NEW GUIDE TO GRAPHIC STANDARDS IS AVAILABLE ONLINE

Lane's visual identity in publications such as college webpages, brochures, print advertising and stationery is a direct result of consistent use of the college logo and graphic standards. Now there is a clear and concise online guide for appropriate use of the college logo, college colors and fonts, the wording for equal opportunity and disability statements, and features of college stationery. The new Graphic Standards Guide is available at www.lanecc.edu/mpr/grastan.htm.

The Graphic Standards Guide forms the foundation for Lane's marketing efforts. Please familiarize yourself with this important resource when creating college publications or using the college logo. Marketing and Public Relations also has a companion publication with tips on writing text and handling punctuation for college marketing publications and webpages, and the Writer's Style Guide is available online at www.lanecc.edu/mpr/wr_style.htm. For more information about these two guides, contact Daniel Moret at ext. 5268 or moretd@lanecc.edu.

KLCC WILL BROADCAST THE OREGON COUNTRY FAIR MAIN STAGE

Can't be at the fair every minute? Let KLCC take you there. KLCC 89.7 FM will bring the music and ambience of the Oregon Country Fair to anyone with a radio or internet connection beginning Friday, July 7, and continuing throughout the weekend. The live broadcast begins each day around 11 a.m. and continues until 7 p.m. KLCC will broadcast all the music, all three days from the Oregon Country Fair Main Stage, except for a break on Friday from 4-6 p.m. to air KLCC's Northwest Passage and NPR's All things Considered. Following Saturday's live broadcast, Downtown Deb will host a special Dead Air from the fair from 7-9 p.m. With KLCC streaming live on the web, the Oregon Country Fair can be enjoyed all over the world. Visit www.klcc.org and click on "Listen to KLCC" to listen from your computer. The broadcast is entirely funded by generous sponsors from the KLCC business community. Let KLCC take you to the fair. - Gayle Chisholm, ext. 6000

Biology instructor Carrie Newell and her research on the migration of gray whales will be featured in a PBS special this Wednesday, July 19, at 8 p.m. on Oregon Public Broadcasting, "Jean-Michel Cousteau: Ocean Adventures: The Gray Whale Obstacle Course." See www.opb.org for more information. Carrie also is the topic of a story in The Huron Daily Tribune in Bad Axe, Michigan, where her parents live. See http://www.michigansthumb.com/site/news.cfm?newsid=16930733&BRD=2292&PAG=461&dept_id=571474&rft=6 Carrie has taught at Lane since 1992. For more information contact Science Division Chair Kyle Hammon at hammonk@lanecc.edu or 463-5447.

AVIATION PROGRAM EARNS PRAISE FOR SAFETY

A safety audit of Lane's Aviation Academy has earned praise from underwriter Phoenix Aviation Managers, Inc., of Kennesaw, Georgia. Inspector Thomas Harris wrote to aviation director Harvey Birdseye, "While we do numerous aviation safety audits, only a select few are recognized for their excellence. You and your employees can be justifiably proud of your interest in safety and your demonstrated record of superior performance. We are truly proud to provide your insurance coverage and greatly appreciate your efforts toward aviation safety."

In January 2005, the Federal Aviation Administration commended the aviation program for 250,000 hours of safe flight instruction without injury since 1967.

For more information see <http://www.lanecc.edu/flight/academy.htm> or contact Director Harvey Birdseye at 463-4302. Submitted by Joan Aschim.

CAROL WATERHOUSE NAMED CLASSIFIED EMPLOYEE OF THE MONTH

Kudos and congratulations go to July's Classified Employee of the Month, Carol Waterhouse. Representatives of the Classified Professional Development Team and AVP Donna Koechig joined colleagues in the Academic Learning Skills Division, some who came in specifically for this, to present Carol with the Employee of the Month award for July. Carol has worked at Lane since 1994 in a variety of instructional areas and has been a permanent employee in ALS since September 2002. From the numerous comments made by her colleagues, she is well loved and respected. Carol's customer service is excellent. She will go the extra mile for anyone, be it student, staff or the general public. Her dedication to Lane, even when facing turmoil in her own position, is exemplary. Snacks and positive phrases posted in her work area help everyone feel welcomed and valued, as well as her cheery, heartfelt smile and attention. Colleagues note how Carol anticipates the needs of her colleagues, especially helping new faculty to get onboard and feel prepared to do their work. Outside of work, Carol loves to spend

time with her family and in her garden, from which she brings in lovely flowers for the office. When you see Carol, congratulate her for doing a terrific job and celebrate her nomination as July's Classified Employee of the Month.

And remember that, you too, can help us to recognize exemplary Classified employees by nominating them for this award. Nomination forms are available: 1) at the Human Resources office; 2) on the CPDT website:

<http://www.lanecc.edu/cpdt/eom.html> ; or 3) from Gloria Vanderhorst, OISS.

ENROLLMENT SERVICES OFFICE RELOCATIONS

As of July 6, two offices in the Enrollment Services' area and one staff person from Telecommunications have relocated elsewhere in Building 1 to better serve students and staff. Ellen Jones in Veterans' Services has moved upstairs to Room 207 (formerly the High School and Community Relations office), Karen Edmonds in High School and Community Relations has moved downstairs to Room 101 (formerly the International Admissions office), and Gwen Sluyk, Campus Operator, has moved and wonderfully created our new Building 1 "Information" office (formerly Veterans' Services). All phone number extensions remain the same. Feel free to come and visit them in their new digs. Contact Helen Barker Garrett, Director of Enrollment Services/Registrar, 463-5686.

LANE'S FAIR BOOTH NEEDS VOLUNTEERS

FOLKLORE DEMONSTRATIONS: I am looking for people who would be willing to share some traditional customs or performances with my folklore class. As you know, folklore encompasses a wide range of symbolic forms--verbal, material, and customary. I am looking for someone to sing or play traditional music like ballads, songs, or ritual music or talk about language. Traditional dancing, storytelling, drama, or other customary performance would be welcome. I am also looking for demonstrations of material folklore like wood carving, weaving, stitchery, costuming, or the like. Traditional food demonstrations would be fun--the customary practices involving sushi making, for example, or tortillas. How about a tea ceremony? It is important that the demonstrations are conducted by someone who practices them as part of a tradition--not someone who,

for example, learned quilting from a book and is the only person in the family or community to do it. The students have a good understanding of folklore, folk groups, and genres. I have lots of films but it would be so nice to have some live performance. We are studying mythology this week--looking at Mayan and Native American myths. The class meets on Tues./Thurs from 2:30-4:30. Anytime--from now until the end of the quarter is open. Our texts are The Dynamics of Folklore and The Anguish of Snails by Barre Toelken. Do you have a family or community custom that you would be willing to share? If so, please contact me at walkerr@lanecc.edu or call me at 334-6608, Rosanna Walker.`

LOST: White and Yellow Gold Bracelet. Please call Carole Napier at ext 5605 if you find it. There will be a chocolate reward.`

NEWS AND ANNOUNCEMENTS

IT SYSTEMS MAINTENANCE NOTICE

Down services: GroupWise, 1 p.m. Friday, July 28. Services will be restored as soon as the work is completed. ExpressLane, Banner, ODS, Discoverer, Lane Events Calendar and web Class Schedule scheduled to be down. Thank you for your patience as we strive to add capacity, upgrade software and secure servers. Ardene Toney, Information Technology.

E-MAIL NEWS AND REQUEST FOR FEEDBACK

On Friday, July 7, IT applied the long-awaited Service Pack 1 (SP1) to GroupWise 7. The service pack fixed quite a number of bugs in the software, primarily better connectivity and speed to WebAccess. We had some unexpected issues (unrelated to the service pack application) that created some post office and internet mail outages, which we have mostly resolved.

Throughout the summer we will be creating a clustered GroupWise environment, which should make our system more fault tolerant. We will be migrating six physical servers to six virtual servers hosted by three physical nodes. This will be a gradual migration that we hope to complete before fall term.

In the meantime, we would like feedback from all LCC employees who use dial-up to get to GroupWise WebAccess from home. The original upgrade to WebAccess 7 last February created a performance issue with dial-up users that we believe has been resolved by SP1. We would like to remove the WebAccess 6.5 service, as we implemented it only as a temporary solution for dial-up users. We ask that you try the new WebAccess 7 and let us know at gwrequest@lanecc.edu if it solves your connectivity issues. Submitted by Denise Brinkman and Ardene Toney, IT Department.

HAVE SOME ICE CREAM

All Good Humor ice cream is on sale for \$.75 cents in Food Services. Enjoy a cool treat on a hot week. Contact: Brian Kelly, kellyb@lanecc.edu

RETURN YOUR PLATES

Please bring the reusable plates and silverware out of your offices and classrooms back to the cafeteria. The good news is that more people use these every month. A lot of good people trying to make a difference have 10 or 12 plates in their office, and the CML and Food Services need them back. Thanks for helping us save money and keep garbage out of the landfill. Contact: Brian Kelly, kellyb@lanecc.edu

REMINDER: ANNUAL POWER OUTAGE PLANNED

The annual power outage is scheduled for Sunday, August 27. This outage is for Facilities electricians to do maintenance and repair on the switches and transformers. All electric service will be shut down from approximately 7:00 a.m. to 7:00 p.m. Some critical functions have backup generators and in the weeks before the scheduled electrical shutdown, maintenance personnel will check to make sure backup systems are in operating condition. You should not schedule any activities for August 27 so that the college can be closed. We will send out additional notices and information as the date approaches. If you have questions regarding the outage, please contact Danny Avalos, Lead Electrician, ext. 5541.

A \$2500 FUNDRAISING EFFORT FOR OUR OWN STUDENTS: Sweet Cheeks Winery and the American Business Women's Association are collaborating to raise money for scholarships that will benefit women who are currently in 4-year colleges trying to complete their educations and also for single women with children attending Lane Community College who have experienced extreme personal challenges in their lives. Over 20 locally-owned women's businesses are donating their time and professional services to pamper women of all ages to an afternoon of indulges... from chair massages, mini-facials, make-up techniques, health and nutritional advice, to flowers and home décor techniques. In addition, there will be fashion shows, wine tasting, delectable finger foods, music, give-aways and raffles. To add a bit of excitement to the event, Beaudet Jewelers has very generously offered to make a carat cake filled with a diamond and other precious stones; participants will have an opportunity to take home these gems that have been uniquely placed inside a carrot cake. Date: Sunday, August 13, noon-6:00 p.m., \$25 admission to experience all the activities. Purchase tickets from Patty Parks @ ext. 5099 or at any of the following businesses: More Pzazz Salon, Reed and Cross, Garden Artsapes, Eugene Wellness Center, Ruby Chasm, Webzone & Sweet Cheeks Winery.
