### VP OISS OPEN FORUMS

Patrick Lanning and Dr. Joseph Dunlap who are candidates for the Vice President of Instruction and Student Services will hold open forums this Tuesday and Wednesday: Patrick Lanning on Tuesday June 1, and Dr. Joseph Dunlap on Wednesday June 2. Both forums are from 3-4 p.m. in Building 17 (Forum) Room 308. All staff are encouraged to attend.

Patrick Lanning is currently division chair of Health, PE and Athletics, and interim division chair of Music Dance and Theater Arts, and Art and Applied Design here at Lane. Prior to these positions was a faculty member and Fitness Education Coordinator in Health, PE and Athletics. He has a master's degree in interdisciplinary studies from the University of Oregon and is a doctoral candidate in the Community College Leadership Program at Oregon State University.

Dr. Joseph Dunlap is currently vice president for instruction at Clover Park Technical College in Washington. He was an instructional dean of science and industrial technology at Mount Hood Community College between 1998 and 2002 and was the department chair at the school of aviation sciences and international pilot training center at Western Michigan University from 1989 until 1998. He holds a doctorate of education from the Community College Leadership Program at Oregon State University.

### ELEANOR ROOSEVELT AND ROSIE THE RIVETER IN EUGENE

Eleanor Roosevelt visited Eugene in 1941. During her tour of the Eugene Vocational School, Eleanor Roosevelt expressed an interest in the training of women for the defense industries. The Archives has a collection of EVS photos, including photos of Eugene's own "Rosie the Riveter" which show women being trained to fasten rivets on airplanes. Founded in 1938, Eugene Vocational School trained unemployed men during the Depression and women and men during World War II. It was renamed Eugene Vocational Technical School in 1958 and subsequently was folded into the newly established Lane Community College in 1965. If you know of women who were trained at EVS, please contact the Archives -- we'd love to record their experiences.

## MANAGEMENT EVALUATION PROCESS NOTICE

Greetings College Employees: You may be aware that a new management evaluation process is being implemented at Lane Community College. This new process requires that direct report and peer managers be afforded an opportunity to assess the performance of college managers during the annual evaluation cycle.

To meet this requirement of the management evaluation system, the college has developed an evaluation tool for all college employees to provide feedback and assess the performance of their respective direct report college manager. The evaluation tool is in survey form on ExpressLane and will be available for employees to complete between May 26 and June 11.

Thank you in advance for voluntarily participating in this aspect of the management performance evaluation process. Each college employee will be able to complete only one direct report management evaluation survey for his/her direct report manager.

Directions: To access the direct report evaluation survey, please go to the Lane database on ExpressLane. Enter your L number and pin just as you would to enter time sheet hours. Click on the Employee Services link. Among the service options you will see Direct Report Management Evaluation. Click on the direct report evaluation link and follow the directions to complete and submit the survey. Please be assured that all responses to the online direct report management evaluation survey will be strictly confidential and anonymous. Contact: Dennis Carr.

### TAKE THE VIRTUAL "WALK/JOG TO FLORENCE"

The LIFE ""Florence or bust!" virtual walk/jog pedometer program starts this summer. The LIFE program will provide you with a pedometer and simple recording sheet to track your steps and mileage easily. To learn how to use a pedometer, attend a 15-20 minute training session on a drop-in basis from June 2 to June 11 Monday, Wednesday, and Friday, from 11:45 a.m. to 1 p.m., meeting at the track, just outside Building 5. The goal of the program will be to walk or jog 5 to 6.5 miles/week, at any pace, for 10-12 weeks. If you reach Florence by September, you can keep the pedometer and earn an additional reward! If you have any questions, please contact Wendy Simmons or Jennifer Jordan by email or at ext. 5551 or 5263 respectively.

### CPDT YEAR END REPORT

From Dean Middleton: My first year as chairperson of the Classified Professional Development Team is nearly at an end. I write this note both to give thanks to the incredibly dedicated fellow team members, and to offer the opportunity to share this gratifying experience to other classified staffers.

The CPDT has had a busy year. We have unfurled a new training program: Individual Personal and Professional Development II (IPPD II). Nearly two dozen of the classified staff have received monies through this program to help offset the cost of conferences and workshops that they found valuable in their professional development.

Also new this year was the Changing with the Tides workshops. The team realized that attendance had been sagging during our half-day workshops over the previous couple of years. We wanted to revitalize the training, so we decided to retool. This year the attendance doubled at our half-day workshop. More than 150 of you attended the Changing with the Tides workshops. Your evaluation of the mini workshops was very generous. We hope to continue this format next year.

CPDT has funded more individual higher education this year, through the IPPD I program, than ever before. It is gratifying to see so many of the classified staff is using this valuable educational program.

We committed much of our focus on the Employee of the Month awards (EOM). We have awarded eight different EOMs this year. More classified employees have been recognized, for their outstanding service to the college than any other year in the past. We are continuing to work on the process of nomination and selection to identify the classified staff doing exceptional work for Lane.

If you would like to be a part of this team experience and share in the gratification of knowing that you have helped in the professional development of your fellow worker, now is a good time to join the CPDT. At our annual retreat this summer, we will be planning the team activities for the upcoming year. This is an excellent opportunity to learn about the team and provide input into the planning process. If you are interested in becoming a member of the Classified Professional Development Team, please send an email to [ClassifiedProfessionalDevelopmentTeam@lanecc.edu](mailto:ClassifiedProfessionalDevelopmentTeam@lanecc.edu). Submitted by Dean Middleton, Chairperson, CPDT.

#### FARM PROGRAM ACCEPTING APPLICATIONS

Applications are being accepted for Lane Community College's Farm Business Management (FBM) Program, which has served hundreds of farm owners for nearly 25 years. The FBM program covers topics such as record keeping, tax management, computer uses in agriculture, legal issues, farm planning, and marketing. Classes begin in the fall, but early application is advised due to limited space. Participants will attend evening classes and receive one-on-one instruction to apply concepts to their own businesses. The program provides the flexibility to assist farms ranging from start-up, part-time operations to established farms with well over \$1 million dollars in sales. For more information, call Gary Valde at 463-4615.

#### REMINDER: SCHAFER INNOVATION AWARDS SUPPORT GOOD IDEAS

Got a good idea? The Lane Community College Foundation is now accepting applications for the 15th Annual Eldon G. Schafer Endowment for Innovation Awards and Grants. Pat-on-the-Back Awards offer a \$250 first prize and runner-up awards for staff who introduced innovations during 2003/04. Grants of up to \$5,000 are available to develop or test potentially beneficial innovations at Lane by June 2005. Any Lane employee is eligible, full-time or part-time. Individuals or groups may be nominated and self-nominations are acceptable.

Past grants have funded a variety of endeavors, such as Flexible Sequence Algebra, the Scholarship Opportunities booklet and the Reading Together project.

For an application form visit [www.lanecc.edu/foundatn/foundatn.htm](http://www.lanecc.edu/foundatn/foundatn.htm). If you have questions, contact Lori Steger in the Lane Foundation at Ext. 5312. The application deadline is June 15. Submitted by Lori Bumgardner Steger, Grants Coordinator.

#### REMINDER: STUDENT RECOGNITION NOMINEES

Do you know a special student you would like to recognize? Student Life and Leadership Development is gathering nominations from faculty and staff to recognize students for their special achievements. What constitutes special achievements? It could be the student who won departmental awards, national awards, scholarships, competitions, or even the student who managed to show up, do their best, and persevere and thereby served to inspire students and instructors in some way. To nominate a student please send an e-mail to [delanskyb@lanecc.edu](mailto:delanskyb@lanecc.edu) with the following information: student's name, staff name who is doing the nomination, reason for recognition. It's that simple! All students nominated (and their nominators) will be invited to attend the end of the year celebration on June 10 at the Hilton (more information on this event to follow!). Submitted by Barbara Delansky.

#### THANK YOU TO THE BOOKSTORE

Thank you, Ava, Shelley and Peggy from the Bookstore! Your contributions for the balloons was wonderful and the treats were even better! Every Employee of the Month winner enjoys the balloons and usually is quite surprised over the hoopla, but very deserving of the recognition. You are also deserving of recognition for donating your time, talents and the balloons, mugs and candy for this important award. The Classified Professional Development Team greatly appreciates you! Submitted by Colby Sheldon and Leigh Alice Petty, EOM Co-Chairs.

### VP OISS OPEN FORUMS CONTINUE

An open forum with Dr. Sonya Christian, candidate for Vice President for Instruction and Student Services, will be held Thursday, June 3, from 3-4 p.m. in Building 17 (Forum) Room 308. All staff are invited to attend. Dr. Christian has been associate vice president for instruction here at Lane since January 2003. From 2000 to 2003 she was dean of student learning at Bakersfield College in California and was division chair of mathematics and computer studies at Bakersfield from 1996 to 2000. She has been a mathematics faculty member at several colleges and holds a doctorate in education from the University of California.

An open forum with Dr. Ranaye Marsh, candidate for Vice President for Instruction and Student Services, will be held Monday, June 7, from 3-4 p.m. in Building 17 (Forum) Room 308. All staff are invited to attend. Dr. Marsh has been dean of the College of Technology at Idaho State University since 1995, and an associate professor at the college since 1997. Before joining the College of Technology she worked in the division of adult, vocational and technical education in the Denver Public Schools for over 14 years as a health occupations administrator and faculty member. She holds a

doctorate in vocational administration from Colorado State University. Contact: Kate Barry.

#### GRAPHIC DESIGN POSTERS NOW AVAILABLE

Copies of the Graphic Design Class of 2004 poster, featuring the business card designs of this year's graduates, are now available. They can be picked up outside the Art Office (MA 101) in Building 11. Thomas Rubick, ext. 5887.

#### SUMMER CLASS SCHEDULE POSTERS ARE AVAILABLE

Posters are available that are based on the cover story on the current class schedule. The summer term poster highlights alumni Tom and Billy Pappas, two brothers who are Olympic hopefuls in the decathlon. Tom is the reigning world champion in the event and in 2003 was the winner of the Jesse Owens award as the top male track-and-field athlete in the United States. The posters are 11 by 17 inches and are available from Marketing and Public Relations. Submitted by Daniel Moret.

#### SUSTAINABILITY COMMITTEE REPORT

From Marie Matsen, Vice President for College Operations: On May 27, about two dozen faculty, classified, managers and students participated in a four-hour evening workshop around creating a comprehensive sustainability effort at Lane Community College. We celebrated many individual efforts (recycling, native landscaping, our first hybrid motor pool vehicle, and the switch to "green" cleaning products by housekeeping to name only a few). And we dreamed about Lane 20 years from now (for example becoming an net energy producer rather than a consumer, cutting our greenhouse gas emissions and our waste to zero, and other dreams equally big). I believe that by working together and involving the whole college community, these dreams can be a reality! In fact, I believe we must accomplish these dreams if Lane is to remain a thriving center of learning in our community.

This group of your colleagues is committed to sustainability and we want to involve everyone in these efforts. Some of us will be working over the summer to lay a foundation for wide involvement in a variety of projects next fall. But don't wait until fall to get involved and get excited! ## **EVENTS**

### **BOOK SALE**

From Carol Watt: Our Big Fat Book Sale: from Choice to Cheap, is happening Thursday, June 3, and Friday, June 4, possibly continuing in finals' week. Hours are 10 a.m.-4 p.m., and the location is close to the espresso bar in the cafeteria. The book sale is a benefit for Roger Steinmetz, who was forced to retire midway through spring term from his part-time English position because of increasingly debilitating back pain. Sixteen of his 30 years of college teaching have been at Lane. Roger has been a respected colleague and is a kind-hearted person, one who at 53 faces penury until PERS and Disability kick in, if they do. His medical expenses have wiped out his savings, and he faces having no health insurance or rent money by July. Call Carol Watt at ext. 5749 or email for more information.

Please consider dropping off a check made out to the Roger Steinmetz Fund at the EFLS office. Or you may have some books to donate, from cheesy thrillers to weighty tomes. Please bring them to the cafeteria Thursday or Friday. Another way to contribute is to help with the sale; there is a sign-up sheet in the EFLS office for staffing Our Big Fat Book Sale tables.

Books will be mostly priced in the \$1, \$2, and \$5 range, with a free book of equal or lesser value for every five in one category purchased. A few "Choice" books will be set aside for a silent auction. Please tell others about the fund and the book sale. And come buy books.

### **WELLNESS CHALLENGERS CELEBRATE**

Celebrate your health and newly adopted wellness habits by coming to PE 206 on Wednesday, June 9 from 11 a.m.-1 p.m. Stop by for healthy snacks, to pick up your LIFE T-shirt, and to glance at some photos of your fellow group members earning wellness points. If you can't make it we can give your shirt to one of your group members. We hope to see you there! Contact: Wendy Simmons.

### **GRAPHIC DESIGN GRADUATION**

The portfolio review and graduation celebration for the Graphic Design Class of 2004 will be held on Wednesday, June 9 from 4-6 p.m. in the Art Gallery (Building 11). Refreshments will be served. Contact: Thomas Rubick, ext. 5887.

### EMPLOYEE OF THE MONTH

Congratulations to Eric Andersen, our June Employee of the Month. Eric, a Lane employee since December of 1993, was surprised early so he could be recognized at the Employee Gala on May 26. Many of his Instructional Computing co-workers were gathered in the lab in 4/104 waiting to cheer for him when the balloons, honorary parking pass, and check were delivered by Leigh Alice Petty and members of the Classified Professional Development Team. Eric's face indicated his total shock and surprise. Thank you Eric for going the "extra mile" in your job here at Lane. Three cheers for you and the fine job you have been recognized for doing by your supervisor and co-workers. Submitted by Leigh Alice Petty, Co-Chair for Employee of the Month Committee.

### LEARNING COMMUNITIES COORDINATOR CHOSEN

The Learning Community Leadership Team is pleased to announce that Anne McGrail will be the new Learning Communities Coordinator beginning in the fall of 2004. Anne brings the experience of numerous on-campus leadership positions and learning community experience as well as the knowledge she has gained in working on Lane's Self Study to the position. Please join us in congratulating Anne McGrail on this appointment. Submitted by Maurice Hamington.

### COMPUTER SERVICES ANNOUNCES SOFTWARE UPGRADE

Some time after June 9, Computer Services will begin another series of automatic software upgrades. The upgrades will occur on a department by department basis and will only affect the Novell login software on Windows 2000 and XP PCs. Macintosh and Windows 98 users will not receive this particular upgrade.

Please watch your email. Individual users in a department will be notified by email two to three days before the date of the software rollout to your department. This email will also tell you what to expect during the course of the upgrade.

You are welcome to call the helpdesk at ext. 4444 or contact [helpdesk@lanecc.edu](mailto:helpdesk@lanecc.edu) if you have any questions.

### CONGRATULATIONS, GRADUATES

AAWCC would like to recognize the following Lane employees for achieving their academic goals this year. Working in education, we are all fully aware of the hard work and sacrifices that you have made in order to obtain your degree. Congratulations to: SCOTT BELL, Adult Basic and Secondary Education, who received his master of science in health and safety administration from the University of Oregon in March; LINDA GRENZ, Library, who received her bachelor of arts in human resource management from George Fox University in May; to MARGARET ROBERTSON, Advanced Technology, who received her bachelor of landscape architecture from the UO in June. Don't forget to congratulate these colleagues the next you see them! Donna Zmolek, ext. 5750.

#### NATIVE AMERICAN WORD FOR THE WEEK

Today's Native American word for the week is "Pejuta Sapa," which is Lakota (Sioux) for "coffee." "Pejuta" is most often translated as "medicine" and "sapa" means "black." Coffee was considered such a refined delicacy (when it was first introduced among the Northern Plains tribes) that it was "elevated" from the status of a mere (soft) drink to a "medicine." Calling anything "pejuta" was, in effect, a name that carried with it a great deal of respect and in this way, Indians honored the coffee that Euroamericans craved so intently. A "medicine" was also reserved for something which has spiritual or medicinal characteristics to it, which may refer to the desired effects of the caffeine. Two other terms for coffee sound only vaguely similar to the English, but they are worth mentioning here: "wakalyapi" or "wakalapi."

Find out more of these cross cultural language adaptations in this summer's AIL 100 class entitled "Foundations of American Indian Languages" taught by Dr. Don Addison of the Choctaw Nation. (Contact Dr. Addison in the English Department if you have questions.)

#### INTERNAL CONTROLS ACCOUNTING?

Have you heard about this Lane College Operations department, and wondered what we are all about? We are new, created in 2003-04. Let us introduce ourselves by sharing our mission statement: "Our purpose is to support Lane Community College's Vision, Mission, Values and Strategic Directions by: Providing objective evaluations of financial policies and procedures, Developing recommendations to process owners for improving these internal financial controls, and Conducting regular financial monitoring activities to analyze the efficiency and effectiveness of financial operating practices and procedures. The focus of all Internal Control Accounting activities is to support Lane's stewardship over its assets, and the efficient and effective use of financial resources in support of learning." So what's in it for you? Our goals are to help you: Protect the assets of the College from misappropriation, misuse and disuse. Streamline and better control your business processes. Provide a product that enhances the knowledge base of business process owners and staff. Please look for coming installments, and email any questions or comments to . Thank you. Contact: Laura Martin.

## NEWS

### LCC BUS PASS AVAILABLE SUMMER TERM

Students and staff taking a credit class on main campus are eligible for the LCC Bus Pass. Get a photo ID once, and renew with a new sticker each term you qualify. Students who do not already have a pass can get their photo ID June 18 or 21, 8 a.m. - 5:30 p.m., in Building 19, Room 117 to begin riding the bus. Summer term stickers will be available June 28 - July 2, 8 a.m. - 5 p.m., in Building 19, Room 117. Students must have a summer term sticker by July 3 to continue riding the bus. After July 2, eligible students can go to Students First! at the main campus or the DTC to obtain a voucher for a photo ID or to get a term sticker. Log on to the LTD website at [http://ltd.org/site\\_files/riding\\_ltd/fastpass.htm](http://ltd.org/site_files/riding_ltd/fastpass.htm) or contact Susan Tatar, Facilities Management and Planning, ext. 5727, for more information.

### SUBMIT TO THE COMMUNITY COLLEGE MOMENT

A summertime reminder that the award-winning LCC journal, The Community College Moment, is accepting submissions for its spring 2005 issue. We particularly invite articles for the special "diversity" section. Does your completed or ongoing creative project address the challenges and rewards of adjusting to and accepting racial, gender, social, political, or cultural diversity? We are also open to submissions on any topic from members of the college faculty and staff. To learn more about the Moment, visit <http://teach.lanecc.edu/ccm/>. Send submissions and/or questions to Editors Tracy Henninger ( [henningert@lanecc.edu](mailto:henningert@lanecc.edu) ) or Steve McQuiddy ( [mcquiddys@lanecc.edu](mailto:mcquiddys@lanecc.edu) ).

### HEALTH CLINIC PILOT PROJECT TO BEGIN

College Health Services is pleased to announce a pilot project beginning June 21, to offer college employees access to all primary care health assessment services currently available to students through the Health Clinic. The Health Clinic is located on the ground floor of the Center Building. All college employees are invited to access primary health care services available through the health clinic. Hours of operation this summer will be 8 a.m.-4 p.m. Monday through Thursday for the first eight weeks of summer term; 8 a.m.-12 p.m. for the last four weeks. Primary health care services will include diagnosis and treatment of acute illnesses, care for stable chronic conditions (e.g. hypertension, asthma), reproductive health services and supplies, immunizations and general wellness care. Laboratory services (limited during summer term), special exams and assessments and some prescription drugs are available on a standard fee basis for both student and employee patients of the Health Clinic. A health services committee and Human Resources are working with the three employee groups (LCCEF, LCCEA

and management) to develop and implement a permanent employee health clinic model that will be compatible with the services and clinic access currently available to students. Success and experiences integrating employee and student health services during the summer pilot project will inform the future design and services of the employee health clinic. Please contact Health Services at 463-5665 for more information.

#### INTERNAL CONTROLS ACCOUNTING

Have you heard about this Lane College Operations department, and wondered what we are all about? We are new, created in 2003-04. Let us introduce ourselves by sharing our mission statement: "Our purpose is to support Lane Community College's vision, mission, values and strategic directions by: providing objective evaluations of financial policies and procedures, developing recommendations to process owners for improving these internal financial controls, and conducting regular financial monitoring activities to analyze the efficiency and effectiveness of financial operating practices and procedures. The focus of all internal control accounting activities is to support Lane's stewardship over its assets, and the efficient and effective use of financial resources in support of learning." So what's in it for you? Our goals are to help you: protect the assets of the college from misappropriation, misuse and disuse, streamline and better control your business processes, and provide a product that enhances the knowledge base of business process owners and staff. Please look for coming installments, and email any questions or comments to [internalcontrolsfeedback@lanecc.edu](mailto:internalcontrolsfeedback@lanecc.edu).

#### REMINDER: COMPUTER SERVICES ANNOUNCES SOFTWARE UPGRADE

Some time after June 9, Computer Services will begin another series of automatic software upgrades. The upgrades will occur on a department by department basis and will only affect the Novell login software on Windows 2000 and XP PCs. Macintosh and Windows 98 users will not receive this particular upgrade.

Please watch your email. Individual users in a department will be notified by email two to three days before the date of the software rollout to your department. This email will also tell you what to expect during the course of the upgrade.

You are welcome to call the helpdesk at ext. 4444 or contact [helpdesk@lanecc.edu](mailto:helpdesk@lanecc.edu) if you have any questions.

#### REMINDER: CONGRATULATIONS, GRADUATES

AAWCC would like to recognize the following Lane employees for achieving their academic goals this year. Working in education, we are all fully aware of the hard work and sacrifices that you have made in order to obtain your degree. Congratulations to: SCOTT BELL, Adult Basic and Secondary Education, who received his master of science in health and safety administration from the University of Oregon in March; LINDA GRENZ, Library, who received her bachelor of arts in human resource management from George Fox University in May; to MARGARET ROBERTSON, Advanced Technology, who received her bachelor of landscape architecture from the UO in June. Don't forget to congratulate these colleagues the next you see them! Donna Zmolek, ext. 5750.

#### EVENTS

##### GREAT TEACHING SEMINAR 2004

The Great Teaching Seminar 2004 will be held at Triangle Lake September 14, 15, and 16. Details to be announced. All faculty (part-time and contracted) are eligible. What is It? An opportunity to get together prior to start of in-service -- as faculty with

other faculty -- to talk shop. The session is structured but with ample time for reflective time and relaxation. The structured time involves small group meetings (discussions) and several large group sessions. The event is run so that most of time faculty can talk shop with other faculty in a retreat environment (like Triangle Lake) -- rooms are nice but not fancy. Food is provided by the Triangle Lake Center staff. If you might be interested please send me an email message. Normally we run a registration for this event and enroll you in a class designated as faculty professional development. If you have questions, please call ext. 5827. Submitted by Jerry Ross.

#### GAY PRIDE CLASS OFFERED

Gay Pride in San Francisco, a new non-credit class offered by Lane this year, is available through registration #11233. Learn the history and current issues of lesbian, gay, bisexual, and transgender communities; four days of immersion in LGBT community; play and celebrate with pride in a flourishing and diverse community; we'll watch videos while traveling that represents all aspects of our community. The \$184.50 cost includes transportation. Student arranges for and pays own lodging. Coach leaves 8 a.m., Friday, June 25 and returns 6 p.m., Monday, June 28. Required pre-trip 6:30-7:30 p.m., Thursday, June 10, LCC Downtown Center, Room 235. Register through June 14 at 463-5252. For more information call Susan Matthews, ext. 3245.

#### CLASSIFIED EMPLOYEE OF THE MONTH

Nominations are easy for any classified employee, faculty member, or management staff to make when there is a classified employee who has gone above and beyond a mere job description to provide excellent customer service here at Lane. All classified employees who are .5 FTE or more are eligible for the honor. Application and information is available on the CPDT website at <http://www.lanecc.edu/cpdt/eom.html> . If you do not have someone in mind to nominate, check out the website and see who has won this year, including their photo. Thanks to CPDT member Chantell Hayson, we have been able to add a photo to the winner's biography this year. Think of a classified employee you feel has been doing much more than just "their job" here at Lane and consider nominating them for the award. The honor includes a parking spot up front on the west side of the campus, co-workers celebrating, balloons and hoopla, eligibility for Employee of the Year and a check for \$50.00. This is an outstanding way to recognize a co-worker for an outstanding job performance. Submitted by Leigh Alice Petty and Colby Sheldon, Co-Chairs of the EOM Committee.

#### "FIDDLER ON THE ROOF" IS COMING TO LANE

Lane Summer Musical Theatre, (LSMT) presents "Fiddler On The Roof" at the main campus of Lane Community College with 10 performances in the main Performance Hall from July 16-31. Tickets will go on sale at all TicketsWest outlets on Friday, June 11; [www.Ticketswest.com](http://www.Ticketswest.com) or 1-800-992-TIXX. Tickets go on sale at the Lane Box Office on June 28, 463-5202. For information about "Fiddler On The Roof" please look for our website at [Lanecc.edu/fiddler](http://Lanecc.edu/fiddler) .

LSMT was founded in 2002 by Lane music faculty members Jim Greenwood and Ron Bertucci as "professionally supported community theatre." For years, summer musical theatre was a mainstay in our community. From the mid 1960s through the mid 1980s thousands of Lane County residents came to Lane again and again to "see the show" and make Lane Community College part of their summer lives.

Following a nearly 20-year absence of summer musicals at Lane, LSMT's 2002 production of "West Side Story" brought an audience of 3,500 to Lane that summer providing outstanding first rate opportunities for community talent, thrilling our audiences

and generating nearly \$7,000 in scholarships and program development for the Music Dance and Theatre Arts Department.

The mission of LSMT is to provide a professional quality musical theatre experience for gifted community talent and audiences by providing the best professional support available in the way of direction, technical support, full orchestra and promotion; additionally generating scholarship money for Lane MDTA students while at the same time posing no financial risk to the college.

The 2004 LSMT production of "Fiddler On The Roof" has been cast with 50 of our area's most talented actors and singers and will be directed by University of Oregon theatre professor, Joseph Gilg. Al Villanueva plays the lead role of "Tevia" and Peg Major plays Tevia's wife, "Golda". Jim Greenwood is music director, Teri Page is choreographer and Ron Bertucci directs the score with a full orchestra featuring professional musicians from our area. We know that "Fiddler On The Roof", the show that has thrilled millions over four decades, will be the highlight of your summer entertainment. Jim Greenwood and Ron Bertucci are producing and directing the music for Lane's production. Contact: Ron Bertucci.

## NEWS

### DRAFT TWO OF THE SELF STUDY DOCUMENT AVAILABLE

After many weeks of work on the part of numerous people, the second draft of the Self Study document is now posted on the website:

<http://www.lanecc.edu/selfstudy/index.htm>

The process of gathering and integrating feedback from the first draft has been both an enormous and a rewarding task. The Coordinating Team and Steering Committee look forward to hearing/reading more feedback from you in relation to this second draft. Feedback can be submitted by email to:

[SelfStudyAccreditation@lanecc.edu](mailto:SelfStudyAccreditation@lanecc.edu)

Directions are posted at the website. While not all feedback can be incorporated into the final document, we will read, review and consider all the feedback offered by the June 16 deadline. Submitted by Russell Shitabata.

### FOUNDATION HIRES ANNUAL FUND DIRECTOR

Lane's Foundation has hired Kathy Thomas as the new director of the annual fund. She will be responsible for coordinating the Harvest Dinner and Golf Scramble, working to fund the Native American long house, and other foundation projects.

Kathy came from the state library where she worked as a fund development consultant in support of public and academic library staff and volunteers and raised funds for talking book and Braille services. Previously she worked in marketing and legislative relations for Senior and Disabled Services, Lane Council of Governments. Kathy has held jobs in fundraising, public relations and marketing in her 14 years in Eugene. Prior to moving to Oregon, Kathy worked in public radio in Alaska and Michigan. She has a bachelor of arts degree in journalism from Michigan State University, and is an accredited member of the Public Relations Society of America. She can be reached at 463-5538, [thomask@lanecc.edu](mailto:thomask@lanecc.edu) , Building 1 (Business) Room 207C.

### NATIVE AMERICAN WORD FOR THE WEEK:

Today's Native American Word for the Week is "T'AA shoon-DEE" which means "please" in Navajo. The capital letters are pronounced in a higher voice pitch, since Navajo (similar to Chinese, Igbo, Sami and some other languages) is a tonal language.

The middle syllable "shoon" is spoken in a lower pitch, resulting in a tonal contour of "high-low-high" to correctly be understood by one's listeners. English is not a tonal language but English speakers do employ a wide variety of tonal inflections and syllabic stress in a very different manner. Navajo speakers routinely pronounced all syllables in either a relatively "high" or "low" pitch, depending on accustomed practice of a region and dialectical differences. The apostrophe ['] after the [T] means this consonant is pronounced without the aid of a vowel. After saying the [T], a glottal stop is inserted by the speaker before saying the long [AA}. The middle syllable, [shoon] contains a long vowel [o] which is also nasalyzed. Culturally, however, this word is never used in the same way English speakers use "please" since Navajos believe any reasonable request will be granted. When Navajos do add this term, it would only indicate a context of extreme urgency, e.g. pleading for one's life, etc. In this summer's AIL 100 class, Foundations of American Indian Languages, students get the opportunity to discover similar interesting cultural practices of Native Americans which are highlighted by language usage and which remarkably contrast with the usage and cultural practices of English speakers. Contact Dr. Don Addison, American Indian language instructor, Department of English, Foreign Language, and Speech.

## **EVENTS**

### **WOODCARVING SCULPTURE TO BE DEDICATED**

A dedication ceremony for a site-specific outdoor sculpture created by 22 Lane students in Lee Imonen's class, and two master woodcarvers from Japan, will be held Thursday, June 10, at 4:30 p.m. at Moskus Courtyard, between Center and Building 3.

Yoshiki Kawada and Mineo Shimada worked for two weeks with the students of Imonen's site specific sculpture class to create the large, two-sided mahogany relief panel, "Long Life," which will be displayed in a large covered frame. The sculptors are from Inami, Japan, a small town in Toyama Prefecture, an Oregon sister state with a long and rich history of carved wooden sculptures. Sculpture instructor Lee Imonen attended the Inami International Wooden Sculpture Camp 2003 and became so inspired that he coordinated the cultural exchange that resulted in the two artists collaborating with his class.

The class began working with the sculptors on a weekend retreat at Siltcoos Station in Florence, where they got to know their international guests, and watched them work while receiving one-on-one instruction. Since the return of the master woodcarvers to Japan, the students have worked diligently to complete the project this term.

Also celebrated will be the acquisition of the previously loaned "Conception of Creation" bronze sculpture sited near the new wood sculpture.

Expected to attend are the master woodcarvers Yoshiki Kawada and Mineo Shimada, President Mary Spilde, instructor Lee Imonen and students, members of the Moshofsky family of Eugene who donated cedar for the project, representatives of Emerson Hardwoods who offered mahogany at a deep discount, representatives of Zippo Logs, contributors of milling labor for the woodcarving project, and Don Tykeson, who assisted in the purchase of the bronze sculpture. Contact: Lee Imonen.

### **REMINDER: MEDIA ARTS SPRING STUDENT SHOW**

You are cordially invited to the Media Arts Spring Student Show. This year's show will be held Thursday, June 10, from 6-8 p.m. in Forum 111. We will feature student projects from Multimedia Design, Concept of Visual Literacy, Drawing for Media, Video Production, Audio Production and Photography. Please join us! Media Arts.

## REMINDER: ANNUAL GATHERING

Staff and students are invited to the Third Annual Gathering, Thursday, June 10, at the Eugene Hilton from 7-10 p.m. Hors d'oeuvres, punch and a cash bar will be available. This is an excellent way to celebrate the end of the year and kick off the graduation festivities. Join students from the ASLCC and student clubs, our outstanding students who have been nominated by faculty and staff, and friends from across campus in a fun evening. Co-sponsored by ASLCC and Student Life and Leadership Development. Contact: Barbara Delansky.

## NEWS

### FACULTY COUNCIL CO-CHAIRS NAMED

Please join the Faculty Council in welcoming history instructor Sheila Broderick and biology instructor Bert Pooth as co-chairs of Faculty Council for 2004-2006. For the first time, Faculty Council co-chairs were elected in a faculty-wide election rather than by the Council itself. Submitted by Bob Barber and Mason Davis, outgoing co-chairs.

### LANE WEBSITE RE-DESIGN UNDERWAY

The Website Steering Committee plans to be hard at work this summer improving the college website. Major changes are planned to make the site easier to navigate and to bring the design in line with the college vision, mission and core values. The changes are based on the results of a website audit performed by Focus Resources. Watch for some exciting changes before the start of fall term. Submitted by Stephen Pruch, facilitator of the Website Steering Committee.

### PERS NOTICE

PERS members' 2003 annual statements are being mailed to employers beginning late this week or early next week. The statements should be available for

distribution to employees by June 18. The PERS website has updated information about annual statements and a sample annual statement is posted with pop-up boxes that highlight information shown on the statement. The information is at:

[http://www.pers.state.or.us/member/section/persplan/publications/2003\\_member\\_annual\\_statements\\_update.asp](http://www.pers.state.or.us/member/section/persplan/publications/2003_member_annual_statements_update.asp)

According to the sample annual statement, Tier One regular accounts did not receive interest crediting for 2003 as a result of legislation which provided that no earnings could be credited to Tier One regular accounts in any year in which a deficit exists. For a Tier Two member's regular account, the earnings crediting rate was 22 percent. The variable account gain for 2003 was 34.68 percent. Submitted by Vicki Ellison.

#### FULL RIDE PH.D. SCHOLARSHIP OPPORTUNITY

Capella University and the League for Innovation offer a full doctoral scholarship to innovative community college faculty, administration or staff. President Mary Spilde will need to make the nominations for Lane.

CALL FOR ENTRIES: Capella University, an accredited online university, is now accepting applications for the third annual Capella University-League for Innovation in the Community College doctoral scholarship.

WHO IS ELIGIBLE? Members of the faculty, administration, or staff at a League member college who have demonstrated innovation in the field of higher education are eligible to apply.

ELIGIBLE PROGRAMS: The scholarship winner can apply for enrollment in a doctoral-level program in the school of psychology, human services, business, or education. Current Capella doctoral-degree or individual course learners meeting the eligibility requirements described above are also encouraged to apply.

VALUE OF THE SCHOLARSHIP: The scholarship award is valued at approximately \$49,450 and covers three years' tuition and the cost of residential colloquia in any one of Capella's 26 Ph.D. or Psy.D. programs.

APPLICATION DEADLINE: Application deadline is June 30. The award winner will be notified the week of July 26.

ENROLLMENT DEADLINE: Applicant is expected to enroll at Capella by October 2004.

Visit the Capella Web site [www.capella.edu/league-scholarship](http://www.capella.edu/league-scholarship) for full details, including eligibility requirements and application forms. Go to [www.capella.edu](http://www.capella.edu) and choose the Schools tab to view Capella's doctoral programs.

#### REMINDER: DRAFT TWO OF THE SELF STUDY DOCUMENT AVAILABLE

After many weeks of work on the part of numerous people, the second draft of the Self Study document is now posted on the website:

<http://www.lanecc.edu/selfstudy/index.htm>

The process of gathering and integrating feedback from the first draft has been both an enormous and a rewarding task. The Coordinating Team and Steering Committee look forward to hearing/reading more feedback from you in relation to this second draft. Feedback can be submitted by email to:

[SelfStudyAccreditation@lanecc.edu](mailto:SelfStudyAccreditation@lanecc.edu)

Directions are posted at the website. While not all feedback can be incorporated into the final document, we will read, review and consider all the feedback offered by the June 16 deadline. Submitted by Russell Shitabata.

## THANKS

Dear Lane Community: At a time when I have been unable to answer my own needs regarding health, home, and finances, some very big-hearted people have stepped in to help me. My deepest gratitude goes to the English, Foreign Languages and Speech Division, Academic Learning Skills Division, and the entire Lane staff and student body for their powerful, generous assistance. To those of you who have given books, money, time, energy, food, rides, and deep caring, my thanks will last a lifetime; your generosity will last that long in my thoughts and in my renewed vision of the human spirit. I don't have a list of the dozens of people who made a difference, but in this short note perhaps I can extend particular thanks to Daisy Rothgery, Dave Rothgery, Linda Schantol, Jamie Sokolowski, Carol Watt, Bill Woolum, and several cafeteria staff members. Among others, they have gone light-years out of their way to keep my ship afloat. Blessings and thanks to all of you, and may your generosity come back to you tenfold. With humble gratitude, Roger Steinmetz.

## NEWS

### LANE STUDENTS WIN LEAGUE LITERARY HONORS

Lane Community College students were shining stars in this year's League for Innovation Student Literary Competition at the national level. Three entries were submitted and all three received honors. First place for personal essay, with a cash prize of \$500, was awarded to Debra Schneider (sponsored by Merry Caston) for "A Misunderstood Angel Wakes Up." Kyla Wetherell (sponsored by Drew Viles) received third place for her short story, "The Organ," as well as a \$100 cash prize. Honorable mention for poetry was given to Lara Coley (sponsored by Lance Sparks) for "To Begin With." All these wonderful authors will be published in the League literary magazine. Congratulations to them all, and we wish them the best in their future literary endeavors! If you have any questions regarding the League contest, contact Sharon Hainley, ext. 5421; if you'd like to inquire about the League itself, the campus representative is Tamara Pinkas, ext. 5011.

### DEADLINE FOR IN-KIND GIFT FORMS

Department heads who have completed in-kind gift forms should turn them in to the Foundation office no later than June 27 to be included in the current fiscal year's accounting. Any received after that time will be considered a gift in the next fiscal year, which begins in July. Thanks for your cooperation. Submitted by Janet Anderson.

### INTERNAL CONTROLS ACCOUNTING

Thank you for your replies to [internalcontrolsfeedback@lanecc.edu](mailto:internalcontrolsfeedback@lanecc.edu). I selected the following question for a circulated response. You may recall this from last week's stated goals.

Q: What does it mean to 'Provide a product that enhances the knowledge base of business process owners and staff'?

A: One of our main functions is to analyze business processes that are performed by the college staff, and make recommendations that increase the user's skill and/or comfort level. These processes are tasks that they do as part of their job, and that person is the process owner.

For example: During the course of an evaluation, we may hear an expressed desire to look specifically at a certain procedure. Together with the process owner, we may research options to improve the steps of that task, thus increasing their knowledge base. A pleasant result would be an increase in efficiency, and as a consequence, enhanced overall job satisfaction.

We are in a unique position to do this because we interact with many departments, and are building our own knowledge base about who knows what, and where the resources are at Lane.

So if "Less with Less" is getting you down, let me encourage you to develop a process to empower you to work smarter, not harder. That's the motto in I.C. Even the name I.C. sounds like an exclamation of delight as you discover methods that allow you to deliver the quality you desire, with the resources available to you.

Please keep those cards and letters coming, and be assured anything marked "Confidential" will not be selected for response in The Daily. Laura Martin, ext. 5795.

## REMINDER: LCC BUS PASS AVAILABLE SUMMER TERM

Students and staff taking a credit class on main campus are eligible for the LCC Bus Pass. Get a photo ID once, and renew with a new sticker each term you qualify. Students who do not already have a pass can get their photo ID June 18 or 21, 8 a.m. - 5:30 p.m., in Building 19, Room 117 to begin riding the bus. Summer term stickers will be available June 28 - July 2, 8 a.m. - 5 p.m., in Building 19, Room 117. Students must have a summer term sticker by July 3 to continue riding the bus. After July 2, eligible students can go to Students First! at the main campus or the DTC to obtain a voucher for a photo ID or to get a term sticker. Log on to the LTD website at [http://ltd.org/site\\_files/riding\\_ltd/fastpass.htm](http://ltd.org/site_files/riding_ltd/fastpass.htm) or contact Susan Tatar, Facilities Management and Planning, ext. 5727, for more information.

The meeting is in Building 16, Room 213. We hope to see you there! If you need disability accommodations, please contact Disability Services at 463-5150 at least one week in advance. Submitted by Jane Love.

#### HAWAII CHEF KUSUMA COORAY OFFERS WORKSHOP AT LANE

Whether you are a chef, a serious home cook or just a food lover, this culinary journey is for you. Chef Kusuma Cooray is a native of Sri Lanka and one of Hawaii's most celebrated chefs. She is presently a professor and chef-instructor at the Culinary Institute of the Pacific, Kapi'olani Community College, and University of Hawaii. Chef Cooray is known for her blending of fresh Asian herbs and spices with western ingredients to create flavorful dishes that please both the eye and the palate.

Chef Cooray will conduct a two-day class on July 15 and 16, from 9 a.m. to 3 p.m., at Lane. She will use her cookbook, "Burst of Flavor, The Fine Art of Cooking with Spices," to guide students through an array of cooking demonstrations and hands-on experiences. This delightful culinary journey will conclude with a dinner at 6 p.m. on the 16th.

The cost of the two-day class is \$250 and includes a personally signed cookbook, many tastings, and dinner. Additional tickets to the dinner are available for \$35 each. The class is limited to the first 24 participants. For more information, call Robin Johnson at 463-3518.

#### HEALTHY EATING, HEALTHY YOU

Tamberly Powell, a registered dietitian, is offering a series of four one-hour seminars that will give you practical information on how to be a smarter shopper when purchasing foods, and how to incorporate more healthy eating habits into your everyday life. The seminars will be held on every Tuesday in July, from 11:30 a.m.-12:30 p.m. in Building 5, Room 206. Participants are encouraged to attend all four sessions. Email [jordanj@lanecc.edu](mailto:jordanj@lanecc.edu) if you would like to sign-up.

## **THANKS**

BELATED BUT HEARTFELT thanks to all those in the Lane community who participated in the Raffle and Auction Benefit for the David Untz Cancer Fund held at Eugene Wine Cellars held on June 3. We raised over \$4,100 through the generosity of students, faculty, and staff at Lane and the Eugene community. Thanks especially to Linda Schantol of English, Foreign Language, and Speech, who was champion ticket seller; and to English instructor Lance Sparks, who gathered some of the best regional wines from generous donors including Territorial, Broadley, King Estate, Briggs Hill, Lorane, Hinman, KoHo Bistros Cellar, just to name a few. And thanks to Eugene Wine Cellars for donating their fabulous venue. Donations to the David Untz Cancer Fund can be made at Oregon Community Credit Union. Submitted by Anne B. McGrail.

THE BEAN EXPRESS and those who staffed it, Kurt, Georgia, Barbara, and Josh, would like to thank staff and students for their patronage this past school year. Due to limited business, the coffee cart located in the Skybridge connecting Buildings 1 and 19 will not open next year. It was a wonderful work/training experience for Kurt who already misses the friendly faces and friendships he made this past year. Thank you to those loyal customers who supported us. Food services will continue to offer espressos, pastries and specialty drinks as always in the cafeteria. Look for them to open in the fall term. Submitted by Patty Parks.

## NEWS

### WRITTEN COMMENT REQUESTED ON QUALIFICATIONS FOR ACCREDITATION

An evaluation team from the Northwest Commission on Colleges and Universities will conduct an accreditation evaluation at Lane Community College on October 6, 7 and 8. The team will appraise the performance, integrity and quality of the college, as well as provide commendations for accomplishments and recommendations for improvement. Lane's self-study document will be provided to the team. The self-study is available on the web at <http://www.lanecc.edu/selfstudy/index.htm> and updates will be posted as they are completed.

NWCCU is an institutional accrediting body recognized by the U.S. Department of Education. It is the regional accrediting authority for higher education in a seven-state region including Alaska, Idaho, Montana, Nevada, Oregon, Utah, and Washington.

Lane was last accredited by the Northwest Association of Schools and Colleges and Universities in 1994. The commission completed an interim visit at Lane in 1999.

The commission invites written and signed comments on the college's qualifications for accreditation. Comments should be submitted to the Northwest Commission on Colleges and Universities, 8060 165th Avenue NE Suite 100, Redmond, Washington 98052. Comments must be received by the commission no later than September 6, 2004. Submitted by the editor.

### JIM GARCIA EARNS COMMUNITY AWARD

Jim Garcia, Lane's diversity coordinator, was awarded an Equity Committee Award in recognition of extensive contributions to furthering human rights, equity and diversity. Garcia founded the Eugene School District's GANAS program. The program provides tutoring and after-school activities to Chicano/Latino youth. (See The Register-Guard, June 14.) Submitted by the editor.

### DEADLINE FOR IN-KIND GIFT FORMS

Department heads who have completed in-kind gift forms should turn them in to the Foundation office no later than June 27 to be included in the current fiscal year's accounting. Any received after that time will be considered a gift in the next fiscal year, which begins in July. Thanks for your cooperation. Submitted by Janet Anderson.

### FEC TONING UP THIS SUMMER

The Fitness Education Center will undergo many exciting changes this summer. Here's a sneak preview:

- New strength equipment: With more user-defined motion machines, FEC members can expand and improve strength training methods.
- New and updated cardio machines: A few new styles and replacement pieces will be added this summer.
- One entry door: The door by the FEC counter will be the only designated entrance. This will allow members to be closer to the counter to check in check-in and receive assistance.

New FEC décor: Color and style coming soon....

We look forward to these changes and enhancements to the FEC, and our staff research team has helped us plan! Ask us for more details. Amy Riggins, 463-5552.

## YEAR END: AGAIN

Does it seem like you are reinventing the wheel. Again? May I encourage you to take notes of your year-end procedures as you go? I have found that it helps to review and update them quickly. I have to do it before the shelf life of the details expire...usually about two to three days. Then these notes are available to use and build upon each year. The time you save may be your own.

Some people like timelines. To create one, break down your processes by attainable goals, and make a list of target dates to achieve each measurable point in the process. Others prefer notes that are quite detailed to describe each step. A third option is using a flowchart or diagram to illustrate at a glance how your processes work together, in conjunction with detailed narratives that describe each of the processes. Then you can follow these during implementation. Checklists are great. Whatever you choose, it should be something that is comfortable for you, and contains enough information so that others can follow along and understand what happens and why. I like to keep my notes in a binder, and short cuts in a Rolodex. My Rolodex is a much-needed backup brain, so I can easily access information I don't use often (like which FOAP to use for what kind of transaction).

What are your ideas? Send your suggestions to share, to [internalcontrolsfeedback@lanecc.edu](mailto:internalcontrolsfeedback@lanecc.edu). As we heard from each other at the classified staff meeting last Friday, we want to use the resources of the college effectively. And we all know, that human capital is the college's most resourceful resource. If we link together. Synergy. It works! For more information contact Laura Martin, ext. 5795 or [martinl@lanecc.edu](mailto:martinl@lanecc.edu). Thank you!

## BOARD REPORT FOR JUNE

The Lane Community College Board of Education adopted the 2004/05 college budget by 7-0 vote at its June 9 meeting. There was no public comment offered at the hearing held prior to the vote. President Mary Spilde announced at the meeting that Standard and Poors had reaffirmed the college's A+ rating, a notable achievement at a time when many Oregon colleges and agencies are being downgraded. Lane's fiscally conservative financial policies, cost containment measures and tuition policy were cited as key reasons for the top rating.

In other action, the board voted 6-1 to accept a community-driven proposal to reinstate men's baseball with community fundraising as the sole support, with no college general fund monies to be used. One women's intercollegiate sport also will be continued, to be determined by the athletic department. The action followed a presentation by Dean Hansen of Pacific Continental Bank. Board member Dennis Shine voted no, saying that funding should support a variety of club sports.

Second readings were held for board policies on purchasing procedure, use of intoxicants and controlled substances, equality of opportunity equality of opportunity in admissions, interfund loans, and debt issuance and management. The policies were approved 7-0.

First readings were held for board policies on governing style, conflict of interest, student activities fees, affirmative action, and tuition.

The board heard a presentation on Lane's diversity plan and what priorities are held by the Diversity Team.

The board agreed to use the same evaluation instruments and processes as last year for the president's evaluation and for the board's self-assessment.

Membership in the Association of Community College Trustees was debated. Most board members felt that training and networking opportunities provided by the association were worthwhile. Board member Larry Romine disagreed.

The board reviewed benchmark reports on students by age group, race/ethnicity of credit students, credit students gender and enrollment status, and new credit students reasons for attending Lane.

Accreditation self-study highlights were presented for library and information resources, and information technology.

Earlier in the evening, the board held a work session to review faculty compensation information gathered and presented by faculty union leaders.

The meeting adjourned at 10:05 p.m. The next meeting will be held Tuesday, July 27, at 6:30 p.m. in the Boardroom, Building 3. Submitted by Joan Aschim, public information officer, Marketing and Public Relations.

### PRINT SHOP AND WAREHOUSE CLOSED FOR TWO-DAY INVENTORY

Printing/Graphics services will not be available during the department's annual inventory, Tuesday, June 29 and Wednesday, June 30. The print shop lobby will be open only for drop-off and pick-up of printing orders on those days. Please plan your printing needs accordingly. The colleges Warehouse Services also will conduct inventory the same days, and merchandise will not be available for purchase. Mail Services, UPS and FedEx delivery service will continue without interruption. Regular operations in both departments will resume Thursday, July 1. For more information, contact Tom Johnson, 463-5373, or Gary Anderson, 463-5374.

### NATIVE AMERICAN WORD FOR THE WEEK

Today's Native American Word for the Week is "chidi betuo." Since Navajo is a tonal language, the second syllable, "di" must be pronounced in a higher tonal level than all the remaining syllables. The word "chidi" is "car" in Navajo, "be" is "it's" and "tuo" means "juice" or "water." Therefore, "chidi betuo" is the way Navajos refer to "gasoline," literally, "car, its juice/water." The course "Foundations of American Indian Languages" AIL 100 continues this summer and space for students in the class is still available. Contact Dr. Don Addison, English Foreign Languages and Speech.

### WHAT ARE INTERNAL CONTROLS ANYWAY?

Good internal controls serve the entire college. As a result, they serve everyone employed, anyone who received services from the college and anyone who supports the college, financially or otherwise. Business processes away from situations where responsibility and authority are inappropriately concentrated. Example: Recently, a public agency's credit card was used to purchase more than \$70,000 in personal goods. The guilty party occupied a position where the authority to make personal purchases using the agency card (the crime) and the authority to approve the purchase and expense reports (the cover-up) were assigned to the same person. When asked how this occurred, the individual replied, "I had a weakness in character that I didn't know I had before." Here's an excerpt from Copedial Standards on Internal Controls: "Division of Duties: Purchasing and receiving functions are separate from invoice processing, accounts payable and general ledger functions." Good internal controls placed in effect, and monitored for consistent application according to established policy would have provided a distinct deterrent to someone who was already dealing with "his own financial issues at the time." ## NOTICE FROM DISABILITY SERVICES TO ALL FACULTY MEMBERS:

The annual Letter of Accommodations (LOA) is provided to each Disabilities Services student to discuss with their instructors to ensure that approved accommodations are implemented smoothly and confidentially. The student is told to make an appointment outside of class with each instructor to have a meeting so both parties have a clear understanding of what accommodations will be used in the class. Faculty members may make a copy of the Letter for his/her own files.

Disability Services wants to notify the faculty to be sure the expiration date on the Annual Letter of Accommodations is June 2005. If a student presents a letter with the expiration date of June 2004, please direct the student to Disability Services to get a valid and current letter for the 2004-05 academic year.

The Faculty Acknowledgment Form is a form the faculty member signs after he/she has read and discussed the accommodations with the student.

Please contact Leigh Alice Petty or Cathie Reschke or Nancy Hart if you any questions.
