GRADUATION MOVED BACK ONE WEEK

Due to a conflict at the fairgrounds, Lane graduation has been moved back one week from Saturday, June 17, to Saturday, June 10. While it is not ideal to hold graduation the weekend before finals, it is the best option available. For the updated Academic Calendar 2005-06, see <http://www.lanecc.edu/instadv/calaca.htm> If you have questions about graduation, contact Student Life and Leadership Development, ext. 5336. Submitted by Gloria Vanderhorst.

GROUPWISE WEBMAIL NOTICE TO MACINTOSH USERS

Some Macintosh users have reported problems when they accessed GroupWise webmail. There are two primary issues with the new webmail version that affect Mac users.

When logging into GroupWise webmail, there is a delay of approximately 30 seconds while the program loads. This is a known problem and affects all users, not just Macs. The IT department is investigating the issue and will correct the delay as soon as possible.

After logging in successfully, Mac users have found that some older browser applications do not work properly with the latest version of GroupWise webmail, with intermittent results such as blank pages. Apparently some older browsers do not support the new version of Java that GroupWise uses. If you are having problems, the IT department highly recommends that you download and install the latest version of the free Firefox web browser at <http://www.getfirefox.com> , as it is known to work well with GroupWise.

If you have any questions, please call or e-mail the helpdesk at ext. 4444 or helpdesk@lanecc.edu Submitted by Todd Lutz.

BOARD REPORT FOR FEBRUARY

President Mary Spilde told the Board of Education on February 15 that the deficit for 2006/07 includes a \$700,000 decrease in state funding and a \$700,000 increase in early retirement set-aside for faculty and managers.

In statements, Rob Spooner commented on budget issues, and Dennis Gilbert commented on full-time part-time faculty issues.

Board members Paul Holman and Susie Johnston reported on their participation in the 109th Community College National Legislative Summit in Washington D.C.

February 8-9. For the story and photos, see <http://www.lanecc.edu/mpr/news/newsatlane.htm>

In unanimous action the board approved meeting minutes, a second reading of board policy on firearms, and the appointments of Dennis Shine and Chris Turek to the Budget Committee.

The board held a first reading of its policy on intoxicants.

A decision on whether to go out for a local option levy was postponed until March. After long discussion, the board wanted time to ask K-12 leaders what the impact on schools might be. Lane could collect a maximum of \$1.3 million under a local option levy, but might receive only \$700,000 after "compression" calculations.

The board commented on Oregon Community College Association goals. They also reviewed benchmarks on student retention and success, the quarterly financial report, and monitoring reports on financial condition and activities, financial planning and budgeting, emergency president succession, and communication and support to the board.

The next meeting is set for Wednesday, March 8. Submitted by Joan Aschim, Marketing and Public Relations.

CHANGE IN HOURS FOR ENROLLMENT SERVICES

Effective March 1, Enrollment Services hours of service will be: Mondays, 8 a.m.-5 p.m.; Tuesdays, 10 a.m.-6 p.m. (phone service available 8-10 a.m. and ExpressLane assistants available in the lobby to help students with transitions they can do in ExpressLane or by using the ES Drop Box); Wednesdays, 10 a.m.-5 p.m.; Thursdays, 8 a.m.-5 p.m.; and Fridays, 10 a.m.-5 p.m. Submitted by Helen Barker Garrett, Enrollment Services, 5686.

MARCH ISSUE OF LANE TO DIVERSITY NEWSLETTER NOW AVAILABLE

The March issue of the Lane to Diversity newsletter is hot off the press and includes a review of bell hooks presentation by Aliscia Nile, TRiO academic advisor, websites in honor of Women's History Month and International Women's Day, diversity materials available from the interim diversity coordinator, a March calendar and more! If you'd like a copy or would like to subscribe, send a request to diversity@lanecc.edu Don't forget, when requesting the newsletter you can also sign up for the diversity e-mail

list to receive announcements about local and national diversity events and conferences, new diversity materials on campus, and occasional articles. Submitted by Tova Stabin, interim diversity coordinator, ext. 5852, stabint@lanecc.edu

WOMEN'S HISTORY MONTH AND INTERNATIONAL WOMEN'S DAY

March is Women's History Month. March 8 is celebrated as International Women's Day, an event first proposed by the German socialist and feminist leader Clara Zetkin and first celebrated in the United States on February 23, 1909, when socialist working women declared it a holiday. Their goal was to win bread and roses: to improve women's working conditions and to gain respect as women. Lenin officially declared it a holiday in 1922 and eventually all communist countries celebrated it. Due to its association with socialism and communism, the holiday went "underground" until 1968 when a group of women in the Chicago Women's Liberation Union threw a party to honor International Women's Day. On March 8, 1969, some 50 Berkeley feminists paraded in early-20th-century costumes marching with the slogan "Bread and Roses." In 1977, women's historian Gerda Lerner organized a Summer Institute on Women's History. Participants decided to adopt as their class project the goal of creating an annual Women's History Week. They (and others) successfully lobbied Congress to recognize Women's History Week in 1981. In 1987, women activists got Congress to expand the week into a month. REASON #7 TO EAT ORGANIC PRODUCE

Organic producers strive to preserve diversity. The loss of a large variety of species (biodiversity) is one of the most pressing environmental concerns. The good news is that many organic farmers and gardeners have been collecting and preserving seeds and growing unusual varieties for decades. contact kellyb@lanecc.edu

FORENSICS TEAM CONTINUES TRADITION OF EXCELLENCE

The Lane Community College Forensics Team competed at the National Qualifying Tournament February 24 and 25 in Salem at Willamette University. Skippy Coatsworth and Kendra Taylor qualified for nationals, to be held at the University of Florida in Gainesville. Skippy qualified in Dramatic Interpretation and both Kendra and Skippy qualified in Dramatic Duo. Kendra is the first alternate in After Dinner Speaking and Steve is the second alternate in Informative Speaking. Skippy is a veteran of forensics, participating in high school and qualifying last year while competing at Lane. This makes two years in a row that Skippy has qualified for the national tournament. Kendra has never competed in speech or debate prior to this past fall. It is rare for someone without experience in this activity to succeed so quickly, and at the highest levels of inter-collegiate competition (senior division competition).

Team coach Andy Kemp thanks the many staff who have supported the team and the students who have worked so hard. In a recent e-mail to supports he wrote, Only a small percentage of people qualify for the national tournament and an even smaller number of those are students from a community college. This team formed two decades ago with the goal of creating a tradition of oratorical excellence at Lane Community College. Today, I think that tradition is certain and will carry us forward into the next two decades. For more information contact Andy Kemp. Submitted by Joan Aschim.

STRATEGIC LEARNING INITIATIVE REQUEST FOR SPRING PROJECT PROPOSALS--DEADLINE: MARCH 13

The SLI Leadership team would like to invite interested individuals/groups to submit a proposal for new SLI projects. We have approximately \$13,000 to allocate for the remainder of this year. We are currently seeking two to three new projects to fund curriculum development immediately. Later this spring, another RFP will be announced for supporting new project ideas to be developed in 2006-07. Support can include curriculum development for individuals/groups at the initial stages of their project or reassignment time for project ideas further developed.

Projects need to have the potential to create systemic innovation and proposals need to address one or more of the following SLI aims:

- * incorporate advances in our understanding of the student learning process and student motivation to learn into the learning environment
- * incorporate technology to enhance the learning environment
- * develop innovative formats of instruction, instructional programs and delivery systems to better meet the learning needs of current and potential students
- * promote a college-supported practice of learning scholarship among faculty.

Application instructions can be found at www.lanecc.edu/sli or call SLI Coordinator Eileen Thompson at ext 3661.

LANE EVENTS CALENDAR INFORMATION

There has been some confusion and questions arising from recent changes to the display functionality on "Lane Events." To help clarify what Lane Events is and how it functions, here is an outline of the system:

Overview: Information Technology and the Space Implementation Team coordinate to maintain the system by providing ongoing training and support. This group of technical and functional support staff continues to improve the functionality of the software system. Lane Events is the college's web display system for events and classes that are scheduled within the college district. Events are built by a designated scheduler directly through the R25 client software or through requester entry into Lane Events using "My Requests".

Event Categories: During the event building process, the requester determines several key data items determine where the event will eventually be displayed in Lane Events. These key data items include: location, event type and the organization requesting the event. **Hot Events:** One event type is key for display and that is a "Hot Event". A Hot Event is defined as an event that is open to the public, has general collegewide interest and/or involves members of the community. Hot Event designation can be made at the time the event is built either by the requester or the scheduler. Hot Event examples include such events as athletics, theatre productions, concerts speakers, open houses, gallery exhibits and fund raising dinners etc. Please specify in the "Comments" to the scheduler that you want the event to be listed as a Hot Event.

Filters: There are groups of like events that are selected for display using a "Filter". These filters are located on the right side of the Lane Events page and are available for searching for specific types of events by location or type.

Default View: The default event page has recently been changed to list district Hot Events to focus on events of college-wide interest, increase the speed of the initial load of the Lane Events page and decrease the main campus centric feel to the system.

Support: Michael Levick, IT technical trainer, has created an extensive training program, which includes hands-on training and documentation. Lane Events documentation can be found at: <http://www.lanecc.edu/it/hdrefs/r25/event-request.html>

For more information contact Craig Taylor, scheduling coordinating manager, at taylorc@lanecc.edu or Michael Levick, IT technical trainer, at levickm@lanecc.edu or Alen Bahret or Ron Rourke, Lane Events/R25 system support, at bahreta@lanecc.edu or rourker@lanecc.edu

SAFETY COMMITTEE IS SEEKING YOUR INPUT

The safety committee is reviewing the campus smoking policy and would like your input as to how current practice is working. FEMALE VEGETARIAN LOOKING FOR SAME to share my cute 3 bedroom home. There is a big, fenced yard with lots of trees, a large organic garden within a great neighborhood-Thurston hills. It is close to bus line (leaves every 15 minutes to Spfld Station/UofO/Eugene station on the weekdays), has hiking trails nearby. Washer/Dryer and dishwasher, furnished home. I am a mature 26 year-old vegan female with 2 dogs and cats. I am friendly, cooperative, open-minded, and seeking someone with similar qualities. I am looking for someone who is responsible, respectful, clean and trustworthy. This is a quiet, mellow house... this is not a party house. Would be a great place for a student or a single woman who doesn't have a lot of stuff. Must be a vegetarian or vegan and must love animals (unfortunately there's no room for more) and be eco-friendly. Non-smoker preferred. DSL available. \$325 + half utilities. Available now. If interested, please call Michelle at 221-1680 (leave a message and I will call you back) Submitted by Susie Cousar.`

FOR RENT: QUIET COUNTRY SETTING, CLEAN, OLDER, SINGLE-WIDE MOBILE HOME, located downtown Seavey Loop. No smoking or pets. \$485/mo, 747-9916, Paul or Tracy Rea.`

NEWS

LANE PREVIEW NIGHT--WHAT A NIGHT!

What do you do when you plan seating, pizza, and information packets for 400 people and over 1,000 people show up for your event? As witnessed at Lane Preview Night, you get to see a crew of amazing Lane employees at work to make it a success. We thank you for all of the tremendous support that everyone displayed--from those who showed up ahead of time to help set up, kept a smile during the unexpected rush of people, responded to participants' needs, and stayed afterwards for clean-up. Thanks for helping to showcase Lane to high school students and parents. While we were overwhelmed by the attendance that surpassed our expectations (and preparations), we truly appreciate your flexibility and participation. All suggestions, comments, and ideas for the future are welcome--please email them to edmondsk@lanecc.edu

Many people deserve special thanks for their contributions: Tracy Simms from Marketing and Public Relations, for inspiring some "kick"; ASLCC, for their enthusiastic support; Cheryl Lemmer, Allison Franco, and Anita Sanford, for organizing the hip hop dance performances; Andy Kemp, for coaching the student presenters; Joan Aschim, for assistance with media and news coverage; Brandy Kephart, for coordinating the gallery of student work; all of the outstanding Lane faculty and staff who came to represent their programs, submitted student work, and connected with prospective students. The patient and wonderful staff of the Center for Meeting and Learning all deserve a special spot in the Hospitality Hall of Fame--Peg Allison, Hillary Knox, Shelly Kane, Brian Martsfield, Brian Kelly, Nancy Schwoerer, Jon Davie, and the CML crew. To the awesome planning crew --Dana Halttunen, Christine Strahan, Happi Matthews, Sharon Phillips, Tracy Simms, Dan Moret, Brandy Kephart: Great work on a successful first Lane Preview Night! Mahalo, Karen Edmonds, High School and Community Relations coordinator.

NOTICE OF SOLICITATION OF APPLICATIONS FOR FACULTY SALARY ADVANCEMENT

According to the most recent LCCEA contract, which expired in June 2005, faculty may advance to higher levels on the salary schedule by satisfying the criteria for that pay level, using academic credits, degrees and work experience not used in original

placement or in previous level advancement. For contracted faculty, this process is accomplished through application to the Faculty Level Change Committee.

Though the faculty contract is still being renegotiated, it appears faculty will continue to have opportunities for salary advancement. Please consult your LCCEA Contract, Articles 27 - 30, for the most recent language, and your LCCEA leadership for additional information.

Information about the current application process, this year's time line, application form, and list of resource people to contact, may be found at <http://www.lanecc.edu/library/level/index.htm> Contact: Nadine Williams. Library director, ext. 5824.

CLASSIFIED EOM ASKING FOR NOMINATIONS

The Classified Employee of the Month award recognizes outstanding achievement, performance, creative contributions, or improvement beyond what is normally expected of employees. Can you think of a colleague you would like to recognize? A revised nomination form is now available for the Classified Employee of the Month award. Nomination forms are available at the Human Resources office, on the CPDT website at <http://www.lanecc.edu/cpdt/eom.html> or from Gloria Vanderhorst, OISS. The deadline for submission is the 15th of each month--that means the next deadline is Wednesday, March 15. Nominations may now be completed and submitted electronically, as an attachment to a confidential e-mail to vanderhorstg@lanecc.edu Contact Gloria, ext. 5308, for more information.

STRATEGIC LEARNING INITIATIVE SPRING PROJECT PROPOSALS DUE MARCH 13

The SLI Leadership team would like to invite interested individuals/groups to submit a proposal for new SLI projects. We have approximately \$13,000 to allocate for the remainder of this year. We are currently seeking two to three new projects to fund curriculum development immediately. Later this spring, another RFP will be announced for supporting new project ideas to be developed in 2006-07. Support can include curriculum development for individuals/groups at the initial stages of their project or reassignment time for project ideas further developed.

Projects need to have the potential to create systemic innovation and proposals need to address one or more of the following SLI aims:

- * incorporate advances in our understanding of the student learning process and student motivation to learn into the learning environment
- * incorporate technology to enhance the learning environment
- * develop innovative formats of instruction, instructional programs and delivery systems to better meet the learning needs of current and potential students
- * promote a college-supported practice of learning scholarship among faculty.

Application instructions can be found at www.lanecc.edu/sli or call SLI Coordinator Eileen Thompson at ext 3661.

SAFETY COMMITTEE NEEDS YOUR INPUT

The safety committee is reviewing the campus smoking policy and would like your input as to how current practice is working. Feedback on this issue, as well as any other safety related issues, can be sent via e-mail to safetycommittee@lanecc.edu. Thanks for helping us make Lane a safer place. Submitted by Dawn Barth, Health and Safety Specialist.

FRIDAY VIDEO SERIES INCLUDES TWO FILMS THIS WEEK

"Heaven Will Protect the Working Girl," 28 minutes, will be shown in the Women's Center on Friday, March 10. This documentary uses photographs and motion pictures taken during the first decade of the 20th century. It also uses interviews, memoirs, newspapers and other sources to show the life of immigrant shirtwaist makers in New York City between 1900-1910 and illustrates their strike movement and arrests.

"Votes for Women," 20 minutes, celebrates the 72 year struggle for the right to vote, with archival photographs, stock footage, and live action set to narration, music from the Suffrage Movement, and Kay Weaver's classic anthem, "One Fine Day." Contact: Jill Bradley.

OSPIRG INTERNSHIP OPPORTUNITIES MEETING

OSPIRG offers internship opportunities to students here on campus. Students often seek a class where they can do good work but many don't know it's possible to have an internship that guides them through nonprofit work. OSPIRG will conduct an

internship information session on Tuesday, March 14 at 3 p.m. in the OSPIRG lounge in the basement of the Center building.

Faculty and staff help is requested in publicizing the event: recommending any students who you think might be interested in the internships; announce the event in your class from March 7-10 or allow any current interns to make a quick announcement; and share your ideas with us as well. If you would like more information, contact the OSPIRG office at ext. 5166.

BE PREPARED FOR A TEST

The Health and Safety Department will be conducting a test of the emergency zone phone paging system. This zone paging system allows us to use phones throughout campus to relay emergency messages. Not all phones are able to relay messages. We have identified phones in each area to be used for this purpose. At some time this week, you may hear a test message relayed over your phone extension or a phone near by. If you hear this message, please send an e-mail to barthd@lanecc.edu to let us know you got the message. Departments need to verify that all emergency phone trees are up to date and accurate. We will not be testing phone trees at this time, but will be doing so in the near future. If you have questions, contact Dawn Barth, health and safety specialist, 463-5528.

COPYRIGHT REMINDER: PUBLIC PERFORMANCE OF FILMS ON CAMPUS

The Lane Library does not purchase public performance rights when it acquires or borrows videocassettes or DVDs, so a copyrighted film may not be shown to groups of students or staff unless it meets the criteria which define a "face-to-face teaching" exemption to copyright law. This exemption allows for legally reproduced work to be used only: in a classroom or similar place devoted to instruction, and in the course of face-to-face teaching activities of a nonprofit educational institution, and as long as there is no direct or indirect admission charge, and if it is a regular part of the instructional activities, and if it is directly related to the teaching content. Anyone who checks out copyrighted films from the Lane Community College Library, for use in a public performance setting, must abide by the provisions of the face-to-face teaching exemption. Nadine Williams, director, Lane Community College Library.

NEWS**ATHLETICS KUDOS**

Women's basketball head coach Greg Sheley was named the Coach of the Year for the NWAACC southern division. He helped the women Titans win their second straight division championship last week. The team also set a college record. Players Lisa Fernandez and Dominique King were named to the All-Southern Region team for this week's NWAACC tournament.

Named to the men's NWAACC Southern Region basketball team were Josh Akwenuke, first team; and Mike Marek and Nick Keith, All Freshman Team.

Both the men's and women's teams head to the NWAACC championships this week. Check out NWAACC.org for updated scores, etc.

Finally, congrats to Collin Cram who won the men's decathlon last weekend at Chico State University.

For more information contact Sean MonDragon.

BE PREPARED FOR A TEST

The Health and Safety Department will be conducting a test of the emergency zone phone paging system. This zone paging system allows us to use phones throughout campus to relay emergency messages. Not all phones are able to relay messages. We have identified phones in each area to be used for this purpose. At some time this week, you may hear a test message relayed over your phone extension or a phone near by. If you hear this message, please send an e-mail to barthd@lanecc.edu to let us know you got the message. Departments need to verify that all emergency phone trees are up to date and accurate. We will not be testing phone trees at this time, but will be doing so in the near future. If you have questions, contact Dawn Barth, health and safety specialist, 463-5528.

"INNOVATE" CALL FOR MANUSCRIPTS

Innovate, published by the Fischler School of Education and Human Services at Nova Southeastern University, is an open-access, bimonthly, peer-reviewed online periodical focusing on the creative use of information technology to enhance educational processes in academic, commercial, and government settings. Editor-in-Chief James L. Morrison seeks manuscripts related to descriptions of technological innovations and their

implementation; information on the newest IT educational projects, programs, tools, and trends; critical reflections on the changing nature of teaching, learning, and training with IT in the 21st century; and concept descriptions that point to important new directions for research, product, and process development. Submit a manuscript for publication consideration by contacting James L. Morrison at jlm@nova.edu. Submitted by Tamara Pinkas, Lane's League for Innovation representative, 5011.

GROUPWISE 7 UPDATE

The college began the conversion to GroupWise 7 on President's Day weekend. Staff noticed the first phase of the conversion as a major change in the web mail interface. For most staff, the changes were positive with many new features that make using web mail easier and more intuitive. We all notice a significant delay while logging in, but after that the interface performs well. Novell is aware of the login delay and assures clients that it, along with other known issues, will be addressed in a soon-to-be-released service pak.

We heard from a few staff that the upgrade seriously degraded their access. We are working with the feedback we receive, with other Novell clients and with our own tests to try to pin down the common issues that lead to degraded performance. We are beginning to get a picture that hardware, operating system, browser choice, and connection speed and type are all variables that can affect performance. Needless to say, there are a lot of potential combinations here when you consider that we all live in different areas, with different service possibilities and make our own choices about personal computer types, operating systems, browsers, internet connections, etc.

The Information Technology Department is working to implement a Novell supplied "simple" interface to offer as an alternative for those staff whose personal situation is not working well with the new web mail interface. We will continue to offer the new interface because that seems to work well for most staff. We hope to have the "simple" interface available in the next couple of days. We are also creating a web

information page with advice about the best browser to use based on your personal computer configuration. We are learning that just changing browsers can clear up many of the issues being reported.

Please call the Help Desk at ext. 4444 if you are having any difficulties with GroupWise. Watch for an announcement of the new interface and the information page in the next Daily.

Thanks for your patience and support as we continue to evolve the technology infrastructure of the college. Submitted by Stephen F. Pruch, associate vice president for Information Technology.

INSTRUCTOR BONNIE SIMOA QUOTED IN DANCE MAGAZINE

The March 2006 issue of Dance Magazine has an article titled, "Continuum: From Water to Land," that mentions Lane instructor Bonnie Simoa. Continuum is a dance instruction method. "Continuum has been attracting dancers and other curious movers since 1967. Several dancers have become Continuum teachers or have incorporated [founder] Emilie Conrad's concepts into their classes and choreography. Bonnie Simoa, who teaches at Lane Community College in Eugene, Oregon, finds her students eager to embrace Continuum ideas. 'The work gives students access to their creative and physical potential and to a concept of "smart dancing." They learn to respect and listen to their bodies' inherent wisdom,'" Simoa says. The Daily thanks arts division chair Rick Williams for forwarding this information.

GROUPWISE WEB MAIL NEWS

Please note that a new webpage that links the homepage to GroupWise web mail is now in place. This page gives web mail users the option of the new graphic 7.0 interface or a text-based interface that Novell provides for older browsers (including PDAs and other handheld browsers with Internet access). The text based interface is stripped down to the bare minimum and is fairly functional for sending, receiving, attachments and so forth, but does have less options than the new graphic interface. For example, proxy access to other accounts is not available.

For help with using the graphic interface, there is also a new IT helpdesk reference page (<http://www.lanecc.edu/it/hdrefs/qw7webmail.html>), which lists the combinations of web browsers and operating systems which are known to be compatible with the graphic interface. Todd Lutz, IT Helpdesk.

The Continuing Education Department has recently renewed certification as a licensed official registered provider of Command Spanish(r), Inc. language and cross-cultural training programs. Command Spanish(r), Inc. is the nation's leading provider of occupational Spanish language and cross-cultural training and materials. As a licensed official registered provider, LCC can offer on-site, job-specific Spanish language and cross-cultural training in such diverse areas as nursing, law enforcement, dentistry, public safety, construction, hospitality, banking, office management, warehousing, manufacturing and retail sales. Community based, open enrollment courses are available beginning in April. The programs are all non-grammar based. No previous Spanish experience is necessary. The courses are low stress, direct, and last between 8 to 24 hours. For more information, contact Ross Jackson at 463-5907 or e-mail jacksonr@lanecc.edu

BECOME A MICROSOFT OFFICE SPECIALIST

Microsoft Office Specialist (MOS) is the official certification for Microsoft Office programs. Continuing Education is an MOS authorized testing center. EVENTS

MARCH IS DEVELOPMENTAL DISABILITIES MONTH

Specialized Employment Services invites staff and students to stop by our information table on Tuesday, March 14 in the cafeteria from 9:30 a.m.-1:30 p.m. SES student workers would enjoy talking with you about their jobs, special hobbies and community recognitions they have received. Crafts and delicious baked goods will also be available for purchase. So, drop on by during the day and meet our students on a

personal level. SES has been providing employment training and community inclusion activities at Lane Community College since 1971. Contact: Patty Parks.

ENSEMBLE CONCERTS CONTINUE

Student ensemble concerts continue in Performance Hall, Building 6. A donation of \$4 to \$8 is requested for most concerts with the exception of the March 14 concert. Tickets for that choir concert are \$2 students and \$4 adults. All proceeds go to funding music major scholarships for Lane students. Ticket office information line: 5202.

Tuesday, March 14, 7:30 p.m., Lane Chamber Choir and Concert Choir as well as Spectrum Vocal Jazz Ensemble.

Friday, March 17, 7:30 p.m., Lane Jazz Band and Spectrum Vocal Jazz Ensemble.

Sunday, March 19 at 3 p.m., Lane Symphonic Band and the Lane Chamber Orchestra. Contact: Myrna Seifert.

MEET CLAY ARTISTS MARCH 14

The Art Department Gallery exhibit, Clay Lane, concludes this week. A lecture and reception for the artists will be held Tuesday, March 14, at 3 p.m. in the gallery.

Clay Lane features work from past and present LCC ceramics program faculty, students and artists. The exhibit also will include pieces by four guest artists, John Glick, Susanne Stephenson, Matt Metz, and Katrina Chaytor, who presented at the Ceramic Art Student Association conference last week.

The gallery is located in Building 11. Hours are 8 a.m. to 5 p.m. Mondays through Thursdays. For more information call 463-5409.

SPEECH AND DEBATE INFORMATIONAL MEETING

A speech and debate informational meeting will be held Wednesday, March 15 at 4:30 p.m. in Center 432 (speech and debate classroom). The informational meeting is for those who are, or may be interested in participating on the speech and debate team next year. The team is open to any student planning to attend LCC full time during the 2006/07 academic year; no prerequisites or experience required; grants cover 12 credit hours per term; excellent skills and credentials for transferring schools or applying for jobs. There are scholarships available and great service learning opportunities. If students want to find out more, they will need to attend the informational meeting on Wednesday. If they have any further questions you can direct them to e-mail kempa@lanecc.edu or call 463-3389. Thanks for you help! Andrew Paul Kemp, director of forensics, speech and communication studies; Literature, Language and Communication Department.

ACT-SO EVENT AT HULT CENTER

Eugene-Springfield ACT-SO (Afro-Academic Cultural, Technological-Scientific Olympics) 2006 Great Minds Youth Competition will be held at the Soreng Theater in the Hult Center on Saturday, March 18 at 7 p.m. It will highlight many talented youth and their accomplishments. FRIDAY VIDEO SERIES

Women's Center Friday video will be shown at noon, March 17 in Building 1, Room 202. "Hawaii's Last Queen" (60 minutes) tells the story of Lili'uokalani's life, her embattled reign as the queen of Hawaii, and the ultimate betrayal that led to the loss of their kingdom. Contact: Jill Bradley, ext. 5353.

LCC'S SENIOR COMPANION PROGRAM FUNDRAISER FEATURES OKLAHOMA TICKET DRAWING IS MARCH 28

It's another great "Night on the Town" and another chance to support LCC's own Senior Companion Program. This year the "Night on the Town" is April 6 and features two tickets to the Hult Center to see Rodger's and Hammerstein's landmark musical, "Oklahoma." The lucky winner will begin the evening with limousine service to Sweetwaters at Valley River Inn for dinner for two, then go on to the Hult Center to see "Oklahoma," and finally the limo will take them home again. If the winner is from Florence or Oakridge, an overnight stay at a motel in Eugene will be included. Truly a night to remember! All proceeds will benefit the Senior Companion Program whose goal is to train low income seniors to provide support services to other seniors and disabled adults throughout the county. Tickets are \$1 each. Drawing will be held March 28. For tickets call the Senior Companion office at 683-8043 or stop by the Wildish Building at 1445 Willamette, Suite 210, or send an e-mail to Diana Gatchell at gatchelld@lanecc.edu

SPRING CONFERENCE 2006: BUILDING A SUSTAINABLE COMMUNITY THROUGH COLLABORATION AND PARTNERSHIPS

Spring Conference 2006 will be held for all Lane employees on Friday, May 5, from 8:30 a.m.-4:30 p.m. Gather with colleagues, co-workers and Lane friends to explore issues surrounding sustainability. The conference will kick off with a morning session with author Lucille Clifton followed by breakout sessions to explore sustainability as a core value at Lane in the afternoon. Put the date in your planner, and we will see you bright and early on May 5! Detailed information on the Spring Conference will be available in coming weeks. Submitted by Jennifer L. Cook, Professional and Organizational Development.

LOOKING FOR A HOME! Wrong Kitty has taken up residence on my front porch. She's such a good guard cat that she won't let my 3 cats in or out. She's affectionate to humans and loves all the indoor amenities: throw rugs, chairs, beds, fireplace and the litter box. She's called Wrong Kitty because she looks exactly like my black cat and manages to infiltrate herself into the house and terrorize my "old" bachelor Kitty Boys. She's black with green eyes and very street smart. Please help me find a home for her. Call or e-mail Diana Feldman, F&HC, x5715.`

GIRL SCOUT COOKIE SALES: It is that time of the year again. I wanted to ask you to support me and my troop this year by buying Girl Scout Cookies for yourself or to share with others. My grandmother will deliver the cookies to you at work, so it's very convenient. We think you, your family, friends or office would enjoy the cookies very much. I, also, wanted you to know we have a brand new cookie, the Café Cookie. It is taking the place of the Double Dutch, that we are no longer selling. The Café Cookie is scrumptiously caramelized with brown sugar and a hint of cinnamon spice. I think its going to be a great hit. 8 varieties of cookies are available: Samoas, Thin Mints, Do-Si-Dos, All Abouts, Trefoils, Tagalongs, Lemon Coolers, and Café Cookies. Please e-mail me what varieties you would like to order. We will be delivering the cookies April 16 - 23. The cost is \$4.00 per box. I will collect the money when I deliver the cookies. TONI TIMMERS NAMED CLASSIFIED EMPLOYEE OF THE MONTH

Members of the Classified Professional Development Team joined colleagues in Social Science last week at a gathering to surprise and present Toni Timmers with the Employee of the Month Award for March. Toni has been serving Lane as a part-time employee since 1997 and as a contracted classified in Social Science since September 2004. As a classified employee in the Social Science Division, Toni works mostly in the testing labs. She is noted by her peers as extremely conscientious and competent, making the testing lab a successful enterprise. She has been innovative in streamlining the proctor approval process, standardizing procedures for notes used during tests, and taking steps to eliminate prior cheating problems, to mention just a few. Toni has a great sense of humor and works well with people. She also volunteers in the community, with gardening projects and psychological research at the UO. If you get a chance, congratulate Toni for doing a terrific job and celebrate her nomination as March's Classified Employee of the Month.

Remember that you too can help us to recognize exemplary classified employees by nominating them for this award. Nomination forms are available: 1) at the Human Resources office; 2) on the CPDT website at <http://www.lanecc.edu/cpdt/eom.html> or 3) from Gloria Vanderhorst, OISS.

CAMPUS CLIMATE/SUPPORTIVE LEARNER ENVIRONMENT: A BEST PRACTICE FOR STUDENT SUCCESS BROUGHT TO YOU BY SAGA

Everyone at Lane has a role to play in creating a "supportive learner environment," and thereby improving the retention rate of students (and FTE.) A key fundamental in retention is providing a student-friendly and service-oriented learning environment. In addition to the quality of teaching, some of the key areas in this "best practice" are: admissions, registration, the library, financial aid, advising, counseling, food service, building and grounds maintenance, safety/security, the bookstore, health services, computer labs, disability services, multicultural and women's centers, and student life programs such as clubs, recreational sports and student government.

Because there is a strong correlation between student satisfaction and persistence, improving student success begins with evaluating and then improving the institution's service systems, policies, and processes. Lane has several initiatives that reflect this "best practice" of evaluation and quality improvement of the campus climate such as: the establishment of the Student Success and Goal Attainment (SAGA) committee, IRAP's administration of the Community College Survey of Student Engagement (CCSSE) and the ACT Student Opinion survey, Strategic Learning Initiatives (SLI), the Diversity Plan and Coordinator, Diversity Training, establishment of Learning-Centered College principles, and the Strategic Directions to enhance the college climate.

Lane administered the CCSSE survey in 90 classrooms during winter term 2005. Dan Timberlake (Counseling) and Craig Taylor (Institutional Research, Assessment and Planning) have been disseminating the results to the board and campus groups. Lane will use the CCSSE results as benchmarks to evaluate the effectiveness of retention initiatives at Lane.

Lane continues to broaden the responsibility for retention of students and to improve the "supportive learner environment." For example, SAGA has created a website, <http://www.lanecc.edu/saga/> to make Lane retention information more accessible to staff. Faculty have submitted tips to the website to share with other faculty how they have helped students succeed. More departments are including retention in their Unit Plans and goal setting. Submitted by Jill Bradley, Women's Center.

ARE YOU LOOKING FOR A RECORD OF YOUR CHARITABLE CONTRIBUTIONS THROUGH PAYROLL DEDUCTION?

There are two ways you may access this information online. Log into ExpressLane / Banner for Staff with your L number and your password just as you would to enter your hours for payroll. Select "Employee Services" and then "Pay Information." The next menu will give you two choices where you will find your charitable donation deductions from payroll. If you select "PayStub" and then select a specific pay stub from the list, you will see the amount that was deducted from that specific paycheck on that specific date. If you select "Deductions History," you may then select a Date Range (example: January 2005 through December 2005) and click on "Display" to see your total donations to United Way and to the Lane Community College Foundation for that period. Both the "Pay Stub" screen and the "Deductions History" page are printable. Submitted by Janet Anderson.

TAX HELP AVAILABLE

Free tax help is available through April 14, on Tuesdays, Wednesdays and Fridays from 9:30 a.m. to 2:30 p.m., at the south end of the cafeteria. This service is provided by AARP volunteers. LOOKING FOR A HOME! Wrong Kitty has taken up residence on my front porch. She's such a good guard cat that she won't let my 3 cats in or out. She's affectionate to humans and loves all the indoor amenities: throw rugs, chairs, beds, fireplace and the litter box. She's called Wrong Kitty because she looks exactly like my black cat and

manages to infiltrate herself into the house and terrorize my "old" bachelor Kitty Boys. She's black with green eyes and very street smart. Please help me find a home for her. Call or e-mail Diana Feldman, F&HC, x5715.``

GIRL SCOUT COOKIE SALES: It is that time of the year again. I wanted to ask you to support me and my troop this year by buying Girl Scout Cookies for yourself or to share with others. My grandmother will deliver the cookies to you at work, so it's very convenient. We think you, your family, friends or office would enjoy the cookies very much. I, also, wanted you to know we have a brand new cookie, the Café Cookie. It is taking the place of the Double Dutch, that we are no longer selling. The Café Cookie is scrumptiously caramelized with brown sugar and a hint of cinnamon spice. I think its going to be a great hit. 8 varieties of cookies are available: Samoas, Thin Mints, Do-Si-Dos, All Abouts, Trefoils, Tagalongs, Lemon Coolers, and Café Cookies. Please e-mail me what varieties you would like to order. We will be delivering the cookies April 16 - 23. The cost is \$4.00 per box. I will collect the money when I deliver the cookies. Kamaria Eisiminger. E-mail eisimingerq@lanecc.edu add posted by Gayle, gramma, in Enrollment Services.``

NEWS

NOTICE FROM HEALTH AND SAFETY

Many of you heard our test of the zone paging system yesterday. This system identifies several phones within a specific zone that are equipped to receive a page. The message goes out to all phones in a zone at the same time to provide some redundancy in case of vacant workspaces.

If we were using this part of the emergency system we would also be sending an all campus e-mail and an all campus voice message (which does not make any noise). Hopefully, all three systems combined will get our message out in a timely manner. The next test will be all three systems at one time. These messages would be triggering your own department phone message tree. Departments, please check to see if your message tree is up to date and send a copy to barthd@lanecc.edu. Thanks for the feedback, and for letting us know the message got through. Dawn Marie Barth and Sandy Ing-Wiese.

BOARD REPORT FOR MARCH

The Lane Community College Board of Education voted 5-2 at its March 8 meeting to ask voters to approve a local option levy in November. Board members Jay Bozievich and Paul Holman opposed the levy. The county assessor's office reported that Lane could collect about \$1 million from a maximum \$1.37 million levy, following the "compression effect" of other local option levies and projected collection rates. President Mary Spilde said K-12 districts reported that a levy by Lane would not significantly impact their own revenue. Reasons favoring the levy included acting in the college's best interests by raising as much revenue as possible given continuing state funding shortfalls. Concerns included "voter fatigue" and that a levy does not address the long term issue of expenses exceeding revenues. Administration will return with ballot language at the next meeting.

By unanimous vote, the board approved a new retail management certificate program. The program includes existing courses in business administration, math, public speaking, computing, and accounting.

In other unanimous action, the board approved the selection of Kenneth Kuhns & Company as college auditor; and the second reading of board policy on the use of intoxicants and controlled substances.

In statements from the audience, faculty bargaining chair Stan Taylor, a former flight tech instructor and an air traffic controller discussed issues for part-time faculty and advocated settling the faculty contract.

The board held a first reading on a board policy to acknowledge Oregon Senate Bill 300 which increases access to college courses for 11th and 12th grade students. The board also reviewed a benchmark on changes in employee headcount.

The president said the Executive Team will begin to develop budget proposals after March 20. The proposals will be presented to College Council, and then to the board in April. She said that no decisions have been made.

After approval, minutes are available at <http://www.lanecc.edu/presoffc/board/minstoc.htm> The president's reports to the board are available from <http://www.lanecc.edu/presoffc/communication.htm>

The next meeting is set for Wednesday, April 12. Submitted by Joan Aschim, Marketing and Public Relations.

NOTICE TO STAFF LOCKER ROOM USERS

If you are using the staff locker room during spring term, please remember to either be signed up for a PE/Dance class that includes the locker room fee (e.g. Fitness Education Center) or pay the Optional PE Fee. Remember that the Optional PE Fee can now be assessed to your account electronically. Please use ExpressLane and add CRN 43718 to "register" for the \$12 Optional PE Fee. If you are not using the staff locker room during spring term, please return your clothing and lock. We continue to have a huge demand for locker/basket space. If you have not been assessed the \$12 Fee by Monday, April 17, your basket/locker will be cleared out. Questions? Contact Mike Zimmerman (5554), Kim Gilbert (5557) or Risa Holden-Collins (5272).

CAMPUS CLIMATE/SUPPORTIVE LEARNER ENVIRONMENT: A BEST PRACTICE FOR STUDENT SUCCESS BROUGHT TO YOU BY SAGA

Everyone at Lane has a role to play in creating a "supportive learner environment," and thereby improving the retention rate of students (and FTE.) A key fundamental in retention is providing a student-friendly and service-oriented learning environment. In addition to the quality of teaching, some of the key areas in this "best practice" are: admissions, registration, the library, financial aid, advising, counseling, food service, building and grounds maintenance, safety/security, the bookstore, health services, computer labs, disability services, multicultural and women's centers, and student life programs such as clubs, recreational sports and student government.

Because there is a strong correlation between student satisfaction and persistence, improving student success begins with evaluating and then improving the institution's service systems, policies, and processes. Lane has several initiatives that reflect this "best practice" of evaluation and quality improvement of the campus climate such as: the establishment of the Student Success and Goal Attainment (SAGA) committee, IRAP's administration of the Community College Survey of Student Engagement (CCSSE) and the ACT Student Opinion survey, Strategic Learning Initiatives (SLI), the Diversity Plan and Coordinator, Diversity Training, establishment of

Learning-Centered College principles, and the Strategic Directions to enhance the college climate.

Lane administered the CCSSE survey in 90 classrooms during winter term 2005. Dan Timberlake (Counseling) and Craig Taylor (Institutional Research, Assessment and Planning) have been disseminating the results to the board and campus groups. Lane will use the CCSSE results as benchmarks to evaluate the effectiveness of retention initiatives at Lane.

Lane continues to broaden the responsibility for retention of students and to improve the "supportive learner environment." For example, SAGA has created a website, <http://www.lanecc.edu/saga/> to make Lane retention information more accessible to staff. Faculty have submitted tips to the website to share with other faculty how they have helped students succeed. More departments are including retention in their Unit Plans and goal setting. Submitted by Jill Bradley, Women's Center.

ARE YOU LOOKING FOR A RECORD OF YOUR CHARITABLE CONTRIBUTIONS THROUGH PAYROLL DEDUCTION?

There are two ways you may access this information online. Log into ExpressLane / Banner for Staff with your L number and your password just as you would to enter your hours for payroll. Select "Employee Services" and then "Pay Information." The next menu will give you two choices where you will find your charitable donation deductions from payroll. If you select "PayStub" and then select a specific pay stub from the list, you will see the amount that was deducted from that specific paycheck on that specific date. If you select "Deductions History," you may then select a Date Range (example: January 2005 through December 2005) and click on "Display" to see your total donations to United Way and to the Lane Community College Foundation for that period. Both the "Pay Stub" screen and the "Deductions History" page are printable. Submitted by Janet Anderson.

NEWS

GROUPWISE UPDATE

There are now three ways to access GroupWise e-mail using a browser (the web interface). You can see each option when you follow the GroupWise link from the LCC home page. While working on campus, most staff use the "client" version of GroupWise. When working from home or while traveling, staff use the web interface. This update concerns only the web interface.

The newest version of GroupWise is available as the "graphic interface." We recommend this for staff with newer computer systems and a fast Internet connection. The next two options are for staff with older computer systems and/or slower connections. This latter group experiences performance problems when they try to use the "graphic interface." The "text interface" is a very stripped down implementation of GroupWise 7. The GroupWise 6.5 interface is intended for those who have no other option. Our recommendation is try each interface and see which one works best for your individual circumstances.

We know that operating systems and browsers really affect performance. Please see the information page at <http://www.lanecc.edu/it/hdrefs/gw7webmail.html> for our recommendations. If you have questions or need help with your personal connection situation, please call the Help Desk at 4444.

Thank you for your patience and understanding as we work through the issues created by this technology upgrade. We apologize for any inconvenience this has caused. Submitted by Stephen F. Pruch, AVP for Information Technology.

SPRING TERM BUS PASS AND STICKER INFORMATION

Photos for the LCC Group Bus Pass ID will be taken in Building 19, Room 117 on April 3 and 4 from 8 a.m.-5 p.m. for eligible main campus credit students who do not already have a bus pass. Students who have a pass that will expire spring term should get a new photo ID. Students need to bring their spring term ExpressLane schedule and a current photo identification to get the photo ID. Students can start riding the bus the first week of spring term with the bus pass ID. Term stickers will be available in Building 1, Room 121 April 11 and 12, 8 a.m.-4 p.m. and April 13, 8 a.m.-noon, or at the DTC starting April 11 when the front counter is open. To get a sticker, students need to bring their bus pass and have their "L" number. English as a Second Language students should check with the ESL office on main campus in Building 11, Room 201 or the DTC, Room 210. More information about spring term bus schedules and the bus pass is available at www.ltd.org or <http://www.lanecc.edu/instadv/lccbuspassinfo.htm>. Susan Tatar, ext. 5727.

NEW ASSOCIATE VICE PRESIDENT FOR FINANCE ANNOUNCED

Greg Morgan is the college's new Associate Vice President for Finance. Greg comes to Lane with a wealth of experience in financial administration. His most recent position was Senior Vice President for Overseas Military Banking for Bank of America. Previous positions include Director of Air Force Military Pay, Director of Air Force Accounting, Banking and Comptroller Support, and Director of Financial Management at the U.S. Air Force Academy. Greg also has 20 years experience as an adjunct faculty, teaching graduate and undergraduate courses in accounting, business and ethics. Greg's credentials include an M.S. in Systems Management, B.S. degrees in Business Management and Asian Studies, and CPA certification. Greg's first day will be May 1. Submitted by Jennifer Steele, College Operations, ext. 5311.

DAVID JOYCE ART GALLERY SHOWS PAINTINGS BY COLLEGE STAFF

Now showing at the Center for Meeting and Learning: "Oregon Landscapes: A Lane Faculty and Staff Show" of paintings of Oregon by artists who work at Lane. Artists include Jerry Ross, Deborah Posen, Will Klausmeier, Sanae Weitzel and Satoko Motouji. Images also available for viewing at <http://teach.lanecc.edu/fpd/exhibit/DavidJoyceGallery/Exhibit.htm>. The gallery area is located in the west end of Building 19 in the Center for Meeting and Learning and is open from 8 a.m.-5 p.m., Monday-Friday and some weekends. Hillary Knox, ext. 3500.

GROUPWISE UPDATE

Anyone using the Groupwise 7 graphical interface notices some genuine improvements (like drag-and-drop and automatic address completion) and they also notice that annoying 30-second delay while logging in. The IT department contacted Novell and they assure us that this is an issue that all Groupwise sites are experiencing. There is nothing we can do with our local installation to reduce or eliminate the delay. The good news is that Novell assures us that the delay is eliminated in Service Pak 1 (SP1); the bad news is that Novell has just announced that release of SP1 is being slipped from Quarter 1 (January to March) to Quarter 2 (April to June). That means that we may not see it until May or even June. We were originally expecting SP1 just after the New Year. Please see the information page at <http://www.lanecc.edu/it/hdrefs/gw7webmail.html> for our recommendations on browser choices. If you have questions or need help with your personal connection situation, please call the Help Desk at 4444. Thank you for your patience and understanding as we work through the issues created by this technology upgrade. We apologize for any inconvenience that this is causing. Submitted by Stephen F. Pruch, AVP for Information Technology.

STAFF LOCKER ROOM USERS

If you are using the staff locker room during spring term, please remember to either be signed up for a PE/Dance class that includes the locker room fee (e.g., Fitness

Education Center) or pay the optional PE fee. Remember that the optional PE fee can now be assessed to your account electronically. Please use ExpressLane and add CRN 43718 to register for the \$12.00 Optional PE Fee. If you are not using the staff locker room during spring term, please return your clothing and lock. We continue to have a huge demand for locker/basket space. If you have not been assessed the \$12.00 fee by Monday, April 17, your basket/locker will be cleared out. Questions? Please contact Mike Zimmerman (ext. 5554), Kim Gilbert (ext. 5557) or Risa Holden-Collins (ext. 5272).

MOODLE ADOPTED AS THE COMMON LEARNING MANAGEMENT SYSTEM FOR LANE

The Executive Team and Office of Instruction have approved the faculty-led decision to adopt Moodle as Lane's common learning management system (LMS), supported by IT, starting in fall 2006. Lane will cease the use of WebCT when the license expires in September. Moodle will be supported by Lane's IT department both in terms of technical server and student support. In addition to being comparable to other commercial LMS systems such as Blackboard or WebCT, Moodle is open source software, which will save Lane thousands in licensing fees and support costs.

WebCT has been in use at LCC since 1998, and Moodle has been used since 2004. Currently, there are 38 instructors actively using WebCT and 69 actively using Moodle. The 38 WebCT-using faculty will have spring and summer terms to make arrangements for training and conversion of their existing WebCT courses that begin fall term 2006. Lane's three faculty webmasters will offer workshops and individual training for faculty making the conversion from WebCT to Moodle. Course conversion and training is the webmasters' top priority for spring and summer 2006. Stay tuned for additional information, via announcements and targeted e-mails.

GOT NETFLIX?

Lane Library is pioneering a new service for faculty, staff and administrators. We have opened a subscription to Netflix, the hugely successful DVD rental service. LANE ALUMNUS BRINGS MUSICAL PRODUCTION OF "TOM SAWYER" TO CAMPUS

On March 23 at 7 p.m. Tegan Johnson, alumnus of the Lane music program, will bring her students from Parker Elementary School in Eugene to perform the musical production of "Tom Sawyer." This free event will be performed on the main stage in Building 6. The show is directed and choreographed by Tegan and parent volunteer Martha Timberlake. Eric Mckirdy, also a recent LCC alumnus, assists with accompaniment. The Lane music program is sponsoring the project. This event open to the public.

After earning an associate of arts transfer degree from Lane in 1999, Tegan completed her bachelor of music in music education degree at the University of Oregon and will complete a master of arts in teaching at Oregon State University this spring. She will then teach a summer music course at UO for the College of Education. Tegan teaches K-5 music and choir in four Eugene elementary schools and private voice lessons at Oregon Festival of Musical Theatre. She has also worked with Eldershostle performance groups during OFAM's summer festival. Tegan has performed with Lane Summer Musical Theater and Corvallis Repertory Singers as well as numerous college groups. Submitted by Myrna Seifert.

WALK WITH US

Walk for improved physical strength and stamina, and to lift your mood and experience the endorphin rush. Join Walking Coach Tyler Burgess in this friendly fitness walking class at your work site on main campus. Each walking session includes a muscle and joint warm up, gentle strength training and stretching. The class meets Mondays and Wednesdays, April 3 to June 7, from noon-12:50 p.m. at the LCC track. Sign up for CRN 43177. With tuition waiver, the cost will be approximately \$26. There must be a minimum of 8 people enrolled. Contact: Wendy Simmons.

THERAPEUTIC EXERCISE AND REHABILITATION FOR EMPLOYEES

Get back to the activities you enjoy. If you have back pain, a shoulder injury, wrist soreness and/or aching knees, this is the program for you. Whether you have an acute or chronic injury, or disability, with this class you will get a personalized rehabilitation program designed to improve your condition and decrease pain. You must register through ExpressLane using CRN 43803. The class will meet Tuesdays and Thursdays, April 4 to June 8, from 5-6:20 p.m., in Building 5, Room 103. The cost is \$25. POLITICAL SIGNS NOT ALLOWED ON STATE HIGHWAY RIGHT-OF-WAY

From an Oregon Department of Transportation news release:

With primary elections approaching in May, campaign workers are reminded that signs may not be posted on state highway right-of-way. There also are restrictions for signs on private property that are visible from state highways.

Political signs placed on a state highway right-of-way will be removed without notice. Removed signs are held at local ODOT district maintenance offices for 30 days. Signs are prohibited on trees, utility poles, fence posts and natural features within highway right-of-way. They also are prohibited within view of a designated scenic area. The width of state highway right-of-way can vary considerably depending on the specific location.

If you're uncertain whether you're placing a sign on private property or highway right-of-way, call Lynn Stuckrath at (541) 744-8080 for Lane County.

Temporary political signs are allowed on private property within view of state highways with the following restrictions:

- o New signs are limited to 12 square feet.

- o No flashing or intermittent lights, animated or moving parts are allowed.
- o Signs must not imitate an official highway sign or device.
- o Signs are not allowed in scenic corridors.

LANE ALUMNUS BRINGS THE MUSICAL "TOM SAWYER" TO CAMPUS

On March 23 at 7 p.m. Tegan Johnson, alumnus of the Lane music program, will bring her students from Parker Elementary School in Eugene to perform the musical production of "Tom Sawyer." This free event will be performed on the main stage in Building 6. The show is directed and choreographed by Tegan and parent volunteer Martha Timberlake. Eric Mckirdy, also a recent LCC alumnus, assists with accompaniment. The Lane music program is sponsoring the project. This event open to the public.

After earning an associate of arts transfer degree from Lane in 1999, Tegan completed her bachelor of music in music education degree at the University of Oregon and will complete a master of arts in teaching at Oregon State University this spring. She will then teach a summer music course at UO for the College of Education. Tegan teaches K-5 music and choir in four Eugene elementary schools and private voice lessons at Oregon Festival of Musical Theatre. She has also worked with Eldershostle performance groups during OFAM's summer festival. Tegan has performed with Lane Summer Musical Theater and Corvallis Repertory Singers as well as numerous college groups. Submitted by Myrna Seifert.

SPRING TERM CULINARY CLASSES AVAILABLE TO STUDENTS, STAFF

"Culinary Adventuring: Seasonal Baking and Pastry." This is the study and application of local sustainable cuisine. Explore the "rebirth" of regional cuisines and learn to bake with spring fruits, vegetables and herbs. Celebrate spring holidays and cultural traditions through seasonal recipes. Find out about seasonal fruits and vegetables and their availability in the local area, while studying Oregon agriculture and its organic and sustainable values. Classes involve lectures, demonstrations, hands-on work, and tastings. Meets every Thursday evening from April 6 to June 8, 5-8:50 p.m., Building 19, Wiper Kitchen Classroom (Room 109).

"Local Guest Chef Series." Join gifted local chefs, food purveyors and our culinary instructors as they share their cooking secrets and techniques. Classes involve

demonstrations, tastings, and some hands-on work. Meets every Monday evening from April 3 to June 5, 6-7:50 p.m., Building 19, Wiper Kitchen Classroom (Room 109).

"Oregon Wine Country." Did you know that the Oregon pinot noir and pinot gris rival the best wines produced in France? Join talented Oregon winemakers, wine writers, and distributors in an exciting new class. Learn about Oregon grape varietals and wines and how they complement foods. Classes involve lectures, demonstrations, and tastings. Meets every Wednesday evening from April 5 to June 7, 7-8:50 p.m., Building 19, Room 203.

"European Specialty Baking." Create artisan breads, pies, cakes, tortes and layered doughs, such as puff and Danish pastry. Through lectures, demonstrations, and participation, you can learn baking principles and how to make yeast doughs, batters, puddings and cream. This class is designed for the experienced baker. Meets every Wednesday and Thursday evening from April 5 to June 7, 5:30-8:50 p.m., Center Building, Room 108.

For more information about the classes, contact Annie Caredio, 463-3503 or caredioa@lanecc.edu or visit www.lanecc.edu/culinary

"Classical Cuisine Dinner." Make your reservations for the spring classical cuisine dinner on Thursday, May 25, at 6 p.m. An exciting buffet dinner will be planned, prepared and served by the culinary arts and hospitality management students. A culinary bargain at \$35 per person. Call Annie at (541) 463-3503.

ART HISTORY AND STUDIO ART CLASS WILL EXPLORE THE MEDIEVAL AND RENAISSANCE PERIODS

The Art and Applied Design Department is offering a new class spring term that combines art history and studio experience in an effort to help students understand art both intellectually and physically. "ART 299: Trends ARTworks" will emphasize the history and artistic methods of medieval and Renaissance art while providing an opportunity to explore a broader range of artistic creation.

Art history instructor Betsy VanderSchaaf says students in art history classes sometimes wonder what is the "work" in a work of art? They wonder how it feels to push oil paint around, and how this affects the understanding of the development of art, and its relation to culture. Similarly, studio art students need to acquire an appreciation and knowledge of great art produced by past masters of various techniques. Their challenge is to better understand and assess their own creative efforts in the context of human creativity.

Students will learn about the history and techniques of oil, tempera, encaustic, drawing, and fresco through analysis and discussion of the work of great artists. In the studio portion of the course, students will have the opportunity to experience the physical act of creating images using the media of oil, tempera, fresco and charcoal or pencil.

The four-credit course will be taught spring term by VanderSchaaf and studio art instructor Satoko Motouji. Class will be held Mondays and Wednesdays from 9-10:50 a.m. in Building 11 on main campus, 4000 E. 30th Avenue in Eugene. The registration number is 42487. Register online at www.lanecc.edu via the ExpressLane icon. For more information, contact VanderSchaaf at 463-5415.

BEGINNING PILATES

Pilates is particularly effective in developing core strength, improving strength and flexibility for the total body while also enhancing posture, balance, and coordination. The objectives of these four week sessions are to understand the basic principles of Pilates such as breathing and core stabilization, and to demonstrate essential exercises with the correct breathing. If you have degenerative disc disease, disc hernias, bulging

discs, any major injuries or are pregnant after the first trimester, you should get a release from your physician or physical therapist before attempting Pilates. The Instructors are Pilates Stott certified and currently work at The Pilates Center in downtown Eugene. We'll be offering two classes, one Mondays and Wednesdays, April 10 - May 3, 1:00 - 2:00 pm, and the other Mondays and Wednesdays, April 10 - May 3, 5:00 - 6:00 pm. Both will take place in the Wellness Room, in Building 18, Room 105. To sign up, you must register for CRN 43801 for the 1 pm class or for CRN 43802 for the 5 pm class. The cost is \$25. Minimum enrollment is 6, maximum is 10. Contact: Wendy Simmons

MOODLE ADOPTED AS THE COMMON LEARNING MANAGEMENT SYSTEM FOR LANE

The Executive Team and Office of Instruction have approved the faculty-led decision to adopt Moodle as Lane's common learning management system (LMS), supported by IT, starting in fall 2006. Lane will cease the use of WebCT when the license expires in September. Moodle will be supported by Lane's IT department both in terms of technical server and student support. In addition to being comparable to other commercial LMS systems such as Blackboard or WebCT, Moodle is open source software, which will save Lane thousands in licensing fees and support costs.

WebCT has been in use at LCC since 1998, and Moodle has been used since 2004. Currently, there are 38 instructors actively using WebCT and 69 actively using Moodle. The 38 WebCT-using faculty will have spring and summer terms to make arrangements for training and conversion of their existing WebCT courses that begin fall term 2006. Lane's three faculty webmasters will offer workshops and individual training for faculty making the conversion from WebCT to Moodle. Course conversion and training is the webmasters' top priority for spring and summer 2006. Stay tuned for additional information, via announcements and targeted e-mails.

CLOTHESLINE PROJECT

For two weeks during April, Sexual Violence Awareness Month, a display called the Clothesline Project will be up in the cafeteria area on the curved wall near the barista coffee bar. This annual project is meant to raise awareness about the extent, prevalence of and the impact of sexual violence in our community. This display will be featured from April 4 through 18, supported by Sexual Assault Support Services.

The Clothesline Project has become a symbol for healing from violence and a tool for creating social change. Each person tells their own story by creating and designing a T-shirt. Displays are then comprised of shirts created by survivors, their family, and friends, which are color-coded to reflect the various forms of sexual violence. The project about survivors reclaiming their lives, finding the courage to survive, and regaining their inner strength to proclaim the history of violence against women and all sexual violence, and call for its end.

Sexual Assault Support Services is a local non-profit crisis and support center that offers free crisis intervention and long-term support to survivors of sexual violence. Our services include 24-hour crisis and support lines, peer support groups, legal and medical advocacy, and community education programs. Please contact SASS for more information at 484-9791. KLCC EARNs OREGON AP NEWS AWARDS

THE Oregon Associated Press Broadcast Association has named the winners of the 2005 news awards. The awards will be formally announced at the annual OAPBA Convention in Portland on April 1. KLCC won first place for best treatment of a single subject for "Homelessness, Health and Hygiene" by Marianne Parsons, and "Effects of Poverty" by Sean Bowditch, both from the KLCC special issues series on poverty and health. Second place for best use of sound was awarded for "Fluoridation" by Ann Dornfeld, from the KLCC special issues series on water and power. Second place for best feature was awarded for "Totem Carver," a profile of Tony Rath by Sean Bowditch. KLCC is judged in the Division 2, Non-Portland Metro Markets category in this statewide competition. Contact: Gayle Chisholm.

COMPUTER FUNDAMENTALS: SYSTEMS AT WORK

The CIT and Business departments have created a new class being offered for the first time in spring term, designed to help you if you need to manage computer systems at work (or at home). The class starts with a brief refresher in Windows XP, and from there covers making back-ups, doing your own hardware upgrades, security basics and useful network skills like adding or sharing printers. CIS103 - Computer Systems At Work, CRN 43773, 4 credits, TR 12-1:50 p.m., main campus, Building 19, Room 128. For more information contact Tony Michaels at michaelsa@lanecc.edu

FINAL REMINDER: MOODLE ADOPTED AS THE COMMON LEARNING MANAGEMENT SYSTEM FOR LANE

The Executive Team and Office of Instruction have approved the faculty-led decision to adopt Moodle as Lane's common learning management system (LMS), supported by IT, starting in fall 2006. Lane will cease the use of WebCT when the license expires in September. Moodle will be supported by Lane's IT department both in terms of technical server and student support. In addition to being comparable to other commercial LMS systems such as Blackboard or WebCT, Moodle is open source software, which will save Lane thousands in licensing fees and support costs.

WebCT has been in use at LCC since 1998, and Moodle has been used since 2004. Currently, there are 38 instructors actively using WebCT and 69 actively using Moodle. The 38 WebCT-using faculty will have spring and summer terms to make arrangements for training and conversion of their existing WebCT courses that begin fall term 2006. Lane's three faculty webmasters will offer workshops and individual training for faculty making the conversion from WebCT to Moodle. Course conversion and training is the webmasters' top priority for spring and summer 2006. Stay tuned for additional information, via announcements and targeted e-mails.

EVENTS

Activities include a "Dress for Success" fashion show and employer panel. There will be door prizes and drawings for scholarships! The Career Fair connects Lane students, alumni and community members with employers. Our event is a partnership between Career and Employment Services, Cooperative Education, and Workforce Development. Contact Lori Kramer at 463-5859 or kramerl@lanecc.edu

WELLNESS EVENTS

WALK WITH US

Walk for improved physical strength and stamina, and to lift your mood and experience the endorphin rush. Join Walking Coach Tyler Burgess in this friendly fitness walking class at your work site on main campus. Each walking session includes a muscle and joint warm up, gentle strength training and stretching. The class meets Mondays and Wednesdays, April 3 to June 7, from noon-12:50 p.m. at the LCC track. Sign up for CRN 43177. With tuition waiver, the cost will be approximately \$26. There must be a minimum of 8 people enrolled. Contact: Wendy Simmons.

BEGINNING PILATES

Pilates is particularly effective in developing core strength, improving strength and flexibility for the total body while also enhancing posture, balance, and coordination. The objectives of these four week sessions are to understand the basic principles of Pilates such as breathing and core stabilization, and to demonstrate essential exercises with the correct breathing. If you have degenerative disc disease, disc hernias, bulging discs, any major injuries or are pregnant after the first trimester, you should get a release from your physician or physical therapist before attempting Pilates. The Instructors are Pilates Stott certified and currently work at The Pilates Center in downtown Eugene. There is still room in the evening class that will meet Mondays and Wednesdays, from April 10 to May 3, 5-6 p.m., in the Wellness Room, Building 18, Room 105. To sign up, you must register for CRN 43802. The cost is \$25. Minimum enrollment is 6, maximum is 10. Contact: Wendy Simmons
