VELDA ARNAUD RECEIVES PTK AWARD

Velda Arnaud was presented an Advisor Paragon Award by the Phi Theta Kappa Honor Society of the Two-Year College at its international convention in Seattle in April. She is the only Oregon advisor to receive the award. Advisors are recognized for significant contributions to the growth of individual PTK members, for serving as their chapter's advocate on campus, and for encouraging the chapter to be involved at the local, regional or international level of the society. Arnaud teaches business at Lane and has been PTK advisor since fall 2005. Arnaud and the chapter also won the competition for the convention's best blog. For photos and more information see <http://convention.ptk.org/> Submitted by the editor.

MAY LANE TO DIVERSITY HOT OFF THE PRESS

The May issue of the Lane to Diversity is now available. Check out reviews of the film "Dastaar: Defending Sikh Identity" and films from the students of the Rites of Passage Program; info on the Oregon Multicultural Archives; new films and teaching kits available in the diversity coordinator library such as "The Children's March," "One Survivor Remembers," "The Shadow of Hate: A History of Intolerance in America," and Media that Matters Film Festival calendar info and more. If you'd like a copy of the issue

or you'd like to subscribe, send a request to diversity@lanecc.edu Don't forget, when requesting the newsletter you can also sign up for the diversity e-mail list to receive announcements about local and national diversity events and conferences, new diversity materials on campus, and occasional articles. Play, win and then trade your "funny money" for raffle tickets or use to bid on auction items. Doors open at 6 pm. Grand finale raffle at 9:30 p.m. Free and delicious hors d'oeuvres! Soda, beer and wine available for purchase. This is a benefit for Lane women's and men's basketball teams. Call Matt Swagerty at 5553 or Greg Sheley at 3164.

ESTATE PLANNING WORKSHOP OFFERED

The Lane Community College Foundation is sponsoring a free estate-planning workshop on Wednesday, May 17, from 11:30 a.m. to 2 p.m. in Room 102 in the Center for Meeting and Learning, Building 19. The purpose of the workshop is to help participants understand estate planning alternatives. Here is your opportunity to learn the basics of estate planning.

The real reason people plan is to care for the people, things, and institutions that matter to them. Learn about some basic estate planning tools, such as: wills, power of attorney, and different kinds of trusts. Additional topics discussed will be charitable giving and ways to protect savings from the financial burden of a lengthy illness or long-term nursing home stay. Presenters are Ian Richardson, Attorney, and Linda Thomas-Bush, Senior Trust Office at U.S. Bank. Admission is free but seating is limited. A light lunch and drinks will be provided. To reserve your seat RSVP to enrightb@lanecc.edu Pre-register soon. Enrollment is limited. RSVP required by May 4.

LANE EVENTS ONLINE: www.lanecc.edu/today.html

POLITICS AND POETICS, 11:30 a.m.-1p.m., Building 1, Room 206. Writer, poet, teacher and reproductive justice activist Judith Arcana will read from her new book, "What if your mother," and lead a discussion around the themes it addresses. A reception will follow in the Women's Center from 1-2 p.m. All are welcome to either or both events. For more information, or to bring a class to this event, call Patsy at 5840.

NEWS**LANE EVENTS CALENDAR AND THE DAILY SIMPLIFY PROCESSES**

Increasing public use of the online Lane Events Calendar has led to a collaboration between Information Technology and The Daily to simplify how events are scheduled and announced.

Currently, events are scheduled through the Lane Events Calendar and also announced in The Daily, causing duplication of effort and information. Last week, IT upgraded Calendar procedures to require an event description which previously was optional. Beginning May 8, The Daily will publish only Calendar URLs for the day and the week, and discontinue redundant event announcements (exceptions may be made depending on college marketing strategies).

This will simplify event scheduling and promotion and save time for everyone concerned: event organizers, Daily staff, IT staff, and the public who use the Calendar to find out what's happening at Lane.

If you need requester access to the Calendar, contact Alen Bahret or Ron Rourke. For Calendar training, contact Michael Levick. If you have comments for The Daily, contact Joan Aschim.

SUPPORT STUDENT SCHOLARSHIPS AT THE SPRING CONFERENCE

The Hospitality and Culinary Student Club will offer a wide variety of breakfast offerings for purchase at the Spring Conference on May 5. The menu is set including organic fresh fruits, fresh pastries, juices, yogurts, and more. Proceeds will go to the Hospitality and Culinary Student Club, designated for student scholarships in honor of three of our students who died this year, Larry, Randy and Matthew. For more information, please contact Peg Allison.

COMMUNITY COLLEGE MOMENT SEEKS CO-EDITOR

The Community College Moment is sorry to see co-editor Tracy Henninger reach the end of her three-year appointment. Her experience, expertise and positive outlook have shown in the steady expansion and development of the journal. She will be missed. We are now seeking a new co-editor (faculty member, to work with Steve McQuiddy) for a three-year appointment with reassignment time to accommodate the workload. The editors oversee all activities and operations related to production, distribution, promotion and development of the annual journal, including submission solicitations and management, working with the review panel to ensure blind review of all submissions, working with authors and artists, and extensive editing and proofreading to ready the

journal for publication. This particular co-editor position focuses on the design, layout and production of the journal, and requires proficiency with desktop publishing software such as InDesign or its equivalent. The majority of the work takes place over winter term, but it is often sporadic in nature with sometimes hectic deadlines. The ideal candidate will have significant experience in writing, editing, publishing and working with printers. Please submit a letter of no more than two pages that summarizes your enthusiasm for this position, your background in writing, editing and particularly desktop publishing to Steve McQuiddy in Academic Learning Skills (mcquiddys@lanecc.edu) by May 12. The new co-editor will be appointed by the Moment Board of Directors. For more on this position and the Moment, visit our website at <http://teach.lanecc.edu/ccm/> or call Steve at 5780.

SERVICE LEARNING PROPOSALS DUE

This year, the Service Learning Leadership Team has developed a new two-tiered application process. We invite faculty proposals for curriculum development funding connected to service learning projects at local agencies and/or community-based learning projects, including 3- to 4-credit conversion work. Please visit our website to review the Tier I and Tier II applications, now posted under faculty resources at <http://lanecc.edu/sl/>. Spring term deadline for Tier I or Tier II applications: Monday, May 15 at 5 p.m. For more information about service learning at Lane or our new application process, contact Jennifer von Ammon at the Service Learning office, ext. 3658 or vonammonj@lanecc.edu

ESTATE WORKSHOP FULL

The estate-planning workshop offered by the Lane Foundation is now filled. Thanks to everyone for your interest. Contact: Barbara Enright.

INVESTIGATE THE BODY

Art work and student writing titled, "Investigating the Body," is on exhibit through the first week in May in the Performance Hall (Building 6) lobby. This project is part of the LCC Learning Community, Investigating the Body: Movement, Image and Text, taught by Margaret Bayless (writing), JS Bird (drawing), Bonnie Simoa (movement) and guest artist Barbara Mindell. The primary goal of this learning community was to use the diverse disciplines of dance, art and writing to help students excavate creativity, and to connect creativity with identity and personal voice. Through this process students connected more deeply with who they are, and explored that understanding in artwork, writing and movement. This learning community and exhibition was created with the help of the Strategic Learning Initiative, the Jane King fund, and the Reading Together project. Contact: Myrna Seifert.

DEPARTMENT HOURS NOTICE

The Language, Literature, and Communication Division Office, Center 457, will close early at 3:30 p.m. today, May 2. Contact: Sharon Hainley.

FORD SCHOLARSHIP INTERVIEW WORKSHOP

If you know of Lane students who have been invited to interview for one of the coveted Ford Family Foundation Scholarships, please encourage them to attend our

annual Ford Scholarship Interview Workshop on Monday, May 8, from 3:00-4:30, in Building 19, Room 243. Mary Parthemer (TRiO), Beth Landy (Counseling), and Jackie Bryson (CES) will facilitate the workshop. In previous years, Lane students have been extremely successful in earning these prestigious state-wide scholarships...interview preparation is a vital component of their success. (Submitted by Beth Landy, Counseling)

PRINT SHOP DEADLINE REMINDER

The deadline for submitting summer term instructional packets to Printing/Graphics is June 2. Handouts needed for the first day of summer term classes should be submitted by June 16. Subsequent deadlines for the 2006-07 academic year are as follows:

Fall term: Packets to Printing/Graphics by August 11. First-day materials due September 15.

Winter term: Packets to Printing/Graphics by November 9. First-day materials due December 8.

NEWS

VISUAL COMMUNICATION TEXT INCLUDES WORK BY RICK WILLIAMS

The keynote address presented by Rick Williams, chair of the Division of the Arts, at a conference of the Rochester Institute of Technology in 2001, has been published in a new book titled, "Visual Communication Perception, Rhetoric, and Technology," published by Hampton Press, Inc. William's piece is titled, "Theorizing Visual Intelligence: Practices, Development, and Methodologies for Visual Communication." Before joining Lane in January 2005, Williams taught visual and media studies and photography at the University of Texas and the University of Oregon. His research and photographic work are widely published in scholarly journals and books and his photographs are included in permanent collections of major museums and university archives. Submitted by the editor.

SCHAFER TIP OF THE DAY

Schafer Awards fund projects that encourage creative thinking, innovative approaches, and experimentation in educational programs. Deadline is May 22. To apply: www.lanecc.edu/foundation/schaferawards.htm. Oh, the tip: You can't win without applying, and your odds are better than winning the lottery or being struck by lightning three times. Submitted by Aaron Shonk, ext. 5312.

ACADEMIC CALENDARS AVAILABLE

The detailed 2006-07 Academic Calendar and Multiple Year Academic Calendar are now available on the web at <http://www.lanecc.edu/instadv/calaca.htm> Contact: Gloria Vanderhorst.

ASLCC TO PROVIDE BALLOT BOXES FOR MAY 16 PRIMARY

ASLCC will provide boxes for the voting ballots for the May 16 primary election. CALL FOR WORKSHOP PROPOSALS: OREGON BIONEERS CONFERENCE

The 2006 Oregon Bioneers Conference will be held at Lane Community College October 20, 21 and 22. The Bioneers mission is to promote visionary and practical solutions for restoring the earth and communities. Last year, several faculty lead excellent workshops at the conference with topics ranging from renewable energy to native plants. The conference planning team is currently seeking workshop proposals for

the 2006 conference. Lane faculty and staff are encouraged to submit proposals. Proposals can be submitted at www.bridgingworldsnw.org/proposals.htm The deadline for submission is June 1. For more information about Bioneers and to view programming that was offered at last year's conference, see www.bridgingworldsnw.org Contact: Jennifer Hayward.

FACULTY INTERNSHIP OPPORTUNITIES AVAILABLE

Perkins grant funds are available for paid faculty internships June 1 to August 15 for faculty to work at business sites related to their teaching subject for the purpose of enhancing the performance of professional technical students. Internships are paid at the curriculum development rate and are to be with local employers within commuting distance of the college. Applicants are responsible for making internship arrangements. Applications are due May 12 in the Cooperative Education office. For an application, e-mail Carol Woodman or call ext. 5509.

DAILY TO CHANGEOVER TO LANE EVENTS CALENDAR

Increasing public use of the online Lane Events Calendar has led to a collaboration between Information Technology and The Daily to simplify how events are scheduled and announced. Currently, events are scheduled through the Lane Events Calendar and also announced in The Daily, causing duplication of effort and information. Last week, IT upgraded Calendar procedures to require an event description which previously was optional. Beginning May 8, The Daily will publish only Calendar URLs and discontinue redundant event announcements (exceptions may be made depending on college marketing strategies).

This will simplify event scheduling and promotion and save time for everyone concerned: event organizers, Daily staff, IT staff, and the public who use the Calendar to find out what's happening at Lane.

If you need requester access to the Calendar, contact Alen Bahret or Ron Rourke. For Calendar training, contact Michael Levick. If you have comments for The Daily, contact Joan Aschim.

SUPPORT STUDENT SCHOLARSHIPS AT THE SPRING CONFERENCE

The Hospitality and Culinary Student Club will offer a wide variety of breakfast offerings for purchase at the Spring Conference on May 5. The menu is set including organic fresh fruits, fresh pastries, juices, yogurts, and more. Proceeds will go to the Hospitality and Culinary Student Club, designated for student scholarships in honor of three of our students who died this year, Larry, Randy and Matthew. For more information, please contact Peg Allison.

EVENTS

SPRING CONFERENCE

Spring Conference 2006 will be held for all Lane employees on Friday, May 5, from 8:30 a.m.-4:30 p.m. Gather with colleagues, co-workers and Lane friends to explore issues surrounding sustainability. The conference will kick off with a morning session with author Lucille Clifton followed by breakout sessions to explore sustainability as a core value at Lane in the afternoon. Coffee and tea will be provided in the morning with breakfast pastries available for purchase from Lane's very own Hospitality students! A Cinco de Mayo-inspired lunch will be provided. WELLNESS EVENTS

BEGINNING PILATES CONTINUES

Pilates is particularly effective in developing core strength, improving strength and flexibility for the total body while also enhancing posture, balance, and coordination. The objectives of these four week sessions are to understand the basic principles of Pilates such as breathing and core stabilization, and to demonstrate essential exercises with the correct breathing. If you have degenerative disc disease, disc hernias, bulging discs, any major injuries or are pregnant after the first trimester, you should get a release from your physician or physical therapist before attempting Pilates. The Instructors are Pilates Stott certified and currently work at The Pilates Center in downtown Eugene. We are offering two more four-week sessions. The classes will meet Mondays and Wednesdays, May 8 - June 5, from 1- 2 pm , in Building 19, Room 214, and Mondays and Wednesdays, May 8 - June 5, from 5 - 6 pm in Building 5, Room 102. The cost is \$25. Minimum enrollment is 6, maximum is 15. Contact Wendy Simmons at simmonsws@lanecc.edu or ext. 5551 for the CRN to register.

MOVE AND TONE FOR STRONG MUSCLES AND BONES

This workout is designed not only to be very fun, but features muscular endurance training for the upper body, lower body and abdominals. You will use weights, tubing, and body resistance to challenge every major muscle group in the body. This workout is appropriate for all skill levels. Join FEC Coordinator Marisa Hastie, for an enjoyable and highly efficient workout on Wednesday, May 10, from 5-6 pm, Building 5, Room 202 (upstairs gym). Be dressed for the workout and contact Wendy Simmons to sign up.

TEST OF EMERGENCY COMMUNICATION SYSTEM PLANNED

The college Emergency Communication System is how we will communicate with all persons on campus in the event of an emergency that requires some action on their part, i.e., leave campus, stay inside, etc.

The week of May 8, the college will conduct a test of the Emergency Communication System on the main campus. A test message will be sent out four different ways: an all campus email, the college telephone tree, the zone phone paging system (this is where selected speaker phones in most areas will just blurt out our message), and departmental communication plans which should mirror the departmental telephone tree.

When your first get the message, by any method, and word or mouth counts, note the time and method. Then, sometime that day, let your department representative know when and how you got the message. Your department representative will compile the results for your area and forward them to the Health and Safety office.

Staff designated to "sweep" areas of buildings should do this. Just give a simple message that we are testing the emergency communication system and they need to note the time and method they first received the notice. Hopefully, this will be only a minor disruption to classes, meetings, etc.

We'll use this information to evaluate and make changes in our system.

Thank you for your participation in this important exercise. Sandy Ing-

Wiese,

Director, Health and Safety, and Dawn Marie Barth, Health and Safety project specialist.

CONGRATS TO WOMEN'S AND MEN'S TRACK AND FIELD

The Titans' Heather Frigaard is the 2006 Heptathlon Champion and Titan Colin Cram is the 2006 Decathlon Champion. The following athletes also scored points for the Lane track team that will be counted in the team total at the NWAACC Championships on May 22 and 23: women: Kristina Ely, men: Alex Schley, Javin Dimmick, and Leighton Blackwell. Thanks also to Mike Zimmerman, Brent Ellison and all the others that volunteered to help run this event. Great job, team! Submitted by Sean MonDragon.

LCCEA NOMINATIONS

The LCCEA Nominations Committee (David Shellabarger, Chuck Fike, Mason Davis) requests nominations for the following association positions:

president, vice president for off-campus faculty, and secretary.

Before nominating someone, please make sure that she or he is willing to run for and serve in the office, and obtain written confirmation. Please send your nomination(s) to any member of the committee. Self-nominations will be accepted. As stipulated by the LCCEA Constitution, elections for the positions named above will be held two weeks after nominations are announced (and again solicited) at the LCCEA general membership meeting in May. Each term of office is for two years. Contact: David Shellabarger, chair.

REUSABLES

Please bring the reusable plates and silverware out of your offices and classrooms back to the cafeteria. We appreciate the efforts to get these things back. The good news is that more people use these every month. A lot of good people trying to make a difference have 10 or 12 plates in their office that have been in a stack for a while. If 20 offices have 10 plates, our inventory is off by 200 potential garbage saving devices. Remember as we move into spring conference that a lot of these concepts rest with the individual and the decisions they make everyday. To keep pace with the demand for the reusable plates and silverware we need to recycle these everyday.

Thank you. Contact: Brian Kelly, kellyb@lanecc.edu

THINK YOU HAVE A GOOD SCHAFER IDEA?

READING TOGETHER PRESENTS LISA ARKIN AND DAVID MONK

Lisa Arkin and David Monk of the Oregon Toxics Alliance will speak at Lane on Wednesday, May 17, from 1-3 p.m. in Building 19, Room 226.

The Oregon Toxics Alliance (OTA), headquartered in Eugene, has been pivotal in getting the Toxics Right-to-Know law passed and implemented in Eugene. In accordance with the 2005-06 Reading Together theme, Circling Home: Stories and Sustainable Communities, OTA Executive Director Lisa Arkin and Board President David Monk will discuss the mission, goals, and current OTA campaigns that have legislative components to them. They will talk generally about toxics issues, including a discussion of the alternatives embodied in the Precautionary Principle. The audience will learn specifically what OTA is doing, and how people can get involved.

People are welcome to come late or leave early as schedule permits. If you need disability accommodations in order to attend or participate in this event, please contact Disability Services (541) 463-5150 (voice) or 463-3079 (TTY) at least one week in advance. For additional information contact Ellen Cantor, 463-3660, cantore@lanecc.edu and visit our website at www.lanecc.edu/readingtogether

WELLNESS EVENTS

BEGINNING PILATES CONTINUES: Pilates is particularly effective in developing core strength, improving strength and flexibility for the total body while also enhancing posture, balance, and coordination. The objectives of these four week sessions are to understand the basic principles of Pilates such as breathing and core stabilization, and to demonstrate essential exercises with the correct breathing. If you have degenerative disc disease, disc hernias, bulging discs, any major injuries or are pregnant after the first trimester, you should get a release from your physician or physical therapist before attempting Pilates. The Instructors are Pilates Stott certified and currently work at The Pilates Center in downtown Eugene. We are offering two more four-week sessions. The classes will meet Mondays and Wednesdays, May 8 - June 5, from 1- 2 pm , in Building 19, Room 214, and Mondays and Wednesdays, May 8 - June 5, from 5 - 6 pm in Building 5, Room 102. The cost is \$25. Minimum enrollment is 6, maximum is 15. Contact Wendy Simmons at simmonsws@lanecc.edu or ext. 5551 for the CRN to register.

MOVE AND TONE FOR STRONG MUSCLES AND BONES: This workout is designed not only to be very fun, but features muscular endurance training for the upper body, lower body and abdominals. You will use weights, tubing, and body resistance to challenge every major muscle group in the body. This workout is

appropriate for all skill levels. Join FEC Coordinator Marisa Hastie, for an enjoyable and highly efficient workout on Wednesday, May 10, from 5-6 pm, Building 5, Room 202 (upstairs gym). Be dressed for the workout and contact Wendy Simmons to sign up.

TEST TAKING ANXIETY?

The ABSE Tutor program website at <http://www.lanecc.edu/volunteertutor/> has a new look, and some helpful new links at <http://www.lanecc.edu/volunteertutor/links.htm> including Calm Confident Test Taking, a self guided approach to overcoming TTA (Test Taking Anxiety). This has already proved to be helpful to some of our GED students. Also, we are now busy recruiting new tutors for fall term. So check out the site, and please refer people you know who might be interested in becoming a volunteer tutor for our ABSE and ESL programs. Thank you! Amy Gaudia, ABSE, ext. 5919.

MISS YOUR SUSTAINABILITY MOMENT?

If you missed the Spring Conference on Friday and therefore missed your copy of the Community College Moment with its special sustainability features, don't fret yet. You can pick up a copy at the Moment publication event on Saturday, May 13, 5:30-7:30 p.m. at Tsunami Books, 2585 Willamette in Eugene. Kick off your Saturday night with readings, discussion and song by Moment contributors. Learn why Nancy quit Subway, what carpenter ants are really after, the limits of sustainability, why a tree has rights we hadn't considered, history through Corridos, and exactly where the Orange Witch's Butter is smeared. Also see some of the original art featured in the Moment, and more. Contact: Steve McQuiddy mcquiddys@lanecc.edu or Tracy Henninger henningert@lanecc.edu

REMINDER: TEST OF EMERGENCY COMMUNICATION SYSTEM PLANNED

The college Emergency Communication System is how we will communicate with all persons on campus in the event of an emergency that requires some action on their part, i.e., leave campus, stay inside, etc.

The week of May 8, the college will conduct a test of the Emergency Communication System on the main campus. A test message will be sent out four different ways: an all campus e-mail, the college telephone tree, the zone phone paging system (this is where selected speaker phones in most areas will just blurt out our message), and departmental communication plans which should mirror the departmental telephone tree.

When your first get the message, by any method, and word or mouth counts, note the time and method. Then, sometime that day, let your department representative know when and how you got the message. Your department representative will compile the results for your area and forward them to the Health and Safety office.

Staff designated to "sweep" areas of buildings should do this. Just give a simple message that we are testing the emergency communication system and they need to note the time and method they first received the notice. Hopefully, this will be only a minor disruption to classes, meetings, etc.

We'll use this information to evaluate and make changes in our system.

After the test of the Emergency Communication System you need to report to your department the time you first heard the message and how you hear it: e-mail, phone page, word of mouth, etc. We are only going to track how people first get the message.

Thank you for your participation in this important exercise. Sandy Ing-Wiese, Director, Health and Safety, and Dawn Marie Barth, Health and Safety project specialist.

REMINDER: LCCEA NOMINATIONS

The LCCEA Nominations Committee (David Shellabarger, Chuck Fike, Mason Davis) requests nominations for the following association positions: president, vice president for off-campus faculty, and secretary.

Before nominating someone, please make sure that she or he is willing to run for and serve in the office, and obtain written confirmation. Please send your nomination(s) to any member of the committee. Self-nominations will be accepted. As stipulated by the LCCEA Constitution, elections for the positions named above will be held two weeks after nominations are announced (and again solicited) at the LCCEA general membership meeting in May. Each term of office is for two years. Contact: David Shellabarger, chair.

HEALTH CLINIC NOTICE: MUMPS

The recent diagnosis of mumps in Lane County may have raised some questions for you. The county health department has notified all people exposed and is following those contacts closely. Mumps presents initially with fever, respiratory symptoms, ear pain, and usually, but not always, swelling of the glands in and around the mouth and jaw. If you suspect mumps, isolation is important. Stay home from school or work. The infected person must maintain both respiratory and bathroom hygiene (careful hand washing, cover your cough, do not share eating or drinking utensils, etc). People with a documented history of mumps disease, who have positive antibodies, or who have received two mumps vaccines (usually in the form of MMR--measles, mumps and rubella) can be considered immune. If you plan to be seen in the LCC Health Clinic, please notify us when you make the appointment or when you come in that you suspect mumps, so that we can provide a mask for you. The Health Clinic is in ongoing dialog with the Lane County Health Department Infectious Disease Coordinator regarding this and other diseases and we will pass on additional information as it becomes available. Contact: Duke Vandervort.

COMMUNITY COLLEGE MOMENT SEEKS CO-EDITOR

The Community College Moment is sorry to see co-editor Tracy Henninger reach the end of her three-year appointment with the journal. Her experience, expertise and positive outlook will be missed. We are now seeking a new co-editor (faculty member, to work with Steve McQuiddy) for a three-year appointment with reassignment time to accommodate the workload. The editors oversee all activities and operations related to production, distribution, promotion and development of the annual journal, including submission solicitations and management, working with the Review Panel to ensure blind review of all submissions, working with authors and artists, and extensive editing and proofreading to ready the journal for publication. This particular co-editor position focuses on the design, layout and production of the journal, and requires proficiency with desktop publishing software such as InDesign or its equivalent. The majority of the work takes place over Winter term, but it is often sporadic in nature with sometimes hectic deadlines. The ideal candidate will have significant experience in writing, editing, publishing and working with printers. Please submit a letter of no more than two pages that summarizes your enthusiasm for this position, your background in writing, editing and particularly desktop publishing to Steve McQuiddy in Academic Learning Skills (mcquiddys@lanecc.edu) by May 12 (extended deadline). The new co-editor will be appointed by the Moment Board of Directors. For more on this position and the Moment, visit our website at <http://teach.lanecc.edu/ccm/> or call Steve at x5780.

CLASSIFIED EOM ASKING FOR NOMINATIONS

The Classified Employee of the Month award recognizes outstanding achievement, performance, creative contributions, or improvement beyond what is normally expected of employees. Can you think of a colleague you would like to recognize? A revised nomination form is now available for the Classified Employee of the Month award. Nomination forms are available:

*at the Human Resources office

*on the CPDT website: <http://www.lanecc.edu/cpdt/eom.html> ;

*or from Gloria Vanderhorst, OISS.

The deadline for submission is the 15th of each month--that means the next deadline is Monday, May 15. Nominations may now be completed and submitted electronically, as an attachment to a confidential e-mail to vanderhorstg@lanecc.edu . Contact Gloria, ext. 5308, for more information.

CALL FOR WORKSHOP PROPOSALS: OREGON BIONEERS CONFERENCE

The 2006 Oregon Bioneers Conference will be held at Lane Community College October 20, 21, and 22. The Bioneers mission is to promote visionary and practical solutions for restoring the earth and communities. Last year, several faculty lead excellent workshops at the conference with topics ranging from renewable energy to native plants. The Conference Planning Team is currently seeking workshop proposals for the 2006 conference. Lane faculty and staff are encouraged to submit proposals. Proposals can be submitted at www.bridgingworldsnw.org/proposals.htm. The deadline for submission is June 1. For more information about Bioneers and to view programming that was offered at last years conference go to www.bridgingworldsnw.org. Contact: Jennifer Hayward.

TEST TAKING ANXIETY?

The ABSE Tutor program website at <http://www.lanecc.edu/volunteertutor/> has a new look, and some helpful new links at <http://www.lanecc.edu/volunteertutor/links.htm> including Calm Confident Test Taking, a self guided approach to overcoming TTA (Test Taking Anxiety). This has already proved to be helpful to some of our GED students. Also, we are now busy recruiting new tutors for fall term. So check out the site, and please refer people you know who might be interested in becoming a volunteer tutor for our ABSE and ESL programs. Thank you! Amy Gaudia, ABSE, ext. 5919.

NEWS AND ANNOUNCEMENTS

THE STORY BEHIND THE LOGS IN PARKING LOT A

The logs that were delivered to Parking Lot A on Monday, May 8, are a donation from the Coquille Tribe toward construction of the Longhouse. Lane alumnus and Coquille tribal member Judy Rocha started her tribe's effort to contribute to Lane in 2004. The Coquille Tribe donated \$20,000 in cash and a matching amount in timber. In January, volunteers and staff involved in the Longhouse project joined Coquille tribal leaders for a ceremony on tribal reservation land in the coast range where the first two trees were cut. Lane staff and students and Oregon Tribes are the major project donors to date. Donations of cash and in-kind materials are still being sought. Staff may make donations to the Longhouse through payroll deduction. Please visit <http://www.lanecc.edu/nasa/longhouse/fund.html> to see the design and the material list. If you have contacts with potential donors of materials, please contact Kathy Thomas, 5538 or thomask@lanecc.edu

PRESIDENT'S OPEN OFFICE HOUR

Mary Spilde will hold an open office hour on Tuesday, May 16 from 10-11 a.m. Fifteen-minute slots are available by appointment for employees to share comments or concerns with the president. Priority will be given to those who have not previously taken advantage of the president's open office hour. If you are interested in making an appointment, please contact me at extension 5301. Donna Zmolek.

LCCEA NOMINATIONS DUE

Nominations are open for LCCEA officers. You may submit nominations to Chuck Fike, Mason Davis, or David Shellabarger. Email will be fine. Be sure to get the nominee's permission in writing. Mailed nominations must be made prior to the membership meeting on Thursday at 3 p.m. You can then place names in nomination at the meeting. You can nominate yourself. The open positions are president, secretary, and vice president for off-campus faculty. The terms are for two years. The duties of the VPs in general are to assist the association president, attend monthly executive board meetings, vote on issues as required, act as a liaison to faculty and standing committees, and know the provisions of the contract and bylaws. The secretary additionally keeps a record of proceedings, and maintains association rosters. These positions are important to faculty and rewarding to the holders! David Shellabarger, Math, 5123.

NEWS AND ANNOUNCEMENTS

SCHAFER GRANT WRITING TIPS FOR RECOVERING ACADEMICS

Don't write sentences that sound research-ese, pedantic, or stodgy-like the following: "We will engage the field of test subjects by interrogating and investigating delimiting factors across a transactional setting that promote and increase the incidence of acquisitional augmentation of various (and sundry!) facets that lead to successful collaborative partnerships." What was that anyway?

An example of something much easier to understand: "Students will use technology in sociology presentations to improve their presentation skills and their ability to relate and evaluate complex social structures." Be concise, descriptive, and legible. Deadline is May 22. To apply: www.lanecc.edu/foundation/schaferawards.htm. Submitted by Aaron Shonk, ext. 5312.

TRIO OPEN ENROLLMENT

TRiO will open enrollment for fall 2006 students on Monday, May 15. You can refer students to us so that they can fill out a short screening form to be sure they are eligible. If eligible, then we will give them a four-page application that they are to take home, thoroughly complete, and return as soon as they can. The staff will then start reviewing applications by the end of May, to then schedule Orientations for August-September 2006. The TRiO Office will be closed from June 19-August 21. Please contact Marla at 3131 in Building 1, Room 219, if you have any questions.

LANE STUDENTS WIN NATIONAL LITERARY AWARDS

Once again, Lane Community College students have enjoyed success at the national level in the League for Innovation in the Community College Student Literary Competition: Marielle Hart took first place in the poetry division with "The Beets" and Christopher Hatefi secured third place honors in one-act play with "Mint." This is quite an honor--Marielle's and Christopher's entries competed with other hand-picked selections from community colleges in the League for Innovation from throughout the United States. We here at Lane offer them our sincere congratulations on their outstanding achievement! Contact: Sharon Hainley.

AMELIA NEEDS A "FOREVER" HOME. Our airport rescue kitty, Amelia came to us hurt and starving. Thankfully, Amelia has such a big heart she allowed us to help her. Now it is time for her to have a forever home. Amelia is a smoky gray damsel, with golden eyes. Due to trauma to her tail, it is a little short (but cute!). Bush Animal Hospital updated her shots, advised us that she is already spayed, tested negative for FELV/FIV, and provided us with her rabies certificate. Vet records are available. Amelia loves to be petted, purrs continuously and is a "talker". Even when she was hurt, Amelia allowed us to put her in a carrier, never once offering to bite or scratch on the way to the vets office. Once there, she never stopped purring. We would like to see her go to an indoor home. Although she may be okay to go out-of-doors, once she is familiar with her new home. NEWS AND ANNOUNCEMENTS

CONGRATULATIONS TO LANE'S ATHLETES

Congratulations to the Lane men's and women's track and field teams who took the southern regional championships at Mt. Hood Community College on May 13. Coach Grady O'Connor is Coach of the Year. Both teams head to Spokane for the NWAACC championships on May 22-23.

Congratulations also to the men's baseball team. They will attend the NWAACC championships at Lower Columbia College in Longview May 25-29. We wish you luck! Contact: Sharon Foster.

NEED CATERING?

Need catering outside of the Center for Meeting and Learning? Campus catering menus are updated and available on COPPS at <http://www.lanecc.edu/cops/foodcat.htm>

We are happy to offer some special menu items to serve our campus community. Also, reusables for campus catering are on the way! We are excited to reduce and reuse to lessen our waste and promote sustainability. We need your help to make this transition successful. Reusables need to stay in the service area and not migrate back to offices. Bring your own containers if you wish to take leftovers as we do not provide disposable take-out containers. Questions? Don't hesitate to call Nancy Schwoerer, catering coordinator, ext. 3517 or 3520.

Toshiba 19" flat screen TV/DVD/VCR combo unit, mint condition, new \$375, sell \$225. Jean Voege 747-8086. Leave message.

HOUSE FOR RENT: New construction, beautiful open space with wooden staircase, lots of light., Located behind main house, quiet, dead-end street 6 blocks from UO campus. Looking for ONE quiet tenant. \$600.00 per month/ utilities included 343- 1849.

MOST OF THE ARTWORK on exhibit in the David Joyce Gallery in the Center for Meeting and Learning, Building 19, is for sale. For example, I have landscapes on exhibit and all are for sale. I am motivated to sell these to cover costs for an exhibit in Milan, Italy that opens Saturday. If you feel the price on the label is too high, please make any reasonable offer. I am confident the other artists in the show wouldn't mind selling their work as well. Your collecting original artwork will make possible future shows

like the current Sustainability exhibit. Please do support your local (and on-campus) artists. Sincerely, Jerry Ross, CIT/FPD.'

NEWS AND ANNOUNCEMENTS

HAVE YOU SEEN THE EWEB WINDPOWER STICKERS AT LANE?

Are you are wondering about the Windpower Business Partner stickers and EWEB Windpower window decals that have been placed on the college's buildings? The Sustainability Office would like you to become part of the learning process about what it means for Lane to be EWEB's largest Windpower customer. Windpower emits less carbon in the supply chain; windpower rates are more stable than traditional power rates and are a smart hedge against future rate increases; current costs for 10 percent windpower/90 percent traditional are very nearly the same as for 100 percent traditional power. The stickers and decals are another way to for people to think about supporting energy resources that are renewable, sustainable and have minimal impact on the environment. If you would like to view copy of the Fresh Air Journal or more information on Sustainability at Lane please use the following links:

LOOKING FOR A GREAT VACATION THIS SUMMER? Have a time share week available at Playa Grande Resort in Cabo San Lucas. This is a Luxury Suite unit for the week of June 24th through July 1. Check their website at www.playagranderesort.com to view accommodations and activities available. Luxury suite has bedroom with king bed, queen sleep sofa, and single Murphy bed (accommodates 5) and has two full baths plus kitchen. Our unit is close to the pool and has ocean view. Transportation from San Jose Del Cabo airport to resort can be arranged in advance. Available for \$600 for the whole week (the resort rates for this unit is \$280/night double occupancy with \$40/night for each additional guest!) Contact Norma at ext. 3176, driscolln@lanecc.edu, or 935-8102 evenings.``

AMELIA NEEDS A "FOREVER" HOME. Our airport rescue kitty, Amelia came to us hurt and starving. Thankfully, Amelia has such a big heart she allowed us to help her. Now it is time for her to have a forever home. Amelia is a smoky gray damsel, with golden eyes. Due to trauma to her tail, it is a little short (but cute!). Bush Animal Hospital updated her shots, advised us that she is already spayed, tested negative for FELV/FIV, and provided us with her rabies certificate. Vet records are available. Amelia loves to be petted, purrs continuously and is a "talker". Even when she was hurt, Amelia allowed us to put her in a carrier, never once offering to bite or scratch on the way to the vets office. Once there, she never stopped purring. We would like to see her go to an indoor home. Although she may be okay to go out-of-doors, once she is familiar with her new home. Please e-mail me at shermanp@lanecc.edu if you would like me to send you a picture or more information. Peggy, Flight Technology Program.``

NEWS AND ANNOUNCEMENTS

HEALTH CLINIC RECEIVES INNOVATION AWARD

(Photo at <http://www.lanecc.edu/mpr/news/rel00800a.htm>)

The Lane Health Clinic has been named the Innovation of the Year at Lane Community College. Every year, the League for Innovation honors innovations identified by member institutions as capstone achievements that reflect the spirit of the League. Lane is featured on the League website at

www.league.org/league/competitions/innovations/display2006.cfm (scroll down).

Staff who helped develop the Lane Health Clinic include Vice President for College Operations Marie Matsen, Director of Health and Safety Sandy Ing-Wiese, Director of Human Resources Dennis Carr, Nurse Practitioner Mona Arbuckle, and Health Clinic Director Duke Vandervort.

The clinic serves employees as well as students. Inspiration for this innovation came at a time when Lane was faced with rapidly escalating health insurance costs. As one of a handful of community colleges that had a student health center, it made sense to find a way to take advantage of an existing health care resource that had the potential to decrease college costs. A pilot project began in summer 2004 offering primary care to qualified students and classified staff. Based on its success, all qualified employees and students became eligible for services in January 2005 and Lane's student health center evolved into the Lane Health Clinic.

Students and employees pay a nominal fee which covers most clinic services. Some services, such as sutures, medications and lab tests are offered at low cost. With the goal of providing optimum patient care, prevention and educational services, the Health Clinic joins resources with the Employee Wellness Program, Counseling Services, and Disability Services. Clinic staff also often work with the patients' primary care providers, achieving more comprehensive, cost effective, and convenient care.

In 2004-05, the clinic provided care for 4,987 students and 796 employees. Twenty percent of patient visits are now employees. About \$125,000 to \$200,000 in annual direct cost savings have been made in employee time saved by going to Lane's clinic vs. going off campus for care. This is based on an average of three hours average time lost from work for a provider visit. OEA Choice Trust data indicates that the average cost of a medical provider visit in Eugene is \$141. The Lane Health Clinic currently sees 100 employees per month: That's \$14,100 per month not billed to insurance. This translates to a \$500,000 to \$700,000 decrease in insurance renewal rates secondary to decreased insurance utilization.

For more information about the clinic, see www.lanecc.edu/shs. For more information about the League, contact Tamara Pinkas, 463-5011.

HAVE YOU SEEN THE EWEB WINDPOWER STICKERS AT LANE?

Are you are wondering about the Windpower Business Partner stickers and EWEB Windpower window decals that have been placed on the college's buildings? The Sustainability Office would like you to become part of the learning process about what it means for Lane to be EWEB's largest Windpower customer. Windpower emits less carbon in the supply chain; windpower rates are more stable than traditional power rates and are a smart hedge against future rate increases; current costs for 10 percent windpower/90 percent traditional are very nearly the same as for 100 percent traditional power. The stickers and decals are another way to for people to think about supporting energy resources that are renewable, sustainable and have minimal impact on the environment. If you would like to view copy of the Fresh Air Journal or more information on Sustainability at Lane please use the following links:

CHANGE IN WEB BRAILLE SERVICE

Web Braille offers access to thousands of electronic Braille books on the Internet for the use of eligible Braille readers by the Library of Congress National Library Service for the Blind and Physically Handicapped (NLS). As a result of new computer technology, Braille readers who were approved by their regional library were able to access Web

Braille digital Braille book files with a computer and a refreshable Braille display or a Braille embosser. These Braille book titles were available on the Internet for download or on-line for use by eligible individuals, libraries and schools with a computer and a Braille-output device. On May 11 of this year, NLS made the following announcement on the Web Braille website: "Because of technical and security difficulties, Web Braille will be unavailable in the near future. NLS regrets the inconvenience and will provide further information as soon as possible." If you are interested in supporting Web Braille service to be restored, go to: <http://www.petitiononline.com/braille/petition.html>. BUDGET COMMITTEE CONCLUDES ITS WORK; FURTHER MEETINGS CANCELLED

The Lane Community College Budget Committee met May 10 and 17. On May 10 the committee approved 2006/07 budget reduction proposals by 13-0 vote; Stephen Alison abstained. They also approved a new \$30 enrollment fee to replace testing and graduation fees by 13-1 vote; Larry Romine dissented. On May 17, the committee unanimously approved the proposed budget for Board of Education adoption in June; a reduction in international student tuition from \$230 to \$200 per credit hour plus implementation of a \$10 per credit fee for international students; and maintaining the current funding level for PERS. The committee also approved annual tax levies by 13-1 vote; Dennis Shine abstained.

The committee has completed its work on the 2006/07 budget and will not meet again this year. Submitted by Joan Aschim.

YEAR-END CLOSING REMINDER

Deadline reminder for 2005/06 year-end closing calendar for budget administrators: May 23 is the final deadline for receipt of inter-campus order forms by College Finance requesting correction of all materials and services and capital outlay transactions previously charged July 2005 through April 2006 to incorrect FOAP numbers. If close to deadline, please hand carry to College Finance. Correction and adjustment requests received prior to or on the above dates will be reflected in the may ExpressLane reports. Contact: Alan Feldmayer.

BOARD REPORT FOR MAY

The Lane Community College Board of Education met May 10 and 17.

At the May 10 meeting, the board unanimously approved student election outcomes; the faculty contract; a contract to 2G Construction to upgrade the sewage treatment facility; and board policy on conflict of interest.

The board voted 6-1 to submit three capital construction priorities to the Oregon Community Colleges and Workforce Development department: a new health and wellness building, remodel of the Downtown Center, and remodel of the Forum Building. Larry Romine voted no.

In other business, the board heard a fundraising report on men's baseball and women's soccer; reviewed the quarterly financial report; reviewed a benchmark on the percentage of high school graduates attending Lane; and held a first reading of board policy on student-initiated mandatory fees.

The board held a special meeting on May 17. By unanimous vote, the board approved continuing men's baseball and women's soccer in 2006/07, and asked administration to prepare a recommendation on the long-term sustainability of the programs. In other unanimous action, the board accepted insurance coverage proposals

from OEA Choice Trust to provide dental and Section 125 coverage, and from PacificSource to provide medical, pharmacy and vision insurance. The new plans could save the college from \$241,000 to \$800,000 in premiums. The board also voted 7-0 to approve the president's 2005/06 evaluation process.

The next regularly scheduled board meeting is June 14. Submitted by Joan Aschim.

OMG AND OML NAMED CO-OP EMPLOYERS OF THE YEAR

(See photos at <http://www.lanecc.edu/mpr/news/rel00803.htm>)

Oregon Medical Group and Oregon Medical Laboratories have been named co-recipients of the 2006 Employer of the Year Award from the Lane Community College Cooperative Education Program.

"Both OMG and OML are committed to developing tomorrow's workforce," says co-op chair Andrea Newton. "They see the benefits of investing the time to provide Lane students with quality experiences."

Barry Marshall, director of operations and human resources at OMG, and Cheryl Suter, OML phlebotomy manager, both praise the co-op program. "Oregon Medical Group has had the pleasure of working with LCC Cooperative Education students for several years," says Marshall. "We are extremely pleased with the quality of the students that come from the programs with which we work. They are very well prepared for the co-op experience, so much so that we have employed a number of them after graduation."

The co-op program annually recognizes an organization that provides exceptional work site learning opportunities for students. Lane coordinates more than 2,000 student internships each year at over 800 different sites. Thirty faculty coordinators select the annual award winner. Contact: Andrea Newton.

STUDENT PROJECT REDUCES WATER CONSUMPTION, SAVES ENERGY

This spring, Energy Management Program student Kaytlyn Brown has been coordinating with classmates from the Energy Management Program and fellow students, Facilities staff, and the Eugene Water and Electric Board to reduce the college's water consumption. Student volunteers have installed aerators in over 70 faucets in four buildings on Lane main campus. The aerators restrict the flow of water to 1.5 gallons per minute, down from an original average of 2.5 GPM before installing the aerators. So far, aerators have been installed in Buildings 1, 2, 3, 16, and the Downtown Center. Feedback from building occupants indicates that they have not noticed a difference in water flow and that the aerators are a positive step towards a more sustainable campus. Student volunteers plan to continue installing aerators to save water in all college buildings. For more information about this project, see the following news articles:

IN HONOR OF MARIE MATSEN

As announced last fall, Marie Matsen will retire from her position as vice president for College Operations on June 30, after 25 years at Lane. Marie's service at Lane began as a classified microcomputer lab coordinator in 1981. She then held positions as computer programmer, research analyst-computer specialist, and assistant to the president. Marie was appointed interim vice president for College Operations in 1994, and accepted the permanent VP position in 1997. She will stay on part time through December to help with specific functions and projects as needed.

Over the years, Marie has been an ardent champion and contributor to the Lane Foundation. A new foundation account has been established in Marie's honor and donations are being accepted through June 30. Contributions can be made at www.lanecc.edu/foundation (be sure to write Marie's name in the "In Honor Of" field) or by calling 463-5226. Contact: Jennifer Steele, 463-5311.

DAY OF CARING A BIG SUCCESS

Thanks to more than 30 individuals from Lane Community College, four people from district 4J administration, and several more from local high schools and the community, for participating in the Day of Caring at Food For Lane County's Grassroots Garden. The day was a great success and lots of fun. We weeded, loosened the soil with pitchforks, rototilled, spread manure, fertilized, planted, and harvested at the garden on Saturday, May 20. We were blessed with good camaraderie and wonderful weather. This effort will make it possible for FFLC to provide fresh organic produce to feed people in need. We tried to sign in most of those who helped, and their names are listed below. We know we missed getting a few people signed in, so if you were there and your name is not listed here, please let me know at 5135. Again, thanks to all of the Lane employees and family members who helped: Tessa Adair, Janet Anderson, Phoebe Anderson, Sonya Christian, Gary Conklin, Tim Craig, Jeff Davis, Wynton Davis, Dominic Denney, Kirk Donavin, Bob Dutton, Shelley Dutton, Jada Glass, Pat Hansen, Alex Lawes, Michael Levick, Laura Martin, Marty Martin, Celia Maximin, Shirl Meads, Greg Morgan, Alex Parthemer, Elena Parthemer, Mary Parthemer, Bonnie Phipps, Francine Porter, Amanda Poston, Kathy Thomas, Sue Thompson, Meagen Waddell, and Mark Williams. Submitted by Bonnie Phipps for the We Care Committee.

HAVE PERSONAL DOCUMENTS TO SHRED BUT NO TIME TO DO IT?

At Specialized Employment Services (SES), we have student workers who can provide that service. We can provide services to staff and are looking for outside community referrals as well. We're affordable and convenient and located here on campus. Give us a call and we can discuss your needs. All staff have been cleared to work with confidential information. Contact Patty at ext. 5099.

INTERACTIVE OPPORTUNITY: REGISTER-GUARD CHOOSES "BLESSING THE BOATS" AS VIRTUAL BOOK CLUB SELECTION

Karen McCowan, books reporter for The Register-Guard, has extended this invitation to the Lane community: "Please take a few minutes to provide your thoughts on a brief, powerful poem appropriate for our community as we reflect on the eighth anniversary of the Thurston High School shootings May 21. Author Lucille Clifton has granted us permission to post in its entirety her own poem about children killing children. You can find it on our Register-Guard Books Blog: www.registerguard.com/blogs/books. Clifton's collection, "Blessing the Boats," is the May selection for our virtual book club. To join the discussion, click "comment" after reading the poem in the "complete entry" window. Please pass this invitation to other reader friends." Submitted by Ellen Cantor.

EVENT ANNOUNCEMENTS POLICY

After two weeks of referring readers to the online Lane Events Calendar for events and training information through the links above, The Daily is working on a modification to publish event titles and dates with specific links to the Calendar for full information. Thank you to all readers who have shared feedback on this transition. In the meantime, we offer the following reminder about Wednesday's annual all-staff recognition event. Contact: Joan Aschim.

EMPLOYEE RECOGNITION AND RETIREES GALA

Lane's strength shines through the dedication of its faculty and staff. Each year we honor individuals who have served Lane for 10, 20 and 30 years, and those who are retiring. Please join us for the 2006 Employee Recognition Gala on Wednesday, May 31, from 1-3 p.m. in the Center for Meeting and Learning, Rooms 102/103/104. Contact: Pam Farmer, 463-3659, farmerp@lanecc.edu

NAME READERS NEEDED FOR GRADUATION

Graduation is Saturday June 10 at 4 p.m. at the Lane County Fairgrounds. Student Life and Leadership Development is asking for volunteers to read names at graduation. Typically, faculty and staff who wish to be name readers are seated with the students and proceed to the stage with the students. So, if you would like to be part of this special day, call or e-mail Tina Lymath (5336, lymath@lanecc.edu) and to volunteer and if there is special department or group of students for whom you would like to read names. All volunteers will be sent more specific instructions the week before graduation.

VOLUNTEERS NEEDED FOR KLCC GARDEN TOUR

KLCC seeks friendly volunteers for the 13th Annual Garden Tour, Sunday, June 25. Volunteers needed at each garden to take tickets, sell raffle tickets, direct guests to entrances and exits, etc. Various shifts available. Table, chairs and umbrellas provided. No gardening expertise required! Contact Kris at foxk@lanecc.edu or 6020.

INTERACTIVE OPPORTUNITY: REGISTER-GUARD CHOOSES "BLESSING THE BOATS" AS VIRTUAL BOOK CLUB SELECTION

Karen McCowan, books reporter for The Register-Guard, has extended this invitation to the Lane community: "Please take a few minutes to provide your thoughts on a brief, powerful poem appropriate for our community as we reflect on the eighth anniversary of the Thurston High School shootings May 21. Author Lucille Clifton has granted us permission to post in its entirety her own poem about children killing children. You can find it on our Register-Guard Books Blog: www.registerguard.com/blogs/books Clifton's collection, "Blessing the Boats," is the May selection for our virtual book club. To join the discussion, click "comment" after reading the poem in the "complete entry" window. Please pass this invitation to other reader friends." Submitted by Ellen Cantor.

IN HONOR OF MARIE MATSEN

As announced last fall, Marie Matsen will retire from her position as vice president for College Operations on June 30, after 25 years at Lane. Marie's service at Lane began as a classified microcomputer lab coordinator in 1981. She then held positions as computer programmer, research analyst-computer specialist, and assistant to the president. Marie was appointed interim vice president for College Operations in

1994, and accepted the permanent VP position in 1997. She will stay on part time through December to help with specific functions and projects as needed.

Over the years, Marie has been an ardent champion and contributor to the Lane Foundation. A new foundation account has been established in Marie's honor and donations are being accepted through June 30. Contributions can be made at www.lanecc.edu/foundation (be sure to write Marie's name in the "In Honor Of" field) or by calling 463-5226. Contact Jennifer Steele, 463-5311.

EARTHQUAKE RELIEF: As many of you know, on May 27th early in the morning, an earthquake hit central Java, in Indonesia. The death toll is near 5,000, over 20,000 people are injured, and 200,000 people are homeless. Government relief efforts are slow,

and many private groups and individuals are organizing aid efforts. A long time friend in Bali has sent me a list of reliable sources to send money too. I plan to wire money early next week. There usually is a \$35 fee for the transaction, so if people want to donate money, I can collect it and send it from Selco next week. Call me if you want to help. I can also email you the link to the reliable donation sites. Bonnie Simoa, x5645, simoab@lanecc.edu
