representative of the Banner Student Core Team to meet with your group to review these, contact Helen Barker Garrett, Student Core Team Chair, at ext. 5686.

### Modifications to Current Practices Implemented for Banner Student Module, Summer 2003:

Annual Registration is now Advanced Registration. For the first year of implementation, students using Advanced Registration Advising will register ahead of other students. There will no longer be a confirmation process. For the 2003-04 academic year registration will be for one term at a time. Beginning with 2004-05 academic year, Advanced Registration will return to a fall, winter, spring advanced calendar.

ExpressLane will replace our Classline voice response system as the tool that students will use to register and more. Classline will be discontinued on May 24, 2003, and Gradeline will be discontinued on July 1, 2003.

The 100 percent refund deadline for full-term classes will be at midnight Sunday following the first week of the term.

The administrative withdrawal policy will not change, except to match the 100 percent refund deadline: first week of the term instead of the current two week time frame.

Students will see an annotation mark on their transcripts for classes that are dropped after the 100 percent refund deadline.

In Banner, variable credit courses are graded for the student's enrolled number of credits, without adjustment by instructors at grading time. To facilitate this change, variable credit students may alter their credit number through the final instructional week of each term (week 10 in an 11-week term).

Students who have not made any payments on their bills will be referred to collections after four months instead of the current six month practice.

Submitted by Helen Barker Garrett, ext. 5686.

#### PASSENGER VANS DISCONTINUED

The college will no longer use 15-passenger vans (owned or rented) effective immediately due to nationwide safety concerns and the advice of our insurance company. Thanks for your understanding and cooperation. Contact: Kay Malmberg, College Operations.

## ACCREDITATION: TAKING PRIDE IN WHAT WE DO WELL AND IDENTIFYING WHAT WE CAN DO EVEN BETTER

The work started during in-service on our self-study for accreditation will continue throughout the year, college wide in every department. Every Tuesday and Thursday in The Daily, we will randomly select and highlight how one person's daily work aligns with the mission and core values of the college. If you would like to submit an example, send an e-mail to [SelfStudyAccreditation@lanecc.edu](mailto:SelfStudyAccreditation@lanecc.edu).

"Primarily, in the learning, innovation, collaboration and accessibility Core Values. I think my daily work support the Core Values. I don't work on diversity and integrity, but I respect them. I have concerns about the advising/testing process. How many students are promised a future in an area when they have little chance of success. What happens to those who don't pass?" - David Shellabarger, Mathematics.

Thank you, David, for your work in advancing Lane's core values. The office of Instruction and Student Services will deliver a coupon for you to purchase a gourmet coffee drink or a regular coffee/tea and muffin at the espresso bar in the cafeteria.

#### A WINNING BALANCE II

A Winning Balance II is a diversity training program to help employees build awareness and skills to succeed in today's workforce. Understanding-and then changing- attitudes and behaviors is the first step towards creating a workplace in which everyone succeeds. This program will help employees personal attitudes towards differences, and how these attitudes affect interactions with others in the workplace. But most importantly, it will offer employees the skills needed to become diversity change agents in creating a work environment and organizational culture that furthers the development of each and every employee. This highly interactive training will serve as a foundation for providing Lane staff with a common understanding about the characteristics of a respectful work environment. There will also be an opportunity to engage in conversations and deepen our understanding of diversity at Lane as it expressed in our core values and in the Diversity Plan. #### UNDERSTANDING DIVERSITY WORKSHOP: WEDNESDAY

"Understanding Diversity: What Can I Do?" is a four-hour workshop on Wednesday, February 12, from 8 a.m.-noon, Building 16, Room 211. Provided will be a broad general overview of diversity and our part in it. We will start by examining what we mean by culture and identity. We will look at our own cultures and identities and how they are "interactive," rather than "additive." We'll very briefly look at population realities for who makes up the U.S., schools, and the workforce with factors such as race, age, economics, and immigration and review some "diversity definitions," such as stereotype, power, privilege, and prejudice. We'll participate in a few short consciousness-raising exercises that deal with issues of disability and sexual orientation. Then we'll view the award-winning video, "Blue Eyed," which deals primarily with race and ethnicity, but can be used as a vehicle to think about diversity issues generally. We'll use the video as a touchstone to talk about some general issues of diversity. We'll wrap up with some ideas about taking an adversary path versus taking an ally path. Next workshop will be Tuesday, April 22, 1-5 p.m. (room TBA). For registration, please call ext. 7775. For information, contact Jim Garcia, Diversity Coordinator, ext. 5852.

#### EVENTS IN THE MULTICULTURAL CENTER

ROSA PARKS STORY, Wednesday, February 12, 5:15 p.m., Building 1 (Student Services) Room 201. "The only tired I was, was tired of giving in." So said Rosa Parks in "Mighty Times: The Legacy of Rosa Parks." On December 1, 1955, Parks sparked a revolution by sitting still. Her act of defiance against racial segregation on city buses inspired the African American community of Montgomery, Alabama, to unite against the segregationists who ran city hall. Over the course of a year, the Montgomery Bus Boycott would test the endurance of the peaceful protesters, overturn an unjust law and create a legacy of mighty times that continue to inspire those who work for freedom and justice today. Contact: Susan Matthews, ext. 3245.

VALENTINE'S DANCE AND POTLUCK, Saturday, February 15, 7 p.m.-midnight, Student Services Lounge, Building 1, Room 206. Sponsored by the Queer Straight Alliance. Everyone is welcome, bring the family (there will be lots of children running around), pot luck and dance music. Also Monopoly, Scrabble and other board games. This event is drug and alcohol free. #### THE COPIA LECTURE SERIES CONTINUES

The Copia Lecture Series continues on Saturday, February 15 at 7:30 p.m. at St. Mary's Episcopal Church, 13th and Pearl in Eugene, with a lecture entitled "Alcaid to Dubhe - Al-Queda to Dubya: The Politics of Bridging Gulfs of Difference," given by Mark Harris, LCC instructor in Ethnic Studies, African American Experience and Coordinator, Multicultural Substance Abuse Prevention.

In "Alcaid" Mark Harris moves from his March '02 Copia Lecture into a journey into Liberation Theology. Liberation Theology's roots can be traced beyond Christianity as practiced by American slaves and their fellow liberators, to the hidden traditions of Aramaic speaking Christendom. Using an improvisation style which outside of jazz would be called jidrash, or midrash (personal improvisation of scripture), Mark connects the dots between the symbolism of the "Drinking Gourd" that Liberation Theologists followed, and its relevance today for bridging distant points of view. In the war on terrorism, Liberation Theology challenges us to free ourselves from our Fear.

The monthly Copia Lecture Series is a partnership between Lane Community College and St. Mary's Episcopal Church. The series' purpose is to nourish the mind and spirit of our local community with lectures and presentations covering a generous range of topics of interest to the general public. All Copia Lectures are free of charge. Refreshments will follow, served by Episcopal Campus Ministry.

NOTICE TO DEPARTMENTS RAISING FUNDS FOR FOOD FOR LANE COUNTY. First, all of us in Academic Learning Skills would like to thank all the people who picked up the challenge we issued and started coordinating collections in their Departments and Programs. We're so grateful, and so impressed, that even in such difficult and uncertain budget times, our colleagues here at Lane will donate to help others less fortunate. We'd like to ask those Departments still collecting funds to email Judy McKenzie (at [mckenziej@lanecc.edu](mailto:mckenziej@lanecc.edu)) when you have finished collecting in your Department, and let us know how much you collected. Our plan is to total up how much we collected across the campus (and let the campus know how many Departments beat our Challenge!) and then challenge other employee groups in the community (the UO, perhaps?) to match what we've done. Thanks to all the Departments who've let us know they're working on this: Math, Social Science, ESL, ABSE, College Now, Senior Companion Program, Enrollment Services, Students First, and the Business Development Center. On behalf of Food for Lane County, Thank YOU!!'

## ACCREDITATION: TAKING PRIDE IN WHAT WE DO WELL AND IDENTIFYING WHAT WE CAN DO EVEN BETTER

The work started during in-service on our self-study for accreditation will continue throughout the year, college wide in every department. Every Tuesday and Thursday in The Daily, we will randomly select and highlight how one person's daily work aligns with the mission and core values of the college. If you would like to submit an example, send an e-mail to [SelfStudyAccreditation@lanecc.edu](mailto:SelfStudyAccreditation@lanecc.edu).

"The ESL program and ABSE have been going through an intensive Peer Review (an accreditation process). This process has brought to light all the ways in which we strive to meet LCC's core values. Our collaboration to prepare culturally diverse students to meet their goals is innovative and makes the college more accessible to a great number of students who would otherwise not have the opportunity to advance their skills." -- Tracy Henninger, ESL Program

Thank you, Tracy, for your work in advancing Lane's core values. The office of Instruction and Student Services will deliver a coupon for you to purchase a gourmet coffee drink or a regular coffee/tea and muffin at the espresso bar in the cafeteria.

Topic areas include instruction, learning support, administration, counseling, student services, disability access, and educational technology. This year's conference features presentations by graduate and undergraduate students in collaboration with faculty and other support professionals. #### LOST AND FOUND

Please notify Public Safety when you find items of value in your area. Public Safety is the official "lost and found" on campus and it hinders students claiming their property when departments keep private "lost and found" areas. In the last month we have had two found purses kept in different departments. In both cases, once the purse reached Public Safety we were able to locate the owner -- once through information in the purse, and once because the owner had filed a lost property report. So, while both women were happy to claim their purse, both had already gone to the expense and trouble of replacing drivers license, canceling credit cards, etc. Just give us a call at ext. 5558 and let us help get it back to the proper owner. Sandy Ing-Wiese, director, health and safety.

#### DEPARTMENT CLOSURES

Student First! at main campus will be attending an all day in-service on February 28. The department is not closing; however, services will be available on a limited basis. Photo ID will not be available during the in service. Submitted by Marcia Bell.

#### STAFF NAME CHANGE

Shanna Baker, office support specialist in Workforce Development, has married and changed her last name. Contact Shanna Ball at [balls@lanecce.edu](mailto:balls@lanecce.edu) or ext. 3216. Please update your staff directories.

#### REMINDER: APPLICATIONS FOR THE CARL PERKINS GRANT AVAILABLE NOW

All staff, faculty, and administrators serving students in professional technical programs are welcome to apply for Carl Perkins funding for their programs. The purpose of the grant is to improve the performance of students in professional technical programs. Grant applicants will need to show a direct relationship to this purpose. Funds can be used to supplement a program, but not to supplant. Application forms will be reviewed the Carl Perkins Grant Advisory Committee to determine which programs will be funded and for what amount. Copies of the application form are available from division chairs or by contacting Carol in the Cooperative Education. A workshop for assistance will be held on February 20, from 9 a.m.-4 p.m. in Building 19, Room 142. Application forms are due in the Cooperative Education office no later than 5 p.m. on March 17. Carol Woodman, ext. 5509.

The committee makes written recommendations for changes; reviews safety suggestions and reports of hazards directly from staff; and conducts workplace inspections to locate, identify and document safety and health hazards on a quarterly basis. The members of the committee encourage employees to contact them directly with concerns or other formation that will help create a hazard-free work environment. The members of the committee are: Mike Ruiz, ext. 5566, Facilities Management; Sandy Ing-Wiese, ext. 5666, Health and Safety director; Jennifer

## EXPRESSLANE SIGNS

The LASR Project is beginning to plan for web-based services for students to "go live" about March 1 with the Financial Aid processing for 2003-2004. We want to develop some signage for locations around campus to let students know where computers are available for accessing ExpressLane. If you would like a sign(s) for your area and have not already made a request, please email Georgia in the LASR Project Office with the number of signs you would like. Georgia Nissen, LASR Project Office, ext. 3261.

## IF STUDENTS ARE FILMING ON CAMPUS

Please help us be of assistance to students doing filming projects on campus and advise students to notify Public Safety in advance about their plans. In the past some scenes have been mistaken for reality and unnecessarily involved Public Safety and sheriff's deputies. Filmmaking students can notify Public Safety during the normal business day by calling ext. 5558. Then about an hour before they start their project they should call us again at the same extension. That way we can give initial approval that it is a safe activity to have happen on campus, keep bystanders from becoming involved with possible negative consequences, and not have an unnecessary emergency response. We want students to have a positive educational experience and not inadvertently learn more than they wanted to know about the law enforcement system. - Sandy Ing-Wiese, Director, Health and Public Safety.

## NOTICE TO 10-YEAR, 20-YEAR AND 30-YEAR EMPLOYEES

Ten-year, 20-year and 30-year employees will be honored at a yet to be decided date, with certificates celebrating their years at Lane. If you believe you are one of this group, and did not recently receive an e-mail asking how you would like your name spelled on your certificate, please contact Julie Baker at ext. 5199.

## DAY OF REMEMBRANCE

"Opening the Floodgates of Memory" honoring Japanese Americans interned in camps during WWII is the theme of two events on February 22 . Both events are free and open to the public. The third annual Day of Remembrance presents bilingual storyteller, Megumi, and her original one-woman show, "Floodgates of Memory," a humorously and poignantly told story inspired by Megumi's extensive interviews of former internees of Japanese American internment camps during World War II. Her dramatization includes voices from three generations. Incorporated in her performance will be a panel of local former internees including author Ed Miyakawa, community activist Martha Yamasaki, and 442nd Veteran Kenny Namba who also successfully challenged the Alien Land Law. Megumi's performance will be held in the auditorium of Sheldon High School, 2455 Willakenzie Road, Eugene, on February 22, at 7

p.m. Megumi's vitae and photos are available on her website at [www.MegumiTales.com](http://www.MegumiTales.com) . An afternoon panel, "Homeland Security: Yesterday's Lessons Speak to Today's Tragedy," will feature Japanese American former internees of World War II, as well as two "sansei" activists who are descendents of internees and University of Oregon Law Professor Ibrahim Gassama, who will make connections between the panelists' stories and the present violations of human and civil rights resulting from the USA PATRIOT Act. The panel presentation will be held at the UO Knight Law Center, 1515 Agate Street, Eugene, at 2 p.m. Day of Remembrance is co-sponsored by Eugene 4J School District Multicultural/Equity Office, Eugene Human Rights Commission, Eugene Education Association, University of Oregon Multicultural Center, Japanese American Association, Lane Community College, and PACAlliance (Pan Asian Community Alliance). For more information, contact Bettie Luke at (541) 687-3464 or email at [luke@4j.lane.edu](mailto:luke@4j.lane.edu) . Submitted by Jim Garcia, Diversity Coordinator.

#### USING THE COLLEGE LOGO

Questions often arise regarding how to properly use the Lane logo. The following information briefly summarizes college policy and procedure on logo use. The college logo is the official mark of the college. As such, the logo needs to be used in a consistent manner and should not be altered in any way. The logo should be printed in one color (the only exception is the two-color version approved for the college web site), and no item should be closer to the logo than a distance equal to the height of the letter "C" in the logo. The college logo is the only logo that should be used to represent college departments and programs, and it is required on most printed communication intended to go off campus. To obtain a high resolution logo in digital form, contact Marketing and Public Relations or Printing/Graphics. For more information on using the Lane logo, contact Daniel Moret in Marketing and Public Relations at ext. 5268.

#### REMINDER: FACULTY COUNCIL MEETS FRIDAY

#### PERS WORKSHOP REMINDER

PERS representative Mary Soper will be at Lane on Friday, February 21, for two special presentations to Lane staff. A 9 a.m. to noon session will focus on the PERS information applicable to staff with one year or less to retirement. Content will include an understanding of your estimate, completing retirement forms, and responses to your questions. An afternoon session from 1:30 - 3 p.m. will be an open question and answer time for all staff about PERS issues/changes. This is an important issue for all staff nearing retirement. Changes are occurring which may affect your decision on the timing of your retirement. In order to be best informed, please request a copy of your Retirement Estimate from PERS as soon as possible, to have available at the Feb. 21 session. To obtain the form, go to [www.pers.state.or.us](http://www.pers.state.or.us); then forms; then estimate request, which you will need to print out, complete and sign, and fax to PERS at 1-503-598-0561. Your estimate will be mailed to your home prior to the presentation. PERS is requesting a one-month lead time for estimates, and is not providing retirement benefit estimates for retirement dates past January 1, 2004, at this time, due to the pending change in actuarial equivalency factors. To pre-register for the morning 9 a.m. - noon session, please RSVP to Julie Baker by e-mail. Site will be new Workforce Training Center; room TBA closer to training.

## READING TOGETHER AT LANE

Through the generous grant of an outside donor, the Learning Communities Project of the Strategic Learning Initiative is sponsoring a campuswide book reading and related events next year. The title of the program is Reading Together: Learning, Caring, and Community at Lane. A book or book(s) will be selected that the entire campus can share in and read (Like Eugene's Reading in the Rain). We hope to establish book groups, classroom infusion, performances, lectures, and hopefully an author visit. We would like to announce what the book is by spring in-service. The great part is that you can shape this project and help select the book. A steering committee, book selection process, and a project coordinator will be selected at a meeting on Friday, February 21 from 1-3

p.m. in Room 212 of Building 1. This is open to all staff who wish to participate and it would be great to have widespread involvement in this exciting effort. FOOD FOR LANE COUNTY DRIVE - Academic Learning Skills has contributed \$320; the Social Science Department \$360; College Now \$40; and ESL \$250. That is \$970 so far, which means (thanks to Tracy's information!) that we've contributed 3,880 pounds of food to this community's hungry!! Departments still working: Math, Enrollment Services, Students First, The Business Development Center, ABSE, Health & PE, Advanced Technology, and the Senior Companion Program. So far, we've averaged \$240 per Department - if the Departments still collecting maintain that pace, we can deliver another \$1600, or a total of almost \$2600, to Food for Lane County by the end of February - that's over 10,000 pounds, (five TONS!) of food. Please notify ALS (via Judy McKenzie, [mckenziej@laneccc.edu](mailto:mckenziej@laneccc.edu)) of our total - we'd like to challenge the UO and other organizations in town to match our campus-wide total.

#### REMINDER: DAY OF REMEMBRANCE

"Opening the Floodgates of Memory" honoring Japanese Americans interned in camps during WWII is the theme of two free events on February 22. The third annual Day of Remembrance presents bilingual storyteller, Megumi, and her original one-woman show, "Floodgates of Memory," a humorously

and poignantly told story inspired by Megumi's extensive interviews of former internees of Japanese American internment camps during World War II. Incorporated in her performance will be a panel of local former internees including author Ed Miyakawa, community activist Martha Yamasaki, and 442nd Veteran Kenny Namba who also successfully challenged the Alien Land Law. Megumi's performance will be held in the auditorium at Sheldon High School, 2455 Willakenzie Road, Eugene, on February 22, at 7 p.m.

An afternoon panel, "Homeland Security: Yesterday's Lessons Speak to Today's Tragedy," will feature Japanese American former internees of World War II, as well as two "sansei" activists who are descendents of internees, and University of Oregon Law Professor Ibrahim Gassama, who will make connections between the panelists' stories and the present violations of human and civil rights resulting from the USA PATRIOT Act. The panel presentation will be held at the UO Knight Law Center, 1515 Agate Street, Eugene, at 2 p.m.

Day of Remembrance is co-sponsored by Eugene 4J School District Multicultural/Equity Office, Eugene Human Rights Commission, Eugene Education Association, University of Oregon Multicultural Center, Japanese American Association, Lane Community College, and PACAlliance (Pan Asian Community Alliance). ## CONCERT READING OF ANCIENT GREEK ANTI-WAR PLAY "LYSISTRATA"

Lysistrata, a 2500-year-old play for peace, makes a reappearance at the McDonald Theatre in Eugene on Monday, March 3, at 7:30 p.m., along with 435 (and counting) other performances of the anti-war classic around the world on that date. Sparky Roberts, who directed Lysistrata at Lane Community College several years ago, will direct this concert-style performance, with live music from Troupe Americanistan, Eugene's premiere Middle Eastern music group. Proceeds from the reading will go to WAND (Women's Action for New Directions) and CALC (Community Alliance of Lane County). In Aristophanes' 411 BC comedy, Lysistrata and other Athenian women unite with women from opposing city-states to end the Peloponnesian War. They all vow to withhold sex from their mates-- until, desperate for intimacy, the men agree to lay down their swords and seek a treaty. Roberts describes this ribald, witty play as "the world's first Peace play, the first Women's Lib play, and the first sit-com, all rolled into one." Troupe Americanistan's music features acoustic, ethnic instruments; original and traditional melodies, and improvisations. The cast, all volunteer, includes professional actors, community members, and college student actors, including Misha Fellez as Lysistrata. Suggested minimum donation: \$5. No one under 17. More information on the project can be found at [www.pecosdesign.com/lys](http://www.pecosdesign.com/lys). For local information, call 343-5386.

## BANNER PURCHASING CLASSES FOR NEW USERS

Classes on the Banner Purchasing Module will be offered on Wednesday, March 5 ("P1") and Thursday March 6, ("P2"), in Building 12, Room 119A, each from 8:30 to noon.

The first class, P1, will cover basic purchasing and entering purchase orders. The second class, P2, will include copying, canceling, checking on and looking up POs--all with the inimitable tricks of the trade offered by your instructor.

These classes are mandatory for those intending to promulgate purchase orders at Lane, primarily administrative assistants and managers. If you only intend to approve POs and never actually issue them, you do not need to have these classes.

The classes entail working in Native Banner; thus you must have an "L" number (available from Lida Herberger at ext. 5112 or Sharon Daniel at ext. 5111) and budget authority for your account code expenditures (available from Stan Barker at ext. 5608). Please obtain these items before arriving at the class.

These will probably be the last PO training classes offered this fiscal year.

You may register for the classes by e-mailing me at [rainl@lanecc.edu](mailto:rainl@lanecc.edu) with your name, phone extension, and the sessions you will attend. There is only room for 12 students, so please respond early. I'll confirm your slot a few days before the classes begin.

Lloyd Rain, ext. 5572.

READING TOGETHER AT LANE, Friday, February 21, 1-3 p.m., Building 1, Room 212. Through the generous grant of an outside donor, the Learning Communities Project of the Strategic Learning Initiative is sponsoring a campuswide book reading and related events next year. The title of the program is Reading Together: Learning, Caring, and Community at Lane. A book or book(s) will be selected that the entire campus can share in and read (Like Eugene's Reading in the Rain). The only criteria is that the book raise issues of diversity and that it would be advantageous to have a living author that we can bring to campus. We hope to establish book groups, classroom infusion, performances, lectures, and hopefully an author visit. We would like to announce what the book is by spring in-service. The great part is that you can shape this project and help select the book. A steering committee, book selection process, and a project coordinator

will be selected at a meeting on This is open to all staff who wish to participate and it would be great to have widespread involvement in this exciting effort. DAY OF REMEMBRANCE, "Opening the Floodgates of Memory" honoring Japanese Americans interned in camps during WWII, Saturday, February 22, 7 p.m., Sheldon High School, 2455 Willakenzie Road. Bilingual storyteller Megumi and her original one-woman show perform "Floodgates of Memory," a humorously and poignantly told story inspired by Megumi's extensive interviews of former internees of Japanese American internment camps during World War II. Her dramatization includes voices from three generations. Incorporated in her performance will be a panel of local former internees including author Ed Miyakawa, community activist Martha Yamasaki, and 442nd Veteran Kenny Namba who also successfully challenged the Alien Land Law. An afternoon panel, "Homeland Security: Yesterday's Lessons Speak to Today's Tragedy," will feature Japanese American former internees of World War II, as well as two "sansei" activists who are descendents of internees and University of Oregon Law Professor Ibrahim Gassama, who will make connections between the panelists' stories and the present violations of human and civil rights resulting from the USA PATRIOT Act. ## NO EASY ROAD: UNLEARNING DISCRIMINATION IN OREGON EXHIBIT AT LANE

Discrimination occurs for a variety of reasons. Fear of the unknown, unwillingness to have them participate in our activities, not wanting to work with them, economic competition for jobs, or not want them as neighbors-all led to passing laws to keep "others" from settling comfortably among us. Oregonians have been guilty of discriminating against others since the first settlers made their way across the Oregon Trail.

"No Easy Road: Unlearning Discrimination in Oregon" consists of nine panels tracing our state's history on issues relating to racial, religious, economic, and social justice. It includes graphics, historical texts, quotations and photographs. The exhibit will be on display in Building 1, next to the Multicultural Center from March 4-14. For more information, contact Jim García, Lane Diversity Coordinator at 463-5852 or [\\_garciaj@lanecc.edu](mailto:_garciaj@lanecc.edu) .

## DO YOU CREATE STUDENT MASTERS OR MAKE ADDRESS CHANGES IN COCO?

If so, the Banner Student Core Implementation team needs your assistance. Beginning today, we need you to hold on to all documents you use to create any new students in CoCo for winter or spring term, or any documentation of address changes made in CoCo. If you create masters or change addresses directly into CoCo, you might want to make a screen shot of what was entered. The reason for this is that February 21, we began moving CoCo masters over into Banner. If these masters are not also entered into Banner before June 2, these students will not be able to register when we go live with Banner in June. Trainings will begin in March to provide users with the ability to enter these records/masters that are being held onto for now into Banner, as well. E-mail notifications of the trainings will be sent the week of February 24. Submitted by Helen Barker Garrett, ext. 5686.

## BSU SPONSORS WORKSHOPS

#### HARASSMENT AND DISCRIMINATION IN THE WORKPLACE WORKSHOP

Now more than ever employees must understand more about workplace harassment and discrimination. It seems as if, everyday, the courts expand the definition of harassment and discrimination. In this changing environment it's difficult to know or understand what's allowed and what's not allowed at work. This brand new video training program breaks ground by dramatically illustrating:

- \* The ever expanding range of behaviors that create a hostile work environment
- \* The differences between free speech at work and protected speech in public
- \* The consequences for individuals who exhibit unacceptable behavior
- \* The legal consequences that companies or organizations can encounter

This training provides a common understanding about the characteristics of a respectful work environment and builds upon our skills to create a campus environment where employees want to work and community members want to be. The training schedule is as follows:

March 12, 8-10 a.m., Building 5 (PE) Room 206

April 24, 3-5 p.m., Building 5 (PE) Room 206

May 6, 8-10 a.m., Building 5 (PE) Room 206

June 12, 3-5 p.m., Building 5 (PE) Room 206

To register, please call ext. 7775. Should you have any questions or if you would like to schedule a department training, please contact Jim Garcia, Diversity Coordinator, at 463-5852 or

[garciaj@lanecce.edu](mailto:garciaj@lanecce.edu).

## DIVERSITY PROGRAM BRINGS CHURCHILL ESL STUDENTS TO CAMPUS

The Lane Diversity Team invites Lane staff to welcome visiting students to campus. The Lane to Your Future is a visitation program for high school students from diverse communities to visit Lane Community College. The program provides small groups with an in-depth look into Lane and motivates students to pursue higher education. Students sit in on a class in an area of interest, tour campus, talk to current students, and learn about educational options and student services at Lane. On Thursday, March 6, there will be students from the Churchill High School ESL program visiting Lane. There will be an opportunity during the lunch hour, noon-1 p.m., in the Student Life and Leadership Development Office (Building 1, Room 206) for Lane staff to interact with students. Your role will be to inspire and motivate students about the opportunities available at Lane. Please bring your own lunch. For more information about Lane to Your Future, contact Karen Dickey, High School/Community Relations Coordinator at ext. 5688. Submitted by Jim Garcia, Diversity Coordinator.

## FEBRUARY 12 BOARD REPORT

The first steps toward selling bonds to finance the college's unfunded PERS liability were taken at the February 12 Board of Education meeting. Unless the board withdraws before pricing is set, Lane will participate in a pool with other Oregon community colleges to issue taxable pension bonds in April or later.

To begin the process, the board approved a letter of intent and a resolution by 6-0 vote; Robert Ackerman was absent. Legislative action may lower the unfunded liability. The board's action followed President Mary Spilde's announcement that current budget projections show a \$5.9 million funding gap for 2003/04.

In other unanimous action, the board approved the 2003/04 budget calendar (see <http://www.lanecce.edu/budget/0304/budget0304.htm>); approved the college's new vision, mission and values; approved strategic goals for the president; and appointed Kevin Wells to the Budget Committee.

The board discussed differential pricing and directed administration to continue analysis of this issue. The idea is whether and how to charge more tuition or fees for costlier classes or those with more "consumable" use. Spilde said the discussion has come up because "access and affordability have collided."

The board commended efforts toward budget transparency goals; reviewed a benchmark on gender and minority status of graduates; reviewed a follow-up report to the policy on treatment of learners and consumers. In a review of the emergency succession policy, President Spilde said the vice presidents would serve as acting president in the event she is unable to provide leadership.

In other business, President Spilde presented a plaque to board chair Roger Hall from the Oregon Community College Association in recognition of his 12 years of dedicated service.

The next regularly scheduled meeting is March 12. Submitted by Joan Aschim.

#### UNDERSTANDING DIVERSITY WORKSHOP

When: Tuesday, March 4, 1-5 p.m., Downtown Center, Room 202

Goal: Introduce Basic Diversity Concepts

Objective: Recognition of assumptions, perceptions, stereotypes, prejudices and how they affect interactions.

Outcome: Acquire a basic understanding of diversity skills

This four-hour workshop will be a broad general overview looking at the nature of diversity and our part in it. We will start by examining what we mean by culture and identity. We'll look at our own cultures and identities and how they are "interactive," rather than "additive." We'll very briefly look at population realities for who makes up the U.S., schools, and the workforce with factors such as race, age, economics, immigration, etc. and review some "diversity definitions," such as stereotype, power, privilege, prejudice, etc. We'll participate in a few short consciousness raising exercises that deal with issues of disability and sexual orientation. Then we'll view the award winning video, "Blue Eyes," which deals, primarily, with race and ethnicity, but can be used as a vehicle to think about diversity issues generally. We'll use the video as a touchstone to talk about some general issues of diversity. We'll wrap up with some ideas about taking an adversary path versus taking an ally path. Patty Horton, DTC ext. 5949

#### PTK THANK YOU

Submitted by Chris Culver.

#### CANDEE THANKS

From Steve Candee: I don't think that I could ever fully express my gratitude to all of my friends and colleagues at LCC (faculty, staff, administrators, students) for all of the concern, good wishes and support I have received during my recent battle with cancer. I'm happy to report that everything went extremely well with my surgery and am planning to return to campus in Spring Term. The dozens and dozens of cards, e-mails, gifts, offers of food, cleaning my house, chopping wood, was all so overwhelming and humbling. Special thanks to Ken and Andrea and all my buddies in Social Science and Coop Ed, Stephanie, Patsy, Tracy, Miriam, Ruth and Stan, and so many others that have helped to get me through this.

#### 2002-03 AFFIRMATIVE ACTION PLAN UPDATED DATA REQUEST

#### REMINDER: BANNER PURCHASING CLASSES FOR NEW USERS

Classes on the Banner Purchasing Module will be offered on Wednesday, March 5 ("P1") and Thursday March 6, ("P2"), in Building 12, Room 119A, each from 8:30 to noon.

The first class, P1, will cover basic purchasing and entering purchase orders. The second class, P2, will include copying, canceling, checking on and looking up POs--all with the inimitable tricks of the trade offered by your instructor.

These classes are mandatory for those intending to promulgate purchase orders at Lane, primarily administrative assistants and managers. If you only intend to approve POs and never actually issue them, you do not need to have these classes.

The classes entail working in Native Banner; thus you must have an "L" number (available from Lida Herberger at ext. 5112 or Sharon Daniel at ext. 5111) and budget authority for your account code expenditures (available from Stan Barker at ext. 5608). Please obtain these items before arriving at the class.

These will probably be the last PO training classes offered this fiscal year.

You may register for the classes by e-mailing me at [rainl@lanecc.edu](mailto:rainl@lanecc.edu) with your name, phone extension, and the sessions you will attend. There is only room for 12 students, so please respond early. I'll confirm your slot a few days before the classes begin.

#### REMINDER: UNDERSTANDING DIVERSITY WORKSHOP

When: Tuesday, March 4, 1-5 p.m., Downtown Center, Room 202

Goal: Introduce Basic Diversity Concepts

Objective: Recognition of assumptions, perceptions, stereotypes, prejudices and how they affect interactions.

Outcome: Acquire a basic understanding of diversity skills

This four-hour workshop will be a broad general overview looking at the nature of diversity and our part in it. We will start by examining what we mean by culture and identity. We'll look at our own cultures and identities and how they are "interactive," rather than "additive." We'll very briefly look at population realities for who makes up the U.S., schools, and the workforce with factors such as race, age, economics, immigration, etc. and review some "diversity definitions," such as stereotype, power, privilege, prejudice, etc. We'll participate in a few short consciousness raising exercises that deal with issues of disability and sexual orientation. Then we'll view the award winning video, "Blue Eyes," which deals, primarily, with race and ethnicity, but can be used as a vehicle to think about diversity issues generally. We'll use the video as a touchstone to talk about some general issues of diversity. We'll wrap up with some ideas about taking an adversary path versus taking an ally path. Patty Horton, DTC ext. 5949.
