## NEWS AND ANNOUNCEMENTS

### "LIVING VOICES" PERFORMANCES AND COMMUNITY PANELS

The Diversity Council, the Women's Program, Student Life and Leadership Development, and the Office of Diversity are co-sponsoring three exciting diversity performances by Living Voices from Seattle on Tuesday, January 13. Living Voices is a solo performance combining film and audio to bring life to history. Following the morning and afternoon performances, a panel of community members will discuss the performances, share their experiences, talk about current issues, and answer questions. Contact: Donna Koechig.

\* 10:00-11:30 a.m., Forum 308, Building 17, "Through the Eyes of a Friend."

Witness the pain, loss, and hope of young people during the Holocaust through the eyes of Anne Frank's "best friend." Panel members include Sabena Stark, writer and poet who grew up in a Yiddish-speaking household and the youngest daughter of two survivors of Nazi internment camps; Charlotte Brown, Kinder Transport survivor; and tova stabin, community member.

\* 12:00-1:00 p.m., Women's Center, Building 1, Room 202, "Hear My Voice."

Bring your lunch and "witness the fight for women's suffrage. Share the experience on one young woman whose efforts and sacrifices earn her a special place in history. Participate in the 72-year battle that won half of America's citizens the right to vote.

\* 2:00-3:30 p.m., Forum 308, Building 17, "The New American."

Share the journey of a New American, from a life of turmoil in the old world to the hopes and challenges of tenement life in the early 1900s. Panel members include: Guadalupe Paz, immigration activist CAUSA organization; and Marcela Mendoza, Ph.D., Professor, UO Anthropology Department.

### LANE STUDENTS CONTRIBUTE TO COMMUNITY MLK EVENTS

"Generations: Honoring Our Past, Celebrating the Present, Building for the Future," is the theme of the 2009 Martin Luther King, Jr., Celebration on Monday, January 19. Lane students play a pivotal role in this community-wide observance. Event schedule:

\* 10 a.m., march beginning at the Moshofsky Center at Autzen Stadium and ending at the Hult Center. Sponsored by Lane's Student Life and Leadership department.

\* 12 p.m. noon, unveiling of Rosa Parks commemorative sculpture by artist Pete Helzer at the LTD downtown station, 10th and Olive, sponsored by the Associated Students of Lane Community College and Lane's Black Student Union, with thanks to the LCC Foundation.

\* 2-4 p.m., Springfield MLK Celebration at Springfield Middle School.

\* 4 p.m., reception and silent auction at the Hult Center, sponsored and hosted by ASLCC.

\* 6 p.m., program at the Hult Center featuring keynote speaker Jonah Edelman, Ph.D., founder of Stand for Children; and MLK awards presentations by ASLCC and BSU.

In addition to sponsoring and hosting events, Lane's BSU printed and distributed the publicity posters. Special thanks to Janet Anderson and the LCC Foundation.

Contact: Greg Evans, 5340.

### MLK AWARD NOMINATIONS SOUGHT

ASLCC is seeking nominations for the ASLCC Martin Luther King, Jr. Award to be presented at the community MLK celebration January 19 at the Hult Center.

Students, staff and community members who wish to nominate someone for this award should submit the following information for consideration by the awards committee:

1. Name of person or organization being nominated.
2. A description of how the work of the person or organization reflects the spirit of Dr. King's efforts for racial equality and social justice.
3. A brief explanation of why you think this person or organization deserves this award.

Nominations may be dropped off in the ASLCC office (building 1, room 210) or sent via e-mail to ASLCC Multicultural Events Coordinator Rosa Diaz at [lrosadiaz@gmail.com](mailto:lrosadiaz@gmail.com). Deadline for nominations is noon January 12. Submitted by Barb Delansky.

### CARA DIMARCO TO PRESENT ON LANE'S WOMEN IN TRANSITION AT AAUW

The Women in Transition program is the topic of American Association of University Women's next program at 10:30 a.m., Saturday, January 17 at Westminster Presbyterian Church. The meeting and program is open to the public.

Dr. Cara DiMarco will tell about Women in Transition, an entry program at Lane that assists displaced homemakers, single parents and other women in transition become economically self-sufficient through access to education, training and employment.

The Eugene-Lane Branch of AAUW is interested in strengthening ties to LCC. Educating the membership about Women in Transition is part of that effort along with continuing to raise funds for the AAUW-Kappy Eaton Scholarship in the Lane Foundation. LCC is a campus affiliate of AAUW. Cathy Lindsley is the college liaison.

Guests are welcome. Social hour begins at 9:30 a.m., business meeting at 10 a.m. and program at 10:30 a.m.

AAUW advances equity for women and girls through advocacy, education and research. If your department or program is working on projects or issues related to AAUW's mission come to the meeting to meet some new community partners. For more information about the branch, see <http://www.eugeneaauw.org>. Cathy Lindsley, 463-5441.

### HOW TO PAY FOR COLLEGE IN ONE DAY

Lane Community College will hold its annual Scholarship Workshops in conjunction with College Goal Oregon on Saturday, January 24, from 8:30 a.m.-3:30 p.m. in the Center for Meeting and Learning, Building 19.

The event offers resources and strategies for finding college scholarships, tips on writing quality essays and applications, and how to complete the Oregon Student Assistance Commission scholarship application process. Financial aid professionals will provide assistance in completing the online Free Application for Federal Student Aid (FAFSA) form. Applicants should bring their 2008 tax and financial records.

Sponsors include Roehl & Sittner Investment Advisors LLC, Higher One, Lane Community College Foundation, and College Goal Sunday.

This year, one of the workshops will be presented in Spanish. For a schedule of workshops, go online at <http://lanecc.edu/ces/classwrk.htm>.

To register in advance, current Lane students can use CRN 32317, and community members can call Continuing Education at 463-5252.

#### IN MEMORY

WILL KLAUSMEIER, chemistry and sustainable business instructor, passed away December 21 at age 61 from pancreatic cancer. A celebration of life was held Dec. 30 at the New Zone Gallery.

Will taught chemistry part-time from winter 2004 through summer 2006, and in the Business Development Center since fall 2007. He had a bachelor's in biochemistry from Penn State University, a master's organic chemistry from the University of Maine, and a doctorate in medicinal chemistry from the University of Michigan.

Instructor Margaret Robertson says, "There was always a feeling of joy and possibility when Will showed up in a room. He was a fascinating person with a beautiful and powerful mind and a positive and authentic spirit. We have lost someone very special." Will helped Lane students use leftover cafeteria cooking oil to develop a biodiesel plant.

Will also was known for his oil painting. Artist and instructor Jerry Ross says, "I knew Will and have great respect for his work," which reminds him of the watercolors of Charles Burchfield. "For Will, the scientist, perhaps it was also an energy that he understood using both sides of his brain," says Jerry. "I met Will at a faculty retreat. If it wasn't for that opportunity to break away from the daily grind and confer with colleagues, I might never have connected Will with New Zone." Their discussion led to Will's participation with the New Zone Arts Collective. Will's work can be seen at the New Zone Gallery.

Submitted by the editor.

LISA ROSEN, part-time instructor in ABSE and ALS, died December 27 of breast cancer at age 50. A celebration of life was held Dec. 30 at Temple Beth Israel in Eugene.

Lisa earned her bachelor's degree in English from the University of Idaho and her master's degree in English literature from Colorado State University. She taught writing in ABSE from winter 1989 to spring 1998 and then in ALS fall 2004 to spring 2006.

Cathy Lindsley says Lisa's students' evaluations in ALS always included comments about her gentle, caring, encouraging approach to teaching writing. "She truly appreciated each student's voice."

Lisa published a chapbook of her poetry, "Bright Omens." One of her poems, "All the Way Up," is included in a recently published anthology called "Come Together: Imagine Peace," along with poems by more than 70 poets whose work spans many centuries.

Remembrances may be sent to Temple Beth Israel, 1175 E. 29th Ave, Eugene OR 97403 or Greenhill Humane Society (<http://www.green-hill.org/>) Contact: Cathy Lindsley, 5441.

#### WANT POLITICAL UPDATES FROM SALEM AND WASHINGTON?

The Oregon Legislature convenes next Monday for the 2009 Legislative Session. Are you interested in following the action in Salem? Brett Rowlett, director of Governmental and Community Relations, will publish weekly e-mail updates during the legislative session. Although the focus will be the Oregon Legislature, the updates will also cover significant issues before the new Congress and president-elect. If you are interested in subscribing, please send an e-mail request to [rowlettb@lanec.edu](mailto:rowlettb@lanec.edu) with the subject "SUBSCRIBE." Contact: Brett Rowlett, 5850.

#### GOOD-BYE AND THANK YOU

I've accepted a job elsewhere and will be leaving Lane at the end of the work day on Wednesday. Starting next week, I will be developing advertising and marketing campaigns for EWEB (the Eugene Water and Electric Board). In addition to this full-time position, I will also begin teaching marketing workshops at the University of Oregon and am working on a large art commission for the new hospital. I'm excited by these incredible opportunities and simultaneously feeling very sentimental about leaving Lane after 16 years here. Thanks for a thousand kindnesses over the years, and best wishes to you all. Daniel Moret, Marketing and Public Relations.

#### CENTER SURVEY COMPLETED

Center for Meeting and Learning survey results are in! There were more than 425 participants in the survey with loads of valuable feedback and suggestions. Those of you who indicated consent will receive follow-up contacts within the next couple of months. Prize winners include: Diana Gatchell, Senior Companion Program; Jane Passenger, College Finance; Jennifer Hayward, Sustainability Office; Roxanne Atter, Health Professions. Thank you to all participants, your support of the CENTER is invaluable! Contact: Amanda Erikson.

#### JAM THE GYM NIGHT

The Athletic Department invites everyone to be a part of the "Second Annual Jam the Gym Night" sponsored by Bi-Mart, on Wednesday, Jan. 21, featuring our men's and women's basketball teams in a double-header against arch-rival Umpqua Community College. The women's team will kick things off at 5:30 p.m. and will be followed by the men's game at 7:30 p.m. It's free, so please bring your family and friends.

The first 300 fans in attendance will receive a free T-shirt, and the first 100 kids (12 and under) will receive a foam finger.

Lane's women's team currently holds a national collegiate high 64-game home winning streak. This streak is in jeopardy as Umpqua comes in at 13-1 and ranks first in the NWAACC. We are going to need a big crowd to beat the Riverhawks. Please join us for a fun filled evening.

Next home game: Wednesday, Jan. 14, Lane Women/Men vs. Southwestern Oregon at 5:30 p.m. and 7:30 p.m. Free to Lane Staff.

#### OREGON TRANSFER DAYS

Representatives from 18 four-year colleges/universities, as well as the Oregon Scholarship Commission, will be in the Lane cafeteria on Friday, Jan. 23, from 10 a.m.- 1 p.m. Lane students and staff, as well as local high school students and staff are invited to stop by their tables for admissions/program information. ## ANNOUNCERS / VOLUNTEERS NEEDED FOR OREGON JAZZ FESTIVAL

MDTA is looking for a few good volunteers who love music and want to have a good time! We have six announcer slots open for the 2009 Oregon Jazz Festival to be held in the Performance Hall January 23-24. Volunteers will be able to introduce the combos participating in the Festival clinics and then relax and enjoy the shows. You'll

also earn a pair of free tickets to both evening's concerts, featuring High Note recording artist and jazz sensation Don Braden!

We are also looking for volunteers to usher each evening's concerts, which begin at 7:30 p.m. Volunteers need to plan to arrive 45 minutes before each show. Plan to stay and enjoy the show, as well as take in the clinic performances during the day Saturday! For more information, contact John Watson, MDTA marketing and house manager, at 5161.

#### LANE PREVIEW NIGHT

Wednesday, March 4

Lane Preview Night, the college's annual open house, will be held in the gym and surrounding classrooms on Wednesday, March 4 from 6 to 8:30 p.m. This important event is an opportunity for prospective students and their families to visit campus, learn more about Lane's many academic programs and career opportunities, and get a better feel for what higher education is all about. We are currently looking for student and staff volunteers to help with this important recruiting and outreach program. If you or any outstanding students may be interested, please share this accordingly and contact David Van Der Haeghen, student recruitment and outreach coordinator, in Enrollment and Student Financial Services, at 5688 or [vanderhaeghend@lanecc.edu](mailto:vanderhaeghend@lanecc.edu). A 20-minute volunteer training is mandatory! All who assist will receive a free T-shirt to wear during the event.

#### ENCOURAGE STUDENTS TO APPLY FOR SCHOLARSHIPS NOW

Please tell your students about the hundreds of scholarships available to them through the Foundation. The 2009-2010 Scholarship Opportunities Booklet is available now on Lane's main campus in Career and Employment Services, Building 1, Room 102. The complete booklet and all application forms are also available on the Foundation website at: <http://www.lanecc.edu/foundation>. The application deadline is March 12, 2009.

#### RENAISSANCE ROOM REOPENS

The Renaissance Room will be open to the public beginning January 27. We will be open on Tuesdays, Wednesdays and Thursdays from 11:30 a.m.- 12:30 p.m. Call 3533 to make a reservation. Contact: Lisa Benson, 3504.

#### FREE TAX HELP

Free tax help will be offered beginning Tuesday, February 3 on Tuesdays, Wednesdays and Fridays from 9 a.m. until 3 p.m. It will continue through the week of the break (March 23-27) and will end on April 15. Please encourage students and staff to bring their W2 forms, child-care information, 1099 and 1098 statements as well as any other tax document including financial aid award information. This is sponsored by AARP (American Association of Retired Persons), not by Lane or any department on campus. Location: south end of the cafeteria. Contact: Tina Lymath, 5336.

#### CUSTOM FIRST AID KITS AVAILABLE

Lane's Health Clinic is offering custom first aid kits for a limited time. The cost is \$50/kit, and includes refills of non-durable supplies for two years. After two years, you will be able to purchase a refill contract. To place an order, or if you have questions, e-mail Nadine Wilkes at: [wilkesn@lanecc.edu](mailto:wilkesn@lanecc.edu) Submitted by Nadine Wilkes, 5665.

#### ONLINE BOX OFFICE FOR LANE PERFORMING ARTS

Quality, affordable entertainment just became more accessible at Lane. You can now check out upcoming music, dance and theater productions and order tickets by visiting our Online Box Office at [www.lanecc.edu/tickets](http://www.lanecc.edu/tickets).

This replaces the cumbersome telephone ordering system and makes buying tickets for a show as easy as buying a book or registering for a class online. "From our new web page, you will be able to see a list and description of all upcoming shows at Lane," says John Watson, marketing and house manager for Music, Dance and Theater Arts. "Then all you'll have to do is click the Buy tickets button." Purchases will be confirmed by e-mail, which serves as the ticket for the event.

"Our goal is to encourage more people to make the short drive to LCC to see quality entertainment that's affordable and accessible," says Watson.

The first production to offer the new system is the annual Oregon Jazz Festival to be held January 23-24. Tickets for the Jazz Festival go on sale January 15.

For more information, contact John Watson at 5161; or e-mail [watsonj@lanecc.edu](mailto:watsonj@lanecc.edu)

#### I CAN, ONE CAN NEW YEAR'S RESOLUTION

Many people made New Year's resolutions to help fight hunger by donating one can of non-perishable food a month to Lane's ongoing food drive. For some people getting a food box makes a difference in being able to buy needed medication or to pay a heating bill. Many food box recipients are the working however still unable to meet basic needs. Join in Lane's effort by contributing to our I CAN, ONE CAN food drive each month. Look for a box near you or call for a location, 463-5395 or 912-2228.

Submitted by Beverly Farfan, [farfanb@lanecc.edu](mailto:farfanb@lanecc.edu)

#### ENGLISH CONVERSATION PARTNER PROGRAM

The English Conversation Partner Program matches international students at Lane with native-English speakers for a weekly conversation hour. It's a great opportunity for American students to learn about new cultures and help out an international student. There's also the option of doing a language exchange. For more information contact Beth Schenderlein, International Student Program, 3409, building 11, room 219; [schenderleinb@lanecc.edu](mailto:schenderleinb@lanecc.edu)

### EMPLOYEE OF THE MONTH HONORS GO TO SHARON EDWARDS

Kudos and congratulations go to January's Classified Employee of the Month - Sharon Edwards in the Oregon Small Business Development Center Network (OSBDCN). Representatives of the Classified Professional Development Team joined staff of the OSBDCN and her family to present Sharon with the Employee of the Month. Sharon started working part-time at LCC/OSBDCN in June of 1988 and started full-time in July 1992. Her colleagues gave numerous examples to justify her receiving this award. To name just a few, Sharon is responsible for a variety of tasks that require initiative,

problem solving, and a willingness to be flexible. She shines in all arenas and has a knack for being assertive in a way that wins people over. She is gifted at listening, gathering information and assessing problems, and finding solutions. Sharon is a master at "multi-tasking." What is most amazing about her multi-tasking skills is how calm she remains when there are pressing deadlines or rude people. Sharon is a pillar of the OSBDCN and a talented and caring member of the LCC community. She shines, so we shine. When you see Sharon, congratulate her for doing a terrific job and celebrate her nomination as January's Classified Employee of the Month. And remember that, you too, can help us to recognize exemplary classified employees by nominating them for this award by the 15th of each month. Nomination forms are available: 1) on the CPDT website: <http://www.lanecc.edu/cpdt/eom.html> ; or 2) from Elaine Marsh, IRAP: [marshe@lanecc.edu](mailto:marshe@lanecc.edu)

#### STAFF DIRECTORIES AVAILABLE

Winter 2009 Staff Directories are now printed and available from Printing/Graphics at a cost of \$3 each. Contact: Tom Johnson.

#### PROPOSED TUITION RATES FOR 2009/2010

The Lane Community College Board of Education approved on January 14 an adjustment for our 2009/2010 tuition rates using a 3.6 percent Higher Education Price Index (HEPI), Lane's standard yearly process for making tuition adjustments. These rates are what will be used in the budget discussions. The board will vote final rates for the 2009/2010 academic year on in June. Proposed rates beginning summer term:

In-state resident tuition/states bordering Oregon \$78.00

Non-resident of Oregon/non-Oregon bordering states \$210

International students \$210 fall; winter, spring \$140; summer

Non-credit contact hour rate \$4.00

Contact: Helen Garrett

#### INNOVATION OF THE YEAR NOW HAS A \$2,500 AWARD

New this year, Lane's Foundation has generously provided \$2,500 to honor the selected Innovation of the Year. The Innovation of the Year award will be given to an individual or group of individuals who has designed and implemented a significant innovation at Lane. The innovation should not be more than five years old in the institution; however it must have been around long enough to have been tested. The selection criteria are as follows: effectiveness, efficiency, affordability, replicability, and creativity. One or more of the criteria should be met but it is not necessary that any nominee meet all criteria. The selected innovation will be awarded \$2,500 to continue implementation of the innovation. An e-flier with more specifics will be sent to all staff. Nominations due March 13.

Contact: Tamara Pinkas, 5011.

#### LANE COMPOSTS TONS OF FOOD WASTE

Lane composted more than five-and-a-half tons of food and food-related waste in Fall 2008. As many people have noticed, Food Services and Recycling teamed up to provide full-scale composting to patrons of the cafeteria. Most of the serving products that Food Services now uses are compostable. Our first attempts at this were a lot of work and last term the college composted 5.6 tons of food waste, compostable hot and cold cups, plates, utensils, soup bowls, and other compostable food service products. Recycling and Food Services thank you for participating in this program by looking for the yellow composting bins to place your compostables and looking for the display near each container for instructions on what is and is not compostable. We hope to slowly expand

collection of compostables to common areas outside the cafeteria and to breakrooms in the coming months. Thanks for composting! Contact: Mike Sims.

#### DENALI SEEKS STUDENT HELP

Denali Magazine, LCC's literary and art journal seeks students to serve on editorial board. Knowledgeable students of graphic design and layout, art and literary programs are encouraged to apply. For more information contact Cheri Browne, Denali editor, at 5897 or [denali@lanecc.edu](mailto:denali@lanecc.edu)

#### ENCOURAGE STUDENTS TO APPLY FOR SCHOLARSHIPS NOW

Please tell your students about the hundreds of scholarships available to them through the Foundation. The 2009-2010 Scholarship Opportunities Booklet is available now on Lane's main campus in Career and Employment Services, Building 1, Room 102. The complete booklet and all application forms are also available on the Foundation website at: <http://www.lanecc.edu/foundation>. The application deadline is March 12.

## NEWS AND ANNOUNCEMENTS

### LCC STAFF, STUDENTS SHARE MLK HONORS

Ruth Wren received the 2009 Dr. Martin Luther King, Jr. Award in recognition of her service to students and to furthering social justice, from the Associated Students of Lane Community College, at the Martin Luther King Day community celebration at the Hult Center in Eugene on January 19. Ruth is the administrative coordinator for the Women's Program.

Greg Evans was honored by Lane's Black Student Union for his work with students and the community, and by the MLK Celebration Committee for his efforts in the community. He chaired the Rosa Parks Memorial Committee and co-emceed the dedication the bronze statue and the renaming of LTD's downtown bus station as the Rosa Parks Plaza. He coordinates the African American Student Program in the Multicultural Center.

Former Lane student Will Doolittle received the Humanitarian Award from the Eugene Human Rights Commission. Former Lane student Lacie Heffron modeled for the Rosa Parks statue.

The Associated Students of Lane Community College and the Black Student Union have been instrumental in bringing MLK Day events to the Eugene-Springfield community for many years. Submitted by the editor.

### LANE EMPLOYEES CONTRIBUTE MORE THAN \$94,000 TO EMPLOYEE CAMPAIGN

The We Care Committee is pleased to announce the final results from the 2008 Employee Campaign and the winner of the grand prize drawing, Joy Ewell, Cooperative Education faculty, who wins two nights at Lane's Siltcoos Station outside of Florence.

A total of 294 Lane employees contributed \$67,701 to Lane Community College Foundation and \$25,899 to United Way.

Departments and offices with 100 percent participation are: Office of Academic and Student Affairs, College Operations, President's Office, Business Development Center and the Laundry.

Departments and offices with 75 percent or greater participation are: Financial Aid Office; Printing and Graphics; Public Safety; Women's Program; Cooperative Education; Counseling; English as a Second Language; and Business.

If you still want to give, it's not too late! Simply call the Foundation office at 463-5135 and ask for a pledge card or give online at <http://www.lanecc.edu/foundation/> (click the gold "Give Now" button.)

The We Care committee thanks Bob Purscelley and Florence Center for the grand prize, managers who donated weekly prizes, the department representatives for helping us reach everyone and Human Resources for supporting the easiest way to give - payroll deduction and all the employees who contributed.

The next We Care activity will be the Day of Caring in spring when Lane employees will spend a Saturday working in the Food for Lane County garden. Details to come. Cathy Lindsley, We Care Chair, 463-5441.

#### GOAL FOR JANUARY IS TO COLLECT 200 POUNDS OF FOOD

This is the last week in January to bring a can of non-perishable food to one of the collection boxes located on campus for Lane's I CAN, ONE CAN food drive. There also will be a collection box at the Wellness Fair. Food for Lane County staff are excited that each month Lane is contributing the needed food. For box locations call Beverly Farfan, 463-5395.

#### IAN MCNICOL EXHIBIT OPENS FEBRUARY 2

The Lane Art Gallery presents "Some Aspects Of Soundscape," a collective body of work by Oregon artist Ian McNicol. McNicol says, "This series is inspired by music. This body of work is a dimensional response to the intangible. It is not only a visual exploration from sine waves and the motion of sound in space, but an interpretation of musical works and a listener's relationship with the musicians who have created them." The show runs February 2-19. There will be an artist's talk on Thursday, February 12, at 3 p.m. with a reception immediately following at 4 p.m., both in the gallery, building 11, main campus. Contact: Art and Applied Design, 463-5409.

#### SCHOLARSHIP WORKSHOPS:

It is scholarship season! Career and Employment Services is offering two more scholarship workshops; Tuesday, February 3, and Wednesday, February 18, at 3:30 pm. Please contact Jackie Bryson at 463-5164 to register.

#### NATIONAL TEACH-IN ON GLOBAL WARMING

[http://showlane.lanecc.edu/wv3/wv3\\_servlet/urd/run/wv\\_event.Detail?id=1701145;dates=1](http://showlane.lanecc.edu/wv3/wv3_servlet/urd/run/wv_event.Detail?id=1701145;dates=1)

All staff and students are invited to attend this educational event on global warming solutions for the first 100 days of the new presidential administration. Tuesday, February 5, 2:30-4 p.m., building 3, room 216, Boardroom. Contact: Jennifer Hayward, 463-5594.

#### TOBACCO-FREE CAMPUS DISCUSSION

A presentation and discussion with tobacco-free campus policy expert Ty Patterson will be held Friday, February 6, from 3-4:30 p.m., in the boardroom, building 3, room 216. Refreshments will be provided. Patterson is director of the Center of Excellence for Tobacco-Free Campus Policy at Ozarks Technical Community College in Missouri. He

recently retired as vice president of student services after a 30-year college career and now focuses on consulting with colleges across the country on tobacco-free policy. The event will include: 1) brief background/ history on tobacco-free campus policy discussions and changes at LCC, with Wendy Simmons; 2) brief overview of tobacco-free campus policy in Oregon, with Andrew Epstein, American Lung Association in Oregon); 3) presentation by Ty Patterson; 4) discussion about why colleges become tobacco-free and how to pursue this path successfully; and 5) getting answers to questions you might have. There will be approximately 30 minutes for questions and answers. Contact: Wendy Simmons.

#### MICROBREW FESTIVAL

The KLCC Microbrew Festival will take place Friday and Saturday, February 6 and 7, from 5-11 p.m. at fairgrounds events center. All proceeds will benefit the station. Microbrew aficionados will find 51 breweries from the West Coast to Vermont offering samples of their most popular brews and specialty brews. This year's Collaboration Brew is "Sasquatch Old Ale," originally brewed by the Wild Duck's late brewer Glen Falconer, and recreated by all five of Eugene's local breweries -- Eugene City, High Street, Ninkasi, Oakshire, and Steelhead -- especially for the Festival. A home brew competition takes place prior to the event. A music sale also will be held, and two bands will play, the Ashleigh Flynn Band with Americana music on Friday, and The Essentials rhythm, brass and soulful vocals on Saturday. The Microbrew Festival is one of KLCC's largest fundraising events of the year. Contact: Gayle Chisholm.

#### LANE PREVIEW NIGHT - MARCH 4

Lane Preview Night, the college's annual open house, will be held in the gym and surrounding classrooms on Wednesday, March 4 from 6 to 8:30 pm. This important event is an opportunity for prospective students and their families to visit campus, learn more about Lane's many academic programs and career opportunities, and get a better feel for what higher education is all about. We are currently looking for student and staff volunteers to help with this important recruiting and outreach program. If you or any outstanding students may be interested, please share this accordingly and contact David Van Der Haeghen, Student Recruitment and Outreach Coordinator in Enrollment and Student Financial Services, at 463-5688 or [vanderhaeghend@lanecc.edu](mailto:vanderhaeghend@lanecc.edu). A 20-minute volunteer training is mandatory! All who assist will receive a free t-shirt to wear during the event.

#### GET YOUR FLU SHOT

Oregon has not yet reached the peak of flu season. There is still plenty of time to be vaccinated against this terrible illness. Please make an appointment at the Health Clinic at 463-5665 to receive a flu shot (\$25). Contact: Ann Penny.

#### INNOVATION OF THE YEAR NOW HAS A \$2,500 AWARD

New this year, Lane's Foundation has generously provided \$2,500 to honor the selected Innovation of the Year. The Innovation of the Year award will be given to an individual or group of individuals who has designed and implemented a significant innovation at Lane. The innovation should not be more than five years old in the institution; however it must have been around long enough to have been tested. The selection criteria are as follows: effectiveness, efficiency, affordability, replicability, and creativity. One or more of the criteria should be met but it is not necessary that any nominee meet all criteria. The selected innovation will be awarded \$2,500 to continue

implementation of the innovation. An e-flier with more specifics will be sent to all staff. Nominations due March 13. Contact: Tamara Pinkas, 5011.``

#### FREE TAX HELP

Free tax help will be offered beginning Tuesday, February 3 on Tuesdays, Wednesdays and Fridays from 9 a.m. until 3 p.m. It will continue through the week of the break (March 23-27) and will end on April 15. Please encourage students and staff to bring their W2 forms, child-care information, 1099 and 1098 statements as well as any other tax document including financial aid award information. This is sponsored by AARP (American Association of Retired Persons), not by Lane or any department on campus. Location: south end of the cafeteria. Contact: Tina Lymath, 5336.

ARTIST BOOK & POP-UP BASICS, workshop at Eugene Textile Center with Lane instructor, book artist and printmaker, Susan Lowdermilk. Saturday, February 21, 10 am to 4 pm. \$60 + \$10 materials fee. Workshop Content: Introduction and presentation of artist books from Susan's collection. Students will create variety of basic folded and stitched book structures and pop-ups. Goal: To learn beginning skills and binding styles, enough to charge your imagination to start creating your own books. An artist book differs from a typical book in that the book is not merely a container for art, but is designed, conceived and created by the artist as an art form in itself. The viewer is encouraged to touch, explore and take a journey as they experience an artist book. Artist books often use text and/or images. However some artists' books are solely conceptual. As a book artist, you are your own author, artist/illustrator, typographer, printer and binder. To register contact: Eugene Textile Center, 1510 Jacobs Drive, Eugene, Oregon 97402 541-688-1565, [info@eugenetextilecenter.com](mailto:info@eugenetextilecenter.com)

## NEWS AND ANNOUNCEMENTS

### WATCH FOR ICY SPOTS

Use caution and watch for icy spots when walking on sidewalks, ramps and walkways during the cold, foggy weather. In the past several days there have been areas where ice has formed during the morning hours, causing slippery walking surfaces. Facilities will use any resources available to take care of icy spots. If you notice any areas that may be slippery, please call the Facilities office at 5216.

### ROOF WORK ON BUILDING 1

River Roofing is working on the building 1 roof from Tuesday, February 3, through Friday, February 6, to repair leaks in the Multicultural Center. The work includes removing existing roofing material, repair and installing new material. There will be noise from the roof work and restricted access on the north and northwest side of the building, facing toward building 4. Pedestrians may be re-routed but the front entrance should not be impacted. Contact: Brian McMurray, 5829.

### JAZZ FESTIVAL DRAWS 450 STUDENTS

The Oregon Jazz Festival sponsored by Lane Community College and the University of Oregon Jan. 23-24 was a great success, reports John Watson, marketing and house manager for Music, Dance and Theater Arts. The festival gave more than 450 students from 25 middle schools, high schools, Lane and the UO a chance to hear, learn from and play with nationally known jazz greats. "The feedback from the students and instructors was incredible," says John. "It means so very much for them to have this opportunity, and our community had the chance to not only attend two of the best music concerts they will hear this year, but also to sit in on the workshops and clinics, and support these wonderfully talented students. If you ever doubt the role of the arts in education, hanging around these students for only a few minutes will convince you!" For more information contact John at 5161.

### RECORD-SETTING ATTENDANCE AT FINANCIAL AID/SCHOLARSHIP EVENT

More than 550 people attended Lane's annual "How to Pay for College...In One Day!" event on Saturday, January 24, which featured College Goal Oregon and Lane Scholarship Workshops, including our "new" workshop presented in Spanish. Thus, we'd like to thank all those who made this event possible:

Thank you, Sponsors: Roehl & Sittner Investment Advisors, LLC; HigherOne; Lane Foundation; College Goal Sunday.

Thank you, Presenters: Vicki Merkel, OSAC; Rosa Lopez, Counseling; Philos Molina, Enrollment Services.

Thank you, Lane Volunteers: Chuen-Hsein Chao (Sunshine), Fatima Mora-Flores, Denna Sanders, Vera Swing, Tammy Simpson, Stephanie Morelli, David Van Der Haeghan, Trillium Starchild, Jeff Brady, Fiora Starchild, John Hamblin.

Thank you, Off-Campus Volunteers: James Gilmour (UO), Josh Puhn (UO), Leslie Hinkle (UO), Judy Saling (UO), Steve Mardane (UO), Shamra Clark (UO), David

Haggard (NCU), Rachel Cummings (OSAC), Dennis Johnson (OSAC), Susan Degen (OSAC), Sandy Watkinson (North Eugene HS).

Thank you, Lane employees: Bruce Nichols, Ross Jackson, Carolyn Wood, Tonya Oyala, Shelly Kane, Jon Davie, Lori Kramer, Rodney Brown, Bonnie Phipps, Helen Garrett, Lori Brenden, Joan Aschim.

Finally, thanks to everyone on campus who promoted the event to students and community members! Submitted by Beth Landy, Jackie Bryson, and Chris Hainley.

#### WINTER VACCINATION TIME

In Oregon, flu season peaks in mid-February to early March. Still time for that flu shot! (\$25) The World Health Organization reports that 20 percent of the population can be infected in a bad year. Don't be a statistic! And if you are 65 or older, or have special health problems, consider being vaccinated against pneumococcal disease. The Pneumovax shot (\$40) is usually given just once, unlike the yearly flu vaccine. Call the Health Clinic at 463-5665 to schedule an appointment. Submitted by Ann Penny.

#### DEPARTMENT CLOSURE

The Counseling Department, including Counseling and Advising, CES, and Testing, will be closed all day Friday, February 6 for a department in-service. Contact: Rodney Brown, 463-5299

#### INTERNATIONALLY KNOWN SPEAKER JENNIFER JAMES TO PRESENT

The City of Eugene, in co-sponsorship with Lane Community College and United Way, are hosting a speaker event, "Think in the Future Tense," with Dr. Jennifer James, on Wednesday, February 11, 8:30-11:30 a.m. at the Center for Meeting and Learning. James is well known to audiences around the world for her unique ability to synthesize the chaos and transition of our current times, put it in perspective and equip us with innovative ideas and tools to help us maneuver into the future. James is an urban cultural anthropologist and taught at the University of Washington for 12 years. Tickets are \$60 and include the book, "Thinking in the Future Tense." Buy online at [www.eugene-or.gov/speakerevent](http://www.eugene-or.gov/speakerevent) or at the door. Contact: Laurie Swanson.

#### IAN MCNICOL EXHIBIT

#### EMPLOYEE NIGHT AT THE GYM

Lane Athletics wants to show its appreciation to all college employees by inviting you to Lane Employee Night, on Saturday, February 14. This evening features a double-header basketball game against Clackamas Community College. These games are free to all employees and their families. The women's team will kick things off at 4 p.m. and will be followed by the men's game at 6 p.m. The evening also includes faculty awards at half time of each game, free seat cushions to the first 75 employees in attendance, and chocolate hearts at the door. Don't forget, the women's team currently holds a national collegiate high 67-game home winning streak so please join us for a fun filled evening. Submitted by Brent Ellison.

#### FACULTY SOUGHT FOR SUSTAINABILITY INFUSION PROJECT

Lane's Sustainability in Learning Committee is currently recruiting 10 faculty to take part in a Sustainability Infusion Project that is funded by a U.S. Environmental Protection Agency Environmental Education Grant. This is a great opportunity to do something really important and fun and to be a leader in Lane's sustainability movement. Participants will receive training about infusing sustainability into curriculum and about how to teach other faculty to do the same. Participants will then receive funding for training other faculty to infuse sustainability into curriculum. More information is available at [http://www.lanecce.edu/sustainability/s\\_announcements.html](http://www.lanecce.edu/sustainability/s_announcements.html) If you would like to participate in this project, contact Jennifer Hayward at [haywardj@lanecce.edu](mailto:haywardj@lanecce.edu)

#### FACULTY FELLOWSHIP OPPORTUNITY

The call for proposals for The Cross Papers Fellowship, 2009-2010, is now open. You can click on the link in the Publications section of the League home page at <http://www.league.org> or go to <http://www.league.org/crosspapersfellow/index.cfm> for information and proposal guidelines. The fellowship recipient will write The Cross Papers, Number 13, and present on the monograph's topic during a special session at Innovations 2010 in Baltimore. The fellowship award includes a \$2,000 stipend, complimentary registration to the conference, travel expenses up to \$1,000, and 10 copies of the monograph. Direct questions to Lane's League Rep. Tamara Pinkas, 463-5011.

ARTIST BOOK & POP-UP BASICS, workshop at Eugene Textile Center with Lane instructor, book artist and printmaker, Susan Lowdermilk. Saturday, February 21, 10 am to 4 pm. \$60 + \$10 materials fee. Workshop Content: Introduction and presentation of artist books from Susan's collection. Students will create variety of basic folded and stitched book structures and pop-ups. Goal: To learn beginning skills and binding styles, enough to charge your imagination to start creating your own books. An artist book differs from a typical book in that the book is not merely a container for art, but is designed, conceived and created by the artist as an art form in itself. The viewer is encouraged to touch, explore and take a journey as they experience an artist book. Artist books often use text and/or images. However some artists' books are solely conceptual. As a book artist, you are your own author, artist/illustrator, typographer, printer and binder. To register contact: Eugene Textile Center, 1510 Jacobs Drive, Eugene, Oregon 97402 541-688-1565, [info@eugenetextilecenter.com](mailto:info@eugenetextilecenter.com) ``

### LATINO/A SCHOLARSHIP WORKSHOP

Friday, Feb. 13, 8-10:30 a.m., building 17 (Fourm) room 308. The Beyond High School Network, an organization of Eugene/Springfield high school counselors, has worked to bring a presenter from the Hispanic Metropolitan Chamber and Linfield College to Lane to host a scholarship workshop for Eugene/Springfield high school Latino/a students. Gerardo Ochoa will share materials, advice, guidance and ideas with these high school students. He will instruct students how to use online resources, share other important information, and also have them prepare a mock scholarship essay after this morning session in a campus computer lab. Unfortunately, the workshop is only able to comfortably accommodate 50 high school students, but I would like to invite you to come by at some point and see the program's content. It will surely be informative and beneficial for the students. Contact: David Van Der Haeghen, Student Recruitment and Outreach Coordinator, 463-5688.

#### NEWS AND ANNOUNCEMENTS

##### VELDA ARNAUD RECOGNIZED FOR ACHIEVEMENT

Business instructor and honor society advisor Velda Arnaud has been selected as a Faculty Scholar for the 2009 Phi Theta Kappa Faculty Scholar Conference and 2009 Phi Theta Kappa International Honors Institute. (See photo and full story at <http://www.lanecc.edu/mpr/news/rel01088.htm>) Velda is one of only 24 people nationwide selected for the honor. She advises Lane's Sigma Zeta chapter. The chapter won numerous awards under Arnaud's guidance, including the Distinguished Chapter Award in 2008, placing it in the top 25. Arnaud has won a national chapter advisor award three times. For more information and a photo go online to <http://www.lanecc.edu/mpr/news/rel01088.htm>

##### CONNIE ROWLETT NAMED EMPLOYEE OF THE MONTH

Kudos and congratulations go to February's Classified Employee of the Month, Connie Rowlett in Science. (Download story and photo from <http://www.lanecc.edu/cpdt/eom.html> ). Representatives of the Classified Professional Development Team joined staff in the Science Building Lab to present Connie with the Employee of the Month award. Connie was hired at Lane on April 7, 1980. She has been solving problems creatively and proactively in Science for the past 27 years. She has worked with (and trained) almost every Science Division chair that the Science Department has had. Colleagues gave numerous examples to justify her receiving this award. To name just a few, Connie brings both the wisdom of experience and the wisdom of high values to her advice and problem solving. She considers how decisions will affect student access to courses, staff workload, and college goals, always with an eye to the "smooth sailing" of our large and complex Division. With each new process the college rolls out, she is an early adopter, looking for ways to make work processes more efficient and useful for everyone. Connie's outstanding customer service is exemplified in part by her amazing responsiveness, on a daily basis, to the changing needs and demands of every instructor in the Science Division. Connie is a walking encyclopedia of information about all of the challenges the Science Division has faced over the years, and how those challenges have been addressed. Whenever a problem is brought to her (and that is quite often), she can quickly analyze the situation, compare it with her vast reservoir of knowledge and experience, and propose one or more innovative and helpful paths for exploring likely solutions. When you see Connie,

congratulate her for doing a terrific job and celebrate her nomination as February's Classified Employee of the Month. And remember that, you too, can help us to recognize exemplary classified employees by nominating them for this award by the 15th of each month. Nomination forms are available on the CPDT website at <http://www.lanecc.edu/cpdt/eom.html> or from Elaine Marsh, IRAP, [marshe@lanecc.edu](mailto:marshe@lanecc.edu)

#### BOND UPDATE: FIRST PROJECTS SELECTED

The first group of bond projects consists of the Downtown Center, the remodel of the Business building, installing an elevator and replacing the seats in the Performance Hall, replacing the siding and creating a science lab at the Florence Center, and some major maintenance projects.

The first steps of forming Project User Groups and selecting design teams for the first group of bond projects will start this month.

Construction of all of these projects, except the Downtown Center and Business building, is scheduled to start in June and complete in September 2009.

Planning for the Downtown Center and Business building is scheduled to begin in March 2009.

Remodel of the Business building is scheduled to begin in September 2009 and be completed by August 2010.

Submitted by Bob Mention for Facilities, Maintenance and Planning.

#### NEW AAOT INFORMATION LITERACY REQUIREMENT

If you've ever been exasperated by students using junky websites as sources of information, there may be hope on the horizon. The Joint Boards Articulation Commission (JBAC), the group that reports to the Joint Boards of Higher Education, recently modified degree guidelines to formally embed Information Literacy into the AAOT. How are Oregon community colleges defining information literacy? See <http://tinyurl.com/bfl3og> for a good general overview. Right now, campus discussions are underway about how to determine which courses should be designated as addressing Information Literacy skills. Want to become involved? Contact Nadine Williams [williamsn@lanecc.edu](mailto:williamsn@lanecc.edu) to find out how.

#### JOIN THE FUN AND SUPPORT FELLOW CLASSIFIED STAFF

The Classified Professional Development Team provides reimbursement funds, workshops, and recognition programs that support and encourage personal and professional growth for classified staff. To learn more about joining CPDT, visit our website at <http://www.lanecc.edu/cpdt/>, or email us at [cpdt@lanecc.edu](mailto:cpdt@lanecc.edu) Contact: Gary Conklin.

#### LIBRARY HAS A NEW WEBSITE

The Library has completely redesigned its website. Same great services, but now easier to find! Take a look and see what you've been missing: <http://www.lanecc.edu/library> Suggestions or comments? Contact Library Director Nadine Williams at [williamsn@lanecc.edu](mailto:williamsn@lanecc.edu)

#### IT CONTACT INFORMATION UPDATE

Please resend routine requests to the new e-mail account, [DBAdmin@lanecc.edu](mailto:DBAdmin@lanecc.edu). All non-routine and critical requests should go to Todd Lutz, Acting CIO of the Information Technology Department, at [lutz@lanecc.edu](mailto:lutz@lanecc.edu). Todd's phone number is 463-3355.

#### SHARE YOUR HEART GIVE A CAN OF FOOD

The demand for food continues to increase in Lane County. You can help by donating to our I CAN, ONE CAN monthly food drive. Look for a box near you. All food goes to Food for Lane County which gives the food to free meal kitchens and organizations distributing food boxes. Share this with your coworkers, collect food at a staff meeting or during a community event you are having. For more information contact Beverly Farfan, 463-5395 or [farfanb@lanecc.edu](mailto:farfanb@lanecc.edu).

#### LAST OF THE FLU SHOTS

Oakridge had an outbreak of flu last week and the Lane County Public Health Dept. had to make an emergency delivery of flu vaccine. Don't wait for the flu to travel up the highway to Eugene! The Health Clinic has about a dozen doses left, so call 463-5665 and make an appointment. Submitted by Ann Penny.

#### FACULTY REMINDERS FROM DISABILITY RESOURCES

Because Mail Services cannot guarantee delivery of intercampus mail by a particular date, please do not send red Disability Resources Test Accommodation envelopes through intercampus mail. Doing so could render Disability Resources unable to provide test accommodations in a timely manner.

DR-provided chairs and tables are accommodations that are placed in specific rooms for specific students. These chairs and tables are not to be removed by students, faculty, or any other LCC employee...except the responsible Facilities Management staff. Students who have furniture accommodations must request the furniture each term, so that DR knows where the furniture is needed. There is a great deal of effort by Facilities Management and Disability Resources to get the appropriate furniture to the requesting students in a timely manner. So, if an adjustable table, ergonomic or padded chair appears in your classroom, do not remove it, and please don't move it within the classroom. Students who have furniture accommodations have a Letter of Accommodation (LOA) which identifies them as the student who is to use the chair/table. If there are more students with LOAs identifying them as needing furniture accommodations than there are chairs in the room, have the students come to DR and speak with Cathie. If you have questions, contact Cathie Reschke at 463-5079, or Disability Services at 463-5150.

#### OREGON SESQUICENTENNIAL AT THE LIBRARY

Oregon celebrates its 150th anniversary of statehood on February 14. There will be many events and celebrations throughout the state on Saturday as well as many ongoing exhibitions and other activities. For details, go to: <http://www.oregon150.org/> Lane's Library has a display of books about Oregon History. Check out the Library Guide at: <http://lanecc.libguides.com/oregon150>. Contact: Elizabeth Uhlig, Archives, 463-5466.

#### NO WEEKLY FEBRUARY 24

Lane Weekly will not publish the week of February 23. The next issue is February 17, then March 3. For more information contact Joan Aschim, 463-5591 or [weekly@lanecc.edu](mailto:weekly@lanecc.edu)

#### COLLABORATIONS 2009 DANCE CONCERT: INSPIRATIONS FROM AROUND OUR PLANET

February 26, 27, 28 at 8 p.m., Performance Hall  
Tickets \$10/general admission; \$8 students and seniors; available online at [www.lanecc.edu/tickets](http://www.lanecc.edu/tickets) and at the door.

Collaborations 2009 presents new and diverse dance works by Lane dance faculty ranging from hip-hop to postmodern dance. This year's guest artists include the renowned Dancing People Company, featuring Lane alumni Alonzo Lee Moore IV. Walter Kennedy joins Bonnie Simoa for their new duet Thirst. Shannon Mockli from the University of Oregon Dance Department presents her very cerebral Trio with the Johns, a dance commentary set to a reading of Jasper Johns artist statement by the composer John Cage.

Dancing People Company, based in Ashland, and directed by Robin Stiehm and Peggy Paver, has performed in Belarus, Poland, Japan and St. Petersburg, Russia. For Collaborations 2009, they will perform Peggy Pavers' Ascending Uluru, a visually striking and exhilarating journey to the center of the Australian outback. Their second piece will be A Safe Place to Fall, a stately, adagio quartet about finding a haven, a place where we have the support of friends, even in our weaknesses.

Walter Kennedy joins Bonnie Simoa performing Thirst, choreographed by Mary Oslund and funded in part by the Oregon Arts Commission. Inspired by the dry wit of Taiwanese film director Tsai Min-liang, Thirst has a strangely magical realism and a blend of grace and vivid fragmentation. With original music by Katie Grier the dance traverses heady terrain exploring pollution and consumption.

Bonnie Simoa also premieres Rubaiyat , a group piece choreographed for the Lane Dance Company. Set to the music of Sussan Deyhim from Iran, nine dancers etch stories in space in duets, trios and quartets, creating landscapes and fables with their soft gestures and splendid movements. Forms magically morph, emerge and recede in the sumptuous costumes of Mari Dewitt.

Also featured will be exciting new work by Lane faculty members Sarah Nemecek, Anita Sanford, and Margo Van Ummersen. Contact: John Watson.

#### ILLUMINATION PAINTING WORKSHOP

Satoko Motouji at Art and Applied Design will offer two-day Illumination Painting workshop May 5 and 6. The hours of the workshop will be between 9 a.m. to 3:30 p.m. This workshop covers a brief history of Illuminated manuscripts. The participants will learn the traditional tempera painting technique combined with application of gold leaf. Each participant will produce one painting in two days. This workshop is a part of fundraising effort to support LCC Gallery at Art Division. For more information call 463-5416 or e-mail [motoujis@lanecc.edu](mailto:motoujis@lanecc.edu)

#### FEBRUARY IS HEART MONTH

How healthy is your heart? The Fitness Education Center is promoting a "Cardio Challenge" the week of February 23-27. The challenge is open to everyone. You don't need to be registered for the class to participate. Call 463-3987 for more information. Submitted by Marisa Hastie.

### VOTE FOR YOUR FAVORITE TITAN MASCOT

You have an opportunity to vote for your favorite Titan mascot from February 19 to March 2. From Lane's homepage, click on Lane Titans to cast your vote. In 1965, the students of Lane Community College voted for the Titan Gods of Mythology to become Lane's mascot. According to the Oxford Classical Dictionary, the Titans are older gods who came before the Olympians. There are 12 Titans, six male, six female. As abstractions, the Titans represent the sources of law, order, justice, poetry, song and the arts. They are the sources of rivers, the sun and moon, fire and fruits of the soil. The Titans are often referred to as being "of enormous magnitude" or "colossal." Their powerful impact in mythology, along with their links to contemporary academic disciplines were among the reasons the Titan was chosen as Lane's mascot. Early last November, a team of staff began work on a project to design a new Titan mascot: Rodger Bates, Barb Delansky, Tracy Simms, Greg Sheley, Jennifer Steele, and David Van Der Haeghen. ASLCC, student athletes and graphic design students were involved, along with faculty and staff, in developing a survey instrument that identified visual preferences and characteristics. The survey results, together with the team's research on the history of Titans, guided the process of developing two distinctive Titan mascots for your consideration. From the homepage, click on Lane Titans to cast your vote! Submitted by the Titan Mascot Team.

## COLLABORATIONS 2009 DANCE CONCERT

Collaborations 2009 will be held February 26, 27 and 28. Tickets are on sale now at [www.lanecc.edu/tickets](http://www.lanecc.edu/tickets)

The concert is a project of Lane dance lead faculty member Bonnie Simoa and Lane Dance, and features work by Bonnie, and Mary Oslund. Guest artists include Walter Kennedy, Shannon Mockli, and Dancing People Company of Ashland. Tickets \$10 general admission, \$8 students and seniors. Contact: John Watson, 463-5161.

## ARCHIVES AND RECORDS MANAGEMENT WORKSHOP

Friday, February 27, 9-11 a.m., Library classroom, CEN 250. Open to all interested staff. The services provided by Archives is mandated by state public records laws, so if you're in need of an update on what records to keep, how long to keep them, and how to manage your records efficiently, then come to the workshop. We will focus on historical records kept permanently in the Archives and departmental records that are stored in the Archives and eventually disposed of according to the Oregon public records retention schedule. You'll learn about Archives services and how to take advantage of them. We'll also discuss ways to manage desktop electronic records, including e-mail and digital records. To sign up for this workshop, contact archivist Elizabeth Uhlig at 463-5466 or [archives@lanecc.edu](mailto:archives@lanecc.edu)

## PREVIEW NIGHT IS MARCH 4

Lane holds its annual Preview Night for high school students and their families on Wednesday, March 4, beginning at 6 p.m. in the main campus gym, building 5. The event offers a chance to get information about Lane programs, resources and educational opportunities all in one evening. Preregister online at [www.lanecc.edu/es/previewnight.html](http://www.lanecc.edu/es/previewnight.html)

An information fair at 6 p.m. will be followed by welcoming remarks from President Mary Spilde at 7 p.m., then breakout sessions on a variety of topics until a closing reception at 8:30 p.m.

Preview Night is designed for students just starting to consider their post-high school options as well as those already planning to attend Lane. Representatives of all the college's technical, career and college transfer programs will be on hand, as will staff from such services as Financial Aid and Disability Resources. A prize drawing offers iPods, tuition certificates and other great prizes. Students will be able to apply for admission on the spot.

Break-out sessions will offer help with the financial aid application process, the difference between academic transfer and career and technical programs, and options for attending as a full-time or part-time student-or even earning college credit while still in high school. Lane's relatively low cost, wide variety of classes and programs, and high success rate of transfer graduates make Lane a particularly attractive option for students today. Contact: David Van Der Haeghen, 463-5688

## TASTE OF TANGO IS MARCH 5

The Culinary Arts and Hospitality Department would love your company at the next Classical Cuisine Dinner planned for March 5. The theme for this year's event is Argentina, the birthplace of Tango. The program is proud to offer skilled Argentinean tango dancers for the evening's entertainment. The menu will feature a number of cultural delicacies such as lobster empanadas, mixed seafood ceviche, and a goose roulade with walnut, fig, pan sauce, gnocchi and seasonal vegetables. Hospitality students have created a presentation to complete the evening and to share interesting information on Argentina's culture. It won't be an evening you'd want to miss! Doors

open at 5 p.m. for the silent auction, and 6 p.m. for dinner. Tickets are available exclusively online this year. Please visit <http://lanecc.edu/culinary/cuisine.htm> for reservations; seats are going fast, so buy yours now. For further information, contact Joe McCully at 463-3516 or e-mail [mccullyj@lanecc.edu](mailto:mccullyj@lanecc.edu)

#### BOARD HAS OPENINGS

Three positions on the Lane Community College Board of Education are up for election on May 19. Candidates file with Lane County Elections from February 9 to March 19. Candidates must live in the zone they file for, but all voters in Lane's district vote on all board positions. The district includes most of Lane County and parts of Benton, Douglas and Linn counties. Positions up for election are:

- Zone 1, primarily western Lane County, including Florence
- Zone 3, primarily Springfield and Marcola area
- Zone 4, primarily eastern/southeastern Lane County

Zone descriptions are available online at [www.lanecc.edu/presoffc/board](http://www.lanecc.edu/presoffc/board) . For more information, contact the President's Office at 463-5200.

#### LTD PROPOSES ROUTE CHANGES

LTD is proposing bus route changes effective September 6, 2009, for 2009-2010. The Springfield #85 is still in the schedule for this summer but may be eliminated summer 2010. To see the proposed changes go online at

GOING ON FOOT: LEARNING THE CULTURES OF GUATEMALA AND NAMIBIA -- Amy Gaudia, ABSE faculty member, and Judy McKenzie, ALS faculty member, will present slideshows of their professional development experiences in Guatemala and Namibia respectively on Thursday, February 26th at 3:00 p.m. in CML 214 with a reception to follow. Additional information is available at:

<http://www.lanec.edu/fpd/gts/documents/gaudiamckenziepresentation.pdf> Please

contact Faculty Professional Development Coordinator, Adrienne Mitchell, at [mitchella@lanecc.edu](mailto:mitchella@lanecc.edu) or x. 5871 if you have questions.

**TEACHING SQUARES:** The Teaching Squares program is designed to improve teaching skills and build community through a non-threatening process of classroom observation and shared reflection. A Teaching Square is a group of four faculty members from different disciplines who: engage in reciprocal classroom visits, share teaching materials, reflect on classroom observations, and share best practices with colleagues. Past participants have said, "It was stimulating," and, "It was a great experience seeing other instructors teach... I feel like I was able to gain insight on some teaching practices that do and do not work in the classroom... I also like that it was not a huge time commitment." If you are interested in participating, please sign up by March 6, 2009. Registration information and additional details are available online at: <http://www.lanecc.edu/fpd/teachingsquares.html> or contact Faculty Professional Development Coordinator, Adrienne Mitchell at [mitchella@lanecc.edu](mailto:mitchella@lanecc.edu) or x 5871.

**LEUKEMIA AND LYMPHOMA SOCIETY (LLS):** Hi, I am Edana Paz, part time Spanish instructor in the Language Literature and Communications Department. I have joined Team in Training, training for a 100 mile bike ride on June 7 to raise funds for LLS in an

effort to eradicate blood diseases. I am inviting you to join me, not to train for a 100-mile pedal, but rather by making a financial contribution to my LLS fundraising campaign. Donations are 100% tax deductible and help advance the discovery of a cure for leukemia, lymphoma, and myeloma. Currently, more than 823,000 Americans are battling blood cancers. Please use this secure e-mail link to donate online and to learn more about my progress. You will receive a confirmation of your donation by e-mail and I will be notified as soon as you make your donation:

<http://pages.teamintraining.org/or/ambbr09/epaz>. My goal is to raise \$4,600.00 by March 20. Go to my website often to follow my progress. I hope you will consider and make a contribution. Please advise me if there is someone in whose honor you wish to donate. I will post their name on my website and wear a ribbon bearing their name, the day of the 100 mile ride, June 7. On behalf of the Leukemia and Lymphoma Society, I thank you immensely for your support. Your generosity helps save lives through research, direct patient support and the sharing of best practices for prevention of blood cancer diseases.

FOR SALE: GARMIN 200 GPS NAVIGATION SYSTEM for your car. Voice directions, includes everything, mount for dashboard and/or windshield. Bought it last year, brand new, only used 3 times. (I just don't need it). New \$199, yours for \$99. Call Annie at ext.5029 or [monroea@lanecc.edu](mailto:monroea@lanecc.edu) ``

FOR SALE: OLD RING. It has never been worn, I bought it back in 2004, it was suppose to be a promise ring for a girlfriend, but she never accepted it. The ring is a white gold band with a small ruby in the middle and two small diamonds on the side. I got it from the Shane Company for 150 dollars, and I am asking 80 dollars for it or best offer. Please contact me either via e-mail at [bradyj@lanecc.edu](mailto:bradyj@lanecc.edu) or call my cell number 971-219-8820. Thank you, Jeffrey Brady.``

FREE lap-swim/workout coupons: At the Wellness Fair I won a 10-pack of "lap swim and workout on your own" coupons for Willamalane pools. I can't use these; call me at x3024 or e-mail [kellyd@lanecc.edu](mailto:kellyd@lanecc.edu) and they're yours. David Kelly.``

#### BOND UPDATE: BOARD APPROVES GROUP 1 PROJECTS

At it's meeting last week, Lane's Board of Education approved moving ahead with Group 1 bond projects. This will allow planning for those projects to move forward. Project User Groups for some of those projects will be formed within the next few weeks. A communications strategy is being developed to meet the needs of both campus communications and that of the larger public community. For a list of Group 1 bond projects or for more information, contact Dave Willis at [willisd@lanecc.edu](mailto:willisd@lanecc.edu) or 463-5566.

#### DEFERRED MAINTENANCE UPDATE: HIRING UNDERWAY, WEB PAGE UP

Preparation work is well underway for deferred maintenance projects to be funded by \$8 million in state stimulus funds. Many postings for jobs related to this work are available online at <https://jobs.lanecc.edu> As of February 26, more than 350 people had applied for these postings. Hiring committees are working hard to prepare and interview candidates. Up to 25 positions should be filled by the middle of April. A temporary project shop/supplies staging area will be set up in parking lot N, close to building 7.

Contractors and suppliers are encouraged to visit the new deferred maintenance web page at [www.lanecc.edu/facilities/dm](http://www.lanecc.edu/facilities/dm) to fill out a template and e-mail it to

[deferredmaintenance@lanecc.edu](mailto:deferredmaintenance@lanecc.edu) by the end of the day on March 13 to be considered for deferred maintenance project work. Invitations to architects and design firms are being distributed and posted on the same web page.

A Deferred Maintenance Leadership Team, including Facilities, Management and Planning staff, instructional deans, and executive level administrators, is meeting weekly to plan and organize this effort.

Many thanks to everyone working on this very important project. For more information, contact Dave Willis at [willisd@lanecc.edu](mailto:willisd@lanecc.edu) or 463-5566.

#### VELDA ARNAUD TO SERVE AS REGIONAL PTK ADVISOR

Velda Arnaud has been selected to serve as the Regional Coordinator for Phi Theta Kappa's Rocky Mountain Cascade Region, beginning June 1. She succeeds Dr. Dave Arter, who has served as Regional Coordinator since 1991 and will continue as Senior Coordinator for one year. Velda teaches business at Lane where she has served as advisor for the Sigma Zeta Chapter since 2005. She is a four-time winner of Phi Theta Kappa's Paragon Award for Advisors, and is a Faculty Scholar for the 2009 International Honors Institute. For more information, contact Velda at [arnaudv@lanecc.edu](mailto:arnaudv@lanecc.edu) or 463-5682. Submitted by the editor.

#### FOUNDATION OFFERS HUNDREDS OF SCHOLARSHIP OPPORTUNITIES

There is still time to apply for scholarships offered through the Lane Community College Foundation. This year, the James F. and Marion L. Miller Foundation announced a challenge match to the community colleges in Oregon. Because of this exciting opportunity, Lane will be able to award an additional \$100,000 in scholarships. Students can be considered for the Miller Scholarship by submitting an application under the 9000 ALL MAJOR Scholarship Code.

The complete listing of scholarships appears in Lane's Scholarship Opportunities Booklet, now available on Lane's main campus in Career and Employment Services, building 1, room 102, and from Lane County high school guidance counselors. Most scholarships have an application deadline of March 12 for awards received in the fall.

The following helpful resources are available on the Lane Community College website:

\* Lane Community College Foundation: [www.lanecc.edu/foundation](http://www.lanecc.edu/foundation) -- This site has an on-line copy of The Scholarship Opportunity Booklet and application forms.

\* Career & Employment Services: [www.lanecc.edu/ces/scholarships](http://www.lanecc.edu/ces/scholarships) -- This site lists many excellent resources related to scholarships. Included are useful tips for completing scholarship applications.

In addition to the private scholarships listed in the Scholarship Opportunities book, direct awards to Lane students are available from a variety of organizations. Information about other organizations that offer scholarships and grants can be obtained from Lane Career and Employment Services (463-5167), high school guidance counselors, libraries and scholarship search Web sites, such as [www.fastweb.com](http://www.fastweb.com) Contact: Barbara Enright, LCC Foundation.

#### SIGN UP FOR TEACHING SQUARES

The Teaching Squares program is designed to improve teaching skills and build community through a non-threatening process of classroom observation and shared

reflection. A Teaching Square is a group of four faculty members from different disciplines who: engage in reciprocal classroom visits, share teaching materials, reflect on classroom observations, and share best practices with colleagues. Past participants have said, "It was stimulating," and, "It was a great experience seeing other instructors teach...I feel like I was able to gain insight on some teaching practices that do and do not work in the classroom...I also like that it was not a huge time commitment." If you are interested in participating, sign up by March 6. Registration information and additional details are available online at: <http://www.lanecc.edu/fpd/teachingsquares.html> or contact Faculty Professional Development Coordinator, Adrienne Mitchell at [mitchella@lanecc.edu](mailto:mitchella@lanecc.edu) or 463-5871.

#### SHAKESPEARE SHOWCASE AT LANE

The traditional Term's End Shakespeare Showcase at Lane will be presented in one matinee performance on Saturday, March 14, at 2 p.m. The program is directed by Judith Roberts and narrated by Jeff Harrison, with live music provided by Janet Naylor and John Marzicola. Students will be featured in scenes from Taming of the Shrew, Hamlet, Richard III, A Midsummer Night's Dream, Macbeth, As You Like It, Julius Caesar, The Merchant of Venice, Henry V, Henry VI, Much Ado About Nothing, and Titus Andronicus.

An optional \$5 donation at the door will help support Lane Student Productions Association. (Only ages 10 and up admitted.) There is limited seating, and reservations are encouraged: call 463-5761. Contact: John Watson, [watsonj@lanecc.edu](mailto:watsonj@lanecc.edu) or 463-5161.

#### CTE FACULTY INTERNSHIP OPPORTUNITIES AVAILABLE

Perkins grant funds are available for paid faculty internships March 22-August 15 for faculty to work at business sites related to their teaching discipline. The purpose of these funds is to strengthen the career and technical skills of students participating in career and technical programs by helping instructors stay current with all aspects of an industry and develop a higher level of industry knowledge and skills. Internships are paid at the curriculum development rate and are to be with local employers within commuting distance of the college. Applicants are responsible for making internship arrangements. For Perkins Internship Guidelines an application, e-mail Carol Woodman or call 463-5509.

#### DENALI MAGAZINE NOW ACCEPTING SUBMISSIONS

Denali Magazine, LCC's literary arts magazine, is now accepting submissions for the spring 2009 issue. We accept poetry, prose, short stories, photography, paintings, drawings and fine and graphic art. For more information contact Cheri Browne, Denali Editor at [denali@lanecc.edu](mailto:denali@lanecc.edu) or 463-5897, or go online at [www.lanecc.edu/denali](http://www.lanecc.edu/denali) This call for submissions is open to all residents of Lane County. Submission deadline is April 10 at 5 p.m.

#### UPCOMING C-CERT TRAINING

Campus Community Emergency Response Teams are trained to respond in the event of an emergency. We are trained in medical triage, first aid, search and rescue, fire containment, and other aspects of incident command structure. We want to have a solid corps of Lane employees trained to respond in the event of an emergency. We are seeking 20 volunteers to join our group. Trainings will be held on Wednesdays beginning April 15 and concluding with a Saturday drill on May 16. It is a great opportunity and skills that can be used in your own home and neighborhoods as well. If

interested, please contact Dawn Barth, Emergency and Risk Management Analyst, at [barthd@lanecc.edu](mailto:barthd@lanecc.edu).

**A RESOURCE FOR YOUR CLASS: A VISIT WITH UO INTERNATIONAL STUDENTS**  
Internationalize your classes! Would your class benefit by having a guest speaker from another country? University of Oregon's International Cultural Service Program brings together a select group of UO international students from around the world to provide valuable exposure to the world's diversity to schools, groups and organizations. The students are available to visit your class or club to talk about their countries, their field of study, their experiences in the U.S or other topics. (Some of the students are former Lane students who have transferred to UO.) For more information about the program, see <http://www.icsp.uoregon.edu>, e-mail [icsp@uoregon.edu](mailto:icsp@uoregon.edu) or call the ICSP coordinator at 346-1333. Submitted by Cathy Lindsley, Lane International Student Program, 463-5441.

#### THE EVENTS OF 2008

Highlights of the year for 2008 at Lane Community College have been posted to the Archives webpage at <http://www.lanecc.edu/archives/Historyhighlights.html#2008> For more information contact archivist Elizabeth Uhlig at [uhlige@lanecc.edu](mailto:uhlige@lanecc.edu) or 463-5466.

#### THE DOCTOR IS IN

Learn about "Myth Busters in Medicine: Respiratory Infections" at <http://www.lanecc.edu/healthclinic/drisin.html> Submitted by Kristen Murphy, 463-5668.

#### TIME TO DO SOME SPRING CLEANING?

We can lighten your load by shredding unwanted (even confidential) paperwork. Specialized Support Services offers this service to LCC staff and friends. Our student workers spend their workday shredding and recycling, all while learning new skills. For arrangements and questions, please call Patty with Specialized Support Services at 463-5099.

**I CAN, ONE CAN FOOD DRIVE.** The demand for food continues to increase in Lane County. You can help by donating to our I CAN, ONE CAN monthly food drive. Look for a box near you. All food goes to Food for Lane County which gives the food to free meal kitchens and organizations distributing food boxes. Share this with your coworkers, collect food at a staff meeting or during a community event you are having. For more information contact Beverly Farfan, 463-5395 or [farfanb@lanecc.edu](mailto:farfanb@lanecc.edu)

A VACATION GET AWAY, with very reasonable rates, is found at the BLK Beach House in Florence. Not only that, you can bring your dog for free. This is a newer manufactured home in great condition with a spacious open living room, 2 bedrooms, 1 bath, and the kitchen is supplied with everything you need: pots, pans, microwave, coffee pot, toaster and more. There is a queen size bed in one bedroom and twin and full size beds in the other room. It "s a five minute walk to the beach. This is our home away from home and rented only to select clientele (like Lane employees) and guests are on the honor system to respect our home. The rates are very reasonable, in part because you are expected to clean up after yourself upon departure. There "s a two night minimum. Through April, for two people weekend rates are \$58/night. The cost increases slightly per night per additional person. Call Wendy Simmons at 431-1277 or email her at [wsimmons@efn.org](mailto:wsimmons@efn.org) for more information.

### TITLE III GRANT WILL IMPROVE STUDENT SUCCESS AND RETENTION

Lane recently was awarded a Title III Strengthening Institutions grant funded through the U.S. Department of Education. The goal of the five-year, \$2 million Title III Engaging Students project is to improve the retention and success of first-year students at Lane. Title III Engaging Students focuses on using proven practices, such as intentional first-year experiences, learning communities, early alert systems for students with academic problems, and developing a student computer portal to improve communications. The grant will also allow us to identify policies and procedures that will help more students persist to degree completion.

Over the next five years, we will work to better integrate student and academic affairs in order to provide a more holistic educational experience for students. For example, current discussions are examining how to advise students about the recommended academic skill levels in order to be successful in credit classes or how to effectively provide front-end orientation to students to improve academic success.

Each month we will post the latest developments on the Engaging Students project in the Lane Weekly. A website will be developed in spring term to provide a place where people can go for information about this project.

Contacts: Carol McKiel, T-III Management Coordinator, and Mary Parthemer, T-III Director.

### FACILITIES UPDATE

The majority of Facilities, Management and Planning office staff are now working to support projects funded by the state of Oregon deferred maintenance stimulus. Trades staff are working exclusively on priority one work orders that include emergencies, safety, indoor air quality, regulatory compliance, and accessibility. Due to resource constraints, we will focus on priority one work orders. All other work orders will be placed on "hold" until at least June of this year. We ask that you defer all lower priority needs.

Contact: David Willis, [willisd@lanecc.edu](mailto:willisd@lanecc.edu)

### DEFERRED MAINTENANCE: GO OREGON PROJECTS UPDATE

Architectural and engineering firms will be hired this week to complete an expedited design process on projects that need drawings and specifications generated to get quotes from contractors and building permits through the Lane County planning department. Many new Lane project employees will be hired by Facilities, Management and Planning over the next six weeks in support of the Go Oregon deferred maintenance projects. In addition, many contractors' employees will be employed on the Go Oregon deferred maintenance projects to begin work at Lane Community College in April. All Go Oregon deferred maintenance project employee postings will be re-posted this week to allow a second opportunity for eligible Lane employees to apply as internal candidates. The hiring and planning process will take the majority of FMP's office staff resources for the next six weeks. A storage staging area will be set up just north of building 7 in parking lot N. Lynn Atkins is coordinating the installation of 10 steel containers, a fence, lighting, and a security camera system. FMP staff, Human Resources staff, and

Purchasing staff will be extremely busy supporting this effort to meet the Go Oregon stimulus package timelines. All new project employees must be hired and all contractor contracts fully executed by the end of April. We thank you for your understanding and consideration during the next six weeks as we focus on the Go Oregon deferred maintenance stimulus campaign. Contact: David Willis, [willisd@lanecc.edu](mailto:willisd@lanecc.edu)

#### EMERGENCY ALERT NOTIFICATION SYSTEM READY TO GO

The Lane Alert automated emergency message system is ready for launch after months of planning and assessment. The system will send messages primarily to faculty, staff and students in the event of emergencies, weather closures and similar urgent situations. Lane Alert is based on Connect-Ed software currently in use by universities and colleges nationwide, including several in Oregon. Employees will be asked to provide at least one personal contact number for Lane Alert messages. A test message will be planned within the next few weeks. For more information contact Dawn Barth at [barthd@lanecc.edu](mailto:barthd@lanecc.edu) or 463-5503.

#### BUSINESS INSTRUCTOR TO LEAD REGIONAL HONOR SOCIETY

Velda Arnaud has been selected to serve as the regional coordinator for the Phi Theta Kappa Rocky Mountain Cascade Region. Velda teaches business at Lane and advises the college's Sigma Zeta Chapter of Phi Theta Kappa, the international honor society for two-year colleges. She is a three-time winner of the society's Paragon Award for Advisors and is one of only 24 people nationally selected as a 2009 Faculty Scholar for the International Honors Institute. For more information contact Velda at 463-5682, [arnaudv@lanecc.edu](mailto:arnaudv@lanecc.edu) Submitted by the editor.

#### FAMILY CONNECTIONS EXTENDS SERVICE TO DOUGLAS COUNTY

Child care resource and referral agencies for Lane and Douglas counties have merged as one service district. Family Connections, headquartered at Lane, can be reached at 463-3954 in the Eugene area or toll free at 1-800-222-3290. The website is [www.lanecc.edu/lfc](http://www.lanecc.edu/lfc) Family Connections helps parents learn about the types of child care available in both Lane and Douglas counties, and provides parents with the information they need to choose a quality child care setting that helps a child develop a strong mind, body, spirit, and increase future success in school. For more information contact Jennifer Slater, co-director, Family Connections, 463-3315.

#### FREE GRAPHIC DESIGN SPRING TERM

Each spring term the graduating class of the Lane Graphic Design program become available to take on professional design jobs from the community. Advertise your summer programs! If your department needs posters, brochures, forms, anything at all, let us help you. No job is too small and the only costs are for the actual expenses like printing costs. We extend this offer to any businesses and non-profit organizations as well, so please pass this along to anyone you know who could benefit from some free graphic design. As there are over twenty students available, we can handle a lot of assignments. We can assist you in getting quotes on printing and finding the best deal. We can also coordinate the printing, pick up and delivery of the product if on campus.

The actual printing is not free. Thanks for your support of our program! For more information, contact Tom Madison at [madisont@lanecc.edu](mailto:madisont@lanecc.edu)

#### PREVIEW NIGHT THANKS

Thanks to all of you who helped in any capacity during this year's Lane Preview Night. The event was a tremendous success, and it could not have been so without your support and willingness to share information. I am especially grateful to the following: SELCO Community Credit Union, Tracy Simms, Helen Garrett, Karen Wygle, Kate Barry, Laurie Swanson-Gribskov, Brent Ellison (and all in Athletics!), Tammy Simpson, Vicki Doughty, Len Heflin, Jon Davie, Alen Bahret, Andy McClure and his wonderful Facilities staff, all our student volunteers, ASLCC and all our presenters. If I have left you out, please accept my apologies! If you have feedback regarding the program, I ask you to please email me directly at [vanderhaeghend@lanecc.edu](mailto:vanderhaeghend@lanecc.edu). Thank you, all, for showcasing Lane. David Van Der Haeghen, Student Recruitment & Outreach Coordinator, 463-5688.

#### PROJECT HOMELESS CONNECT THANKS

Thanks to all Lane staff and students who helped the 1,554 guests who attended this year's event. Thank you to the Nursing, Medical Office Assistants and other health careers students for their assistance in the medical areas. The students did a great job assisting guests to get the resources they needed. Thank you to the OSPIRG volunteers and other students who helped in my greeting areas. Thank you to all the other Lane students and staff. This event would not have been the success it was without Lane's caring student and staff. See you next year. Submitted by Beverly Farfan.

#### I CAN, ONE CAN FOOD DRIVE DONATED 1,000 POUNDS OF FOOD

Lane has collected 1,000 pounds of food so far this year. Our goal is to collect a ton of food by next June. That is 2,000 pounds. Each month Food for Lane County is grateful for our donation. Their need for food continues to increase. You can help people in need by donating one can of food a month. There are 20 I CAN, ONE CAN collection boxes on campus. Contact me if you would like a collection box in your area. The Downtown campus and KLCC have collection boxes. Find the collection box nearest you. Thank you for all your help. For information contact Beverly Farfan, 463-6395.

#### PTK TEXTBOOK PICK UP AND 30TH AVENUE CLEAN UP

Lane's Sigma Zeta chapter of the Phi Theta Kappa honor society will be picking up textbooks for our winter Better World Books drive on Friday, March 20, from 9 a.m. until noon. If you or your department has textbooks to donate, please have them accessible. If you would like to donate textbooks at another time, please contact the chapter at 463-3238 or the advisor at 463-5682.

Sigma Zeta will be cleaning 30th Avenue from I-5 to Spring Blvd. on Saturday, May 16. Your participation would be greatly appreciated. We will meet in Parking Lot N at 9 a.m. and pick up trash until the section of the highway is cleaned. At our last cleanup, we collected 35 bags of trash. Afterwards, we will meet in the Business Department for a potluck. If you have questions, please contact the chapter at ext. 3238 or the advisor at 463-5682. For more information contact Velda Arnaud, Chapter Advisor.

#### TAP DANCE LUNCH HOUR INVITATION

Tap into a great way to have fun on your lunch hour during spring term! Tap Dancing 2 will be offered from 12-12:50 p.m. on Mondays, Wednesdays and Fridays, taught by Margo Van Ummersen. Though it might be many years for some of you since you last

laced up your shoes, don't let that deter you; those skills are still there, just waiting to be brushed up. It's great exercise and just plain fun! Register for D 199 SS, CRN 43244. Have you never tapped before but always wanted to? Then Tap 1 is for you on Tuesday and Thursdays, from 5:30-6:50 p.m., D 175, CRN 42031. Your path to happy feet! Contact Margo Van Ummersen, 463-5303, for answers to any questions you might have. Submitted by Sharon Hainley, Music, Dance, & Theatre Arts.

#### CTE FACULTY INTERNSHIP OPPORTUNITIES AVAILABLE

Perkins grant funds are available for paid faculty internships March 22-August 15 for faculty to work at business sites related to their teaching discipline. The purpose of these funds is to strengthen the career and technical skills of students participating in career and technical programs by helping instructors stay current with all aspects of an industry and develop a higher level of industry knowledge and skills. Internships are paid at the curriculum development rate and are to be with local employers within commuting distance of the college. Applicants are responsible for making internship arrangements. For Perkins Internship Guidelines an application, e-mail Carol Woodman or call 463-5509.

#### UPCOMING C-CERT TRAINING

Campus Community Emergency Response Teams are trained to respond in the event of an emergency. We are trained in medical triage, first aid, search and rescue, fire containment, and other aspects of incident command structure. We want to have a solid corps of Lane employees trained to respond in the event of an emergency. We are seeking 20 volunteers to join our group. Trainings will be held on Wednesdays beginning April 15 and concluding with a Saturday drill on May 16. It is a great opportunity and skills that can be used in your own home and neighborhoods as well. If interested, please contact Dawn Barth, Emergency and Risk Management Analyst, at [barthd@lanecc.edu](mailto:barthd@lanecc.edu).

#### LIBRARY HOURS

The Library will be open the following hours during spring break: Monday 10a.m.- 2 p.m.; Tuesday and Wednesday 8 a.m.-5 p.m.; Thursday and Friday 10 a.m.-2 p.m. Submitted by Raymond Bailey.

#### OREGON FILMMAKERS AND PHOTOGRAPHERS WANTED

The Cottage Grove Regional Film Festival is seeking submissions from local filmmakers to be used in our second annual event. This Festival, created to reflect the local flavor, history, inhabitants, social climate, and scenery of Lane County, will include several film blocks, some guest speakers, and possible Q&A with filmmakers.

Entries may be submitted in VHS, DVD, or Digital form (DVD preferred, NTSC format required) and may be of any length. Copies please, not originals. All genres are welcome including documentary and animated. All submissions will be considered for inclusion by a panel, and those chosen will be notified by email.

For full consideration please submit entries by April 17. Final submission deadline is June 1.

Contact James at [cgrff@qwestoffice.net](mailto:cgrff@qwestoffice.net) or call 942-6906 for further submission guidelines and entry form. Include a Logline of the submission (a short, approximately 25-word, description of the film) in the original email.

We are also seeking artwork and photography that showcases the area to be included in the pre-film loop. Interested parties please contact Debbie at [avrental1001@qwestoffice.net](mailto:avrental1001@qwestoffice.net) for details. Submitted by James Kiser.

ENTERTAINMENT CARD: Anyone with an 08-09 entertainment card who would like to swap your card for mine contact me at [knights@lanecc.edu](mailto:knights@lanecc.edu)

A VACATION GET AWAY, with very reasonable rates, is found at the BLK Beach House in Florence. Not only that, you can bring your dog for free. This is a newer manufactured home in great condition with a spacious open living room, 2 bedrooms, 1 bath, and the kitchen is supplied with everything you need: pots, pans, microwave, coffee pot, toaster and more. There is a queen size bed in one bedroom and twin and full size beds in the other room. It is a five minute walk to the beach. This is our home away from home and rented only to select clientele (like Lane employees) and guests are on the honor system to respect our home. The rates are very reasonable, in part because you are expected to clean up after yourself upon departure. There is a two-night minimum. Through April, for two people weekend rates are \$58/night. The cost increases slightly per night per additional person. Call Wendy Simmons at 431-1277 or email her at [wsimmons@efn.org](mailto:wsimmons@efn.org) for more information.

## SPILEDE AND STUDENT PARTICIPATE IN CLINTON GLOBAL INITIATIVE

President Mary Spilde and student Toby Kubler attended the Clinton Global Initiative meeting at the University of Texas at Austin on February 13-15. The meeting featured solutions to global issues and implementation at the local level.

In 2007, President Clinton established the Clinton Global Initiative University (CGI U) to engage young leaders worldwide in participating in the development and implementation of solutions to pressing community issues. The annual gathering brings together university presidents, national youth organizations and nongovernmental organization and provides a forum where they can interact and take steps in developing specific commitments for addressing issues on their campuses and communities. The five focus areas of CGI include: education, energy and climate change, global health, peace and human rights, and poverty alleviation.

Kubler is working on a project that will result in creating a working garden as a permanent feature on Lane's main campus. He said the meeting was a great experience. "Seeing the impact and commitments other young people from around the world is inspiring." Lane currently has 2,000 square feet of garden space for food production and Kubler already has put in his request to double the space.

Seeing the commitment of young people like Toby making such a positive contribution in the community and on our campus sends a powerful message that each one of us can do something to make a difference," said Spilde. Submitted by the editor.

## CONGRESSMAN DEFAZIO HELPS SECURE \$330,000 FOR LANE

The federal omnibus spending bill signed into law by President Obama on March 11 includes \$330,000 for Lane nursing labs and equipment. Congressman Peter DeFazio worked for the appropriation over the past year. Last month, DeFazio met with Lane officials attending a summit of the Association of Community College Trustees and American Association of Community College in Washington D.C. See the photo at <http://www.lanecc.edu/mpr/success/index.htm> Submitted by the editor.

## ROWLETT TO LEAD OREGON COLLEGE ACCESS NETWORK

Brett Rowlett, director of governmental and community relations at Lane, has been elected president-elect of the Oregon College Access Network (OrCAN). Brett will serve on the organization's executive committee from 2009-10 and as president from 2010-11. OrCAN exists to increase the number of Oregonians accessing education and training beyond high school by connecting access professionals and organizations that work with individuals. OrCAN serve as the statewide hub for access and retention data and information; shares knowledge and resources with network members; provides professional development; and educates key leaders and policy makers. For more information contact Brett Rowlett at [rowlettb@lanecc.edu](mailto:rowlettb@lanecc.edu) or visit <http://www.OregonCAN.org>

## PTK TEXTBOOK PICK UP AND 30TH AVENUE CLEAN UP

Lane's Sigma Zeta chapter of the Phi Theta Kappa honor society will be picking up textbooks for our winter Better World Books drive on Friday, March 20, from 9 a.m. until noon. If you or your department has textbooks to donate, please have them accessible. If you would like to donate textbooks at another time, please contact the chapter at 463-3238 or the advisor at 463-5682.

Sigma Zeta will be cleaning 30th Avenue from I-5 to Spring Blvd. on Saturday, May 16. Your participation would be greatly appreciated. We will meet in Parking Lot N at 9 a.m. and pick up trash until the section of the highway is cleaned. At our last cleanup, we collected 35 bags of trash. Afterwards, we will meet in the Business Department for a potluck. If you have questions, please contact the chapter at ext. 3238 or the advisor at 463-5682. For more information contact Velda Arnaud, Chapter Advisor.

#### IT SYSTEMS MAINTENANCE NOTICE

Down services: GroupWise WebAccess services will be down Sunday, March 22. Access to your mail from a browser will be down around one hour in the afternoon as a system upgrade will be taking place. GroupWise WebAccess services will be restored as soon as the work is completed. Thank you for your patience as we strive to add capacity, upgrade software and secure servers. Submitted by Ardene Toney.

#### CTE FACULTY INTERNSHIP OPPORTUNITIES AVAILABLE

Perkins grant funds are available for paid faculty internships March 22-August 15 for faculty to work at business sites related to their teaching discipline. The purpose of these funds is to strengthen the career and technical skills of students participating in career and technical programs by helping instructors stay current with all aspects of an industry and develop a higher level of industry knowledge and skills. Internships are paid at the curriculum development rate and are to be with local employers within commuting distance of the college. Applicants are responsible for making internship arrangements. For Perkins Internship Guidelines an application, e-mail Carol Woodman or call 463-5509.

The Lane Community College Fourth Annual High School Art Show opens March 30. A reception will be held on Thursday, April 2, from 5:30 to 7:00 p.m. in the gallery. Contact: Jennifer Salzman, 463-5864.

#### CAREER PATHWAY FOCUSES ON AGING

People experience normal changes in cognitive functioning as they age. Some older persons, as well as younger persons, experience pathological changes in cognitive functioning often associated with growing older. "HS 235: The Aging Mind: Understanding and Adapting to Change," will address common myths and fears related to cognitive aging, provide current information about the capability of the brain to continue to learn and remember, identify coping skills for successfully adapting to both normal and pathological changes in cognition, and build skills for developing successful helping relationships with older persons. Instructional practices will include guest speakers, media presentations, role plays, case studies, reading assignments, and lectures. The class begins April 2. For more information call 463-5252. Submitted by Barbara Susman.

#### ARE YOU A GREENPOWER CUSTOMER? VOTE FOR LANE

We are getting the vote out! Lane's grant application for solar charging stations has been reviewed and selected to be put on the greenpower grant funding ballot to be included in EWEB greenpower customer bills. The Winner announced at EWEB Earth Day celebration Saturday, April 18. LCC's project will create a learning example of a solar-powered electric vehicle charging station for students and the community to use and study. This project includes a platform with 75-80 kW of grid inter-tied solar electric panels and 36 electric vehicle charging stations on the main campus. The panels also will create a covered parking area. This project leverages about 1 percent of funds from Lane's recently passed bond (\$700,000) to be used with the EWEB grant to create this sustainable transportation infrastructure and solar technology research station. For more information about our grant application go to [www.eweb.org](http://www.eweb.org). The EWEB greenpower grant evaluation team selected five applications to be put to a vote by EWEB greenpower customers. Ballots will be mailed this month and are due back to EWEB (or postmarked) by Friday, April 3. Vote for Lane! Submitted by Anna E. Scott, energy analyst, 463-5805.

#### PEACE CENTER PRESENTS DOCUMENTARY FILMMAKER RICK ROWLEY

The Lane Peace Center, with co-sponsors ASLCC and the UO Multicultural Center, presents award-winning documentary filmmaker Rick Rowley and his "Beyond the Walls" film tour in two presentations on Thursday, April 2. Rowley's films include: This Is What Democracy Looks Like; The Fourth World War; Winter Soldier (2008), The Jena 6 (2008).

The first presentation will be at main campus from 1-3 p.m. (location to be announced) and the second will be at the UO that evening (location and time to be announced).

The program features discussion and three short films. The films are titled: Beyond the Wall; Re-awakening Saddam's Tribal Strategy; and The Detention Imperative.

We hope everyone will find a way to attend. We are particularly hoping that faculty with classes in the afternoon on April 2 will bring their classes to the event. For all faculty, we hope you will announce the event to your classes. This is a rare opportunity for students, lane staff, and the Eugene community to see and discuss the work of a world class documentary maker on the subject of the war in Iraq that impacts us all. If you have questions contact Stan Taylor, Chair of the Lane Peace Center, at [taylor@lanecc.edu](mailto:taylor@lanecc.edu) or 463-5820.

#### YEARNING FOR SPRINGTIME?

Gail Baker, assistant instructor of biology at Lane, will point you to the Native Landscape Project on main campus for encouragement. The project includes red flowering current bushes surrounding the science and math building that are breaking bud now, Baker says. "Sprays of red flowers will soon appear and attract hummingbirds." Later in the year, the meadow west of the building will show camas, flowering mock orange, showy milkweed, and lupine.

Until then, the flowers can be enjoyed through Baker's photo essay published on page 31 of the March 2009 bulletin of the Native Plant Society of Oregon. The bulletin can be downloaded from <http://www.npsoregon.org/publications.html>

Students and the public can learn more at two upcoming events sponsored by the local Emerald Chapter of the NPSO. Baker will present on the history of the Native Landscape Project and current onsite research on Monday, April 13, at 7:30 p.m. in the EWEB Training Room at 500 East 4th Avenue in Eugene. A subsequent tour and restoration work party will be held at the science building meadow on Lane main campus on Saturday, April 18, from 9 a.m. to noon. Volunteers should bring their own lunch, dress for wet weather, and bring gloves and tools if possible.

For more information, call Baker at 463-5085 or visit her web page at <http://teach.lanecc.edu/bakerg> Submitted by the editor.

#### SAVE THE DATE FOR THE FACULTY AND STAFF FOCUS GROUPS ON THE NEW STUDENT WEB PORTAL

The design phase of the new student web portal at Lane has begun. We need input from students, faculty, and staff about the portal look and content. Faculty and staff focus groups will be on April 14, 15, and 16 from 3:30 to 5 p.m. (location to be determined). The student portal is part of the Title III - Engaging Student project objectives to improve communication with students and will allow people easy access to all of Lane's current online resources such as ExpressLane and Moodle. Your participation in the focus groups will be greatly appreciated. If you have any questions, please email Carol McKiel, Title III - Engaging Students project coordinator, [mckielc@lanecc.edu](mailto:mckielc@lanecc.edu)

#### DO YOU HAVE A COURSE FOCUSED ON SUSTAINABILITY?

The Sustainability and Learning Committee would like to showcase our interdisciplinary sustainability courses to students. Please contact Susie Cousar at [cousars@lanecc.edu](mailto:cousars@lanecc.edu) for instructions on what you can do to ensure that your course is approved and showcased as a sustainability focused course.

## PEACE CENTER PRESENTS DOCUMENTARY FILMMAKER RICK ROWLEY

The Lane Peace Center and co-sponsors ASLCC and the UO Multicultural Center, present award-winning documentary filmmaker Rick Rowley and his "Beyond the Walls" film tour in two presentations on Thursday, April 2. Rowley's films include: "This Is What Democracy Looks Like," "The Fourth World War," "Winter Soldier" (2008), "The Jena 6" (2008). The first presentation will be at main campus from 1-3 p.m. in building 17, room 309. The second will be at First United Methodist Church, 1376 Olive St., Eugene, from 7-9 p.m. The program features discussion and three short films. The films are titled: "Beyond the Wall," "Re-awakening Saddam's Tribal Strategy," and "The Detention Imperative." We hope everyone will find a way to attend. We are particularly hoping that faculty with classes in the afternoon on April 2 will bring their students to the event. For all faculty, we hope you will announce the event to your classes. This is a rare opportunity for students, Lane staff, and the Eugene community to see and discuss the work of a world-class documentary maker on the subject of the war in Iraq that impacts us all. If you have questions contact Stan Taylor, Chair of the Lane Peace Center, at [taylor@lanecc.edu](mailto:taylor@lanecc.edu) or 5820.

## GO OREGON DEFERRED MAINTENANCE UPDATE

Facilities Management and Planning staff continue to work almost exclusively on deferred maintenance Go Oregon stimulus funded projects. Nine engineering and architectural firms were hired to design various project scopes for permitting and coordination purposes. These designs will be completed for initial bidding on April 3. Many contractors and suppliers submitted templates with information to become

qualified to participate during the bidding process. Bids on all work will be acquired April 6-10. All contracts are scheduled to be awarded April 13-24. A fenced projects staging area will be set up in parking lot N during spring break. Project work has started and will pick up steam in April and May. Contact: Dave Willis, 5566.

#### HEALTH & WELLNESS BUILDING UPDATE

Architects have completed the design development stage and are at the LEED silver standard (Leadership in Energy and Environmental Design). Designers and college facilities staff are looking at ways to reach LEED gold. The next cost estimate will be available in two weeks. The project is on schedule for a June 15 groundbreaking. Once the construction phase of the project begins, there will be equipment and trucks traveling on Eldon Schafer Drive through Parking Lot N, and on the north access road next to the athletic fields. Contact: Todd Smith, 5132.

#### BOND UPDATE

The first group of bond architectural projects consists of Florence Center improvements, Performance Hall improvements, Business building remodel, and the Downtown Center. A Project User Group (PUG) has been formed for the Florence Center project and PUGs are being formed for the remaining projects. The design team selection process for these projects will commence shortly. Contact: Bob Mention, 5747.

#### FACILITIES UPDATE

Facilities Management and Planning staff are extremely busy for the next two months. If your department has an approved grant with facilities related scope, please write a work request and include the following information: 1) Description of the work with building and area; 2) Amount of the grant; 3) Time schedule for the work and the grant funding expiration date; 4) Contact person. Please refer to this web page for more facilities related information: <http://www.lanecc.edu/facilities/policyproced.html> Contact: Dave Willis, 5566.

#### CALL FOR DISTINGUISHED ALUMNI NOMINATIONS

This is your opportunity to bring attention to your wonderful programs and the outstanding students who have been part an important part them. Please nominate special alumni from your program today! Further information and applications go online at <http://lanecc.edu/foundation/distalumni.htm>. Applications are due by Tuesday, April 14 by 5 p.m. Contact: Michele Erickson, 5804.

#### STUDENT WEB PORTAL FOCUS GROUPS

We need input from students, faculty and staff about the student web portal look and content. Faculty and staff focus groups will be April 14, 15, and 16 from 3:30 to 5 p.m. (location TBA). The student portal is part of the Title III - Engaging Student project objectives to improve communication with students and will allow people easy access to all of Lane's current online resources such as ExpressLane and Moodle. Your participation in the focus groups will be greatly appreciated. If you have any questions, e-mail Carol McKiel, Title III - Engaging Students project coordinator, [mckielc@lanecc.edu](mailto:mckielc@lanecc.edu)

#### STUDENT SERVICE ASSOCIATE JOB OPENINGS

Please announce to students that the Counseling Department is recruiting students to apply for SSA positions for the 2009/10 academic year. For job description and application procedures, go to <http://www.lanecc.edu/ces/SSA.htm>  
SSAs serve as mentors to their peers, providing information and support with ExpressLane, scholarships, career resources, employment opportunities and more. SSAs develop great leadership skills while helping others. The application deadline is Friday, April 24 at 5 p.m. Questions can be directed to Christina Salter, 5813, or Tammy Simpson, 5296.

#### EWEB GREENPOWER CUSTOMERS,REMEMBER TO VOTE

The EWEB greenpower grant evaluation team selected five applications, including Lane's, for vote by EWEB greenpower customers. Ballots are due back to EWEB (or postmarked) by Friday, April 3. Lane's project would create a solar-powered electric vehicle charging station for students and the community to use and study. This project includes a platform with 75-80 kW of grid inter-tied solar electric panels and 36 electric vehicle charging stations on main campus. The panels also will create a covered parking area. This project leverages about 1 percent of funds from the bond (\$700,000) to be used with the EWEB grant to create this sustainable transportation infrastructure and solar technology research station. For more information about our grant application go to [www.eweb.org](http://www.eweb.org) Vote for Lane! Contact: Anna E. Scott, energy analyst, 5805.

#### CTE FACULTY INTERNSHIP OPPORTUNITIES AVAILABLE

RENT A ROWER. Is it time for Spring Cleaning? Need some extra hands to tackle a project? Well, here's your answer! Help support the Oregon Association of Rowers Junior Crew program. Rent a Rower during the weekend of April 4th & 5th. Rowers would be happy to help with: gardening, cleaning, moving that grungy old sofa, washing windows, painting your fence, planting a new shrub to hide your neighbors old truck or anything you can throw at us that we haven't thought of. Donation \$10 per Rower-Hour. Proceeds help support a wonderful team program for local youth grades 8-12. Please contact [rentarower@oarjcrew.org](mailto:rentarower@oarjcrew.org) for more information and times available.``

ATTENTION PIZZA LOVERS: For \$10 you can get 30 coupons (\$550 in savings) good at any Round Table Pizza in Roseburg or Springfield through 11/30/09. Plus if you dine in or take out (except for lunch specials) you get a free order of garlic parmesan twists, cinnamon twists, or chicken wings each time you use a coupon. This fundraiser is sponsored by "Pirate Demons on 2 Wheels Social Club" - a group for motorcycle enthusiasts. Please contact Kirsia at [whedonk@lanecc.edu](mailto:whedonk@lanecc.edu) or 463-5534.``

COMMUNITY LEAGUE SOFTBALL: Lane has an established co-ed community league softball team which plays on Sundays through the spring and summer. The season lasts from about May 15 to September 15, just over 16 weeks. Game start times are 10 a.m., 12 p.m., 2 p.m., and 4 p.m. Depending on the number of players, the per player fees range from \$30-\$40 for the entire season. If you've played for any other city league team, you know what a deal this is. The Terrific Titans are looking for some new players. If you are interested, can commit to at least 75 percent of the games, and have previous softball experience, call Donna at 5301 or 726-9510, for more information.``

LANE WEEKLY is the employee newsletter of Lane Community College. Ads are considered a job benefit and may be submitted only by employees. Ads will be published twice. The Weekly is available to the vision-impaired through Disability Services at (541) 463-5150. For more information see <http://www.lanecc.edu/cops/newsletter.htm> Lane Community College is an equal opportunity/affirmative action institution. Issue date: March 24, 2009.

## FACULTY AWARDS GO TO SUSAN REDDOOR, KATIE SWETT, AND TIM BLOOD

Winter Term Faculty Recognition Awards have been presented to three outstanding instructors. See photos at: <http://www.lanecc.edu/mpr/success/index.htm>

\* SUSAN REDDOOR received her award in a surprise visit on March 13 to her College Reading Skills class. She teaches academic learning skills at Lane. Comments from the nominations included:

"Until I attended Susan's class, I hated to read. At the age of 46, I was not able to tell you of even a book I had read in my entire life. During one of our literary circles, Susan challenged me to be the artful adventurer, and due to her challenge, I wrote a poem that is being entered into the spring competition here at LCC, and the annual competition with poetry.com where I am a finalist. I thank Susan for her great attitude and encouragement."

"She is just wonderful and I feel that if more teachers were like her then kids at any age would enjoy school a whole lot more."

Susan holds bachelor of arts in English and a master of arts in education from the University of California at Riverside.

\* KATIE SWETT, nursing instructor, received her award at a March 16 department staff meeting. Her nominators wrote:

“Katie has worked diligently this year as our first-ever nursing department simulation coordinator to advance the complexity and realistic nature of the nursing student’s simulation experience.”

“She is bursting with creative ideas! She developed an innovative lab schedule for students, which allows for smaller clinical groups that require more individualized instruction from first-year instructors. She has worked with second-year faculty teams to encourage the development of strategies that allow faculty to work smarter, not harder with our transition to the Oregon Consortium of Nursing Education’s statewide curriculum.”

“Katie encourages faculty to think outside the box. Sometimes so outside the box that we actually lose sight of the box and all of its preconceived restrictions!”

Katie is a registered nurse. She has taught at Lane since 1993. She has a bachelor of science from the University of Iowa and a master of science in nursing from OHSU.

\* TIM BLOOD received his award on March 18 in the Counseling lobby. Tim provides counseling and advising for arts division majors and he teaches Human Relations at Work. Here’s what students wrote:

“I am 47 years old and just started classes this fall. I wasn’t sure I could do this--go back to school--since it has been years since I had done any schoolwork. My confidence was low. I had Tim as my teacher in Human Relations and if it wasn’t for Tim and his class I would have given up.”

“ Tim is very caring of his students and turned my whole outlook around.”

“I am doing very well in all my classes and it’s all thanks to Tim Blood. He helped me through the rough days. Thank you Tim.”

Tim has been at Lane since 1974. He has a bachelor of science in psychology from Albion College and a master of science in Counseling from the University of Oregon.

Faculty Recognition Awards are conferred each term based on nominations from students, staff, faculty and alumni. For more information contact FRA Chair Larry Scott at [scottl@lanecc.edu](mailto:scottl@lanecc.edu) or 463-5458.

ANNOUNCEMENTS

#### TITAN LOGO LAUNCHED

On November 29, 1965, the students of Lane Community College voted for the Titan gods of mythology to become Lane’s mascot. The Titans’ powerful impact on mythology, along with their links to contemporary academic disciplines, were among the reasons the Titans were chosen as Lane’s mascot. After 45 years, the college has chosen a visual representation of the Lane Titans. See it online at:

<http://www.lanecc.edu/mpr/grastan.htm>

Throughout a process that began in late 2008, students, faculty and staff identified characteristics and visual preferences from which dozens of concepts were developed and refined. A preference survey attracted 3,162 responses. Comments were carefully reviewed and resulted in several modifications to our new mascot.

We hope our new mascot will inspire a sense of pride, be the source of new traditions and serve as a reminder of our affiliation with Lane.

The Titan Mascot Team thanks you for your participation: Rodger Bates, Barbara Delansky, Greg Sheley, Tracy Simms, Jennifer Steele, and David Van Der Haeghen.

GET YOUR GROUP BUS PASS PHOTO ID TAKEN TODAY

Students or staff taking a credit class on main campus are eligible for the LCC bus pass good for the entire term. Photos for bus pass ID cards will be taken today in building 19, room 117, from 8 a.m.-4 p.m. Stickers will be available beginning April 7 at the bookstore return window or the Downtown Center. For more information about the bus pass see <http://www.lanecc.edu/facilities/transportation/lccbuspass.html> and for more transportation options see <http://www.ltd.org>. Contact: Susan Tatar, 5727.

#### CML PARKING LOT RESERVED TOMORROW

Parking Lot D will be reserved all day on April 1. Please plan ahead and make arrangements to park in another lot. Thank you for your cooperation! Contact: Carolyn Wood, Event Coordinator, Center for Meeting and Learning, 3511.

#### SEE THE FACES OF AMERICA

"Faces Of America" produced by Will and Company, a multicultural theater company from Hollywood, California, will perform at Lane on Wednesday, April 8, at the Performance Hall, building 6, at 7 p.m. Doors open at 6 p.m. There will be a multicultural Shakespeare workshop earlier in the day as part of the company's desire to expose a different kind of Shakespeare to people, taught by Collin Cox, the producer of the show. The one women show depicts eight characters of different cultural backgrounds who expose their souls on stage, their experiences of living in America, and their individual struggles. It is mind blowing and inspiring! All are invited and it's free, or if you could afford a donation of \$5 that would be great too. All donations go to the Student Productions Association and ASLCC to help recoup the cost of the show and fund SPA productions. Contact Liza Rosa at [rosal@lanecc.edu](mailto:rosal@lanecc.edu) or [lrosadiaz@gmail.com](mailto:lrosadiaz@gmail.com) or 463-5332.

#### PRIME, PERFECT AND SIERPINSKI NUMBERS

"Prime, Perfect and Sierpinski Numbers" will be presented Thursday, April 9, at 3 p.m. in CML 220, with math faculty member, Phil Moore. He will discuss 2,300 years of history of the search for large prime numbers, from the era of classical Greece to the computer age, including the discovery at LCC last year of the record largest known probable prime number, and the subsequent discovery of the two most recent probable prime records. View a flyer at <http://www.lanecc.edu/fpd/scheduledcolloquia.html> and learn more about the Academic Colloquia program at <http://www.lanecc.edu/fpd/colloquia.html>. Presentation with reception sponsored by Faculty Professional Development. Contact FPD Coordinator, Adrienne Mitchell at 463-5871 or [mitchella@lanecc.edu](mailto:mitchella@lanecc.edu)

#### STAFF LOCKER ROOM FEE

A \$15 PE fee is due Friday, April 10. Please make sure that if you are using the staff locker room this term, that you have signed up for a class that has a \$15 PE fee (or you may choose to pay the optional \$15 PE fee, if not signed up for a class). Remember that the Optional PE Fee can now be assessed to your account electronically (CRN 43452). All staff who have not signed up for a class (or paid the fee) by Friday, April 10, will be cleared from the staff locker room. If you are no longer using your locker, please return all of the items that you checked out. Call Risa (5557) or Mike (5554) with any questions.

#### OREGON INSTITUTE FOR LEADERSHIP DEVELOPMENT

The American Association of Women in Community Colleges (AAWCC) is seeking applicants for a scholarship to the Oregon Institute for Leadership Development. The Institute will be held at Silver Falls Conference Center June 22-25, and it focuses on leadership development and connects women with community college administrators

and executives from across the state. This is a wonderful opportunity for women who are looking to enhance their leadership skills. Please contact Donna Zmolek, 463-5301 or [zmolekd@lanecc.edu](mailto:zmolekd@lanecc.edu) for an application form. Applications must be received by April 13.

#### LOCATIONS SCHEDULED FOR STUDENT WEB PORTAL FOCUS GROUPS

We need input from students, faculty and staff about the student web portal look and content. Faculty and staff focus groups will be Tuesday, April 14, 3:30 to 5 p.m. in the boardroom and Wednesday and Thursday, April 15 and 16 from 3:30 to 5 p.m. in 2/209. The student portal is part of the Title III - Engaging Student project objectives to improve communication with students and will allow people easy access to all of Lane's current online resources such as ExpressLane and Moodle. Your participation in the focus groups will be greatly appreciated. If you have any questions, e-mail Carol McKiel, Title III - Engaging Students project coordinator, [mckielc@lanecc.edu](mailto:mckielc@lanecc.edu)

#### CALL FOR DISTINGUISHED ALUMNI NOMINATIONS

This is your opportunity to bring attention to your wonderful programs and the outstanding students who have been part an important part them. Each year the Lane Community College Foundation recognizes and honors four alumni who have demonstrated achievement in their chosen profession, service to the community, or outstanding contribution to the college. Please nominate special alumni from your program today! Further information and applications go online at <http://lanecc.edu/foundation/distalumni.htm>. Applications are due by Tuesday, April 14 by 5 p.m. Contact: Michele Erickson, 5804.

#### ADA COMPLIANCE FORUM

The spring term 2009 ADA/504 Compliance Forum will be held on Monday, May 4 from 1-3 p.m., in building 16 room 211. This is a great opportunity to share your ideas and learn more about accessibility issues at Lane. Drop by to join the committee as we work through a flexible agenda. Or, you can specifically add a topic to the agenda by contacting Nancy Hart at 463-3010; [hartn@lanecc.edu](mailto:hartn@lanecc.edu) If you need accommodations to participate in this meeting or would like more information, contact Disability Resources at 463-5150.

#### SAVE THE DATE FOR LANE'S DAY OF CARING

This year, Lane's Day of Caring is scheduled for Saturday, May 30, from 9 a.m. to noon, when Lane employees will "work the land" as a service project at the Grass Roots Community Garden on Coburg Rd. This garden raises organic food to help Food for Lane County supply nourishing vegetables to those in need right here in our community. To sign up please call Ashley Ordway at X5768 in the Foundation, or e-mail Bonnie Phipps at [phippsb@lanecc.edu](mailto:phippsb@lanecc.edu)

#### I CAN, ONE CAN FOOD DRIVE

Thank you everyone who has donated food so far this year. More than 1000 pounds has gone to Food For Lane County for food boxes and meal sites. Tell your friends. Donate one can of non-perishable food a month to Lane's ongoing food drive. For some people getting a food box makes a difference in being able to buy needed medication or to pay a heating bill. Many food box recipients are working however still unable to meet basic needs. Look for a box near you or call for a location, 463-5395 or 912-2228. Submitted by Beverly Farfan, [farfanb@lanecc.edu](mailto:farfanb@lanecc.edu)

#### STUDENT SERVICE ASSOCIATE JOB OPENINGS

Please announce to students that the Counseling Department is recruiting students to apply for SSA positions for the 2009/10 academic year. For job description and application procedures, go to <http://www.lanecc.edu/ces/SSA.htm> SSAs serve as mentors to their peers, providing information and support with ExpressLane, scholarships, career resources, employment opportunities and more. SSAs develop great leadership skills while helping others. The application deadline is Friday, April 24 at 5 p.m. Questions can be directed to Christina Salter, 5813, or Tammy Simpson, 5296.

#### EWEB GREENPOWER CUSTOMERS,REMEMBER TO VOTE

The EWEB greenpower grant evaluation team selected five applications, including Lane's, for vote by EWEB greenpower customers. Ballots are due back to EWEB (or postmarked) by Friday, April 3. Lane's project would create a solar-powered electric vehicle charging station for students and the community to use and study. This project includes a platform with 75-80 kW of grid inter-tied solar electric panels and 36 electric vehicle charging stations on main campus. The panels also will create a covered parking area. This project leverages about 1 percent of funds from the bond (\$700,000) to be used with the EWEB grant to create this sustainable transportation infrastructure and solar technology research station. COMMUNITY LEAGUE SOFTBALL: Lane has an established co-ed community league softball team which plays on Sundays through the spring and summer. The season lasts from about May 15 to September 15, just over 16 weeks. Game start times are 10 am, 12 pm, 2 pm, and 4 pm. Depending on the number of players, the per player fees range from \$30-\$40 for the entire season. If you've played for any other city league team, you know what a deal this is. The Terrific Titans are looking for some new players. If you are interested, can commit to at least 75% of the games, and have previous softball experience, call Donna at x5301 or 726-9510, for more information.

## SCHOLARS RECEIVE OCCA AWARD

Lane students Andrea Russell and Jeremy Soriano have been named 2009 Oregon Community College Association Student Scholars. They will join students from Oregon's other community colleges for an awards ceremony with the governor and a luncheon program on Wednesday, April 15, in Salem.

Soriano, 20, is one of three students who will speak at the luncheon. He is a biology major and avid surfer. He plans to complete a degree in secondary education biology at the University of Oregon. Russell, 31, is an Air Force veteran and mother of three. She is

a math major and also plans to transfer to the UO for a degree in secondary education math. See full story and photo at: <http://www.lanecc.edu/mpr/news/rel01109.htm>

#### FORMER LANE STUDENT SETS JAVELIN RECORDS

Former Lane student and athlete Cyrus Hostetler threw the javelin 272 feet 10 inches on Saturday at the Pepsi Team Invitational at the University of Oregon, setting a meet, school and Pac-10 Conference record. It was the fourth-best college throw ever, said the Oregonian (see

[http://www.oregonlive.com/trackandfield/index.ssf/2009/04/uo\\_junior\\_terrific\\_in\\_javelin.html](http://www.oregonlive.com/trackandfield/index.ssf/2009/04/uo_junior_terrific_in_javelin.html) ). In an earlier story, the Oregonian said, "Hostetler credits the Lane coaches for improving his explosiveness and athleticism." See that story at:

[http://www.oregonlive.com/trackandfield/index.ssf/2009/04/hostetler\\_lets\\_it\\_fly\\_and\\_oth.html](http://www.oregonlive.com/trackandfield/index.ssf/2009/04/hostetler_lets_it_fly_and_oth.html) While at Lane, Hostetler won the 2008 NWAACC javelin title with a conference and school record throw of 241-0, which also qualified him for last summer's Olympic Trials. Submitted by the editor.

#### ESL AWARDED \$1,000 GRANT FOR COTTAGE GROVE SERVICES

Lane's English as a Second Language Department has received a \$1,000 grant from the Cottage Grove Community Foundation. The grant to ESL's fund in the Lane Community College Foundation will pay for caregivers to watch the children while their parents are in the classroom next door. The classes are held at Bohemia Elementary. Cathy Lindsley, ESL dean; Susan Kanich, ESL instructor, and Michele Erickson, Lane Foundation, accepted the check at a reception hosted by the Cottage Grove Community Foundation on March 17. Out of 23 applicants, 15 received funding in amounts from \$500 to \$1,000 to help take care of wide variety of community needs. Lane's grant is funded by the Cottage Grove Community Foundation Permanent Fund and a donation by Betty Wright. ESL has several funds in Lane Foundation including the ESL Scholarship (Account 5000) to help ESL students pay class fees and books and ESL General (Account 5760) to pay for childcare and other program needs. For more information, see:

## ANNOUNCEMENTS

---

### CAPS AND GOWNS FOR FACULTY AND STAFF MEMBERS

The Bookstore is now taking orders for caps and gowns for faculty and staff members. Call or e-mail Vicki Colley at 463-5772 or [colleyv@lanecc.edu](mailto:colleyv@lanecc.edu) with the following information: name, height, cap size, degree or discipline, school that granted the degree, city and state where the school is located. The deadline for placing orders is Friday, April 10. Graduation is Saturday, June 13.

### STAFF LOCKER ROOM FEE

A \$15 PE fee is due Friday, April 10. If you are using the staff locker room this term, make sure you have signed up for a class that has a \$15 PE fee (or you may choose to pay the optional \$15 PE fee, if not signed up for a class). The Optional PE Fee can now be assessed to your account electronically (CRN 43452). All staff who have not signed up for a class (or paid the fee) by Friday, April 10, will be cleared from the staff locker room. If you are no longer using your locker, please return all of the items that you checked out. Call Risa (5557) or Mike (5554) with any questions.

### DENALI DEADLINE

Denali Magazine, Lane's literary arts magazine, is accepting submissions for the spring 2009 issue until Friday, April 10 at 5 p.m. Submit poetry, prose, short stories, photography, paintings, drawings and fine and graphic art. For more information see [www.lanecc.edu/denali](http://www.lanecc.edu/denali)

### DOWN SERVICES NOTICE

Stored files on all network drives and GroupWise e-mail services will be down Sunday, April 12, starting at 8 a.m. Please shut down your workstations before you go home on Friday. These two services will be restored as soon as the work is completed. This will NOT affect Banner, ExpressLane, Lane Events Calendar, ODS, Discoverer, network printing, and web Class Schedule. The outage is necessary as we have a hardware failure that HP will be on-site to troubleshoot. Thank you for your patience. Submitted by Ardene Toney.

### REGISTER NOW FOR AAWCC LEADERSHIP INSTITUTE

Lane's chapter of the American Association of Women in Community Colleges is seeking applicants for a scholarship to the Oregon Institute for Leadership Development to be held at Silver Falls Conference Center June 22-25. The institute focuses on leadership development and connects women with community college administrators and executives from across the state. This is a wonderful opportunity for women who are looking to enhance their leadership skills. Please contact Donna Zmolek, 463-5301 or [zmolekd@lanecc.edu](mailto:zmolekd@lanecc.edu) for an application form. Applications must be received by April 13.

### MATH SKILLS FAIR ADDS UP TO FUN, OPPORTUNITIES FOR HIGH SCHOOL STUDENTS

The Annual Math Skills Fair will be held Wednesday, April 15. The fair attracts about 150 students from 10 to 15 high schools around the county. The half-day fair begins at 9 a.m. in building 17, room 309. Events include Solve that Problem, a written quiz, and a relay on Bristow Square. The top scoring teams receive ribbons. The top scoring individuals on the geometry through calculus quizzes will be invited to the 29th Annual Oregon Invitational Mathematics Tournament, to be held Saturday, May 9 at the University of

Oregon. Lane's Mathematics Division hosts this fair annually to promote the joy of studying mathematics and to offer local high school students the opportunity to qualify for the state math contest. "This is a fun day for everyone involved," says fair director and math instructor Steve Selph. "We really enjoy working with the local high school teachers and students, and it's a great opportunity for us to promote Lane's math and science programs as well." For more information, contact Steve at [selphs@lanecc.edu](mailto:selphs@lanecc.edu) or 463-5127.

#### AFFORDABLE, ACCESSIBLE ENTERTAINMENT

Music, Dance and Theatre Arts is pleased to offer affordable, accessible entertainment for the entire family this spring.

\* Now playing: "Arcadia," Thursdays through Saturdays through April 18, at 8 p.m.; and at 2 p.m. on April 12; Blue Door Theatre. This complex and entertaining play by Tom Stoppard is about love, sex and chaos theory.

\* Coming soon: 343, free mini-performances by Lane and community musicians, every Wednesday at 3:43 p.m. beginning April 15, in building 6, room TBA. You don't have to be a music student to participate. Call to register to perform, or drop in and see the excitement! Contact: John Watson, [watsonj@lanecc.edu](mailto:watsonj@lanecc.edu) or 463-5161.

#### NEEDED: YOUR IDEAS TO IMPROVE COMMUNICATION WITH STUDENTS ON THE STUDENT WEB PORTAL

Faculty and staff focus groups on the student portal will be on April 14, 3:30 to 5 p.m. in the boardroom, and April 15, and 16 from 3:30 to 5 p.m. in building2, room 209. The student portal is part of the Title III - Engaging Student project objectives to improve communication with students and will allow people easy access to all of Lane's current online resources such as ExpressLane and Moodle. Your participation in the focus groups will be greatly appreciated. If you have any questions, please email Carol McKiel, Title III - Engaging Students project coordinator, [mckielc@lanecc.edu](mailto:mckielc@lanecc.edu)

#### DISTINGUISHED ALUMNI NOMINATIONS DUE SOON

This is your opportunity to bring attention to your wonderful programs and the outstanding students who have been part an important part them. Each year the Lane Community College Foundation recognizes and honors four alumni who have demonstrated achievement in their chosen profession, service to the community, or outstanding contribution to the college. Please nominate special alumni from your program today! Further information and applications go online at <http://lanecc.edu/foundation/distalumni.htm>. Applications are due by Tuesday, April 14 by 5 p.m. Contact: Michele Erickson, 5804.

#### SET YOUR EMOTIONS FREE

Lane's chapter of the American Association of Women in Community Colleges and Life Wellness offer a brown bag presentation on Emotional Freedom Technique (EFT) on Wednesday, April 15, from 12-1 p.m. in building 19, room 260. Would you like to increase your sense of self-worth? Reduce or eliminate stress and anxiety? Calm out of control emotions? Improve and possibly resolve physical issues releasing the emotional charge around past events and trauma? Resolve workplace issues, fears and stress? Release self-defeating and often unconscious blocks to prosperity, health, success and potential for yourself and your employees? Join Ava B. Stoecker, EFT specialist and hypnotherapist, for this empowering class. Reserve your spot by calling Layne King at 463-5263 or e-mail [kinglm@lanecc.edu](mailto:kinglm@lanecc.edu) ASAP. If you have questions on EFT, e-mail the

presenter at [EFTHealingTouch@comcast.net](mailto:EFTHealingTouch@comcast.net) or visit her website at [www.EFTHealingTouch.com](http://www.EFTHealingTouch.com)

#### CAREER FAIR 2009: A YEAR OF CHANGE AND HOPE

The Career Fair is scheduled for Wednesday, April 22, from 10 a.m. to 2 p.m. in the Center for Meeting and Learning. This annual event is sponsored by Career and Employment Services. For a list of attending employers please visit [www.lanecc.edu/ces](http://www.lanecc.edu/ces) and click on the Career Fair 2009 link. For more information contact Lori Kramer at 463-5859 or [kramerl@lanecc.edu](mailto:kramerl@lanecc.edu)

#### STUDENT SERVICE ASSOCIATE JOB OPENINGS

The Counseling Department is recruiting students to apply for SSA positions for next year. For job description and application procedures, go to <http://www.lanecc.edu/ces/SSA.htm>

SSAs serve as mentors to their peers, providing information and support with ExpressLane, scholarships, career resources, employment opportunities and more. SSAs develop great leadership skills while helping others. The application deadline is Friday, April 24 at 5 p.m. Questions can be directed to Christina Salter, 5813, or Tammy Simpson, 5296.

#### BUILDING A VETERAN-FRIENDLY CAMPUS

More than 46,000 veterans have returned from the recent wars and are eligible for GI education benefits. Many of them will start or return to college. Join us Wednesday, April 29, from 10-11:30 a.m. in the boardroom, building 3, to join in a webcast exploring how we can make our campuses more veteran-friendly. This event is free to Lane faculty, staff and managers. Sponsored by Professional & Organizational Development. Submitted by Jennifer Cook.

#### GRADUATION KEYNOTE SPEAKER CONTEST

Each year a graduate is selected to give the keynote speech at the main commencement ceremony. The speaker is chosen by a panel of three to four judges during a contest. This year the contest will be held on May 8 from 3-5 p.m. The winner gets a \$100 stipend. For criteria or for more information please contact Tina Lymath at 463-5336. The deadline to enter is Friday May 1. Please pass this wonderful experience on to a student who will be graduating this year, this is an exciting opportunity for them to cap off their college experiences at Lane.

#### ADA COMPLIANCE FORUM

The spring term 2009 ADA/504 Compliance Forum will be held on Monday, May 4 from 1-3 p.m., in building 16, room 211. This is a great opportunity to share your ideas and learn more about accessibility issues at Lane. Drop by to join the committee as we work through a flexible agenda. Or, you can specifically add a topic to the agenda by contacting Nancy Hart at 463-3010; [hartn@lanecc.edu](mailto:hartn@lanecc.edu) If you need accommodations to participate in this meeting or would like more information, contact Disability Resources at 463-5150.

#### SAVE THE DATE FOR LANE'S DAY OF CARING

This year, Lane's Day of Caring is scheduled for Saturday, May 30, from 9 a.m. to noon, when Lane employees will "work the land" as a service project at the Grass Roots Community Garden on Coburg Rd. This garden raises organic food to help Food for Lane County supply nourishing vegetables to those in need right here in our community.

To sign up please call Ashley Ordway at 463-5768 in the Foundation, or e-mail Bonnie Phipps at [phippsb@lanecc.edu](mailto:phippsb@lanecc.edu)

#### CTE FACULTY INTERNSHIP OPPORTUNITIES AVAILABLE

Perkins funds are available for paid faculty internships through August 15 for faculty to work at business sites related to their teaching discipline. The purpose of these funds is to strengthen the career and technical skills of students participating in career and technical programs by helping instructors stay current with all aspects of an industry and develop a higher level of industry knowledge and skills. Internships are paid at the curriculum development rate and are to be with local employers within commuting distance of the college. Applicants are responsible for making internship arrangements. For Perkins Internship Guidelines and application, e-mail Carol Woodman or call 463-5509.

#### STUDENT ORIENTATION AND REGISTRATION (SOAR) 2009

Please mark your calendars for SOAR 2009. Sessions will be held between Monday, August 24 and Wednesday, September 2, on main campus. This is a great opportunity to share materials and information with new Lane students before fall term, and to put our best foot forward as a new academic year begins. Last year's SOAR saw a record number of students, and this year we anticipate even more. If your department or program is interested in providing materials for distribution or tabling during the sessions, please contact David Van Der Haeghen, Student Recruitment and Outreach Coordinator, at 463-5688 or [vanderhaeghend@lanecc.edu](mailto:vanderhaeghend@lanecc.edu)

#### WHAT DOES CPDT DO?

The Classified Professional Development Team supports and encourages life-long learning for classified staff in areas of personal and professional growth that align with the mission, vision, and core values of the college. CPDT provides assistance and recognition to classified staff through the following programs:

- Individual Personal & Professional Development Reimbursement Funds
- Employee Recognition Programs
- Conferences & Workshops

For more information about programs offered by the Classified Professional Development Team, visit the CPDT website at <http://www.lanecc.edu/cpdt>

#### FACULTY REMINDERS FROM DISABILITY RESOURCES

Because mail services cannot guarantee delivery of intercampus mail by a particular date, please do not send red Disability Resources Test Accommodation envelopes through intercampus mail. Doing so could render Disability Resources unable to provide test accommodations in a timely manner.

DR-provided chairs and tables are accommodations placed in specific rooms for specific students. These chairs and tables are not to be removed by students, faculty or any employee except the responsible Facilities Management staff. Students who have furniture accommodations must request the furniture each term, so that DR knows where the furniture is needed. There is a great deal of effort by Facilities Management and Disability Resources to get the appropriate furniture to the requesting students in a timely manner. So, if an adjustable table, ergonomic or padded chair appears in your classroom, do not remove it, and please don't move it within the classroom. Students who have furniture accommodations have a Letter of Accommodation (LOA) which identifies them as the student who is to use the chair/table. If there are more students with LOAs identifying them as needing furniture accommodations than there are chairs

in the room, have the students come to DR and speak with Cathie. If you have questions, contact Cathie Reschke at 463-5079, or Disability Services at 463-5150.

## IN MEMORY: KAROL ANN ROURKE

From Sharmean Heffernan: It is with great sadness that I share with you the sudden passing of our beloved colleague Karol Ann Rourke. Karol worked for Specialized Support Services for 28 years where she made a significant impact on the program, the staff, and the individuals she supported. Karol was always an insightful voice, who brought both deep compassion and high expectation to everything she did. Without exception, Karol saw the good in everything, and in everyone. She was a beautiful person, who touched the lives of all of us who were fortunate enough to have known her. We feel her loss deeply.

A rosary service will be held at 6:30 p.m. on Tuesday, April 14, at Musgrove Family Mortuary at 1152 Olive Street, Eugene. Karol's funeral mass will be held on 12:15 p.m. on Wednesday, April 15, at St. Mary Catholic Church at 1062 Charnelton, Eugene. Remembrance may be made to ARC of Lane County. Our deepest condolences go out to her husband Ron and family during this difficult time.

#### DEFERRED MAINTENANCE, GO OREGON STIMULUS UPDATE

All design packages were completed on schedule and delivered to Lane on Monday, April 6. Pre-bid meetings were held with all contractors on all of the projects. Approximately 55 contractors participated in the pre-bid meetings with another 10 to 15 contractors contacted to bid on smaller portions of the work. It is our intent to spread out the work, create as many jobs as possible as quickly as possible while meeting our extremely aggressive schedule constraints. Bids are due Wednesday, April 15. All projects will be awarded as quickly as possible. Hands-on construction work will begin on all projects in April. In addition to all this work, Facilities, Management and Planning staff continue to work extremely long hours to directly hire 50-plus deferred maintenance project employees. Materials are now beginning to be ordered. It appears that some of the lead times may be a challenge since many suppliers have very lean inventories. Once contractors and employees are hired, parking challenges will become even more pronounced. FMP staff is working to come up with alternatives for the parking challenges. The Deferred Maintenance Leadership Team will review the budgets and project costs once all the bids are turned in. Submitted by David L. Willis, 463-5566.

#### SUSTAINABILITY IN LANE'S GO OREGON PROJECTS: UTILITY METERING

Many of the projects that Lane is doing as part of the Go Oregon! economic recovery program will improve the sustainability of college operations. One such project is the installation of building-level electricity, water and natural gas submeters around campus. This submetering will help Facilities Management and Planning to better target and track energy and water conservation efforts. The submetering also will contribute to student learning in Lane's Energy Management and Water Conservation programs. Submitted by Anna Scott, 463-5805.

#### PARKING LIMITED ON MAIN CAMPUS

The Go Oregon! deferred maintenance projects, Health & Wellness building construction, bond project work, and special events, will make parking more challenging in the coming months. On April 16, parking lots C and D west of the Center for Meeting and Learning are reserved for a Training and Community Resource Expo sponsored by Lane and the Workforce Network. Facilities is working on alternative parking areas for fall term to replace parking being used by contractors. Staff and students are encouraged to access the Lane Transit District website at <http://www.ltd.org/cs/csindex.html> for alternative transportation options such as bus passes, carpooling and park-n-ride locations. Another option is to take a credit class with the transportation fee (currently \$22) on main campus and get a bus pass good for the entire term. Contact: Susan Tatar, 463-5727.

#### HEALTH & WELLNESS BUILDING UPDATE

Facilities and IT staff have reviewed the latest drawings and provided input related to maintenance and operations. Architects are now developing construction documents and will prepare an updated cost estimate. The design currently meets U.S. Green Building Council Leadership in Energy and Environmental Design (LEED) silver standard and is two to three points from LEED gold standard. The general contractor is scheduled

to mobilize and begin demolition of the tennis courts June 15. A contractor staging area will be established in the parking lots west of the tennis courts so there will be less parking in lot A for the next 12-15 months beginning in June. Contact Todd Smith, 463-5132.

#### LONGHOUSE UPDATE

The exterior windows, siding and roof are complete. Bids for limited site work are due on April 14 and lighting package bids are due on April 16. Brian McMurray, project coordinator, and facilities electricians are working out a schedule for coordinating electrical, mechanical and HVAC work. Contact: Brian McMurray, 463-5829.

#### BOND PROJECT UPDATE

- The Request for Proposal for architectural services in connection with the remodel of building 2 and the Performance Hall elevator has gone out to architects. A pre-proposal conference held on April 7 was attended by representatives from 23 firms, far more than was expected. Proposals are due April 20.

- A roster of architectural firms is being developed to speed up the architectural selection process for projects whose design fees are less than \$100,000. When finalized, Facilities, Management and Planning can choose qualified firms from the roster to submit proposals for specific projects. The roster is scheduled to be formed by mid-April.

- A preliminary list of instructional space needs is being developed for the Downtown Center.

Submitted by Bob Mention, 463-5747.

#### ANNOUNCEMENTS

---

#### CML PARKING NOTICES

Parking Lots C and D are reserved on Thursday, April 16, until 11 a.m.

Parking Lot C also is reserved on Wednesday, April 22, until 2 p.m.

Please plan ahead and make arrangements to park in another lot at these times. Thank you for your cooperation. Center for Meeting and Learning Staff.

#### CAREER FAIR 2009

"A Year of Change and Hope" is scheduled for Wednesday, April 22 from 10 a.m. to 2 p.m. in the Center for Meeting and Learning. Career and Employment Services sponsors this annual event. For a list of attending employers please visit [www.lanecc.edu/ces](http://www.lanecc.edu/ces) and click on the Career Fair 2009 link. For more information contact Lori Kramer at 463-5859 or [kramerl@lanecc.edu](mailto:kramerl@lanecc.edu)

#### DRIVE BY ART COMES TO CAMPUS

Drive By Press, the kings of DIY printmaking, have traveled more than 100,000 miles spreading ink and their style of guerilla art making at events across America, printing wearable art from the back of their van and educating everyone about historical and contemporary print arts. Don't miss a unique opportunity to see them on Monday and Tuesday, April 27-28, from 9 a.m.-5 p.m. in the east side of the cafeteria by building 11 (Art and Applied Design). A public lecture will be held Tuesday, April 28, from 3-5 p.m. in the Blue Door Theatre, titled the History of Drive By Press and Contemporary Trends in

Printmaking. For more information contact Susan Lowdermilk in Art and Applied Design at 463-5413 or visit the web at [go drivebypress.org](http://go.drivebypress.org)

#### SPRING INSPIRATIONS

Spring Inspirations is a series of one-act plays written and directed by Lane Theatre Arts students. The plays include:

Checking Carefully by Anne Kern

Robbie & Ellin by Jeffrey Thomas

Closet Paranoia by Stephanie Morgan

Use Me Up by Sarah Wollin

Love & Loathing In A Basement by N.M. Glenn

Repenting Time by Jenna Clinkscales

Harry Pothead by Donny Ebel

A Dark Night by Anita Marie

Performance dates are April 30, May 1,2,7,8 and 9. Curtain is at 8 p.m. each night, Blue Door Theater, Performance Hall, Building 6. Tickets: Sliding Scale \$3-\$10 at the door only! Contact: John Watson.

#### BUILDING A VETERAN-FRIENDLY CAMPUS

More than 46,000 veterans have returned from the recent wars and are eligible for GI education benefits. Many of them will start or return to college. Join us Wednesday, April 29, from 10-11:30 a.m. in the boardroom, building 3, to join in a webcast exploring how we can make our campuses more veteran-friendly. This event is free to Lane faculty, staff and managers. Sponsored by Professional & Organizational Development. Submitted by Jennifer Cook.

#### GRADUATION KEYNOTE SPEAKER CONTEST

Each year a graduate is selected to give the keynote speech at the main commencement ceremony. The speaker is chosen by a panel of three to four judges during a contest. This year the contest will be held on May 8 from 3-5 p.m. The winner gets a \$100 stipend. For criteria or for more information please contact Tina Lymath at 463-5336. The deadline to enter is Friday May 1. Please pass this wonderful experience on to a student who will be graduating this year, this is an exciting opportunity for them to cap off their college experiences at Lane.`

#### ADA COMPLIANCE FORUM

The spring term 2009 ADA/504 Compliance Forum will be held on Monday, May 4 from 1-3 p.m., in building 16, room 211. This is a great opportunity to share your ideas and learn more about accessibility issues at Lane. Drop by to join the committee as we work through a flexible agenda. Or, you can specifically add a topic to the agenda by contacting Nancy Hart at 463-3010; [hartn@lanecc.edu](mailto:hartn@lanecc.edu) If you need accommodations to participate in this meeting or would like more information, contact Disability Resources at 463-5150.`

#### SAVE THE DATE FOR LANE'S DAY OF CARING

This year, Lane's Day of Caring is scheduled for Saturday, May 30, from 9 a.m. to noon, when Lane employees will "work the land" as a service project at the Grass Roots Community Garden on Coburg Rd. This garden raises organic food to help Food for Lane County supply nourishing vegetables to those in need right here in our community. To sign up please call Ashley Ordway at 463-5768 in the Foundation, or e-mail Bonnie Phipps at [phippsb@lanecc.edu](mailto:phippsb@lanecc.edu)

#### JOIN LANE'S EFFORTS IN THE FIGHT AGAINST CANCER

Unfortunately, cancer has probably touched all of us either through a family member, friend or co-worker. Lane will participate in this year's American Cancer Society Relay for Life which will be held at the Lane track on July 24 and 25. There are many ways you can join us in the fight against cancer. You join the team walkers or help with our fundraising efforts. You can donate items for our garage sale that will be in June. All money raised will go to the American Cancer Society. We welcome all staff, students, families, and friends to join in our efforts. At this time we have our team "Lane Community College". If you are interested or have questions contact Beverly Farfan at 463-5395, [farfanb@lanecc.edu](mailto:farfanb@lanecc.edu) or Sue Thompson at 463-5735, [thompsons@lanecc.edu](mailto:thompsons@lanecc.edu).

#### BLOOMS BROUGHT TO YOU BY PTK

If you have noticed bulbs blooming at the campus entrances, those were planted by your Sigma Zeta chapter of Phi Theta Kappa. For the last two springs, students have planted bulbs to beautify the area. Enjoy them! Submitted by Velda Arnaud, Chapter Advisor.

#### MUSIC, DANCE AND THEATRE ARTS WEBSITE UPDATED

Now it is easier to find current information on plays, concerts and classes on the updated Music, Dance and Theatre Arts web pages. A list of performances for the current term is at [www.lanecc.edu/perarts/schedule.htm](http://www.lanecc.edu/perarts/schedule.htm) as well as links to the Online Box Office. Contact: John Watson, [watsonj@lanecc.edu](mailto:watsonj@lanecc.edu) or 463-5161.

#### I CAN, ONE CAN FOOD DRIVE CONTINUES TO GROW

Boxes are now available in Childcare Connection and the cafeteria. In March, 157 pounds of food was collected. Each can or other non-perishable food item makes a difference. More people are requesting food boxes each month. As the need increases the amount each person and family receives decreases. You can help by giving one can of food a month. Look for the I Can, One Can food collection box in your office or contact Beverly Farfan 463-5395, [farfanb@lanecc.edu](mailto:farfanb@lanecc.edu) Thank you to all who have contributed to this community effort.

#### SAVE ENERGY, TURN OFF LIGHTS

You can help the college save money, save electricity, and reduce carbon emissions by turning off lights when you don't need them. If you have a window in your office, turn off your lights and let the sun light your office. Use the blinds or window coverings to adjust the amount of sunlight. Turn off lights when you leave a classroom, office or break room. Thanks for contributing to sustainability at Lane. Submitted by Anna Scott, 463-5805.

#### INVITATION TO APPLY FOR CROSS PAPERS FELLOWSHIP

The League for Innovation invites proposals for The Cross Papers Fellowship 2009-2010, which will support the writing of The Cross Papers, Number 13, and the presentation on the monograph at the League's Innovations 2010 conference. For details visit the League's web site: <http://www.league.org/crosspapersfellow/index.cfm>. Submitted by Tamara Pinkas, League Rep, 463-5011.

ACCLAIMED WRITER BARRY LOPEZ TO MAKE BENEFIT APPEARANCE ON BEHALF OF MCKENZIE RIVER TRUST: Barry Lopez, acclaimed writer and longtime McKenzie River valley resident, will read and reflect on his lifelong study of the natural world and human culture at 7:30 p.m., Friday, May 8, at the Hult Center's Soreng Theater in Eugene. "Nature and Community on the McKenzie River -- An Evening with Barry Lopez" will be a special benefit event to celebrate the 20th anniversary of the McKenzie River Trust. Major sponsors of the event are CDI Vaults and the Eugene Water & Electric Board. In his nonfiction, Lopez often writes about the relationship between the physical landscape and human culture. In his fiction, he frequently addresses issues of intimacy, ethics and identity. He is the author of Arctic Dreams, for which he received the National Book Award; Of Wolves and Men, a National Book Award finalist for which he received the John Burroughs and Christopher medals; and eight works of fiction, including Light Action in the Caribbean, Field Notes and Resistance. His essays are collected in two books, Crossing Open Ground and About This Life. In 2008, Lopez received the C.E.S. Wood Distinguished Writer Award at the 22nd Annual Oregon Book Awards "in recognition of an enduring, substantial literary career." Previous winners have included Ken Kesey and Ursula Le Guin. Lopez's most recent book is Home Ground: Language for an American Landscape, a dictionary of regional landscape terms, which he edited with Debra Gwartney. Tickets for "Nature and Community on the McKenzie River -- An Evening with Barry Lopez" are available in person at the Hult Center box office, by phone at (541) 682-5000 or online at [www.hultcenter.org](http://www.hultcenter.org). The McKenzie River Trust, a nonprofit land trust, protects critical habitat and scenic lands in the McKenzie basin, the Siuslaw, Long Tom, Coast and Middle Forks of the Willamette, and Umpqua watersheds. Over its 20-year history, the Trust has worked with landowners and diverse partnerships to provide permanent protection for more than 2,530 acres of special lands in Lane and Douglas Counties. ## LANE RECEIVES EWEB GREENPOWER GRANT

Lane Community College has won a \$100,000 grant from the Eugene Water and Electric Board to build a solar-powered electric vehicle charging station for students and the community. The grant was announced at EWEB's Earth Day celebration on Saturday. The project was selected by a vote of the utility's greenpower customers from among

five local renewable energy and education projects. The grant will be combined with other funds, including some from Lane's bond, to construct a grid of solar panels on main campus to power 36 outlets to recharge plug-in electric or hybrid vehicles. The project will create opportunities for students to learn how to install, repair and service the new solar array and vehicle charging station, will lower the community's carbon footprint, will generate renewable energy, and will help the community learn more about the emerging technology of plug-in vehicles.

Thanks to Anna E. Scott, Roger Ebbage, Mara Fields, Jennifer Hayward, Bob Mention, Aaron Shonk, and David Willis for helping to refine this idea and write the grant and the voter information. Consider joining Lane staff at the EWEB board meeting at 7:30 p.m. on Tuesday, April 21, to show appreciation for the grant, and support for the greenpower program. Contact: Anna E. Scott, Energy Analyst, [scottae@lanecc.edu](mailto:scottae@lanecc.edu) or 463-5805.

#### CHAMBERS COMMUNICATIONS NAMED EMPLOYER OF THE YEAR

Mentoring 56 media arts students over the past two decades and hiring 41 of them helped Chambers Communications of Eugene win the 2009 Cooperative Education Employer of the Year Award from Lane Community College.

Chambers operates three ABC affiliates, including KEZI 9 in Eugene, and Chambers Productions, a film and video production company. Lane students have interned as grips, production assistants, videographers, writers, directors, and many other positions, through Lane's Cooperative Education program. Co-op integrates job experience with classroom studies for 2,000 students and 800 employers a year, making Lane's program one of the largest in the nation.

"Chambers offers students a top-rated co-op experience," says Teresa Hughes, media arts instructor and multimedia design program co-op coordinator at Lane. "Chambers photography director, Leonard Henderson, has supervised our students for more than 25 years. He takes the time not only to build knowledge and skills, but also to build confidence. Students are job-ready when they complete their internships."

"Leonard has given back to these students, as we all should, to thank those who have mentored us. We are very proud of the connections he has made with so many students," said Scott Chambers, president of Chambers Communications.

The award will be presented at the annual Advisory Committee Gala on Tuesday, April 28, beginning at 5 p.m., with the presentation about 7 p.m., in the Center for Meeting and Learning. Submitted by the editor.

#### BOND UPDATE: ARCHITECTURAL FIRMS AND USER GROUPS

The process for selecting architectural firms for the first group of projects is moving forward. The deadline for submitting proposals for the Business building and Performance Hall remodels was Monday, April 20. Architectural firms for the Florence Center and the Performance Hall seat replacement projects are scheduled to be on the job by the end of this week.

The Project User Group for the Business building and Performance Hall remodels has been established and a subgroup (architectural selection committee) will start its work this week.

The Project User Group for the Performance Hall seat replacement project has been formed and will start work shortly.

The Project User Group for the Florence Center project has been formed and has met several times. They will be scheduled to meet with the architect as soon as possible after the architect is under contract. Contact: Bob Mention, 463-5747.

#### LONGHOUSE UPDATE

A contract for lighting is being prepared and request for quotes for installation of HVAC ductwork and grills will go out today. Facilities electricians are ordering materials for electrical installations. Contact: Brian McMurray, 463-5829.

THANK YOU TO OUR LANE FAMILY

My son Colin and I want to express our sincere thanks for the overwhelming kindness, gifts, flowers and prayers we've received following our tragic loss. We'll never be able to personally thank all of you but will try our best. Special thanks go to our wonderful friends in the Specialized Support Services and Information Technology departments. We're truly blessed to have all of you kind and caring people in our lives. - Ron Rourke, IT

JOURNALIST REESE ERLICH TO COMMENT ON OBAMA FOREIGN POLICY

The Lane Peace Center, in co-sponsorship with Speakers and Performers Clearinghouse, the Associated Students of Lane Community College, and Community Alliance of Lane County, bring veteran journalist Reese Erlich to Lane Community College and Eugene on Thursday and Saturday, April 23 and 25. With 40 years of first-hand reporting from the Middle East and Cuba, Erlich is well qualified to analyze the impact of President Obama's foreign policy in both areas of the world. Erlich is the author of "The Iran Agenda: The Real Story of U.S. Policy and the Middle East Crisis" and co-author of the best-selling "Target Iraq: What the News Media Didn't Tell You." He reports regularly for National Public Radio, Latino USA, Radio Deutsche Welle, Australian Broadcasting Corp. Radio, and Canadian Broadcasting Corp. Radio. He also writes for the San Francisco Chronicle, St. Petersburg Times, and Dallas Morning News. His newest book, "Dateline Havana," explores the historic U.S. domination of Cuba and the power of the Cuba lobby. Erlich offers trenchant observations about Cuba's political and economic system 50 years after its historic revolution. He will analyze the prospects for change in both U.S. and Cuban policy under the new administrations of Barak Obama and Raul Castro. The schedule:

\* Thursday, April 23, 1 p.m., Building 17, Room 309

\* Thursday, April 23, 7 p.m., Harris Hall, 8th & Oak

\* Saturday, April 25, 2:30 p.m., UO Erb Memorial Union River Room

For more information contact Stan Taylor, [taylor@lanecc.edu](mailto:taylor@lanecc.edu) or 463-5820.

STORYCORPS COMES TO EUGENE; SIGN UP APRIL 23

KLCC will host StoryCorps during its three-week stay in Eugene from May 7 to on June 1 as it tours the U.S. to capture stories of everyday Americans. StoryCorps is an independent nonprofit project in partnership with National Public Radio and the American Folklife Center (AFC) at the Library of Congress to document the everyday history and the unique stories of Americans. KLCC will air a selection of the local stories and create special programs around the project. Some segments may also air nationally on NPR's Morning Edition. The StoryCorps MobileBooth, an Airstream trailer outfitted with a recording studio, will be parked at Kesey Plaza at Broadway and Willamette in downtown Eugene. The booth will be open Mondays, Wednesdays, Fridays from 10 a.m. to 7 p.m., and Saturdays and Sundays from 9 a.m. to 7 p.m. StoryCorps plans to collect approximately 120 interviews while here. Interviews are conducted between two people

who know and care about each other. A trained facilitator guides the participants through the interview process and handles the technical aspects of the recording. At the end of a 40-minute session, the participants walk away with a CD of their interview. With their permission, a second copy becomes part of an archive at the American Folklife Center at the Library of Congress for future generations to hear. To make an interview reservation, participants must call 800-850-4406 or visit [www.klcc.org](http://www.klcc.org) at 10 a.m. on April 23 and May 8. All StoryCorps interviews are arranged by appointment on a first-come first-served basis. Half of the available appointments will be reserved on the first sign-up day, and half on the second sign-up day. Each interview slot is one hour. Contact: Gayle Chisholm.

#### INTERESTED IN EEO/AA AND DIVERSITY IN HIRING PRACTICES?

Professional and Organizational Development is sponsoring a webcast exploring these very issues, open to managers, faculty and staff. "The Legal Requirements of Equal Employment Opportunity, Affirmative Action and Diversity" will be held Thursday, April 23, at 11 a.m. in the boardroom, building 3. Presenter is Julia Fuentes, director of operations, Affirmative Action Solutions, Peopleclick, Inc. You will learn which laws are enforced by each agency and when they pertain to your organization. Recent court cases demonstrating the cost a company may incur if it does not abide by these equal employment laws will be shared. Learn which laws are enforced by the Equal Employment Opportunity Commission (EEOC) as well as the Office of Federal Contract Compliance Programs (OFCCP) and which apply to you. Hear about some recent court cases involving employment discrimination and the cost for non-compliance. Along with these specifics, we will cover an overview of diversity initiatives and how they can benefit your organization and help you keep compliant with EEOC and OFCCP regulations. Learn about: Title VII of the Civil Rights Act, American with Disability Act Amendments Act, Age Discrimination in Employment Act, Equal Pay Act, Executive Order 11246, Rehabilitation Act, VEVRAA (Vietnam Era Veterans Readjustment Assistance Act), and Diversity initiatives. Submitted by Jennifer Cook.

#### BLOODMOBILE ON CAMPUS

Lane Memorial Blood Bank Bloodmobile will be on main campus east of the Center Building from 9 a.m. to 3 p.m. on Monday and Tuesday, April 27 and 28. To schedule an appointment or inquire about donating, contact Judy Ann Fuller, 463-5564, or e-mail [fullerj@lanecc.edu](mailto:fullerj@lanecc.edu)

#### DAY OF CARING

Lane employees are invited to attend this year's Day of Caring on Saturday, May 30, from 9 a.m. to noon. It will be fun and a service to the hungry in our community. Held at the Grassroots Community Gardens on Coburg Rd., we will work in the garden to raise organic vegetables for Food for Lane County. To view pictures of last year's event and to get an idea of what we will be doing, follow this link:

<http://picasaweb.google.com/cathy.lindsley/DayOfCaring2008?authkey=Gv1sRgCMSx5-rHrv603qE&feat=email>. To sign up or if you have any questions contact me (co-op student in the Foundation) at [ashley.ordway@yahoo.com](mailto:ashley.ordway@yahoo.com) or call 463-5768. Hope to see you there!

#### I CAN, ONE CAN FOOD DRIVE

A reminder: there are less than 10 days left for you to bring your food for the month of April. Thank you everyone who has donated food so far this month. More than 1000 pounds has gone to Food For Lane County for food boxes and meal sites. Tell your friends. Donate one can of non-perishable food a month to Lane's ongoing food drive. For some people getting a food box makes a difference in being able to buy needed medication or to pay a heating bill. Many food box recipients are the working however still unable to meet basic needs. Look for a box near you or call for a location, 463-5395 or 912-2228. Subsequent deadlines for the 2009-2010 academic year are as follows: Fall term: Packets to Printing/Graphics by August 14; First-day materials due September 11.

Winter term: Packets to Printing/Graphics by November 13; First-day materials due December 4.

Spring term: Packets to Printing/Graphics by February 12; First-day materials due March 19.

Observing these deadlines assures timely production of your materials by the print shop and processing by the Bookstore. Questions? Contact Tom Johnson, 463-5373.

#### JOIN LANE'S EFFORTS IN THE FIGHT AGAINST CANCER

Unfortunately, cancer has probably touched all of us either through a family member, friend, or co-worker. Lane will participate in this year's American Cancer Society Relay for Life which will be held at the Lane track on July 24 and 25. There are many ways you can help us in the fight against cancer. You can join the team of walkers or help with our fundraising efforts. You can donate items for our Garage Sale which will be in June. All money raised will go to the American Cancer Society. We welcome all staff, students, families, and friends to join in our efforts. At this time we have our team "Lane Community College". If you are interested or have questions contact Beverly Farfan at 463-5395, [farfanb@lanecc.edu](mailto:farfanb@lanecc.edu) or Sue Thompson at 463-5735, [thompsons@lanecc.edu](mailto:thompsons@lanecc.edu)

#### RECRUITING SENIOR COMPANIONS

The federal Senior Companion Program provides a tax-free hourly stipend to low-income adults age 60 or older who provide one-on-one outreach to frail elderly and disabled adults for 15 or more hours per week. Companions serve through senior organizations in Lane County, which are responsible for all client selection. Pre-training and ongoing support is provided. Sponsored locally by Lane Community College. To get involved, call Diana Gatchell at 463-4630 or visit <http://www.lanecc.edu/scp/about.htm>

#### LANE AND KLCC WIN TWO FIRSTS IN READERS' CHOICE AWARDS

#### CTE FACULTY INTERNSHIP OPPORTUNITIES AVAILABLE

Perkins grant funds are available for paid faculty internships through August 15 for faculty to work at business sites related to their teaching discipline. The purpose of these funds is to strengthen the career and technical skills of students participating in career and technical programs by helping instructors stay current with all aspects of an industry and develop a higher level of industry knowledge and skills. Internships are paid at the curriculum development rate and are to be with local employers within commuting distance of the college. Applicants are responsible for making internship arrangements. For Perkins Internship Guidelines an application, e-mail Carol Woodman or call 463-5509.

#### STUDENT ORIENTATION AND REGISTRATION (SOAR) 2009

Mark your calendars for SOAR 2009. Sessions will be held between Monday, Aug. 24 and Wednesday, Sept. 2 on main campus. This is a great opportunity to share materials and information with new Lane students before Fall Term, and to put our best foot forward as a new academic year begins. Last year's SOAR saw a record number of students, and this year we anticipate even more. If your department or program is interested in providing materials for distribution or tabling during the sessions, please contact David Van Der Haeghen, Student Recruitment and Outreach Coordinator, at 463-5688 or [vanderhaeghend@lanecc.edu](mailto:vanderhaeghend@lanecc.edu)

**ACCLAIMED WRITER BARRY LOPEZ TO MAKE BENEFIT APPEARANCE ON BEHALF OF MCKENZIE RIVER TRUST:** Barry Lopez, acclaimed writer and longtime McKenzie River valley resident, will read and reflect on his lifelong study of the natural world and human culture at 7:30 p.m., Friday, May 8, at the Hult Center's Soreng Theater in Eugene. "Nature and Community on the McKenzie River -- An Evening with Barry Lopez" will be a special benefit event to celebrate the 20th anniversary of the McKenzie River Trust. Major sponsors of the event are CDI Vaults and the Eugene Water & Electric Board. In his nonfiction, Lopez often writes about the relationship between the physical landscape and human culture. In his fiction, he frequently addresses issues of intimacy, ethics and identity. He is the author of Arctic Dreams, for which he received the National Book Award; Of Wolves and Men, a National Book Award finalist for which he received the John Burroughs and Christopher medals; and eight works of fiction, including Light Action in the Caribbean, Field Notes and Resistance. His essays are collected in two books, Crossing Open Ground and About This Life. In 2008, Lopez received the C.E.S. Wood Distinguished Writer Award at the 22nd Annual Oregon Book Awards "in recognition of an enduring, substantial literary career." Previous winners have included Ken Kesey and Ursula Le Guin. Lopez's most recent book is Home Ground: Language for an American Landscape, a dictionary of regional landscape terms, which he edited with Debra Gwartney. Tickets for "Nature and Community on the McKenzie River -- An Evening with Barry Lopez" are available in person at the Hult Center box office, by phone at (541) 682-5000 or online at [www.hultcenter.org](http://www.hultcenter.org). The McKenzie River Trust, a nonprofit land trust, protects critical habitat and scenic lands in the McKenzie basin, the Siuslaw, Long Tom, Coast and Middle Forks of the Willamette, and Umpqua watersheds. Over its 20-year history, the Trust has worked with landowners and diverse partnerships to provide permanent protection for more than 2,530 acres of special lands in Lane and Douglas Counties. ## LCC WINS \$100,000 ACE-WALMART GRANT FOR STUDENT VETERANS

Lane has won a \$100,000 grant from the American Council on Education (ACE) and the Wal-Mart Foundation for a Success for Veterans project. Lane is one of 20 institutions nationwide selected for the grants based on past success in serving and supporting students. More than 250 colleges and universities applied for the grants. Lane's project is called Lane Integration of Vets in Education (LIVE). The grant will allow Lane to increase services to student veterans including first-year experiences, learning communities, advising, supplemental instruction, and early intervention services. For more information contact Kate Barry, 463-5312.

## RECYCLEMANIA RESULTS: LANE REDUCES WASTE IN 2009

Lane ranked 13th among 148 colleges and universities participating in the Waste Minimization Category of Recyclemania in 2009 with cumulative waste per person of 16.69 pounds over a 10-week period ending on March 28, 2009. This is Lane's second year participating in RecycleMania. In 2008, Lane ranked fourth with cumulative waste per person of 26.6 pounds. Although Lane did not rank quite as high this year, the college reduced its per capita waste by 37 percent over last year and that is a huge

accomplishment. Thank you to all Lane staff and students who helped the college do so well in RecycleMania by reducing, reusing, and recycling! Mike Sims, 463-5569.

#### PHONATHON EXCEEDS GOAL

Lane student callers exceeded the Foundation's first Phonathon goal of \$10,000 by several hundred dollars. The 14 students made more than 3,000 calls to previous donors, retirees and some alums on Monday, Tuesday and Wednesday evenings to achieve their goal. (Some even called parents, aunts and grandparents for gifts!) This amount is for dollars actually pledged and does not include additional donations that we anticipate from those who asked for follow-up letters. Foundation intern, and CES employee, Stephanie Morelli was assisted by Foundation staff. Thanks to each of you who helped make this happen! Kathy Thomas, 463-5538.

#### DEFERRED MAINTENANCE UPDATE

A public quote opening for contractors was held Wednesday, April 15 on all of the deferred maintenance projects. The results will be posted on the deferred maintenance web site by Friday, May 1. Projects will be awarded to the apparent low bidders. Work is scheduled to begin on all projects this week. More than 25 new deferred maintenance trades employees start on April 27 and will begin working on projects right away. Construction notices and communications efforts will begin with more detail over the next week or so and pick up steam after contractors are on board and provide construction schedules. Comprehensive safety training for all deferred maintenance employees is being coordinated with Dawn Barth. Susan Tatar, Todd Smith, Lynn Atkins, Steve Kayl, Kevin Williams, Bob Mention, Brian McMurray, Jennifer Hayward, Anna Scott, Judy Ann fuller, Dave Willis, LynnMarie Chowdhury, Dennis Carr, Mary Glenn, Germaine Mock, and Lynn Schell are all working hard to support the April hiring constraints associated with the Go Oregon stimulus-funded deferred maintenance trades team hiring. We will have project specific information to share in future Lane Weekly updates. For more information please refer to the deferred maintenance web page at: [www.lanecc.edu/facilities/dm](http://www.lanecc.edu/facilities/dm) Submitted by Dave Willis.

#### BUILDING 4 RESTROOMS CLOSE TEMPORARILY

Essex Construction Co. began work Monday night, April 27, on the building 4 (Health) restrooms 142 and 144. The restrooms will not be back in service until about June 5. Restrooms 266 and 267 off the PE lobby on the second floor will be available. The renovations are part of the Go Oregon stimulus work. Contact: Facilities Management & Planning, 463-5216.

#### FACILITIES UPDATE

Summer major maintenance projects such as parking lot improvements; safety, emergency, and instructional related work orders; roof inspections and maintenance, landscaping improvements, and electrical distribution system maintenance and repairs; are all being planned. Some of this work may require scheduled short-term shut-downs. Any interruptions to utility services will be scheduled in advance. There are more than 800 open work orders in our queue. The work associated with these work orders will be prioritized and planned to take advantage of the summer season wherever possible. This promises to be a very busy summer for Facilities Management and Planning staff. Submitted by Dave Willis.

#### BOND UPDATE

David Amundson, a local architect, has been hired as a bond project coordinator and is scheduled to begin work April 28. He will start working on the Florence Center, Performance Hall seat replacement, and Center building classroom projects. Three candidates for the bond project manager position will be interviewed the week of April 27. Everyone is invited to meet and talk with the candidates at the forums, in 17/309 at 4 p.m. Remaining forums are 4 p.m. on April 28, and 11 a.m. on April 30.

Status of group 1 projects: The architect selection process for the Business building and Performance Hall remodel projects continues. The architects for the Performance Hall seat replacement and Florence projects will meet with the respective project user groups (PUGs) this week. The design of the Center building classroom is continuing. Submitted by Bob Mention, 5747.

#### NEW AEDS WILL HELP SAVE LIVES

As you should already know, AED's (automated external defibrillators) have been installed in several buildings on main campus and in some of outreach centers. Locations are: lobby of Building 1 (Student Services), hallway outside of fitness center in Building 5, outside of Health and PE office Building 5, in Building 6 theater lobby, in building 16 in the first floor hallway between the Math and Science offices, in the Center building near the North side food court exit, building 19 in the CML lobby, in the Child Care Complex, and at the Downtown Center, Florence and Cottage Grove campuses. These AED's are in addition to the mobile units being used by the Health Clinic and our Public Safety officers. Only people who are trained to use AEDs should use them. Dawn Barth is available to come to department meetings to conduct training if interested. Contact Dawn at 463-5503.

#### SWINE FLU INFORMATION

As the World Health Organization, the Centers for Disease Control, and local and national news have reported, there is an outbreak of swine flu. Public health officials in Oregon and Lane County are monitoring the situation and will continue to offer direction and advice. They are in communication with Lane's Health Clinic, and are keeping us updated.

Swine flu is a highly contagious respiratory disease characterized by high fever, cough, sneezing, sore throat, aching joints, nasal congestion and general fatigue. Individuals feel very ill. If you have such symptoms, especially if you have recently traveled to Mexico, you should see your doctor, but otherwise, you should try not to go out to avoid exposing others to your illness. Check the Health Clinic website, or call us at 463-5665 if you have questions, or feel that you need to be seen.

Being exposed to respiratory droplets from infected people spreads swine flu from person to person. Usually that happens when you are in the direct vicinity of an infected person who is sneezing and coughing. Touching something with flu virus on it and then touching their nose, mouth, or eyes can also infect people. To avoid getting or transmitting the swine flu, follow these standard precautionary practices:

\* Cover your nose and mouth with a tissue when you cough or sneeze. Throw the tissue in the trash after you use it.

\* Wash your hands often with soap and water, especially after you cough or sneeze. Alcohol-based hands cleaners are also effective.

\* Avoid touching your eyes, nose or mouth. Germs spread that way. For more information, go online at <http://cdc.gov/swineflu/> or <http://www.org.gov/DHS/news/2009-0424.pdf> Submitted by Nadine Wilkes, Health Clinic, 463-5665.

#### RETIREMENT NOTE

From Mary Glenn: I am retiring April 30, 2009, and will be working for awhile on a time sheet but wanted you to know that at my request we will not have a party. It is with a lot of mixed emotion that I retire because I am moving forward into retirement without Steve. Lane has been good to me when I look back. I have so many memories and am grateful for the friendships that I have made during my 32 plus years. Take care of yourselves, Mary. (PS - I like cards.)

#### SCHAFFER INNOVATION GRANT DEVELOPMENT AWARD COMPETITION

This year, the Schaffer Innovation Award program provides faculty and staff an incentive to develop and write a grant proposal for an innovative project in their department, which aligns with college priorities. Two applications will be selected for awards to individual grant developers or grant developer teams of \$1,000. Winners also have the opportunity to earn an additional \$1,500 for developing their Schaffer application into a grant proposal and submitting it to an appropriate grantor. See <http://www.lanec.edu/foundation/schaferawards.htm> for details. Deadline: May 21, 2009, at 11:59 p.m. Submitted by Aaron Shonk.

#### CAREER FAIR THANKS

Thank you very much to everyone who worked so hard to help make the 2009 Career Fair "A Year of Change and Hope" a success: Printing and Graphics staff, Pearla Aguilar, Vera Swing, Jeff Brady, Kari Stepp, Denna Sanders, Chuen-Hsien (Sunshine) Chao, Stephanie Morelli, Jackie Bryson, Tammy Simpson, Rodney Brown, The Torch, Center for Meeting and Learning staff, Lane Weekly, Tracy Simms, all the employers who took time to participate and to those who attended. Lori Kramer, Career & Employment Services.

#### HANDS-ON CAREER DAY THANKS

A big thank-you to all Lane faculty and staff who helped out with this year's Hands-On Career Day. Nearly 200 Lane County high school students visited campus on Friday, April 24 and attended a variety of career/technical program sessions, including Culinary, Diesel Tech, Aviation, Health Occupations and more! Thank you to: Joe McCully, Clive Wanstall, John DeNero, James Bailey, Teresa Hughes, Jean Bishop, Tricia Tully, Patrick Torelle, Lynn Songer, Marisa Hastie, Doug Weiss, Allen Laskey, Bruce Gustafson, Jon Bridges, Leonard Keen, Al Clark, Steve Webb and Egan Riordon. A gigantic thanks to Marilyn Akehurst and Pam McClelland from High School Connections for their organization and planning, as well as Laurie Swanson-Gribskov, Kip Vandenoever, Rae LaMarche and Shareen Vogel. The event was a huge success! Submitted by David Van Der Haeghen, Student Recruitment and Outreach Coordinator.

#### BONJOUR

Join French students, former French students, and French-speaking employees to practice French at 7:30 a.m. every Tuesday morning in the northeast corner of the cafeteria. "Un peu" is all you need. Contact: Fay D'Ambrosia.

#### PRINT SHOP ANNOUNCES DEADLINES FOR 2009-2010

The deadline for submitting summer term instructional packets to Printing/Graphics is June 1. Handouts needed for the first day of summer term classes should be submitted by June 12. Subsequent deadlines for the 2009-2010 academic year are as follows:  
Fall term: Packets to Printing/Graphics by August 14; First-day materials due September 11.

Winter term: Packets to Printing/Graphics by November 13; First-day materials due December 4.

Spring term: Packets to Printing/Graphics by February 12; First-day materials due March 19.

Observing these deadlines assures timely production of your materials by the print shop and processing by the Bookstore. Questions? Contact Tom Johnson, 463-5373.

#### DO YOU KNOW AN OUTSTANDING CLASSIFIED EMPLOYEE?

Nominate an outstanding classified employee for Employee of the Month to let them know their work is appreciated. EOM is an employee recognition program through CPDT. For more information please visit the website:

<http://www.lanecc.edu/cpdt/eom.html>

#### I CAN, ONE CAN FOOD DRIVE

A reminder: there are only 3 days left for you to bring your food for the month of April. So far we have collected 82 food items. Thank you everyone who has donated food so far this month. More than 1000 pounds has gone to Food For Lane County for food boxes and meal sites. Tell your friends. Donate one can of non-perishable food a month to Lane's ongoing food drive. For some people getting a food box makes a difference in being able to buy needed medication or to pay a heating bill. Many food box recipients are the working however still unable to meet basic needs. Look for a box near you or call for a location, 463-5395 or 912-2228. **COMING EVENTS**  
-----

#### FIRE EXTINGUISHER TRAINING

All staff are invited to attend a fire extinguisher training Thursday, April 30 at 2:30 p.m. Employees should not attempt to use the fire extinguishers on campus unless they have been properly trained to do so. Current Lane policy does not require any employee to use fire extinguishers. If you would like to receive this valuable, optional training, meet with us in the North side of lot N, near the baseball fields. For more information, contact Dawn Barth at 463-5503, or [barthd@lanecc.edu](mailto:barthd@lanecc.edu)

#### BOOKSTORE HOSTS BOOK SIGNING FOR STOP SMOKING AUTHOR

The Bookstore will host a book signing event on Wednesday, May 6 from 11 a.m. to 1 p.m. featuring author Deborah Simpson. Simpson is the author of "The Five-S Plan, Simpson's Stop Smoking Self-Reward System." Questions? Contact Peggy, 463-5676.

#### CAREER PROSPECTING SESSION ON WELDING

The Women's Center and Multicultural Center present a Career Prospecting workshop on career opportunities in Welding and Fabrication on Wednesday, May 6, from 3-4:30 p.m. in the Multicultural Center, building 1, room 201. The presentation will include a tour Lane's 15,000-square-foot welding facility. Panelists will share information about welding

and metal fabrication certification programs available at Lane describe what a day on the job looks like, typical pay rates, and job prospects in Lane County. For more information call the Women's Center at 463-5353.

#### JOIN LANE'S EFFORTS IN THE FIGHT AGAINST CANCER

First meeting Thursday, May 7 from 3-4:30 p.m. in building 19, room 231J.

Unfortunately, cancer has touched most of us either through a family member, friend or co-worker. Lane will participate in this year's American Cancer Society Relay for Life which will be held at the Lane track on July 24 and 25. There are many ways you can help us in the fight against cancer. You can join the team of walkers or help with our fundraising efforts. You can donate items for our garage sale which will be in June. All money raised will go to the American Cancer Society. We welcome all staff, students, families, and friends to join in our efforts. At this time we have our team "Lane Community College". If you are interested or have questions contact Beverly Farfan at 463-5395, [farfanb@lanecc.edu](mailto:farfanb@lanecc.edu) or Sue Thompson at 463-5735, [thompsons@lanecc.edu](mailto:thompsons@lanecc.edu)

#### MAKING WISE CHOICES AT MID-TERM

It's mid-term! Do your students know how they are doing? A best practice for student success suggests it is critical that students know where they stand in classes by mid-term, allowing them time to improve their performance in class. In an attempt to assist students, we sometimes suggest they drop or audit a class. This action may have significant consequences for students. Instead:

- \* Send students to one of the Tutor Centers for academic assistance
- \* Encourage students to work with you in your office hour
- \* Refer students to see their counselor or advisor
- \* Suggest your students participate in the Making Wise Choices Workshop. This workshop helps students understand how grading options affect their academic standing and eligibility for financial aid. Workshop dates:

\* May 11, 3-4 p.m. in 19/243

\* May 13, 12-1 p.m. in 1/222

Watch for an e-mail next week about the Making Wise Choices workshop from Christina Salter, chair of the SAGA Early Alert Subcommittee. Submitted by Mary Parthemer, Director, Title III and TRiO, [parthemerm@lanecc.edu](mailto:parthemerm@lanecc.edu)

#### JOYCE GALLERY OPENS THIRD EXHIBIT

The David Joyce Gallery, located on the second floor of the Center for Meeting and Learning, building 19, has just opened its third exhibit of the year entitled "Markets." Featuring four local female artists, "Markets" celebrates fruits of the earth, abundance, cultural flavors, and local communities. An artists' reception will be held Thursday, May 21 from 5-6:30 p.m. Twenty-five percent of a sold piece of art supports the scholarship fund for the Culinary Arts and Hospitality Management Program. The gallery honors beloved and respected local artist and LCC faculty member for 25 years, David Joyce, who passed away in 2003. Submitted by Julie Fether, Conference and Culinary Services, 463-3518.

#### DEFERRED MAINTENANCE UPDATE

Contractors and LCC deferred maintenance employees began work on all of the projects last week. All of the projects have been awarded to the respective low quote contractors. Quote results will be posted on the deferred maintenance web site the week of May 4 at: [www.lanecc.edu/facilities/dm](http://www.lanecc.edu/facilities/dm). On Saturday, May 2, several members of the state of Oregon legislature visited the campus to view the progress of the deferred maintenance projects. Extensive safety training for new deferred maintenance employees is being coordinated through Dawn Barth. A construction fence has been erected west of building

4 in preparation for the west side ADA ramp improvement projects. Construction remodels continue on the building 4 lower restrooms. Materials and supplies are being ordered. Since many suppliers are not currently stocking much inventory, the lead times on materials and supplies seem to be longer than anticipated. Construction drawings and specifications are being processed through the Lane County Planning department for building permits. Submitted by: David L. Willis, 463-5566.

#### FACILITIES MANAGEMENT & PLANNING UPDATE

Work continues on the highest priority safety, emergency, instructional space lighting and HVAC, and indoor air quality work requests. Summer project work is being planned to re-stripe up to 50 percent of the parking lot spaces for compact vehicle use only. The new compact parking spaces will be labeled and striped consistent with industry standards for compact parking spaces and compact vehicles. This will increase the density of the parking in our lots to allow for additional students in the fall of 2009. In addition, FMP staff are considering the development of additional overflow parking areas. Extensive crack-seal, seal-coating, asphalt overlayment, and re-straining will occur in some of the parking lots this summer. Submitted by David L. Willis, 463-5566.

#### BOND UPDATE

The firm of Affolter, West and Jones Architects has been chosen to design the Florence Center project. They have met with the Florence project user group (PUG) and are starting work. The firm of Gerald McDonnell & Associates has been chosen to design the Performance Hall seat replacement project and they have started working with the seat replacement PUG. The next meeting of seat replacement PUG is scheduled for May 7, 11:30 a.m. -12:30 p.m., in the Performance Hall theater. The architect for the building 2 and Performance Hall remodels has not been chosen yet. The selection committee is scheduled to arrive at a short list of firms to interview by May 8.

Two candidates for the bond project manager position, David Beardsley and Kate Dimon, have been interviewed, and four other candidates are scheduled for interviews. On Wednesday, May 6, Brad Black is scheduled to interview from 8-11:30 a.m. The three final candidates will be interviewed in the following weeks. Names and times will be given in the Weekly. Submitted by Bob Mention, 463-5747.

#### HEALTH & WELLNESS BUILDING UPDATE

Weekly project meetings with the Lease Crutcher Lewis, construction manager/general contractor, and SRG Partnership, Inc., architect, began Monday, May 4. Groundbreaking is scheduled for June 2 and construction on the site is scheduled to begin June 15. Contact Todd Smith, 463-5132.

#### SWINE FLU UPDATE

It's also called Influenza type A, H1N1. Every five minutes you hear a bulletin on it. All flu is spread through respiratory secretions (you cannot get swine flu from eating pork). If you or someone you know has a sudden onset of a respiratory illness (cough, sore throat, etc.) and a fever over 100, the first thing to do is stay home. Call the Lane County Health Department, our Health Clinic, or your primary care provider to arrange for an evaluation. If you are able, wear a mask to your appointment. If you don't have a mask, your clinic can provide you with one as soon as you arrive. Cover your coughs and sneezes, preferably with your elbow, and wash your hands thoroughly or use an alcohol-based hand sanitizer. A good website for updates is <http://www.cdc.gov/swineflu>. The Health Clinic website also has some pointers:

<http://www.lanecc.edu/healthclinic/drisin.html>. And here is an article about managing anxiety related to flu: <http://apahelpcenter.org/articles/article.php?id=194>. Please be assured that we are watching developments in real time, and we're ready to advise if anything changes! Submitted by Mona Arbuckle, Manager, LCC Health Clinic, [arbucklek@lanecc.edu](mailto:arbucklek@lanecc.edu)

#### NEW FITNESS SERVICES AVAILABLE

Lane's own Exercise Science Testing Lab is announcing its grand re-opening! The Exercise Science Testing Lab is run by a professional staff with abundant training in fitness testing and exercise prescription. This team includes both students and instructors from the Exercise and Movement Science Program. Our laboratory is equipped with state-of-the art testing equipment designed for general health and wellness assessments as well as specialized fitness testing for highly trained athletes. No matter what your current health and fitness level, we have an appropriate assessment in mind for you! We offer great LCC staff and student discounts too! Go to <http://www.lanecc.edu/fec/exercisesciencetestinglab.html> for a full list of testing services and prices. #### TRiO ACCEPTING STUDENTS FOR FALL TERM

TRiO is now open for enrollment. Please inform interested students to stop in to our office in building 1, room 219 if they are interested in being a TRiO student beginning fall term 2009. The student will complete a screening form to be sure they are eligible. If they are eligible, they will receive an application to return to us so that we can review. Any questions, please contact Marla at 463-3131.

#### KLCC HOSTS STORYCORPS

StoryCorps is coming to collect the stories of Eugene residents as part of its cross-country tour. Opening day is May 7. StoryCorps is an independent nonprofit project in partnership with NPR and the American Folklife Center at the Library of Congress. In Eugene, StoryCorps is partnering with KLCC, which will air a selection of the local stories and create special programs around the project. Selected segments may also air nationally on NPR's Morning Edition.

The StoryCorps MobileBooth -- an Airstream trailer outfitted with a recording studio -- will be parked at Kesey Plaza, at Broadway & Willamette in downtown Eugene. The booth will be open Mondays, Wednesdays and Fridays from 10 a.m.-7 p.m., and Saturdays and Sundays from 9 a.m.-7 p.m. StoryCorps plans to collect approximately 120 interviews before it rolls out of Eugene on June 1.

At the MobileBooth, interviews are conducted between two people who know and care about each other. A trained facilitator guides the participants through the process and handles the technical aspects of the recording. At the end of a 40-minute session, the participants walk away with a CD of their interview. With their permission, a second copy becomes part of an archive at the American Folklife Center at the Library of Congress for future generations to hear.

To make an interview reservation, participants must call 800-850-4406 or visit [www.klcc.org](http://www.klcc.org) at 10 a.m. on May 8. All StoryCorps interviews are arranged by

appointment on a first-come first-serve basis. Half of the available appointments were reserved on the first sign-up day April 23, and the other half will be filled on the second sign-up day May 8. Each interview slot is one hour. Contact: Steve Barton, 463-6006.

#### JOIN LANE'S EFFORTS IN THE FIGHT AGAINST CANCER

First meeting Thursday, May 7, 3-4:30 p.m., building 19, room 231J. Unfortunately, cancer has probably touched all of us either through a family member, friend, or co-worker. Lane will participate in this year's American Cancer Society Relay for Life to be held at the Lane track on July 24 and 25. There are many ways you can help us in the fight against cancer. You can join the team of walkers or help with our fundraising efforts. You can donate items for our garage sale, which will be in June. All money raised will go to the American Cancer Society. We welcome all staff, students, families, and friends to join in our efforts. At this time we have our team "Lane Community College". If you are interested or have questions contact Beverly Farfan at 463-5395, [farfanb@lanecc.edu](mailto:farfanb@lanecc.edu) or Sue Thompson at 463-5735, [thompsons@lanecc.edu](mailto:thompsons@lanecc.edu)

#### DEPARTMENT CLOSURE

The Counseling Department, including Counseling/advising, Career and Employment Services, and Testing will be closed all day, Friday, May 8 for a department in-service. No services will be available. We will reopen Monday, May 11. contact Rodney Brown x 5299

#### IT SYSTEMS NOTICE: GROUPWISE UPGRADE

GroupWise will be down in order to perform an upgrade. The email system is scheduled to be down Saturday through Sunday, May 16 through 17, for a system upgrade. Services will be unavailable periodically on Saturday and starting at 6 a.m. on Sunday and will be restored as soon as the work is completed. This will not affect Banner, ExpressLane, Lane Events Calendar, ODS, Discoverer, network printing, web Class Schedule, and Internet browser access. We apologize for the inconvenience and thank you for your patience. Submitted by Ardene Toney, Information Technology.

#### SCHAFFER INNOVATION GRANT DEVELOPMENT AWARD COMPETITION

This year, the Schafer Innovation Award program provides faculty and staff an incentive to develop and write a grant proposal for an innovative project in their department, which aligns with college priorities. Two applications will be selected for awards to individual grant developers or grant developer teams of \$1,000. Winners also have the opportunity to earn an additional \$1,500 for developing their Schafer application into a grant proposal and submitting it to an appropriate grantor. See <http://www.lanecc.edu/foundation/schaferawards.htm> for details. Deadline: May 21, at 11:59 p.m. Submitted by Aaron Shonk.

#### ADVISORY COMMITTEE RECOGNITION GALA HIGHLIGHTS AND THANK YOU

The Career Technical Education Coordinating Council (CTECC) hosted a very successful

Advisory Committee Recognition Dinner Gala on April 28, with over 200 attendees. The featured advisory committee for 2008-2009 was the Respiratory Care Advisory Committee. The Child and Family Education Advisory Committee also was recognized for the restructuring of their program and committee restructure. The 2009 Employer of the Year Award went to Chambers Communications Corporation, honoring Leonard Henderson, director of photography with Chambers Production.

The CTECC would like to thank the following departments for their assistance:

- 1) The CML team for exceptional event and banquet coordinating, fabulous food and service, and multimedia assistance.
- 2) The event VIP greeters and registration/check-in team.
- 3) All the program and presentation participants.
- 4) Photographer Dan Welton for creatively recording the highlights of the event.
- 5) The wonderful Printing and Graphics team for preparing the invitations and programs.
- 6) The Mail Services team for all their help with the bulk mailing and deliveries.
- 7) The Co-op Ed staff for assistance with stuffing invitations, preparing table tents, putting registration packets together, and transporting supplies.
- 8) All of the door prizes were generously donated by our Lane departments: Health, PE & Athletics, Culinary Arts and Hospitality Management, the Bookstore, Music, Dance, and Theatre Arts, Continuing Education, the Lane Florence Center, and Lane's Arts Division Dean, Rick Williams. Submitted by Andrea Newton and the CTECC.

#### MAKING WISE CHOICES WORKSHOPS

It's mid-term! Do your students know how they are doing? A best practice for student success suggests it is critical that students know where they stand in classes by mid-term, allowing them time to improve their performance in class. In an attempt to assist students, we sometimes suggest they drop or audit a class. This action may have significant consequences for students. Instead:

- \* Send students to one of the Tutor Centers for academic assistance
- \* Encourage students to work with you in your office hour
- \* Refer students to see their counselor or advisor
- \* Suggest your students participate in the Making Wise Choices Workshop. This workshop helps students understand how grading options affect their academic standing and eligibility for financial aid. Workshop dates:
  - \* May 11, 3-4 p.m. in 19/243
  - \* May 13, 12-1 p.m. in 1/222

Watch for an e-mail next week about the Making Wise Choices workshop from Christina Salter, chair of the SAGA Early Alert Subcommittee. Submitted by Mary Parthemer, Director, Title III and TRiO, [parthemerm@lanecc.edu](mailto:parthemerm@lanecc.edu)

#### CHALLENGING HOMOPHOBIA: THE CASE AGAINST DISCRIMINATION, PREJUDICE, AND INTOLERANCE

Workshops with Cheryl Gifford, Ph.D., will be held Thursday, May 14, from 10 a.m.-12 noon, and 2-4 p.m., in building 17 (Forum) room 308. The workshops are free and open to staff, students, and community members. Content explores changes in American perception of equality from the end of slavery, the beginning of women's suffrage and the Stonewall riots. Historical examples will be used in comparison and contrast with recent political events. American's majority objections to minority sexuality will be examined including the influence of religion, science and world events. The presentation will include excerpts from the documentary, "For the Bible Tells Me So," winner of the Audience Award for Best Documentary at the Seattle International Film Festival, beginning at 12:05 p.m. Contact: Donna Koechig.

#### THE WORKS STUDENT DANCE CONCERT

May 14, 15 & 16, 8 p.m., Performance Hall, Building 6

Lane dance students present 13 inspired choreography compositions in The Works. These original dances are part of the students' choreography class series, which includes dance improvisation, solo composition and group choreography. Many of Lane's students go on to study in prestigious dance programs at schools such as the Cornish Institute of the Arts, Mills College, the Naropa Institute and the University of Oregon before taking their places as dancers and choreographers in communities around the world. Tickets are \$8 for adults and \$6 for students and seniors (55 and over). Advance tickets are recommended and can be purchased at [www.lanec.edu/tickets](http://www.lanec.edu/tickets). Contact: John Watson.

#### JOYCE GALLERY RECEPTION

The David Joyce Gallery, located on the second floor of the Center for Meeting and Learning, building 19, has opened its third exhibit of the year entitled "Markets." Featuring four local female artists, "Markets" celebrates fruits of the earth, abundance, cultural flavors, and local communities. An artists' reception will be held Thursday, May 21 from 5-6:30 p.m. Twenty-five percent of a sold piece of art supports the scholarship fund for the Culinary Arts and Hospitality Management Program. The gallery honors beloved and respected local artist and LCC faculty member for 25 years, David Joyce, who passed away in 2003. Contact: Julie Fether, Conference and Culinary Services, 463-3518.

For more information call Gently Used at 485-3721 or take your items to Gently Used. Your donations make a difference.

BOOK SALE for the Relay for Life. Want some awesome new books? Have some old books you'd like to get rid of? Every year, the CareTakers of Lane County holds a Book Sale as part of its fundraising for the Relay for Life, for cancer research. The Caretakers team is made up of people who have been caretakers of cancer patients, and also of cancer survivors and those who want to support both cancer patients and their caretakers. Our Book Sale is held at the Relay event itself, and has been a major part of our fund-raising every year for the last five years. If you'd like to support our efforts and have books to donate, contact Judy McKenzie, ext 5073 or 359-1541 or [mckenziej@lanecc.edu](mailto:mckenziej@lanecc.edu). You can bring books by my office in building 17, or I'll come get them at your home if you need me to. Also, come out to the Relay (the weekend of July 25th) and find some wonderful new books for yourself (The Caretakers Tent will be on the main track, southside). Or, you can join our team or donate to support our walk. Contact Judy McKenzie to contribute in any of these ways.

#### FOUNDATION NAMES 2009 DISTINGUISHED ALUMNI

The Lane Foundation has named Greg Ausland, Fletcher Little, and Dr. Bill Moshofsky, all of Eugene, and Betty Doerr of Oakridge, as its Distinguished Alumni for 2009.

Ausland is a principal engineer at OBEC Consulting Engineers of Eugene; Doerr works with special needs and at-risk students in the Oakridge public school system; Little is a retired senior manager at the Register-Guard and a leadership consultant; Moshofsky is a family practice physician at Sacred Heart.

See full bios and photos at [www.lanec.edu/mpr/news/rel01133.htm](http://www.lanec.edu/mpr/news/rel01133.htm)

For more information contact Michele Erikson at 5804.

#### DEFERRED MAINTENANCE BUILDING 4 WORK

The west side building 4 access ramps and reconfiguration will continue with mobilization and demolition of this area. Demolition on the roof of building 4 is being done systematically and a new roof installed along the north side first. Noise and dust will be present as part of this work. Access to the lower level of building 4 will soon be re-routed along the north side of the building. Detour maps will be posted. Contact: Mark Richardson, project coordinator, 3426.

#### DEFERRED MAINTENANCE PARKING LOT WORK

Parking lot L, south of building 16, will be closed May 16-17 for McKenzie Commercial Contractors, Inc. to begin demolition of connecting steps as part of the stair and handrail project. Work to replace the steps will take place following demolition and be completed about May 29. Users parked in the back of Lot L will need to follow signs directing them to the connecting drives between the rows for temporary pedestrian walkways. One set of stairs on the west side of the parking lot will be left in place because of the distance to the nearest drive from that end of the parking lot. Contact: Brian McMurray, project coordinator, 5829.

#### BOND PROJECT UPDATE

Florence Center: Project orientation and mobilization is occurring for siding and the classroom addition.

Performance Hall seat replacement: Seat layout plan and new seat criteria being prepared by the architect.

Building 2 Business and Performance Hall remodels: The architect selection committee interviewed two firms and made a recommendation.

Center Building first floor classroom: Construction documents are being prepared.

Downtown: Nothing new to report.

Contact: Bob Mention, bond project manager, 5747.

#### HEALTH & WELLNESS BUILDING UPDATE

The groundbreaking ceremony is scheduled for June 2 at 3 p.m. The designers are finalizing interior materials. Beginning June 8, the designated parking for dental patients

and other health careers parking in the east and middle row of parking lot A will be relocated to parking lot B. The contractor will begin staging equipment and materials in parking lot A. No through traffic will be allowed on the fire lane south of building 4 except for emergency and contractor vehicles and equipment. Equipment will be arriving from the east and exiting west toward Gonyea Road. Contact: Todd Smith, project coordinator, 5132.

#### FREEDOM TO FAIL OR "RIGHT TO SUCCEED?"

The Title III Engaging Students program is built on a foundation that students who come to Lane should have the right to succeed, and it takes deliberate planning and action to create this kind of culture. The "right to succeed" environment involves implementing a set of best practices for student success and retention that provides a path to success. By implementing these best practices in key areas of students' experience at Lane, students can exercise their "right to succeed" and experience the freedom that comes with achievement of their goals.

Anne McGrail, Language, Literature and Communication, has written a compelling essay published in the Community College Moment about this new culture at Lane. Her article, "A New Direction: From Freedom to Fail to Right to Succeed," defines the difference in these two cultures and details some of the right to succeed practices being implemented through the Title III - Engaging Students program. I invite you to read McGrail's article and engage in the college-wide work in creating a right to succeed for our students.

#### ANNOUNCEMENTS

---

#### WITH SINCERE GRATITUDE

To KLCC staff and volunteers, LCC Foundation, Friends of LCC, The Torch staff, and the Lane family - Thank you all so very much for the cards, prayers, flowers and contributions to Lane's Nursing Scholarship Fund in memory of Scott Carpenter and to Peace Health's Strings of Compassion. We are deeply touched by your thoughtfulness and generosity. - Paula Chan Carpenter and family.

#### FAREWELL

To my friends and colleagues, I am retiring officially on June 30, but my last actual day at work will be May 15. I will be leaving for vacation and then moving right into retirement. My husband (of 42 years) and I have decided to travel a little and spend time together while we can. I have requested no celebration, but welcome individual good wishes from the many friends I have made. Thank you for your kindness, and take good care of yourselves. - Nancy Nott, Enrollment and Student Financial Services.

#### LOOKING FOR VOLUNTEERS

The Lane Peace Center's second annual Peace conference, "Peace & Collective Action: Connecting Hope to Change," will be held May 29-30. Keynote speakers are David Solnit, direct action organizer and editor of Globalize Liberation; and Joel Magnuson, author of Mindful Economics. The conference will bring together educators, students, community members, and activists dedicated to building a peaceful society and nation. Reflecting the Lane Peace Center's recognition that peace is rooted in social, economic, political, racial and environmental justice, presenters will offer an engaging variety of

perspectives. If you are interested in volunteering for this event please contact Gulistan at [gnlma@yahoo.com](mailto:gnlma@yahoo.com) Submitted by Donna "LaRosa" Rose.

#### NEW HISTORY OF PHOTOGRAPHY SERIES OFFERED ONLINE

A new, two-part series examining the history of photography and its effect on life in the modern and post-modern society will be offered during the first and second four-week summer terms.

Part One, CRN 11109, examines the development of the medium and its wildfire-like spread as displaces portrait painting, empowers modern artists and pornographers alike and exposes social injustice.

Part Two CRN 11111, explores Kodak and Polaroids democratization of the medium while looking at how photography informed and changed our worldview through depression, war, and the post-war commercial/materialist society. We will conclude our study with an examination of how photography has morphed to survive and prosper as the medium of choice in the 21st century digital age.

The class is entirely online. No text book is required. Students will be given readings and images to study, instruction on the art of criticism, and a series of short writing assignments to measure their progress and understanding. When the classes are completed, students will have an understanding of the importance of photography in the development of modern and post-modern society, an enhanced critical vocabulary and improved skills in the art of writing about art. John Watson teaches the History of Photography Series. John holds BFA and MFA degrees in photography, and has taught art history, photography and book arts in many academic and community arts programs in Oregon and Texas. For more information, call 5161.

#### IT SYSTEMS NOTICE: GROUPWISE UPGRADE

GroupWise will be down in order to perform an upgrade. The email system is scheduled to be down Saturday through Sunday, May 16 through 17, for a system upgrade. Services will be unavailable periodically on Saturday and starting at 6 a.m. on Sunday and will be restored as soon as the work is completed. This will not affect Banner, ExpressLane, Lane Events Calendar, ODS, Discoverer, network printing, web Class Schedule, and Internet browser access. We apologize for the inconvenience and thank you for your patience. Submitted by Ardene Toney, Information Technology.

#### SCHAFFER INNOVATION GRANT DEVELOPMENT AWARD COMPETITION

This year, the Schaffer Innovation Award program provides faculty and staff an incentive to develop and write a grant proposal for an innovative project in their department, which aligns with college priorities. Two applications will be selected for awards to individual grant developers or grant developer teams of \$1,000. Winners also have the opportunity to earn an additional \$1,500 for developing their Schaffer application into a grant proposal and submitting it to an appropriate grantor. See <http://www.lanec.edu/foundation/schafferawards.htm> for details. Deadline: May 21 at 11:59 p.m. Submitted by Aaron Shonk.

#### JOIN LANE'S EFFORTS IN THE FIGHT AGAINST CANCER

Unfortunately, cancer has probably touched all of us either through a family member, friend, or co-worker. Lane will participate in this year's American Cancer Society Relay for Life to be held at the Lane track on July 24 and 25. We have many ways you can help us in the fight against cancer. You can join the team of walkers or help with our fundraising efforts. You can donate items for our garage sales. There will be a garage sale in Eugene in June and Springfield in July. All money raised will go to the American

Cancer Society. We welcome all staff, students, families, and friends to join in our efforts. You can join our team of walkers online or we have forms. Online go to [www.esrfl.org](http://www.esrfl.org) . Lane Community College is one of the listed teams. Please let us know if you join. Our next meeting is May 19, 3-4:30 p.m., building 19, room 231J. If you cannot come to the meeting let us know how you would like to be involved. If you are interested or have questions contact Beverly Farfan at 5395, [farfanb@lanecc.edu](mailto:farfanb@lanecc.edu) or Sue Thompson at 5735, [thompsons@lanecc.edu](mailto:thompsons@lanecc.edu)

#### I CAN, ONE CAN FOOD DRIVE

Great job, 186 food items were donated in April. Let's go for 200 non-perishable food items for May. Thank you everyone who has donated food so far this month. More than 1200 pounds has gone to Food For Lane County for food boxes and meal sites. Tell your friends. Donate one can of non-perishable food a month to Lane's ongoing food drive. For some people getting a food box makes a difference in being able to buy needed medication or to pay a heating bill. Many food box recipients are the working however still unable to meet basic needs. Look for a box near you or call for a location, 5395 or 912-2228. Submitted by Beverly Farfan, [farfanb@lanecc.edu](mailto:farfanb@lanecc.edu).

#### BONJOUR

Join French students, former French students, and French-speaking employees to practice French at 7:30 a.m. every Tuesday morning in the northeast corner of the cafeteria. "Un peu" is all you need. Contact: Fay D'Ambrosia.

#### RAINWATER HARVESTING FAIR AND WORKSHOPS AT LCC

A rainwater harvesting fair and professional accreditation workshops will be held at Lane, sponsored by the American Rainwater Catchment Systems Association and Lane students in the Water Conservation Tech degree program and Introduction to Sustainability class. The fair will be Friday, May 22, from 11 a.m. to 6 p.m. in the cafeteria. "It's a great opportunity to learn about rainwater harvesting systems currently on the market and how to use them for garden irrigation, water security enhancement, and reducing water bills," says Gabe Pemble, an Introduction to Sustainability student. The fair also offers a chance to meet with rainwater harvesting systems vendors. The workshops will be Friday and Saturday, May 22 and 23, and are for professionals or those interested in becoming a professional. For more information or to register, go online at [arcsa.org](http://arcsa.org). Contact: Tammie Stark, [starkt@lanecc.edu](mailto:starkt@lanecc.edu) or 5451.

#### JOYCE GALLERY RECEPTION

The David Joyce Gallery, located on the second floor of the Center for Meeting and Learning, building 19, has opened its third exhibit of the year entitled "Markets." Featuring four local female artists, "Markets" celebrates fruits of the earth, abundance, cultural flavors, and local communities. An artists' reception will be held Thursday, May 21 from 5-6:30 p.m. Twenty-five percent of a sold piece of art supports the scholarship fund for the Culinary Arts and Hospitality Management Program. The gallery honors beloved and respected local artist and LCC faculty member for 25 years, David Joyce, who passed away in 2003. Contact: Julie Fether, Conference and Culinary Services, 3518.

## LANE'S DAY OF CARING

The GrassRoots Garden has blossomed in the last eight years from a small garden producing 4,000 pounds annually to a 2.5 acre educational urban garden producing 63,000 pounds of fresh, organic produce for local hunger relief and nutrition education in 2008. Volunteers learn all aspects of vegetable production from seed to harvest. The GrassRoots Garden has become a model of the power of community and sustainability. With Lane County unemployment currently over 12 percent, the need for food assistance at this time in our community is ever increasing. Lane's Day of Caring will have a tremendous impact and make a tremendous difference! To participate in Lane's Day of Caring (May 30, 9 a.m.-noon at the garden) or for more information, contact Ashley at [ashley.ordway@yahoo](mailto:ashley.ordway@yahoo) or call the Lane Foundation at 5768.

BOOK SALE for the Relay for Life. Want some awesome new books? Have some old books you'd like to get rid of? Every year, the CareTakers of Lane County holds a Book Sale as part of its fundraising for the Relay for Life, for cancer research. The Caretakers team is made up of people who have been caretakers of cancer patients, and also of cancer survivors and those who want to support both cancer patients and their caretakers. Our Book Sale is held at the Relay event itself, and has been a major part of our fund-raising every year for the last five years. If you'd like to support our efforts and have books to donate, contact Judy McKenzie, ext 5073 or 359-1541 or [mckenziej@lanecc.edu](mailto:mckenziej@lanecc.edu). You can bring books by my office in building 17, or I'll come get them at your home if you need me to. Also, come out to the Relay (the weekend of July 25th) and find some wonderful new books for yourself (The Caretakers Tent will be on the main track, southside). Or, you can join our team or donate to support our walk. Contact Judy McKenzie to contribute in any of these ways.`

#### STUDENT PORTAL PROJECT MOVES TO NEXT PHASE

The student portal project of the Title III - Engaging Students grant has moved into the next phase. Faculty, staff and managers met last week to organize the content from all the information gathered during the student portal focus groups and design the first version or prototype of the portal. Now the student portal project team will evaluate the information from the content sessions, and programming will begin. By fall term, we hope to have the prototype ready to test. For those who did not make it to any of the content sessions, it is not too late to be involved. People are still welcome to send comments or ideas to Carol McKiel, Title III coordinator, [mckielc@lanecc.edu](mailto:mckielc@lanecc.edu) or 3132. A big thanks to all the people who dedicated hours sorting through all the information from the focus groups and coming up with the content for the prototype.

#### CLEAN ROADS BROUGHT TO YOU BY PTK

If you noticed the roads into Lane were looking better this week, that is because Sigma Zeta had 19 people helping with the Road Cleanup on Saturday. Thanks to Lane faculty encouraging students to participate, we were able to clean 30th Avenue as well as Gonyea Road, Eldon Schafer Drive, and Lot L. It was a beautiful day, and we found many interesting items. Our next road cleanup will be at the beginning of fall term. Submitted by Velda Arnaud, Chapter Advisor, 5682.

#### GOT CHILD CARE?

Are you or someone you know of in need of a high-quality, fun learning environment for your preschool age child? The Lane Child and Family Center is now enrolling children 30 months to 5 years of age for summer child care. We will be open Mondays through Fridays from 7 a.m. to 5:30 p.m. during summer term. We are open to student, staff and community families. Summer term is a great time to get your child started in the center for the 09/10 school year. For more information about schedules, rates or enrolling your child call the Child and Family Center office at 463-5519 or Michel Ronning at 3522 or come by building 24/114.

CLASSIFIED AND MANAGEMENT OPEN ENROLLMENT: MAY 18-JUNE 11  
MEDICAL, DENTAL & VISION BENEFITS: Open enrollment for adding and/or removing dependents from your medical, dental and vision insurance coverage will begin on May 18, and continue through June 11, for a July 1 effective date. No action is necessary for those already enrolled who do not want to make changes. To make changes, please click on the following link, which will open up the Insurance Enrollment Application in Adobe Acrobat: <http://lanecc.edu/hr/benefits/documents/InsEnrollAppl.pdf>. You may also access the form via the web at <http://lanecc.edu/hr/benefits/index.htm> and clicking on the Insurance Enrollment Application link. Changes outside of open enrollment are only allowed if there is a change in family status. For questions regarding these benefits, please call Heidi Morales at 5592 or Sharon Daniel at 5190.

#### IT'S NOW OR NEVER FOR YOUR SCHAFFER INNOVATION GRANT

The deadline to submit a proposal for a Schaffer Innovation award is Thursday, May 21. See details at [www.lanecc.edu/foundation/schafferawards.htm](http://www.lanecc.edu/foundation/schafferawards.htm) or contact Aaron Shonk.

#### LCC CLOSED MEMORIAL DAY

Lane will be closed for the Memorial Day holiday on Monday, May 25. No classes will be held and no services will be available except for scheduled events. Contact: Dennis Carr.

#### NEXT WEEKLY IS MAY 27

The next Lane Weekly staff newsletter will be published Wednesday, May 27. Contact: Joan Aschim, [aschimj@lanecc.edu](mailto:aschimj@lanecc.edu) or 5591.

#### CPDT OFFERS PEACE CENTER SCHOLARSHIPS

There are 11 scholarships for classified staff, available on first come, first served basis. To get one you need to call Irene Willoughby at 5909 and reserve the scholarship.

#### DON'T FORGET THOSE ACCESSIBILITY STATEMENTS

When communicating information about the college community, either through course syllabi, major Lane publications, posters, fliers, handouts, or announcements, please include the appropriate Accessibility Notification Statement from COPPS (<http://www.lanecc.edu/cops/disable.htm>). Disability Resources is often responsible for providing the accommodations, and appreciates having a bit of time to anticipate and prepare materials when requested. For more information, contact Cathie Reschke in Disability Resources, 5079.

#### I CAN, ONE CAN FOOD DRIVE

Thank you to the person who dropped off the three heavy boxes of food at the facilities office. Great job. Let's go for 200 non-perishable food items for May. Thank you everyone who has donated food so far this month. More than 1200 pounds has gone to Food For Lane County for food boxes and meal sites. Tell your friends. Donate one can of non-perishable food a month to Lane's ongoing food drive. For some people getting a food box makes a difference in being able to buy needed medication or to pay a heating bill. Many food box recipients are the working however still unable to meet basic needs. Look for a box near you or call for a location, 5395 or 912-2228. Submitted by Beverly Farfan, [farfanb@lanecc.edu](mailto:farfanb@lanecc.edu).

#### THANKS AND A REMINDER

I'd like to thank the many people who have contributed books to our Relay For Life book sale - some people even bringing multiple bags to contribute - these contributions combined with those we've raised from the community will make this an awesome book sale! You can still contribute books to benefit the American Cancer Society by bringing them to ALS and leaving them for Judy McKenzie, co-captain of the "Caretakers of Lane County" Relay team. Also, please consider donating to the team in cash - donations can be given or sent to Judy McKenzie in ALS - all donations and all proceeds from the book sale go 100 percent to the American Cancer Society for this year's Relay for Life fundraiser. Also, come out and walk with us - our tent will be on the main track south side this year, and we will be serving midnight soup to all the volunteer walkers at the Relay. Support our team, and support cancer research by bringing 'Books And Bucks' to the "Caretakers of Lane County" relay team.

#### INNOVATIONS 2010 CONFERENCE CALL FOR PROPOSAL

The League for Innovation in the Community College is pleased to announce that our 13th annual conference will be held March 28-31, 2010, in Baltimore, Maryland. It is the premier event for professionals dedicated to improving organizational teaching and learning, and discovering new approaches for enhancing the community college experience. The conference provides a tremendous forum for collaboration among academic experts and leading community college professionals, while granting participants exclusive access to the most inventive and thought-provoking programs from around the world. To submit a proposal go online at [http://www.league.org/2/conferences/innovations/2010/cfp/cfp\\_page1.cfm](http://www.league.org/2/conferences/innovations/2010/cfp/cfp_page1.cfm) For more information call Tamara Pinkas, Lane's League Rep, 5011.

FACILITIES UPDATES  
-----

#### BOND UPDATE

Design work is progressing on the Florence Center, Performance Hall seat replacement and Center building first floor classroom projects. The Board of Education is expected to name an architect for the remodel of the Business building and for installing an elevator in the Performance Hall at a special meeting on May 20. Submitted by Bob Mention, 5747.

#### SUSTAINABILITY IN DEFERRED MAINTENANCE ELECTRICAL UPGRADES

As part of the deferred maintenance electrical upgrades, Lane will be replacing paper towel dispensers with electric hand dryers in several bathrooms. This upgrade will reduce the amount of trash that Lane sends to the landfill by up to 20 percent and will reduce the college's carbon footprint. One example of how this upgrade decreases the college's carbon footprint is elimination of all the diesel-fueled transportation that it takes to get the paper towels to campus. The college also anticipates saving about \$100,000 per year in paper towel costs, waste disposal fees, and improvements in efficiency. More information on the costs of operating electric hand dryers vs. paper towel dispensers is available at [www.lanec.edu/sustainability/documents/handdryer.pdf](http://www.lanec.edu/sustainability/documents/handdryer.pdf). Contact Jennifer Hayward at 5594.

#### DEFERRED MAINTENANCE BUILDINGS 4 and 5 RESTROOM UPGRADES

The first floor restrooms in building 4 will continue to be out of service. Essex General Construction began installing sheetrock and painting on May 18. Building 5 west toilet room and first shower bay will be out of service until June for installation of wall tile and shower drains. No other showers will be taken out of service until the first ones are complete. Contact Lance Greenley, 3427.

#### DEFERRED MAINTENANCE WEST ENTRANCE ADA RAMP UPGRADE

Construction activities for the new west entrance began Monday, May 18. Demolition will last for five days and is expected to be very disruptive to staff at times. Deferred maintenance staff will be trained to help maintain safe passage for the pedestrian traffic and act as an information source to students trying to gain access to buildings 4 and 5. Contact Mark Richardson, 3426.

#### DEFERRED MAINTENANCE BUILDING 4 REROOF

Umpqua Roofing is currently working on the top of building 4 removing the old composition roofing and installing new insulation and metal roofing. The new insulation will give better sound barrier for the offices below with providing better thermo protection from the weather changes. Access to building 4 along the tennis court has been closed for construction traffic only and will remain closed until next year. Access to the field is posted on sign boards and will be updated as work continues. Contact Mark Richardson, 3426.

#### DEFERRED MAINTENANCE CLASSROOM UPGRADES

Building 16 rooms 161 and 271 are being upgraded to smart rooms with new wiring and painting. They should be back in service now. Room 119A in building 12 is the next room to be upgraded over the next three weeks. Contact: Facilities.

#### PARKING LOT L CONSTRUCTION WORK

Parking lot L, south of building 16 Science and Math, will have trucks and equipment blocking off areas as McKenzie Commercial works on replacing worn out steps. Signs directing pedestrians to use alternate drives are posted. Contact Brian McMurray, 5829.

#### DEFERRED MAINTENANCE FIRE ALARM AND EMERGENCY COMMUNICATION UPGRADE

SecureCom, the fire alarm contractor, has begun to install new speaker/fire alarm annunciators that will allow the upgraded fire alarm systems to provide a pre-recorded voice message describing the emergency and providing instructions of what to do next. Deferred maintenance employees are currently installing wiring and conduit in building 9 (auto-diesel) which will take several weeks. All fire alarm devices are being recycled. When the work on campus is completed, the fire alarm systems will meet all current code and regulatory requirements for ADA and emergency communication. Contact Dave Smith, 3433.

#### NATIVE AMERICAN LONGHOUSE

Delta Construction Company will begin work the week of May 18 to complete site work to move utilities. The longhouse committee is in the process of reviewing and finalizing the kitchen design, audio visual requirements and smart classroom features. Interior HVAC ductwork will commence June 1. Contact Brian McMurray, 5829.

## COMING EVENTS

---

### BOOK SIGNING

Meet author Gail Morellen, Wednesday, May 27 at the Bookstore from 12-2 p.m. Gail's book, No Broken Bones, tells the true story of a little girl who is placed with an emotionally abusive family, and what the grandparents experience as they try to work with child protection agencies. Contact: Peggy, 5676.

### GIFT OF LITERACY

Attention Lane staff and students: Lane is hosting the annual Gift of Literacy event on Thursday, May 28. Nearly 1,000 first graders will be on campus in buildings 17 and the Center for Meeting and Learning in building 19. Please use caution when navigating campus. Parking Lots C and D will be reserved for this event so please arrange to park in an alternate lot. Thank you for your cooperation! Submitted by Carolyn Wood, Center for Meeting and Learning, 3511.

### PEACE CONFERENCE; VOLUNTEERS NEEDED

The Lane Peace Center's second annual Peace conference, "Peace & Collective Action: Connecting Hope to Change," will be held May 29-30. Keynote speakers are David Solnit, direct action organizer and editor of Globalize Liberation; and Joel Magnuson, author of Mindful Economics. The conference will bring together educators, students, community members, and activists dedicated to building a peaceful society and nation. Reflecting the Lane Peace Center's recognition that peace is rooted in social, economic, political, racial and environmental justice, presenters will offer an engaging variety of perspectives. If you are interested in volunteering for this event please contact Gulistan at [gnlma@yahoo.com](mailto:gnlma@yahoo.com) Submitted by Donna "LaRosa" Rose.

### DAY OF CARING

The GrassRoots Garden has blossomed in the last eight years from a small garden producing 4,000 pounds annually to a 2.5 acre educational urban garden producing 63,000 pounds of fresh, organic produce for local hunger relief and nutrition education in 2008. Volunteers learn all aspects of vegetable production from seed to harvest. The GrassRoots Garden has become a model of the power of community and sustainability. With Lane County unemployment currently over 12 percent, the need for food assistance at this time in our community is ever increasing. Lane's Day of Caring will have a tremendous impact and make a tremendous difference! To participate in Lane's Day of Caring (May 30, 9 a.m.-noon at the garden) or for more information, contact Ashley at [ashley.ordway@yahoo](mailto:ashley.ordway@yahoo) or call the Lane Foundation at 5768.

### GROUNDBREAKING EVENT: HEALTH AND WELLNESS CENTER

Tuesday, June 2, 3:30 p.m., West Entrance Garden. All Lane employees and students are cordially invited to the groundbreaking for the new Health and Wellness Center. Ceremony begins at 3:30 p.m. in the West Entrance Garden by building 1, followed by dirt-turning at the new building site north of building 4. The center, scheduled to be completed fall 2010, will house health career programs including nursing, physical therapist assistant, emergency medical technology, respiratory care, and more. More information: [www.lanecc.edu/foundation](http://www.lanecc.edu/foundation). Contact: Michele Erickson, 5804.

### LANE CELEBRATES: EMPLOYEE RECOGNITION GALA

INFORMATION REQUEST ABOUT BLOGGING: Instructor Troy Swanson of Moraine Valley Community College, a League for Innovation board college, is currently working on his dissertation and asked if I would post this request. He would like to know if there are any Lane faculty or staff that blog and meet the following criteria: 1) Are actively blogging and 2) Are blogging about college departmental (or division) information (as opposed to personal journaling about research or blogging about classroom-related information). If you meet this criteria contact [swanson@morainevalley.edu](mailto:swanson@morainevalley.edu). Submitted by Tamara Pinkas, League Rep, 5011.

IT'S SPRING CLEANING TIME. If you have any unused textbooks, please donate them to Sigma Zeta, Lane's honor society. Our spring book drive will benefit Books for Africa, and we will be performing a campus-wide book pick up on Friday, June 12. Please contact the chapter office, ext. 3238, if you need another pickup date or if you have any questions. Submitted by Velda Arnaud, Chapter Advisor, 5682.

HOUSE NEAR CHURCHILL HIGH SCHOOL in west Eugene for rent. It's 1900 sf. 3 bedrooms, plus office room and 2 bath with large living and family rooms. Nice quiet yard with garden on the side plus apple, plum, pear trees and blueberries, raspberries. The rent is reasonable and furnished. Contact SiQin TaoLi 343-1087 or 359-9339.

BE THE ONE that sends Amber Shonk over the top. She only has \$28 left to raise as of Monday, May 18. To all of you who have supported Amber already, a big thank you. Submitted by Aaron Shonk.

SAVE THE DATE: 10th Annual Ryan Meadows Neighborhood Sale, Saturday only, June 6 from 9 a.m. to 4 p.m. The kids are planning their "soda & snack stands" and port-a-potties will be located in the neighborhood. A few non-profit groups are making plans to take part. Last year we had over 100 neighborhood houses participate. There will be a hamburger/hotdog stand with cold beverages available for purchase. This year there are 20 streets to cover that have between 6 and 54 homes. There will be flyers available showing all houses that are participating, you can pick them up on Arrowhead. Our sale is listed on Craigslist for Eugene, the Coast and Albany/Corvallis with a save-the-date notice. If you have a non-profit group that you are involved with, this is a great opportunity for them to do some type of fund-raising or have a booth to raise awareness. There will be a save-the-date ad in the Register Guard and ads on June 5 & 6. Take Belt Line to the Northwest expressway go north to Irving left on Arrowhead OR north to Irvington right on Korbel. Look for the orange signs. If you have questions please contact Ardene Toney ext. 3359 for more information.

FOR RENT: Lower floor of a nice two story duplex close to U of O. ( 910 East 19th Avenue). On bus line to LCC. Water, garbage and sewer included in the rent. We are looking for quiet, mature tenants who will be considerate of their upstairs neighbors. Off street parking for one small car. Move in costs are first and last month's rent plus \$500 deposit. A cat is OK, but 19th is a very busy street! This unit is vacant now, so we are looking for someone who wants to move in right away, as opposed to someone for Fall. Reply to Barbara Meininger x5129 or email [meiningerb@lanecc.edu](mailto:meiningerb@lanecc.edu).

NEW VOICE-MAIL COMING TO LCC JUNE 18

You should have received an e-mail from your department office with information about the new voice-mail system that we will be moving to on June 18. You should have received another e-mail on May 26 asking you to initialize your mailbox on the new system before June 18. If you have any questions, please call Virginia Brady in the Telecom Office at 5565.

#### FIREMED ENROLLMENT OPEN

FireMed Job Care membership applications are available in Human Resources through June 30. This is an employee benefit program designed especially for you by FireMed. Lane has agreed to participate in this program with employees paying all of the membership fee. The annual fee for Firemed Basic is \$47 and Firemed Plus is \$82. Submitted by Mary Glenn, 5583.

#### 2009-10 COLLEGE CATALOG DISTRIBUTION

The 2009-10 college catalogs have arrived on campus. Being prudent with college resources, the printed catalog will be distributed as follows:

- \* The Counseling Department will be the distribution point for students or potential students to obtain a catalog.
- \* The Bookstore will fulfill requests for receiving catalogs by mail.
- \* Florence, Cottage Grove and the DTC will receive a modest supply for distribution. Departments may request reference/administrative copies from Angela Miller. Departments should direct all other requests for catalogs to the Counseling Department. Please encourage those requesting copies of the catalog to access the college catalog online. The online version of the catalog can be accessed from Lane's homepage—click on Catalog on the left side of the page. If you have questions, please contact Angela Miller via e-mail or at 5593.

#### ART DEPARTMENT BLOG

"ARTS Insight" is the Art & Applied Design Department blog. It contains frequent postings about news, events, faculty and student art, workshops, gallery shows and exhibitions, and more. If you want to know what is going on in the Art & Applied Design Department, follow the departmental blog at <http://laneccarts.blogspot.com/> For short postings, follow the new departmental Twitter account at <http://twitter.com/laneccarts>. Contact: Elizabeth Uhlig, 5409.

#### JACOBS GALLERY EXHIBIT FEATURES LANE FACULTY AND STUDENTS

The Lane Community College Sculpture Exhibit at the Jacobs Gallery runs through June 13. Gallery hours are Tuesdays through Fridays, noon to 4 p.m., and Saturdays 11 a.m. to 3 p.m.; and one hour prior to and during all Hult Center performances. For more info go to: [www.jacobsgallery.org](http://www.jacobsgallery.org) Nine LCC artists are featured: Kate Ali, Amelia Beiderwell, Lee Imonen, Laree Morgenstern, Virgil Newton, Andreas Salzman, Eric Schultz, Deborah Taube, and Ellen Tykeson. Submitted by Beverly Soasey.

#### JOIN LANE'S EFFORTS IN THE FIGHT AGAINST CANCER

Stop by our Cancer Awareness tables June 3 and 4 in the cafeteria. Lane will participate in this year's American Cancer Society Relay for Life which will be held at the Lane track on July 24 and 25. You can remember or honor a loved one by making a donation and receiving a luminaria sack or a sun or moon card to sign or decorate. Walkers needed. We welcome all staff, students, families, and friends to join in our efforts. At this time we have started a team, "Lane Community College" and "LCC Child and Family Education". Our next organization meeting is June 2nd at 3:00 p.m. in building 19, room 231. You

are welcome to drop by. Join the team of walkers, fundraise, donate items for garage sales, or get involved in other ways. Go online at [www.esrfl.org](http://www.esrfl.org) or contact Beverly Farfan at 463-5395, [farfanb@lanecc.edu](mailto:farfanb@lanecc.edu) or Sue Thompson at 463-5735, [thompsons@lanecc.edu](mailto:thompsons@lanecc.edu)

#### I CAN, ONE CAN FOOD DRIVE

Three days left in May to bring your food item. Let's go for 200 non-perishable food items for May. Thank you everyone who has donated food so far this month. More than 1400 pounds has gone to Food For Lane County for food boxes and meal sites. Tell your friends. Donate one can of non-perishable food a month to Lane's ongoing food drive. For some people getting a food box makes a difference in being able to buy needed medication or to pay a heating bill. Many food box recipients are the working however still unable to meet basic needs. Look for a box near you or call for a location, 5395 or 912-2228. Submitted by Beverly Farfan, [farfanb@lanecc.edu](mailto:farfanb@lanecc.edu).

#### SPRING TERM CONCERT SERIES AT LANE!

The Spring Term Concert Series tunes up on May 29 and runs through June 5. All concerts are in the Performance Hall, building 6. All tickets are \$3-5 sliding scale at the door, or you can go to our online box office at [www.lanecc.edu/tickets](http://www.lanecc.edu/tickets) and buy a Spring Concert Series ticket good for all six concerts for \$12! All proceeds go to the respective scholarship funds, supporting the students who support Lane with their musical talents.

The schedule:

\* Friday, May 29 at 7:30 p.m.: Lane Jazz Ensemble, directed by Ron Bertucci, with guest artists "The Jazz Knights of Thursday" from the Shedd Jazz Academy, directed by Glenn Griffith and the LJE Jazz Quintet featuring Josh Soran, tenor sax, Steve O'Brien, trumpet, Jules Moody, guitar, Milo Fultz, bass, and David Stoltz, drums.

\* Sunday, May 31 at 3 p.m.: The Lane Chamber Orchestra, directed by Hisao Watanabe presents Scheherazade by Nikolai-Rimsky Korsakov. This orchestral interpretation of The Arabian Nights features the haunting violin solo of Yvonne Hsueh.

\* Tuesday, June 2 at 7:30 p.m.: Lane Choirs. This special concert offers diverse musical encounters with three different choral groups. The Lane Concert Choir, directed by Debi Noel, presents "All-Broadway!", featuring selections from "Requiem" (Andrew Lloyd Webber), "Rent" (Jonathan Larson), "Spring Awakening" (Frank Wedekind) and "Newsies" (Alan Menken and Jack Feldman). Vicki Brabham's Spectrum vocal jazz group treats us to "Inside a Silent Tear", "In the Wee Small Hours" and "On a Clear Day". Finally, the Lane Chamber Choir, Matt Svoboda, director, examines the "Facets of Love" in a six-song set.

\* Wednesday, June 3 at 7:30 p.m.: The Lane Symphonic Band directed by Ron Bertucci presents its final concert program of the year. This 50-member wind and percussion ensemble will play classic band works by Francois Gossec, Percy Grainger, Malcolm Arnold, William Schumann and Ralph Vaughan-Williams as well as film music of John Williams. The program will also feature several soloists from within the ensemble. The Lane Symphonic Band includes students from Lane's music department as well as other students from the college and many community members.

\* Friday June 5 at 7 p.m. in the Blue Door Theatre, Main Performance Hall: The Spring Concert Series concludes with five jazz combos perform a smoking selection of cool popular and jazz standards for your entertainment. No better way to kick off a weekend made for chilling! Contact: John Watson.

AGENCY SUPPORT FOR GIS PROGRAM NEARS \$1.5 MILLION

Two Lane instructors have received a \$692,000 grant from the National Science Foundation to expand the use of geographic information systems (GIS) in secondary and post-secondary classrooms over the next 2 1/2 years. The new grant follows up a 2006 NSF grant of \$782,000 for similar work, increasing the national agency's support of GIS work at LCC to nearly \$1.5 million. NSF grants are among the most competitive and highly sought-after grants in research and education.

Lynn Songer, project principal investigator, and Eric Sproles, project co-principal investigator, received the new NSF Advanced Technological Education grant to continue their work in developing GIS curriculum. The new grant will implement the GEOSTAC (geospatial teaching across the curriculum) project to help high school teachers infuse web-based GIS lessons in their classes across a wide variety of subjects. FACILITIES UPDATES  
-----

LONGHOUSE

Work is resuming with vigor this week on the longhouse project. Electricians are on site laying out boxes and installing low voltage conduit from vault to building. Thad Cowdin from IT is coordinating with National Network Services to begin installation of phone/data lines to the longhouse and on to the waste water treatment plant. Cable will be pulled from the building 4 data room. Delta Construction began utility site work May 26 with re-routing of the storm drain line on the south end of the building and installing the new storm drain line in the adjacent parking lot. Delta has coordinated work with Lease Crutcher Lewis's (LCL) project superintendent. LCL will begin setup in the parking lot on June 2. FM Sheet Metal is fabricating duct and expects to start installing this week. McKenzie Commercial will make framing modifications as needed for ducting. Contact Brian McMurray, 5829.

FACILITIES MANAGEMENT & PLANNING UPDATE

All 800-plus work orders are being reviewed and prioritized for safety, emergency, indoor air quality, instructional space improvements, and regulatory requirements. Summer work is being planned for the permanent and temporary part-time FMP trades staff to maximize the amount of work that can be accomplished. Parking lot maintenance is being planned for this summer with some additional parking stalls added in time for the fall term. We are also planning to replace some of the handrail that is falling apart and creating a safety issue. Painting work will also likely occur in class rooms and spaces that cannot be effectively painted during the fall, winter, and spring terms. Landscaping around the longhouse is also planned to be completed by our groundskeeping staff later this summer. We will utilize our in-house staff as much as possible (keeping costs down) to complete work on the longhouse. The custodial and general services teams are planning some deep cleaning activities such as power washing the sidewalks and cleaning windows during the summer. Submitted by: David L. Willis, 5566.

#### BOND UPDATE

Florence Center design work is going forward on two options for the biology lab and specifications are being prepared for the new siding, roof insulation and finish roof. Quotes will be solicited for the Performance Hall seating and the board of education awarded the contract for the elevator upgrade to Solarc Architecture and Engineering. Solarc will also do the elevator upgrade for building 2. The Center building re-roof bids for construction are due May 27 with work scheduled for the summer. A Project User Group will be formed for the Track & Soccer Bowl Improvements project so a scope of work statement can be prepared and the design team selection process can begin. Bob Mention, 5747.

#### DEFERRED MAINTENANCE ASBESTOS ABATEMENT

Pacific Environmental Group is ahead of schedule in removing asbestos but shut downs for short durations are needed to safely complete the work in tunnel boiler rooms. The schedule for shut downs will be complete May 29. Deferred maintenance workers will be reinsulating pipes over the next two months. Contact Mark Richardson, 3426.

#### DEFERRED MAINTENANCE BUILDING 4 REROOF

Umpqua Roofing began the flat roof May 26 with tear off and replacement of the flat roof and gutter system. Access to building 4 along the tennis court will remain closed until next year for work on the roof and the Health and Wellness building. Contact Mark Richardson, 3426.

#### DEFERRED MAINTENANCE CLASSROOM UPGRADES

Deferred maintenance crews are working on building 12, room 119A and building 15, room 206 and will start on rooms in building 12 the week of May 26. The work installing new flooring, painting, replacing ceiling tiles, and smart classroom wiring will take about three weeks. Contact Mark Richardson, 3426.

#### DEFERRED MAINTENANCE STAIR AND HANDRAIL RENOVATIONS

McKenzie Commercial began installing curbs in parking lot L south of building 16. Demolition of the steps between the upper and lower levels of building 4 and 5 will occur June 6 and 7. Contact Brian McMurray, 5829.

#### CENTER BUILDING EVACUATION EGRESS MAPS

Evacuation egress maps are being posted in the Center building as a testing area. Maps were designed after consultation with the building department, fire marshal, ADA

consultant, Disability Resources, the safety committee, and others. Tactile signs will be added to the second floor and egress maps for other areas are in process. The egress maps and tactile maps/signs are used by building occupants to find and locate a safe path out of the building in the event of an emergency such as a fire, earthquake, or other event. Contact Tom Oroyan, 5568.

### IMPROVING YOUR ONLINE COURSE USING THE QUALITY MATTERS RUBRIC

Wednesday, June 3, 12:30-5 p.m.

This training will explore the Quality Matters rubric and will provide you with the framework to improve the quality of your online course. Participants in this hands-on workshop will use the Quality Matters rubric to review their online course and develop a course improvement plan. This session will be of interest to faculty, staff, and instructional designers, who have already developed an online course. As the basis for their work in this training session, participants should select one of their previously developed online courses and plan to work on it during this training. You must register in advance. Registration for all Oregon sessions (face to face and online) is located at: <http://spreadsheets.google.com/viewform?hl=en&formkey=cExCZGdhcUI5ekFrQkdXQV k5bFJ4TXc6MA> For more information contact Audrey Mills at [millsa@lanecc.edu](mailto:millsa@lanecc.edu) or Meredith Keene-Wilson at [keene-wilsonm@lanecc.edu](mailto:keene-wilsonm@lanecc.edu).

### MEETING STUDENT RETENTION GOALS IN A STRUGGLING ECONOMY

A complimentary, one-day workshop for a timely update on effective strategies for student retention in today's environment. The fee for this workshop is waived for all attendees, underwritten by NELA, the Northwest Education Loan Association. Locations include Portland, Oregon, on Tuesday, June 9, and Seattle, Washington, on Wednesday, June 10. Consultants from Noel-Levitz will present the workshop alongside consultants from NELA. The speakers work closely with campus leadership teams at a wide range of two-year and four-year, public and private institutions.

#### LCC WETLANDS PRESENTATION

Friday, June 5, 2-3:30 p.m., building 19, room 243. Join University of Oregon Landscape Architecture students for a presentation of visions and ideas for Lane's wetlands north of 30th Avenue and the lagoons near the campus main entrance. In consultation with UO Landscape Architecture faculty, LCC faculty and staff, and members of the LCC Facilities Council, 18 UO students have spent the term designing a set of strategies for the future use of the Russell Creek Wetlands, including the filled oak savanna, plus the campus lagoons. Come and see their ideas, and share your comments. That this is a student project; are not an actual construction project. Contact: Margaret Robertson, 3143 or robertsonm@lanecc.edu

#### SHAKESPEARE SHOWCASE AT BLUE DOOR THEATRE

Saturday, June 6, 2 p.m. and 7 p.m. Professional actors join students and community actors in the Shakespeare Showcase. The full program of more than 20 pieces will run less than two hours, with intermission. Admission is free. Scenes or monologues will be presented from more than half the canon of Shakespeare's plays, including: Hamlet, Macbeth, A Midsummer Night's Dream, Two Gentlemen of Verona, King Lear, The Merry Wives of Windsor, Romeo and Juliet, Henry V, Henry VI, Richard III, Measure for Measure, Merchant of Venice, Titus Andronicus, Julius Caesar, As You Like It, Much Ado About Nothing, and The Tempest. Directed by Judith Roberts with help from Patrick Torelle and Joe Cronin. No one under age 10 admitted. Donations for the theatre program gratefully accepted. Contact: John Watson, 5151.

#### NEWS AND ANNOUNCEMENTS

  
-----

#### IN MEMORIAM

It is with great sadness that I pass along the news that Libby Page, congressional aide to Congressman Peter DeFazio and former Lane employee with the English and Study Skills departments, passed away last Wednesday from a pulmonary embolism. The family asks that remembrances be made to the Greenhill Humane Society. Submitted by Steve Candee.

#### HEALTH CLINIC FEE CHANGED FOR SUMMER TERM

The Lane Board of Education approval a proposal to remove the \$8 Health Clinic Fee from the Student Activity Fee and to raise it to \$12 and assess it separately to credit students taking classes on the main campus, beginning with summer term 2009 registration. Contact: Helen Garrett, Associate Dean of Student Affairs / Enrollment and Student Financial Services, garretth@lanecc.edu or 5686.

#### TRANSPORTATION FEE INCREASED FOR FALL TERM

The Lane Board of Education approval a proposal to raise the Transportation Fee for students taking credit classes on the main campus from \$22 per term to \$26 per term, effective fall term 2009. Contact: Helen Garrett, Associate Dean of Student Affairs / Enrollment and Student Financial Services, garretth@lanecc.edu or 5686.

#### JOIN LANE'S EFFORTS IN THE FIGHT AGAINST CANCER, RELAY FOR LIFE MEETING

Lane will participate in this year's American Cancer Society Relay for Life, which will be held at the Lane track on July 24, and 25. You can remember or honor a loved one by making a donation and receiving a luminaria sack or a sun or moon card to sign or decorate. Walkers needed. We welcome all staff, students, families, and friends to join in our efforts. At this time we have started a team, "Lane Community College." You are welcome to drop by our next meeting on June 2 at 3 p.m. in building 19, room 231. Join the team of walkers, fundraise, donate items for garage sales, or get involved in other ways. Go online at [www.esrfl.org](http://www.esrfl.org) or contact Beverly Farfan at 5395, [farfanb@lanecce.edu](mailto:farfanb@lanecce.edu) or Sue Thompson at 5735, [thompsons@lanecce.edu](mailto:thompsons@lanecce.edu)

#### CANCER AWARENESS INFORMATION TABLES

Stop by our Cancer Awareness information tables June 3 and 4 in the cafeteria, 10 a.m. to 2 p.m. At the Cancer Awareness tables we will be presenting information about cancer prevention, early detection, and screening. We hope this information will help save lives. We have information on where people with cancer or caregivers may go for support. We will have information about the Relay for Life and how people can join Lane's efforts in the fight against cancer. We will have luminaria, suns, and moons for people to decorate and/or write messages in memory of someone lost to cancer or in honor of someone who is still fighting or has beaten the disease. These will be displayed during the Relay for Life. For information contact Beverly Farfan at 5395 or 912-2228 or [farfanb@lanecce.edu](mailto:farfanb@lanecce.edu).

#### NORTHBOUND FRANKLIN BOULEVARD OFF-RAMP FROM I-5 TO CLOSE

Contractors for the Oregon Department of Transportation will close the northbound Interstate 5 off-ramp to Franklin Boulevard at milepost 188 as early as Monday, June 8. The closure could last as long as two weeks. Exact dates are subject to change due to weather conditions. Signs will direct northbound I-5 traffic one mile north to the 30th Avenue exit at milepost 189. Drivers will then re-enter southbound I-5 and exit at the Oregon 58/Franklin Boulevard exit. Contractors are closing the ramp to complete paving and construction of barrier and guardrail. From an ODOT press release. Submitted by the editor.

#### MEETING STUDENT RETENTION GOALS IN A STRUGGLING ECONOMY

A complimentary, one-day workshop for a timely update on effective strategies for student retention in today's environment. The fee for this workshop is waived for all attendees, underwritten by NELA, the Northwest Education Loan Association. Locations include Portland on Tuesday, June 9, and Seattle on Wednesday, June 10. Consultants from Noel-Levitz will present the workshop alongside consultants from NELA. The speakers work closely with campus leadership teams at a wide range of two-year and four-year, public and private institutions.

#### CLASSIFIED AND MANAGEMENT OPEN ENROLLMENT THROUGH JUNE 11

Medical, dental & vision benefits: Open enrollment for adding and/or removing dependents from your medical, dental and vision insurance coverage continues through June 11, for a July 1 effective date. No action is necessary for those already enrolled who do not want to make changes. To make changes, please click on the following link, which will open up the Insurance Enrollment Application in Adobe Acrobat: <http://lanecc.edu/hr/benefits/documents/InsEnrollAppl.pdf>. You may also access the form via the web at <http://lanecc.edu/hr/benefits/index.htm> and clicking on the Insurance Enrollment Application link. Changes outside of open enrollment are only allowed if there is a change in family status. For questions regarding these benefits, please call Heidi Morales at 5592 or Sharon Daniel at 5190.

#### NEW VOICE-MAIL COMING JUNE 18

You should have received an e-mail from your department office with information about the new voice-mail system that we will be moving to on June 18. You should have received another e-mail on May 26 asking you to initialize your mailbox on the new system before June 18. If you have any questions, please call Virginia Brady in the Telecom Office at 5565.

#### SUMMER COURSE ON TEACHING IN SECOND LIFE

If you are interested in learning about teaching in Second Life, there will be a four-week course available at UO this summer. Developing Games and Simulations with Students in Immersive Environments will be taught by Jim Bailey (LCC faculty) and Jonathon Richter (UO faculty). This course will be offered June 22- July 16, with the first and last weeks taught on the UO campus and the second and third weeks taught in-world in SL. Tuition is being waved for the course, so the cost is \$168 per student plus books. This course was developed and is being taught as part of the LCC Second Life Project from the National Science Foundation. For more information or to learn how to register, please contact Jim Bailey at [baileyj@lanecc.edu](mailto:baileyj@lanecc.edu)

#### FIREMED

FireMed Job Care membership applications are available in Human Resources through June 30. This is an employee benefit program designed especially for you by FireMed. Lane has agreed to participate in this program with employees paying all of the membership fee. The annual fee for Firemed Basic is \$47 and Firemed Plus is \$82. Submitted by Mary Glenn, 5583.

#### APPLY NOW FOR THE ASPIRING LEADERS PROGRAM

We all possess incredible potential for growth. We each have room to refine old skills and develop new ones. In it's inaugural year, the Aspiring Leaders Program brings the best of leadership training to you. We kick off with a fall retreat, then meet for part of one Friday per month throughout the academic year. Open to all Lane employees. Applications due Wednesday, July 1 and are available at [www.lanecc.edu/pod](http://www.lanecc.edu/pod) For more information, contact Donna Koechig at [koechigd@lanecc.edu](mailto:koechigd@lanecc.edu) or 5307.

#### THANKS TO DAY OF CARING VOLUNTEERS

Lane students, managers, faculty and classified staff along with colleagues from the 4J School District bonded over vegetables and compost Saturday morning for Lane's Day of Caring at the Grass Roots Garden. The group harvested, weeded, hauled compost, and pounded fence posts. We helped the garden get ready for a second planting. Harvested produce will go to Food for Lane County's food boxes and community kitchens. Volunteers ranged in age from 3 to 80-something. There was valuable work for everyone. If you missed the fun this year, join us in 2010. Thank you to all 50 of the folks who participated! Submitted by Ashley Ordway for the Foundation.

#### NEED CHILD CARE?

Are you or someone you know of in need of a high-quality, fun learning environment for your preschool age child? The Lane Child and Family Center is now enrolling children 30 months - 5 years of age for summer childcare. We will be open Mondays-Fridays from 7 a.m. to 5:30 p.m. during summer term. We are open to student, staff and community families. Summer term is a great time to get your child started in the center for the 09/10 school year. For more information about schedules, rates or enrolling your child call the Child and Family Center office at 5519 or Michel Ronning at 3522 or come by building 24/114.

**FACILITIES UPDATES**  
-----

#### HEALTH & WELLNESS UPDATE

Lease Cructher Lewis, the CMGC (Construction Manager General Contractor), has their construction office trailer and the site fencing establishing the perimeter of the construction site in place. The groundbreaking ceremony is on June 2 and will start in the front entry garden at 3:30 p.m., then move to the building site for the ceremonial turning of the shovel. The contractor will start the demolition of the tennis courts and the site excavation on June 15. During this period of time we can expect heavy truck traffic on the north access road entering the college on Eldon Shafer Drive and exiting on Gonyea Road. The noise levels during the demolition and site prep will be from extreme to moderate. Contact Todd Smith, 5132.

#### BOND UPDATE

The Owner-Architect Agreement for design of Building 2 & Performance Hall elevator remodels is expected to be completed this week and Project User Group (PUG) meetings will be scheduled for the following week. Bids to reroof the Center building were opened and the low bid was below estimate. A PUG will review the schematic drawing of remodel of building 19, room 270 to accommodate the Foundation. A PUG will review a schematic drawing of Center building first floor classroom this week. The Bond Management office is scheduled to begin preparing a Request for Proposals (RFP) for design services in connection with the Track & Soccer bowl improvements. A request for quotes from theater seat manufacturers has gone out and the deadline to receive quotes is Wednesday, June 3. Architectural work on the Florence Center is continuing. Contact Bob Mention, 5747.

#### LONGHOUSE

Delta Construction has started on underground utility work and will be doing additional site work from June 1-19. FM Sheet Metal will be installing ductwork and Facilities

electricians putting in electrical boxes and conduit and will be doing rough-in work for the audio-visual and fire alarm systems. Contact Brian McMurray, 5829.

#### STAIR AND HANDRAIL RENOVATIONS

McKenzie Commercial Contractors are pouring curbs on parking lot steps in the south parking lot L. Work will continue until June 12. They will begin demolition of steps between buildings 4 and 5 June 6-7. Contact Brian McMurray, 5829.

#### CENTER BUILDING ELEVATOR IMPROVEMENT

Work on the north elevator will begin the week of June 27. Northwest Elevator Company has begun fabrication and material acquisition. The elevator will be closed for use once work begins and students and staff will be redirected to the south elevator or alternate routes. Contact Brian McMurray, 5829.

#### EXTERIOR LIGHTING

Christensen Electric, the contractor for the exterior lighting replacement, has been installing underground conduits for electrical power for the new lighting fixtures. They are working closely with facilities groundskeepers to insure that there is minimal damage to landscaping. Some landscaping will be removed by LCC where new light poles are to be installed. LCC deferred maintenance electricians continue to work to replace old light fixtures that are mounted to the perimeters of the campus buildings with high efficiency LED light fixtures. Contact Dave Smith at 3433.

#### KEYLESS DOOR ACCESS

Allied Fire & Security, the door access control contractor, has begun preliminary work in support of the installation of door controllers, hardware, and infrastructure for a keyless door access system. The first campus building currently scheduled to receive the new keyless access system will be Building 9, Auto/Diesel. Contact Dave Smith at 3433.

#### EMERGENCY COMMUNICATION SYSTEM

SecureCom, the fire alarm contractor, is installing new speakers, annunciators, and wiring for the upgraded fire alarm systems. This project will include public address speakers in most spaces for the Mass Communication system. LCC deferred maintenance employees have begun the installation of the wiring and conduit for this project. They are currently working in building 9, Auto/Diesel, and nearly complete. They have also begun work in building 12. Contact Dave Smith at 3433.

#### ELECTRICAL UPGRADES

LCC deferred maintenance electricians have begun replacing up to 43 obsolete and unsafe electrical panels at the main campus. Work has been begun in Buildings 4 and 7 and will continue in buildings 4 and 7, and building 5. Later this summer, work will begin on replacement of portions of the high voltage electrical wiring that powers the campus. Contact Dave Smith at 3433.

#### BUILDING 4 RESTROOM UPGRADES

The first floor restrooms will continue to be out of service. Essex General Construction subcontractor Acoella Tile will finish installing the wall and floor tile this week. Installation of ceiling tile and fixtures will begin June 1. Contact Lance Greenley, 3427.

#### BUILDING 5 TILE REPLACEMENT

The men's far west restroom and first shower bay will be out of service while Eugene Tile and Marble will finish installation of tile the week of June 1. Installation of ceiling tile and fixtures will begin June 1. No additional men's showers will be taken out of service until these are returned to service. Tile demolition will start in a portion of the women's staff locker room later this week. Contact Lance Greenley, 3427.

#### FLOOR COVERING REPLACEMENT

Flooring will be installed in building 12 classrooms at the end of June. The classroom remodel schedule will be posted at [www.lanecc.edu/facilities/dm](http://www.lanecc.edu/facilities/dm) . Contact Lance Greenley, 3427.

#### CENTER BUILDING KITCHEN PIPING REPLACEMENT

EMK Mechanical is completing a physical survey of the kitchen waste piping in the basement. A grease interceptor will be installed to catch grease that flows to the wastewater treatment facility and is sticking to the biological colonies, resulting in reduced efficiencies of waste break down. There will not be any disruption of service until summer break and notifications will be made of any shut-downs. Contact Lance Greenley, 3427.

I'm looking for a PARTNER or two for SUMMER WEIGHT LOSS program! I'm embarking on a program to lose a pound a week this summer. I lost fifteen pounds two summers ago and was doing it again last summer when I got ill and had to break it off, but now I'm healthy again and ready to resume my weight loss regime. I thought it might be more fun to do it with another person or two, for the comradeship, support, and motivation... Absolutely no products being sold and no money is involved. The program involves simply watching calories and exercising reasonably (walks?) and consistently. The weight comes off if one stays consistent, and we can enjoy the challenge. If this adventure interests you, please contact me: Robert Sposato, Academic Learning Skills, [robspo@comcast.net](mailto:robspo@comcast.net)

#### IMPORTANT UPDATES TO THE FAMILY EDUCATION RIGHTS AND PRIVACY ACT (FERPA)

The Department of Education has made some significant changes and updates to FERPA that mostly center around providing better mechanisms to protect student records, prevent identity theft, and to improve how we report out possible threats by students to themselves or others. Please take a moment to link to our FERPA website in COPPS by entering "FERPA" in the Lane Homepage search tool and clicking on the "Updates to FERPA, January 2009" or by linking directly to [http://www.lanecc.edu/cops/FERPA\\_updates.doc](http://www.lanecc.edu/cops/FERPA_updates.doc) Thank you to Thwing Havens for the wonderful formatting. Helen Garrett will come to any staff meeting, either now or in the fall, to go over these updates. She especially encourages academic departments to extend an invitation to her to go over the changes regarding students no longer being able to remain anonymous in the classroom. Intrigued? Call Helen B. Garrett, Enrollment and Student Financial Services, 5686.

#### CML INTRODUCES NEW RATES

The Center for Meeting and Learning will introduce a new pricing structure come July 1, 2009. The new rates are being implemented to help streamline the event costs for internal and co-sponsored events and eliminate the "gray area" issues that co-sponsored events were presenting. Previously the Center has offered two different rate structures for these two groups. These new rates will be extended to both co-sponsored and internal groups. The rates offered to both groups will be 60 percent off of standard room rates, 50 percent off audio visual equipment, and all events will be subject to the standard 18 percent food and beverage service charge. The full explanation of these rates and a new Internal Rental and Culinary Services Agreement will be available on COPPS July 1. Please do not hesitate to contact the Center for Meeting and Learning staff with questions. Submitted by Amanda Eriksen.

#### THANKS FOR FAST RESPONSE

A big word of thanks for the fast response by everyone who helped to move articles out of our computer lab flooded area last Wednesday night. Without all of the hard work, the computer lab, building 4 room 201, would have been a complete disaster. Submitted for the lab staff by coordinator Mike Smith.

#### APPLY NOW FOR ASPIRING LEADERS PROGRAM

We all possess incredible potential for growth. We each have room to refine old skills and develop new ones. In its inaugural year, the Aspiring Leaders program brings the best of leadership training to you. We kick off with a fall retreat, then meet for part of one Friday per month throughout the academic year. Open to all Lane employees. Applications due Wednesday, July 1 and are available at [www.lanecc.edu/pod](http://www.lanecc.edu/pod) For more information, contact Donna Koechig at [koechigd@lanecc.edu](mailto:koechigd@lanecc.edu) or 5307.

**CLASSIFIED AND MANAGEMENT INSURANCE OPEN ENROLLMENT CONTINUES**  
Open enrollment for adding and/or removing dependents from your medical, dental and vision insurance coverage is underway and continues through June 25 for a July 1 effective date. No action is necessary for those already enrolled who do not want to make changes.

In anticipation of adding Willamette Dental as a second dental carrier option for classified and managers, drop-in sessions are scheduled to "ask the experts" on June 11, 12-1 p.m. in building 5, room 206; June 17, 4-5 p.m. in the Boardroom; and June 24, 10-11 a.m. in building 5, room 206.

To make changes in your insurance, go online at <http://lanecc.edu/hr/benefits/documents/InsEnrollAppl.pdf> to open up the Insurance Enrollment Application form in Adobe Acrobat. You may also access the form via the web at <http://lanecc.edu/hr/benefits/index.htm> and click on the Insurance Enrollment Application link. Changes outside of open enrollment are only allowed if there is a change in family status.

If you have questions, call Heidi Morales at 5592 or Sharon Daniel at 5190.

#### **SUCCESSFUL AGING INSTITUTE NOW ENROLLING**

Registration is underway now for the premier class of Lane Community College's brand new Successful Aging Institute. This class will explore a holistic mind, body, spirit approach to aging--and uncover what it means to age successfully. For more information about this wonderful, early September program, or to register, call 4634. Look for many more offerings fall term. Contact: Barbara Susman.

#### **JOIN LANE'S EFFORTS IN THE FIGHT AGAINST CANCER, RECRUITING CANCER SURVIVORS**

Lane will participate in this year's American Cancer Society Relay for Life, which will be held at the Lane track on July 24, and 25. At this time we have started a team, "Lane Community College." Join the team of walkers, fundraise, donate items for garage sales, or get involved in other ways. We are recruiting cancer survivors. Survivors are vital to the mission of Relay For Life, helping to remind us that cancer can and will be defeated. By participating in the 2009 Eugene / Springfield Relay For Life as a survivor, you are a visible sign of the progress we are making against cancer. Next week, Power of Purple Week begins. This is a time that we hope to share with you how much we appreciate your contribution to our community as a symbol that there is hope in the fight against cancer. Contact Beverly to find out about the special cancer survivor activities next week and to register to walk the Survivor's lap July 24 at 7 p.m. We welcome all staff, students, families, and friends to join. You may register under our Lane Community College team. You will have the opportunity on the "Participant" registration form to identify yourself as a survivor. Go online at [www.esrfl.org](http://www.esrfl.org) or contact Beverly Farfan at 5395, farfanb@lanecc.edu or Sue Thompson at 5735, thompsons@lanecc.edu

#### **I CAN, ONE CAN FOOD DRIVE COLLECTED 212 POUNDS OF FOOD IN MAY**

Let's go for another 200 plus pounds of non-perishable food items for June. For those of you who have the summer off remember to bring your food this week. More than 1650 pounds has gone to Food For Lane County for food boxes and meal sites. Tell your friends. Donate one can of non-perishable food a month to Lane's ongoing food drive. For some people getting a food box makes a difference in being able to buy needed medication or to pay a heating bill. Many food box recipients are the working however

still unable to meet basic needs. Look for a box near you or call for a location, 5395 or 912-2228. Submitted by Beverly Farfan, farfanb@lanecc.edu.

#### RECRUITING SENIOR COMPANIONS

The federal Senior Companion Program provides a tax-free hourly stipend to low-income adults age 55 or better who provide one-on-one outreach to frail elderly and disabled adults for 15 or more hours per week. Companions serve through senior organizations in Lane County, which are responsible for all client selection. Pre-training and ongoing support is provided. Sponsored locally by Lane Community College. To get involved, call Diana Gatchell at 4630 or visit <http://www.lanecc.edu/scp/about.htm>

#### KLCC GARDEN TOUR: A RIVER RUNS THROUGH IT

Garden Tour URL is <http://www.klcc.org/News.asp?NewsID=128>

Sunday, June 28, 9 a.m. to 5 p.m. Volunteers are needed for three-hour shifts to staff the ticket tables at each garden. This is a fun, well-attended event--close to 2,000 people! This year we have five gardens in the River Road area, and three across the river on Riverplace Drive. All volunteers have free entry to the tour. Contact Kris Fox, at 6020 or foxk@lanecc.edu if interested.

**FACILITIES UPDATES**  
-----

#### FACILITIES MANAGEMENT MAINTENANCE

Summer project work planning continues. Temporary carpenters, painters, electricians, maintenance helpers, and groundskeepers have been hired or are in the process of being hired for the summer in preparation for many small to medium maintenance and small remodel projects associated with over 800 open work orders in the MPulse computerized management maintenance system. Exterior windows will be cleaned on several buildings in June. The sheriff's department will have a work crew on campus

clearing brush for fire protection breaks around the perimeter of the property and around the waste water treatment facility lagoons. Clean-up efforts associated with the heavy rain this past week are wrapping up. Contact David L. Willis, 5566.

#### BOND UPDATE

An agreement between the college and architect is expected to be completed this week for the building 2 remodel and Performance Hall elevator project. Bids for the Performance Hall replacement seats came in under budget and the lowest bid was the preferred seat. Work on the Center building re-roof project is expected to begin after spring term finals. Center building first floor classroom project demolition of existing rooms will be done by college workers starting June 15. Architects are continuing work on the Florence Center and the bond office has requested a conditional use permit from the city of Florence. Request For Proposals from landscape architects and/or architects in connection with design services for the Track & Soccer Bowl Upgrades project will be distributed early this week. Deadline for submittal of proposals is June 24. Design work is continuing for the remodel of building 19 room 270 for Foundation offices. A space assignment request is being prepared for two photo-voltaic arrays for the renewable energy project. The arrays are proposed to feed energy into the campus grid and electric car charging stations. A grant from EWEB will help fund this project. The Bond Project Manager hiring committee plans to make a recommendation by June 12. Contact Bob Mention, 5747.

#### HEALTH & WELLNESS UPDATE

Lease Crutcher Lewis, CMGC (Construction Manager General Contractor), is continuing with site mobilization this week. The groundbreaking ceremony on June 2 was a success thanks goes to the Foundation, facilities staff, and everyone else who helped. The contractor will start the demolition of the tennis courts and the site excavation on June 15. Expect heavy truck traffic entering the north access road from Eldon Schafer Drive and exiting on Gonyea Road. The noise levels during the demolition and site prep will be from extreme to moderate. Contact Todd Smith, 5132.

#### EXTERIOR LIGHTING

Christensen Electric, the contractor for the exterior lighting replacement, has been installing underground conduits for electrical power for the new lighting fixtures. They are working closely with LCC Groundskeeping to ensure minimal damage to landscaping. Some landscaping will be removed by LCC where new light poles are to be installed. LCC deferred maintenance electricians continue to work to replace old light fixtures that are mounted to the perimeters of the campus buildings with high efficiency LED light fixtures. Contact Dave Smith, 3433.

#### KEYLESS ACCESS SYSTEM

The LCC Deferred Maintenance Leadership Team met with the access control consultants this week and meetings have been established with the LCC academic deans and departmental leadership to review the access controls planned for each building within their organization. These meetings will continue for several more weeks until all the campus buildings have been reviewed and requirements established. Contact Dave Smith, 3433.

#### EMERGENCY COMMUNICATION SYSTEM

SecureCom, the fire alarm contractor, is installing new speakers, annunciators and wiring for the upgraded fire alarm systems. This project will include public address

speakers in most spaces for the Mass Communication system. Deferred maintenance staff have begun the installation of the wiring and conduit for this project in buildings 9 and 12. Contact Dave Smith, 3433.

#### ELECTRICAL UPGRADES

Twin River Plumbing continues to run piping in the tunnel system and in building 7 for a renewable energy project designed to recover heat from the laundry room driers and increase the efficiency of the laundry room boiler systems. Contact Dave Smith, 3433.

#### STAIR AND HANDRAIL RENOVATIONS

Replacement of connecting stairs in south parking lot L is continuing. These stairs are scheduled to be completed by mid-July. Demolition of the stairs between buildings 4 and 5 will occur June 6-7. Minor plumbing and footing work for the new stairs will occur in the lower level of building 4 the week of June 8. Contact Brian McMurray, 5829.

#### CENTER BUILDING NORTH ELEVATOR IMPROVEMENTS

Parts and materials for the elevator will begin arriving on campus the week of June 22. The elevator will be shut down for the summer beginning June 29. Contact Brian McMurray, 5829.

#### AMTF AND BUILDING 12 PAINT BOOTHS

Proposals for new paint booths were received this week from Rohner, the paint booth manufacturer and supplier for this project. Solarc Architecture and Engineering and LCC staff will be evaluating products for suitability for the respective programs. Fabrication of booths is expected to begin the last week of June. Contact Brian McMurray, 5829.

#### NATIVE AMERICAN LONGHOUSE

Site work continued this week on storm drains and sanitary sewer lines. This work should be completed next week, along with running the underground power and fire lines into the building. LCC electricians are installing boxes and conduit for power and for the fire alarm system. HVAC ductwork installation, along with some framing modifications, has begun. Contact Brian McMurray, 5829.

#### WEST ENTRANCE ADA RAMP UPGRADE

Site clearing for the west entrance is completed and underground plumbing has begun. Some over excavation had to be done to ensure the new access ramp on the southwest corner of building 4 was placed on solid ground. Contact Mark Richardson, 3426.

#### ASBESTOS ABATEMENT

Abatement activities are almost completed for the underground tunnel section. Pacific Environmental is expected to be complete work in the southwest area of the tunnel by June 11, then move to the area in the northeast corner of building 19, extending to the cross tunnel below building 2. An HVAC shut down is scheduled for completing the abatement work and is going to be performed on Fridays between June 26-September 4, except July 3, to minimize disruptions to summer activities. Insulation is being replaced by deferred maintenance staff. Contact Mark Richardson, 3426.

#### UTILITY SUBMETERS

Installations of the meters is scheduled to start late June or early July. A shut-down schedule is being developed for the installations. Contact Mark Richardson, 3426.

## BUILDINGS 4 & 5 REROOF

Umpqua Roofing is removing the old composition roofing and installing new insulation and metal roofing on building 5. The metal roofing material is being loaded on the roof of building 5 by a crane service and is expected to continue the week of June 8. Flat roof work over building 4 will continue this week. Contact Mark Richardson, 3426.

## CLASSROOM UPGRADES

Deferred maintenance staff are working in several locations in building 12 upgrading floor covering, ceiling tiles, and painting. Classrooms 214 and 216 are being upgraded with new carpet, paint, ceiling tiles, and lighting. On June 11 the upgrades for building 9 rooms 102 and 103 will start and is scheduled for completion September 15. June 13 will be the kick-off of summer classroom upgrades to smart rooms starting with rooms in buildings 6, 8, 12, and 15. Contact Mark Richardson, 3426.

FAMILY SEEKS HOUSE RENTAL - We prefer South Eugene, but will consider other family-friendly neighborhoods in Eugene. We are hoping for at least 3 bedrooms and a garage with a fenced yard. We have a strong rental history and I am a former

homeowner with excellent credit and references. Contact: Angela Kellner at 521-1783 or babyduck28@comcast.net

**DOG HANDLERS NEEDED:** West Coast Dog and Cat Rescue desperately needs volunteers to be in charge of our rescue dogs (one volunteer per dog) at our weekly Saturday adoption event at Petsmart (11AM to 3PM). If you can spare just ONE SATURDAY a month (or even one every other month), please get in touch with us. Each volunteer is in charge of one dog while people look at it, plus walking it etc. This could even be done by a mature teenager (perhaps one who might need some service hours?). If you're interested, please contact Jenn Clark at 221-3055 or [west\\_coast\\_dog\\_and\\_cat\\_rescue@yahoo.com](mailto:west_coast_dog_and_cat_rescue@yahoo.com).

I'm looking for a PARTNER or two for SUMMER WEIGHT LOSS program! I'm embarking on a program to lose a pound a week this summer. I lost fifteen pounds two summers ago and was doing it again last summer when I got ill and had to break it off, but now I'm healthy again and ready to resume my weight loss regime. I thought it might be more fun to do it with another person or two, for the comradeship, support, and motivation... Absolutely no products being sold and no money is involved. The program

involves simply watching calories and exercising reasonably (walks?) and consistently. The weight comes off if one stays consistent, and we can enjoy the challenge. If this adventure interests you, please contact me: Robert Sposato, Academic Learning Skills, [robsp@comcast.net](mailto:robsp@comcast.net)

WALK TO LCC. 1910 2 story farmhouse on close-in shared acreage near LCC (off Seavey Loop) with room for gardening. Excellent for bird watching: adjacent to state land and creek. 2+ bedrooms, newly refinished old growth fir floors, weatherized, pellet stove + electric heat, range, refrigerator, washer/dryer, 1 1/2 baths, lots of storage. Large porch and deck. A totally unique place. No horses, or livestock except possibly a few chickens. Possibly one dog /one cat. Springfield schools, Eugene mailing address. \$895 per month. **PRESIDENT RECEIVES EIGHTH OUTSTANDING PERFORMANCE REVIEW**

President Mary Spilde received her eighth straight outstanding annual performance evaluation from the college's Board of Education. "Mary is a well-respected and passionate leader within the college and community, state and nation," said chair Susie Johnston at the board's June 10 meeting. See the news online at [lanecc.edu/mpr/news/releases.htm](http://lanecc.edu/mpr/news/releases.htm) Submitted by the editor.

**EMERGENCY ALERT NOTIFICATION SYSTEM READY TO GO**

Lane is implementing the Lane Alert automated emergency message system to quickly inform staff, students and campus visitors about emergencies on campus and how to respond.

All employees will be prompted in ExpressLane to designate at least one telephone number, e-mail address, cell phone or text message number, to complete enrollment in the Lane Alert emergency messaging system. A test message is planned to occur within the next two weeks. Modifications have been made to the data collection process in order to keep data separate from the Banner data to ensure it is only used for Lane Alert situations.

The new system will improve safety and emergency preparedness at Lane. Thanks for your help. For more information contact Dawn Barth, emergency and risk management analyst, at [barthd@lanecc.edu](mailto:barthd@lanecc.edu) or 5503.

**CENTER FOR MEETING AND LEARNING INTRODUCES NEW RATES**

Center for Meeting and Learning will be introducing a new pricing structure come July 1. The new rates are being implemented to help streamline the event costs for internal and co-sponsored events and eliminate the "gray area" issues that co-sponsored events were presenting. Previously the Center has offered two different rate structures for these two groups. These new rates will be extended to both co-sponsored and internal groups. The rates offered to both groups will be 60 percent off of standard room rates, 50 percent off audio visual equipment, and all events will be subject to the standard 18 percent food and beverage service charge. The full explanation of these rates and a new Internal Rental and Culinary Services Agreement will be available on COPPS July 1. Please do not hesitate to contact the Center for Meeting and Learning staff with questions. Submitted by Amanda Eriksen.

**ANNOUNCING THE TITAN STORE!**

The bookstore is officially changing its name to the Titan Store to reinforce the new Titan mascot and also reflect the full range of products and services it provides to students, faculty, staff and community members. Contact: Jen Steele, 5675.

**RESEARCH PROJECT LOOKS AT STUDENT ENGAGEMENT**

Research shows that student engagement is strongly related to student success in community colleges. Understanding students' earliest experiences at Lane can help us enhance student learning, retention, and success. This fall, Lane will be joining the

consortium of Oregon community colleges in a national survey research project as we conduct the Survey of Entering Student Engagement (SENSE). This survey will be administered in the fourth and fifth weeks of fall term '09. The survey focuses on institutional practices and student behaviors in the earliest weeks of college and will provide helpful information for improving student success through Lane's Engaging Students Title III grant. The project is part of The Center for Community College Student Engagement (CCCSE) and the Community College Leadership Program at The University of Texas at Austin.

The survey will be administered in classes randomly selected by SENSE to achieve a representative sample of new students to Lane. Instructors whose classes are selected for survey administration will receive more specific information about the survey from IRAP. You can learn more about SENSE from the project Web site at [www.enteringstudent.org](http://www.enteringstudent.org). If you have questions about the upcoming survey, contact Craig Taylor at [taylorc@lanecc.edu](mailto:taylorc@lanecc.edu).

#### KATHY CALISE SELECTED FOR LEADERSHIP INSTITUTE

Kathy Calise, program coordinator in Continuing Education, has been chosen to participate in the Oregon Institute for Leadership Development, a state program for faculty, staff and administrators in Oregon's community colleges interested in leadership, personal and professional growth. This four-day program is modeled after the National Institute for Leadership Development, a professional development institute also for women in higher education and public service. Session topics include human relations skills, problem solving, balancing priorities, team building, leadership, and organizational transformation as well as discussions with state experts and community college leaders on the issues confronting community colleges during the next decade.

Participants are chosen for their professional abilities and potential and their interest in advancement. OILD is recognized by colleges throughout the state that produce leaders who effectively challenge assumptions, eliminate barriers and create new pathways to successful solutions. Submitted by Tina Reyes, Continuing Education, 5903.

#### NAME CHANGE

Hello Colleagues: My name has changed from Carolyn Wood to Carolyn Philes. My new e-mail address is [philesc@lanecc.edu](mailto:philesc@lanecc.edu). Have a great summer!

#### SUMMER HOURS

For continuing department summer hours announcements, go online to:

<http://www.lanecc.edu/summerhours.html>

New announcements:

\* CENTER FOR MEETING AND LEARNING office closed Thursday, June 18.

\* PRINT SHOP AND WAREHOUSE CLOSED FOR 2-DAY INVENTORY:

Printing/Graphics services will not be available during the department's annual inventory, Monday June 29 and Tuesday, June 30. The print shop lobby will be open only for drop-off and pick-up of printing orders on those days. Please plan your printing needs accordingly. The college's Warehouse Services also will conduct inventory the same days, and merchandise will not be available for purchase. UPS and FedEx delivery service will continue without interruption. Regular operations in both departments will resume Wednesday, July 1. For more information, contact Tom Johnson, 463-5373.

\* FITNESS EDUCATION CENTER hours June 22 - September 10: Mondays - Thursdays 6:30 a.m.-9 a.m. and 12 p.m.-3 p.m. Contact: Marisa Hastie.

#### CLASSIFIED AND MANAGEMENT INSURANCE OPEN ENROLLMENT

Open enrollment for adding and/or removing dependents from your medical, dental and vision insurance coverage is underway and continues through June 25 for a July 1 effective date. No action is necessary for those already enrolled who do not want to make changes. If you have questions, call Heidi Morales at 5592 or Sharon Daniel at 5190.

#### SUCCESSFUL AGING INSTITUTE NOW ENROLLING

Registration is underway now for the premier class of Lane's new Successful Aging Institute. This class will explore a holistic mind, body, spirit approach to aging--and uncover what it means to age successfully. For more information about this wonderful, early September program, or to register, call 4634. Look for many more offerings fall term. Contact: Barbara Susman.

#### RECRUITING SENIOR COMPANIONS

The federal Senior Companion Program provides a tax-free hourly stipend to low-income adults age 55 or better who provide one-on-one outreach to frail elderly and disabled adults for 15 or more hours per week. Companions serve through senior organizations in Lane County, which are responsible for all client selection. Pre-training and ongoing support is provided. Sponsored locally by Lane Community College. To get involved, call Diana Gatchell at 4630 or visit <http://www.lanecc.edu/scp/about.htm>

#### FACILITIES UPDATES

  
-----

#### BOND UPDATE:

Building 2 and Performance Hall elevator project starts with a kick-off meeting with the architect June 18. This meeting has to do with the "mechanics" of the project. PUG members will not be needed at this meeting. Performance Hall seats have been ordered and the architect working on drawings for ADA platforms. Center building re-roof project is scheduled to start this week. Asbestos abatement work scheduled to be done this week in the Center first floor classroom project. New siding is scheduled to be purchased this week for the Florence project. Thirty-five design firms requested copies of the request for proposals for the Track and Soccer Bowl upgrades project. A pre-proposal conference scheduled for Wednesday, June 17 and proposals are due June 24. The architect for the remodel of room 19/270 for Foundation offices is planning to go out for bids by the end of June. Space assignment request is being prepared for the

renewable energy project. Bond project manager hire committee has made a recommendation and reference checks will be done as soon as time permits. Contact Bob Mention, 5747.

#### DEFERRED MAINTENANCE PROJECTS--

Deferred maintenance project work continues at a rigorous pace with work accelerating into the early summer weeks. Here are some project specific highlights:

#### PROJECT 445 CENTER BUILDING NORTH ELEVATOR IMPROVEMENT

NW Elevator continues to acquire and fabricate equipment for the elevator upgrade. Parts and materials will begin arriving on campus the week of June 22. The elevator will be shut down for the summer, starting June 29. Alternative access to the Bookstore will be provided. Contact Brian McMurray, 5829.

#### PROJECT 445 STAIR AND HANDRAIL RENOVATIONS

Replacement of connecting stairs in south parking lot L is continuing. These stairs are scheduled to be completed by mid-July. "Rumble strips" in designated parking lots and roadways will be cut in this week. Stairs between buildings 4 and 5 have been removed and the contractor will pour concrete footings and floor patches Wednesday, June 17. Contact Brian McMurray, 5829.

#### PROJECT 448 KEYLESS DOOR ACCESS

The access control consultants and LCC project coordinator staff met with Child Care and Industrial Technology department leadership to review the access controls planned for buildings within their organization. These meetings will continue for several more weeks until all the campus buildings have been reviewed and requirements established. Contact Dave Smith, 3433.

#### PROJECT 452 ELECTRICAL UPGRADES

LCC deferred maintenance electricians replaced several breakers in building 7 and in Child Care buildings 24-27 during Saturday work. Panel replacement work will continue in Buildings 7 on subsequent Saturdays. Contact Dave Smith, 3433.

#### PROJECT 452 EXTERIOR LIGHTING

Christensen Electric, the contractor for the exterior lighting replacement, has been installing underground conduits for electrical power for the new lighting fixtures on main campus. They are working closely with LCC groundskeeping to insure that there is minimal damage to landscaping, although some damage was accidentally done to a natural planting area. LCC deferred maintenance electricians continue to work to replace old light fixtures that are mounted to the perimeters of the campus buildings with high efficiency LED light fixtures. Contact Dave Smith, 3433.

#### PROJECT 454 BUILDING 4 AND 5 ROOF REPLACEMENTS

Umpqua roofing continues to strip off old roofing materials and is now installing 2 inches of additional closed cell insulation and either the metal standing seam roofing on the sloped roofs or a white TPO type single ply roofing on the flat roofs. This work is progressing nicely and is expected to be completed in late summer. Contact Mark Richardson, 3426.

#### PROJECT 458 AMTF AND BUILDING 12 PAINT BOOTHS

Proposals for new paint booths have been received and are being evaluated. Expect fabrication of booths to begin last week of June. Contact Brian McMurray, 5829.

OTHER MAJOR FMP PROJECTS:

LONGHOUSE

Site work will be completed this week and electricians are continuing with rough in. Installation of HVAC ductwork will also continue this week. LCC grounds staff have begun landscaping prep work on the east side of the building. Contact Brian McMurray, 5829.

COLLECTION HOLDS 40 CUBIC FEET OF PUBLIC RADIO HISTORY SINCE 1968

The Archives is pleased to announce the completion of the Guide to the KLCC-FM Records (A-055). This is an important addition to the holdings of the Lane Archives as well as an important addition to the historical record of public radio in the U.S. The finding aid is available online at <http://www.lanecc.edu/archives/A055.htm> or it can be viewed on the Northwest Digital Archives website at: <http://nwda-db.wsulibs.wsu.edu/findaid/ark:/80444/xv25662>

The records in this collection date from 1968 and document the administrative, news and music broadcasting, marketing, public relations, and fundraising activities of the radio station. The collection includes audio and video recordings from the news, music, and advertising departments and also posters and banners. The collection contains 40 cubic feet of material including paper records and 153 audio cassettes, 151 reel-to-reel recordings, as well as video cassettes and audio and video CDs. KLCC NEWS WINS MULTIPLE AWARDS

KLCC 89.7 FM news has won 10 awards from the Oregon Associated Press Broadcast Association, seven awards from Public Radio News Directors Inc., and five awards from the Society of Professional Journalists. Three other SPJ awards were given to Northwest News Network, to which KLCC contributes. All awards are for work produced in 2008. OAPBA judges KLCC in the division 2, non-Portland metro markets category in its statewide competition. PRNDI, providing the only national contest recognizing outstanding public radio news reporting at local stations, judges KLCC in the Division C, small news staff category. SPJ honors excellence in journalism in the Pacific Northwest, with this year's judging provided by professional journalists from an SPJ chapter in Pennsylvania. The KLCC news department includes News Director Tripp Sommer, six part-time host/reporters, and a handful of volunteer reporters. KLCC is a charter member of NPR, and supplements NPR programming with a variety of local and regional news and public affairs programs.

#### BEFORE YOU PLUNGE INTO ENDLESS SUMMER, SOAR INTO COLLEGE

Enrollment increases at Lane could reduce choices for first-time credit students this fall, except those who sign up now for SOAR, Student Orientation and Registration. These four-hour sessions introduce new students to campus, connect them with an advisor, explain financial aid, and best of all—let students register early to get the classes they want. SOAR sessions will be held August 24, 25, 26, 27, 31, and September 1 and 2. Students can register to attend a SOAR session by going online at [www.lanecc.edu/stuser/soar.htm](http://www.lanecc.edu/stuser/soar.htm) Contact: Helen B. Garrett, Associate Dean of Student Affairs, [garretth@lanecc.edu](mailto:garretth@lanecc.edu) or 5686.

#### VISITS AND CAMPUS TOURS

Should you, your department or program receive any requests from prospective or incoming students about visiting Lane or taking a tour of campus, please funnel them to David Van Der Haeghen, Student Recruitment and Outreach Coordinator, at 5688 or [outreach@lanecc.edu](mailto:outreach@lanecc.edu). Please note that one week's advance notice is required for all campus visits and tours.

#### FOUNDATION REQUEST

All check requests required to transfer funds from Foundation accounts to the college by year end, must be received in the Foundation office by Wednesday, June 24 at 12 p.m. Check requests received after this deadline will not be processed until July. This will allow Foundation staff and Enrollment Services adequate time to process and deposit any year end transfers before June 30. Thank you for your help and understanding. Submitted by Jeri Steele.

#### I CAN, ONE CAN FOOD DRIVE CONTINUES DURING SUMMER

Let's donate for another 350 pounds of non-perishable food items this summer. Lane will then reach a ton of food donated to Food For Lane County for food boxes and meal sites. Tell your friends. Donate one can of non-perishable food a month to Lane's ongoing food drive. Food will be picked up the last week of each month. You still have a week to bring your June food item. Look for a box near you or call for a location, 5395 or 912-2228. Submitted by Beverly Farfan, [farfanb@lanecc.edu](mailto:farfanb@lanecc.edu).

#### WALKERS NEEDED FOR LANE'S RELAY FOR LIFE TEAM

The Relay for Life is only 31 days away. It is time to fill our Walker schedule. The relay starts Friday, July 24 at noon and ends Saturday July 25 at noon. It is okay if you can only walk a lap or two. You can pick one or more 30-minute slots to walk. It is fine if you are not officially on the team and would like to walk with us. It is also okay for people to walk together. Remember we have 48 slots to cover so you night owls please sign up for some of the late night / early morning slots (breakfast is provided). Cancer Survivors may choose to walk only the Survivors Lap Friday night at 7:30 p.m. Please e-mail me your slot time choices. Also include any alternative times you would be willing to do if we have blank slots. If you still need to register go online at [www.esrfl.org](http://www.esrfl.org) , click "Join A

Team", put in Lane Community College, click "Join Our Team" and fill in the information. If you don't want to register online I have paper forms you can fill out. People who have officially registered either online or on the Relay for Life paper form will receive a T-shirt. Our next planning meeting will be Wednesday, July 1, 3-4 p.m., building 19, room 321 (Cooperative Education office). If you have any questions call Beverly Farfan 5395 or 912-2228, or Sue Thompson 5735, or Gloria Vanderhorst 5604.

#### AAWCC 2009 SUMMER CONFERENCE

The AAWCC Summer Conference is an opportunity for professional development and growth, as well as network with other colleagues from community colleges throughout Oregon. This year the conference is scheduled for July 23 from 8:30 a.m. to 4:00 p.m. in Hood River at the Best Western. Registration for the conference is \$75 and you can register online at <http://aawccoregon.org/summer-conference>. This year's conference theme is "Staying Well and Productive in Challenging Times" featuring Ann Kramer, author of Life Puzzle; Carola Stepper, licensed acupuncturist; and Maureen Sprague, Usui Reiki master. Refer to the website link above for additional information. We hope to see you there! Submitted the AAWCC Lane Community College Chapter Board.

Submitted by Michael Levick.

#### CENTER FOR MEETING AND LEARNING INTRODUCES NEW RATES

Center for Meeting and Learning will be introducing a new pricing structure come July 1. The new rates are being implemented to help streamline the event costs for internal and co-sponsored events and eliminate the "gray area" issues that co-sponsored events were presenting. Previously the Center has offered two different rate structures for these two groups. These new rates will be extended to both co-sponsored and internal groups. The rates offered to both groups will be 60 percent off of standard room rates, 50 percent off audio visual equipment, and all events will be subject to the standard 18 percent food and beverage service charge. The full explanation of these rates and a new Internal Rental and Culinary Services Agreement will be available on COPPS July 1. Please do not hesitate to contact the Center for Meeting and Learning staff with questions. Submitted by Amanda Eriksen.

-----  
FACILITIES UPDATES  
-----

**BOND PROJECT 09-1972 CENTER BUILDING ROOFING PROJECT**

Umpqua Roofing was awarded the roofing contract on June 15 and is expected to start construction activities on July 20. Materials for the roofing project is expected to show up on site and will be loaded on the roof used a large crane on the southwest corner of the Center building. The only day of the week cranes might be loading materials would be on Fridays so students and staff will not be affected. Contact Mark Richardson, 3426.

**PROJECT 445 STAIR AND HANDRAIL RENOVATIONS**

Replacement of connecting stairs in south parking lot L is continuing. Long set of steps leading from 'L' to building 19 have been removed. These stairs are scheduled to be completed by early August. Rumble strips have been created in designated parking lots and roads on the south and west sides of the campus. Stairs between buildings 4 and 5 are gone and expect new stairs to be installed by mid-August. Contact Brian McMurray, 5829.

**PROJECT 445 CENTER BUILDING NORTH ELEVATOR MODERNIZATION**

Reminder: North elevator will be shut down for the summer starting June 29. NW Elevator continues to assemble parts and equipment for the elevator upgrade. Those items will begin arriving on campus the week of June 22 and modernization work on the elevator will begin June 29. Alternative access to Bookstore will be provided. Contact Brian McMurray, 5829.

**PROJECT 447 CARPET REPLACEMENT**

Carpet has been ordered for a large numbers of rooms in buildings 11 and 12. The carpet order has suffered a minor set back due to a fire back East in a supply mill making it difficult to get all the carpet orders filled when promised. The offices and classrooms that are scheduled to receive new carpet will see some replacement starting at the end of July. Facilities will receive one order scheduled for delivery on June 25 and installation the following week. The shipment coming will cover the classrooms in building 12 and some other various locations. Contact Mark Richardson, 3426.

**PROJECT 448 KEYLESS DOOR ACCESS**

The Deferred Maintenance Leadership Team met with the access control consultants this week and meetings have been set with academic deans and departmental leadership to review the access controls planned for each building within their organization. Theses meetings will continue for several more weeks until all the campus buildings have been reviewed and requirements established. Installation of junction boxes for exterior doors continues in buildings 7, 9 and 12. Contact Dave Smith, 3433.

**PROJECT 449 ASBESTOS ABATEMENT**

Pacific Environmental has finished the area of tunnel between buildings 2 and 19. Their crews will be erecting a containment system starting at the location below the business building 2 and the administration building 3. Deferred maintenance crews completed

installing insulation in the east and south sections of the tunnel. Abatement activities were completed in building 12 classrooms with PBS Environmental providing a clean air report on June 17. Contact Mark Richardson, 3426.

#### PROJECT 450 EMERGENCY COMMUNICATION SYSTEM

SecureCom, the fire alarm contractor, is installing new speakers, annunciators, and wiring for the upgraded fire alarm systems. Deferred maintenance employees have begun the installation of the wiring and conduit for this project in buildings 9 and 12. Contact Dave Smith, 3433.

#### PROJECT 451 UTILITY SUBMETERING

Contractors EMK and JKG have ordered part of the meters which are expected to be on site the end of June to kick off the installation activities. Contact Mark Richardson, 3426.

#### PROJECT 452 LAUNDRY UPGRADES

Twin River Plumbing continues to run piping in the tunnel system and in building 7 for a renewable energy project designed to recover heat from the laundry room driers and increase the efficiency of the laundry room boiler systems. Contact Dave Smith, 3433.

#### PROJECT 453 SEWER PIPE REPLACEMENTS

A design meeting was held on June 15 to discuss the location and sizes of the new grease traps for the kitchen area. The new as-built record should be completed by Monday June 22 and will enable LCC to move forward with ordering the appropriate sizes to avoid problems with the drain system in the future. Contact Mark Richardson, 3426.

#### PROJECT 454 BUILDINGS 4 & 5 REROOFING

Umpqua Roofing has completed the tear-off and reinstalled the flat roof section of building 4. Stedman Sheet Metal is currently working on installing the metal over the peaked roofs on building 4 and is expected to be completed with that area by Friday, June 26, completing the last roofing activity for building 4. Umpqua Roofing started the tear-off of the old roofing material a few days ago and is now currently working over the PE tower between the gymnasium and the fitness center. Weather permitting, removal of the old material on building 5 is expected to be completed June 26. Installation of the sheet metal roofing on building 5 is expected to start on June 29 and is scheduled to be completed by September 15. Contact Mark Richardson, 3426.

#### PROJECT 455 RESTROOM REMODELS

Work continues in building 4 first floor restrooms. Temporary occupancy is anticipated June 26. Demolition in building 6 level 1 restrooms to start June 22. Contact Angela Fazio, 3428.

#### PROJECT 456 CLASSROOM UPGRADES

Starting next week will be Center building rooms 401, 402, 423, and 425. When the center building classrooms begin upgrades students and staff will begin to see sections of scaffolding setup in various locations around the stairs to the bookstore around June 23. This scaffolding is for access to run the wires for the new upgrades and is expected to be in place only two days. Contact Mark Richardson, 3426.

#### PROJECT 458 RTS AND BUILDING 12 PAINT BOOTHS

New paint booths for building 12 and the RTS building at the airport will be ordered this week. Contact Brian McMurray, 5829.

#### PROJECT 459 SHOWER UPGRADES

Currently out of service for tile replacement are the women's staff locker room, men's staff locker room, men's east water closet and shower bay #3. Tile work is completed in men's shower bay #1 and it is back in service. Contact Angela Fazio, 3428.

#### NATIVE AMERICAN LONGHOUSE

Grounds staff have begun landscaping work on the east side of the building. Electrical rough-in and ductwork continues inside. Contact Brian McMurray, 5829.

## BIRD'S EYE VIEW OF CAMPUS NOW ONLINE

The Archives has posted a series of aerial photographs of the main campus under construction from 1965 to 1980. Check out the Archives' new Flickr page and see how the campus changed in those first 15 years:

<http://www.flickr.com/photos/laneccarchives/sets/>

If you have or know the whereabouts of more recent aerial photos of the campus, contact Elizabeth Uhlig, 5466.

## STUDENT LAYNE CLEMEN ENGINEERS SUCCESS

Home schooled as a child, Layne Clemem started Lane Community College at age 17. He went on to graduate from Oregon State University and now works for Systems West. Meanwhile, he has been accepted into the University of California at Davis doctoral program in engineering. He credits his Lane experience and faculty including Robert Thompson and Cathy Miner for helping him succeed. Read the whole story and see a photo at:

## MARK YOUR CALENDARS: LANE PREVIEW NIGHT FEBRUARY 10

Lane Preview Night, the college's annual open house for high school students and their families, will be held Wednesday, February 10 from 6 to 8:30 p.m. in the gym (building 5) on main campus. This is a great opportunity to showcase all Lane has to offer, from academic programs to support resources to athletics. Please mark your calendar now for this annual evening! More information will appear in fall term about tabling, volunteering and program logistics. Contact David Van Der Haeghen at [vanderhaeghend@lanecc.edu](mailto:vanderhaeghend@lanecc.edu) or 5688 for more information.

## KLCC WILL BROADCAST THE OREGON COUNTRY FAIR

July 10, 11, 12

KLCC 89.7 FM will bring musical highlights and ambience of the Oregon Country Fair to anyone with a radio or internet connection. Mainstage performances will blend with regular favorite KLCC programming for a weekend of solid entertainment and information.

On Friday KLCC will broadcast Mainstage performances by Joanne Rand, Lewi Longmire Band, Soul Sisters, and Chicago Afrobeat Project. KLCC will break from the

Fair at 4:30 p.m. to air NPR's All Things Considered, returning to the Fair to broadcast the closing act, BK3 featuring Bill Kreutzmann of the Grateful Dead, along with James "Hutch" Hutchinson and Scott Murawski.

On Saturday KLCC will broadcast Mainstage performances by Abbey Road LIVE!, LoCura, March 4th Marching Band, and Pimps of Joytime. KLCC will break from the Fair at 5 p.m. for NPR's All Things Considered, and return for the closing act, The Gourds. A special Dead Air from The Fair airs at 7 p.m.

On Sunday KLCC will broadcast Mainstage performances by Bongo Love, Izabella, Manooghi Hi, Fareed Haque & the Flat Earth Ensemble, and Heavyweight Dub Champion.

With KLCC streaming live on the web, the Oregon Country Fair can be enjoyed throughout the world. Visit [www.klcc.org](http://www.klcc.org) and click on "Listen Live."

The broadcast is funded by generous sponsors from the KLCC business community. Keep the magic of the Oregon Country Fair with you, courtesy of KLCC 89.7 FM Eugene. Contact: Gayle Chisholm, 6000.

#### I CAN, ONE CAN FOOD DRIVE CONTINUES DURING SUMMER

Let's donate another 300 pounds of non-perishable food items this summer. Lane will then reach a ton of food donated to Food For Lane County for food boxes and meal sites. Tell your friends. Donate one can of non-perishable food a month to Lane's ongoing food drive. Food will be picked up the last week of each month. July has just begun so you have lots of time to bring your food item. Look for a box near you or call for a location, 5395 or 912-2228. Submitted by Beverly Farfan, farfanb@lanec.edu

#### WALKERS NEEDED FOR LANE'S RELAY FOR LIFE TEAM

The Relay for Life is almost here. We still have slots available in our Walker Schedule. The relay starts Friday, July 24 at noon and ends Saturday July 25 at noon. It is okay if you can only walk a lap or two. You can pick one or more 30-minute slots to walk. It is fine if you are not officially on the team and would like to walk with us. It is also okay for people to walk together. Remember we have 48 slots to cover so you night owls please sign up for some of the late night / early morning slots (breakfast is provided). Cancer Survivors may choose to walk only the Survivors Lap Friday night at 7:30 p.m. Please e-mail me your slot time choices. Also include any alternative times you would be willing to do if we have blank slots. If you still need to register go online at [www.esrfl.org](http://www.esrfl.org), click "Join A Team", put in Lane Community College, click "Join Our Team" and fill in the information. If you don't want to register online I have paper forms you can fill out. People who have officially registered either online or on the Relay for Life paper form will receive a T-shirt. If you have any questions call Beverly Farfan at 5395 or 912-2228, or Sue Thompson at 5735, or Gloria Vanderhorst at 5604.

#### SUPPORT LANE'S RELAY FOR LIFE EFFORTS TO HELP FIGHT CANCER: SHOP AT OUR GARAGE SALES

Many great bargains, big and small. New items added each day. First garage sale Friday and Saturday July 10 and 11, 9 a.m. to 4 p.m., at 973 South 37th Place off Jasper Road, Springfield. Second garage sale Friday and Saturday July 17 and 18, 9 a.m. to 4 p.m., at 3925 Pearl Street, east off Willamette Street at 39th Place, Eugene. You can still donate items to the garage sales. You may also help our efforts by purchasing a luminaria or sun or moon from us. We will accept any donations you would like to give. We have receipts. When you donate you can fill-out a "Sun" or "Moon" card to remember or honor a loved one. We will display these at our tent site. You can also donate online to the team or an individual team participant. Go to [www.esrfl.org](http://www.esrfl.org). Click on "Donate to a Team"

or "Donate to a Participant". If you have any questions call Beverly Farfan at 5395 or 912-2228, or Sue Thompson at 5735, or Gloria Vanderhorst at 5604.

EWEB EXTENDS GRANT FOR ENERGY PROGRAM

The Eugene Water & Electric Board has renewed the Energy Management program education grant for five years beginning with \$134,390 for 2009/10, with an annual 3 percent inflation adjustment for a total of \$713,496.

"EWEB and other local public utilities are fortunate to have the nation's premier two-year training programs for energy management right here in Eugene," said John Femal, EWEB's education grants coordinator. "LCC's program has benefitted EWEB and many other local employers by preparing students for careers in the energy industry."

In addition to the program grant, EWEB offers two scholarships for energy program students. Applications are due August 2. For the full story go online to:

FACILITIES UPDATES

-----  
**BOND UPDATES:**

For more information about bond projects, contact Bob Mention, 5747.

**PERFORMANCE HALL SEAT REPLACEMENT**

The old seats have been removed and concrete work to install wheelchair accessible platforms will be complete in the next few weeks. The work is still on target to be completed by the start of fall term.

**BUILDING 2 REMODEL & PERFORMANCE HALL ELEVATOR PROJECTS**

Architects are gathering material in advance of the July 15 Project User Group (PUG) meeting.

**CENTER BUILDING RE-ROOF**

The project is on schedule to be completed by end of summer.

**CENTER BUILDING SE CLASSROOM REMODEL**

Asbestos abatement and demolition of existing rooms is underway. Quotes from contractors to remodel the area will be submitted next week.

**FLORENCE CENTER PROJECT**

Contract documents are scheduled to go out for bids next week to re-side, re-roof and add to the original building.

**DOWNTOWN CAMPUS**

A special work session by the Board of Education will be held July 21 to discuss site options for the proposed building.

**TRACK AND SOCCER BOWL UPGRADES**

The board is expected to approve a contract award for a design firm at a special meeting July 21.

**FOUNDATION OFFICE SUITE**

Contractor bid opening for the remodel of the southwest corner of building 19 for the Foundation is scheduled for July 28.

**DEFERRED MAINTENANCE PROJECTS:**

**PROJECT 445 STAIR AND HANDRAIL RENOVATIONS**

Work continues on steps in parking lot L this week. Expect the last steps to be poured on July 20. The long set of steps leading from parking lot L to building 19 have been removed and new steps should be poured on July 27. Metal stair frame in building 4 has been installed and the first pour for step treads will be July 13. Contact Brian McMurray, 5829.

**PROJECT 445 CENTER BUILDING NORTH ELEVATOR IMPROVEMENT**

New doors should be installed by July 17. A new motor and controller are installed and brake work is almost complete. Alternative access to the bookstore is being provided on the south elevator. Contact Brian McMurray, 5829.

#### PROJECT 446 EXTERIOR LIGHTING

Christensen Electric, the contractor for the exterior lighting replacement, will be excavating for the pathway pole and bollard bases next week. The excavating auger will create a 3 to 5 foot deep hole in which either a precast or a poured concrete base will be installed. Holes will be filled immediately or plywood covers placed over them if left unfilled overnight. They are working closely with LCC Groundskeeping to ensure that there is minimal damage to landscaping. LCC deferred maintenance electricians continue to work to replace old light fixtures that are mounted to the perimeters of the campus buildings with high efficiency LED light fixtures. They are approximately twenty-five percent complete with the work. Contact Dave Smith, 3433.

#### PROJECT 447 CARPET REPLACEMENT/FLOOR COVERING

Carpet replacement for building 12 upper floor classrooms and offices is scheduled to start on July 13 and complete about July 27. The next shipment of carpet is scheduled to be installed in some of the classrooms in the Center building and building 16. A large order of carpet is expected to arrive the first week of August and that order is for the remaining smart classrooms. Contact Mark Richardson, 3426.

#### PROJECT 448 KEYLESS ACCESS PROJECT

Allied Fire & Security began work in building 1 Student Services, building 9 Auto/Diesel, and buildings 24-27 Child Care. A presentation was given to the Executive Team on July 9 to review the keyless access system planned for the campus. Much valuable guidance was received from this committee on policy related questions. Meetings with individual departments will continue for several weeks until all the campus buildings have been reviewed and requirements established. Contact Dave Smith, 3433.

#### PROJECT 449 ASBESTOS ABATEMENT

Pacific Environmental has now completed 80 percent of the tunnel work along with other various locations in other buildings. Every Friday beginning from July 10 the HVAC units will be turned off at different locations allowing the contractor to perform their abatement activities. Most areas can be completed in one day. Contact Mark Richardson, 3426.

#### PROJECT 450 EMERGENCY COMMUNICATION SYSTEM

SecureCom, the fire alarm contractor, is installing new speakers, annunciators, and wiring for the upgraded fire alarm systems. This project will include public address speakers in most spaces for the mass communication system. LCC deferred maintenance employees have begun the installation of the wiring and conduit for this project. Contact Dave Smith, 3433.

#### PROJECT 451 UTILITY SUBMETERING

EMK/JKG is on site doing preparation work for installing the meters. The first scheduled shutdown for meter installation is July 17 for buildings 6, 7, and 9. During the shut down there will be no water or gas service to these building for the major part of the day. The laundry facilities will be shut down at a different time and day to avoid any interruptions in services to the campus. Contact Mark Richardson, 3426.

#### PROJECT 452 ELECTRICAL UPGRADES

LCC deferred maintenance electricians have been replacing up to 43 obsolete and unsafe electrical panels at the main campus and completed eight panels in building 7. Work will continue to replace 30 additional panels in buildings 4, 5, 11, and 12 through the summer. Departments affected by this work will be notified in advance in accordance

with college policy. Twin Rivers Plumbing contractors finished piping work last week in the tunnel system and in building 7 for a renewable energy project. Evergreen Engineering has finished the Campus Electrical Systems one line verification and update, Arc Flash studies, and overcurrent coordination studies and submitted plans and recommendations. Contact Dave Smith, 3433.

#### PROJECT 453 SEWER PIPE REPLACEMENT

Grease traps for the Center kitchen have been ordered and installation is expected to start the week of July 20. Grease traps in the kitchen area are needed to avoid clogging the drains with grease and will be easy to maintain by facilities staff. Contact Mark Richardson, 3426.

#### PROJECT 454 BUILDING 4 AND 5 REROOF

The flat roof work has started over the top of building 5 and should be completed by July 17. Umpqua Roofing has made adjustments in their schedule to accommodate activities taking place in that area. Contact Mark Richardson, 3426.

#### PROJECT 455 RESTROOM REMODELS

Remodel is complete in Building 4 first floor restrooms and the restrooms are open. Punchlist items are being addressed. Exterior doors scheduled to be replaced July 16-17 during which time restrooms will be out of service. Building 4 second floor restrooms demolition are ninety percent complete. Demolition in building 6 lower level restrooms is complete and framing, plumbing and electrical rough-in have started. Contact Angela Fazio, 3428.

#### PROJECT 456 CLASSROOM UPGRADES

Building 16 classrooms 161 and 271 are scheduled to be painted in the next two weeks. The first 10 smart classroom podiums are expected to be completed the week of July 20. A large order of carpet is expected to be shipped next week from the factory and should arrive on site the same week the first group of podiums is being installed. A smart classroom upgrade and flooring replacement will be done for a classroom at the Florence Center this summer also. All of the rooms are expected to be completed by September 1. Mark Richardson, 3426.

#### PROJECT 458 AMTF AND BUILDING 12 PAINT BOOTHS

New paint booths have been ordered for the return to service building at the airport and for building 12. Demolition of the old booth in building 12 is scheduled to begin July 13. Contact Brian McMurray, 5829.

#### PROJECT 459 SHOWER UPGRADES

Currently out of service for tile replacement: men's shower stall #3, men's west restroom. Currently out of service for fixture replacement and installation of ceiling: women's staff locker, men's staff locker, men's east restroom and men's shower stall #1. Fifty percent of fixture order arrived July 1 and the remainder is expected by July 17. Contact Angela Fazio, 3428.

#### OTHER MAJOR FMP PROJECTS:

LONGHOUSE

Landscaping work is underway by LCC grounds staff. Electrical rough-in and ductwork continues inside. A request for proposal has been released for audio visual design services. Contact Brian McMurray, 5829.

### IN MEMORY

\* Thomas Rubick, recently retired graphic design instructor, died July 19 following a long illness. "This is a tragic loss of one who gave so much to life through his art and teaching, his insistence on excellence and his honest and insightful contributions to our work and community in the arts and at Lane," said Arts Division Dean Rick Williams. Information about memorial services will be made available as soon as it is known. Contact: Art and Applied Design, 5409.

\* Ruth Albrecht, former language arts instructor, died July 8 of liver failure at age 70. See The Register-Guard obituary at <http://www.registerguard.com/csp/cms/sites/web/news/obituaries/16966983-41/story.csp>

### SPLIDE HEARS OBAMA ANNOUNCEMENT IN PERSON

President Mary Spilde attended President Barack Obama's speech on July 14 at Macomb Community College in Warren, Michigan, announcing the American Graduation Initiative, an unprecedented federal investment in community colleges for job training programs, online course development, and facilities upgrades. "This has tremendous historic significance," said Spilde, that "shows an important recognition of the vital role that community colleges play in economic recovery and growth." Obama called for community colleges to graduate five million more students by 2020. His proposal now moves to Congress. Spilde is a nationally known expert on workforce development and community college education and currently chairs the American Association of Community Colleges board. ## TEACHER2TEACHER SUMMER TECH WORKSHOPS AND MOODLE SUPPORT

July 15-September 12

Faculty, join in on the fun this summer, network with your peers and take a technology workshop! Sessions will be geared to all types of users, from technophobe beginners to tech savvy gurus. Everything from Moodle to Tweeting to Quality Matters will be covered. Workshops run one-hour to full four-day courses. For each workshop session you attend you will get the chance to enter a drawing for some great prizes. A FlipVideo, a NetBook, several thumbdrives and more will be awarded at the end of summer. Special four-day sessions will be held on Multimedia and Social Networking for Educators and on Quality Matters Standards for Building Online/Hybrid Courses. To learn about summer support, training opportunities and workshop descriptions go to: <http://lanecc.edu/atc/wstraining/schedule.html> Contact: Meredith Keene-Wilson.

## EWEB OFFERS SCHOLARSHIPS FOR UTILITY-RELATED CAREERS

The Eugene Water & Electric Board offers four scholarships for students planning a career in the utility industry in jobs such as line technician and energy management specialist. There are two utility school scholarships of \$1,250 each for qualifying students. EWEB also offers an internship program for high school and college students; most are paid. Application deadline for the scholarships is September 1. For more information go online at <http://www.eweb.org/jobs/scholarships> Submitted by the editor from an EWEB news release.

## REMEMBER THOSE HEALTHY HABITS

The Lane Health Clinic echoes Lane County Public Health in a reminder to practice healthy habits as the H1N1 virus lingers on in Lane County. If you have questions, visit the Lane Health Clinic web page at <http://www.lanecc.edu/healthclinic/fluinfo.html> and remember to practice these healthy habits:

- \* Wash your hands often with soap and water
- \* Cover your nose and mouth when you cough or sneeze
- \* If you're sick, stay home, and contact your doctor

For more information contact Mona Arbuckle at 5665.

## I CAN, ONE CAN FOOD DRIVE CONTINUES DURING SUMMER

Let's donate another 300 pounds of non-perishable food items this summer. Lane will then reach a ton of food donated to Food For Lane County for food boxes and meal sites. Tell your friends. Donate one can of non-perishable food a month to Lane's ongoing food drive. Food will be picked up the last week of each month. There is still time to bring in food for July. Look for a box near you or call for a location, 5395 or 912-2228. Submitted by Beverly Farfan, farfanb@lanecc.edu

## JOIN LANE'S RELAY FOR LIFE TEAM

The Relay is just days away, starting Friday, July 24 at noon and ending Saturday, July 25 at noon. Come and join us at our tent site at the southeast corner of the track. You can choose to walk a lap or two. It is fine if you are not officially on the team and would like to walk with us. It is also okay for people to walk together. Cancer Survivors may choose to walk only the Survivors Lap Friday night at 7:30 p.m. Please e-mail me your slot time choices or just come on by and be part of this great experience. At our tent site You may also help our efforts by purchasing a luminaria or sun or moon from us. We will accept any donations you would like to give. We have receipts. When you donate you can decorate a luminaria bag or fill-out a "Sun" or "Moon" card to remember or honor a

loved one. If you have any questions call Beverly Farfan at 5395 or 912-2228, or Sue Thompson at 5735, or Gloria Vanderhorst at 5604.

FACILITIES UPDATES  
-----

**BOND UPDATES:**

For more information about bond projects, contact Bob Mention, 5747.

**PERFORMANCE HALL SEAT REPLACEMENT**

Bids from contractors to build the new ADA platforms were received and were below estimated cost. Everything is still on schedule.

**BUILDING 2 AND PERFORMANCE HALL ELEVATOR PROJECT**

Architects and the Project User Group (PUG) met and began the programming phase.

**CENTER BUILDING CLASSROOM REMODEL**

Bids from contractors to do this work were received and were below estimated amount. A purchase order is being prepared and work should start thereafter.

**FLORENCE CENTER PROJECT**

Bid documents scheduled to go out for bids this Wednesday. Bids due on August 6.

**DOWNTOWN CAMPUS**

A Board of Education work session on July 21 will explore this matter.

**TRACK & SOCCER BOWL UPGRADES**

A special Board of Education meeting on July 21 will act on awarding a contract for design services.

**FOUNDATION OFFICE SUITE**

Bids for this work are due on July 28.

**BUILDING 10, RECYCLE CENTER & TEST CELL REPLACEMENT**

Request for Proposals from design firms is scheduled to be published this weekend, July 26.

**CENTER BUILDING ROOF**

Beginning Friday, July 17 and for the next several Fridays, materials will be lifted onto the top of the Center building by a crane that is set up at the southeast corner of the building on the first floor level. During crane activities access to the upper walkways around the Center building will be limited and controlled by the Facilities staff. The lower access road will be blocked off to thru traffic to allow the crane to rig and lift loads safely. Selected office locations on the southeast side of the Center building will have to be vacated when the crane is loading materials overhead. A member of the Facilities staff will be assist in asking staff to not occupy this area while materials are being lifted. If a staff member is occupying this area during crane activities, they should expect to be asked to leave for short periods of time and this may occur often. The project is expected to be completed by August 31. Contact Mark Richardson, 3426.

## DEFERRED MAINTENANCE PROJECTS:

### PROJECT 445 STAIR AND HANDRAIL RENOVATIONS

Remaining concrete steps in parking lot 'L' will be poured this week. Installation of handrails remains. Long set of steps leading from 'L' to building 19 have been removed and new steps are scheduled to be poured on July 27. Metal stair frame in building 4 has been installed and step treads have been poured. Painting and handrail installation remain. Contact Brian McMurray, 5829.

### PROJECT 445 CENTER BUILDING NORTH ELEVATOR MODERNIZATION

NW Elevator continues to make good progress on north elevator modernization. Alternative access to Bookstore is being provided on the south elevator. Contact Brian McMurray, 5829.

### PROJECT 446 EXTERIOR LIGHTING

Christensen Electric, the contractor for the exterior lighting replacement, is excavating the pathway pole and bollard bases this week. The excavating auger will create a 3 to 5 foot deep hole in which either a precast or a poured concrete base will be installed. Holes will be filled immediately or plywood covers placed over them if left unfilled overnight. The contractor is working closely with LCC grounds staff to ensure minimal damage to landscaping. Contact Dave Smith, 3433.

### PROJECT 447 CARPET REPLACEMENT/FLOOR COVERING

Carpet and linoleum installation in four classrooms in building 12 is expected to be completed the week of July 20. Next, carpet will be installed in classrooms on the Center fourth floor. Carpet replacement is also scheduled for building 6 rooms 140 and 126 the week of July 27. Beginning the second week of August, another large shipment of carpet will be delivered for buildings 19, 3, and 15 and Florence. Contact Mark Richardson, 3426.

### PROJECT 448 KEYLESS ACCESS PROJECT

Allied Fire & Security are continuing work in Student Services, Auto/Diesel, and Child Care. Meetings with individual departments will continue for several weeks until all the campus buildings have been reviewed and requirements established. Contact Dave Smith, 3433.

### PROJECT 449 ASBESTOS ABATEMENT

Pacific Environmental is scheduled to complete work in the last section of tunnel by July 28. Asbestos removal in the boiler room of building 11 is completed and work started Friday, July 17 in buildings 17, 15 and 12. Abatement crews are scheduled to start July 20 to remove the ceiling area around the old paint booth in building 12 to clear the path for installation of the new paint booth. Contact Mark Richardson, 3426.

### PROJECT 450 EMERGENCY COMMUNICATION SYSTEM

SecureCom, the fire alarm contractor, is installing new speakers, annunciators and wiring for the upgraded fire alarm systems. This project will include public address speakers in most spaces for the mass communication system. LCC deferred maintenance employees have begun the installation of the wiring and conduit for this project. Contact Dave Smith, 3433.

#### PROJECT 451 UTILITY SUBMETERING

EMK/JKG has been installing irrigation meters around the project site and is expecting to complete more over the next two weeks. No shutdowns are scheduled for July 24-25 during the Relay for Life event. Contact Mark Richardson, 3426.

#### PROJECT 452 ELECTRICAL UPGRADES

LCC deferred maintenance electricians continue to replace up to 43 obsolete and unsafe electrical panels at the main campus including 30 additional panels in buildings 4, 5, 11, and 12 during the summer. Departments effected by this work will be notified in advance in accordance with college policy. The piping for the renewable energy project was insulated which concludes the first phase of the project. LCC Facilities staff will meet with Evergreen Engineering later this month to discuss the campus electrical systems one line verification and update, arc flash studies, and overcurrent coordination studies. Contact Dave Smith, 3433.

#### PROJECT 453 SEWER PIPE REPLACEMENT

EMK will be installing the grease traps in the kitchen area of the Center building starting July 28. This work will be done after regular business hours and no impact on classes or other scheduled activities is expected. Other arrangements will be made for the work if the contractor expects problems that will take that area out of service. Contact Mark Richardson, 3426.

#### PROJECT 454 BUILDING 4 and 5 REROOF

Umpqua Roofing has completed removing the old roofing materials and should complete installation of single ply roofing over the gymnasium by Wednesday, July 22. Stedman Sheet Metal is currently installing new metal roofing on the east side and tower of building 5 and should complete work in two weeks. The scaffolding currently in place on the south side of building 5 will remain in place for safe access to install new metal roofing along the south side of the building. Contact Mark Richardson, 3426.

#### PROJECT 456 CLASSROOM UPGRADES

Currently 26 classrooms are being upgraded to smart classrooms with more starting August 1. Third Generation Painting has completed many of the classrooms and will start painting walls in buildings 8 and 9. Deferred maintenance crews will be patching concrete floors and walls in building 8 rooms 110 and 122 and patching walls and running electrical in Center building rooms 416, 427 and 432. Rooms that have been painted and will have podiums, whiteboards and new carpet installed over the next three weeks are Center building rooms 401, 402, 416, 423, 425, and 427, and building 16 rooms 126, 140, 161 and 271. Deferred maintenance crews will begin work on building 15 rooms 206 and 208 and building 19 rooms 109, 203 and 132 next. In the building 4 first floor classrooms, demolition is complete and deferred maintenance crews have been modifying the electrical system and installing new walls. The HVAC contractor will be on site laying out the new system for the classrooms and modifying the existing system starting the week of July 20. Eugene Mirror and Glass is scheduled to begin installation of the store front system the week of August 12. Contact Mark Richardson, 3426.

#### PROJECT 458 RTS AND BUILDING 12 PAINT BOOTHS

Orders have been placed for new paint booths for building 12 and the RTS building at the airport. Demolition of old booth in building 12 is underway. Contact Brian McMurray, 5829.

## OTHER MAJOR FMP PROJECTS:

### NATIVE AMERICAN LONGHOUSE

Site features and irrigation lines are being installed by LCC grounds staff. Electrical rough-in and ductwork continues inside. Don Day conducted a class over the weekend in splitting cedar logs into planks for use in the building interior. Contact Brian McMurray, 5829.

### SUSTAINABILITY UPDATE - SOLAR THERMAL PROJECT

A multiple-building solar thermal project is currently in the design phase. This is a unique and innovative project that includes funding from the Health and Wellness Building, Deferred Maintenance, and the Bond. The project involves installing solar thermal panels on the new Health and Wellness Building. These panels will heat water that will be used in the Laundry, the Health and Wellness Building, and Building 5. Since hot water needs and production can vary from day to day and term to term, any excess hot water produced by the panels will feed into the college's central heating system. This renewable energy project will reduce the college's natural gas costs and carbon emissions associated with natural gas use. Contact: Jennifer Hayward, 5594.

**MEMORIAL SERVICE REMINDER**

A memorial service for Thomas Rubick will be held Friday, August 7, at 3 p.m. at Opus Six Gallery, 22 W. 7th St., Eugene. Cards may be sent to Jeanne Maasch, 1963 Sylvan St., Eugene 97403. Thomas, a retired graphic design instructor, died July 19 following a long illness. Contact: Art and Applied Design, 5409.

**WELCOME**

Dr. Sheryl Berman, executive director of Bellevue Community College's Health Sciences, Education and Wellness Institute, has been selected as the new dean of Health Professions at Lane Community College. Dr. Berman has a master's degree in microbiology and a doctorate in immunology from Wayne State University in Detroit. Prior to her position at Bellevue, Sheryl was dean of Natural Health Sciences at Bastyr University in Kenmore, WA. In addition to being a clinical microbiologist and author, she has extensive teaching experience ranging from high school to medical school. Sheryl's official start date at Lane will be August 31. Interim Dean Joyce Godel's last day at Lane was July 27. She will be the new director of nursing at Oregon Coast Community College. Contact: Andrea Newton.

**BUYER BEWARE**

We have experienced an increasing occurrence of inappropriate purchasing. Only employees with appropriate budget authority for the budget to be charged may authorize purchases and then only with a fully approved PO; an authorized P-Card; or an internal document (ICO, MPulse; P&G form, etc.) We no longer will accept check requests for after the fact reimbursement. This process will be limited to emergencies as defined in ORS 279B.080. These are not new but rather existing procedures that we need to closely follow in order to remain compliant with both state law and internal controls. We appreciate your help! Submitted by Greg Morgan.

**HOUSEKEEPING DEEP CLEANING STATUS REPORT**

Custodians have been productively working on deep cleaning projects, preparing the campus for opening day of fall term. Windows in buildings 1 (all high windows), Center, Performing Arts, and Building 3, have been cleaned. Carpets are systematically being cleaned throughout campus. With the recent purchase of riding floor cleaning equipment, custodians are able to clean carpets and hard surfaces more efficiently. Custodians have also been tasked to clean up after remodel work has been completed by Deferred Maintenance and Bond staff. Submitted by Katherine Vos.

**PUBLIC SAFETY STATUS REPORT**

Public Safety has started a bike patrol program. Officer Bill Speicher proposed the idea and provided the research supporting a bike patrol program. The first assignment for bike patrol was the Relay for Life event. The bike was used by officers for more than 12 hours during the event and officers were highly praised by both staff and event attendees for the positive program. The bike along with the T-3 (a 3-wheeled electric

vehicle) are in alignment with the LCC sustainable model. In one year the T-3 patrolled more than 1,000 miles powered by a battery. Both patrol units provide a speedy access to inner campus and invites open interactions between campus community and officers. Submitted by Katherine Vos.

#### ARTWORKS SPOTLIGHT

#### BOND UPDATES

For more information about bond projects, contact Bob Mention, 5747. In general, Bond projects are moving ahead on-schedule. The following specifics are worth noting:

1. The bids for the remodel of Workforce training & Foundation suite came in at about half of the estimated construction cost. McKenzie Commercial was the low bidder and will start work shortly after the contract is signed, perhaps as early as next week.
2. The contract with Cameron McCarthy Gilbert & Scheibe Landscape Architects for design services in connection with the Track & Soccer Bowl upgrades should be executed this week. This would permit design work to commence next week.
3. The bids for the work on the Florence Center are due August 6.
4. A pre-proposal conference for all firms interested in submitting proposals for design services in connection with the building 10, recycle center, test cell replacement and kiln projects is scheduled for August 4.
5. "Scoping" work for the Downtown Campus building continues. In this context "scoping" means identifying the basic facilities the new building needs to address. This preliminary work is being done by the chairs/directors of the various units planned to occupy the building.

6. Preliminary design work continues on the remodel of building 2 and the Performance Hall elevator. Architects and project user groups (PUGs) are working together.

#### CENTER BUILDING RE-ROOF

Umpqua Roofing is currently installing the new single ply roofing on the top of the Center building. Installation of the material requires the roofing company to use glue that is sprayed on the existing roof surface. This material is going to give off a strong odor that might be detected on the Center fourth floor. Crane activities are scheduled to continue every Friday through the month of August.

#### DEFERRED MAINTENANCE PROJECTS

##### PROJECT 445 STAIR AND HANDRAIL RENOVATIONS

Stairs in parking lot L, stairs leading to building 19 and stairs in building 4 are completed except for handrail installation. Rails for the parking lot should be delivered within the next two weeks. Contact Brian McMurray, 5829.

##### PROJECT 445 CENTER BUILDING NORTH ELEVATOR MODERNIZATION

Work continues on the north elevator modernization. New car doors and hoistway doors have been installed. Work will begin on car and hall call-panels this week. Alternative access to the bookstore is being provided on the south elevator. Contact Brian McMurray, 5829.

##### PROJECT 446 EXTERIOR LIGHTING

Christensen Electric, the contractor for the exterior lighting replacement, continues to auger four foot deep holes for the pathway pole and bollard bases this week. Contact Dave Smith, 3433.

##### PROJECT 447 CARPET REPLACEMENT/FLOOR COVERING

New flooring for building 12 classrooms and offices is now complete. Carpet was installed Monday, July 27 in Center fourth floor classrooms 416, 426 and 432. Contact Mark Richardson, 3426.

##### PROJECT 448 KEYLESS ACCESS

Allied Fire & Security continued work in building 1 Student Services, building 8 Welding, and building 4 Health. Dave Smith, the project coordinator, met with representatives of building 1 to discuss their requirements for access and gave a presentation of the system to public safety. Meetings will continue until all the campus buildings have been reviewed and requirements established. Contact Dave Smith, 3433.

##### PROJECT 449 ASBESTOS ABATEMENT

Asbestos removal inside the tunnel is on schedule. The deferred maintenance crews working on insulating the pipes in the tunnel have temporarily been reassigned to help finish the smart classrooms. On August 7 buildings 17 and 18 will have the HVAC system shut down to allow the contractor to remove asbestos fittings. Contact Mark Richardson, 3426.

##### PROJECT 450 EMERGENCY COMMUNICATION SYSTEM

SecureCom, the fire alarm contractor, is installing new speakers, annunciators, and wiring for the upgraded fire alarm systems. LCC deferred maintenance employees have

begun the installation of the wiring and conduit for this project. Contact Dave Smith, 3433.

#### PROJECT 451 UTILITY SUBMETERING

EMK is currently working on installing irrigation meters throughout the campus. On August 7, water and gas services will be shut off. for buildings 3, 9, 15, and 16. Power will be shut down on August 7 from 7:00 a.m. – 7:00 p.m. in buildings 1, 2 and Center. Contact Mark Richardson, 3426.

#### PROJECT 452 ELECTRICAL UPGRADES

LCC deferred maintenance electricians have been replacing up to 43 obsolete and unsafe electrical panels at the main campus. Work will continue to replace 30 additional panels in Buildings 4, 5, 11, and 12 in future weeks through the summer. Departments effected by this work will be notified in advance in accordance with College policy. Contact Dave Smith, 3433.

#### PROJECT 453 SEWER PIPE REPLACEMENT

The sewer pipe replacement in the lagoon is schedule to start within the next two weeks. Grease trap installation will start this week and is expected to last two to three weeks. Deferred maintenance staff will place warning notices at locations affected by installation. Installation of grease traps is not expected to interrupt kitchen service. Contact Mark Richardson, 3426.

#### PROJECT 454 BUILDINGS 4 AND 5 REROOF

Umpqua Roofing has completed the flat roof section of building 5 and Steadman Sheet Metal, a subcontractor to Umpqua Roofing, is completing the new metal roofing around the perimeter. Skylights for building 5 are expected to arrive the week of August 10. This activity is expected to be loud and dusty in that general area and installation will take 2 days. The area under the roof will be sectioned off to keep the staff and students safe from overhead work. Contact Mark Richardson, 3426.

#### PROJECT 456 CLASSROOM UPGRADES

Deferred maintenance crews are installing the remaining white boards this week. Work in building 15 rooms 206 and 208 will be completed by August 28. Painting is being done with low VOC paint and some classrooms might have odors for a few days after being painted. Carpet being installed in the classrooms is made of recycled materials and is installed without glue. In building 4, framing and rough-in electrical for the interior wall is complete and a section of floor will be filled with concrete on August 3. Framing and block work has started at the new classroom entrances. Expect noise the week of August 10 during the masonry work. Contact Mark Richardson, 3426.

#### PROJECT 457 SMART CLASSROOM INFRASTRUCTURE

Several of the classroom projects are almost ready for the electronic installations, finalizing the smart classroom upgrades. The first shipment of podiums will be installed in buildings 6, 12, 16, and the Center building. Another shipment is expected the week of August 3. Contact Mark Richardson, 3426.

#### PROJECT 458 RTS AND BUILDING 12 PAINT BOOTHS

Concrete demolition for new paint booth installation in building 12 will start Tuesday, August 4. Booth installation is scheduled to begin August 17 and should take one week. Contact Brian McMurray, 5829.

## SUSTAINABILITY IN DEFERRED MAINTENANCE RESTROOM UPGRADES

Lane is working to incorporate sustainable practices into all of the deferred maintenance projects. The restroom upgrades in buildings 4, 5, and 6 involve replacing old toilets that used 3.5 gallons per flush with new auto-flushing dual flush toilets. These toilets automatically flush either 1.1 gallons or 1.6 gallons. The replacement of 45 toilets in these three buildings will result in approximately 130,000 gallons of water saved per year. Saving water saves the college money and helps preserve habitat in and around the McKenzie River. Contact Jennifer Hayward, 5594.

## OTHER FACILITIES PROJECTS

### NATIVE AMERICAN LONGHOUSE

LCC grounds staff are continuing work on the landscaping. Revisions to kitchen design have been completed. Proposals for an audio-visual system design are due Thursday, August 6. Contact Brian McMurray, 5829.

**THE STUDENT PORTAL HAS A NAME**

After many discussions with people across campus, the implementation committee has decided to call the student portal MyLane. Now, through summer and fall, IT programmers will be working on MyLane getting it ready to go live early in the winter term. There will be meetings this fall to show MyLane to the campus community and get feedback. MyLane is brought to you by the Title III grant. If you have any questions, ideas, or comments contact Carol McKiel, Title III coordinator, 3132 or [mckielc@lanecc.edu](mailto:mckielc@lanecc.edu)

## FACILITIES UPDATES

---

### BOND UPDATES:

For more information about bond projects, contact Bob Mention, 5747.

### BUILDING 2 & PERFORMANCE HALL ELEVATOR

Programming for both projects is continuing.

### TRACK & SOCCER BOWL UPGRADES

Kick-off meeting for design of upgrades was scheduled for August 10.

### BUILDING 10, RECYCLE CENTER, TEST CELL REPLACEMENT & KILN

Representatives from 16 architectural firms attended last week's pre-proposal conference. Proposals are due Thursday, August 13.

### CENTER BUILDING FIRST FLOOR SE CLASSROOM

Remodeling of the space continues.

### BUILDING 19 WORKFORCE TRAINING & FOUNDATION

A contract with the low bidder is expected to be signed this week.

### DOWNTOWN CAMPUS BUILDING

Talks with city officials are continuing. The board has not yet made a decision about which site it prefers.

### PERFORMANCE HALL SEAT REPLACEMENT

This project is still on schedule to complete before start of fall term.

### FLORENCE CENTER

Good news: bids from contractors were opened last Thursday and low bid was less than the estimate. The contract is being prepared for signatures.

### DEFERRED MAINTENANCE PROJECTS:

#### PROJECT 445 STAIR AND HANDRAIL RENOVATIONS

Stairs in parking lot L, stairs leading to building 19 and stairs in building 4 are completed, except for handrail installation. Rails for the parking lot should be delivered within the next week. Contact Brian McMurray, 5829.

#### PROJECT 445 CENTER BUILDING NORTH ELEVATOR MODERNIZATION

Work is expected to be complete on the north elevator by the end of this month. Alternative access to the TitanStore is being provided on the south elevator. Contact Brian McMurray, 5829.

#### PROJECT 446 EXTERIOR LIGHTING

Christensen Electric, the contractor for the exterior lighting replacement, has begun to install pathway lighting on the south side of the campus, west of building 16. The pathway lighting is designed to provide a relatively high level of light on the campus paths with pole mounted fixtures while providing a visual indication of egress paths via the bollard fixtures. The parking lot lighting will also be replaced beginning in September.

The new fixtures are LED based and provide a bright white light. Contact Dave Smith, 3433.

#### PROJECT 447 CARPET REPLACEMENT/FLOOR COVERING

Carpet replacement was scheduled to start this week and is looking like an aggressive schedule for the month of August. A carpet replacement schedule has been given to the LCC scheduling office. Contact Mark Richardson, 3426.

#### PROJECT 448 KEYLESS ACCESS

Allied Fire & Security continued work in building 1 Student Services, building 9 Auto/Diesel and Child Care buildings 24-26. Meetings with individual departments will continue for several weeks until all the campus buildings have been reviewed and requirements established. Contact Dave Smith, 3433.

#### PROJECT 449 ASBESTOS ABATEMENT

The abatement contractor is 90 percent complete with removing the material in the tunnel expected to contain asbestos. Abatement activities are scheduled to continue until the middle of September. Currently about half the buildings on the campus are scheduled to have the HVAC system shut down so Pacific Environmental can remove some suspicious materials that has been located in areas of the building. Contact Mark Richardson, 3426.

#### PROJECT 450 EMERGENCY COMMUNICATION SYSTEM

SecureCom, the fire alarm contractor, is installing new speakers, annunciators, and wiring for the upgraded fire alarm systems and deferred maintenance staff are installing wiring and conduit. This project will include public address speakers in most spaces for the mass communication system. Contact Dave Smith, 3433.

#### PROJECT 451 UTILITY SUBMETERING

EMK has been working aggressively on installing gas and water meters on campus. Most of the irrigation meters and some meters in the tunnel have been installed. Due to late material shipments, the shutdown schedule for buildings 1, 2 and the Center building will be revised. A modified schedule will be sent later this week. Contact Mark Richardson, 3426.

#### PROJECT 452 ELECTRICAL UPGRADES

Replacement of old and obsolete electrical panels by LCC deferred maintenance electricians is on hold while more time critical projects such as classroom upgrades are being completed. It is anticipated the panel replacements will resume during the shutdown August 22-23 and then again after the beginning of classes in September. An electrical transformer serving building 1 has been found to contain high levels of gases due to an internal arcing condition. It is of concern to campus Facilities personnel and every effort is being made to replace this transformer with a new unit during the August shutdown. The transformer does not present an electrical shock hazard to building occupants. Contact Dave Smith, 3433.

#### PROJECT 453 SEWER PIPE REPLACEMENT

The broken pipes and modifications for the lagoons are scheduled to start this week. The grease traps are on order and installation is schedule to start the week of August 17. Contact Mark Richardson, 3426.

#### PROJECT 454 BUILDINGS 4 AND 5 REROOF

New access ladders will be installed after the metal roofing on the outside of building 5 and cap metal flashing is complete. The skylight contractor is scheduled to be on site the week of August 10 and a pre-installation meeting will be held to plan for working over an area that is expected to have a lot of pedestrian traffic. The project is on schedule to be completed in mid September. Contact Mark Richardson, 3426.

#### PROJECT 455 RESTROOM UPGRADES

Punchlist work is ongoing in building 4 first floor restrooms. Building 4 second floor restrooms mortar bed replacement is complete; framing, plumbing rough-in complete; and electrical rough-in is ongoing. Building 6 lower level restrooms tile installation is ongoing. Contact Angela Fazio, 3428.

#### PROJECT 456 & 457 CLASSROOM UPGRADES

Seven podiums per week are starting to arrive on site for installation. Deferred maintenance staff is completing final touches on several rooms to prepare for carpet installation. This is the final step before the electronics are installed completing the smart classroom upgrades. The schedule for activities in August is aggressive and is expected to cause a lot of dust and noise. Contact Mark Richardson, 3426.

#### PROJECT 458 RTS AND BUILDING 12 PAINT BOOTHS

Building 12 is being prepared for installation of a new paint booth which is scheduled to arrive this week, with installation scheduled to begin in two weeks. Contact Brian McMurray, 5829.

#### PROJECT 459 SHOWER UPGRADES

Building inspection is complete in men's locker room areas: southwest and southeast restrooms, shower #1 and #3, and men's staff room. All of these areas will be available for use next week. Women's locker east areas are being retiled and the ceiling is to be installed in these areas next week. Electrical bids are due next week for installation of hand dryers, hard-wired sinks and new sealed light fixtures. Contact Angela Fazio, 3428.

#### OTHER FACILITIES PROJECTS:

##### NATIVE AMERICAN LONGHOUSE

Landscaping work continues by LCC grounds staff and electrical rough-in is almost complete. An audiovisual designer will be selected this week. Contact Brian McMurray, 5829.

COMIC BOOK ARTIST NEEDED: Lane Community College will stage a fall production of Dwarfman, Master of a Million Shapes - a little-known play by well-known playwright

Michael Weller, directed by Judith "Sparky" Roberts. Dwarfman is about a comic book creator during a midlife crisis, when his wild and hapless superhero characters come alive to help (and plague him.) Dynamic art is needed for display in the show and for the poster and ad. The Student Productions Association will provide a small fee for ad art, and will invite you to appear and talk about your work. Otherwise, there's just the glory and novelty of showing your work to a new audience. Contact : 541-686-9781 or email motherwit@gmail.com.``

#### BOND UPDATES:

For more information about bond projects, contact Bob Mention, 5747.

#### BUILDING 2 & PERFORMANCE HALL ELEVATOR

Architects continue to work with Project User Groups (PUGs) on preliminary designs.

#### CENTER BUILDING FIRST FLOOR SE CLASSROOM

Quotes were received and were lower than the estimated amount. Contractor is working on project and is scheduled to complete work in time for fall term classes.

#### BUILDING 19 WORKFORCE TRAINING & FOUNDATION

Once again, the bids for the project came in under the estimate. A contractor has been awarded the contract and is expected to begin work shortly.

#### CENTER BUILDING REROOF

Center Building re-roof project is on schedule and is expected to be completed by mid-September. The metal roofing for the top of the building is on site and installation scheduled for around August 20. Occupants on the Center fourth floor might experience an odor from the hot glue system being used. Contact Mark Richardson, 3426.

#### DOWNTOWN CAMPUS BUILDING

The college and city officials continue to discuss the site options for the project.

#### PERFORMANCE HALL SEAT REPLACEMENT

Project is still on target to be completed by start of Fall Term

#### FLORENCE CENTER

At a special meeting, the Board of Education awarded a contract to Bineham Construction Co. for the work on the Florence Center. Low bid was below estimate

#### DEFERRED MAINTENANCE PROJECTS:

#### PROJECT 445 WEST ENTRANCE

The project is nearing completion with irrigation and landscaping being installed. Grab rails will be installed by August 21. The solid panel guard rail system will be installed mid-September. The entire project will be completed before fall term. Contact Todd Smith, 5132.

#### PROJECT 446 EXTERIOR LIGHTING

Christenson Electric continued to place path lighting fixtures (pole mounted and bollard) along egress paths around campus especially around Bristow Square. Parking lot fixtures are expected to be received in September and installed by the start of fall term. Contact Dave Smith, 3433.

#### PROJECT 447 CARPET REPLACEMENT/FLOOR COVERING

Rubinstein's Contract Carpet is scheduled to install carpet in six classrooms in the Center building and 10 other classrooms on campus the week of August 17-21. Building 19 is scheduled to have new carpet installed in the hallways and several rooms starting Monday, August 17. Contact Mark Richardson, 3426.

#### PROJECT 448 KEYLESS ACCESS

Work continues on the keyless access project. The first system to be installed and commissioned will be the Proximity Card system associated with the Center building north elevator replacement. The proximity card will allow access to the Titan Store storage area on the first floor. Contact Dave Smith, 3433.

#### PROJECT 449 ASBESTOS ABATEMENT

Final abatement activities will be completed in the underground tunnel this week. Pacific Environmental is scheduled to be completed with their work mid-September but re-insulating piping will continue for a few months. Contact Mark Richardson, 3426.

#### PROJECT 450 EMERGENCY COMMUNICATION SYSTEM

SecureCom, the fire alarm contractor will be working during evening hours in building 19 August 17-21 to avoid disruption of the building occupants. Contact Dave Smith, 3433.

**SUSTAINABLE BUILDING ADVISOR INFORMATIONAL MEETING**

A free informational meeting for the Sustainable Building Advisor Certificate Program will be held on Thursday, August 27 from 6-7 p.m. at the Eugene Public Library in the Tykeson Room. The SBA Program offers instruction in the concepts and strategies involved in the design, construction and maintenance of sustainable buildings. The course covers a wide range of topics, each taught by an expert in the field. Convenient classes are held one weekend per month for nine months. To RSVP or for more information call Elaine at 3154.

**SEPT 1: CORRIDOS BY PRIMAVERA**

Performers Jim Garcia and Bonnie Duran-Leaming have performed at various community, church and school events for the past 10 years. Primavera performs traditional Mexican music such as Rancheras and Boleros, as well as bilingual, Spanish and original pop songs. Jim is Chicano/Latino Student Program Coordinator, Multi-Cultural Center, Lane Community College. The event will be held at El Corral Restaurant in Edgewood Plaza, 40th and Donald (dinners generally cost \$10.75 to \$12.95) from 7-10 p.m. on Sept. 1. The corrido is a popular narrative song and poetry form (like a ballad) of Mexico that derives from 18th century Spanish romance. More information: <http://elcorral.biz/events.html> Submitted by Jerry Ross, CIT.

**I CAN, ONE CAN FOOD DRIVE, 80 MORE POUNDS WILL MAKE A TON**

This year Lane has donated 1,920 pounds of non-perishable food to Food for Lane County. That means we only need 80 more pounds to make one ton donated for food boxes and meal sites. We still have one week left in August to make our ton. Congratulation to KLCC, Health Professions, and the LCC Downtown Center for filling their donation boxes in July. Remember to tell your friends about this easy opportunity to help others in our community. Donate one can of non-perishable food a month to Lane's

ongoing food drive. Look for a box near you or call for a box for your work area, 5395 or 912-2228. Contact Beverly Farfan, farfanb@lanecc.edu

FACILITIES UPDATES  
-----

#### BOND UPDATES:

For more information about bond projects, contact Bob Mention, 5747.

#### BUILDING 2 & PERFORMANCE HALL ELEVATOR

College administrators have been working for months on the question of where to locate the two new dance studios. They have come to the conclusion that two dance studios should be added to the north side of the Performance Hall and the other added to the northeast corner of PE building 5. The architects have been asked to present a fee proposal for this work. Eco-charette and updated design presentations by architects are scheduled for Wednesday, August 26.

#### CENTER BUILDING FIRST FLOOR SE CLASSROOM

Light fixtures, doors and ductwork are scheduled to be installed this week.

#### BUILDING 19 WORKFORCE TRAINING & FOUNDATION

Demolition in Workforce Training rooms began last Friday. Work on the Foundation suite is scheduled to begin as soon as Workforce Training remodel is complete. The entire project is scheduled to be complete by December.

#### CENTER BUILDING REROOF

New roofing has been installed on about a third of the building. The project is on schedule.

#### DOWNTOWN CAMPUS BUILDING

Discussions between the college and city officials are continuing.

#### PERFORMANCE HALL SEAT REPLACEMENT

New seats are scheduled to be delivered for installation during the week of September 7.

#### FLORENCE CENTER

The construction contract is being finalized. All work is scheduled to be completed by the beginning of winter term.

#### TRACK & SOCCER BOWL UPGRADES

A formal agreement between the college and landscape architect is expected to be executed this week.

**BUILDING 10, RECYCLE CENTER, TEST CELL REPLACEMENT, AND KILN**  
Architect selection committee is expected to conclude interviews this week with a recommendation to the board.

**BUILDING 4 REMODEL AND BUILDING 5 REMODEL/ADDITION**  
Advertisement for an RFP for architectural services is expected to be published later this week.

#### DEFERRED MAINTENANCE PROJECTS:

##### SUSTAINABILITY IN DEFERRED MAINTENANCE ROOFING PROJECTS

The Building 4 and 5 roofing projects include a significant improvement in roof insulation. Facilities estimates that this project will annually save 3,289 therms of natural gas and 96,296 kilowatt-hours of electricity, resulting in an annual decrease in energy costs of \$8,336. This project contributes to Lane's goal to become carbon neutral. Contact Jennifer Hayward, 5594.

##### PROJECT 446 EXTERIOR LIGHTING

Christenson Electric, continued to place path lighting fixtures (pole mounted and bollard) along egress paths around campus, especially around Bristow Square. Parking lot fixtures are expected to be received during September and they will be installed by the start of fall term. Contact Dave Smith, 3433.

##### PROJECT 447 CARPET REPLACEMENT/FLOOR COVERING

Carpet replacement has been completed in the Center building classrooms. Installation efforts are now being redirected to building 19 where crews are going to start removing the old carpet in the hallways and lobby area. The carpet removal will be done after 5 p.m. and new carpet installation will be the following day. Contact Mark Richardson, 3426.

##### PROJECT 448 KEYLESS ACCESS

Work continues on the keyless access project. The first system to be installed and commissioned will be the Proximity Card system associated with the Center building north elevator replacement. The proximity card will allow access to the Titan Store storage area on the first floor. Contact Dave Smith, 3433.

##### PROJECT 449 ASBESTOS ABATEMENT

Abatement in the tunnels will be completed on Wednesday, August 26. Two mechanical rooms are left to be completed. In order to complete abatement in the Center building mechanical room, the air system is scheduled to be shut down for the building September 5 and 6. If an additional day is required, the air system will also be shut down on September 13. Contact Mark Richardson, 3426.

##### PROJECT 450 EMERGENCY COMMUNICATION SYSTEM

SecureCom, the Fire Alarm contractor, is working during the evening hours in building 19 this week to avoid disruption of the building occupants. Commissioning and testing of the fire Alarm system will begin on Friday, September 4 and continue through September 25. Contact Dave Smith, 3433.

**PROJECT 451 UTILITY SUBMETERING**

Completed meter installations this week: water meters for buildings 1, 2, and 5; electrical meters for buildings 1, 2, 3, 4, 5, 6, 7, 11, 18, 19, 24, 25, 26, and 27. Main building isolation valve replacements this week: domestic cold water in buildings 4, 5, and 6. In addition, eight water main valves were replaced. Contact Angela Fazio, 3428.

**PROJECT 453 SEWER PIPE REPLACEMENT**

#### COLLEGE OPEN FRIDAY, CLOSED MONDAY

Lane is open this Friday, Sept. 4, but closed for the Labor Day holiday on Monday, Sept. 7. See the academic calendar online at <http://www.lanecc.edu/calendars/academic.html> Submitted by the editor.

#### FACILITIES SERVICE LIMITED SEPTEMBER 4

Facilities staff will use a special vacation day on Sept. 4 so there will be limited maintenance services and staff. The office will be open from 7 a.m. to 4 p.m. Call 5216 or e-mail [facilitiesoffice@lanecc.edu](mailto:facilitiesoffice@lanecc.edu) for any requests. Submitted by Susan Tatar, 5727.

#### FLORENCE CENTER CLOSED SEPTEMBER 4

The Florence Center will be closed Friday, Sept. 4 in order to conduct an electrical shutdown. Contact: Bob Purscelley.

#### UPDATED INTERIM ACCREDITATION REPORT ONLINE

Comments needed by Sept. 7

Draft two of Lane's Regular Interim Accreditation Report is posted on the web. After receiving feedback about the first draft in June from governance councils and staff, the Accreditation Coordinating Team (ACT) has prepared a second draft of the report. You can find the Report at <http://www.lanecc.edu/accreditation/> and use the links that are part of "Draft Regular Interim Report."

Lane's Regular Interim Accreditation visit is scheduled for early in November 2009. As part of our upcoming visit, Lane will submit the final version of the Regular Interim Accreditation Report to the Northwest Commission on Colleges and Universities. The

Report needs to be sent to NWCCU in September and it must respond to the 2004 recommendations and explain any significant changes at Lane in the five years since the 2004 accreditation evaluation. Please take a moment to either review all of the standards or the ones that are of interest to you and e-mail your comments to ACT members by Sept. 7, at [Accreditation@lanecc.edu](mailto:Accreditation@lanecc.edu). Contact: Sonya Christian, Accreditation Coordinating Team.

#### STUDENT PORTAL WILL HELP YOU REACH STUDENTS

The student portal (MyLane) will have great communication tools. One feature is the ease of organizing any kind of group within the portal and sending messages to specific groups. Watch for demonstrations this fall. Current plans are for MyLane to go live sometime in February, then ExpressLane will have a new home in MyLane. MyLane is brought to you by the Title III grant. If you have any questions, ideas, or comments contact Carol McKiel, Title III coordinator, 3132 or [mckielc@lanecc.edu](mailto:mckielc@lanecc.edu)

#### FLU NEWS

As you likely are aware from recent newscasts, the spread of "pandemic H1N1 flu" is likely to increase as we head into the school year and the typical flu season. A multi-disciplinary team of LCC employees is currently working on preparing for the possibility of a serious flu outbreak. The team will be communicating with the campus community in a variety of ways, including e-mail, website information, department staff meetings, and the Lane Weekly. Within the next few weeks, you will be hearing more about plans for facility maintenance measures, internal and external communication, addressing student needs, and contingencies for work absences. In the meantime:

- Wash your hands.
- Cover your mouth and nose when you cough or sneeze.
- Don't touch your eyes, nose or mouth.
- Stay home when you're sick or have flu symptoms.
- Get a seasonal flu shot or nasal-spray vaccine as soon as it is available. An H1N1 vaccine is anticipated to be available to high risk groups in mid-October. Contact: Mona Arbuckle, 5665.

#### I CAN, ONE CAN FOOD DRIVE DONATE A TON, 2000 POUNDS

From May 2008 to August 2009, Lane donated 2,002 pounds of non-perishable food to Food for Lane County. Thank you to everyone who contributed the much needed food for many food boxes and meal sites. Congratulation to the Science Department for filling their donation box in August. We will continue the I CAN, ONE CAN FOOD DRIVE. Remember to tell your friends about this easy opportunity to help others in our community. Donate one can of non-perishable food a month to Lane's ongoing food drive. Look for a box near you or call for a box for your work area, 5395 or 912-2228. Contact Beverly Farfan, [farfanb@lanecc.edu](mailto:farfanb@lanecc.edu)

##### PROJECT 445 ELEVATOR MODERNIZATION

Work on elevator nearing completion with inspections scheduled for the week of September 7. Alternative access to the Titan Store is being provided on the south elevator. Contact Brian McMurray, 5829.

##### PROJECT 446 EXTERIOR LIGHTING

The contractor, Christenson Electric, continued to place path lighting fixtures (pole mounted and bollard) along egress paths on main campus. Parking lot fixtures are expected to be received during September and installed before September 29. Contact Dave Smith, 3433.

#### PROJECT 447 CARPET REPLACEMENT/FLOOR COVERING

Carpet replacement for building 19 upper level hallways and classrooms will be completed by September 2. Rubinstein's Carpet removal on the first floor of building 19 is going to start on Monday August 31 and is expected to be completed by September 4. Building 19 room 104 is scheduled to have the carpet removed on September 3 and replaced on Friday, September 4. Flooring has been ordered for Flight Technology and is scheduled for installation October 30. Contact Mark Richardson, 3426.

#### PROJECT 448 KEYLESS ACCESS

Work continues on the keyless access project. The first system to be installed and commissioned will be the proximity card system associated with the Center building north elevator replacement. The proximity card will allow access to the bookstore storage area on the first floor. The elevator should be inspected next week with turnover to the college soon thereafter. The next buildings to be commissioned include buildings 7, 9, 12 and the child care buildings (interior cameras only). Contact Dave Smith, 3433.

#### PROJECT 449 ASBESTOS ABATEMENT

Abatement work for the tunnel system has been completed. The remaining mechanical room in the Center building is scheduled to be completed September 5-6. Deferred Maintenance crews will start back up in late September installing new insulation in the tunnels and mechanical rooms around campus. Contact Mark Richardson, 3426.

#### PROJECT 450 EMERGENCY COMMUNICATION SYSTEM

SecureCom, the fire alarm contractor, will begin testing fire alarm systems September 11 and continue through September 25. The LCC deferred maintenance electricians provided power to a number of fire alarm panels. Contact Dave Smith, 3433.

FIREWOOD FOR SALE: Split, dry Fir available, you haul. \$100/cord. Cottage Grove/Dorena area. For more information, call Kent at 554-3314 or 946-1827.

RESCUE HEROES GALORE! Rescue Heroes are non-violent action figures that rely on human virtues and strengths to assist others in need. They provide a nice alternative to other action figures and are great for kids in the 4-6 year old range. After much enjoyment, my son is ready to part with his collection (he has his sights set on a gigantic Lego kit and needs to raise half the money). The collection includes the Hyper Jet Headquarters (<http://www.amazon.com/Rescue-Heroes-Hyper-Exclusive-Bonus/dp/B0002L9J2C>), the Robotz All Terrain Vehicle (<http://www.amazon.com/Fisher-Price-Rescue-Heroes-All-Terrain-Vehicle/dp/B000284X7G>), the Dune Buggy (<http://www.amazon.com/Rescue-Heroes-Dune-Buggy/dp/B000C9DZKQ>), 3 smaller vehicles, 12 action figures (4 that talk), 9 action packs, and 5 rescue animals. He is hoping to get \$120.00 for the whole lot, which is pretty reasonable given what his parents paid for these! This would be a great set to get for a child care provider or for a very lucky kid. Contact Christina Salter at [salterc@lanec.edu](mailto:salterc@lanec.edu) or call 342-3639.

CASH FOR YOUR CLUNKER? My niece is in search of a used vehicle to get her back and forth from school. It doesn't need to be pretty, but it does need to be reliable and affordable (her budget is \$3500). If you have an older vehicle that fits the bill, please contact Allison McAuliffe at 342-3639 (submitted by Christina Salter, Counseling). Thanks!

## TITAN STORE CLOSURE

The Titan Store will be closed September 8-11. Staff will be available Tuesday, Thursday, and Friday to assist faculty and staff in preparation for fall term. Titan Store department in-service will be Wednesday, September 9. Books for fall term will be available beginning Monday, September 14 at 8 a.m. Contact Vicki Colley, 5772.

## MYLANE IS FOR EVERYONE

The new portal (MyLane) is for everyone. Faculty, staff, and students will all use MyLane to perform their current ExpressLane functions. The good thing... you'll find that in MyLane, the ExpressLane functions you need will be easy to access, often only a mouse click away. Starting sometime in winter term, ExpressLane will have a new home in MyLane. MyLane is brought to you by the Title III Engaging Students grant. If you have any questions, ideas, or comments contact Carol McKiel, Title III coordinator, 3132 or [mckielc@lanecc.edu](mailto:mckielc@lanecc.edu)

## WHAT DOES CPDT DO?

The Classified Professional Development Team supports and encourages life-long learning for classified staff in areas of personal and professional growth that align with the mission, vision, and core values of the college. CPDT provides assistance and recognition to classified staff through the following programs:

- Individual Personal & Professional Development Reimbursement Funds
- Employee Recognition Programs
- Conferences & Workshops
- Fall term applications are due by 5 pm Sept. 18. For more information about programs offered by the Classified Professional Development Team, visit the CPDT website at <http://www.lanecc.edu/cpdt> Submitted by Kathy Alexander, 5586.

## SUCCESSFUL AGING INSTITUTE CLASSES AVAILABLE

The first class of the Successful Aging Institute begins one week from Wednesday at Lane's Downtown Center. The class has openings at this time. Call SAI at 463-4634 to register by phone. For more information, visit us at [www.lanecc.edu/sai](http://www.lanecc.edu/sai). Consult the fall Aspire magazine for a wide range of fall offerings. The first class is "Successful Aging: Understanding & Design." It will be held Wednesdays from Sept. 9-23, 6-8 p.m.. Cost is \$39 (25 percent tuition discount for those age 60+). Topics: Discuss aging in America over the last century and explore the current model for successful aging. Learn the importance of brain and body health, as well as positive psycho-social interactions, and ways to cultivate them in your life. Create an outline for your own personal successful aging plan. Instructor Donna R. Peterson has a master's degree in interdisciplinary studies, with a concentration in gerontology. She has taught or trained over 1,000 students in 20 states in aging issues, including managers, nurses, and caregivers. Submitted by Barbara Susman, 4644.

"DE MEXICO" ART EXHIBIT John Watson, Marketing and House Manager for MDTA, will be exhibiting photographs and handmade books at the Springfield Library during the month of September. John's photographs document his travels around Mexico and the U.S./Mexican borderlands while he was completing his MFA degree in 2002-2006. His subjects include gardens, churches and people encountered along the way. His handmade books feature more of his photographs and writings, as well as sample of blank books and handmade paper. Half of the selling price of each work will go to support the Library and youth art programs at the Emerald Art Center in Springfield.

ART WORKSHOP: Pop-Ups! Paper Construction for Cards and Books will be taught by Lane's John Watson at the Emerald Art Center in Springfield from 10:00am to 4:00pm on Sunday, September 13th, 2009. The workshop will feature demonstrations and hands-on practice creating basic shapes and forms used in those fascinating pop-up books and cards! All art supplies will be provided. Participants are encouraged to bring their favorite Xacto knife, metal rulers, cutting mats, bone folders and any of their other favorite artist tools. John will have a limited amount to loan at the workshop. A handmade pop-up book or card is a gift that will be remembered and treasured for years to come. This is a great time of year to learn the basics, since the Holiday season will be here sooner than we think! Register for the workshop by calling The Emerald Art Center in Springfield at 541-726-8595, or you can send an email to Admin@emeraldartcenter.net or even stop by the gallery at 500 Main St. Springfield! Tuition is \$27.50 for EAC members and \$30 for non-members, with a \$10 materials fee. Seating is limited to 7 students, so sign up early! For more information Call EAC at 541-726-8595 or John Watson at 541-520-0874!

FIREWOOD FOR SALE: Split, dry Fir available, you haul. \$100/cord. Cottage Grove/Dorena area. For more information, call Kent at 554-3314 or 946-1827. ``

FREE DOG & 2 CATS: I am looking for a good home for my 9 yr old shar-pei mix and 2 adult cats. If you know of anyone interested please let me know. Dawn Rupp, Conf & Culinary Svc, ruppdpd@lanec.edu, 3515.

RESCUE HEROES GALORE! Rescue Heroes are non-violent action figures that rely on human virtues and strengths to assist others in need. They provide a nice alternative to other action figures and are great for kids in the 4-6 year old range. After much enjoyment, my son is ready to part with his collection (he has his sights set on a gigantic Lego kit and needs to raise half the money). The collection includes the Hyper Jet

Headquarters (<http://www.amazon.com/Rescue-Heroes-Hyper-Exclusive-Bonus/dp/B0002L9J2C> ), the Robotz All Terrain Vehicle (<http://www.amazon.com/Fisher-Price-Rescue-Heroes-All-Terrain-Vehicle/dp/B000284X7G>), the Dune Buggy (<http://www.amazon.com/Rescue-Heroes-Dune-Buggy/dp/B000C9DZKQ>), 3 smaller vehicles, 12 action figures (4 that talk), 9 action packs, and 5 rescue animals. He is hoping to get \$120.00 for the whole lot, which is pretty reasonable given what his parents paid for these! This would be a great set to get for a child care provider or for a very lucky kid. Contact Christina Salter at [salterc@lanecollege.edu](mailto:salterc@lanecollege.edu) or call 342-3639. ``

CASH FOR YOUR CLUNKER? My niece is in search of a used vehicle to get her back and forth from school. It doesn't need to be pretty, but it does need to be reliable and affordable (her budget is \$3500). If you have an older vehicle that fits the bill, please contact Allison McAuliffe at 342-3639 (submitted by Christina Salter, Counseling).``

FOR RENT: VERY NICE AND CLEAN, Newer Home in River Road neighborhood- 1550 sq. ft. 3 bedrooms, 2 baths, 2-car garage, gas fireplace, French doors out to fenced yard, Great Room, gas and electric heat, air conditioning, gas range, side-by-side refrigerator, lots of storage and closet space, deck, privacy, raised garden beds. One or two cats ok. No smoking in or out, very close to busline. \$1,200.00 per month. First and security. Contact Mary Jo at 541-521-6675. ``

### LANE COMMUNITY CARES

Lane launched "Lane Community Cares" yesterday, a coordinated employee effort to help students feel welcome, valued and heard, and get off to a successful start this fall, as enrollment surges. Participants are wearing bright pink "How can I help you?" stickers and answering general student questions and referring them elsewhere for help. One volunteer said, "I spent an hour in the lobby of building 1 this morning. The staff and SSAs were doing a great job working with the waiting students and helping me find answers to the questions I was asked. I helped triage by the front door and was able to help some students or potential students find a computer and do what they needed to do online, although many did need to wait for a staff person. Most students were pleasant and understanding about our situation."

The college is making efforts to meet students' needs, for example: more classes and services at alternate times and locations including 12 credit classes at the Downtown Center; more classes on main campus between 4 and 6 p.m.; advising students who have not yet taken placement tests to instead register early for winter term; adding staffing to student services areas; debuting online ordering at the TitanStore; posting alerts on the home page. Thanks to everyone for extra effort during this exciting and challenging segue into fall. For full details on Lane Community Cares and to review the FAQs go online to <http://www.lanecc.edu/oasa/communitycares.htm> Contact: Helen B. Garrett, Enrollment and Student Financial Services, 5686.

### MY LANE WILL BE AN EASY WAY TO CHECK EVENTS

The new portal (MyLane) will be a quick and easy place for everyone to find campus events. Information about athletics, music, talks, etc. will all be in one place. With MyLane, it will be so easy to find out about events you want to attend at Lane. MyLane is brought to you by the Title III - Engaging Students grant. If you have any questions, ideas, or comments contact Carol McKiel, Title III coordinator, 3132 or [mckielc@lanecc.edu](mailto:mckielc@lanecc.edu)

### IN MEMORIAM

From Sharon Foster: I'm sorry to announce the passing of a wonderful man and former employee Tom Young. He was 87 years of age and died of natural causes. He passed on Sunday, Sept. 6 at home with his daughter at his side. Many of you took classes from him in the Health/PE/Athletic Division such as badminton, handball and volleyball. Tom was well respected and loved by many, both on campus and in the community and will

be greatly missed. He was well known for his poetry and verses, and of course his caring personality. He was employed by Lane in December of 1965 and retired in December of 1999. There will be no service but his ashes will be shipped to a close cousin in Cape Cod. Remembrances may be made to: Greenhill / Lane County Animal Services or YMCA.

#### NAME CHANGE

Lora Ferrin, testing lead, GED Chief Examiner and FAA Testing Center Supervisor in the Testing and Counseling area, building 1, room 116, has a name change: I am happy to say that my name and e-mail address has changed. I was married on the 4th of July and my name is now Lora Dietmeyer and my email address is [dietmeyerl@lanecc.edu](mailto:dietmeyerl@lanecc.edu) Please make a note for future reference.

#### I CAN, ONE CAN FOOD DRIVE DONATE A TON, 2000 POUNDS

From May 2008 to August 2009, Lane donated 2,002 pounds of non-perishable food to Food for Lane County. Thank you to everyone who contributed the much needed food for many food boxes and meal sites. Congratulation to the Science Department for filling their donation box in August. We will continue the I CAN, ONE CAN FOOD DRIVE. Remember to tell your friends about this easy opportunity to help others in our community. Donate one can of non-perishable food a month to Lane's ongoing food drive. Look for a box near you or call for a box for your work area, 5395 or 912-2228. Contact Beverly Farfan, [farfanb@lanecc.edu](mailto:farfanb@lanecc.edu)

#### COUNSELING CLOSURE

The Counseling Department, including, Counseling/Advising, Career and Employment Services, and Testing, will be closed all day Friday, September 18 for a department in-service. We will reopen Monday, September 21 at 8 a.m. Contact: Rodney Brown, 5299.

#### TRIO STILL OPEN FOR ENROLLMENT

TRiO has two scheduled orientations left: September 22 and September 28. Please refer students to see us in room 219, building 1. They will fill out a screening form to be sure that they are eligible, receive a TRiO application to complete and then, if eligible, be invited to attend an orientation. To be eligible: full-time Lane student seeking a two-year degree or planning to transfer to a four-year school, and at least one of these need to apply: neither parent received a four-year degree; meet financial need guidelines; disability that interferes with their education. Contact: Marla Norton.

#### EMPLOYEE BENEFITS FAIR LOCATION CLARIFICATION

This year, the Employee Benefits Fair will be held on Friday, September 25 in rooms 103-104 of the Center for Meeting and Learning. Please be aware that another external event will be in progress in the Center's main lobby with vendors not associated with the Employee Benefits Fair. Contact: Carolyn Philes, 3511.

#### MID-WILLAMETTE COLLEGE FAIR AT LANE

The annual Mid-Willamette College Fair, sponsored by the Pacific Northwest Association for College Admission Counseling (PNACAC) and the Beyond High School Network, will take place at Lane (building 5 gym) on Sunday, Oct. 11 from 12 to 3 p.m. Approximately 90 colleges and universities from across the country will be on campus to share information about their admissions policies, academic programs and campus resources with prospective students and their families. If you know any college bound students, we

invite you to attend and get some valuable information! Please contact David Van Der Haeghen, Student Recruitment & Outreach Coordinator, with questions at 5688.

#### LANE PREVIEW NIGHT 2010 - WEDNESDAY, FEB. 10

Lane Preview Night, the college's annual open house for prospective high school students and their families, will be held Wednesday, Feb. 10 from 6 to 8:30 p.m. in building 5 (gym). This is Lane's best opportunity to showcase our superb academic programs and student support resources to a target audience. Please mark your calendars now for this important on campus recruitment event! More information about logistics and tabling opportunities will come out in November. Please contact David Van Der Haeghen, Student Recruitment & Outreach Coordinator, at 5688 with questions.

FACILITIES UPDATES  
-----

#### BOND UPDATES--

For more information about bond projects, contact Bob Mention, 5747.

#### BUILDING 2, PERFORMANCE HALL ELEVATOR & DANCE STUDIO

Architects will meet with PUGs (Project User Groups) this week to review schematic designs.

#### CENTER BUILDING FIRST FLOOR CLASSROOM

Contractor is ready for final inspection. Carpet will be laid and LCC workers will install Smart Classroom equipment.

#### BUILDING 19 WORKFORCE TRAINING & FOUNDATION

Contractor has completed demo and has framed new walls. HVAC, electrical, and drywall work has started.

#### CENTER BUILDING REROOF

Contractor continues the installation of new roofing.

#### DOWNTOWN CAMPUS BUILDING

Site for Downtown Campus building is a discussion/action item on the agenda for the Board of Education meeting scheduled on September 15.

#### PERFORMANCE HALL SEAT REPLACEMENT

Nearly all of the new seats have been installed. A few minor adjustments remain to be finished before completion is final, but the hall is usable now.

#### FLORENCE CENTER

The contractor has mobilized on site and has started forming the foundation for the addition.

#### TRACK & SOCCER BOWL UPGRADES

Landscape architects are meeting with the PUG to develop Program information.

#### BUILDING 10, RECYCLE CENTER, TEST CELL REPLACEMENT AND KILN

The Board of Education will consider awarding the contract for architectural services at their September 15 meeting.

#### BUILDING 4 REMODEL & BUILDING 5 REMODEL/ADDITION

Pre-proposal conference for architectural firms wishing to submit proposals is scheduled for September 14. The deadline for submitting proposals is September 21.

#### GREEN FACULTY OFFICES

College and architects are negotiating fees and contract conditions to add green offices south of the upper level of building 18.

#### BOND OFFICE SUITES

Construction scheduled to be completed this week. County expected to issue occupancy permit next week.

#### BUILDING 19, BUSINESS FACULTY OFFICES

Architects are continuing to prepare contract documents.

#### DEFERRED MAINTENANCE PROJECTS--

##### PROJECT 445 STAIRS AND HANDRAILS

Handrails for building 4 stairs are on order. Installation is expected to begin during the week of September 21. Contact Brian McMurray, 5829.

##### PROJECT 445 ELEVATOR MODERNIZATION

Work on the north elevator in the Center Building is nearing completion. Inspection is expected during the week of September 21. Alternative access to the Titan Store is being provided on the south elevator. Contact Brian McMurray, 5829.

##### PROJECT 446 EXTERIOR LIGHTING

The contractor, Christenson Electric, is finalizing the placement of path lighting fixtures (pole mounted and bollard) around building 3 and on the pathway south of building 12. The taller pole mounted fixtures provide general pathway lighting and bollards, the short three-foot high round fixtures, denote the exit paths from the campus interior to parking lots. Currently, lot fixtures are being installed in parking lot B by the LTD bus station. The installations of fixtures continue and will be nearly complete by the beginning of fall term. The light from the new LED fixtures is a noticeable white as compared to the familiar yellow glow produced by the old high pressure sodium fixtures. Contact Dave Smith, 3433.

##### PROJECT 448 KEYLESS ACCESS

Work continues on the keyless access project associated with the replacement of the north elevator in the Center Building. The proximity card will allow access to the Titan Store storage area on the first floor. The elevator should be inspected next week and approved for operation shortly thereafter. The buildings to be commissioned next include buildings 8, 9, 12, and 4 in October. Contact Dave Smith, 3433.

##### PROJECT 450 EMERGENCY COMMUNICATION SYSTEM

The fire alarm system in building 7 will be completed and tested next week. Due to a delay in shipment of certain components, plans to test fire alarm systems in other locations have been delayed until the first week of winter break, December 14-20, to

minimize impact on faculty, staff and students. All buildings are and will remain protected by existing fire alarm systems. Contact Dave Smith, 3433.

#### PROJECT 451 UTILITY SUBMETERING

Installation of meters on electrical, domestic hot and cold water, natural gas, chilled and heating water and irrigation will allow for utility monitoring, performance evaluation and energy maximization. This phase of the project includes installation of all meters and start-up of electrical and heating water monitoring only. One hundred thirty of 131 plumbing meters have been installed. Electrical meters to be installed this week on Center Building and Flight Tech, which will complete 28 of 29 electrical meters. Electrical installation of the monitoring system is ongoing. Contact Dave Smith, 3433.

A second aspect of this project encompasses replacement of isolation valves on the main distribution system and to each building for domestic hot and cold water on main campus. As most of these valves were originally installed in the 1960's, replacement will greatly improve system reliability. All cold water valves have been replaced. Work continues on replacement of hot water valves. Contact Angela Fazio, 3428.

#### PROJECT 452 ELECTRICAL UPGRADES

Twenty of the 55 old and obsolete electrical panels have been replaced to date. The remaining 35 panels are located in buildings 5, 11, and 12, and will be replaced later this year or early 2010. Contact Dave Smith, 3433.

#### PROJECT 455 RESTROOM UPGRADES

Building 4 first floor restrooms punchlist is completed. Final hook up on the second floor starts this week and workers anticipate completion by September 18. A department walk-through and turnover for use will occur during the week of September 21. Building 6 first floor restrooms are substantially complete. Punchlist items are scheduled to be completed by September 16 and a department walk-through and turnover by September 18. Contact Angela Fazio, 3428

#### PROJECT 458 AMTF IMPROVEMENTS

The paint booth in building 12 has been assembled and mechanical/electrical connections are being made. Expect completion during the week of September 28. The RTS building paint booth has been ordered and expected delivery is early October. Contact Brian McMurray, 463 5829.

#### PROJECT 459 SHOWER UPGRADES

Completion of the locker room upgrade is anticipated for September 18 with the department walk-through and turnover during the week of September 21. Contact Angela Fazio, 3428.

#### OTHER FACILITIES PROJECTS--

##### NATIVE AMERICAN LONGHOUSE

LCC grounds staff continue landscaping work. An AV (Audio/Visual) consultant has been hired and is working on design for audio, visual, smart classroom, and video conferencing components of this project. Contact Brian McMurray, 5829.

##### PARKING LOT IMPROVEMENTS

The contractor is nearing completion. Parking lot N has been completed and all other lots are open, however, the contractor still has signage to install for handicapped parking spaces. Contact Brian McMurray, 5829.

#### GRAVEL PARKING LOT PROJECT

Work began September 14 and contractor will be working in several locations simultaneously to meet deadline. Completion date is expected to be September 28. Contact Brian McMurray, 5829.

#### RTS PARKING LOT EXPANSION

Bids are in for this project and expect to be awarded by September 18. Work is on hold pending resolution of issues with Eugene Airport. Contact Brian McMurray, 5829.

#### BUILDING 19 WALK-IN COOLER/FREEZER

Work complete. Expect final inspection is scheduled for September 14 or 15. Contact Brian McMurray, 5829.

#### A PORTAL'S WAY INTO YOUR ACCOUNT BALANCE

The new portal (MyLane) will allow you to see the account balance for your classes and click to make a payment on the first page as soon as you log into the system. No more drilling down several screens to find out how much you owe for a class. ExpressLane will have a new home in MyLane, and its functions will be easier to find. MyLane is brought to you by the Title III - Engaging Students grant. If you have any questions, ideas, or comments contact Carol McKiel, Title III coordinator, at 3132 or e-mail.

#### CHILD CARE CENTER NOW ENROLLING

Are you or someone you know of in need of a high-quality, fun and exciting learning environment for your preschool age child? The Lane Child and Family Center is now enrolling children 30 months - 5 years of age for fall term child care. We will be open Monday-Friday from 7 a.m. to 5:30 p.m. We are open to student, staff and community families. Fall term is a great time to get your child started in the center for the 09/10 school year. For more information about schedules, rates or enrolling your child call the Child and Family Center office at 463-5519 or Michel Ronning at 463-3522 or come by building 24, room 114.

#### STUDENT GROUP BUS PASS FALL TERM

Students or staff taking a credit class on main campus are eligible for a LCC bus pass good for the entire term. Photos for bus pass ID cards will be taken in building 19, room 117, on Monday, September 28 from 8 a.m.-4 p.m. for those wanting to get a pass

before the term starts, and from September 29 to October 2. For dates, times and information, go to <http://www.lanecc.edu/facilities/transportation/lccbuspass.html> . Stickers for fall term will be available beginning October 6 at the Titan Store return window or at the Downtown Center. See <http://www.ltd.org/> for more transportation options and bus information. New LTD bus schedules effective September 6 are available in building 1, in the Center Building second floor outside the library, or from Facilities. Contact: Susan Tatar, 5727.

#### PARKING REMINDER

Parking on main campus is expected to be tight next week when classes begin. Help get the word out: ride the bus, carpool, or ride your bike. Check with HR about the new, free, temporary bus pass for employees. If you drive, arrive early to find a parking spot. Submitted by Joan Aschim, Public Information Officer, 5591.

#### WELCOME BOOTH VOLUNTEERS NEEDED

I am seeking volunteers to greet students on the first two days of school, September 29 and 30. Coffee service is available in the morning and popcorn in the afternoon. The shifts are from 7-9 a.m., 9-11 a.m., 11 a.m.-2 p.m., and noon to 3 p.m. each day. Let me know if you can help. Tina Lymath, 5336.

#### T2T: OPEN LAB FOR ONLINE AND HYBRID COURSE INSTRUCTORS

This is the first in our new series of Teacher-2-Teacher short courses and open lab sessions. The open labs will focus on web technologies related to online, hybrid and traditional course instruction. Faculty Technology Specialists and the ATC support team will be available for one-on-one assistance. Drop by to ask a question, or stay all session long to work on your course with coaching support. From pedagogy to podcasting to Moodle, we've got you covered.

When: Fall term, weeks 1-5, Tuesdays 2 -4 p.m. and Fridays 1 - 3 p.m.

Where: Building 19/Room 249 (ATC)

No registration required. For more information email: [atc@lanecc.edu](mailto:atc@lanecc.edu)

#### LONGHOUSE BENEFIT CONCERT AND AUCTION

The Lane Community College Longhouse Committee and the University of Oregon Many Nations Longhouse are hosting a concert and silent auction to raise funds to help complete the new Native American Longhouse at LCC. The concert and silent auction will be held Friday evening, October 2, at Agate Hall (18th Street & Agate) on the UO campus. Doors open at 7 p.m. with various bands and musicians playing throughout the evening. Some of which include: the Shrive Family Band, J. C. Rico, Eddie Clark, Mike Tracy, Steve Arriloa, Burial Grounds Sounds with special guests, Dance Northwest directed by Anita Stanford, and others. Tickets may be purchased at the door: \$10 for adults, \$8 for students, 10 years old and under get in free. If a staff member would like to donate an item for the silent auction or would like more information, please have them contact Elizabeth Andrade at 5801 or Donna Koechig at 5307.

#### WHO'S ON FIRST?

The college organizational chart is available online at : <http://www.lanecc.edu/research/ir/OrganizationalCharts.htm>  
Submitted by the editor.

#### SYLLABI ACCESSIBILITY STATEMENT

Faculty, please remember that this statement is to appear on every class syllabus in 12 point font or larger (and easy to read):

If you need support or assistance because of a disability, you may be eligible for academic accommodations through Disability Resources. For more information, contact Disability Resources at (541) 463-5150 (voice) or 463-3079 (TTY), or stop by Building 1, Room 218.

Submitted by Catherine Reschke.

#### DON'T MOVE THOSE TABLES OR CHAIRS

Disability Resources-provided chairs and tables are accommodations that are placed in specific rooms for specific students. These chairs and tables are not to be removed by students, faculty, or any other LCC employee except the responsible Facilities Management staff. Students who have furniture accommodations must request the furniture each term, so that DR knows where the furniture is needed. There is a great deal of effort by Facilities Management and Disability Resources to get the appropriate furniture to the requesting students in a timely manner. So, if an adjustable table, ergonomic or padded chair appears in your classroom, do not remove it, and please DON'T MOVE IT within the classroom. Students who have furniture accommodations have a Letter of Accommodation (LOA) which identifies them as the student who is to use the chair/table. If there are more students with LOAs identifying them as needing furniture accommodations than there are chairs in the room, have the students come to DR and speak with Cathie. If you have questions, contact Cathie Reschke at 5079, or Disability Services at 5150. Because mail services cannot guarantee delivery of intercampus mail by a particular date, please do not send red Disability Resources Test Accommodation envelopes through intercampus mail. Doing so could render Disability Resources unable to provide test accommodations in a timely manner.

#### TESTING OFFICE NOTICE

The Testing Office only accepts Accuplacer placement test scores from other colleges. We will not accept Compass or Asset scores. Please advise students of this when talking to them. We have had many students this year bringing in Compass and Asset scores from other colleges that we have to decline. Thank You, Lora Dietmeyer, Testing Office Lead.

#### WHAT TO DO ABOUT THOSE ALKALINE BATTERIES

Recycling gets lots of questions about alkaline (household type) battery recycling and why we don't actively collect them. Batteries manufactured after 1996 do not need to be recycled because they no longer contain mercury, which was the primary reason they were collected in the past. Additionally, there is no marketable material in a modern alkaline battery, so recycling options are very limited. Lane County Waste Management asks that alkaline batteries go in the trash as do we. It is important however that all rechargeable batteries of any type must be recycled as they contain material that needs to and can be recovered. Lane Community College does collect and recycle any rechargeable battery. If you are concerned about the wastefulness of disposable batteries, the new generation of household rechargeable batteries work very well. Please contact Recycling at 5569 for more information.

#### MID-WILLAMETTE COLLEGE FAIR AT LANE

The annual Mid-Willamette College Fair, sponsored by the Pacific Northwest Association for College Admission Counseling (PNACAC) and the Beyond High School Network, will take place at Lane (building 5 gym) on Sunday, Oct. 11 from 12 to 3 p.m. Approximately

90 colleges and universities from across the country will be on campus to share information about their admissions policies, academic programs and campus resources with prospective students and their families. If you know any college bound students, we invite you to attend and get some valuable information! Contact David Van Der Haeghen, Student Recruitment & Outreach Coordinator, 5688.

#### LANE PREVIEW NIGHT 2010 - WEDNESDAY, FEB. 10

Lane Preview Night, the college's annual open house for prospective high school students and their families, will be held Wednesday, Feb. 10 from 6-8:30 p.m. in building 5 (gym). This is Lane's best opportunity to showcase our superb academic programs and student support resources to a target audience. Please mark your calendars now for this important on campus recruitment event! More information about logistics and tabling opportunities will come out in November. Contact David Van Der Haeghen, Student Recruitment & Outreach Coordinator, 5688.

FACILITIES UPDATES  
-----

#### BOND UPDATES--

For more information about bond projects, contact Bob Mention, 5747.

#### BUILDING 2, PERFORMANCE HALL ELEVATOR & DANCE STUDIO

Architects have completed programming phase and will continue schematic design work. Design work on the Dance Studio will begin soon.

#### CENTER BUILDING FIRST FLOOR CLASSROOM

Carpet to be installed Monday and smart classroom components will be installed this week. The fire alarm system has been approved, and final inspection is expected this week.

#### BUILDING 19 WORKFORCE TRAINING & FOUNDATION

Contractor is on schedule to complete Workforce Training phase of work by October 15. Remodel for Foundation office suite is scheduled to be completed by December 1.

#### CENTER BUILDING REROOF

New roof is substantially complete. A few punch-list items remain to be completed.

#### DOWNTOWN CAMPUS BUILDING

The Board of Education approved pursuing the 10th and Charnelton Street site for the new building. A request for proposals from qualified professionals is being prepared to move the project forward.

#### PERFORMANCE HALL SEAT REPLACEMENT

Project is substantially complete. Carpet on accessible seating platforms is scheduled to be laid before September 26.

#### FLORENCE CENTER

Footings for a new classroom were poured last week, and further construction continues this week. The project is ahead of schedule for completion and is expected to be ready January 2010.

#### TRACK AND SOCCER BOWL UPGRADES

As a result of working with the PUG the landscape architects have prepared a preliminary master plan of the track and soccer bowl. The master plan concept is currently being evaluated.

#### BUILDING 10, RECYCLE CENTER, TEST CELL REPLACEMENT AND KILN

Contract with architects is expected to be finalized this week.

#### BUILDING 4 REMODEL AND BUILDING 5 REMODEL/ADDITION

Proposals from architects were due September 21. Evaluation of proposals will follow.

#### DEFERRED MAINTENANCE PROJECTS--

##### PROJECT 445 STAIRS AND HANDRAIL RENOVATIONS

Handrails for building 4 stairway to be installed this week. Stairs will be open by September 28. Contact Brian McMurray, 5829.

##### PROJECT 445 ELEVATOR MODERNIZATION

Final inspection is scheduled for Tuesday, September 22. The elevator is expected to be back in service by Wednesday morning, September 23. Contact Brian McMurray, 463 5829.

##### PROJECT 446 EXTERIOR LIGHTING

The contractor, Christenson Electric, has completed 99 percent of the placement of the bollards and taller path lighting fixtures leaving only two locations to complete. Parking lot fixtures have been installed in parking lot A, B, and C and work is in progress in lots L and N. The installation of parking lot fixtures will continue and will be mostly complete by September 29. Many outdoor perimeter fixtures on campus have been replaced, and work on the remaining fixtures continues and will be completed during fall and winter terms. Contact Dave Smith, 3433.

##### PROJECT 447 CARPET REPLACEMENT/FLOOR COVERING

The last of the rooms on main campus were completed on September 18. Flooring in the kitchen area of building nineteen will have to be scheduled during winter break due to the amount of traffic that uses that area of the building. The area receiving new flooring can not have foot traffic for three days during the installation. Floor covering for Lane's Aviation Academy is on order and is expected to arrive mid- October. The installation schedule will be set up once the carpet is on site. Contact Mark Richardson, 3426.

##### PROJECT 448 KEYLESS ACCESS

Work was completed on the keyless access project associated with the replacement of the north elevator in the Center Building. The proximity card will allow access to the Titan Store storage area on first floor. The elevator will be inspected next week available for use soon after. The buildings to be commissioned next include: Buildings 8, 9, 12 and 4 in October. Contact Dave Smith, 3433.

##### PROJECT 449 ASBESTOS ABATEMENT

Pacific Environmental has completed their scope of work to remove asbestos related materials from the tunnel system and mechanical rooms located on main campus. Deferred maintenance crews have started re-insulating the pipes in the tunnels and mechanical rooms. This process is expected to extend to late November. Contact Mark Richardson, 3426.

#### PROJECT 450 EMERGENCY COMMUNICATION SYSTEM

The building 7 fire alarm system was completed and tested during the week ending September 18. Also tested were fire alarm systems in new smart classrooms in the Health Building rooms 104, 105, and 106 and in the Center Building room 130. Due to a delay in shipment of certain components, the testing of a number of the fire alarm systems is rescheduled for the week December 14-20 to minimize impact on faculty, staff, and students. All buildings are and will continue to be protected by existing fire alarm systems. Contact Dave Smith, 3433.

#### PROJECT 451 UTILITY SUBMETERING

Installation of meters on electrical, domestic hot and cold water, natural gas, chilled and heating water and irrigation will allow for utility monitoring, performance evaluation and energy maximization. This phase of the project includes installation of all meters and start-up of electrical and heating water monitoring only. Installation of plumbing meters is complete. 28 of 29 electrical meters have been installed. Anticipate project completion near the end of October

A second aspect of this project encompasses replacement of isolation valves on the main distribution system and to each building for domestic hot and cold water on main campus. As most of these valves were originally installed in the 1960s, replacement will greatly improve system reliability. All cold water valves have been replaced. Work continues on replacement of hot water valves. Anticipate project completion mid-October. Contact Angela Fazio, 3428.

#### PROJECT 452 ELECTRICAL UPGRADES

Fifty-five panels were identified for replacement. Panel's were replaced Buildings 5, 11, and 12. The remainder will be replaced later this year or early 2010. Contact Dave Smith, 3433.

#### PROJECT 453 SEWER PIPE REPLACEMENT

Repair of the grease traps in the kitchen and damaged sewer pipe leading to lagoon two is now complete and fully operational. EMK is scheduled to train members of the Facilities on proper cleaning procedures. Contact Mark Richardson, 3426.

#### PROJECT 454 BUILDINGS 4 AND 5 REROOF

Roofing projects for buildings 4 and 5 are nearing completion. Building 5 metal roofing still has some touch up areas that can not be completed until the new access stairs are installed this week Umpqua Roofing is working LCL to gain access for crane service to the west side of building 5. Once the access has been granted, the roofing company is going to lift and set the stairs into place. Once the stairs have been installed the metal trim work can be completed. Skylights still remain unfinished on building 4 because the material supplier was not able to manufacture the skylights on time. The expected arrival date for the skylights is the first part of October. Installation of the skylights will be scheduled when the skylight are on site. Contact Mark Richardson, 3426.

#### PROJECT 455 RESTROOM UPGRADES

Building 4 first floor restroom's punch list is complete. The second floor restrooms complete with minor punch list items. The department walk-through and turnover will be during the week of September 21.

Building 6 first floor restrooms are completed and the department walk-through and turnover is planned during the week of September 21. Contact Angela Fazio, 3428

#### PROJECT 456 & 457 CLASSROOM UPGRADES

The upgrades to the classrooms in several buildings are now at a stage where they can be used for fall term. LCC employees and DM electricians are working overtime to complete the smart classroom upgrades. Some of the new classrooms are expected to be functional by fall term and the remaining rooms will be completed by the end of December 2009. Contact Mark Richardson, 3426.

#### PROJECT 458 AMTF IMPROVEMENTS

The building 12 paint booth has been assembled and mechanical/electrical components are being installed. Completion is expected during the week of September 28. The paint booth for the RTS building has been ordered and expected delivery will be early October. Contact Brian McMurray, 5829.

#### OTHER FACILITIES PROJECTS-

##### SUSTAINABILITY IN THE HEALTH AND WELLNESS BUILDING

The Health and Wellness Building will be Lane's first building certified under the U.S. Green Building Council's Leadership in Energy and Environmental Design green building rating system. Lane is proud to take this step toward sustainability by constructing a building that will contribute to the health of this community and have a lower impact on our environment. Lane's goal is LEED silver certification. The design team has exceeded this expectation and the current design is expected to result in a LEED gold building within the project budget. For more information, check out the sustainability portion of the Health and Wellness website at

<http://www.lanec.edu/healthwellness/sustainability.html>. Contact Jennifer Hayward, 5594.

##### NATIVE AMERICAN LONGHOUSE

Landscaping work is complete for the summer. An AV consultant is working on the design for audio, visual, smart classroom and video conferencing requirements of this project. Contact Brian McMurray, 5829.

##### PARKING LOT IMPROVEMENTS

Contractor will complete striping, signage, curbing and cleanup by September 23. Contact Brian McMurray, 5829.

##### GRAVEL PARKING

Contractor will finish grading, wheel stops and driveways by Friday, September 25. Signage, fencing and striping will be completed this week by FMP staff. Contact Brian McMurray, 5829.

##### RTS PARKING LOT EXPANSION

Project award of work will be determined this week. Work is on hold pending resolution of issues with Eugene Airport. Contact Brian McMurray, 5829.

## GREEN FACULTY OFFICES

Berry Architects has been selected to provide design services for this project. They are to begin programming work this week.

## BOND OFFICE SUITE

Project is substantially complete and move in will start this week.

## BUILDING 19, BUSINESS FACULTY OFFICES

Architects continue preparation of contract documents.

**IN MEMORY**

Robert Warren, painter with the deferred maintenance team in Facilities, Management and Planning, passed away on Saturday, September 26.

His wife Bonnie said, "Rob felt totally blessed by this job at LCC and that he had found his employment 'jackpot' working at LCC. He loved coming to work every day and felt that we were like his extended family and friends."

A celebration of life will be held Monday, September 28, at 4 p.m. at Garden Way Church of Christ, 231 N. Garden Way, Eugene. Visitation will be Friday from 10 a.m. to 5 p.m., Saturday from 11 a.m. to 5 p.m., and Monday from 9 a.m. to 2 p.m., at Major Family Funeral Home, 112 A Street, Springfield. To contribute a financial gift to the family, contact Judy Ann Fuller in Facilities at 5564. An obituary was published in today's Register-Guard:

CONNIE ROWLETT NAMED EMPLOYEE OF THE YEAR

Connie Rowlett, administrative coordinator for the Science Division at Lane Community College, was named Employee of the Year at fall in-service. See the story and a photo online at <http://lanecc.edu/mpr/success/story54.htm>

SUSAN TATAR NAMED EMPLOYEE OF THE MONTH

Kudos and congratulations go to September Classified Employee of the Month, Susan Tatar in Facilities Management & Planning. Representatives of the Classified Professional Development Team joined staff in FMP to present Susan with the Employee of the Month award. Susan was hired at Lane in October 1993. She has provided exemplary service in creatively supporting the \$8 million Go Oregon deferred maintenance projects. In addition to deferred maintenance and bond project administrative work, which is vast and extremely time consuming, Susan continues to provide administrative support for the Health and Wellness Center project; the Longhouse building project; the ongoing Facilities Management and Planning major maintenance, capital improvement, and energy conservation measure projects; the FMP work-order system in MPulse which documents and tracks costs associated with hundreds of work orders each year; and the LTD bus pass program for students, faculty, staff, as well as seeking additional creative partnerships to create alternative transportation options. She also participates on many committees including the Bond Projects Management Team, the FMP Planning Team, Facilities Council, and coordinates all FMP office staff operations.

Susan has been pushed to the brink but has managed to create team resource capacity and meet all of these pressing needs. Susan is a very special employee with a strong commitment to doing things right and with a sense of ownership and thoroughness.

When you see Susan, congratulate her for doing a terrific job and celebrate her nomination as September's Classified Employee of the Month. And remember that, you too, can help us to recognize exemplary classified employees by nominating them for this award by the 15th of each month. Nomination forms are available on the CPDT website at <http://www.lanecc.edu/cpdt/eom.html> or from Elaine Marsh, IRAP, [marshe@lanecc.edu](mailto:marshe@lanecc.edu)

#### PORTAL NOT JUST FOR STUDENTS

The new portal (MyLane) is not just for students. It will contain all the ExpressLane functions that students, faculty, and staff currently use. Everyone will use MyLane to do current ExpressLane functions. The good thing: in most cases, the functions will be easier to access in MyLane with only one click of the mouse. Besides holding ExpressLane, MyLane will have many useful communication tools we can use across campus. More information about these functions will be in future editions of the Lane Weekly. Starting in February, ExpressLane will have a new home in MyLane. MyLane is brought to you by the Title III - Engaging Students grant. If you have any questions, ideas, or comments contact Carol McKiel, Title III coordinator, 3132 or [mckielc@lanecc.edu](mailto:mckielc@lanecc.edu)

#### FACULTY INVITED TO CONTENT MEETING FOR MYLANE

Many meetings were held over the summer to develop the MyLane's content. Now we want to make sure to get the faculty's ideas. A meeting is planned for Friday, October 2, from 3:30 to 5:00 p.m. (room 1/222) to discuss the content on the faculty page. Contact: Carol McKiel, Title III coordinator, 3132 or [mckielc@lanecc.edu](mailto:mckielc@lanecc.edu)

#### FINANCIAL AID TV IS HERE

Students can watch videos which explain all of the different terms and information associated with applying and receiving financial aid via Financial Aid's website at <http://lanecc.financialaidtv.com/> Students can click on "Help for Students" then "Financial Aid" in the lower right hand corner. Financial Aid TV will be advertised on LobbyVision, in the winter term Aspire, and eventually when you call Enrollment and Student Financial Services, you'll hear a suggestion to check it out while you are waiting for a staff member to answer the phone. Contact: Helen Barker Garrett, Director of Enrollment Services/Registrar, 5686.

#### TUTORING SERVICES REACHES MAXIMUM CERTIFICATION

Lane's Tutoring Services Program has been certified by the national certifying organization, College Reading and Learning Association (CRLA) since 1997. They remain current in best practices for tutor programs and certify those that use these systems. CRLA recommends a three tiered tutor training program and we are proud to report that last year, Tutoring Services succeeded in getting the final level class approved by both CRLA and LCC's curriculum committee! Tutoring Services is now certified at the master level and the first group of experienced tutors will attend class and become certified this fall term. Contact: Liz Coleman.

#### TUTORING HAS DROP-IN OPTIONS

Remember to direct students the free drop-in centers in the following locations:

- \* Accounting/Business- 2/107 contact Judy Boozer, 5765
- \* CIT - 19/135A Contact Pam Dodson, 5823
- \* CS120 & general computer - Center 205 (within Tutor Central) Liz Coleman, 5783
- \* French - Center /450 Contact Fay D'Ambrosia, 5140

- \* Math 10 - Center 210 (within Tutor Central) Liz Coleman, 5783
- \* Math - all - 16/169 Contact Robert Thompson, 5399
- \* Music - 6/125 Contact Albert Redondo, 5649
- \* Psychology - Tutor Central Liz Coleman, 5783
- \* Science - 16/193 Contact Star Glass, 5041
- \* Spanish - Center 450 Contact Sylvie Florendo, 5143
- \* Speech - Tutor Central Contact Liz Coleman, 5783

Research shows that students who use tutoring in the first few weeks of their college career succeed at a higher rate than those who don't. Please don't expect students who visit tutors to have their academic problems "solved" by tutors. We can only help someone learn to get to the next step, not necessarily the top step. A student may spend many hours with tutors and still only produce average or lower than average work. Our goal is to motivate students to keep trying, learning, and exploring. Contact Liz Coleman at 5783 if you have questions or would like to have flyers listing all the centers list.

#### HOUSEKEEPING REDUCTION IN CLEANING SERVICES

Custodial services personnel have been reduced in number by over 50 percent over the past five years. Meanwhile, the square footage that needs cleaned has increased. This coupled with the increase in student enrollment will overextend the capabilities of the custodial team. Therefore, Housekeeping will focus resources on services that serve the greater whole, such as providing cleaning services to: highly utilized restrooms, kitchen and eating facilities, medical clinics, and common areas. This re-focusing of resources and services will allow core high use areas to be adequately and consistently cleaned and disinfected. Starting the first day of fall term, Lane employees assigned to private offices and cubicle work spaces will be responsible to empty their own trash container. A special trash receptacle will be placed in a convenient location and emptied by the custodial staff. Private offices will be vacuumed and dusted during the summer, winter, and spring breaks. Reception areas will have the trash emptied and vacuumed twice a week. If your office needs additional cleaning services, Housekeeping will do their best to provide this added service on an as needed basis and as time allows. Lane employees who are unable to empty their personal trash and in need of special assistance, please contact Housekeeping at 5578 so that we may arrange to provide you the necessary cleaning assistance. Housekeeping appreciates your support and wishes you a successful year! . Contact: Katherine Vos.

## ARSENIC AND OLD LACE

Student Production Association of Lane Community College presents the classic Joseph Kesselring comedy, Arsenic and Old Lace, on the main stage of the Performance Hall, building 6, renovated this summer with new seating. Opening weekend is October 1-3, 8 p.m. The show also runs October 8, 9, 10 & 11 (2 p.m.); and October 15-17. Directed by Michael P. Watkins, Arsenic and Old Lace opened on Broadway on January 10, 1941, providing much-needed comic relief to New Yorkers' fearful of the war raging in Europe. The play revolves around two spinster aunts and their innocently sinister way of helping lonely old men seeking lodging in their home find peace. A review in Theatre Arts Magazine at the time called Arsenic and Old Lace "the ultimate in the genre. Arsenic and Old Lace lives up to its beguiling title and succeeds in turning homicide into side-splitting farce." The play continued on Broadway for 1,444 performances. It was such a hit in London that the English lined up for tickets during the London Blitz. In 1944, Arsenic and Old Lace was made into a hit movie starring Cary Grant. Tickets are \$12.50 for adults, \$10 for students. Tickets may be reserved by calling the Student Production Association office at 463-5761; and purchased at the door or in advance at Lane's online box office at [lanecc.edu/tickets](http://lanecc.edu/tickets). ## LANE COUNTY HOSTS FIRST FRIDAYS COMMUNITIES OF COLOR EVENT

The Lane County Diversity Action Committee invites everyone to the First Fridays Communities of Color Network Event on Friday, October 2, from 5:30-7 p.m. in the Rock Garden on the second floor of the Public Service Building, 125 E. Eighth Ave., Eugene. The event features good food, good music, and great company! Hearty hors d'oeuvres will be served by the MLK Jr. Culinary Arts program. The Communities of Color Network (CCN) offers an opportunity to network with other community members and develop

allies in an informal atmosphere. CCN was started by local community folks of color interested in bringing together people in a relaxed social atmosphere to support one another. CCN is now proudly sponsored each month by a different partner agency of the Diversity and Human Rights Consortium. Contact: Donna Koechig.

**SPEAKER PANEL: THE DETERIORATION OF CIVILITY IN POLITICAL DISCOURSE**  
Fighting Words: The Deterioration of Civility in Political Discourse is the topic of the first speaker panel in Steve Candee's PS 105 "Problems in US Politics Through Film" course. The panelists will include the following:

Charles Dalton, chair of the Lane County Democratic Party

\* Rick Dancer, former anchor at KEZI news & candidate for Secretary of State

\* Hart Williams, political blogger and author

\* Jackman Wilson, editorial director of the Eugene Register-Guard

The panel will take place Tuesday, October 6, 7:30-9:00 p.m. in building 19, room 257 (the studio classroom) and there are a few spots for guests in the classroom. It will be broadcast live on Tuesday night on Comcast Channel 23 and Charter Communications channel 9, with repeat broadcast on Saturday at 4 p.m. and Sunday at 4 a.m. If you would like to reserve a seat in the classroom or have questions, contact Steve Candee at 5188.

**MID-WILLAMETTE COLLEGE FAIR: SUNDAY, OCTOBER 11**

The annual Mid-Willamette College Fair, sponsored by the Pacific Northwest Association for College Admission Counseling (PNACAC) and the Beyond High School Network, will take place at Lane (building 5 gym) on Sunday, October 11 from 12 to 3 p.m.

Approximately 90 colleges and universities from across the country will be on campus to share information about their admissions policies, academic programs and campus resources with prospective students and their families. If you know any college bound students, we invite you to attend and get some valuable information! Contact David Van Der Haeghen, Student Recruitment & Outreach Coordinator, 5688.

**NOVEMBER 7: OSAA HIGH SCHOOL STATE CROSS COUNTRY MEET**

Since 1971, Lane has hosted the state championships. Please consider the magnitude of the event when scheduling campus events for Saturday, November 7. Eldon Schafer drive will be closed from 8 a.m. to 4:00 p.m. and the parking lots will be packed.

Attendance figures have averaged over 4,500. Please contact Grady O'Connor at 5550 with any questions.

**DAVID JOYCE GALLERY EXHIBIT**

The fall exhibit at the David Joyce Gallery is titled "Harvest Dinner Reflections: Six Years of Celebration" honoring culinary arts and hospitality management students, past and present, achievers of dreams. The exhibit showcases students in action preparing for the annual Lane Foundation Harvest Dinners, which raise money for student scholarships.

Dan Welton, photographer and a member of the LCC art faculty, is featured. The exhibit is up now and runs until January 4, 2010. Contact: Julie Fether.

CORRIDOS AND POETRY, Tuesday, Sept 29, 7-10 p.m., El Corral Restaurant, Edgewood Plaza, 40th and Donald. Singing by Jim Garcia, poetry by Leonard Cirino. Corridos are songs of the Mexican revolution and ballads of the people. Jim has been performing at various community, church and school events for the past 10 years. Jim sings traditional Mexican music such as Rancheras and Boleros, as well as bilingual, Spanish and original pop songs. He is Chicano/Latino Student Program Coordinator for Lane's Multi-Cultural Center. Leonard Cirino will be reading his own poetry inspired by Chinese poets. Submitted by Jerry Ross.

DO YOU ENJOY THEATER? Award-winning actress Esther Chae wrote and performs four roles in *So the Arrow Flies* at the Wildish Theater on Wednesday, September 30th at 7 pm. The four roles span three generations from the Korean War to the present time. The play touches on themes of national identities, allegiance, torture, hubris, and love for one's family. Chae's performances have been lauded by *Variety* as "talented," *Hollywood Reporter* as "engaging," and *Curtains Up* as "beautiful and delightful." Her life in Hollywood has been featured in a Korean Broadcasting Station documentary. \$10 for general admission; \$5 for students and seniors. Reserve your space today: 744.0954 or [office@oakhillsschool.net](mailto:office@oakhillsschool.net).

DO YOU HAVE A YOUNG ACTOR IN YOUR FAMILY? There are spaces available in this workshop. Esther Chae was born in Eugene and grew up in South Korea. She studied theater at U of Michigan and Yale. She has taught theater at NYU. In addition to writing *So the Arrow Flies*, Chae has had roles in *The West Wing*, *The Young and the Restless*, *Law & Order: Criminal Intent*, *ER*, *S.W.A.T.*, *24*, *The Shield*, and *Navy NCIS*. Thursday, October 1st from 1 - 3 pm at Oak Hill School. \$50 to attend the workshop; ticket price includes cost of theater performance. A GREAT VACATION GET AWAY, with very reasonable rates, is found at the BLK Beach House in Florence. Not only that, you can bring your dog for free. This is a newer manufactured home in great condition with a spacious open living room, 2 bedrooms, 1 bath, and the kitchen is supplied with everything you need: pots, pans, microwave, coffee pot, toaster and more. There is a queen size bed in one bedroom and twin and full size beds in the other room. It's a five minute walk to the beach. This is our home away from home and rented only to select clientele (like Lane employees) and guests are on the honor system to respect our home. The rates are very reasonable, in part because you are expected to clean up after yourself upon departure. There's a two night minimum and rates are \$58/weekend night in the winter starting Nov. 1 and \$62/weekend night in the summer (rates are slightly higher for more than two people). Weekday rates and weekly rates are cheaper. Call Wendy Simmons at 431-1277 or email her at [wsimmons@efn.org](mailto:wsimmons@efn.org) for more information.

**WALMART FOUNDATION GRANT WILL HELP TRAIN DISPLACED WORKERS**  
Lane Community College is one of eight community colleges in the country selected to participate in the Walmart Brighter Futures project. This national demonstration project is designed to assist community colleges in meeting the increasing need for training and services for dislocated workers. The Walmart Brighter Futures Project is funded through a \$3.5M grant from the Walmart Foundation to the League for Innovation in the Community College to work with a select group of eight community colleges to develop programs and services to put displaced workers back to work. The resulting programs and services will then serve as a model for other community colleges facing the same need to increase their offerings as a result of the economic downturn. Read more at: <http://www.lanec.edu/mpr/news/ref01176.htm>  
For more information contact Dawn DeWolf, Division Chair, ABSE and Workforce Development, 5515.

**CULINARY AND HOSPITALITY PROGRAM BEST IN NORTHWEST**  
The Culinary Arts and Hospitality Management Program has received prestigious recognition from two national accrediting commissions, distinguishing Lane as the only joint-accredited culinary arts and hospitality management program in the Pacific Northwest.  
The Hospitality Management Program was accredited by the Accrediting Commission for Programs in Hospitality Administration for a full seven-year period. This will give students a Certified Hospitality Professional certification upon graduation.  
The Culinary Arts Program was re-accredited for a full seven-year period, after receiving its initial five-year accreditation in 2004, by the American Culinary Federation Education Foundation's Accrediting Commission. Culinary Arts also received Exemplary Status, meaning the commission found no areas of non-compliance. Lane is one of 29 schools

in the nation to secure this honor. Students will continue receiving Certified Culinarian certification after graduation.

Two separate accreditation self-studies, each weighing about 9 to 10 pounds, were submitted to the accrediting commissions. Four evaluators from across the country conducted a site visit in May.

The programs are experiencing Lane's enrollment surge. For instance, Culinary Arts admitted 72 first-year students this fall and has a waiting list for next fall.

The program has a strong, active advisory committee including members in the local hotel/restaurant industry, an exceptional faculty, and supportive administrative staff. For more information contact Brian Kelly, Division Dean, 3510, [kellyb@lanecc.edu](mailto:kellyb@lanecc.edu); or Julie Fether, Special Projects Coordinator, 3518, [fetherj@lanecc.edu](mailto:fetherj@lanecc.edu)

#### EVENT COORDINATOR SELECTED FOR GLOBAL STUDY EXCHANGE

Shelly Kane, event sales coordinator at the CENTER for Meeting and Learning, is one of four individuals chosen for The Rotary Foundation Group Study Exchange program. The GSE is a unique cultural and vocational exchange opportunity that provides a travel grant from The Rotary Foundation for teams of young professionals to exchange visits in paired areas of different countries. Shelly will visit the Caribbean countries of Barbados, Dominica, St. Lucia, and St. Vincent, from Feb. 28 - March 28, 2010. Her team charged with observing and exchanging ideas on the practice of vocations abroad, experiencing the culture and institutions of each country and developing personal and professional relationships. She is sponsored by the Springfield Rotary Club. Submitted by the editor.

#### KUDOS TO PUBLIC SAFETY

A first day at school student in his late 80s came to our office on Wednesday upset and exhausted. He had been walking around searching for his car and couldn't find it. He remembered that it was in a space allocated for people with disabilities and that was all. Public Safety located his car, came to pick him up and delivered him safely to his vehicle. Thanks to Public Safety! Submitted by Susan Matthews, Workforce Development.

#### WELCOME BOOTH THANKS

The Student Life and Leadership Development office wishes to thank Pat Albright, Elaine Marsh, Dawn Rupp, and OSPIRG and student workers Skye Felton, Amanda Brown, Kristy Johnson, Randy Bodiford, and Kailtyn Cairney, for volunteering at the Welcome Booth on the very busy first two days of school. Thanks to Paula Westgate and the Catering staff for supplying the beverages, and to Holy Donuts and BagelSphere for their generous donations of donut holes and bagels. The students really enjoyed the welcome. Have a great year! Submitted by Tina Lymath.

**MYLANE: NO REASON TO BE ALONE ANYMORE**

MyLane has a tool that provides an easy way to share files, post messages and photos, and use a chat room with others. Faculty, staff, managers, and students will have the ability to create a group based on their work, club, or personal interest and then easily share information and send messages to fellow members of that group. With MyLane, it will be easier to find groups on campus that you may want to join. There's no reason to be alone anymore. MyLane will also allow for quick access to Moodle. Don't forget, starting in February, ExpressLane will have a new home in MyLane. MyLane is brought to you by the Title III - Engaging Students grant. If you have any questions, ideas, or comments contact Carol McKiel, Title III coordinator, 3132 or [mckielc@lanecc.edu](mailto:mckielc@lanecc.edu)

**DISRUPTIONS IN CLASS**

With increased enrollment and a depressed economy comes increased stress for many students. Faculty, please be aware of the resources available for dealing with any behavioral disturbances in your classes. The Student Code of Conduct spells out appropriate behavior for students and procedures for sanctions. Please report any behavioral disturbances or concerns about potential problems in your classes to your division dean who can assist you with resources. You also may dismiss a student from your class for that class period if that is necessary to maintain the learning environment. If you do so please alert both your division dean and the Executive Dean for Student Affairs (Kate Barry). If you need immediate / emergency help from Public Safety, call 5555. If you need immediate crisis/ emergency help from Counseling staff, call 8888. If you need immediate help from the Health Clinic staff, call 6666.

**SYLLABI ACCESSIBILITY REMINDER**

Faculty, please remember that this statement is to appear on every class syllabus in 12 point font or larger (and easy to read): "If you need support or assistance because of a disability, you may be eligible for academic accommodations through Disability Resources. For more information, contact Disability Resources at (541) 463-5150 (voice) or 463-3079 (TTY), or stop by Building 1, Room 218." Contact: Cathie Reschke

### ARSENIC AND OLD LACE

The Student Production Association presents the classic Joseph Kesselring comedy, Arsenic and Old Lace, on the main stage of the Performance Hall, building 6, renovated this summer with new seating. The show continues October 8, 9, 10 at 8 p.m.; Oct. 11 at 2 p.m.; and Oct. 15, 16 and 17 at 8 p.m. Directed by Michael P. Watkins, Arsenic and Old Lace opened on Broadway on January 10, 1941, providing much-needed comic relief to New Yorkers' fearful of the war raging in Europe. The play revolves around two spinster aunts and their innocently sinister way of helping lonely old men seeking lodging in their home find peace. A review in Theatre Arts Magazine at the time called Arsenic and Old Lace "the ultimate in the genre. Arsenic and Old Lace lives up to its beguiling title and succeeds in turning homicide into side-splitting farce." The play continued on Broadway for 1,444 performances. It was such a hit in London that the English lined up for tickets during the London Blitz. In 1944, Arsenic and Old Lace was made into a hit movie starring Cary Grant. Tickets are \$12.50 for adults, \$10 for students. Tickets may be reserved by calling the Student Production Association office at 463-5761; and purchased at the door or in advance at Lane's online box office at [lanecc.edu/tickets](http://lanecc.edu/tickets). Contact: John Watson, Music Dance and Theatre Arts Marketing Manager, 5161, [watsonj@lanecc.edu](mailto:watsonj@lanecc.edu)

### TESTING CLOSED

The Testing Office in Building 1, Room 116 will be closed Friday, October 9 for a GED meeting in Oregon City. Contact: Lora Dietmeyer, Testing Lead.

### MID-WILLAMETTE COLLEGE FAIR: SUNDAY, OCTOBER 11

The annual Mid-Willamette College Fair, sponsored by the Pacific Northwest Association for College Admission Counseling (PNACAC) and the Beyond High School Network, will take place at Lane (building 5 gym) on Sunday, October 11 from 12 to 3 p.m. Approximately 90 colleges and universities from across the country will be on campus to share information about their admissions policies, academic programs and campus resources with prospective students and their families. If you know any college bound students, we invite you to attend and get some valuable information! Contact David Van Der Haeghen, Student Recruitment & Outreach Coordinator, 5688.

#### BLOODMOBILE ON CAMPUS

October 12 and 13. Contact: Vicki Doughty.

#### NOVEMBER 7: OSAA HIGH SCHOOL STATE CROSS COUNTRY MEET

Since 1971, Lane has hosted the state championships. Please consider the magnitude of the event when scheduling campus events for Saturday, November 7. Eldon Schafer drive will be closed from 8 a.m. to 4:00 p.m. and the parking lots will be packed. Attendance figures have averaged over 4,500. Please contact Grady O'Connor at 5550 with any questions.

#### ANNUAL AAWCC CONFERENCE

The Oregon Chapter of the American Association of Women in Community Colleges (AAWCC) is holding its annual conference on November 19 and 20 at the Sheraton Portland Airport Hotel. This year's theme is "Maintaining our Vision, Sustaining our Spirit." The conference is always a great experience, providing a high quality professional development experience for Oregon community college women. Registration is \$175 if received before November 3. For more information, please visit the AAWCC website at <http://www.aawccoregon.org/> Submitted by Donna Zmolek, 5301.

#### LANE TO HELP HOMELESS AND LESS FORTUNATE COMMUNITY MEMBERS

Lane staff and students are starting to plan for this year's Free Whiteaker Community Thanksgiving Dinner for 2,500 men, women and children. Look for our garage sale add below. Instructor Sue Thompson is starting our Sleeping Bag Drive. Our goal is to have 300 20° bags that her team of Lane employees and friends will distribute during the dinner. People can sponsor one or more bags for \$15 each. Tax-deductible checks may be made to Whiteaker Community Dinners. Donations may be sent or dropped off to Beverly Farfan at the Cooperative Education office building 19, Room 231 or Sue Thompson's mailbox in H&PE, building 5, room 205. Culinary arts staff and students are planning the preparation of the delicious meal. For more information and how to get involved contact Beverly Farfan at 5395 or 912-2228 or [farfanb@lanecc.edu](mailto:farfanb@lanecc.edu)

I CAN, ONE CAN FOOD DRIVE DONATE A TON CONTINUES ANOTHER YEAR Lane donated more than a ton of non-perishable food to Food for Lane County last year. We are continuing our efforts to help others in our community. 76 pounds was collected for September. Thank you to the counseling department. They asked their staff to bring a can of food to their fall in-service which resulted in a full collection box. Remember to tell your friends about this easy opportunity to help others in our community. Donate one can of non-perishable food a month to Lane's ongoing food drive. Look for a box near

you or call for a box for your work area, 5395 or 912-2228. Contact Beverly Farfan, [farfanb@lanecc.edu](mailto:farfanb@lanecc.edu)

BOND UPDATES--

For more information about bond projects, contact Bob Mention, 5747.

DOWNTOWN CAMPUS BUILDING

Arrangements continue for the transfer of ownership of the site to the College.

BUILDING 10, RECYCLE CENTER, TEST CELL REPLACEMENT AND KILN

Contract negotiations continue. Project User Groups are 95% formed and meeting schedules with the architects and PUG are being determined.

BUILDING 18, GREEN FACULTY OFFICES

Architects have started preliminary work.

BUILDING 19, BUSINESS FACULTY OFFICES

Design and development phase is complete. Contract documents phase follows.

CENTER BUILDING ROOFING PROJECT

Center building roof work is complete. Contact Mark Richardson, 3456

DEFERRED MAINTENANCE PROJECTS--

445 STAIR AND HANDRAIL RENOVATIONS

Handrails for building 4 stairs were installed on stairs last weekend and open for use by Monday, October 5. Contact Brian McMurray, 5829.

445 CENTER BLDG NORTH ELEVATOR MODERNIZATIONS

Elevator is permitted and in operation. Punch list completion is expected to finish by October 16. Contact Brian McMurray, 5829.

PROJECT 446 EXTERIOR LIGHTING

The contractor, Christenson Electric, has completed 99 percent of the placement of path lighting fixtures. Work to place fixtures in two additional locations is pending. Parking lot fixture work is mostly complete. Six of the old parking lot fixtures in lot B will be replaced later this year by LCC electricians. A decision to relocate the poles was made in order to avoid the risk of causing severe damage to trees nearby. Replacement for a row of fixtures in parking lot L has been delayed due to a manufacturer error in shipping the wrong fixtures. LCC electricians will continue replacing light fixtures on the outside of buildings throughout fall term. Contact Dave Smith, 3433.

PROJECT 447 CARPET REPLACEMENT/FLOOR COVERING

Carpet replacement for main campus classrooms is now complete. Some areas in building 19, 16, and 3 were not accessible for floor replacement during the summer due to occupancy and the certain disruption of staff and student issues. Therefore,

installation of flooring in these areas was delayed and is scheduled during the winter break. Contact Mark Richardson, 3426.

#### PROJECT 448 KEYLESS ACCESS

Work continues on the keyless access project on buildings in various on campus locations. The first buildings to be implemented will be buildings 8, 9, and 12. The door hardware installation is scheduled to begin late October and be completed in November. The remaining buildings will be commissioned through winter term. Contact Dave Smith, 3433.

#### PROJECT 449 ASBESTOS ABATEMENT

Remaining crews for the deferred maintenance projects are working to install final touches on the tunnel system and will begin insulating the pipes in the mechanical rooms this week. Contact Mark Richardson, 3456.

#### PROJECT 450 EMERGENCY COMMUNICATION SYSTEM

The contractor, SecureCom, is working an off shift to minimize disruption to the campus community. Most testing of the new fire alarm systems installed on buildings to date is planned to occur during the week of December 14 - 20. All buildings are and will remain protected by existing fire alarm systems while installation of the new systems continue. Contact Dave Smith, 3433.

#### PROJECT 451 UTILITY SUBMETERING

Installation of meters on electrical, domestic hot and cold water, natural gas, chilled and heating water and irrigation will allow for utility monitoring, performance evaluation and energy maximization. This phase of the project includes installation of all meters and start-up of electrical and heating water monitoring only. Installation of plumbing meters is complete and all but one of the 29 electrical meters have been installed. Expect project completion by the end of October.

A second aspect of this project encompasses replacement of isolation valves on the main distribution system and to each building for domestic hot and cold water on main campus. As most of these valves were originally installed in the 1960s, replacement will greatly improve system reliability. All cold water valves have been replaced, but work continues on the replacement of the hot water valves. Project completion is expected mid-October. Contact Angela Fazio, 3428.

#### PROJECT 452 ELECTRICAL UPGRADES

Electrical panels were replaced on buildings 5, 11 and 12. Installation of panels on the remaining locations identified for panel replacements will occur later this year or early 2010. Contact Dave Smith, 3433.

#### PROJECT 453 SEWER PIPE REPLACEMENT

Project completed.

#### PROJECT 454 BUILDINGS 4 AND 5 REROOFING

Umpqua roofing is completing punch list items that remain on buildings 4 and 5. Access stairs on building five were installed and Deamor was on site replacing both skylights last week. The skylight located above the lobby in building 5 is complete and crews have begun work on the skylight located above the access stairs leading to the lower half of building 4.

#### PROJECT 455 RESTROOM UPGRADES

Building 4 remodels of the first and second floor restrooms and the first floor restrooms in building 6 are complete. Verification of supply/exhaust rates for all restrooms has yet to be confirmed. Contact Angela Fazio, 3428

#### PROJECT 456 & 457 CLASSROOM UPGRADES

Classroom upgrades are progressing forward and most are complete. Some electrical upgrades are receiving final touches to complete the lighting and AV systems. The electrical upgrades are the final step in completing the classroom upgrade project. Contact Mark Richardson, 3456.

#### PROJECT 458 RTS AND AMTF IMPROVEMENTS

The building 12 paint booth installation is nearly complete. The testing and commissioning remain to be scheduled. Work necessary to install the paint booths at the RTS facility is on hold pending airport and city reviews. Contact Brian McMurray, 5829.

#### PROJECT 459 SHOWER UPGRADES

The upgrade of the men and women's locker rooms is complete with minor punch lists. Contact Angela Fazio, 3428.

#### OTHER FACILITIES PROJECTS--

##### NATIVE AMERICAN LONGHOUSE

Landscaping work completed for this summer. The AV consultant has met with the sub-committee to present schematic design this week. Contact Brian McMurray, 5829.

##### RTS PARKING LOT EXPANSION

Trenching is expected to begin Wednesday, October 7 with excavation work to commence on Friday, October 9, or the following Monday, October 12. Contact Brian McMurray, 5829.

GO NUTS FOR THE HOLIDAYS! The Oregon Spirit Chorus of Sweet Adelines is selling delicious nuts again - just prior to the holidays when you'll need them for munching and baking! Now in our third year of selling these, join the many happy customers enjoying this quality product. The prices remained the same this year; what a novelty! They're sold by the pound and I will deliver them in November...hopefully before the Thanksgiving holiday. Here's what's available: Cashews - roasted/salted, \$9.00; Mixed Nuts - roasted/salted (no peanuts), \$9.00; Macadamias -roasted/salted, \$9.00; Pistachios (salted, in the shell), \$8.00; Smokehouse Almonds, \$8.00; Walnuts - halves & pieces, \$8.00; Pecans - halves, \$8.00; Raw Whole Almonds, \$8.00; Almonds -blanched & slivered, \$8.00. These are very fresh nuts and the price is comparable for the quality - they are literally still on the trees right now, so their freshness is fabulous! Most varieties freeze well, too. Contact me for an order form @ [vanderhorstg@lanecc.edu](mailto:vanderhorstg@lanecc.edu) . Order deadline is Thursday, Oct 15. Gloria Vanderhorst, Budget Office, x 5604.

A GREAT VACATION GET AWAY, with very reasonable rates, is found at the BLK Beach House in Florence. Not only that, you can bring your dog for free. This is a newer manufactured home in great condition with a spacious open living room, 2 bedrooms, 1 bath, and the kitchen is supplied with everything you need: pots, pans, microwave, coffee pot, toaster and more. There is a queen size bed in one bedroom and twin and full size beds in the other room. It's a five minute walk to the beach. This is our home away from home and rented only to select clientele (like Lane employees) and guests are on the honor system to respect our home. The rates are very reasonable, in part because you are expected to clean up after yourself upon departure. There's a two night minimum and rates are \$58/weekend night in the winter starting Nov. 1 and \$62/weekend night in the summer (rates are slightly higher for more than two people).

Weekday rates and weekly rates are cheaper. Call Wendy Simmons at 431-1277 or email her at [wsimmons@efn.org](mailto:wsimmons@efn.org) for more information.`

**ANNUAL EMPLOYEE GIVING CAMPAIGN BEGINS THIS WEEK**

The We Care Committee kicks off the annual Lane Community College Employee Giving Campaign this week when department managers and representatives learn about the campaign and receive materials to distribute in departments. Last year, Lane employees pledged more than \$93,000 to Lane Community College Foundation and Lane County United Way, providing funds for scholarships, college initiatives and community organizations, many which serve our students and colleagues. As soon as employees turn pledges in to the Foundation or their department representation, they'll be eligible to win prizes in the weekly Friday drawings. Thank you to Lanes managers who have donated more than 25 prizes so far. Watch The Weekly for prizes, winners and pledge updates through fall term. Our first drawing is this Friday, October 16th. We will be drawing for the following prizes: 1) \$25 certificate to Titan store, 2) case of apples from Hansen Farms-Sue Norton, 3) chocolates - Todd Lutz, 4) \$25 certificate for Down to Earth - Deanna Murphy, & 5) \$18 certificate Kiva Grocers - Michael Lainoff.

From We Care Committee, Cathy Lindsley, We Care Chair 2009 (x5441), Patty Parks, Carol McKiel and Kathy Thomas

**MYLANE GIVES YOU MESSAGING OPTIONS**

MyLane will let you send messages to specific people and groups that show up in e-mail, the portal, and, in some cases, text messages. The messages can be sent to people with specific identifiers in Banner, such as GPA, credit hours, courses, financial aid, etc. etc. Messages can also be sent to fellow members of a group that is organized in MyLane. The new portal will to be a robust communication tool across campus. Don't forget, starting in February, ExpressLane will have a new home in MyLane. MyLane is brought to you by the Title III – Engaging Students grant. If you have any questions, ideas, or comments contact Carol McKiel, Title III coordinator, 3132 or [mckielc@lanecce.edu](mailto:mckielc@lanecce.edu)

**CHILD AND FAMILY CENTER INCREASES SUBSIDIES**

The Lane Community College Child and Family Center, a state licensed child care center on main campus, has increased child care subsidies for student parents to access the campus child care center. Student parents who meet the application criteria can apply through the Child and Family Education Department office for stipends of \$400. Last year the stipends were \$200. The center currently has openings. The center

is open Monday through Friday and serves children 30 months through 5 years old. The Child and Family Center, a teacher preparation school and parent cooperative, provides care for student, staff and community families. The program is staffed by professional caregivers and enhanced by student teachers enrolled in the Early Childhood Education program. To enroll, contact Michel Ronning, department coordinator, at [ronningm@lanecc.edu](mailto:ronningm@lanecc.edu) or 5519 or visit [www.lanecc.edu/cfe/lcfc](http://www.lanecc.edu/cfe/lcfc) for more information.

#### SOROPTIMISTS TO VISIT

#### ARSENIC AND OLD LACE

The Student Production Association presents the classic Joseph Kesselring comedy, Arsenic and Old Lace, on the main stage of the Performance Hall, building 6, renovated this summer with new seating. The show continues October Oct. 15, 16 and 17 at 8 p.m. Directed by Michael P. Watkins, Arsenic and Old Lace opened on Broadway on January 10, 1941, providing much-needed comic relief to New Yorkers' fearful of the war raging in Europe. The play revolves around two spinster aunts and their innocently sinister way of helping lonely old men seeking lodging in their home find peace. A review in Theatre Arts Magazine at the time called Arsenic and Old Lace "the ultimate in the genre. Arsenic and Old Lace lives up to its beguiling title and succeeds in turning homicide into side-splitting farce." The play continued on Broadway for 1,444 performances. It was

such a hit in London that the English lined up for tickets during the London Blitz. In 1944, Arsenic and Old Lace was made into a hit movie starring Cary Grant. Tickets are \$12.50 for adults, \$10 for students. Tickets may be reserved by calling the Student Production Association office at 463-5761; and purchased at the door or in advance at Lane's online box office at [lanecc.edu/tickets](http://lanecc.edu/tickets). #### FACILITIES UPDATES

  
-----

#### BOND:

#### BUILDING 2 REMODEL

Architects are moving forward with schematic designs.

#### BUILDING 6 PERFORMING ARTS ELEVATOR AND DANCE STUDIO

The architect has begun schematic design and is incorporating the latest revisions and an addition of a new Dance Studio to the plan.

#### BUILDING 19 WORKFORCE TRAINING AND FOUNDATION

Phase 1, Workforce Development Remodel, is on schedule for completion before the end of October. Phase 2, the remodel for the Foundation, will begin soon after.

#### CENTER BUILDING REROOF

Contracted work is complete.

#### DOWNTOWN CAMPUS BUILDING

A Request For Proposals (RFP) from project management firms to conduct a feasibility study is planned to be published very soon.

#### FLORENCE CENTER

Roofing and siding on the existing building are underway. The walls for the classroom addition are being constructed this week and the contractor is on schedule for completion early November.

#### PERFORMANCE HALL SEAT REPLACEMENT

Completed.

For more information about bond projects, contact Bob Mention, 5747 or Todd Smith, 5132.

#### DEFERRED MAINTENANCE PROJECTS:

##### PROJECT 446 EXTERIOR LIGHTING

The contractor, Christenson Electric, has completed 100 percent of the path lighting fixtures. The parking lot lighting is mostly complete with the remaining work primarily being replacement of a row of fixtures in parking lot L. The LCC electricians will continue to replace the light fixtures on the outside of buildings through fall term. Contact Dave Smith, 3433.

##### PROJECT 447 CARPET REPLACEMENT/FLOOR COVERING

Classrooms located at the main campus scheduled for carpet replacement are complete. There are some areas in building 19, 16 and 3 scheduled to have flooring replaced during the winter break. These areas were not accessible during the summer months without disrupting staff and students. Flight Technology carpet replacement to commence as soon as carpet arrives as promised late-October. A meeting is planned with College Finance to develop a schedule for carpet installation, building 3, first floor. Contact Angela Fazio, 3248.

##### PROJECT 448 KEYLESS ACCESS

Allied Fire and Security continued work on the keyless access project in main campus buildings 15, 9, and Center. They are mostly complete with the security systems at the Wildish building and it should be operational mid-October. The first buildings to be fully implemented with keyless door access will be buildings 8, 9, and 12. The door hardware installation is scheduled to begin in late October and be completed in November. The remainder of the buildings will be commissioned through winter term. Contact Dave Smith, 3433.

#### PROJECT 449 ASBESTOS ABATEMENT

Deferred maintenance crews are installing insulation on fittings throughout the tunnel system and soon will begin the replacement of insulation on the pipes in mechanical rooms. Contact Angela Fazio, 3248.

#### PROJECT 450 EMERGENCY COMMUNICATION SYSTEM

The contractor, SecureCom, is working an off shift to minimize impact of their work on the LCC community. Due to a delay in shipment of certain components, the testing of much of the fire alarm systems will be delayed until the first week of winter break, December 14 – 20. All buildings are currently protected, and will continue to be, by existing fire alarm systems. Contact Dave Smith, 3433.

#### PROJECT 451 UTILITY SUBMETERING

Installation of meters on electrical, domestic hot and cold water, natural gas, chilled and heating water and irrigation will allow for utility monitoring, performance evaluation and energy maximization. Installation of plumbing meters is complete. All but one of 29 electrical meters have been installed. Project completion is anticipated by October 31. A second aspect of this project encompasses replacement of isolation valves on the main distribution system and to each building for domestic hot and cold water on main campus. Installation of cold water valves is complete. Replacement of hot water valves is anticipated to be completed by mid-October. Contact Angela Fazio, 3248.

#### PROJECT 452 ELECTRICAL UPGRADES

Completed replacement of obsolete panels identified in buildings 5, 11 and 12. The remaining panels identified will be replaced later this year or early 2010. Contact Dave Smith, 3433.

#### PROJECT 453 SEWER PIPE REPLACEMENTS

All work is complete. Contact Angela Fazio, 3248.

#### PROJECT 454 BUILDINGS 4 AND 5 REROOF

Umpqua roofing work is complete. Deamor replaced both skylights in building 5. Punch list walk is scheduled before the end of this week, October 16. Contact Angela Fazio, 3248.

#### PROJECT 455 RESTROOM UPGRADES

All work complete except verification and balancing of supply/exhaust rates. Contact Angela Fazio, 3248.

#### PROJECT 456 and 457 CLASSROOM UPGRADES

Adjustments on electrical upgrades of the lighting and AV systems are progressing. These upgrades are the final step in completing the original classroom upgrades project, however, requests to add chair rails in several classrooms and in hallways adds an extra scope to the project for the LCC deferred maintenance workers. Contact Angela Fazio, 3248.

#### PROJECT 459 SHOWER UPGRADES

All work is complete except verification and balancing of supply/exhaust rates. Contact Angela Fazio, 3248.

#### OTHER FACILITIES PROJECTS:

#### TRAININGS

---

##### 25 LIVE EVENT REQUEST TRAINING

Another set of training sessions have been scheduled for the new event request system currently in the Lane Events calendar. If you have a need to request rooms or even a motor pool car, this training will go through the steps using the new system. This new system will replace the current web request system at the beginning of Winter Term. The capability to request event space or a motor pool car is offered to all staff. Consider saving yourself time and learn how to submit your own requests. In the time you may take to create an e-mail to someone to request an event for you, you could have completed the request using the new web interface. The classes are open and there is no need to register, just come to the Advanced Technology Center.

See [http://showlane.lanecc.edu/25live/#details&obj\\_type=event&obj\\_id=9857615](http://showlane.lanecc.edu/25live/#details&obj_type=event&obj_id=9857615) for more information about dates and times.

LANE EMPLOYEES! PLAY INSTRUMENTS? Want to play in an ensemble? The Music Department needs musicians! Contact Hisao Watanabe at 463-5019.

FOR SALE: NEW Samsung 8 GB P3 MP3 player with 3" LCD display & accessories (earphones, USB cable for charging, & car charger with car FM stereo transmitter) . Paid \$150 2 weeks ago. Will sell for \$120. Received another MP3 player for birthday. Sue Ulrich Ext. 5630 Cell 954-4128.

IN ALL WAYS, A NOVEL by my friend Jim Malachi, is now available at <http://www.booklocker.com/books/4318.html> and otherbookseller websites such as Amazon.com. The story is described as "a tale of spiritual eroticism" and is like nothing you ever read before. Jim is a fine arts graduate of Southern Oregon University and a former Lane student. Check it out. Joan Aschim, M&PR.

GO NUTS FOR THE HOLIDAYS! The Oregon Spirit Chorus of Sweet Adelines is selling delicious nuts again - just prior to the holidays when you'll need them for munching and baking! Now in our third year of selling these, join the many happy customers enjoying this quality product. The prices remained the same this year; what a novelty! They're sold by the pound and I will deliver them in November...hopefully before the Thanksgiving holiday. Here's what's available: Cashews - roasted/salted, \$9.00; Mixed Nuts - roasted/salted (no peanuts), \$9.00; Macadamias -roasted/salted, \$9.00; Pistachios (salted, in the shell), \$8.00; Smokehouse Almonds, \$8.00; Walnuts - halves & pieces, \$8.00; Pecans - halves, \$8.00; Raw Whole Almonds, \$8.00; Almonds -blanched & slivered, \$8.00. These are very fresh nuts and the price is comparable for the quality - they are literally still on the trees right now, so their freshness is fabulous! Most varieties freeze well, too. Contact me for an order form @ [vanderhorstg@lanecc.edu](mailto:vanderhorstg@lanecc.edu) . Order deadline is Thursday, Oct 15. Gloria Vanderhorst, Budget Office, x 5604.

**BRIAN MCMURRAY NAMED INTERIM FMP PROJECT COORDINATOR**

Brian McMurray has been re-assigned/competitively hired as the interim FMP project coordinator in Todd Smith's previous position within Facilities Management and Planning. Brian will pick up the remaining project coordination work on the Health and Wellness Center and continue his project coordination work on the Longhouse. Angela Fazio, project coordinator, will pick up all of Brian's other project work in progress. Brian brings 29 years of project coordination and management experience including 23 years as a regional project manager/coordinator at the Texas parks and wildlife division. Please join me in welcoming Brian McMurray in this new assignment within the FMP team. Contact David Willis, 5566.

**FRANK PLAISTED JOINS BDC**

Frank Plaisted has joined the BDC team as a business advisor, coach and instructor for the Innovation Business Management Program. He will guide business owners step-by-step through the process of turning their ideas into income. Through instruction and one-on-one advising, participants can have access to Frank's 27 years of experience and training in all aspects of new product development. His experience from start-up to Fortune 500 gives him insider knowledge of the innovation systems behind the success and wealth of entrepreneurs and corporations. As an engineer and product development researcher, Frank has participated in, observed, or studied the development and commercialization of hundreds of new products. He can be reached at 4623 or [plaistedf@lanecc.edu](mailto:plaistedf@lanecc.edu)

**CELEBRATING 150 YEARS OF OREGON HISTORY**

October is Oregon Archives Month, celebrating 150 years of Oregon History. Here at Lane, we celebrate the 45th year of the founding of the college by listening to Larry Romine's oral history. Romine, former reporter for the Register/Guard and former Lane Board of Education member, tells about counting ballots on the night following the election, online at: <http://www.lanecc.edu/archives/OH-October19.html>

He says, "October 19, 1964, was a cold, icy night... people in the outlying areas didn't get their [ballot] boxes in because of the ice. And finally,...deputy sheriffs went and got those boxes from Florence and Mapleton and way up the McKenzie and brought them in. I think it was about 7 o'clock in the morning before we got the last one in. Anyway, by 7 o'clock [7:00 am, October 20, 1964] we knew we had a college and I went over to the Register-Guard and wrote the story -- something about it doesn't have a name, doesn't have a budget, but today there is a community college in Lane County."

The establishment of Lane is documented in "Lane Community College: The Parnell Years" by Larry Romine. Check out the online exhibit at:

<http://www.lanecc.edu/archives/PYwelcome.htm> Contact: Elizabeth Uhlig, Archives, 5466.

**RADIOTHON RESULTS**

KLCC ended Fall Radiothon at 6 p.m. on October 14 with a total of \$283,290 -- only \$12,000 short of its \$295,000 goal. More than 3,400 listeners contributed throughout the fall campaign, renewing their memberships or becoming new members of KLCC. Submitted by Gayle G Chisholm, 6000.

HEALTH CLINIC CLOSED FRIDAY

The Health Clinic will be closed all day for the NPO Continuing Ed conference on Friday, Oct. 23. Contact Mona Arbuckle, 5665.

MARK PERRY "WHENEVER IT COMES" EXHIBIT OPENS

The Lane Art Gallery presents "Whenever It Comes," a collective body of work by Portland artist Mark Perry, from October 26 through November 12. The show includes work based in printmaking, including processes such as relief, intaglio and woodcut. Perry says, "Most of my imagery is non-representational with symbolic and recognizable elements involved. Most of my prints are one of a kind, and all of them are hand printed via a press. The main theme has been based on 'fate.'" A reception will be held on Wednesday, November 4 at 4:30 p.m. in the gallery, building 11. For information call 5409.

FALL VOICE FACULTY CONCERT

"Voices Etc." features Lane voice music faculty members Siri Vik, soprano; Laura Decher Wayte, soprano; and Gene Chin, baritone; in collaboration with other music faculty for an evening of chamber music in the Performance Hall on Lane's main campus on Thursday, Oct. 29. The concert begins at 7:30 p.m. Featured composers include J.S. Bach, Charles Gounod, Sergei Rachmaninoff, Franz Schubert, Andre Previn, and Eugene's own Lawrence Wayte, executive director of the Oregon Mozart Players. This is the U.S. premier of Wayte's piece, "Come, Spirit" which premiered in Amsterdam in 2000. The October 29 concert will be the only performance. Tickets are \$10 general admission, \$8 for students. Proceeds fund Lane music scholarships. Tickets can be purchased in advance through our online box office at [lanecc.edu/tickets](http://lanecc.edu/tickets) or at the door. Contact: John Watson, marketing and house manager, 5161 or [watsonj@lanee.edu](mailto:watsonj@lanee.edu)

LANE BSU PRESENTS BENEFIT FOR THE MATTHEW SHEPARD FOUNDATION

The Lane Community College BSU and the Imperial Sovereign Court of the Emerald Empire present "In Memoriam: A Benefit for the Matthew Shepard Foundation," Friday, Oct. 30, 7 p.m., Performance Hall. Performances from Karress Ann Slaughter, Daphne Bertha Storm, Dance Northwest, Phenomenon and BoxHop Dance Companies. All ages, tickets \$10 at the door. All proceeds go directly to the Matthew Shepard Foundation. Submitted by Mario Parker-Milligan, president, Lane Student Democrats, executive vice president of internal affairs, LCC Black Student Union.

EMPLOYEE CAMPAIGN

We are looking forward to another successful We Care Campaign. As many of you know, these are very challenging times for individuals due to current economic conditions. There is so much need, and the support of Lane employees help many of our students and many in our community through these difficult times. Our goal this year is for 51 percent participation in the Employee Campaign by giving to either or both the Lane Foundation and United Way; this is an increase over last year. Everyone who pledges to the campaign is entered in a drawing for prizes offered by Lane staff. Turn your pledge forms in before noon each Friday to be eligible for that week's drawing. Thank you for making a difference! Submitted by Bonnie, Phipps, 5135.

#### AND THE WINNER IS....!

Each week, those who have made a pledge to the Employee Campaign and turned in their pledge forms are entered in a drawing for prizes donated by staff. The winners of this week's Employee Campaign drawing are:

\*Tom Tennent, Specialized Support Services, won a \$25 gift certificate to the Titan Store donated by Jennifer Steele, Titan Store;

\*Elizabeth Andrade, President's Office, won chocolate donated by Todd Lutz, CIO, Information Services;

\*Bob Baldwin, College Finance, won a \$25 gift certificate to "Down to Earth" donated by Deanna Murphy, Math;

\*Bonnie Phipps, Foundation, won a case of apples from Hansen Farms donated by Sue Norton;

\*John Labor, Specialized Support Services, won an \$18 gift certificate to Kiva Grocers donated by Michael Lainoff.

#### YOU TOO CAN BE A WINNER!

Each week, those who have made a pledge to the Employee Campaign and turned in their pledge forms are entered in a drawing for prizes donated by staff. Next week's drawing includes a deferred maintenance ball cap from Dave Willis, a shirt from the Division of Health, PE & Athletics, a bottle of wine and chocolates donated by Patty Parks, a first aid kit from Mona Arbuckle, a \$20 gift certificate for Toshi's Ramen donated by Susan Carkin, a \$25 gift certificate to Applebee's from Jenette Kane, and a certificate for a dozen of Denine McMurren's homemade Delectable Delights Scones. Turn in your pledge on your Employee Campaign Forms by noon Friday to be eligible for this week's great prizes. Good luck, and keep in mind the good work your donation makes possible. Submitted by Bonnie, Phipps, 5135.

#### MYLANE PROVIDES A ONE-STOP SHOP

Now you can go to one place to submit your timesheet, find out what's happening this week at Lane, and check the latest Word document submitted by someone on one of your committees. Where else can you get ExpressLane functions, shared files, and an events calendar all within a couple mouse clicks from each other? What will we do with all the extra time? Don't forget, starting in February, ExpressLane will have a new home in MyLane. MyLane is brought to you by the Title III – Engaging Students grant. If you have any questions, ideas, or comments contact Carol McKiel, Title III coordinator, 3132 or [mckielc@lanecc.edu](mailto:mckielc@lanecc.edu)

#### DTC WELCOME AND REMINDER

Longtime Downtown Center staff are pleased to welcome all of the new faces connected with the credit classes now offered downtown. This new level of activity has brought excitement and a few challenges. One way you can help is by including a department

name and/or office number when you address something sent via inter-campus mail. Sending an inter-department delivery envelope to someone addressed as "Jane Doe at the DTC" is similar to addressing the envelope to "John Smith in the Center Building." We want to get your packages delivered as quickly as possible. Submitted by Lida Herburger.

#### NOVEMBER 7: OSAA HIGH SCHOOL STATE CROSS COUNTRY MEET

Since 1971, Lane has hosted the state championships. Please consider the magnitude of the event when scheduling campus events for Saturday, November 7. Eldon Schafer drive will be closed from 8 a.m. to 4:00 p.m. and the parking lots will be packed. Attendance figures have averaged over 4,500. Please contact Grady O'Connor at 5550 with any questions.

#### ANNUAL AAWCC CONFERENCE

The Oregon Chapter of the American Association of Women in Community Colleges (AAWCC) is holding its annual conference on November 19 and 20 at the Sheraton Portland Airport Hotel. This year's theme is "Maintaining our Vision, Sustaining our Spirit." The conference is a great experience, providing a high quality professional development experience for Oregon community college women. Registration is \$175 if received before November 3. For more information, please visit the AAWCC website at <http://www.aawccoregon.org/> Submitted by Donna Zmolek, 5301.

**FACILITIES UPDATES**  
-----

#### BOND UPDATES--

For more information about bond projects, contact Bob Mention, 5747 or Todd Smith, 5132.

#### BUILDING 19 WORKFORCE TRAINING AND FOUNDATION

Phase 1 of the project in the Workforce Development area will be complete this week. The contractor will start next on the Foundation offices.

#### DOWNTOWN CAMPUS

The college continues to work towards acquiring the 10th and Charnelton site, and on a strategy for hiring consultants to assist the college with this project.

#### FLORENCE CENTER

Framing on the new classroom will be complete by the end of the week, sheathing, siding and roofing will follow. The roofing materials for the existing building arrived last week and installation will begin this week. Siding installation on the existing building continues.

#### DEFERRED MAINTENANCE PROJECTS--

Many of the "Go Oregon" projects are winding down to an early completion. The remaining deferred maintenance projects will near completion by the end of December. Here's an update on the deferred maintenance projects:

#### PROJECT 445 STAIRS AND HANDRAILS

Building 4 and 5 handrail stairs are complete and inspected. Friction tape to be added to step nosings to increase safety. Contact Brian McMurray, 5829.

#### PROJECT 445 ELEVATOR MODERNIZATION

### TEACHER2TEACHER (T2T\*): DEVELOPING AN ONLINE OR HYBRID COURSE

course level: introductory

November 2 - December 2, M/W 3-4:50pm, bldg 2/rm 201

instructors: Coronado, Keene-Wilson, Kirkpatrick

Have you wondered what it takes to teach online? Are you rethinking and redesigning your course materials to fit the needs of the online environment? This five-week hands-on workshop style course will give you an overview of things you need to know before teaching in cyberspace. Topics include; Getting started, designing for quality, introduction to Moodle, engaging students with media rich content and more. Collaborate and create community with other instructors that are new to online instruction. For more course information and to register go to: <http://lanecc.edu/atc/wstraining/schedule.html> Registration is required as space is limited.

\*This is the first in our T2T series of workshop style classes designed to assist instructors preparing courses for the online environment. Workshops are taught by various instructors from within the Lane community. The idea is no one person has all the answers, and we will network and combine our expertise to share with one another, Teacher 2 Teacher. If you would like to participate as an instructor or have an idea for future T2T topics please contact Meredith Keene-Wilson at [keene-wilsonm@lanecc.edu](mailto:keene-wilsonm@lanecc.edu) or call ext. 3022. Coming winter 2010: Developing an Online or Hybrid Course (level: intermediate).

#### BRIAN MCMURRAY NAMED INTERIM FMP PROJECT COORDINATOR

Brian McMurray has been re-assigned/competitively hired as the interim FMP project coordinator in Todd Smith's previous position within Facilities Management and Planning. Brian will pick up the remaining project coordination work on the Health and Wellness Center and continue his project coordination work on the Longhouse. Angela Fazio, project coordinator, will pick up all of Brian's other project work in progress. Brian brings 29 years of project coordination and management experience including 23 years as a regional project manager/coordinator at the Texas parks and wildlife division. Please join me in welcoming Brian McMurray in this new assignment within the FMP team. Contact David Willis, 5566.

#### FRANK PLAISTED JOINS BDC

Frank Plaisted has joined the BDC team as a business advisor, coach and instructor for the Innovation Business Management Program. He will guide business owners step-by-step through the process of turning their ideas into income. Through instruction and one-on-one advising, participants can have access to Frank's 27 years of experience and training in all aspects of new product development. His experience from start-up to Fortune 500 gives him insider knowledge of the innovation systems behind the success and wealth of entrepreneurs and corporations. As an engineer and product development researcher, Frank has participated in, observed, or studied the development and commercialization of hundreds of new products. He can be reached at 4623 or [plaistedf@lanecc.edu](mailto:plaistedf@lanecc.edu)

#### CELEBRATING 150 YEARS OF OREGON HISTORY

October is Oregon Archives Month, celebrating 150 years of Oregon History. Here at Lane, we celebrate the 45th year of the founding of the college by listening to Larry Romine's oral history. Romine, former reporter for the Register/Guard and former Lane Board of Education member, tells about counting ballots on the night following the election, online at: <http://www.lanecc.edu/archives/OH-October19.html>

He says, "October 19, 1964, was a cold, icy night... people in the outlying areas didn't get their [ballot] boxes in because of the ice. And finally,...deputy sheriffs went and got those boxes from Florence and Mapleton and way up the McKenzie and brought them in. I think it was about 7 o'clock in the morning before we got the last one in. Anyway, by 7 o'clock [7:00 am, October 20, 1964] we knew we had a college and I went over to the Register-Guard and wrote the story -- something about it doesn't have a name, doesn't have a budget, but today there is a community college in Lane County."

The establishment of Lane is documented in "Lane Community College: The Parnell Years" by Larry Romine. Check out the online exhibit at:

MARK PERRY "WHENEVER IT COMES" EXHIBIT OPENS

The Lane Art Gallery presents "Whenever It Comes," a collective body of work by Portland artist Mark Perry, from October 26 through November 12. The show includes work based in printmaking, including processes such as relief, intaglio and woodcut. Perry says, "Most of my imagery is non-representational with symbolic and recognizable elements involved. Most of my prints are one of a kind, and all of them are hand printed via a press. The main theme has been based on 'fate.'" A reception will be held on Wednesday, November 4 at 4:30 p.m. in the gallery, building 11. For information call 5409.

FALL VOICE FACULTY CONCERT

"Voices Etc." features Lane voice music faculty members Siri Vik, soprano; Laura Decher Wayte, soprano; and Gene Chin, baritone; in collaboration with other music faculty for an evening of chamber music in the Performance Hall on Lane's main campus on Thursday, Oct. 29. The concert begins at 7:30 p.m. Featured composers include J.S. Bach, Charles Gounod, Sergei Rachmaninoff, Franz Schubert, Andre Previn, and Eugene's own Lawrence Wayte, executive director of the Oregon Mozart Players. This is the U.S. premier of Wayte's piece, "Come, Spirit" which premiered in Amsterdam in 2000. The October 29 concert will be the only performance. Tickets are \$10 general admission, \$8 for students. Proceeds fund Lane music scholarships. Tickets can be purchased in advance through our online box office at [lanecc.edu/tickets](http://lanecc.edu/tickets) or at the door. Contact: John Watson, marketing and house manager, 5161 or [watsonj@lanee.edu](mailto:watsonj@lanee.edu)

EMPLOYEE CAMPAIGN

We are looking forward to another successful We Care Campaign. As many of you know, these are very challenging times for individuals due to current economic conditions. There is so much need, and the support of Lane employees help many of our students and many in our community through these difficult times. Our goal this year is for 51 percent participation in the Employee Campaign by giving to either or both the Lane Foundation and United Way; this is an increase over last year. Everyone who pledges to the campaign is entered in a drawing for prizes offered by Lane staff. Turn your pledge forms in before noon each Friday to be eligible for that week's drawing. Thank you for making a difference! Submitted by Bonnie, Phipps, 5135.

#### AND THE WINNER IS....!

Each week, those who have made a pledge to the Employee Campaign and turned in their pledge forms are entered in a drawing for prizes donated by staff. The winners of this week's Employee Campaign drawing are:

\*Tom Tennent, Specialized Support Services, won a \$25 gift certificate to the Titan Store donated by Jennifer Steele, Titan Store;

\*Elizabeth Andrade, President's Office, won chocolate donated by Todd Lutz, CIO, Information Services;

\*Bob Baldwin, College Finance, won a \$25 gift certificate to "Down to Earth" donated by Deanna Murphy, Math;

\*Bonnie Phipps, Foundation, won a case of apples from Hansen Farms donated by Sue Norton;

\*John Labor, Specialized Support Services, won an \$18 gift certificate to Kiva Grocers donated by Michael Lainoff.

#### YOU TOO CAN BE A WINNER!

Each week, those who have made a pledge to the Employee Campaign and turned in their pledge forms are entered in a drawing for prizes donated by staff. Next week's drawing includes a deferred maintenance ball cap from Dave Willis, a shirt from the Division of Health, PE & Athletics, a bottle of wine and chocolates donated by Patty Parks, a first aid kit from Mona Arbuckle, a \$20 gift certificate for Toshi's Ramen donated by Susan Carkin, a \$25 gift certificate to Applebee's from Jenette Kane, and a certificate for a dozen of Denine McMurren's homemade Delectable Delights Scones. Turn in your pledge on your Employee Campaign Forms by noon Friday to be eligible for this week's great prizes. Good luck, and keep in mind the good work your donation makes possible. Submitted by Bonnie, Phipps, 5135.

#### MYLANE PROVIDES A ONE-STOP SHOP

Now you can go to one place to submit your timesheet, find out what's happening this week at Lane, and check the latest Word document submitted by someone on one of your committees. Where else can you get ExpressLane functions, shared files, and an events calendar all within a couple mouse clicks from each other? What will we do with all the extra time? Don't forget, starting in February, ExpressLane will have a new home in MyLane. MyLane is brought to you by the Title III – Engaging Students grant. If you have any questions, ideas, or comments contact Carol McKiel, Title III coordinator, 3132 or [mckielc@lanecc.edu](mailto:mckielc@lanecc.edu)

#### DTC WELCOME AND REMINDER

Longtime Downtown Center staff are pleased to welcome all of the new faces connected with the credit classes now offered downtown. This new level of activity has brought excitement and a few challenges. One way you can help is by including a department

name and/or office number when you address something sent via inter-campus mail. Sending an inter-department delivery envelope to someone addressed as "Jane Doe at the DTC" is similar to addressing the envelope to "John Smith in the Center Building." We want to get your packages delivered as quickly as possible. Submitted by Lida Herburger.

#### NOVEMBER 7: OSAA HIGH SCHOOL STATE CROSS COUNTRY MEET

Since 1971, Lane has hosted the state championships. Please consider the magnitude of the event when scheduling campus events for Saturday, November 7. Eldon Schafer drive will be closed from 8 a.m. to 4:00 p.m. and the parking lots will be packed. Attendance figures have averaged over 4,500. Please contact Grady O'Connor at 5550 with any questions.

#### ANNUAL AAWCC CONFERENCE

The Oregon Chapter of the American Association of Women in Community Colleges (AAWCC) is holding its annual conference on November 19 and 20 at the Sheraton Portland Airport Hotel. This year's theme is "Maintaining our Vision, Sustaining our Spirit." The conference is a great experience, providing a high quality professional development experience for Oregon community college women. Registration is \$175 if received before November 3. For more information, please visit the AAWCC website at <http://www.aawccoregon.org/> Submitted by Donna Zmolek, 5301.

### TEACHER2TEACHER (T2T\*): DEVELOPING AN ONLINE OR HYBRID COURSE

course level: introductory

November 2 - December 2, M/W 3-4:50pm, bldg 2/rm 201

instructors: Coronado, Keene-Wilson, Kirkpatrick

Have you wondered what it takes to teach online? Are you rethinking and redesigning your course materials to fit the needs of the online environment? This five-week hands-on workshop style course will give you an overview of things you need to know before teaching in cyberspace. Topics include; Getting started, designing for quality, introduction to Moodle, engaging students with media rich content and more. Collaborate and create community with other instructors that are new to online instruction. For more course information and to register go to: <http://lanecc.edu/atc/wstraining/schedule.html> Registration is required as space is limited.

\*This is the first in our T2T series of workshop style classes designed to assist instructors preparing courses for the online environment. Workshops are taught by various instructors from within the Lane community. The idea is no one person has all the answers, and we will network and combine our expertise to share with one another, Teacher 2 Teacher. If you would like to participate as an instructor or have an idea for future T2T topics please contact Meredith Keene-Wilson at [keene-wilsonm@lanecc.edu](mailto:keene-wilsonm@lanecc.edu) or call ext. 3022. Coming winter 2010: Developing an Online or Hybrid Course (level: intermediate).

#### PLAYWRIGHT MICHAEL WELLER AT LANE COMMUNITY COLLEGE

The Student Productions Association of L.C.C. will host New York playwright Michael Weller during the opening week of his comedy, *Dwarfman, Master of a Million Shapes*. Two public events are being offered during his visit. After the performance on Friday, November 6, the audience is invited to stay for a question-and-answer session with Mr. Weller, and a refreshment gala.

The following day, Saturday, November 6, Mr. Weller will conduct a free playwriting workshop at 12:00 noon – expected to last two hours - at the Blue Door Theatre. He will provide a creative source to inspire participants and show how writers choose different moments to dramatize.

Mr. Weller started the Mentor Project in New York, and more recently the Final Draft Production Series - programs that foster the careers of budding playwrights. His many plays include *Moonchildren* and *Loose Ends*, and the screenplays for *Ragtime* and *Hair*. His latest musical, *Dr. Zhivago*, will open in Melbourne, Australia, in 2011.

*Dwarfman* runs three weekends, Thursdays through Saturdays, November 5 to November 21 (8:00 P.M.) at the Blue Door Theatre on the main campus, with one matinee on Sunday, November 15 (2:00 p.m.). For reservations or information, call: 541-463-5761.

#### UO SCHOLARSHIP INFO

#### CENTER FOR LEARNING ADVANCEMENT HONORED

Cathy Lindsley and Indy Bakshi accepted an award on October 22 from the Springfield School District and Willamalane Park and Recreation District honoring Lane Community College's partnership and contribution to after school programs. ABSE offers Spanish GED, and ESL offers English as a Second Language to parents in Springfield schools. The 21<sup>st</sup> CCLC program pays for the child care as a part of programming for the SPS 21st Century Community Center grant. Lane was presented a certificate and "the best, most unique trophy I've ever received," said Lindsley. For more information contact her at 5441 or [lindsleyc@lanecc.edu](mailto:lindsleyc@lanecc.edu)

#### LEE IMONEN PARTICIPATES IN ODOT BRIDGE ART PROJECT

Lane sculpture instructor Lee Imonen is among the artists chosen to help the Oregon Department of Transportation develop design enhancements for the Interstate 5 Willamette River Bridge replacement project. Lee is partnering with GreenWorks and artists Adam Kuby and Suzanne Lee to design a south bank interpretive area, which includes the old Eugene Millrace, river channel restoration, and the south bank bicycle and pedestrian path, underpass and viaduct. Conceptual plans will be developed this fall

and winter, and unveiled during Eugene's First Friday Gallery Walk on Feb. 5. The artist and design teams were selected by ODOT's design enhancement panel for the I-5 Willamette River Bridge project. Submitted by the editor from an ODOT news release.

**DON'T MISS YOUR CHANCE TO SET STRATEGIC DIRECTIONS FOR LANE**

Colleagues: Thanks so much to all of you who joined the breakout sessions we held during in-service on September 23, to discuss possible new Strategic Directions for Lane. There were many good ideas that came from those sessions despite the fire alarm that went off just as I was beginning to explain the topics. I want to invite you all to the next round of campus-wide discussions. We have considered your ideas and refined the topics for a second round of discussion forums that will be hosted by College Council and other Governance Councils. Following is the schedule for those discussions:

**\*\*Topic:** Liberal Education. **Sponsor:** Learning Council. **Facilitator:** Susan Carkin.

October 23, Friday, 1:00 to 2:30, Building 19, room 243.

**\*\*Topic:** Knowing Our Students; **Sponsor:** Student Affairs Council; **Facilitator:** Kate Barry.

October 26, Friday, 1:00 to 2:30, CML 225.

**\*\*Topic:** Completion; **Sponsor:** Learning Council, Student Affairs Council; **Facilitator:** Mary Parthemer. October 26, Monday, 2:45 to 4:15, CML 225

**\*\*Topic:** Distance Learning; **Sponsor:** Technology Council; **Facilitator:** Todd Lutz.

November 5, Thursday, 3:00 to 4:30, Building 19, room 243

**\*\*Topic:** Empowering Students; **Sponsor:** College Council, Learning Council, Student Affairs Council; **Facilitator:** Jim Salt. October 28, Wednesday, 3:30 to 5:00, Building 19, room 243

**\*\*Topic:** Basic Skills; **Sponsor:** Learning Council; **Facilitator:** Dawn DeWolf. November 3, Tuesday, 2:30 to 4:00, Building 19, room 243.

Submitted by Craig Taylor.

**DIVERSITY INSTITUTE REGISTRATION OPEN**

The Oregon Diversity Institute website is up. To register for the Thursday, Nov. 5 event to be held at Lane, go online to

[www.lanecc.edu/diversity/odi/conferenceinfo.html](http://www.lanecc.edu/diversity/odi/conferenceinfo.html) Contact: Donna Koechig.

**NOVEMBER 7: OSAA HIGH SCHOOL STATE CROSS COUNTRY MEET**

Since 1971, Lane has hosted the state championships. Please consider the magnitude of the event when scheduling campus events for Saturday, Nov. 7. Eldon Schafer drive will be closed from 8 a.m. to 4:00 p.m. and the parking lots will be packed. Attendance figures have averaged over 4,500. Please contact Grady O'Connor at 5550 with any questions.

**LANE TO HELP HOMELESS AND LESS FORTUNATE COMMUNITY MEMBERS**

Lane staff and students are starting to plan for this year's Free Whiteaker Community Thanksgiving Dinner for 2,500 men, women and children. Thank you to all who donated items and helped with our garage sale. We made almost \$900. Instructor Sue Thompson is starting our Sleeping Bag Drive. Our goal is to have 300 20° bags that her team of Lane employees and friends will distribute during the dinner. People can sponsor one or more bags for \$15 each. Tax-deductible checks may be made to

Whiteaker Community Dinners. Donations may be sent or dropped off to Beverly Farfan at the Cooperative Education office building 19, Room 231 or Sue Thompson's mailbox in H&PE, building 5, room 205. Culinary arts staff and students are planning the preparation of the delicious meal. You can help with meal preparation Saturday and Sunday, Nov. 21 and 22. For more information and how to get involved contact Beverly Farfan at 5395 or 912-2228 or farfanb@lanecc.edu

#### SUPPORT THE LANE LONGHOUSE

Now is the perfect time to renew your donation to the Lane Longhouse construction fund. The building is up and weather tight. Doors and windows are in and some of the landscaping has been put in. If you haven't taken a few minutes to walk rim of the track to see the Longhouse you owe yourself and if you're like the rest of us you could probably use a break anyway. Please use the Employee Campaign pledge forms. There is a location for giving to the Longhouse. We are nearing our goal. We hope to have a grand opening in the Spring. Thank you all who supported the Eddie Clark Concert and Auction. The event has raised nearly \$7000. The Lane staff contributed big time! Submitted by Dean Middelton, Ext 3294

#### FPD SEEKS INSTRUCTOR

Faculty Professional Development is searching for a qualified instructor to develop and facilitate a hybrid (mostly online) course with a focus on community college teaching for interested faculty members. All Lane faculty members are eligible to apply. The position description, qualifications, and application procedure are available at:

<http://lanecc.edu/fpd/fpdinstructorposition.htm> Please contact FPD Coordinator, Adrienne Mitchell (mitchella@lanecc.edu or 5871), if you have questions.

#### I CAN, ONE CAN FOOD DRIVE "DONATE A TON" CONTINUES ANOTHER YEAR

Lane donated more that a ton of non-perishable food to Food for Lane County last year. We are continuing our efforts to help others in our community. Cooperative Education has already collected a barrel of food this month. There is still time to bring your food item. Remember to tell your friends about this easy opportunity to help others in our community. Donate one can of non-perishable food a month to Lane's on-going food drive. Look for a box near you or call for a box for your office. For more information and how to get involved contact Beverly Farfan at 5395 or 912-2228 or farfanb@lanecc.edu

#### H1N1 VACCINE UPDATE

Go to <http://www.lanecc.edu/healthclinic/fluinfo.html> Contact Aixa, ext. 5665

#### BENEFITS OPEN ENROLLMENT: November 9, 2009-December 7, 2009

Open enrollment for the following benefits will begin on November 9, 2009 and continue through December 7, 2009:

\* Section 125 for calendar year 2010 (Classified, Faculty & Management): A new form must be completed for the new calendar year even if you are not making any changes from the previous calendar year. If you are enrolled for calendar year 2009, enrollment for calendar year 2010 is not automatic. You must complete a new election form.

\* Supplemental Life Insurance (Classified & Management): An enrollment form needs to be completed for new enrollment and changes to existing enrollment only. No action is necessary for those already enrolled who do not want to make changes.

\* Long Term Disability Buy-up (Classified & Management): An enrollment form needs to be completed for new enrollments only. No action is required for those already enrolled.

Learn more about these benefits by attending one of the drop-in information sessions. For questions regarding these benefits, please call Sharon Daniel at ext. 5190 or Heidi Morales at ext. 5592.

#### BENEFITS OPEN ENROLLMENT INFORMATION SESSIONS

Representatives from Human Resources will be available to assist in enrollment and answer any questions you may have regarding open enrollment for Section 125, Supplemental Life Insurance and/or Long Term Disability Buy-up. A representative from OEA Choice Trust, our plan administrator for 2009, will also be available to assist in enrollment and answer questions pertaining to Section 125. The scheduled sessions are:

- \* November 10, 2009 1:00 p.m. - 2:30 p.m. in Bldg 5 Room 206
- \* November 12, 2009 10:00 - 11:30 a.m. and 1:30 - 2:30 p.m. at Florence campus
- \* November 16, 2009 10:00 a.m. - 11:30 a.m. in Bldg 5 Room 206

#### THE CLOTHING STASH

is in need of all types of clothing and shoes. If have something that you will need picked up from your home, we are willing to pick it up. Give us a call at 463-5283. Submitted by Tina Lymath.

#### WE CARE CAMPAIGN UPDATES

What a great opening for our Achieving Dreams Campaign! We've finished our second week of the campaign and collected a total of \$33,346. \$22,522 went to support Lane's Foundation programs and scholarships and \$10,824 to United Way agencies. We had 90 donors out of a 106 forms submitted. With 11.7% of the Lane employees giving to date, we still have several weeks to attain our 51% participation goal that we set for this year's campaign. When making your donation, consider that a \$1 a work day can buy 75 rides for a low-income senior or people with disabilities for grocery shopping or doctor appointments. That same \$1 a work day can buy 2-3 books for one term here at Lane OR you can choose to spend that same \$1 on one bottle of water or one candy bar. Small readjustments in your spending habits can make a huge difference in the lives of many people in Lane County. Please take out those campaign forms and consider making your gift. Your money can help so many of our community members who are experiencing a myriad of challenges.

#### AND THE WINNERS ARE!

Our weekly winners and donors for the Second Week of the We Care Campaign are Jennifer Steele, Titan Store, won a deferred maintenance ball cap donated by Dave Willis, Facilities, & a shirt from the FEC donated by Roger Bates, Division of Health, PE and Athletics; Marlene Lasher, Co-op Education, won a bottle of wine and chocolates donated by Patty Parks, Specialized Support Services; Cathy Lindsley, Academic Learning Skills, won a first aid kit donated by Mona Arbuckle, Health Clinic; Tammy Simpson, Counseling, won a \$20 gift certificate to Toshi's Ramen donated by Susan Carkin, Literature, and Communications; Laura Martin, Office of Internal Controls, won a \$25 gift certificate to Appleby's donated by Jenette Kane, Continuing Education;

Jud Turner, Specialized Support Services, won a certificate for a dozen delectable delights: assorted scones, donated by Denine McMurren, Academic and Student Affairs

#### YOU, TOO, CAN BE A WINNER!

#### BOND UPDATES:

For more information about bond projects, contact Bob Mention, 5747 or Todd Smith, 5132.

#### BUILDING 2 REMODEL

Architects are moving forward with schematic designs and will meet with the Project User Group this week.

#### DOWNTOWN CAMPUS BUILDING

A Request for Proposals (RFP) from interested, qualified Project Management firms is being prepared for release. The RFP is expected to be published within the next couple of weeks.

#### PERFORMANCE ARTS ELEVATOR AND DANCE STUDIO

The architect has begun schematic design and will meet with the project user group this week.

#### CENTER BUILDING FIRST FLOOR CLASSROOM

All of the parts and pieces have been located to place the classroom back into service. The contractor should be working on that area in the near future. The door operators, access control, and the lock sets are currently being adjusted to alleviate the issues with the classroom access. The activities are not expected to cause classroom disturbance and should be at a minimal noise level.

#### BUILDING 18 GREEN PLUS OFFICE ADDITION

A design meeting is scheduled to be held on October 23 to talk about the design and sustainability aspects of the project. Currently the new office addition will be located in the grass area south of building 18.

#### BUILDING 19 WORKFORCE TRAINING & FOUNDATION

Work force training - Construction for the classroom remodel in the workforce training area is nearing completion. The project is expected to be complete by October 30. When the classrooms are completed, a moving crew will start relocating furniture from the hallways and storage to furnish the classroom. This activity could start as early as October 28 and will result in outside doors being left open and drafty conditions inevitably in the front lobby area. Currently the mechanical subcontractor is completing work above the ceiling area which may cause some smells and dust. This phase of the construction in that area should be done soon and the contractor will be moving on the second part of the construction for the new Foundation office.

#### FOUNDATION OFFICE

Design for the new foundation office is complete and construction is scheduled to start on November 2. Construction and demolition is expected to be noisy and cause dusty conditions in the area. The contractor will do their best to contain the dust and muffle the noise but everyone should expect a little of both. This is expected to last about 30 days with the construction being completed around December 11.

#### FLORENCE CENTER

Bineham Construction has completed the foundation and exterior framing for the new science room addition. Mechanical, electrical and plumbing is expected to start on Monday, October 26. In addition to the room construction, Bineham is also installing new metal roofing, exterior siding, and outside lights around the building. Starting next week contractor parking is expected to increase as the trades come to the site to complete their part of the project. This might cause some pressure on the parking but is not expected to cause complication for students and staff.

#### DEFERRED MAINTENANCE PROJECTS

##### PROJECT 446 EXTERIOR LIGHTING

The contractor, Christenson Electric, has completed the placement of path lighting fixtures. Parking lot fixtures work is mainly complete. Six of the old fixtures in parking lot B will be replaced and the poles relocated later this year by LCC electricians. Rather than trimming and causing severe damage to the trees, the decision was made to relocate the light poles. The replacement of a row of fixtures in parking lot L has been delayed as the wrong fixture was shipped by the manufacturer. The LCC electricians will continue to replace the light fixtures on the outside of buildings through fall term. Contact Dave Smith, 3433.

##### PROJECT 447 CARPET REPLACEMENT/FLOOR COVERING

Building 16 entry mat replacement is half complete; remaining work scheduled for October 24. Building 3 College Finance carpet replacement is scheduled for October 30 – November 9. Installation of building 19 hard flooring in hallway is scheduled for October 31 – November 1, and the storage hallway to be completed over winter break. The Flight Technology, building 44, carpet replacement is tentatively scheduled for December. Contact Angela Fazio, 3428.

##### PROJECT 448 KEYLESS ACCESS

Work continued on the keyless access project in the Math & Science building 16 and in various other campus buildings. The contractor, Allied Fire & Security, will be moving to nights the week of October 25 in order to be more productive in the occupied classroom buildings. The LCC electricians, also working nights, are working on the electrical conduit in buildings 5, 6, and 11. The first buildings to be implemented will be buildings 8, 9, and 12. The door hardware installation is scheduled to begin late October and be completed in November. The remainder of the buildings will be commissioned through winter term. Contact Dave Smith, 3433.

#### PROJECT 449 ASBESTOS ABATEMENT

Deferred maintenance crew continues installation of insulation on fittings throughout the tunnel system and soon will begin installing new insulation on the pipes in the mechanical rooms. New PVC insulation covers for Victaulic fittings will be tried out next week. Contact Angela Fazio, 3428.

#### PROJECT 450 EMERGENCY COMMUNICATION SYSTEM

The contractor has been contracted to update and replace the fire alarm system at the Florence campus. This work will be done in time for the beginning of winter term. The contractor, SecureCom, is working an off shift on the Eugene campus to minimize impact of their work on the LCC community. Due to a delay in shipment of certain components, the testing of much of the fire alarm systems will be delayed until the first week of winter break, December 14-20, to minimize impacts on faculty, staff, and students. All buildings are currently protected, and will continue to be, by existing fire alarm systems. Contact Dave Smith, 3433.

#### PROJECT 451 UTILITY SUBMETERING

Installation of all meters completed (domestic hot and cold water, natural gas, chilled and heating water and electrical). Installation of communications wiring is 90 percent complete. Operations and maintenance manuals were received. The final walk through to be scheduled. Anticipated metering project completion estimated to be late October. Replacement cold water main valves complete. Contact Angela Fazio, 3428.

#### PROJECT 452 ELECTRICAL UPGRADES

Electrical panels were replaced buildings 5, 11, and 12. The remaining panels identified for replacement will be replaced later this year or early 2010. Contact Dave Smith, 3433.

#### PROJECT 454 BUILDINGS 4 AND 5 REROOF

Carlisle inspection of fleece-back TPO roof carried out this week. Umpqua is working on punch list items. Cosmetic issues with skylight between buildings 4 & 5 have been resolved and rework to be scheduled. Contact Angela Fazio, 3428.

#### PROJECT 455 RESTROOM UPGRADES

Contract work complete. Contact Angela Fazio, 3428.

#### PROJECT 456 CLASSROOM UPGRADES

Upgrade to a smart classroom at Flight Technology will begin the week of November 9. Contact Angela Fazio, 3428.

#### PROJECT 458 AMTF IMPROVEMENTS

Building 12 paint booth repair work begins this week. Final commissioning reports to be generated. RTS paint booth work on hold pending airport/city approval of temporary construction equipment. Contact Mark Richardson, 3456.

#### PROJECT 459 SHOWER UPGRADES

Men and Women Locker Room Upgrade Project complete with minor punch list items. Contact Angela Fazio, 3428.

#### OTHER FACILITIES PROJECTS:

##### SOLAR LAB STATION

Currently the solar lab project is in the design and location phase of the construction. An architectural firm (gLAs) is being hired to perform a feasibility study of various locations around campus to accommodate the needs of the PV solar panel study program. Contact Mark Richardson, 3456.

##### HEALTH & WELLNESS BUILDING

Contractor nearing completion of concrete pours for second floor. Roof panels and reinforcement is being installed in preparation for concrete pours on roof. Work has begun on exterior wall framing. Expect noise from construction activities for the immediate future. Project completion expected August, 2010. Contact Brian McMurray, 5829.

##### NATIVE AMERICAN LONGHOUSE

Contractor selected to complete storm drain work. AV consultant to deliver final design October 26.. Project completion expected May 1, 2010. Contact Brian McMurray, 5829.

##### CENTER BUILDING REROOF

Umpqua Roofing is working to complete list items identified by Carlisle inspection. The access stairs to the Center roof were fabricated by deferred maintenance workers. Fabrication and installation of handrails will follow. Contact Angela Fazio, 3428.

##### PARKING LOT IMPROVEMENTS

Parking lot expansion preparation at the RTS site is complete. Storm drain and a catch basin to be installed this week and paving to be completed next week. Contact Angela Fazio, 3428.

#### TEACHER2TEACHER (T2T\*): DEVELOPING AN ONLINE OR HYBRID COURSE

course level: introductory

November 2 - December 2, M/W 3-4:50pm, bldg 2/rm 201

instructors: Coronado, Keene-Wilson, Kirkpatrick

Have you wondered what it takes to teach online? Are you rethinking and redesigning your course materials to fit the needs of the online environment? This five-week hands-on workshop style course will give you an overview of things you need to know before teaching in cyberspace. Topics include; Getting started, designing for quality, introduction to Moodle, engaging students with media rich content and more. Collaborate and create community with other instructors that are new to online instruction. For more course information and to register go to: <http://lanecc.edu/atc/wstraining/schedule.html> Registration is required as space is limited.

This is the first in our T2T series of workshop style classes designed to assist instructors preparing courses for the online environment. Workshops are taught by various instructors from within the Lane community. The idea is no one person has all the answers, and we will network and combine our expertise to share with one another, Teacher 2 Teacher. If you would like to participate as an instructor or have an idea for future T2T topics please contact Meredith Keene-Wilson at [keene-wilsonm@lanecc.edu](mailto:keene-wilsonm@lanecc.edu) or call ext. 3022. Coming winter 2010: Developing an Online or Hybrid Course (level: intermediate).

UNITED WAY CONTRIBUTION: I would like thank those you of you that have contributed and ask you to consider again using the United Way to make a contribution to The Jennifer Baker Fund. The fund is a non-profit organization started by my husband and me, in memory of our daughter, to provide suicide prevention education for Lane County. Your support has allowed us to fund three trainers to become certified QPR trainers. QPR is a general public training in suicide prevention. Just as people are trained in CPR help save thousand of lives each year, people trained in QPR learn how to recognized the warning signs of a suicide crisis and refer someone to help. The 1 1/2 QPR training will be offered for free to all staff and students and community members each term. If you would like more information about the fund, please contact me, ex 5614. #### TEACHER OF THE YEAR IS LCC CO-OP MENTOR

Donna Dubois is Oregon Teacher of the Year. She teaches at Camas Ridge (formerly Harris School) in southeast Eugene, and has mentored many LCC teaching co-op students over the years, in collaboration with faculty member Merrill Watrous. Submitted by the editor.

#### NEW ACADEMIC CALENDARS OUT

The Board of Education approved a change to the 2009/2010 Academic Calendar and approved the 2010/2011 Calendar at its last meeting. We've also added 2011/2012 to the multi-year calendar.

Please note that the 2009/2010 calendar no longer has a new credit student registration for spring term 2010. The last one will be on Tuesday, December 1. Since we now have Advance Registration, Early SOAR Registrations and Regular Registration openings we no longer have a need for new credit student registrations starting spring term 2010.

All of these calendars can be viewed at <http://www.lanecc.edu/calendars/academic.html>

Contact: Helen B. Garrett, Associate Dean of Student Affairs, Enrollment and Student Financial Services, 5686, [garreth@lanecc.edu](mailto:garreth@lanecc.edu)

#### BUS PASS FOR DOWNTOWN CENTER CREDIT STUDENTS

We've made the LTD Bus Pass available to credit students taking classes at the Downtown Center. Until this was available students taking their credit classes only at the DTC were not eligible. The 66 students were sent an e-mail telling them the good news and instructing them to check their ExpressLane balances, since the \$26 has been added to their account. Contact: Helen B. Garrett, Associate Dean of Student Affairs, Enrollment and Student Financial Services, 5686, [garreth@lanecc.edu](mailto:garreth@lanecc.edu)

#### FOUR NEW LIBRARIANS FILL IN THE GAPS

Four new part-time librarians have joined Lane to help fill in the gaps while full-time library faculty take leaves of absence.

Claire Dannenbaum received her Master of Library and Information Science from the University of British Columbia in Vancouver BC. She also has a MA in visual ethnography from San Francisco State University and a BA in visual arts from Antioch College. Most of her library experience is from working at the Architecture Visual Resources Library at UC Berkeley where she was an image cataloger for many years. When not being a librarian, Claire likes to garden, make art work with discarded books, or make a big mess in the kitchen. She has lived with her family in Eugene for a little over two years and confirms that it really does rains less here than in BC.

Barret Havens' claim to fame: He has worked at institutions of higher education on all three coasts (but acknowledges that the west is the best.) Barret attended the University of Texas at

Austin School of Information where he received his MLIS in 2000. When he's not teaching students research and critical thinking skills or wearing other library hats he attempts, quite unsuccessfully, to stave off his sushi addiction. He also enjoys canoeing, hiking, and surfing.

Meagan Lacy hails from Seattle, where she recently received her MLIS at the University of Washington. While a library student, she worked as a reference librarian at the UW Foster Business Library. She also held internships at the Cornish College of the Arts Library, Seattle Asian Art Museum, and the attorney general's office. Outside of work, she likes to read, cook, and eat. She also likes to dabble in writing and crafty pursuits such as sewing, beadwork, and latch hooking. She is currently latch hooking a pirate ship.

Laura Wimberley holds a Ph.D. in political science from the University of California San Diego and a MLIS from San Jose State. She comes to Oregon from California, where she was a library assistant at the Medical Center of UC San Diego. In her free time, she likes to practice yoga, and, of course, read.

Submitted by Barret Havens, [havensb@lanecc.edu](mailto:havensb@lanecc.edu) or 5357.

## DON'T MISS YOUR CHANCE TO SET LANE'S STRATEGIC DIRECTIONS

Contribute to the discussion of possible new strategic directions for Lane at the remaining forums hosted by College Council and other Governance Councils:

**\*\*Topic:** Basic Skills; **Sponsor:** Learning Council; **Facilitator:** Dawn DeWolf. November 3, Tuesday, 2:30-4 p.m., Building 19, room 243.

## MYLANE WILL HELP YOU REACH SPECIFIC AUDIENCE

MyLane is a portal system connected to Banner. This will allow us to send messages to people with identified fields in Banner. A couple examples, we will be able to send messages to all students taking a writing class by using the CRN(s) in Banner, or we can send messages to students who have a specific major. More about messaging in the next Lane Weekly.

Remember that ExpressLane has a new home in MyLane. MyLane is brought to you (in winter term) by the Title III grant. If you have any questions, ideas, or comments contact Carol McKiel, Title III coordinator, 3132 or [mckielc@lanecc.edu](mailto:mckielc@lanecc.edu)

## MYLANE SETS MEETINGS FOR FACULTY INPUT

There will be four meetings for faculty to give their input about the faculty page in MyLane: November 6 from 2-3 p.m. or from 4-5 p.m., and November 20 from 2-3 p.m. or from 4-5 p.m. All meetings are in building 1, room 222. Come get information about the functions of MyLane and offer your ideas. If you have any questions, ideas, or comments contact Carol McKiel, Title III coordinator, 3132 or e-mail.

## BENEFITS OPEN ENROLLMENT AND INFORMATION SESSIONS

November 9 to December 7

Open enrollment for the following benefits will begin on November 9 and continue through December 7:

\* Section 125 for calendar year 2010 (classified, faculty & management): A new form must be completed for the new calendar year even if you are not making any changes from the previous calendar year. If you are enrolled for calendar year 2009, enrollment for calendar year 2010 is not automatic. You must complete a new election form.

\* Supplemental Life Insurance (classified & management): An enrollment form needs to be completed for new enrollment and changes to existing enrollment only. No action is necessary for those already enrolled who do not want to make changes.

\* Long Term Disability Buy-up (classified & management): An enrollment form needs to be completed for new enrollments only. No action is required for those already enrolled.

Learn more about these benefits by attending one of the drop-in information sessions with representatives from Human Resources. A representative from OEA Choice Trust, our plan administrator for 2009, will also be available to assist in enrollment and answer questions pertaining to Section 125.

The scheduled sessions are:

\* November 10, 2009 1:00 p.m. - 2:30 p.m. in Bldg 5 Room 206

\* November 12, 2009 10:00 - 11:30 a.m. and 1:30 - 2:30 p.m. at Florence campus

\* November 16, 2009 10:00 a.m. - 11:30 a.m. in Bldg 5 Room 206

\* December 2, 2009 8:30 a.m. - 10:00 a.m. in Bldg 5 Room 206

For more information contact Sharon Daniel at 5190 or Heidi Morales at 5592.

#### SIGMA ZETA TO CLEAN UP 30TH

Sigma Zeta, Lane's Phi Theta Kappa chapter, will clean litter from 30th Avenue from Interstate-5 to Spring Blvd. on Wednesday, November 11. The chapter has maintained that section of the highway for three years, and all help is appreciated. We will meet at 9 a.m. in the northeast corner of Lot N. An optional potluck will be held after the cleanup. Please come and bring your family and friends. This is a useful community service, and the more people we have, the less time it takes. For questions, contact Velda Arnaud, Chapter Advisor, 5682.

#### IT'S MID-TERM: ARE STUDENTS DOING POORLY IN YOUR CLASS?

Encourage students to attend the Making Wise Choices workshop. This workshop will provide students with sound advice to make the best decision regarding their grading options. The answer may not be as simple as withdrawing or changing their grade to an audit. These decisions can have serious consequences. Making Wise Choices educates students on GPA calculation and the various grading options, including pass/no pass, withdrawals, and incomplete grades. We will review Financial Aid expectations for satisfactory academic progress (SAP); provide information on campus support services; and step students through a decision making process designed to help them make wise choices. All before November 20, 2009, the final day to make schedule changes for fall term!

Making Wise Choices Workshop schedule:

Friday, November 13, 1:00-1:50 p.m. in building 1, room 224

Tuesday, November 17, 12:00-12:50 p.m. in building 1, room 222

The Making Wise Choices workshop is a joint effort between Counseling, Enrollment Services and Financial Aid. It is brought to you by the SAGA Committee. Contact Mary Parthemer, Director, TRIO and Title III, 3133 or [parthemerm@lanecc.edu](mailto:parthemerm@lanecc.edu)

#### PRINT SHOP ANNOUNCES DEADLINES FOR 2009/10

The deadline for submitting winter term instructional packets to Printing/Graphics is November 13. Handouts needed for the first day of winter term classes should be submitted by December 4.

Subsequent deadlines for the 2009-2010 academic year are as follows:

Spring term: Packets to Printing/Graphics by February 12.

First-day materials are due March 19.

Observing these deadlines assures timely production of your materials by the print shop and processing by the Bookstore. Questions? Contact Tom Johnson, ext. 5373.

#### LEGISLATIVE TOWN HALL

Local legislators would like to hear from Lane students, faculty and staff! Lane Community College will host a legislative town hall on Monday, November 16 from 11:30 a.m. to 12:30 p.m. in the boardroom, building 3,. Bring your lunch and join us! Confirmed legislators include state Senators Bill Morrisette and Floyd Prozanski and state Representatives Phil Barnhart, Terry Beyer, Val Hoyle and Nancy Nathanson. Contact: Brett Rowlett, Director of Government & Community Relations, 5850 or [rowlettb@lanecc.edu](mailto:rowlettb@lanecc.edu)

#### LANE TO HELP HOMELESS AND LESS FORTUNATE

Lane staff and students are planning this year's Free Whiteaker Community Thanksgiving Dinner for 2,500 men, women and children. Instructor Sue Thompson is organizing our Sleeping Bag Drive. Our goal is to have 300 20° bags that her team of Lane employees and friends will distribute during the dinner. People can sponsor one or more bags for \$15 each. Tax-deductible checks may be made to Whiteaker Community Dinners. Donations may be sent or dropped off to Beverly Farfan at the Cooperative Education office building 19, Room 231 or Sue Thompson's mailbox in H&PE, building 5, room 205. Culinary arts staff and students are planning the preparation of the delicious meal. You can help with meal preparation Saturday, November 21 or Sunday, November 22. For more information and how to get involved contact Beverly Farfan at 5395 or 912-2228 or [farfanb@lanecc.edu](mailto:farfanb@lanecc.edu)

#### NOMINATE AN OUTSTANDING SCHOLAR

The Oregon Community College Association student scholar event will be held again in the spring of 2010. The event will honor two student scholars from each campus. Faculty or staff who would like to nominate a student to represent Lane at this event must e-mail a letter of nomination containing how the student meets the established criteria. Please include the student's name and student contact information. Please e-mail to [brysonj@lanecc.edu](mailto:brysonj@lanecc.edu)

\* Excellence in the classroom

- \* Intellectual curiosity outside the classroom
- \* Evidence of substantial development of their talents; and
- \* Ability to share this development with others

Deadline for nominations is December 11. Potential scholarships from a majority of Oregon's colleges (public and private) are available for the student scholars. The scholars will be honored at a recognition luncheon in Salem in the spring. For further information contact Jackie at 5164 or e-mail [brysonj@lanecc.edu](mailto:brysonj@lanecc.edu)

## JOIN "FAST LANE TO SUCCESS" LEARNING COMMUNITY

Fast Lane Learning Communities Help More Students Engage and Succeed in College. For five years, Lane has been offering learning communities called "Fast Lanes to Success" to new students. Fast Lanes link College Success courses with Writing, Math, Speech, Art and/or Effective Learning classes. "Fast Lane to Success" began as a pilot five years ago, with just 33 students and two instructors, Judy McKenzie and Mary Parthemer. This number has grown, and this year 18 faculty will teach in 12 Fast Lanes, serving 300 students: Liz Coleman, Anthony Hampton, Maria Kirwin, Steve McQuiddy, Kim Morton, Mary Parthemer, Susan Reddoor, Hyla Rosenberg, Jennifer Salzman, Christina Salter, Steve Selph, Jill Siegfried, Kate Sullivan, Eileen Thompson, Lynn Untz, Drew Viles, Sherrill Wight, Bill Woolum. Thanks to these faculty for taking the extra time and effort to create and teach Fast Lane learning communities. If you are an instructor interested in engaging students through learning communities, contact Anne McGrail at [mcgraila@lanecc.edu](mailto:mcgraila@lanecc.edu).

## FIND MDTA ON FACEBOOK

MDTA has a Fan page on Facebook! Similar to the LCC Facebook page, you can sign up to be a fan and be notified about all of the plays, dance performances and music concerts happening at Lane! Being who we are over here, I'm sure there will be enough newsy/gossipy tidbits posted to keep you informed and even entertained throughout the day!

We will post photos from MD&TA as we go, and will rotate the Profile Photo between the Arts! The link is <http://www.facebook.com/pages/LCC-Music-Dance-and-Theatre-Arts/181521033880?ref=ts>

So check it out! The administrator for the page is MDTA Marketing Manager John Watson. John would love to hear your feedback on the page. Post it there, or e-mail to [watsonj@lanecc.edu](mailto:watsonj@lanecc.edu)

Please pass this on to your students, and tell your friends in the community so we can build the page!

## WE CARE CAMPAIGN UPDATES

Wow! We are just about half-way through the Achieving Dreams Campaign and are moving in a positive direction. After three weeks, we have collected a total of \$50,451 from 136 donors out of 160 forms submitted: that is an average gift of \$371! \$35,091 went to support Lane's Foundation programs and scholarships and \$15,360 went to United Way agencies. We are currently at 17.50 percent of staff participation; with our goal being 51 percent. We thank you so much for the generous support; it truly is amazing what a group of individuals can do to make dreams come true and help many lives in our community who desperately need our help. When making a donation, consider that \$2 a work day can purchase 10 ESL scholarships for one

class at Lane or two weeks of shelter (meals, hygiene supplies, bedding and support services for one family) through a United Way supported agency or you can use that same \$2 to purchase one video rental or one scratch-it ticket. Consider your options. Remember it is not just the size of the donation but the goodwill we spread when we collectively work together to make a difference in our community. Submitted by Patty Parks for the We Care Campaign.

#### AND THE WINNER IS!

The winners for the third week of the We Care Employee Campaign drawings are:

- Sharon Daniel, Human Resources, won Killer Brownies donated by Cathy Lindsley, Academic Learning Skills
- Marvin Clemons, Cooperative Education, won \$10 Gift Card for Starbucks donated by Dawn DeWolf, ABSE
- Margaret Kimble, Enrollment & Student Financial Services, won a Blooming Anthurium Plant donated by Dennis Carr, Human Resources
- Helen Park, ABSE, won a Long Sleeve KLCC T-Shirt donated by Paula Chan Carpenter, KLCC
- Carol McKiel, TRIO, won a \$20 gift certificate to Market of Choice, donated by Mary Parthemer, Counseling/TRIO
- Suzanne Canale, Health Professions, won One Free Term in the Fitness Education Center, donated by Marisa Hastie, Division of Health, PE, & Athletics

A big thank you to all the donors who make this a fun way to both give and receive. Submitted by Patty Parks for the We Care Campaign.

#### YOU, TOO, CAN BE A WINNER!

Our fourth week prizes for the We Care Campaign drawings include:

- A Signed Photo Book "Working Hands", donated by Rick Williams, Division of Arts
- \$10 Coffee Card donated by Michele Erickson, Foundation
- Cheesecake donated by Sheryl Berman, Health Professions
- Plant donated by Anna Kate Mallaris, Academic & Student Affairs Office
- Scrumptious Homemade Pie donated by Phoebe Anderson, Cooperative Education
- Hand Strung Pearl Necklace donated by Janet Anderson, Foundation

Turn in your Employee Campaign forms to your department rep or the Foundation office by noon on Fridays to enter our weekly drawings for prizes. Our last drawing will be December 4 for the grand prize which we will announce next week! If you have already won, your name will be put back in drawing for the Grand Prize. Good Luck! Submitted by Patty Parks for the We Care Campaign.

#### I CAN, ONE CAN FOOD DRIVE

Good work, we collected 180 pounds of food for the month of October. Cooperative Education collected a barrel of food. Donate one can of non-perishable food a month to Lane's on-going food drive. The non-perishable food is donated to Food for Lane County. Their demand for food

increases during November and December as they provide extra holiday food boxes to many in our community. Remember to tell your friends about this easy opportunity to help others in our community. Look for a box near you or call for a box for your office. For more information and how to get involved contact Beverly Farfan at 5395 or 912-2228 or [farfanb@lanecc.edu](mailto:farfanb@lanecc.edu)

FACILITIES UPDATES  
-----

BOND UPDATES:

For more information about bond projects, contact Bob Mention, 5747 or Todd Smith, 5132.

BUILDING 2 REMODEL

A PUG meeting has been scheduled for November 18.

BUILDING 4 REMODEL & BUILDING 5 REMODEL/ADDITION

Work with PUG members in building 4 continues on the programming of existing and new spaces. Work with PUG members in building 5 continues in looking at options for the building addition. Discussions continue around details on the first floor remodel and elevator installation. Exploring options for HVAC and ducting replacement necessary in both 4 and 5 buildings.

CENTER BUILDING FIRST FLOOR CLASSROOM

Center building classroom addition is complete. The contractors will be performing some additional owner requested punch list items but work identified is not expected to cause interruption in classroom schedules.

CENTER BUILDING REROOF

Umpqua is working on punch list items noted by Carlisle inspection.

DOWNTOWN CAMPUS BUILDING

The Request for Proposals (RFP) from project management firms to provide services has been advertised and issued. The RFP has already been sent to several firms and the deadline for submitting proposals is November 20. The schedule calls for the Board of Education to award a contract to the successful proposer at the board's December meeting.

BUILDING 6 PERFORMANCE HALL ELEVATOR & DANCE STUDIO

Another PUG meeting is planned for November 18. The architect is working on revisions to the Dance Studio.

#### FLORENCE CENTER

Room Addition: Construction activities are running on schedule and are expected to be completed by January 1, 2010.

#### TRACK & SOCCER BOWL UPGRADES

Work with the architects is complete in the development of the master plan. Projects within the master plan have been prioritized and the plan moves into the schematic design phase beginning with the red with architects in developing a master plan; next to move into the schematic design phase of the project.

#### BUILDING 10, RECYCLE CENTER, TEST CELL REPLACEMENT AND KILN

Work continues on the programming for RTEC, Art, Recycling Center, and SSS projects. An application for a grant for seismic upgrades for buildings 9 and 10 will be submitted for consideration.

#### BUILDING 18 GREEN PLUS OFFICES

A conceptual design is expected to be presented to Lane this week showing a basic footprint of the offices and their location. Information on the building design is expected to be presented with additional information on requested special features to improve air quality.

#### BUILDING 19 WORKFORCE TRAINING & FOUNDATION

Workforce Training: The workforce training remodel is scheduled to be completed this week ending November 6.

Foundation: Construction of the Foundation office has been delayed by a few days to allow the moving crew access to relocate the classroom furnishing that is currently in use. The relocation is expected to take place on Friday, November 6 and construction to begin November 9.

#### DEFERRED MAINTENANCE PROJECTS:

##### PROJECT 446 EXTERIOR LIGHTING

The contractor, Christenson Electric, has completed the placement of all path lighting fixtures. The installation of fixtures in parking lots is nearly 100 percent complete. Six of the old fixtures in parking lot B will be replaced and the poles are relocated by LCC electricians during winter break. The replacement of a row of fixtures in parking lot L has been delayed as the wrong fixture was shipped by the manufacturer. They should be installed by the mid-November. Many of the parking lot fixtures have a dual light level feature, i.e. the lighting level automatically

increases when a moving vehicle or pedestrian is sensed. The sensor reacts to changes in the infrared energy (moving heat) in the area and increases the light level to maximum light output for a preset duration. This results both in a longer LED life as well as decreased energy consumption. LCC electricians will continue to replace the light fixtures on the outside of buildings throughout the fall and winter terms as time allows. Contact Dave Smith, 3433.

#### PROJECT 447 CARPET REPLACEMENT/FLOOR COVERING

Building 16 entry mat replacement complete. Building 3, College Finance, carpet replacements scheduled for October 30-November 9 is ongoing. Building 19 work for carpet replacement in front of Workforce training is ongoing. The hard flooring in the kitchen hallway location was installed October 30-November 1. The Flight Technology, building 44 carpet replacement is planned for December 7-11. Contact Angela Fazio, 3428.

#### PROJECT 448 KEYLESS ACCESS

Work continued on the keyless entry project in various campus buildings. The contractor, Allied Fire & Security, is working nights in the Center building this week in order to be more productive and so not to disrupt classes. For the same reason, FMP electricians are also working nights in building 5. Hardware installation is scheduled to begin the week of November 1 in building 8 and after work there is completed, the next buildings to be commissioned are 9 and 12. The remaining buildings will be commissioned through winter term. Contact Dave Smith, 3433.

#### PROJECT 449 ASBESTOS ABATEMENT

The deferred maintenance crew is working on installing the insulation on fittings throughout tunnel system. New PVC insulation covers for Victaulic fittings have been received. Contact Angela Fazio, 3428.

#### PROJECT 450 EMERGENCY COMMUNICATION SYSTEM

The contractor has been hired to update and replace the fire alarm system at the Florence campus. This work will be completed in time for winter term classes. The contractor, SecureCom, is working an off shift on the Eugene campus to minimize impact of their work on the LCC community. Due to a delay in shipment of certain components, the testing of much of the fire alarm systems will be delayed until the first week of winter break, December 14 - 20, to minimize disruption of faculty, staff, and students. If necessary, additional testing will occur during the week of December 22. All buildings are currently protected, and will continue to be, by existing fire alarm systems. Contact Dave Smith, 3433.

#### PROJECT 451 UTILITY SUBMETERING

Final mechanical, electrical and controls walk-through of to be scheduled early November. Replacement of hot water main valves is tentatively scheduled for December 18. Contact Angela Fazio, 3428.

#### PROJECT 452 ELECTRICAL UPGRADES

Panels have been replaced in Buildings 5, 11, and 12. Contact Dave Smith, 3433.

#### PROJECT 454 BUILDINGS 4 AND 5 REROOF

Umpqua working as weather permits to complete Carlisle inspection punch list items. Cosmetic issues with the skylight between buildings 4 and 5 have been resolved and rework will be scheduled. Contact Angela Fazio, 3428.

#### PROJECT 454 CENTER BUILDING REROOF

Umpqua is working on punch list items identified by Carlisle inspection. Contact Angela Fazio, 3428.

#### PROJECT 456 & 457 CLASSROOM UPGRADES

Upgrade to smart classroom at Flight Technology, building 44 is scheduled for November 6-13. Contact Angela Fazio, 3428.

#### PROJECT 458 AMTF IMPROVEMENTS

Investigating problems with the operation of the building 12 paint booth installed. Final commissioning reports to be submitted. RTS paint booth work on hold pending airport/city approval of temporary construction equipment and building permit.

#### SUSTAINABILITY IN DEFERRED MAINTENANCE LAUNDRY UPGRADES

FMP continues to incorporate energy conservation and sustainability into all projects. Building 7 laundry upgrades will reduce energy use by up to 45 percent save up to \$20,000 per year in natural gas costs. The project includes recovering heat from the dryer exhaust and using it to help heat the water in the boiler. This project contributes to Lane's goal to become carbon neutral. Contact: Jennifer Hayward, 5594.

#### OTHER FACILITIES PROJECTS:

##### HEALTH & WELLNESS BUILDING

Contractor made first concrete pour on roof deck October 30. Work continues tying steel and installing decking for remaining concrete pours on roof. Crushed rock has been brought in as temporary fill material to improve worker and equipment access to the building. Work has begun on exterior wall framing. Expect noise from construction activities for the immediate future. Project completion expected August, 2010. Contact Brian McMurray, 5829.

##### NATIVE AMERICAN LONGHOUSE

The contractor will start work on remaining storm drain lines and other site work beginning November 3. The Longhouse sub-committee reviewed AV design on October 30 and is making

a recommendation to their committee. A request for bids has gone out for a fire protection system. Project completion is expected May 1, 2010. Contact Brian McMurray, 5829.

#### RTS PARKING LOT EXPANSION

Storm drain and catch basin installed, final grade complete. Work will resume next week on a day the weather is forecast to be dry for paving.

#### SOLAR LAB STATION

This project is being reviewed by gLAs for location and accessibility. Lane expects concept drawings November 10.

**CONFERENCE CENTER RECOGNIZED FOR SUSTAINABLE PRACTICES**

The Center for Meeting and Learning will receive the Trashbuster Award for restaurant/food service establishments, from the Lane County Commissioners at their board meeting tonight at Harris Hall. The award will be accepted by Amanda Eriksen, coordinator of conference services for the center, and master recycler. The award recognizes the Center's green event practices, outstanding application of waste reduction, and reuse and recycling in the community. Contact: Paula Westgate, 3521.

#### SPIILDE NAMED OSU FELLOW

Oregon State University double graduate and president of Lane Community College, Mary Spilde, was named a 2009 OSU Alumni Fellow at the university's homecoming events. "Mary exemplifies the very highest goals of our College of Education" said Sam Stern, professor and dean of the OSU College of Education. "She is recognized as one of the very best community college leaders in the country. Mary serves as chair for the American Association of Community Colleges' board, co-chair of Oregon's Post-Secondary Quality Education Commission, and board member for the National Institute for Leadership Development and National Committee for Cooperative Education," said Stern. "It's an honor for us to be able to recognize Mary and the truly wonderful work that she does." Submitted by the editor.

#### BOARD ENDORSES TAX MEASURES

The Board of Education passed a resolution advocating a "yes" vote on measures 66 and 67 in the January 26 statewide special election. "Failure to support the work of our legislators will result in further damaging cuts to state and local services," said Board Chair Pat Albright. "These measures attempt to balance the needs of Oregon by assessing modest increases on those most capable." The resolution notes that LCC could face state funding cuts of about \$2.9 million if the measures are not approved. The resolution was approved by 6-0 vote at the board's Nov. 4 meeting; board member Gary LeClair was absent. Submitted by the editor.

#### WE CARE CAMPAIGN UPDATE

We are making great strides in achieving our goal of 51 percent participation or breaking the \$100,000 benchmark for this year. After four weeks, we have collected \$63,309 from 168 donors out of 194 forms submitted or 21.5 percent of all employees solicited! \$43,829 was donated to Lane's Foundation programs and scholarships and \$19,480 to United Way agencies. Please consider making your donation regardless of the amount. Payroll deduction is a very easy way to contribute as it can be taken out each pay period and not become quite the challenge of writing one check. It spreads out your gift over time and is easier to budget. When donating, consider the following: If you make a first time or increase your donation this year to LCC Foundation, The Miller Foundation will match 100 percent of those donations to our Foundation scholarship fund. Based upon last year's match, the Foundation was able to offer 125 new scholarships this fall of \$1,200 each. Students applied for 2,600 scholarships in spring 2009, nearly double the number received in 2008! For United Way agencies, your donation of \$3/work day can buy 20 meals for elderly Meals on Wheels recipients, three months of transportation to and from preschool, and 65 dental exams and cleanings for low-income children. The needs are real, make your donations now! We do make differences when we act collectively. Contact: Patty Parks, 5099.

#### AND THE WINNER IS!

The winners for the fourth week of the We Care Employee Campaign drawing are:

- \* Jenette Kane, Continuing Education, won a signed copy of "Working Hands" authored by our own Rick Williams, Division of Arts
- \* Fred Beisse, CIT, won a \$10 Coffee Card donated by Michele Erickson, Foundation
- \* Gayle Smith, Mathematics, won a Cheese Cake donated by Sheryl Berman, Health Professions

\*Kathy Calise, Continuing Education, won a Plant donated by Anna Kate Malliris, Academic and Student Affairs

\* Sarah Washburn, Social Science, won a Scrumptious Pie, donated by Phoebe Anderson, Cooperative Education

\* Jamie Kelsch, Cooperative Education, won a Pearl Necklace, donated by Janet Anderson, Foundation

\* Colby Sheldon, International Student Program, won one free term in the Fitness Education Center, donated by Marisa Hastie of the Division of Health, PE, & Athletics

Thank you to all the winners and donors! Your gifts are appreciated and adds a little incentive to remind everyone to get their donor forms in to the Foundation office by noon on Friday for our weekly drawings.

Contact: Patty Parks, 5099.

### YOU, TOO, CAN BE A WINNER!

Our fifth week prizes for the We Care Campaign drawings include:

\*Massage by Sharon Ogle donated by Andrea Newton, Office of Student & Academic Affairs

\*Chocolates donated by Greg Morgan, College Services Office

\*\$25 Certificate to the Renaissance Room donated by Ken Murdoff, Social Science

\* Singing Telegram Certificate donated by Katherine Vos, FMP

\*\$20 Starbucks Gift Card donated by Helen Garrett, Enrollment & Student Financial Services

To be eligible for this week's drawing, make sure to get your Employee Campaign forms to your Department Representative or Foundation Office by noon on Friday. After this week, we only have one more drawing before Thanksgiving. Our Grand Prize drawing will be held on Dec. 4 for an Entertainment package. You can indulge yourself with food, dessert and an evening arts performance. We have the following gifts to offer the lucky winner:

\*\$20 Gift Certificate to TaRaRin Thai Restaurant donated by John Lindly, Business Development Center & Employee Training

\*\$34 Gift Certificate to The Vintage Restaurant donated by The Foundation

\*\$15 Gift Certificate to Sweet Life donated by Carol McKiel, TRIO

\*2 Tickets for an LCC Performance donated by John Watson, Music, Dance and Theater Arts

Contact: Patty Parks, 5099.

### TERRACE CAFÉ MOVING INDOORS

We are very excited to let everyone know that the Terrace Café is moving inside! It will be located inside building 16 on the second floor near the southeast entrance by the elevator. They are serving coffee, bagels, sandwiches, chips, doughnuts, a variety of drinks etc. The hours of operation are from 7:30 a.m. to 4 p.m. Mondays through Fridays. Submitted by Holly Lonigan.

### HOT DOG CART BUSINESS PICKS UP

We are thrilled to see that more people are using the Hot Dog Cart since it moved to its current location outside of the library and the Titan Store! They are serving hamburgers, hot dogs, brats, chips, bagels, doughnuts, sodas, coffee et The hours of operation are from 9:30 a.m. to 2 p.m. Thank you all for your continued support. We strive to give you the best service we can! If you have any questions or comments you can contact Michael O'Neal at [onealm@lanecc.edu](mailto:onealm@lanecc.edu).

### OSAA MEET SUCCESSFUL THANKS TO YOU

Thank you to everyone who helped make the annual OSAA state high school cross country championships a success. We have been the proud host of this event for 39 years! We really appreciate the campuswide support, and appreciate everyone's patience during this massive special event. We had more than 4,000 spectators and athletes with nearly 100 Oregon high schools represented. Special thanks to our Facilities Department, Public Safety, Grounds Crew,

and all of the campuswide volunteers. Next year's date is Nov. 6, 2010. Submitted by Grady O'Connor, Meet Director, 5550.

#### WANT TO JOIN THE PERFORMING ARTS E-MAIL LIST?

We're receiving lots of requests from our audience members who want to be placed on an e-mail list to be notified of Performing Arts events. Want to be on the list? If you are interested, e-mail John Watson, Music Dance and Theatre Arts Marketing Manager at [watsonj@lanecc.edu](mailto:watsonj@lanecc.edu) and you'll get invitations to events delivered right to your inbox. We will send two notifications of each event, one approximately two weeks out and one on Monday of the week of the event. Each notice will contain the official press release and a link to buy tickets on-line. You will not be spammed with a bunch of junk. Sign up soon if you are interested in this service!

##### LEGISLATIVE TOWN HALL NOV. 16

Local legislators would like to hear from Lane students, faculty and staff! Lane Community College will host a legislative town hall on Monday, Nov. 16 from 11:30 a.m. to 12:30 p.m. in the boardroom, building 3,. Bring your lunch and join us! Confirmed legislators include state Senators Bill Morrisette and Floyd Prozanski and state Representatives Phil Barnhart, Terry Beyer, Val Hoyle and Nancy Nathanson. Contact: Brett Rowlett, Director of Government & Community Relations, 5850 or [rowlettb@lanecc.edu](mailto:rowlettb@lanecc.edu)

##### JESSICA BURKE "CEREBRAL SPACES" OPENS NOV. 16

The Lane Art Gallery is proud to present "Cerebral Spaces," a collective body of work by Salem artist Jessica Burke. The exhibition consists of paintings that reflect on the stream of consciousness chronicling the evolving definition of "acceptable" femininity within the spectrum of gender. Burke states, "The images I create explore this conceptual construction through the environments that surround the figure. These environments represent a cerebral space that underscores the gender performance as the focal point of the work." The show runs Nov. 16 through Dec. 3. An artist's lecture will be held Nov. 19 at 2 p.m. with a reception following. The gallery is in building 11. For more information call Art and Applied Design at 5409.

##### LARRY CLABBY PERFORMS WITH EUGENE SYMPHONY NOV. 19

Music keyboard instructor Larry Clabby will be guest organist when the Eugene Symphony performs Symphony No. 3 in C minor op. 78 (for organ) by Camille Saint Saens on Thursday, Nov. 19 at the Silva Concert Hall. "This is a great honor for me" Clabby said. "This symphony is known as 'The Mighty Organ Symphony', so to be selected as the organist is a real credit to me and the entire music department at Lane!" If you attend, you might find some of the music familiar, according to Clabby. Portions of Symphony Number 3 were used to score the 1995 movie "Babe." Tickets can be purchased at the Hult Center Box Office or online through their website. Contact: John Watson, 5161 [watsonj@lanecc.edu](mailto:watsonj@lanecc.edu)

##### LANE HELPS SPREAD THE WARMTH TO HOMELESS AND LESS FORTUNATE

You can help by donating hats, gloves, coats, blankets or sleeping bags. Drop donations off at the Cooperative Education office, building 19, room 231. Donation may also be dropped off at any Windermere real estate office. You can also help instructor Sue Thompson's Sleeping Bag Drive. Our goal is to have 300 20° bags that her team of Lane employees and friends will distribute during the dinner. People can sponsor one or more bags for \$15 each. Tax-deductible

checks may be made to Whiteaker Community Dinners. Checks or cash may be sent or dropped off to Beverly Farfan at the Cooperative Education office, building 19, Room 231 or Sue Thompson's mailbox in H&PE, building 5, room 205. You the can help culinary arts staff and students with meal preparation Saturday, Nov. 21 or Sunday, Nov. 22. For more information and how to get involved contact Beverly Farfan at 5395 or 912-2228 or [farfanb@lanecc.edu](mailto:farfanb@lanecc.edu).

#### POWWOW IS DEC. 5

The annual LCC Powwow is coming up Dec. 5, and once again we plan to offer golf-cart rides from the parking lot to the door (and back) for elders and dancers and drummers. Those who have helped out in years past have had a good time, and generally want to do it again. We'll have two carts and assign two-hour shifts. Think about joining us! To sign up, contact Jeff Harrison at [harrisonj@lanecc.edu](mailto:harrisonj@lanecc.edu) or at 5145.

#### NOMINATE AN OUTSTANDING SCHOLAR BY DEC. 11

The Oregon Community College Association Student Scholar Event will be held in the spring of 2010 and will honor two student scholars from each campus. Faculty or staff who would like to nominate a student to represent Lane at this event must e-mail a letter of nomination containing how the student meets the established criteria. Please include the student's name and student contact information. Please e-mail to [brysonj@lanecc.edu](mailto:brysonj@lanecc.edu)

- \* Excellence in the classroom
- \* Intellectual curiosity outside the classroom
- \* Evidence of substantial development of their talents; and
- \* Ability to share this development with others

Deadline for nominations is Dec. 11. Potential scholarships from a majority of Oregon's colleges (public and private) are available for the Student Scholars. The Scholars will be honored at a recognition luncheon in Salem in the spring. For further information contact Jackie at 5164 or e-mail [brysonj@lanecc.edu](mailto:brysonj@lanecc.edu)

#### BOND UPDATES:

For more information about bond projects, contact Bob Mention, 5747 or Todd Smith, 5132.

#### BUILDING 18 GREEN PLUS OFFICE ADDITION

Lane has received a schematic design showing the footprint of the new offices. The drawings are currently being reviewed by the FMP planning team and comments are expected to be returned by Tuesday, Nov. 10. Design development is expected to start Nov. 12 and will be placed on a fast track so construction can start right away. Currently, the design shows a group of six offices with a specialized ventilation system to improve air quality. These sets of offices are specially designed to accommodate staff members that are sensitive to indoors and out door air quality.

#### BUILDING 19 WORKFORCE TRAINING & FOUNDATION

Work force Training: Classrooms are completed and crews are moving furnishings into the rooms to get ready for classes scheduled for Tuesday, Nov. 10. Final inspection is expected Friday, Nov. 6. This area now complete has two upgraded smart classrooms, storage closets with oak shelves and a new employee break room. The podiums were ordered for the classrooms last month and are expected to arrive on site the Dec. 1. LCC staff members are

working to obtain complete price quotes for the AV equipment so an order can be placed this month. Installation of the equipment is not expected to start until spring term due to the high demand that is being placed on the AV staff members.

Foundation Office: Beginning on Monday, Nov. 9, FMP crews will be moving furniture out of the office, building 19, room 270 into Building 10 storage and afterwards, demolition will begin and is expected to last two or three days. The levels of noise will be increased during that time but is not expected to be disruptive to students. When demolition is completed, construction of the new foundation office will begin and should be completed by January 1, 2010.

#### CENTER BUILDING FIRST FLOOR CLASSROOM

Center building classroom addition is complete. The podium was installed under the deferred maintenance work this summer and the AV equipment is expected to be ordered this month. This classroom is one of the first classrooms that are currently under construction for the new access control system. Currently, the doors will lock automatically in the evening time and reopen for classes first thing in the morning. This system is one of many installed to protect the new smart classroom equipment that will be installed in the spring.

#### CENTER BUILDING REROOF

Umpqua working to complete the punch list items noted by Carlisle inspection.

#### DOWNTOWN CAMPUS BUILDING

The request for proposals from project management firms was published last Monday and the pre-proposal meeting is scheduled for Nov. 10. Proposals are due Nov. 20. Meanwhile, the RFPs from Architectural firms are being prepared. The first phase of work is for the successful project manager and architect to prepare a feasibility report.

#### SOLAR LAB STATION

This project is being reviewed by gLAs for location and accessibility. A feasibility study is expected to start late next week and should only take a total of two weeks to complete the study. FMP in conjunction with the Science department is working to select a location that is accessible to students to learn about solar energy. After a location has been determined a concept design will be completed by the architect and installation activities are expected to start in mid-January 2010.

#### FLORENCE CENTER

Construction activities are running on a tight schedule and are expected to be completed by January 1, 2010. Bineham construction is working with the subcontractors to complete the mechanical, electrical, and plumbing for the new science room addition. Interior insulation is expected to be completed by Nov. 9, followed by the wall board installation that is expected to start Nov. 11. Bineham construction is pushing forward trying to complete the new roof but is running into some weather related issues. The roofing project is expected to take longer than expected but should be finished mid-Dec.. The science lab is going to be equipped with smart classroom features. The podium was ordered last month and is expected to be delivered Dec. 1. Electronics for the smart classrooms will be ordered next week and installation of the AV equipment for the new science lab will be scheduled when the equipment is on site. Staff members are scheduled to return to the Florence campus on Nov. 12 to complete the installation of equipment previously installed during the deferred maintenance work this summer.

#### DEFERRED MAINTENANCE PROJECTS:

#### PROJECT 446 EXTERIOR LIGHTING

Christenson Electric has completed the placement of all path lighting fixtures. The installation of fixtures in the parking lots is nearly 100 percent complete. Six of the old fixtures in parking lot B will be replaced and the poles relocated during winter break by LCC electricians. The replacement fixtures for parking lot L have been received and will be installed by the electrical contractor next week. LCC electricians will continue to replace the light fixtures on the outside of buildings through fall and winter terms as time allows. Contact Dave Smith, 3433.

#### PROJECT 447 CARPET REPLACEMENT/FLOOR COVERING

Building 3, College Finance, carpet replacement is ongoing with a scheduled completion expected on Nov. 9. Building 19 carpet replacement in front of WorkForce is complete. Building 19 hard flooring installation in the kitchen hallway is complete; hard flooring in work hallway to be scheduled over winter break. Flight Technology, building 44, carpet replacement is scheduled for Dec. 14-18. Contact Angela Fazio, 3428.

#### PROJECT 448 KEYLESS ACCESS

Work continues on the keyless entry project in various campus buildings. The contractor, Allied Fire & Security, is currently installing door hardware in building 8, Welding, this week. Also working in building 8 is Ordell Construction, the door hardware installation subcontractor to Allied. After work is completed in building 8, the next buildings to be commissioned are 9 and 12. The remainder of the buildings will be commissioned throughout the winter term. Contact Dave Smith, 3433.

#### PROJECT 449 ASBESTOS ABATEMENT

The deferred maintenance crew is working on installing new PVC insulation covers for Victaulic fittings in tunnel system between buildings 4 and 7. Contact Angela Fazio, 3428.

#### PROJECT 450 EMERGENCY COMMUNICATION SYSTEM

The fire alarm contractor, SecureCom, has been contracted to update and replace the fire alarm system at the Florence campus. This work will be done in time for the beginning of winter term. SecureCom is also working an off shift on the main campus to minimize impact of their work on the LCC community. Due to a delay in shipment of certain components, the testing of much of the fire alarm systems will be delayed until the first week of winter break, Dec. 15-20. If necessary, additional testing will occur during the week of Dec. 22. The LCC electricians continue to work nights in Buildings 5, 6, and others. All buildings are currently protected, and will continue to be, by existing fire alarm systems. Contact Dave Smith, 3433.

#### PROJECT 451 UTILITY SUBMETERING

Final mechanical, electrical and controls walk-through scheduled for Nov 17 when MeasureLogic will be onsite for project hand-off. Replacement of hot water main valves tentatively scheduled for Dec 19. Contact Angela Fazio, 3428.

#### PROJECT 452 ELECTRICAL UPGRADES

Fifty-five old and obsolete panels were identified as requiring replacement. Panels have been replaced in most buildings on campus. The last campus building in which panels will be replaced is building 11. The LCC electricians are performing this work and hope to schedule a shutdown for testing during the winter break. Contact Dave Smith, 3433.

#### PROJECT 454 BUILDINGS 4 AND 5 REROOF

Umpqua completed Carlisle inspection punch list items; another inspection to be scheduled. Cosmetic issues with the skylight between buildings 4 and 5 are being reviewed and a rework is to be scheduled. Contact Angela Fazio, 3428.

#### PROJECT 456 CLASSROOM UPGRADES

Upgrade to Smart Classroom at Flight Technology, building 44, is scheduled for Nov. 6-13. This is the final smart classroom upgrade in the deferred maintenance scope. Contact Angela Fazio, 3428.

#### PROJECT 458 AMTF IMPROVEMENTS

Final commissioning reports to be submitted for building 12 Paint Booth. RTS paint booth work on hold pending airport/city approval of temporary construction equipment and building permit. City of Eugene comments received; and Solarc to meet with officials next week to answer questions and resolve issues. Contact Angela Fazio, 3428.

#### OTHER FACILITIES PROJECTS:

##### FMP TRADES UPDATE

FMP trades continue to work on the top 100 priority one work orders. These top priority work orders include emergencies, indoor air quality items, urgent safety issues, regulatory compliance items, and items that adversely impact instructional spaces. Significant progress is being made on these work orders with over 75 percent of them completed since the start of fall term. During the first month of the fall term, FMP received over 300 new work requests. FMP trades were successful in only allowing the increase in work requests to rise by 141. In other words, we fell behind by 141 work requests. This is largely due to the small trades staff FMP has now to react and provide maintenance operations support. There are 1,141 open work orders as of Nov. 06. Due to the maintenance efforts and the re-roofing projects of buildings 4, 5 and Center last summer, only isolated roof leaks have been reported during the recent heavy rain showers. The electrical shop completed a comprehensive thermograph image scan of the electrical distribution systems. Only a small number of needed repairs were identified.

##### FMP ELECTRICIANS INSTALL 550 NEW CLOCKS

There are 550 new clocks installed in classrooms and common areas on main campus by the deferred maintenance electricians. They operate on 120 volts from the old clock power circuits or power taken from a nearby 120 volt source; room receptacles in most cases.

Lane's new master clock broadcasts a radio signal from the roof of the Center building that covers the main campus. The clocks receive this signal and synchronize to the exact time. We have linked our master to the time reference from IT so clocks are also synchronized with the servers and computers on campus. The master clock automatically adjusts the time for Daylight Savings Time changes.

There are several nice features from a maintenance viewpoint: LCC electricians no longer have to spend most of a day waiting for the clocks to adjust for the twice yearly DST changes. The new master is pre-programmed to make the adjustments and, therefore, does not require a person to manually assure the time changes. The clocks are quieter than the old type, and with all new clocks it should be some time before we need to replace any. The clocks will actually run for a couple of hours if the power is interrupted. Even if the power is lost for long enough that the clocks actually stop, once power is restored, they synch up almost immediately. Since the old system signal wiring is decaying and failing, we have eliminated that problem entirely by using the radio signal broadcast for synchronization.

With the old system and clocks in place LCC electricians were troubleshooting and replacing clocks on a constant basis. They averaged replacing at least one clock a week, and usually had

dozens of clocks on campus that refused to synch up properly. Sometimes whole buildings would lose their signal wiring and it took such a long time to re-synch after electricians fixed the problem, that the time was incorrect for an entire two days.

From the time just one clock is reported broken to the FMP office until the work order is closed out, it cost the college at least three hours of labor. Troubleshooting the wiring issues can take two electricians working together to pinpoint a problem over the course of several hours or even a day. This is time that can now be applied to other important issues.

We have a good reliable clock system that will keep us on time for many years to come, and has the expandability needed on a growing and changing campus such as Lane. For instance, the new Health and Wellness building only has to install 120 volt power where a clock is needed in a room. There is no need to run the original circuit from the tunnel location to hook into the old signal wiring, and then carry it throughout every wall in the building. This is a savings of hundreds of man hours for the construction of that building alone. Contact David Willis, 5566.

#### HEALTH & WELLNESS BUILDING

Contractor continues work on pouring concrete roof, tying steel and installing decking for remaining roof pours. Work has begun on framing for protruding windows on north exterior wall. Fire protection, plumbing and HVAC duct work taking place on the first floor. Expect noise from construction activities for the immediate future. Project completion expected August, 2010. Contact Brian McMurray, 5829.

#### NATIVE AMERICAN LONGHOUSE

Site work continuing and will be completed this week. Longhouse sub-committee reviewed AV design Oct. 30 and will make recommendations to full committee. A request for bids has gone out for Fire Protection work. Project completion expected May 1, 2010. Contact Brian McMurray, 5829.

#### RTS PARKING LOT EXPANSION

Paving is complete; waiting on dry weather for striping. Storm water treatment system is on order with anticipated delivery early January 2010. Contact Angela Fazio, 3428.

EXPRESSLANE/NATIVE BANNER DOWN FOR SYSTEM UPGRADE

ExpressLane and Native Banner will be down from 6 p.m. Wednesday, November 25 through 7 a.m. Monday, November 30 to allow IT staff time to implement the new 8.0 versions of both systems.

Staff from each of the ExpressLane/Native Banner Module teams have been actively testing the new system since July. The upgrade will provides users with some functional enhancements, so what you will see when using ExpressLane and Native Banner will be relatively the same. Native Banner users will be receiving an e-mail from Darlene by the

end of this week, telling you what, if anything thing, to be looking for in terms of cosmetic changes to the forms.

When the new 8.0 versions are up and running beginning on Monday, November 30, please notify the appropriate Data Custodians if you have any challenges asking or managing processes, Helen Garrett, Student Module, Dennis Carr, HR Module, Stan Barker, Finance Module and Bert Logan, Financial Aid Module, Todd Lutz, 3355.

#### PRINTMAKING ALUMNI ARTWORK RECEPTION

Art and Applied Design has installed 18 original prints for the college's permanent art collection, created by alumni of the department's printmaking program. "This is a diverse and colorful collection that showcases a variety of printmaking techniques," says instructor Susan Lowdermilk. "There is etching, woodcut, screen print, collagraph and monotypes. The artists all studied at Lane and have gone on to rich and diverse experiences. Many have bachelor's and master's of fine art degrees from major universities and art schools and some have won sizable scholarships. Others are productive working artists and some are art teachers." A reception for the artists and for arts appreciators will be held Thursday, December 3, from 5-7 p.m. at the exhibit, installed in the south-facing corridor of building 19 near the Workforce Center. For more information contact Susan Lowdermilk, Art and Applied Design instructor, at (541) 463-5413.

#### POWWOW STILL NEEDS CART DRIVERS

Cart drivers are still needed for the Saturday, Dec. 5 NASA Powwow at the LCC gym! Our first cast only hooked a couple of folks, and we need more. It's fun! We use golf carts to transport people, drums, regalia, etc. from the parking lot to the gym. Driving the carts is easy, and you get to meet great folks. They all appreciate the service we offer. Please contact Jeff Harrison at 5145 or at [harrisonj@lanecc.edu](mailto:harrisonj@lanecc.edu). I'll send you the shift schedule, and you can fill in a blank! Thanks! And even if you decide not to drive a cart--come to the powwow! Grand entries will be at 1 p.m. and 7 p.m. Contact: Jeff Harrison, [harrisonj@lanecc.edu](mailto:harrisonj@lanecc.edu)

#### HOLIDAY MARKET

Holiday Market will be Saturday, Dec. 5, from 8:30 a.m. to 3:30 p.m. in the cafeteria. Great gift ideas via local vendors. Eagle Park Slim plays blues and jazz from 10 a.m. to 12 noon; Paul Prince plays guitar and harp from 12:30-2:30 p.m. Blenders will be open for coffee, tea and light snacks. Contact Tina Lymath at [lymatht@lanecc.edu](mailto:lymatht@lanecc.edu) or 463-5336 for more information.

#### WOMEN'S BASKETBALL WILL DEFEND 71-HOME GAME WINNING STREAK

The last time Lane Community College's women's basketball team lost a home game was eight years ago—on Dec. 6, 2001. That's 71 straight wins at home—the longest active winning streak anywhere in college basketball, as far as coach Greg Sheley can tell. And this year's players have every intention of making it 72 wins when they host Lower Columbia Community College from Longview, Wash., on Dec. 9—the Titans' first home game of the season. "I want to win a championship," says freshman starter Susan Smith, a four-year Churchill High School starter and 4.0 student. "That's why I came to Lane." See the whole story and photos at:

LANE PREVIEW NIGHT 2010 - WEDNESDAY, FEB. 10

Lane Preview Night, the college's annual on-campus recruitment event for prospective high school students and their families, will be held Wednesday, Feb. 10 in the gym and surrounding classrooms from 6 to 8:30 pm. Participants in last year's event from your department should have received email correspondence about how to request a table for the program this year. Please do your best to communicate your presence at Lane Preview Night to David Van Der Haeghen, Student Recruitment & Outreach Coordinator in Enrollment & Student Financial Services, no later than Monday, Nov. 30 at 12 pm. If you have questions regarding the event, its structure or your participation, please contact David via email or at 5688.

#### SHARE YOUR CAREER STORY WITH STUDENTS VIA MYLANE

One of the functions of MyLane is to help students get information about different career options and increase their motivation in their educational pursuits toward a career. What's more motivating than learning about someone who is working in the field you're interested in? So, each week in MyLane, on the Student Success page, we are going to focus on a different employee and how s/he feels the job is personally fulfilling. Everyone at Lane is invited to participate. If you would like to tell your job story, we only need your picture, a motivating quote that you have a great job, and a couple paragraphs that describe your job, the path you took to your job, and the personal skills/attributes needed to do the job. Since faculty are all instructors, we ask that you include information about a job you held in your field and/or why you chose your field of study. If you don't have a photo to send, someone will take a picture of you. We're trying to get representation from every division/department on campus, so please consider representing your area of the college. Thank you for helping make MyLane a rich resource for students. If you have questions or just want to send in your story, email Carol McKiel, Title III coordinator, [mckielc@lanecc.edu](mailto:mckielc@lanecc.edu) or 3132.

#### NOMINATE AN OUTSTANDING SCHOLAR

The Oregon Community College Association Student Scholar Event will be held in the spring of 2010 and will honor two student scholars from each campus. Faculty or staff who would like to nominate a student to represent Lane at this event must e-mail a letter of nomination containing how the student meets the established criteria. Please include the student's name and student contact information. Please e-mail to [brysonj@lanecc.edu](mailto:brysonj@lanecc.edu)

\* Excellence in the classroom

\* Intellectual curiosity outside the classroom

\* Evidence of substantial development of their talents; and

\* Ability to share this development with others

Deadline for nominations is Dec. 11. Potential scholarships from a majority of Oregon's colleges (public and private) are available for the Student Scholars. The Scholars will be

honored at a recognition luncheon in Salem in the spring. For further information contact Jackie at 5164 or e-mail brysonj@lanecc.edu

#### GIVE TO THE AAWCC SCHOLARSHIP

Last Thursday, our local AAWCC chapter had its fall luncheon honoring both local and national scholarship recipients. It was wonderful to personally meet the two students who took the time out of their busy schedules to have lunch with us! For me it was a timely boost to keep donating to the AAWCC scholarship, because it is obvious that my contribution continues to assist students in need. These women are moving forward despite trauma and obstacles, and they are our future leaders. It can be difficult to know what to donate to -- please consider the AAWCC scholarship. Submitted by Siv Serene Barnum.

#### WANT TO JOIN THE PERFORMING ARTS E-MAIL LIST?

We're receiving lots of requests from our audience members who want to be placed on an e-mail list to be notified of Performing Arts events. Want to be on the list? If you are interested, e-mail John Watson, Music Dance and Theatre Arts Marketing Manager at watsonj@lanecc.edu and you'll get invitations to events delivered right to your inbox. We will send two notifications of each event, one approximately two weeks out and one on Monday of the week of the event. Each notice will contain the official press release and a link to buy tickets on-line. You will not be spammed with a bunch of junk. Sign up soon if you are interested in this service!

#### MISSING DISPLAY

A display that belongs to Enrollment & Student Financial Services and lives in 19/118 has disappeared. It is in a blue vinyl case with black handles. The display has five folds to it, and is able to support Velcro items that are attached to it. Should you have it, or know of its location, please contact David Van Der Haeghen, Student Recruitment & Outreach Coordinator, via email or at 5688.

#### CAMPUS TOURS AVAILABLE

Did you know that Enrollment & Student Financial Services has a staff of 10 trained learn & earn student workers who are here to provide tours of Lane to prospective students, prospective employees and just about anyone else? If you'd like to arrange a tour, please contact David Van Der Haeghen, Student Recruitment & Outreach Coordinator, via email or at 5688 to do so. Please understand that one week's notice is required to arrange your tour.

#### SUCCESSFUL AGING INSTITUTE IS MOVING

FACILITIES UPDATES  
-----

**BOND UPDATES:**

For more information about bond projects, contact Bob Mention, 5747 or Todd Smith, 5132.

**BUILDING 4 REMODEL & BUILDING 5 REMODEL/ADDITION**

Programming work with PUGs on building 4 continues. PUG members in building 5 continue discussion around options for the building addition. Options for HVAC and ducting replacement necessary in both buildings 4 and 5 continue being explored.

**BUILDING 10, RECYCLE CENTER, TEST CELL REPLACEMENT AND KILN**

Programming work with the PUG for building 10 continues.

**BUILDING 18 GREEN PLUS OFFICE ADDITION**

A floor plan has been selected allowing the architect to proceed with the process of an initial design of the office building. The building has some exciting futures built in allowing staff members to feel more comfortable in their surroundings. This building will have radiant floor heat to keep the office comfortable year round and a ventilation system that will be using 100 percent filtered outside air. Some other features added to the new offices are no VOC material, natural lighting, and polished concrete floors with no floor covering material. The first set of initial drawings is expected to be handed to LCC on Dec. 3 showing some ideas of a building design and outlining some of the satiability features. Contact Mark Richardson, 3456.

**BUILDING 19 WORKFORCE TRAINING & FOUNDATION**

**WORKFORCE TRAINING--**

Construction of the new rooms are complete and now being used by workforce training staff. One of the rooms is being used as a classroom and the other as a resource room. Podiums have been ordered for the new classroom 263B and it is expected to arrive on campus during the week of Dec 7. AV equipment is being reviewed and may be ordered mid-Dec for room 263B. Completion of a new functioning classroom and new resource room enables staff to better serve the community affected by high unemployment and a struggling economy.

**FOUNDATION OFFICE SUITE--**

Demolition and new wall framing is complete for the new Foundation office. An electrical contractor is expected to start installation on Monday, Nov 16. This area has been designed to accommodate four full-time and two part-time staff members. A PUG meeting is scheduled for Nov 17 to talk about window coverings and other room décor options; insuring special attention is given in creating a welcoming atmosphere for clients and others who visit the new Foundation office.

**CENTER BUILDING CLASSROOM**

The classroom is completed and is currently being used by students. AV equipment is being reviewed for the classroom and should be order within the next two weeks. The staff bathroom continues to be under construction and is expected to be complete by the end of the week. An air balance check of HVAC system for the area is currently under review as minor issues of air balance were detected and require correction. Work to

correct the balance of air flow in the classroom is expected to begin soon, and will not cause disruption to classroom activities. The result of the necessary repairs will make a more comfortable environment for students and staff who occupy the location.

#### CENTER BUILDING REROOF

Umpqua continues work on punch list items identified by the Carlisle inspection. A permit to construct and install the roof access stairs has been issued. Contact Angela Fazio, 3428.

#### DOWNTOWN CAMPUS BUILDING PROJECT

Thirty-seven people attended the mandatory pre-proposal meeting held on Tuesday, Nov 10. Those in attendance represented project management firms, architects, engineers, and real estate firms. The purpose of the meeting was to review the basic requirements of the Phase 1 feasibility report and to respond to feedback from potential proposers. The deadline for submitting proposals is Friday, Nov 20.

#### FLORENCE CENTER SCIENCE LAB ADDITION

Wood framing is complete for the new classroom and all the mechanical and plumbing rough-in has been installed. Sunset Electrical is working on finishing the electrical rough-in and expect to finish Monday, Nov 16. Insulation and wall board installation is expected to start on Nov 13 and should only take a few days to complete. The new roofing installation project is almost complete. The finished project is going to add a new look to the Florence campus with energy savings from added insulation on the roof surface. Metal roofing work is expected to be complete Dec 15. Though, Bineham is working hard to make up for lost time from a recent storm with wind gusts up to 70 mph, weather has and may continue to hinder the installation of the new siding causing the expected completion date to be pushed out to late Dec or even early Jan 2010. However, the extra time required to complete the siding is not expected to cause interference to staff or students.

#### SOLAR LAB STATION

gLAs is currently working on a study that will allow a solar panel system to be installed on the lower flat roof section of building 16. This lab will allow students studying energy management an opportunity for hands on training on installing solar panels. The study will determine if the location selected can be used and if it is a location suitable for consideration as a quality learning environment for the students. The study results compiled by gLAs Architecture are expected to be provided for the FMP planning team and the user groups by mid-Dec determine what steps will be taken next. Construction activities are projected to begin by late Jan 2010.

#### TRACK & SOCCER BOWL UPGRADES

Schematic design phase of the project continues.

#### DEFERRED MAINTENANCE PROJECTS:

##### PROJECT 446 SECURITY LIGHTING UPGRADES

The contractor, Christenson Electric, has completed the placement of all path lighting fixtures. The installation of fixtures in the parking lots is nearly 100 percent complete. The fixtures have been replaced in all but one location in parking lot B. This location is obscured by tree branches such that it is inaccessible. The replacement fixtures for parking lot L have been received and were installed by the electrical contractor this last

week. Lane's electricians will continue to replace the light fixtures on the outside of buildings through fall and winter terms as time allows. Contact Dave Smith, 3433.

#### PROJECT 447 CARPET REPLACEMENT/FLOOR COVERING

The carpet replacement in College Finance, Building 3, is complete. Building 19 work hallway hard flooring to be scheduled. Flight Technology, building 44, carpet replacement and the Florence dance floor refinishing is scheduled for Dec 14-18. Contact Angela Fazio, 3428.

#### PROJECT 448 KEYLESS ACCESS

The contractor, Allied Fire & Security, is in the process of installing door hardware on Building 9, Auto/Diesel, and will continue this work through next week. Also working in Building 9 is Ordell Construction, the door hardware installation subcontractor to Allied. After work is complete for building 9, the next building to be commissioned is 12. The remaining buildings will be commissioned through the winter term. Contact Dave Smith, 3433.

#### PROJECT 449 ASBESTOS ABATEMENT

The deferred maintenance crew is working on installation of new PVC insulation covers for Victaulic fittings in the tunnel system between Buildings 4 and 7. Remaining tunnel work is 15 percent complete. Contact Angela Fazio, 3428.

#### PROJECT 450 EMERGENCY COMMUNICATION SYSTEM

The fire alarm contractor, SecureCom, has been contracted to replace the existing fire alarm system at the Florence campus with an updated system. The installation of the updated system will be completed before classes begin winter term. SecureCom will continue working an off shift for work that continues on Main campus in order to minimize impact of their work on the campus community. Testing of much of the fire alarm systems is delayed until the first week of winter break, Dec 15-20. If necessary, additional testing will occur during the week of Dec 22. Lane's FMP electricians continue to work nights in buildings 5 and 11. All campus buildings are protected, and will continue to be, by existing fire alarm systems. Contact Dave Smith, 3433.

#### PROJECT 451 UTILITY SUBMETERING

A final mechanical, electrical and controls walk-through is scheduled for Nov 17 as MeasureLogic will be on site for project hand-off. Replacement of the hot water main valves is tentatively scheduled for Dec 19, which will complete the replacement of the 40+ year old domestic cold and hot water isolation valves in the tunnels. Contact Angela Fazio, 3428.

#### PROJECT 452 ELECTRICAL UPGRADES

Fifty-five old and obsolete panels were identified as requiring replacement. Panels have been replaced in several building on campus. The last campus building in which panels will be replaced is Building 11. Lane's FMP electricians will perform this work and to do so plan schedule a shutdown over winter break, Dec 15-31. Contact Dave Smith, 3433.

#### PROJECT 454 BUILDINGS 4 AND 5 REROOF

Umpqua completed Carlisle inspection punch list items and another inspection is to be scheduled. Cosmetic issues with the skylight between buildings 4 and 5 are scheduled for repair on Dec 14-15. Contact Angela Fazio, 3428.

#### PROJECT 456 & 457 CLASSROOM UPGRADES

Upgrades to the smart classroom at Flight Technology, building 44 is ongoing and is expected to be completed by Nov 18. This is the final smart classroom upgrade in the deferred maintenance scope. Contact Angela Fazio, 3428.

#### PROJECT 458 AMTF IMPROVEMENTS

Final commissioning reports to be submitted for the paint booth in Building 12. Work is on hold pending receipt of a building permit for installation of the RTS paint booth. FAA approval has been received for temporary construction equipment. Solarc responded to City of Eugene comments. The building permit is expected and the underground utility locates are scheduled for Nov 16 with site mobilization on its heel. A preconstruction meeting convened this week. Contact Angela Fazio, 3428.

#### OTHER FACILITIES PROJECTS:

##### HEALTH & WELLNESS BUILDING

The contractor continues to tie steel and install curbs and decking for remaining concrete pours on the roof. Framing is underway for protruding windows and exterior walls on north side of building. First floor fire protection, rough-in plumbing and HVAC duct work nearing completion. Underground lines from building 4 for chilled and heated water are currently being installed. A preconstruction meeting was held 11/13 for single-ply roofing installation. Expect noise from construction activities in the immediate future. Project completion is expected August 2010. Contact Brian McMurray, 5829.

##### NATIVE AMERICAN LONGHOUSE

The contractor is preparing logs for installation of overhead lighting fixtures. A Longhouse Committee meeting is planned on 11/18 to review final AV design. Fire protection work will begin during Dec. Site is work completed. Project completion is expected May 1, 2010. Contact Brian McMurray, 5829.

##### FACILITIES COMPUTERIZED MAINTENANCE MANAGEMENT SYSTEM (CMMS)

Numerous computerized maintenance management systems (CMMS) have been evaluated to replace the limited and non user-friendly system currently in use. This upgrade will provide much needed tools for preventative and predictive facilities maintenance, equipment, parts tracking, inventory management, capital expense projections, and improved Facilities department efficiency. To date, three systems have been short-listed for further evaluation. A collection of equipment field data on all seven LCC campuses has been on-going for several months now with an anticipated completion by the end-Dec. Work continues on compilation of equipment operations and maintenance manuals.

##### RTS PARKING LOT EXPANSION

Parking lot paving is complete at the Aviation Maintenance Training Facility (AMTF). Striping and installation of curb and wheel stops will be carried out when the storm water treatment system is installed as anticipated early Jan 2010. Contact Angela Fazio, 3428.

##### RECYCLING EDUCATION CENTER

The recycling program is entering an exciting time with the design process underway for the new Recycling Education Center (REC) adding compliment to Lane's reputation as one of the top recycling programs in the country among two- and four-year institutions of higher education. The REC will allow Lane to divert more waste from the landfill as well

as provide modern processing and sorting facilities to maximize savings and revenue from active waste management practices at the college. In addition, the REC hopes to house classes for academic programs related to recycling and sustainability, and a new and improved ROSE room and surplus property. Contact Mike Sims, 5569.

TRAININGS  
-----

#### 25 LIVE EVENT REQUEST TRAINING

Another set of training sessions has been scheduled for the new event request system currently in the Lane Events calendar. If you have a need to request rooms or even a motor pool car, this training will go through the steps using the new system. This new system will replace the current web request system at the beginning of winter term. The capability to request event space or a motor pool car is offered to all staff. Consider saving yourself time and learn how to submit your own requests. In the time you may take to create an e-mail to someone to request an event for you, you could have completed the request using the new web interface. The classes are open and there is no need to register, just come to the Advanced Technology Center. See [http://showlane.lanecc.edu/25live/#details&obj\\_type=event&obj\\_id=98576f5](http://showlane.lanecc.edu/25live/#details&obj_type=event&obj_id=98576f5) for more information about dates and times. SUPPORT LOCAL ARTISTS with early Holiday shopping: Oregon Crafted presents "A Fine Arts and Crafts Show," November 14 & 15 at the Lane County Fairgrounds Auditorium. Admission is free with a suggested donation of canned goods for Food For Lane County. The show features booths with over 50 talented local artists. A variety of art mediums will be on display, including: glass, ceramics, jewelry, metal, wood, paintings, fiber, baskets, sculpture, photography, mixed media, and gourd art. Patti Lomont, Art Program Coordinator for Oregon Crafted, says, "Many of the exhibiting artists are in fine arts galleries around the country, and locally do not show their work very often. This is an excellent opportunity to see and purchase their work." Come to the Oregon Crafted Show and help keep art alive by supporting local artists. Show hours are: Saturday, November 14th from 10 am – 6 pm, and Sunday, November 15th from 10 am – 5 pm. For more information and a complete list of show artists, visit the Oregon Crafted website at [www.oregoncrafted.org](http://www.oregoncrafted.org). Submitted by Robert Thompson, 5399.

LCC NIGHT AT EL CORRAL: Tuesday, Nov, 17, 7-9 p.m. Singing by Jim Garcia, poetry by Leonard Cirino and others. Corridos are songs of the Mexican revolution and ballads of the people. Jim has been performing at various community, church and school events for the past 10 years. Jim sings traditional Mexican music such as Rancheras and Boleros, as well as bilingual, Spanish and original pop songs. Jim Garcia is Chicano/Latino Student Program Coordinator for the Multi-Cultural Center, Lane Community College. Jerry Ross will discuss "American Verismo" and painting critiques will happen between performances. Artists are encouraged to bring works in for discussion. Dinner is not included. El Corral Restaurant in Edgewood Plaza, 40th and Donald. (Dinners generally cost \$10.75 to \$12.95). More information: <http://elcorral.biz>

NEED SOME GREAT LAUGHS? Join us at the 4th Annual Pacific NW Women's Comedy Festival on November 21 from 6:30-10:00 p.m. at the Wildish Theater in Springfield. Sponsored by LCC's own comedy instructor, Leigh Anne Jasheway, the Festival includes thirteen acts featuring women who have appeared on Comedy Central and A&E, performed onstage with Robin Williams, entertained the troops in Iraq and Afghanistan, written for Hollywood Squares, and won awards for their funny look at life. Tickets are \$25 and include a wine tasting by Sweet Cheeks Winery (must have proof of age) and free chocolate from Euphoria. For further details or tickets, go to [www.accidentalcomic.com](http://www.accidentalcomic.com) and click on the festival icon at the bottom left of the homepage. TITAN STORE AND WOMEN'S CENTER THANKSGIVING RAFFLE: Win an Ogio rolling backpack filled with swag, a \$200 value. Tickets are \$1 each or 6 for \$5 and are available at the Titan Store and the Women's Center. All proceeds are distributed to

Lane students through the Women's Center. The drawing is Monday, Nov. 23 at 10 a.m. Buy a ticket and support a wonderful cause!

**OPEN HOUSE AT THE TITAN STORE:** Please join us for a winter Open House for Lane faculty, staff and administrators at the Titan Store on Tuesday, December 1, 1:00 to 4:00 p.m. Meet the staff \* Tour the store \* Refreshments \* Winter Sale \*

**PLEASE COME TO THE MUJERES EN PODER BENEFIT** event and shake the turkey off! This is the Latina group that I started 2.5 years ago. There is Salsa dancing with Jose Cruz, the night after Thanksgiving (Friday November 27th at the Vet's Club). It is a benefit for Mujeres en Poder - the only Spanish Women's Empowerment program that is focused on transforming oppression in Lane County. This is an educational and therapeutic group! This group ran for 2 years and has lost funding due to a grant's reluctance to fund Latino programs in general. (Racist rhetoric has impacted the community severely). The group has successfully helped women leave domestic violence, start school, and improve participants' lives! If you cannot come please sponsor a woman to attend the 9 month program. For more questions, please contact me at 515-3083. Thank you for your support! I am attaching the flyer in two different formats. Please feel free to forward this event on your e-mail lists. Judith Castro, Transiciones Teacher & Student Advisor, Women's Center.

**MEN'S BASKETBALL FUNDRAISER.** We are raffling off three \$100 gift cards to Fred Meyer. 3 chances to win. If you win your ticket is put back in the drawing. Each raffle ticket is \$5. Thanks for the support. Bruce A. Chavka, Head Men's Basketball Coach, 5553.

**I AM LOOKING FOR A DOG-SITTER FOR SPRING TERM** while I am abroad on sabbatical. Daisy is a 7 year-old smooth fox terrier, and is a very sweet companion. She can either live with you in your house (must have a fenced yard), or...you can live at our College Hill bungalow (with hot tub and outdoor shower!) Daisy gets along great with kids, can play fetch like nobody's business, and eats simply: kibble. Please call me at 463-5645, email [simoab@lanec.edu](mailto:simoab@lanec.edu) or call my home at: 683-9501 if you are interested.

**NEED A DAYCARE PROVIDER** in Springfield: Professional, fun, nurturing, residential setting has 2 full time openings for newborns to school age children, \$2.50 an hour. Available to do overnights, evening, back-ups, and odd hour daycare as well. Located in the Springfield School District with Riverbend Elementary and Holly St. Headstart bus routes. Willing to transport to Douglas Gardens Elementary and Mt. Vernon Elementary. Nice home with a large fenced back yard for children to play. Call Heather at 844-2222 or email [hjobe80@gmail.com](mailto:hjobe80@gmail.com).

**DO YOU LIVE IN CRESWELL OR COTTAGE GROVE?** Volunteers Needed to Assist in an Adult English as a Second Language Classes in Springfield, Cottage Grove and Main Campus for Lane Community College and in Bilingual Childcare, Monday, and Wednesday evenings from 5:30-8:00 PM. Excellent opportunity for undergraduate students in foreign language, (Spanish a plus but not necessary) linguistics and applied linguistics to get experience in a foreign language classroom and create professional contacts with teachers currently in practice. Students doing SLAT certificates or interested in teaching ESL as a profession are encouraged to apply. Students must be recommended by a professor to be considered for the position. Please go to website and

contact Indira Bakshi to apply and for more information. Opportunity for college credit through Coop ED at LCC one tuition-free credit. 463-3419, bakshii@lanecc.edu``

Following and attached is the annual Weather Closure Q&A. It is available online at <http://www.lanecc.edu/mpr/weather.htm>

## **Weather Closure Q&A**

### **Lane Community College 2009**

#### **Q. How do we know if the college is closed due to weather?**

A. When a decision is made to close Lane Community College or delay classes due to severe weather, the college posts communications with news media, online, and LaneAlert emergency messaging. Do not call news stations directly; this delays their ability to bring you the latest information. Lane students and employees are automatically signed up for LaneAlert but may change their contact information through the college's online ExpressLane system, from the Personal Information menu.

#### **Q. When will we know that the college is closed?**

A. Closures or delays can be announced at any time as conditions change; however, every effort is made to announce morning closures or delays by 6:30 a.m., and evening closures by 3 p.m.

#### **Q. What do delays mean?**

A. If the opening of classes is delayed, report to class at the new starting time if at least 50 minutes of class/lab time remains. For example, if opening is delayed to 10 a.m., classes and labs that normally begin at 10 a.m. or are already in session at 10 a.m. would meet, but only if the normal ending time for that class or lab is 10:50 a.m. or later. The remainder of the day would continue on the regular schedule.

#### **Q. What routes are best?**

A. When 30th Avenue is icy, some people drive in from the east via Franklin.

#### **Q. What about LTD?**

A. In general, LTD operates buses to Lane when the college is open; however, drivers may choose alternate routes. An LTD route change does not necessarily indicate a college closure.

#### **Q. What about snow and ice removal on main campus?**

A. When snow and ice accumulate on main campus, warning signs are posted at entrances, and work crews spread ice melter in pellet and spray form on sidewalks and traffic lanes. Snow is plowed through the main south parking lots and traffic lanes connecting Eldon Schafer Drive and Gonyea Road. Since the Eugene area is fairly

temperate and does not get exposed to extreme reoccurring heavy snow or icy winter conditions, the LCC facilities department has limited equipment and treatment resources to react to sudden accumulating snow or widespread icy conditions. It is very important that everyone use appropriate footwear, wear gloves, use handrails, take extra precautions in wintry conditions, and expect slick spots on cold mornings. Call Facilities, Management and Planning at (541) 463-5216 to report unsafe conditions or concerns.

**Q. If the college is closed, should staff report for work?**

A. When the college or a college center is closed, classes and activities at the facility are canceled and staff who work there should not report for work or come to the work site, unless they receive specific instructions otherwise from their supervisor, or hear such instructions in news announcements. If some facilities are closed and others are open, staff who work at the open facilities should report to work as usual.

**Q. Will staff get paid?**

A. Employees should review the College Online Policy and Procedure System (COPPS) policy titled, "Pay: School Closure," at [www.lanecc.edu/cops/closure.htm](http://www.lanecc.edu/cops/closure.htm), for guidelines on compensation.

**Q. What if I have other questions?**

A. Employees may refer to the Employee Emergency Manual. For a copy of the manual, send an e-mail to [barthd@lanecc.edu](mailto:barthd@lanecc.edu).

Published November 18, 2009 by Lane Community College Marketing and Public Relations. For more information contact Joan Aschim, Public Information Officer, [aschimj@lanecc.edu](mailto:aschimj@lanecc.edu) or (541) 463-5591.

**EXPRESSLANE AND NATIVE BANNER WILL BE DOWN**

ExpressLane and Native Banner will be down from 6 p.m. Wednesday, November 25 through 7 a.m. Monday, November 30 to allow IT staff time to implement the new 8.0 versions of both systems. Notification about the upgrades has been posted to the LCC home page and additional messaging will be placed on the ExpressLane login page during the weekend. When the new 8.0 versions are up and running beginning on Monday, November 30, please notify the appropriate Data Custodians if you have any questions regarding your Banner processes, Helen Garrett, Student Module, Dennis Carr, HR Module, Stan Barker, Finance Module and Bert Logan, Financial Aid Module. Submitted by Todd Lutz, 3355.

**STRATEGIC DIRECTIONS FOR SAFETY?**

College Council is in the process of revising the Strategic Directions with input from the college community via open forums. Open forums have been held on Knowing Our Students, Empowering Students, Completion, Basic Skills, Liberal Education, and Distance Education. Two additional possible directions/priorities have emerged for discussion: these are Safety and Sustainability. Please join your colleagues for a campuswide discussion on Safety as a possible new strategic direction:

Where: Building 19, Room 220

When: Monday, November 30, 11:30 a.m.-1 p.m.

Kate Barry, facilitator.

**SIGN UP FOR PREVIEW NIGHT BY NOVEMBER 30**

Lane Preview Night, the college's annual on-campus recruitment event for prospective high school students and their families, will be held Wednesday, February 10 in the gym and surrounding classrooms from 6 to 8:30 pm. Participants in last year's event from your department should have received email correspondence about how to request a table for the program this year. Please do your best to communicate your presence at Lane Preview Night to David Van Der Haeghen, Student Recruitment & Outreach Coordinator in Enrollment & Student Financial Services, no later than Monday, November 30 at 12 pm. If you have questions regarding the event, its structure or your participation, please contact David via email or at 5688.

### PRINTMAKING ALUMNI ARTISTS RECEPTION

Art and Applied Design has installed 18 original prints for the college's permanent art collection, created by alumni of the department's printmaking program. "This is a diverse and colorful collection that showcases a variety of printmaking techniques," says instructor Susan Lowdermilk. "There is etching, woodcut, screen print, collagraph and monotypes. The artists all studied at Lane and have gone on to rich and diverse experiences. Many have bachelor's and master's of fine art degrees from major universities and art schools and some have won sizable scholarships. Others are productive working artists and some are art teachers."

A reception for the artists and for arts appreciators will be held Thursday, December 3, from 5-7 p.m. at the exhibit, installed in the south-facing corridor of building 19 near the Workforce Center. For more information contact Susan Lowdermilk, Art and Applied Design instructor, at 5413.

### NEW GOSPEL CHOIR PREMIERE PERFORMANCE

Lane Community College's new Gospel Choir, under the direction of Vicki Brabham, will give its premier performance on Friday, December 4 at 3:43 p.m. for the season's final edition of the 343 Concert Series. Brabham worked with this group of students and community members over the course of the fall term teaching them the art and history of gospel singing.

"Yes" she said, "there is a lot of material about God and Jesus in gospel music, but that is, after all, what it is about. It is part of America's musical heritage, so we are not shying away from that."

The students were pumped up for their first performance during a recent Thursday afternoon rehearsal. Asked if they were ready, there were shouts and high-fives reflecting the energy in the number they had just finished.

Songs will include "Help Me Lift Him Up," "Shine on Me," "Like a Mighty Stream," "Dream Keeper," and "Steal Away." A number of students from the class will be featured in solos, including Alison Sachs, Jodi Tomlinson, and Karen Clark. The performance will also feature the reading of a number of poems written by African-American poets.

The 343 Concert Series is a free event held most Fridays during the school term at 3:43 p.m. in the afternoon in room 121 of the Performance Hall, building 6 on the main campus. Continuing the tradition, the premier concert will be free and open to the public. Contact John Watson, 5161 or [watsonj@lanecc.edu](mailto:watsonj@lanecc.edu)

### HOLIDAY MARKET

Holiday Market will be Saturday, December 5, from 8:30 a.m.-3:30 p.m. in the cafeteria. Great gift ideas from local vendors. Eagle Park Slim plays blues and jazz from 10 a.m.-12 noon; Paul Prince plays guitar and harp from 12:30-2:30 p.m. Blenders will be open for coffee, tea and light snacks. Contact Tina Lymath at [lymatht@lanecc.edu](mailto:lymatht@lanecc.edu) or 463-5336.

### POWWOW

The Lane Community College Native American Student Association cordially invites the general public to its annual Powwow on Saturday, December 5, in the gymnasium, building 5. Grand entries will be at 1 p.m. and 7 p.m. This is a free event. All drums and dancers welcome. No alcohol or drugs. For more information go online at <http://www.lanecc.edu/nasa/powwow/powwow.html> or call 5238.

### TITAN WOMEN TO DEFEND NATIONAL HOME GAME RECORD

The Titan women's basketball team hasn't lost a home game in seven years. Their 71 home game streak is the longest anywhere in college basketball, as far as coach Greg Sheley knows. The team intends to make it 72 wins when they host Lower Columbia Community College from Longview, Wash., on Wednesday, December 9. "I want to win a championship," says freshman starter Susan Smith, a four-year Churchill High School starter and 4.0 student. "That's why I came to Lane." See the story and photos at: <http://www.lanecc.edu/mpr/success/index.htm> Submitted by the editor.

#### CURRICULUM DEVELOPMENT FUNDS AVAILABLE

The Assessment Team is sponsoring curriculum development opportunities in general education assessment. Each of the five general education divisions (LLC, Social Science, Math, Science, and Art) will be eligible for 40 hours of curriculum development funds per term, winter and spring. The Assessment Team is seeking proposals that apply general education assessment rubrics for communicating effectively and critical thinking. A one-page proposal should be submitted by December 4, for funds to be allocated toward work in winter and spring terms. An application summary and time-line were emailed to faculty this past week. If you need additional information, please contact your division chair or a member of the Assessment Team: Sheila Broderick, Paul Bunson, Susan Carkin, Pam Dane, Barbara DeFilippo, Julie Fether, Christina Howard, Karen Krumrey, Michael Levick, Mary Parthemer, Tamara Pinkas, Stephen Selph, Sarah Ulerick, Barbara Breaden.

#### FACULTY INQUIRY GROUPS ANNOUNCED

Faculty Professional Development announces a new professional development program, Faculty Inquiry Groups. These are small groups of faculty (4 - 10 maximum) who meet in person or online at least five times throughout the academic year or a term to work together on a specific question, issue, or concern in their teaching and/or their students' learning. For details or to submit a proposal, see the FPD website at: <http://lanecc.edu/fpd/facultyinquirygroups.html> or contact the FPD Coordinator, Adrienne Mitchell, at [mitchella@lanecc.edu](mailto:mitchella@lanecc.edu)

#### SORRY, WE CAN'T DELIVER YOUR MAIL

A reminder for this busy holiday season: Mail Services cannot deliver personal mail (including packages). If you are expecting personal mail and have not seen it, please check with Mail Services to arrange to pick it up in the mailroom. Our resources are limited, and need to be spent in a more productive and efficient manner. In the future, please do not have any personal mail/parcels sent to the college. Thank you for your cooperation.

#### WE CARE CAMPAIGN UPDATES

We have now completed six weeks of the We Care Campaign and are entering the home stretch. When we return from the Thanksgiving break, we'll have one week left. Our goal is to attain 51 percent total staff participation or reach \$100,000. We are almost there, but need a little extra push these next two weeks. To date, we have 28.37 percent participation and have raised \$77,960 for the Foundation and United Way. The average gift size per donor is \$350!

We do make a difference, and no one can say it better than the students we support through the Foundation's Shining Star Scholarship recipients. This is Kelli's story: "A personal accomplishment for me was getting into the respiratory program. My freshman year, I found I was sorely unprepared for college. I had dropped several classes in frustration and did poorly in the classes I needed to get into a program. My study habits

were so poor I didn't even know where to start. I was determined to do better in school. I used Lane's tutors and took a valuable study skills class. I tried very hard that year and saw several school counselor. In the end, my hard work paid off. I'm in the respiratory program now. It took a bit of failure to be confident of where I am now.

Similarly, United Way programs serve many of our community members. If you contribute to United Way, a donation of \$4 a work day will provide 10 youth in emergency shelter, four months of 24-hour crisis line services for sexual assault victims and 52 social support activities for chronically mentally ill children.

The needs are real, and no donation is too small. Thank you for supporting the We Care Campaign.

#### AND THE WINNER IS!

Last Friday was our last weekly drawing in the We Care Campaign, and the winners were the following:

\*Harlo Povenmire, Aviation Academy, won a Gift Certificate for the Renaissance Room donated by Sonya Christian, Office of Student & Academic Affairs

\*Susan Carkin, Language, Lit, & Communications, won a Variety of Nut Mixes donated by Nancy Hart, Disability Services

\* Kaaren O'Rouke, Business, won a Pearl Necklace (hand strung) donated by Janet Anderson, Foundation

\* Patty Parks, Specialized Support Services, won a Titan t-shirt donated by Jennifer Steele, Bookstore

\* Cathy Nolan, Social Science, won a Mineral specimen donated by Sarah Ulerick, Science Department

\* Lynn Marie Chowdhury, Human Resources, won a Scrumptious Homemade Pie donated by Phoebe Anderson, Cooperative Education

Thank you again to all the donors and recipients for your generous contributions. Together we are changing lives!

#### LAST CHANCE TO WIN!

There will be one last We Care Campaign drawing for the Grand Prize Entertainment Package on December 4. All donors will be eligible for the drawing. One lucky person will win the following:

\*Lunch for two at TaRaRin Thai Restaurant donated by Jim Lindly, Business Development Center & Employee Training

\*\$15 certificate to Sweet Life donated by Carol McKiel, TRIO

\*\$34 certificate to The Vintage donated by the Foundation

\* Tickets to a Performance at LCC M,D&TA donated by John Watson, Music, Dance, & Theater Arts

To be eligible for the last drawing, make sure to get your Employee Campaign forms to your Department Representative or Foundation Office by noon on Friday, December 4. Good luck to everyone, and enjoy the holiday and season for giving thanks.

FACILITIES UPDATES  
-----

#### BOND UPDATES

For more information about bond projects, contact Bond Project Manager, Bob Mention, 5747 or Interim Bond Project Manager, Todd Smith, 5132.

#### BUILDING 2 REMODEL

Northwest Information Services is beginning work on their design of the data center. They will coordinate work with the architect/engineer for the project. The program for the second floor has been revised to include faculty offices and additional classrooms. The architect will present the revised plans after the Thanksgiving holiday break. Contact David Amundsen, 3457.

#### BUILDING 4 REMODEL

The schematic design phase of the second floor is nearing completion. A focus is now on exploring the total replacement and relocation options for the heating, ventilation and air conditioning system. Contact Todd Smith, 5132.

#### BUILDING 5 REMODEL/ADDITION

The schematic design phase is nearly complete. A focus is on exploring the total replacement and relocation options for the heating, ventilation and air conditioning system. Contact Todd Smith, 5132.

#### BUILDING 6 PERFORMING ARTS ELEVATOR & DANCE STUDIO

Agreement on the general floor plan for the elevator addition and the remodel has been settled, and the architect is moving into the construction document phase. Contact Todd Smith, 5132.

#### BUILDING 6 PERFORMING ARTS DANCE STUDIO ADDITION

The architect presented revised drawings for the Dance Studio addition north of building 6. In general, the user group was pleased with the direction of the design and offered direction for the next phase moving into schematic design. Contact David Amundsen, 3457.

#### BUILDING 10, RTEC, RECYCLE CENTER, SPECIALIZED SUPPORT SERVICES

A master plan of the covered area between buildings 9 and 10, and the first floor of building 11 is complete. The project is moving into the schematic design phase and project managers begin cost estimating of the master plan. Contact Todd Smith, 5132.

#### BUILDING 18 GREEN PLUS OFFICE ADDITION

Berry Architecture will present the first schematic design of the office addition to the college on December 3. Soil testing and surveying of the grassed area south of building 18 will begin November 23. Soil and survey data collected will determine the exact location of the office addition. A closure of the sidewalk for a short time on the west side of building 17 will be necessary for placement of equipment. The equipment will create ground vibration and elevated noise levels at times. Construction of the office addition is expected to begin late January 2010. Contact Mark Richardson, 3456.

#### BUILDING 19 FOUNDATION

The walls of the new Foundation are complete and will be painted during the week beginning November 30. Painting of the interior will take place on off hours with ventilation fans to help prevent odors from disturbing building occupants. Contact Mark Richardson, 3456.

#### CENTER BUILDING FIRST FLOOR CLASSROOM

McKenzie Construction will begin making minor corrections on the ventilation system on the problems that were detected during the system test. The ventilation system is located above the ceiling and work to correct the problem is not expected to cause disruption. The general contractor is scheduled to make corrections next week to lighting issues apparent in the hallway and bathroom nearby. Contact Mark Richardson, 3456.

#### CENTER BUILDING ROOF

Weather permitting; Umpqua will continue their work on punch list items noted by the Carlisle inspection. Contact Angela Fazio, 3428.

#### DOWNTOWN CAMPUS BUILDING PROJECT

Planning for the phase 1 feasibility report is about to begin. The selection process to hire a project management firm and an architectural firm to do this work is underway. The schedule calls for a project management firm to be hired early December and the architectural firm early January. The feasibility report is scheduled to be completed by late March 2010 and presented to the board for consideration and approval before moving forward. Contact Bob Mention, Project Manager at 5747.

#### FLORENCE CENTER SCIENCE LAB ADDITION

McKenzie Commercial completed installation of wallboard inside the new addition that will be ready for painting by next week beginning Nov 30. Cabinets for the science lab will be installed on December 2. The siding installation continues on the east side of the building is expected to be completed by January 30, 2010. Bineham Construction has one small section of metal roof to complete before installing the remaining trim pieces. Contact Mark Richardson, 3456.

#### TRACK & SOCCER BOWL UPGRADES

The track and soccer bowl project has moved into the design development phase. Contact Todd Smith, 5132.

#### DEFERRED MAINTENANCE PROJECTS

##### PROJECT 446 EXTERIOR LIGHTING

The installation of fixtures in the parking lots is complete. The fixtures have been replaced in all but one inaccessible location in parking lot B. The electricians will relocate the pole placed at the inaccessible location at a later date. Two additional fixtures to be installed by the service road north of the theatre remain. FMP electricians will continue work replacing light fixtures on the outside of buildings through the fall and winter terms as time allows. Contact Dave Smith, 3433.

##### PROJECT 447 CARPET REPLACEMENT/FLOOR COVERING

Building 19 hard flooring replacement in the storage hallway, room 107 is scheduled for December 14-17.

Building 19 carpet replacement in level 2 hallway, 200K, is scheduled for December 10-11.

Flight Technology, building 44, carpet replacement is scheduled for December 14-18. Contact Angela Fazio, 3428.

##### PROJECT 448 KEYLESS ACCESS

The contractor, Allied Fire & Security, is now installing door hardware in building 12. Also working in building 12 is Ordell Construction, the door hardware installation subcontractor to Allied. After this building is complete the next, is building 7, for installation of new door hardware. Door hardware installation for buildings 8 and 9 has been completed to date; however, some procedural and hardware/electronic issues remain in the implementation of keyless entry on these buildings. The remaining buildings will be commissioned through winter term. The Keyless Access user group is evaluating CCTV cameras for use on campus. Four vendors will be interviewed to determine the best camera or mix of cameras to use. Contact Dave Smith, 3433.

##### PROJECT 449 ASBESTOS ABATEMENT

The deferred maintenance crew continues work on installing new PVC insulation covers for Victaulic fittings in tunnel system between buildings 4 and 7. The remaining tunnel work is 15 percent completed. Contact Angela Fazio, 3428.

##### PROJECT 450 EMERGENCY COMMUNICATION SYSTEM

The fire alarm contractor, SecureCom, is contracted to update and replace the fire alarm system at the Florence Center campus. This work will be finished in time for classes beginning winter term. SecureCom is also working an off shift at the main campus in Eugene in order to minimize impact of their work on staff and students. For the same reason, testing of much of the fire alarm systems is on hold until the first week of winter

break, December 15-18. If necessary, additional testing will occur during the week of December 22. The FMP electricians continue to work nights in buildings 5 and 11. All buildings are currently protected, and will continue to be, by existing fire alarm systems. Contact Dave Smith, 3433.

#### PROJECT 451 UTILITY SUBMETERING

Final mechanical, electrical and controls walk-through occurred while MeasureLogic was onsite for the project hand-off. Replacement of the hot water main valves is scheduled for December 19. This will complete replacement of 40+ year old domestic cold and hot water isolation valves in the tunnels. Contact Angela Fazio, 3428.

#### PROJECT 452 ELECTRICAL UPGRADES

Obsolete panels have been replaced in several building on campus. The last campus building in which panels will be replaced is building 11. The FMP electricians are performing this work and hope to schedule a shutdown over winter break to accomplish this. Contact Dave Smith, 3433.

#### PROJECT 454 BUILDINGS 4 AND 5 ROOF

Umpqua completed Carlisle inspection punch list items; another inspection to be scheduled. The cosmetic issues with the skylight between buildings 4 and 5 to be completed December 14-15. Contact Angela Fazio, 3428.

#### PROJECT 456 & 457 CLASSROOM UPGRADES

Upgrade work of the smart classroom at Flight Technology, building 44, is completed. This is the final smart classroom update in the deferred maintenance scope. Contact Angela Fazio, 3428.

#### PROJECT 458 AMTF IMPROVEMENTS

Final commissioning reports to be submitted for the building 12 paint booth. A building permit was received for the paint booth to be installed at the Aviation Maintenance RTS facility. Site mobilization and underground utility locates have been completed. Ordell will complete construction of the parts storage and housekeeping room inside, building 46 over the next two weeks. For the paint booth, Ordell will complete foundation excavation, partial backfill/compaction, and utility trenching next week. Contact Angela Fazio, 3428.

#### OTHER FACILITIES PROJECTS

##### HEALTH & WELLNESS BUILDING

The concrete roof deck is complete and roofers have started the installation of single-ply roofing membrane. Framing for exterior walls is proceeding and placement of insulation panels on the exterior walls has begun. Fire protection, rough-in plumbing and HVAC duct work are nearing completion on the first floor and have now begun on the second floor. Underground lines from building 4 for chilled and heated water are currently being installed. Large roof drains (scuppers) are also being installed. Expect noise from construction activities in the immediate future. Project completion is expected August 2010. Contact Brian McMurray, 5829.

##### NATIVE AMERICAN LONGHOUSE

Contractor to finish trenching of overhead logs on November 24 that allow placement of the lighting fixtures. Longhouse Committee members met on November 18 to review AV design and gave approval. Expect work on fire sprinklers to begin mid-December Bids

for HVAC work are due December 9. Project completion is expected by May 1, 2010.  
Contact Brian McMurray, 463 5829.

#### RTS PARKING LOT EXPANSION

Paving is complete. Striping, installation of curb and wheel stops will be carried out when the storm water treatment system is installed, and is anticipated for early January 2010.  
Contact Angela Fazio, 3428.

#### SOLAR LAB STATION

Jonathan Price, an Architect for gLAs, will present a feasibility report to the user group during the week beginning November 30 that is expected to include a recommendation for a location and a basic schematic design. Contact Mark Richardson, 3456.

PLEASE COME TO THE MUJERES EN PODER BENEFIT event and shake the turkey off! This is the Latina group that I started 2.5 years ago. There is Salsa dancing with

Jose Cruz, the night after Thanksgiving (Friday November 27 at the Vet's Club). It is a benefit for Mujeres en Poder - the only Spanish Women's Empowerment program that is focused on transforming oppression in Lane County. This is an educational and therapeutic group! This group ran for 2 years and has lost funding due to a grant's reluctance to fund Latino programs in general. (Racist rhetoric has impacted the community severely). The group has successfully helped women leave domestic violence, start school, and improve participants' lives! If you cannot come please sponsor a woman to attend the 9 month program. For more questions, please contact me at 515-3083. Thank you for your support! I am attaching the flyer in two different formats. Please feel free to forward this event on your e-mail lists. Judith Castro, Transiciones Teacher & Student Advisor, Women's Center.``

**MEN'S BASKETBALL FUNDRAISER.** We are raffling off three \$100 gift cards to Fred Meyer. 3 chances to win. If you win your ticket is put back in the drawing. Each raffle ticket is \$5. Thanks for the support. Bruce A. Chavka, Head Men's Basketball Coach, 5553.``

**I AM LOOKING FOR A DOG-SITTER FOR SPRING TERM** while I am abroad on sabbatical. Daisy is a 7 year-old smooth fox terrier, and is a very sweet companion. She can either live with you in your house (must have a fenced yard), or...you can live at our College Hill bungalow (with hot tub and outdoor shower!) Daisy gets along great with kids, can play fetch like nobody's business, and eats simply: kibble. Please call me at 463-5645, email [simoab@lanecc.edu](mailto:simoab@lanecc.edu) or call my home at: 683-9501 if you are interested.``

**NEED A DAYCARE PROVIDER** in Springfield: Professional, fun, nurturing, residential setting has 2 full time openings for newborns to school age children, \$2.50 an hour. Available to do overnights, evening, back-ups, and odd hour daycare as well. Located in the Springfield School District with Riverbend Elementary and Holly St. Headstart bus routes. Willing to transport to Douglas Gardens Elementary and Mt. Vernon Elementary. Nice home with a large fenced back yard for children to play. Call Heather at 844-2222 or email [hjobe80@gmail.com](mailto:hjobe80@gmail.com).``

ACADEMIC TECHNOLOGY DIVISION DEAN OPEN FORUMS

The search committee will interview candidates for Academic Technology Division Dean beginning this Friday. The dean will report to the chief information officer in Information Technology and will be responsible for the Academic Technology Center, Instructional Computing, Help Desk Support Services, Distance Learning/Media Services, and the Library. All staff are invited to attend open forums and meet candidates. Forums will be held in building 19, room 225, 2:30-3 p.m. The schedule:

\* Friday, December 4, Steve Smith. He earned a master's degree in education from Oregon State University and a bachelor's from the University of Washington. Since 1997, he has worked for Portland Community College as its director of instructional

support services, manager of instructional media services (library), and currently is the director of curriculum and support services.

\* Monday, December 7, Bradley Hinson. He has held the position of open learning coordinator at MiraCosta Community College District in Oceanside, California since 2001. Other work experience includes coordinator of instructional technology at Central Texas College, and campus technologist for Killeen Independent School District. His education includes a Ph.D. in computing technology in education (ABD) from Nova Southeastern University, master's degree in communications from the University of Louisiana, and a bachelor's in journalism from Angelo State University.

\* Tuesday, December 8, Paula Ascher. Since 2003, she has been the distance learning and instructional technology coordinator at Columbia Gorge Community College and previously held the position of director of professional and technical education at Tillamook Bay Community College. She earned a master's degree in adult education from Oregon State University and a bachelor's in civil engineering from the University of Massachusetts.

\* Thursday, December 10, Michael Lindeman. He holds a master's degree in education from the University of Illinois as well as a bachelor's in psychology from Claremont McKenna College. He currently is employed by the University of Illinois as director of program and course development, and was previously program director for the Illinois Online Network.

#### TITAN WOMEN TO DEFEND NATIONAL HOME GAME RECORD

The Titan women's basketball team hasn't lost a home game in seven years. Their 71-home game streak is the longest anywhere in college basketball, as far as coach Greg Sheley knows. The team intends to make it 72 wins when they host Lower Columbia Community College from Longview, Wash., on Wednesday, December 9. "I want to win a championship," said freshman starter Susan Smith. "That's why I came to Lane." See the full story and photos at: <http://www.lanecc.edu/mpr/success/index.htm> Submitted by the editor.

#### WHO NEEDS IGOOGLE WHEN YOU HAVE MYLANE?

MyLane will allow users to show their Facebook page and bring in RSS feeds from a variety of news sources, including The Torch. Remember that ExpressLane will have a new home in MyLane. MyLane is brought to you (in winter term) by the Title III grant. If you have any questions, ideas, or comments contact Carol McKiel, Title III coordinator, 3132 or [mckielc@lanecc.edu](mailto:mckielc@lanecc.edu)

#### ASKLANE IS HERE

The amazing AskLane implementation team, led by Fiora Starchild and including Lori Brenden and student tech interns Taylor Thurston and Brianne McCoy, is proud to announce that AskLane is here! Go to the top of Lane's home page at [lanecc.edu](http://lanecc.edu) and type a question of your choosing regarding enrollment, financial aid or attendance issues in the AskLane box. This tool will allow us to respond to real questions from students (and faculty and staff, too!) Note the column on the right-hand side with the top 10 questions: This is updated each day and will reflect what people have asked the most over the past hour. Users can also see other related questions, rate how well they liked the answers and submit additional questions for us to add to our database. Schools with similar enrollment to Lane have fielded as many as 96,000 questions in the first week of having this up. Let us know what you think and bravo to our AskLane Implementation Team! Contact: Helen B. Garrett, Associate Dean of Student Affairs, Enrollment and Student Financial Services, 5686.

## NOMINATE AN OUTSTANDING SCHOLAR

The Oregon Community College Association Student Scholar Event will be held again in the spring of 2010. The event will honor two student scholars from each campus. Faculty or staff who would like to nominate a student to represent Lane at this event must e-mail a letter of nomination containing how the student meets the established criteria. Please include the student's name and student contact information. Please e-mail to [brysonj@lanecc.edu](mailto:brysonj@lanecc.edu)

\* Excellence in the classroom

\* Intellectual curiosity outside the classroom

\* Evidence of substantial development of their talents; and

\* Ability to share this development with others

Deadline for nominations is December 11. Potential scholarships from a majority of Oregon's colleges (public and private) are available for the Student Scholars. The Scholars will be honored at a recognition luncheon in Salem in the spring. For further information contact Jackie at ext. 5164 or e-mail [brysonj@lanecc.edu](mailto:brysonj@lanecc.edu)

## LEGISLATIVE UPDATES

Interested in staying up to date on local, state and federal politics? Subscribe to Lane's legislative e-mail updates by sending an e-mail to [rowlettb@lanecc.edu](mailto:rowlettb@lanecc.edu) with the subject "subscribe." Contact: Brett Rowlett, Director of Governmental & Community Relations, [rowlettb@lanecc.edu](mailto:rowlettb@lanecc.edu), 5850.

## WE CARE CAMPAIGN UPDATES

Amazing news! Only one week left, and the Employee Giving Campaign has raised \$97,112 with 35.78 percent staff participation. We are extremely close to meeting the goal of \$100,000 or 50 percent staff participation. We only need an additional \$2,888 to reach that goal! Thank you for your amazing generosity and support, for the department representatives time and energy, for all the wonderful prize contributions, and for the 320 people who have contributed or pledged so far. This is the time when any amount you can contribute will make a difference to the Foundation and United Way programs. Many stars are shining and people are climbing the We Care Mountain in the boardroom window, thanks to all of you. Submitted by Patty Parks.

## YOU, TOO, CAN BE A WINNER!

Friday, December 4 will be the last prize drawing for the We Care Campaign for the grand prize entertainment package. All donors will be eligible for the drawing. One lucky person will win the following:

\*Lunch for two at TaRaRin Thai restaurant donated by Jim Lindly, Business Development

Center & Employee Training

\*\$15 certificate to Sweet Life donated by Carol McKiel, TRIO

\*\$34 certificate to The Vintage donated by the Foundation

\*Tickets to a Lane performance donated by John Watson of Music, Dance & Theater Arts

To be eligible for the last drawing, make sure to get your Employee Campaign forms to your department representative or Foundation office by noon on Friday, December 4. Good luck everyone! Submitted by Patty Parks.

## CURRICULUM DEVELOPMENT FUND PROPOSALS DUE DECEMBER 4

The Assessment Team is sponsoring curriculum development opportunities in general education assessment. Each of the five general education divisions (LLC, Social Science, Math, Science, and Art) will be eligible for 40 hours of curriculum development funds per term, winter and spring. The Assessment Team is seeking proposals that apply general education assessment rubrics for communicating effectively and critical thinking. A one-page proposal should be submitted by December 4, for funds to be allocated toward work in winter and spring terms. An application summary and time-line were e-mailed to faculty this past week. If you need additional information, please contact your division chair or a member of the Assessment Team: Sheila Broderick, Paul Bunson, Susan Carkin, Pam Dane, Barbara DeFilippo, Julie Fether, Christina Howard, Karen Krumrey, Michael Levick, Mary Parthemer, Tamara Pinkas, Stephen Selph, Sarah Ulerick, Barbara Breaden.

#### TITAN STORE THANKS

Thank you to all who participated in the Titan Store Thanksgiving raffle. We raised \$433 for meals for Lane students and their families. We also would like to thank Jill Bradley and the Women's Center for their assistance. Congratulations to Karen Myers, winner of the raffle. Karen won the stuffed Ogio backpack, a \$200 value. Submitted by Vicki Colley.

#### FACULTY INQUIRY GROUPS

Faculty Professional Development announces a new professional development program, Faculty Inquiry Groups. These are small groups of faculty (4-10 maximum) who meet in person or online at least five times throughout the academic year or a term to work together on a specific question, issue, or concern in their teaching and/or their students' learning. For details or to submit a proposal, see the FPD website at: <http://lanecc.edu/fpd/facultyinquirygroups.html> or contact the FPD Coordinator, Adrienne Mitchell, at [mitchella@lanecc.edu](mailto:mitchella@lanecc.edu)

#### TRAININGS

---

25 LIVE EVENT REQUEST TRAINING - The last set of training sessions has been scheduled prior to the winter break implementation of the 25Live event request system.

If you have a need to request rooms or even a motor pool car, this training will go through the steps using the new system. The capability to request event space or a motor pool vehicle is offered to all staff. Consider saving yourself time and learn how to submit your own requests. In the time you may take to create an e-mail to someone to request an event for you, you could have completed the request using the new web interface. The classes are in the Advanced Technology Center. Please send an e-mail to bahreta@lanecc.edu to register and I will make sure you have an active 25Live account prior to the training. See [http://showlane.lanecc.edu/25live/#details&obj\\_type=event&obj\\_id=98576\[0\]](http://showlane.lanecc.edu/25live/#details&obj_type=event&obj_id=98576[0]) for more information about dates and times. Thank you!

NATURAL DYED TEXTILES and JEWELRY: I will be selling hand loomed, natural dyed textiles (no chemicals) made by a cooperative of indigenous women in Guatemala. The women collect plants from the forest, make their own dyes over an open fire, dye the organic cotton (grown on the south coast of Guatemala), then weave the cotton into beautiful textiles on a back strap loom. Finally, they sew the textiles into products such as handbags, scarves, place mats, and more. The money earned goes to support these women. I also have jewelry made by another women's cooperative in Guatemala that helps them to support their families. Visit my booth at the Holiday Fair to learn more, Susan Starr.

WE CARE CAMPAIGN FINAL UPDATE

We can only say, amazing! The We Care Employee Campaign not only reached goal but exceeded it. The grand total as of Monday morning was \$103,342 from 308 staff donors. The Foundation received \$74,562 in pledges, and United Way programs received \$28,780. This is the official end of the campaign; however, you can still turn in your pledge forms, and they will be processed. If you turn them in before the end of the year, you will be able to use your donation for tax purposes. You can also contribute anytime during the year to the Foundation.

The committee would like to extend a heartfelt thank you to everyone who participated in the campaign from donors to department reps. We were committed to the campaign's theme of Achieving Dreams, and we did it together as a community. Because of your generosity, we will be changing lives locally. To put it more eloquently, a quote from

another dreamer, Harriet Tubman, "Every great dream begins with a dreamer. Always remember, you have within you the strength, the patience, and the passion to reach for the stars to change the world." Submitted by Patty Parks for the We Care Campaign.

#### AND THE WINNER IS!

The winner of the grand prize drawing held Friday, December 4, is Cecilia Combest of Enrollment and Student Financial Services. Cecilia will enjoy a \$20 gift certificate to TaRaRin Thai Restaurant, a \$15 gift certificate to Sweet Life, a \$34 gift certificate to the Vintage Restaurant, and tickets to a performance to one of our own Performing Arts productions. The grand prize entertainment package was donated by Jim Lindly, Carol McKiel, the Foundation and John Watson. Thank you to everyone for making this year's campaign such a success! Submitted by Patty Parks for the We Care Campaign.

#### WHITEAKER COMMUNITY THANKSGIVING DINNER HEARTFELT THANKS

Heartfelt thanks to Chef Clive Wanstall and Brian Kelly, the many Culinary Arts students and graduates, and the Lane Food Service and Catering departments for cooking the 2,000 pounds of turkey and almost all the other food that was served to more than 2,000 men, women, and children who attended the free dinner. Thank you, to all the Lane staff and students who helped with the event and many preparation activities. Submitted by Beverly Farfan.

#### LANE SPREADS THE WARMTH TO MANY

The Whiteaker Community Thanksgiving Dinner thanks the Lane staff, students, and friends who donated to this year's sleeping bag drive. A special thanks to the Lane athletic teams. It is hard to describe the looks on peoples' faces as they receive a new sleeping bag or blanket. Many of our guests spent the cold night waiting in line. We were able to pass our goal and distribute 320 new sleeping bags and 248 new blankets and throws. Special thanks to Sue Thompson from the Health, PE, and Athletics and Co-op Education Departments who organized the collection and with her great Lane group distributed these items early Thanksgiving morning to the many waiting guests. Thanks you to Gee McKeegan for coordinating the distribution of clothing and other needed items. Thank you to the cafeteria workers and everyone who put in change in our Spread the Warmth sock jars. We collected more than \$800 which purchases 800 pairs of warm winter socks. Again thank you to all the Lane staff, students, and friends who shared in this experience of community coming together. Submitted by Beverly Farfan

#### I CAN, ONE CAN FOOD DRIVE

Thank you everyone who has donated food so far this year. We donated another 153 pounds last month. December's food will be picked up December 17. The food goes to Food For Lane County for food boxes and meal sites. Tell your friends. Donate one can of non-perishable food a month to Lane's ongoing food drive. For some people getting a food box makes a difference in being able to buy needed medication or to pay a heating bill. Many food box recipients are the working however still unable to meet basic needs. Look for a box near you or call for a location, 5395 or 912-2228. #### NOMINATE SCHOLARS BY DECEMBER 11

The Oregon Community College Association Student Scholar Event will be held again in the spring of 2010. The event will honor two student scholars from each campus. Faculty or staff who would like to nominate a student to represent Lane at this event must e-mail a letter of nomination containing how the student meets the established criteria. Please

include the student's name and student contact information. Please e-mail to brysonj@lanecc.edu

- \* Excellence in the classroom
- \* Intellectual curiosity outside the classroom
- \* Evidence of substantial development of their talents; and
- \* Ability to share this development with others

Deadline for nominations is December 11. Potential scholarships from a majority of Oregon's colleges (public and private) are available for the Student Scholars. The Scholars will be honored at a recognition luncheon in Salem in the spring. For further information contact Jackie at ext. 5164 or e-mail brysonj@lanecc.edu

FACILITIES UPDATES  
-----

#### FMP SCHEDULES, AND ICY CAMPUS CONDITIONS

Facilities Management and Planning will have limited resources on campus during the last three weeks of December to allow the use of "special vacation days" and provide a break for those supporting an extended period of historically high project work activities and associated work orders.

Although the FMP grounds department is stocked with 2,000 pounds of granular deicer for asphalt areas and over 200 gallons of liquid deicer for the sidewalks, resources to implement a broad ice and snow removal event will be stretched thin or non-existent especially after Friday, December 11 through Sunday, January 1. Due to the nature of the Eugene winter season, unexpected snow and ice events can occur but are usually of limited duration and intensity. Delta Sand and Gravel is contracted to remove accumulating snow on both Gonyea and Eldon Schaefer through the main access road around the LTD bus stations and west side drop off zones, extending around the back side of campus south of buildings 19 and 16. The parking lots will have very limited snow removal services. Please plan to wear appropriate footwear, gloves, and pay close attention to the surfaces of our parking lots, sidewalks, and handrails during cold

weather conditions. Public Safety will set out icy conditions signs on the main access roads when cold temperatures affect the campus. Public Safety will also set out campus closed signs when the campus is closed due to inclement weather conditions or when the campus is scheduled to be closed. For more information, go online at: <http://www.lanecc.edu/cops/eplan.htm#ew>. Thank you for your continued understanding and support as we enter the winter weather season. FMP Management.

#### BOND UPDATES:

For more information about bond projects, contact Bob Mention, 5747 or Todd Smith, 5132.

#### BUILDING 2 REMODEL

The architects and engineers are continuing work on the project construction documents. Northwest Information Services has begun their work to design the remodel of the data center. Contact David Amundson, 3455.

#### BUILDING 4 REMODEL

The schematic design phase of the second floor is nearing completion. A focus is now on exploring the total replacement and relocation options for the heating, ventilation and air conditioning system. Contact Todd Smith, 5132.

#### BUILDING 5 REMODEL/ADDITION

The schematic design phase is nearly complete. A focus is on exploring the total replacement and relocation options for the heating, ventilation and air conditioning system. Contact Todd Smith, 5132.

#### BUILDING 6 PERFORMING ARTS ELEVATOR & DANCE STUDIO

Agreement on the general floor plan for the elevator addition and the remodel has been settled, and the architect is moving into the construction document phase. Contact Todd Smith, 5132.

#### BUILDING 10, RTEC, RECYCLE CENTER, SPECIALIZED SUPPORT SERVICES

A master plan of the covered area between buildings 9 and 10, and the first floor of building 11 is complete. The project is moving into the schematic design phase and project managers begin cost estimating of the master plan. Contact Todd Smith, 5132.

#### BUILDING 18 GREEN PLUS

The Bond Leadership Team has recommended that this project be placed on hold pending a master plan study of the site to verify the location and single floor type construction proposed. This project is now on hold status pending further study and review. Contact Mark Richardson, 3456.

#### BUILDING 19 BUSINESS FACULTY OFFICES

Architectural drawings will be distributed to the users for review next week. Construction is expected to take place over the summer. Contact David Amundson, 3455.

#### BUILDING 19/FOUNDATION

Interior painting in the office was planned to begin December 7 and fumes will be present in the area during the drying process. Carpet installation is scheduled for the first week of January 2010. Construction activity for the Foundation office was delayed

slightly and completion is now expected late January 2010. Contact Mark Richardson, 3456.

#### CENTER BUILDING REROOF

All punch list items are completed and the second Carlisle inspection was satisfactorily passed. Contact Angela Fazio, 3428.

#### DOWNTOWN CAMPUS BUILDING

The Downtown Campus building project will progress in three phases: Phase 1, Feasibility Report; Phase 2, Design and Construction Documentation; and Phase 3, Construction and Move-in. A request for proposals was issued, proposals were evaluated, and President Spilde informed Lane's Board of Education that the firm of Gerding Edlen had been selected to provide project management services to accomplish the Phase 1. Feasibility Report phase. The feasibility report is scheduled to be completed within 90 days. This will be a very fast and exciting project. Contact Bob Mention, 5747.

#### FLORENCE CENTER/SCIENCE LAB ADDITION

Completion of this project is expected January 4, 2010. Bineham Construction has pushed their crews and made up lost time encountered during the high winds. Roof installation is complete and siding installation will be completed late January 2010. Contact Mark Richardson, 3456.

#### TRACK AND SOCCER BOWL UPGRADES

The track and soccer bowl project has moved into the design development phase. Contact Todd Smith, 5132.

#### DEFERRED MAINTENANCE PROJECTS:

##### PROJECT 446 EXTERIOR LIGHTING

The installation of fixtures in the parking lots is complete. The fixtures have been replaced in all but one location in parking lot B. This location is obscured by tree branches making it inaccessible. Two additional fixtures remain to be installed near the service road north of the theatre. FMP electricians will continue to replace the light fixtures on the outside of buildings through fall and winter terms as time allows. Contact Dave Smith, 3433.

##### PROJECT 447 CARPET REPLACEMENT/FLOOR COVERING

Building 19 carpet replacement in the second level hallway 200K is scheduled for December 10-11. The hard flooring replacement in the storage hallway, room 107, is scheduled for December 14-18. Flight Technology's building 4, restroom flooring replacement is scheduled for December 7-18; and the carpet replacement December 14-18. Contact Angela Fazio, 3428.

##### PROJECT 448 KEYLESS ACCESS

The contractor, Allied Fire & Security, is currently installing door hardware in Buildings 7, Campus Services and Building 11, Art. After work is completed in on buildings 7 and 11, the next buildings are 4 (first floor only); 13, Public Safety; and 2, Business/IT. Hardware installation on buildings 8, 9, and 12 is completed, though some procedural and hardware/electronic issues remain in the implementation of keyless access on these buildings. The remaining buildings will be commissioned through winter and spring

terms. The keyless access user group is evaluating CCTV cameras for use on campus. A total of four vendors have been interviewed and a test will be conducted to compare output from each of the four cameras to determine the best camera or mix of cameras for use. Contact Dave Smith, 3433.

#### PROJECT 449 ASBESTOS ABATEMENT

The deferred maintenance crew is working on installing new PVC insulation covers for Victaulic fittings in the tunnel system between buildings 4 and 7. Remaining tunnel work 15 percent complete. Contact Angela Fazio, 3428.

#### PROJECT 450 FIRE ALARM/MASS COMMUNICATION SYSTEM

The fire alarm contractor, SecureCom, has been contracted to update and replace the fire alarm system at the Florence campus. This update is expected to be completed in time for the beginning of winter term classes. SecureCom is working an off shift on the Eugene main campus to minimize impact of their work on the LCC community. Pretesting has been done in two buildings and final testing of the fire alarm systems will be conducted in the presence of the Oregon State Fire Marshall during the first week of winter break, December 15-18. Additional testing will occur during the week of December 29 if necessary. The FMP electricians continue to work nights installing conduit and wiring. All buildings are currently protected, and will continue to be, by existing fire alarm systems. Contact Dave Smith, 3433.

#### PROJECT 451 UTILITY SUBMETERING

Final mechanical inspections are complete. Final electrical inspection is pending completion. Replacement of hot water main valves is scheduled for December 19. This work will complete replacement of 40+ year old domestic cold and hot water isolation valves in the tunnels. Contact Angela Fazio, 3428.

#### PROJECT 452 ELECTRICAL UPGRADES

Obsolete panels were identified as requiring replacement. Panels have been replaced in several buildings on campus. The last campus building in which panels will be replaced is Building 11. FMP electricians will perform this work December 21-23. Contact Dave Smith, 3433.

#### PROJECT 454 BUILDINGS 4 AND 5 REROOF

Carlisle's reinspection of punch list items is satisfactorily complete. Cosmetic issues with the skylight between buildings 4 and 5 will be completed December 14-15. Contact Angela Fazio, 3428.

#### PROJECT 458 AMTF IMPROVEMENTS

Final commissioning reports to be submitted for building 12, paint booth. RTS paint booth foundation excavation, fill and compaction complete. Rebar work is ongoing with an anticipated concrete pour next week. Rohner will erect booth December 14-23. Construction of the parts storage and housekeeping closet inside of building 46 is scheduled to be completed next week. Contact Angela Fazio, 3428.

#### OTHER FACILITIES PROJECTS:

##### RTS PARKING LOT EXPANSION

Paving is complete. Striping, installation of curb and wheel stops will be commence when the storm water treatment system is installed and is anticipated early January 2010. Contact Angela Fazio, 3428.

#### SOLAR LAB STATION

A meeting was held with gLAs Architecture on December 4 to review a proposed location to educate students on solar panel installation. The purposed location will provide access for students and storage for solar panels, giving the students and staff the ability to construct a functioning solar power system that will produce power and data.

NEWS & ANNOUNCEMENTS

**CHANGES IN TELEPHONE DIALING**

Beginning January 10, 2010 all telephone customers with a 541 area code must dial area code + telephone number for all local calls. Local calls will be 541-xxx-xxxx. If you are calling long distance, it will be 1 + area code + xxx-xxxx. This will not affect 4-digit dialing within our campuses. Make sure that you reprogram speed dials on your office phones, fax machines, and your wireless devices.

You may start using the 10-digit dialing anytime before January 10, 2010 if you wish. All systems have been reprogrammed to access the change already.

They will start assigning a new area code (458) with new telephone numbers that are requested starting in February 2010. This will not affect Lane Community College due the fact that we have a block of unused phone numbers that are already assigned the 541 area code.

If you have questions, please call Virginia at 5565.

**HOUSEKEEPING WINTER ROTATION BEGINS**

Several custodians begin their new work assignments on Monday. We ask that you introduce yourself to your new custodian and welcome them. Buildings receiving new custodians:

Building 1 - Larry Melheim; Buildings 2&3 - Anna Rolfe; Building 11 - Doug Monroe; Center 4th floor - Kevin Hagger; Building 16 upper lever - Linda Coursey. Contact: Katherine Vos.

**GROUP BUS PASS WINTER TERM**

Students or staff taking a credit class on main campus or at the DTC are eligible for a LCC bus pass good for the entire term. Photos for bus pass ID cards will be taken in building 19, room 117, on January 4-6, 8 a.m. – 4 p.m. and January 7, 8 a.m.-noon. Stickers for winter term will be available beginning January 12 at the Titan Store return window or at the Downtown Center. See <http://www.ltd.org> for more transportation options. Contact: Susan Tatar, 5727.

**A REMINDER FOR THIS BUSY HOLIDAY SEASON**

Mail Services does not deliver personal mail (including packages). If you are expecting personal mail and have not seen it, please check with Mail Services to arrange to pick it up in the mailroom. Our resources are limited, and need to be spent in a more productive and efficient manner. In the future, please do not have any personal mail/parcels sent to the college. Thank you for your cooperation. Any questions, contact Tom Johnson, Mail Services.

**CHERYL COON "BESTIARY" OPENS JANUARY 4**

The Lane Community College Art Gallery is proud to present "Bestiary, a collective body of work by San Francisco artist Cheryl Coon. The exhibition consists of artist books that draw their central ideas from primordial images, archetypes, ancient rituals and texts, folklore and mythology. Coon states, "I try to investigate the spiritual and the mysterious,

patterns in nature versus chaos. So I try to create a space to contemplate the mysterious – everything from the sublimely beautiful to the ridiculously humorous.” The show runs from January 4 through 28. An artist lecture will be held on January 11 at 11 a.m. with a reception immediately following. The gallery is located on the first floor of building 11 on main campus. There is no charge for admission. Hours are 8 a.m. until 5 p.m. Mondays through Thursdays, and 8 a.m. until 4 p.m. on Fridays. Contact: Art and Applied Design, 5409.

The fall exhibit at the David Joyce Gallery is titled Harvest Dinner Reflections--Six Years of Celebration, honoring culinary arts and hospitality management students, past and present, achievers of dreams. The exhibit showcases students in action preparing for the annual Lane Foundation Harvest Dinners, which raise money for student scholarships. Dan Welton, photographer and a member of the LCC art faculty, is featured. The exhibit runs until January 4, 2010. Contact: Julie Fether, 3518 or [fetherj@lanecc.edu](mailto:fetherj@lanecc.edu)

#### HOW TO PAY FOR COLLEGE...IN ONE DAY!

Financial aid and scholarship event January 30 at LCC

How To Pay For College...In One Day! will be held Saturday, January 30, 2010, from 8:30 a.m. to 3:30 p.m., Center for Meeting and Learning, Building 19.

This is a free event to help students and parents complete the federal aid application process and access scholarship resources to fund their college education and reach their educational goals. The event features the 11th Annual Lane Community College Scholarship Workshops, plus the state's annual College Goal Oregon workshop held at Lane and 14 other sites. Last year, Lane's event attracted more than 400 participants. Participants will learn strategies for scholarship research and writing effective applications, as well as specific information about Oregon Student Assistance Commission, Ford Family Foundation, and Lane Community College Foundation scholarships. A workshop will be offered in Spanish. Financial aid professionals will help students and parents complete the federal financial aid (FAFSA) paperwork and online application process. Participants should bring their 2009 tax information and financial records, and a brown bag lunch.

Students can register through Lane's online ExpressLane service at [lanecc.edu](http://lanecc.edu) and use CRN (course registration number) 32142. Prospective students or community members can register by calling LCC Continuing Education at 463-5252. Additional information is available online at [lanecc.edu/ces/events.htm](http://lanecc.edu/ces/events.htm) Contact: Jackie Bryson at (541) 463-5164.

#### BENEFIT CONCERT FOR TRANSITIONS PROGRAM

A benefit concert for the Lane Community College Women in Transitions Program will be held Sunday, February 7, 2010 at 3:00 p.m., Performance Hall, Building 6. Featuring Soromundi: Lesbian Chorus of Eugene, and In Accord. Join us for an eclectic afternoon of choral music, featuring everything from old standards to contemporary arrangements. We will have music for every ear! All proceeds go to the Women in Transitions Program. Tickets \$10.00 general public \$8.00 seniors/student. For information call 541-463-5202. Tickets available at [www.lanecc.edu/tickets](http://www.lanecc.edu/tickets). Contact: Barbara Delansky.

#### I CAN, ONE CAN FOOD DRIVE

Thank you everyone who has donated food so far this year. We donated another 153 pounds last month. December's food will be picked up December 17. The food goes to Food For Lane County for food boxes and meal sites. Tell your friends. Donate one can

of non-perishable food a month to Lane's ongoing food drive. For some people getting a food box makes a difference in being able to buy needed medication or to pay a heating bill. Many food box recipients are the working however still unable to meet basic needs. Look for a box near you or call for a location, 5395 or 912-2228. Submitted by Beverly Farfan, farfanb@lanecc.edu

#### TITAN STORE WINTER RAFFLE RESULTS

Congratulations to the Titan Store winter raffle prize winners. Danielle Brosseau won the 24-inch iMac. Valerie Anne and Heidi Shafer each won a \$250 gift card. The Titan Store staff would like to thank everyone who contributed to the success of the raffle. Thanks to you, \$2,408 will benefit Lane student families this holiday season and fund Lane scholarships. Special thanks to Jill Bradley and the Women's Center for their assistance. Contact: Vicki Colley.

#### RESTRICTIONS ON POLITICAL CAMPAIGNING BY PUBLIC EMPLOYEES

The restrictions imposed by law of the State of Oregon on your political activities are that "No public employee shall solicit any money, influence, service or other thing of value or otherwise promote or oppose any political committee or promote or oppose the nomination or election of a candidate, the gathering of signatures on an initiative, referendum or recall petition, the adoption of a measure or the recall of a public office holder while on the job during working hours. However, this section does not restrict the right of a public employee to express personal political views." (ORS 260.432) Revised February 2008, Secretary of State, Elections Division. Contact: Joan Aschim, 5591.

#### CHILD CARE REFERRAL SERVICES AVAILABLE IN LANE AND DOUGLAS COUNTIES

Family Connections of Lane and Douglas Counties is the community's local child care resource and referral agency. The agency assists parents in finding child care near their work, home or school with just one phone call, or via the Internet. Family Connections provides information on how to choose quality child care and find a nurturing and developmentally appropriate environment.

Family Connections also offers more than 40 classes winter term for individuals interested in becoming a child care provider or enhancing their skills as a provider. In Douglas County call 1-800-222-3290 or (541) 672-7955, or stop by the Family Connections office in the Employment Department on Pine Street in Roseburg. In Lane County call 541-463-3954 or visit LCC main campus, 4000 East 30th Avenue in Eugene, building 24. Visitors should call ahead for daily office hours or to schedule an appointment. BOND UPDATES

For more information about bond projects, contact Bob Mention, 5747 or Todd Smith, 5132.

BUILDING 1 DATA CLOSET REMODEL

LA Kersh Architects produced a design for a data closet remodel in Building 1 and bid proposals for the work will be requested from interested contractors. Contact Dave Smith, 3433.

#### BUILDING 2 REMODEL

The architects and engineers continue work on project construction documents. Northwest Information Services has begun work to design the remodel of the data center. Contact David Amundson, 3455.

#### BUILDING 4 REMODEL

A focus is on exploring the total replacement and relocation of the heating, ventilation and air conditioning system. Contact Todd Smith, 5132.

#### BUILDING 5 REMODEL/ADDITION

A focus is on exploring the total replacement and relocation of the heating, ventilation and air conditioning system. Contact Todd Smith, 5132.

#### BUILDING 6 PERFORMING ARTS ELEVATOR & DANCE STUDIO

The architect is moving into the construction document phase. Contact Todd Smith, 5132.

#### BUILDING 10, RTEC, RECYCLE CENTER, SPECIALIZED SUPPORT SERVICES

A master plan of the covered area between buildings 9 and 10, and the first floor of building 11 is complete. The project has moved into the schematic design phase and project managers continue cost estimating of the master plan. Contact Todd Smith, 5132.

#### BUILDING 18 GREEN PLUS

This project is on hold pending review. Lane Community College has collaborated with U of O to perform a campus wide study of building locations and future expansions. For further information, contact Mark Richardson, 3456

#### BUILDING 19 BUSINESS FACULTY OFFICES

Review of the architectural drawings by the users continues. Construction is expected to begin during the summer 2010. Contact David Amundson, 3455.

#### BUILDING 19 FOUNDATION

Construction of the Foundation office has entered into the second phase. Construction started in the new location of the Foundation a month ago with an expected completion of mid-January. Interior painting contractors are painting the office with an expected completion date of December 21. Carpet installation for phase two is scheduled for the first week in January 2010. Contact Mark Richardson, 3456.

#### CENTER BUILDING REROOF

All punch list items have been completed and another Carlisle inspection concluded satisfactorily this week. The final building inspection for this project is pending. Contact Angela Fazio, 3428.

#### DOWNTOWN CAMPUS BUILDING

Ten proposals were submitted from architectural firms in response to the Request for Proposals. The selection committee will score them and decide which firms to interview

before making a recommendation. Meanwhile, the downtown campus building leads met to continue the space programming work. Gerding Edlen has met with President Spilde, college administrators and representatives of the city to discuss the primary criteria for the project. GE has also started collecting information about the site. Contact Bob Mention, 5747.

#### FLORENCE CENTER/SCIENCE LAB ADDITION

The Florence Campus construction completes in three separate phases. Floor covering installation expected on December 17 and will be ready for classroom furnishings by December 21. The roofing project is complete. Final inspection by the architect will take place during the next construction meeting. Siding removal and installation has proven to be a challenge in some areas of the building because of dry rot found during the removal. The architect inspected the areas and made a repair recommendation to remove the infected areas before new siding is installed. Contact Mark Richardson, 3456.

#### TRACK AND SOCCER BOWL UPGRADES

The track and soccer bowl project progresses in the design development phase. Contact Todd Smith, 5132.

#### DEFERRED MAINTENANCE PROJECTS

##### PROJECT 446 SECURITY LIGHTING UPGRADES

The installation of fixtures in the parking lots is complete. The fixtures have been replaced in all but one location in parking lot B. Two additional fixtures remain to be installed by the service road north of the theatre. FMP electricians will continue work to replace the light fixtures on the outside of buildings through fall and winter terms as time allows. Contact Dave Smith, 3433.

##### PROJECT 447 CARPET REPLACEMENT/FLOOR COVERING

Building 19 carpet replacement in the second level hallway, 200K, is complete. Building 19 hard flooring replacement in the storage hallway, room 107, is scheduled for December 14-18. Replacement of flooring in the restroom of building 44 at Flight Technology is in-progress, and carpet replacement is scheduled for December 14-18. Contact Angela Fazio, 3428.

##### PROJECT 448 KEYLESS ACCESS

The contractor, Allied Fire & Security, is currently installing door hardware on buildings 7 and 11 and when finished the next buildings for hardware installations are buildings 13, Public Safety and 2, Business/IT. To date, installation of hardware on buildings 7, 8, 9, and 12 have been completed; though some procedural and hardware/electronic issues remain slowing the implementation of keyless access on these buildings. The remaining buildings will be commissioned through winter and spring terms. The keyless access user group is evaluating CCTV cameras for use on campus. FMP electricians will be concentrating on the keyless access system over the next several months. Contact Dave Smith, 3433.

##### PROJECT 449 ASBESTOS ABATEMENT

A deferred maintenance crew is working on the installation of new PVC insulation covers for Victaulic fittings in the tunnel system between buildings 4 and 7. Remaining tunnel work is 15 percent complete. Contact Angela Fazio, 3428.

#### PROJECT 450 FIRE ALARM/MASS COMMUNICATION SYSTEM

The fire alarm contractor, SecureCom, has been contracted to update and replace the fire alarm system at the Florence campus. This work will be done in time for the beginning of winter term. SecureCom has transitioned to a day shift to install the remainder of the fire alarm systems on the campus. Pretesting has been done in two buildings. The final testing of the fire alarm systems will be conducted in the presence of the Oregon State Fire Marshall during the first week of winter break, December 14-18 to minimize impact of this work on faculty, staff, and students. If necessary, additional testing will occur during the week of December 29 or during spring term break. The FMP electricians are substantially complete with the infrastructure wiring and conduit rough-in. All buildings are currently protected, and will continue to be, by existing fire alarm systems. Contact Dave Smith, 3433.

#### PROJECT 451 UTILITY SUBMETERING

Final mechanical inspections have been completed. Final electrical inspection is pending. Replacement of the hot water main valves is scheduled for December 18. This will complete the replacement of 40+ year old domestic cold and hot water isolation valves in the tunnels. Contact Angela Fazio, 3428.

#### PROJECT 452 ELECTRICAL UPGRADES

Fifty-five old and obsolete panels were identified as requiring replacement. Panels have been replaced in several building on campus. The last campus building in which panels will be replaced is building 11. FMP electricians are performing the work and are scheduled to complete during December 21-23. Contact Dave Smith, 3433.

#### PROJECT 454 BUILDINGS 4 AND 5 REROOF

A Carlisle re-inspection of punch list items was completed satisfactorily. The cosmetic issues found on the skylight between buildings 4 and 5 will be corrected December 14-15. Contact Angela Fazio, 3428.

#### PROJECT 458 AMTF IMPROVEMENTS

Final commissioning reports will be submitted for the paint booth project in building 12. The rebar and concrete pour for the booth at the AMTF was completed, as planned, during the week of December 7. Utility rough-in to the booth is complete and Rohner is scheduled to erect the booth December 14-23. Construction of the parts storage and housekeeping supply rooms in building 46 is now complete. Contact Angela Fazio, 3428.

#### OTHER FACILITIES PROJECTS

##### HEALTH & WELLNESS BUILDING

Framing for the interior walls is proceeding on the second floor. Placement of insulation panels on the exterior walls is near completion. Fire protection, rough-in plumbing and electrical, and HVAC duct work are proceeding on the second floor as well. Membrane of the roof is 97 percent complete. Installation of windows and floor grinding/polishing is to begin during the week of December 14. Expect noise from construction activities initially, but expect nothing out of the ordinary through the end of next week. Project completion is expected August 2010. Contact Brian McMurray, 5829.

##### NATIVE AMERICAN LONGHOUSE

The fire protection contractor is preparing design drawings for the Fire Marshall's approval. Bids were received for HVAC work during the week of December 7; award of the contract is expected by December 22. Work has begun on 'mockup' for interior cedar planking. Project completion is expected May 1, 2010. Contact Brian McMurray, 5829.

#### RTS PARKING LOT EXPANSION

The storm water treatment system for this project was installed the week of December 7. Work is pending the final cover and topsoil for when better weather conditions are predicted. Installation of the curb, wheel stops and striping is scheduled during the winter break. Contact Angela Fazio, 3428.

#### SOLAR LAB STATION

A possible location has been selected for the solar lab station. On Tuesday, December 15 the user group will review a schematic design before presenting the information to ASA and FMP for final approval. The area selected for consideration is on top the lower section roof of building 16. This area gives best access for students and has the potential for expansion. Construction of this project could begin as early as February 2010. Contact Mark Richardson, 3456.
