PARKING LOTS FILL AGAIN

Facilities Director Dave Willis said main campus parking lots filled by 11 a.m. Monday, including overflow areas. Employees and students are encouraged to consider transportation alternatives and follow these tips:

* Take the bus. Find out about the LCC Bus Pass online at:

www.lanecc.edu/facilities/transportation/lccbuspass.html

* Carpool. Register through LTD's Point-to-Point service online at:

www.point2pointsolutions.org

* Ride your bike. A bike route map and information are online at:

www.lanecc.edu/facilities/transportation

Submitted by the editor.

GROUP BUS PASS FOR WINTER TERM

Students or staff taking a credit class on main campus or at the DTC are eligible for a LCC bus pass good for the entire term. Photos for bus pass ID cards will be taken in building 19, room 117, on January 4-6, 8 a.m.-4 p.m. and January 7, 8 a.m.-noon.

Stickers for winter term will be available beginning January 12 at the Titan Store return window or at the Downtown Center. See www.ltd.org for more transportation options.

Contact: Susan Tatar, 5727.

ALVARADO, COLEMAN AND DUEMLER WIN FACULTY AWARDS

During the academic year, Lane Community College recognizes faculty who make outstanding contributions to the quality of academic life on the campus. Three Faculty Recognition Awards were presented fall term.

* Jessica Alvarado works in Counseling and Advising with students preparing for careers in nursing and health professions. She was cited for developing several innovations that increase access for students and simplify processes for program coordinators. She has "demonstrated leadership and a commitment to students," "exceptional attention to detail," and more, said nominators.

* Liz Coleman coordinates Lane's tutoring program. One student wrote, "Before taking Liz's class I was at the point of do or die. If LCC could not help me change, I was lost forever and had serious thoughts of just giving up. I had not told anyone about my life, especially Liz, yet somehow she connected with my needing help and she not only reached out, she never let go! (She) showed me through her teachings that there is a chance for someone, even like myself."

* David Duemler was commended for his mastery of psychology, his love of teaching, and for his flexibility and down to earth attitude. "Thinking about how far I've come as a student and as a person while I've been in his classes is unbelievable," wrote one student. "His class started out just being three elective credits to me and now I have changed my major to psychology."

See photos and more information at www.lanecc.edu/mpr/success/story56.htm

Find out more about Faculty Recognition Awards at www.lanecc.edu/fpd/grants/fra or contact Larry Scott at scotttl@lanecc.edu or 5458.

GRANT PROJECT TO SERVE VETERAN STUDENTS

Lane's Integration of Veterans in Education (LIVE) is a two-year grant funded through the American Council on Education and the Wal-Mart Foundation. Directed by Michael Samano, the project is designed to improve student veteran engagement, learning and satisfaction by increasing the number of student veterans enrolling in and successfully completing a comprehensive, integrated First Year Experience (FYE). LIVE will develop a holistic approach to student learning by strengthening and integrating co-curricular activities (e.g., orientation, advising, tutoring, peer mentoring, supplemental instruction) with curricular activities. Once this LIVE FYE has been systematically assessed, those results will be used to improve and sustain Lane's services to student veterans. For information contact Michael in the LIVE office in building 1, room 215, at ext. 5186. Submitted by Nancy Hart, 3010.

VA VETERAN SERVICE OFFICER HAS OFFICE HOURS AT LANE

Please welcome Jim Fitzpatrick, a campus Veteran Service Officer (VSO) from the Oregon Department of Veterans Affairs. Recent legislation has funded this and similar outreach positions to support veterans and their families/survivors attending colleges throughout Oregon, assisting them in obtaining various veterans benefits entitled to them (healthcare, compensation claims, VA home loans, etc.). He will be dividing his time between Lane, the UO, and Umpqua and Southwestern community colleges.

Students, staff and faculty still need to contact Ellen Jones in the VA Educational Benefits Office at 5663 for information regarding VA educational benefits issues.

Jim will have office hours at Lane's main campus on Tuesdays and Thursdays in building 1, room 215, the location of our new LIVE Grant Project (Lane's Integration of Veterans in Education, led by Project Director Michael Samano).

Jim's contact information is: fitzpaj@odva.state.or.us and 503-559-3423. Submitted by Nancy Hart, 3010.

ANNOUNCEMENTS

COUNSELING HOURS EXTENDED THIS WEEK

The Counseling office is extending hours the first week of the term as follows: Tuesday, January 5, 8 a.m. - 6:30 p.m.; Wednesday, January 6, 8 a.m. - 5 p.m.; Thursday, January 7, 8 a.m. - 4 p.m.; and Friday, January 8, 8 a.m. - 5 p.m. Submitted by Jerry de Leon, 5870.

LIBRARY OPEN HOUSES

The LCC Library will host two open houses in the Library Classroom during January to introduce new and returning students, faculty and staff to Library services and resources. The Open Houses will provide opportunities to learn about new research databases, streaming video, reference services, and other great resources to enhance teaching and learning at Lane. Join us for demonstrations, book displays, and raffle prizes!

* Student Open House --Wednesday January 13, 3-5 PM: Students can learn about Google Docs, the Library catalog, new research databases, chat reference, subject guides, and easy citation tools

* Faculty Open House – Wednesday, January 20, 3-6 PM: Faculty can learn about streaming video, Google Docs, new databases, services for faculty, and subject guides. The LCC Library is located on the second floor of Center Building across from the Titan Store. Looking forward to seeing you in the Library! Submitted by Claire Dannenbaum, Librarian, dannenbaumc@lanecc.edu

TIME TO DIAL 541 AREA CODE

Beginning January 10, all telephone customers with a 541 area code must dial area code + telephone number for all local calls. Local calls will be 541-xxx-xxxx. If you are calling long distance, it will be 1 + area code + xxx-xxxx. This will not affect 4-digit dialing within our campuses. Make sure that you reprogram speed dials on your office phones, fax machines, and your wireless devices.

You may start using the 10-digit dialing anytime before January 10, 2010 if you wish. All systems have been reprogrammed to access the change already.

They will start assigning a new area code (458) with new telephone numbers that are requested starting in February 2010. This will not affect Lane Community College due the fact that we have a block of unused phone numbers that are already assigned the 541 area code. If you have questions, please call Virginia at 5565.

HOW TO PAY FOR COLLEGE...IN ONE DAY!

How To Pay For College...In One Day! will be held Saturday, January 30, from 8:30 a.m. to 3:30 p.m., Center for Meeting and Learning, Building 19.

This is a free event to help students and parents complete the federal aid application process and access scholarship resources to fund their college education and reach their educational goals. The event features the 11th Annual Lane Community College Scholarship Workshops, plus the state's annual College Goal Oregon workshop held at Lane and 14 other sites. Last year, Lane's event attracted more than 400 participants. Participants will learn strategies for scholarship research and writing effective applications, as well as specific information about Oregon Student Assistance

Commission, Ford Family Foundation, and Lane Community College Foundation scholarships. A workshop will be offered in Spanish. Financial aid professionals will help students and parents complete the federal financial aid (FAFSA) paperwork and online application process. Participants should bring their 2009 tax information and financial records, and a brown bag lunch.

Students can register through Lane's online ExpressLane service at lanecc.edu and use CRN (32142). Others can register by calling LCC Continuing Education at 541-463-5252. Additional information is available online at lanecc.edu/ces/events.htm Contact: Jackie Bryson, 5164.

LEARNING GARDEN EVENTS

It's going to be a fun and exciting year in the Learning Garden. This term's events include a film series and herb cooking seminar. Every Friday, starting this week, join us in the garden from 2-4 p.m. for a work party. Our first meeting of the term is next Monday at 4 p.m. in building 1, room 212. We will meet every Monday at 4 p.m. throughout the term. Next Monday we will have a garden tour at noon. If you'd like to visit the garden and learn about what we do and how we work towards sustainability, meet us in the cafeteria at the Learning Garden table. You can find posters for our events and sign up for our mailing list at the Learning Garden table in the cafeteria. For more information, e-mail learninggarden@lanecc.edu.

BENEFIT CONCERT FOR TRANSITIONS

A benefit concert for the Lane Community College Women in Transitions Program will be held Sunday, February 7, at 3:00 p.m., Performance Hall, Building 6. Featuring Soromundi: Lesbian Chorus of Eugene, and In Accord. Join us for an eclectic afternoon of choral music, featuring everything from old standards to contemporary arrangements. We will have music for every ear! All proceeds go to the Women in Transitions Program. Tickets \$10.00 general public \$8.00 seniors/student. For information call 541-463-5202. Tickets available at www.lanecc.edu/tickets. Contact: Barbara Delansky.

RESTRICTIONS ON POLITICAL CAMPAIGNING BY PUBLIC EMPLOYEES

The restrictions imposed by law of the State of Oregon on your political activities are that "No public employee shall solicit any money, influence, service or other thing of value or otherwise promote or oppose any political committee or promote or oppose the nomination or election of a candidate, the gathering of signatures on an initiative, referendum or recall petition, the adoption of a measure or the recall of a public office holder while on the job during working hours. However, this section does not restrict the right of a public employee to express personal political views." (ORS 260.432) Revised February 2008, Secretary of State, Elections Division. Contact: Joan Aschim, 5591.

TRAININGS

T2T: INTRODUCTION TO DEVELOPING AN ONLINE OR HYBRID COURSE

Mondays, Jan 4 - Mar 8, 3-5 p.m., ATC building 19/room 249, Instructor: Vicky Kirkpatrick. Ten week hybrid class will give you an overview of things you need to know about teaching an online or hybrid course. Topics include: getting started, setting up your structure, alignment of key components, tools in Moodle, and designing for quality. Meet in the classroom on Mondays 3-5 p.m. combined with online time for this 2 credit

course (pass/no pass or audit only). Registration is required as space is limited. Class fee is waived for Lane instructors. To register please send an email to ATC@lanecc.edu or call 463-3377. For more information contact Vicky Kirkpatrick at kirkpatrickv@lanecc.edu or 463-5400.

T2T: MULTIMEDIA AND INTERACTIVE TOOLS FOR ONLINE INSTRUCTION

Fridays, Jan 8 - Feb 5, 1-3 p.m., ATC building 19/room 249, Coronado and Keene-Wilson. Five week hybrid class Topics: Intro to media for the web, Promoting student interactivity with SoftChalk, Audiocasting for your courses, Creating and editing video. Meet in the classroom on Fridays 1-3 p.m. combined with online time for this 1 credit course (pass/no pass or audit only). Registration is required as space is limited. Class fee is waived for Lane instructors. To register please send an email to ATC@lanecc.edu or call 463-3377. For more information contact Meredith Keene-Wilson at keene-wilsonm@lanecc.edu or call 463-3022.

WELLNESS EVENTS AND CLASSES

*New Winter term classes start next week: Come Alive After 5, Corporate Weight Loss Challenge, Journaling, Pilates for Beginners, Stretching Class, Weights Wake-Up Call, and more. For details regarding Winter classes, visit

<http://www.lanecc.edu/wellness/wellnessclasses.htm>.

* Breathe easier by attending the "Perfect Breathing" Seminar with Al Lee on Thursday, January 14 from 2 - 3 p.m. in the CML, Room 214. All are welcome to attend.

*The Employee Health & Wellness Fair is Wednesday, January 27, 2010, from 9:00 am - 2:00 pm. in the Center for Meeting and Learning, Rooms 103 and 104. Enjoy a massage, fine food, and information from a variety of health and wellness professionals. Stay tuned to the Wellness website for more information.

Contact: Wendy Simmons, 5551 and Layne King, 5263.

COLLEGE CLOSED for Dr. Martin Luther King Jr. Day, Monday, January 18. See the academic calendar at <http://lanecc.edu/calendars/academic.html> See community MLK event information under "Announcements" below.

NEWS

NEW IT-IS MANAGER NAMED

The IT department recently completed the process of filling the internal posting for the Infrastructure Services manager (interim). Thad Cowdin was selected as the top candidate and has accepted my offer to serve in this position for 2010. Thad has served as a network administrator in the IT department for 15 years and brings a wealth of knowledge to the position. I'm sure Thad will do a great job in working with me to provide leadership for the department. His experience in both computer networks and infrastructure projects will also be valuable in the upcoming bond projects. Please join me in welcoming Thad to this new role. Submitted by Todd Lutz, CIO.

FOUNDATION DEBUTS ONLINE SCHOLARSHIPS

The Lane Community College Foundation has gone to an online scholarship application process called STARS Online. Based on the answers students provide on their web application, they will see a listing of recommended scholarships that they are most likely

to qualify for. Please direct students to the Foundation's website for application instructions and the link to STARS Online. Additional information is available online at: <http://www.lanecc.edu/foundation/scholarshipopps.htm> Last year, the Foundation awarded more than \$673,000 last year in scholarships.

WE CARE CAMPAIGN FINAL UPDATE

The 2009-10 Employee Campaign finished with an amazing 10 percent increase over last year. Three-hundred-twenty staff contributed \$108,526. Of that, \$79,000 was directed to our Foundation and \$29,526 to United Way.

It is never too late to give. You can direct your contributions to the Foundation or United Way at any time during the year; donations are always welcomed. Most employees use employee payroll deduction to pay for their pledges throughout the year and find this method to be an easy way to donate. The We Care Committee would like to extend a heartfelt thank you to everyone who participated this year. It has been a challenging time for many, but we stepped up to the challenge and exceeded expectations. Submitted by Patty Parks.

ANNOUNCEMENTS

DR. MARTIN LUTHER KING JR. COMMUNITY CELEBRATION

The Dr. Martin Luther King Jr. Day community celebration will be Monday, January 18. The MLK March takes place that afternoon, beginning at the Moshofsky Center and ending at the Hult Center. A reception will be held in the Hult Center lobby from 4:30-5:30 p.m. At 6 p.m. in the Silva Hall, the keynote address, "Putting the 'Unity' Back in 'Community,'" will be given by damali ayo, author of "How to Rent a Negro" and "I Can Fix Racism." The evening program also includes John Gainer and the Civil Rights Community Choir, and the annual awards ceremony.

Event organizers say keynoter damali ayo "brings a unique style of playful humor and piercing honesty to the conversation about race and human relationships. She uses art, wit and satire to expose the remedial state of race relations ... damali's passion for smart comedy takes center stage in her presentations, lectures and even in her teaching style. Influenced by comedy greats such as Dick Gregory, Mort Sahl, Lenny Bruce, and even a little Eddy Murphy, damali makes the hard issues easier through her standup/smackdown style that leaves audiences with their attention heightened, hearts open, and minds awake." The MLK events are an annual tradition of the NAACP Eugene/Springfield Chapter Contact: Donna Koechig.

LANE ATHLETES JOIN THE I CAN, ONE CAN FOOD DRIVE

Lane Athletes will be collecting food starting January 18 and ending with the exciting Jam the Gym Basketball event Saturday January 23. Come out and watch the games and bring a can of food. Collection barrels will be available in the Gym and Cafeteria that week. Remember there are also collection boxes around campus. The food goes to Food For Lane County for food boxes and meal sites. Tell your friends. Donate one can of non-perishable food a month to Lane's ongoing food drive. For some people getting a food box makes a difference in being able to buy needed medication or to pay a heating bill. Many food box recipients are the working however still unable to meet basic needs. Look for a box near you or call for a location, 5395 or 912-2228. Submitted by Beverly Farfan, farfanb@lanecc.edu

MARTIN LUTHER KING JR. DAY OF SERVICE FOR HABITAT FOR HUMANITY

Lane students, staff, family, and friends are invited to help Habitat for Humanity on Monday, January 18 from 9 a.m. to 3 p.m. You may work a full or half day. We will help them get ready to open their new Restore. For more information contact Beverly Farfan, 541-463-5395 or farfanb@lanecc.edu

BLOODMOBILE COMING TO CAMPUS

http://showlane.lanecc.edu/wv3/wv3_servlet/urd/run/wv_event.EventDetail?evid=102870;dates=1

Tuesday and Wednesday, January 19-20. Contact: Vicki Doughty.

CLASSICAL INDIAN DANCE COMPANY: RAGAMALA

Ragamala Music and Dance Theater will present Sva (Vital Force) on Tuesday, January 19, at 7 p.m. in the Lane Performance Hall. Tickets are \$15 (general), \$7 (students), and available at tickets.uoregon.edu or 541-346-4363. The performance includes three works that unfold the beauty, elegance, and driving rhythmic complexities of Bharatanatyam, a classical dance form from Southern India. With the taiko drumming group Wadaiko Ensemble TOKARA of Nagano, Japan, the work explores the spiritual kinships between Indian and Japanese traditions. For more information contact John Watson at 5161.

OREGON JAZZ FESTIVAL FEATURES GUEST ARTIST THOMAS MARRIOTT

<http://lanecc.edu/mpr/news/rel01218.htm>

The annual Oregon Jazz Festival will be Friday and Saturday, January 22-23, at the University of Oregon (student performances and clinics) and Lane Community College (evening concerts). Sponsored by Lane and the UO School of Music and Dance, the festival includes special guest artist Thomas Marriott and The Thomas Marriot Quintet who take the LCC main stage Saturday, January 23 at 7:30 p.m. Marriot is a Seattle trumpeter and Origin Records recording artist. Contact: John Watson, 5161.

ARTstor DEMONSTRATION AND TRAINING

ARTstor is a database of one million+ images used for presenting images in art history and many other disciplines. A workshop to demonstrate and train faculty on using ARTstor will be offered on January 22, Friday, 10-11:30 am, in the Library Classroom. ARTstor has images in collections in a variety of topics such as Art History, African-American Studies, American Studies, Asian Studies, History, Literary Studies, Music History, Photography, and much more. The Art Department is sponsoring a workshop to introduce faculty to the various ARTstor functions, such as Searching, Browsing, Viewing, and Downloading images, as well as how to create and use Image Groups, Shared Folders, Personal Collections, and Offline Image Viewing. To reserve a spot in the workshop, contact Elizabeth Uhlig, Art and Applied Design, 5409 or by email at uhlige@lanecc.edu

JAM THE GYM

The Lane Athletic Department invites everyone to be a part of "Jam The Gym" night, sponsored by Bi-Mart, on Saturday, January 23 at the Titan Gymnasium (building 5). The first 500 fans in attendance will receive a free T-shirt. The evening will feature our men's and women's basketball teams in a double-header against Clackamas Community College. The women's team will kick things off at 4 p.m. and will be followed by the men's game at 6 p.m. Admission is free to everyone. In addition, we encourage all fans

to bring a canned food item to help us support Food For Lane County. Items will be collected at the gate. Contact: Brent Ellison.

HOW TO PAY FOR COLLEGE...IN ONE DAY!

How To Pay For College...In One Day! will be held Saturday, January 30, from 8:30 a.m. to 3:30 p.m., Center for Meeting and Learning, Building 19. This is a free event to help students and parents complete the federal aid application process and access scholarship resources to fund their college education and reach their educational goals. The event features the 11th Annual Lane Community College Scholarship Workshops, plus the state's annual College Goal Oregon workshop held at Lane and 14 other sites. Participants will learn strategies for scholarship research and writing effective applications, as well as specific information about Oregon Student Assistance Commission, Ford Family Foundation, and Lane Community College Foundation scholarships. A workshop will be offered in Spanish. Financial aid professionals will help students and parents complete the federal financial aid (FAFSA) paperwork and online application process. Participants should bring their 2009 tax information and financial records, and a brown bag lunch. Students can register through Lane's online ExpressLane service at lanecc.edu and use CRN (32142). Others can register by calling LCC Continuing Education at 541-463-5252. Additional information is available online at lanecc.edu/ces/events.htm Contact: Jackie Bryson, 5164.

MAIL SERVICES CLOSED FRIDAYS

Effective January 15, Mail/Warehouse Services will be closed on Fridays until further notice. There will be no service of any kind during this period. Question or concerns? Contact David Macon at 5575.

STUDENT SUCCESS AND RETENTION CONFERENCE

"Understanding our New and Diverse Students" is the theme for the student success and retention conference set for February 4-5 in Portland. The event is sponsored by the Joint Boards Articulation Commission, Oregon Department of Community Colleges and Workforce Development, the Oregon University System, and Oregon community colleges. Get the details online at <http://www.socc.edu/cssa/pqs/conferences/student-success-conference-2010.shtml> Submitted by Donna Koechig.

HELP DISABILITY RESOURCES KEEP CHAIRS AND TABLES IN PLACE

Disability Resources provided chairs and tables are accommodations placed in specific rooms for specific students. These chairs and tables are not to be removed by students, faculty, or any other LCC employee except the responsible Facilities Management staff. Students who have furniture accommodations must request the furniture each term, so that DR knows where the furniture is needed. There is a great deal of effort by Facilities Management and Disability Resources to get the appropriate furniture to the requesting students in a timely manner. So, if an adjustable table, ergonomic or padded chair appears in your classroom, do not remove it, and please don't move it within the classroom. Students who have furniture accommodations have a Letter of Accommodation (LOA) which identifies them as the student who is to use the chair/table. If there are more students with LOAs identifying them as needing furniture accommodations than there are chairs in the room, have the students come to DR and speak with Cathie. If you have questions, contact Cathie Reschke at 5079, or Disability Resources at 5150.

PLEASE DELIVER DISABILITY RESOURCES ENVELOPES

Because Mail Services cannot guarantee delivery of intercampus mail by a particular date, please do not send red Disability Resources Test Accommodation envelopes through intercampus mail. Doing so could render Disability Resources unable to provide test accommodations in a timely manner. Contact: Cathie Reschke at 5079, or Disability Resources at 5150.

FACULTY PROFESSIONAL DEVELOPMENT EXPANDS GUIDELINES

Faculty Professional Development has expanded the guidelines for Discipline Contact Grants. All disciplines may receive up to \$500/year to spend on current thinking about that discipline and/or teaching in that discipline. This funding can be used for professional memberships, journal subscriptions, and books. More information and application guidelines are online at:

<http://lanecc.edu/fpd/grants/discipcontactgrants.html> or contact FPD Coordinator, Adrienne Mitchell at mitchella@lanecc.edu

THANKS

A big thank you to Bette Dorris (Student Life) , Marci Parker (Women's Center) and the Titan Store staff for helping Lane student families have a brighter holiday season. The Titan Store raffle was a huge success, so thanks also go out to everyone who bought tickets. Your generosity touched many lives in December. Contact: Jill Bradley, Women's Center.

ART BY E-MAIL

The Department of Music, Dance and Theatre Arts is still adding names to its mailing list! If you would like your name to be added, and receive notice of upcoming performances and concerts, please respond via e-mail to: John Watson, MDTA Marketing and House Manager, watsonj@lanecc.edu Thanks for supporting your Performing Arts at Lane!

REMEMBER TO DIAL 541 AREA CODE

Beginning January 10, all telephone customers with a 541 area code must dial area code + telephone number for all local calls. Local calls will be 541-xxx-xxxx. If you are calling long distance, it will be 1 + area code + xxx-xxxx. This will not affect 4-digit dialing within our campuses. Make sure that you reprogram speed dials on your office phones, fax machines, and your wireless devices.

You may start using the 10-digit dialing anytime before January 10, 2010 if you wish. All systems have been reprogrammed to access the change already.

They will start assigning a new area code (458) with new telephone numbers that are requested starting in February 2010. This will not affect Lane Community College due the fact that we have a block of unused phone numbers that are already assigned the 541 area code. If you have questions, please call Virginia at 5565.``

----- FACILITIES UPDATES

----- BOND UPDATES

For more information about bond projects, contact Bob Mention, 5747 or Todd Smith, 5132.

BUILDING 2 REMODEL

Construction documents submitted December 18 are being reviewed. Contact David Amundson, 3455.

BUILDING 4 REMODEL AND BUILDING 5 REMODEL/ADDITION

Design documents have been completed and the projects are now moving into the construction document phase. The construction documents are expected to take a few months to complete and actual construction activities should begin by summer. Construction coordinators are now working with building 4 occupants to determine a location for temporary office space to use during the remodeling phase. Contact Mark Richardson, 3456.

BUILDING 6 PERFORMANCE HALL ELEVATOR AND REMODEL

Construction documents were submitted on December 18 and are being reviewed. Contact David Amundson, 3455.

BUILDING 19 BUSINESS DEPARTMENT OFFICES REMODEL

Construction documents are being reviewed. Contact David Amundson, 3455.

BUILDING 19 FOUNDATION

Foundation office construction is complete. Office furniture is expected to be delivered the week of January 25 and will be installed by FMP carpenters and electricians. Foundation office staff should find their space furnished and occupancy allowed by the first week of February 2010. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS BUILDING

Development of the downtown campus building project will proceed in three phases: Phase 1, Feasibility Report; Phase 2, Design and Contract documents; and Phase 3, Construction and Move-in. The Phase 1 – Feasibility Report has just begun. Gerding Edlen, a project management firm, has been hired to work with the college to prepare the report. In summary, the Feasibility Report will assemble a project budget, identify the occupants of the building, and prepare a concept level building design that is affordable. Occupants include all of the college instructional and service units that are currently offered in the Downtown Center and the Wildish Building plus some elements of the Energy Management program. Other potential tenants such as student housing, city agencies and/or commercial ventures are being investigated. The Feasibility Report is scheduled to be completed sometime in March. Contact Bob Mention, 5747.

FLORENCE CENTER REMODEL AND SCIENCE LAB ADDITION

The remodel project has reached substantial completion and the new science addition is now being used as a classroom. FMP electricians installed most data outlets on January 7 and expect to finish early during the week of January 11. Also scheduled this week is the installation of AV equipment. Two other items added to the project were roof and new siding installation. Both tasks have been completed and now the building is ready for a new coat of paint. Contact Mark Richardson, 3456.

SOLAR LAB STATION

The conceptual designs are complete and have been submitted by architects and are now in review by FMP and program staff. This project is being developed and set up as an interactive project for hands on instruction for students and discussions are currently underway with the welding shop to have welding program students complete the steel stair construction. Contact Mark Richardson, 3456.

DEFERRED MAINTENANCE PROJECTS—

PROJECT 446 EXTERIOR LIGHTING

The installation of fixtures in the parking lots is almost complete. The fixtures have been replaced in all but two locations in parking Lot M and one location in B. This latter location is obscured by tree branches such that it is inaccessible. FMP electricians will relocate the previously placed fixture pole at a later date. One additional fixture remains to be installed by the service road north of the theatre. FMP electricians are concentrating on replacing the light fixtures on the outside of buildings for completion by the end of February 2010. Contact Dave Smith, 3433.

PROJECT 447 CARPET REPLACEMENT AND FLOOR COVERING INSTALLATION

Building 19 hard flooring installation in the storage hallway, room 107 has been completed. Flight Technology, building 44, restroom flooring and carpet replacement is also complete. Contact Angela Fazio, 3428.

PROJECT 448 KEYLESS ACCESS

The contractor, Allied Fire & Security, is currently installing door hardware on Building 7. After work is completed on 7, the next buildings are 6, 16, 19 and Center. Hardware installations on buildings 8, 9, 12, 15, 4, and 13 have been completed to date, though some procedural and hardware/electronic issues remain on these buildings. The remainder of the buildings will be commissioned through winter and spring terms. FMP electricians will be concentrating on the keyless access system over the next several months. Contact Dave Smith, 3433.

PROJECT 449 ASBESTOS ABATEMENT

The deferred maintenance crew is working on installing new PVC insulation covers for Victaulic fittings in tunnel system between buildings 4 and 7. Remaining tunnel work is 15 percent complete. FMP is assessing material and labor needs to complete insulation installation of all mechanical rooms. Contact Angela Fazio, 3428.

PROJECT 450 FIRE ALARM/MASS COMMUNICATION SYSTEM

The fire alarm contractor, SecureCom, is nearly finished with installing the fire alarm system at the Florence center. The upgrade to the main system in Florence is almost finished, but the classroom addition fire alarm system has been completely installed, tested, and approved by the fire marshal for use. On the Eugene main campus, fire alarm testing was completed over the winter break in the presence of the Oregon deputy state fire marshal. All systems passed. There is some additional work on two systems that will require testing at a later date. The FMP electricians are substantially complete with the infrastructure wiring and conduit rough in. All buildings are currently protected, and will continue to be, by existing fire alarm systems. Contact Dave Smith, 3433.

PROJECT 451 UTILITY SUBMETERING

Final mechanical inspections are complete; final electrical inspections will be conducted upon resolution of a third-party certification of monitoring devices. Replacement of hot water main valves was completed over winter break. This completes the replacement of all cold and hot water main isolation valves in the tunnels. Contact Angela Fazio, 3428.

PROJECT 452 ELECTRICAL UPGRADES

Fifty-five old and obsolete panels were identified as requiring replacement. Panels have been replaced in several buildings on campus. The last campus building in which panels were replaced is building 11. Panels were replaced during winter break on December 21, 22, and 23. This project is now complete. Contact Dave Smith, 3433.

PROJECT 454 BUILDINGS 4 AND 5 REROOF

Umpqua Roofing has very minor punch list work awaiting dry weather to complete. Contact Angela Fazio, 3428.

PROJECT 458 AMTF IMPROVEMENTS

Aviation Maintenance Technician program paint booth was erected and dried in. Wall insulation and exterior skin will be installed this week. Rohner will be onsite next week to begin start-up and commissioning of the new unit. Contact Angela Fazio, 3428.

OTHER FACILITIES PROJECTS—

HEALTH & WELLNESS BUILDING

Building wrap is in place and exterior insulation panels are going up. Interior wall framing is underway. Installation of window framing as well as work on installing the elevator has begun. Expect noise from construction activities for the immediate future. Project completion is expected August 2010. Contact Brian McMurray, 5829.

NATIVE AMERICAN LONGHOUSE

The fire protection contractor is preparing drawings for fire marshal approval. The HVAC contractor is on board and making preparations to begin work. Work has begun on mockup for interior cedar planking. Contact Brian McMurray, 5829.

RTS PARKING LOT EXPANSION

The project is delayed awaiting dry weather conditions that will allow for the installation of a curb, wheel stops and striping. Contact Angela Fazio, 3428.

TRAININGS

T2T: MULTIMEDIA AND INTERACTIVE TOOLS FOR ONLINE INSTRUCTION

Fridays, Jan 8 - Feb 5, 1-3 p.m., ATC building 19/room 249, Coronado and Keene-Wilson. Five week hybrid class. TOPICS: Intro to media for the web, Promoting student interactivity with SoftChalk, Audiocasting for your courses, Creating and editing video. Meet in the classroom on Fridays 1-3 p.m. combined with online time for this 1 credit course (pass/no pass or audit only). Registration is required as space is limited. Class fee is waived for Lane instructors. To register please send an email to ATC@lanecc.edu or call 463-3377. For more information contact Meredith Keene-Wilson at keene-wilsonm@lanecc.edu or call 463-3022.

T2T: SOCIAL NETWORKING AND WEB 2.0 TOOLS FOR ONLINE INSTRUCTION, ATC bldg 19/room 249

Fridays Feb 12 - Mar 12, 1-3 pm, Coronado and Keene-Wilson, ATC building 19/room 249. Five week hybrid class TOPICS: New and emerging technologies for online learning, Social networking tools, Google Docs, Blogging, wikis and forums, Screen

capturing, Webcasting, Cool tricks and hot tips. Meet in the classroom on Fridays 1-3 p.m. combined with online time for this 1 credit course (pass/no pass or audit only). Registration is required as space is limited. Class fee is waived for Lane instructors. To register please send an email to ATC@lanecc.edu or call 463-3377. For more information contact Meredith Keene-Wilson at keene-wilsonm@lanecc.edu or call 463-3022.

WELLNESS EVENTS AND CLASSES

*Winter term classes start this week: Circuit Training, Come Alive After 5, Corporate Weight Loss Challenge, Journaling, Stretching Class, Weights Wake-Up Call, and more. For details regarding Winter classes, visit

<http://www.lanecc.edu/wellness/wellnessclasses.htm>.

*Know Your Numbers Health Screening is this Thursday, January 14 from 7 a.m. - 9:30 a.m. in Building 18, Room 105. Contact Layne King for an appointment time.

* Breathe easier by attending "Perfect Breathing" Seminars with Al Lee on Thursday, January 14 from 2 - 3 p.m. in the CML, Room 214 or from 4 - 5:30 p.m. (Introduction) at the DTC, Room 202.

* The Employee Health & Wellness Fair is Wednesday, January 27, 2010, from 9:00 am - 2:00 pm. in the CML, Rooms 103 and 104. Some of the vendors attending include: At Ease Home Care, the BikeLane Coalition, Healing Spirit Body Therapies, Mountain Rose Herbs and Serenity Lane. Stay tuned to the Wellness website for more information.

Contact: Wendy Simmons, 5551 and Layne King, 5263.

25 LIVE EVENT REQUEST TRAINING

Two January training sessions have been scheduled for the new event request system currently in the Lane Events calendar. If you have a need to request rooms or even a motor pool car, this training will go through the steps using the new system. The capability to request event space or a motor pool car is offered to all staff. This is a hands-on class in the lab. Please register for the class by sending an e-mail to bahreta@lanecc.edu to ensure your account is active for the training session. NOTE: 25Live requires Internet Explorer 7, Safari 4.0 or Firefox 3.5.6 for proper functionality. See [http://showlane.lanecc.edu/25live/#details&obj_type=event&obj_id=98576\[12\]](http://showlane.lanecc.edu/25live/#details&obj_type=event&obj_id=98576[12]) for more information about dates and times.

Submitted by Alen Bahret, Information Technology, 3347.

UPCOMING ACADEMIC TECHNOLOGY CENTER WORKSHOPS

Smart Classroom And Smart Cart Operation: Using and troubleshooting classroom audio-visual systems. Registration required: email atc@lanecc.edu

- Jan 15, 3 - 4 p.m., LCC19 232

- Jan 22, 4 - 5 p.m., LCC19 232

Email Success Strategies: Understanding Groupwise, Digitar, Expresslane, and Moodle Email and Messaging Features. Registration required: email atc@lanecc.edu

- Jan 20, 3 - 5 p.m., LCC19 249

- Jan 28, 3 - 5 p.m., LCC19 249

Moodle Introduction: Basic introduction to building and managing courses in the Moodle online course space for new users. Registration required: email atc@lanecc.edu

- Feb 4, 3 - 5 p.m., LCC19 249

Moodle Assignments and Activities: Practice setting up assignments and other kinds of graded and un-graded activities. Registration required: email atc@lanecc.edu

- Feb 11, 3 - 5 p.m., LCC19 249

Moodle Gradebook: Learn how to set up a straight-point or weighted gradebook, enter and manage grade records, and verify and troubleshoot your gradebook. For current Moodle users. Registration required: email atc@lanecc.edu

- Feb 18, 3 - 5 p.m., LCC19 249

Moodle Forums: In this class we will explore the instructional applications of Moodle forums, match the different types of Moodle forums to their instructional uses, and practice setting up different types of forums. For current Moodle users. Registration required: email atc@lanecc.edu

- Feb 25, 3 - 5 p.m., LCC19 249

Moodle Quiz Module: In this workshop you will learn how to: import and create questions, organize question banks, deliver quizzes and tests in Moodle, and arrange for proctored administration of Moodle tests. For current Moodle users. Registration required: email atc@lanecc.edu

- Mar 4, 3 - 5 p.m., LCC19 249

Grade Book & Grade Entry Support: Drop in for help verifying, troubleshooting, importing or exporting Moodle or Excel gradebooks; or for help with Final Grade entry in Expresslane. No registration required.

- Mar 10, 3 - 5 p.m., LCC19 249

- Mar 11, 3 - 5 p.m., LCC19 249

- Mar 17, 3 - 5 p.m., LCC19 249

- Mar 18, 3 - 5 p.m., LCC19 249

Other Topics and Times: As usual, please let us know if you need us to schedule other alternatives, or if you need individual help.

Program Coordinator for Lane's Multi-Cultural Center. Leonard Cirino will read his own
poetry. El Corral Restaurant, Edgewood Plaza, 40th and Donald. (Dinners generally cost
\$10.75 to \$12.95). Submitted by Jerry Ross, CIT.

LOOKING FOR A GOOD DOG? I am fostering a dog through the county shelter that
really needs a permanent home. He was having a very hard time in the shelter, acting
very stressed in the kennels, so nobody was interested in him. The outlook for him was
not good. Suspecting he'd be a different dog in a home environment, LCAS placed him
with us. Sure enough, he's a very nice dog with great indoor manners, and he loves my
kids. He is very smart and eager to be a Good Dog, so training him is a lot of fun. Best

guess is that he's a black lab/border collie mix, weighing in at about 45-50 pounds. Like any dog, he is better suited to some environments than others, and he does need someone who will continue training him on certain behaviors. In particular, he barks at -- but does not attack -- other dogs. Please get in touch to find out more about him: beasleya@lanecc.edu, 541-461-2345 or ext. 3397.

FOR SALE: 2001 Nissan Pathfinder 4X4. Loaded, all leather, sun roof. 108,000 miles. Must sell \$11,000 OBO. Call x 5561. FREE Delta table saw that needs motor replaced - works off and on. Call x 5561. DOGGIE DOOR that fits in sliding glass door track. It's sized for small but dogs approx. 35 pounds can access. Snaps in and out of track easily w/o hardware. \$40 call Ex 5561.

BENEFIT CONCERT for the Women in Transitions Program will be held Sunday, February 7, at 3:00 p.m., Performance Hall, Building 6. Featuring Soromundi: Lesbian Chorus of Eugene, and In Accord. Join us for an eclectic afternoon of choral music, featuring everything from old standards to contemporary arrangements. We will have music for every ear! All proceeds go to the Women in Transitions Program. Tickets \$10.00 general public \$8.00 seniors/student. For information call 541-463-5202. Tickets available at www.lanecc.edu/tickets. Contact: Barbara Delansky.``

PRICE SLASHED! \$2,600 OR BEST OFFER for 89 Chevy 3/4 ton 4x4 manual transmission V8 pickup. 8' bed w/sprayed on liner. Goes by the name "Gus." He's been a great farm truck! Less than 35,000 original miles w/original owner. Have all maintenance records. Clif Trolin. Social Science. 937-3607.``

JAM THE GYM: Lane Athletics invites you to Jam the Gym, Saturday, January 23, building 5 gym. Sponsored by Bi-Mart, the first 500 fans receive a free T-shirt. Our men's and women's basketball teams face off with Clackamas Community College. Women's game at 4 p.m., men's game at 6 p.m. Free admission. Bring a canned food item to help us support Food For Lane County. Items collected at the gate. Contact: Brent Ellison.

ANNOUNCEMENTS

LANE ATHLETES JOIN THE I CAN, ONE CAN FOOD DRIVE

Lane Athletes will be collecting food this week and ending with the exciting Jam the Gym basketball event Saturday, January 23. Come out and watch the men's and women's games and bring a can of food. Collection barrels will be available in the gym, cafeteria, and building 1. Remember there are also collection boxes around campus. The food goes to Food For Lane County for food boxes and meal sites. Tell your friends. Donate one can of non-perishable food a month to Lane's ongoing food drive. For some people getting a food box makes a difference in being able to buy needed medication or to pay a heating bill. Many food box recipients are the working however still unable to meet basic needs. Look for a box near you or call for a location, 541-463-5395 . Submitted by Beverly Farfan, farfanb@lanecc.edu

REMEMBER TO VOTE

Oregon's Special Election is January 26. Ballots have already been mailed. If you have not received your ballot or if you have questions about turning your ballot in, contact Lane County Elections at 541-682-4234. More information, including the official voter guide, is available at www.OregonVotes.org If returning your ballot by mail, mail by this Thursday (January 21). For a complete list of official drop box locations, visit <http://bit.ly/6C6pPz> Contact: Brett Rowlett, Director of Government and Community Relations, 5850.

DROP BOX

An unofficial drop box is located in building 1 on the second floor by the ASLCC Snack Shack. Pick-ups on a regular basis. Last pick up will be Monday, January 25, at 4 p.m. No stamps required. Please vote on this one. Submitted by Bette Dorris, 5365.

OREGON TRANSFER DAYS

The annual informational fair about four-year baccalaureate opportunities for community college students will be Tuesday, January 26, 10 a.m.-1 p.m., cafeteria. Details: <http://lanecc.edu/mpr/news/rel01227.htm> Contact: Deborah Hupcey, Counseling, 5635.

PREVIEW NIGHT FEBRUARY 10

Lane Preview Night, our annual open house for high school students and their families, will be Wednesday, February 10, from 6-8:30 p.m. in the gym, building 5. The event offers an opportunity to visit main campus, learn about academic and career training programs, and get a better feel for what

higher education is all about. It's also a chance to meet faculty and win prizes including bookstore merchandise and tuition certificates. Details at: <http://www.lanecc.edu/es/previewnight.html>

DAVID JOYCE GALLERY FEATURES STILL LIFES BY JOHN HOLDWAY

"Fresh," new still life paintings by John Holdway, will be on exhibit in the David Joyce Gallery in the Center for Meeting and Learning, building 19 second floor, January 29 to April 12. An artist's reception will be Wednesday, February 10 from 5-7 p.m. Contact: Megan Hinkel, 3500.

KATE ALI AND KRISTIE POTWORA "SPRING THAW" OPENS FEBRUARY 1

The Lane Art Gallery presents "Spring Thaw," a two-person show featuring artists and Lane faculty members Kate Ali and Kristie Potwora. Kate teaches sculpture and Kristie teaches printmaking. The exhibition consists of both sculpture and printmaking, along with installation work.

The show runs February 1 through 18 in the gallery, building 11. The artists will discuss their work on February 11 at 3:30 p.m. with a reception immediately following.

When asked about what inspires her printmaking, Kristie stated, "Working with and learning about natural elements and how they relate to each other catapulted me into creating numerous sketches and imagery studies."

Kate's sculpture focuses on the interpersonal dynamics that shape the way we interact with the world and treat one another. She states, "I believe that art has the ability to ask questions and push people to become more self-reflective." For more information call 5409.

NORTHWEST TREATS, TWEETS AND POWWOWS

The Successful Aging Institute presents three free preview presentations highlighting its winter "Boomers and Beyond: Saturday Series" at area activity centers:

- Jan. 28, 1-2 p.m., Willamalane Adult Activity Center
- Feb. 01, 11 a.m.-12 p.m., River Road Park and Recreation District
- Feb. 02, 3-4 p.m., Campbell Community Center

The Saturday Series hands-on classes are specifically created for boomers and beyond, and open to adults of all ages. Each class runs March 6 to 20, from 10 a.m.-12 p.m. and costs \$39. Winter term classes are:

* American Indian Cultures: Then and Now: Celebrate the rich and varied legacy of Native American peoples of our region through presentations and demonstrations.

* Get In Tune with the Classics: Enjoy a live quintet, presenting glorious melodies from selected composers, and discover the world events that influence the composers' work.

* Fun and Easy Online Social Networking: Tweeting, blogging, and YouTube aren't only for the young. Explore the world through interactive social media.

* Flavors of the Northwest: Experience the bounty, distinct tastes, and nuances of foods from our region in this class from the award-winning Culinary Arts department at Lane.

To register for the preview presentations, call any of the community centers. To register for the Saturday series classes, contact Lane's Successful Aging Institute at 541-463-4634 or www.lanecc.edu/sai

HOW TO PAY FOR COLLEGE...IN ONE DAY!

How To Pay For College...In One Day! will be Saturday, January 30, 8:30 a.m.-3:30 p.m., Center for Meeting and Learning, Building 19. This is a free event to help students and parents complete the federal aid application process and access scholarship resources to fund their college education and reach their educational goals. The event features the 11th Annual Lane Community College Scholarship Workshops, plus the state's annual College Goal Oregon workshop held at Lane and 14 other sites. Participants should bring 2009 tax information and financial records, and lunch. Students can register through Lane's online ExpressLane service at lanecc.edu and use CRN (32142). Others can register by calling Continuing Education at 541-463-5252. Details online at lanecc.edu/ces/events.htm Contact: Jackie Bryson, 5164.

MOVE OVER MRS. MARKHAM

Student Productions Association presents this hilarious British farce by Ray Cooney and John Chapman, directed by Chris Pinto, opening February 5 followed by a catered gala. The show continues February 6, 7, 12, 13, 18, 19, and 20. Shows start at 8 p.m., with the Valentine's Day matinee at 2 p.m. Tickets are \$8 for students/seniors/LCC staff, and \$10 for the general public. For more information and reservations call (541) 463-5761. Tickets can also be purchased online at www.lanecc.edu/tickets

CROSS PAPERS FELLOWSHIP 2010-11 NOW OPEN

The League invites proposals for the Cross Papers Fellowship for 2010-2011. Each year the K. Patricia Cross Endowment names a scholar/practitioner of community college teaching and learning as the Cross Papers Fellow. Proposal Deadline: April 30. For more information visit: <http://www.league.org/crosspapersfellow/index.cfm> or contact Tamara Pinkas, Lane's League Rep, 5011.

TRAININGS

ARTstor DEMONSTRATION AND TRAINING: ARTstor is a database of one million+ images used for presenting images in art history and many other disciplines. A workshop to demonstrate and train faculty on using ARTstor will be offered on January 22, Friday, 10-11:30 am, in the Library Classroom. ARTstor has images in collections in a variety of topics such as Art History, African-American Studies, American Studies, Asian Studies, History, Literary Studies, Music History, Photography, and much more. The Art Department is sponsoring a workshop to introduce faculty to the various ARTstor functions, such as Searching, Browsing, Viewing, and Downloading images, as well as how to create and use Image Groups, Shared Folders, Personal Collections, and Offline Image Viewing. To reserve a spot in the workshop, contact Elizabeth Uhlig, Art and Applied Design, 5409 or by email at uhlige@lanecc.edu

T2T: SOCIAL NETWORKING AND WEB 2.0 TOOLS FOR ONLINE INSTRUCTION, ATC bldg 19/room 249
Fridays Feb 12 - Mar 12, 1-3 pm, Coronado and Keene-Wilson, ATC building 19/room 249. Five week hybrid class TOPICS: New and emerging technologies for online learning, Social networking tools, Google Docs, Blogging, wikis and forums, Screen capturing, Webcasting, Cool tricks and hot tips. Meet in the classroom on Fridays 1-3 p.m. combined with online time for this 1 credit course (pass/no pass or audit only). Registration is required as space is limited. Class fee is waived for Lane instructors. To register please send an email to ATC@lanecc.edu or call 3377. For more information contact Meredith Keene-Wilson at keene-wilsonm@lanecc.edu or call 3022.

WELLNESS EVENTS AND CLASSES

* Enjoy the "Teas and Aromatherapy for Better Health" seminar with free samples and Lori Havas this Friday, January 22, from 1:15 - 1:45 p.m. in Building 18, Room 105. Please sign up for this event with Layne King at KingLM@lanecc.edu or 5263.

* It's not too late to join Winter term wellness classes such as More Core After Four Boot Camp, Circuit Training, the Corporate Weight Loss Challenge, Journaling and Weights Wake-Up Call. For details regarding Winter classes, visit <http://www.lanecc.edu/wellness/wellnessclasses.htm>.

* The Employee Health & Wellness Fair is Wednesday, January 27, from 9:00 am - 2:00 pm. in the CML, Rooms 103 and 104. Some of the vendors attending include: At Ease Home Care, the BikeLane Coalition, Healing Spirit Body Therapies, massage therapists and Serenity Lane. Stay tuned to the Wellness website for more information.

Contact: Wendy Simmons, 5551 and Layne King, 5263.

25 LIVE EVENT REQUEST TRAINING

Two training sessions have been scheduled for the new event request system currently in the Lane Events calendar. If you have a need to request rooms or even a motor pool car, this training will go through the steps using the new system. The capability to request event space or a motor pool car is offered to all staff. This is a hands-on class in the lab. Please register for the class by sending an e-mail to bahreta@lanecc.edu to ensure your account is active for the training session. NOTE: 25Live requires Internet Explorer 7, Safari 4.0 or Firefox 3.5.6 for proper functionality. Details at:

[http://showlane.lanecc.edu/25live/#details&obj_type=event&obj_id=98576\[12\]](http://showlane.lanecc.edu/25live/#details&obj_type=event&obj_id=98576[12]) for more information about dates and times.

Contact: Alen Bahret, Information Technology, 3347.

ACADEMIC TECHNOLOGY CENTER WORKSHOPS

Smart Classroom And Smart Cart Operation: Using and troubleshooting classroom audio-visual systems. Registration required: email atc@lanecc.edu

- Jan 22, 4 - 5 p.m., LCC19 232

Email Success Strategies: Understanding Groupwise, Digitar, Expresslane, and Moodle Email and Messaging Features. Registration required: email atc@lanecc.edu

- Jan 20, 3 - 5 p.m., LCC19 249

- Jan 28, 3 - 5 p.m., LCC19 249

Moodle Introduction: Basic introduction to building and managing courses in the Moodle online course space for new users. Registration required: email atc@lanecc.edu

- Feb 4, 3 - 5 p.m., LCC19 249

Moodle Assignments and Activities: Practice setting up assignments and other kinds of graded and un-graded activities. Registration required: email atc@lanecc.edu

- Feb 11, 3 - 5 p.m., LCC19 249

Moodle Gradebook: Learn how to set up a straight-point or weighted gradebook, enter and manage grade records, and verify and troubleshoot your gradebook. For current Moodle users. Registration required: email atc@lanecc.edu

- Feb 18, 3 - 5 p.m., LCC19 249

Moodle Forums: In this class we will explore the instructional applications of Moodle forums, match the different types of Moodle forums to their instructional uses, and practice setting up different types of forums. For current Moodle users. Registration required: email atc@lanecc.edu

- Feb 25, 3 - 5 p.m., LCC19 249

Moodle Quiz Module: In this workshop you will learn how to: import and create questions, organize question banks, deliver quizzes and tests in Moodle, and arrange for proctored administration of Moodle tests. For current Moodle users. Registration required: email atc@lanecc.edu

- Mar 4, 3 - 5 p.m., LCC19 249

Grade Book & Grade Entry Support: Drop in for help verifying, troubleshooting, importing or exporting Moodle or Excel gradebooks; or for help with Final Grade entry in Expresslane. No registration required.

- Mar 10, 3 - 5 p.m., LCC19 249

- Mar 11, 3 - 5 p.m., LCC19 249

- Mar 17, 3 - 5 p.m., LCC19 249

- Mar 18, 3 - 5 p.m., LCC19 249

Other Topics and Times: As usual, please let us know if you need us to schedule other alternatives, or if you need individual help.

KLCC MICROBREW FESTIVAL is looking for volunteers to pour beer or other duties February 12-13 at the fairgrounds. More information and online sign-up page at: <http://www.klcc.org/News.asp?NewsID=156> Submitted by Kris Fox, KLCC, 6020

PET PREPAREDNESS NEEDS VOLUNTEERS: Lane County Animal Services staff and community members will develop preparedness plans for helping animals in the event of a disaster. Volunteers willing to participate in pet preparedness efforts if an emergency strikes are needed. Skills and training appreciated but not required. A kick-off meeting will be held 7-8:30 p.m. on Thursday, January 28, in the Michael Rogers Room of Lane County Mental Health at 2411 Martin Luther King Jr. Blvd., Eugene. Topics include an overview of the community plan, descriptions of the type of volunteer opportunities and training that will be offered to prepare for these roles, and a discussion of things individuals can do right now to prepare their own families and pets for a disaster. There will be time for questions, and the opportunity to sign up as a volunteer. Information is available at

www.lanecounty.org/animals - click on 'Animals in Disaster'. Submitted by Joan Aschim, excerpted from a Lane County news release.

We are hosting a PIZZA DAY at Papa's Pizza Parlor Coburg Road to fund Yujin Gakuen 5th grade field trip to Japan. January 28th. Buy a pizza, salad, soup or breadsticks and Papa's will donate 50% of your order. Contact Carrie O'Coyle Richenberg at Richenbergc@lanecc.edu for a flyer to get your 50% discount.

EMERALD VALLEY TIME EXCHANGE COMMUNITY POTLUCK:
The Time Exchange, Eugene's one-year-old time bank, is hosting an informational potluck on Saturday, January 23, 6-8:30 p.m. Anyone interested in learning more about the Time Exchange is welcome to attend to meet members and ask questions. Details:
www.emeraldvalleytimeexchange.org Free and open to the public RSVP for location: Megan Hinkel, CML, 3500.

BENEFIT CONCERT for the Women in Transitions Program will be held Sunday, February 7, at 3:00 p.m., Performance Hall, Building 6. Featuring Soromundi: Lesbian Chorus of Eugene, and In Accord. Join us for an eclectic afternoon of choral music, featuring everything from old standards to contemporary arrangements. We will have music for every ear! All proceeds go to the Women in Transitions Program. Tickets \$10.00 general public \$8.00 seniors/student. For information call 541-463-5202. Tickets available at www.lanecc.edu/tickets. Contact: Barbara Delansky.`

THE GIRL SCOUTS are taking pre-orders for cookies. Please contact me if you would like some. Tina Lymath 463-5336.

LOOKING FOR PIANO BENCH OR A PIANO STOOL in good condition. Peggy Bollenbaugh, 5676.

2004 HONDA ODYSSEY EX-L, 3.5 L VTEC automatic V-6, FWD specialty wheels, CD player, cassette, rear DVD player, quad seating, power doors, power sliding doors, air, rear air, power steering, power windows, power locks, tilt wheel, cruise, ABS (4 wheel) traction control, leather, power & heated seats, privacy glass, 83000 files, (many are freeway miles) newer tires. \$12,500 obo. Great vehicle, we just no longer have traveling soccer players! Photos available by emailing stufam@comcast.net or phoning Steve, 517-0500 or Tana, x5732 or 554-9061.`

EVENTS THIS WEEK

OREGON TRANSFER DAY, Tuesday, January 26, 10 a.m.-1 p.m., cafeteria. Annual info fair about four-year degree opportunities for community college students. Details: lanecc.edu/mpr/news/rel01227.htm

EMPLOYEE HEALTH & WELLNESS FAIR, Wednesday, January 27, 9 a.m. -2 p.m., Center for Meeting and Learning, rooms 103 and 104.

ASLCC BAKE SALE FOR HAITI RELIEF, Wednesday January 27, 9 a.m.-3 p.m., cafeteria. All proceeds donated to the Red Cross. Please come and enjoy baked goods from a variety of local bakeries and homemade goodies. Contact: Barbara Delansky.

LEARNING GARDEN FILM SERIES: "Super Size Me," Wednesday, January 27, 11 a.m.-2 p.m. cafeteria; and "Fast Food Nation" Friday, January 29, 12-2 p.m. building 1, room 206. Details: <http://www.lanecc.edu/sustainability/calendar.html> Devon Bonady, 5899 or bonadyd@lanecc.edu

OSPIRG "BURNING THE FUTURE," documentary about the environmental and health impacts of coal energy, followed by Q&A and discussion about Oregon's coal plant in Boardman, Thursday, January 28, 12-2 p.m., building 17, room 307.

HOW TO PAY FOR COLLEGE...IN ONE DAY!, Saturday, January 30, 8:30 a.m.-3:30 p.m., Center for Meeting and Learning, building 19. Assistance with completing the federal aid application process and accessing scholarship resources. Details at lanecc.edu/ces/events.htm

NEWS & ANNOUNCEMENTS

ENERGY PROGRAM WINS INFRARED CAMERA

Josh Manders recently applied for and successfully won a brand new Flir InfraRed i7 camera for the Energy Program through a contest held by Tequipment.net. This specialized camera is used to investigate faults within a building structure as well as check for electrical and mechanical faults. It is a great tool for instructors and can help students visualize heat gain/loss and record temperature data for analysis. The camera retails for \$2,995. Josh is a project specialist in the Energy Program's Northwest Energy Education Institute. Submitted by the editor.

MLK AWARD GOES TO NEXTSTEP RECYCLING

The Associated Students of Lane Community College presented the annual Dr. Martin Luther King Jr. award to NextStep Recycling. NextStep founder Lorraine Kerwood is a Lane Community College Foundation Distinguished Alumni. Read more about her online at www.lanecc.edu/aspire/articles/2009Summer/distinguishedalumni.html Submitted by the editor.

IT'S 74

The women Titans basketball team defeated Clackamas at the Jam the Gym game on Saturday. The women's home game winning streak now is 74 games in a row. The game also put the women Titans in first place in the NWAACC Southern Region. See the Register-Guard story in Saturday's paper. Submitted by the editor.

CATCH UP ON LEARNING COMMUNITIES NEWS

Lane's Learning Communities News is out this week in a brief and a full-length edition. Go to the learning communities website and read up on what's been happening with learning communities this year: New and Expanded First Year Experience learning communities, the Title III Engaging Students grant, and the latest on the Reading Together Project. Click here to find the newsletter now: <http://lanecc.edu/lc/fresources/LearningCommunitiesNews.htm> Submitted by Anne McGrail.

RECRUITING SENIOR COMPANIONS

The federal Senior Companion Program provides a tax-free hourly stipend of \$2.65/hour to low-income adult volunteers, age 55 or older, to provide one-on-one outreach to frail, elderly and disabled adults for 15 to 40 hours per week. Companions serve through senior organizations in Lane County, which are responsible for all client selection. Pre-training and ongoing support are provided. Sponsored locally by Lane Community College. To get involved, call Diana Gatchell at 4630 or visit www.lanecc.edu/scp

ADULT BASIC SKILLS HOSTS REVIEW TEAM THIS WEEK

A team of eight from the Oregon Department of Community Colleges and Workforce Development, plus Oregon community college faculty and program directors, are visiting Lane's Adult Basic Skills programs this week. They are conducting a seven-year review, a requirement for programs receiving federal funds through Title II of Workforce Investment Act.

Faculty and staff in Adult Basic and Secondary Education and English as a Second Language departments have spent months preparing for the visit. The reviewers will visit many of the departments' 13 sites, and talk to faculty, staff, partners and students as they review eight areas of basic skills indicators of program quality. In line with Lane's focus on sustainability, much of the documentation will be presented on a wiki to reduce costs and use fewer resources in paper and plastic. While on main campus, the reviewers will be working out of the Workforce Development offices.

The review team will talk about their visit at an exit interview Friday, January 29, from 11 a.m.-12 p.m. in the boardroom, building 3. For more information, contact Cathy Lindsley at 5441 or Dawn DeWolf at 5515.

DAVID JOYCE GALLERY FEATURES STILL LIFES BY JOHN HOLDWAY

"Fresh," new still life paintings by John Holdway, will be on exhibit in the David Joyce Gallery in the Center for Meeting and Learning, building 19 second floor, January 29 to April 12. An artist's reception will be Wednesday, February 10 from 5-7 p.m. Contact: Julie Fether, 3518.

GROUPWISE WILL BE DOWN IN ORDER TO APPLY PATCHES

The GroupWise e-mail system is scheduled to be down Saturday and Sunday, February 6 and 7, for a system upgrade. Services will be unavailable periodically on Saturday and starting at 6 a.m. on Sunday. All services will be restored as soon as the work is completed. This will not effect Banner, ExpressLane, Moodle, Lane Events Calendar, ODS, Discoverer, network printing, web Class Schedule, and Internet browser access. We apologize for the inconvenience and thank you for your patience. Submitted by Arden Toney, Information Technology.

PREVIEW NIGHT FEBRUARY 10

Lane Preview Night, our annual open house for high school students and their families, is Wednesday, February 10, from 6-8:30 p.m. in the gym, building 5. The event offers an opportunity to visit main campus, learn about academic and career training programs, and get a better feel for what higher education is all about. It's also a chance to meet faculty and win prizes including bookstore merchandise and tuition certificates. Details at:

<http://www.lanecc.edu/es/previewnight.html>

NEW LAST NAME

Please note that my name has been changed from Kristie Johnson to Kristie Potwora, as I was married this past summer. I am an adjunct instructor in the Art Department. My new e-mail address is: potworak@lanecc.edu My extension will remain the same: 5775.

----- FACILITIES UPDATES -----

The Oregon Facilities Directors conference meeting was held at Lane on Thursday and Friday, January 21 and 22. Presentations were given on Lane's deferred maintenance and bond projects, recycling, energy conservation, sustainability, lighting improvements, the health and wellness building design, state and federal intergovernmental agency funding resources and many other options that can be sourced to leverage capital investment budgets, and CCWD seismic grant programs. A tour of the health and wellness and longhouse projects was given. This was a very successful conference with facility directors and other staff from eight community colleges in attendance. Much information was shared which will help all of the community colleges in their project and operations activities.

Parking lots have continued to fill up on most weekdays by 11 a.m. and then begin to relieve by 3 p.m. We may continue to experience very highly used parking lots, including

overflow parking areas for a few more weeks. Please do park in designated areas to allow proper access to buildings and clear paths for emergency vehicles. Landscaping areas are being damaged by vehicles parking in un-designated parking areas.

Please do not keep organic trash in your office. Items such as left over lunch or break food, pop cans, and fruit can produce odors and airborne contaminants. Bugs and other pests can also be attracted to these food sources.

Motor pool vehicles have been equipped with snow tires or studded tires for winter driving conditions.

Facilities trades mechanics and staff are working primarily on priority one work orders. These work orders include safety, emergency, indoor air environmental quality, regulatory or code compliance, and instructional space lighting and HVAC items. Most of the other work orders are being placed on hold pending financial resources.

Housekeeping services will begin notifying managers or designees in areas that cannot be cleaned when resources are not available. This can occur when scheduled vacation time for employees coincides with employees calling in sick. We do not have resources to cover for custodians when they are not all working. Restrooms and other critical areas will continue to get cleaned every day.

A new bicycle rack recently was installed adjacent to the main sidewalk from parking lot N, near building 7. Two new bicycle racks were installed near the main LTD bus terminals in the main west entrance of the main campus.

Although we have had a rainy wet week, very few roof leaks have been called into facilities this past week. If you notice wet ceiling tiles or wet spots on floors, please contact the facilities office at 5216.

BOND UPDATES

For more information about bond projects, contact Bob Mention, 5747 or Todd Smith, 5132.

BUILDING 2 REMODEL

Construction documents submitted December 18 are under review. Contact David Amundson, 3455.

BUILDING 4 REMODEL AND BUILDING 5 REMODEL/ADDITION

Design documents have been completed and the projects have moved into the construction document phase. The construction documents are expected to take several months to complete and actual construction activities should begin this summer. Last

week, construction coordinators worked with building 4 occupants to determine a temporary office space location to use during the remodeling phase. Over the next few weeks, three testing agencies will be on the site to conduct surveys for information that is required for new construction. PBS is conducting an asbestos survey of building five that will allow Lane to hire a contractor to remove anything that might contain asbestos. The removal of asbestos in areas recommended is expected to begin in May 2010 and will take several weeks to complete. GPR Data will be on the site the week of January 25 to conduct a survey on the existing brick walls to identify locations for installing steel reinforcement, and FEI will be performing soils testing that will include using large equipment on the north side of building five to obtain soil from beneath the asphalt so engineers can determine a foundation design. This activity is not expected to begin until the week of February 1. Contact Mark Richardson, 3456.

BUILDING 6 PERFORMANCE HALL ELEVATOR AND REMODEL

Construction documents were submitted on December 18 and are under review. Contact David Amundson, 3455.

BUILDING 10, RTEC, RECYCLE CENTER, SPECIALIZED SUPPORT SERVICES

The project continues in the schematic design phase and project managers are cost estimating the master plan. Contact Todd Smith, 5132.

BUILDING 19 BUSINESS DEPARTMENT OFFICES REMODEL

Review of construction documents submitted continues. Contact David Amundson, 3455.

BUILDING 19 / FOUNDATION

Foundation office construction is complete. Office furniture is expected to be delivered and assembled by FMP carpenters and electricians. Foundation staff should be allowed occupancy by the first week of February 2010. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS BUILDING

Development of the downtown campus building project will proceed in three phases: Phase 1, Feasibility Report; Phase 2, Design and Contract documents; and Phase 3, Construction and Move-in. The Phase 1 – Feasibility Report has just begun. Gerding Edlen, a project management firm, was hired to work with the college to prepare the report. The feasibility report is scheduled to be completed sometime in March.

Two and a half days of intensive meetings occurred last week. On January 19, the project manager and architects met with the college steering committee and representatives from the city to conduct an Eco-charette. The following day and a half was spent in meetings of about an hour each where the leads of the various units informed the project manager and architects about the space needs and functions performed by their units. At the end of the week, the steering committee had a good idea of what a high-performing healthy building means and the architects had a good idea of the instructional space requirements. Added to this was information gained about what space the city might lease and what the student housing component might be. This week the project manager will be working on funding and tenant issues and the architects will be creating some design concepts.

Contact Bob Mention, 5747.

[Editor's note: Today's Register-Guard reports, "The Eugene City Council on Monday unanimously selected Lane Community College to redevelop the half block on West 10th Avenue..." See the full story online at

<http://registerguard.com/csp/cms/sites/web/news/cityregion/24392090-41/lcc-college-council-spilde-building.csp>]

FLORENCE CENTER REMODEL AND SCIENCE LAB ADDITION

Last week the remodel project reached substantial completion and the new science addition is now being used as a classroom. This week, Bineham Construction is working on a list of correction items brought forward by architects during the week of January 11; all corrections items listed are nearly complete and the classroom is ready for inspection preliminary siding and roof inspection was completed on January 17 and a list of correction items were noted. The architect will distribute the list for correction this week beginning January 25. Contact Mark Richardson, 3456.

SOLAR LAB STATION

FMP and program staff continue to review conceptual designs submitted by architects. This project is being developed and set up as an interactive project for hands on instruction for students and discussions continue with the welding shop to have welding program students complete the steel stair construction. Contact Mark Richardson, 3456.

TRACK AND SOCCER BOWL UPGRADES

Progress continues on the design development phase of the track and soccer bowl project. Contact Todd Smith, 5132.

----- DEFERRED MAINTENANCE PROJECTS -----

PROJECT 446 EXTERIOR LIGHTING

The installation of fixtures in the parking lots is 99.5 percent complete. The fixtures have been replaced in all but two locations in parking Lot M and one location in B. This latter location is obscured by tree branches such that it is inaccessible. FMP electricians will relocate the previously placed fixture pole at a later date. One additional fixture remains to be installed by the service road north of the theatre. Contact Dave Smith, 3433.

PROJECT 448 KEYLESS ACCESS

The contractor, Allied Fire & Security, is currently installing door hardware on buildings 6 and 7. After work is completed on 6 and 7, the next buildings are 5, 19 and Center. Hardware installations on buildings 4, 8, 9, 12, 13, and 15 have been completed to date, though some procedural and hardware/electronic issues remain on these buildings. The remainder of the buildings will be commissioned through winter and spring terms. Project coordination from FMP met with ASA and Deferred Maintenance Leadership team members this week to discuss the issuance of access badges and departmental concerns related to the project to date. A decision from the Executive Team is expected that will resolve many of the departmental concerns, which will help in moving the

project forward. The Wildish building security system is waiting on a resolution of differences between the security integrator and the monitoring system vendor. Contact Dave Smith, 3433.

PROJECT 449 ASBESTOS ABATEMENT

The deferred maintenance crew is working on installing new insulation onto the chilled and hot water lines in the tunnel system between buildings 4 and 7 and in the mechanical room 110 of building 6. Remaining tunnel work is 17 percent complete; remaining work in the mechanical is 6 percent complete. Contact Angela Fazio, 3428.

PROJECT 450 FIRE ALARM/MASS COMMUNICATION SYSTEM

The fire alarm contractor, SecureCom, will finish installing the main fire alarm system upgrade at the Florence center during the week of January 25. The classroom addition fire alarm system has been completely installed, tested, and approved by the fire marshal for use. On the Eugene main campus, fire alarm testing was completed over the winter break in the presence of the Oregon deputy state fire marshal. All systems passed. There is some additional work on two systems that will require testing at a later date. All buildings are currently protected, and will continue to be, by existing fire alarm systems. Contact Dave Smith, 3433.

PROJECT 451 UTILITY SUBMETERING

Final mechanical inspections are complete; final electrical inspections will be conducted upon resolution of an Underwriter Laboratory (UL) certification of monitoring devices. UL performed a site audit and when made available, the testing reports will be reviewed. MeasureLogic, the meter equipment supplier, will provide requested information for the UL evaluation. Contact Angela Fazio, 3428.

PROJECT 454 BUILDINGS 4 AND 5 REROOF

Umpqua Roofing has completed all punch list items and warranty repairs. Contact Angela Fazio, 3428.

PROJECT 458 AMTF IMPROVEMENTS

Aviation Maintenance Technician program paint booth erection complete. Rohner was onsite for start-up and commissioning of new unit. Operational training for Lane instructors has been completed. Siding and clean up to be performed next week. Pour of concrete approach to be completed also, weather permitting. Contact Angela Fazio, 3428.

----- OTHER FACILITIES PROJECTS -----

HEALTH & WELLNESS BUILDING

Exterior insulation panels have been installed. Window frames are in place and glass is being installed. Once glass is installed, heat can be brought into the building. Interior wall framing is nearing completion and insulation of wallboard has begun. Building elevator has been installed and will be completed when building power is brought in. Expect noise

from construction activities for the immediate future. Project completion expected August 2010. Contact Brian McMurray, 5829.

AND ABOUT THAT CHOPPER...

A helicopter flies over campus around this time once a month from Sky Shots to take pictures of the Health and Wellness Center. It circles campus three or four times. Contact: Todd Smith, 5132.

NATIVE AMERICAN LONGHOUSE

Work continues on the splitting of a number of cedar logs into siding planks, which are to be used for the building interior. Work has begun on a mock up wall using that interior siding. Plans are also underway to produce a mock up of the display cabinets which will go in the Hall of Honor. The HVAC contractor has submitted information to the engineer to get approval to order equipment. Fire protection contractor is awaiting approval from the fire marshal. A bid package is currently being prepared for the plumbing contract. Project completion expected May 2010. Contact Brian McMurray, 5829.

RTS PARKING LOT EXPANSION

Awaiting dry weather for installation of curb, wheel stops and striping (currently anticipated for next week). Contact Angela Fazio, 3428.

TRAININGS

25 LIVE EVENT REQUEST TRAINING

Two more training sessions have been scheduled in February for the new event request system. If you have a need to request rooms or even a motor pool car, this training will go through the steps using the new system. The capability to request event space or a motor pool car is offered to all staff. This is a hands-on class in the lab. Please register for the class by sending an e-mail to bahreta@lanecc.edu to ensure your account is active for the training session.

NOTE: 25Live requires Internet Explorer 7, Safari 4.0 or Firefox 3.5.6 for proper functionality.

See http://showlane.lanecc.edu/25live/#details&obj_type=event&obj_id=98576/5 for more information about dates and times.

Details at: <http://lanecc.edu/mpr/news/rel01231.htm> Contact: Barb Delansky, 5337.

NEWS

DALE DUVALL NAMED OUTSTANDING EMPLOYEE

Kudos and congratulations go to January's Classified Employee of the Month, Dale DuVall PF Information Technology. Representatives of the Classified Professional Development Team joined staff of IT to present Dale with the award . Dale has been with Lane since March 1996, first working hourly as network specialist for the Computer Service department and then going full-time in August 1996 as an electronic maintenance technician. He is now a network administrative specialist in IT.

Dale is known to many as the guru of Macintosh computing at Lane. Nominators said he has saved hundreds of users from thousands of problems, with expertise, timeliness and wit. Lane could not operate without him. Dale is a master troubleshooter, peerless problem solver, and at the top of his game. He is able to advise what the best tools are, what the best prices are, and how to make the most of them. It is impossible to guess how much down time Dale has saved Lane and its employees over the years. He is always pleasant and bright no matter the tremendous volume of workload he sustains, nor the literacy level of his customers. Dale listens. He gets training. He puts in whatever it takes, but remembers to refresh with an occasional vacation and time for family. Dale looks after the cats on campus, and other feral felines. Dale is a master of his trade and a thoughtful human being who works with heart, dedication and skill. He is exactly the kind of employee who makes Lane Community College an enduring success.

When you see Dale, congratulate him for doing a terrific job and celebrate his nomination as January's Classified Employee of the Month.

And remember that, you too, can help us to recognize exemplary classified employees by nominating them for this award by the 15th of each month. Nomination forms are available: 1) on the CPDT website: <http://www.lanecc.edu/cpdt/eom.html> ; or 2) from Elaine Marsh, IRAP.

VELDA ARNAUD NAMED FACULTY SCHOLAR

Velda Arnaud has been named a 2010 Phi Theta Kappa Faculty Scholar. She is faculty advisor to Lane's Sigma Zeta chapter. One of 24 community college instructors named as a scholar, she will serve as a discussion facilitator for the 2010 International Honors Institute. Scholars are chapter advisors selected based on knowledge of the current honors study topic, "The Democratization of Information: Power, Peril, and Promise," and demonstrated excellence in teaching. The Honors Institute will be June 14-18 at Chapman University in Orange, California. Arnaud also was a faculty scholar in 2009. Submitted by the editor.

IN MEMORY

Ed Ragozzino, department chair of Performing Arts at Lane from 1968-1986, and member of the Lane League advocacy group, passed away Saturday at age 79.

Lane Archivist Elizabeth Uhlig has posted an oral history with Ragozzino conducted by a work-study student in 2003. It can be read or listened to online at:

<http://www.lanecc.edu/archives/OH-RagozzinoE.htm>

“Dale Parnell, the president of the college hired me and gave me as a goal to build a Performing Arts department, curriculum and facilities. I agreed,” he says in the interview. He talks about the first days of main campus, building the theater, working with outstanding faculty, and more.

A remembrance in Saturday’s Register-Guard can be read online at:

<http://www.registerguard.com/csp/cms/sites/web/news/sevendays/24403951-35/eugene-ragozzino-theater-arts-center.csp>

A public memorial will be held at 7 p.m. Friday at First Baptist Church, 3550 Fox Meadow Road, according to today’s Register-Guard. A more formal funeral mass will be Saturday at 11 a.m. at St. Paul’s Catholic Church, 1201 Satre St. Submitted by the editor.

MENTORLINKS PROGRAM BOOSTS TECHNICIAN PROGRAMS

The January 25 issue of Community College Times includes an article about the MentorLinks program which assists new technician programs. The article quotes Lane energy program coordinator Roger Ebbage. It can be viewed online at:

<http://www.communitycollegetimes.com/article.cfm?ArticleId=2428> Submitted by the editor.

ANNOUNCEMENTS

GENDER VIOLENCE PREVENTION LECTURE

More Than A Few Good Men: Why Some Men Hurt Women and How All Men Can Help, with Dr. Jackson Katz, will be held February 3 from 7:30-9 p.m. at the University of Oregon, EMU Ballroom. Katz is internationally recognized for his groundbreaking work in gender violence prevention education with men and boys, particularly in the sports culture and the military. See today’s Register-Guard story online at:

<http://registerguard.com/csp/cms/sites/web/news/cityregion/24417576-41/katz-violence-jackson-women-abuse.csp> Questions can be directed to bota@uoregon.edu, ASUO

Women's Center and the UO Alliance for Sexual Assault Prevention. Submitted by Michael Samano.

GROUPWISE DOWN TO APPLY PATCHES

The GroupWise e-mail system is scheduled to be down Saturday and Sunday, February 6 and 7, for a system upgrade. Services will be unavailable periodically on Saturday and starting at 6 a.m. on Sunday. All services will be restored as soon as the work is completed. This will not effect Banner, ExpressLane, Moodle, Lane Events Calendar, ODS, Discoverer, network printing, web Class Schedule, and Internet browser access. We apologize for the inconvenience and thank you for your patience. Submitted by Ardene Toney, Information Technology.

PREVIEW NIGHT FEBRUARY 10

Lane Preview Night, our annual open house for high school students and their families, is Wednesday, February 10, from 6-8:30 p.m. in the gym, building 5. The event offers an opportunity to visit main campus, learn about academic and career training programs, and get a better feel for what higher education is all about. It's also a chance to meet faculty and win prizes including bookstore merchandise and tuition certificates. Details at:

<http://www.lanecc.edu/es/previewnight.html>

FACULTY CONCERT

Trombonist Ron Bertucci will lead a faculty concert on February 11 at 7:30 p.m. in the Performance Hall, building 6. The recital will include concert pieces for trombone and accompanists, followed by a selection of jazz standards. Ron has just completed a six-month sabbatical, studying with leading artists around the country. His Lane Jazz Ensemble and Combos are award-winners at music festivals through the West. Ron co-founded and directs the Oregon Jazz Festival, which brings high school and middle school students from around Oregon together with some of the nation's leading jazz artists. The Faculty Jazz Quintet will perform, including Jim Greenwood, piano, Dave Bender, trumpet, Olem Alves, guitar, Nathan Waddell bass, and Glenn Griffith, drums. Tickets are \$10 for adults and \$ 8 for students/seniors and are available online at lanecc.edu/tickets or at the door 45 minutes before the performance. Contact: John Watson, watsonj@lanecc.edu or 5161.

DAVID JOYCE GALLERY RECEPTION

"Fresh," new still life paintings by John Holdway, will be on exhibit in the David Joyce Gallery in the Center for Meeting and Learning, building 19 second floor, through April 12. An artist's reception will be Wednesday, February 10, from 5-7 p.m. Contact: Julie Fether, 3518.

PRINT SHOP DEADLINES

Spring term: Packets to Printing/Graphics by February 12. First-day materials due March 19.

Observing these deadlines assures timely production of your materials by the print shop and processing by the Bookstore. Questions? Contact Susan Chase or Tom Johnson, 5373.

LANE ATHLETICS SPONSORS LANE EMPLOYEE NIGHT

Lane Athletics wants to show its appreciation to college employees by inviting you to Lane Employee Night, Wednesday, February 17. The evening features a double-header basketball game against Chemeketa Community College. Admission will be free to all employees and their families. The women's team will kick things off at 5:30 p.m., followed by the men's game at 7:30 p.m. The evening will include faculty recognition awards at half time of each game. Don't forget, the women's team currently holds the active national collegiate high 75-game home winning streak, so please join us for a fun filled evening. Contact: Brent Ellison.

AAWCC PRESENTATION: GET WHAT YOU WANT IN 2010

The Lane chapter of the American Association of Women in Community Colleges will sponsor a brown bag lunch at noon on Wednesday, February 17, in the boardroom, building 3. Lisa Renee Anderson M.A. will present on "How to get What You Want in 2010". Please check out Lisa's work at www.exceptionallivingcoach.com Contact: Jackie Bryson, 5164.

HEALTH CLINIC CLOSURE

The Health Clinic will be closed for training on the afternoon of Friday, February 19, beginning at 12 p.m. Contact: Mona Arbuckle.

FREE REGISTRATION FOR FUTURE OF EDUCATION AND TECHNOLOGY CONFERENCE

Edu Research Group and The League for Innovation are now partners! Part of this partnership allows you to invited the 2010 Future of Education & Technology Conference at the Phoenix Convention Center on February 27 and 28 for free registration. There will be 30 separate education and technology workshops, as well as world renowned speakers such as former vice president and Noble peace prize winner the honorable Al Gore, general counsel to the Department of Education Charles P. Rose, as well as Jeffrey Hayzlett, CMO and vice president of Eastman Kodak Company. They will speak about the ever expanding role of technology in education, the politics and funding of education, and the future of education as a whole. To register go to <http://edurg2010.eventbrite.com> or for more information <http://www.edurg.com/events/ps/partners.asp> Contact: Tamara Pinkas, League rep, 5011.

SEATTLE: THE BIG GAME! MARINER'S AND RED SOX BASEBALL

LCCEF again is sponsoring a train trip to Seattle for one of the biggest games of the year. The Seattle Mariners will be playing the Boston Red Sox on Saturday July 24. We will be traveling north on the Amtrak Cascades train, arriving in Seattle at noon, head to Safeco Field for the game at 7 p.m. and returning south to Eugene at 5 p.m. This trip is open to all staff, family and friends of all ages. The trip cost includes the train, hotel and baseball tickets. Come ride the rails to Seattle! See <http://www.lanecc.edu/wvdocs/Seattle%202010.pdf> for the flyer with all of the details! Submitted by Alen Bahret, Information Technology/LCCEF, 3347.

SHARE YOUR CAREER WITH STUDENTS VIA MYLANE

One of the functions of myLane is to help students get information about different career options and increase their motivation in their educational pursuits toward a career. What's more motivating than learning about someone here at Lane who is working in a field you're interested in? So, each week in myLane, on the Student Success page, we are going to focus on a different employee and how s/he feels the job is personally fulfilling. Everyone at Lane is invited to participate. If you would like to tell your job story, we only need your picture, a motivating quote that you have a great job, and about 100 words describing your job, the path you took to your job, and/or the personal skills/attributes needed to do the job. If you have questions or just want to send in your story, e-mail Carol McKiel, Title III coordinator, mckielc@lanecc.edu or 3132.

2009 FOLLOW-UP STUDY OF 2007-08 STUDENTS

Have you ever wondered what students have to say about their experiences at Lane and what they're doing after leaving? Did they achieve their goals at Lane? What percent of former students are employed in a different job than the job they had before attending Lane? How relevant are Lane classes to the knowledge and skills they need on their jobs? You can find answers in the 2009 Follow-up Study of 2007-08 Students that's posted on IRAP's website at: <http://www.lanecc.edu/research/ir/STUFU09.htm>

DID YOU KNOW?

Of the 36,899 students who took classes at Lane last year, 12,546 students enrolled in a Continuing Education class. Continuing Ed helps students prepare for a new career, enhance skills or pursue a passion. Continuing Ed offers hundreds of classes from job training to enriching opportunities. Watch for our exciting spring term offerings. Jenette Kane, 5915.

SCHOLARSHIPS TIPS

Career and Employment Services is offering Application Tips for Lane Foundation and Oregon Student Assistance Commission Scholarships. Please go to this link for dates, times and locations: <http://www.lanecc.edu/ces/classwrk.htm> For more information call Jackie at 5164 or brysonj@lanecc.edu

LANE ATHLETES COLLECT 412 POUNDS OF FOOD

Lane athletes collected food during the exciting Jam the Gym basketball event Saturday, January 23. Thanks to Coach Greg Sheley, the athletic leadership team, and all who helped. Another 127 pounds was collected from the departments and offices I Can, One Can boxes. A special thanks to the Lane downtown folks who filled their box with 52 food items. Everyone, keep up the good work. All the food goes to Food For Lane County for food boxes and meal sites. Remember to donate one can of non-perishable food a month to Lane's ongoing food drive. For some people getting a food box makes a difference in being able to buy needed medication or to pay a heating bill. Many food box recipients are the working however still unable to meet basic needs. Look for a box near you or call for a location, 5395. Submitted by Beverly Farfan, farfanb@lanecc.edu

37 LANE VOLUNTEERS SPENT MARTIN LUTHER KING JR. DAY HELPING HABITAT FOR HUMANITY.

Thank you to the staff, students, families, and friends who came out to help Habitat for Humanity get their new Restore ready for opening. For three hours or more volunteers cleaned, painted, weeded, planted, and many other activities. Submitted by Beverly Farfan, farfanb@lanecc.edu

FACILITIES UPDATES

Parking lot use is easing up with enough space in the parking lots and use of the overflow gravel areas most days.

"No bicycles, No skate boards, No roller blade" signs are being added to main campus entrances for the safety of pedestrian traffic on campus sidewalks. FMP has been notified of several "near misses" during the past term. The Safety Committee has recommended that these signs be installed right away. The grounds team will install these signs during the next week.

If you have a priority one safety concern or need in your area, please continue to write work requests. Priority one work orders are defined as urgent safety, indoor air quality, instructional space lighting or temperature items, regulatory or code compliance, or urgent facility infrastructure items that require immediate attention due to the adverse impacts to the mission of the college. FMP staff remains committed to the priority one work requests. All other work requests will be reviewed and prioritized based on available resources. The FMP trades folks are making great progress on completing priority one work requests in a timely fashion. Many thanks to everyone involved as we focus on these immediate needs. If you have an immediate need, please continue to call the facilities office at extension 5216, e-mail at facilitiesoffice@lanecc.edu or have your administrative staff fill out an MPulse work request.

Public Safety officers and leadership continue to provide stellar services to the college. Various incidents and concerns are responded to each week with promptness and professionalism that avoid potential impacts to the college.

The custodial team continues to work extremely hard to provide the best possible cleaning services to all areas. We continue to look for ways to improve our services to the college within our available resource constraints. Since we are short-staffed anything that faculty, staff, and students can do to help is greatly appreciated. Just picking up a piece of paper that is lying on the floor or concrete sidewalk as you walk around the campus or placing cigarette butts in their designated trash receptacles can be a great help. If you are aware of a pressing cleaning need, please contact Katherine Vos at 5561. Many thanks to all of our custodians. You are making a huge positive difference here at the college.

BOND UPDATES--

For more information about bond projects, contact Bob Mention, 5747 or Todd Smith, 5132.

BUILDING 2 REMODEL

Construction documents remain under review. Contact David Amundson, 3455.

BUILDING 4 REMODEL AND BUILDING 5 REMODEL/ADDITION

The project is currently in the construction document phase and with that comes the work of engineers, architects, and specialty contractors who are focusing on the buildings inside and outside gathering relevant information necessary to prepare the construction documents. Work that may include opening classroom doors and looking at the inside from windows might be distracting but this activity is not typically disruptive.

Over the next few weeks, two testing agencies will be on the site to conduct surveys for information required for new construction. PBS is currently conducting an asbestos survey of building 5 that will allow Lane to hire a contractor to remove anything that might contain asbestos. Removing the asbestos from areas recommended is expected to start in May and will take several weeks to complete. FEI will be performing soils testing

that will include using large equipment on the north side of building 5 to obtain a sample from below the asphalt so engineers can determine a foundation design. This activity is not expected to start until the first week of February. Contact Mark Richardson, 3456.

BUILDING 6 PERFORMANCE HALL ELEVATOR AND REMODEL

Construction documents remain under review. Contact David Amundson, 3455.

BUILDINGS 10 & 11, RTEC, RECYCLE CENTER, ART & APPLIED DESIGN, AND SPECIALIZED SUPPORT SERVICES

The project remains in the schematic design phase and project managers continue cost estimating of the master plan. The master plan shows major renovation of building 10, as well as a moderate amount of renovation in building 11. Building 10 renovations include allocated space for the new RTEC program, a Recycling Center, and area for relocating the Art and Applied Design studio art programs from building 11. The vacated area of building 11 will be remodeled specifically for use by the Specialized Support Services program. Contact Todd Smith, 5132.

BUILDING 19 BUSINESS DEPARTMENT OFFICES REMODEL

Construction documents remain under review. Contact David Amundson, 3455.

BUILDING 19 FOUNDATION

Lane has requested that the contractor return to the project site to make some additional corrections. A complete list of corrections issued by the architect for the area is expected next week. When the list of corrections is issued, the contractor will return to the project site likely causing noise and dust for a short period of time. Window covering is scheduled to be installed in the new Foundation office on February 5 and should not take more than three days to complete. Contact Mark Richardson at 3456.

DOWNTOWN CAMPUS BUILDING

Work on the feasibility report continues. The project manager and architects will meet with the steering committee and the management team on Tuesday and Wednesday this week. The meetings have several objectives: to obtain more space programming information, to present some information about the student housing option, to present some financial information, and to look at some building massing options. Contact Bob Mention, 5747.

FLORENCE CENTER REMODEL AND SCIENCE LAB ADDITION

Bineham construction is working on a list of corrections listed by the architect who inspected their work last week. Exterior painting is on hold awaiting better weather. Invitations have been extended to the public to attend an open house at the Florence Center campus scheduled on February 26, at 10:00 a.m. This community open house gives visitors an opportunity to view the upgrades that have been made to the facility. Contact Mark Richardson at 463-3456.

SOLAR LAB STATION

Conceptual designs submitted by architects remain under review by FMP and program staff. Contact Mark Richardson, 3456.

TRACK AND SOCCER BOWL UPGRADES

Work in the development phase continues for the track and soccer bowl project. Contact Todd Smith, 5132.

DEFERRED MAINTENANCE PROJECTS--

PROJECT 446 EXTERIOR LIGHTING

The installation of fixtures in the parking lots is almost complete. The fixtures have been replaced in all but two locations in parking Lot M and one location in B. This latter location is obscured by tree branches, making it inaccessible. Electricians will relocate the previously placed fixture pole at a later date. Contact Dave Smith, 3433.

PROJECT 448 KEYLESS ACCESS

The contractor, Allied Fire & Security, is currently installing roughing in for door hardware on buildings 1 and 19. Door hardware is expected to be received soon for buildings 5 and 6. After work is completed in 5 and 6, the next buildings are buildings 16, 19, Center. Hardware installations for buildings 4, 8, 9, 12, 13, and 15 have been completed to date, though some procedural and hardware/electronic issues still remain on these buildings. The remainder of the buildings will be commissioned through winter and spring terms. Project coordination from FMP met with the deferred maintenance leadership team members this week to discuss progress on the project and departmental concerns experienced to date. A decision from the Executive Team is anticipated on keyless access cards that will move the project forward. System and monitoring vendors have resolved issues and the Wildish building security system is scheduled to be commissioned next week. Contact Dave Smith, 3433.

PROJECT 449 ASBESTOS ABATEMENT

The deferred maintenance crew is working on installing new insulation onto the chilled and hot water lines in the tunnel system between buildings 2, 4 and in the mechanical room of building 3. Remaining tunnel work is 19 percent complete; remaining work in the mechanical room is 13 percent complete. Contact Angela Fazio, 3428.

PROJECT 450 FIRE ALARM/MASS COMMUNICATION SYSTEM

The fire alarm contractor, SecureCom, finished with installing the main fire alarm system upgrade at the Florence center. The Florence classroom addition fire alarm system was installed, tested, and approved by the fire marshal for use. On the Eugene main campus, fire alarm testing was completed over the winter break in the presence of the Oregon deputy state fire marshal. All systems passed. There is some additional work on two systems that will require testing at a later date. All buildings are currently protected, and will continue to be, by existing fire alarm systems. Contact Dave Smith, 3433.

PROJECT 451 UTILITY SUBMETERING

Final mechanical inspections are complete; final electrical inspections still to be conducted upon resolution of an Underwriter Laboratory (UL) certification of monitoring devices. UL performed a site audit and when made available, the testing reports will be reviewed. MeasureLogic is still to provide requested information for UL evaluation. Contact Angela Fazio, 3428.

PROJECT 454 BUILDINGS 4 AND 5 REROOF

Umpqua Roofing has completed all punch list items identified. Awaiting dry weather to make warranty repairs. Contact Angela Fazio, 3428.

PROJECT 458 AMTF IMPROVEMENTS

Aviation Maintenance Technician program paint booth erection complete. Booth airflow does not meet specifications; Rohner to address. Final electrical inspection did not pass because of the need for an additional service disconnect for MAU. Final plumbing inspection is expected next week. Rohner to complete exterior finishes over the next two weeks, and will not affect instruction. Concrete apron to be completed this week. Contact Angela Fazio, 3428.

OTHER FACILITIES PROJECTS--

COMPUTERIZED MAINTENANCE MANAGEMENT SYSTEM

Site visitation is planned where short-listed CMMS programs have been implemented and are being used at other higher education facilities. A template to collect and organize gathered information was created for product review. Contact Angela Fazio, 6428.

HEALTH & WELLNESS BUILDING

Work continues on windows and the large glazing wall; and the installation of skylight frames has begun. Interior wall framing is complete and installation of the wallboard is underway on both floors. Mechanical and electrical rough in work continues on the second floor. Expect noise from construction activities for the immediate future. Project completion is expected August 2010. Contact Brian McMurray, 5829.

NATIVE AMERICAN LONGHOUSE

HVAC and fire protection contractors are both on board and preparing to begin work on Longhouse site. A bid package for plumbing work is ready and will go out to bidders next week. Plumbing contractor expected to be on board by the last week in February. Project completion is expected July 1. Contact Brian McMurray, 5829.

RTS PARKING LOT EXPANSION

Installation of extruded curb and striping of building 46 expanded parking lot to be completed this week. Installation of wheel stops will be completed today. Contact Angela Fazio, 3428.

TRAININGS

HIRING FOR CULTURAL COMPETENCE: Practical Methods and Strategies to Get What You Need. This workshop is designed to provide Lane participants with practical methods and strategies to assess the cultural competence of candidates for positions at Lane. Each method or strategy can be adapted as appropriate for the particular position in question, whether the position involves designing curricula and teaching in the classroom, serving students and others in an office, or working to maintain services throughout the larger campus. Because "one size does not fit all," hiring processes designed to assess the cultural competence of candidates need to be tailored to the position in question and to the types of situations the person in that position is likely to encounter. Participants will learn practical methods and strategies to include cultural competence as one factor in 1) designing appropriate advertisements; 2) improving paper screening procedures; 3) writing effective interview and reference questions; and, 4) designing and carrying out hiring demonstrations. Presenter: Cris Clifford Cullinan, Ph.D., associate director of Organization Development and Training, University of Oregon.

When: 1:00 - 3:30 PM, Friday, February 19

Where: Room 102, Center for Meeting and Learning, Lane Community College

Who: LCC classified, faculty and management staff

Provided by the Office of Professional and Organizational Development and Human Resources Department.

T2T: SOCIAL NETWORKING AND WEB 2.0 TOOLS FOR ONLINE INSTRUCTION, ATC bldg 19/room 249

Fridays Feb 12 - Mar 12, 1-3 pm, Coronado and Keene-Wilson, ATC building 19/room 249. Five-week hybrid class TOPICS: New and emerging technologies for online learning, Social networking tools, Google Docs, Blogging, wikis and forums, Screen capturing, Webcasting, Cool tricks and hot tips. Meet in the classroom on Fridays 1-3 p.m. combined with online time for this 1 credit course (pass/no pass or audit only).

Registration is required as space is limited. Class fee is waived for Lane instructors. To register please send an e-mail to ATC@lanecc.edu or call 3377. For more information contact Meredith Keene-Wilson at keene-wilsonm@lanecc.edu or call 3022.

WELLNESS EVENTS AND CLASSES

- * Managing Stress & Building Resilience #1 with Christy Sherman from Directions, is this Wednesday, February 3 from 12 - 1:30 p.m. in Building 5, Room 206.
- * Join the Posture, Planning and Placement Ergonomics workshop with Layne King and Wendy Simmons this Friday, February 5, from 1:15 - 1:45 p.m. in Building 5, Room 206.
- * Please let us know if you plan to attend either seminar. Contact: Wendy Simmons, 5551 and Layne King, 5263.

ACADEMIC TECHNOLOGY CENTER WORKSHOPS

Moodle Introduction: Basic introduction to building and managing courses in the Moodle online course space for new users. Registration required: e-mail atc@lanecc.edu

- Feb 4, 3 - 5 p.m., LCC19 249

Moodle Assignments and Activities: Practice setting up assignments and other kinds of graded and un-graded activities. Registration required: e-mail atc@lanecc.edu

- Feb 11, 3 - 5 p.m., LCC19 249

Moodle Gradebook: Learn how to set up a straight-point or weighted gradebook, enter and manage grade records, and verify and troubleshoot your gradebook. For current Moodle users. Registration required: e-mail atc@lanecc.edu

- Feb 18, 3 - 5 p.m., LCC19 249

Moodle Forums: In this class we will explore the instructional applications of Moodle forums, match the different types of Moodle forums to their instructional uses, and practice setting up different types of forums. For current Moodle users. Registration required: e-mail atc@lanecc.edu

- Feb 25, 3 - 5 p.m., LCC19 249

Moodle Quiz Module: In this workshop you will learn how to: import and create questions, organize question banks, deliver quizzes and tests in Moodle, and arrange for proctored administration of Moodle tests. For current Moodle users. Registration required: e-mail atc@lanecc.edu

- Mar 4, 3 - 5 p.m., LCC19 249

Grade Book & Grade Entry Support: Drop in for help verifying, troubleshooting, importing or exporting Moodle or Excel gradebooks; or for help with Final Grade entry in Expresslane. No registration required.

- Mar 10, 3 - 5 p.m., LCC19 249

- Mar 11, 3 - 5 p.m., LCC19 249

- Mar 17, 3 - 5 p.m., LCC19 249

- Mar 18, 3 - 5 p.m., LCC19 249

Other Topics and Times: As usual, please let us know if you need us to schedule other alternatives, or if you need individual help.

Eugene Kiwanis Club supports Head Start, Birth to Three and BUG Bring Up Grades programs. Get Tickets at the door or call : 541-485-3785. Tickets are also available at Assistance League's Gently Used Thrift Shop 1149 Willamette Street, Eugene. Submitted by Linda Myers, retired.

LOST KEYS: Lost on Thursday, January 28 in the North parking lot at LCC or in the Ferry Street Bridge area, THREE KEYS on a neon-pink coiled wrist band. Please contact Karen Myers at or at 5830.

FOR RENT: 2-3 Bdrm, 1 bath Hs w/lg inside laundry room, garage, fireplace, central heat, and extra RV parking all on a large fenced lot w/paved patio. Quiet street off Centennial w/easy bus access. \$975 + deposit. Pets negotiable. 1116 L St, Spfd. 741-4945.

WANTED SECOND-HAND ITEMS: BOB Revolution Stroller and Ergo Baby Carrier Occasionally these come available on craig's list, but I just can't seem to check it often or get there fast enough. So, I'm hoping someone at Lane might be looking to pass these

items on (at a reasonable price, of course.) Please contact Amanda Eriksen at x3509 or eriksena@lanecc.edu if you have one and/or the other.

CHILDCARE PROVIDER AVAILABLE: I am a Lane student, 19 years old, looking for childcare opportunities. I can work both day and evening hours. I am experienced, reliable, and really enjoy being with children. I have references and transportation, and I have completed a criminal background check. If interested please contact Allsion McAuliffe at 781 264-7928. Submitted by Christina Salter, Counseling, 5813.

A GREAT VACATION GET AWAY, with very reasonable rates, is found at the BLK Beach House in Florence. Not only that, you can bring your dog for free. This is a newer manufactured home in great condition with a spacious open living room, 2 bedrooms, 1 bath, and the kitchen is supplied with everything you need: pots, pans, microwave, coffee pot, toaster and more. There is a queen size bed in one bedroom and twin and full size beds in the other room. It's a five minute walk to the beach. This is our home away from home and rented only to select clientele (like Lane employees) and guests are on the honor system to respect our home. The rates are very reasonable, in part because you are expected to clean up after yourself upon departure. There's a two night minimum and rates are \$58/weekend night in the winter for two. The cost increases by \$3 for each additional person. Weekday rates and weekly rates are cheaper. Call Wendy Simmons at 431-1277 or e-mail her at wsimmons@efn.org for more information.

3 BEDROOM, 2-1/2 BATH, 4 car garage, 4 decks in wooded South Eugene cul-de-sac. Exceptional terms for rent or sale, no down, owner financing available. Call Greg ext. 5516 or 654-0126."

LOOKING FOR SOMEONE to share a fantastic house in South Eugene, 10 minutes drive or 20 minute bus ride to LCC. I have one loving Labrador but the landlord doesn't want any other pets. Interested? e-mail me at astrellar@lanecc.edu Thanks, Rachel Rachel Astrella, Instructor, Academic Learning Services."

ROOM FOR RENT OFF RIVER ROAD. Lots of parking and storage. Share house, bathroom and kitchen with one professional female and 2 indoor/outdoor cats. No deposits needed and some pets negotiable. \$450 includes all utilities except phone. Matti Tabor Health Professions taborm@lanecc.edu "

FOR RENT: 3 BEDROOM 1-1/2 BATH HOUSE in Santa Clara off Blackfoot (3380 Palace St). Convenient location to Beltline. New carpet, vinyl windows, laundry: washer/dryer provided, fireplace, covered patio, fully fenced back yard, 2 car carport + 1 car enclosed garage. Quiet neighborhood. No smoking. \$1,050 rent + utilities. \$1000 security deposit Available now. Call 541-521-7539 or e-mail metcalfev@lanecc.edu to set up a time to view."

GIRL SCOUT COOKIE SALES: Believe it or not it's time for my granddaughter, Kamaria Girl Scout Cookie sales. Thanks to you who have supported her troop sales in the past. She hopes to continue to give you service. To any new customers, she looks

forward to serving you and want to tell you ahead of time that we really will appreciate your support, too. Now about the cookies. All the traditional cookies are back, except the "All Abouts". (Those were the shortbreads dipped in chocolate.) They no longer offer this cookie. But, there is a new cookie that she thinks you'll enjoy. It's called "Thank U Berry Munch". This is a delicious cookie made with premium cranberries, sweetened with creamy, white fudge chips and crispy rice for a satisfying crunch. And of course the others: Thin Mints / Trefoils / Samoas / Tagalongs / Lemon Chalet Cremes / Do-Si-Dos / Dulce de Leche. Click on the link below to see the descriptions of each cookie:
<http://s3.amazonaws.com/www.littlebrownie.com/downloads/CookieFlyer.pdf> Cookies are \$4.00 a box. E-mail orders to eisiminger@lanecc.edu. We will start delivering them to you on Monday, Feb. 15th. Submitted by Gayle Eisiminger.``

NEEDED: SHORT TERM HOUSING for a professional videographer visiting the Eugene area for 4-6 weeks in February and March. My friend from the mid-west is considering relocating his business to Oregon, and will be spending some time in our community working on projects and assessing the possibilities. If you have a need for a house/pet sitter in the next two months, this could be a great match. Or if you have a vacant rental property, a mother-in-law cottage, or other housing situation available on a short term basis, he is open to all options. Please call me at 463-5861 with any information or suggestions. (Randa Law, Workforce Development Department).``

THE GIRL SCOUTS are taking pre-orders for cookies. Please contact me if you would like some. Tina Lymath 463-5336.``

LANE WEEKLY is the employee newsletter of Lane Community College. Send submissions to weekly@lanecc.edu. Guidelines online at www.lanecc.edu/cops/newsletter.htm For information, call (541) 463-5591. The Weekly is available to the vision-impaired through Disability Resources at (541) 463-5150. Lane Community College is an equal opportunity/affirmative action institution. Tuesday, Tuesday, February 2, 2010

KLCC MICROBREW FESTIVAL, Friday and Saturday, February 12 and 13, 5-11 p.m., Lane Events Center, 796 W 13th Ave., Eugene. Contact: Gayle Chisholm.

NEWS

INTERNATIONAL STUDENT ENROLLMENT SNAPSHOT

Lane's International Student Program enrollment for winter 2010 is 144 students, including 26 students enrolled in International ESL. The total includes 85 men and 59 women from 35 countries. Countries with highest enrollment are South Korea, 35; Japan, 25; China, 15; Taiwan, 13; Vietnam, 6; Yemen, 5; Kuwait, 5 and United Arab Emirates, 5. Top majors include business, 30; arts and design, 7; health fields, 5. Winter term enrollment includes 16 new credit students and 10 new IESL students. Submitted by Cathy Lindsley, 5441.

GRANTS AND CAREER PATHWAYS POSITIONS FILLED

* Lynn Nakamura has been selected for a new position at Lane, grants implementation manager. Lynn has been at Lane since 2002 initially in Culinary and Conference Services and most recently as Career Pathways coordinator since January 2008. She has a master's degree in urban and regional planning from the University of Oregon and worked for a number of years for the City of Springfield in community development. Lynn

is responsible for making sure we correctly implement the large number of grants the college has been fortunate to receive in the past few years. Lynn's office is in the Workforce Development in building 19 and her extension is 5742.

* Rosa Lopez has been selected as Career Pathways coordinator. She has been at Lane since 2003 initially working part-time in the ESL department and most recently as an academic advisor in the Counseling Department. She currently is lead advisor for ESL, ABSE, and guided students, and is former lead advisor for business, elementary education and health professions. She also has worked for the University of Oregon as an admissions counselor and as a program coordinator for the JOBS Program at Centro Latinoamericano. She has a bachelor of arts from the UO in ethnic studies. As the Career Pathways coordinator she will be responsible to coordinate the college's efforts for the career pathways state initiative. She will begin her new job March 1 and her office will be located in Workforce Development Department, building 19.

Submitted by Andrea Newton and Dawn DeWolf.

ANNOUNCEMENTS

PRINT SHOP DEADLINES

Spring term: Packets to Printing/Graphics by February 12. First-day materials due March 19. Observing these deadlines assures timely production of your materials by the print shop and processing by the Bookstore. Questions? Contact Susan Chase or Tom Johnson, 5373.

ALL-STAFF MEETING ON BOND PROJECTS

The Bond Leadership Team will hold an all-staff meeting on Wednesday, February 17 from 3-4 p.m. in the Performing Arts Theatre to provide an update on bond projects. Contact: Donna Zmolek.

ATHLETICS HOSTS LANE EMPLOYEE NIGHT

Lane Athletics wants to show its appreciation to college employees by inviting you to Lane Employee Night, Wednesday, February 17. The evening features a double-header basketball game against Chemeketa Community College. Admission will be free to all employees and their families. The women's team will kick things off at 5:30 p.m., followed by the men's game at 7:30 p.m. The evening will include faculty recognition awards at half time of each game. Don't forget, the women's team currently holds the active national collegiate high 75-game home winning streak, so please join us for a fun filled evening. Contact: Brent Ellison.

AAWCC PRESENTATION: GET WHAT YOU WANT IN 2010

The Lane chapter of the American Association of Women in Community Colleges will sponsor a brown bag lunch at noon on Wednesday, February 17, in the boardroom, building 3. Lisa Renee Anderson M.A. will present on "How to get What You Want in 2010". Please check out Lisa's work at www.exceptionallivingcoach.com Contact: Jackie Bryson, 5164.

HEALTH CLINIC CLOSURE

The Health Clinic will be closed for training on the afternoon of Friday, February 19, beginning at 12 p.m. Contact: Mona Arbuckle.

TOM ROHR AND FRIENDS OPENS FEBRUARY 22

The Lane Community College Art Gallery is proud to present Tom Rohr and Friends, a memorial exhibition to honor our late friend and colleague Tom Rohr. The exhibition is a collective body of work donated by 22 artists from across the country. All the work has been donated to the show, which will coincide with an online auction. The exhibit and the auction will run from February 22 to March 11. Information about the auction can be found at: <http://tomrohrmemorialauction.blogspot.com>

"It is our goal through the online auction to raise money to help in create the Tom Rohr Memorial Scholarship Fund. We would like to encourage the community to take part in this great event," says Jennifer Salzman, gallery director. An artists' lecture presented by Lisa Favero, called "Body of Clay, Heart on Fire: Sensuality and Play in the Work of Tom Rohr," will be held February 25 at 3 p.m. with a reception immediately following. The gallery is located in building 11. There is no charge for admission. The Art and Applied Design Department phone number is 463-5409.

LANE PEACE SYMPOSIUM MARCH 5; SPEAKERS INCLUDE TOM HAYDEN

The Lane Peace Center's third annual peace symposium, "Confronting Militarism: Democracy vs. Empire," will be Friday, March 5, from 6-9:30 p.m., with doors opening at 5:30 p.m. The symposium will be at the Center for Meeting and Learning, building 19. Speakers include renowned activist Tom Hayden - civil rights Freedom Rider, co-founder of the Students for a Democratic Society, California legislator for 18 years, current professor of legal studies at Scripps College in Claremont, contributor to the Nation magazine, and author. His most recent book is "The Long Sixties: From 1960 to Barack Obama." Hayden's talk is titled "Mass Movements vs. Machiavellianism" and will focus on forming social movements in a time of war.

Other keynoters include Dr. Anita Weiss, head of the University of Oregon Department of International Studies, whose research and travels focus on Pakistan. She will speak about the current situation in Pakistan in the midst of the US War on Terror. Dr. Gwyn Kirk, a scholar-activist concerned with gender, racial and environmental justice, will address women and militarization. Northwest singer/songwriter/guitarist Jim Page will perform his music with lyrics influenced by insight and poetic conscience. A community reception for the Tom Hayden, Anita Weiss, Gwyn Kirk and Jim Page will be held from 2-3:30 pm at Cosmic Pizza, 8th and Charnleton, Eugene. Suggested donation is \$10, no one will be turned away for lack of funds. Complete information is available online at: <http://www.lanecc.edu/peacecenter/2010%20Conference/index.html> Contact: Stan Taylor.

IT'S MID-TERM: ARE STUDENTS DOING POORLY IN YOUR CLASS?

Encourage students to attend the Making Wise Choices workshop. This workshop will provide students with sound advice to make the best decision regarding their grading options. The answer may not be as simple as withdrawing or changing their grade to an audit. These decisions can have serious consequences. Making Wise Choices educates students on GPA calculation and the various grading options, including pass/no pass, withdrawals, and incomplete grades. We will review Financial Aid expectations for satisfactory academic progress (SAP); provide information on campus support services; and step students through a decision making process designed to help them make wise choices. All before February 26, the final day to make schedule changes for winter term!

Making Wise Choices Workshop schedule:

Friday, February 19, 11:00 - 11:50 in 1/224

Monday, February 22, 1:00 - 1:50 in 19/248

Wednesday, February 24, 12:00 - 12:50 in 19/241

The Making Wise Choices workshop is a joint effort between Counseling, Enrollment Services and Financial Aid. It is brought to you by the SAGA Committee. Contact Mary Parthemer, director, TRIO and Title III, 3133 or parthemerm@lanecc.edu

FREE TAX HELP

Free tax help will be provided every Tuesday, Wednesday and Friday in the south end of the cafeteria on a first-come, first-served basis from 9 a.m. to 3 p.m. Submitted by Tina Lymath, 5336.

ONLINE SCHOLARSHIP APPLICATIONS BEGIN; DEADLINE IS MARCH 12

Students may now apply online for scholarships at Lane. New this year, the Lane Foundation has launched STARS Online. Based on information provided on their application, students will see a list of recommended scholarships that they are most likely to qualify for. Most applicants will be given an option to apply for the "All Major Scholarship," which is open to students planning to be enrolled for a minimum of six credit hours next fall. Applicants for the "All Major Scholarship" will be considered for a variety of awards totaling \$292,000. Last year, the Lane Foundation awarded more than \$673,000 in scholarships overall.

Most scholarship applications are due March 12, for fall awards.

The Foundation website has complete application instructions and the link to STARS Online at www.lanecc.edu/foundation/scholarshipopps.htm.

Students may also visit Lane Career & Employment Services online for additional scholarship information, at www.lanecc.edu/ces/scholarships. This site lists has scholarship information such as tips for completing applications and a list of upcoming workshops. Information about other organizations that offer scholarships and grants can be obtained from high school guidance counselors, libraries and scholarship search websites such as www.fastweb.com

2009-10 SCHAFER INNOVATIONS NOMINATIONS DUE: \$5,000 IN AWARDS

Each year Lane holds a competition to identify several projects that embody a spirit of innovation envisioned by past president Eldon F. Schafer. The Schafer Innovation Awards are selected in collaboration with the Innovation of the Year, sponsored by the League for Innovation in the Community College. Five-thousand dollars is available to selected innovations and great ideas. Nominations for Innovations of the Year are due Monday, March 15. All faculty, staff and managers were sent a nomination flier via e-mail. If you have additional questions contact Tamara Pinkas, Lane's League Rep, pinkast@lanecc.edu, 5011.

INNOVATIONS 2010 CONFERENCE

The League for Innovation in the Community College is pleased to announce its 13th annual conference, March 28-31, Baltimore, Maryland. Keynote speaker is Martha J. Kanter, Under Secretary of Education, U.S. Department of Education. Terry O'Banion will lead Tuesday general sessions. Conference streams include: (1) learning and teaching (2) leadership and organization (3) workforce preparation and development (4) student services and activities (5) basic skills and developmental education (6) resource development and foundation management (7) research, assessment, and accountability (8) diversity, equity, and inclusion (9) sustainability. For more information about the conference visit: <http://www.league.org/i2010/> Funds may be available for faculty to attend. Go to <http://www.lanecc.edu/fpd/grants/league.html> for details. If you already

know you will be attending (staff, faculty and managers), immediately contact Tamara Pinkas, Lane's League Rep, 5011.

FIRST ANNUAL STEMTECH CONFERENCE CALL FOR PROPOSALS

The League for Innovation in the Community College is accepting presentation proposals for the first annual STEMtech conference, October 31 to November 3 in Orlando. STEMtech is an interactive learning experience with a strong focus on STEM disciplines. And STEMtech continues the 25-year legacy of the League's fall technology conference. Conference STEM tracks include: health and science, energy, environment, and sustainability, mathematics, engineering, and architecture, manufacturing, industry, and agriculture, technology and communication. Tech Tracks include: technology systems and applications, e-learning resources. For conference and call for proposal information go to <http://www.league.org/stemtech/> There may be funds for Lane faculty to present and/or attend. For information go to <http://www.lanecce.edu/fpd/grants/league.html> or contact Tamara Pinkas, Lane League Rep, 5011.

SEATTLE: THE BIG GAME! MARINER'S AND RED SOX BASEBALL

LCCEF again is sponsoring a train trip to Seattle for one of the biggest games of the year. The Seattle Mariners will be playing the Boston Red Sox on Saturday July 24. We will be traveling north on the Amtrak Cascades train, arriving in Seattle at noon, head to Safeco Field for the game at 7 p.m. and returning south to Eugene at 5 p.m. This trip is open to all staff, family and friends of all ages. The trip cost includes the train, hotel and baseball tickets. Come ride the rails to Seattle! See <http://www.lanecce.edu/wvdocs/Seattle%202010.pdf> for the flyer with all of the details! Submitted by Alen Bahret, Information Technology/LCCEF, 3347.

FACILITIES UPDATES

The Facilities teams continue to plan a substantial number of remodel and renovation projects with work to begin late spring and will last throughout the summer season. If you have any crucial instructional or departmental specific needs that require attention for the operation of your department or programs, please send an e-mail to facilitiesoffice@lanecce.edu. We will do our best to accommodate your requests. If you were on campus last summer, you know just how busy the construction and remodel efforts can get. This next summer looks to be just as busy. As we get a little further along in the planning processes, FMP will share details on which areas will be impacted by the planned remodel and renovation work and when to expect it. Thank you for your consideration in sending FMP e-mail notification regarding your scheduled events, special department needs, and any concerns you wish to bring to our attention.

BOND UPDATES

For more information, contact Bob Mention, 5747 or Todd Smith, 5132.

BUILDING 2 REMODEL

The Board of Education has agreed to pursue the Construction Manager/General Contractor method of project delivery. An RFP for the CM/GC will go out soon, and a selection committee will submit a ranked list by March 2. Construction documents for the project are expected from the architect on Tuesday, February 9. Contact David Amundson, 3455.

BUILDING 4 REMODEL AND BUILDING 5 REMODEL/ADDITION

Project work continues in the construction document phase. On Friday, February 12, the engineering group will be doing investigation work inside the Dental Clinic and in building 4 offices 131, 133, 135, and 137. Contact Mark Richardson, 3456.

BUILDING 6 PERFORMING ARTS ELEVATOR AND REMODEL

Users have requested changes to the design. The architects are updating the design and will complete the construction documents in the next few weeks. Contact David Amundson, 3455.

BUILDINGS 10 & 11, RTEC, RECYCLE CENTER, ART & APPLIED DESIGN, AND SPECIALIZED SUPPORT SERVICES

The architects presented an updated estimate which included cost-cutting changes. The estimate shows that the project as revised is close enough to the budget that they will continue with design development. Contact David Amundson, 3455.

BUILDING 19 BUSINESS DEPARTMENT OFFICES REMODEL

Review of the construction documents continues. Contact David Amundson, 3455.

BUILDING 19 FOUNDATION AND WORKFORCE DEVELOPMENT

The architect has completed a punch list for the remodeled area in the Workforce Development Department classrooms and office space built for the Foundation staff. Work to correct items on the punch list has started and should be completed by February 19. Furniture is expected to arrive this week for the Foundation offices and FMP carpenters will do most of the installation. The assembly and installation of the furniture inside the offices is expected to cause some dust and noise at times. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS BUILDING

Work on the feasibility report is progressing nicely. The project manager, architects and consultants have been meeting with a broad group of college staff and a representative of the City of Eugene to learn about the space and other conditions each occupant needs to function. The downtown campus building project currently includes a student housing component. The team is working on the number and mix of units as well as the financial considerations. Design options for the academic, tenant and housing components are being created and evaluated and funding possibilities explored. Contact Bob Mention, 5747.

FLORENCE CENTER REMODEL AND SCIENCE LAB ADDITION

Lane's bond workforce will travel to the Florence Center several times over the next two weeks to complete minor repairs on the outside of the building. The crew will also work inside the new science classroom addition installing white boards and other small items. Contact Mark Richardson, 3456.

SOLAR LAB STATION

Conceptual designs remain under review by FMP and program staff. Contact Mark Richardson, 3456.

TRACK AND SOCCER BOWL UPGRADES

Work in the development phase continues for the track and soccer bowl project. Contact Todd Smith, 5132.

----- DEFERRED MAINTENANCE PROJECTS -----

PROJECT 448 KEYLESS ACCESS

The contractor, Allied Fire & Security, is currently installing electronics on building 19. Door hardware is expected to be received soon for buildings 5 and 6. After work is completed in 5 and 6, the next buildings are buildings 16, 19, Center. Hardware installations for Buildings 4, 8, 9, 12, 13, and 15 have been completed to date, though some procedural and hardware/electronic issues still remain on these buildings. The remainder of the buildings will be commissioned through winter and spring terms. Four CCTV cameras were installed on Facilities, building 7, as part of a camera evaluation. The results of the test will help us arrive at a decision as to the most appropriate cameras to install as part of the Keyless Access project. Contact Dave Smith, 3433.

PROJECT 449 ASBESTOS ABATEMENT

The deferred maintenance crew continues work installing new insulation onto the chilled and hot water lines in the tunnel system and mechanical rooms. Contact Angela Fazio, 3428.

PROJECT 450 FIRE ALARM/MASS COMMUNICATION SYSTEM

The fire alarm contractor, SecureCom, finished with installing the main fire alarm system upgrade at the Florence center and has passed inspection. On the Eugene main campus, fire alarm testing was completed over the winter break in the presence of the Oregon deputy state fire marshal. All systems passed. There is some additional work on two systems that will require testing at a later date. All buildings are currently protected, and will continue to be, by existing fire alarm systems. Contact Dave Smith, 3433.

PROJECT 451 UTILITY SUBMETERING

Final mechanical inspections are complete; final electrical inspections still to be conducted upon resolution of an Underwriter Laboratory (UL) certification of monitoring devices. UL performed a site audit and when made available, the testing reports will be reviewed. MeasureLogic is to provide requested information for UL evaluation. Contact Angela Fazio, 3428.

PROJECT 454 BUILDINGS 4 AND 5 REROOF

Umpqua Roofing has completed all punch list items identified. Still await dry weather to make warranty repairs. Contact Angela Fazio, 3428.

PROJECT 458 AMTF IMPROVEMENTS

Aviation Maintenance Technician program paint booth erection complete. Booth airflow does not meet specifications; Rohner to address this issue. Final electrical inspection did not pass because of the need for an additional service disconnect for MAU. Results for the final plumbing inspection are forthcoming. Rohner worked to complete exterior

finishes, and work resumed to complete the concrete apron. Contact Angela Fazio, 3428.

OTHER FACILITIES PROJECTS

COMPUTERIZED MAINTENANCE MANAGEMENT SYSTEM

Site visitation was planned where short-listed CMMS programs have been implemented and are being used at other higher education facilities. A template to collect and organize gathered information was created for product review. Contact Angela Fazio, 3428.

HEALTH & WELLNESS BUILDING

Work continues on large glazing walls and glazing system for rooftop Alveolus feature (glass "lung"). Installation of wallboard is complete on the first floor and underway on the second floor. Mechanical and electrical rough in work continues on the second floor. The solar-thermal portion of work is moving into procurement stage. Expect noise from construction activities for the immediate future. Project completion expected August 2010. Contact Brian McMurray, 5829.

NATIVE AMERICAN LONGHOUSE

Installation of HVAC equipment is to begin the first week of March. The fire protection plan is in the final approval stage, and we expect work to start mid February. Plumbing bids will open February 24 and the project completion is expected by August 1. Contact Brian McMurray, 5829.

RTS PARKING LOT EXPANSION

During the week, work resumed to complete the installation of extruded curb and striping of building 46 expanded parking lot. Installation of wheel stops completed. Contact Angela Fazio, 3428.

TRAININGS

HIRING FOR CULTURAL COMPETENCE: Practical Methods and Strategies to Get
 When: 1:00 - 3:30 PM, Friday, February 19
 Where: Room 102, Center for Meeting and Learning
 For Lane classified, faculty and management staff

What you need: This workshop is designed to provide Lane participants with practical methods and strategies to assess the cultural competence of candidates for positions at Lane. Each method or strategy can be adapted as appropriate for the particular position in question, whether the position involves designing curricula and teaching in the classroom, serving students and others in an office, or working to maintain services throughout the larger campus. Because "one size does not fit all," hiring processes designed to assess the cultural competence of candidates need to be tailored to the position in question and to the types of situations the person in that position is likely to encounter. Participants will learn practical methods and strategies to include cultural competence as one factor in 1) designing appropriate advertisements; 2) improving paper screening procedures; 3) writing effective interview and reference questions; and, 4) designing and carrying out hiring demonstrations. Presenter: Cris Clifford Cullinan, Ph.D., associate director of Organization Development and Training, University of Oregon. Provided by the Office of Professional and Organizational Development and Human Resources Department.

T2T: SOCIAL NETWORKING AND WEB 2.0 TOOLS FOR ONLINE INSTRUCTION, ATC bldg 19/room 249

Fridays Feb 12 - Mar 12, 1-3 pm, Instructors: Borrowdale, Coronado, Keene-Wilson and Pineda, ATC building 19/room 249. Five-week hybrid class TOPICS: New and emerging technologies for online learning, Social networking tools, Google Docs, Blogging, wikis and forums, Screen capturing, Webcasting, Cool tricks and hot tips. Meet in the classroom on Fridays 1-3 p.m. combined with online time for this 1 credit course (pass/no pass or audit only). Registration is required as space is limited. If you are interested in participating please enroll directly in ExpressLane, CRN# 33570. Class fee is waived for Lane instructors. For more information contact Meredith Keene-Wilson at keene-wilsonm@lanecc.edu or call 3022.

WELLNESS EVENTS AND CLASSES

* Join the Simple Stretches for Here, There & Everywhere class with Layne King this Tuesday, February 9 from 11:15 - 11:45 a.m. in Building 18, Room 105.

* Transform your life one breath at a time with Al Lee's "Perfect Breathing" workshops. Join either session this Wednesday, February 10 from 3:30 - 4:30 p.m. at the Downtown Center, Room 202 or from 5:05 - 6:05 p.m. in the Center for Meeting and Learning, Room 214.

* All are welcome. Please let us know if you plan to attend a seminar. Contact: Wendy Simmons, 5551 and Layne King, 5263.

ACADEMIC TECHNOLOGY CENTER WORKSHOPS

Moodle Assignments and Activities: Practice setting up assignments and other kinds of graded and un-graded activities. Registration required: e-mail atc@lanecc.edu

- Feb 11, 3 - 5 p.m., LCC19 249

Moodle Gradebook: Learn how to set up a straight-point or weighted gradebook, enter and manage grade records, and verify and troubleshoot your gradebook. For current Moodle users. Registration required: e-mail atc@lanecc.edu

- Feb 18, 3 - 5 p.m., LCC19 249

Moodle Forums: In this class we will explore the instructional applications of Moodle forums, match the different types of Moodle forums to their instructional uses, and practice setting up different types of forums. For current Moodle users. Registration required: e-mail atc@lanecc.edu

- Feb 25, 3 - 5 p.m., LCC19 249

Moodle Quiz Module: In this workshop you will learn how to: import and create questions, organize question banks, deliver quizzes and tests in Moodle, and arrange for proctored administration of Moodle tests. For current Moodle users. Registration required: e-mail atc@lanecc.edu

- Mar 4, 3 - 5 p.m., LCC19 249

Grade Book & Grade Entry Support: Drop in for help verifying, troubleshooting, importing or exporting Moodle or Excel gradebooks; or for help with Final Grade entry in Expresslane. No registration required.

- Mar 10, 3 - 5 p.m., LCC19 249

- Mar 11, 3 - 5 p.m., LCC19 249

- Mar 17, 3 - 5 p.m., LCC19 249

- Mar 18, 3 - 5 p.m., LCC19 249

Other Topics and Times: As usual, please let us know if you need us to schedule other alternatives, or if you need individual help.

ADS

ANIMAL SUPPORT COMMITTEE NEEDS YOUR HELP: We are in desperate need of donations! Tax deductible donations to the ASC account can be made through the Foundation, or can be given to Kirsia Whedon or Jamie Kelsch, ASC members. The ASC's primary mission is the care and control of the feral cat population on the main campus. We are a group of volunteers dedicated to the humane treatment of feral cats and to the prevention of future generations. We use the TTVAR (trap, test, vaccinate, alter and release) aka TNR system at Lane - it is the only proven humane and effective method for stabilizing feral cat populations. It is also the least costly and most efficient way to manage feral cat colonies over time. This method requires all cats be taken to a veterinarian and tested for FIV/FelV, spayed or neutered if necessary, and vaccinated. Tame cats and kittens are adopted out to permanent homes whenever possible. Feral cats and kittens are released back into the colony at Lane following International TNR Guidelines. We have experienced a huge influx of new (mostly feral) cats and kittens on campus in recent months (5 cats and 14 kittens have been caught or trapped so far). Even though we receive great professional discounts from the vets we use, the minimum basic medical costs alone for so many cats and kittens has totally depleted the Committee's limited resources. If you are interested in learning more or joining the Committee please visit our web site at <http://www.lanecc.edu/asc/>. Submitted by Kirsia Whedon, 463-5534.

DON'T FORGET YOUR SWEETHEART! The Titan Store has everything you need for a special Valentine's Day: * Gourmet Chocolate Truffles * Jewelry * Balloon Bouquets * Greeting Cards * Candy & Novelty Gifts. Enter the free drawing to win a Euphoria chocolate heart filled with cookies. The drawing is Thursday, February 11 at 1 p.m. One entry per person per day. Contact Ava Nelson, ext. 5716 or Maria Cisneros, ext. 5744.

MAKING WISE CHOICES WORKSHOPS for students begin Friday. These workshops will provide students with sound advice to make the best decision regarding their grading options: GPA calculation and various grading options including pass/no pass, withdrawals, and incomplete grades; financial aid expectations for satisfactory academic progress (SAP); information on campus support services; and decision-making to make wise choices. All workshops before February 26, the final day to make schedule changes. Workshop schedule:

Friday, February 19, 11- 1:50 a.m., 1/224

Monday, February 22, 1-1:50 p.m., 19/248

Wednesday, February 24, 12-12:50 p.m., 19/241

The Making Wise Choices workshops are a joint effort between Counseling, Enrollment Services and Financial Aid, brought to you by the SAGA Committee. Contact Mary Parthemer, director, TRIO and Title III, 3133 or parthemerm@lanecc.edu

NEWS

KIM HAYES NAMED EMPLOYEE OF THE MONTH

Kudos and congratulations go to February's Classified Employee of the Month, Kim Hayes in Specialized Support Services. Representatives of the Classified Professional Development Team joined staff and students in Specialized Support Services to present Kim with the Employee of the Month award for February. Kim was hired July 1973 as an hourly aide in Adult Basic Education. In July 1978 she was hired as a contracted instructional aid in Work Activity under the ABE department. On July 1, 1996 her position was reclassified to a developmental disabilities specialist 1 in Specialized Support Services.

Some examples inspiring this award include Kim's supervision of men and women who have developmental disabilities in job positions in the cafeteria. She has created several ways of using positive thinking to keep her crew on task. She is willing to help anyone succeed in whatever the task. Kim has a great relationship with other departments on campus. Good customer service is very high on her priority list. She is the first person to volunteer her time wherever she is needed. She always looks on the bright side and tries to turn a negative into a positive if possible. Kim focuses on the can dos and is not one to accept that she can't, and she doesn't want you to either. Kim demands a respectful, inclusive and accessible working and learning environment. She is the first to raise her hand if she knows there is a need. Kim promotes the compost on campus. She continually reminds students and staff what is compost and what is not. She strives to recycle everything she can to save for the college. She practices being green here on campus and at her home. She donates bottles and cans to the campus Kitty Fund to help with the care and maintenance of our cat population.

Kim is an angel in disguise. She is a great employee and is dedicated to Lane Community College and has been for over 30 years. When you see Kim, congratulate her for doing a terrific job and celebrate her nomination as February's Classified Employee of the Month.

And remember that, you too, can help us to recognize exemplary classified employees by nominating them for this award by the 15th of each month. Nomination forms are available on the CPDT website: <http://www.lanecc.edu/cpdt/eom.html> ; or from Elaine Marsh, IRAP, marshe@lanecc.edu

ANNOUNCEMENTS

DEPARTMENT CLOSURES

* HEALTH CLINIC will be closed for training on the afternoon of Friday, February 19, beginning at 12 p.m. Contact: Mona Arbuckle.

* COUNSELING, ADVISING, TESTING and CAREER & EMPLOYMENT SERVICES will be closed for winter in-service on Friday, February 19. Contact: Jerry de Leon, 5870.

TOM ROHR AND FRIENDS EXHIBIT OPENS FEBRUARY 22

The Lane Art Gallery presents Tom Rohr and Friends, a memorial exhibition to honor our late friend and colleague Tom Rohr. The exhibition is a collective body of work donated by 22 artists from across the country. All the work has been donated to the show, which will coincide with an online auction. The exhibit and the auction will run from February 22 to March 11. Information about the auction can be found at:

<http://tomrohrmemorialauction.blogspot.com>

"It is our goal through the online auction to raise money to help in create the Tom Rohr Memorial Scholarship Fund. We would like to encourage the community to take part in this great event," says Jennifer Salzman, gallery director. An artists' lecture presented by Lisa Favero, called "Body of Clay, Heart on Fire: Sensuality and Play in the Work of Tom Rohr," will be held February 25 at 3 p.m. with a reception immediately following.

The gallery is located in building 11. There is no charge for admission. The Art and Applied Design Department phone number is 463-5409.

CLASSICAL CUISINE DINNER MARCH 4

It is the honor for the Culinary Arts and Hospitality Management students to invite you, your family and friends to take a ride on the Darjeeling Express! Enjoy a wonderful Indian cuisine dinner and silent auction in the Center for Meeting and Learning, building 19, Thursday, March 4. The silent auction will be from 5-6 p.m. and hors d'oeuvres will be served. The dinner will begin at 6 p.m. Tickets are \$35 per person or \$250 for a table of eight. Reserve your seat or table online now at

www.lanec.edu/culinary/cuisine.htm. If you have questions, please contact Julie Fether at 3518.

LANE PEACE SYMPOSIUM MARCH 5

The Lane Peace Center's third annual peace symposium, "Confronting Militarism: Democracy vs. Empire," will be Friday, March 5, from 6-9:30 p.m., with doors opening at 5:30 p.m. The symposium will be at the Center for Meeting and Learning, building 19. Speakers include renowned activist Tom Hayden - civil rights Freedom Rider, co-founder of the Students for a Democratic Society, California legislator for 18 years, current professor of legal studies at Scripps College in Claremont, contributor to the Nation magazine, and author. His most recent book is "The Long Sixties: From 1960 to Barack Obama." Hayden's talk is titled "Mass Movements vs. Machiavellianism" and will focus on forming social movements in a time of war. Other keynoters include Dr. Anita Weiss, head of the University of Oregon Department of International Studies, whose research and travels focus on Pakistan. She will speak about the current situation in Pakistan in the midst of the US War on Terror. Dr. Gwyn Kirk, a scholar-activist concerned with gender, racial and environmental justice, will address women and militarization. Northwest singer/songwriter/guitarist Jim Page will perform his music with lyrics

influenced by insight and poetic conscience. A community reception for the Tom Hayden, Anita Weiss, Gwyn Kirk and Jim Page will be held from 2-3:30 pm at Cosmic Pizza, 8th and Charnleton, Eugene. Suggested donation is \$10, no one will be turned away for lack of funds. Complete information is available online at: <http://www.lanecc.edu/peacecenter/2010%20Conference/index.html> Contact: Stan Taylor.

FREE TAX HELP

Free tax help will be provided every Tuesday, Wednesday and Friday in the south end of the cafeteria on a first-come, first-served basis from 9 a.m. to 3 p.m. Submitted by Tina Lymath, 5336.

2009-10 SCHAFER INNOVATIONS NOMINATIONS DUE: \$5,000 IN AWARDS

Each year Lane holds a competition to identify several projects that embody a spirit of innovation envisioned by past president Eldon F. Schafer. The Schafer Innovation Awards are selected in collaboration with the Innovation of the Year, sponsored by the League for Innovation in the Community College. Five-thousand dollars is available to selected innovations and great ideas. Nominations for Innovations of the Year are due Monday, March 15. All faculty, staff and managers were sent a nomination flier via e-mail. If you have additional questions contact Tamara Pinkas, Lane's League Rep, pinkast@lanecc.edu, 5011.

A BIG THANK YOU FOR LANE PREVIEW NIGHT

Please accept my gratitude for all the hard work and time donated to make this year's Lane Preview Night a huge success! We had almost 500 prospective and incoming students attend the program, and many brought parents and other family members. The information fair was well staffed and students left for their breakout sessions with great information on academic programs and support resources. I am especially grateful to the following individuals: Helen Garrett, Tracy Simms, Karen Wygle, John Hamblin, Lori Brenden, Darlene Baker, Vicki Doughty, Andy McClure, Brent Ellison, Rodger Bates, Mike Zimmerman, David Macon, Tom Johnson, Susan Chase, John Labor and Joan Aschim. Many thanks are due to our breakout session presenters and those who represented their department/program during the information fair. Thank you to everyone for supporting Lane's recruitment and outreach efforts. Submitted by David Van Der Haeghen, Student Recruitment & Outreach Coordinator, Enrollment & Student Financial Services.

----- FACILITIES UPDATES -----

Planning for summer maintenance projects is under way. If you have a grant funded project that has facilities components to it and a timeline for completion by the fall of 2010, please write a work request, send an e-mail to: facilitiesoffice@lanecc.edu, and schedule a meeting with David L. Willis, director of Facilities Management and Planning, to review the scope of the work. All requests will be considered and prioritized with available resources.

Planning for summer deep cleaning projects is also under way. If you have a particular deep cleaning need that you would like to see considered for inclusion in this effort, please write a work request, send an e-mail to: facilitiesoffice@lanecc.edu, and schedule a meeting with Katherine Vos, operations manager for the Custodial and Public Safety

departments to review the scope of the work. All requests will be considered and prioritized with available resources.

The Safety Committee met this week and is currently conducting a survey of the main campus to identify any exterior handrail needs associated with existing concrete stairways. This information will be considered as we plan future improvements to the campus.

Mike Sims is now the designated coordinator for the exterior building trash and recycling container services. Please contact Mike Sims for all issues, requests associated with the emptying and servicing of these containers. Mike is coordinating closely with specialized support services staff and general FMP services staff to provide this service. If you have any requests associated with this work, please fill out a work request, send an e-mail to facilitiesoffice@lanecc.edu, or schedule a meeting with Mike Sims to review the request. Facilities contact: David L. Willis.

BOND UPDATES

Contacts: Bob Mention, 5747, or Todd Smith, 5132.

AMTF IMPROVEMENTS

The Aviation Maintenance training facility paint booth airflow modifications completed this week. An independent testing company to measure air profile. Rohner will be on site this week to complete exterior finishes. Final electrical and plumbing inspections passed and final building inspection is expected next week. Contact Angela Fazio, 3428.

ASBESTOS ABATEMENT

Crews continue work installing new insulation on the cold and hot water lines in the tunnel system and mechanical rooms. Remaining tunnel work 28 percent complete; remaining mechanical room work 19 percent complete. Contact Angela Fazio, 3428.

BUILDING 2 REMODEL

Construction documents are under review. Contact David Amundson, 3455.

BUILDING 4 REMODEL AND BUILDING 5 REMODEL/ADDITION

Soils testing is scheduled for February 17 at 8 a.m. The testing agency will be sectioning off small areas north of building 5 where they will remove large amounts of soil to obtain samples. When soil sampling is complete, the holes will be backfilled and all sectioned areas will be reopened. Contact Mark Richardson, 3456.

BUILDING 6 PERFORMING ARTS ELEVATOR AND REMODEL

Work to complete construction documents continues. Contact David Amundson, 3455.

BUILDINGS 10 & 11, RTEC, RECYCLE CENTER, ART & APPLIED DESIGN, AND SPECIALIZED SUPPORT SERVICES

Design development work continues. Contact David Amundson, 3455.

BUILDING 19 BUSINESS DEPARTMENT OFFICES REMODEL

Review of the construction documents continues. Contact David Amundson, 3455.

BUILDING 19 FOUNDATION AND WORKFORCE DEVELOPMENT

Furniture ordered for the Foundation office is scheduled to arrive February 17. FMP carpenters will be on site to assemble and install the furniture and this work is expected to cause some dust and noise at times. Contact Mark Richardson, 3456.

COMPUTERIZED MAINTENANCE MANAGEMENT SYSTEM

Two of three vendor site visitations planned were completed. Data collection continues. PUG webinars to be scheduled. Contact Angela Fazio, 3428.

DOWNTOWN CAMPUS BUILDING

Work on the Phase 1 Feasibility Report is fast approaching the finish line - the March meeting of Lane's Board of Education. Work sessions with the project steering committee and management team are scheduled for Tuesday and Wednesday this week. College consultants have continued to develop budget options and concept designs. The cost estimate for the concept designs will be presented to the committee at the Tuesday work session. Contact Bob Mention, 5747.

FIRE ALARM/MASS COMMUNICATION SYSTEM

The fire alarm contractor, SecureCom, is currently installing the mass notification system in Administration, building 3 and the Public Safety annex, building 13. This will provide the capability to broadcast an emergency message campus wide from a centralized location. User training on the fire alarm is scheduled for late February or early March. Additional work remains in buildings 7, 12 and the Family and Child Education complex for the system to be completed. Contact Dave Smith, 3433.

KEYLESS ACCESS

The contractor, Allied Fire & Security, will start installing hardware on a few doors in building 5 on Tuesday. Later during the week, hardware installation will begin on building 6. Various rough in work continues in building 16 including the mounting of electronic enclosures in the crawlspace and basement locations. Four CCTV cameras were installed on Facilities, building 7, as part of a camera evaluation. The results of the test will help us arrive at a decision as to the most appropriate cameras to install as part of the Keyless Access project. Contact Dave Smith, 3433.

SOLAR LAB STATION

Conceptual designs remain under review by FMP and program staff. Contact Mark Richardson, 3456.

TRACK AND SOCCER BOWL UPGRADES

Work in the development phase continues for the track and soccer bowl project. Contact Todd Smith, 5132.

UTILITY SUBMETERING

Final mechanical inspections are complete; final electrical inspections still to be conducted upon resolution of an Underwriter Laboratory (UL) certification of monitoring devices. UL performed a site audit and when made available, the testing reports will be reviewed. MeasureLogic is to provide requested information for UL evaluation. Contact Angela Fazio, 3428.

----- OTHER FACILITIES PROJECTS -----

HEALTH & WELLNESS BUILDING

Mechanical rough in work on second floor is near completion. Installation of windows on rooftop Alveolus (glass lung) feature has begun. Work is under way installing sheetrock walls and finishing with paint. Tile work in the restrooms has started. Expect noise from construction activities for the immediate future. Project completion expected August 2010. Contact Brian McMurray, 5829.

NATIVE AMERICAN LONGHOUSE

Installation of HVAC equipment is to begin the first week of March. The fire protection plan is in the final approval stage, and we expect work to begin later this month. Plumbing bids will open February 24 and the project completion is expected by August 1. Contact Brian McMurray, 5829.

RTS PARKING LOT EXPANSION

Substantial completion inspection scheduled this week. Contact Angela Fazio, 3428.

TRAININGS

HIRING FOR CULTURAL COMPETENCE: Practical Methods and Strategies to Get

When: 1:00 - 3:30 PM, Friday, February 19

Where: Room 102, Center for Meeting and Learning

For Lane classified, faculty and management staff

What you need: This workshop is designed to provide Lane participants with practical methods and strategies to assess the cultural competence of candidates for positions at Lane. Each method or strategy can be adapted as appropriate for the particular position in question, whether the position involves designing curricula and teaching in the classroom, serving students and others in an office, or working to maintain services throughout the larger campus. Because "one size does not fit all," hiring processes designed to assess the cultural competence of candidates need to be tailored to the position in question and to the types of situations the person in that position is likely to encounter. Participants will learn practical methods and strategies to include cultural

competence as one factor in 1) designing appropriate advertisements; 2) improving paper screening procedures; 3) writing effective interview and reference questions; and, 4) designing and carrying out hiring demonstrations. Presenter: Cris Clifford Cullinan, Ph.D., associate director of Organization Development and Training, University of Oregon. Provided by the Office of Professional and Organizational Development and Human Resources Department.

ACADEMIC TECHNOLOGY CENTER WORKSHOPS

Moodle Assignments and Activities: Practice setting up assignments and other kinds of graded and un-graded activities. Registration required: e-mail atc@lanecc.edu

- Feb 18, 3 - 5 p.m., LCC19 249

Moodle Forums: In this class we will explore the instructional applications of Moodle forums, match the different types of Moodle forums to their instructional uses, and practice setting up different types of forums. For current Moodle users. Registration required: e-mail atc@lanecc.edu

- Feb 25, 3 - 5 p.m., LCC19 249

Moodle Quiz Module: In this workshop you will learn how to: import and create questions, organize question banks, deliver quizzes and tests in Moodle, and arrange for proctored administration of Moodle tests. For current Moodle users. Registration required: e-mail atc@lanecc.edu

- Mar 4, 3 - 5 p.m., LCC19 249

Grade Book & Grade Entry Support: Drop in for help verifying, troubleshooting, importing or exporting Moodle or Excel gradebooks; or for help with Final Grade entry in Expresslane. No registration required.

- Mar 10, 3 - 5 p.m., LCC19 249

- Mar 11, 3 - 5 p.m., LCC19 249

- Mar 17, 3 - 5 p.m., LCC19 249

- Mar 18, 3 - 5 p.m., LCC19 249

Other Topics and Times: As usual, please let us know if you need us to schedule other alternatives, or if you need individual help.

WELLNESS EVENTS AND CLASSES

Learn your ABC's (Abs, Back & Core) on the Ball with Wendy Simmons, Wednesday, February 17, from 5:10 - 5:50 p.m. in Building 5, Room 101 (Fitness Education Center).

Simple Stretches for Here, There & Everywhere with Layne King, Friday, February 19 from 12:00 - 12:30 p.m. at the Downtown Center, Room 301.

Find Time to Manage Your Time with Gay Wayman from PeaceHealth, Friday, February 19, from 1-2 p.m. in building 5, room 206. All are welcome. Please let us know if you plan to attend a seminar. Contact: Wendy Simmons, 5551 and Layne King, 5263.

ADS

RUMMAGE SALE BENEFITS HIGH SCHOOL ROWING: The Oregon Association of Rowing, Jr. Crew rowing team, which is area-wide but based at South Eugene HS, is raising funds with a rummage sale Saturday, February 20 from 8 am-2 pm in the SEHS cafeteria. Be The Change: Career development meets Social Action CG1992 CRN 42646 3 credits graded Mondays 2 ^{LL} 4.50 Instructor: Lola Broomberg www.lolabroomberg.com Develop a plan for your life and make a difference, starting now. Submitted by Lola Broomberg.

FOR SALE: '91 HONDA CIVIC WAGON - hatchback. A great car, even if she is old. 167,000 miles, we got her with 30,000 miles, and have all maintenance records. New tires and alignment. Very dependable, starts every time! Excellent for around town, she gets between 28-34 mpg. \$1200. obo. Yakima racks and crossbars fitting the car, but not mounted on top at the moment. \$100 obo. Liz Coleman or Andy Fry 541-683-4384.

EXPERIENCED HOUSE/PET SITTER AVAILABLE in the Thurston-Springfield area. I can recommend a mature, dependable, experienced home/pet sitter who does both overnight stays and daily visits. She is now scheduling for spring and summer, and has excellent LCC references. Contact Patsy at x5877.

ANIMAL SUPPORT COMMITTEE NEEDS YOUR HELP: We are in desperate need of donations! Tax deductible donations to the ASC account can be made through the Foundation, or can be given to Kirsia Whedon or Jamie Kelsch, ASC members. The ASC's primary mission is the care and control of the feral cat population on the main campus. We are a group of volunteers dedicated to the humane treatment of feral cats and to the prevention of future generations. We use the TTVAR (trap, test, vaccinate, alter and release) aka TNR system at Lane - it is the only proven humane and effective method for stabilizing feral cat populations. It is also the least costly and most efficient way to manage feral cat colonies over time. This method requires all cats be taken to a veterinarian and tested for FIV/FelV, spayed or neutered if necessary, and vaccinated. Tame cats and kittens are adopted out to permanent homes whenever possible. Feral cats and kittens are released back into the colony at Lane following International TNR Guidelines. We have experienced a huge influx of new (mostly feral) cats and kittens on campus in recent months (5 cats and 14 kittens have been caught or trapped so far). Even though we receive great professional discounts from the vets we use, the minimum basic medical costs alone for so many cats and kittens has totally depleted the Committee's limited resources. If you are interested in learning more or joining the Committee please visit our web site at <http://www.lanecc.edu/asc/>. Submitted by Kirsia Whedon, 463-5534.``

PLEASE SUPPORT YOLANDA ELEMENTARY School and buy some cookie dough. 10 mouth watering flavors in both scoopable buckets or pre-formed cookies. Dough comes frozen and can be kept frozen for months. \$12-\$14. Will deliver to LCC. Orders and payment due by Wednesday, 2/17. Call 541-520-6934 to place your order or e-mail lisabarrager@yahoo.com. Submitted by Lisa Barrager.``

WANTED: #3 or #5-tall nursery containers. I need about 45 total. If you've got some you're willing to recycle to a new home please contact me. bells@lanecc.edu or 463-5063.``

ROOM FOR RENT in Springfield home, upper loft, carpeted, small closet, air conditioner for summer and partially furnished. Common areas, kitchen, use of fridge, laundry and barbeque, living room, dinning room. Walking distance to major shopping on Mohawk Blvd. Cable available, computer use possible. \$375 month/ \$100 deposit first/last available after February 22. Andy, ext. 5455 or (541) 221-1187.``

FOR SALE: 4 STUDLESS SNOW TIRES. Driven only this season. Mounted on alloy rims. 15 inch. Fits Dodge Grand Caravan. \$200. contact:wilkesn@lanecc.edu ``

3 BEDROOM, 2-1/2 BATH, 4 car garage, 4 decks in wooded South Eugene cul-de-sac. Newly remodeled. Exceptional terms for rent or sale-no down, owner financing available. Call Greg ext. 5516 or 654-0126.``

For details, contact: Megan Hinkel, HinkelM@lanecc.edu.

NEWS

CLASSICAL CUISINE DINNER

The Culinary and Hospitality students at Lane Community College invite the public to the annual winter classical cuisine dinner, titled, "The Darjeeling Express—Celebrating the Cuisine of India," on Thursday, March 4. A silent auction and hors d'oeuvres reception begins at 5 p.m. with dinner beginning at 6 p.m., in the Center for Meeting and Learning,

building 19, main campus, 4000 E. 30th Avenue, Eugene. Proceeds will benefit the Culinary Arts and Hospitality Management Program. Tickets are \$35 each or \$250 for a table of eight, and are available for online purchase until Wednesday, March 3 at www.lanecc.edu/culinary/cuisine.htm.

ANNOUNCEMENTS

RIVERSIDE CHAMBER SYMPHONY

The ensemble of advanced amateurs will present the second concert of their 10th Anniversary season on Thursday, March 4, at 7:30 p.m. in the United Lutheran Church at 22nd and Washington Streets in Eugene. Highlighting the concert will be a performance of the "Classical Symphony" by Sergei Prokofiev. Also featured will be the "Overture in the Italian Style" in C by Schubert. The concert will also include an aria from Bach's Cantata 78 transcribed for two trumpets, and two instrumental excerpts from the Handel Messiah. There is general seating for the performance, and a suggested \$5 donation. (No ticket purchase is necessary.) For more information, please contact Jennifer Love at lovejm@lanecc.edu or x3393.

INSTRUCTOR NEEDED

Are you an innovative Faculty member? Are you interested in learning new ways to enhance curriculum in the classroom using concepts related to cultural aspects of disability and universal access? Disability Resources is seeking a forward-thinking instructor to participate in a Federal DOE research demonstration grant. Only 25 faculty members in the US will be invited to join this exciting project and have the opportunity to develop new ways of thinking and teaching. Application details can be found on our website @ <http://www.lanecc.edu/disability/>. Deadline is March 8th. Contact: Lynn Lodge x5059

131 POUNDS OF FOOD COLLECTED SO FAR IN FEBRUARY

The Science Department collected 33 food items. This is share your heart month. There is still three days left to bring your food item this month. Only 19 more pounds to make 150 pounds. It would be great to collect 69 more pounds to make a super 200 pounds this month. Everyone, keep up the good work. All the food goes to Food For Lane County for food boxes and meal sites. Remember to donate one can of non-perishable food a month to Lane's ongoing food drive. For some people getting a food box makes a difference in being able to buy needed medication or to pay a heating bill. Many food box recipients are the working however still unable to meet basic needs. Look for a box near you or call for a location, 5395. Submitted by Beverly Farfan, farfanb@lanecc.edu

FACULTY PROFESSIONAL DEVELOPMENT (FPD) VIDEO

FPD invites you to view a short video about new programs for Lane faculty. View it at: <http://www.screencast.com/t/M2UzMTg1ODct> Questions? Contact FPD Coordinator, Adrienne Mitchell, at mitchella@lanecc.edu or x5871

FACULTY PROFESSIONAL DEVELOPMENT (FPD) TEACHING SQUARES

FPD offers Teaching Squares again this Spring -- it's your chance to see your colleagues in action! The Teaching Squares program is open to all faculty and is designed to improve teaching skills and build community through a non-threatening process of classroom observation and shared reflection. A Teaching Square is a group

of four faculty members from different disciplines who: engage in reciprocal classroom visits, share teaching materials, reflect on classroom observations, and share best practices with colleagues. There are a few spaces available for the Teaching Squares program this Spring. FPD provides a \$200 stipend for faculty members to facilitate participation. If you are interested in participating, please register by March 5, 2010. Registration information and additional details are available online at: <http://lanecc.edu/fpd/teachingsquares.html> or contact Adrienne Mitchell, FPD Coordinator, at mitchella@lanecc.edu or 463-5871.

GENEALOGICAL PRESENTATIONS: AAUW, OASIS and the Jewish Genealogical Society of Willamette Valley are offering a series of genealogical presentations in mid-March. Here's a link to the press release with the details:

http://www.wendycook.com/ettlinger_release.pdf

Contact Wendy J. Cook Communications, LLC, 541-505-8169

NEW LOCATION FOR FOUNDATION OFFICES

Foundation is in the process of moving out of building 3 into building 19 next to Workforce Development. Staff who already moved are Kathy Thomas in room 272 and Jeri Steele in room 271. The rest of the Foundation staff are expected to move by the end of February or the first week of March. Staff phone numbers will stay the same. Thank you.

WHAT DOES CPDT DO?

The Classified Professional Development Team supports and encourages life-long learning for classified staff in areas of personal and professional growth that align with the mission, vision, and core values of the college. CPDT provides assistance and recognition to classified staff through the following programs:

- Individual Personal & Professional Development Reimbursement Funds
- Employee Recognition Programs – IPPD 1
- Conferences & Workshops – IPPD II
- Membership Dues, Publications and Certifications – IPPD III
- Spring term applications are due by 5 pm, March 17, 2010

For more information about programs offered by the Classified Professional Development Team, visit the CPDT website at <http://www.lanecc.edu/cpdt>, Submitted by Kathy Alexander, 5586

LANE PEACE SYMPOSIUM MARCH 5

The Lane Peace Center's third annual peace symposium, "Confronting Militarism: Democracy vs. Empire," will be Friday, March 5, from 6-9:30 p.m., with doors opening at 5:30 p.m. The symposium will be at the Center for Meeting and Learning, building 19. Speakers include renowned activist Tom Hayden - civil rights Freedom Rider, co-founder of the Students for a Democratic Society, California legislator for 18 years, current professor of legal studies at Scripps College in Claremont, contributor to the Nation magazine, and author. His most recent book is "The Long Sixties: From 1960 to Barack Obama." Hayden's talk is titled "Mass Movements vs. Machiavellianism" and will focus on forming social movements in a time of war. Other keynoters include Dr. Anita Weiss, head of the University of Oregon Department of International Studies, whose research and travels focus on Pakistan. She will speak about the current situation in Pakistan in the midst of the US War on Terror. Dr. Gwyn Kirk, a scholar-activist concerned with gender, racial and environmental justice, will address women and militarization. Northwest singer/songwriter/guitarist Jim Page will perform his music with lyrics

influenced by insight and poetic conscience. A community reception for the Tom Hayden, Anita Weiss, Gwyn Kirk and Jim Page will be held from 2-3:30 pm at Cosmic Pizza, 8th and Charnleton, Eugene. Suggested donation is \$10, no one will be turned away for lack of funds. Complete information is available online at: <http://www.lanecc.edu/peacecenter/2010%20Conference/index.html> Contact: Stan Taylor.

TOM ROHR AND FRIENDS EXHIBIT OPEN THROUGH March 11

The Lane Art Gallery presents Tom Rohr and Friends, a memorial exhibition to honor our late friend and colleague Tom Rohr. The exhibition is a collective body of work donated by 22 artists from across the country. All the work has been donated to the show, which will coincide with an online auction. The exhibit and the auction will run to March 11. Information about the auction can be found at:

<http://tomrohrmemorialauction.blogspot.com>

"It is our goal through the online auction to raise money to help in create the Tom Rohr Memorial Scholarship Fund. We would like to encourage the community to take part in this great event," says Jennifer Salzman, gallery director. An artists' lecture presented by Lisa Favero, called "Body of Clay, Heart on Fire: Sensuality and Play in the Work of Tom Rohr," will be held February 25 at 3 p.m. with a reception immediately following.

The gallery is located in building 11. There is no charge for admission. The Art and Applied Design Department phone number is 463-5409.

CLASSICAL CUISINE DINNER MARCH 4

It is the honor for the Culinary Arts and Hospitality Management students to invite you, your family and friends to take a ride on the Darjeeling Express! Enjoy a wonderful Indian cuisine dinner and silent auction in the Center for Meeting and Learning, building 19, Thursday, March 4. The silent auction will be from 5-6 p.m. and hors d'oeuvres will be served. The dinner will begin at 6 p.m. Tickets are \$35 per person or \$250 for a table of eight. Reserve your seat or table online now at www.lanecc.edu/culinary/cuisine.htm. If you have questions, please contact Julie Fether at 3518.

LANE PEACE SYMPOSIUM MARCH 5

The Lane Peace Center's third annual peace symposium, "Confronting Militarism: Democracy vs. Empire," will be Friday, March 5, from 6-9:30 p.m., with doors opening at 5:30 p.m. The symposium will be at the Center for Meeting and Learning, building 19. Speakers include renowned activist Tom Hayden - civil rights Freedom Rider, co-founder of the Students for a Democratic Society, California legislator for 18 years, current professor of legal studies at Scripps College in Claremont, contributor to the Nation magazine, and author. His most recent book is "The Long Sixties: From 1960 to Barack Obama." Hayden's talk is titled "Mass Movements vs. Machiavellianism" and will focus on forming social movements in a time of war. Other keynoters include Dr. Anita Weiss, head of the University of Oregon Department of International Studies, whose research and travels focus on Pakistan. She will speak about the current situation in Pakistan in the midst of the US War on Terror. Dr. Gwyn Kirk, a scholar-activist concerned with gender, racial and environmental justice, will address women and militarization. Northwest singer/songwriter/guitarist Jim Page will perform his music with lyrics

influenced by insight and poetic conscience. A community reception for the Tom Hayden, Anita Weiss, Gwyn Kirk and Jim Page will be held from 2-3:30 pm at Cosmic Pizza, 8th and Charnleton, Eugene. FREE TAX HELP

Free tax help will be provided every Tuesday, Wednesday and Friday in the south end of the cafeteria on a first-come, first-served basis from 9 a.m. to 3 p.m. Submitted by Tina Lymath, 5336.

2009-10 SCHAFER INNOVATIONS NOMINATIONS DUE: \$5,000 IN AWARDS

Each year Lane holds a competition to identify several projects that embody a spirit of innovation envisioned by past president Eldon F. Schafer. The Schafer Innovation Awards are selected in collaboration with the Innovation of the Year, sponsored by the League for Innovation in the Community College. Five-thousand dollars is available to selected innovations and great ideas. Nominations for Innovations of the Year are due Monday, March 15. All faculty, staff and managers were sent a nomination flier via e-mail. If you have additional questions contact Tamara Pinkas, Lane's League Rep, pinkast@lanecc.edu, 5011.

FIRST FRIDAYS

Lane will be hosting the First Fridays Communities of Color, this is a social gathering for communities of color and allies. March 5th at the CML, Room 102, 5:30 -7:00 p.m. Contact Donna Koechig, 5307.

----- FACILITIES UPDATES -----

BOND UPDATES

Contacts: Bob Mention, 5747, or Todd Smith, 5132.

ASBESTOS ABATEMENT

Crews continue work installing new insulation on the cold and hot water lines in the tunnel system and mechanical rooms. Contact Angela Fazio, 3428.

BUILDING 2 REMODEL

Construction documents are under review. Contact David Amundson, 3455.

BUILDING 4 REMODEL AND BUILDING 5 REMODEL/ADDITION

GDB architecture is working on completing construction documents so permits can be obtained from Lane County. Classroom construction is expected to start mid June and will be completed by the fall term. A meeting is being scheduled to work with the user group on plans for the relocation of the Dental Clinic for the summer. A few locations were identified and viewed for consideration, but none have selected at this time. Contact Mark Richardson, 3456.

BUILDING 6 PERFORMING ARTS ELEVATOR AND REMODEL

Work to complete construction documents continues. Contact David Amundson, 3455.

BUILDINGS 10 & 11, RTEC, RECYCLE CENTER, ART & APPLIED DESIGN, AND SPECIALIZED SUPPORT SERVICES

Design development work continues. Contact David Amundson, 3455.

BUILDING 19 BUSINESS DEPARTMENT OFFICES REMODEL

Review of the construction documents continues. Contact David Amundson, 3455.

BUILDING 19 FOUNDATION AND WORKFORCE DEVELOPMENT

Some furniture arrived for the Foundation office and have been installed. More furniture is expected to be delivered this week. Painting contractors will be working inside the Foundation office over the next two weeks completing items on the punch list. Contact Mark Richardson, 3456.

COMPUTERIZED MAINTENANCE MANAGEMENT SYSTEM

Data collection continues. PUG webinars to be scheduled. Contact Angela Fazio, 3428.

DOWNTOWN CAMPUS BUILDING

The project manager and architects presented a design concept, estimate of project expenses, and anticipated sources of funds to the steering committee on February 17. While the steering committee liked the design concept very much, there was concern and discussion about how to align the scope of the project with the anticipated level of funds.

This week the consultants will continue to develop the design concept, investigate ways to reduce the project scope, refine the cost estimates, and explore other potential sources of funds. There is no on-campus meeting scheduled this week. The next and final presentation to the steering committee is scheduled on March 3. Contact Bob Mention, 5747.

FIRE ALARM/MASS COMMUNICATION SYSTEM

The fire alarm contractor, SecureCom, is currently installing the mass notification system in Administration, building 3 and the Public Safety annex, building 13. This will provide the capability to broadcast an emergency message campus wide from a centralized location. User training on the fire alarm is scheduled early March. Additional work remains in buildings 7, 12 and the Family and Child Education complex for the system to be completed. Contact Dave Smith, 3433.

FLORENCE CENTER UPGRADES AND SCIENCE LAB ADDITION

Bineham construction will be working all next week to complete the final stages of the siding work and FMP bond crews have been sent to Florence to complete some minor repairs needed before painting the building can begin. The minor repairs include replacing damaged vents on the outside of the building, removing and replacing an old damaged door, and other small items. Open house is scheduled for March 5, 2009 and a large number of visitors including the local media are expected to attend.

KEYLESS ACCESS

The contractor, Allied Fire & Security, is installing hardware on building 6 this week. Various rough in work continues in building 16 including the mounting of electronic enclosures in the crawlspace and basement locations. Four CCTV cameras were installed on Facilities, building 7, as part of a camera evaluation. The results of the test will help to arrive at a decision as to the most appropriate cameras to install as part of the Keyless Access project. Contact Dave Smith, 3433.

SOLAR LAB STATION

Conceptual designs are under review by FMP and program staff. Contact Mark Richardson, 3456.

TRACK AND SOCCER BOWL UPGRADES

Work in the development phase continues for the track and soccer bowl project. Contact Todd Smith, 5132.

UTILITY SUBMETERING

Final mechanical inspections are complete; final electrical inspections still to be conducted upon resolution of an Underwriter Laboratory (UL) certification of monitoring devices. UL performed a site audit and when made available, the testing reports will be reviewed. MeasureLogic is to provide requested information for UL evaluation. Contact Angela Fazio, 3428.

----- OTHER FACILITIES PROJECTS -----

HEALTH & WELLNESS BUILDING

Work continues on both floors with finishing sheetrock and have began to paint. Work also continues on skylights. Tile work has started in restrooms. Proposals have been received for the building's signage. Expect noise from construction activities for the immediate future. Project completion expected August, 2010.

NATIVE AMERICAN LONGHOUSE

Installation of HVAC equipment is to begin the first week of March. The fire protection plan is in the final approval stage, and work is expected to begin later this month. Plumbing bids will open February 24 and the project completion is expected by August 1. Contact Brian McMurray, 5829.

TRAININGS

ACADEMIC TECHNOLOGY CENTER WORKSHOPS

Moodle Forums: Feb 25, 3 - 5 p.m., LCC19 249

In this class we will explore the instructional applications of Moodle forums, match the different types of Moodle forums to their instructional uses, and practice setting up different types of forums. For current Moodle users. Registration required: e-mail atc@lanecc.edu

Moodle Quiz Module: Mar 4, 3 - 5 p.m., LCC19 249

In this workshop you will learn how to: import and create questions, organize question banks, deliver quizzes and tests in Moodle, and arrange for proctored administration of Moodle tests. For current Moodle users. Registration required: e-mail atc@lanecc.edu

Grade Book & Grade Entry Support: Drop-in hours - Mar 10, 11, 17, 18, 3 - 5 p.m., LCC19 249

Drop in for help verifying, troubleshooting, importing or exporting Moodle or Excel gradebooks; or for help with Final Grade entry in Expresslane. No registration required.

Other Topics and Times: As usual, please let us know if you need us to schedule other alternatives, or if you need individual help. Michael Levick, Academic Technology Center, 541-463-3349, levickm@lanecc.edu

WELLNESS EVENTS AND CLASSES

Posture, Placement and Planning to Make your Work Station Work for You is this Wednesday, February 24, from 4:45 - 5:15 p.m. in Building 5, Room 206 with Wendy Simmons. Learn your ABC's (Abs, Back & Core) on the Ball with Wendy Simmons, Friday, February 26, from 3:00 - 3:30 p.m. in Building 5, Room 102. Please let us know if you plan to attend a seminar. Contact: Wendy Simmons, 5551 and Layne King, 5263.

ADS

FOR SALE: Twin bed (box springs, mattress & frame) \$50. Please contact Dale at x 5834 or Sandy or Dale at 541-942-0583 or lugenbehld@lanecc.edu

FOR SALE: Brahms Requiem tickets for Saturday, February 27, 8 pm, great tickets, orchestra center, row EE, \$63 for two. Susan Matthews 541-343-4397 or ex 5223.

FIGGY NEEDS A HOME: I am fostering a dog through the county shelter that really needs a permanent home. He was having a very hard time in the shelter, acting very stressed in the kennels, so nobody was interested in him. The outlook for him was not good. Suspecting he'd be a different dog in a home environment, LCAS placed him with us. Sure enough, he's a very nice dog with great indoor manners, and he loves my kids. He is very smart and eager to be a Good Dog, so training him is a lot of fun. Best guess is that he's a black lab/border collie mix, weighing in at about 45-50 pounds. Like any dog, he is better suited to some environments than others, and he does need someone who will continue working with him on certain behaviors. In particular, he's afraid of other dogs and reacts accordingly - but he is responding well to training on this. Please get in touch to find out more about him: beasleya@lanecc.edu, 541-461-2345 or ext. 3397.

FOR SALE: 2007 Mustang GT for sale. Excellent condition, premium package, Shaker 1000 stereo with Sirius satellite, 5 speed, leather, power seats, power windows. Still has one year left on the factory bumper to bumper warranty. It has 24,000 miles on it currently. 28+ MPG on freeway. Original owner. \$20,000. Carl at 541-968-5545. hassmanc@lanecc.edu

FOR SALE: Nakamichi home cassette tape deck. Works beautifully (for those who still have tapes!) \$30 Contact Art Peck; x5468 or pecka@lanecc.edu

LOOKING FOR 2 TICKETS: to Colbie Caillet.. For March 6th! Dawna, 541 517-0137

FOR SALE: My reader has outgrown his books. Selling all the ones he doesn't read anymore. Almost all hard cover. Some are bound collections. Lots of Dr. Seuss and others. All of them have been kept on a bookshelf and are in great shape. \$2-\$5 each or make me an offer. Go to www.stevebarth.com/forsale to see a list of titles or come check them out in my office. Contact Dawn at ext. 5503 or barthd@lanecc.edu

FOR SALE: George Foreman like grill. It is white and pretty good sized. Works like a George Foreman. In excellent shape. Only used a few times. \$10. Contact Dawn ext. 5503 or barthd@lanecc.edu.

Tuesday, February 23, 2010

EVENTS THIS WEEK

"PAPERS," a documentary film showing sponsored by ASLCC in collaboration with the Diversity Office and Diversity Council. "Papers" is an in-depth look into the lives of five undocumented youth and the challenges they face while trying to achieve the American Dream. Approximately 2 million youth face the same circumstances currently in the United States. A discussion session will follow each of the two showings:

Thursday, March 4, 12 p.m., Center Building first floor cafeteria

Friday, March 5, 7 p.m., Building 6 Performance Hall

Free and open to the public. Contact: Elizabeth Andrade.

FIRST FRIDAYS COMMUNITIES OF COLOR, a social gathering for communities of color and allies, Friday, March 5, Center for Meeting and Learning, room 102, 5:30-7 p.m. Contact: Donna Koechig, 5307.

LANE PEACE SYMPOSIUM, "Confronting Militarism: Democracy vs. Empire," Friday, March 5, 6-9:30 p.m., with doors opening at 5:30 p.m., Center for Meeting and Learning, building 19. Speakers include renowned activist Tom Hayden, Dr. Anita Weiss, head of the University of Oregon Department of International Studies, Dr. Gwyn Kirk, a scholar-activist concerned with gender, racial and environmental justice, and Northwest musician Jim Page. A community reception for the speakers will be held from 2-3:30 p.m. at Cosmic Pizza, 8th and Charnleton. Details at:

<http://www.lanecc.edu/peacecenter/2010%20Conference/index.html> Contact: Stan Taylor.

LANE SYMPHONIC BAND, conducted by Ron Bertucci, and LANE CHAMBER ORCHESTRA, with guest conductor Richard Long, Wednesday, March 3, 7:30 p.m., Performing Arts Hall, building 6. The Symphonic Band will reprise their program Sunday, March 7 at 3 p.m. Tickets for each evening are \$3 for students and seniors, \$5 general admission. Cash and checks only at the door. All proceeds support Lane music scholarships. Contact: John Watson, 5161 or watsonj@lanecc.edu

NEWS

IN MEMORY

* JIM PITNEY, former longtime board member of Lane Community College, passed away February 14 at age 89. A memorial service is scheduled for Sunday, March 14, at United Methodist Church in Junction City.

Pitney served on the Board of Education in the Zone 2 position for 24 years, from July 1, 1975 to June 30, 1999. In 2000, the college dedicated the Jim Pitney Learning Center at Junction City High School to honor Pitney's service to the college. See the obituary in The Register-Guard online at

<http://www.registerguard.com/csp/cms/sites/web/news/obituaries/24479536-41/thomas-yeack-died-eugene-grandchildren.csp>

* BOB TEGGE, former food services manager at Lane, passed away February 9 of complications from diabetes, at age 76. He worked at Lane from 1976 to 1982 and again from 1982 to 1992. His obituary in The Register-Guard can be read online at

<http://www.registerguard.com/csp/cms/sites/web/news/obituaries/24452004-41/tegge-eugene-robert-died-feb.csp>.

ANNOUNCEMENTS

GROUP BUS PASS SPRING TERM

Students or staff taking a credit class on main campus or at the DTC are eligible for a LCC bus pass good for the entire term. Photos for bus pass ID cards will be taken in building 19/117, March 29-31, 8 a.m.-4 p.m. Stickers for spring term will be available beginning April 6 at the Titan Store return window or at the Downtown Center. Go to <http://www.ltd.org/> for more transportation options, schedules and route changes.

Contact: Susan Tatar, 5727.

FACULTY PROFESSIONAL DEVELOPMENT (FPD) NEWSLETTER

The Winter FPD Newsletter is available online at:

<http://lanecc.edu/fpd/documents/Newsletter--Winter2010.pdf> Submitted by Adrienne Mitchell, FPD Coordinator, mitchella@lanecc.edu or 463-5871

FACULTY PROFESSIONAL DEVELOPMENT (FPD) TEACHING SQUARES

FPD offers Teaching Squares again this spring -- it's your chance to see your colleagues in action! The Teaching Squares program is open to all faculty and is designed to improve teaching skills and build community through a non-threatening process of classroom observation and shared reflection. A Teaching Square is a group of four faculty members from different disciplines who: engage in reciprocal classroom visits, share teaching materials, reflect on classroom observations, and share best practices with colleagues. There are a few spaces available for the Teaching Squares program this Spring. FPD provides a \$200 stipend for faculty members to facilitate participation. If you are interested in participating, please register by March 5. Registration information and additional details are available online at:

<http://lanecc.edu/fpd/teachingsquares.html> or contact Adrienne Mitchell, FPD Coordinator, at mitchella@lanecc.edu or 463-5871.

ARE YOU AN INNOVATIVE FACULTY MEMBER?

Are you interested in learning new ways to enhance curriculum in the classroom using concepts related to cultural aspects of disability and universal access? Disability Resources is seeking a forward-thinking, FT instructor to participate in a Federal DOE research demonstration grant. Only 25 faculty members in the US will be invited to join this exciting project and have the opportunity to develop new ways of thinking and teaching. Application details can be found on our website at:

<http://www.lanecc.edu/disability/> . Deadline is March 8. Contact: Lynn Lodge, 5059.

CTE FACULTY INTERNSHIP OPPORTUNITIES AVAILABLE

Perkins grant funds are available for paid faculty internships March 22-August 15 for faculty to work at business sites related to their teaching discipline. The purpose of these funds is to strengthen the career and technical skills of students participating in career and technical programs. Faculty work with businesses to stay current with all aspects of an industry and develop a higher level of industry knowledge and skills. Internships are paid at the curriculum development rate and are to be with local employers within commuting distance of the college. Applicants are responsible for making internship arrangements. For Perkins Internship Guidelines and application, e-mail Carol Woodman or call 5509.

GREETINGS FRIENDS OF SAI

You are warmly welcome to register for spring classes right now. Please review the attached list, and call Tina Dresser in our office to register, at 4634. It's also easy to register online. Just follow prompts at our website: www.lanecc.edu/sai. Many thanks for helping spread the word about SAI to friends and neighbors of all ages. Contact: Barbara Susman, 4644.

WANT ADVANCE NOTICE OF LANE MUSIC AND DANCE CONCERTS AND THEATER PRODUCTIONS?

Sign up for the Performing Arts e-mail list! Simply send an e-mail to John Watson, Performing Arts Marketing and House Manager, and have the latest info and updates sent straight to your inbox. Questions? Call John at 5161.

FREE TAX HELP

Free tax help will be provided every Tuesday, Wednesday and Friday in the south end of the cafeteria on a first-come, first-served basis from 9 a.m. to 3 p.m. Submitted by Tina Lymath, 5336.

SCHAFER AWARDS NOMINATIONS DUE: \$5,000 AVAILABLE

Each year Lane holds a competition to identify several projects that embody a spirit of innovation envisioned by past president Eldon F. Schafer. The Schafer Innovation Awards are selected in collaboration with the Innovation of the Year, sponsored by the League for Innovation in the Community College. Five-thousand dollars is available to selected innovations and great ideas. Nominations for Innovations of the Year are due Monday, March 15. All faculty, staff and managers were sent a nomination flier via e-mail. If you have additional questions contact Tamara Pinkas, Lane's League Rep, pinkast@lanecc.edu, 5011.

----- FACILITIES UPDATES -----

BOND UPDATES

For more information about bond projects, contact Bob Mention, 5747 or Todd Smith, 5132.

BUILDING 2 REMODEL

Construction Manager/General Contractor proposals will be submitted for consideration on March 2. Commissioning Agent proposals are expected to be submitted on March 5. Contact David Amundson, 3455.

BUILDING 6 PERFORMING ARTS ELEVATOR AND REMODEL

Architectural work to complete construction documents continues. Contact David Amundson, 3455.

BUILDINGS 10 & 11, RTEC, RECYCLE CENTER, ART & APPLIED DESIGN, AND SPECIALIZED SUPPORT SERVICES

Consultants are being contracted to do masonry testing, geotech research, asbestos survey, and utility locates as background to the construction documents. Contact David Amundson, 3455.

BUILDING 19 BUSINESS DEPARTMENT OFFICES REMODEL

Architectural work to complete construction documents continues. Contact David Amundson, 3455.

DOWNTOWN CAMPUS BUILDING

The feasibility report is nearly complete. The consultants will present the report to the project steering committee and management team on Wednesday, March 3 later in the afternoon. Contact Bob Mention, 5747.

FIRE ALARM/MASS COMMUNICATION SYSTEM

The fire alarm contractor, SecureCom, is currently installing the mass notification system in Administration, building 3, and the Public Safety annex, building 13. This will provide the capability to broadcast an emergency message campus wide from a centralized location. User training on the fire alarm is scheduled early March. Additional work remains in buildings 7, 12 and the Family and Child Education complex for the system to be completed. Contact Dave Smith, 3433.

KEYLESS ACCESS

The contractor, Allied Fire & Security, is installing hardware on building 6 and 19 this week. Four CCTV cameras were installed on Facilities, building 7, as part of a camera evaluation. The results of the test will help to arrive at a decision as to the most appropriate cameras to install as part of the Keyless Access project. Contact Dave Smith, 3433.

TRACK AND SOCCER BOWL UPGRADES

Work in the development phase continues. Contact Todd Smith, 5132.

OTHER FACILITIES PROJECTS

HEALTH & WELLNESS BUILDING

Work continues on both floors with finishing sheetrock and beginning painting. Work also continues on skylights. Tile work has started in restrooms. Proposals have been received for the building's signage. Expect noise from construction activities for the immediate future. Project completion expected August 2010. Contact Brian McMurray, 5829.

NATIVE AMERICAN LONGHOUSE

Installation of HVAC equipment is to begin the first week of March. The fire protection plan is in the final approval stage, and work is expected to begin later this month. Plumbing bids opened February 2. Contact Brian McMurray, 5829.

TRAININGS

ACADEMIC TECHNOLOGY CENTER WORKSHOPS

Moodle Quiz Module: Mar 4, 3 - 5 p.m., LCC19 249

In this workshop you will learn how to: import and create questions, organize question banks, deliver quizzes and tests in Moodle, and arrange for proctored administration of Moodle tests. For current Moodle users. Registration required: e-mail atc@lanecc.edu
Grade Book & Grade Entry Support: Drop-in hours - Mar 10, 11, 17, 18, 3 - 5 p.m., LCC19 249

Drop in for help verifying, troubleshooting, importing or exporting Moodle or Excel gradebooks; or for help with Final Grade entry in Expresslane. No registration required. Other Topics and Times: As usual, please let us know if you need us to schedule other alternatives, or if you need individual help.

Michael Levick, Academic Technology Center, 541-463-3349, levickm@lanecc.edu

WELLNESS EVENTS AND CLASSES

* Stress Management for Better Health: Focus on Thinking and Practical Strategies for Coping with Emotions is this Wednesday, March 3, from 12:00 - 1:30 p.m. in Building 5, Room 206 with Bruce Czuchna, Licensed Psychologist from DIRECTION for Employee Assistance.

* You Only Need to Exercise on the Days You Eat and Other Tips for Optimal Health sabbatical presentation with Wendy Simmons is this Thursday, March 4, from 12:10 - 12:50 p.m. in Building 5, Room 125.

* Understanding HOW Communication Styles Prevent Stress with Gay Wayman from PeaceHealth Medical Group is Tuesday, Feb. 9 from 12 - 1:00 p.m. in Building 5, Room 206.

* Please let us know if you plan to attend a seminar. Contact: Wendy Simmons, 5551 and Layne King, 5263.

ADS

RIVERSIDE CHAMBER SYMPHONY: The ensemble of advanced amateurs will present the second concert of their 10th Anniversary season on Thursday, March 4, at 7:30 p.m. in the United Lutheran Church at 22nd and Washington Streets in Eugene. Highlighting the concert will be a performance of the "Classical Symphony" by Sergei Prokofiev. Also featured will be the "Overture in the Italian Style" in C by Schubert. The concert will also include an aria from Bach's Cantata 78 transcribed for two trumpets, and two instrumental excerpts from the Handel Messiah. There is general seating for the performance, and a suggested \$5 donation. (No ticket purchase is necessary.) For more information, please contact Jennifer Love at lovejm@lanecc.edu or x3393.

CAT FOSTER HOMES NEEDED! Do you have room in your home to help out a homeless kitty? West Coast Dog and Cat Rescue needs people who can foster one or more cats temporarily (until they can come to our adoption center at Petsmart). It might be kittens too young to be adopted, or an adult waiting to be spayed/neutered at WAG or who needs daily medication. Our foster families are the backbone of our adoption program. If you would like to help, please come to a meeting for new and current fosters on SUNDAY, March 7 at 4:00 pm. The meeting location is 4750 Village Plaza Loop. For directions or more information, call Rebecca at 541-999-5557 or Beth at 541-255-9296.

ROOM FOR RENT in Springfield home, approx 11' x 13' w/ closet, air conditioner for summer. Furnished common areas, dining living room, fridge, full laundry, barbeque and large back yard w/ seasonal garden. Walking distance to bus and major shopping area on Mohawk Blvd. Cable available, computer use. \$400/ month \$100 deposit, first and last/ can work out a plan. Available now, Andy ex. 5455 (541) 221-1187

FOR SALE: VINTAGE 4 track player stereo and 2 speakers with pole stands that make them freestanding. Comes with 60+ tapes, including a cleaning cartridge. In good condition, I've tested the stereo and many of the tapes. The stereo takes a couple minutes to get warmed up, but it plays wonderfully. The speakers are 46" tall by 12" by 12". A full list of the tapes is available, here are a few of them: The Righteous brothers, The Beatles, Steppenwolf, Dean Martin, Country Joe and the Fish, Pat Boone, The Seekers, Santana, Moody Blues, Led Zeppelin. \$200 for all. Contact Lori, x3354 or brendenl@lanecc.edu for more details.

EAGLE HAVEN IS READY for the next seasons! Come to the mountains for rest and exercise! Our retreat is your haven. Check us out at eaglehavencabin.com and let me know if you would like to book some time for spring break, a spring weekend, a summer get away or ? The 3 bedroom cabin sleeps up to 10 comfortably with a nice living area, 1 and ? bathrooms and a full kitchen. Sydney Kissinger, ext 5544 or e-mail kissingers@lanecc.edu home: 541-746-9513

FOR SALE-HEAVY DUTY PRINTER STAND. Solid metal piece of furniture. E-mail for photo if interested. \$15. Dawn ext. 5503 or barthd@lanecc.edu

FOR SALE: BOSE 901 SERIES V SPEAKERS - \$500; Apple iPod Nano (3rd generation) 8Gig plays video - \$30. Contact Eric @ 541-505-0539(cell). For pics or more info see: <http://sites.google.com/site/equsoregon/for-sale/>

FOR SALE: Twin bed (box springs, mattress & frame) \$50. Please contact Dale at x 5834 or Sandy or Dale at 541-942-0583 or lugenbehld@lanecc.edu

FOR SALE: Brahms Requiem tickets for Saturday, February 27, 8 pm, great tickets, orchestra center, row EE, \$63 for two. Susan Matthews 541-343-4397 or ex 5223.

FIGGY NEEDS A HOME: I am fostering a dog through the county shelter that really needs a permanent home. He was having a very hard time in the shelter, acting very stressed in the kennels, so nobody was interested in him. The outlook for him was not good. Suspecting he'd be a different dog in a home environment, LCAS placed him with us. Sure enough, he's a very nice dog with great indoor manners, and he loves my kids. He is very smart and eager to be a Good Dog, so training him is a lot of fun. Best guess is that he's a black lab/border collie mix, weighing in at about 45-50 pounds. Like any dog, he is better suited to some environments than others, and he does need someone who will continue working with him on certain behaviors. In particular, he's afraid of other dogs and reacts accordingly - but he is responding well to training on this. Please get in touch to find out more about him: beasleya@lanecc.edu, 541-461-2345 or ext. 3397.

FOR SALE: 2007 Mustang GT for sale. Excellent condition, premium package, Shaker 1000 stereo with Sirius satellite, 5 speed, leather, power seats, power windows. Still has one year left on the factory bumper to bumper warranty. It has 24,000 miles on it currently. 28+ MPG on freeway. Original owner. \$20,000. Carl at 541-968-5545. hassmanc@lanecc.edu

FOR SALE: Nakamichi home cassette tape deck. Works beautifully (for those who still have tapes!) \$30 Contact Art Peck; x5468 or pecka@lanecc.edu

LOOKING FOR 2 TICKETS: to Colbie Caillet.. For March 6th! Dawna, 541 517-0137

FOR SALE: George Foreman like grill. It is white and pretty good sized. Works like a George Foreman. In excellent shape. Only used a few times. \$10. Contact Dawn ext. 5503 or barthd@lanecc.edu.

FOR SALE: Motorcycle gear: Three sets of almost new leather motorcycle chaps. Both male/female, sizes L-XXL. Two XI - XXL leather riding jackets. One is a Harley 100 anniversary jacket. Three motorcycle helmets: 1 large Shoei white full face, 1 large Harley quarter shell with beautiful blue design, 1 black large half shell. Leather thermos

and storage holder. It straps to the hard bag bars of a Road King or bigger bike. Back seat T-bag that doubles your dresser trunk capacity and provides a full support backrest when completely packed. Fits BMW – Harley-Davidson – Honda Gold Wing - Yamaha Venture. Call 5561 or 916-802-2157`

FOR SALE: Dinning room table. Square shape table with leaf and 8 chairs with upholstered seats. Dark brown solid wood. Pd \$600 - sell for \$450. Call 5561 or 916-802-2157`

FOR SALE: Utility trailer. Flat with no sides. I hauled rock and dirt with it. Steel bed. Not pretty but will haul about 1/4 - 1/3 yard. Or haul quads. \$80 Call 5561 or 916-802-2157`

FOR SALE: Beautiful mission oak entertainment section. It has leaded glass door and 3-4 shelves. \$75. Call 5561 or 916-802-2157`

FOR SALE: '91 HONDA CIVIC WAGON - hatchback. A great car, even if she is old. 167,000 miles, we got her with 30,000 miles, and have all maintenance records. New tires and alignment. Very dependable, starts every time! Excellent for around town, she gets between 28-34 mpg. \$1200. obo. Yakima racks and crossbars fitting the car, but not mounted on top at the moment. \$100 obo. Liz Coleman or Andy Fry 541-683-4384.`

LANE WEEKLY is the employee newsletter of Lane Community College. Send submissions to weekly@lanecc.edu. Guidelines online at www.lanecc.edu/cops/newsletter.htm For information, call (541) 463-5591. The Weekly is available to the vision-impaired through Disability Resources at (541) 463-5150. Lane Community College is an equal opportunity/affirmative action institution. Tuesday, March 2, 2010

EVENTS THIS WEEK

EXECUTIVE DEAN FOR STUDENT AFFAIRS FORUMS:

MATTHEW LONG is on campus Monday, March 15th, to interview for the position of Executive Dean for Student Affairs. Dr. Long is currently the Managing Director of the Yale University Student Employment Office. Dr. Long previously was the Manager for Student Work Programs and the Federal Funds Coordinator at Yale. He was the Assistant to the Director of Financial Aid at Eastern Connecticut State University and oversaw the Career/Academic/EOP Advisor and Peer Leadership Programs at Sonoma State University in California. Dr. Long has also taught Human Development courses at Sonoma State and General Psychology courses at Manchester Community College in Connecticut. Dr. Long holds a Ph.D. in Educational Leadership in Higher Education from Johnson & Wales University in Providence, Rhode Island.

All staff are invited to attend an open forum with Matthew Long on Monday, March 15th from 3:30-4:30 p.m. in Building 17 (Forum) Room 308.

HELEN GARRETT is on campus Tuesday, March 16th, to interview for the position of Executive Dean for Student Affairs. Ms. Garrett is currently Associate Dean of Student Affairs, Enrollment and Student Financial Services at Lane Community College. Prior to her arrival at Lane, Ms. Garrett worked as the Associate Director of Admissions at the University of Oregon, and as the Director of Recruitment and Associate Director of Admissions at Whittier College in Whittier California. Ms. Garrett holds a Masters degree in College and University Administration from Michigan State University.

All staff are invited to attend an open forum with Helen Garrett on Tuesday, March 16th from 3:30-4:30 p.m. in Building 17 (Forum) Room 310.

LAURA O'BRYON is on campus Wednesday, March 17th, to interview for the position of Executive Dean for Student Affairs. Dr. O'Bryon is currently Dean of Students at Southern Oregon University (SOU). Dr. O'Bryon is also the Outreach Specialist for Community Colleges in the region and the Coordinator of the Education Resource Center at SOU. Prior to this position, Dr. O'Bryon was an assessment field data researcher and coordinator for the Texas Education Agency. In addition to her Dean of Student responsibilities, Dr. O'Bryon currently oversees the Student Health and Wellness Center, Disability Resources and provides coordination of Workforce Training Programs and is the liaison for SOU with local businesses and industry. Dr. O'Bryon holds a Ph.D. in Behavioral Therapy/Clinical Hypnotherapy from the American Institute in Santa Ana, California and a Masters degree in Business—Organization and Management from Capella University in Minnesota.

All staff are invited to attend an open forum with Laura O'Bryon on Wednesday, March 17th from 3:30-4:30 p.m. in Building 17 (Forum) Room 308.

CERVANTES is on campus Thursday, March 18th, to interview for the position of Executive Dean for Student Affairs. Mr. Cervantes is currently the Associate Dean of Student Diversity & Multicultural Affairs at Loyola University in Chicago, Illinois. Previously, Mr. Cervantes worked as Director of the Center for Access and Success in Academics (CASA) Latina/a de Oregon State University. He has also taught courses in Cross-Cultural Communication and Contemporary Immigration Issues. Mr. Cervantes holds a Masters degree in Public Administration: Cross-Cultural Management from Portland State University.

All staff are invited to attend an open forum with Javier Cervantes on Thursday, March 18th from 3:30-4:30 p.m. in Building 17 (Forum) Room 308.

NANCY SINGER is on campus Friday, March 19th, to interview for the position of Executive Dean for Student Affairs. Dr. Singer is currently the Assistant Director, Admissions and Recruitment, at the SALT Center, University of Arizona. Previously, Dr. Singer was the Director of the Tucson GEAR UP project with a goal to increase college access for 3,600 low-income, under-represented minority and first-generation college students and at Mira Costa College, she was the Director of Retention Services. Dr. Singer has taught courses in Student Leadership Development, Tutorial Skills and First Year Experience. Dr. Singer holds a Ph.D in Higher Education, minor in Language, Reading and Culture from the University of Arizona.

All staff are invited to attend an open forum with Nancy Singer on Friday, March 19th from 3:30-4:30 p.m. in Building 17 (Forum) Room 308.

SPRING PROPAGATION FAIR

Saturday March 13th 10 AM - 4 PM in the cafeteria at LCC. Sponsored by the Learning Garden and local garden groups. Share seeds, plants, and scion. Rootstock available for purchase. Grafting demo and speakers. To volunteer or for more information, contact Devon at bonadyd@lanecc.edu or 463-5899.

ANNOUNCEMENTS

HYPATIA DAY ENGINEERING WORKSHOP

Moms and daughters invited to attend Hypatia Day engineering workshop Sat. April 3. Girls in fifth through eighth grade and their mothers (or aunts, friends or grandmas!) are invited to attend Hypatia Day, from 9 a.m. to 1 p.m., Saturday, April 3, 2010 at the Lane Community College cafeteria (Center Building, 1st floor). Lane Community College employees and students are invited to participate with their 5th through 8th grade daughters, granddaughters, nieces or neighbors. Organizational sponsorships have allow this to be offered at no charge. Celeste Baine, nationally recognized author and engineering educator and members of the Willamette Valley Chapter of the Society of Women Engineers, will share their experiences and opportunities in engineering careers and lead hands-on activities so girls can learn about technical and engineering careers firsthand, such as building a hover craft. Celeste's Engineering Education Service Center is working with Eugene-Lane Branch of American Association of University Women, Society of Women Engineers and Lane Community College to provide the workshop free to 40 girls and their moms/mentors. The day is named after Hypatia, celebrated as the first woman math teacher/scholar, who lived in Alexandria. (b. 350-370 and d. 415). To register, go to <http://www.engineeringedu.com/hypatiaday.html> or call 541-988-1005 to register by phone. Workshop space is limited to 40 girls and 40 moms/mentors.

THE BIG GAME! MARINER'S AND RED SOX

Last chance to sign up for the trip! We have enough travelers to go, but there are still some seats and rooms available. Make sure that you don't miss one of the biggest games of the year. The Seattle Mariners will be playing the Boston Red Sox on Saturday July 24th, 2010. We will be traveling north on the Amtrak Cascades train, arriving in Seattle at noon, head to Safeco Field for the game at 7:00 p.m. and returning south to Eugene at 5:00 p.m. This trip is open to all staff, family and friends of all ages. The trip cost includes the train, hotel and baseball tickets. Discounts for seniors and children available.

See <http://www.lanecc.edu/wvdocs/Seattle%202010.pdf> for the flyer with all of the details! Submitted by Alen Bahret, Information Technology/LCCEF X3347.

GROUP BUS PASS SPRING TERM

Students or staff taking a credit class on main campus or at the DTC are eligible for a LCC bus pass good for the entire term. Photos for bus pass ID cards will be taken in building 19/117, March 29-31, 8 a.m.-4 p.m. Stickers for spring term will be available beginning April 6 at the Titan Store return window or at the Downtown Center. Go to <http://www.ltd.org/> for more transportation options, schedules and route changes. Contact: Susan Tatar, 5727.

CTE FACULTY INTERNSHIP OPPORTUNITIES AVAILABLE

Perkins grant funds are available for paid faculty internships March 22-August 15 for faculty to work at business sites related to their teaching discipline. The purpose of these funds is to strengthen the career and technical skills of students participating in career and technical programs. Faculty work with businesses to stay current with all aspects of an industry and develop a higher level of industry knowledge and skills. Internships are paid at the curriculum development rate and are to be with local employers within commuting distance of the college. Applicants are responsible for making internship arrangements. For Perkins Internship Guidelines and application, e-mail Carol Woodman or call 5509.

GREETINGS FRIENDS OF SAI

You are warmly welcome to register for spring classes right now. Please review the attached list, and call Tina Dresser in our office to register, at 4634. It's also easy to register online. Just follow prompts at our website: www.lanecc.edu/sai. Many thanks for helping spread the word about SAI to friends and neighbors of all ages. Contact: Barbara Susman, 4644.

FREE TAX HELP

Free tax help will be provided every Tuesday, Wednesday and Friday in the south end of the cafeteria on a first-come, first-served basis from 9 a.m. to 3 p.m. Submitted by Tina Lymath, 5336.

SCHAFER AWARDS NOMINATIONS DUE: \$5,000 AVAILABLE

Each year Lane holds a competition to identify several projects that embody a spirit of innovation envisioned by past president Eldon F. Schafer. The Schafer Innovation Awards are selected in collaboration with the Innovation of the Year, sponsored by the League for Innovation in the Community College. Five-thousand dollars is available to selected innovations and great ideas. Nominations for Innovations of the Year are due Monday, March 15. All faculty, staff and managers were sent a nomination flier via e-

mail. If you have additional questions contact Tamara Pinkas, Lane's League Rep, pinkast@lanecc.edu, 5011.

FACILITIES UPDATES

On Friday, March 5, an open house was held at the Florence Center to celebrate the completion of the bond funded facility upgrades and addition of a new science lab. FMP staff assisted with preparation and support for the event. The scope of the work included a new science lab addition, new roof and siding on the original building, remodel of a classroom to a smart classroom, some lighting upgrades, fire alarm system upgrades, and several electrical improvements. Some of this work was funded through GO Oregon deferred maintenance stimulus funding and some of it was also funded out of the FMP facilities major maintenance budgets. The HVAC systems originally installed in the building were not upgraded on this project scope, but are being considered for future project planning work. Many thanks to Mark Richardson, David Amundson, Todd Smith, Lynn Atkins, Anna Scott, Bob Mention, Rob Atkins, Steve Kayl, Terry Starr, and many of the trades and project employees for their hard work and efforts in completing this work as planned, on schedule, and within budget. Great work.

Plans for the summer project work are now under way. If you have any grant funded projects that contain facilities related improvements that you want to be included in our planning efforts, please send an e-mail to <mailto:facilitiesoffice@lanecc.edu> and write details of your work request. All requests must be received by March 15 to be considered for inclusion in the FMP department planning work for the upcoming summer season. If you have any facilities related need, please call extension 5216 or send an e-mail to facilitiesoffice@lanecc.edu. All work will be prioritized with available resources.

BOND UPDATES

For more information about bond projects, contact Bob Mention, 5747 or Todd Smith, 5132.

ASBESTOS ABATEMENT

After removing all asbestos from pipes in the tunnels and mechanical room during Deferred Maintenance 2009, crews are currently working to install new insulation on the chilled, heating, and domestic hot water lines in the tunnel and mechanical rooms. Remaining tunnel work is 31% complete; and remaining mechanical room work 33% complete. Contact Angela Fazio, 3428.

AMTF UPGRADES

The installation of a new paint booth helps support the Aviation Maintenance Technician program instruction. With modifications to correct the booth's airflow and a test and balance, the booth installation is now complete. Rohner successfully flashed the building exterior and all leaks identified have been stopped. A final building inspection passed. The substantial completion walk-through was carried out the week ending March 5. Await the receipt of the final operation and maintenance manuals and warranties in order to close the project. Contact Angela Fazio, 3428.

BUILDING 2 REMODEL

Proposals for the Construction Manager/General Contractor for the project are being reviewed and a selection will be made on March 8. Proposals for a Commissioning Agent were received March 5 and will be reviewed by the selection committee during the week of March 8. Contact David Amundson, 3455.

BUILDINGS 4 & 5 REMODEL/ADDITION

CM/GC selection process has brought to the team a General Contractor working on buildings 4 and 5. Testing for foundation soil is complete and no further testing is necessary at this time. The architect is currently working on the construction documents and is expected to have them completed mid March. Contact Mark Richardson, 3456.

BUILDING 6 PERFORMING ARTS ELEVATOR AND REMODEL

Architectural work to complete construction documents continues. Contact David Amundson, 3455.

BUILDINGS 10 & 11, RTEC, RECYCLE CENTER, ART & APPLIED DESIGN, AND SPECIALIZED SUPPORT SERVICES

Architects met with the users on March 2 and 5 and are moving ahead with design development. Structural survey work and asbestos survey work will be completed during the week of March 8. Contact Mark Richardson, 3456.

BUILDING 19 BUSINESS DEPARTMENT OFFICES REMODEL

Final changes are being incorporated into the construction documents and planning for summer construction is under way. Contact David Amundson, 3455.

BUILDING 19 FOUNDATION OFFICE

A furniture delivery on Wednesday 3-2-10 will complete the construction activities for the Foundation office. Construction in that location is now complete. Contact Mark Richardson, 3456.

COMPUTERIZED MAINTENANCE MANAGEMENT SYSTEM (CMMS)

Evaluation of Computerized Maintenance Management System (CMMS) continues. A new CMMS will improve work order turnaround time, increase system reliability through preventative maintenance, provide key performance indicators as a management tool to maximize performance with limited resources, predict future maintenance and capital budgets. Completed data collection from two of three vendor site visits planned. Data collection and input continues. User group Webinars to be scheduled. Contact Angela Fazio, 3428.

DOWNTOWN CAMPUS BUILDING

The feasibility report is scheduled to be submitted to the college on Wednesday, March 10. The report will then be sent to members of the Board of Education for review. The Board will discuss their response to the report at the meeting scheduled on March 17. Contact Bob Mention, 5747.

FIRE ALARM/MASS COMMUNICATION SYSTEM

The fire alarm contractor, SecureCom, is currently programming the fire alarm system and putting the finishing touches on the installation. User training of the fire alarm system was held on March 5. Some additional work remains in buildings 7 and 12 for the system to be completed. FMP electricians, under the direction of Carl Hassman and

Don Horton continue their great support of this project and others with work in buildings 5 and at the Child Care complex. Contact Dave Smith, 3433.

FLORENCE CENTER UPGRADE/SCIENCE LAB ADDITION

Construction of the science lab classroom at the Florence Center is complete. Bineham construction is on the site performing punch list items on the exterior of the building as part of the siding replacement project. Punch list items are expected to be completed within the next two weeks and painting of the exterior of the building has already begun. Siding installation and trim work have a completion date of March 30. Contact Mark Richardson, 3456.

KEYLESS ACCESS

The contractor, Allied Fire & Security, has mostly finished installing door hardware on building 19 and will be working on Center building next week. Four CCTV cameras were installed on the Facilities building as part of a camera evaluation. The results of the test will help us arrive at a decision as to the most appropriate cameras to install as part of the Keyless Access project. One camera failed in place, and it is likely not to be considered for purchase. Additional electricians were added to the crew this week and began supporting this project on an overnight shift. Contact Dave Smith, 3433.

RTS (AMTF) Parking Lot Expansion

Expansion of Aviation Maintenance parking lot completed. This expands the parking spaces from 18 to 52. Contact Angela Fazio, 3428.

SOLAR STATION - RENEWABLE ENERGY PROJECT UPDATE

The Solar Station project is completing final bid documents for the main campus west parking Lot B site. Construction is estimated to start late spring or early summer. The Solar Station project is seeking funding sources for the eastern parking Lot N site. The goal of this project is to help train and educate people on the installation and use of renewable energy and low emissions transportation technology in our community.

The second phase of the multi-building solar thermal project is beginning construction in the North West utility tunnel under building 5. Please see the building 30, Health and Wellness project update for more information. Phase one construction is substantially complete in the northeast tunnel and in building 7, Laundry Services. The goal of this project is to use renewable energy from the sun to improve the domestic and space heating hot water system in buildings 5; 7, Laundry Services; and building 30, Health and Wellness heating and lower carbon emissions related to producing hot water. Contact Anna Scott, 5805.

TRACK AND SOCCER BOWL UPGRADES

Work in the development phase continues. Contact Todd Smith, 5132.

UTILITY METERING

Installation of meters on electrical, domestic hot and cold water, natural gas, chilled and heating water and irrigation will allow for utility monitoring, performance evaluation and energy maximization. Final mechanical inspections are complete; final electrical inspections still to be completed upon resolution of Underwriter Laboratory (UL) certification of monitoring devices. UL performed site audit and is currently reviewing all documents provided by MeasureLogic. Contact Angela Fazio, 3428.

OTHER FACILITIES PROJECTS

HEALTH & WELLNESS BUILDING

Work continues on the outside excavating and pouring concrete for bridge footings (a bridge connection to building 4) and planter walls. This type of site work will be ongoing for the next 2-3 months, as the exterior landscape and hardscape comes together. The county has given approval to remove one of the building 4 exterior set of stairs. More information on this work will be forthcoming. Painting and tile work continues inside on both floors. Work also continues on skylights. A building and donor signage consultant has been selected. Plumbing work for the solar/thermal segment of the project is to begin Monday in the tunnel. Tie-ins to the chilled and heating piping will occur over spring break as will a main power connection, but there will not be a power shut-down connected with this work. Expect noise from construction activities for the immediate future. Project completion expected August, 2010. Contact Brian McMurray, 5829.

NATIVE AMERICAN LONGHOUSE

The HVAC contractor has begun work. The fire protection contractor is fabricating sprinkler piping. The plumbing contract has been awarded and the contractor is preparing equipment submittals for engineering review. Expect plumbing work to begin mid-March. Project completion is expected August 1, 2010. Contact Brian McMurray, 5829.

TRAININGS

25 LIVE EVENT REQUEST TRAINING

The March training sessions have been scheduled for the new event request system. If you have a need to request rooms or even a motor pool car, this training will go through the steps using the new system. The capability to request event space or a motor pool car is offered to all staff. This is a hands-on class in the lab. Please register for the class by sending an e-mail to www_wv3@lanecc.edu to ensure your account is active for the training session.

NOTE: 25Live requires Internet Explorer 7 (not 8), Safari 4.0 or Firefox 3.5.6 or higher for proper functionality.

March 15th:

T2T: AUDIO AND VIDEO FOR ONLINE INSTRUCTION

Wednesdays, March 31 - April 28, 3-5pm, ATC building 19/room 249, Instructor: Coronado. Five-week hybrid class. Do you teach online, hybrid or have a web enhanced traditional class? Want to use more audio and video in your class, but find that there are too many hurdles to get these things online? Come to our five week session, bring some videos and ideas you want to put online, and put those hurdles behind you. Understand, download and use the more efficient formats for audio and video, editing existing content, and production of audio/visual materials. Moodle experience required. Meet in the classroom on Wednesdays 3-5 p.m. combined with online time for this 1 credit course (pass/no pass or audit only). Registration is required as space is limited. If you are interested in participating please enroll directly in ExpressLane, CRN# 43563. Class fee is waived for Lane instructors. For more information contact Ian Coronado at coronadoi@lanecc.edu or call 463-5475.

T2T: SOCIAL NETWORKING AND WEB 2.0 TOOLS FOR ONLINE INSTRUCTION

Wednesdays, May 5 - June 2, 3-5pm, ATC building 19/room 249, Instructors: Borrowdale, Coronado, Keene-Wilson, Kirkpatrick and Pineda.

Five-week hybrid class. The focus of this course is on the use of Web 2.0 social networking tools that will foster instructor-student, content-student, and student-student interaction for online and hybrid course instruction. We'll look at new and emerging technologies for online learning, social networking tools and more. A different instructor will lead the class each meeting. Meet in the classroom on Wednesdays 3-5 p.m. combined with online time for this 1 credit course (pass/no pass or audit only). Registration is required as space is limited. If you are interested in participating please enroll directly in ExpressLane, CRN# 43564. Class fee is waived for Lane instructors. For more information contact Ian Coronado at coronadoi@lanecc.edu or call 463-5475.

ARCHIVES AND RECORDS WORKSHOP

Friday, March 19, 10 am to noon, Library classroom, CEN 250. Open to all interested staff. If you're in need of an update on what records to keep, how long to keep them, and how to manage your records (paper and electronic) efficiently, please come to this workshop. We will focus on college records kept permanently as well as those records eventually disposed of. We'll review Archives procedures and policies. We'll also discuss ways to manage desktop electronic records including email and digital records. Please call or email the Archivist to reserve a space: x. 5466 or archives@lanecc.edu. I'm planning a second similar workshop on April 16, 10-12, in case you can't come in March. Elizabeth Uhlig, Archivist.

WELLNESS EVENTS AND CLASSES

Understanding HOW Communication Styles Prevent Stress with Gay Wayman from PeaceHealth Medical Group is Tuesday, March 9 from 12 - 1:00 p.m. in Building 5, Room 125. Please note this room change from Building 5, Room 206.

Workstation Ergonomics: Posture, Planning and Placement with Layne King is Wednesday March 17 from 1:30 - 2:00 p.m. at the KLCC Selco Performance Hall.

Please let us know if you plan to attend a seminar. Contact: Wendy Simmons, 5551 and Layne King, 5263.

ADS

FOR SALE: Novarra (REI brand) Firefly yellow 16" kids bike, in great condition. Training wheels optional \$50. Also, Yakima Beetle Jogging stroller in excellent condition, with rain/sun fly, grocery storage area, cup holder, hand brake and emergency strap. Folds nicely to fit in one's car. CORRECTION

EXECUTIVE DEAN FOR STUDENT AFFAIRS FORUM: JAVIER CERVANTES.

Javier Cervantes is on campus Thursday, March 18th, to interview for the position of Executive Dean for Student Affairs. Mr. Cervantes is currently the Associate Dean of Student Diversity & Multicultural Affairs at Loyola University in Chicago, Illinois.

Previously, Mr. Cervantes worked as Director of the Center for Access and Success in Academics (CASA) Latina/a de Oregon State University. He has also taught courses in Cross-Cultural Communication and Contemporary Immigration Issues. Mr. Cervantes holds a Masters degree in Public Administration: Cross-Cultural Management from Portland State University.

All staff are invited to attend an open forum with Javier Cervantes on Thursday, March 18th from 3:30-4:30 p.m. in Building 17 (Forum) Room 308.

EVENTS THIS WEEK

EXECUTIVE DEAN FOR STUDENT AFFAIRS FORUMS:

* Helen Garrett, Tuesday, March 16, 3:30-4:30 p.m., building 17 (Forum) room 310. Garrett is currently associate dean of student affairs, Enrollment and Student Financial Services at Lane Community College. Prior to her arrival at Lane, Garrett worked as the associate director of admissions at the University of Oregon, and as the director of recruitment and associate director of admissions at Whittier College in Whittier California. She holds a master's degree in college and university administration from Michigan State University.

* Dr. Laura O'Bryon, Wednesday, March 17, 3:30-4:30 p.m., building 17 (Forum) room 308. O'Bryon is currently dean of students at Southern Oregon University. O'Bryon is also the outreach specialist for community colleges in the region and the coordinator of the education resource center at SOU. Prior to this position, she was an assessment field data researcher and coordinator for the Texas Education Agency. In addition to her dean of student responsibilities, O'Bryon currently oversees the student health and wellness center, disability resources and provides coordination of workforce training programs and is the liaison for SOU with local businesses and industry. O'Bryon holds a Ph.D. in behavioral therapy/clinical hypnotherapy from the American Institute in Santa Ana, California and a master's degree in business-organization and management from Capella University in Minnesota.

* Javier Cervantes, Thursday, March 18, 3:30-4:30 p.m., building 17 (Forum) room 308. Cervantes is currently the associate dean of Student Diversity and Multicultural Affairs at Loyola University in Chicago, Illinois. Previously, he worked as director of the Center for Access and Success in Academics (CASA) Latina/a de Oregon State University. He has also taught courses in cross-cultural communication and contemporary immigration issues. Cervantes holds a master's degree in public administration: cross-cultural management from Portland State University.

* Dr. Nancy Singer, Friday, March 19, 3:30-4:30 p.m., building 17 (Forum) room 308. Singer is currently the assistant director, admissions and recruitment, at the SALT Center, University of Arizona. Previously, Singer was the director of the Tucson GEAR UP project with a goal to increase college access for 3,600 low-income, under-represented minority and first-generation college students and at Mira Costa College, she was the director of retention services. She has taught courses in student leadership development, tutorial skills and first year experience. Singer holds a Ph.D. in higher education, minor in language, reading and culture from the University of Arizona.

BOARD OF EDUCATION meeting, Wednesday, March 17, 6:30 p.m., boardroom, building 3. See agenda online at: <http://www.lanec.edu/presoffc/board/agenda.htm> Contact: Donna Zmolek.

NEWS

STATE AWARD PRESENTED TO COUNSELOR BETH LANDY

Beth Landy, counselor at Lane Community College, received the Nancy Hargis Award for Leadership in Career Development during the Oregon Career Development Association (OCDA) annual conference on March 12.

This award, first given in 1990, is presented annually by the Oregon Career Information System (CIS) Board. Landy has been at Lane for 12 years. She provides personal counseling, academic advising and instruction to students. She is the counseling lead for career development issues at the college and has directed the Career and Employment Services department. She is an experienced instructor in the career field, creating and delivering career and life planning classes as well as college success coursework. She provides scholarship assistance for students through very successful workshops and center activities and helped develop "Back on Course," a credit class designed to assist students who have been suspended from financial aid. Previous to coming to Lane, Beth worked at the University of Oregon in its Career Center. Between her work at Lane and UO, she has guided thousands of students in their career searches and educational planning.

In addition to her work with students, at the state level, Beth served on the CIS Board for six years from 2002 to 2008 and was chair for two years. She is a certified Career Development Facilitators (CDF) Instructor, and delivered the CDF program through Lane to practitioners in the region. A long time member of the Oregon Career Development Association (OCDA), Beth served as chair, chaired conferences, and provided leadership in a variety of ways. Beth is also Oregon's champion for the Dependable Strengths curriculum, using her most recent sabbatical to develop an Oregon presence and become a Master Trainer. She is a sought after speaker on career development and a strong advocate for the use of career information.

The CIS Board selected Beth Landy in recognition of her vision, skills and knowledge, leadership, and collaboration in supporting the career development of students of all ages and for the integration of the Career Information System in that work. She is a valued team member in all settings she works in, appreciated for her knowledge, skills, sense of humor, and joy in her work. From an OCDA news release.

KLCC NEWS WINS PRESTIGIOUS AWARD

The KLCC News Department won a Special Citations award in the 2009 National Education Writers Association contest for education reporting. Winners were announced March 10 from Washington D.C. KLCC's award was for the Special Issues: Education series that aired in December 2009. This is a prestigious national competition. Winners in this category were from Boston (WBUR) and New York City (WNYC). In addition to WBUR and WNYC, the other Special Citation went to Marketplace and ProPublica-- organizations from major markets with much larger staffs and budgets than KLCC.

KLCC reporters were Jes Burns, Angela Kellner, Rachael McDonald, Tiffany Eckert, Mike Van Meter and John Frohnmayr. The series was edited by KLCC News Director Tripp Sommer. Reporter Jes Burns produced a comprehensive program featuring all of the Special Issues segments, which was entered in the contest.

Visit the Education Writers Association for more details. Submitted by Gayle Chisholm.

ANNOUNCEMENTS

MYLANE GOES LIVE MARCH 29

It's coming soon! Our new, web portal, myLane, goes live on March 29. Inside myLane, you will be able to take care of all your ExpressLane functions, access information you need as an employee, and send messages to students and campus groups. On March 29, you'll be able to access myLane at <http://mylane.lanecc.edu> or find the link just below the ExpressLane link on the left side of the Lane homepage. You can access tutorials on the myLane sign-in screen to help you navigate the portal. myLane is brought to you by the Title III grant. If you have any questions, ideas, or comments contact Carol McKiel, Title III coordinator, ext. 3132 or mckielc@lanecc.edu

LANE MDTA HAS A FACEBOOK FAN PAGE

Lane Community College now has a Facebook page for the Music, Dance and Theatre Arts department. You can find info on upcoming concerts, see photos of many recent events, post your own photos and videos and have the opportunity to share your opinions on what you are hearing and seeing in our Performance Hall with us and the rest of the fans! And we do appreciate feedback!

The link is www.facebook.com/LanePerformingArts

You can also link to it from our online box office at lanecc.edu/tickets

Become a fan today! We have 348 fans as of March 15. We are shooting for 1000 by the end of spring term.

Coming this Friday to the page: music projects from the Music Technology Program

Coming soon: interesting and informative "behind the scenes" video and audio of about how our events are produced.

The page administrator is John Watson, marketing and house manager for the performing arts department. You can reach him at 5161 or watsonj@lanecc.edu

THE DOCTOR IS IN FOR LOVE BUGS

See <http://www.lanecc.edu/healthclinic/drisin.html> Submitted by Kris Murphy, 5668.

GROUP BUS PASS SPRING TERM

Students or staff taking a credit class on main campus or at the DTC are eligible for a LCC bus pass good for the entire term. Photos for bus pass ID cards will be taken in building 19/117, March 29-31, 8 a.m.-4 p.m. Stickers for spring term will be available beginning April 6 at the Titan Store return window or at the Downtown Center. Go to <http://www.ltd.org/> for more transportation options, schedules and route changes. Contact: Susan Tatar, 5727.

CTE FACULTY INTERNSHIP OPPORTUNITIES AVAILABLE

Perkins grant funds are available for paid faculty internships March 22-August 15 for faculty to work at business sites related to their teaching discipline. The purpose of these funds is to strengthen the career and technical skills of students participating in career and technical programs. Faculty work with businesses to stay current with all aspects of an industry and develop a higher level of industry knowledge and skills. Internships are paid at the curriculum development rate and are to be with local employers within commuting distance of the college. Applicants are responsible for making internship arrangements. For Perkins Internship Guidelines and application, e-mail Carol Woodman or call 5509.

FLORENCE CLOSED SPRING BREAK

The Florence Center will be closed during spring break, March 22-26. Submitted by Bob Purscelley, 4805.

FACILITIES UPDATES

IF YOU HAVE A WORK REQUEST that you would like Facilities Management and Planning support such as a maintenance related item, physical building issue addressed, or a grant with a facilities component, please e-mail: facilitiesoffice@lanecc.edu or call extension 5216. If you have an emergency, please follow this same procedure but state the location, nature of the incident, who you are, and if there are any urgent safety or impending issues that must be addressed right away. If you have an immediate indoor air quality issue that must be addressed right away, e-mail facilitiesoffice@lanecc.edu, call extension 5216, follow this COPPS procedure located at: <http://www.lanecc.edu/cops/envqual.htm>, and fill out the indoor air quality form located at: <http://www.lanecc.edu/facilities/IEQ/reportingform.html>. Facilities Management and Planning staff will make this a top priority with available resources.

ALL IMMEDIATE SAFETY ISSUES shall be reported to facilitiesoffice@lanecc.edu and extension 5216, and the Public Safety office at extension 5558 or after hours (after 5 p.m.) at 5555. Lane has 24 hour, 7 days per week dispatch service with either internal or Junction City Police department trained and professional dispatch service to expedite response as quickly as possible to your immediate needs. Please follow the Emergency Plan located at: <http://www.lanecc.edu/cops/eplan.htm> for immediate guidance in response to emergencies that may come up. Emergencies such as severe weather, natural disasters, fire, explosions, hazardous materials accidents, criminal activities, blood borne pathogens, etc., are all described and procedures are described for your reference during an emergency. Proper communication in an emergency is very important. We have a trained emergency response team at Lane and trained professionals on staff who are prepared to respond in the event of an emergency.

PHYSICAL INVESTMENTS IN THE INFRASTRUCTURE at the college are continuing, to help ensure proper communication systems are in place and to improve the safety and health of the campus and work environments. The fire alarm and mass communications systems are nearly all complete on the main campus. Areas that may not be 100 percent will be completed within the scopes of the upcoming bond project remodels. These systems will provide fire alarm and verbal instructions in the event of an emergency on the main campus. Pre-recorded messages are in the process of being prepared for various emergencies. By next fall term, these systems will be in place, tested, and ready in the event of an emergency. Exterior lighting improvements have also been made throughout main campus and parking lot areas. These improvements have increased lighting levels far above minimum standards for exterior lighting needs. Keyless entry systems on exterior doors on buildings are being installed on the main campus to provide improved access during hours when the campus is closed to the public and on weekends. This system will save at least 8 to 12 hours per day in labor unlocking and locking doors manually. In total, several million dollars in investment have been made in the last 12 months to improve the safety and health of the Lane campus for its faculty, students, staff, and visitors. Many thanks to the Public Safety staff, FMP staff, David Smith and Carl Hassman, Susan Tatar, Katherine Vos and Jim Harris, Dennis Carr and Greg Morgan, Todd Smith and Bob Mention for their hard work on these very valuable and needed improvements.

SPRING BREAK MAINTENANCE and project work is being planned. E-mail communications will be sent as needed to make sure everyone in each respective area of work is up to date on what we are doing.

MIKE SIMS IS CLEANING OUT SURPLUS PROPERTY STORAGE AREAS to allow space for upcoming project staging area needs. If you have a need for office furniture or equipment, please contact Mike Sims at 5569. You may also reference the procedure noted at: <http://www.lanecc.edu/cops/sustrecy.htm>. Mike and the FMP staff will be happy to line you up with some of the items in our surplus property areas. Re-using furniture and equipment helps save the college money and supports the sustainability core values of the college.

THE FACILITIES TRADES TEAM is making some progress on the number of outstanding priority one emergency and safety work orders with an overall reduction of over 25 percent in the number of these work requests since last October. Great work on these top priority work orders: Lynn Atkins, Rob Atkins, Steve Kayl, Tom Garrett, Terry Starr, Chris Kamely, Kevin Williams, Jerry Hardison, Carl Hassman, David Packnett, Frank Drengacz, Craig Marsh, Dan Conklin, Andy McClure, Jeff Kerr, and the rest of the FMP Trades teams.

BOND UPDATES--

For more information about bond projects, contact Bob Mention, 5747 or Todd Smith, 5132.

ASBESTOS ABATEMENT

Crews continue work to install new insulation on the chilled, heating, and domestic hot water lines in the tunnel and mechanical rooms. Contact Angela Fazio, 3428.

BUILDING 2 REMODEL

Proposals for the Construction Manager/General Contractor and the Commissioning Agent for the project are under review and a selection for each to be announced. Contact David Amundson, 3455.

BUILDINGS 4 & 5 REMODEL/ADDITION

Construction Manager/General Contractor reviews are complete and recommendations are being reviewed. A decision is expected this week. Architects are working to complete the construction documents for both buildings and construction setup is expected to begin as scheduled on June 14. Construction activities and demolition are expected to begin June 21 after the state dental exams are complete. Since work to remodel building 4 will be in progress, beginning June 21 through September 15 the LCC dental lab will be operating in a new location. The location has not been determined but is expected to reside off campus. Contact Mark Richardson, 3456.

BUILDING 19 BUSINESS DEPARTMENT OFFICES REMODEL

Final changes are being incorporated into the construction documents and planning for summer construction is under way. Contact David Amundson, 3455.

DOWNTOWN CAMPUS BUILDING

The feasibility report will be presented to the Board of Education at its meeting on Wednesday, March 17. The project manager and the architects will do the presentation and will be available to respond to questions and comments. Contact Bob Mention, 5747.

FIRE ALARM/MASS COMMUNICATION SYSTEM

The fire alarm contractor, SecureCom, is currently programming the fire alarm system and putting the finishing touches on the installation. User training of the fire alarm system was held on March 5. Some additional work remains in buildings 7 and 12 for the system to be completed. FMP electricians, under the direction of Carl Hassman and Don Horton continue their great support of this project and work in buildings Center, 16 and the Child Care complex. Contact Dave Smith, 3433.

KEYLESS ACCESS

The contractor, Allied Fire & Security, has mostly finished installing door hardware on building 19, Center, and will be working on 'rough in' in building 1, Student Services. Four CCTV cameras were installed on the Facilities building as part of a camera evaluation. The results of the test will help us arrive at a decision as to the most appropriate cameras to install as part of

the Keyless Access project. Additional electricians were added to the crew this week and began supporting this project on an overnight shift. Contact Dave Smith, 3433.

TRACK AND SOCCER BOWL UPGRADES

Construction document is complete and ready to go out for bids. A mandatory construction pre-bid is scheduled for March 19 and the deadline for bids to be received is March 30. Contact Mark Richardson, 3456.

UTILITY METERING

Installation of meters on electrical, domestic hot and cold water, natural gas, chilled and heating water and irrigation will allow for utility monitoring, performance evaluation and energy maximization. Final mechanical inspections are complete; final electrical inspections still to be completed upon resolution of Underwriter Laboratory (UL) certification of monitoring devices. UL performed site audit and is currently reviewing all documents provided by MeasureLogic. Contact Angela Fazio, 3428.

OTHER FACILITIES PROJECTS--

COMPUTERIZED MAINTENANCE MANAGEMENT SYSTEM

Evaluation of a Computerized Maintenance Management System (CMMS) continues. A new CMMS will improve work order turnaround time, increase system reliability through preventative maintenance, provide key performance indicators as a management tool to maximize performance with limited resources, predict future maintenance and capital budgets. Completed data collection from two of three vendor site visits planned. Data collection and input continues. User group Webinars to be scheduled. Contact Angela Fazio, 3428.

HEALTH & WELLNESS BUILDING

Footings and support posts for the bridge that connects the new Health and Wellness building to building 4 are in place. Steel for the bridge has arrived and cranes will begin setting bridge steel on March 15. One set of exterior stairs on the north elevation of building 4 has been removed. A new bridge will connect with the upper landing of stairs remaining in building 4. A concrete wall has been poured for the storm water planter, which is located adjacent to the south elevation of the building. This type of site work will be ongoing for the next two to three months, as the exterior landscape and hardscape come together. Painting and tile work continues inside on both floors. Work also continues on skylights. The project team met with the building and donor signage consultant on March 10 to initiate the design process. Plumbing work for the solar/thermal segment of project has begun in the tunnel. Tie-ins to chilled and heating piping will occur over spring break. The main power connection will also occur over spring break, but a power shut down is not necessary for this work. Expect noise from construction activities for the immediate future. Project completion is expected August, 2010. Contact Brian McMurray, 5829.

NATIVE AMERICAN LONGHOUSE

The HVAC contractor is on site installing new equipment, and the fire protection contractor is installing sprinkler piping. The plumbing contractor is preparing equipment submittals for engineering review and approval. Expect plumbing work to begin late March. Project completion expected August 1. Contact Brian McMurray, 5829.

TRAININGS

25 LIVE EVENT REQUEST TRAINING

The March training sessions have been scheduled for the new event request system. If you have a need to request rooms or even a motor pool car, this training will go through the steps using the new system. The capability to request event space or a motor pool car is offered to all staff. This is a hands-on class in the lab. Please register for the class by sending an e-mail to www_wv3@lanecc.edu to ensure your account is active for the training session. NOTE: 25Live requires Internet Explorer 7 (not 8), Safari 4.0 or Firefox 3.5.6 or higher for proper functionality. March 16: http://showlane.lanecc.edu/25live/#details&obj_type=event&obj_id=111120[3] Submitted by Alen Bahret, Information Technology, 3347.

ARCHIVES AND RECORDS WORKSHOP

Friday, March 19, 10 am to noon, Library classroom, CEN 250. Open to all interested staff. If you're in need of an update on what records to keep, how long to keep them, and how to manage your records (paper and electronic) efficiently, please come to this workshop. We will focus on college records kept permanently as well as those records eventually disposed of. We'll review Archives procedures and policies. We'll also discuss ways to manage desktop electronic records including e-mail and digital records. Please call or e-mail the Archivist to reserve a space: x. 5466 or archives@lanecc.edu. I'm planning a second similar workshop on April 16, 10-12, in case you can't come in March. Elizabeth Uhlig, Archivist.

T2T: AUDIO AND VIDEO FOR ONLINE INSTRUCTION

Wednesdays, March 31 - April 28, 3-5pm, ATC building 19/room 249, Instructor: Coronado. Five-week hybrid class. Do you teach online, hybrid or have a web enhanced traditional class? Want to use more audio and video in your class, but find that there are too many hurdles to get these things online? Come to our five week session, bring some videos and ideas you want to put online, and put those hurdles behind you. Understand, download and use the more efficient formats for audio and video, editing existing content, and production of audio/visual materials. Moodle experience required. Meet in the classroom on Wednesdays 3-5 p.m. combined with online time for this 1 credit course (pass/no pass or audit only). Registration is required as space is limited. If you are interested in participating please enroll directly in ExpressLane, CRN# 43563. Class fee is waived for Lane instructors. For more information contact Ian Coronado at coronadoi@lanecc.edu or call 463-5475.

T2T: SOCIAL NETWORKING AND WEB 2.0 TOOLS FOR ONLINE INSTRUCTION

Wednesdays, May 5 - June 2, 3-5pm, ATC building 19/room 249, Instructors: Borrowdale, Coronado, Keene-Wilson, Kirkpatrick and Pineda. Five-week hybrid class. The focus of this course is on the use of Web 2.0 social networking tools that will foster instructor-student, content-student, and student-student interaction for online and hybrid course instruction. We'll look at new and emerging technologies for online learning, social networking tools and more. A different instructor will lead the class each meeting. Meet in the classroom on Wednesdays 3-5 p.m. combined with online time for this 1 credit course (pass/no pass or audit only). Registration is required as space is limited. If you are interested in participating please enroll directly in ExpressLane, CRN# 43564. Class fee is waived for Lane instructors. For more information contact Ian Coronado at coronadoi@lanecc.edu or call 463-5475.

WELLNESS EVENTS AND CLASSES

Workstation Ergonomics: Posture, Planning and Placement with Layne King is Wednesday March 17 from 1:30 - 2:00 p.m. at the KLCC Selco Performance Hall.

Join Better Bones and Balance, Boot Camp, Move It & Lose It, Pilates and/or Yoga for Spring term. Check out <http://www.lanecc.edu/wellness/wellnessclasses.htm> and <http://www.lanecc.edu/wellness/upcomingevents.htm> for Employee Wellness spring term classes and seminars.

Please let us know if you plan to attend a seminar. Contact: Wendy Simmons, 5551 and Layne King, 5263.

NEWS

ARNAUD EARNS SCOUTING HONOR

Velda Arnaud has earned the Silver Beaver Award from the Oregon Trail Council of the Boy Scouts of America. She has served as a Webelos leader, Pack Committee chair, Cascade Roundtable commissioner, district training chair, day camp coordinator, merit badge fair chair, council jamboree secretary, dean of the commissioner college, and advisor to the district development conference. She has been recognized as the Outstanding Commissioner, Cascade District, and received the District Award of Merit. Arnaud teaches business and advises the Lane's Sigma Zeta Chapter of the international Phi Theta Kappa Honor Society. From the Oregon Trail Council website at www.otcbsa.org/openrosters/view_homepage.asp?orgkey=918

ANNOUNCEMENTS

MYLANE GOES LIVE MARCH 29

myLane will go live to everyone on campus on March 29. Look for the link to appear on the left side of the Lane homepage around noon. The URL is mylane.lanecc.edu. Check myLane for ExpressLane functions, important web links, and information about people and events on campus. myLane will meet the web needs of everyone at Lane -- employees and students (but not Spiderman). MyLane is brought to you by the Title III grant. If you have any questions, ideas or comments contact Carol McKiel, Title III coordinator, 3132 or mckielc@lanecc.edu

FIFTH ANNUAL HIGH SCHOOL ART SHOW OPENS MARCH 29

The Lane Art Gallery is proud to present our Fifth Annual High School Art Show. This show is an invitation to area high schools in Lane County to share with our community, their young and upcoming art students. Along with the two-week exhibition, students who participate are eligible for awards and scholarships. The show runs from March 29 to April 9. An evening reception is being held on April 1 from 5:30-7:00 p.m. The gallery is located in building 11. There is no charge for admission. Contact Art and Applied Design at 5409.

WHO'S GOT TALENT? FIND OUT APRIL 2

Lane presents the first annual "Who's Got Talent?" fundraiser for Specialized Support Services on Friday, April 2, from 6:30-8:30 p.m. at the Performance Hall Main Stage, Building 6. Admission is \$5. Specialized Support Services provides assistance for students with disabilities at Lane and served 78 students winter term. The talent features Lane SSS students as well as individuals with disabilities from the Lane Education Service District, Full Access Brokerage, the Oregon Supported Living Program, the Alvord Taylor program, and the ARC. Proceeds will benefit Specialized Support Services at Lane, which provides education and job training to give clients the skills necessary for

success in a community setting. For more information contact Sharmean Heffernan at 541-463-5101, or heffernans@lanecc.edu

CALL FOR DISTINGUISHED ALUMNI -- NOMINATIONS DUE APRIL 7

This is your opportunity to bring attention to your wonderful programs and the outstanding students who have been part an important part them. Each year the Lane Community College Foundation recognizes and honors four alumni who have demonstrated achievement in their chosen profession, service to the community, or outstanding contribution to the college. Please nominate special alumni from your program today! Further information and applications can be found at lanecc.edu/foundation/distalumni.htm Applications are due by Wednesday, April 7, by 5 p.m. Contact: Michele Erickson, 5804 or ericksonm@lanecc.edu

HUMAN RIGHTS SUMMIT APRIL 10

www.humanrightscity.com/Human_Rights_City_Project/Welcome_.html

A community-wide Human Rights Summit will be held Saturday, April 10, co-sponsored by the City of Eugene and the Community Coalition for Advancement of Human Rights. The summit will address human rights principles as expressed in the Universal Declaration of Human Rights and their relevance to local human rights issues. Participants will have the opportunity to explore ways in which individuals, groups and institutions can work together to respect, protect and fulfill human rights at the local community level.

The morning program features keynote speaker and facilitated discussion, followed by a wide variety of workshop choices in the afternoon. The workshop topics include indigenous rights, combating racism, immigrant rights, health care, food security, mental health care, trauma survivors, sexual violence, LGBTQ rights, right to shelter, know your rights, water and human rights, costs of war, environmental rights, neighborhood rights issues, study circles, disability rights. There is a \$10 event registration fee that includes lunch. Register now at lanecc.edu/cml/upcoming.htm A limited number of registration scholarships and bus passes are available; call 541-682-5177.

For program, workshop and registration information go to: www.humanrightscity.com LTD will run a special evening bus for participants to return to the downtown station. Bus passes available at 541-682-5177.

Bring two cans of food to donate to Food for Lane County and receive a raffle ticket for a chance to win exciting prizes! Foods needed include (must be non-perishable and packaged) chilies, beans (lentils, pinto, black, refried), rice, tomatoes, chicken stock, MASECA (corn flour), chili powder, cumin, mole sauce, and enchilada sauce.

A free, preview event will be held Thursday, April 8 from 6:30-9 p.m. at Studio One, Hult Center, titled, "Looking at Eugene and Lane County Through a Human Rights Lens." For more information call 541-682-5177 or e-mail ehrcenter@ci.eugene.or.us Submitted by Donna Koechig.

2010 STEMtech PROPOSALS DUE APRIL 16

The League for Innovation in the Community College is accepting proposals to present at the first annual STEMtech conference to be held October 31 - November 3 at the Walt Disney World Swan and Dolphin Resort in Orlando, Florida. Replacing the fall Conference on Information Technology (CIT), STEMtech is an interactive learning experience with a strong focus on STEM disciplines -- science, technology, engineering, mathematics -- in general education and workforce training and in technology use across the institution. In addition, STEMtech continues the 25-year legacy of CIT and its predecessors as the fall "tech" conference: the place to explore the intelligent application

of information technology in community and technical colleges. Proposals can be submitted online at www.league.org/2010stemtech Deadline for submissions is April 16. Submitted by Tamara Pinkas, league rep, 5011.

PERFORMING ARTS UPDATES

Just another reminder that Performing Arts has a mailing list to keep you up to date on music, dance and theatre performances. To get on it and get advance notice of events, e-mail John Watson at watsonj@lanecc.edu

For Facebook fans, we have a Fan page at www.facebook.com/laneperformingarts As of Friday, March 19, we had 391 fans! Join this page and get photos, videos and news and maybe even a little gossip from behind the scenes in Performing Arts! Posting this week: links to music technology independent study student's end of term work. The quality of the music and production is unbelievable!

"Romeo and Juliet" tickets are on sale through the online box office at lanecc.edu/tickets We are still almost a month away from opening night and have already sold enough tickets online to fill up the Blue Door theater at least once! Get online and get your tickets soon!

Submitted by John Watson, marketing and house manager, Music, Dance and Theatre Arts, 5161 or watsonj@lanecc.edu

REMINDERS

GROUP BUS PASS SPRING TERM; PHOTOS MARCH 29-31

Students or staff taking a credit class on main campus or at the DTC are eligible for a LCC bus pass good for the entire term. Photos for bus pass ID cards will be taken in building 19/117, March 29-31, 8 a.m.-4 p.m. Stickers for spring term will be available beginning April 6 at the Titan Store return window or at the Downtown Center. Go to www.ltd.org/ for more transportation options, schedules and route changes. Contact: Susan Tatar, 5727.

CTE FACULTY INTERNSHIP OPPORTUNITIES AVAILABLE

Perkins grant funds are available for paid faculty internships March 22-August 15 for faculty to work at business sites related to their teaching discipline. The purpose of these funds is to strengthen the career and technical skills of students participating in career and technical programs. Faculty work with businesses to stay current with all aspects of an industry and develop a higher level of industry knowledge and skills. Internships are paid at the curriculum development rate and are to be with local employers within commuting distance of the college. Applicants are responsible for making internship arrangements. For Perkins Internship Guidelines and application, e-mail Carol Woodman or call 5509.

FLORENCE CLOSED SPRING BREAK

The Florence Center is closed spring break, March 22-26. Contact: Bob Purscelley, 4805.

FACILITIES UPDATES

It has been reported that a few dog owners on campus are allowing their dogs to be free of their leash at times, which can pose a perceived safety issue. When appropriate, please refer dog owners to review Lane's "Animal" procedure on COPPS for more information before bringing an animal on campus. Refer to www.lanecc.edu/cops/animals.htm for more information or contact Public Safety at 5558.

Lane has a new keyless entry system being installed on our campus that will make it easier and more convenient to access buildings after hours and on weekends. This system focuses on the exterior doors on buildings and is expected to be fully implemented early this summer. Contact David Smith, project coordinator, at 3433 or Jim Harris, Public Safety office, at 5558.

Custodians are working hard to keep things clean. Spills and food messes make it even more challenging. Refer to COPPS procedure "Classrooms: Food and Drinks" at www.lanecc.edu/cops/food.htm for guidance regarding food and drinks in our classrooms. Please support the college staff and custodians by limiting food and drinks in the classrooms. Thank you, David L. Willis, director of Facilities Management and Planning, 5566.

If you have a facilities related request, please call 5216, e-mail facilitiesoffice@lanecc.edu, or fill out a work request form. Thank you, Facilities Management.

BOND UPDATES—

For more information about bond projects, contact Bob Mention, 5747 or Todd Smith, 5132.

ASBESTOS ABATEMENT

After removing all asbestos from pipes in the tunnels and mechanical room during Deferred Maintenance 2009, crews are currently working to install new insulation on the chilled, heating, and domestic hot water lines in the tunnel and mechanical rooms. Remaining tunnel work is 66 percent complete; and remaining mechanical room work 33 percent complete. Contact Angela Fazio, 3428.

AMTF UPGRADES

The installation of a new paint booth in building 47 helps support the Aviation Maintenance Technician program instruction. The booth installation is now complete. Continue to await the receipt of the final operation and maintenance manuals and warranties in order to close the project. Contact Angela Fazio, 3428.

COMPUTERIZED MAINTENANCE MANAGEMENT SYSTEM

Evaluation of Computerized Maintenance Management System (CMMS) continues. A new CMMS will improve work order turnaround time, increase system reliability through preventative maintenance, provide key performance indicators as a management tool to maximize performance with limited resources, predict future maintenance and capital budgets. Completed data collection from two of three vendor site visits planned. Data collection and input continues. User group Webinars to be scheduled. Contact Angela Fazio, 3428.

DOWNTOWN CAMPUS BUILDING

Several presentations concerning different aspects of the Downtown Campus Building project were made to the Board of Education at its March 17 meeting. The project consultants presented the Phase 1-Feasibility Report, a senior analyst with the city outlined the Urban Renewal Agency's (URA) terms for the transfer of property, the county tax assessor summarized the URA's tax position, and Mayor Kitty Piercy expressed her support for the project. While the board was favorably impressed with the project they recognized challenges that lie ahead. Board action on next steps for the project is expected at the April meeting.

UTILITY METERING

Installation of meters on electrical, domestic hot and cold water, natural gas, chilled and heating water and irrigation will allow for utility monitoring, performance evaluation and energy maximization. Final mechanical inspections are complete; final electrical inspections still to be completed upon resolution of Underwriter Laboratory (UL) certification of monitoring devices. UL performed site audit and is currently reviewing all documents provided by MeasureLogic. Contact Angela Fazio, 3428.

OTHER FACILITIES PROJECTS—

HEALTH & WELLNESS BUILDING

Steel frame for the bridge to building 4 was erected last week and work is set to begin on the bridge canopies and painting the steel this week. Painters are also working inside the building painting on both floors, and casework is beginning to go in. Cooling panels and ceiling grids are being installed in ceilings as well as bathroom partitions and fixtures. Work continues outside on excavating for footings and site features. Building connections to chilled and heated water lines are to occur over spring break. The main power connection will also occur over spring break, but there will not be a power shut-down associated with this electrical work. Expect noise from construction activities for the immediate future. Project completion expected August 2010. Contact Brian McMurray, 5829.

NATIVE AMERICAN LONGHOUSE

The HVAC contractor and the fire protection contractor continue working on site. Plumbing submittals have been reviewed and the contractor has scheduled work to begin the last week of March. Project completion expected August 2010. Contact Brian McMurray, 5829.

----- WELLNESS EVENTS AND CLASSES -----

HEALTHY OPTIONS: Food Services is partnering with the Employee Wellness Program to bring you a brand new program called, "Healthy Options." Starting spring term, each day when you enter the food court, check the "Healthy Options" menu board for selections of healthy breakfast, lunch and snack items. By making nutritious food choices we can increase our immune function, concentrate better, decrease our stress levels and improve our overall health and wellness. We are here to serve all students, employees and visitors who come to Lane Community College's main campus. Thank you, Wendy Simmons.

Featuring Lane SSS students and individuals with disabilities from Lane Education Service District, Full Access Brokerage, Oregon Supported Living Program, Alvord Taylor program, and ARC. Proceeds will benefit SSS at Lane. Contact Sharmean Heffernan, 5101, or heffernans@lanecc.edu

ANNOUNCEMENTS

MYLANE HAS ARRIVED

You can now find the link to myLane on the left side of the Lane home page. myLane is the new web portal for everyone that provides easy access to important web links and ExpressLane functions. myLane is also a versatile communication tool for people and groups across campus. If you are in a formal or informal group on campus, check out Group Studio to learn ways to share files, information and photos. You can find the link to tutorials about Group Studio's functions on the myLane log-in screen. myLane also makes it easy to send special messages to specific populations. Over spring term, we'll work with individuals across campus, helping them use myLane's messaging capabilities to reach students and employees. If you would like to learn more about myLane's messaging functions, contact Carol McKiel, Title III, at 3132 or e-mail mckielc@lanecc.edu

NEW LANE EVENTS CALENDAR IS LIVE

The new Lane Events calendar is live from the college home page and at <http://www.lanecc.edu/laneevents> The old Lane Events webviewer will stay up in a skeleton form for a couple of weeks to allow conversion time for those who had the old system book marked. Questions or problems about the new system can be directed to the new e-mail box: laneevents@lanecc.edu Submitted by Alen Bahret, Information Technology, 3347.

IT UPDATE: THE OLD WAY IS GOING AWAY, SO...

There is a new way for requesting Novell and GroupWise Accounts. If you are requesting a new e-mail or Novell account with access to shared drives or need assistance with any of these items, instead of e-mailing gwrequest@lanecc.edu you will now go to www.lanecc.edu/it then click on IT Direct and log in. Instructions for submitting requests and problem type definitions are available below the IT Direct Link. You may also call the IT Service Center (Help Desk) at 4444 for assistance with filling out the form. Thank you for your patience as we make this transition. Submitted by Ardene Toney.

NOTICE ABOUT CHAIRS AND TABLES PROVIDED BY DISABILITY RESOURCES

Chairs and tables provided by Disability Resources are accommodations placed in specific rooms for specific students. These chairs and tables are not to be removed by students, faculty, or any other employees except the responsible Facilities Management staff. Students who have furniture accommodations must request the furniture each term, so that DR knows where the furniture is needed. There is a great deal of effort by Facilities Management and Disability Resources to get the appropriate furniture to the requesting students in a timely manner. So, if an adjustable table, ergonomic or padded chair appears in your classroom, do not remove it, and please don't move it within the classroom. Students who have furniture accommodations have a Letter of Accommodation (LOA) which identifies them as the student who is to use the chair/table. If there are more students with LOAs identifying them as needing furniture accommodations than there are chairs in the room, have the students come to DR and speak with Cathie. If you have questions, contact Cathie Reschke at 5079, or Disability Services at 5150.

LANE CELEBRATES NATIONAL POETRY MONTH

The Lane Library is pleased to host POETRYpotpie for the month of April. The Library will display poems submitted by Lane students, staff and faculty in recognition of National Poetry Month. Submit your own poem, or a favorite poem by someone else, to the Library and celebrate poetry and the poets among us. Poems will be displayed throughout the Library and on our Facebook site.

On May 13-14, US Poet Laureate Kay Ryan will visit campus for a public reading and discussion with students. For more information about Ryan's visit, see the news release at: <http://www.lanecc.edu/mpr/news/rel01243.htm>

For more information about poetry in the LCC Library collection, stop by the Library Reference Desk. We can help you find books and articles on poets and poetry, and great poetry resources online.

There are three ways to submit a poem (or poems) for POETRYpotpie:

- Bring a copy of your poem(s) to the LCC Library Reference Desk starting April 1. Handwritten or word-processed is OK.
- Send your poem by e-mail to LCC Library Reference Desk at reference@lanecc.edu
- Post your poem on the LCC Library Facebook page

Be sure to include your name, unless you want to be anonymous. Submitted by Claire Dannenbaum, Reference Librarian, dannenbaumc@lanecc.edu or 5359.

SPACE STILL AVAILABLE IN FUN WITH ENGINEERING WORKSHOP APRIL 3

Girls in fifth through eighth grade and their mothers (or aunts, friends or grandmas) are invited to attend Hypatia Day from 9 a.m. to 1 p.m. on Saturday, April 3, in the Lane cafeteria. Employees and students are invited to participate with their fifth through eighth grade daughters, granddaughters, nieces or neighbors. Organizational sponsorships have allowed this to be offered at no charge. Celeste Baine, nationally recognized author

and engineering educator, and members of the Willamette Valley Chapter of the Society of Women Engineers, will share their experiences and opportunities in engineering careers and lead hands-on activities so girls can learn about technical and engineering careers firsthand, such as building a hover craft. Celeste's Engineering Education Service Center is working with Eugene-Lane Branch of American Association of University Women, Society of Women Engineers and Lane Community College to provide the workshop free to 40 girls and their moms/mentors. The day is named after Hypatia, celebrated as the first woman math teacher/scholar, who lived in Alexandria (b. 350-370 and d. 415). To register, go to <http://www.engineeringedu.com/hypatiaday.html> or call 541-988-1005 to register by phone. Workshop space is limited to 40 girls and 40 moms/mentors. Submitted by Cathy Lindsley, 5441.

PARKING LOTS C AND D RESERVED APRIL 7

Be aware that parking lots C and D are reserved for an event on Wednesday, April 7 from 7:00 a.m. to 5:00 p.m. Please plan to park in an alternate lot. Thank you for your cooperation. Carolyn Philes, Event Coordinator, Center for Meeting and Learning, 3511.

HUMAN RIGHTS SUMMIT APRIL 10

President Mary Spilde will present opening remarks at Human Rights Start at Home, a community summit on Saturday, April 10, 9:00 a.m.- 6:00 p.m., at the Center for Meeting and Learning. The event is co-sponsored by Lane's Office of Diversity, the City of Eugene Human Rights Commission, and the Community Coalition for the Advancement of Human Rights.

The summit will address human rights principles as expressed in the Universal Declaration of Human Rights and their relevance to local human rights issues. Participants will have the opportunity to explore ways in which individuals, groups, and institutions can work together to respect, protect, and fulfill human rights at the local community level.

The morning program features keynote speaker Chandra Bhatnagar, human rights attorney and activist, speaking on, "Close to Home: Building a Human Rights Movement in Local Communities." This will be followed by a facilitated discussion with Chivy Sok, human rights educator and trainer.

The afternoon includes 29 interactive workshops engaging participants in local human rights issues and actions. Workshop topics include: indigenous rights, immigrant rights, health care, antiviolenace, food security, mental health care, surviving trauma, neighborhood action, sexual violence, LGBTQ rights, right to shelter, know your rights, water and human rights, confronting racism, costs of war, environmental rights, neighborhood rights and rights of persons with disabilities.

There is a \$10 event registration fee. For more information call 541-682-5177 or go online at

<http://www.lanecc.edu/cml/upcoming.htm> to register. Program, workshop and registration information is available online at <http://www.humanrightscity.com>
Contact: Donna Koechig.

V-DAY AT LANE APRIL 21

V-Day is an international movement dedicated to ending violence against women and girls. Each year around the globe, local groups volunteer long hours to stage productions of Eve Ensler's play, The Vagina Monologues, and donate 100 percent of the proceeds to organizations that work to end violence against women and girls, with 90 percent of those proceeds donated to local organizations. This year, for the first time, LCC will host

its own V-Day celebration. Local proceeds will benefit Sexual Assault Support Services (SASS) and the UO Law School Domestic Violence Legal Aid Clinic. Lane students are working very hard to make this first LCC production of the play successful, and they need the support of the entire campus community. Faculty, if you are teaching a class and could offer your students extra credit for attending one of the shows, or if you are willing to have someone come into your classroom to give a very brief class rap about the play, please let us know! Also, there will be a silent auction at the play performances, and we are still seeking items for the auction. If you would like to donate an item or a service to the auction, contact Ailiah Schaefer at 541-740-8543. Silent auction items are needed by April 16.

The two performances of the Vagina Monologues at LCC will take place on Wednesday, April 21 at 4 p.m. and again at 8 p.m. General admission tickets will be available at the door, and are \$10 for students, LCC staff and seniors, and \$12 for the public. Call 541-740-8544 to reserve tickets. We're hoping the entire campus community will turn out to support this event. Contact Ayesha Mehren with any questions regarding class raps or general outreach at: corallorhizamaculata@gmail.com or 541-337-1720. Submitted by Patsy Raney, 5877.

REMINDERS

DISTINGUISHED ALUMNI NOMINATIONS DUE APRIL 7

This is your opportunity to bring attention to your wonderful programs and the outstanding students who have been part an important part them. Each year the Lane Community College Foundation recognizes and honors four alumni who have demonstrated achievement in their chosen profession, service to the community, or outstanding contribution to the college. Please nominate special alumni from your program today! Further information and applications can be found at lanecc.edu/foundation/distalumni.htm Applications are due by Wednesday, April 7, by 5 p.m. Contact: Michele Erickson, 5804 or ericksonm@lanecc.edu

STEMtech PROPOSALS DUE APRIL 16

The League for Innovation in the Community College is accepting proposals to present at the first annual STEMtech conference to be held October 31 - November 3 at the Walt Disney World Swan and Dolphin Resort in Orlando, Florida. Replacing the fall Conference on Information Technology (CIT), STEMtech is an interactive learning experience with a strong focus on STEM disciplines -- science, technology, engineering, mathematics -- in general education and workforce training and in technology use across the institution. In addition, STEMtech continues the 25-year legacy of CIT and its predecessors as the fall "tech" conference: the place to explore the intelligent application of information technology in community and technical colleges. Proposals can be submitted online at www.league.org/2010stemtech Deadline for submissions is April 16. Submitted by Tamara Pinkas, league rep, 5011.

FACILITIES UPDATES

BOND UPDATES—

For more information about bond projects, contact Bob Mention, 5747 or Todd Smith, 5132.

ASBESTOS ABATEMENT

After removing all asbestos from pipes in the tunnels and mechanical room during Deferred Maintenance 2009, crews are currently working to install new insulation on the chilled, heating, and domestic hot water lines in the tunnel and mechanical rooms. Remaining tunnel work is 68 percent complete; and remaining mechanical room work 33 percent complete. Contact Angela Fazio, 3428.

AMTF UPGRADES

The installation of a new paint booth in building 47 helps support the Aviation Maintenance Technician program instruction. The booth installation is now complete. Continue to await the receipt of the final operation and maintenance manuals and warranties in order to close the project. Contact Angela Fazio, 3428.

BUILDINGS 4 & 5 REMODEL/ADDITION

A (CM/GC Construction Manager-General Contractor) agreement was awarded to Lease Crutcher Lewis and approved at Board of Education meeting on March 17. LCL has been attending meetings with Lane coordination staff and bid packages will be advertised to the public by March 26. A tour of building 4 is scheduled for March 30. Contractors are working with the trades on calculating the anticipated needs of material and equipment to order right away in effort to avoid potential construction delays. Limited construction activities are expected to begin on the outside of building 4 on April 28, but this work is not expected to cause disruption to staff or students. Contact Mark Richardson, 3456.

COMPUTERIZED MAINTENANCE MANAGEMENT SYSTEM (CMMS)

Evaluation of Computerized Maintenance Management System (CMMS) continues. A new CMMS will improve work order turnaround time, increase system reliability through preventative maintenance, and provide key performance indicators as a management tool to maximize performance with limited resources, predict future maintenance and capital budgets. Completed data collection from two of three vendor site visits planned. Data collection and input continues. User group webinars to be scheduled. Contact Angela Fazio, 3428.

CAMPUS CONCRETE REPAIR

Lane hired an architectural firm to perform an evaluation on various locations on campus to make a recommendation on how to provide better access for students and staff members. The final concept design will be presented to FMP late April. Contact Mark Richardson, 3456.

FIRE ALARM/MASS COMMUNICATION

The fire alarm contractor, SecureCom, is currently programming the fire alarm system and putting the finishing touches on the installation. Some additional work remains in the Child Care complex and in buildings 7 and 12 for the system to be completed. The LCC electricians continue their great support of this project and Keyless Access with work in buildings 16, Center, and in Child and Family Education. Contact Dave Smith, 3433.

FLOOR REPLACEMENT

Flooring asbestos abatement and installation of new carpet at Flight Technology building 43 has been completed. This work greatly improves the working conditions of instructional space and preservation of a historic building. Placing furniture back into building spaces to be completed during spring break. Contact Angela Fazio, 3428.

KEYLESS ACCESS

The contractor, Allied Fire & Security, has finished "roughing in" Child Care and is working on building 16, Science. Four CCTV cameras were installed on the Facilities building as part of a camera evaluation. The results of the test were inconclusive as to the best camera for the application so we shall continue the testing over the next several weeks. The manufacturers are submitting additional cameras for evaluation. Contact Dave Smith, 3433.

TRACK & SOCCER BOWL UPGRADES

The construction document is complete and bid submission deadline is March 30, by 2:00 p.m. Construction mobilization has an anticipated start date of April 14. Construction traffic will increase in the north parking lot as the contractor begins to move in equipment. During the first phase of construction, truck traffic will be heavy at times on Eldon Shaffer Drive hauling dirt to a storage location on the south side of campus. Contact Mark Richardson, 3456.

UTILITY METERING

Installation of meters on electrical, domestic hot and cold water, natural gas, chilled and heating water and irrigation will allow for utility monitoring, performance evaluation and energy maximization. Final mechanical inspections are complete; final electrical inspections still to be completed upon resolution of Underwriter Laboratory (UL) certification of monitoring devices. UL performed site audit and is currently reviewing all documents provided by MeasureLogic. Contact Angela Fazio, 3428.

TRAININGS

ACADEMIC TECHNOLOGY CENTER WORKSHOP SCHEDULE: SPRING 2010

Details and Registration at: <http://lanecc.edu/atc/wstraining/schedule.html>

- Instructor Technology Orientations: Class Lists, Time Sheets, E-mail, Grading, Help Resources

- Smart Classroom & Smart Cart Operation: Operating and Troubleshooting AV Equipment

- Moodle Workshops: Intro, Resources, Activities, Forums, Gradebook, Quizzes

DO YOU NEED A MOODLE METACOURSE?

A metacourse is a parent course which combines two or more sections in Moodle. If you are teaching more than one section of the same course, this allows you to deliver one copy of the course content to all the sections. The child sections handle enrollment, while the parent metacourse handles the content. To request a metacourse, simply send an e-mail to atc@lanecc.edu with the following information: Title of the Course, Term, Associated CRN's. If you have any questions feel free to contact us.

APRIL 13 & 15: CHANGES IN MICROSOFT OFFICE 2007. The Business Development Center is offering a Microsoft Office 2003 to 2007 Transition workshop from 9-noon on Tuesday and Thursday, April 13-15, at 1445 Willamette Street, Eugene, room 106. CRN: 42731. Learn about new features in Word, Excel, PowerPoint, and Outlook, such as ribbons, tabs, galleries, groups, default settings, and the quick access bar. You will also learn about changes in each of the applications, including headers and footers, mail merge, conditional formatting, pivot tables, charts and graphs, master slides, etc. Find information on cost and other details call our Business Resource Team at 5255 or go online at www.LaneBDC.com/training/classes/classesCurrent.htm

T2T: AUDIO AND VIDEO FOR ONLINE INSTRUCTION

Wednesdays, March 31 - April 28, 3-5 pm, ATC building 19/room 249, Instructor: Coronado. Five-week hybrid class. Do you teach online, hybrid or have a web enhanced traditional class? Want to use more audio and video in your class, but find that there are too many hurdles to get these things online? Come to our five week session, bring some videos and ideas you want to put online, and put those hurdles behind you. Understand, download and use the more efficient formats for audio and video, editing existing content, and production of audio/visual materials. Moodle experience required. Meet in the classroom on Wednesdays 3-5 p.m. combined with online time for this 1 credit course (pass/no pass or audit only). Registration is required as space is limited. If you are interested in participating please enroll directly in ExpressLane, CRN# 43563. Class fee is waived for Lane instructors. For more information contact Ian Coronado at coronadoi@lanecc.edu or call 463-5475.

T2T: SOCIAL NETWORKING AND WEB 2.0 TOOLS FOR ONLINE INSTRUCTION

Wednesdays, May 5 - June 2, 3-5 pm, ATC building 19/room 249, Instructors: Borrowdale, Coronado, Keene-Wilson, Kirkpatrick and Pineda. Five-week hybrid class. The focus of this course is on the use of Web 2.0 social networking tools that will foster instructor-student, content-student, and student-student interaction for online and hybrid course instruction. We'll look at new and emerging technologies for online learning, social networking tools and more. A different instructor will lead the class each meeting. Meet in the classroom on Wednesdays 3-5 p.m. combined with online time for this 1 credit course (pass/no pass or audit only). Registration is required as space is limited. If you are interested in participating please enroll directly in ExpressLane, CRN# 43564. Class fee is waived for Lane instructors. For more information contact Ian Coronado at coronadoi@lanecc.edu or call 463-5475.

WELLNESS EVENTS AND CLASSES

HEALTHY OPTIONS IN THE CAFETERIA

Food Services is partnering with the Employee Wellness Program to bring you a brand new program called "Healthy Options." Each day when you enter the food court, check the "Healthy Options" menu board for selections of healthy breakfast, lunch and snack items. By making nutritious food choices we can increase our immune function, concentrate better, decrease our stress levels and improve our overall health and wellness. We are here to serve all students, employees and visitors who come to Lane main campus.

WELLNESS TRAININGS

- Pilates Fundamentals two-class workshop starts today. Join the class as a pre-requisite for Pilates Beginner Level 2 class starting next week. This workshop meets Tuesday and Thursday, 3/30 and 4/1 from 4:15 - 5:15 p.m., in Building 18, Room 105. You need not take the workshop to join the Pilates Level 2 class if you participated in Pilates last term.
- Join Better Bones and Balance; Boot Camp; Move It & Lose It; Stretch, Breathe & Relax; Weights Wake-up Call; Wellness Walks with Wendy and/or Yoga for Spring term.

Most classes start next week. Check out:

<http://www.lanecc.edu/wellness/wellnessclasses.htm> and

<http://www.lanecc.edu/wellness/upcomingevents.htm> for more details regarding Employee Wellness classes and seminars. For more information contact: Wendy Simmons, 5551 and Layne King, 5263.

ADS

FIRST FRIDAY COMMUNITIES OF COLOR event scheduled for this Friday, April 2, 5:30-7:30 p.m., at Springfield Public Schools Administration Building, 525 Mill Street, Springfield. Everyone is welcome. Submitted by Donna Koechig.

SUPPORT LAURA HUBBARD in her plans to compete in the Pacific Crest Triathlon on June 27 to support the Leukemia & Lymphoma Society. "My greatest source of inspiration for completing this triathlon is my mom, Susan Poston. She lost her battle with multiple myeloma in June 2009," Laura says. Lane employees may remember Susan as a math tutor, know Laura's dad Bart Poston as a business tutor, or her grandfather Bert Dotson, Lane's first employee. Laura hopes to raise \$3,400 by June 1. Visit her web site <http://pages.teamintraining.org/or/pctri10/lhubbard> for information, or send an e-mail to hubbard05@msn.com

MAGAZINES WANTED. Would you like to recycle your magazines for a goo cause? The ESL Reading/Writing Success class could use your pre-read magazines for free-reading material. Entertainment, computers, women's magazines, science--almost any topic would be welcome (no risqué magazines please). We promise to complete your recycling when the magazines are beyond readable. Send via campus mail to Tracy Henninger-Willey in the ESL Department or e-mail me at henningert@lanecc.edu and I can pick them up. Thanks!

MICHIGAN STATE ALUMNI AND FRIENDS will gather Saturday, April 3 at the Old Pad, 3355 E Amazon, Eugene to watch their team play in the Final Four. Watch media listings to confirm game time. Wear green and white. Contact: Kathy Thomas, 5538.

NEED YARD LABOR HELP: Can pay \$7/hr if you know of a student who is interested? Work involves spreading bark, weeding, turning soil. I have 1 ton truck and willing to haul your items or landscape materials in turn for your labor. Ext. 5561.

FOR SALE: ESTABLISHED BEEHIVE with western supers. Contact for details. Honey extractor. Dadant four frame, hand crank. \$350. wilkesn@lanecc.edu.

APARTMENT FOR RENT: Free April rent! Cute one-bedroom, second-floor apartment near YMCA and UO available permanently beginning in early April. \$650/month + utilities. Washers/dryers onsite. Entire complex is non-smoking. (No pets technically allowed, but I have a guinea pig.) A helpful onsite manager currently keeps an eye on things. View of pretty courtyard on north side; view of Spencer's Butte from kitchenette (south) window. The 17-unit complex is a 10 minutes' walk from the UO campus, a 20 minutes' walk from downtown, and a bike ride away from most places in Eugene. Apartment will be vacated on March 29, 2010 and can be viewed shortly thereafter.

Sublet through July 31, 2010 (through Von Klein Properties) with lease renewal available thereafter. Please e-mail Jennifer Love at lovejm@lanecc.edu.

RENTAL: COLLEGE HILL converted garage living quarters available 4/5/10. Non-smoking. Indoor cat OK. Shared utilities, organic garden. \$415 a month + deposit. 541-741-8058.

TIME FOR SPRING CLEANING! Rent-A-Rower fundraiser to support OAR Jr. Crew (a local high school rowing program). Saturday, April 17 and Sunday, April 18. Athletes would be happy to help with: Gardening, Cleaning, Washing Windows, Painting, Moving, Etc. Suggested Donation: \$10.00/Hour per Athlete. For more information or to reserve a slot, contact: Sandy at rentarower@oarjrcrow.org

FOR SALE: WOODEN PLAY STRUCTURE. Hand made with weather treated wood from a kit from Jerry's. Wooden roof and lower level floor. Top level has steering wheel and telescope. Has one swing, slide and rings. You can have the cement blocks it is bolted to that are buried in the ground. You will need to haul it away. See photos at www.stevebarth.com/forsale \$125 or make me an offer. Dawn. Ext. 5503.

WANTED: DECENT SEWING MACHINE for basic repairs and occasional projects; need not be fancy. Art Peck pecka@lanecc.edu or 5468.

HOUSE FOR RENT: 2 br 1 bath house, 1156 Cal Young Road, washer & dryer, covered carport and patio, large sunny kitchen, water from tested well, large yard great for gardener, roses, all electric, clean, older home. \$850/month plus utilities, pets additional \$25/month per pet, limit 2 pets Month to Month only - No lease terms Non smokers Security deposit \$600, refundable upon acceptable inspection References and background check required E-mail questions to stufam@comcast.net or drive by to see, calls only between 5pm & 9pm weekdays or Sat/Sun 9am to 6pm 541-517-0500. Tana Stuart.

LANE WEEKLY is the employee newsletter of Lane Community College. Send submissions to weekly@lanecc.edu. Guidelines online at www.lanecc.edu/cops/newsletter.htm For information, call (541) 463-5591. The Weekly is available to the vision-impaired through Disability Resources at (541) 463-5150. Lane Community College is an equal opportunity/affirmative action institution. Tuesday, March 30, 2010.

EVENTS THIS WEEK

PARKING LOTS C AND D on the west side of campus in front of the main entrance to the Center for Meeting and Learning are reserved for an event on Wednesday, April 7 from 7 a.m. to 5 p.m. Please plan to park in an alternate lot. The handicap spots in these lots will be available for student and faculty parking. Thank you for your cooperation. Contact: Carolyn Philes.

AAWCC JORDAN SCHNITZER MUSEUM OF ART TOUR: Please join us this Wednesday, April 7 at 5:30 p.m. at the museum for the fabulous Amazonia Exhibit showing images by Sam Abell and his colleague Torben Nissen, a noted wildlife photographer and experienced guide. This provocative exhibit provides rare insight into a remote and untouched landscape and the creatures that inhabit its dangerous rainforest and waters. Meet at the Marché Museum Café at 5:30 p.m. and proceed with the tour. The museum is located at 1430 Johnson Lane on the University of Oregon campus. See a review and get the map at <http://jsma.uoregon.edu>. Wednesday's at the museum are "pay-what-you-wish." If you plan to attend, please leave a message with Phoebe Anderson at 5203, so we'll know how many to expect. We look forward to seeing you there. And check out our website for upcoming events at <http://www.lanecc.edu/aawcc/>. Submitted by Lane's AAWCC Board.

ADA/504 COMPLIANCE FORUM will be held Thursday, April 8, 10 a.m. to 12 p.m., building 16, room 211. Learn more about legal compliance issues for those with disabilities at Lane, meet the ADA/Section 504 Compliance Committee, and discuss any access-related concerns, suggestions and needs. If you need accommodations to attend this meeting or would like more information, contact Disability Services at 463-5150 (voice) or 463-3079 (TTY).

ROMEO AND JULIET opens April 8 in the Blue Door Theater at 8 p.m. Tickets are \$10 general admission, \$8 students, seniors and employees, available online at lanecc.edu/tickets -- cash only at the door. For reservations call the Student Production Association at 5761. The show runs weekends through April 24 including a 2 p.m. matinee on April 18. See rehearsal videos at www.facebook.com/laneperformingarts. Subscribers to the Performing Arts e-mail list received this news March 31, the same day as it went to Lane Weekly. Join the list and get news, reminders and the first chance at buying tickets! E-mail John at watsonj@lanecc.edu

NEWS

BRIAN KELLY NAMED DEAN OF CONFERENCE AND CULINARY SERVICES

Brian Kelly has been named division dean for Conference and Culinary Services. He has served as interim dean since April 2008. Brian began at Lane in 2005 as food and beverage manager for the division. Prior to Lane, he has been an executive chef, manager, instructor, and business owner in the food services industry. He has a master's degree in business from

Marylhurst University, a bachelor of arts from Southern Illinois University, and an associate degree from Kishwaukee College. Thanks to Jim Lindly, LynnMarie Chowdhury, and all of the members of the hiring committee for doing a superb job in conducting the national search. Contact: Andrea Newton.

FINALISTS SELECTED FOR SCIENCE DIVISION DEAN

Five candidates will interview for science division dean. They are:

* Michael Milhausen of Boulder, Colorado. He has been a faculty member and chair of the science department at Front Range Community College in Westminster, Colorado since August 2003. During this period, he has participated widely in the Colorado community college system. He earned a bachelor of science in biology from Le Moyne College and a doctorate in biology from Syracuse University.

* Sarah Ulerick of Eugene, Oregon. She earned a bachelor of arts in social relations with a minor in geology from Harvard University and a doctorate in science education with a minor in geology from the University of Texas at Austin. She taught geology at Lane from 1997 through 2007 and has been interim science division dean since July 2007. She has served on, and chaired, many collegewide committees, including the Lane Assessment Team since its inception.

* Xin-Ran Duan of Holyoke, Massachusetts. He has been dean of the division of science, engineering and mathematics at Holyoke Community College. He has served in similar community college positions since 1993. He earned his bachelor of science in mechanical engineering in China, and completed the master of arts in mechanical engineering at the University of Oklahoma. He also has a doctorate in mechanical engineering from the University of Akron and a second doctorate in higher education administration and leadership from Indiana State University.

* Majid Sawtarie of Bethany, West Virginia. He served as faculty member and chair of the physics department at Bethany College since 1988. He has earned a bachelor of science in physics from Lebanese University, two master's degrees, one in physics and one in mathematics, as well as a doctorate in physics from Ohio University. He is currently also president of the American Association of Physics Teachers.

* John Francis of Pickerton, Ohio. He is currently dean of arts and sciences at Germanna Community College. He previously taught chemistry and was director of the Pathways Institute (designed to recruit students into the sciences and health professions) at Columbus State Community College. He earned his bachelor of science at the University of West Indies in chemistry, his master of business administration at Franklin University, and a doctorate in chemistry at Loyola University of Chicago.

GAIL BAKER WRITES ABOUT AUSTRALIA'S WILDFLOWERS

Fall term, Gail Baker's sabbatical work took her to Australia. She is featured in two publications regarding Australia's wildflowers. One is in the Bulletin of the Native Plant Society of Oregon, in an article titled, "Australian Wildflowers: Unique, Beautiful and Diverse." The second is in Tree Time from Mount Pisgah Arboretum and is titled, "From Wubin to Ongerup: Western Australia's Wildflowers Festivals." Gail will present at the Native Plant Society monthly meeting on Monday, April 19, at 7:30 p.m. at the EWEB Training room, 500 E 4th Ave., Eugene. Her topic: "Touring One of the World's Biodiversity Hotspots: The Southwest Australian Floristic Region." Submitted by Connie Rowlett.

PARTNERSHIPS MAKE HYPATIA DAY A SUCCESS

Girls in fifth through eighth grade and their mothers or grandmas learned about engineering education and careers at Hypatia Day on April 3 in the Center Building cafeteria. Celeste Baine,

nationally recognized author and engineering educator, talked about discovering a love for engineering as a 16-year-old, fixing her VW. Girls then participated in hands-on activities, including creating hovercrafts followed by building and testing straw and paper clip tower designs. Baine's non-profit Engineering Education Service Center, volunteers from Eugene-Lane Branch of American Association of University Women and AAUW's Lane branch/campus liaison Cathy Lindsley worked with partners at Lane to provide the workshop free to 15 teams of girls and moms/grandmas.

The event is named after Hypatia, celebrated as the first woman engineer and math teacher, who lived in Alexandria 350-415 AD. Thank you to all the Lane partners who made our first Hypatia Day a success!

For more about the Engineering Education Service Center, see <http://www.engineeringedu.com>

For more information about AAUW, see <http://aauw.org>

For more about Lane's Engineering Course of Study, see <http://www.lanecc.edu/math/engineering.html>

Submitted by Cathy Lindsley, 5441.

ANNOUNCEMENTS

FACULTY PROFESSIONAL DEVELOPMENT OPEN HOUSE APRIL 14

You are cordially invited to stop by the Center for Meeting and Learning, room 214, on Wednesday, April 14 between 2-5 p.m. to learn more about professional development programs for faculty at Lane. Ask questions, learn about new programs, meet FPD committee members, or simply pick up a brochure and enjoy some appetizers between classes. Contact: Adrienne Mitchell, FPD Coordinator, mitchella@lanecc.edu

ARCHIVES AND RECORDS WORKSHOP APRIL 16

Friday, April 16, 10 a.m. to noon, Library classroom, CEN 250. Open to all interested staff. If you're in need of an update on what records to keep, how long to keep them, and how to manage your records (paper and electronic) efficiently, please come to this workshop. We will focus on college records kept permanently as well as those records eventually disposed of. We'll review Archives procedures and policies. We'll also discuss ways to manage desktop electronic records including e-mail and digital records. Please call or e-mail the Archivist to reserve a space at 5466 or archives@lanecc.edu Elizabeth Uhlig, Archivist.

BLOODMOBILE ON CAMPUS APRIL 21

http://showlane.lanecc.edu/wv3/wv3_servlet/urdrun/wv_event.EventDetail?evid=102870;dates=1http://showlane.lanecc.edu/wv3/wv3_servlet/urdrun/wv_event.Detail?id=1602880;dates=1

The Bloodmobile will be on campus Tuesday and Wednesday, April 20 and 21. Contact: Vicki Doughty, 5055.

CAREER FAIR APRIL 21

Career Fair 2010 "Guiding Your Vision," will be held Wednesday, April 21 from 10 a.m. to 2 p.m. in the Center for Meeting and Learning. This free event is open to all Lane students and community members. For a list of attending employers please visit www.lanecc.edu/ces and click on the Career Fair link. If you have any questions please contact Lori Kramer at 5859 or kramerl@lanecc.edu

SUCCESSFUL AGING INSTITUTE REGISTRATION OPEN

The Successful Aging Institute provides lifelong learning opportunities for adults of all ages. Explore new careers, including those related to work with older adults; cultivate skills for the third age of life; and enjoy stimulating interactive courses in a variety of disciplines. Tailored training for senior-related businesses also offered. We at SAI invite Lane staff, faculty, friends, family members, or anyone you know who might be interested, to register for one of our exciting classes being offered this April:

Pilates for Mature Adults, CRN 42947, Apr 21-Jun 9, W, 6 - 7 pm (8 hrs \$37) (Senior \$29)

Navigating Health Transitions, CRN 43346, Apr 8 - 29, Th, 6 - 8 pm (8 hrs \$47)(Senior \$39)

Creating the Next Chapter of Your Life, CRN 42945, Apr 13 - 27, Tu, 6:30 - 8:30 pm (6 hrs \$37) (Senior \$31)

Understanding Aging Men: A Class for Men & Women, CRN 42951, Apr 15 - 29, TH, 1 - 3 pm, (6 hrs \$37) (Senior \$31)

Please visit us on the web www.lanecc.edu/sai or call Tina Dresser at 4634 for more information or to register for classes.

STUDENT SERVICE ASSOCIATE POSITIONS OPEN

The Counseling Department is recruiting students to apply for SSA (Student Service Associate) positions for the 2010/11 academic year. SSAs serve as mentors to their peers, providing information and support with regard to career exploration, scholarships, employment opportunities and campus resources. SSAs develop great leadership skills while helping others. Interested students can learn more at <http://www.lanecc.edu/ces/SSA.htm>. The application deadline is Friday, April 30 at 5 p.m. Questions can be directed to Christina Salter, 463-5813 or Tammy Simpson, 463-5296.

SPRING CONFERENCE IS MAY 7

Grab your calendar, schedule it in, and plan to be there! This year's spring conference will be held Friday, May 7, from 8 a.m. to 5 p.m. in the Center for Meeting and Learning. Please stay tuned as the event details unfold by visiting the conference website where new information is being posted as the planning process evolves.

<http://www.lanecc.edu/inservice/spring10/index10.htm> Submitted by Roxanne Young.

I CAN, ONE CAN FOOD DRIVE COLLECTED 272 POUNDS OF FOOD IN MARCH

Let's go for 300-plus pounds of non-perishable food items for April. Thank you for the 137 food items from the participants of the Lane Employee Wellness program, "Healthy You, Healthy Community: Weight Loss Corporate Challenge." This year so far, 1,350 pounds have gone to Food For Lane County for food boxes and meal sites. Tell your friends. Think of creative ways to collect food. Donate one can of non-perishable food a month to Lane's ongoing food drive. For some people getting a food box makes a difference in being able to buy needed medication or to pay a heating bill. Many food box recipients are the working however still unable to meet basic needs. Look for a box near you or call for a location, 5395 or 541-912-2228. Submitted by Beverly Farfan, farfanb@lanecc.edu

MYLANE OFFERS GROUP STUDIO

Have you thought about using Group Studio as a way to communicate and share information with people? Check the tutorials about Group Studio at

<http://www.lanecc.edu/it/training/mylane> The new tutorials about Course Studio can help instructors learn how easy it is to share files and information with students. Some people have reported that they only see half a page when they try to log into myLane. We're not trying to keep something from you; you need to get the latest version of the Microsoft Explorer browser. Call the helpdesk at 4444 or helpdesk@lanecc.edu or use the Firefox or Google Chrome.

myLane is brought to you by the Title III - Engaging Students project. For information or comments contact, Carol McKiel, 3132 or mckielc@lanecc.edu

NEED STUDENTS TO TAKE THE SATISFACTION SURVEY

To all faculty: As part of the Title III – Engaging Students project to improve student retention, we would like to survey students to get their opinions about the effectiveness of Lane's web information and how well Lane provides information about services. The survey takes about 10 minutes. Last year we were able to gather data from over 400 students. We hope to survey at least that many this year, if not more. If you would like to participate, please let me know. I can come to your class and do the survey or give you the surveys for you to conduct. Let me know which you prefer. Thanks for your assistance. Contact Carol McKiel, Title III – Engaging Students coordinator, mckielc@lanecc.edu or 3132.

TEACHING RACE AND GENDER BEYOND DIVERSITY

A conference, Teaching Race and Gender Beyond Diversity, will be held May 6-8 at the University of Oregon, Erb Memorial Union. The conference will draw scholars from across the country with a shared interest in novel approaches to teaching and learning about race and gender in the university classroom. A series of collaborative workshops rooted in teaching race and gender from an intersectional and interdisciplinary framework will be offered. The workshops will provide a setting from instructors at all levels and backgrounds to share innovative syllabi, frameworks and exercises covering a range of topics. The conference will also include a public plenary and discussion on Friday May, 7, from 12-1:30 p.m. featuring:

- * Rusty Barceló, vice president and vice provost for equity and diversity at the University of Minnesota;

- * Inés Hernández-Avila, professor of Native American studies and director, Chicana/Latina Research Center, UC Davis;

- * Angela B. Ginorio, associate professor, Women Studies, University of Washington and director of Rural Girls in Science Program, UW;

Registration is free. For more information contact Professor Daniel HoSang at dhosang@uoregon.edu Contact: Donna Koechig.

UO FILM SERIES ON SEXUAL AND GENDER MINORITY ISSUES

The University of Oregon College of Education, Department of Education Studies, and the UO Multicultural Center are presenting a film series with panelists on sexual and gender minority issues in education. Showings will be held in Knight Law Room 175 and will be held April 6 and 20, and May 18 and June 1. For more information contact Tina Gutierrez-Schmich at (541) 346-3212 or tschmich@uoregon.edu Contact: Donna Koechig.

REMINDERS

DISTINGUISHED ALUMNI NOMINATIONS DUE APRIL 7

This is your opportunity to bring attention to your wonderful programs and the outstanding students who have been part an important part them. Each year the Lane Community College Foundation recognizes and honors four alumni who have demonstrated achievement in their chosen profession, service to the community, or outstanding contribution to the college. Please nominate special alumni from your program today! Further information and applications can be found at lanecc.edu/foundation/distalumni.htm Applications are due by Wednesday, April 7, by 5 p.m. Contact: Michele Erickson, 5804 or ericksonm@lanecc.edu

LIBRARY CELEBRATES APRIL AS NATIONAL POETRY MONTH

The Lane Library is pleased to host POETRYpotpie for the month of April. The Library will display poems submitted by Lane students, staff and faculty in recognition of National Poetry Month. Submit your own poem, or a favorite poem by someone else, to the Library and celebrate poetry and the poets among us. Poems will be displayed throughout the Library and on our Facebook site.

On May 13-14, US Poet Laureate Kay Ryan will visit campus for a public reading and discussion with students. For more information about Ryan's visit, see the news release at:

<http://www.lanecc.edu/mpr/news/rel01243.htm>

For more information about poetry in the LCC Library collection, stop by the Library Reference Desk. We can help you find books and articles on poets and poetry, and great poetry resources online.

There are three ways to submit a poem (or poems) for POETRYpotpie:

- Bring a copy of your poem(s) to the LCC Library Reference Desk starting April 1. Handwritten or word-processed is OK.
- Send your poem by e-mail to LCC Library Reference Desk at reference@lanecc.edu
- Post your poem on the LCC Library Facebook page

Be sure to include your name, unless you want to be anonymous. Submitted by Claire Dannenbaum, Reference Librarian, dannenbaumc@lanecc.edu or 5359.

HUMAN RIGHTS SUMMIT APRIL 10

President Mary Spilde will present opening remarks at Human Rights Start at Home, a community summit on Saturday, April 10, 9 a.m. to 6 p.m., at the Center for Meeting and Learning. The event is co-sponsored by Lane's Office of Diversity, the City of Eugene Human Rights Commission, and the Community Coalition for the Advancement of Human Rights. The summit will address human rights principles as expressed in the Universal Declaration of Human Rights and their relevance to local human rights issues. Participants will have the opportunity to explore ways in which individuals, groups, and institutions can work together to respect, protect, and fulfill human rights at the local community level.

The morning program features keynote speaker Chandra Bhatnagar, human rights attorney and activist, speaking on, "Close to Home: Building a Human Rights Movement in Local Communities." This will be followed by a facilitated discussion with Chivy Sok, human rights educator and trainer. The afternoon includes 29 interactive workshops engaging participants in local human rights issues and actions. Workshop topics include: indigenous rights, immigrant rights, health care, antiviolence, food security, mental health care, surviving trauma, neighborhood action, sexual violence, LGBTQ rights, right to shelter, know your rights, water and human rights, confronting racism, costs of war, environmental rights, neighborhood rights and rights of persons with disabilities. There is a \$10 event registration fee. For more information call 541-682-5177 or go online at <http://www.lanecc.edu/cml/upcoming.htm> to register. Program, workshop and registration information is available online at <http://www.humanrightscity.com> Contact: Donna Koechig.

STEMtech PROPOSALS DUE APRIL 16

The League for Innovation in the Community College is accepting proposals to present at the first annual STEMtech conference to be held October 31 - November 3 at the Walt Disney World Swan and Dolphin Resort in Orlando, Florida. Replacing the fall Conference on Information Technology (CIT), STEMtech is an interactive learning experience with a strong focus on STEM disciplines -- science, technology, engineering, mathematics -- in general education and workforce training and in technology use across the institution. In addition, STEMtech continues the 25-year legacy of CIT and its predecessors as the fall "tech"

conference: the place to explore the intelligent application of information technology in community and technical colleges. Proposals can be submitted online at www.league.org/2010stemtech Deadline for submissions is April 16. Submitted by Tamara Pinkas, league rep, 5011.

V-DAY AT LANE APRIL 21

V-Day is an international movement dedicated to ending violence against women and girls. Each year around the globe, local groups volunteer long hours to stage productions of Eve Ensler's play, The Vagina Monologues, and donate 100 percent of the proceeds to organizations that work to end violence against women and girls, with 90 percent of those proceeds donated to local organizations. This year, for the first time, LCC will host its own V-Day celebration. Local proceeds will benefit Sexual Assault Support Services (SASS) and the UO Law School Domestic Violence Legal Aid Clinic. Lane students are working very hard to make this first LCC production of the play successful, and they need the support of the entire campus community. Faculty, if you are teaching a class and could offer your students extra credit for attending one of the shows, or if you are willing to have someone come into your classroom to give a very brief class rap about the play, please let us know! Also, there will be a silent auction at the play performances, and we are still seeking items for the auction. If you would like to donate an item or a service to the auction, contact Ailiah Schaefer at 541-740-8543. Silent auction items are needed by April 16.

The two performances of the Vagina Monologues at LCC will take place on Wednesday, April 21 at 4 p.m. and again at 8 p.m. General admission tickets will be available at the door, and are \$10 for students, LCC staff and seniors, and \$12 for the public. Call 541-740-8544 to reserve tickets. We're hoping the entire campus community will turn out to support this event. Contact Ayesha Mehren with any questions regarding class raps or general outreach at: corallorhizamaculata@gmail.com or 541-337-1720. Submitted by Patsy Raney, 5877.

NOTICE ABOUT CHAIRS AND TABLES PROVIDED BY DISABILITY RESOURCES

Chairs and tables provided by Disability Resources are accommodations placed in specific rooms for specific students. These chairs and tables are not to be removed by students, faculty, or any other employees except the responsible Facilities Management staff. Students who have furniture accommodations must request the furniture each term, so that DR knows where the furniture is needed. There is a great deal of effort by Facilities Management and Disability Resources to get the appropriate furniture to the requesting students in a timely manner. So, if an adjustable table, ergonomic or padded chair appears in your classroom, do not remove it, and please don't move it within the classroom. Students who have furniture accommodations have a Letter of Accommodation (LOA) which identifies them as the student who is to use the chair/table. If there are more students with LOAs identifying them as needing furniture accommodations than there are chairs in the room, have the students come to DR and speak with Cathie. If you have questions, contact Cathie Reschke at 5079, or Disability Services at 5150.

FACILITIES UPDATES

Plans for summer project work are now underway. If you have any grant-funded projects that contain facilities-related improvements that you want to be included in planning efforts, please send an e-mail to facilitiesoffice@lanecc.edu and write details of your work request. New requests are now beyond the announced "submit by" due date to be considered for inclusion in

the FMP department planning work for the upcoming summer season. We will, however, accommodate requests if at all possible, so please continue to submit them if you have funding sources such as grants that expire during the next six months. If you have any facilities related need, please call 5216 or send an e-mail to facilitiesoffice@lanecc.edu. All work will be prioritized with available resources.

If you have noticed a wet ceiling tile or a puddle of water on the floor inside any of our buildings, please call the facilities office at 5216 or e-mail the facilities office at facilitiesoffice@lanecc.edu. This has been a very wet week. The facilities office has not had any roof leaks reported. This may be due to the extensive repair work that was made to the roofs on building 17 and several other buildings, plus the new roofs which were installed on buildings 4, 5, and Center last summer. We want to be very responsive to roof leaks and your visual observations will help us identify these problems quickly. Thank you once again for your help in this matter.

Parking during the first week of the spring was adequately accommodated with the gravel overflow parking areas which were installed last summer. On Tuesday and again on Thursday of the first week of the spring term, the gravel overflow parking areas were at or very close to capacity.

Korrie Gernert and Kristine Briganti will both be joining the FMP office on Monday, April 5 as part-time administrative support specialists answering the phones on the facilities office extension (5216), administering the motor pool program, and conducting other customer service and facilities office administration activities.

A few of the exhaust fans servicing the restrooms on campus were inadvertently tied into the fire alarm upgrade controls project and were "turned off" whenever the fire alarm systems were in a fault condition. Fault conditions have been occurring as part of the upgrade process, and were expected (to some degree), and are now being corrected. If a restroom on campus feels "stuffy" to you, please notify the facilities office at 5216 or e-mail the facilities office at facilitiesoffice@lanecc.edu. The facilities staff will work with SecureCom to correct issues of this nature as soon as possible.

BOND UPDATES—

For more information, contact Bob Mention, 5747 or Todd Smith, 5132.

ASBESTOS ABATEMENT

After removing all asbestos from pipes in the tunnels and mechanical room during Deferred Maintenance 2009, crews are currently working to install new insulation on the chilled, heating, and domestic hot water lines in the tunnel and mechanical rooms. Remaining tunnel work is 60 percent complete; and remaining mechanical room work 33 percent complete. Contact Angela Fazio, 3428.

AMTF UPGRADES

The installation of a new paint booth in building 47 helps support the Aviation Maintenance Technician program instruction. The booth installation is now complete; however, continuing to chase a few leaks under warranty. Still await the receipt of the final operation and maintenance manuals and warranties in order to close the project. Contact Angela Fazio, 3428.

DOWNTOWN CAMPUS BUILDING

The Phase 1 Feasibility Report part of the project was presented to the college Board of Education at its meeting last month. The board is expected to discuss the report and consider what next steps to take.

FIRE ALARM/MASS COMMUNICATION

The fire alarm contractor, SecureCom, is currently programming the fire alarm system and putting the finishing touches on the installation. Contact Dave Smith, 3433.

KEYLESS ACCESS

The contractor, Allied Fire & Security, is working on door hardware installations in Center Building. Work will begin in the basement and work upwards through the first, second, third, and fourth floors. Four CCTV cameras were installed on the facilities building as part of a camera evaluation. The results of the test were inconclusive as to the best camera for the application so we shall continue the testing over the next several weeks. The manufacturers are submitting additional cameras for evaluation. Contact Dave Smith, 3433.

UTILITY METERING

Installation of meters on electrical, domestic hot and cold water, natural gas, chilled and heating water and irrigation will allow for utility monitoring, performance evaluation and energy maximization. Final mechanical inspections are complete; final electrical inspections still to be completed. Underwriter Laboratory (UL) performed a site audit and has approved all documents provided by MeasureLogic. Contact Angela Fazio, 3428.

----- OTHER FACILITIES PROJECTS -----

COMPUTERIZED MAINTENANCE MANAGEMENT SYSTEM (CMMS)

Evaluation of Computerized Maintenance Management System (CMMS) continues. A new CMMS will improve work order turnaround time, increase system reliability through preventative maintenance, and provide key performance indicators as a management tool to maximize performance with limited resources, predict future maintenance and capital budgets. Data collection continues. User group webinars to be scheduled. Contact Angela Fazio, 3428.

HEALTH AND WELLNESS CENTER

Cooling panels and ceiling grids continue to be installed in ceilings on both floors. Outside excavating work continues for forming and pouring of concrete walls and footings. Building connections to chilled and heated water lines have been completed. Main power connection was completed over spring break. Plumbers are working in the tunnel, making connections to distribute the water that will be heated by solar panels which will be mounted on the building's roof. Work has begun on installing glass vents and motors on both floors. Exterior cement panels are expected to arrive early this week. A tent has been set up on site to store and prep those panels. Expect noise from construction activities for the immediate future. Project completion expected August 2010. Contact Brian McMurray, 5829.

NATIVE AMERICAN LONGHOUSE

A lot of work is going on at the Longhouse right now. Installation of heating and air conditioning equipment is nearing completion. The HVAC control sub is expected to finish work next week. The electrician is working on power feeds to all new equipment and is also roughing in for kitchen appliances. Plumbers are on site, installing piping for domestic and waste water lines.

Planks and walls were prepared this past week for interior siding mock up in the room designated as the Hall of Honor. Mock up is expected to occur this week or next. Project completion expected September 2010.
Contact Brian McMurray, 5829.

TRAININGS

25 LIVE EVENT REQUEST TRAINING

The April training sessions have been scheduled for the new event request system. If you have a need to request rooms, this training will go through the steps using the new system. The capability to search locations, request event space or a motor pool car is offered to all staff. This is a hands-on class in the lab. Please register for a class by sending an e-mail to LaneEvents@lanecc.edu to ensure your account is active for the training session.

NOTE: 25Live requires Internet Explorer 7 (not 8), Safari 4.0 or Firefox 3.5.6 or higher for proper functionality.

* April 8, Thursday, 10 a.m.

* April 19, Monday, 2 p.m.

* April 22, Thursday, 2 p.m.

For more information:

http://showlane.lanecc.edu/25live/#details&obj_type=event&obj_id=111891/7

ACADEMIC TECHNOLOGY CENTER WORKSHOPS - See

<http://lanecc.edu/atc/wstraining/schedule.html> for details:

Smart Classroom And Smart Cart Operation - Learn how to turn on, log onto, operate, and troubleshoot Smart Classroom and Smart Cart audiovisual systems. No Registration Required: Drop in any time from 4 to 6 p.m.

- Tuesday, April 6, 2010, 4 - 6 p.m., LCC19 245

- Wednesday, April 7, 2010, 4 - 6 p.m., LCC19 245

Technology Orientation For New Faculty - Introduction to LCC computer resources, including: Logins and Passwords, Class Lists and Emailing Students, GroupWise Email, Time Sheets, Grading, Smart Classrooms, & Support Resources. Registration Required: Email atc@lanecc.edu

- Thursday, April 8, 2010, 3 - 5 p.m., LCC19 249

Moodle Introduction - Moodle offers numerous options for setting up a class, including discussions, transferring files, announcements, grading, posting syllabi and assignments online, creating links to other Web sites, and even setting up Web pages and wikis! This hands-on workshop will introduce participants to the Moodle software system. Registration required: email atc@lanecc.edu

- Thursday, April 15, 2010, 3 - 5 p.m., LCC19 249

Moodle Assignments And Activities - Overview of all activities, including typical uses and grading options and hands-on practice setting up assignments and other kinds of graded and un-graded activities. Registration required: email atc@lanecc.edu

- Thursday, April 22, 2010, 3 - 5 p.m., LCC19 249

Moodle Forums - In this class we will explore the instructional applications of Moodle forums, match the different types of Moodle forums to their instructional uses, and practice setting up different types of forums. For current Moodle users. Registration required: email atc@lanecc.edu

- Thursday, April 29, 2010, 3 - 5 p.m., LCC19 249

Moodle Quiz Module - In this workshop you will learn how to: import and create questions, organize question banks, deliver quizzes and tests in Moodle, and arrange for proctored administration of Moodle tests. For current Moodle users. Registration required: email atc@lanecc.edu

- Thursday, May 6, 2010, 3 - 5 p.m., LCC19 249

Moodle Gradebook - Learn how to set up a straight-point or weighted gradebook, enter and manage grade records, and verify and troubleshoot your gradebook. For current Moodle users.

Registration required: email atc@lanecc.edu

- Thursday, May 13, 2010, 3 - 5 p.m., LCC19 249

CHANGES IN MICROSOFT OFFICE 2007

The Business Development Center is offering a Microsoft Office 2003 to 2007 Transition workshop from 9-noon on Tuesday and Thursday, April 13-15, at 1445 Willamette Street, Eugene, room 106. CRN: 42731. Learn about new features in Word, Excel, PowerPoint, and Outlook, such as ribbons, tabs, galleries, groups, default settings, and the quick access bar. You will also learn about changes in each of the applications, including headers and footers, mail merge, conditional formatting, pivot tables, charts and graphs, master slides, etc. Find information on cost and other details call our Business Resource Team at 5255 or go online at www.LaneBDC.com/training/classes/classesCurrent.htm

T2T: SOCIAL NETWORKING AND WEB 2.0 TOOLS FOR ONLINE INSTRUCTION

Wednesdays, May 5 - June 2, 3-5pm, ATC building 19/room 249, Instructors: Borrowdale, Coronado, Keene-Wilson, Kirkpatrick and Pineda.

Five-week hybrid class. The focus of this course is on the use of Web 2.0 social networking tools that will foster instructor-student, content-student, and student-student interaction for online and hybrid course instruction. We'll look at new and emerging technologies for online learning, social networking tools and more. A different instructor will lead the class each meeting. Meet in the classroom on Wednesdays 3-5 p.m. combined with online time for this 1 credit course (pass/no pass or audit only). Registration is required as space is limited. If you are interested in participating please enroll directly in ExpressLane, CRN# 43564. Class fee is waived for Lane instructors. For more information contact Ian Coronado at coronadoi@lanecc.edu or call 463-5475.

WELLNESS EVENTS AND CLASSES

- Looking for an exercise partner? Statistics show that those who exercise with others are 85 percent more likely to exercise regularly. We have employees looking for exercise buddies for the following activities: hiking, walking, kayaking, running, stretching and more. If you live in the South Eugene area, and would like to find an activity partner, e-mail kinglm@lanecc.edu to get linked up.

- Sample stress-relieving teas at the "Teas and Aromatherapy for Better Health" seminar this Friday, April 9 from 12:30 - 1:10 p.m., in Building 5, Room 125, with Lori Havas.

- Join the following classes: Better Bones and Balance; Boot Camp; Move It & Lose It; Stretch, Breathe & Relax; Weights Wake-up Call; the Weight Loss Challenge, Yoga and more for Spring term. Most classes start this week. Check out:

<http://www.lanecc.edu/wellness/wellnessclasses.htm> and

<http://www.lanecc.edu/wellness/upcomingevents.htm> for more details regarding Employee Wellness classes and seminars or contact Wendy Simmons, 5551 or Layne King, 5263.

ADS

LABORER LOOKING FOR TEMP WORK: My father-in-law is in town for a month and looking for some temp work to pass the time. He is probably the hardest worker I have ever met. He axed out a 6 inch thick 10 X 14 slab of concrete in a matter of hours at our house! Wow! Contact lopezr@lanecc.edu, 541.345.5736.

RENT-A-ROWER FUNDRAISER to support OAR Jr. Crew (a local high school rowing program). Saturday, April 17 and Sunday, April 18. Athletes would be happy to help with: Gardening, Cleaning, Washing Windows, Painting, Moving, Etc. Suggested Donation: \$10.00/Hour per Athlete. For more information or to reserve a slot, contact: Sandy at rentarower@oarjrcrow.org

SUPPORT LAURA HUBBARD in her plans to compete in the Pacific Crest Triathlon on June 27 to support the Leukemia & Lymphoma Society. "My greatest source of inspiration for completing this triathlon is my mom, Susan Poston. She lost her battle with multiple myeloma in June 2009," Laura says. Lane employees may remember Susan as a math tutor, know Laura's dad Bart Poston as a business tutor, or her grandfather Bert Dotson, Lane's first employee. Laura hopes to raise \$3,400 by June 1. Visit her web site <http://pages.teamintraining.org/or/pctri10/lhubbard> for information, or send an e-mail to hubbard05@msn.com

MAGAZINES WANTED. Would you like to recycle your magazines for a goo cause? The ESL Reading/Writing Success class could use your pre-read magazines for free-reading material. Entertainment, computers, women's magazines, science--almost any topic would be welcome (no risqué magazines please). We promise to complete your recycling when the magazines are beyond readable. Send via campus mail to Tracy Henninger-Wiley in the ESL Department or e-mail me at henningert@lanecc.edu and I can pick them up.``

NEED YARD LABOR HELP: Can pay \$7/hr if you know of a student who is interested? Work involves spreading bark, weeding, turning soil. I have 1-ton truck and willing to haul your items or landscape materials in turn for your labor. Ext. 5561.``

FOR SALE: ESTABLISHED BEEHIVE with western supers. Contact for details. Honey extractor. Dadant four frame, hand crank. \$350. wilkesn@lanecc.edu ``

APARTMENT FOR RENT: Free April rent! Cute one-bedroom, second-floor apartment near YMCA and UO available permanently beginning in early April. \$650/month + utilities. Washers/dryers onsite. Entire complex is non-smoking. (No pets technically allowed, but I have a guinea pig.) A helpful onsite manager currently keeps an eye on things. View of pretty courtyard on north side; view of Spencer's Butte from kitchenette (south) window. The 17-unit complex is a 10 minutes' walk from the UO campus, a 20 minutes' walk from downtown, and a bike ride away from most places in Eugene. Apartment will be vacated on March 29, 2010 and can be viewed shortly thereafter. Sublet through July 31, 2010 (through Von Klein Properties) with lease renewal available thereafter. Please e-mail Jennifer Love at lovejm@lanecc.edu ``

LANE WEEKLY is the employee newsletter of Lane Community College. Send submissions to weekly@lanecc.edu. Guidelines online at www.lanecc.edu/cops/newsletter.htm For information, call (541) 463-5591. The Weekly is available to the vision-impaired through Disability Resources at (541) 463-5150. Lane Community College is an equal opportunity/affirmative action institution. Tuesday, April 6, 2010

EVENTS THIS WEEK

ROMANI PERSPECTIVES on the History and Practice of Eugenics, with Romani activist Morgan Ahern, Tuesday, April 13, Center for Meeting and Learning, building 19, room 220, 2-4 p.m. Contact: Donna Koechig.

PARKING LOTS C AND D, west side of campus in front of the main entrance to the Center for Meeting and Learning, are reserved for an event on Wednesday, April 14, from 6:30 a.m. to 12:00 p.m. Please plan to park in an alternate lot. The handicap spots in these lots will still be available for students and faculty parking. Thank you for your cooperation. Contact: Carolyn Philes.

BOARD OF EDUCATION, Wednesday, April 14, boardroom, building. See agenda online at www.lanecc.edu/presoffc/board/agenda.htm Contact: Donna Zmolek.

ROMEO AND JULIET, weekends through April 24 at 8 p.m., Blue Door Theater; and matinee, 2 p.m., April 18. Tickets \$10 general admission, \$8 students, seniors and employees. Call the Student Productions Association at 5761 or go online at lanecc.edu/tickets for info and tickets. Act quickly, the opening weekend sold out! Contact: John Watson, watsonj@lanecc.edu

FACULTY PROFESSIONAL DEVELOPMENT OPEN HOUSE, Wednesday, April 14, 2-5 p.m., Center for Meeting and Learning, room 214. Stop by and learn more about professional development programs for faculty. Learn about new programs, meet FPD committee members, or pick up a brochure and enjoy some appetizers. Contact: Adrienne Mitchell, mitchella@lanecc.edu

ARCHIVES AND RECORDS WORKSHOP, Friday, April 16, 10 a.m. to noon, Library classroom, CEN 250. Open to all interested staff. If you're in need of an update on what records to keep, how long to keep them, and how to manage your records (paper and electronic) efficiently, come to this workshop. We will focus on college records kept permanently as well as those records eventually disposed of. We'll review Archives procedures and policies. We'll also discuss ways to manage desktop electronic records including e-mail and digital records. Contact Archivist Elizabeth Uhlig to reserve a space: 5466 or archives@lanecc.edu

343 CONCERT SERIES returns this Friday at 3:43 p.m. in the Choir Room in the Performing Arts Hall, building 6. The concerts feature music students trying out their latest endeavors, and always has some really cool performances.

NEWS

For more information go online at <http://www.klcc.org/News.asp?NewsID=177> Contact: Gayle Chisholm.

LANE WINS NATIONAL MARKETING AWARDS

Lane has won gold, silver and bronze awards in the prestigious Paragon Awards sponsored by the National Council for Marketing and Public Relations, an affiliate of the American Association for Community Colleges. This is the only national competition exclusively recognizing marketing and public relations work at two-year colleges.

The gold was for a single print ad and the silver was for an ad series. The bronze was for computer-generated illustration. Only two other Oregon colleges won awards, PCC and Mt. Hood, but only Lane won a gold. Posters of the awards will be on display in the boardroom on Wednesday.

Tracy Simms directs Lane's marketing program and developed the ads and the Achieving Dreams campaign theme with assistance from Funk/Levis and Associates. The designer was Lada Korol, a graduate of Lane's graphic design program. Submitted by the editor.

INNOVATION AWARDS ANNOUNCED

Please congratulate the following winners who were selected to receive funds through the generous support of the Schafer Innovation Endowment of Lane's Foundation:

- * This year's Schafer/Innovation of the Year with \$1,500 was awarded to Health Professions On-line Moodle Advising (Jill Sigfried, Jessica Alverado, and the Health Professions Advising Team, Counseling, Michael Levick, Training Coordinator in the ATC, and Dean Middleton, Multimedia & Video Specialist in Distance Learning).
- * Public Safety's Bike Patrol Program (Public Safety Officer Bill Speicher) was awarded an \$800 Schafer Great Idea Award (enough to buy a new bike!)
- * ESL WIKI (Tracy Henninger-Willey and the ESL faculty/staff) was awarded an \$800 Schafer Great Idea Award for the second year in a row.
- * Career Employment Services was awarded a "Certificate of Appreciation for Significantly Increased Efficiency" for their development of Lane Job Connections and Private Scholarship Links Website.

And, many thanks to this year's selection committee composed of former winners and Foundation representatives for their good work. For more information contact Tamara Pinkas, League Rep, 5011 or Janet Anderson, Foundation, 5803.

ROMEO AND JULIET OPENS TO FULL HOUSE

Patrick Torelle's futuristic, steampunk version of Romeo and Juliet opened to a full house on Thursday, April 8. At the 8 p.m. curtain on Thursday, there were only 13 seats left for Friday, April 9. That show is expected to sell out as well. Those attending the Friday performance were treated to a post-production party catered by the Center for Meeting and Learning. The Student Productions Association reports brisk sales for the remaining performances. Tickets for the remaining performances of Romeo and Juliet are on sale at the Lane Performing Arts Online Box Office at lanecc.edu/tickets Credit and debit cards can be used online, cash and checks only at the door, please! Video clips and still photographs of the dress rehearsals can be found on the Lane Performing Arts Facebook Fan Page at www.facebook.com/laneperformingarts Contact: John Watson, 5161 or watsonj@lanecc.edu

ANNOUNCEMENTS

NOTICE: WEEKLY TO PUBLISH ONE DAY LATER NEXT WEEK

Next week's Weekly will be published one day later than usual, on Wednesday, April 21, due to staff absence. Submission deadline will be extended to Tuesday. Review Weekly guidelines online at <http://www.lanecc.edu/cops/newsletter.htm> Questions? Contact Joan Aschim at 5591 or e-mail weekly@lanecc.edu.

CAREER FAIR APRIL 21; PREP WORKSHOP APRIL 14

"Career Fair 2010: Guiding Your Vision," will be held Wednesday, April 21 from 10 a.m. to 2 p.m. in the Center for Meeting and Learning, building 19. A workshop to help job seekers prepare for the fair is offered Wednesday, April 14, from 3:30-4:30 p.m. To sign up for this free workshop, contact Lori Kramer at (541) 463-5859 or kramerl@lanecc.edu

Lane's annual Career Fair is a free event open to Lane students and community members. Career and employment advisor Lori Kramer recommends that people come dressed as they would for a job interview, and bring their resume. To see a list of participating employers, go online at www.lanecc.edu/ces or contact Kramer at (541) 463-5859 or kramerl@lanecc.edu

ORDER CAPS AND GOWNS FOR FACULTY AND STAFF BY APRIL 16

Graduation is June 12. If you are a faculty or staff member and would like to order a cap and gown, please place your order by April 16. When placing your order, please include your height, cap size, degree, and school. Contact Vicki Colley at the Titan Store at 5772 or send an email to colleyv@lanecc.edu

JURIED STUDENT ART SHOW OPENS; RECEPTION APRIL 22

The Lane Art Gallery is proud to present the Spring 2010 Juried Student Art Show from April 12 to 29, art gallery, building 11. There will be a reception on Thursday, April 22 from 3-4 p.m. The exhibit showcases the best work of current LCC art students created during the 2009-2010. We encourage the community to come and support our local artists. Source: Jennifer Salzman, Gallery Director, 5864 or salzmanj@lanecc.edu

BLOODMOBILE ON CAMPUS APRIL 20 AND 21

The Bloodmobile will be on main campus Tuesday April 20 and Wednesday, April 21. Contact: Vicki Doughty.

http://showlane.lanecc.edu/wv3/wv3_servlet/urd/run/wv_event.Detail?id=1602880;dates=1

INTERNATIONAL DAY MAY 5

May 5 is International Day at Lane. LCC students from around the world will share their cultures through performances and exhibits in the northwest corner of the cafeteria between 11:30 a.m. and 1:30 p.m. Enjoy the amazing guest performance of Eugene Taiko. Experience Korean pop music and dance! Move to the music of African drums. Choose your favorite country for the Soccer World Cup! Come celebrate and experience this unique cultural occasion together. Submitted by Beth Schenderlein.

SPRING CONFERENCE MAY 7

Grab your calendar, schedule it in, and plan to be there! This year's spring conference will be held Friday, May 7, from 8 a.m. to 5 p.m. in the Center for Meeting and Learning. Please stay tuned as the event details unfold by visiting the conference website where new information is being posted as the planning process evolves.

<http://www.lanecc.edu/inservice/spring10/index10.htm> Submitted by Roxanne Young.

LATINO FAMILY CONFERENCE MAY 8

Lane will host the 11th Annual Latino Family Conference on Saturday, May 8, at the Center for Meeting and Learning. Registration begins at 11 a.m. Last year more than 460 families, volunteers, presenters, teachers, social agencies, students, and others attended. The Latino Family Conference supports Spanish-speaking families to access information and education related to the educational goals of their children. It provides families with an opportunity to learn about community resources in a setting that is culturally supportive. It also cultivates a respectful, inclusive and accessible working and learning environment by assisting us to learn about the needs of this diverse community.

In addition child care and recreational activities for children will be provided while parents are attending the workshops and visiting the social agencies. Questions? Call 541-228-7040.

Contact: Donna Koechig.

ATTENTION GARDENERS: SAVE THE DATE—MAY 15

This year Lane's Day of Caring is scheduled for Saturday, May 15, from 9:00 a.m. to noon, when Lane employees will "work the land" as a service project at the Grass Roots Community Garden on Coburg Rd. This garden raises organic food to help Food for Lane County supply nourishing vegetables to those in need. There are jobs for all abilities. To sign up please e-mail the names of your group members to Foundation@lanecc.edu, or call Kathy at 5538.

ANNUAL EMPLOYEE RECOGNITION GALA MAY 19

Wednesday, May 19, 3-5 p.m., Center for Meeting and Learning, Rooms 103 and 104
v. cel·e·brat·ed, cel·e·brat·ing, cel·e·brates. v.tr. 1. To observe (a day or event) with ceremonies of respect, festivity, or rejoicing. ...

As winter continues to evolve into spring, the time is drawing near for us to recognize and celebrate the significant service year milestones and upcoming retirements of our Lane colleagues. The annual Employee Recognition Gala is our time to join together to do just that - acknowledge their contributions, and reinforce and reward how grateful we are for their many years of dedicated service. Please put the date and time of this event on your calendar in order to plan to attend this year's not-to-be-missed Gala, and watch for weekly updates as the event planning continues to unfold. Contact: Roxanne A. Young, youngr@lanecc.edu or 3655.

LET'S GAIN 300 POUNDS

Let's go for 300-plus pounds of non-perishable food items for April. Thank you for the 137 food items from the participants of the Lane Employee Wellness program, "Healthy You, Healthy Community: Weight Loss Corporate Challenge." This year so far, 1,350 pounds have gone to Food For Lane County for food boxes and meal sites. Tell your friends. Think of creative ways to collect food. Donate one can of non-perishable food a month to Lane's ongoing food drive. For some people getting a food box makes a difference in being able to buy needed medication or to pay a heating bill. Many food box recipients are the working however still unable to meet basic needs. Look for a box near you or call for a location, 5395 or 541-912-2228. Submitted by Beverly Farfan, farfanb@lanecc.edu

FACILITIES UPDATES

If you would like to see what is happening in facilities, please visit our web site at:
<http://www.lanecc.edu/facilities>

If you have any facilities needs that require facilities support, it is a good idea to submit a work request to: facilitiesoffice@lanecc.edu or call the facilities office at 5216.

Summer facilities projects are well along in the planning phase. If you have a need for urgent facilities support between May 1 and October 1, please be sure to submit a work request or send an e-mail to facilitiesoffice@lanecc.edu or call the facilities office at 5216. Provide the building, room number or area, nature of the need, schedule that the work should be completed within, funding sources if you have a grant or other source of funds, and the contact information for the request. Refer to the COPPS procedure at: <http://www.lanecc.edu/cops/fcom.htm> for information on how to request remodeling or other facilities support. If you have special custodial requests, please refer to COPPS procedure at: <http://www.lanecc.edu/cops/facmain.htm> or call Katherine Vos at 5561.

In the event of an emergency, please contact the public safety office at 5558 during the day, Monday through Friday and at 5555 after hours and on weekends. If the emergency is fire or medically related, please just call 9-911 and then call the public safety office. If the emergency is facilities related and it occurs during the day, please do call the facilities office at 5216. We do have an Emergency Plan located in COPPS at: <http://www.lanecc.edu/cops/epln.htm> which covers most everything possible.

BOND UPDATES—

ASBESTOS ABATEMENT

After removing all asbestos from pipes in the tunnels and mechanical room during Deferred Maintenance 2009, crews are currently working to install new insulation on the chilled, heating, and domestic hot water lines in the tunnel and mechanical rooms. Remaining tunnel work is 70% complete; and remaining mechanical room work 33% complete. Contact Angela Fazio, 3428.

BUILDING 4 REMODEL

Occupants of building 4 are being relocated into temporary offices across main campus. A contractor will begin construction with lightweight demolition in selected areas on both the first

and second floors of the building on May 2. This activity is expected to be noisy but will be preformed after hours when fewer occupants are expected. The Health Professions Dental Clinic will be temporarily relocated off campus this summer to an office location in Springfield. The clinic's move will begin mid-June and will be set up to resume clinical operations from the Springfield location until its expected return to main campus, September 30, 2010. Contact Mark Richardson, 3456.

BUILDING 5 REMODEL AND ADDITION:

Construction activity in building 5 is expected to be minimal until June 2010. Contact Mark Richardson, 3456.

CAMPUSWIDE CONCRETE REPAIR

Concept drawings for concrete repair and modifications have been completed and will be presented to the FMP group next week for review. Certain targeted locations were examined and selected for repair from locations where the concrete and stairs have been deteriorating as it will over time. The modifications designed will improve over-all campus access to students and limit congestion in these locations throughout campus. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS BUILDING

The Feasibility Report was presented to the Board of Education at its March meeting. The board will continue discussion at a work session prior to its regular meeting on April 14. Contact Bob Mention, 5747.

FIRE ALARM/MASS COMMUNICATION

The fire alarm contractor, SecureCom, is currently programming the fire alarm system and putting the finishing touches on the installation. Contact Dave Smith, 3433.

KEYLESS ACCESS

The contractor, Allied Fire & Security, is working on door hardware installations on the first floor of the Center Building. Work began in the basement and will work upwards from the first, second, third, and then fourth floors in the next several weeks. Three CCTV cameras are installed on the Facilities Building as part of a camera evaluation. The results will be used to select a camera manufacturer next week. Contact Dave Smith, 3433.

TRACK AND SOCCER BOWL UPGRADE

A contractor has been recommended and awaits approval by vote from the Board of Education at its meeting, April 14, 2010. A preconstruction meeting will be arranged late April to discuss mobilization of equipment and setting up temporary fencing as required. Field construction is not expected to start until after May 15, 2010. Contact Mark Richardson, 3456.

UTILITY METERING

Installation of meters on electrical, domestic hot and cold water, natural gas, chilled and heating water and irrigation will allow for utility monitoring, performance evaluation and energy maximization. Final inspections are complete; final electrical inspections still to be completed. Underwriter Laboratory (UL) performed a site audit and has approved all documents provided by MeasureLogic. Contact Angela Fazio, 3428.

OTHER FACILITIES PROJECTS—

AMTF UPGRADES

The installation of a new paint booth in building 47 helps support the Aviation Maintenance Technician program instruction. The booth installation is now complete; however, continuing to chase a few leaks under warranty. Still await the receipt of the final operation and maintenance manuals and warranties in order to close the project. Contact Angela Fazio, 3428.

COMPUTERIZED MAINTENANCE MANAGEMENT SYSTEM (CMMS)

Evaluation of Computerized Maintenance Management System (CMMS) continues. A new CMMS will improve work order turnaround time, increase system reliability through preventative maintenance, and provide key performance indicators as a management tool to maximize performance with limited resources, predict future maintenance and capital budgets. Data collection continues. User group Webinars to be scheduled. Contact Angela Fazio, 3428.

TRAININGS

25 LIVE EVENT REQUEST TRAINING

The April training sessions have been scheduled for the new event request system. If you have a need to request rooms, this training will go through the steps using the new system. The capability to search locations, request event space or a motor pool car is offered to all staff. This is a hands-on class in the lab. Please register for a class by sending an e-mail to LaneEvents@lanecc.edu to ensure your account is active for the training session. NOTE: 25Live requires Internet Explorer 7 (not 8), Safari 4.0 or Firefox 3.5.6 or higher for proper functionality.

* April 19, Monday, 2 p.m.

* April 22, Thursday, 2 p.m.

For more information:

http://showlane.lanecc.edu/25live/#details&obj_type=event&obj_id=111891/71

Submitted by Alen Bahret, Information Technology, 3347.

ATC TRAININGS

Moodle Introduction

April 15, 2010

Location: Building 19 Advanced Technology Center 249

Whether you teach traditional, hybrid, or fully-online courses, here's a chance to try out a very flexible online course space. Moodle offers numerous options for setting up a class, including discussions, transferring files, announcements, grading, posting syllabi and assignments online, creating links to other Web sites, and even setting up Web pages and wikis! This hands-on workshop will introduce participants to the Moodle software system. For new Moodle users.

Registration required: email atc@lanecc.edu

Date: Thursday, April 15, 2010, 3pm

Moodle Assignments And Activities

April 29, 2010

Location: Building 19 Office

Practice setting up assignments and other kinds of graded and un-graded activities:

- Overview of all activities, including typical uses and grading options
- In-depth practice setting up and managing the four types of Assignments
- Setting up graded forums and glossaries
- How to record grades for activities that don't post automatically to the gradebook

- View examples of Moodle Lessons and SoftChalk activities

Registration required: email atc@lanecc.edu

Dates: Thursday, April 29, 2010, 3pm

Moodle Forums

May 6, 2010

Location: Building 19 Advanced Technology Center 249

In this class we will explore the instructional applications of Moodle forums, match the different types of Moodle forums to their instructional uses, and practice setting up different types of forums. For current Moodle users.

Registration required: email atc@lanecc.edu

Date: Thursday, May 6, 2010, 3pm

Moodle Quiz Module

May 13, 2010

Location: Building 19 Advanced Technology Center 249

In this workshop you will learn how to: import and create questions, organize question banks, deliver quizzes and tests in Moodle, and arrange for proctored administration of Moodle tests. For current Moodle users.

Registration required: email atc@lanecc.edu

Date: Thursday, May 13, 2010, 3pm

Moodle Gradebook

May 20, 2010

Location: Building 19 Advanced Technology Center 249

Learn how to set up a straight-point or weighted gradebook, enter and manage grade records, and verify and troubleshoot your gradebook. For current Moodle users.

Registration required: email atc@lanecc.edu

Date: Thursday, May 20, 2010, 3pm

WELLNESS EVENTS AND CLASSES

* You Only Need to Exercise on the Days You Eat and other Tips for Optimal Health with Wendy Simmons is at the Downtown Center, Room 202 from 12:10 - 12:50 p.m., Tuesday, April 13. All are welcome.

* Join the Stress Management: Perception is Everything seminar Friday, April 16 from 2:00 - 3:00 p.m., in Building 4, Room 106, with Gay Wayman from PeaceHealth Medical Group.

* Join the following classes: Better Bones and Balance; Boot Camp; Move It & Lose It; Stretch, Breathe & Relax; Weights Wake-up Call; the Weight Loss Challenge, Yoga and more for Spring term. Check out: <http://www.lanecc.edu/wellness/wellnessclasses.htm> and

<http://www.lanecc.edu/wellness/upcomingevents.htm> for more details regarding Employee Wellness classes and seminars or contact Wendy Simmons, 5551 or Layne King, 5263.

* Looking for an exercise partner? Statistics show that those who exercise with others are 85 percent more likely to exercise regularly. We have employees looking for exercise buddies for the following activities: hiking, walking, kayaking, running, stretching and more. If you live in the South Eugene area, and/or would like to find an activity partner, e-mail kinglm@lanecc.edu to get linked up.

FUNDRAISER: Lane Child and Family Center (Building 24): Join us for a family fun fundraiser at Papa's Pizza in Springfield on April 14. Lane Child and Family Center preschool will receive 50% of the value of food purchased on the 14th. Flyer must be provided to Papa's Pizza at time of purchase. Pick-up a flyer today in building 24 on main campus or email larsenk@lanecc.edu
..

THAT'S MY FARMER! 11TH ANNUAL EVENT Wednesday, April 14, 6-8:30 pm at First United Methodist Church on 13th and Olive Streets. New format! Mingle and learn from 15 farmers sharing their passions - from processing chickens, making sauerkraut, starting seeds, building greenhouses to working with draft horses, and many more. Fabulous door prizes! Urban Gardening workshop with Tom Bettman, OSU Master Gardener. \$5 per person or \$10 per family donation at the door -- all proceeds go to the That's My Farmer Low Income Fund, providing fresh food to those who can afford it least. For more information contact Patty Hine 4699.

RENT-A-ROWER FUNDRAISER to support OAR Jr. Crew (a local high school rowing program). Saturday, April 17 and Sunday, April 18. Athletes would be happy to help with: Gardening, Cleaning, Washing Windows, Painting, Moving, Etc. Suggested Donation: \$10.00/Hour per Athlete. For more information or to reserve a slot, contact: Sandy at rentarower@oarjrcrow.org

COMMUNITY CONVERSATIONS Anti-Hate Activity Public Forum: The City of Eugene Human Rights Commission and Police Commission invite you to a panel discussion to provide community education and awareness about hate crime and hate speech, as well as identify resources for prevention and response. Panelists will examine questions from legal, civil, academic and community perspectives. Following the panel, there will be a facilitated discussion giving community members the opportunity to develop questions, share stories, perspectives and ideas, and develop a community action plan for prevention and response. Panelists are: Diane Sykes, Oregon Department of Justice Civil Rights Program, Chicora Martin, Bias Response Team/LGBT Educational Support Svcs., Dave Findanque, American Civil Liberties Union (ACLU) Oregon, and Dr. Randy Blazak, Coalition Against Hate Crimes (CAHC). Free and open to the public. Sign Language and Spanish interpretation available upon request. Save the date: Wednesday, April 21, 5:30 doors open, 6:00-9:00pm Panel/Forum, UO Downtown Baker Center, 975 High St., Eugene, OR. Contact the Equity and Human Right Center at 541.682.5177 for more information. Submitted by Shareen Vogel, 5699, vogels@lanecc.edu

NEW HEALTHY EATING CLASS offered through Community Education! Starts May 11. Don't let the economy drag you down or affect your food choices. Tap into your creativity as you approach that daily, nagging question, "what's for dinner?" Get inspired about simple, tasty, delicious, nutritious foods that are budget-wise and your excuse to socialize and even have fun

with your food! Healthy eating covers a way to develop and carry out positive eating habits in order to promote health for family members of all ages. Learn to make food choices based upon taste, enjoyment, comfort and promoting energy. This 6-week class meets on May 11th for an optional orientation at the Downtown Center, and then is fully on-line. To enroll (CRN 43133), go to Spring Classes and click on Community Education. Although it's for adults in all living situations, it is listed under Parent, Family, Teacher, OR call: (541) 463-5252. Cost for the course is \$50, Discounted to \$21 for LCC employees, the book \$20. The instructor is Bobbi Phillips, Health Professions.

EUGENE/SPRINGFIELD ARTHRITIS WALK: Form a team or grab a friend to walk the scenic 3 or 1 mile route Sat., May 22 at Sacred Heart Medical Center at RiverBend in Springfield. Registration begins at 9a, the Walk starts at 10a. There is no registration fee. The money raised helps fund research and education for the Oregon Arthritis Foundation. Support this important cause by walking on May 22 or you can sponsor me. For more information go to www.letsmoveitogether.org Submitted by Teresa Hughes, hughest@lanecc.edu or 3179.

ATTENTION RUNNERS! Help run my brother's Boston Marathon—Or just donate to the National Federation of the Blind—Massachusetts chapter, so that others can run for him! My brother Mika is president of the National Federation of the Blind—Massachusetts chapter, and he is participating in a "Run My Boston Marathon" fundraiser this month. You can see his video by going here: <http://vimeo.com/10736140> and then donate by going here: http://www.firstgiving.com/runmyboston_nfbma This is a very cool event supporting a fantastic cause. Questions? contact Anne McGrail.

BEAUTIFUL CALICO KITTY NEEDS A HOME: Belle is a pretty calico adult kitty about 12 years old. She really really likes people, and wants to snuggle and rub up against you. She's a happy, well-adjusted girl with a great personality. She doesn't get along well with other cats, and would be a perfect kitty for a quiet household of older adults, with no other cats. (She is fine with dogs.) Belle has had a rough time ever since she lost her owner to cancer 6 years ago. She was taken in by relatives, and her new owners have now lost their home. Belle is in foster care, looking for somewhere to finish out her years! She's been spayed, vaccinated, microchipped, and is in excellent health. West Coast Dog and Cat Rescue completed all of her dental work, so she should be very low maintenance for the remainder of her life. If interested, email me (Beth Swanson) for pictures at swansonb@lanecc.edu, or call me at (541) 255-9296

HOMEOWNER LOOKING FOR nonsmoking, mature person who appreciates her own privacy to share sunny, airy, comfortable home in Hendricks Park area. House has separation of space,

a wood stove, 2 baths, a dog and six cats (clean and well-behaved). You must love animals, but unfortunately, no more. House has cable, high-speed wireless internet (I work at home). The available room (furnished or unfurnished) is large, bright, and overlooks the garden \$500 and \$700, negotiable. 541.684.0778 or codester9@yahoo.com`

UO BASKETBALL OR FOOTBALL TICKETS- Please let me know if you find you have a extra ticket(s) for sale in the future. The new Matt Court looks good. Here are 2 photos from a recent tour: <http://timbl.net/mattcourt.htm> Tim Blood, (541) 343-0385 (retiring from Counseling in June).`

FOR SALE: Established beehive. Please contact me for specifics. Almost new Dadant 4 frame hand crank honey extractor. \$350 wilkesn@lanecc.edu or 5745.`

LABORER LOOKING FOR TEMP WORK: My father-in-law is in town for a month and looking for some temp work to pass the time. He is probably the hardest worker I have ever met. He axed out a 6 inch thick 10 X 14 slab of concrete in a matter of hours at our house! Wow! Contact lopezr@lanecc.edu, 541.345.5736.``

LANE WEEKLY is the employee newsletter of Lane Community College. Send submissions to weekly@lanecc.edu. Guidelines online at www.lanecc.edu/cops/newsletter.htm For information, call (541) 463-5591. The Weekly is available to the vision-impaired through Disability Resources at (541) 463-5150. Lane Community College is an equal opportunity/affirmative action institution. Tuesday, April 13, 2010

CAREER FAIR 2010: GUIDING YOUR VISION

Wednesday, April 21, 10 a.m. to 2 p.m., Center for Meeting and Learning. Free event open to students and community members. To see a list of participating employers, go online at www.lanecc.edu/ces or contact Kramer at (541) 463-5859 or kramerl@lanecc.edu

EARTH DAY

Thursday, April 22. This year's annual event at Lane centers on educating students, staff, and faculty about sustainability efforts on campus, with particular attention to the Learning Garden and the Culinary Arts and Hospitality Management program. Students in the CAHM program will be preparing food with local ingredients including a salad from the on-campus Learning Garden and bread baked with wheat grown in the Willamette Valley. The meal will be served at noon in Bristow Square, accompanied by a student jazz band. The square will also be host to a waste audit and an array of educational booths from various local environmentally-focused organizations. Students, staff, and faculty can watch the film "Ingredients" at 11 a.m. and 12:30 p.m. This film has been described as "a journey that reveals the people behind the movement to bring good food back to the table and health back to our communities." The Learning Garden specialist and faculty and students from the CAHM are also collaborating to offer a workshop at 10:30 a.m. in the northeast corner of the cafeteria on "Growing and Cooking with Herbs" which includes a cooking demonstration. In the afternoon, the event moves to the Learning Garden for a planting party at 1 p.m., and cake and music at 3 p.m. Everyone is welcome to visit the garden for the celebration, which is located in the SW corner of campus, behind the child care center. More information at: <http://www.lanecc.edu/sustainability/calendar.html> Submitted by Devon Bonady, 5899, Bonadyd@lanecc.edu

TEACH PAPERLESS DAY

Earth Day, April 22, is Teach Paperless Day. Course materials posted on Moodle are paperless, right? Not always. Students often prefer to print their electronic content, and frequently they are asked to print handouts to bring to class. Many students use the "free" printing available in the Library. Now picture this: Students printing PowerPoint slides with a black background, one to a page. Umpteen cases of paper and the toner cartridges pouring into printers each week. Barrels of paper going to recycling. Observing Teach Paperless Day provides an opportunity to work with students on finding ways to balance access to information with sustainable practices. More than 1,050 teachers from around the world have signed the pledge to go paperless in their classrooms for Earth Day 2010. Can you commit to going paperless for a day? To take the pledge, go to this site: <http://bit.ly/bIO0CD> Submitted by Lane Library.

JURIED STUDENT ART SHOW

A reception for the artists will be Thursday, April 22, 3-4 p.m., art gallery, building 11. See the best work of current LCC art students created during the 2009/10. Source: Jennifer Salzman, Gallery Director, 5864, salzmanj@lanecc.edu

ROMEO AND JULIET

This is the last week to see Patrick Torelle's adaptation of Romeo and Juliet. The play, which, according to press reviews, successfully mixes Shakespearean English with post-apocalyptic staging to tell the classic tale has been a virtual sellout. Five of the seven performances have had SRO crowds, and the remaining two have had only a very few seats at the 8 p.m. curtain. Only three nights are left, Thursday-Saturday April 22-24. If you are planning on seeing this show, get online today at lanecc.edu/tickets and buy your tickets. You can call the Student Production Associations office at 5761 for reservations. Images and video clips are online at www.facebook.com/laneperformingarts. From the main page click on "Videos." Submitted by John Watson, 5161, watsonj@lanecc.edu

SMALL JAZZ COMBOS CONCERT

Thursday April 22 at 4 p.m. in the Music Department Choir Room, downstairs in the Performance Hall, building 6. Nate Waddell's Small Jazz Combos class sets the weekend swinging every two weeks with four or five of the class combos showing off what they've arranged during the performance intervals. The atmosphere is extremely casual and very supportive of the musicians. Class concludes with the big concert in the Blue Door Theater on June 1. More info on the June 1 concert later, but mark your calendars to see the remaining Small Combos Jazz concerts April 22, May 6, and May 20. Photos and Videos of some of the performances are on the Lane Performing Arts Facebook Fan page at www.facebook.com/LanePerformingArts Submitted by John Watson, 5161, watsonj@lanecc.edu

NEWS

PRESIDENT SPILDE ON PBS NEWSHOUR

President Mary Spilde appeared on the Public Broadcasting Service Newshour last night, April 20. See the story, "New Community College Standards Could Hike Graduation Rates," online here: http://www.pbs.org/newshour/bb/education/jan-june10/colleges_04-20.html

LANE WINS GOVERNMENT FINANCE OFFICERS ASSOCIATION AWARDS

Lane has won the Distinguished Budget Presentation Award from the Government Finance Officers Association for the fifth time. The award "represents a significant achievement and the commitment of the governing body and staff to meeting the highest principles of governmental budgeting," says the GFOA. Kudos to Chief Finance Officer Greg Morgan, Internal Control Accountant Laura Martin, Budget Manager Kay Malmberg, and Budget Accountant Gloria Vanderhorst.

In addition, College Finance won the GFOA finance award for Excellence in Financial Reporting for the sixth straight year. Congratulations to Finance Director Stan Barker, Project Coordinator Alan Feldmayer, Accountants Tasha Drake, Jane Passenger, Carole Napier, Barbara Lowder, Financial Specialists Julie Copley, Marsha Norman, Laura Roberts, and Purchasing Coordinator Bob Baldwin. Only a few community colleges nationwide have won both awards in the same year.

CHANGE IS IN THE AIR

Beginning fall term, September 27, Lane's 30th Avenue core campus will become tobacco free. Smoking will only be allowed in four designated areas in the outer perimeter of campus. These four smoking shelters will be in Parking Lots B, L, M and N. Cottage Grove, Downtown and Florence campuses will also be tobacco free. This change is for the health of all who come to Lane. For more information go online <http://www.lanecc.edu/tobaccofree/index.html> Submitted by Kate Barry and Wendy Simmons.

ANNOUNCEMENTS

IMPORTANT SAFETY REMINDER

In the event of an emergency on the 30th Ave campus, please call Public Safety at 5555 at any time for any emergency. This number is dedicated for emergency use only. The Public Safety dispatcher will send responders appropriate to the emergency including Health Clinic personnel if needed. They will also contact 911 if it is necessary. This allows for our officers to provide a lead-in for the ambulance to get them to the location as soon as possible. This procedure ensures a speedy response when every second counts. Please be prepared to give detailed information on the location of the emergency so responders can get there as quickly as possible. If you are working at a location outside of main campus, please call 911 and then call Public Safety to let us know what is happening if or when it is safe for you to do so. If you have any questions please contact Dawn Barth, Emergency and Risk Management Analyst, at 5503 or barthd@lanecc.edu

FOODSERVICES PARTNERING WITH ODWALLA

Foodservices is partnering with Odwalla Juice Company in their Haiti Hope Project. Mango Limeaid, available in the Foodservice Cafeteria and at Blenders, is a light and refreshing summer drink made from the highest quality ingredients like all of the juices in the Odwalla line-up but what makes this one special is that 100 percent of the profits from Mango Limeaid sales will go directly to the Haiti Hope Project. This effort is committed to helping more than 25,000 Haitian farmers develop a modern and sustainable mango industry and bring a new era of prosperity to their country. The Haiti Hope Project is administered by TechnoServe, a non-profit with an amazing track record of helping developing countries build economically viable businesses. Drink Haiti Hope and help give Haiti Hope. Learn more at [Facebook.com/Odwalla](https://www.facebook.com/Odwalla) Submitted by Michael O'Neal, food and beverage manager.

3:43 CONCERT SERIES CONTINUES

The Music Department's 3:43 Concert Series continues this and every Friday through-out the term in the Music Department Choir Room, downstairs in Building 6. Alberto Redondo hosts this eclectic series of performances, showing of a range of vocal and instrumental talent. Music students from all disciplines sign up to perform in this casual and supportive environment. The 3:43 series is named for the time it starts each and every Friday, and is free! Submitted by John Watson, 5161, watsonj@lanecc.edu

PERS SEMINAR

<http://www.lanecc.edu/hr/benefits/documents/LCC-04-28-10PERS.pdf>

Wednesday, April 28, 12-1 p.m. building 17, room 310, presented by Anna Pomykala of First Investors. RSVP to her at 503-296-7676 x277 or 800-394-6620. The seminar will cover:

1. Differences in Tier One, Tier Two, OPSRP, and IAP

2. Eligibility for Retirement [Age and/or Service requirements]
3. Benefit Estimates - Direct where to obtain; Review an example of a new one
4. Methods of drawing an income from PERS;
 - A. Pension and Annuity Options
 - B. Lump Sum Settlement (LSS) Options
5. Options available (indicating impact on beneficiaries):
 - A. Annuity Options - No Survivor;
 - B. Refund Annuity;
 - C. 15 Year Certain;
 - D. Full Survivor;
 - E. 50% Survivor
6. Lump Sum Settlement Options - Transfer Account Balance into IRA/403(b)
7. Option differences:

Annuity Options - Pros and Cons

Lump Sum Options - Pros and Cons

Since this is a generic seminar, I am available for one-on-one appointments (at home or on campus) to discuss individual situations and the income needed to retire. Submitted by Sharon Daniel.

SPRING MUSIC FACULTY CONCERT

Music faculty will hold their Spring Concert in the Performance Hall at 7:30 p.m. on April 29. The concert is titled Music Science and Math: 4=3+2. The title refers to the four artists, Barbara Myrick, piano, Yvonne Hsueh, violin, David Straka, cello, and Larry Clabby, piano, playing a trio and a duet. Myrick, Hsueh and Straka form a trio to perform Trio for Piano, Violin and Cello in B Major, Opus 8 by Johannes Brahms. Barbara Myrick then joins Larry Clabby for a piano duet, performing a selection of compositions by Mozart, Franz Liszt and Darius Milhaud. Tickets are \$10 for general admission, and \$8 for students, seniors and Lane staff. Tickets can be purchased online at lanecc.edu/tickets Credit cards may be used online; only cash or checks are accepted at the box office. Submitted by John Watson, 5161, watsonj@lanecc.edu

FORD FAMILY FOUNDATION SCHOLARSHIP INTERVIEW WORKSHOP

Counseling and Advising is offering a Ford Family Foundation Scholarship Interview workshop to help Lane students who have been invited to interview for the Ford Scholarships on Friday, April 30, at 12:30-2:00 p.m. The workshop will cover effective interviewing strategies and how to prepare for the interview. A previous Ford recipient will attend and explain their interview experience. To register, e-mail brysonj@lanecc.edu or call 5164.

ACADEMIC COLLOQUIUM: CHINA'S FOOD AND CULTURE

Joe McCully, Culinary and Hospitality instructor, presents, "China: Its Food & Culture: Perspectives from Sabbatical," on Friday, April 30 at 3 p.m. in Center for Meeting and Learning, room 220. Chinese hors d'oeuvres will be served. View the flyer for this event at: <http://www.lanecc.edu/fpd/documents/joemccullycolloquiumpdf.pdf> Please RSVP to Roxanne Young at youngr@lanecc.edu. Contact: Adrienne Mitchell, FPD Coordinator, at mitchella@lanecc.edu

DANCING TO BENEFIT "TO WRITE LOVE ON HER ARMS"

Saturday, May 1, 8 p.m., Performance Hall. Dance Northwest's annual "Down 4 It" fundraiser for nonprofit organizations such as Womenspace and Food for Lane County will give a portion of this year's proceeds to "To Write Love on Her Arms" (TWLOHA), a non-profit movement dedicated to presenting hope and finding help for people struggling with depression, addiction, self-injury and suicide. Performing will be Dance Northwest, joined by student dancers from

Lane; one of Eugene's favorite old school and break crew, RAWK, directed by Chris Gorney; the hard hitting, ZAPP, directed by Cindy Zreliak, Lisa Gilliams's sassy Urban Pulse; Nathan Boozer's dynamic company, Work; multi-faceted Phenomenon, directed by Vanessa Martin; Eileen King's fast paced, high energy company, King's Krew; as well as Portland's Push Jones co-directed by Evie Graham and Allison Franco. Tickets are \$12. For more information: www.dancenorthwest.com Submitted by John Watson, 5161, watsonj@lanecc.edu

LANE STAGE DOOR JAZZ CAFE

Sunday May 2, 2-5 p.m., Performance Hall, back stage. This is a new event for Lane! The curtain will be pulled on the main stage and the stage will be set up as a coffee house with rotating jazz combos playing from open to close. The public is invited to drop in for coffee and light eats at their leisure and enjoy the real back stage, "show business" atmosphere! The event is hosted by the Lane Jazz Ensemble. Entertainment will be provided by the Lane Jazz Combo, the Lane Faculty Jazz Combo, and small Jazz combos from area high schools. The Stage Door Jazz Cafe can be reached by parking in the north lot at 30th and Eldon Shafer. Follow the signs to the rear entrance of the Performing Arts building.

The Stage Door Jazz Cafe is just inside the door on the left. Admission is free, but cash or check donations will be appreciated! All proceeds benefit the Lane Community College Jazz Program. Submitted by John Watson, 5161, watsonj@lanecc.edu

INTERNATIONAL DAY

May 5 is International Day at Lane. LCC students from around the world will share their cultures through performances and exhibits in the northwest corner of the cafeteria between 11:30 a.m. and 1:30 p.m. Enjoy the amazing guest performance of Eugene Taiko. Experience Korean pop music and dance! Move to the music of African drums. Choose your favorite country for the Soccer World Cup! Come celebrate and experience this unique cultural occasion together. Submitted by Beth Schenderlein.

SPRING CONFERENCE

Grab your calendar, schedule it in, and plan to be there! This year's spring conference will be held Friday, May 7, from 8 a.m. to 5 p.m. in the Center for Meeting and Learning. Please stay tuned as the event details unfold by visiting the conference website where new information is being posted as the planning process evolves.

<http://www.lanecc.edu/in-service/spring10/index10.htm> Submitted by Roxanne Young.

LATINO FAMILY CONFERENCE

Lane will host the 11th Annual Latino Family Conference on Saturday, May 8, at the Center for Meeting and Learning. Registration begins at 11 a.m. Last year more than 460 families, volunteers, presenters, teachers, social agencies, students, and others attended. The Latino Family Conference supports Spanish-speaking families to access information and education related to the educational goals of their children. It provides families with an opportunity to learn about community resources in a setting that is culturally supportive. It also cultivates a respectful, inclusive and accessible working and learning environment by assisting us to learn about the needs of this diverse community. In addition child care and recreational activities for children will be provided while parents are attending the workshops and visiting the social agencies. Questions? Call 541-228-7040. Contact: Donna Koechig.

U.S. POET LAUREATE KAY RYAN VISIT

Kay Ryan, U.S. poet laureate, will visit Lane on May 13 and 14. She will give a public reading on Thursday, May 13, at 7 p.m. in the Center for Meeting and Learning, and meet with students on Friday, May 14. Ryan is 16th poet laureate of the United States. Last fall, she initiated a project

called Poetry for the Mind's Joy, in collaboration with the Library of Congress and the Community College Humanities Association. The initiative "highlights poetry being generated on community college campuses, as well as the vital role played by community colleges in nurturing lives and minds." For details go online at www.loc.gov/poetry/mindsjoy

Ryan's visit is part of the Reading Together project at Lane which engages students in reading and discussion of shared texts, with each other, with the greater campus community, and with the community at large. Reading Together is indebted to Jane King, a long time supporter and patron of interdisciplinary studies at Lane. For more information contact Eileen Thompson.

DAY OF CARING

This year Lane's Day of Caring is scheduled for Saturday, May 15, from 9:00 a.m. to noon, when Lane employees will "work the land" as a service project at the Grass Roots Community Garden on Coburg Rd. This garden raises organic food to help Food for Lane County supply nourishing vegetables to those in need. There are jobs for all abilities. To sign up please e-mail the names of your group members to Foundation@lanecc.edu, or call Kathy at 5538.

ANNUAL EMPLOYEE RECOGNITION GALA

May 19, Wednesday, 3-5 p.m., Center for Meeting and Learning, Rooms 103-104

Twenty years from now you will be more disappointed by the things you didn't do than by the ones you did do. So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover. — Mark Twain

Please join your Lane colleagues on May 19 as we recognize and celebrate their significant years of service and anticipated retirements on the horizon for this year. Today, we are showcasing our retirees, who will soon be launching their own dreams and sailing away from the Lane harbor.

PRINT SHOP ANNOUNCES DEADLINES

The deadline for submitting summer term instructional packets to Printing/Graphics is June 2.

Handouts needed for the first day of summer term classes should be submitted by June 11.

Subsequent deadlines for the 2010-2011 academic year are as follows:

Fall term: Packets to Printing/Graphics by August 13.

First-day materials are due September 10.

Winter term: Packets to Printing/Graphics by November 12. First-day materials are due December 3.

Spring term: Packets to Printing/Graphics by February 11.

First-day materials are due March 18.

Observing these deadlines assures timely production of your materials by the print shop and processing by the Titan Store (Bookstore). Questions? Contact Tom Johnson, 5373.

FALL SOAR JUNE 14-17

Students beginning classes at Lane in Fall Term 2010 are encouraged to attend Fall SOAR June on main campus during the week of June 14-17. SOAR (Student Orientation, Advising and Registration) is an opportunity for new Lane students to attend a New Student Information Session, a Money Matters workshop and receive academic advising before registering for their Fall Term classes. Each year, various campus groups, organizations and resources are invited to provide a handout with information about their individual department/program/resource in the folder all SOAR attendees receive. This is a great way to showcase all your department or program can offer to new Lane students! If interested in having a flyer or handout included, please contact David Van Der Haeghen, Student Recruitment & Outreach Coordinator, at 5688 or via e-mail.

LET'S GAIN 300 POUNDS

Let's go for 300-plus pounds of non-perishable food items for April. Thank you for the 137 food items from the participants of the Lane Employee Wellness program, "Healthy You, Healthy Community: Weight Loss Corporate Challenge." This year so far, 1,350 pounds have gone to Food For Lane County for food boxes and meal sites. Tell your friends. Think of creative ways to collect food. Donate one can of non-perishable food a month to Lane's ongoing food drive. For some people getting a food box makes a difference in being able to buy needed medication or to pay a heating bill. Many food box recipients are the working however still unable to meet basic needs.

FACILITIES NEWS

FACILITIES UPDATES—

MAJOR MAINTENANCE FUNDING IS GOOD FOR STUDENTS

This fiscal year we purchased over \$140,000 in new furnishings such as chairs, tables, and white boards for class rooms and instructional spaces. Even with this type of investment, we still have a mountain to climb. Every year, Susan Tatar works diligently with various instructional deans, managers, faculty and staff along with Craig Taylor and his staff to identify and prioritize which instructional space furnishings are to be replaced each year. You can imagine how long the list can be. We still have some pretty old arm chair desks with fold over tops and some chairs that have been welded and repaired so many times that they look like they have been through, well, a long history at LCC. Having proper furnishings for the students and faculty is a top priority. This cost is part of the work completed through the facilities staff and funded out of major maintenance. If you are aware of any furnishings such as chairs and tables that are broken, not working well, or really have exceeded their useful life, please send an e-mail to facilitiesoffice@lanecc.edu Include the type of furnishing, the issues, quantity, room, building, and any other information that would be useful in prioritizing this work. Contact: Dave Willis.

OLD VAN EXAMPLE OF INNOVATIVE COST SAVINGS

The old green bond projects moving van is a great example of how creative employees work hand in hand to stretch and save bond dollars. Toby Kubler is leader for bond project move

coordination. He spotted this van in the storage areas just east of buildings 9 and 10 being staged for a future auction or sold for scrap metal and recycling. Toby contacted Mike Sims and through some creative thinking, came up with the idea to re-use the van to allow for effective and efficient bond project moves. This van allows desks, chairs, tables, boxes, and miscellaneous items to be moved from one building to another as people are relocated before remodeling and construction work begins and again after the work is completed. By protecting the furnishings from weather, securing them during transit, and providing an enclosed vehicle in which to make the move process more effective and efficient, Toby is stretching bond dollars as far as possible. Contact: Dave Willis.

GRANT FUNDED PROJECTS CAN BE CHALLENGING.

Every year facilities staff get surprised with equipment purchases that were part of a grant with a time line for purchase and installation. This is a huge challenge since we are not often included in any grant planning process, and since everyone is so busy these days, and because we have reduced budgets and staffing levels in our operations services areas. The surprise is in the fine print. Often, utilities are needed, and sometimes even changes to walls or infrastructure are necessary, and what is often not calculated when considering time lines in the grant planning process is the installation of funded equipment. This work leads to a design and permitting process through the Lane County planning department which takes time. We do not always have this luxury. We tend to have to rush to meet pre-determined expiration time lines, and this causes a lot of stress. Remember: All new equipment must be UL Laboratories approved and certified to allow the installation in Lane County and at the college. Please send an e-mail to facilitiesoffice@lanecc.edu if you anticipate purchasing any new grant funded equipment or other components that have facilities implications. We will of course do all we can to support you. Thank you. Contact: Dave Willis.

BOND UPDATES—

ASBESTOS ABATEMENT

After removing all asbestos from pipes in the tunnels and mechanical room during Deferred Maintenance 2009, crews are currently working to install new insulation on the chilled, heating, and domestic hot water lines in the tunnel and mechanical rooms. Remaining tunnel work is 75 percent complete; and remaining mechanical room work 33 percent complete. Contact Angela Fazio, 3428.

BUILDING 4 REMODEL

Occupants of building 4 are being relocated into temporary offices throughout Lane's main campus. A contractor will begin construction with light demolition in selected areas on both the first and second floors of the building on May 2. This activity is expected to be noisy but will be preformed after hours when fewer occupants are expected. The Health Professions, Dental Clinic will be temporarily relocated off campus this summer to an office location in Springfield. The clinic move will begin mid-June and will be set up to resume clinical operations from the Springfield location until its expected return to main campus, September 30. Contact Mark Richardson, 3456.

BUILDING 5 REMODEL AND ADDITION

Construction activity in building 5 is expected to be minimal until June. Contact Mark Richardson, 3456.

CAMPUSWIDE CONCRETE REPAIR

Concept drawings for concrete repair and modifications have been completed and will be presented to the FMP group next week for review. Certain targeted locations were examined and selected for repair from locations where the concrete and stairs have been deteriorating as it will over time. The modifications designed will improve over-all campus access to students and limit congestion in these locations throughout campus. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS BUILDING

Board members discussed different aspects of the project at their April 14 work session and agreed to continue discussions. The earliest date for this would be before or after a scheduled Budget Committee meeting in April or May, or at the next regular board meeting in May. Contact Bob Mention, 5747.

FIRE ALARM/MASS COMMUNICATION

The fire alarm contractor, SecureCom, is currently programming the fire alarm system and putting the finishing touches on the installation. Contact Dave Smith, 3433.

KEYLESS ENTRY

The contractor, Allied Fire & Security, is working on door hardware installations on the first and second floors of the Center Building. Work will continue upwards from the second, to third, and then fourth over the next several weeks. Three CCTV cameras are installed on the Facilities building as part of a camera evaluation. The results will be used to select a camera manufacturer. There was a system malfunction over the past weekend causing erratic door operations. The contractor is attempting to locate the cause of the problem and will make necessary repair to the system in order to avoid any recurring malfunctions. Contact Dave Smith, 3433.

TRACK AND SOCCER BOWL UPGRADE

A contractor has been granted approval by vote of the Board of Education at its April 14 meeting. A preconstruction meeting will be held this week and mobilization of equipment and setting up temporary fencing as required will begin the week of April 26. Field construction is expected to start on or around May 15. Contact Mark Richardson, 3456.

UTILITY METERING

Installation of meters on electrical, domestic hot and cold water, natural gas, chilled and heating water and irrigation will allow for utility monitoring, performance evaluation and energy maximization. Final inspections are complete; final electrical inspections still to be completed. Underwriter Laboratory (UL) performed a site audit and has approved all documents provided by MeasureLogic. Contact Angela Fazio, 3428.

OTHER FACILITIES PROJECTS—

AMTF UPGRADES

The installation of a new paint booth in building 47 helps support the Aviation Maintenance Technician program instruction. The booth installation is now complete; however, continuing to chase a few leaks under warranty. Still await the receipt of the final operation and maintenance manuals and warranties in order to close the project. Contact Angela Fazio, 3428.

COMPUTERIZED MAINTENANCE MANAGEMENT SYSTEM (CMMS)

Evaluation of Computerized Maintenance Management System (CMMS) continues. A new CMMS will improve work order turnaround time, increase system reliability through preventative maintenance, and provide key performance indicators as a management tool to maximize

performance with limited resources, predict future maintenance and capital budgets. Data collection continues. User group Webinars to be scheduled. Contact Angela Fazio, 3428.

WELLNESS EVENTS AND CLASSES

* "Approaches for Reducing Stress in Interpersonal Relationships" with Bruce Czuchna, Licensed Psychologist from Directions is this Wednesday, April 21, 12:00 - 1:30 p.m., in Building 16, Room 211.

* "Perfect Breathing" sessions with author/speaker Al Lee are this Friday, April 23 from 1:00 - 2:00 p.m. in Building 5, Room 125 and from 3:00 - 4:00 p.m. at the KLCC Selco Performance Hall.

* Join David Leung for an "Introductory Tai Chi for Stress Reduction" class Tuesday, April 27 from 1:00 - 1:50 p.m., meet outside, north of Building 5 by the track.

* It's not too late to join wellness classes. Check out:

<http://www.lanecc.edu/wellness/wellnessclasses.htm> and

<http://www.lanecc.edu/wellness/upcomingevents.htm> for more details regarding Employee Wellness classes and seminars or contact Wendy Simmons, 5551 or Layne King, 5263.

IT TRAININGS

25 LIVE EVENT REQUEST TRAINING

The April training sessions have been scheduled for the new event request system. If you have a need to request rooms, this training will go through the steps using the new system. The capability to search locations, request event space or a motor pool car is offered to all staff. This is a hands-on class in the lab. Please register for a class by sending an e-mail to LaneEvents@lanecc.edu to ensure your account is active for the training session. NOTE: 25Live requires Internet Explorer 7 (not 8), Safari 4.0 or Firefox 3.5.6 or higher for proper functionality.

* April 22, Thursday, 2 p.m.

For more information:

http://showlane.lanecc.edu/25live/#details&obj_type=event&obj_id=111891/7/

Submitted by Alen Bahret, Information Technology, 3347.

ATC TRAININGS

Moodle Assignments And Activities

April 29

Location: Building 19 Office

Practice setting up assignments and other kinds of graded and un-graded activities:

- Overview of all activities, including typical uses and grading options
- In-depth practice setting up and managing the four types of Assignments
- Setting up graded forums and glossaries

- How to record grades for activities that don't post automatically to the gradebook
- View examples of Moodle Lessons and SoftChalk activities

Registration required: e-mail atc@lanecc.edu

Dates: Thursday, April 29, 2010, 3pm

Moodle Forums

May 6

Location: Building 19 Advanced Technology Center 249

In this class we will explore the instructional applications of Moodle forums, match the different types of Moodle forums to their instructional uses, and practice setting up different types of forums. For current Moodle users.

Registration required: e-mail atc@lanecc.edu

Date: Thursday, May 6, 2010, 3pm

Moodle Quiz Module

May 13

Location: Building 19 Advanced Technology Center 249

In this workshop you will learn how to: import and create questions, organize question banks, deliver quizzes and tests in Moodle, and arrange for proctored administration of Moodle tests. For current Moodle users.

Registration required: e-mail atc@lanecc.edu

Date: Thursday, May 13, 2010, 3pm

Moodle Gradebook

May 20

Location: Building 19 Advanced Technology Center 249

Learn how to set up a straight-point or weighted gradebook, enter and manage grade records, and verify and troubleshoot your gradebook. For current Moodle users.

Registration required: e-mail atc@lanecc.edu

Date: Thursday, May 20, 2010, 3pm

WELLNESS EVENTS AND CLASSES

* Join the following classes: Better Bones and Balance; Boot Camp; Move It & Lose It; Stretch, Breathe & Relax; Weights Wake-up Call; the Weight Loss Challenge, Yoga and more for Spring term. Check out: <http://www.lanecc.edu/wellness/wellnessclasses.htm> and <http://www.lanecc.edu/wellness/upcomingevents.htm> for more details regarding Employee Wellness classes and seminars or contact Wendy Simmons, 5551 or Layne King, 5263.

* Looking for an exercise partner? Statistics show that those who exercise with others are 85 percent more likely to exercise regularly. We have employees looking for exercise buddies for the following activities: hiking, walking, kayaking, running, stretching and more. If you live in the South Eugene area, and/or would like to find an activity partner, e-mail kinglm@lanecc.edu to get linked up.

Weekdays in the summer are \$110 with a two day minimum. Sydney Kissinger, 5544 or e-mail kissingers@lanecc.edu home: 541-746-9513 or cell 541-953-8755

BEAUTIFUL CALICO KITTY NEEDS A HOME: Belle is an adorable calico adult kitty about 12 years old. She really likes people, and wants to snuggle and rub up against you. She is a happy, well-adjusted girl with a great personality. She does not get along well with other cats, and would be a perfect kitty for a quiet household of older adults. (She is fine with dogs.) Belle has had a rough time ever since she lost her owner to cancer 6 years ago. She was taken in by relatives, and her new owners have now lost their home. Belle is in foster care, looking for somewhere to finish out her years! She has been spayed, vaccinated, microchipped, tested for FIV/FLV, and is in excellent health. West Coast Dog and Cat Rescue completed all of her dental work, so she should be very low maintenance for the remainder of her life. If interested, please e-mail me (Beth Swanson) for pictures at swansonb@lanecc.edu, or call me at (541) 255-9296

TOYOTA PICKUP: Silver Prerunner, regular cab, auto, 4-cyl., rear slider, hitch, bedliner. AM/FM cassette, air. 109K miles. \$5500. Call Fran at 343-6985, evenings. I can drive it to campus or you can see in Eugene. Francine Nearing, MSN, Faculty in Nursing ext 3299.

B/W LASER PRINTER FOR SALE: Canon Imageclass 3240 Laser Black and White printer in good working condition. Copy, fax, scan and print- I am upgrading to a color printer. Great deal for a nice printer. \$40 contact Dave, IESL dept dskoloa@msn.com

HOMEOWNER LOOKING FOR nonsmoking, mature person who appreciates her own privacy to share sunny, airy, comfortable home in Hendricks Park area. House has separation of space, a wood stove, 2 baths, a dog and six cats (clean and well-behaved). You must love animals, but unfortunately, no more. House has cable, high-speed wireless internet (I work at home). The available room (furnished or unfurnished) is large, bright, and overlooks the garden \$500 and \$700, negotiable. 541.684.0778 or codester9@yahoo.com ``

FOR SALE: Established beehive. Please contact me for specifics. Almost new Dadant 4 frame hand crank honey extractor. \$350 wilkesn@lanecc.edu or 5745.``

Proceeds go to support To Write Love On Her Arms, a non-profit helping those struggling with depression, alcoholism, self-injury and suicide. Tickets are \$12 and on sale online at lanecc.edu/tickets. Cash and checks only at the door. Contact: John Watson, 5161, watsonj@lanecc.edu

STAGE DOOR CAFE opens backstage on the Performance Hall, Sunday, May 2, 2-5 p.m. Follow the signs from the north parking lot to the Stage Door. The Lane Faculty Jazz Sextet, the Lane Jazz Ensemble Sextet and combos from the Lane Jazz small combos class will entertain, along with some special guests! Drop in for coffee and eats, and stay for the cool Jazz. The event is free (but donations are greatly appreciated!) No better way to spend a Sunday afternoon! Contact: John Watson, 5161, watsonj@lanecc.edu

NEWS

PAT RIGGS-HENSON NAMED EDUCATION VOLUNTEER OF THE YEAR

Former Lane Community College Board of Education member Pat Riggs-Henson was named Education and Schools Volunteer of the Year by United Way of Lane County at the agency's sixth annual awards luncheon on April 22. Riggs-Henson served three terms on the Lane's board in the Zone 3 position, from May 1989 to June 1998 and July 2005 to June 2009. President Mary Spilde said, "Pat forged countless partnerships strengthening business, labor and education to enable the highly skilled workforce that will help us to attract new employers and grow as a community." Submitted by the editor.

SIGMA ZETA WINS NATIONAL AWARDS

Lane's Sigma Zeta Chapter of Phi Theta Kappa won national recognition at the Phi Theta Kappa annual convention in Orlando, Florida, in April, including these awards:

- * Top 100 Chapter
- * Distinguished Chapter President Award - Teresa Sullivan
- * Distinguished Member Award - Dee Christensen
- * Distinguished Regional Officer Award - Sabina Tishmack
- * Distinguished Regional Team Award - three members are Lane students

Velda Arnaud advises Lane's chapter and coordinates the Rocky Mountain Cascade region. This year, more than 400 chapters competed for the awards. Complete lists of awards winners as well as award category descriptions are available at www.ptk.org/hallmarks Submitted by the editor.

HELEN GARRETT NAMED EXECUTIVE DEAN

The Office of Academic and Student Affairs is happy to announce that Helen Garrett will be our new executive dean for Student Affairs beginning July 1, 2010. Helen comes to this position with a bachelor's degree in business and a master's degree in education, college and university administration, both from Michigan State University. Helen began her career at the University of Southern California as an admissions counselor and then became the director of admissions at Whittier College in Whittier, California. In 1996, she moved to Eugene and worked as the associate director of admissions at the University of Oregon. Helen joined Lane Community College in 2000 and currently holds the position of associate dean of student affairs. Submitted by Sonya Christian, vice president for academic and student affairs.

JERRY DE LEON NAMED ASSOCIATE DEAN

I am pleased to announce that after a competitive search process, Jerry DeLeon has been selected as the permanent associate dean student affairs, counseling and advising. Jerry came to Lane as retention counselor for Latino/a students in February 2004. In July of that year he became the associate director for counseling and advising and has served as the interim associate dean since August 2007. I want to thank the search committee and chair Mary

Parthemer for their diligent and good work. Please join me in extending congratulations to Jerry.
Submitted by Kate Barry, executive dean, student affairs.

ANNOUNCEMENTS

ARE YOU READY?

Today is the deadline to register to vote for the May 18 primary election. If you have an Oregon DMV license, ID card or permit number, you may register or update your voter information at <http://www.OregonVotes.org> Not sure if you're registered? You may view your current voter file at <http://bit.ly/6vNxCR> For more assistance, including information on candidates and measures, visit Lane County Elections at <http://bit.ly/aM8psk> Source: Brett Rowlett, director of governmental and community relations, 5850, rowlettb@lanecc.edu

SENIOR COMPANION PROGRAM CELEBRATES ITS VOLUNTEERS

President Mary Spilde and Mayor Kitty Piercy will salute 77 older adult volunteers at the annual Senior Companion Program luncheon on Tuesday, April 27. The Senior Companion Program is sponsored by nationally by the federal Corporation for National and Community Service and locally by Lane. Companions help hundreds of frail senior and disabled adults overcome loneliness and retain their independence through one-on-one visits. Companions receive a tax-free stipend of \$2.65 per hour. Companions must be age 55 or older, have a limited income, and serve clients 15 to 40 hours per week. They receive comprehensive pre-service and ongoing training. All must pass a criminal background check before acceptance to the program. Interested potential companions are invited to call the SCP at 541-463-4630 for an application. Those interested in becoming clients of the program should contact Senior and Disabled Services at 541-682-4038. Submitted by Barbara Susman.

MEMORIAL FUNDRAISER

George (Virgil) Simmons, Sr., a former LCC employee, passed away on April 14 after a struggle with cancer. George worked in housekeeping from 2001 to 2007. There will be a fundraiser at Papa's Pizza on West 11th on Monday, May 10, all day, to help George's family with his medical bills. Valerie Fitzgerald, George's most recent employer, is also collecting donations for the family. She owns the Stop and Shop Market at 2270 West 18th Avenue, Eugene, OR 97402, where donations can be sent (541-683-7943). Submitted by Kate Sullivan.

THANK YOU'S —

* FROM PATSY RANEY: Many thanks to all staff, faculty and students who attended and supported LCC's first-ever production of The Vagina Monologues on April 21. If you were there, you know what an amazing and powerful production it was. Our students organized an incredible event, complete with silent auction, raffle, snacks, calendars and T-shirts, with all proceeds going to Sexual Assault Support Services, and the UO Law School's Domestic Violence Legal Clinic. Kudos to the Hope Club and to all the students involved in this show, most especially director and producer Cristina St. Charles and her assistant director Ailiah Schafer. They were divas with a passion and purpose for this show, and it was evident in what transpired on that stage. And please keep in mind that this week (April 26-30) is Sexual Violence Prevention Week.

* FROM LORI KRAMER: A heartfelt thank you to everyone who helped make the 2010 Career Fair a success. Many thanks to Career & Employment Services advisors Jackie Bryson, Tina

Hunter and Tammy Simpson; student service associates Pearla Aguilar, Brandon Joyce, Maygan Phillips, Jillian Samanas, Kari Stepp, Lori Wilson, and Lorrie Hickok; Counseling department administrative coordinator Rodney Brown; the Counseling department staff; and Andy McClure; Shirley Nagy; Tracy Simms; Joan Aschim; and The Torch staff. Special thanks to employers, Lane students and community members who attended the Career Fair.

* FROM MICHAEL LEVICK: Dear Lane Friends, You may have heard that I had a stroke on April 15. This is to reassure you that I am completely fine: it was a transient stroke that resolved before any permanent damage was done. It was pretty scary, though; I was completely unable to speak or move my right side for a couple of hours. I am so grateful for the generous outpouring of support and concern from my LCC colleagues. If you want a detailed account of my adventure, you can read all about it here:

http://docs.google.com/Doc?docid=0AZ_DFfGCKByfZGRwZ3RxY2JfNWWhkdnQ5cGY0&hl=en I want to thank you for being in my life; I appreciate my Lane community even more now than I did before the 15th.

CHANGE IS IN THE AIR

Beginning fall term, September 27, Lane's 30th Avenue core campus will become tobacco free. Smoking will only be allowed in four designated areas in the outer perimeter of campus. These four smoking shelters will be in Parking Lots B, L, M and N. The Cottage Grove, Downtown and Florence campuses will also be tobacco free. This change is for the health of all who come to Lane Community College. For more information see Lane's website at <http://www.lanecc.edu/tobaccofree/index.html> Contacts: Kate Barry and Wendy Simmons.

CURRICULUM/SCHEDULING OFFICE MOVED

The Curriculum/Scheduling Office has moved from Center Building room 310. Melanie Brown and Ann Wilkerson are now located in building 17, room 311. Beverly Bradbury is located in Institutional Research Assessment and Planning, building 3, room 114.

WAYS TO HELP THE HUNGRY IN OUR COMMUNITY

One week left in April to bring your non-perishable food items for the I Can, One Can food drive. For May you may bring your food items to the Spring Conference morning meeting May 7th. A food barrel will be in the lobby. Another way to help is to join other Lane staff, students, families and friends for the Lane Day of Caring, May 15th from 9 to noon. We will work at the Food for Lane County Grassroots Garden. For more information go to the Lane Service Learning website, www.lanecc.edu/sl or staff contact Kathy Thomas, thomast@lanecc.edu and students contact Beverly Farfan, farfanb@lanecc.edu. Tell your friends. Think of creative ways to collect food. Submitted by Beverly Farfan, farfanb@lanecc.edu 541-463-5395 or 541-912-2228.

REMINDERS —

INTERNATIONAL DAY

May 5 is International Day at Lane. LCC students from around the world will share their cultures through performances and exhibits in the northwest corner of the cafeteria between 11:30 a.m. and 1:30 p.m. Enjoy the amazing guest performance of Eugene Taiko. Experience Korean pop music and dance! Move to the music of African drums. Choose your favorite country for the Soccer World Cup! Come celebrate and experience this unique cultural occasion together. Submitted by Beth Schenderlein.

SPRING CONFERENCE

Grab your calendar, schedule it in, and plan to be there! This year's spring conference will be held Friday, May 7, from 8 a.m. to 5 p.m. in the Center for Meeting and Learning. Please stay tuned as the event details unfold by visiting the conference website where new information is being posted as the planning process evolves.

<http://www.lanecc.edu/in-service/spring10/index10.htm> Submitted by Roxanne Young.

LATINO FAMILY CONFERENCE

Lane will host the 11th Annual Latino Family Conference on Saturday, May 8, at the Center for Meeting and Learning. Registration begins at 11 a.m. Last year more than 460 families, volunteers, presenters, teachers, social agencies, students, and others attended. The Latino Family Conference supports Spanish-speaking families to access information and education related to the educational goals of their children. It provides families with an opportunity to learn about community resources in a setting that is culturally supportive. It also cultivates a respectful, inclusive and accessible working and learning environment by assisting us to learn about the needs of this diverse community. In addition childcare and recreational activities for children will be provided while parents are attending the workshops and visiting the social agencies. Questions? Call 541-228-7040. Contact: Donna Koechig.

U.S. POET LAUREATE KAY RYAN VISIT

Kay Ryan, U.S. poet laureate, will visit Lane on May 13 and 14. She will give a public reading on Thursday, May 13, at 7 p.m. in the Center for Meeting and Learning, and meet with students on Friday, May 14. Ryan is 16th poet laureate of the United States. Last fall, she initiated a project called Poetry for the Mind 's Joy, in collaboration with the Library of Congress and the Community College Humanities Association. The initiative highlights poetry being generated on community college campuses, as well as the vital role played by community colleges in nurturing lives and minds. For details go online at www.loc.gov/poetry/mindsjoy Ryan 's visit is part of the Reading Together project at Lane which engages students in reading and discussion of shared texts, with each other, with the greater campus community, and with the community at large. Reading Together is indebted to Jane King, a long time supporter and patron of interdisciplinary studies at Lane. For more information contact Eileen Thompson.

DAY OF CARING

This year Lane 's Day of Caring is scheduled for Saturday, May 15, from 9:00 a.m. to noon, when Lane employees will work the land as a service project at the Grass Roots Community Garden on Coburg Rd. This garden raises organic food to help Food for Lane County supply nourishing vegetables to those in need. There are jobs for all abilities. To sign up please e-mail the names of your group members to Foundation@lanecc.edu, or call Kathy at 5538.

PRINT SHOP DEADLINES

The deadline for submitting summer term instructional packets to Printing/Graphics is June 2. Handouts needed for the first day of summer term classes should be submitted by June 11.

Subsequent deadlines for the 2010-2011 academic year are as follows:

Fall term: Packets to Printing/Graphics by August 13.

First-day materials are due September 10.

Winter term: Packets to Printing/Graphics by November 12. First-day materials are due December 3.

Spring term: Packets to Printing/Graphics by February 11.

First-day materials are due March 18.

Observing these deadlines assures timely production of your materials by the print shop and processing by the Titan Store (bookstore). Questions? Contact Tom Johnson, 5373.

FALL SOAR JUNE 14-17

Students beginning classes at Lane in Fall Term 2010 are encouraged to attend Fall SOAR June on main campus during the week of June 14-17. SOAR (Student Orientation, Advising and Registration) is an opportunity for new Lane students to attend a New Student Information Session, a Money Matters workshop and receive academic advising before registering for their Fall Term classes. Each year, various campus groups, organizations and resources are invited to provide a handout with information about their individual department/program/resource in the folder all SOAR attendees receive. This is a great way to showcase all your department or program can offer to new Lane students! If interested in having a flyer or handout included, please contact David Van Der Haeghen, Student Recruitment & Outreach Coordinator, at 5688 or via e-mail.

----- FACILITIES NEWS -----

BOND UPDATES —

ASBESTOS ABATEMENT

After removing all asbestos from pipes in the tunnels and mechanical room during Deferred Maintenance 2009, crews are currently working to install new insulation on the chilled, heating, and domestic hot water lines in the tunnel and mechanical rooms. Remaining tunnel work is 90 percent complete; and remaining mechanical room work 33 percent complete. Contact Angela Fazio, 3428.

BUILDING 4 REMODEL

Construction scheduled to begin May 3 with the contractor performing light demolition work in selected areas on both the first and second floors of the building. This activity is expected to be noisy at times, during the day and evening hours. At the beginning of the week of May 10, temporary fencing will be placed in and around the areas of building 4 blocking access to the upper floor of the building. After fencing is installed, access to certain areas of the building will require advance notice to the general contractor before entering the area. Contact Mark Richardson, 3456.

BUILDING 5 REMODEL AND ADDITION

Limited demolition activities will begin in building 5 on June 11. The main stairs inside the building are scheduled to be closed from June 11-17. During this week, work will be focused on the removal of material suspicious of containing asbestos from certain unoccupied areas. Contact Mark Richardson, 3456.

CAMPUSWIDE CONCRETE REPAIR

Concept drawings for concrete repair and modifications have been completed. The first project is expected to begin on the south side of building 10 where a new ADA access ramp and stairs will be formed providing better access to the core of the campus for those who enter from that location. This work is expected to begin within the next 30 days. Contact Mark Richardson, 3456.

FIRE ALARM/MASS COMMUNICATION

The fire alarm contractor, SecureCom, is 99 percent complete with the installation and testing of the alarm and communications system. Their work remaining is the testing of certain aspects of

the system in the presence of the Oregon State Fire Marshall, providing site training on the computer operating software, and obtaining, and providing the final operations and maintenance manuals to the college. Contact Dave Smith, 3433.

KEYLESS ENTRY

The contractor, Allied Fire & Security, is working on door hardware installations on the first and second floors of the Center building. Work will continue upwards to the fourth floor next week. The will work on building 16 next. The contractor and Lane programmer/analysts are currently working on an interface between the R25 scheduling software and the keyless entry system so that scheduling a conference room or classroom via the R25 program will automatically unlock related outside doors. Contact Dave Smith, 3433.

TRACK AND SOCCER BOWL UPGRADE

Babb Construction, approved by the board for this project, will be submitting a construction schedule this week for the project. Mobilization of equipment is to start right away, which means there is going to be an increased amount of truck traffic through the north parking lot. The access road, gravel parking area between playing fields, and the parking area north of building 5 will be closed starting May 14 and will remain closed until September 20. This area will be limited to construction traffic only as well as very limited pedestrian access. Contact Mark Richardson, 3456.

UTILITY METERING

Installation of meters on electrical, domestic hot and cold water, natural gas, chilled and heating water and irrigation will allow for utility monitoring, performance evaluation and energy maximization. Final inspections are complete; final electrical inspections still to be completed. Underwriter Laboratory (UL) performed a site audit and has approved all documents provided by MeasureLogic. Contact Angela Fazio, 3428.

OTHER FACILITIES PROJECTS —

AMTF UPGRADES

The installation of a new paint booth in building 47 helps support the Aviation Maintenance Technician program instruction. The booth installation is now complete; warranty items have been addressed. Await the receipt of the final operation and maintenance manuals and warranties in order to close the project. Contact Angela Fazio, 3428.

COMPUTERIZED MAINTENANCE MANAGEMENT SYSTEM (CMMS)

Evaluation of Computerized Maintenance Management System (CMMS) continues. A new CMMS will improve work order turnaround time, increase system reliability through preventative maintenance, and provide key performance indicators as a management tool to maximize performance with limited resources, predict future maintenance and capital budgets. Data input continues. Commercial evaluation is underway. Contact Angela Fazio, 3428.

HEALTH AND WELLNESS CENTER

Work continues installing window vent motors and flashing for the alveolus (glass lung). Cement panels are also being installed around outside of the building. There will be equipment on site this week working on a variety of tasks, including underground piping and prep work for walkways and steps. Expect noise from construction activities for the immediate future. Project completion is expected August 2010. Contact Brian McMurray, 5829.

NATIVE AMERICAN LONGHOUSE

Mechanical and plumbing rough-in work is largely complete. The fire protection contractor lacks installation of an outside fire department connection, but is otherwise complete. Bid requests for interior wall board and acoustical ceilings have gone out and will close next week. Expect that work to begin mid-May. Electrical rough in is also near completion. Bids have been received for all interior doors and hardware and they will be ordered next week. Two loads of cedar logs that were delivered to the site last week, will be split into planks for the interior wall cladding. Project completion is expected early September. Contact Brian McMurray, 463 5829.

WELLNESS EVENTS AND CLASSES

* Join David Leung for an "Introductory Tai Chi for Stress Reduction" class Tuesday, April 27 from 1:00 - 1:50 p.m., meet outside, north of Building 5 by the track.

* "Assertiveness Skills to Increase Effective Communication" with Gay Wayman from PeaceHealth Medical Group is this Thursday, April 29, 4:00 - 5:00 p.m., in Building 16, Room 202.

* It's not too late to join wellness classes. Check out:
<http://www.lanecc.edu/wellness/wellnessclasses.htm> and
<http://www.lanecc.edu/wellness/upcomingevents.htm> for more details regarding Employee Wellness classes and seminars or contact Wendy Simmons, 5551 or Layne King, 5263.

TRAININGS

T2T: SOCIAL NETWORKING AND WEB 2.0 TOOLS FOR ONLINE INSTRUCTION
Wednesdays, May 5 - June 2, 3-5pm, ATC building 19/room 249, Instructors: Borrowdale, Coronado, Keene-Wilson, Kirkpatrick and Pineda.
Five-week hybrid class. The focus of this course is on the use of Web 2.0 social networking tools that will foster instructor-student, content-student, and student-student interaction for online and hybrid course instruction. We'll look at new and emerging technologies for online learning, social networking tools and more. A different instructor will lead the class each meeting. Meet in the classroom on Wednesdays 3-5 p.m. combined with online time for this 1 credit course (pass/no pass or audit only). Registration is required as space is limited. If you are interested in participating please enroll directly in ExpressLane, CRN# 43564. Class fee is waived for Lane instructors. For more information contact Ian Coronado at coronadoi@lanecc.edu or call 463-5475.

ACADEMIC TECHNOLOGY CENTER WORKSHOPS

See <http://lanecc.edu/atc/wstraining/schedule.html> for details
Moodle Assignments and Activities - Practice setting up assignments and other kinds of graded and un-graded activities. Registration required: E-mail atc@lanecc.edu
-Thursday, April 29, 2010, 3 p.m.

EPSON C80 INKJET PRINTER. Excellent printer, hardly used, with software, still in original box. \$25 or best offer. Robert Sposato, Academic Learning Skills, 5072 sposator@lanecc.edu

HOME FOR SALE IN QUIET NEIGHBORHOOD, SOUTH EUGENE: If you're a quiet person(s) looking to buy a home in a quiet neighborhood, this may be the one for you. The neighborhood is seeing some shift of generations in ownership, and the community is interested in attracting homeowners, not landlords. This could also be a "sweat equity" opportunity for the right buyer, as the house is currently undergoing some work. The particulars: Two bedrooms first floor with attic converted into two additional rooms, two baths, 1950 wood frame, 1383 sf plus 266 sf sunroom. Single car garage. Separate 575 sf shop in back. New roof, new sewer line, other updates ongoing. Easy access to everything: LCC, bus, bike paths, trails, shopping, etc. \$210k as-is, higher with updates. If this sounds like a match for you, contact Steve McQuiddy at 5780 or mcquiddys@lanecc.edu

FOR SALE: 1: Gooseneck hitch: It came with my F350 and has a lever that lowers the ball. I'm selling it to install a 5th wheel hitch. Fair market price. 916-802-2157. 2: Need teen help in Springfield yard. \$8/hour pulling weeds and doing some limited digging of lawn. 916-802-2157. 3: Lovable lilac blue-eyed middle-aged feline seeks stable retired person (man or woman) with warm lap who is financial capable of providing me the lifestyle I've been accustomed to. Regular vet visits and good food. I am fully vaccinated, had a recent check up and a full dental cleaning. I'm missing a few teeth but so are most felines my age. I'm a one humane feline and prefer not to share my human lap. I'm an inside girl and don't ever see myself outside. A granny would be wonderful! Call 916-802-2157 and ask for "Spirit". 4: Xbox consol that needs new drive - \$25. A nice selection of Xbox games. \$5 each. 916-802-2157. Katherine Vos, 541-463-5561, vosk@lanecc.edu ``

BEAUTIFUL CALICO KITTY NEEDS A HOME: Belle is an adorable calico adult kitty about 12 years old. She really likes people, and wants to snuggle and rub up against you. She is a happy, well-adjusted girl with a great personality. She does not get along well with other cats, and would be a perfect kitty for a quiet household of older adults. (She is fine with dogs.) Belle has had a rough time ever since she lost her owner to cancer 6 years ago. She was taken in by relatives, and her new owners have now lost their home. Belle is in foster care, looking for somewhere to finish out her years! She has been spayed, vaccinated, microchipped, tested for FIV/FLV, and is in excellent health. West Coast Dog and Cat Rescue completed all of her dental work, so she should be very low maintenance for the remainder of her life. If interested, please e-mail me (Beth Swanson) for pictures at swansonb@lanecc.edu or call me at (541) 255-9296``

TOYOTA PICKUP: Silver Prerunner, regular cab, auto, 4-cyl., rear slider, hitch, bedliner. AM/FM cassette, air. 109K miles. \$5500. Call Fran at 343-6985, evenings. I can drive it to campus or you can see in Eugene. Francine Nearing, MSN, Faculty in Nursing ext 3299.``

B/W LASER PRINTER FOR SALE: Canon Imageclass 3240 Laser Black and White printer in good working condition. Copy, fax, scan and print- I am upgrading to a color printer. Great deal for a nice printer. \$40 contact Dave, IESL dept dskoloa@msn.com ``

SPRING CONFERENCE, Friday, May 7, 8 a.m. to 5 p.m., Center for Meeting and Learning. See story below or go online at www.lanecc.edu/inservice/faq.html Contact: Roxanne Young.

COLLEGE CLOSED to the public, Friday, May 7, for spring in-service. No classes will be held and no services will be available, except for scheduled events. See the academic calendar online at <http://lanecc.edu/calendars/academic.html>

OPTIONS UNLIMITED EXPO, free hands-on career exploration event for girls and women, Saturday, May 8, 9:30 a.m. to 3:15 p.m. Participants can try their hand at solar power, plumbing, electrical, and welding. Demonstrations from utilities, public safety and telecommunications. Women working in nontraditional careers available. Find out more at <http://lanecc.edu/mpr/news/re101268.htm> Contact: Colleen Cairney.

LATINO FAMILY CONFERENCE, Saturday, May 8, beginning at 11 a.m., Center for Meeting and Learning. Questions? Call 541-228-7040. Contact: Donna Koechig.

NEWS

IN MEMORY

Toni Melnychuk, Early Childhood teacher, passed away Saturday, April 24, from a long battle with cancer. Toni was an employee of Lane for more than 15 years. A Celebration of Life will be held on Friday, May 7, at 12:00 p.m. at Springfield Memorial Gardens. The family has requested that, in lieu of flowers, donations be made to the American Cancer Society. Submitted by Sue Norton.

WILLAMETTE FAMILY NAMED EMPLOYER OF THE YEAR

For almost two decades, Willamette Family has worked with Lane Community College to provide training opportunities for more than 200 students interested in working with people

struggling with chemical dependency. Willamette Family has helped students meet their certification requirements and successfully pass the national test required to become drug counselors. Willamette Family now employs many of these students; other students take away valuable experiences to employment in other community agencies. Willamette Family's commitment to training new counselors in state-of-the-art treatment methods won them the 2010 Cooperative Education of the Year Award from Lane Community College. The award was presented at the annual Advisory Committee Gala on April 27. Get the whole story here: <http://lanecc.edu/mpr/news/rel01264.htm> Submitted by the editor.

ANNOUNCEMENTS

RECOMMEND STUDENT SPEAKERS TODAY

If you know of a graduating student who you think would give a great commencement speech, please send them to me today. The keynote speaker contest will be held very soon and I am seeking contestants. The winner will receive a \$100 honorarium. Contact: Tina Lymath, 5336.

MARK POOLE AND STACY JO SCOTT EXHIBIT "HERE AND THERE"

The Lane Art Gallery is proud to present "Here and There", a two-person show featuring artists and Lane studio technicians Mark Poole and Stacy Jo Scott. Poole works in the sculpture studio and Scott works in the Art and Applied Design ceramics studio. The exhibition consists of both sculpture and ceramics, along with installation work.

When asked to describe his work, Poole explained, "My works are environmental: creating spaces and connecting elements that encourage new interactions. The materials I work with impact my relationship with each sculpture. The simple and organic shapes in my work invoke connections among the layers of the world we inhabit. These works recognize the potential for art to fill our need for intrigue, mystery, story, ritual, sensual experience and beauty." The show runs May 3 through 20. A lecture featuring both artists will be held Thursday, May 6 at 3:00 p.m. with a reception immediately following. The gallery is located in building 11 on main campus. There is no charge for admission. For more information call Art and Applied Design at 5409.

SPRING CONFERENCE

Friday, May 7, 8 a.m. to 5 p.m., Center for Meeting and Learning

Beginning at 8:30 a.m. with the All Campus Gathering, and concluding with department meetings scheduled to begin at 3:30 p.m., this year's event will showcase Lane's commitment to strategic planning, student success, technology, and the health and wellness of employees. Coffee and light refreshments will be available beginning at 8 a.m., followed by President Mary Spilde's opening remarks beginning at 8:30 a.m.

Breakout session highlights: Research and Development at Lane; Get Involved in Innovation; Beyond Google: Getting Better Assignments from your Students; Connecting to the Inner Child to Relieve Stress; General Education Assessment Symposium; myLane Overview: Group Studio, Course Studios, and Targeted Messaging; Web 2.0 Tools for the Classroom: Google Docs; Fun With Wiki's; Choose a College Success Strategy for 2010-11; Archives for Faculty; What Makes Your Students College Ready?; Let L.I.V.E. (Lane's Integration of Vets in Education) Assist You and Your Students; Open Education Resources at Lane; and Assertiveness Skills to Increase Effective Communication. Community service opportunities will be set up in the CML lobby and will include: Bags for Haiti Project, Service Member Care Packages, Day of Caring-Community Gardens Work Party Sign-up, Relay for Life Sign-up, and I-Can 1-Can Food for Lane County Drop-off. More info at www.lanecc.edu/in-service/faq.html Contact: Roxanne Young.

DISABILITY RESOURCES CLOSURE

Disability Resources will be closed Wednesday, May 5 from 8:30 a.m. to 12 p.m., for a departmental training, and will open at 12 p.m. for regular afternoon hours. Submitted by Jane Love, 5662 voice.

REVITALIZING A LOST ART: SPLITTING PLANKS

Saturday, May 8, 10 a.m. to 4 p.m.

This Continuing Education class will teach students how to recover usable plank boards and construction material from raw timber using traditional and primitive tools. They will gain an understanding of traditional wood, bone and antler tools and how they function. In addition they will learn about primitive technologies and methods utilized in splitting planks and how to groom and provide a usable finished product. Instructor Don Day is an enrolled member and elder of the Confederated Tribes of Grand Ronde and currently lives in Stayton, Oregon. He earned his bachelor's degree in anthropology and his master's in interdisciplinary studies (archaeology, linguistics, and geology) from the University of Oregon. He has been working to revive the lost art of traditional cedar plank splitting among tribes of the Pacific Northwest and has traveled widely throughout the region researching and teaching people how to split planks using primitive traditional technologies. His research has taken him north to the Queen Charlotte Islands where massive plank structures sheltered the people of the Haida Nation and down to Northern California where traditional structures were utilized in ceremonial and personal ways. Don's breadth of experience and work with Western red cedar is extensive and is currently finding its way into museum displays and structures throughout the Northwest. With a team of tribal members, Don split the planks and built the replica for the plank house exhibit at the Museum of Natural and Cultural History in Eugene. Under Don's instruction, Coquille tribal youth have split the planks that clad the lobby walls of the Mill Casino Hotel. He is enthusiastic about sharing this knowledge which clearly demonstrates the ingenuity and skill of his Native ancestors using primitive technologies in their daily lives. There is no charge for class. Students are asked to bring work gloves and if it is raining, rain gear, and to bring a sack lunch. Drinks and water will be provided. For more information e-mail david.lewis@grandronde.org Contact: Donna Koechig.

MEET FINALISTS FOR INTERNATIONAL STUDENT PROGRAM DIRECTOR

Lane's growing international student program is hiring its first director! You can listen to finalists' presentation, ask questions and provide feedback to the hiring committee next week beginning May 10 at forum sessions at 2-3 p.m. Monday, Tuesday, Wednesday and Friday in the Center for Meeting and Learning, building 19, room 105. Forums and presenters are:

Monday, May 10 - Bradley Huggins, director of student development and international advising at the Art Institute of Seattle

Tuesday, May 11 - Jane Walster, coordinator of Exchange and Sponsored Student Programs at University of Oregon

Wednesday, May 12 - Jennifer Falzerano, coordinator of retention services and assistant director of recruitment and admission, Chemeketa Community College

Friday, May 14 - Andres Traslavina, director of Latin American operations for a human resources consulting firm and formerly an international admissions counselor at University of Nebraska.

We invite you to attend as many as possible to provide feedback to the committee. Jane Marshall, 3404 or Cathy Lindsley, 5441.

WANT TO CLEAR THE AIR?

<http://www.lanecc.edu/healthclinic/healthmatters/quittobacco.html>

Trying to quit the tobacco habit? Want to be ready for tobacco free LCC? Join us in a tobacco cessation class Wednesday, May 12, 12-12:50 p.m., building 19, room 248. We will discuss proven techniques and resources for quitting. Submitted by Nadine Wilkes, RN, 5665.

TRAVELS IN CAMBODIA

Join us in the Women's Center on Thursday, May 13 to learn about the challenges and triumphs of women, children, and disenfranchised people in Cambodia. Shoshana Kerewsky (Women in Transition instructor) has traveled to Cambodia three times, most recently with the Eugene-based non-profit organization Friendship with Cambodia. Shoshana will have slides to share from her travels. Bring your lunch since the presentation is from 12:00- 12:50. The Women's Center is in building 1, room 202. Submitted by Jill Bradley, 463 5353.

THANKS FROM THE LEARNING COMMUNITIES LEADERSHIP TEAM

The Learning Communities Leadership Team wishes to thank Lane faculty who attended the two-day On Course workshop on April 22 and 23. More than 40 faculty demonstrated their energy and commitment to improved student success by learning active and collaborative strategies for engaging students and helping them to take responsibility for their learning. Faculty who missed the workshop but are interested in increasing student engagement in and out of the classroom can contact Anne McGrail at mcgraila@lanecc.edu or go to the Learning Communities faculty resources page at <http://lanecc.edu/lc/fresources/fresources.html> where you'll find information about curriculum development support for increasing student engagement and success.

HELP END HUNGER MAY 15

Join us! The Lane Community College Employee Day of Caring is Saturday, May 15 from 9 a.m.-noon. We will work in the Grassroots Garden on Coburg Road (across from Safeway) to help Food for Lane County raise vegetables for our hungry neighbors. Dress ready to work in the dirt and face rain or sun. Tools provided. Lunch made on the spot will follow. Register yourself and family members today, e-mail foundation@lanecc.edu or call 5538. Visit the We Care Committee table at In-Service.

LANE FACULTY JAZZ CONCERT FORMAT MOVES TO STAGE DOOR JAZZ CAFE

The first ever Lane Stage Door Jazz Cafe held Sunday afternoon, May 2, backstage in the Performance Hall, was so successful that director Ron Bertucci has moved the May 12 Faculty

Jazz concert from the concert hall to the Stage Door Jazz Cafe. The Stage Door Jazz Cafe was designed to provide a relaxing, casual atmosphere in which jazz lovers could enjoy the music in a cafe setting, complete with light eats and beverages. The inaugural concert was extremely popular, so much so that the format will continue with coming jazz events. The Lane Faculty Jazz Concert is May 12 at 7:30 p.m. backstage in the Performance Hall. Follow the signs from the north parking lot down the alley to the stage door entrance. Tickets are \$10 general admission, \$8 for students. Proceeds from ticket sales support Lane music programs and scholarships. Tickets can be purchased online at www.lanecc.edu/tickets Information about happenings in Lane performing arts can be found on the Performing Arts Facebook Fan Page at www.facebook.com/laneperformingarts Videos of the Stage Door Jazz Cafe performance can be found at www.youtube.com/laneperformingarts For more information call John Watson at 5161.

STUDENTS DOING POORLY IN CLASSES?

Encourage them to attend the Making Wise Choices workshop. This workshop will provide students with sound advice to make the best decision regarding their grading options. The answer may not be as simple as withdrawing or changing their grade to an audit. These decisions can have serious consequences.

Making Wise Choices educates students on GPA calculation and the various grading options, including pass/no pass, withdrawals, and incomplete grades. We will review Financial Aid expectations for satisfactory academic progress (SAP); provide information on campus support services; and step students through a decision making process designed to help them make wise choices. All before May 21, the final day to make schedule changes for spring term. Thank you for your assistance.

Making Wise Choices Workshop schedule:

Thursday, May 13, 2010 from 12:00-12:50 p.m. in Building 19, Room 232

Thursday, May 20, 2010 from 3:00-3:50 p.m. in Building 19, Room 241

Friday, May 21, 2010 from 12:00-12:50 p.m. in Building 1, Room 222

The Making Wise Choices workshop is a joint effort between the Counseling Department and Enrollment and Student Financial Services. It is brought to you by the SAGA Committee.

Contact: Mary Parthemer, Director, TRIO and Title III, 3133, parthemerm@lanecc.edu

U.S. POET LAUREATE KAY RYAN VISIT

Kay Ryan, U.S. poet laureate, will visit Lane on May 13 and 14. She will give a public reading on Thursday, May 13, at 7 p.m. in the Center for Meeting and Learning, and meet with students on Friday, May 14. Ryan is 16th poet laureate of the United States. Last fall, she initiated a project called Poetry for the Mind 's Joy, in collaboration with the Library of Congress and the Community College Humanities Association. The initiative highlights poetry being generated on community college campuses, as well as the vital role played by community colleges in nurturing lives and minds. For details go online at www.loc.gov/poetry/mindsjoy Ryan 's visit is part of the Reading Together project at Lane which engages students in reading and discussion of shared texts, with each other, with the greater campus community, and with the community at large. Reading Together is indebted to Jane King, a long time supporter and patron of interdisciplinary studies at Lane. For more information contact Eileen Thompson.

ANNUAL EMPLOYEE RECOGNITION GALA

May 19, Wednesday, 3-5 pm, Center for Meeting and Learning, Rooms 102-104

This year's Gala theme, Somewhere in time...Past, Present, and Future, evolved into three important guiding principles for this year's annual event: (1) showcasing Lane student talent; (2) greening the event; and (3) supporting our local economy. This year's event promises to set the

stage for future Recognition Galas at Lane, meaning that you won't want to miss it! As we make the final arrangements, we wanted to share a taste of what you may look forward...

The Past...

Jazz standards, an important part of the musical repertoire of jazz, as sung by Lane's Vocal Jazz Ensemble and directed by Vicki Brabham, will be this year's entertainment. Vicki has appeared in numerous dinner, musical theater shows, and concerts, as well as shows at Lane Community College and the Very Little Theater, and with the Eugene Concert Choir. She is a veteran member of OFAM's Emerald City Jazz Kings. Vicki maintains a private studio as well as teaches jazz piano on the individual lessons faculty at Lane.

All attendees at this year's Gala will be eligible to enter their name in a gift raffle, to be held at the conclusion of the event.

The Present...

Chef Chris Crosthwaite's Culinary Arts students will be sharing their pastry passions as they create the first, inaugural Gala cake for our visual pleasure and eating enjoyment. Students will be learning the fine art of cake decorating and design techniques under Chef Crosthwaite's watchful eye. Prepare to be dazzled!

We are investing in and regenerating our own, small business economy by finding and choosing to work closely with businesses within our local community on this year's event. These are simple changes with far-reaching effects over time.

The Future...

This year's recognizees, Lane employees who are looking forward to retirement this year as well as those who are being recognized for their dedicated years of service (10, 20, and 30 years), will receive awards grounded in sustainability with an eye to the future. Unfortunately, we cannot reveal more about this year's awards in order to preserve the tantalizing elements of anticipation and surprise. Plan to attend to see what we mean!

Today, we are showcasing both our Lane retirees, who will soon be recapturing more of their own time, and our 10-year recognition employees. Two more employees have been added to our growing list of retirees since last week.

*Our Retirees: Tim Blood, Terria Burch, Fay E. D'Ambrosia, Pamelyn Nance Dane, Thomas Davis, Judy Eisel, Shelley Gaudia, Jerry D. Hall, Kay Malmberg, Toni Melnychuk, Germaine Mock, Beth Naylor, Nancy Nott, Annie Paschall, Margaret Pederson, Gerald Ross, Julianne Stermer, Betty Svarverud, Susanne Tatar, and Robert B. Thompson.

* Our 10-Year Recognizees: Keith Bird, Tom Blickle, Albert "Nate" Capehart, Bradley D. Carman, LynnMarie Chowdhury, Leah A. Woodruff Claypool, Gary C. Conklin, Hilary Cummings, Fay E. D'Ambrosia, Sharon A. Daniel, Yvonne B. DePuente, Liz Dickey, Gayle M. Eisiminger, Barbara Enright, Jim Garcia, Helen B. Garrett, Thomas Allen Garrett, Shannon I. Gaul, Kendra Gilds, Derald R. Grimwood, Kevin L. Grumbley, Kevin C. Hager, Chris Heck, Patricia S. Hine, Lee C. Imonen, Jeff Douglas Kerr, Eric L. Kim, Pamela K. King, Richard T. Lennox, Lynn K. Lodge, Mohammad Maleki, Christine A. Marshall, Celia Luciana Maximin, Brian J. McGlynn, Judith Mikesch McKenzie, Dean Middleton, Adrienne Mitchell, Florabelle Moses, Ava R. Nelson, David A. Packnett, Bruce Palanuk, Tara Marie Pemberton, Bert Pooth, Jill Siegfried, Merrick L. Simms, John W. Smith, Darcy Spencer, Fiora Starchild-Wolf, Terry L. Starr, Jeri B. Steele, Gail Stevenson, Kathleen E. Sullivan, John E. Thompson, Lisa C. Wald, Paul A. Wanke, Merrill K. Watrous, and Von Young

Congrats to you all! "Retirement has been a discovery of beauty for me. I never had the time before to notice the beauty of my grandkids, my wife, the tree outside my very own front door. And, the beauty of time itself."--Hartman Jule. Contact: Roxanne Young, Professional and Organizational Development, 3655.

FALL SOAR JUNE 14-17

Students beginning classes at Lane in Fall Term 2010 are encouraged to attend Fall SOAR June on main campus during the week of June 14-17. SOAR (Student Orientation, Advising and Registration) is an opportunity for new Lane students to attend a New Student Information Session, a Money Matters workshop and receive academic advising before registering for their Fall Term classes. Each year, various campus groups, organizations and resources are invited to provide a handout with information about their individual department/program/resource in the folder all SOAR attendees receive. This is a great way to showcase all your department or program can offer to new Lane students! If interested in having a flyer or handout included, please contact David Van Der Haeghen, Student Recruitment & Outreach Coordinator, at 5688 or via e-mail.

FACILITIES NEWS

FACILITIES UPDATE—

If you have a grant funded project that has any facility or equipment portions in the scope, please contact facilitiesoffice@lanecc.edu to have a work request started with all critical information such as specific schedule, budget, and scope information.

Major Maintenance funding in the Facilities management and operations budgets is good for the students at the college. Wayfinding improvements are funded out of the major maintenance budget. The Wayfinding committee lead by Tom Oroyan reviews signs and kiosks for accuracy every quarter. Improvements are being made throughout the year. Students are then better able to find their way to classes and important events. If you have any questions or comments regarding wayfinding on the college campus, please contact Tom at oroyant@lanecc.edu Contact: David Willis, 5566.

BOND UPDATES —

ASBESTOS ABATEMENT

After removing all asbestos from pipes in the tunnels and mechanical room during Deferred Maintenance 2009, crews are currently working to install new insulation on the chilled, heating, and domestic hot water lines in the tunnel and mechanical rooms. Remaining tunnel work is 90% complete; and remaining mechanical room work 33% complete. Contact Angela Fazio, 3428.

BUILDING 4 REMODEL

Construction scheduled to begin May 3 with the contractor performing light demolition work in selected areas on both the first and second floors of the building. This activity is expected to be noisy at times, during the day and evening hours. At the beginning of the week of May 10, temporary fencing will be placed in and around the areas of Building 4 blocking access to the upper floor of the building. After fencing is installed, access to certain areas of the building will require advance notice to the general contractor before entering the area. Contact Mark Richardson, 3456.

BUILDING 5 REMODEL AND ADDITION

Limited demolition activities will begin in Building 5 on June 11. The northwest stair tower inside building 5 is scheduled to be closed from June 11-17 to remove material suspicious of containing asbestos. Contact Mark Richardson, 3456.

CAMPUSWIDE CONCRETE REPAIR

Drawings for the project are complete. The first project is expected to begin on the south side of Building 10 where a new ADA access ramp and stairs will be constructed which will allow better campus access. This summer, work will begin at the campus main entrance where crews will reconstruct the stairs, sidewalks, and crosswalks that extend from the north end of the Lane Transit bus station through the north side of Building 4. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS BUILDING

A Request for Proposals (RFP) for architectural services is expected to be issued in the near future. The schedule calls for the selection process to be completed and a firm recommended to the board at its June meeting. The successful architect will confirm the feasibility report program before starting the schematic design phase of the work. Contact Bob Mention, 5747.

FIRE ALARM/MASS COMMUNICATION

The fire alarm contractor, SecureCom, is 99% complete with the installation and testing of the alarm and communications system. Their work remaining is the testing of certain aspects of the system in the presence of the Oregon State Fire Marshall, providing site training on the computer operating software, and obtaining, and providing the final Operations and Maintenance manuals to the college. Contact Dave Smith, 3433.

KEYLESS ENTRY

The contractor, Allied Fire & Security, is working to complete door hardware installations on the fourth floor of the Center Building. Buildings 1 and 16 will be next. The contractor and Lane programmer/analysts are currently working on an interface between the R25 scheduling software and the keyless entry system so that scheduling a conference room or classroom via the R25 program will automatically unlock related outside doors. Contact Dave Smith, 3433.

TRACK AND SOCCER BOWL UPGRADE

Mobilization of equipment is going to start May 1 which means there is going to be an increased amount of truck traffic through the north parking lot. The access road, gravel parking area between playing fields, and the parking area north of Building 5 will be closed starting May 14 and will remain closed until September 20. This area will be limited to construction traffic only as well as very limited pedestrian access. Contact Mark Richardson, 3456.

UTILITY METERING

Installation of meters on electrical, domestic hot and cold water, natural gas, chilled and heating water and irrigation will allow for utility monitoring, performance evaluation and energy maximization. Final inspections are complete; final electrical inspections still to be completed. Underwriter Laboratory (UL) performed a site audit and has approved all documents provided by MeasureLogic. Contact Angela Fazio, 3428.

OTHER FACILITIES PROJECTS—

AMTF UPGRADES

The installation of a new paint booth in building 47 helps support the Aviation Maintenance Technician program instruction. The booth installation is now complete; warranty items have been addressed. Await the receipt of the final Operation and Maintenance manuals and warranties in order to close the project. Contact Angela Fazio, 3428.

COMPUTERIZED MAINTENANCE MANAGEMENT SYSTEM (CMMS)

Evaluation of Computerized Maintenance Management System (CMMS) continues. A new CMMS will improve work order turnaround time, increase system reliability through preventative maintenance, and provide key performance indicators as a management tool to maximize performance with limited resources and help predict future maintenance and capital budgets. Data input continues. Commercial evaluation is underway. Contact Angela Fazio, 3428.

WELLNESS EVENTS AND CLASSES

- * Join Layne King to "Power Pack Your Day the Nutrition Way" this Wednesday, May 5 from 1:05 - 1:50 p.m., at the KLCC Selco Hall at 8th and Olive.
- * "Assertiveness Skills to Increase Effective Communication" with Gay Wayman from PeaceHealth Medical Group repeats this Friday at in-service from 2:00 - 2:50 p.m., location TBA.
- * "Tobacco Cessation 101" with Nadine Wilkes, RN from the LCC Health Clinic is Wednesday, May 12 from 12 - 12:50 p.m. in Building 19, Room 248. Open to both employees and students.
- * Check out: <http://www.lanecc.edu/wellness/wellnessclasses.htm> and <http://www.lanecc.edu/wellness/upcomingevents.htm> for more details regarding Employee Wellness classes and seminars, or contact Wendy Simmons, 5551 or Layne King, 5263.

TRAININGS

GENERAL INTRODUCTION TO ACCESSIBLE INSTRUCTIONAL MATERIALS (AIM). The AIM Basics Webinar provides general information about the provision of accessible instructional materials, legal mandates, and overview of the responsibilities of various stakeholders, and information about additional resources. Participation in this webinar is strongly suggested as a prerequisite for other webinar. Additional webinar topics will follow shortly and will be posted on the National AIM Center website: <http://aim.cast.org> Recordings of webinar will be posted and available for later access.

Tuesday, May 4, from 12-1:00

Register at <https://cast.ilinc.com/register/xpmmmyvb>

Sign up for their newsletter, the AIM Connector by visiting their website: <http://aim.cast.org>

25 LIVE EVENT SEARCH AND REQUEST TRAINING

The May training sessions have been scheduled for 25Live, the college event request system. If you have a need to request rooms or search for events, this training will go through the steps on how to use the system. Tips and tricks for searching using the pre-defined searches or how to build your own search will be covered. The capability to search locations, request event space, audio-visual equipment or a motor pool car is offered to all staff. This is a hands-on class in the lab. Please register for a class by sending an e-mail to LaneEvents@lanecc.edu to ensure your account is active for the training session.

++ May 5 - Wednesday at 10:00 a.m.

++ May 11 - Tuesday at 1:30 p.m.

++ May 18 - Tuesday at 6:30 p.m.

For more information:

[http://showlane.lanecc.edu/25live/#details&obj_type=event&obj_id=114032\[10\]](http://showlane.lanecc.edu/25live/#details&obj_type=event&obj_id=114032[10])

T2T: SOCIAL NETWORKING AND WEB 2.0 TOOLS FOR ONLINE INSTRUCTION

Wednesdays, May 5 - June 2, 3-5pm, ATC building 19/room 249, Instructors: Borrowdale, Coronado, Keene-Wilson, Kirkpatrick and Pineda.

Five-week hybrid class. The focus of this course is on the use of Web 2.0 social networking tools that will foster instructor-student, content-student, and student-student interaction for online and hybrid course instruction. We'll look at new and emerging technologies for online learning, social networking tools and more. A different instructor will lead the class each meeting. Meet in the classroom on Wednesdays 3-5 p.m. combined with online time for this 1 credit course (pass/no pass or audit only). Registration is required as space is limited. If you are interested in participating please enroll directly in ExpressLane, CRN# 43564. Class fee is waived for Lane instructors. For more information contact Ian Coronado at coronadoi@lanecc.edu or call 463-5475.

ACADEMIC TECHNOLOGY CENTER WORKSHOPS

See <http://lanecc.edu/atc/wstraining/schedule.html> for details

Moodle Forums - In this class we will explore the instructional applications of Moodle forums, match the different types of Moodle forums to their instructional uses, and practice setting up different types of forums. For current Moodle users. Registration required: e-mail atc@lanecc.edu

- Thursday, May 6, 3 p.m.

Moodle Quiz Module - In this workshop you will learn how to: import and create questions, organize question banks, deliver quizzes and tests in Moodle, and arrange for proctored administration of Moodle tests. For current Moodle users. Registration required: e-mail atc@lanecc.edu

- Thursday, May 13, 3 p.m.

Moodle Gradebook - Learn how to set up a straight-point or weighted gradebook, enter and manage grade records, and verify and troubleshoot your gradebook. For current Moodle users. Registration required: e-mail atc@lanecc.edu

-Thursday, May 20, 3 p.m.

HOME FOR SALE IN QUIET NEIGHBORHOOD, SOUTH EUGENE: If you're a quiet person(s) looking to buy a home in a quiet neighborhood, this may be the one for you. The neighborhood is seeing some shift of generations in ownership, and the community is interested in attracting homeowners, not landlords. This could also be a "sweat equity" opportunity for the right buyer, as the house is currently undergoing some work. The particulars: Two bedrooms first floor with attic converted into two additional rooms, two baths, 1950 wood frame, 1383 sf plus 266 sf sunroom. Single car garage. Separate 575 sf shop in back. New roof, new sewer line, other updates ongoing. Easy access to everything: LCC, bus, bike paths, trails, shopping, etc. \$210k as-is, higher with updates. If this sounds like a match for you, contact Steve McQuiddy at 5780 or mcquiddys@lanecc.edu ``

Dress for gardening, rain or sun. Tools provided. Lunch made on the spot. Register yourself and family members today: e-mail foundation@lanecc.edu or call 5538. Contact: Kathy Thomas.

NEWS

SARAH ULERICK NAMED SCIENCE DIVISION DEAN

Sarah Ulerick has been named the Science Division Dean. She earned a bachelor of arts in social relations with a minor in geology from Harvard University and a doctorate in science education with a minor in geology from the University of Texas at Austin. Sarah taught geology at Lane from 1997 through 2007 and has been Interim Science Division Dean since July 2007. She has served on, and chaired, many college-wide committees, including the Lane Assessment Team since its inception. Thanks to Ken Murdoff, LynnMarie Chowdhury, and all the members of the search committee for doing a superb job in conducting the national search. Please join me in extending congratulations to Sarah. Submitted by Don McNair, Executive Dean, Academic Affairs.

CONGRATULATIONS TO LANE'S DISTINGUISHED ALUMNI FOR 2010

These four, like thousands of other Lane alumni, have achieved their dreams and made contributions that better our community:

Rosaria Haugland is president of the Rosaria P. Haugland Foundation and founder of Molecular Probes. After earning two doctorates in science, Rosaria and her husband studied small business management at Lane in order to learn how to run their business. She is a board member of LCC Foundation and is devoted to the community and education for women.

Nancy Kinnard is vice president for business relationships at Summit Bank. She earned her associate's degree from Lane in 1972 and a bachelor's from the University of Oregon. She pioneered the management role for women in banking. She is a tireless board member and volunteer for community groups.

Paul Machu is an award-winning producer and director at Chambers Productions. He studied film and media at Lane in 1979 and now serves on the college advisory committee for Media Arts. He also mentors student interns at Chambers.

Nancy Radcliffe is a community volunteer. She earned an associate degree in accounting from Lane in 1973 and went on to get a bachelor's and a master's in business administration from the UO. She paved way for women in accounting at Standard Oil, Tectronix, Hult Center, and the YMCA.

The Lane Community College Foundation coordinates the Distinguished Alumni Awards. The awards honor alumni who completed 30 credit hours at Lane or earned an associate degree and who have demonstrated achievement in their chosen profession, service to the community, or outstanding contribution to the college. For more information contact Foundation Director Janet Anderson at andersonj@lanecc.edu

WELLNESS GRANT CONTINUES STRESS RELEASE PROGRAMMING

Lane has received a \$25,000 grant for the second time from the OEA Choice Trust Wellness Grant Program. The grant will fund the 2010/11 wellness program, "Undress the Stress with Playfulness." The current program, "Undress the Stress: Step One, the Breath," drew more than 245 participants. "Undress the Stress with Playfulness" will help employees reduce and manage stress through a variety of methods and techniques, increase movement throughout the work day, and improve overall health and wellness. Everyone who signs up receives an initial, free stress-reduction tool of their choice (e.g. stability ball, guided breathing CD) and then can earn incentives each term (e.g. \$20 gift cards for the TitanStore or Food Services) by attending trainings and/or tracking his/her stress reduction activities. Although the theme is similar to last year's, the new program will offer different trainings, tools and incentives so you will want to sign up again. Speakers will include the award-winning humorist and motivational keynote speaker, Leigh Anne Jasheway-Bryant, and nationally recognized author, speaker, and mind-body-spirit healing consultant, Nancy Hopps. Any employee interested in joining can contact Wendy Simmons at simmonsws@lanecc.edu or 5551 or sign up at fall during in-service.

ANNOUNCEMENTS

WISE CHOICES WORKSHOPS BEGIN MAY 13

Encourage students to attend a Making Wise Choices workshop for sound advice on making the best decision for their grading options. The answer may not be as simple as withdrawing or changing their grade to an audit. These decisions can have serious consequences. Making Wise Choices educates students on GPA calculation and the various grading options, including pass/no pass, withdrawals, and incomplete grades. We will review Financial Aid expectations for satisfactory academic progress (SAP); provide information on campus support services; and step students through a decision making process designed to help them make wise choices. All before May 21, the final day to make schedule changes for spring term. Thank you for your assistance. Workshops:

Thursday, May 13, 12:00-12:50 p.m. in Building 19, Room 232

Thursday, May 20, 3:00-3:50 p.m. in Building 19, Room 241

Friday, May 21, 12:00-12:50 p.m. in Building 1, Room 222

This is a joint effort of Counseling and Enrollment and Student Financial Services, brought to you by the SAGA Committee. Contact: Mary Parthemer, 3133, parthemerm@lanecc.edu

RESUME CLINIC MAY 14

Are you applying for a job, internship, or volunteer position? Career and Employment Services offering resume clinics for resume critique. Drop in to have your resume critiqued on Fridays May 14, May 28, and June 11 from 10:00 a.m. - 12:00 p.m., building 1, room 102. Open to students, graduates, and job seekers. Bring your employment history, your existing resume, and your job application. Contact CES, Tammy or Tina 541-463-5167, or <http://lanecc.edu/ces> and click on Upcoming Events.

BALLOT BOX AVAILABLE

An unofficial ballot box for the state election is set up in building 1 on the second floor by the Snack Shack. The last pickup will be at 4 p.m. on Tuesday, May 18. Contact Bette Dorris at 5365 if you have any questions.

ANNUAL EMPLOYEE RECOGNITION GALA

May 19, Wednesday, 3-5 pm, Center for Meeting and Learning, rooms 102-104

Only 13 days and counting down! If you haven't already marked this event on your calendar, please do so. This year's event will be greener, more locally focused, and showcases the talents of our own Lane community. Chef Crosthwaite and our talented Culinary Arts students are crafting the first inaugural Gala cake for our 2010 event, and Vicki Brabham and the Lane Jazz Ensemble will be dusting off and performing time-honored jazz standards for your enjoyment. There will be time for sharing laughter, storytelling, and applause. "Love life, engage in it, give it all you've got. Love it with a passion, because life truly does give back, many times over, what you put into it."--Maya Angelou

Today, we shine the spotlight on our 20- and 30-year Lane employees scheduled to be honored at this year's Gala. A heart-felt congratulations to you all!

20-Year Recognees: Jane Benjamin, Denise Bernard, Mary Ellen Binford, Rodney Brown, Alan Clark, Cecilia Ann Combest, Cara Di Marco, Barbara Dumbleton, Shelley Evans, Scott Hall, Lorina Johnson, Rhonda Johnson, Juanita Kirkham, Allen Laskey, Demetri Lontos, Denine McMurren, Donald Patton, Linda Piper, Elaine Pray, Russel Ruddy, Lizbeth Stucky, Stanton

Swank, Craig Taylor, Sarah Ulerick, Lynne Weissfeld, Laurie Wheatley, Irene Willoughby, Donna Zmolek.

30-Year Recognees: Alice Ahlstedt, Virginia Brady, Stephen Johnston, Ann Prengaman, Ram Rattan, Connie Rowlett.

Contact: Roxanne Young, Professional and Organizational Development, 3655.

THE WORKS DANCE CONCERT OPENS MAY 20

The Works, Lane's annual spring dance concert choreographed and performed by dance students, runs Thursday through Saturday May 20-22 at 8 p.m. on the main stage of the Performance Hall, building 6. The concert features 13 original choreographic works including collaborations with musicians and spoken-word artists. Dance genres include modern dance, performance art, accapella tap, jazz and hip hop. In preparation for this concert, dance students take a year-long series of courses in dance improvisation, solo composition, and group choreography. The talent, imagination and diversity of these dance students makes The Works one of Lane's most popular concerts! Advance tickets are available online at www.lanecc.edu/tickets and also at the door one hour before the concert, cash or checks only. \$10 general admission and only \$5 with ID for students, seniors and Lane staff. Contact: John Watson, 5161.

LANE HOSTS LEAGUE FOR INNOVATION STUDENT LITERARY CONTEST

National judges give local reading May 21

Lane is hosting this year's national League for Innovation Student Literary Competition. As host, Lane is coordinating entries and judging, and will offer a free, public reading with the national judges. The reading will be Friday, May 21, at 4 p.m. in the Blue Door Theater, building 6. Reading from their works will be poet Elizabeth Woody, playwright Paul Calandrino, and essayist Laurie Lynn Drummond. Also judging but not speaking at Lane is novelist Diana Abu-Jaber. The annual competition offers contests in poetry, short story, essay, and one-act plays, open to students at League colleges. Each college holds a local contest and forwards first-place winners for national judging. National winners are announced in June and receive cash prizes plus publication in the League for Innovation student literary magazine distributed in the fall. First-place winners at Lane whose entries will be judged in the national competition are Amy Jo MacGregor for her poem, "Open Wide Your Ears," Lindsey Butera for her short story, "Gasoline," Chrystal Emiry for her essay, "Roots Such as These," and Donald Ebel for his one-act play, "Lost Todd." Local entries were judged by Lane English instructors Merry Caston, Jennifer Love, and Will Fleming. English instructor Johnnie Mazzocco is coordinating the event under the theme of "Synchronicity." For more information, contact her at 3399 or mazzoccoj@lanecc.edu or go online at www.lanecc.edu/studentlitcompetition

FREE ISTREAM ACCOUNT FOR ALL COLLEGE EMPLOYEES

You have free access to League for Innovation resources through iStream. Locate useful publications, view presentations by leaders in community college issues such as Terry O'Banion, and gain ideas through monthly featured topics. To access iStream you must set up their own account. Follow these steps: Go to the iStream page:

<http://www.league.org/istreamsite/> In the upper right hand area of the iStream page, click on the blue bar that says "Create Your iStream Account." When the screen changes, go to the middle of that page and click on the drop down box and find your college. Once you've done that, follow the steps to setup your individual account (First Name, Last Name, and your Institutional Email Address). An email will be sent to your inbox with further instructions confirming your account and allowing you to create your own password (iStream does not create, track, or keep your password). Please note that after you create your account and when

you log in each time, both the user name and password are case sensitive. If you are having trouble, let me know. Tamara Pinkas, League Rep., 5011

FACULTY: INFUSE YOUR CURRICULUM WITH STUDENT SUCCESS STRATEGIES

First application deadline is May 23

Learning Communities and the Title III Engaging Students grant are providing curriculum development support for faculty to infuse college success strategies and “college knowledge” into their courses. First deadline for application is May 23, with a rolling deadline for work over the summer as well. Research shows that academic and social integration is key to community college student success: students need repeated opportunities to learn the skills, awareness and behaviors that help them to learn and succeed in college. Among many ideas for infusion: guide your students in making wise choices about their coursework; help them to connect what they are doing in your class to their larger goals and dreams; help them with time management and setting priorities; give them strategies and support for persisting in their work when they confront difficulty; introduce them to strategies to help them with learning in your discipline; help them to become both self-responsible and interdependent learners; help them to strike a balance between academic and social life. If you are interested in working on such infusions this spring and summer, go to the faculty resources page of the Learning Communities website <http://lanecc.edu/lc/fresources/CurricularInfusionProject.htm> for information on how to apply and where to go for help with embedding these strategies in your courses; or contact Anne McGrail mcgraila@lanecc.edu

AGING: BUSTING MYTHS & EMBRACING CHANGE

May 25 - June 8; 4:00-6:00 p.m., Lane Downtown Center, Room 204

Discuss how to develop and adapt strategies to embrace changes in yourself and loved ones. This class will focus on challenges and self-care for caregivers, with a focus on community resources. Adults of all ages are welcome. Instructor Donna Peterson is a lead instructor and advisory council member of Lane's Successful Aging Institute (SAI), which provides education and training for adults of all ages. Donna has a master's in interdisciplinary studies with a concentration in gerontology, specializing in Alzheimer's disease. For more information, call SAI at 541-463-4634 or www.lanecc.edu/sai.

LANESTOCK 2010 EVENT SET FOR JUNE 2

Phi Theta Kappa students will host Lanestock, a music and arts festival, on Wednesday, June 2 from 10 a.m. to 10 p.m. at Bristow Square. This celebration will offer:

- * student artist exhibits
- * food vendor booths
- * merchant vendors
- * main stage showcasing a wide variety of music from Lane students
- * Zane Kesey will bring his father's "Furthur" bus (and Merry some Pranksters)

The event is free and open to the community. For more information or to be a vendor or sponsor, contact Phi Theta Kappa at lanestock2010@gmail.com

JOIN LANE'S TEAM, HABITAT FOR HUMANITY / WOMEN BUILD

Lane women, students, staff, and friends will team with the Springfield/Eugene Habitat for Humanity to invest in a local family's life this summer and fall. We will have the opportunity to participate in the Women Build by doing some building, landscaping and other projects on the sixth home in Habitat's Meyer Estate at 49th and Main Street in Springfield. Build days are usually Thursdays, Fridays and Saturdays 8:45 a.m. to 2:45 p.m. No skills necessary. Some training is available at Lowe's. The first Habitat for Humanity Women Build orientation will be June 3, space is limited. Besides the orientation you are required to attend the day(s) of work

site safety sessions. Lane will be scheduled for work days once we have our group of eight or more. Individuals will also have the opportunity to work other days. A one-credit course will be offered to students this summer. Watch for detailed information on the Lane Service Learning website, www.lanecc.edu/sl If you are interested or have questions about registration contact Beverly Farfan, 541-463-5395 or 541-912-2228, farfanb@lanecc.edu

312 FOOD ITEMS COLLECTED FRIDAY FOR THE I CAN, ONE CAN FOOD DRIVE

Thanks to everyone who donated toward 162 pounds taken to Food For Lane County Friday: 1,512 pounds total this year. Congratulations to the Multi-Cultural Center for filling your box. Another way to help the hungry is to join other Lane staff, students, families and friends for the Lane Day of Caring, May 15 from 9 a.m. to noon. We will work at the Food for Lane County Grassroots Garden. For more information go to the Lane Service Learning website, www.lanecc.edu/sl or staff contact Kathy Thomas, thomast@lanecc.edu and students contact Beverly Farfan, farfanb@lanecc.edu . Tell your friends. Think of creative ways to collect food. For more information about hunger in Lane County <http://www.foodforlanecounty.org> Look for a food box near you. Submitted by Beverly Farfan, farfanb@lanecc.edu 541-463-5395 or 541-912-2228.

CPDT THANKS

The Classified Professional Development Team would like to thank everyone who helped to make the CPDT breakout sessions, Bags for Haiti, and the Any Service Member Care package donation collection during in-service a success! If you attended either of our workshops, "Connecting with Your Inner Child" or "The Sandwich Generation" please feel free to e-mail CPDT@lanecc.edu with your feedback.

FACILITIES NEWS

BOND UPDATES—

DOWNTOWN CAMPUS BUILDING

The Request for Proposals (RFP) for architectural services is being prepared and is expected to be issued in the near future. Contact Bob Mention, 5747.

OTHER FACILITIES PROJECTS—

HEALTH AND WELLNESS CENTER

Work continues on inside wall finishes i.e. cement panels, bamboo, plywood, and painting. Flooring is also being installed in offices. Work has begun to install interior plastic panels in the 'alveolus' feature. Work will take place outside of the building over the next three weeks preparing for and pouring sidewalks and boardwalk footings. This will overlap with prep work for the landscaping which is scheduled to be completed June 1, weather permitting. Landscaping and irrigation work will continue into July. At times, this work may involve equipment exhaust, dust and noise. Project completion expected in August. Contact Brian McMurray, 5829.

NATIVE AMERICAN LONGHOUSE

Electrical and audio-visual rough in work will continue this week. Also, there will be some insulation installed and prep on walls that will receive cedar planking. The fire protection contractor will be installing the piping to the new fire department connection located on the west

side of the building. Drywall work is expected to begin May 17. Project completion expected September 1. Contact Brian McMurray, 5829.

WELLNESS EVENTS AND CLASSES

- * "Practical Strategies for Relaxation and Renewal to Incorporate in Everyday Living" with Bruce Czuchna, licensed psychologist from Direction our EAP provider, is this Wednesday from 12:00 - 1:30 p.m., in Building 2, Room 204A.
- * "Tobacco Cessation 101" with Nadine Wilkes, RN from the LCC Health Clinic is Wednesday, May 12 from 12 - 12:50 p.m. in Building 19, Room 248. Open to both employees and students.
- * Join Layne King to "Power Pack Your Day the Nutrition Way" this Friday, May 14 from 12:05 - 12:50 p.m., in Building 5, Room 125.
- * Check out: <http://www.lanecc.edu/wellness/wellnessclasses.htm> and <http://www.lanecc.edu/wellness/upcomingevents.htm> for more details regarding Employee Wellness classes and seminars, or contact Wendy Simmons, 5551 or Layne King, 5263.

TRAININGS

25 LIVE EVENT SEARCH AND REQUEST TRAINING

The May training sessions have been scheduled for 25Live, the college event request system. If you have a need to request rooms or search for events, this training will go through the steps on how to use the system. Tips and tricks for searching using the pre-defined searches or how to build your own search will be covered. The capability to search locations, request event space, audio-visual equipment or a motor pool car is offered to all staff. This is a hands-on class in the lab. Please register for a class by sending an e-mail to LaneEvents@lanecc.edu to ensure your account is active for the training session.

+ May 11 - Tuesday at 1:30 p.m.

+ May 18 - Tuesday at 6:30 p.m.

For more information:

[http://showlane.lanecc.edu/25live/#details&obj_type=event&obj_id=114032\[10\]](http://showlane.lanecc.edu/25live/#details&obj_type=event&obj_id=114032[10])

Submitted by Alen Bahret, Information Technology, 3347.

ACADEMIC TECHNOLOGY CENTER WORKSHOPS

See <http://lanecc.edu/atc/wstraining/schedule.html> for details

Moodle Quiz Module - In this workshop you will learn how to: import and create questions, organize question banks, deliver quizzes and tests in Moodle, and arrange for proctored administration of Moodle tests. For current Moodle users. Registration required: e-mail atc@lanecc.edu

- Thursday, May 13, 3 p.m.

SATOKO, MARILYN ROBERT, AND SUSAN LOWDERMILK opened "Inclusion and Distillation, Black and White" at the Jacobs Gallery at the Hult Center last week. It will be included in the next First Friday Artwalk on June 4, 5:30-8:30 pm. Sneak a peak online:

<http://www.jacobsgallery.org/> Hope to see you there. Contact: Susan Lowdermilk.

THE FREE PHOTO PROJECT was founded by Lane Art Honors Student Aloma Calacin. The project provides free portraits on-site to homeless, low income and others who normally would not have access to such a wonderful gift. Project information can be found at:

<http://www.freephoto-project.org> What Aloma needs is exposure and enough votes to win a \$50,000 grant from the Pepsi Refresh Project so she and others can continue and expand the project. The Free Photo Project was recently accepted for the contest. The contest goes through the end of May. People can vote up to one time per day. The project with the most votes gets the grant money. Information about the Pepsi Refresh Project can be found at: <http://www.refresheverything.com/freephoto-project> This is a good cause and Aloma is a great student and an inspiration to her classmates. Contact: Meredith Keene-Wilson.

HOMAGE: THE ARTWORK OF JAMES E. ULRICH will be shown May 21-June 25. Reception: Friday, May 21, 6-8 p.m. Maude Kerns Art Center, 1910 East 15th, Eugene, 541.345.1751. 25% of sales will to the Lane Foundation to help with the Art Gallery support. A panel discussion to discuss Jim's work is tentatively scheduled for Saturday, May 22, 2-4 p.m. This special exhibition has ties to Lane and is an opportunity to benefit the Foundation and our students. Contact: Kathleen Caprario Ulrich, 541.554.9932.``

LANE WEEKLY is the employee newsletter of Lane Community College. Send submissions to weekly@lanecc.edu. Guidelines online at www.lanecc.edu/cops/newsletter.htm For information, call (541) 463-5591. The Weekly is available to the vision-impaired through Disability Resources at (541) 463-5150. Lane Community College is an equal opportunity/affirmative action institution. Tuesday, May 11, 2010

EVENTS THIS WEEK

ELECTION: Hear political science instructor Steve Candee's commentary on KEZI TV Channel 9 tonight.

ANNUAL EMPLOYEE RECOGNITION GALA, Wednesday, May 19, 3-5 p.m., Center for Meeting and Learning, rooms 102-104. Contact: Roxanne Young, Professional and Organizational Development, 3655.

THE WORKS DANCE CONCERT, Thursday through Saturday, May 20-22, 8 p.m., main stage Performance Hall, building 6. Catch the video clips on www.facebook.com/laneperformingarts For advance notice of upcoming events, ticket sales and general goings-on in the Performing Arts send an e-mail to Watsonj@lanecc.edu to be added to our list.

NATIONAL LITERARY JUDGES PUBLIC READING, Friday, May 21, 4 p.m., Blue Door Theater, building 6. Lane is hosting Synchronicity, this year's national League for Innovation Student Literary Competition. Reading will be poet Elizabeth Woody, playwright Paul Calandrino, and essayist Laurie Lynn Drummond. Contact: Johnnie Mazzocco, 3399 or mazzoccoj@lanecc.edu Info at lanecc.edu/studentlitcompetition

"HOMAGE: THE ARTWORK OF JAMES E. ULRICH," May 21-June 25, Maude Kerns Art Center, 1910 East 15th, Eugene. Reception Friday, May 21, 6-8 p.m. Panel discussion Saturday, May 22, 2-4 p.m. James taught in Lane's Art Department in the 1980s and his widow, Kathleen Caprario Ulrich, currently teaches in the Art Department. More than 30 of James' emotive and visionary works in oils and pastel will be displayed showing the breadth and depth of his studio practice; 25 percent of sales will benefit the Lane Foundation and the LCC Art Gallery. Information: (541) 345-1751.

NEWS AND ANNOUNCEMENTS

DAVID JOYCE GALLERY FEATURES ROBIN BACHTLER CUSHMAN PHOTOGRAPHY "Nature Nurture: Preserving our Plenty" local photography by Robin Bachtler Cushman is on exhibit in the David Joyce Gallery in the Center for Meeting and Learning, building 19 second floor, through September 16. An artist's reception will be Thursday, May 27, 4:30-6:00 p.m. Complimentary hors d'oeuvres and cash bar provided. Contact: Julie Fether, 3518.

OPEN ENROLLMENT MEDICAL, DENTAL & VISION BENEFITS May 17 - June 30

This is for classified and management employees only. Open enrollment for changing your dental plan option and adding and/or removing dependents from your medical, dental and vision insurance coverage will begin on May 17 and continue through June 30 for a July 1 effective

date. No action is necessary for those already enrolled who do not wish to make changes. To make changes, please click on the following link, which will open up the Insurance Enrollment Application in Adobe Acrobat:

http://www.lanecc.edu/hr/benefits/documents/InsuranceEnrollmentApplication_Clsfd_Mgmt.pdf

You may also access the form via the web at <http://lanecc.edu/hr/benefits/index.htm> Changes outside of open enrollment are only allowed if there is a change in family status. For questions regarding these benefits, please call Heidi Morales at 5592 or Sharon Daniel at 5190.

WISE CHOICES WORKSHOPS CONTINUE

Encourage students to attend a Making Wise Choices workshop for sound advice on making the best decision for their grading options. The answer may not be as simple as withdrawing or changing their grade to an audit. These decisions can have serious consequences. Making Wise Choices educates students on GPA calculation and the various grading options, including pass/no pass, withdrawals, and incomplete grades. We will review Financial Aid expectations for satisfactory academic progress (SAP); provide information on campus support services; and step students through a decision making process designed to help them make wise choices. All before May 21, the final day to make schedule changes for spring term. Thank you for your assistance. Workshops:

Thursday, May 20, 3:00-3:50 p.m. in Building 19, Room 241

Friday, May 21, 12:00-12:50 p.m. in Building 1, Room 222

This is a joint effort of Counseling and Enrollment and Student Financial Services, brought to you by the SAGA Committee. Contact: Mary Parthemer, 3133, parthemerm@lanecc.edu

FACULTY: INFUSE YOUR CURRICULUM WITH STUDENT SUCCESS STRATEGIES

First application deadline is May 23

Learning Communities and the Title III Engaging Students grant are providing curriculum development support for faculty to infuse college success strategies and college knowledge into their courses. First deadline for application is May 23, with a rolling deadline for work over the summer as well. Research shows that academic and social integration is key to community college student success: students need repeated opportunities to learn the skills, awareness and behaviors that help them to learn and succeed in college. Among many ideas for infusion: guide your students in making wise choices about their coursework; help them to connect what they are doing in your class to their larger goals and dreams; help them with time management and setting priorities; give them strategies and support for persisting in their work when they confront difficulty; introduce them to strategies to help them with learning in your discipline; help them to become both self-responsible and interdependent learners; help them to strike a balance between academic and social life. If you are interested in working on such infusions this spring and summer, go to the faculty resources page of the Learning Communities website <http://lanecc.edu/lc/fresources/CurricularInfusionProject.htm> for information on how to apply and where to go for help with embedding these strategies in your courses; or contact Anne McGrail mcgraila@lanecc.edu

AGING: BUSTING MYTHS & EMBRACING CHANGE

May 25 - June 8; 4:00-6:00 p.m., Lane Downtown Center, Room 204

Discuss how to develop and adapt strategies to embrace changes in yourself and loved ones. This class will focus on challenges and self-care for caregivers, with a focus on community resources. Adults of all ages are welcome. Instructor Donna Peterson is a lead instructor and advisory council member of Lane's Successful Aging Institute (SAI), which provides education and training for adults of all ages. Donna has a master's in interdisciplinary studies with a concentration in gerontology, specializing in Alzheimer's disease. For more information, call SAI at 541-463-4634 or www.lanecc.edu/sai

JOIN LANE'S TEAM, HABITAT FOR HUMANITY / WOMEN BUILD

Lane women, students, staff, and friends will team with the Springfield/Eugene Habitat for Humanity to invest in a local family's life this summer and fall. We will have the opportunity to participate in the Women Build by doing some building, landscaping and other projects on the sixth home in Habitat's Meyer Estate at 49th and Main Street in Springfield. Build days are usually Thursdays, Fridays and Saturdays 8:45 a.m. to 2:45 p.m. No skills necessary. Some training is available at Lowe's. The first Habitat for Humanity Women Build orientation will be June 3, space is limited. Besides the orientation you are required to attend your work day morning safety session. Lane will be scheduled for work days once we have our group of eight or more. Individuals will also have the opportunity to work other days. A one-credit course will be offered to students this summer. Watch for detailed information on the Lane Service Learning website, www.lanecc.edu/sl coming this week. If you are interested or have questions about registration contact Beverly Farfan, 541-463-5395 or 541-912-2228, farfanb@lanecc.edu

1,512 POUNDS COLLECTED THIS YEAR FOR THE I CAN, ONE CAN FOOD DRIVE

Thanks to everyone who has donated. You have donated more than 3000 food items. Our goal is 2000 pounds by the end of August. Collection is slow during the summer. Remind your friends to donate one can of non-perishable food a month to Lane's ongoing food drive. For some people getting a food box makes a difference in being able to buy needed medication or to pay an electric bill. Many food box recipients are the working however still unable to meet basic needs. Think of creative ways to collect food. For more information about hunger in Lane County <http://www.foodforlanecounty.org> Look for a food box near you. Submitted by Beverly Farfan, farfanb@lanecc.edu or 541-463-5395 or 541-912-2228.

GARDENING SUCCESS

More than 50 Lane staff and students spent Saturday morning working hard to help end hunger. Thanks to each one who woke up early and pitched or hauled leaves, dug garden beds or weeded. See how much fun we had:

<http://s649.photobucket.com/albums/uu213/lanefoundation/2010%20Day%20of%20Caring/>. Join us next year. Submitted by Kathy Thomas, 5538.

----- FACILITIES UPDATES -----

HOUSEKEEPING

Housekeeping is in the process of developing a summer deep cleaning project list. Summer term is when floors are stripped and refinished, carpets are cleaned, and staff offices get dusted and vacuumed, among other project work. The process for increasing the on-call custodian list to accomplish the added project work is under way. Contact Katherine Vos, 5561.

PUBLIC SAFETY

As buildings come online and are equipped for keyless access, Public Safety is where staff will obtain the keyless access card for door access. Cards can be obtained from Public Safety between the hours of 8:00 a.m. and 2:30 p.m.

Public Safety, through an innovation grant, has received funds to purchase a second bike used for patrol on campus. Using bikes on campus supports college sustainability as we do our part to reduce our carbon footprint. Contact Katherine Vos, 5561.

BOND UPDATES—

ASBESTOS ABATEMENT

Tunnel pipe insulation now 100 percent complete; and mechanical rooms 30 percent complete. Contact Angela Fazio, 3428.

BUILDING 2 REMODEL

On Wednesday morning, May 19, the sidewalk west of building 2 will be closed while the contractor delivers and installs a new transformer. The elevator at the northwest corner will be unavailable during this time. In addition, the new access floor at the Data Center is being installed. Next week, metal studs and drywall will be installed for the new walls. Contact David Amundson, 3455.

BUILDING 4 REMODEL

Contractors have mobilized to the site for demolition and to begin framing on the second level of the building. This activity is expected to cause loud noises at times and a burning metal smell when steel wall studs are cut to size will be noticed in the vicinity. This work is expected to last for the rest of the term. This week, contractors will be installing new air ducts for the new HVAC system in the open hallways and breezeways. The new ductwork will not be connected to the existing air system until the end of June. Contact Mark Richardson, 3456.

BUILDING 5 REMODEL AND ADDITION

No construction work is scheduled to begin inside building 5 until June 11. Contact Mark Richardson, 3456.

CAMPUSWIDE CONCRETE REPAIR

Drawings for the project are complete. The first project is expected to begin on the south side of building 10 with the construction of a new ADA access ramp and stairs for better campus access. In addition, crews will be reconstructing the stairs, sidewalks, and crosswalks on the north end of the Lane Transit bus depot with work extending along the north side of building 4. Contact Mark Richardson, 3456.

FIRE ALARM/MASS COMMUNICATION

The fire alarm contractor, SecureCom, is 99 percent complete with the installation and testing. Testing the system in the presence of the Oregon state fire marshall is scheduled for the third week of June between spring and summer terms. Contact Dave Smith, 3433.

KEYLESS ENTRY

The contractor, Allied Fire & Security, is working on door hardware installations in Building 16. Next week, they will return to Center building to finish their work there. Lane has contracted with an outside consultant to perform a wireless network survey on campus in order to determine areas that wireless network coverage is inadequate. Additional exterior wireless access points will be installed to allow wireless network coverage to all areas of the 30th Avenue campus and will facilitate Public Safety communications and the keyless entry system. Contact Dave Smith, 3433.

TRACK AND SOCCER BOWL UPGRADE

Mobilization of equipment will begin May 14, weather permitting. There will be an increased amount of truck traffic throughout the north parking lot and the access road on the south side of the soccer field. The access road, gravel-parking area between playing fields, and the parking area north of building 5 are now closed. Access to the lower part of the building is available by

using the sidewalk on the north end of building 6. Special parking needs by permit only have been moved to the north parking lot. Contact Mark Richardson, 3456.

UTILITY METERING

Installation of meters on electrical, domestic hot and cold water, natural gas, chilled and heating water and irrigation will allow for utility monitoring, performance evaluation and energy maximization. Final mechanical inspections complete. Final electrical inspections passed on all campuses. System commissioning to be carried out by in-house personnel. Contact Angela Fazio, 3428.

OTHER FACILITIES PROJECTS—

HEALTH AND WELLNESS CENTER

Work continues on the inside wall finishes, i.e., cement panels, bamboo plywood, and painting. Flooring is also being installed in offices, and work is underway installing interior plastic panels in the 'alveolus' feature of the building. The concrete floors on the first floor will be uncovered this week in preparation for polishing and finishing. Work continues outside of the building preparing for and pouring sidewalks and boardwalk footings. This will overlap with prep work for the landscaping which is scheduled to be completed by June 1, weather permitting. Landscaping and irrigation work will continue into July. At times, this work may involve equipment exhaust, dust and noise. Project completion expected August 2010. Contact Brian McMurray, 5829.

NATIVE AMERICAN LONGHOUSE

Electrical and AV rough in work is nearly complete. An inspection is scheduled mid-week. The walls are being prepped to allow installation of cedar planking and work is expected to be completed this week. Wall insulation is to be completed by May 17. A new fire department connection to the building is also expected to be completed this week and drywall work will begin and is expected to take approximately five weeks to complete. Project completion expected September 1, 2010. Contact Brian McMurray, 5829.

----- WELLNESS EVENTS AND CLASSES

- * "Introductory Tai Chi for Stress Reduction" with David Leung, Tai Chi master and Lane instructor, this Thursday, May 20 from 4-4:50 p.m., at the Downtown Center, room 301.
- * "Strength, Balance & Coordination Made Easy" with Wendy Simmons, Friday, May 21 from 1:10-1:40 p.m. in building 5, room 102 and will repeat Wednesday, May 26 from 4:10-4:40 p.m. at the Downtown Center, room 202.

Please let us know if you plan to attend a seminar. Check out:

EMERALD VALLEY TIME EXCHANGE, a time bank serving Lane County, is hosting an informational potluck on Saturday, May 22. Come learn about the EVTE, share some delicious food, and meet some super cool people! Open to the public. At previous potlucks, the variety of food has included everything from vegan sushi to Voodoo Donuts! In the Time Exchange, our 86 members offer more than 131 services - everything from help at home to astrology - and everything in between (including bike repair, computer repair, jewelry repair/creation, child care, house-cleaning, cooking, mending, carpentry, life coaching, editing, computer assistance, transportation, yoga lessons, music lessons and lots more! Visit the website for more information: www.emeraldvalleytimeexchange.org Contact: Megan Hinkel, hinkelm@lanecc.edu, (541) 343-2734. Saturday, May 22, 6:00pm-8:30pm, 55 W. Broadway (Maitreya Buddha Center, downtown Eugene, on Broadway between Willamette and Olive).

JOIN LANE'S EFFORTS IN THE FIGHT AGAINST CANCER: Unfortunately, cancer has probably touched all of us either through a family member, friend or co-worker. Lane will participate in this year's American Cancer Society Relay for Life, which will be held at Thurston High School on August 6 and 7. There are many ways you can join us in the fight against cancer. Join our team to walk during the event, sponsor (suggested donation \$5) a luminaria in honor of or in memory of someone who has battled cancer, help with our fund raising efforts and/or donate items for our garage sale, date tba. All money raised will go to the American Cancer Society. We welcome all staff, students, families, and friends to join in our efforts. To join our team go to www.esrfl.org and register for "Lane Community College" team. For more information please contact Sue Thompson at 541-463-5735, or thompsons@lanecc.edu

CELEBRATE YOUR LOVED ONE'S memorial, anniversary, special birthday etc. with a custom made slideshow on DVD. This is a retirement project with all proceeds going to LCC Foundation or similar charity. Website: celebrate.timbl.net Tim Blood, Counseling.

NEWS

CELL BIOLOGIST HIRED

The Science Division has completed its nationwide search for a contracted cell biology faculty with the hiring of Dr. Christine Andrews. Christine received her bachelor of science in cell and molecular biology and in psychology from the University of Washington and her doctorate in neuroscience from the University of Pennsylvania. She has conducted research in neuroscience at the University of Pennsylvania and the University of Oregon, where she also taught biology. She has been a part-time faculty at Lane in biology since spring of 2008, primarily teaching introductory genetics and cell biology in the BioBonds learning community. This past year, she was also the BioBonds coordinator. Christine has been active in the general education assessment projects and the campus discussion of online teaching. We are extremely pleased that she will join our faculty full time beginning this fall! Contact: Sarah Ulerick, Division Dean.

BUSINESS INSTRUCTOR HIRED

Lane employee Judy Boozer has been selected as a full-time instructor in the Business Department. Judy has a master's and bachelor's degree in business education. Her instructional experience spans more than 26 years, including K-12, Portland Community College, Lane Community College and the International Refugee Center of Oregon. Judy's advocacy for and support of diverse student populations throughout her career has encouraged student success and supported many students to continue learning as they faced life challenges. Along with her other instructional duties she teaches a PTK leadership course and is a college now coordinator. Welcome and congratulations! Submitted by Don McNair, mcnaird@lanecc.edu

ANNOUNCEMENTS

MAILROOM NOTICE

The mailroom will have very limited staff hours through June 8. Courier service will continue and mail will go out but the office hours will be limited. Mailroom will close earlier (3 p.m.) and during the day may not be staffed. If mail needs to be dropped off please call ahead (5575) or take mail to Printing and Graphics. No regular mail service will be available on Wednesday, June 2, but accommodations can be made. Sorry for the inconvenience. Contacts: Gary Conklin, Sandy Wilhelm.

RETIREMENT OPEN HOUSE FOR TIM BLOOD

Please join the Counseling Department in wishing a fond farewell to Counselor Tim Blood on Thursday, June 3, from 3:15-4:45 p.m. in building 1, room 222. Drop by at your convenience! There will be light snacks, and college memorabilia from Tim's 36 years at Lane! Stop by and share in the memories, and wish Tim well! Submitted by Rodney Brown, 5299.

COUNT BASIE GUEST TRUMPETER JOINS LANE JAZZ ENSEMBLE

Mike Williams, lead trumpet player for the Count Basie Orchestra, will join the Lane Jazz Ensemble in the Performance Hall on Friday, June 4 at 7:30 p.m. Also scheduled to join the concert are Lane alumni Julian Moody, Josh Soran and Steve O'Brien. Tickets are \$12 for general admission, \$5 for students, seniors and Lane employees.

For this show only, special discounts will be available for school music groups wishing to attend. Please call John Watson, Marketing and House Manager, at 5161 for details.

All other tickets can be purchased in advance at lanecc.edu/tickets

FACULTY: STILL TIME TO APPLY FOR CURRICULUM DEVELOPMENT FUNDS

There's still time to apply for curriculum development funds, which has a rolling deadline through June 4. Learning Communities and Title III are supporting curricular infusions that focus on curricular trouble spots in your classes. Students need multiple opportunities to develop their skills of self-responsibility, time management, and other "college knowledge"; courses offer the most immediate opportunity for the collateral learning that's key to their success. Examples of ideas for infusion: guide your students in making wise choices about their coursework; help students connect their learning in your class to their larger goals and dreams; help students with time management and setting priorities; introduce students to strategies to help them with learning in your discipline; help students to become both self-responsible and interdependent learners; help students to strike a balance between academic and social life. The application is brief; find it at <http://lanecc.edu/lc/fresources/CurricularInfusionProject.htm> or contact Anne McGrail mcgraila@lanecc.edu

GRAPHIC DESIGN GRADUATION EXHIBITION

Reception June 9

The Lane Community College Art Gallery is proud to present the annual Graphic Design Graduation Exhibition. This exhibition features many interesting and varied portfolio pieces submitted by the graduating students of the Graphic Design Program.

The show runs from May 24 through June 10. A reception will be held on Wednesday, June 9, from 4-6 p.m. The reception is free and open to the public. The gallery is located in building 11. There is no charge for admission. The Art and Applied Design Department phone number is 5409.

JOIN LANE'S TEAM, HABITAT FOR HUMANITY / WOMEN BUILD

Lane women, students, staff, and friends will team with the Springfield/Eugene Habitat for Humanity to invest in a local family's life this summer and fall. We will have the opportunity to participate in the Women Build by doing some building, landscaping and other projects on the sixth home in Habitat's Meyer Estate at 49th and Main Street in Springfield. Build days are usually Thursdays, Fridays and Saturdays 8:45 a.m. to 2:45 p.m. No skills necessary. Some training is available at Lowe's. All workers must attend a Habitat for Humanity Women Build orientation. A HFH orientation will be held here at Lane June 22 at 1:00 p.m. The orientation location will be announced. Lane will be scheduled workdays once we have our group of eight or more. Individuals will also have the opportunity to work other days. Join the team soon. A one-credit course will be offered to students this summer. To join and for information go to the Lane Service Learning website, www.lanecc.edu/sl or contact Beverly Farfan, 5395 or 541-912-2228, farfanb@lanecc.edu .

OPEN ENROLLMENT MEDICAL, DENTAL & VISION BENEFITS

This is for classified and management employees only. Open enrollment for changing your dental plan option and adding and/or removing dependents from your medical, dental and vision insurance coverage continues through June 30 for a July 1 effective date. No action is necessary for those already enrolled who do not wish to make changes. To make changes, please click on the following link, which will open up the Insurance Enrollment Application in Adobe Acrobat:

http://www.lanecc.edu/hr/benefits/documents/InsuranceEnrollmentApplication_Clsfd_Mgmt.pdf

You may also access the form via the web at <http://lanecc.edu/hr/benefits/index.htm> Changes outside of open enrollment are only allowed if there is a change in family status. For questions regarding these benefits, please call Heidi Morales at 5592 or Sharon Daniel at 5190.

RESOURCES AVAILABLE FOR "THE SANDWICH GENERATION"

During spring in-service, the Classified Professional Development Team held two breakout sessions on "The Sandwich Generation" presented by Successful Aging Institute Director Barbara Susman. The following resources were provided during the sessions that others may find useful:

- * Aging & Disability Resource Center (Senior & Disabled Services) 541-682-4038
- * Cascade Adult Day Center 541-726-4484, Adult Living Solutions 541-685-1533
- * Alzheimer's Association 541-345-8392
- * Family Caregiver Program (Senior & Disabled Services) 541-682-4512
- * Directions EAP 541-344-6929, assistance to Lane employees

For additional information please refer to The Guide 2010/11 online at

www.laneseniorservices.org

Beginning fall term the Successful Aging Institute and the Employee Wellness Program will collaborate to offer free classes to Lane employees on caregiving and related issues. If you have additional questions, or to register for any of SAI classes, please contact Tina at 4634 or dressert@lanecc.edu You can also find us on the web at www.lanecc.edu/sai

1,512 POUNDS COLLECTED THIS YEAR FOR THE I CAN, ONE CAN FOOD DRIVE

Thanks to everyone who has donated. You have donated more than 3000 food items. Our goal is 2000 pounds by the end of August. One week left in May to bring you food. Collection is slow during the summer. Remind your friends to donate one can of non-perishable food a month to Lane's ongoing food drive. For some people getting a food box makes a difference in being able to buy needed medication or to pay an electric bill. Many food box recipients are the working however still unable to meet basic needs. Think of creative ways to collect food. For more information about hunger in Lane County www.foodforlanecounty.org Look for a food box near you. Submitted by Beverly Farfan, farfanb@lanecc.edu or 5395 or 541-912-2228.

----- FACILITIES UPDATES -----

BOND UPDATES —

DOWNTOWN CAMPUS BUILDING

Proposals from architects who are interested in providing services for the Downtown Campus building are due on Friday, May 28 at 2 p.m. In the following weeks a selection committee will review and score the proposals, decide which firms (if any) to interview, conduct and evaluate interviews and make a prioritized list of firms to recommend to the board of education on June 9. For further information, contact Bob Mention, Project Manager, 5747; Bob Baldwin, Procurement, 5574; or visit the bond website at <http://www.lanecc.edu/bond/updates.html>

OTHER FACILITIES PROJECTS –

HEALTH AND WELLNESS CENTER

Floors have been uncovered in preparation for concrete floor polishing and finishing and racks for solar hot water panes have been erected on the roof. Boardwalk footings have been poured and sidewalks have been removed to make way for new walkways and landscaping. This work will lead into prep work for the landscaping which is scheduled to be completed June 1, weather permitting. Landscaping and irrigation work will continue into July. At times this work may involve equipment exhaust, dust and noise. Project completion expected August 2010. Contact Brian McMurray, 5829.

NATIVE AMERICAN LONGHOUSE

Received partial electrical rough in inspection last week and an AV rough in is nearly complete. Rough in for security system, data and phones is also near completion. Installation of drywall was scheduled to begin the week of May 21 and take approximately three weeks to complete. The bid for kitchen equipment has gone out and interior doors and hardware are being ordered. A temporary storage container and a covered work area have been set up for ongoing work on the cedar planking. Project completion expected September 2010. Contact: Brian McMurray, 5829.

HOUSEKEEPING UPDATE

Summer extra help custodial labor has been reduced from six to two timesheet staff. Housekeeping will strive to complete private office cleaning along with numerous deep cleaning projects. It is probable that given the recent reduction of temporary summer help, private offices and deep cleaning projects may not be accomplished as scheduled. Additionally, custodians will be utilizing their "special vacation leave" and will be scheduled off on Fridays (June 18 - July 27) when the campus is closed. Therefore, campus events hosted on Fridays will not receive housekeeping services until Monday evening when custodians return. Contact: Katherine Vos.

PUBLIC SAFETY

Public Safety has a second bike patrolling the campus. Officer WD Perkins and Bill Speicher are the current bike officers. Need a card key? You can obtain your keyless access card key at the Public Safety office between the hours of 8:30 a.m. - 2:30 p.m. Operations Manager Katherine Vos is suiting up! Over the summer, Katherine Vos plans to complete private security training and starting fall term, provide coverage as needed. Contact: Katherine Vos.

WELLNESS EVENTS AND CLASSES

* Strength, Balance & Coordination Made Easy with Wendy Simmons, Friday, May 21 from 1:10-1:40 p.m. is this Wednesday, May 26 from 4:10-4:40 p.m. at the Downtown Center, Room 202. Please let us know if you plan to attend a seminar. Check out:

<http://www.lanecc.edu/wellness/wellnessclasses.htm> and

<http://www.lanecc.edu/wellness/upcomingevents.htm> for more details regarding Employee Wellness classes and seminars, or contact Wendy Simmons, 5551 or Layne King, 5263.

TRAININGS

ART OF ESPRESSO: Barista Training, 6-9 pm, W, July 7-21, Cascade Estate Coffees, 134 Grimes Street, Eugene (9 hrs \$259) CRN 11920. "Learn the art of creating a variety of espresso drinks, of steaming and foaming milk, the basics of latte' art and the life of the coffee bean from the tree to the table, along with the care and maintenance of espresso equipment. Get an in-depth view of the art of roasting from Master Roaster Michael Kingsley of Cascade Estate Coffees, plus a behind the scenes look at working as a barista in a full service coffee bar. Awards of completion will be given to those who successfully complete the training." Submitted by Celia Maximin, 5252.

ADS

SUZANNE JILL LEVINE, Translator and Director of Translation Studies at UC Santa Barbara, will give a public lecture: "Collaboration, Creation, Subversion: The Journey of Translation" Weds. May 26 3:30-5:00 pm at the University of Oregon, Lillis 112. Submitted by Adrienne Mitchell.

RIVERSIDE CHAMBER SYMPHONY: The thirty-piece ensemble will present the final concert of their 10th Anniversary season on Thursday, May 27, at 7:30 p.m. in the Wildish Theater at 6th and Main Streets in Springfield. Highlighting the concert will be a performance of Mozart's piano concerto No. 24 in C minor, featuring pianist Victor Steinhardt. The concert will also include the "Son and Stranger" overture by Mendelssohn, and Theodore Dubois' "Suite Miniature." There is general seating for the performance, and a suggested \$5 donation. (No ticket purchase is necessary.) For more information, please contact Jennifer Love at lovejm@lanecc.edu or 3393.

TO LCC PARENTS: We would like to invite LCC parents of young children and their families to a coworkers and children's play date. Those of us with us with little ones are spread out among campus, and several of us thought it would great to have our families get together, and share information and resources. We are planning a picnic potluck for Thursday, June 3 at Amazon Park (near the dinosaur) from 5:30 p.m. to 7:30 p.m. Please bring a dish to share, and RSVP to lopezr@lanecc.edu with the number of people, and ages of children you will be bringing. Hoping for good weather! See you there.`

FOR SALE: 12" Delta compound miter saw with laser. Excellent condition, used less than 5 hours. \$200 OBO. This is a great piece of equipment, just too much saw for me! Call Amy at ext 5919.`

GED Instructors at the LCC campus in Cottage Grove are looking for graduation caps and gowns in good condition. If you have caps or gowns that you no longer need (any color is okay), please call Leslie at 463-4207, ext. 2 or e-mail rubinsteinl@lanecc.edu `

HOUSESITTING: Heidi Baer-Postigo and Julio Postigo are interesting in housesitting this summer during part of the first 2 weeks of July. They are former Eugene residents (worked in

the UO International Office and the LCC Counseling Department from 1993-1999) who now live in Bolivia and come back to Eugene every summer to visit. They have two children, ages 6 and 10. Please contact Heidi at heidibp@hotmail.com if you are interested. Submitted by Indira Bakshi, ESL ext 3419. `

BLACK LAB NEEDS GOOD HOME: We need to find a good home for our 4 y.o. male black lab. Healthy with all immunizations, neutered, fit and active at 85 lbs. Good running, biking and swimming partner. He is well mannered, and great with kids. He comes with a 10x5 foot kennel to the right owner. If interested, contact Tamberly (541) 554-2196. `

LOOKING FOR DOGSITTER (sweet wheaten terrier) for June 11th-18th and July 9th-24th. Fee negotiable. Please call Sheryl at 541 913 7047. `

WANTED: 26'+ travel trailer or 5th wheel to rent for 3 day vacations. Have 2003 F350 diesel to pull. Responsible and have "trailerling" experience. 916-802-2157. `

FOR SALE OR TRADE: Pop up Gooseneck Hitch for Ford. Lever in rear wheel well lowers/raises the ball. In need of a 5th wheel under bed hitch for Ford 2003 F350. 916-802-2157. `

CARNIVAL DAYS at the Titan Store, June 7, 8 & 9. Enjoy cotton candy and popcorn * Spin the Prize Wheel * Enter the Raffle* Win a GPS System; a 9" HDTV; gift cards and much more! Everyone wins! And, don't miss the best deals of the year! `

JOIN LANE'S EFFORTS IN THE FIGHT AGAINST CANCER: Unfortunately, cancer has probably touched all of us either through a family member, friend or co-worker. Lane will participate in this year's American Cancer Society Relay for Life, which will be held at Thurston High School on August 6 and 7. There are many ways you can join us in the fight against cancer. Join our team to walk during the event, sponsor (suggested donation \$5) a luminaria in honor of or in memory of someone who has battled cancer, help with our fund raising efforts and/or donate items for our garage sale, date tba. All money raised will go to the American Cancer Society. We welcome all staff, students, families, and friends to join in our efforts. To join our team go to www.esrfl.org and register for "Lane Community College" team. For more information please contact Sue Thompson at 541-463-5735, or thompsons@lanecc.edu ``

CELEBRATE YOUR LOVED ONE'S memorial, anniversary, special birthday etc. with a custom made slideshow on DVD. This is a retirement project with all proceeds going to LCC Foundation or similar charity. Website: celebrate.timbl.net Tim Blood, Counseling. ``

The Weekly is available to the vision-impaired through Disability Resources at (541) 463-5150. Lane Community College is an equal opportunity/affirmative action institution. Tuesday, May 25, 2010

THIS WEEK

LANESTOCK 2010: Phi Theta Kappa students present Lanestock, a music and arts festival, Wednesday, June 2, 10 a.m. to 10 p.m., Bristow Square. Student artist exhibits, food vendor booths, merchant vendors, and main stage showcase of a variety of music from Lane students. Zane Kesey will bring his father's "Furthur" bus (and some Merry Pranksters). Free. Contact: Velda Arnaud, 5682, arnaudv@lanecc.edu or lanestock2010@gmail.com or

LANE GOSPEL CHOIR: Thursday, June 3, noon, cafeteria. Gospel Choir Director Vicki Brabham says, "We've only been in existence for a year, and we've already begun to outgrow the small venues available to us in the Performing Arts Building. Who knew that this would be so popular?" Contact: John Watson, 5161.

TIM BLOOD RETIREMENT OPEN HOUSE: Thursday, June 3, 3:15-4:45 p.m., building 1, room 222. Drop by and enjoy light snacks, college memorabilia from Tim's 36 years at Lane, and to wish him well. Contact: Rodney Brown, 5299.

NEWS

EARLY CHILDHOOD EDUCATION INSTRUCTOR HIRED

The Child and Family Education Department is pleased to announce that Kathleen Lloyd has accepted the early childhood education teach-only faculty position which will start this fall. Kathleen has a master's degree from the University of Portland in education and a doctorate from Oregon State University in human development and family science. She has taught in OSU's human development and family science department and in the OSU Head Start program. Kathleen brings a wealth of knowledge and experience to our ECE program here at Lane. Please welcome Kathleen when she arrives this fall. Contact: Nancy Hart, 3010.

PAYROLL ANALYST HIRED

Lane Human Resources Payroll Analyst Aneita Coates has accepted the employment recommendation for payroll manager and will begin the transition June 1. Aneita has more than 10 years of payroll experience for medium-sized and large organizations, with the past three years of her payroll experience being exclusively in higher education. Please join HR in congratulating and welcoming Aneita as she transitions to her new responsibilities as payroll manager. Contact: Dennis Carr.

ANNOUNCEMENTS

PARKING LOTS RESERVED FOR GIFT OF LITERACY JUNE 3

The annual Gift of Literacy event takes place Thursday, June 3. Lots C and D as well as the skybridge between building 1 and 19 are reserved for this event. There will be over 900 first graders navigating their way from Lot L to the Forum and from the Forum to building 19 between 9:30 a.m. and 1:30 p.m. Please be cautious when driving on campus. Contact: Carolyn Philes.

WEEKEND CONCERTS

Lane is proud to present a weekend of the best concerts this season, featuring the sounds of smooth jazz, big band music and the ever-inspiring chamber orchestra. All three concerts will be in the Performance Hall, building 6.

The Lane Symphonic Band will perform in concert with the Lane Concert Choir on Thursday, June 3 at 7:30 p.m. The music will be a diverse selection of tunes by composers such as Camille Saint-Saens, John Philip Sousa and John Williams. Tickets are \$5 adult, \$3 Students and seniors. The Symphonic Band is directed by Ron Bertucci.

The Lane Jazz Ensemble will join with Mike Williams, Lead Trumpeter for the Count Basie Orchestra on Friday, June 4 at 7:30 p.m. for a smooth set of sounds from Duke Ellington, Paul McCartney, Bob Mintzer and others. The Ensemble will be joined by alumni saxophonist Josh Soran and trumpeter Steve O'Brien. Tickets are \$12 adult, \$5 for students and seniors. Ron Bertucci directs the Lane Jazz Ensemble.

The weekend concludes Sunday, June 6 at 3 p.m. with the Symphonic Band joining the Lane Chamber Orchestra on a double bill featuring something for every musical ear and taste! Tickets for this concert -- the last one until Christmas -- are \$5 adult, \$3 students and seniors. The Symphonic Band is directed by Ron Bertucci, the Chamber Orchestra by Hisao Watanabe. Advance Tickets are at lanecc.edu/tickets, or you can purchase them at the door. For more information call John Watson at 5161.

KATE BARRY RETIREMENT OPEN HOUSE

Wednesday, June 9, 2:30 p.m. to 4 p.m., Center for Meeting and Learning, room 220. Please join us. Contact: Nancy Hart.

GRAPHIC DESIGN GRADUATE RECEPTION

The Lane Art Gallery will hold a reception Wednesday, June 9, from 4-6 p.m., in the gallery, building 11, for students in the annual Graphic Design Graduation Exhibition which runs through June 10. For more information call Art and Applied Design at 5409.

TERRIA BURCH RETIREMENT OPEN HOUSE

Please join the Library in wishing a fond farewell to Terria Burch, library linchpin, on Thursday, June 10, from 3:00-5:00 p.m. in the Library, room 260 (southeast corner of the Library main floor). Terria is retiring after 34 years at the college. Stop by any time to visit and enjoy some cake and snacks. Submitted by Don Macnaughtan, 5359.

COUNSELING HOURS

Counseling and Advising Center will close at 3 p.m. Thursday, June 3 in order to celebrate Tim Blood's retirement. Contact: Jerry de Leon.

Counseling and Advising Center summer hours will be: June 14 - August 20, M-Th 9a-5p, closed Fridays; August 23 - September 24: M-Th 9a-5p, F 9a-2p. Contact: Jerry de Leon.

OPEN ENROLLMENT MEDICAL, DENTAL AND VISION BENEFITS

This is for classified and management employees only. Open enrollment for changing your dental plan option and adding and/or removing dependents from your medical, dental and vision insurance coverage continues through June 30 for a July 1 effective date. No action is

necessary for those already enrolled who do not wish to make changes. To make changes, please click on the following link, which will open up the Insurance Enrollment Application in Adobe Acrobat:

http://www.lanecc.edu/hr/benefits/documents/InsuranceEnrollmentApplication_Clsfd_Mgmt.pdf

You may also access the form via the web at <http://lanecc.edu/hr/benefits/index.htm> Changes outside of open enrollment are only allowed if there is a change in family status. For questions regarding these benefits, please call Heidi Morales at 5592 or Sharon Daniel at 5190.

FACULTY: STILL TIME TO APPLY FOR CURRICULUM DEVELOPMENT FUNDS

There's still time to apply for curriculum development funds, which has a rolling deadline through June 4. Learning Communities and Title III are supporting curricular infusions that focus on curricular trouble spots in your classes. Students need multiple opportunities to develop their skills of self-responsibility, time management, and other "college knowledge"; courses offer the most immediate opportunity for the collateral learning that's key to their success. Examples of ideas for infusion: guide your students in making wise choices about their coursework; help students connect their learning in your class to their larger goals and dreams; help students with time management and setting priorities; introduce students to strategies to help them with learning in your discipline; help students to become both self-responsible and interdependent learners; help students to strike a balance between academic and social life. The application is brief; find it at <http://lanecc.edu/lc/fresources/CurricularInfusionProject.htm> or contact Anne McGrail mcgraila@lanecc.edu

PRINT SHOP ANNOUNCES DEADLINES FOR 2010-2011

The deadline for submitting summer term instructional packets to Printing/Graphics is June 2.

Handouts needed for the first day of summer term classes should be submitted by June 11.

Subsequent deadlines for the 2010-2011 academic year are as follows:

Fall term: Packets to Printing/Graphics by August 13.

First-day materials are due September 10.

Winter term: Packets to Printing/Graphics by November 12. First-day materials are due December 3.

Spring term: Packets to Printing/Graphics by February 11.

First-day materials are due March 18.

Observing these deadlines assures timely production of your materials by the print shop and processing by the Titan Store (Bookstore). Questions? Contact Tom Johnson, 5373.

FACILITIES UPDATES

HOUSEKEEPING

On June 2, Housekeeping will support Lanestock by focusing cleaning efforts at impacted locations. Post Lanestock cleaning needs or emergencies can be called into the facilities office at 5216 or an e-mail sent to facilitiesoffice@lanecc.edu Contact Katherine Vos, 5561.

PUBLIC SAFETY

Public Safety is supporting the June 2 Lanestock with additional officer coverage. Utilizing education and prevention methods. Officers will be assigned to patrol on bikes, T-3 and patrol cars to ensure a safe event for attendees. Officers will be prepared to respond to vehicle prowls, illegal drugs and alcohol use along with other typical activities that occur at concerts. If you have

a safety or medical emergency, please contact our emergency line at 463-5555. Contact Katherine Vos, 5561.

BOND UPDATES —

BUILDING 2 REMODEL

There will be a shutdown of the data center in the morning of Saturday, June 5, as part of the ongoing remodel of building 2. All college network and e-mail will be out of service from 2:00 a.m. until 8:00 a.m., including GroupWise, Banner, and all other services that require server access. Building 2 construction continues with metal framing and drywall being installed on the first floor. Contact David Amundson, 3455.

BUILDING 4 REMODEL

Wall construction has started on the second level of building 4 and is expected to cause some minor vibration sounds and produce a light burning smell when the steel is being trimmed to fit. HVAC contractors have installed most of the main runs for the new air system on the second floor breezeway and are expected to start branch lines into the main parts of the building this week. Contact Mark Richardson, 3456.

BUILDING 5 REMODEL/ADDITION

Construction is starting early on the building 5 addition. Temporary fence has been placed around the construction area and is expected to remain until the project is completed. LCL has scheduled a contractor to start locating the underground utilities within the fenced area. Excavation has started for the underground utilities on the east side of building 5 and is expected to last two weeks. When the utilities have been located, excavation will begin the first week of June. Contact Mark Richardson, 3456.

BUILDING 6 PERFORMING ARTS ELEVATOR

Vik Construction is under contract and is mobilizing to begin construction soon after spring term is complete. Contact David Amundson, 3455.

BUILDING 10 REMODEL

Lane crews continue with demolition of interior floors and partitions. The design team is working on construction documents, with bidding expected in August. Contact David Amundson, 3455.

CAMPUSWIDE CONCRETE REPAIR

The project design is complete. Some of the concrete ramp work has started at the south side of building 10. Other projects are expected to begin the third week of June. Contact Mark Richardson, 3456.

OTHER FACILITIES PROJECTS –

HEALTH AND WELLNESS CENTER

Interior concrete floor finishing will be completed this week. Expect exterior cement board installation to be completed this week. Boardwalk footings have been poured and sidewalks have been removed to make way for new walkways and landscaping. Wet weather has hampered progress on site work and has delayed the start of landscaping. Once started, landscaping and irrigation work will continue into July. At times this work may involve equipment exhaust, dust and noise. Contact Brian McMurray, 5829.

NATIVE AMERICAN LONGHOUSE

Sheetrock installation will continue this week. Plumbers will be on site completing gas piping for mechanical equipment and installing hot water heaters. The fire department connection was completed last week. Expect main building power to be turned on this week and electricians will continue working on lighting system. Expect work on parking lot curbs to start early June. Landscaping crew will resume site work mid-June. Project completion expected September 1, 2010. Contact Brian McMurray, 5829.

TRAININGS

WELLNESS

Stay in shape over the summer! Employee Wellness Summer classes include: Bodacious Boot Camp, Stretch/Breathe/Relax, Yoga, Wake Up With Weights, Nordic Walk or Weights After 5, and the 6-week "Activize & Nutritionize Your Summer" E-mail program. NEWS

RIGHT HERE IN RIVER CITY: A THEATER NAMED FOR ED RAGOZZINO

The Ragozzino Performance Hall will be the new name of the main theater at Lane Community College when the Board of Education passes a resolution honoring Ed Ragozzino at its June 9 meeting. The resolution will be presented at about 6:30 p.m. Public comment will be invited. Ragozzino's widow, Roxy, is expected to attend.

Ragozzino founded the performing arts program at Lane and directed it for 18 years from 1968 to 1986. He brought 30,000 patrons a year to campus for events, especially musicals, according to the resolution. Many college and community members suggested the naming, including faculty and staff from the Division of the Arts who developed the resolution.

"It is fitting that the performance hall that Ed Ragozzino worked tirelessly to establish should bear his name," says President Mary Spilde. "He left a lasting legacy to Lane Community College in creating performing arts programs that have endured, as well as outstanding musical theater. We are pleased to be able to honor Ed's inspirational leadership in the arts and his contributions to Lane and the broader community."

Ragozzino helped design the hall that will bear his name. "In all honesty, we ended up with one of the finest theatres," he said in an oral history interview available online from the college

archives at www.lanec.edu/archives/OH-RagozzinoE.htm That opinion is still shared by many performing arts professionals today.

Before joining Lane, Ragozzino founded the drama program at what's now known as South Eugene High. After leaving the college, he helped found the Eugene Festival of Musical Theater and was a driving force behind the creation of the Hult Center. He died of cancer at age 79 in February 2010. Submitted by the editor.

JENNIFER FALZERANO NAMED INTERNATIONAL PROGRAMS DIRECTOR

Jennifer Falzerano has been hired as Lane's first director of international programs after a national search. She will begin work June 21. She has served as coordinator of retention services and assistant director of recruitment at Chemeketa Community College since 2006 where she oversees all aspects of the colleges international retention system from arrival to graduation. She also coordinates services across all departments for at-risk international students. From 2004-06, she coordinated the Chinese exchange program at the University of Minnesota and was responsible for international student recruitment and admission. Jennifer has a master's degree in international and multicultural education from the University of Minnesota, Duluth, and a bachelor's degree in French and political science from the University of Minnesota, Morris. She also has completed certificates and leadership training from NAFSA Association of International Educators. She is fluent in French and speaks elementary Spanish and Serbo-Croatian. Contact: Sonya Christian.

JENETTE KANE NAMED DIRECTOR OF CONTINUING EDUCATION

Jenette Kane has been named director of Continuing Education after serving in that role as interim this year. She has a bachelor's degree in business administration from Humboldt State University, an associate degree from College of the Redwoods, and will complete her MBA at Marylhurst University this spring. Jenette's previous experience includes managing large retail operations and serving as employee training manager and in the office of instruction at Lane. She is excited to continue working with staff on future directions for CE programs and for her leadership role in the downtown campus project and at Cottage Grove. Thanks to search committee chair Brian Kelly and to committee members Dave Fors, Barbara Susman, Lida Herburger, Kathy Calise, and Ross Jackson. Contact: Andrea Newton, Executive Dean, Career and Technical Education, Academic and Student Affairs.

LARRY SCOTT NAMED BCIT INTERIM DIVISION DEAN

Larry Scott has been named interim division dean for Business and Computer Information Technology. Larry has a bachelor of science in health informatics and a master's in community college management. He has more than 15 years experience managing a multi-million dollar business. He has successfully collaborated on two competitive grants related to health informatics. Through his role as Cooperative Education faculty coordinator for CIT, Science and Mathematics, he developed working partnerships with hundreds of organizations in the region to provide quality, practice-based learning opportunities for students. He has 20 years of experience in course development and teaching at the University of Victoria and Lane Community College. He has served on numerous committees, advisory committees and councils including being the co-chair of Faculty Council and being a member of the Learning Council and College Council. Please join me in extending congratulations to Larry. Contact: Don McNair, Executive Dean, Academic and Student Affairs.

ANNOUNCEMENTS

SCHOLARSHIP WORKSHOP

Interested in using your time over the summer for researching scholarships and strengthening your applications? If so, attend the Research Scholarship Workshop Thursday, June 10 from 2:30-4 p.m. in building 18, room 102. For more information contact brysonj@lanecc.edu or 5164.

REGISTER NOW FOR SEPTEMBER FACULTY DEVELOPMENT WORKSHOP

Faculty: Register now for a two-day faculty development workshop September 15 and 16 (Wednesday and Thursday before in-service begins) from 9 a.m.-3 p.m. Faculty will be paid at the curriculum development rate for preparing and attending. The workshop's title is Improving Student Success and Retention through Curricular Design and Infusion. We will develop our expertise and curriculum to improve student success and retention in our classes. The workshop is sponsored by Learning Communities, Lane's English Department, and the Title III Engaging Students grant. We particularly encourage faculty from Writing, Math and Academic Learning Skills to register, although all faculty are welcome. If interested, please fill out the registration form available on our website

<http://www.lanecc.edu/lc/fresources/SeptemberWorkshop.htm> and e-mail it to mcgraila@lanecc.edu by this Friday, June 11. Contact: Anne B. McGrail, 3317.

HEALTH CLINIC CLOSURE

Health Clinic will be closed from June 11 at noon and reopened at 8:15 a.m., Monday, June 21. Providers will not be on site so appointments will not be available. Please call for prescription refills as per our prescription refill policy at

<http://www.lanecc.edu/healthclinic/clinicpolicies.html> Contact: Aixa, 5665.

GROUP BUS PASS AND STICKERS FOR SUMMER TERM

Students or staff taking a credit class on main campus or at the Downtown Center are eligible for a LCC bus pass good for the entire term. Photos for bus pass ID cards will be taken in building 19, room 106, June 21-22, 9 a.m.-4 p.m. Stickers for summer term will be available beginning June 29 at the Titan Store return window or at the DTC. Visit

<http://www.ltd.org> for changes to the LTD summer schedule as well as service changes for the 2010-11 year. The #81 LCC/Harris will not operate on Saturdays during the summer beginning June 13. Contact: Susan Tatar, 5727.

GERMAINE MOCK RETIREMENT OPEN HOUSE

Please join Human Resources in wishing a fond farewell to Germaine Mock, payroll manager, on Tuesday, June 22 from 2-4 p.m. in the boardroom. Germaine is retiring after 31 years at the college. Stop by any time to visit and enjoy some cake and punch. Contact: Sharon Daniel.

PRINT SHOP AND WAREHOUSE CLOSED FOR TWO-DAY INVENTORY

Printing/Graphics services will not be available during the department's annual inventory, Tuesday and Wednesday June 29 and 30. The print shop lobby will be open only for drop-off and pick-up of printing orders on those days. Please plan your printing needs accordingly. The college's Warehouse Services also will conduct inventory the same days, and merchandise will not be available for purchase. UPS and FedEx delivery service will continue without interruption. Regular operations in both departments will resume Thursday, July 1. For more information, contact Tom Johnson, 5373.

PRINT SHOP DEADLINES FOR 2010-2011

The deadline for submitting summer term instructional packets to Printing/Graphics is June 2. Handouts needed for the first day of summer term classes should be submitted by June 11. Subsequent deadlines for the 2010-2011 academic year are as follows:
Fall term: Packets to Printing/Graphics by August 13.
First-day materials are due September 10.
Winter term: Packets to Printing/Graphics by November 12. First-day materials are due December 3.
Spring term: Packets to Printing/Graphics by February 11.
First-day materials are due March 18.
Observing these deadlines assures timely production of your materials by the print shop and processing by the Titan Store (Bookstore). Questions? Contact Tom Johnson, 5373.

OPEN ENROLLMENT MEDICAL, DENTAL AND VISION BENEFITS

This is for classified and management employees only. Open enrollment for changing your dental plan option and adding and/or removing dependents from your medical, dental and vision insurance coverage continues through June 30 for a July 1 effective date. No action is necessary for those already enrolled who do not wish to make changes. To make changes, please click on the following link, which will open up the Insurance Enrollment Application in Adobe Acrobat:

http://www.lanecc.edu/hr/benefits/documents/InsuranceEnrollmentApplication_Clsfd_Mgmt.pdf

You may also access the form via the web at <http://lanecc.edu/hr/benefits/index.htm> Changes outside of open enrollment are only allowed if there is a change in family status. For questions regarding these benefits, please call Heidi Morales at 5592 or Sharon Daniel at 5190.``

----- FACILITIES UPDATES -----

BOND UPDATES--

BUILDING 2 REMODEL

The data center is being upgraded and moved to its new location. Asbestos abatement and demolition will begin after spring term finals week ending Friday, June 11. Contact David Amundson, 3455.

BUILDING 4 REMODEL

Most of the demolition is complete on the second level of the building. More demolition will have to be completed but will not start until after the dental board exams scheduled later in June. The second level of the building will no longer be accessible to staff and students until construction completes. Contact Mark Richardson, 3456.

BUILDING 5 REMODEL AND ADDITION

Excavation for the foundation will continue at the north side of the building. Foundation piles are scheduled for installation the end of June, which is expected to cause some vibration inside the fitness center and might be noticeable throughout the building. Construction demolition is scheduled to start on June 12 on the first floor and is expected to continue through the summer and up to the beginning of fall term. The northwest stair access to the lower level of building 5 will be closed June 12-17. Contact Mark Richardson, 3456.

BUILDING 6 PERFORMING ARTS ELEVATOR

Vik Construction will begin construction after spring term finals week ending Friday, June 11. Contact David Amundson, 3455.

BUILDING 10 REMODEL

Lane crews continue with demolition of the interior walls and floors. Construction documents will be ready for bidding in July. Contact David Amundson, 3455.

BUILDING 19 BUSINESS FACULTY OFFICES

Construction will begin after spring term finals week ending Friday, June 11. Contact David Amundson, 3455.

CAMPUSWIDE CONCRETE REPAIR

Two projects for site improvements will be completed this year. The crosswalk on the northwest side of building 4 will be completed at the same time the site improvements are made at the new Health and Wellness Center. The second project will be replacing the damaged concrete on the south side of bldg 6. Both projects will be started this summer and will be completed by fall term. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS BUILDING

Thursday, May 28, 2 p.m., was the advertised deadline for submitting proposals for architectural services in response to the request for proposals for the project. Two proposals were submitted, both from Eugene firms who had partnered with large Portland based firms. Following formal college requests for proposal (RFP) processes in alignment with the state of Oregon community college rules for procurement, the selection committee will process the submittals and recommend to the president and Board of Education that one of the firms be hired. This action should be completed by the July board meeting. Contact Bob Mention, 5747.

FIRE ALARM AND MASS COMMUNICATION SYSTEM

The fire alarm contractor, SecureCom, is complete with the installation and most of the testing. Much of the fire alarm system was tested over winter break; however, additional testing will be performed on June 18 in the presence of the Oregon state fire Marshall. Testing will not impact the dental boards testing scheduled on this day. Contact Dave Smith, 3433.

KEYLESS ENTRY

The contractor, Allied Fire & Security, is finishing up the door hardware installation in building 17 (Forum) this week and will be moving to building 18 next week. The installation in the Child and Family Education complex and at the Florence campus is scheduled to begin the week of June 14 with Enrollment and Student Financial Services, building 1, scheduled for late June. Contact Dave Smith, 3433.

OTHER FACILITIES UPDATES--

PUBLIC SAFETY

Have a dead battery? Public Safety has loaner battery packs that provides a jumpstart. It's free and all you need is your drivers license. Public Safety Hours: 8 a.m.-5 p.m., closed for lunch from 1-2 p.m.. All emergencies including medical emergencies should be directed to 5555.

HOUSEKEEPING

Coordinators have ordered vacuums to supply future designated cleaning stations. The cleaning stations will be stocked with basic cleaning supplies in the event a spill needs immediate attention or you want to vacuum your private office. Once supplies are in place the cleaning

stations will be disclosed. We want to hear from you, have a good location suggestion for a cleaning station, contact Housekeeping at 5578.

TRAININGS

25 LIVE EVENT SEARCH AND REQUEST TRAINING

The June training sessions have been scheduled for 25Live, the college event request system. If you have a need to request rooms or search for events, this training will go through the steps on how to use the system. Tips and tricks for searching using the pre-defined searches or how to build your own search will be covered. The capability to search locations, request event space, audio-visual equipment or a motor pool car is offered to all staff. This is a hands-on class in the lab. Please register for a class by sending an e-mail to LaneEvents@lanecc.edu to ensure your account is active for the training session.

+ June 8 - Tuesday, 10:00 to 11:30 a.m. in LCC19 249

+ June 14 - Monday, 1:30 to 3:00 p.m. in LCC19 249

Submitted by Alan Bahret.

WELLNESS

<http://www.lanecc.edu/wellness/index.htm>

Stay in shape over the summer! Employee Wellness Summer classes include: Bodacious Boot Camp, Stretch/Breathe/Relax, Yoga, Wake Up With Weights, Nordic Walk or Weights After 5, and the 6-week "Activize & Nutritionize Your Summer" program. For CRNs and more details, look for the e-mail from Wendy Simmons regarding the Summer Wellness Program or contact Layne King at KingLM@lanecc.edu or 5263.

T2T: AUDIO AND VIDEO FOR ONLINE INSTRUCTION

Instructor: Ian Coronado. Five-week hybrid class. Tuesdays/Thursdays, June 29, July 1, July 6, and July 8, in-class meetings 9am-12pm, with additional time spent online. Bldg. 19 room 249 (ATC).

Do you teach online, hybrid or have a web enhanced traditional class? Want to use more audio and video in your class, but find that there are too many hurdles to get these things online? Come to our five-week session, bring some videos and ideas you want to put online, and put those hurdles behind you. Understand, download and use the more efficient formats for audio and video, editing existing content, and production of audio/visual materials. Moodle experience required. Meet in the classroom on Tuesdays and Thursdays 9 a.m.-12 p.m. combined with online time for this 1-credit course (pass/no pass or audit only). Registration is required as space is limited. If you are interested in participating please enroll directly in ExpressLane, CRN# 12554. Class fee is waived for Lane instructors. For more information contact Ian Coronado at coronadoi@lanecc.edu or call 5475.

T2T: INTRODUCTION TO DEVELOPING AN ONLINE OR HYBRID COURSE

Instructor: Vicky Kirkpatrick, 8-week online course. June 21-August 12.

What is it like to teach online? What is it like to be an online student? Experience both perspectives during this Introduction to Online or Hybrid class. You will be an online student as you learn about teaching with technology and about transforming your existing curriculum for the online environment using Moodle and best practices.

This 8-week online class will give you an overview of things you need to know about teaching an online or hybrid course. Topics include: getting started, setting up your structure, alignment of key components, tools in Moodle, and designing for quality.

Registration is required as space is limited. If you are interested in participating please enroll directly in ExpressLane, CRN# 12555. Class fee is waived for Lane instructors. For more information contact Vicky Kirkpatrick at kirkpatrickv@lanecc.edu or 5400.

T2T: SOCIAL NETWORKING AND WEB 2.0 TOOLS FOR ONLINE INSTRUCTION

Instructor: Ian Coronado, 5-week online course. June 28-July 29.

The focus of this course is on the use of Web 2.0 social networking tools that will foster instructor-student, content-student, and student-student interaction for online and hybrid course instruction. We'll look at new and emerging technologies for online learning, social networking tools and more. Core content for this course contributed by Jeffrey Borrowdale, Ian Coronado, Meredith Keene-Wilson, Vicky Kirkpatrick and Mirika Pineda. Registration is required as space is limited. If you are interested in participating please enroll directly in ExpressLane, CRN# 12558. Class fee is waived for Lane instructors. For more information contact Ian Coronado at coronadoi@lanecc.edu or call 5475.

CONTINUING ED CLASSES--

Organic Gardening Principles and Practice, 6-9 pm, W, Jun 23-Aug 25, LCC16 Rm 184 (27 hrs \$129) (Senior \$102) CRN 11643 - Now is the time to start a garden! In this course, we will cover everything from planning and creating your garden to harvest, winter gardening, and saving seeds for next year. Topics include: sheet mulch gardening, compost, companion planting, attracting pollinators, perennial vegetables and herbs, and more. We will reinforce our discussions with hands-on projects in the LCC Learning Garden. -Bonady

An Introduction to Wine, 6:30-9 pm, Tu, Jun 22-Jul 13, DTC Rm 316 (10 hrs \$91) (Senior \$81) CRN 11823

Learn what makes wine so interesting, why there are so many varieties, and how to discover which wines you like. We will taste, evaluate & discuss wines from across a broad spectrum each session. Students must be at least 21 years of age. Bring two wine glasses to class. Finger foods are welcome. -Ross

France, Planning Your Trip, 6-8 pm, M, Jul 12-Jul 26, DTC Rm 233 (6 hrs \$24) (Senior \$18) CRN 11681

Discover where to go, what to take and what to say en francais to make the most of your next trip to France. Realistically-based contexts to practice useful French. No prior French skills needed. -Herman

VOLUNTEERS NEEDED: KLCC GARDEN TOUR is Sunday, June 27. We are seeking friendly volunteers to help it run smoothly! Volunteers are needed at the entrance to each garden to: Be friendly, cheerful representatives of KLCC in directing people into the gardens, pointing out the exits, etc.; Sell tickets (90% of tickets are bought in advance); direct people to the next garden as well answer questions about the silent auction for painted watering cans. We have 5 private gardens off E. 30th Ave. plus Oak Hill School and the gardens of Lane (no staffing is required at LCC). Here's the website link if you want to check out the map, etc.
<http://www.klcc.org/News.asp?NewsID=180> Shifts are 8:30 - 11:30 (almost full) 11:30 - 2:30 and 2:30 to 5:15 Please send an e-mail to foxk@lanecc.edu if interested. Or call Kris Fox at x6030."

THIS YEAR'S RELAY FOR LIFE is August 6-7 at Thurston High School. Relay for Life is the world's largest not-for-profit fundraising event. It is a worldwide movement that takes place in 19 countries outside the U.S. Nearly \$2.7 billion has been raised in the fight against cancer since Relay was first held in 1985. If you'd like additional information or have questions, contact Sue Thompson @ 463-5735, thompsons@lanecc.edu or Patty Parks @ 463-5099, parksp@lanecc.edu

MY GRANDMOTHER is visiting and has difficulty with walking for any distance. I need a quality folding wheel chair with a minimum of a 30 inch wide seat. If borrowing, I will need it from June 14th - 21st. I can spend upwards of \$75 for the rental or purchase. I can pick up and return.
thank you, Josh Taylor X5262

Jane Pierzina pierzina@lanecc.edu

A GREAT SUMMER VACATION GET AWAY, with very reasonable rates, is found at the BLK Beach House in Florence. Not only that, you can bring your dog for free. This is a newer manufactured home in great condition with a spacious open living room, 2 bedrooms, 1 bath, and the kitchen is supplied with everything you need: pots, pans, microwave, coffee pot, toaster and more. There is a queen size bed in one bedroom and twin and full size beds in the other room. It is a five minute walk to the beach. This is our home away from home and rented only to select clientele (like Lane employees) and guests are on the honor system to respect our home. The rates are very reasonable, in part because you are expected to clean up after yourself upon departure. There's a two night minimum. For two people summer rates are \$62/night. The cost increases slightly per night per additional person. Weekly rates are cheaper. Call Wendy Simmons at 431-1277 or e-mail her at wsimmons@efn.org for more information.

ALEX PARTHEMER, South Eugene High School Junior, is looking for yard work, pet care, or odd jobs this summer. Please contact him at 541-515-5744 or alexparthemer@gmail.com ``

PET-SITTING: responsible, reliable and experienced pet-sitter available. With more than 10 years experience, your pet is assured to receive the pampering care that he/she is accustomed to receiving from you. Contact Sharon Braaten, 5796 or 503-956-4749 (cell) or e-mail: braatens@hotmail.com or braatens@lanecc.edu ``

AB-LOUNGE for sale - like new, make an offer and come and get it. Contact Sharon Braaten, 5796 or 503-956-4749 (cell) or e-mail: braatens@hotmail.com or braatens@lanecc.edu ``

LOOKING TO BUY SMALL HOUSE: Wanting to purchase a 2 bedroom, one bath, one story house with small, low maintenance yard in Eugene preferably close-in and near a bus line. Could have 3rd bedroom in second story. If you know of anyone thinking of selling or something already on the market, please contact me. Also, looking for boxes for moving. Thanks for your help. LaRosa at larosa42@gmail.com or 541-342-7332.``

FOR SALE: FULL SIZE, PING PONG TABLE. Foldable and has wheels for easy storage and moving. Excellent shape, barely used. Includes 4 paddles and net. \$100 OBO. Contact Lori, x3354 or brendenl@lanecc.edu ``

FREE CABINETS: I have cabinets in my garage that I want to give away. These are former kitchen cabinets, one set uppers, six lowers, some drawers. Charlotte behmc@lanecc.edu ``

FOR SALE: Nikon D60 digital SLR (recent professional cleaning) with 18-55mm and 55-200mm vibration reduction lenses (35mm equivalent of 27-300mm). All in excellent condition and capable of stunning photos. \$500.00 Contact Matt at 3392.``

WHIRLPOOL WASHER DRYER SET: Large capacity, excellent condition, \$200. Leaving town for the summer and must sell by June 13. Contact rapaportm@lanecc.edu or phone 808 640 5529. ``

THIS WEEK

OPEN ENROLLMENT INFORMATION SESSION

Classified and Management Employees: A drop-in insurance information session will be held at the Downtown Center, room 222 on Thursday, June 17 from 8:30 a.m. to 10:30 a.m. A representative from Pacific Benefit Consultants (LCC's insurance agent of record) and Lane Human Resources will be available during this time to answer any questions you may have about open enrollment and the changes to insurance coverage effective July 1. Feel free to come by at any time. If you have any questions, please contact the HR benefits team: Sharon Daniel 5190 (for last names beginning with A-L); Heidi Morales 5592 (for last names beginning with M-Z); Janis Brew 5589 (HR Benefits Manager).

ANNOUNCEMENTS

GROUP BUS PASS AND STICKERS FOR SUMMER TERM

Students or staff taking a credit class on main campus or at the Downtown Center are eligible for a LCC bus pass good for the entire term. Photos for bus pass ID cards will be taken in building 19, room 106, June 21-22, 9 a.m.-4 p.m. Stickers for summer term will be available beginning June 29 at the Titan Store return window or at the DTC. Visit <http://www.ltd.org/http://www.ltd.org/http://www.ltd.org> for changes to the LTD summer schedule as well as service changes for the 2010-11 year. The #81 LCC/Harris will not operate on Saturdays during the summer beginning June 13. Contact: Susan Tatar, 5727.

SUSAN TATAR RETIREMENT GET-TOGETHER

Please stop by the Renaissance Room on Tuesday, June 22, sometime between 1:30 p.m. and 3:30 p.m. for cake and to join us in saying goodbye to Susan Tatar. Susan's last day at Lane will be Wednesday, June 23. Contact: Judy Ann Fuller, FM&P, 5564.

GERMAINE MOCK RETIREMENT OPEN HOUSE

Please join Human Resources in wishing a fond farewell to Germaine Mock, payroll manager, on Tuesday, June 22 from 2-4:00 p.m. in the boardroom. Germaine is retiring after 31 years at the college. Stop by any time to visit and enjoy some cake and punch.

SUMMER HOURS AND CLOSURES

Summer hours and closures will be published once in Lane Weekly, then posted online at <http://www.lanecc.edu/summerhours.html>

* Lane Community College closed Fridays from June 18 through August 20. Cottage Grove Center open Mondays through Thursdays from 8 a.m. to 12 p.m. from June 21 through August 12. Florence Center closed from June 28 through August 13. Contact: Dennis Carr.

* Archives closed July 6-22 while the archivist is on vacation. Service will be limited to emergency records requests (backup provided by the Library, 5220. If you need boxes to work on your archiving projects during July, please archivist Elizabeth Uhlig now at 5466.

* Counseling & Advising Center hours June 14 - August 20: Mondays through Thursdays 9 a.m.-5 p.m., closed Fridays. Hours August 23 - September 24: Mondays through Thursdays 9 a.m.-5 p.m., Fridays 9 a.m.-2 p.m. Contact: Jerry de Leon, 5870.

* Enrollment and Student Financial Services front line and phone services, week of June 14: Front counter open Monday through Thursday, 1-5 p.m.; one phone person Monday through Thursday, 9 to 5 p.m.; closed Friday. Contact: Helen Garrett.

* Health Clinic closed until Monday, June 21. Providers will not be on site so appointments will not be available. Please call for prescription refills as per our prescription refill policy at <http://www.lanec.edu/healthclinic/clinicpolicies.html> Contact: Aixa, 5665.

* Social Science department office hours June 18 through September 10: Mondays through Thursdays 8 a.m. to 5 p.m. Contact: Carrie Brandt.

PRINT SHOP AND WAREHOUSE CLOSED FOR TWO-DAY INVENTORY

Printing/Graphics services will not be available during the department's annual inventory, Tuesday and Wednesday June 29 and 30. The print shop lobby will be open only for drop-off and pick-up of printing orders on those days. Please plan your printing needs accordingly. The college's Warehouse Services also will conduct inventory the same days, and merchandise will not be available for purchase. UPS and FedEx delivery service will continue without interruption. Regular operations in both departments will resume Thursday, July 1. For more information, contact Tom Johnson, 5373.

PRINT SHOP DEADLINES FOR 2010-2011

The deadline for submitting summer term instructional packets to Printing/Graphics is June 2. Handouts needed for the first day of summer term classes should be submitted by June 11.

Subsequent deadlines for the 2010-2011 academic year are as follows:

Fall term: Packets to Printing/Graphics by August 13.

First-day materials are due September 10.

Winter term: Packets to Printing/Graphics by November 12. First-day materials are due December 3.

Spring term: Packets to Printing/Graphics by February 11.

First-day materials are due March 18.

Observing these deadlines assures timely production of your materials by the print shop and processing by the Titan Store (Bookstore). Questions? Contact Tom Johnson, 5373.

FACILITIES UPDATES

HOUSEKEEPING

Did you know that housekeeping is proud to share that the cleaning products used at LCC are green sustainable cleaning products, can provide your work area with cleaning products to assist you with cleaning your personal work area, and that Clorox wipes are not considered a "green" product? Reminder: Housekeeping staff are not scheduled to work on each Friday when the campus is officially closed, starting June 18 and ending August 27. If you have emergency housekeeping issue, please contact FMP at 5228. Non-emergency housekeeping issues should be reported to housekeepingcoordinators@lanec.edu or 5578. Contact Katherine Vos, 5561.

PUBLIC SAFETY

Public Safety welcomes Officer Jake Ryker back from a year-long tour in Iraq. Public Safety will be interviewing this month for a Public Safety officer. Public safety tips: It's required to

immediately evacuate a building whenever a fire alarm is activated. Help others and sweep the building as you exit. Need assistance? Call 5558. Have an emergency? Call 5555. Contact: Katherine Vos, 5561.

BOND UPDATES —

BUILDING 2 REMODEL

The classrooms and offices in building 2 have been moved out, and asbestos abatement, demolition and construction on the second floor will begin on June 14. Construction on the first floor data center continues. The construction zone around building 2 will be restricted on both levels. Contact David Amundson, 3455.

BUILDING 4 REMODEL

The general contractor will start installing fences and temporary walls on the second level of building 4 and select locations on the first floor. Access into certain areas is restricted to anyone not part of the construction and/or moving crews. The dental lab will be moving to their temporary location the week of June 21. The general contractor will be accessing room 130 and removing part of the concrete floor on Monday to install a temporary air system for the dental board exams on June 18, 19, and 20. Light demolition began on the first floor on Monday June 14. This activity will be in a selected area only to ensure the areas used for the dental board exams are not affected. Contact Mark Richardson, 3456.

BUILDING 5 REMODEL/ADDITION

Foundation work continues on the north side of building 5. Equipment was mobilized this week, beginning Monday, June 14, to start installing the foundation piles for the new addition. This work caused noise and ground vibration throughout the day. Also on Monday, demolition started on building 5, west side, lower level, of walls, ramps, and exterior doors. Contact Mark Richardson, 3456.

FIRE ALARM/MASS COMMUNICATION

The fire alarm contractor, SecureCom, is complete with the installation and most of the testing. Much of the fire alarm system was tested over winter break; however, additional testing will be performed on June 18 in the presence of the Oregon state fire marshal. Communication to the campus community regarding this testing was sent via e-mail last week. Testing will not impact dental boards testing scheduled June 19 and 20. Contact Dave Smith, 3433.

BUILDING 6 PERFORMING ARTS ELEVATOR

Construction of the new elevator will begin this week. There will be noise and limited access in the construction areas for the entire summer. Contact David Amundson, 3455.

BUILDING 10 REMODEL

Demolition of mezzanines is continuing, and construction documents are being completed for bidding. Contact David Amundson, 3455.

BUILDING 19 BUSINESS FACULTY OFFICES

Lane crews are removing existing equipment from the area of the remodel, and the contractor will begin work on June 21. Contact David Amundson, 3455.

KEYLESS ENTRY

The contractor, Allied Fire and Security, is finishing up the keyless entry installation in building 1 (Enrollment and Student Financial Services) this week and will be moving to Child and Family

Education next week. The installation at the Florence campus was scheduled and began on Monday, June 14. Contact Dave Smith, 3433.

TRACK AND SOCCER BOWL UPGRADES

The project has been on hold waiting for the rain to subside and the fields to dry out before equipment can access the area. Accessing the fields when the ground is too wet will cause damage to the surface of the fields making it more difficult to provide a smooth and even playing surface. The newly developed master plan has triggered some redesigning work on the soccer bowl. The general contractor is relocating the temporary fence that surrounds the soccer field next week. This is being done to allow the soccer field to be used this summer while a new location is being determined. Contact Mark Richardson, 3456.

SOLAR STATION

Essex, contractor for the solar station at Lane, began work in parking lot B on Monday, June 14. Fencing is expected to enclose area around immediate construction and will affect parking and passage through the lot. Project completion is expected August 31, 2010. For information, visit <http://www.lanecc.edu/bond/updates.html>, Contact Anna Scott, 5805.

OTHER FACILITIES PROJECTS –

HEALTH AND WELLNESS CENTER

Interior finish out continues, including work on plastic wall panels, installing doors and sliding doors, and testing the night flush ventilation system. Final code inspections of the various trade work is ongoing and will continue through the week of June 14. Interior cleanup will start June 21 and be completed July 2, followed by punch list inspections. On the exterior, work will continue bringing in landscaping materials and completing flatwork. Landscaping and site work will continue well into July. At times, this work may involve equipment exhaust, dust and noise. Project completion expected August 2010. Contact Brian McMurray, 5829.

NATIVE AMERICAN LONGHOUSE

Sheetrock installation and finishing should be completed by June 21, when interior painting will commence. Plumbers have completed all gas piping and the building's meter has been turned on. New building transformer has been installed and electrical work on lighting continues. Landscaping and parking lot work will be beginning the week of June 21. Project completion expected September 1, 2010. Contact Brian McMurray, 5829.

TRAININGS

EMPLOYEE WELLNESS <http://www.lanecc.edu/wellness/wellnessclasses.htm>

Stay in shape over the summer! Employee Wellness Summer classes include: Bodacious Boot Camp, Stretch/Breathe/Relax, Yoga, Wake Up With Weights, Nordic Walk or Weights After 5, and Golf for Life. Visit ExpressLane to sign up using the corresponding CRNs. Additionally, you can sign up for the 6-week "Activize & Nutritionize Your Summer" program by contacting Layne at KingLM@lanecc.edu or 5263.

Golf for Life starts Friday, June 25 at RiverRidge Golf Course. For more information, contact vanderhorstg@lanecc.edu

T2T: AUDIO AND VIDEO FOR ONLINE INSTRUCTION

Instructor: Ian Coronado. Five-week hybrid class. Tuesdays/Thursdays, June 29, July 1, July 6, and July 8, in-class meetings 9am-12pm, with additional time spent online. Bldg. 19 room 249 (ATC).

Do you teach online, hybrid or have a web enhanced traditional class? Want to use more audio and video in your class, but find that there are too many hurdles to get these things online? Come to our five-week session, bring some videos and ideas you want to put online, and put those hurdles behind you. Understand, download and use the more efficient formats for audio and video, editing existing content, and production of audio/visual materials. Moodle experience required. Meet in the classroom on Tuesdays and Thursdays 9 a.m.-12 p.m. combined with online time for this 1-credit course (pass/no pass or audit only). Registration is required as space is limited. If you are interested in participating please enroll directly in ExpressLane, CRN# 12554. Class fee is waived for Lane instructors. For more information contact Ian Coronado at coronadoi@lanecc.edu or call 5475.

T2T: INTRODUCTION TO DEVELOPING AN ONLINE OR HYBRID COURSE

Instructor: Vicky Kirkpatrick, 8-week online course. June 21-August 12.

What is it like to teach online? What is it like to be an online student? Experience both perspectives during this Introduction to Online or Hybrid class. You will be an online student as you learn about teaching with technology and about transforming your existing curriculum for the online environment using Moodle and best practices.

This 8-week online class will give you an overview of things you need to know about teaching an online or hybrid course. Topics include: getting started, setting up your structure, alignment of key components, tools in Moodle, and designing for quality.

Registration is required as space is limited. If you are interested in participating please enroll directly in ExpressLane, CRN# 12555. Class fee is waived for Lane instructors. For more information contact Vicky Kirkpatrick at kirkpatrickv@lanecc.edu or 5400.

T2T: SOCIAL NETWORKING AND WEB 2.0 TOOLS FOR ONLINE INSTRUCTION

Instructor: Ian Coronado, 5-week online course. June 28-July 29.

The focus of this course is on the use of Web 2.0 social networking tools that will foster instructor-student, content-student, and student-student interaction for online and hybrid course instruction. We'll look at new and emerging technologies for online learning, social networking tools and more. Core content for this course contributed by Jeffrey Borrowdale, Ian Coronado, Meredith Keene-Wilson, Vicky Kirkpatrick and Mirika Pineda. Registration is required as space is limited. If you are interested in participating please enroll directly in ExpressLane, CRN# 12558. Class fee is waived for Lane instructors. For more information contact Ian Coronado at coronadoi@lanecc.edu or call 5475.

LANE WEEKLY

Special Edition

Wednesday, June 16, 2010

IN MEMORY

A memorial service for longtime former biology instructor Rick Fraga will be held Saturday, June 19 at 1 p.m. at Springfield Faith Center, 600 Hayden Bridge Way. Rick died May 28 at age 72. He taught at Lane for 30 years from the earliest days of the college in 1966 until his retirement in 1995.

An obituary is available in The Register-Guard online at:

<http://www.registerguard.com/csp/cms/sites/web/news/obituaries/24836452-41/fraga-richard-springfield-calif-june.csp>

A family tribute in the RG also is available at:

<http://www.legacy.com/obituaries/registerguard/obituary.aspx?n=richard-thomas-fraga&pid=143505879>

LANE WEEKLY is the employee newsletter of Lane Community College. It is published Tuesdays unless otherwise announced or needed. For more information see www.lanecc.edu/cops/newsletter.htm or call (541) 463-5591. The Weekly is available to the vision-impaired through Disability Resources at (541) 463-5150. Lane Community College is an equal opportunity/affirmative action institution. Issue date: Wednesday, June 16, 2010

THIS WEEK

LEARNING GARDEN ORGANIC PRODUCE STAND, Wednesdays starting June 30, 11:30 a.m. - 1 p.m. Table outside west side of the cafeteria. Contact: Devon Bonady, Learning Garden Specialist, 5899.

NEWS

INTERIM ENROLLMENT AND STUDENT FINANCIAL SERVICES DIRECTOR NAMED
John Hamblin has been named interim director of Enrollment and Student Financial Services. He has been an enrollment services advisor at Lane since October 2008. Before Lane, he was an enrollment counselor at the University of Phoenix. John brings significant management experience to this position having served as general store manager at Copeland Sports/Sports Authority before transitioning to higher education. He is pursuing a master's degree in education in college student services administration at Oregon State University. Contact: Helen Garrett.

DEBBIE HOUTS RETIRING

Debbie Houts, long time College Finance/Student First! representative and most recently enrollment services advisor, has announced her retirement as of July 1. She has worked tirelessly for the college and its students and will be truly missed. Contact: Helen Garrett.

IN MEMORY

Lon Mills, labor relations consultant for Lane Community College in the 1980s and 1990s, died in a rafting accident on the Arkansas River near Salida, Colorado, on June 24. A story in the Mountain Mail online publication is available at

<http://www.themountainmail.com/main.asp?SectionID=4&SubSectionID=4&ArticleID=19517&TM=57990.32> Submitted by the editor.

ANNOUNCEMENTS

NOTICE FOR CLASSIFIED AND MANAGEMENT EMPLOYEES

Effective July 1, as part of your PacificSource medical coverage, you can participate in WeightWatchers and receive reimbursement. Information about this program and how to obtain reimbursement can be found via:

http://www.lanecc.edu/hr/benefits/documents/WeightWatchers_0610_3.pdf Submitted by Sharon Daniel.

DISTANCE LEARNING TEMPORARILY RELOCATES

Please send Distance Learning students who need assistance to building 19, room 249 inside the Academic Technology Center located just down the hall from our old office. Jessie Coddington and Kerry Schlicht are now located here, along with the staff of the ATC. The door to the ATC has a keypad and remains locked all the time, so please tell students to knock and someone will let them in and gladly assist them. Audrey Mills is in building 3, second floor. Dean Middleton and Randy Painter now have an office in the Center basement, 16D. Jessie, Kerry, Dean and Randy will move to building 2 this fall after remodeling is complete. Distance Learning's old office and studio areas are being remodeled to house Business Department staff and faculty offices. Contact: Audrey Mills, 5368.

JOIN LANE'S EFFORTS IN THE FIGHT AGAINST CANCER

LCC's Relay for Life team invites you to participate on our team. We are raising funds, holding garage sales, and walking in the American Cancer Society's Relay on August 6-7 at Thurston High School. We welcome all staff, students, families and friends to this important local effort to celebrate, remember, fight back and put an end to this terrible disease. Our team goal is to raise \$1,000, and we need your help to reach that goal and hopefully surpass it! For additional information, contact Sue Thompson at 5735 or thompsons@lanecc.edu or Patty Parks at 5099 or parksp@lanecc.edu. You can also log onto the official Relay for Life website and make direct contributions by going to www.esrfl.org and then looking up our team, Lane Community College. Thank you for your support. Submitted by Patty Parks.

SUMMER FOOD DONATIONS TO BE PICKED UP LAST TUESDAY OF THE MONTH

So far this year, 1,610 pounds have been collected for the I Can, One Can Food Drive. Only 390 pounds to go to reach our goal of 2,000 pounds (one ton) by the end of August. Check your pantry. Remind your friends to donate one can of non-perishable food a month for Lane's ongoing food drive. Food for Lane County's need has increased since they are providing free lunches to hundreds of children this summer. Think of creative ways to collect food. For more information about hunger in Lane County www.foodforlanecounty.org Look for a food box near you. Submitted by Beverly Farfan, farfanb@lanecc.edu or 541-463-5395 or 541-912-2228.

SUMMER HOURS AND CLOSURES

Summer hours and closures are published once in Lane Weekly, then posted online at <http://www.lanecc.edu/summerhours.html> New this week:

* Lane Community College will be closed to the public for the Independence Day holiday on Monday, July 5. See the academic calendar online at <http://lanecc.edu/calendars/academic.html>

FACILITIES UPDATES

PUBLIC SAFETY UPDATE

Keyless Access: Child Care is in the commissioning process. Public Safety is open on Fridays to better serve faculty and staff who need to obtain their key cards. Lunch hour is 1-2 p.m. Special Event Public Safety Services Reminder: If Public Safety services are needed for a special event, please make your request well in advance so there's time to schedule additional officers. Be sure to submit an ICO at least a month in advance to Public Safety. For all emergencies including medical emergencies, please call 5555. Please call 5558 for non-emergency inquiries. Have a safe summer! Contact: Katherine Vos.

HOUSEKEEPING UPDATE

Custodians are starting deep cleaning projects. Housekeeping is hiring three additional temporary custodians to assist the team with summer deep cleaning projects.

Special Event Housekeeping Reminder: If custodial services are needed for a special event, please make your request well in advance so there's time to schedule custodians. Be sure to submit an ICO at least a month in advance to the housekeeping coordinators. Contact: Katherine Vos.

FACILITIES, MANAGEMENT AND PLANNING UPDATES

During the summer, indoor temperatures may differ from what you may have experienced during the spring. As people adjust to warmer outside temperatures, facilities staff often get a large increase in the number of requests for temperature adjustments to interior spaces. College guidelines have been established to both save energy and provide a standard on which to apply resources for improvements and customer service. Please read the following college indoor temperature guidelines before responding to temperature related requests for services:

INDOOR TEMPERATURE GUIDELINES

Facilities Management and Planning understand the importance of a comfortable work and study environment and want to work with everyone to save energy and maintain comfort.

With the change of season upon us this is an appropriate time to remind everyone of the indoor temperature guidelines, adopted in 2006 as part of the energy policy, and our effort to balance a comfortable learning and working environment with energy conservation. We recognize that comfort varies for individuals, and have developed indoor temperature guidelines based on scientific studies to create comfortable conditions for the greatest number of students and staff.

Warm Weather Month Guidelines: 74 to 77 degrees F

Cool Weather Month Guidelines: 68 to 73 degrees F

Ancillary Space (Hallways, Lobbies, Stairwells): 63 to 82 degrees F

Notes:

During transition months, such as October and April, guideline ranges expand to 68 to 77 degrees F. These expanded ranges also apply during extreme weather conditions and periods of high electric demand.

Guidelines are applied during normal business hours.

Staff and students are encouraged to wear clothing that can be adjusted to maintain personal comfort.

If you feel that temperatures are too high (higher than 78 degrees F), or too cool (lower than 68 degrees F), in your area, please contact Facilities Management and Planning at 5216 or e-mail at facilitiesoffice@lanecc.edu.

Summer Maintenance Items Completed by the FMP Trades Team and Custodial Team:

The following items are prioritized to clean up, paint needed items, refresh the campus, and get it ready for another busy academic year.

- * Power washing concrete surfaces. This work is noisy and will take most of the summer starting July 9.
- * Longhouse interior finish work and exterior landscaping work will continue through early September.

- * Smoking shelters will be relocated to the parking lots per Wendy Simmons, Tom Oroyan, the smoking committee, college council, with the help of the FMP trades staff and contractors.
- * New counters and some cabinet work will be constructed and installed in building 5, and having FMP trades do this work saves bond project renovation funds.
- * A new fence will be installed near building 12 to secure auto body instructional program vehicles.
- * Handrails will be repaired and painted.
- * Concrete stairs will be repaired as needed.
- * Doors associated with the new keyless access system will be re-painted and approximately 130 new door closers will be installed.
- * Parking lot improvements and maintenance items that include sealing and re-striping the Cottage Grove parking lot. Some additional ADA accessibility stalls will be added.
- * Interior light lamps that have burned out will be replaced.
- * Over 80 top priority safety related work orders will be completed and nearly 150 to 200 work orders per month will be completed.
- * Relocating and moving furnishings and equipment associated with buildings 2, 4, 5, 6, 19, 30, and the Native American Longhouse and as needed to support the renovations and improvements made on campus this summer.
- * Grounds improvements around building 3, the new Health and Wellness Center, and the new Native American Longhouse.
- * Completing housekeeping deep cleaning activities in many areas. Katherine Vos has a detailed list of items to complete.

FMP is currently using the following work request prioritizations as a starting point to evaluate needs and requests and to cancel items that would be aligned with "wants" or "nice to have" or simply a convenience or aesthetic improvement item. Due to limited resources and the need to focus our efforts, we are forced to cancel or postpone many of the lower priority work requests. The process of evaluating work orders is ongoing and we do request that only top priority work requests be submitted. It is our intention to send an e-mail to each requestor of work requests submitted that were canceled or postponed. We are also planning to implement a new work order management system during the next fiscal year that will allow better tracking, reporting, resource management and prioritization, and enhanced communication of all work requests. The cost of this new system will be very minimal.

FMP Work Order Priority Criteria:

Priority 1:

- * Urgently needed to maintain function in buildings and instructional areas such as emergencies involving HVAC, lighting, or other necessity required to maintain function
- * Immediate urgent safety or health threat, severe risk, or high exposure frequency
- * Indoor Environmental Quality (IEQ) issues
- * Urgent projects needing to meet or maintain strict regulatory compliance rules
- * Life cycle R.O.I. > 50%

Priority 2:

- * Minimize damage to existing systems
- * Moderate safety or health risk and exposure frequency
- * Code compliance issues
- * Functional need
- * Achieves sustainability commitments
- * Meet or maintain compliance with college policies

- * Life cycle R.O.I. > 25%

Priority 3:

- * Reoccurring finishes or furnishing replacements
- * Asset protection requirement

Priority 4:

- * Want, not a need

Note: Work requests associated with future bond projects or that are located in areas that are considered for future bond project work will be given a higher level review with increased probability that the request will be postponed until the bond work is designed and implemented. For questions regarding what the FMP trades team is doing this summer, please contact Angela Fazio at 3428.

GROUP BUS PASS AND STICKERS FOR SUMMER TERM

Students or staff taking a credit class on main campus or at the Downtown Center (DTC) are eligible for a LCC bus pass good for the entire term. Stickers for summer term will be available beginning June 29 at the Titan Store return window or at the DTC. Visit <http://www.ltd.org/> for changes to the LTD summer schedule as well as service changes for the 2010-11 year. The #81 LCC/Harris will not operate on Saturdays during the summer beginning June 13. Contact: Jennifer Hayward, 5594.

BOND UPDATES —

BUILDING 2 REMODEL

Demolition has completed and wall framing has begun on both the first and second floors. Asbestos abatement will be completed next week. The computer room air conditioning units were set in place for the data center, the phone system has been relocated, and moving additional equipment continues. Contact David Amundson, 3455.

BUILDING 6 PERFORMING ARTS ELEVATOR

The elevator pit excavation is almost complete. Demolition of the second floor spaces is almost complete. Contact David Amundson, 3455.

BUILDING 10 REMODEL

FMP crews continue with demolition of the mezzanine floors and the old bridge crane, and will begin demolition of the uneven and broken sections of the main floor slab. Architects will release drawings for bidding on July 8, and bid deadline to be received is August 4. The print making studios will be temporary relocated to the building 13 annexes when FMP crews complete remodel work of rooms 105 and 106 to accommodate the program. Contact David Amundson, 3455.

DOWNTOWN CAMPUS BUILDING

The selection committee plans to ask the board of education to award a contract for architectural services to the team it recommends at the board's July meeting. Negotiations with the top ranked team for contract terms and fees have started. If all goes well, the contract should be worked out prior to July's meeting. Architectural work will begin shortly after the contract is executed. Contact Bob Mention, 5747.

FIRE ALARM AND MASS COMMUNICATION SYSTEM

The system was tested in the presence of a deputy Oregon state fire Marshall on Friday, June 18. The majority of areas tested passed. One area that requires more work is the

synchronization of the fire strobe lights in the lower level of the campus services, building 7. The contractor will perform additional work and the system will be retested in a couple of weeks. Contact Dave Smith, 3433.

KEYLESS ENTRY

The contractor, Allied Fire & Security, is finishing up the keyless entry installation in Child Care this week and will be moving to building 18 next week. The installation at Florence is mostly complete with the exception of the programming and coordination with the monitoring service. Contact Dave Smith, 3433.

SOLAR STATION

Utilities trenching work will be completing the first part of the week beginning June 28. Parking and passage impacts will be reduced and work will be focused in the enclosed area immediately around the solar station project area. Project completion is expected August 31, 2010. For more information, visit <http://www.lanecc.edu/bond/index.html>. Contact Anna Scott, 5805.

OTHER FACILITIES PROJECTS –

HEALTH AND WELLNESS CENTER

Interior cleanup is underway and will be followed by punch list inspections during the first week of July. Landscaping crew has started work on irrigation lines. Work continues on exterior flatwork. Landscaping and site work will continue well into July, and at times this work may involve equipment exhaust, dust and noise. Project completion expected in August, 2010. Contact Brian McMurray, 5829.

NATIVE AMERICAN LONGHOUSE

Interior painting has begun and will continue for three weeks. Concrete floor finishing, tile installation and trim work will follow. Parking lot curbs will be poured and landscaping work will begin this week. Project completion expected in September 2010. Contact Brian McMurray, 5829.

----- TRAININGS -----

EMPLOYEE WELLNESS

<http://www.lanecc.edu/wellness/wellnessclasses.htm>

Maintain your wellness over the summer! Exercise partners are needed for hiking, running, tennis, walking and more! If you are interested, please send activity choice, along with days, times, and contact information to kinglm@lanecc.edu

Sign up for the six-week "Activize & Nutritionize Your Summer" program that starts June 27 by contacting Layne as well. Golf for Life starts Friday, June 25 at RiverRidge Golf Course. For more information, contact vanderhorstg@lanecc.edu

ACADEMIC TECHNOLOGY CENTER WORKSHOPS

See <http://lanecc.edu/atc/wstraining/schedule.html> for details.

* Smart Classroom AV Systems - Learn how to turn on, log onto, operate, and troubleshoot Smart Classroom and Smart Cart audiovisual systems. Duration: 1 Hour. No Registration Required. Tuesday, July 6th, 2010, 4 P.M. @ LCC19 248

* Technology Orientation For New Faculty - Introduction to LCC computer resources, including: Logins and Passwords, Class Lists and Emailing Students, GroupWise Email, Time Sheets, Grading, Smart Classrooms, & Support Resources. Duration: 3 Hours. Thursday, July 8th, 2010, 2 P.M. @ LCC19 249 Registration Required: Email atc@lanecc.edu

* Moodle Introduction - Moodle offers numerous options for setting up a class, including discussions, transferring files, announcements, grading, posting syllabi and assignments online, creating links to other Web sites, and even setting up Web pages and wikis! This hands-on workshop will introduce participants to the Moodle software system. Duration: 2.5 Hours. Wednesday, July 7th, 2010, 2 P.M. @ LCC19 249 Registration required: email atc@lanecc.edu?

* Moodle Assignments And Activities - Overview of all activities, including typical uses and grading options and hands-on practice setting up assignments and other kinds of graded and un-graded activities. Duration: 2.5 Hours. Wednesday, July 14, 2010, 2 p.m. @ LCC19 249 Registration required: email atc@lanecc.edu ? ?

* Moodle Chats and Forums - In this class we will explore the instructional applications of Moodle forums, match the different types of Moodle forums to their instructional uses, and practice setting up different types of forums. For current Moodle users. Duration: 2.5 Hours. Wednesday, July 28, 2010, 2 p.m. @ LCC19 249 Registration required: email atc@lanecc.edu ? ?

* Moodle Quiz Module - In this workshop you will learn how to: import and create questions, organize question banks, deliver quizzes and tests in Moodle, and arrange for proctored administration of Moodle tests. For current Moodle users. Duration: 2.5 Hours. Wednesday, August 4, 2010, 2 p.m. @ LCC19 249 Registration required: email atc@lanecc.edu ? ?

* Moodle Gradebook - Learn how to set up a straight-point or weighted gradebook, enter and manage grade records, and verify and troubleshoot your gradebook. For current Moodle users. Duration: 2.5 Hours. Wednesday, July 21, 2010, 2 p.m. @ LCC19 249 Registration required: email atc@lanecc.edu

SUCCESSFUL AGING SUMMERS

* Naturopathy & Healthy Aging W, June 30-July 14, 3-5 pm, DTC Rm 233 (6 hrs \$39) (Senior \$33), CRN 11916

ANNOUNCEMENTS

KLCC BROADCASTS FROM OREGON COUNTRY FAIR

KLCC 89.7 FM will bring the music and ambience of the Oregon Country Fair to anyone with a radio or internet connection. Main Stage performances will air on KLCC each day for a weekend of solid entertainment.

On Friday KLCC will broadcast Main Stage performances by Opening Bell, Alice DiMichele, Cast of Clowns, Jerry Joseph, and Moon Alice. KLCC will break from the Fair at 4:30 p.m. to air NPR's All Things Considered, returning to the Fair at 5:30 p.m. to broadcast Great American Taxi.

On Saturday KLCC will broadcast Main Stage performances by Tippy Agogo, Tapwater, Medium Troy, Russell Batiste & Friends. KLCC will break from the Fair at 5 p.m. for NPR's All Things Considered, and return at 5:40 p.m. for the closing act, CB3 Chris Berry Trio. A special Dead Air from The Fair airs at 7 p.m.

On Sunday KLCC will broadcast Main Stage performances by Sugarbeets, Olem Alves & Inner Limits, Darol Anger & Scott Law, Zilli Misik, Hot Buttered Rum, and the Gourds. The live broadcast concludes at 7 p.m.

KLCC reporters will be roaming the path gathering stories about the Fair, and the KLCC booth near the Main Stage Meadow will be staffed with smiling faces to greet Fair goers throughout the weekend.

With KLCC streaming live on the web, the Oregon Country Fair can be enjoyed throughout the world.

Visit www.klcc.org and click on "Listen Live."

The broadcast is funded by generous sponsors from the KLCC business community. Keep the magic of the Oregon Country Fair with you, courtesy of KLCC 89.7 FM Eugene. Submitted by Gayle Chisholm.

LANE PREVIEW NIGHT 2011

Wednesday, February 2

Lane Preview Night, the college's annual on campus open house recruitment event for prospective high school students and their families, will take place Wednesday, Feb. 2, 2011 from 6 to 8:30 pm in Building 5 (gym). More details will surface as the fall comes and goes, but please mark your calendars now for this critical event. Submitted by David Van Der Haeghen, Student Recruitment and Outreach Coordinator, Enrollment and Student Financial Services.

SUMMER FOOD DONATIONS PICKED UP THE LAST TUESDAY OF THE MONTH

So far we've collected 1,610 pounds this year for the I Can, One Can Food Drive. Only 390 pounds to go to reach our goal of 2,000 pounds by the end of August. Check your pantry. Remind your friends to donate one can of non-perishable food a month for Lane's ongoing food drive. Food for Lane County's need has increased since they are providing free lunches to hundreds of children this summer. Think of creative ways to collect food. For more information about hunger in Lane County

www.foodforlanecounty.org Look for a food box near you. Submitted by Beverly Farfan, farfanb@lanecc.edu or 541-463-5395 or 541-912-2228.

THE ACADEMY OF ARTS AND ACADEMICS high school (A3) in Springfield will have a yard sale/fundraiser for the all school retreat on July 23rd and 24th at the memorial building on 8th and A streets, across from the post office. The parent group along with hardworking students will be accepting

donations of clean, usable items on Thursday, July 22nd from 4-8 p.m. at the memorial building. If you need items picked up we can help with that too. All donations are tax deductible. The sale itself runs from 8 a.m. until 4 p.m. Contact Tina Lymath at 5336 or at 541-731-3238.

GREAT SEATS FOR THIS YEARS WOMEN OF FAITH WEEKEND FOR SALE. I have 50 or more good seats for October 8-9 Women of Faith at the Rose Garden Arena in Portland available at a discounted price. Check it out at: <http://www.womenoffaith.com/>. See the seating at: https://registration.womenoffaith.com/peo/venue_areas.asp Seats are in section 117. Contact Mary Binford 541 556-9384 or email me at: imaginewgwd4u@yahoo.com

WANTED: RENTAL HOUSE or condo to be available on or around Sept. 1st. 2 or 3 bedrooms, Prefer South Eugene, Downtown or Ferry St. Bridge areas. Excellent references available. Email gernertk@lanecc.edu or call 480-570-6673.

ROOSTER NEEDS A HOME! Our young hen Lucy, born in March, has finally decided she'd rather be a Leroy recently by giving us hardy cock-a-doodle-do's in the not-so-early morning (8:30 ish). We're sad because we like Lucy, a lovely Rhode Island Red, but if she's going to crow and be Leroy, well we can't keep her/him. Any one out there who would like to adopt this sweet young chicken? (Good home only, no stewpots please) Call Marty@541-484-6767 or Pamela @3255.

ARE YOU EXPLORING OREGON THIS SUMMER? Stop by the Titan Store and check out our display of books about Oregon. We have books on hiking, biking, canoeing, weird roadside attractions, fossils and more. After you have done your exploration, feel free to post a picture of where you went and/or what you did. Label it with your first name and where the picture was taken. Let's all Explore Oregon together, either by photo or adventures. Have a great Summer! Peggy x5676.``

LANE'S RELAY FOR LIFE TEAM FUNDRAISER HUGE GARAGE SALE: Help us fight cancer. You can help by donating items or shopping. NEWS

LIVING VESSEL INSTALLED AT HEALTH AND WELLNESS

A metal sculpture by internationally renowned artist Devin Laurence Field titled "Living Vessel," was lifted by crane and set in place Monday at the Health and Wellness Center. See the story and photo on the KVAL South Eugene news web page at:

<http://southeugene.kval.com/content/sculpture-installed-front-new-lcc-building>

For more information about the sculpture or the Health and Wellness Center, contact the Lane Community College Foundation at (541) 463-5226.

DENINE MCMURREN MOVES TO HR

Denine McMurren has accepted the opportunity to assume the vacant HR payroll analyst assignment. She started Monday, July 12. Please join us in welcoming Denine to Human Resources. Contact: Dennis Carr.

JEFF GOOLSBY TO COORDINATE MEDIA ARTS

After a rigorous and competitive search, Jefferson Goolsby, assistant professor of digital art at the University of Maine, has accepted the position of Media Arts coordinator in Lane's Division of the Arts. Jeff taught in Media Arts at Lane from 2003-2006 and holds both a master's in interdisciplinary studies (communication design, music and English) from California State University, Chico, and an MFA in digital arts from the University of Oregon. He has broad and current experience in multimedia, graphic design, web design, interactive art, grant development and implementation, and program and curriculum design, development and implementation. Most recently he helped integrate and develop arts and media arts programs and curricula for both undergraduate and MFA degrees at the University of Maine. He has maintained a rigorous, international scholarship agenda in emerging distribution and production systems. Jeff will coordinate all media arts programs including multimedia, graphic design, new media journalism and web design. Thanks to the search committee: Rick Simms, chair, Susan Lowdermilk, Teresa Hughes, Meredith Keene-Wilson, Josh Taylor, and Tim Blood. Thanks also to HR specialist Lynn Schell, Executive Dean Don McNair, Vice President Sonya Christian, and President Mary Spilde and their staffs for helping expedite this process. Contact: Rick Williams.

ANNOUNCEMENTS

HELP FIGHT CANCER; JOIN LANE'S TEAM

The Relay for Life sponsored by the American Cancer Society is almost here. The Relay starts Friday, August 6 at noon and ends Saturday, August 7 at noon at Thurston High School. It is okay if you can only walk a lap or two. You don't even have to officially join the Lane team. There are many ways to support our efforts by purchasing a luminaria, sun or moon card from us in honor or memory of someone that has battled cancer. We will display these at our tent site and on the track during the Luminaria Ceremony. It is a time to remember those lost to cancer, support those fighting the disease and rejoice with those who are survivors. Luminaria are glowing bags that appear to be simply paper sacks filled with sand and candles, but every bag represents a life that battled cancer. The ceremony is one of the most emotional moments at the Relay. When the sun goes down, hundreds, sometimes thousands, of luminaria light the way under the stars and a moment of silence falls during the moving ceremony of remembrance. It is the light of hope. Keep that fire of hope burning, join us and support this worthy cause. For additional information, contact Sue Thompson at 5735 or thompsons@lanecc.edu or Patty Parks at 5099 or parksp@lanecc.edu or log onto the official Relay for Life website and make direct contributions by going to www.esrfl.org and look up our team, "Lane Community College." Thank you for your support.

LANE PREVIEW NIGHT 2011

Wednesday, February 2

Lane Preview Night, the college's annual on campus open house recruitment event for prospective high school students and their families, will take place Wednesday, Feb. 2, 2011 from 6 to 8:30 pm in Building 5 (gym). More details will surface as the fall comes and goes, but please mark your calendars now for this critical event. Submitted by David Van Der Haeghen, Student Recruitment and Outreach Coordinator, Enrollment and Student Financial Services.``

FACILITIES UPDATES

BOND UPDATES —

BUILDING 2 REMODEL

Work is continuing at a fast pace and the project continues to be on schedule. The metal roofing is nearly complete, classrooms and offices on the first floor are framed and drywall is being installed, and work to move and upgrade the data center is on task. In the basement, asbestos abatement has been completed and upgrade materials for the mechanical system are being installed. Contact David Amundson, 3455.

BUILDING 6 PERFORMING ARTS ELEVATOR

The elevator pit concrete was poured on Friday, July 9 and the masonry walls for the elevator shaft will be started this week. The second floor rooms have been framed and the elevator equipment is scheduled to arrive in August. Contact David Amundson, 3455.

BUILDING 10 REMODEL

Lane crews have nearly completed demolition of all mezzanine floors and the building is currently one vast, open space. The construction documents for the remodel were issued for bidding on July 8, and bids are due on August 4. Contact David Amundson, 3455.

DOWNTOWN CAMPUS BUILDING

Negotiations with the highest ranked architectural team continue. A recommendation will be made to the Board of Education at its July 14 meeting. Contact Bob Mention, 5747.

SOLAR STATION

Site work continues. Holes have been augured for the main roof support columns. Steel columns will be put in place in preparation for concrete at the end of the week. The educational component will begin August 23. Caution remains for parking and passage impacts around the solar station immediate work area. Project completion is expected August 31. For more information, visit <http://www.lanecc.edu/bond/index.html> Contact Anna Scott, 5805.

TRACK AND SOCCER BOWL UPGRADES

Babb Construction has started the project and is going strong. Crews are working 60 hours a week to try and make up for lost time due to heavy rains over the last two months. Master planning for the campus has introduced positive changes and location change of the soccer field. Architects are working on a final design and are expected to be completed by the end of July. Contact Mark Richardson, 3456.

OTHER FACILITIES PROJECTS –

HEALTH AND WELLNESS CENTER

A temporary certificate of occupancy has been received. Punch list work and finishing touches continue inside. Lane's moving crew will begin bringing in exercise and instructional equipment this week. The landscaping and flatwork continues outside. The wooden boardwalk on south side of building is being installed. All landscaping and site work will continue throughout July. At times this work may involve equipment exhaust, dust and noise. Project completion expected August 2010. Contact Brian McMurray, 5829.

NATIVE AMERICAN LONGHOUSE

Interior wall and ceiling paint will be completed July 16. Concrete floor finishing, tile installation, and wood floor covering will follow. The parking lot curbs have been poured and paver sidewalks are being installed. Project completion expected September 1, 2010. Contact Brian McMurray, 5829.

IT'S ROTARY DUCK RACE TIME! Tickets are on sale now and, as usual, there are fabulous prizes for winners... the Duck Race is scheduled for October 9th at Alton Baker Park and winners will be contacted as well as listed in the Register Guard. The Rotary has raised over \$4.5 million for local non-profit programs focused on the prevention of child abuse and neglect. The purchase of tickets supports the life changing work of these agencies and gives us the opportunity to say thank you. The five agencies that will receive funding from the proceeds this year are: Womenspace, Center for Community Counseling, Direction Service, Birth to Three, and Family Relief Nursery. If you would like to learn more about the Rotary, the Duck Race, or this year's recipient agencies, you're welcome to visit the Web site at <http://www.rotaryduckrace.com> Also, here's a video about the Duck Race events: <http://rotaryduckrace.com/video.html> If you would like to buy tickets to support the fight against child abuse, please contact me at hartn@lanecc.edu or x3010. Even though I'll be in and out of the office this summer, I'll track your messages and get back to you. Tickets are \$5 each, or \$125 for a book of 25. Have a great summer! Nancy Hart x3010.'

EVERYBODY DESERVES A MASSAGE WEEK - July, 18th - July, 24th. Would you like to be a Student Clinic client? You can help Lane massage students develop and grow, and get a massage while doing it! One hour full-body massage only \$20.00! Open to all community members. Tell your family and friends! Call Kathy, 541-463-5911 or email calisek@lanecc.edu to schedule your appointment today!

HUSQVARNA 455 Rancher, 56cc, 20in bar. Used one season. New \$419.00, will sell \$250.00 or best offer! Interested? call Marsha or Larry 541-747-6414.'

THE ACADEMY OF ARTS AND ACADEMICS high school (A3) in Springfield will have a yard sale/fundraiser for the all school retreat on July 23rd and 24th at the memorial building on 8th and A streets, across from the post office. The parent group along with hardworking students will be accepting donations of clean, usable items on Thursday, July 22nd from 4-8 p.m. at the memorial building. If you need items picked up we can help with that too. All donations are tax deductible. The sale itself runs from 8 a.m. until 4 p.m. Contact Tina Lymath at 5336 or at 541-731-3238.``

GREAT SEATS FOR THIS YEARS WOMEN OF FAITH WEEKEND FOR SALE. I have 50 or more good seats for October 8-9 Women of Faith at the Rose Garden Arena in Portland available at a discounted price. Check it out at: <http://www.womenoffaith.com>. See the seating at: https://registration.womenoffaith.com/peo/venue_areas.asp Seats are in section 117. Contact Mary Binford 541 556-9384 or email me at: imaginewgwd4u@yahoo.com ``

WANTED: RENTAL HOUSE or condo to be available on or around Sept. 1st. 2 or 3 bedrooms, Prefer South Eugene, Downtown or Ferry St. Bridge areas. Excellent references available. Email gernertk@lanecc.edu or call 480-570-6673.``

ROOSTER NEEDS A HOME! Our young hen Lucy, born in March, has finally decided she'd rather be a Leroy recently by giving us hardy cock-a-doodle-do's in the not-so-early morning (8:30ish). We're sad because we like Lucy, a lovely Rhode Island Red, but if she's going to crow and be Leroy, well we can't keep her/him. Any one out there who would like to adopt this sweet young chicken? (Good home only, no stewpots please) Call Marty @ 541-484-6767 or Pamela @3255.``

LANE WEEKLY is the employee newsletter of Lane Community College. Send submissions to weekly@lanecc.edu. Guidelines online at www.lanecc.edu/cops/newsletter.htm For information, call (541) 463-5591. The Weekly is available to the vision-impaired through Disability Resources at (541) 463-5150. Lane Community College is an equal opportunity/affirmative action institution. Issue date: Tuesday, July 13, 2010

NEWS

MCCOWN, JOHNSTON TO LEAD BOARD

Tony McCown of Eugene was elected chair and Susie Johnston of Pleasant Hill was elected vice chair of the Lane Board of Education for 2010/11 at the board's July 14 meeting. McCown is a political consultant and was elected in May 2007 to a four-year term expiring June 30, 2011. He represents Zone 2, the northern part of the college district. He is a former Lane student body president. Johnston is a Lane student and was re-elected in May 2009 to a second four-year term that expires June 30, 2013. She represents Zone 4, the eastern part of the college district. She previously chaired the board in 2008/09. Also serving on the board this year are Robert Ackerman, Pat Albright and Roger Hall, all of Eugene; Sharon Stiles of Florence; and Gary LeClair of Springfield. Submitted by the editor.

ANNOUNCEMENTS

DOWNTOWN CAMPUS VIDEO ONLINE

Want to learn more about Lane's new Downtown Campus? Watch the Downtown Campus video featuring Lane President Mary Spilde, Eugene Mayor Kitty Piercy, Eugene Chamber Director Dave Hauser, Lane graduate Trish Butcher, Board of Education members Pat Albright and Tony McCown, and others, at <http://www.lanecc.edu/dc> Contact: Tracy Simms, simms@lanecc.edu

BENEFITS OPEN ENROLLMENT COMING SOON

For contracted faculty and benefits-enrolled part-time faculty only:

Open enrollment begins on August 15, 2010 and continues through September 25, 2010 (original September 15, 2010 deadline was extended for Oregon community colleges).

Information on how to review and make changes to your plan selection(s) and dependent(s) will be sent to home mailing addresses. The following link is a copy of OEBB's postcard announcing open enrollment:

<http://www.oregon.gov/DAS/OEBB/docs/OpenEnrollment/2010/OEPostcard071510.pdf>

Resources benefits staff will post 2010/11 benefits rates on the following web page in early August:

<http://lanecc.edu/hr/benefits/index.htm>

For specific insurance claim questions, please contact your specific insurance carrier: ODS at (866) 923-0409; Providence at (800) 878-4445; Willamette Dental at (800) 460-7644 (choose option 3).

If you have specific enrollment and eligibility related questions, please contact Sharon Daniel at (541) 463-5190, daniels@lanecc.edu (for last names beginning with A-L) or Heidi Morales at (541) 463-5592, moralesh@lanecc.edu (for last names beginning with M-Z).

Please review the open enrollment materials that OEBB will be sending you, as many of the medical plans have changed office co-pays, deductibles and co-insurance amounts effective October 1, 2010. Additionally, OEBB will be offering Long Term Care Insurance, administered

through Unum, and Employee Assistance Program (EAP) services, provided by Reliant Behavioral Health.

Part-time faculty can review insurance eligibility requirements and information at <http://lanecc.edu/hr/benefits/ptcfbenes.htm#ins>. At the beginning of each term Human Resources determines insurance eligibility for the current term and will notify, via postal mail, those who are eligible to enroll.

HELP FIGHT CANCER: JOIN LANE'S TEAM

The Relay for Life sponsored by the American Cancer Society is almost here. The Relay starts Friday, August 6 at noon and ends Saturday, August 7 at noon at Thurston High School. It is okay if you can only walk a lap or two. You don't even have to officially join the Lane team. There are many ways to support our efforts by purchasing a luminaria, sun or moon card from us in honor or memory of someone that has battled cancer. We will display these at our tent site and on the track during the Luminaria Ceremony. It is a time to remember those lost to cancer, support those fighting the disease and rejoice with those who are survivors. Luminaria are glowing bags that appear to be simply paper sacks filled with sand and candles, but every bag represents a life that battled cancer. The ceremony is one of the most emotional moments at the Relay. When the sun goes down, hundreds, sometimes thousands, of luminaria light the way under the stars and a moment of silence falls during the moving ceremony of remembrance. It is the light of hope. Keep that fire of hope burning, join us and support this worthy cause. For more information, contact Sue Thompson at 5735 or thompsons@lanecc.edu or Patty Parks at 5099 or parksp@lanecc.edu or log onto the official Relay for Life website and make direct contributions by going to www.esrfl.org and look up our team, "Lane Community College." Thank you for your support.``

----- FACILITIES UPDATES -----

MAINTENANCE WORK REQUESTS

Facilities, Management and Planning has a written procedure for proper documentation and tracking of maintenance work requests. The process provides a best chance for getting results on requested items. When requesting a work request for the maintenance department, please ask your division/department dean/director or designated administrative support person to follow the following procedure:

1. Enter the following URL in your browser: www.e-mpulse.com/mpulse/infonet
2. At the login screen, right click on the cork-looking area of the window, choose 'Save Shortcut', and save to desktop. You can rename the shortcut icon that will be created if you prefer. Delete any old shortcut.
3. Login with your login username and password.
4. Database: In the field 'Database' enter LCC. You should only have to do this the first time you log in.
5. Please fill in the following fields with the details required of FMP in order to process the request and avoid further delay:
 - * Description: Write a brief description (3-4 words) of your request. Begin with the building and room numbers, eg. Bldg. 7/205 Repair Pencil Sharpener, Keys-John Doe, or Motorpool-Jane Doe, depending on your request.
 - * Requester: Your name if not already filled in.
 - * Phone Number: Your extension
 - * Department: Select your department from the drop-down list.

- * Campus: Select the campus from the drop-down menu.
 - * Work Order Type: Select the most appropriate type from the drop-down menu.
 - * Account Number: Enter the FOAP account number that you want FMP to charge any applicable expenses.
 - * Est. Cost: Ignore. You may leave this field blank.
 - * Requester E-mail: Enter your e-mail address.
 - * Description/Instructions: Enter a detailed description of your request. Include contact name(s), phone number(s), and location.
6. Click Submit (or 'Reset' if you want to start over).
7. A confirmation screen with your Work Request number will be displayed and you can print your request or submit another work request. You may have to disable pop-up blocking tools that may be set to allow the confirmation to print.

MAINTENANCE WORK REQUEST TRACKING SYSTEM

You can also select your name or your department to view work orders submitted by anyone in your department. Pending means the request has not yet been converted to a work order, Open means a work order has been issued, and Closed means the work order is complete.

You can save your default setting once you have the filters you want by clicking on 'Save Disk' on the right side under the 'Search' bar.

If you have any questions regarding this process or if you need additional support, call the FMP office at extension 5216 or send an e-mail to facilitiesoffice@lanecc.edu

General note: FMP currently has over 600 open work orders. Many of these requests will be completed this summer. Many will be canceled or deferred. We will make an attempt to provide each requestor an e-mail notification if a request is canceled or deferred due to resource availability or prioritization processes. Contact: Dave Willis

LANDSCAPING IMPROVEMENTS

The FMP Landscaping and Grounds team is working hard to complete the landscaping upgrades around the Longhouse building before the fall term. The Lane County Sheriff's work crew will also be on site the week of July 26-29 doing various grounds work for the college.

Contact Frank Drengacz at extension 5567 for additional information.

TRUCK TRAFFIC CONSTRUCTION/SAFETY NOTICE

Please be very careful when parking in parking lot N this summer. The construction projects on campus have resulted in a huge increase in large truck and equipment traffic in lot N.

FMP TEAMS WORKING 6 DAYS PER WEEK

There will be crews and teams working Monday through Saturday through the remainder of the summer in order to complete outside and inside maintenance assignments. These include power-washing concrete surfaces 10 hours per day on Friday and Saturdays. Contact Angela Fazio on extension 3428 for additional information.

SMOKING SHELTER RELOCATIONS

Four of the existing smoking shelters will be relocated in August. Notices of this change are now posted on the shelters. All people that smoke will be asked to smoke in the designated smoking shelters located in parking lots B, L, M, and N. The smoking shelters will be painted red and provided with appropriate signs. The remaining shelters that are not relocated will be removed prior to the start of fall term. For more information on this topic, please contact Wendy Simmons, committee chair, extension 5551, Dennis Carr at extension 5585, or David Willis at extension 5566.

BUILDING 4 REMODEL

Construction activities for the new remodeled spaces are moving at a fast pace. LCL has over 50 employee staff, and subcontractors on site working long hours to make sure the building is completed and ready for the fall term. The new air system for the building has proven to be challenging with hidden surprises, but engineers for the project are working hard to remove these obstacles. The new air unit is scheduled to arrive on site this month and installation will begin the day it arrives. Contact Mark Richardson, 3456.

BUILDING 5 REMODEL AND ADDITION

Demolition of selected areas inside the building is complete. Remaining demolition will be completed in August after summer term ends. Abatement for the project is at about 90 percent and is expected to be completed by the end of this week. The foundation system for the new addition is going strong and crews are working on the final placements for the pile caps. Contact Mark Richardson, 3456.

BUILDING 19 REMODEL

Lee Construction has completed demolition at the new Business program location. Mechanical contractors are scheduled to install the new air system this week and are expected to complete the installation by Friday. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS BUILDING

At its July meeting the Board of Education awarded a contract to Robertson/Sherwood Architects and SRG Partnership to prepare designs and construction documents for the Downtown Campus building. The board also approved including student housing along with the academic building. Board members expect to discuss further details about student housing at a work session scheduled on July 28. Verifying the architectural space program listed in the feasibility report is the first task that the architects and college staff will tackle. Contact Bob Mention, 5747.

SITE IMPROVEMENTS AND CONCRETE REPLACEMENT

Two projects will be completed this summer. The first project will be a sidewalk replacement in front of Performing Arts, building 6. The project will start mid August. The second project is to remove the sidewalk and planter area on the north end of the LTD bus station and replace the sidewalk with a new design. The design will have a new raised walkway to provide safer access to the dental clinic. Contact Mark Richardson, 3456.

SOLAR STATION

The main steel support columns have been installed and work will begin to set the top cap assembly on these columns. Asphalt removal inside the fenced area resumes as preparations to backfill the center around the steel columns to form the island and ADA ramp continue. The educational component will begin August 23, 2010. Please be aware of continued parking and passage impacts around the immediate work area of the new Solar Station. Project completion is expected August 31, 2010. For more information, visit <http://www.lanecc.edu/bond/index.html>. Contact Anna Scott, 5805.

TRACK AND SOCCER BOWL UPGRADES

Babb Construction has started the project and is going strong. Crews are working 60 hours a week to try and make up for lost time due to heavy rains over the last two months. Master planning for the campus has introduced positive changes such as relocating the new soccer field north of the existing grass soccer field. Architects are working on a final design and are expected to be completed by the end of July. Contact Mark Richardson, 3456.

HEALTH AND WELLNESS CENTER

Punch list work and finishing touches are ongoing inside. Finish floor cleaning and sealing will begin July 21 and move in of existing equipment will follow. Landscaping work will continue for the next few weeks. The concrete paving, boardwalk and pedestrian bridge deck are nearly complete. At times landscaping and site work may involve equipment exhaust, dust and noise. Project completion expected August 2010. Contact Brian McMurray, 5829.

NATIVE AMERICAN LONGHOUSE

Interior paint has been completed and restroom tile installation has begun. Sidewalk pavers are being installed on the west side of the building. Concrete floor finishing is to begin the last week of July and this work is expected to take approximately one week. Wood floor installation will follow. Kitchen equipment is scheduled to go in mid August. Project completion expected September 1, 2010. Contact Brian McMurray, 5829.

TRAININGS

EMPLOYEE WELLNESS

<http://www.lanecc.edu/wellness/wellnessclasses.htm>

ACADEMIC TECHNOLOGY CENTER WORKSHOPS

<http://lanecc.edu/atc/wstraining/schedule.html>

Moodle Chats and Forums - In this class we will explore the instructional applications of Moodle forums, match the different types of Moodle forums to their instructional uses, and practice setting up different types of forums. For current Moodle users. Duration: 2.5 Hours. Wednesday, July 28, 2 p.m. @ LCC19 249 Registration required: email atc@lanecc.edu

Moodle Quiz Module - In this workshop you will learn how to: import and create questions, organize question banks, deliver quizzes and tests in Moodle, and arrange for proctored administration of Moodle tests. For current Moodle users. Duration: 2.5 Hours. Wednesday, August 4, 2 p.m. @ LCC19 249 Registration required: email atc@lanecc.edu

Moodle Gradebook - Learn how to set up a straight-point or weighted gradebook, enter and manage grade records, and verify and troubleshoot your gradebook. For current Moodle users. Duration: 2.5 Hours. Wednesday, July 21, 2 p.m. @ LCC19 249 Registration required: email atc@lanecc.edu

FREE TWO-DAY MEDICAL CLINIC OFFERED BY CASCADE MEDICAL TEAM: Lane County United Way asked that we help get this word out to students: After nine years of operating primary care clinics to the Mayan people of the Guatemalan highlands, the all-volunteer Cascade Medical Team (CMT) will turn its attention and experience to provide a similar medical mission in Lane County. For two days in July, a host of CMT volunteer medical professionals will provide free health care to local residents who do not have health insurance or access to affordable health care. Saturday and Sunday, July 24-25 from 8:00 am to 5:00 pm, Monaco RV Health Clinic Building (I-5 to Coburg exit 199, west to Industrial Way to the end, health clinic building is on the left.) Open to individuals and families without health insurance or access to

affordable health care. No proof of residency required. The clinic will provide full service primary care with specialists in family practice, internal medicine, pediatrics, gynecology and dermatology. Referrals also may be made to the current Lane County low cost health care system through the medical partners of United Way's 100% Access Coalition. Submitted by Joan Aschim.

SUPPORT LANE'S RELAY FOR LIFE EFFORTS by walking, donating, celebrating the lives of survivors or remembering those who lost their lives to cancer. This year's Relay will start at noon on August 6th and end noon, August 7th at Thurston High School. Join us along with nearly 5,000 community gatherings in the U.S. who host Relay for Life events. Teams of people camp out and take turns circling a track or path during the 24-hr. event because cancer never sleeps, and we're there to support each other. We will accept any donation you are able to give. Go to www.esrfl.org and donate to the LCC team. If you have any questions, call Sue Thompson @ 5735 or thompsons@lanecc.edu or Patty Parks @ 5099 or parksp@lanecc.edu. Celebrate. Remember. Fight Back!

LOOKING FOR A GREAT VACATION SPOT? We are selling our ownership with Sundance Meadows Ranch for only \$400+ closing costs (includes ownership deed, filling fees, and three months paid dues). Each owner pays \$40 per month thereafter for the maintenance upkeep for the ranch. Ride horses, ranch, swim, play miniature golf, hike, canoe, or enjoy all of Central Oregon's recreational activities. Enjoy tent, RV, or bunkhouse accommodations, a few miles from Sisters, OR. Call Geri Meyers Business Development Center at x4625 or e-mail meyersg@lanecc.edu `

IT'S ROTARY DUCK RACE TIME! Tickets are on sale now and, as usual, there are fabulous prizes for winners... the Duck Race is scheduled for October 9th at Alton Baker Park and winners will be contacted as well as listed in the Register Guard. The Rotary has raised over \$4.5 million for local non-profit programs focused on the prevention of child abuse and neglect. The purchase of tickets supports the life changing work of these agencies and gives us the opportunity to say thank you. The five agencies that will receive funding from the proceeds this year are: Womenspace, Center for Community Counseling, Direction Service, Birth to Three, and Family Relief Nursery. If you would like to learn more about the Rotary, the Duck Race, or

this year's recipient agencies, you're welcome to visit the Web site at <http://www.rotaryduckrace.com> Also, here's a video about the Duck Race events: <http://rotaryduckrace.com/video.html> If you would like to buy tickets to support the fight against child abuse, please contact me at hartn@lanecc.edu or x3010. Even though I'll be in and out of the office this summer, I'll track your messages and get back to you. Tickets are \$5 each, or \$125 for a book of 25. Have a great summer! Nancy Hart x3010.``

EVERYBODY DESERVES A MASSAGE WEEK - July, 18th - July, 24th. Would you like to be a Student Clinic client? You can help Lane massage students develop and grow, and get a massage while doing it! One hour full-body massage only \$20.00! Open to all community members. Tell your family and friends! Call Kathy, 541-463-5911 or email calisek@lanecc.edu to schedule your appointment today!``

HUSQVARNA 455 Rancher, 56cc, 20in bar. Used one season. New \$419.00, will sell \$250.00 or best offer! Interested? call Marsha or Larry 541-747-6414.``

U-PICK UP: Full size, seldom used guest room Simmons "maxipedic" matched set, very good condition. Clean, like new blue tapestry fabric on mattress and box springs. Frame included. \$85. <http://eugene.craigslist.org/fuo/1839799519.html> (furniture - by owner) Couch: Comfortable modern take on retro style, custom designed apartment size sofa: Length 76", width 36", height of back 36", depth of seat cushion 22", height of seat 18". ANNOUNCEMENTS

ALS CLOSURE

Academic Learning Skills Department Office (CEN 218) will be closed Wednesday, July 28, noon through the rest of the day and all day Thursday July 29. Contact: Cathy Lindsley, 5441.

BENEFITS OPEN ENROLLMENT COMING SOON

(for contracted faculty and benefits enrolled part-time faculty only)

Open enrollment will begin on August 15 and continue through September 25 (original September 15 deadline was extended for Oregon Community Colleges). Information on how to review and make changes to your plan selection(s) and dependent(s) will be sent to home mailing addresses. The following link is a copy of OEBC's postcard announcing open enrollment

<http://www.oregon.gov/DAS/OEBB/docs/OpenEnrollment/2010/OEPostcard071510.pdf><http://www.oregon.gov/DAS/OEBB/docs/OpenEnrollment/2010/OEPostcard071510.pdf>

Human Resources benefits staff will be posting 2010/2011 benefits rates on the following web page in early August: <http://lanecc.edu/hr/benefits/index.htm>

For specific insurance claim questions, please contact your specific insurance carrier: ODS at (866) 923-0409; Providence at (800) 878-4445; Willamette Dental at (800) 460-7644 (choose option 3).

If you have specific enrollment and eligibility related questions, please contact Sharon Daniel at 5190, daniels@lanecc.edu (for last names beginning with A-L), or Heidi Morales at 5592, moralesh@lanecc.edu (for last names beginning with M-Z).

Please review the open enrollment materials that OEBB will be sending you, as many of the medical plans have changed office co-pays, deductibles and co-insurance amounts effective October 1. Additionally, OEBB will be offering Long Term Care Insurance, administered through Unum, and Employee Assistance Program (EAP) services, provided by Reliant Behavioral Health.

Part-time faculty can review insurance eligibility requirements and information at:

<http://lanecc.edu/hr/benefits/ptcfbenes.htm#ins>

At the beginning of each term Human Resources determines insurance eligibility for the current term and will notify, via postal mail, those who are eligible to enroll.

PLEASE SUPPORT LANE'S EFFORTS IN THE FIGHT AGAINST CANCER

Join us at the Relay for Life event or make a donation to the LCC Team. We have only two weeks until Relay, August 6-7, 12 p.m. at Thurston High School. We are also recruiting survivors, a survivor is anyone who has been diagnosed with cancer. Survivors are vital to the mission, for they are the visible signs of hope. During the relay, there is a survivor ceremony at 7 p.m. Friday that honors those who have survived or are in active treatment. A special tent is set up with activities for survivors and their caregivers. If you are a survivor and would like to participate, please contact us, and we will make arrangements for you to participate.

Your donations support many Lane County programs and services of the American Cancer Society. Some of the services include Look Good...Feel Better, a free program that teaches people in active cancer treatment ways to help with appearance related side affects of treatment, Reach for Recovery, breast cancer survivors meet with patients face to face or over the phone to give patient and family support, Road to Recovery, volunteer drivers provide transportation to patients to treatment appointments, Friends of Florence Van, provides a daily shuttle to Eugene and Springfield for patients receiving radiation treatment. Patient Lodging, free or low cost lodging to out-of-town cancer patients receiving treatment, Gift Item Closet offers free wigs, hats, turbans, prosthesis and bras, Cancer Survivors Network online services for discussion boards, chat rooms, personal Web pages and Expression Gallery and more, Transportation Grant provides pre-paid gift cards or transit vouchers that help women travel to breast cancer treatment, screening and diagnostic mammography appointments, I Can Cope an online educational program to help families and patients cope with their cancer experience, Camp Ukandu a seven day camp for children ages 8-17 yrs., Cancer Survivor College Scholarship Program for young cancer survivors to pursue their post-secondary education, & Man to Man providing patient education about diagnosis and treatment options for prostate cancer, support and awareness. Your donations makes these programs possible, saves lives, helps others get well, finds cures and creates more birthdays! Go to www.esrfl.org Click on "Donate to a Team." Go to "Lane Community College." If you have any questions or are a survivor who'd like to participate, call Sue Thompson at 5735 or thompsons@lanecc.edu or Patty Parks at 5099 or parksp@lanecc.edu

----- FACILITIES UPDATES -----

FACILITIES, MANAGEMENT AND PLANNING

FMP crews continue power washing work around the Center building. In addition, crews have begun working on the refurbishing and painting many outdoor handrails and benches. Contact Angela Fazio, 3428.

PUBLIC SAFETY

Please don't wait, keycards await! Public Safety is open to issue keycards Monday through Thursday from 8 a.m.-1 p.m. and 2-5 p.m. Building lock/unlock schedule changes should be sent to both Jim Harris and Katherine Vos.

To reduce delay in having a building open, please ensure that your event/class is posted on R25.

Public Safety maintains all found property: items such as books, coffee cups, keys, bikes, cameras, thumb drives, backpacks and much more. Please contact the Public Safety office if you have lost a personal item. Let's work together to link found property up with its owner. We ask that all found property is delivered to the Public Safety office within 24 hours of receiving it. Contact Katherine Vos, 5561.

HOUSEKEEPING

Housekeeping is hiring temporary summer help to assist custodians with deep cleaning projects. Current summer cleaning projects underway include windows, private office cleaning, and high dusting in open buildings. Contact Katherine Vos, 5561.

BUILDING 2 REMODEL

Progress continues at a fast pace on the Building 2 project. In classrooms, offices, and meeting rooms, drywall is almost complete and painting has begun. Roofing is almost finished, and the HVAC systems are being readied for startup test over the next several weeks. The data center remodel is progressing smoothly. In order to transfer power to the new transformer and to put all the data center equipment on the permanent power source, there will be a shutdown of power to buildings 1, 2 (data center), 3, 18, 19, 24, 25, 26, 27, the lighting in southwest parking lots, and the greenhouse by the Child and Family Education complex on August 6, 6 p.m. to August 7, 12 p.m. All telephone and data services (Moodle, GroupWise, wireless access, the website, myLane/ExpressLane, etc.) will be unavailable during this outage. Contact David Amundson, 3455.

BUILDING 4 REMODEL

The project is on schedule and will be completed by mid September. Conflicts with the HVAC installation are now in the past and the project is progressing smoothly. Final finishes on the second level has started this week with painting the classrooms and new offices. Contact Mark Richardson, 3456.

BUILDING 5 REMODEL AND ADDITION

The concrete floor supporting the new addition is scheduled to be placed on Wednesday, July 28. Once concrete is set, contractors will then be able to install the steel framework that will support the new addition. Steel installation is noisy at times and will require air powered equipment to complete the connections. Steel installation is not expected to start until mid August. Contact Mark Richardson, 3456.

BUILDING 6 PERFORMING ARTS ELEVATOR AND REMODEL

Masonry and roof carpentry for the elevator shaft is complete. Roof installation was performed on Monday, July 26. The second floor office, restroom and piano studio are on schedule to be complete by mid August. The schedule for the elevator installation has been moved up and is expected to be complete by September 16. Contact David Amundson, 3455.

BUILDING 10 ART AND RTEC REMODEL

Construction bids for the Building 10 remodel are due August 4. Lane crews continue demolition of the interior and have begun removal of the concrete floor slab. The entire building has been fenced and all area inside the fence is considered a hardhat-required construction zone. Contact David Amundson, 3455.

BUILDING 19 BUSINESS FACULTY OFFICES

Wall framing is complete and sheet rock installation begins this week. Interior painting is scheduled for August 6 and will take four to five days to complete. This project is progressing on schedule and is expected to be completed by September 1. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS BUILDING

Programming work on the academic part of the building has started. Confirming the space needs of each of the occupying units is the first phase of the architects' work. Are the space needs listed in the feasibility report still valid? Two full days of meetings between the architects and representatives of the units occurred last week to review this matter. This week the architects will prepare diagrams and other material that reflects what they heard in the meetings. When ready, this material will be presented to the units. The architects will not do any work on the housing part of the project until the Board of Education gives further direction about how it wants the housing to be developed. The board has scheduled a work session on Wednesday, July 28 to discuss this matter further. Contact: Bob Mention, 5747.

FIRE ALARM AND MASS COMMUNICATION SYSTEM

The fire alarm system for the Modular buildings 13, Public Safety and SES, was successfully tested on Friday, July 23. This completes the scheduled testing of the fire alarm upgrades for much of the campus. The contractor, SecureCom, will be continuing to work on several building renovation projects, including buildings 2, 4, 5, 6, and 10. Contact Dave Smith, 3433.

KEYLESS ENTRY

The contractor, Allied Fire and Security, will be working next week on electronic and hardware installations on Gate 9 near the Public Safety office and in the Enrollment and Student Financial Services Building 1. They will also be returning to several buildings to make changes or to add additional doors into the system. Much of the installation on campus has been completed. They are also working on various renovation projects, including buildings 2, 4, and 6, and on new construction projects, the Longhouse and Health and Wellness Center. Contact Dave Smith, 3433.

SITE IMPROVEMENT AND CONCRETE REPLACEMENT

Two projects will be completed this summer. The first project will be a sidewalk replacement in the front of performing arts. The project will start in mid August and will be completed using LCC staff. The second project is removing the sidewalk and planter area on the north end of the LTD bus station and replacing the sidewalk with a new design. This design will have a new raised walkway to provide safer access to the dental clinic. This work is expected to start in the coming weeks and will be completed by Lease Crutcher Lewis.

SOLAR STATION

The contractor began backfilling and compacting the excavated areas with gravel fill. Forms have been set for the concrete islands and the steel caps for the pipe columns were received. One cap has been installed temporarily. Rebar and formwork is being installed for concrete footings. The contractor will pour the concrete for the footings and islands late next week, and will begin installing the paver stones the week after. The steel framework to support the PV panels is expected on Friday, August 6, with erection to begin the week of August 9. The educational component will begin August 23. Please be aware of continued parking and passage impacts immediately around the solar station work area. Project completion is expected August 31. Contact Dave Smith, 4633.

TRACK AND SOCCER BOWL UPGRADES

Excessive rainfall this year caused the construction crews to work 60 hours a week to make sure the project is completed by the fall term. The soccer field design is in the field review stages and a final design was presented Monday, July 26. Contact Mark Richardson, 3456.

HEALTH AND WELLNESS CENTER

Final floor cleaning and sealing will be completed by July 28. The move in of existing equipment and new classroom furniture will begin July 29. Trees have been planted around the building and landscape work will continue. Concrete paving north and east of the building is nearly complete. At times landscaping and site work may involve equipment exhaust, dust and noise. Project completion expected August 2010. Contact Brian McMurray, 5829.

NATIVE AMERICAN LONGHOUSE

Tile installation in restrooms is underway. Concrete stain and polish has begun and should be completed towards the end of the week. Wood floor and kitchen equipment installation is scheduled to complete mid August. Sidewalk pavers and stone planter walls are being installed on the west side of the building and landscaping work on the north end of the site will follow the pavers and stonework. Project completion expected September 1. Contact Brian McMurray, 5829.

NEWS

RFK JR. COMMENDS LANE FOR GREEN ENERGY TRAINING

Robert F. Kennedy Jr. recently lectured in Eugene and said, "Today we have an opportunity to create an infrastructure, much like what Lane is doing...." See the full story and photo online at: <http://www.lanecc.edu/mpr/news/rel01297.htm> Contact: Joan Aschim.

LAURA MARTIN NAMED BUDGET MANAGER

Laura Martin has accepted the position of budget manager and started her new role August 2. Laura is already well known to most of you. She is a highly trained CPA and brings extensive experience working throughout the college as the internal control accountant. On her own initiative Laura has been involved in training throughout the college in budget and financial issues and has been assisting the budget office a great deal this past year. We are pleased she has taken on this new challenge. Contact: Greg Morgan.

ENERGY CAREER OPPORTUNITIES INSPIRE DISPLACED WORKER

Laid off from Hewlett-Packard, Matt Heflin now is training for a second career in energy management. See the full story and photo online: <http://www.lanecc.edu/mpr/success/story59.htm> Contact: Joan Aschim.

ANNOUNCEMENTS

TERM'S END SHAKESPEARE SHOWCASE

"A Feast of Scenes" from the Bard's plays will be presented by the Lane Theatre Department and Student Productions Association on Saturday, August 7, at 7 p.m. in the Blue Door Theater, Building 6. Admission is free. The performers are students, faculty members and professional guest artists, with live music interludes. A replica of the London Globe Theatre stage provides the backdrop for the scenes and monologues. Director Judith "Sparky" Roberts says that the variety show, which runs just under two hours, will appeal to Shakespeare-lovers and "those who just want to become Shakespeare-friendly." The program is the final project for the Acting Shakespeare class, with outside actors who participate because of their passion for Shakespeare. Guest artists include local performer Nancy Hopps and professional actor Joe Cronin, who also coaches some of the students. The plays represented include Hamlet, Much Ado About Nothing, Othello, Merchant of Venice, Merry Wives of Windsor, Taming of the Shrew,

Twelfth Night, The Tempest, Romeo and Juliet, As You Like It, Richard II, Richard III, Macbeth, A Midsummer Night's Dream, King Lear, Henry V and The Winter's Tale. For more information, call 541-868-4545. Seating is open. Donations are welcome to support the continuing efforts of the Student Productions Association. Audience members must be 10 years or older to be admitted. Submitted by Sparky Roberts.

TITAN STORE CLOSURE

The Titan Store will be closed for system upgrades on Wednesday, August 18 and Thursday, August 19. Window service only August 23 - September 2, Monday - Thursday, 9 a.m. - 4 p.m.; closed Fridays. Contact: Vicki Colley.

PRINT SHOP ANNOUNCES DEADLINES FOR 2010-2011

The deadline for submitting fall term instructional packets to Printing/Graphics is August 13. Handouts needed for the first day of fall term classes should be submitted by September 10. Subsequent deadlines for the 2010-2011 academic year are as follows:

- * Winter term: Packets to Printing/Graphics by November 12.
- * First-day materials are due December 3.
- * Spring term: Packets to Printing/Graphics by February 11.
- * First-day materials are due March 18.

Observing these deadlines assures timely production of your materials by the print shop and processing by the Titan Store (Bookstore). Questions? Contact Tom Johnson, 5373.

BENEFITS OPEN ENROLLMENT BEGIN AUGUST 15

(for contracted faculty and benefits enrolled part-time faculty only)

Open enrollment will begin on August 15 and continue through September 25 (original September 15 deadline was extended for Oregon Community Colleges). Information on how to review and make changes to your plan selection(s) and dependent(s) will be sent to home mailing addresses. The following link is a copy of OEBB's postcard announcing open enrollment <http://www.oregon.gov/DAS/OEBB/docs/OpenEnrollment/2010/OEPostcard071510.pdf>
<http://www.oregon.gov/DAS/OEBB/docs/OpenEnrollment/2010/OEPostcard071510.pdf>

Human Resources benefits staff will be posting 2010/2011 benefits rates on the following web page in early August: <http://lanecc.edu/hr/benefits/index.htm>

For specific insurance claim questions, please contact your specific insurance carrier: ODS at (866) 923-0409; Providence at (800) 878-4445; Willamette Dental at (800) 460-7644 (choose option 3).

If you have specific enrollment and eligibility related questions, please contact Sharon Daniel at 5190, daniels@lanecc.edu (for last names beginning with A-L), or Heidi Morales at 5592, moralesh@lanecc.edu (for last names beginning with M-Z).

Please review the open enrollment materials that OEBB will be sending you, as many of the medical plans have changed office co-pays, deductibles and co-insurance amounts effective October 1. Additionally, OEBB will be offering Long Term Care Insurance, administered through Unum, and Employee Assistance Program (EAP) services, provided by Reliant Behavioral Health.

Part-time faculty can review insurance eligibility requirements and information at:

<http://lanecc.edu/hr/benefits/ptcfbenes.htm#ins>

At the beginning of each term Human Resources determines insurance eligibility for the current term and will notify, via postal mail, those who are eligible to enroll.'''

AMERICAN CANCER SOCIETY RELAY FOR LIFE IS THIS WEEK

Please join LCC's team

It's the day we've all been looking forward to; it begins this Friday, August 6 at noon and continues until Saturday, August 7 at noon at Thurston High School, 333 58th Street in Springfield. LCC will have a tent and we invite staff, family and friends to join us. All you need to do to participate is check in at the Relay registration tent (no fees involved), go to the LCC tent (A20 at the south inner end of the track, next to EWEB's tent), sign the LCC clipboard, visit and/or walk. There are a lot of fun things to expect at this year's Relay; there will be great music, an assortment of food vendors, a kid's zone, our Silent Auction, Relay Bingo, Themed Laps, and much, much more! If you'd like to check out the complete schedule of activities or make a direct donation to the team, please go to the American Cancer Society website at www.esrfl.org, click on "Donate to a Team", go to "Lane Community College" and donate. If you plan to drive to the Relay and park, there will be Relay parking at Thurston Middle School and surrounding churches running every 30 minutes starting on Friday and ending that evening around 10:30 p.m. and starting again at 8:30 a.m. on Saturday. There will be signs with information at these sites. This Relay is going to be an exciting one. Eugene has reached an all-time team high with over 230 registered teams...our very own event ranked 9th in the entire nation last year! But as you know, you can never have too many walkers and teams, sign up to today. <http://www.esrfl.org/lf> you have any questions or are a survivor who'd like to participate, call Sue Thompson at 5735 or thompsons@lanecc.edu or Patty Parks at 5099 or parksp@lanecc.edu

FACILITIES UPDATES

WATCH FOR CONSTRUCTION NOTICES

Many maintenance activities will continue to affect the main campus from time to time. Frequent communications will be sent regarding these activities. Please continue to monitor your e-mails. All upcoming work such as conducting parking lot maintenance, painting various areas such as the north cafeteria seating areas, power washing concrete surfaces, and replacing exterior door closers will carry on during the month of August. The many bond projects that are now underway will also add to the number of construction notices. The FMP and bond web pages have a lot of this information posted and we will work to keep it up to date. If you have a specific question associated with maintenance or construction work, please call the FMP office at extension 5216 or e-mail at facilitiesoffice@lanecc.edu

BUILDING 2 REMODEL

In order to transfer power to the new transformer and to put all the data center equipment on the permanent power source, there will be a shutdown of power to buildings 1, 2 (data center), 3, 18, 19, 24, 25, 26, 27, the lighting in SW parking lots, and the greenhouse by the Child and Family Education complex on August 6, 6 p.m. to August 7, 12 p.m. All telephone and data services (Moodle, GroupWise, wireless access, the website, myLane/ExpressLane, etc.) will be unavailable during this outage. Contact David Amundson, 3455.

BUILDINGS 4 AND 5

Concrete placement for the dance studio is completed and steel for the building is being erected this week. Building 4 classrooms are 80 percent complete and HVAC system installation is on going and is expected to be completed on time. The building 5 project wall board installation will begin this week. Contact Mark Richardson, 3456.

BUILDING 19 BUSINESS FACULTY OFFICES

Wall framing is complete and wall board is being installed. Project is schedule to be completed the first week of September. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS BUILDING

Three significant matters were addressed last week: The contract between the architects and the college is close to completion; the process to select both a commissioning agent and a project manager were set in motion; and the Board of Education favors the college building the student housing portion of the Downtown Campus building project.

This week the architects continue to process the programming information they received from the leads of the various programs that will occupy the building. Another round of meetings to review the revised program will be scheduled when the architects have completed their work. Contact Bob Mention, 5747.

SITE IMPROVEMENT AND CONCRETE REPLACEMENT

Concrete designs are completed and the first project is underway with construction at Parnell Loop. The second project, replacement of the concrete entrance stairs, ramp and sidewalk in front of building 6, Performing Arts is scheduled to begin mid August. Contact Mark Richardson, 3456.

SOLAR STATION

The contractor poured concrete for the center island and for the footings around the paved areas. The concrete forms were stripped and gravel backfill was placed in the center island. The five caps were placed at the top of support columns. The contractor will start installing the paver stones next week and building the block wall. The installation of the steel framework to support the PV panels is expected to begin on Thursday, August 5 and continue into the week of August 9. The educational component will begin August 23. Please be aware of continued parking and passage impacts immediately around the solar station work area. Project completion is expected August 31. For more information, visit <http://www.lanecc.edu/bond/index.html>. Contact Dave Smith, 4633.

On Saturday, August 14 and Sunday, August 15, parking lot B will be closed to allow the contractor for the solar station to paint the solar panel framework currently being erected in parking lot B. This work requires the use of spray-painting equipment and depending upon wind direction and intensity, this could cause paint overspray in the vicinity. Public Safety will barricade parking lot B and traffic from the west entrance will be directed to the adjacent parking lots C and D. We apologize for any inconveniences this closure may cause. Contact Dave Smith, 3433.

TRACK AND SOCCER BOWL UPGRADES

The soccer field project work is picking up is scheduled to be completed by October 4. The drain system is at 50 percent and widening of the track is complete. The project work is picking up and is expected to be completed by October 4. Completed design has been received and the contractor is in the process of providing a final price. Construction is expected to start soon and be completed by November 4, 2010. Contact Mark Richardson, 3456.

HEALTH AND WELLNESS CENTER

Some work remains inside to complete the AV and SIM lab installations. This work should be completed by August 13. Move-in of existing equipment and new classroom furniture has started. Office furniture is scheduled to arrive the week of August 16, and staff move-in will follow during the week of August 23. Trees and plants have been planted around the building as landscape work nears completion. Concrete paving northeast of the building is nearing

completion. Installation of new curbs and parking lot patching will begin this week. The job office and fencing is expected to be gone by August 20. Contact Brian McMurray, 5829.

NATIVE AMERICAN LONGHOUSE

Concrete floors have been sanded and are ready for stain. Stain should go down the end of this week. Tile work is nearing completion in restrooms. Trim carpentry work will begin this week, with door installations to follow. Wood floor installation will begin the week of August 9. Kitchen equipment is also scheduled to go in mid August. Sidewalk pavers and stone planter walls are nearing completion on the west and south sides of the building. Landscaping on the north end of the site will follow. Parking lot repairs to be made over the next two weeks. Project completion is expected Sept. 1. Contact Brian McMurray, 5829.

TRAININGS & CLASSES

EMPLOYEE WELLNESS

<http://www.lanecc.edu/wellness/wellnessclasses.htm>

ACADEMIC TECHNOLOGY CENTER

<http://lanecc.edu/atc/wstraining/schedule.html>

– Moodle Quiz Module - In this workshop you will learn how to: import and create questions, organize question banks, deliver quizzes and tests in Moodle, and arrange for proctored administration of Moodle tests. For current Moodle users. Duration: 2.5 Hours. Wednesday, August 4, 2 p.m. @ LCC19 249 Registration required: email atc@lanecc.edu

CONTINUING EDUCATION

– Comparing Varietal Wines, August 3 - 10, Tuesdays, 6:30-9 pm, DTC Rm 316 (3 hrs \$71) (Senior rate \$68) The most basic element contributing to the differences in flavor and style among wines is the choice of grape variety. In this tasting we will examine four major wine grapes (two each session), sampling three wines made from each, but from different regions. Learn what is recognizable in wines from each variety, as well as what accounts for differences from producer to producer. Students must be at least 21 years of age. Bring two wine glasses to class. Finger foods are welcome. CRN11825 Register online <http://www.lanecc.edu> Offered through Continuing Education 541-463-5252

SUCCESSFUL AGING INSTITUTE

See www.lanecc.edu/SAI or call Tina Dresser at 4634

– New Thoughts for New Careers: Thoughts have a powerful and lasting effect on our behavior. As many of us prepare for a second or third career, we can embrace new ways of seeing, feeling, and reacting more productively. Learn techniques to help change thought processes, and adapt more easily to new beginnings. Please bring writing journal, notebook, or laptop.

Instructor: Reay. 11917, August 5 - 26, 6-8 p.m., DTC 204, \$47.00 (Senior \$39)

– Finances in Flux: Divorced? Widowed? Starting a new business? This course is for anyone facing major financial life changes as a mature adult. Learn how to prioritize, budget, and plan for what lies ahead. This course helps you develop a financial roadmap to get you through this transitional time. Instructor: Bernadette. 11908, August 11 - September 1, 9-11 a.m., DTC 233, \$47.00 (Senior \$39)

– Legal Decisions: Parents & Self: A seasoned elder law attorney and adjunct law school faculty member invites students of all ages to learn how to help parents and themselves with legal issues. Explore longterm care options and payment strategies, elder abuse and how to prevent it, and surrogate decision-making including power of attorney, trustees, and guardians. All questions welcome. Instructor: Williams. 11918, August 16 - 30, 6:00 - 8:00 p.m., DTC 204, \$25.

LANE WEEKLY is the employee newsletter of Lane Community College. Send submissions to weekly@lanecc.edu. Guidelines online at www.lanecc.edu/cops/newsletter.htm For information, call (541) 463-5591. The Weekly is available to the vision-impaired through Disability Resources at (541) 463-5150. Lane Community College is an equal opportunity/affirmative action institution. Issue date: Tuesday, August 3, 2010

THIS WEEK

LEARNING GARDEN SUMMER PRODUCE STAND, Wednesday, August 11, 11:30 a.m.-1 p.m. Table outside on the west side of the cafeteria. Contact: Devon Bonady, 5899.

PHI THETA KAPPA POTLUCK, Tuesday, August 17 1:30 p.m. Center Building, Room 230 Faculty and staff are welcome to the Latin-theme meal. Contact: Velda Arnaud, 5682.

ANNOUNCEMENTS

NEW EMAIL ACCOUNTS

Avoid the fall backlog. New faculty and staff can have their email accounts set up now. Use the IT Direct system to request an account. Call the HelpDesk for assistance, 4444. Contact: Ardene Toney, Information Technology.

TITAN STORE CLOSURE

The Titan Store will be closed until 1 p.m. on August 18, window service will be available from 1-4 p.m. Window service only August 19-September 2, Monday - Thursday, 9 a.m. - 4 p.m.; closed Fridays. Contact: Vicki Colley.

AAWCC MEETING, Wednesday, August 25, 12 to 1 in the boardroom. Proposed agenda: summer activities report; upcoming events. Contact: Carol McKiel.

PRINT SHOP ANNOUNCES DEADLINES FOR 2010-2011

The deadline for submitting fall term instructional packets to Printing/Graphics is August 13. Handouts needed for the first day of fall term classes should be submitted by September 10. Subsequent deadlines for the 2010-2011 academic year are as follows:

- * Winter term: Packets to Printing/Graphics by November 12.
- * First-day materials are due December 3.
- * Spring term: Packets to Printing/Graphics by February 11.
- * First-day materials are due March 18.

Observing these deadlines assures timely production of your materials by the print shop and processing by the Titan Store (Bookstore). Questions? Contact: Tom Johnson, 5373.

BENEFITS OPEN ENROLLMENT BEGIN AUGUST 15

(for contracted faculty and benefits enrolled part-time faculty only)

Open enrollment will begin on August 15 and continue through September 25 (original September 15 deadline was extended for Oregon Community Colleges). Information on how to review and make changes to your plan selection(s) and dependent(s) will be sent to home mailing addresses. The following link is a copy of OEBC's postcard announcing open enrollment <http://www.oregon.gov/DAS/OEBB/docs/OpenEnrollment/2010/OEPostcard071510.pdf>
<http://www.oregon.gov/DAS/OEBB/docs/OpenEnrollment/2010/OEPostcard071510.pdf>

Human Resources benefits staff will be posting 2010/2011 benefits rates on the following web page in early August: <http://lanecc.edu/hr/benefits/index.htm>

For specific insurance claim questions, please contact your specific insurance carrier: ODS at (866) 923-0409; Providence at (800) 878-4445; Willamette Dental at (800) 460-7644 (choose option 3).

If you have specific enrollment and eligibility related questions, please contact Sharon Daniel at 5190, daniels@lanecc.edu (for last names beginning with A-L), or Heidi Morales at 5592, moralesh@lanecc.edu (for last names beginning with M-Z).

Please review the open enrollment materials that OEGB will be sending you, as many of the medical plans have changed office co-pays, deductibles and co-insurance amounts effective October 1. Additionally, OEGB will be offering Long Term Care Insurance, administered through Unum, and Employee Assistance Program (EAP) services, provided by Reliant Behavioral Health.

Part-time faculty can review insurance eligibility requirements and information at:

<http://lanecc.edu/hr/benefits/ptcfbenes.htm#ins>

At the beginning of each term Human Resources determines insurance eligibility for the current term and will notify, via postal mail, those who are eligible to enroll.````

LCC RELAY FOR LIFE TEAM EXTENDS A SPECIAL THANK YOU to those who supported and participated in this year's Relay at Thurston High School and to those who attended the garage sale hosted by Beverly Farfan in July. Our team raised over \$2,200 as of Saturday, exceeding the team goal set for this year. As of Saturday, August 7, the Relay had 232 teams who raised over \$500,000, and it is the committee's hope that the total will be even higher since we have another 2 ½ weeks to raise additional money.

Donations can be made until the end of August to be included in this year's fund-raising effort, so it is not too late to make that donation. You can go to the American Cancer Society Relay for Life's website at www.esrfl.org, click on "Donate Here", go to teams and find Lane Community College and make your contribution. The programs and people it supports can have profound impacts on those experiencing cancer and their families

Thank you again from Lane's team organizers, Sue Thompson, Gloria Vanderhorst, Beverly Farfan and Patty Parks.`

SUMMER FOOD DONATIONS PICKED UP THE LAST TUESDAY OF THE MONTH So far we've collected 1,789 pounds this year for the I Can, One Can Food Drive. Only 211 pounds to go to reach our goal of 2,000 pounds, one ton, by the end of August. Food collection is slow during the summer however the need increases. Check your pantry. Remind your friends to donate one can of non-perishable food a month for Lane's ongoing food drive. Food for Lane County's need has increased since they are providing free lunches to hundreds of children this summer. Think of creative ways to collect food. For more information about hunger in Lane County www.foodforlanecounty.org Look for a food box near you. Contact: Beverly Farfan, farfanb@lanecc.edu or 541-463-5395.`

FACILITIES UPDATES

USE OF MOTOR POOL VEHICLES

It is important that when using motor pool vehicles, that they are returned in a clean and "ready to use again" condition. We often get vehicles returned with spilled drink and food, trash, gum,

and other items left inside. Also important, is that all motor pool vehicles be driven in compliance with all state of Oregon transportation laws and regulations. Drivers will be requested to pay any citations obtained while driving a motor pool vehicle, and may have their driving privileges of motor pool vehicles suspended or revoked. Please remember that motor pool vehicles are offered to the college staff and faculty on a first come first served basis. To schedule a vehicle, e-mail motorpool@lanecc.edu or call Facilities Management and Planning at least 24 hours in advance of a planned trip. Departments should schedule Lane motor pool vehicles first before using outside sources. The step by step procedure to reserve a vehicle is noted in the COPPS procedure entitled, "Vehicle Scheduling and Use." If you have any questions regarding more information on motor pool vehicle use, see the COPPS procedure located at: <http://www.lanecc.edu/cops/veh.htm> or call the Facilities office at extension 5216. Contact: Dave Willis, 5566.

CONSTRUCTION EQUIPMENT TRAFFIC

There will be an excessive amount of construction equipment traffic in parking lot N during the next 6 weeks. Please use extra care when parking or walking through this parking lot. Contact: Dave Willis, 5566.

PUBLIC SAFETY

Thanks to all departments for their support and patience with the issuance of key cards. As a reminder, a form is available from Public Safety and should be used to provide staff information and approval for key cards. Contact: Katherine Vos, 5561.

HOUSEKEEPING

Housekeeping continues their effort with floor preparation and carpet extractions. Four part time custodians have been hired to assist custodians with the added work demand.

Last year Housekeeping provided 20 gallon trash cans in easy access staff areas. The cans are expected to be used by staff emptying their private trash receptacle. Please contact Housekeeping if you need an additional can in your area. Contact: Katherine Vos, 5561.

BUILDING 2 REMODEL

Progress continues at a fast pace, and everything is still on schedule for completion in early September. Walls have been painted, ceiling grid and lights have been installed, tile in the restrooms is installed, and doors are ready to be hung. The shutdown of the power and the data center over the weekend was executed successfully. The data center is now running on the new transformer. The migration of the data center equipment will continue after the cooling system has been completed and installed. Contact: David Amundson, 3455.

BUILDING 4 REMODEL

Installation of the new air system is on schedule and is expected to be completed by September 15. Classrooms on the second level have been framed out and have received the final coat of paint. Installation of doors and windows is scheduled to start later this week followed by the installation of floor covering the week of August 23. Once installation of the floor covering is complete, the interior finished will begin. The classrooms are schedule to be completed by the first week of September. Contact: Mark Richardson, 3456.

BUILDING 5 REMODEL AND ADDITION

Remodeling work of the fitness center and checkout counter is scheduled to increase on Friday, August 13. Summer classes are completed in the fitness center and moving crews will be removing the fitness equipment right away to make room for construction activities. Demolition crews will start saw cutting sections of the block wall on the east side of the fitness center this

week. This work is expected to be noisy and might cause some dust drift into Bristow square. Contact: Mark Richardson, 3456.

BUILDING 6 ELEVATOR AND REMODEL

Finishes in the second floor office, the piano studio and the restroom are almost complete. The elevator machine room and elevator shaft will be ready for the equipment when it is delivered on September 3. After the piano studio gets moved upstairs, the contractor will begin work on the new first floor workroom. Contact: David Amundson, 3455.

BUILDING 10 REMODEL

Bidding for the Building 10 remodel work for Art and RTEC was postponed to August 11. Contact: David Amundson, 3455.

BUILDING 19 BUSINESS OFFICE REMODEL

The project to remodel offices for the Business department staff is on schedule and will be completed by September 1. Wall construction is complete and painting is scheduled to begin this week. After painting is completed, crews will be back on site to complete the work remaining on the door, lights, and cabinetry. Contact: Mark Richardson, 3456.

DOWNTOWN CAMPUS BUILDING

The design team continues to work on space programming and engineers are working on passive design strategies to conserve energy. To date there have been two rounds of meetings between the architects and representatives of the units that will occupy the academic portion of the building. The architects have presented space diagrams to the representatives for review and comment. These diagrams include the sizes and relationships of reception areas, offices, meeting rooms, work rooms, break rooms, etc. So far, the representatives have been pleased with the architects work. This work will continue for several more weeks.

A kick-off meeting with architects and the Student Housing Committee occurred last week to outline the general criteria for the apartments. The architects will do some preliminary diagramming work and present the results for review and comments. Contact: Bob Mention, 5747.

HEALTH AND WELLNESS CENTER

Some work remains inside to complete the AV and SIM lab installations. This should be completed by August 13. Move-in of existing equipment and new classroom furniture has started. Office furniture is being installed this week. Trees and plants have gone in around the building as landscape work nears completion. Installation of new curbs and parking lot patching will begin this week. The job office and fencing are expected to be gone by August 20. Contact: Brian McMurray, 5829.

The Health and Wellness Center is still on target to become a certified green building through the U.S. Green Building Council's Leadership in Energy and Environmental Design (LEED) rating system. The building is expected to use 50 percent less water and 43 percent less energy than a traditional building. "Low-emitting" paints, adhesives, carpets, and other materials have been used to help improve indoor air quality and operable windows will allow occupants to have more control over fresh air supply and temperature. Contact: Jennifer Hayward, 5594.

NATIVE AMERICAN LONGHOUSE

Application of concrete floor stain and polish will finish this week. Tile work is nearing completion in restrooms and trim carpentry work has begun. New doors will arrive at the end of this week. The wood floor installation is planned to begin this week and kitchen equipment is scheduled to go in mid-August. Sidewalk pavers and stone planter walls are nearing completion

on the west and south sides of the building. Landscaping on the north end of the site will follow. Parking lot repairs to be made over the next two weeks. Project completion expected September 1. Contact: Brian McMurray, 5829.

SOLAR STATION

The masons finished wall construction of the CMU enclosure housing the electrical equipment. Pavers were placed on both sides of the solar station. The installation of steel framework to support the PV panels began on Friday, August 6, and work is expected to continue into the week of August 9. On Friday, August 13, the contractor will repair the asphalt drive and the structural steel will be painted over the weekend on August 14 and 15. The educational component of this project will begin August 23. A request for proposal was sent to commissioning firms this week with proposals due on August 13. Please be aware of continued parking and passage impacts immediately around the solar station work area. Project substantial completion is expected September 7. For more information, visit

<http://www.lanecc.edu/bond/index.html>. Contact: Dave Smith, 3433.

On Saturday, August 14 and Sunday, August 15, parking lot B will be closed to allow the contractor for the solar station to paint the solar panel framework currently being erected in parking lot B. This work requires the use of spray painting equipment and depending upon wind direction and intensity, this could cause paint over spray in the vicinity. Public Safety will barricade parking lot B and traffic from the west entrance will be directed to the adjacent parking lots C and D. We apologize for any inconveniences this closure may cause. Contact: Dave Smith, 3433.

TRACK AND SOCCER BOWL UPGRADES

Construction of the new track is on schedule to be completed by October 4. Crews are working longer day shifts to make up for lost time due to the excessive rainfall earlier in the year. Starting this week, truck traffic will start to increase in the north parking lot area as crews work to complete the soccer field. Contact: Mark Richardson, 3456.

NEWS

LANE ONE OF 12 COLLEGES TO LEAD NATIONAL STUDENT ROADMAP PROJECT

Lane Community College is one of 12 community colleges nationwide chosen by the Association of American Colleges and Universities to lead a new initiative funded by the MetLife Foundation to improve the success of community college students. Lane is the only college in the Northwest selected for the project.

The initiative, titled "Developing a Community College Student Roadmap: From Entrance to Engagement in Educational Achievement and Success," will create academic support programs that engage and teach students from the outset how to become active partners in their own quest for educational success. The project will connect varied student support programs and create roadmaps for success that are anchored in learning outcomes essential for all students to succeed in life beyond college.

"Lane will share its best practices in student services and instruction and we will learn about other college's best practices," says Sonya Christian, Vice President for Academic and Student Affairs. "For example, Lane recognizes that community college students are unique in that they come from a variety of backgrounds with different academic levels of preparation. By using a holistic, comprehensive approach that integrates instruction and student support services, including counseling, orientation, teaching methods, tutoring and so on, we help students complete their degree or certificate no matter what level they begin at."

Christian says the Student Roadmap project will create an opportunity for collaboration with other leading institutions and provide access to high-end research. Outcomes of the project will be made available to community colleges throughout the country.

The leadership colleges are:

City University of New York Hostos Community College (Bronx, New York)
City University of New York Queensborough Community College (Bayside, New York)
Gainesville State College (Gainesville, Georgia)
Georgia Perimeter College (Covington, Georgia)
Lane Community College (Eugene, Oregon)
Miami Dade College (Miami, Florida)
Middlesex Community College (Bedford, Massachusetts)
Mt. San Antonio College (Walnut, California)
Northern Virginia Community College (Annandale, Virginia)
Prince George's Community College (Largo, Maryland)
Salt Lake Community College (Salt Lake City, Utah)
Tidewater Community College (Norfolk, Virginia)

For more information go online at the AAC&U website at:

http://www.aacu.org/press_room/press_releases/2010/roadmapproject.cfm

Submitted by Joan Aschim.

ANNOUNCEMENTS

TITAN STORE CLOSURE

The Titan Store will be closed until 1 p.m. on August 18, window service will be available from 11-4 p.m. Window service only August 19-September 2, Monday-Thursday, 9 a.m.-4 p.m.; closed Fridays. Contact: Vicki Colley.

NOTICE: DATA CENTER OUTAGE

Friday, August 20, 8 a.m. to Sunday, August 22, 5 p.m.

As part of the ongoing remodel of building 2, periodic interruption of the IT data center services is inevitable. The bond project coordinators work hard to coordinate work during times that cause the least impact on Lane students, faculty and staff. Please note that beginning the morning of Friday, August 20, 8 a.m., and finishing the evening of Sunday August 22, 5 p.m., there will be intermittent outages as we move servers and networking equipment into the new data center. College Internet access, network, e-mail and any service requiring server access, such as Novell, GroupWise, Banner/Expresslane/myLane, etc. will be inaccessible at times during this outage.

Please note: Moodle will have access from office campus and the telephone system will not be affected. Contact Thad Cowdin, 3358.

LATINO STUDENT UNION CAR SHOW

Please come to the first annual Latino Student Union car show on Saturday, August 21, from 11 a.m.-5 p.m. in the northeast parking lot. Admission is free. Join us for food, art and car competition featuring many different classic cars. Check out the link on Facebook at http://www.facebook.com/profile.php?id=805119432&v=app_2344061033#!/event.php?eid=143612188988170&index=1 This is a fundraising event for the Latino Student Union. Contact information: 541-255-9913 or Tina Lymath at 5336.

AAWCC MEETING

Lane's chapter of the American Associate of Women in Community Colleges will meet Wednesday, August 25, from 12-1 p.m. in the boardroom, building 3. Agenda: summer workshop report--members will share their experience; OIL report--this year's recipient will chat briefly; getting motivated for the upcoming year; discuss upcoming events. For more information contact Carol McKiel, 3132.

LIVE BROADCAST OF THE KLCC STAGE AT THE EUGENE CELEBRATION

Music from the Eugene Celebration KLCC stage at 8th & Olive will be broadcast and streamed on the web so you can "Raise the Roof" with the Eugene Celebration from wherever you are. KLCC's live broadcast begins Friday evening and concludes late Sunday afternoon, Aug. 27, 28 and 29. Contact: Gayle Chisholm.

UP FRONT COMMUNICATION TRAINING

Professional and Organizational Development is sponsoring a two-session training for frontline staff and others who interact frequently with students. You will learn skills for effective, balanced

communication in your interactions with students and others. The training sessions are Aug. 24 and Aug. 31, 1-4 p.m. in Center 212 and are free to staff. Participants will have ample time to practice skills and will receive a communications workbook. Look for an e-mail to LCC Employees with the workshop flyer attached and a link to the response form. Participants should plan to attend the full six-hour training. For additional information, contact Sarah Ulerick, ulericks@lanecc.edu

FALL IN-SERVICE...JUST AROUND THE CORNER

Anyone for a root beer float, a delicious outdoor summer BBQ luncheon buffet sprinkled with a little culinary adventure, or an inspirational beginning to the quickly approaching fall term? All sounds good? Great!

Greetings from the planning committee for this year's fall in-service. Scheduled to take place during the week of September 20, the week prior to fall term classes, this year's effort will provide a series of invigorating, intellectually stimulating, and enjoyable events. Dust off your calendar, and schedule yourself in on September 22, 23, and 24 to participate and join in the fun.

The preliminary schedule includes department/division meetings, an employee benefits and wellness fair, the annual summer luncheon and CPDT root beer social, wellness trainings, union meetings, ATC technical trainings, and the annual all-campus gathering scheduled for Thursday, September 23 beginning at 8:30 a.m. in the CML. September 23 will also showcase the grand opening of the new Health and Wellness Center scheduled for 4 p.m. that day.

An RFP form soliciting program ideas will soon be e-mailed out to divisions and departments for consideration and submission. Please stay tuned for more highlights in future Lane Weekly e-mails, and bookmark the link below:

<http://www.lanecc.edu/in-service/fall10/indexfall10.html>

For any questions related to the event, contact Roxanne Young in Professional and Organizational Development at 3655 or youngr@lanecc.edu

HEALTH AND WELLNESS CENTER GRAND OPENING SEPT. 23

A grand opening celebration for the Health and Wellness Center will be held Thursday, September 23 at 4 p.m. The center offers state-of-the-art classrooms and labs for health careers training in nursing, emergency medical technician, respiratory care, physical therapist assistant, and exercise science. Online information:

<http://www.lanecc.edu/foundation/openingdoors/index.htm#grandopen>

Contact: Janet Anderson, Foundation.

SUMMER FOOD DONATIONS PICKED UP THE LAST TUESDAY OF THE MONTH

So far we've collected 1,789 pounds this year for the I Can, One Can Food Drive. Only 211 pounds to go to reach our goal of 2,000 pounds, one ton, by the end of August. Food collection is slow during the summer however the need increases. Check your pantry. Remind your friends to donate one can of non-perishable food a month for Lane's ongoing food drive. Food for Lane County's need has increased since they are providing free lunches to hundreds of children this summer. Think of creative ways to collect food. For more information about hunger in Lane County www.foodforlanecounty.org Look for a food box near you. Submitted by Beverly Farfan, farfanb@lanecc.edu or 5395.

----- FACILITIES UPDATES -----

MOTOR POOL USE

Please remember to return all motor pool vehicles the day of the reservation. Driving vehicles home and keeping them overnight is not allowed. Employees that do not return vehicles promptly may lose motor pool vehicle driving and reservation privileges. Several vehicles have not been returned promptly this past week which has affected others with reservations. If you have any questions regarding this request, please contact David Willis, 5566.

GENERAL CONSTRUCTION AREA SAFETY CONCERN

Please do not walk through construction remodel or renovation areas unless you have first contacted the responsible project coordinator or the Facilities office at facilitiesoffice@lanecc.edu

Visiting construction areas without notice can expose people to construction related safety hazards. These visits can also be distracting and disruptive to the contractors. The construction renovation areas are extremely busy areas and will continue to be very active until mid to late September. Fences, notices, barricades, construction tape, and other warnings are posted around these areas. Please stay out of these spaces as your safety and that of the construction employees may be impacted. If you see any immediate safety concerns, please report them to the Public Safety office at 5558 and the FMP office at 5216. If you any questions regarding this request, please contact David Willis, 5566.

PARKING LOT CONSTRUCTION AND MAINTENANCE EQUIPMENT TRAFFIC

There will be a high number of activities in or near main campus parking lots over the next few weeks that will require everyone to be extra alert and cautious when driving or walking through the lots. Please take an extra few minutes to survey parking lot activities before entering and passing through. Examples of this include large trucks and trailers moving ground material, large HVAC equipment and building furnishings staged in the parking lots, solar station construction, work near Parnell Loop, asphalt surface coating and painting, and increased grounds and facilities staff equipment traffic. If you have any questions regarding this work, please contact the Facilities office at 5216.

BUILDING 4 REMODEL

Lease Crutcher Lewis, the general contractor, has increased work forces and project supervision on the Building 4 project. Despite the many hidden setbacks to the construction schedule, the project will be completed on time and ready for fall term. During this phase of the construction, contractors will be painting the exterior of the building. Power washing and painting of the exterior of the building is scheduled to start this week and will continue through the remainder of August. The dental lab that was temporally located in Springfield for the summer will be returning to the campus the week of September 13. Contact Mark Richardson, 3456.

BUILDING 5 REMODEL AND ADDITION

This project was set up in two different phases. The first phase is the interior remodeling of the fitness center and check out station on the first floor. This phase of construction is scheduled to be completed by September 17. A lot of the work that starts this week will be very noisy and will be moving at a fast pace for the next 30 days. The first activity that started Monday is to cut out and removed large openings in the wall of the fitness center. This work is expected to be loud throughout the day and should only last one week.

The second phase of construction is the addition on the north end of the building. This project is on schedule to be completed by January 2011. The concrete floor and CMU walls have been built, and Lease Crutcher Lewis is expecting their first load of steel for the framing next week.

An office trailer is now located on the north side and will be staffed with the construction crews for the remainder of the project. Contact Mark Richardson, 3456.

BUILDING 19 BUSINESS OFFICE REMODEL

Painting contractors have started painting on interior walls and painting will be completed this week. The interior finish will begin the week of August 23 with the installation of the new cabinets, lights and carpet for the new office spaces. During construction, two large data conduits were discovered inside a wall that had to be removed. The electrician will start this week to remove and reroute the wires so the conduits can be removed. This is likely going to cause a shutdown of data services for several areas east of the culinary classrooms. A notification will be sent 48 hours in advance to prepare employees of the data service interruption that is expected to last for three days. The remodeling project is scheduled to be complete September 1 and staff will be moving into the new spaces the week of September 13. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS BUILDING

The college issued two Requests For Proposals on August 9. One was for commissioning services and the other was for project management services. The deadline for submitting proposals for commissioning services is August 19 and the deadline for the project management services is August 24.

The college is also moving ahead with hiring consultants to do several things at the site: a topographical survey, a geotechnical investigation, an environmental assessment survey, and a geo-thermal test well.

Meanwhile, on August 18, the architects and engineers will meet with several staff in the Facilities Management and Planning Department to review the mechanical, electrical, plumbing and building management systems they are proposing for the new building. Contact Bob Mention, 5747.

HEALTH AND WELLNESS CENTER

AV contractor will finish work the week of August 16. The juice bar is also being set up this week. Equipment and furniture move-in is underway. Landscaping around the building have been completed. The job office and fencing is expected to be gone by August 20. Contact Brian McMurray, 5829.

NATIVE AMERICAN LONGHOUSE

Carpenters are hanging door frames and trimming out windows. New doors arrived August 13. Electricians are installing light fixtures. The contractor is installing cedar planking up in skylight cupola. Concrete floor stain and polish completed in all but one room. Installation of the wood floor will begin during the week of August 16. Bathroom tile work will be completed by August 17. The kitchen floor will be installed this week, with kitchen equipment to follow. Landscaping work has begun on north end of building. AV bids have been received. Parking lot repairs have begun in lot A. Project completion expected September 1. Contact Brian McMurray, 5829.

SOLAR STATION

Pavers have been laid on both sides of the solar station. The installation of the steel framework to support the PV panels is in progress and was completed Friday, August 13. The electrical contractor has mounted the invertors in the block enclosure and will continue wiring them during the next week. The invertors convert the direct current power generated by the PV panels into alternating current power to be fed back into the campus electrical system. The contractor has repaired the asphalt drive and the structural steel was painted over the weekend. The educational component will begin August 23. A request for proposal for commissioning services

was due on August 13. On August 20, the solar station will be electrically connected into the LCC electrical distribution center during a power outage planned for building 5. Please be aware of continued parking and passage impacts immediately around the solar station work area. Project substantial completion is expected September 7. Contact Dave Smith, 4633.

TRACK AND SOCCER BOWL UPGRADES

Construction of the soccer field has kicked off to a great start. Crews will be working for the next two weeks preparing the sub grade to place rock on the surface. The track project is picking up speed and crews are working hard to make sure the project is completed by October 4. 2-G construction, the structural contractor has been forming and placing concrete for the project an average of every two days. 2-G has engaged an additional crew to help form and place concrete for the track project. Part of the effort to collaborate with the general contractor, LCC bond crews are working with the electrical contractor to form and place larger concrete pads for the transformer and electrical control boxes. This effort will help make up for some of the lost scheduled days during the heavy rains in June this year. Contact Mark Richardson, 3456.

FMP MAINTENANCE ACTIVITIES

Contact: Angela Fazio, 3428.

Building 3: Completed replacement of carpet in Human Resources. Small kitchenette flooring to be completed next week.

Building 4: Completed fabrication and staining of two under-sink cabinets for Health MOA lab that were removed due to water damage; installation next week.

Center Building: Completed painting of northeast side of Center cafeteria. Painting the gray concrete beams and applying a lighter shade of cream to the walls has brightened up this popular eating and meeting space. Painting will continue in northeast side of cafeteria next week. Also, completed painting of all level 1 restrooms and installed fence in Center kitchen freezer.

Cottage Grove: Parking lot resealing and restriping scheduled for August 20-21. Facilities upgrade of two classrooms to smart classrooms will begin next week and continue through August 23. Reviewed proposal to upgrade site security system with site staff; competitive bidding to follow.

Flight Technology, Building 43: Met with City of Eugene Facilities Maintenance to scope out roof repairs to prevent future water damage in the student lounge. Work to begin next week replacing flooring in student lounge and the broken down air conditioning units; work to be completed by the end of August.

Health and Wellness: Supporting installation of new furniture into new building by protecting all walk and corner surfaces, supervising furniture assembly and recycling packaging materials. Working to identify and prepare materials stored off-site during remodel of building 4 for transport to new classrooms and offices.

Main Campus Parking Lot: Waiting for results of competitive bidding for crack sealing, resealing and restriping portions of main campus parking lots. Work to be completed by mid September.

Native American Longhouse: Completed installation of window trim and interior door frames; staining and painting to follow. Carpenters are working on fabrication of kitchen shelves and cabinets.

Pressure Washing: Pressure washing of concrete walks and walls on main campus continues. Focus this week was on the upper level of the Center building and the west side of Building 11. In addition, the contractor has begun removal of bird nests around the Center building, where bird droppings have been causing unsightly and unsanitary conditions.

Smoking Shelter Relocation: As part of the tobacco-free campus project, all smoking shelters have been removed from the main campus core. The contractor has begun site preparation in new locations with anticipated completion by early September.

CURRENT CONSTRUCTION NOTICES

* Concrete sidewalk replacement south of building 6. Schedule: August 9-September 15.

Contact: Lynn Atkins, 5131.

* First floor closure of building 5. Schedule August 13-September 20. Contact Mark Richardson, 3456.

* Painting the northwest side on the first floor of the Center building cafeteria. August 9-20.

Contact Angela Fazio, 3428.

LANE WEEKLY is the employee newsletter of Lane Community College. Send submissions to weekly@lanecc.edu. Guidelines online at www.lanecc.edu/cops/newsletter.htm For information, call (541) 463-5591. The Weekly is available to the vision-impaired through Disability Resources

at (541) 463-5150. Lane Community College is an equal opportunity/affirmative action institution. Issue date: Tuesday, August 17, 2010

THIS WEEK

AAWCC MEETING, Wednesday, August 25, 12-1 p.m., Boardroom, Building 3. Contact: Carol McKiel, 3132.

KLCC LIVE BROADCAST FROM EUGENE CELEBRATION, August 27-29. Contact: Gayle Chisholm.

UP FRONT COMMUNICATION TRAINING: Professional and Organizational Development is sponsoring a two-session training for frontline staff and others who interact frequently with students. You will learn skills for effective, balanced communication in your interactions with students and others. The training sessions are August 24 and August 31, 1-4 p.m. in Center 212 and are free to staff. Participants will have ample time to practice skills and will receive a communications workbook. Look for an e-mail to LCC Employees with the workshop flyer attached and a link to the response form. Participants should plan to attend the full six-hour training. Contact: Sarah Ulerick, ulericks@lanecc.edu

ANNOUNCEMENTS

FORUM FOR HUMAN RESOURCE MANAGER CANDIDATES

Lane will be interviewing five candidates for the position of Human Resource Manager. The purpose of this position is: to assist and collaborate with the Chief Human Resource Officer (CHRO) in developing, implementing and managing major human resource processes and systems, with specific responsibility for leadership in labor relations and benefits administration. All forums will be held in Building 19, Room 119. Each candidate has been asked to describe his or her philosophy of employment relations in a collective bargaining setting. We hope you come and hear what they have to say.

* Heather McBride - Wednesday, August 25, 10:30 - 11:00 a.m. Ms. McBride has a B.S. in Human Relations and Business, and 7 years' HR management experience. She is SPHR-certified.

* Darcy Dillon - Monday, August 30, 10:30 - 11:00 a.m. Ms. Dillon has a Master's degree in Business Administration. She is currently the HR Manager for the Arts and Sciences Center at OSU, and has 15 years of experience in various human resource management fields. She is PHR-certified.

* Donald Danielson - Monday, August 30, 3:00 - 3:30 p.m. Mr. Danielson has a B.A. in Communication Arts and Sciences, and Master's in Human Resource Management. He has nine years' experience as a Human Resource Section Manager with Hynix Semiconductor Manufacturing America, and is SPHR-certified.

* Sharon Daniel - Tuesday, August 31, 10:30 a.m. - 11:00 a.m. Ms. Daniel has a B.A. in Anthropology. She has been at Lane Community College since 2000, and during that time has

held the positions of Benefits Analyst, Recruitment Analyst, and Project Analyst. She also has many years of general management and supervision experience in the private sector.

* Jane Fullerton - Tuesday, August 31, 3:00 - 3:30 p.m. Ms. Fullerton has a Master's degree in Rhetorical Communications. She has over 12 years' experience in general and labor relations management, including 5 years with Ingram Book Company.

Submitted by Nadine Williams.

WHAT DOES CPDT DO?

The Classified Professional Development Team supports and encourages life-long learning for classified staff in areas of personal and professional growth that align with the mission, vision, and core values of the college. CPDT provides assistance and recognition to classified staff through the following programs:

- Individual Personal & Professional Development Reimbursement Funds

- * Classes & Courses - IPPD I (NOTE: New Application Forms and Revised Guidelines - Available August 30, 2010)

- * Conferences & Workshops - IPPD II

- * Membership Dues, Publications and Certifications - IPPD III

- Employee Recognition Programs

- * Employee of the Month

- * Welcome Wagon

- ** FALL TERM APPLICATIONS ARE DUE BY 5 P.M., SEPT. 13. For more information about programs offered by the Classified Professional Development Team, visit the CPDT website at <http://www.lanecc.edu/cpdt>

Submitted by Kathy Alexander, 5586.

BRING YOUR COFFEE MUG TO FALL IN-SERVICE

The Center for Meeting and Learning would like to encourage staff and faculty to bring their own coffee mugs to Fall In-Service on September 23. This will help reduce the number of Center for Meeting and Learning mugs that leave the facility. Thank you in advance for your help! Carolyn Philes, Event Coordinator, Center for Meeting and Learning.

SUMMER FOOD DONATIONS PICKED UP NEXT TUESDAY AUGUST 31

So far we've collected 1,789 pounds this year for the I Can, One Can Food Drive. Only 211 pounds to go to reach our goal of 2,000 pounds, one ton, by the end of August. Food collection is slow during the summer however the need increases. Check your pantry. Remind your friends to donate one can of non-perishable food a month for Lane's ongoing food drive. Food for Lane County's need has increased since they are providing free lunches to hundreds of children this summer. Think of creative ways to collect food. For more information about hunger in Lane County www.foodforlanecounty.org Look for a food box near you. Submitted by Beverly Farfan, farfanb@lanecc.edu or 5395.

FACILITIES UPDATES

BUILDING 2 REMODEL

Carpets are completely installed on the first floor and almost complete on the second floor. Lighting, doors, paint, casework and wiring are getting final touches. The HVAC system is being started up and commissioned, and all is running smoothly. The data center shutdown was successful, and most of the equipment has been moved to the new location and services

restored. Furniture and equipment is being moved in starting this week. Contact David Amundson, 3455.

BUILDING 4 REMODEL

Classrooms and offices are on schedule to be completed by September 17. Crews have painted the classrooms, and carpet was installed last week. Carpet was installed in the new offices and cabinet installation started on Friday, August 20. Exterior windows and siding are ongoing and are expected to be completed by August 31. Contact Mark Richardson, 3456.

BUILDING 5 REMODEL AND ADDITION

Remodel of the first floor and the fitness center is going strong and will be completed by September 17. Crews were scheduled to complete the last round of demolition and saw cutting on Monday, August 23. LCL placed temporary wall in the main lobby of building 5 in anticipation of removing the concrete area next to the stairs. Block walls in the new dance studio addition have been completed and crews will install the steel supports next week. Please note that due to the construction of the first floor of building 5, entire first floor will be closed until September 20. Access will be restricted to construction staff only. All showers, the fitness center, dance studio, weight room, and all other areas on the first floor will not be accessible during this time. Contact Mark Richardson, 3456.

BUILDING 6 ELEVATOR

The new pianos have been moved into the Piano Studio, and they're being wired together. The shaft and the elevator machine room are ready for the installation of the new elevator, which is scheduled to be delivered on September 3. The remodel of the old piano studio space is underway. Contact David Amundson, 3455.

BUILDING 10 REMODEL

Demolition of the concrete slab is almost complete. After the old transformer and other electrical gear are disconnected and removed, the abatement company will remove all the remaining asbestos in one final effort and then final demolition of the electrical room can be completed. Contact David Amundson, 3455.

BUILDING 19 BUSINESS OFFICE REMODEL

The general contractor will be installing the cabinets and carpet this week. The painting has been completed, and the temporary wall will be removed during the week of August 30. Contact Mark Richardson, 3456.

BUILDING AUTOMATION SYSTEM

Phase one of the building automation system (BAS) campus network team consisting of Lane staff and contractor, Train Oregon, completed site visit and orientation. Work will begin with extracting information from existing database and convert to an upgraded web-based system of controls. Work to extract information from buildings 1, 3, 4, 5, 6, 7, 9, 11, 12, 15, 16, 17, 18, and 19 will begin in the coming weeks. Contact Anna Scott, 5805.

DOWNTOWN CAMPUS BUILDING

The design team continues to work with different groups at the college to learn and address their needs. Last week the design team met with people from Facilities including the sustainability coordinator, energy analyst, and Energy Management program representatives to present and receive feedback concerning the sustainability performance, passive design strategies, and maintenance and operating criteria for the building. The design team is a pretty large group that includes three architectural firms, three engineering firms and eight consulting

firms that provide expertise in the areas of lighting, acoustics, landscaping, sustainability and audio/visual services. The college has issued RFPs for commissioning services and project management services. The deadlines for submitting proposals was Monday, August 23 for commissioning and Tuesday, August 24 for project management. Selection committees will process the proposals and work toward making recommendations to the board at its September meeting. Contact Bob Mention, 5747.

HEALTH AND WELLNESS CENTER

Instructional equipment and office and classroom furniture move in is underway. Faculty and staff begin moving in on August 23. Plantings around the building have been completed. Expect the job office and fencing to be gone by August 24. Contact Brian McMurray, 5829.

KEYLESS ENTRY

Keyless entry access cards are available now. If your responsibilities require you to access 30th Avenue campus buildings outside of normal business hours, a keyless entry access card should be requested. Your division dean or administrative coordinator should be able to tell you if you have been approved for a card. Keyless access requires the approval of your division dean, in certain cases, a member of the Executive Team. If approved, you are encouraged to obtain a keyless entry card from the Public Safety office, Building 13, as soon as possible. To make arrangements to pick up your card (it must be picked up in person), please contact Public Safety at extension 5558 (541-463-5558). They will be able to confirm if you have been approved for a card. Cards are being issued between 8 a.m. and 1 p.m., Monday through Friday, and it takes only minutes to obtain. No paperwork, no forms, and no hassle to complete. Prepare to have your picture taken, so look your best. Contact Dave Smith, 3433, for information on the keyless entry system, or Public Safety, 5558, to make arrangements to pick up your card.

NATIVE AMERICAN LONGHOUSE

Carpenters are swinging doors and completing interior trim work. Exterior doors should be hung by August 26. Electricians are nearing completion on installation of light fixtures. Installation of the wood flooring system begins on August 23. A concrete floor pattern and stain in the Hall of Honor room has been decided and should be completed by August 30. The bathroom tile work is complete, and the kitchen floor installed. Kitchen equipment will arrive August 23. Landscaping is underway on the north end of the building. The AV contractor is on board and has begun purchasing equipment. Parking lot asphalt has been patched. Expect final inspections over the next two weeks. Project completion expected Sept 10. Contact Brian McMurray, 5829.

SOLAR STATION

The steel framework for the photovoltaic (PV) panels was painted over the weekend and the installation of the brick pavers was completed. The project electrician continued wiring the invertors that will convert the direct current (DC) generated by the PV panels into alternating current (AC) suitable for use in residences and offices. This week the framework to support the PV panels will be fabricated and the first PV panels will be mounted. Once all the panels and necessary electrical components have been installed, the solar station will be brought online and begin generating AC power. Please be aware of continued parking and passage impacts immediately around the solar station work area. Project completion is expected August 31. Contact Dave Smith, 4633.

SUSTAINABILITY - GREENING THE BOND

Lane's new Health and Wellness Center is still on target to become a certified green building through the U.S. Green Building Council's Leadership in Energy and Environmental Design

rating system. The building is expected to use 50 percent less water and 43 percent less energy than a traditional building. "Low-emitting" paints, adhesives, carpets, and other materials have been used to help improve indoor air quality and operable windows will allow occupants to have more control over fresh air supply and temperature. Contact Jennifer Hayward, 5594.

TRACK AND SOCCER BOWL UPGRADES

Construction of the track project is moving forward with an expected completion date of October 4. Soft soils found under the track surface have created some scheduling challenges for the project, but were removed over the weekend. Contact Mark Richardson, 3456.

FMP MAINTENANCE ACTIVITIES

Contact Angela Fazio, 3428

Building 3: Replacing floor covering in small kitchenette to be completed this week. Building 4: Installing two replacement under-sink cabinets this week in Health MOA lab that were removed due to water damage. Center Building: Painting to continue in the northwest corner of the cafeteria seating areas. Cottage Grove: Facilities upgrade of two classrooms to smart classrooms will begin this week and continue through August 25. Flight Technology, Building 43: Work to begin this week replacing flooring in student lounge and the broken down air conditioning units; work to be completed by the end of August. Main Campus Parking Lot Maintenance: Waiting for results of competitive bidding for crack sealing, resealing and restriping portions of main campus parking lots. Work to be completed by mid September. Native American Longhouse: staining and painting of window trim and interior door frames beginning and carpenters are working on fabrication of kitchen shelves and cabinets. Pressure Washing: Pressure washing of concrete walks and walls on main campus continues.

CURRENT CONSTRUCTION NOTICES

Concrete sidewalk replacement south of building 6. Schedule: August 9 - September 15.

Contact: Lynn Atkins, 5131.

* First floor closure of building 5. Schedule August 13 - September 20. Contact Mark Richardson, 3456.

* Painting the northwest side on the first floor of the Center building cafeteria. August 9 - 20. Contact Angela Fazio, 3428.

* Door replacement, storefront installation on building 3 beginning August 23. Contact Dave Smith, 3433.

* Cottage Grove, parking lot striping and classroom painting, week beginning August 23. Contact Angela Fazio, 3428.

* Data services shutdown in building 19, rms. 234, 242, 243, 248, 249, and 250 on August 23 - 25.

THIS WEEK

HEALTH CLINIC HOURS

The LCC Health Clinic is open Mon-Thur from August 30 through September 9; closed break week; in and out during in-service week but prescriptions will still be filled within two to three working days during those two weeks; continue to call 5555 for medical emergencies. Submitted by Kristen Murphy, ext. 5668.

FORUM FOR HUMAN RESOURCE MANAGER CANDIDATES -- TODAY

Lane will be hosting open forums for candidates for the position of Human Resource Manager. The purpose of this position is: to assist and collaborate with the Chief Human Resource Officer (CHRO) in developing, implementing and managing major human resource processes and systems, with specific responsibility for leadership in labor relations and benefits administration.

All forums will be held in Building 19, Room 119. Each candidate has been asked to describe his or her philosophy of employment relations in a collective bargaining setting. We hope you come and hear what they have to say. Candidates for August 31 are:

Sharon Daniel - Tuesday, August 31, 10:30 a.m. - 11:00 a.m. Ms. Daniel has a Bachelor's degree in Psychology. She has been at Lane Community College since 2000, and during that time has held the positions of Benefits Analyst, Recruitment Analyst, and Project Analyst. She also has many years of general management and supervision experience in the private sector.
Jane Fullerton - Tuesday, August 31, 3:00 - 3:30 p.m. Ms. Fullerton has a Master's degree in Rhetorical Communications. She has over 12 years' experience in general and labor relations management, including 5 years with Ingram Book Company.
Submitted by Nadine Williams.

ANNOUNCEMENTS

LCC CLOSED SEPTEMBER 6 FOR LABOR DAY HOLIDAY

Lane Community College will be closed to the public for the Labor Day holiday on Monday, September 6. No classes will be held and no services will be available, except for scheduled events.

REGISTER EARLY FOR FALL CLASSES THROUGH SOAR

High enrollment at Lane Community College means students could compete for seats, but those who register early through SOAR (Student Orientation, Advising and Registration) will be sitting pretty.

These four-hour sessions connect students with advisors, explain financial aid, and best of all, let students register in advance. SOAR sessions will be held from September 7 through 9.

Regular new student registration begins a week later on September 14.

Lane offered a week of fall SOAR sessions in June and served 770 students. The college hopes at least 1,000 more students attend the September SOAR sessions.

Classes start September 27. To get started, go online at www.lanecc.edu/counseling/soar2.html

CCS HIRING FAIR: Foodservices and the Center for Meeting and Learning will hold a Hiring Fair on Wed 9/8 from 1-3 pm and Thurs 9/9 from 9-Noon in Bldg 19/225. Part-time, hourly positions are available for cooks, cashiers, dishwashers, banquet servers and bartenders. Students are encouraged to apply in person.

DOWNTOWN BLOCK PARTY

Make plans now to join us at the First Annual Downtown Broadway & Pearl District Block Party.

There will be sidewalk sales, raffles prizes, a wine auction, "spin the wheel" contests, an art show, live entertainment, and more! And the best part: proceeds from this year's event benefit Lane Community College's Downtown Campus. Have fun & support a great cause!

Friday, September 10, 3:00-9:00 PM, Downtown Broadway & Pearl Districts (E Broadway between Oak & Pearl St and surrounding area)

Show up early so you don't miss out on special events:

3:00 Fun with Terariums at Passionflower

3:30 The Perfect Fit by Fruedian Slip

4:00 The Ultimate Shine by Footwise

4:30 Cooking with Experts at Zenon Cafe

5:00 Reidel Wine Tasting at Ambrosia

5:30 Top Trends in Home Decor by Nick and Nora's

6:00 Re-purposing Older and Unused Jewelry by Goldworks

6:30 The Art of Grouping by Vistra Framing and Gallery

7:00 Let your Accessories do the Talking by Nick and Nora's

7:30 Ceramics and Pottery Painting Tips at BrushFire

Contact: Brett Rowlett, 5850. For more information on the project visit:

<http://www.lanecc.edu/dc/>

COUNSELING CLOSURE

Counseling, Advising, Career & Employment Services, and Testing will be closed all day for inservice on September 15. Submitted by Jerry DeLeon, x5870.

FALL INSERVICE

The Fall 2010 In-service has been scheduled for the week of September 20, the week prior to the beginning of fall term for Lane's students. Visit the event website at

<http://www.lanecc.edu/inservice/fall10/indexfall10.html> to view the event schedule and the planning committee's work-in-progress.

The focus and theme for this year's event is: Strategic Directions. . . Lane's Map and Compass. Since traveling anywhere in the world means determining where you want to go, maps, compasses, and guidebooks are the fundamental tools both for trip planning and while you are on the journey. All maps will have some basic features in common, and map reading is all about learning to understand their particular "language." Lane's map language is in the form of its Strategic Directions, located at www.lanecc.edu/research/planning/StrategicDirections.htm. Once there, you will find the six foundational tenets, or main principles, that support Lane's journey into the future as one of the most highly regarded community colleges in the country. As such, we must all do our part to keep Lane's map and compass at hand in order to refer to them whenever needed, to locate our position, and to keep us moving strategically forward.

STATE-OF THE COLLEGE ADDRESS

On Thursday, September 23, President Mary Spilde will be providing the annual State-of-the-College address at 8:30 am in CML 102-104. Please plan on being present to hear what our future holds as we lean toward a new academic year and the opportunity to truly make a difference in the academic lives of Lane students.

BRING YOUR COFFEE MUG TO FALL IN-SERVICE

The Center for Meeting and Learning would like to encourage staff and faculty to bring their own coffee mugs to Fall In-Service on September 23. This will help reduce the number of Center for Meeting and Learning mugs that leave the facility. Thank you in advance for your help! Carolyn Philes, Event Coordinator, Center for Meeting and Learning.

SUCCESSFUL AGING INSTITUTE OFFERS CLASSES

Successful Aging Institute offers classes for people of all ages whose goal is to age successfully. Please look for titles listed below and other exciting classes offered by SAI (marked with a ♦) in the Fall term 2010 Aspire magazine under Continuing Education.

*Naturopathy & Healthy Aging, *Sign Language Dancing, & *Wisdom Across the Ages*

Contact Tina Dresser, 541-463-4634 or by email dressert@lanecc.edu with any questions you may have about our program or classes. Office located at the Downtown Center.

CONTINUING EDUCATION OFFERS FLORISTRY PROGRAM

The Floristry program is designed to give students comprehensive information of the floral design industry, management, retail skills and behind the scenes information. Students gain a strong, basic foundation in retail management, as well as the hands-on skills of floral design. Floristry consists of 102 hours of required classes and 24 hours of elective classes. Students attend two classes each term over three terms. Evening classes are taught by knowledgeable and dedicated industry professionals in the field of floral design. Topics covered include: floral design history and trends, floral identification, arrangement pricing, customer service and conflict resolution. Students are given an award of completion. Estimated costs \$1,000 include all course work, tuition, fees, and floral supplies. Submitted by: Ross Jackson, jacksonr@lanecc.edu - 541-463-5907 Continuing Education Department. Continuing Education Fall term web registration (returning students) begins Friday, September 3rd.

WHAT DOES CPDT DO?

The Classified Professional Development Team supports and encourages life-long learning for classified staff in areas of personal and professional growth that align with the mission, vision,

and core values of the college. CPDT provides assistance and recognition to classified staff through the following programs:

- Individual Personal & Professional Development Reimbursement Funds

- * Classes & Courses - IPPD I (NOTE: New Application Forms and Revised Guidelines - Available August 30)

- * Conferences & Workshops - IPPD II

- * Membership Dues, Publications and Certifications - IPPD III

- Employee Recognition Programs

- * Employee of the Month

- * Welcome Wagon

** FALL TERM APPLICATIONS ARE DUE BY 5 P.M., SEPT. 13. For more information about programs offered by the Classified Professional Development Team, visit the CPDT website at <http://www.lanecc.edu/cpdt>

Submitted by Kathy Alexander, 5586.

SUMMER FOOD DONATIONS PICKED UP TODAY -- TUESDAY AUGUST 31

So far we've collected 1,789 pounds this year for the I Can, One Can Food Drive. Only 211 pounds to go to reach our goal of 2,000 pounds, one ton, by the end of August. Food collection is slow during the summer however the need increases. Check your pantry. Remind your friends to donate one can of non-perishable food a month for Lane's ongoing food drive. Food for Lane County's need has increased since they are providing free lunches to hundreds of children this summer. Think of creative ways to collect food. For more information about hunger in Lane County www.foodforlanecounty.org Look for a food box near you. Submitted by Beverly Farfan, farfanb@lanecc.edu or 5395.

----- FACILITIES UPDATES -----

BUILDING 2 REMODEL

Carpets are completely installed on the first floor and almost complete on the second floor. Lighting, doors, paint, casework and wiring are getting final touches. The HVAC system is being started up and commissioned, and all is running smoothly. The data center shutdown was successful, and most of the equipment has been moved to the new location and services restored. Furniture and equipment is being moved in starting this week. Contact David Amundson, 3455.

BUILDING 4 REMODEL

Classrooms and offices are on schedule to be completed by September 17. Crews have painted the classrooms, and carpet was installed last week. Carpet was installed in the new offices and cabinet installation started on Friday, August 20. Exterior windows and siding are ongoing and are expected to be completed by August 31. Contact Mark Richardson, 3456.

BUILDING 5 REMODEL AND ADDITION

Remodel of the first floor and the fitness center is going strong and will be completed by September 17. Crews were scheduled to complete the last round of demolition and saw cutting on Monday, August 23. LCL placed temporary wall in the main lobby of building 5 in anticipation of removing the concrete area next to the stairs. Block walls in the new dance studio addition have been completed and crews will install the steel supports next week. Please note that due to the construction of the first floor of building 5, entire first floor will be closed until September

20. Access will be restricted to construction staff only. All showers, the fitness center, dance studio, weight room, and all other areas on the first floor will not be accessible during this time. Contact Mark Richardson, 3456.

BUILDING 6 ELEVATOR

The new pianos have been moved into the Piano Studio, and they're being wired together. The shaft and the elevator machine room are ready for the installation of the new elevator, which is scheduled to be delivered on September 3. The remodel of the old piano studio space is underway. Contact David Amundson, 3455.

BUILDING 10 REMODEL

Demolition of the concrete slab is almost complete. After the old transformer and other electrical gear are disconnected and removed, the abatement company will remove all the remaining asbestos in one final effort and then final demolition of the electrical room can be completed. Contact David Amundson, 3455.

BUILDING 19 BUSINESS OFFICE REMODEL

The general contractor will be installing the cabinets and carpet this week. The painting has been completed, and the temporary wall will be removed during the week of August 30. Contact Mark Richardson, 3456.

BUILDING AUTOMATION SYSTEM

Phase one of the building automation system (BAS) campus network team consisting of Lane staff and contractor, Train Oregon, completed site visit and orientation. Work will begin with extracting information from existing database and convert to an upgraded web-based system of controls. Work to extract information from buildings 1, 3, 4, 5, 6, 7, 9, 11, 12, 15, 16, 17, 18, and 19 will begin in the coming weeks. Contact Anna Scott, 5805.

DOWNTOWN CAMPUS BUILDING

The design team continues to work with different groups at the college to learn and address their needs. Last week the design team met with people from Facilities including the sustainability coordinator, energy analyst, and Energy Management program representatives to present and receive feedback concerning the sustainability performance, passive design strategies, and maintenance and operating criteria for the building. The design team is a pretty large group that includes three architectural firms, three engineering firms and eight consulting firms that provide expertise in the areas of lighting, acoustics, landscaping, sustainability and audio/visual services. The college has issued RFPs for commissioning services and project management services. The deadlines for submitting proposals was Monday, August 23 for commissioning and Tuesday, August 24 for project management. Selection committees will process the proposals and work toward making recommendations to the board at its September meeting. Contact Bob Mention, 5747.

HEALTH AND WELLNESS CENTER

Instructional equipment and office and classroom furniture move in is underway. Faculty and staff begin moving in on August 23. Plantings around the building have been completed. Expect the job office and fencing to be gone by August 24. Contact Brian McMurray, 5829.

KEYLESS ENTRY

Keyless entry access cards are available now. If your responsibilities require you to access 30th Avenue campus buildings outside of normal business hours, a keyless entry access card should be requested. Your division dean or administrative coordinator should be able to tell you if you

have been approved for a card. Keyless access requires the approval of your division dean, in certain cases, a member of the Executive Team. If approved, you are encouraged to obtain a keyless entry card from the Public Safety office, Building 13, as soon as possible. To make arrangements to pick up your card (it must be picked up in person), please contact Public Safety at extension 5558 (541-463-5558). They will be able to confirm if you have been approved for a card. Cards are being issued between 8 a.m. and 1 p.m., Monday through Friday, and it takes only minutes to obtain. No paperwork, no forms, and no hassle to complete. Prepare to have your picture taken, so look your best. Contact Dave Smith, 3433, for information on the keyless entry system, or Public Safety, 5558, to make arrangements to pick up your card.

NATIVE AMERICAN LONGHOUSE

Carpenters are swinging doors and completing interior trim work. Exterior doors should be hung by August 26. Electricians are nearing completion on installation of light fixtures. Installation of the wood flooring system begins on August 23. A concrete floor pattern and stain in the Hall of Honor room has been decided and should be completed by August 30. The bathroom tile work is complete, and the kitchen floor installed. Kitchen equipment will arrive August 23. Landscaping is underway on the north end of the building. The AV contractor is on board and has begun purchasing equipment. Parking lot asphalt has been patched. Expect final inspections over the next two weeks. Project completion expected Sept 10. Contact Brian McMurray, 5829.

SOLAR STATION

The steel framework for the photovoltaic (PV) panels was painted over the weekend and the installation of the brick pavers was completed. The project electrician continued wiring the invertors that will convert the direct current (DC) generated by the PV panels into alternating current (AC) suitable for use in residences and offices. This week the framework to support the PV panels will be fabricated and the first PV panels will be mounted. Once all the panels and necessary electrical components have been installed, the solar station will be brought online and begin generating AC power. Please be aware of continued parking and passage impacts immediately around the solar station work area. Project completion is expected August 31. Contact Dave Smith, 4633.

SUSTAINABILITY - GREENING THE BOND

Lane's new Health and Wellness Center is still on target to become a certified green building through the U.S. Green Building Council's Leadership in Energy and Environmental Design rating system. The building is expected to use 50 percent less water and 43 percent less energy than a traditional building. "Low-emitting" paints, adhesives, carpets, and other materials have been used to help improve indoor air quality and operable windows will allow occupants to have more control over fresh air supply and temperature. Contact Jennifer Hayward, 5594.

TRACK AND SOCCER BOWL UPGRADES

Construction of the track project is moving forward with an expected completion date of October 4. Soft soils found under the track surface have created some scheduling challenges for the project, but were removed over the weekend. Contact Mark Richardson, 3456.

FMP MAINTENANCE ACTIVITIES

Contact Angela Fazio, 3428

Building 3: Replacing floor covering in small kitchenette to be completed this week. Building 4: Installing two replacement under-sink cabinets this week in Health MOA lab that were removed due to water damage. Center Building: Painting to continue in the northwest corner of the cafeteria seating areas. Cottage Grove: Facilities upgrade of two classrooms to smart

classrooms will begin this week and continue through August 25. Flight Technology, Building 43: Work to begin this week replacing flooring in student lounge and the broken down air conditioning units; work to be completed by the end of August. Main Campus Parking Lot Maintenance: Waiting for results of competitive bidding for crack sealing, resealing and restriping portions of main campus parking lots. Work to be completed by mid September. Native American Longhouse: staining and painting of window trim and interior door frames beginning and carpenters are working on fabrication of kitchen shelves and cabinets. Pressure Washing: Pressure washing of concrete walks and walls on main campus continues.

CURRENT CONSTRUCTION NOTICES

Concrete sidewalk replacement south of building 6. Schedule: August 9 - September 15.

Contact: Lynn Atkins, 5131.

* First floor closure of building 5. Schedule August 13 - September 20. Contact Mark Richardson, 3456.

* Painting the northwest side on the first floor of the Center building cafeteria. August 9 - 20. Contact Angela Fazio, 3428.

* Door replacement, storefront installation on building 3 beginning August 23. Contact Dave Smith, 3433.

* Cottage Grove, parking lot striping and classroom painting, week beginning August 23. Contact Angela Fazio, 3428.

* Data services shutdown in building 19, rms. 234, 242, 243, 248, 249, and 250 on August 23 - 25.

LANE WEEKLY is the employee newsletter of Lane Community College. Send submissions to weekly@lanecc.edu. Guidelines online at www.lanecc.edu/cops/newsletter.htm For information, call (541) 463-5591. The Weekly is available to the vision-impaired through Disability Resources

at (541) 463-5150. Lane Community College is an equal opportunity/affirmative action institution. Issue date: Tuesday, August 31, 2010

THIS WEEK

CCS HIRING FAIR: Wednesday, Sept. 8, 1-3 p.m. and Thursday, Sept. 9, 9 a.m.-12 p.m., Building 19, Room 225, sponsored by Foodservices and the Center for Meeting and Learning, for part-time hourly positions as cooks, cashiers, dishwashers, banquet servers, and bartenders. Students are encouraged to apply in person. Submitted by Paula Westgate.

BOARD OF EDUCATION: Wednesday, Sept. 8, 6:30 p.m., boardroom, Building 3. Agenda is online at www.lanecc.edu/presoffc/board/agenda.htm
Contact: Donna Zmolek, 5301.

DOWNTOWN BLOCK PARTY: Visit the Broadway and Pearl district block party for the downtown campus, Friday, September 10. The district covers East Broadway between Oak and Pearl and the surrounding area. There will be sidewalk sales, raffles prizes, a wine auction, "spin the wheel" contests, an art show, live entertainment, and more. The best part: proceeds will benefit the Lane downtown campus. Have fun and support a great cause. Get there early so you don't miss out on special events:

3:00 p.m. Fun with Terrariums at Passionflower
3:30 p.m. The Perfect Fit by Freudian Slip
4:00 p.m. The Ultimate Shine by Footwise
4:30 p.m. Cooking with Experts at Zenon Cafe
5:00 p.m. Reidel Wine Tasting at Ambrosia
5:30 p.m. Top Trends in Home Decor by Nick and Nora's
6:00 p.m. Re-purposing Older and Unused Jewelry by Goldworks
6:30 p.m. The Art of Grouping by Vistra Framing and Gallery
7:00 p.m. Let your Accessories do the Talking by Nick and Nora's
7:30 p.m. Ceramics and Pottery Painting Tips at BrushFire

Contact: Brett Rowlett, 5850. For more information on the downtown campus project visit:

www.lanecc.edu/dc

NEWS

BRIGHTER FUTURES FOR DISLOCATED WORKERS

With unemployment remaining high, new hope comes in the way of the Walmart Brighter Futures Project at Lane to help dislocated workers gain skills and access to training opportunities that better their chances of success in applying for and acquiring high-demand jobs.

David Wright of Eugene was laid off from his job as a construction supervisor and foreman after 15 years with the same company. Wright enrolled in Lane's worker retraining program and at the same time, he took career development workshops through Lane's Walmart Brighter Futures Project. This "helped me sort out what I want to do," and he identified drafting as his

ultimate second career. So far he's held a 4.005 GPA "even though I haven't had an algebra class since 1962."

The project offers workshops in resume writing, job searches, interviewing, and discovering and marketing skills. Participants will earn National Career Readiness Certificates and the project can lead to free comprehensive career training opportunities such as Certified Nursing Assistant (CNA1) training; WorkSource Lane is accepting applications for CNA1 training through Sept. 16. These programs are jointly funded by the American Recovery and Reinvestment Act (ARRA) and Workforce Investment Act (WIA) grants administered through the Lane Workforce Partnership, as well as a Walmart Foundation grant provided through the League for Innovation in the Community College.

For more information go online at www.lanecc.edu/wdd/walmartbrighterfutures.html or call 541-463-5223. Submitted by the editor.

WELCOME TO JULIE SKIDGEL

The Office of Academic and Student Affairs is pleased to announce that Julie Skidgel has been hired as an administrative coordinator beginning Sept. 1. She reports to Don McNair and Andrea Newton and replaces Denine McMurren who moved to HR. Julie has worked at the Business Development Center for the previous two years and has extensive experience in the private sector. Her phone extension is 5308 and e-mail is skidgelj@lanecc.edu. Please welcome her! (FYI, Denine's new phone number is 5040). Submitted by Andrea Newton.

ANNOUNCEMENTS

TRIO HAS OPENINGS

The TRiO program still has some openings for fall 2010. Orientations continue through September. Please refer any interested students to the TRiO office in Building 1, Room 219. To be eligible for TRiO the student must be going to school full-time in the fall, be seeking a two-year degree or planning to transfer, and at least one of the following criteria must apply: 1) Neither parent received a four-year bachelor's degree; 2) meet financial need guidelines; 3) disability that interferes with their education. Any questions please contact Marla at 3131.

WOMEN'S PROGRAM IN-SERVICE CLOSURE

The Women's Program will be closed all day for in-service on Friday, September 17. Submitted by Ruth Wren, 5352.

COUNSELING CLOSURE

Counseling, Advising, Career and Employment Services, and Testing will be closed all day for in-service on September 15. Submitted by Jerry DeLeon, 5870.

FACILITIES UPDATES

SUBMIT KEY REQUESTS EARLY

Every year we have a number of new employees, including temporary or part-time faculty and staff who need keys cut right away (rushed) to get immediate access to buildings and rooms during off campus shifts or hours when the campus is normally closed to the public. This year,

we will also have a new keyless access system that will be programmed to allow smart cards issued to employees to have access to exterior doors after 11 PM and before 6 AM when the college is typically closed to the public. Manual keys will still be needed for interior doors. Please submit your work requests for keys as early as possible so that FMP staff can cut the needed keys and send them to Public Safety for issuance to the respective requestor(s). In addition, those that do not have their keyless entry access cards yet, are encouraged to call Public Safety staff at extension 5558 to arrange a time to process their card. It usually only takes about 10 to 15 minutes to get a card issued.

CAUTION: CONSTRUCTION RELATED TRAFFIC IN THE PARKING LOTS

Please continue to be very careful walking through the parking lots. We have an extraordinary amount of heavy equipment driving through the parking lots. The new track will be paved in early September which will increase paving equipment, trucks, etc. driving through parking lot N. If you have any questions or see any safety hazards associated with this traffic, please report them to the facilities office at extension 5216.

HOUSEKEEPING

Housekeeping recently hired six 20-hour-a-week part-time custodians to help provide coverage for the new buildings and the newly remodeled buildings. Refinishing and carpet extraction of floor surfaces continues. Hard floor surfaces continued to be refinished and carpets extracted. Custodians are assisting with post remodel clean up. Additional equipment has been purchased and placed in Building 30 and remodeled areas to assist custodians with cleaning responsibilities related to floor and restroom cleaning. Contact Katherine Vos, 5561.

INDOOR AIR QUALITY IN THE BOND

In order to help ensure that new spaces will be healthy and comfortable for employees and students, Lane has specified that contractors use "low-emitting materials" for all adhesives, sealants, paints, coatings, flooring systems, composite wood, and agrifiber products. These specifications are consistent with the U.S. Green Building Council's LEED Indoor Environmental Quality Credit 4. The college has also specified that contractors flush out our new and remodeled spaces with large quantities of fresh air to reduce levels of airborne chemicals from new products. Lane will be conducting some air testing in the new and remodeled spaces to verify that airborne levels of chemicals from new products and finishes are being kept at a minimum. Contact: Jennifer Hayward, 5594.

PUBLIC SAFETY

Temporary time-sheet help has been assigned to assist Public Safety with keyless access scheduling and issuance of key cards. Contact Katherine Vos, 5561.

PROJECT UPDATES

BUILDING AUTOMATION SYSTEM (BAS) STRATEGIC IMPROVEMENTS

Coordination work has started between the building automation system (BAS) phase one contractor, TraneOregon, the Building 4 and 5 construction team, and FMP staff to assist the integration of the new and existing heating, ventilation, and air conditioning (HVAC) controls at Buildings 4 and 5 into an upgraded campus system. Work to extract information from Buildings 1, 3, 6, 7, 9, 11, 12, 15, 16, 17, 18, and 19 will begin in the coming weeks. The goals of phase one project include replacement of the BAS information routing equipment and upgrading the BAS network interface to a web-based system. Phase one of this project is expected to be complete at the end of October. Contact Anna Scott, 5805.

BUILDING 4 REMODEL

General contractor LCL and its subcontractors are working seven days a week cleaning all areas getting ready for the moving crews to start moving staff into their new office the week of September 13. This fast paced time in the project has heightened the awareness for safety, and LCL is requiring safety equipment be used by all staff and construction employees until the project is completed. Exterior painting of Building 4 started this week and will be on going through S FMP will be working with the contractor to complete parts of the building that were touched during the remodeling. On September 2 the new HVAC system was put into operation allowing the system to flush all the new smells out of the building before staff is moved in. Contact Mark Richardson, 3456.

BUILDING 5 REMODEL AND ADDITION

Crews are working seven days a week making upgrades to the first floor. Building 5 is taking shape with the new rounded and open design on the first floor. The new glass doors located on the east side of the fitness center were installed on September 1. The new addition is going strong with an expected completion of December 15. Openings have been cut and crews installed the new steel stairs the week of September 6. Remodeling of this section of the building is on schedule to be completed by December 15. Crews are working at an accelerated pace to make sure parts of Building 5 are open and ready for the fall term. The fitness center floor has been refinished, and crews will be moving in equipment starting September 15. Through the holiday weekend, a new floor covering system was installed in the first floor that is especially designed to resist high traffic while being very low maintenance. A specialized floor surfacing company was on site working through the weekend to install a system on the first level of Building 4. The materials used in this process emit a strong odor during installation and will be noticeable for up to seven days after installation. Demolition crews will be back on the site this week cutting larger holes in the concrete tower to allow larger vents to be installed allowing additional air flow to the HVAC units. Contact Mark Richardson, 3456.

BUILDING 19 BUSINESS OFFICE REMODEL

This project is in the final cleaning stages. Final inspection is scheduled for this week, and office staff will be moving in during the week of September 13. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS BUILDING

In general, the design team continues its preliminary work. Several firms submitted proposals for commissioning services and project management services for the project. Selection committees evaluated proposals and the project management selection committee will recommend a firm for board action at the September 8 meeting. A land survey of the downtown site has been completed. The architects are scheduled to meet with the project management team on Friday, September 10.

The college has hired a firm to prepare a topographical survey of the site. That survey was completed and the maps were delivered to the college on September 3.

Architects are continuing to design options that fit programs and support functions into the academic building. A student housing charette occurred at the college last Friday where the architects presented some diagrams of different apartment options. Students and administrators responded with their thoughts. The architects will incorporate the responses into the next iteration. Another housing charette is scheduled for September 17. Contact Bob Mention, 5747.

KEYLESS ENTRY

Keyless entry access cards are available now. If your responsibilities require you to access 30th Avenue campus buildings outside of normal business hours, a keyless entry access card should be requested. Your division dean or administrative coordinator should be able to tell you if you

have been approved for a card. Keyless access requires the approval of your division dean, in certain cases, a member of the Executive Team. If approved, you are encouraged to obtain a keyless entry card from the Public Safety office, Building 13, as soon as possible. To make arrangements to pick up your card (it must be picked up in person), please contact Public Safety at extension 5558 (541-463-5558). They will be able to confirm if you have been approved for a card. Cards are being issued between 8 AM and 1 PM, Monday through Friday and it takes only minutes to obtain. No paperwork, no forms, and no hassle to complete. Prepare to have your picture taken, so look your best. Contact Dave Smith, 3433, for information on the keyless entry system, or Public Safety, 5558, to make arrangements to pick up your card.

SOLAR STATION

The framework to support the PV panels was installed and the first PV panels were mounted last week. A group of students gained valuable experience installing a number of the PV panels as part of a solar installation certification class. The electrical contractor is continuing with the installation of the PV panels and is expected to be complete early next week. Once all the panels and necessary electrical components have been installed, the solar station will be brought online and begin generating AC power. The first five Level I charging stations are expected to be installed mid-September. These will be converted to a dual Level I/II and five additional dual level stations will be installed in late November or December. Please be aware of continued parking and passage impacts immediately around the solar station work area. Project completion of the first phase is expected September 13. Contact Dave Smith, 4633.

TRACK AND SOCCER BOWL UPGRADES

Beginning Tuesday, September 9 the gravel area "berm" between the fields will be closed to all motorized traffic. Field T for the track and soccer field will be delivered to the site and installation will begin on Tuesday, September 7. The asphalt paving process is expected to increase truck traffic in the areas around the north parking lot and will continue to be heavy during the paving process, which will last three days. Contact Mark Richardson, 3456.

FMP TRADES MAINTENANCE ACTIVITIES

Contact Angela Fazio, 3428.

Building Automation System: Trades supporting launch of upgraded Building Automation System (BAS) by field verifying building layouts and room numbering on layout plan drawings.

Building 3: Floor installation for the small kitchenette is scheduled on September 11.

Building 4: Completed fabrication and staining of two under-sink cabinets for Health MOA lab that were removed due to water damage; installation in progress.

Building 5: Fabrication of new Fitness Center counter 95 percent complete with anticipated installation September 13.

Building 11: Painted the hallways and six offices on the second floor. Contractor replacement of flooring in one office postponed until September 13 or 14.

Center Building: Installed Steelcase counter/desk in support of new computer check-out station. Awaiting quotes for installation of electrical and data for new computer charging stations and student workstations.

Cottage Grove: Facilities portion for upgrade of two classrooms into enhanced classrooms will be completed next week.

Downtown: Rotted subfloor in first floor restrooms replaced. The contractor will install new flooring next week.

Flight Technology, Building 43: Flooring replacement in student lounge and minor touch-up painting completed.

Florence: Soliciting bids for refurbishment of parking lot and painting of front entrance.

Health and Wellness: FMP Trades participating in owner system training sessions.

Native American Longhouse: Completed installation of window trim and interior door frames; staining and painting ongoing. Installation of kitchen shelves and cabinets completed.

Parking Lot Maintenance: Regrading and recompact of gravel parking lots completed. Crack sealing, resealing and restriping of asphalt parking lots to take place during the week of September 13-17.

Pressure Washing: Contractor completed removal of bird nests and cleaned bird droppings from around the Center Building, Building 5 north stairwell and around Building 12. Pressure washing of concrete walks and walls continues around Building 2 and west entrance; next week's focus for will be around Buildings 1, 4, and 5.

Smoking Shelter Relocation: As part of the Tobacco-Free project, all smoking shelters and signs have been removed from the main campus core. Reinstallation of all shelters to alternative locations was completed except for striping. The wayfinding committee will meet to finalize plans for installation of new signs.

CURRENT CONSTRUCTION NOTICES

* Concrete sidewalk replacement south of Building 6. Schedule: August 9 – September 15.

Contact: Lynn Atkins, 5131.

* First floor closure of Building 5. Schedule August 13 – September 20. Contact Mark Richardson, 3456.

* Door replacement, storefront installation on Building 3 beginning August 27. Contact Dave Smith, 3433.

NEWS

IN MEMORY

Kris Tupper, coordinator for the Dental Assisting program, passed away Sept. 9. The family requested that friends and colleagues be notified.

Kris joined Lane in 1978 as a part-time instruction assistant in Adult Basic Education and became full-time faculty in Dental Assisting in 1983. She became program coordinator in September 2005.

"She was more than a wonderful employee, she was a friend. We will all miss her wit and sense of humor," said Sheryl Berman, director of Health Professions.

Donations may be made to the Kris Tupper Memorial Support Fund (Acct # 482140) at any Selco Community Credit Union to assist the family with expenses.

Details about a memorial service will be announced soon. Contact: Roxanne Atter, Health Professions, 5730.

SUSIE JOHNSTON LEADS OCCA BOARD

Lane Board of Education Vice Chair Susie Johnston was named chair of the Oregon Community College Association Board of Directors for 2010/11. Johnston is a student at Lane. She has served on Lane's board since 2005. OCCA represents Oregon's 17 community colleges and is governed by a 34-member board which includes each president and one board member from each college. Submitted by the editor.

PRESIDENT RECEIVES TOP MARKS FOR NINTH STRAIGHT YEAR

For the ninth straight year, President Mary Spilde received an outstanding performance evaluation from the Board of Education at its Sept. 8 meeting.

Board Chair Tony McCown reported to the board that Spilde was rated on a scale of one to five in seven areas and earned almost all fives in every instance, and exceeded a perfect score in the area of board relations.

"She has our support, our respect, and our admiration," he said.

Spilde was commended for raising support for community colleges nationwide in her role as chair of the American Association of Community Colleges, and successfully advocating for Lane at local, state and national levels.

Her greatest achievement for the year, said McCown, was building support and partnership for the downtown campus project.

Board member Bob Ackerman said, "I have often wondered how Mary can do so much so well and so I have concluded that there must be a twin somewhere." Submitted by the editor.

GREG EVANS APPOINTED TO APTA

Greg Evans, African American Student Program coordinator at Lane and board member of the Lane Transit District, has been named to the American Public Transportation Association Executive Committee. The committee facilitates the organization's vision, mission, and core values and is responsible for policy development and implementation of strategic goals.

Governor Kulongoski has nominated Evans for a second term on the LTD board; the Oregon Senate is expected to approve the reappointment. Submitted by the editor from an LTD newsletter.

ANNOUNCEMENTS

FALL IN-SERVICE UPDATE: STRATEGIC DIRECTIONS...LANE'S MAP AND COMPASS

Eager for your Fall In-Service update? Stay on top of the planning in progress by visiting the event website at www.lanecc.edu/in-service/fall10/indexfall10.html where you will find the most current schedule and a variety of important details. This year's event is being painted with a wide brush, and includes a colorful and fascinating variety of faculty sabbatical presentations from Hospitality Management, Library, Spanish, Dance, Science, Social Science, Cooperative Ed, Counseling, and Music. See the online event schedule for the date, times, and location at www.lanecc.edu/in-service/fall10/indexfall10.html

If you have any questions regarding event coordination, contact Roxanne Young in Professional and Organizational Development at youngr@lanecc.edu or 3655. Stay tuned for more updates in next week's Lane Weekly.

HEALTH AND WELLNESS CENTER GRAND OPENING SEPT. 23

A grand opening celebration for the Health and Wellness Center will be held Thursday, September 23 beginning at 4 p.m. Speakers will be Lane Board of Education Chair Tony McCown, President Mary Spilde, Opening Doors Campaign Chair Tony Baker, SRG Partnership Architect Hussain Mizra, Lane Health Professions Dean Sheryl Berman, and nursing student Dave Vizcaino.

At about 4:40 p.m., Spilde, Baker and Opening Doors Campaign Honorary Co-Chairs Don Tykeson and Sister Monica Heeran will do a ribbon cutting. The building will be open for self-guided tours. Some faculty and students will be on hand for classroom and lab demonstrations. More information is available online at:

www.lanecc.edu/foundation/openingdoors/index.htm#grandopen

Contact: Janet Anderson.

GROUP BUS PASS AND STICKERS FOR FALL TERM

Students or staff taking a credit class on main campus or at the Downtown Center are eligible for a LCC bus pass good for the entire term. Photos for bus pass ID cards will be taken in the Building 1 first-floor lobby on September 23 from 8 a.m. to 4 p.m. and on September 24, 27, 28, 29, and 30 in Building 19, Room 117 from 8 a.m. to 4 p.m. Stickers for fall term will be available beginning October 5 at the Titan Store return window or at the DTC. Visit www.ltd.org for changes to the LTD fall schedule as well as service changes for the 2010-11 year. Contact: Jennifer Hayward, 5594.

PARKING TIPS

Main campus parking will be tight this fall. Avoid the crush and take the bus. Use your staff tuition waiver to take a fitness class and get a free bus pass for the term. Try it out: pick up a free, one-day pass good for Sept. 23-28, at the Employee Benefits Fair on Sept. 22 or at Fall In-Service on Sept. 23. You can also carpool, arrange for a ride, or ride your bike or motorcycle. Watch the fun bus pass video on Lane Tubers Café from the college home page, and keep an eye on the home page for more information. Submitted by the editor.

WELCOME BOOTH NEEDS VOLUNTEERS

The Welcome Booth will be up September 27 and 28 outside Building 4 near Classified Hill. Volunteers are needed to greet, give directions and answer questions to the multitude of students on campus. Help is needed from 7-9 a.m., 9-11 a.m., 11 a.m.-1 p.m. and 1-3 p.m. each day. Please call 5336 with your name and department, or e-mail Tina Lymath at lymatht@lanecc.edu Hope you had a wonderful summer!

ENGLISH AS A SECOND LANGUAGE REGISTRATION OPEN

English as a Second Language classes begin Sept. 27. Students should register now to ensure a seat. The program enrolls about 500 students per term.

Eric Razo, a 36-year-old native of Mexico, began taking ESL classes to advance in his work at Monaco Tools in Eugene. "I told him when I hired him, you have to learn English if you want to work here," said Joe Monaco. "Eric's very intelligent, and he can advance with better language skills." Razo takes ESL classes after work and Monaco provides scheduling flexibility to help him. (See full story at www.lanecc.edu/aspire/articles/2010Summer/businesssolutions.html)

The cost is \$47 for an 11-week class. Students are eligible for a free LCC Bus Pass. Some classes require purchase of a textbook. Additional fees may apply to students with certain types of non-immigrant visas.

Classes are available in pre-beginning to advanced levels. Morning classes are offered on main campus, Building 11, second floor. Evening classes are offered at the LCC Downtown Center. Multi-level classes are available at Springfield Middle School, 1084 G Street, Springfield, Tuesdays and Thursdays from 6-7:50 p.m., with childcare provided. For more information call (541) 463-5253 days or (541) 463-4935 evenings.

FACILITIES UPDATES

HOUSEKEEPING

Hard-floor finishing, carpet extraction, office detailing, and window cleaning are on track. Many areas that have received deep cleaning services have been re-littered with dust from nearby construction projects. Please let housekeeping know if your area needs to be cleaned again and they will do their best to service your area. The two-week period prior to fall term will be

dedicated to floor refinishing, deep cleaning, dusting, restroom detailing, and set up in Buildings 4, 5, and 30. The construction work in these areas will soon be finished and custodians will address the cleaning needs to ensure they are ready for the start of fall term. Contact Katherine Vos, 5561.

INFRASTRUCTURE

This week, Allied Fire and Security intends to install and activate the 25-Live integration that will control the electronic doors on the main campus. The system is designed to read room reservations and will automatically unlock and lock the doors of the rooms associated with those events. Contact Katherine Vos, 5561.

PUBLIC SAFETY

Keyless Entry: Currently, more than 1,170 keyless access cards have either been issued or are ready to be issued. If you have not received your key card yet, please check with your "key authority" and see that a request has been generated. Generally, Public Safety has staff available between 8 a.m. to 1 p.m. and from 2-5 p.m. who can issue the card in under five minutes. Just call Public Safety at 5558 to confirm the availability of staff who can issue the cards. If your key-card becomes lost or stolen, call the Public Safety office immediately. Your card will be deactivated and a replacement card can be made available to pick up at the front desk of the Public Safety office within an hour. Contact Katherine Vos, 5561.

PROJECT UPDATES—

DOWNTOWN CAMPUS BUILDING

The Board of Education took important steps at its September meeting to move the Downtown Campus building project forward. They awarded a contract for project management services to the firm of Gerding Edlen. This is the same firm that provided those services for the feasibility report. They approved the construction management general contractor (CMGC) method of project delivery, and decided that the college would build and own the student housing part of the project instead of turning it over to a private developer. Also discussed were some options for financing the whole project.

The architects prepared some design options for the first floor of the academic building and the student housing units. These were reviewed and commented on by the management team and the housing subgroup respectively. The next iteration of the housing design will be brought back for review on September 17 and the next iteration of the academic building design will be reviewed on September 22.

Building controls, commissioning and geotechnical investigation, and a other work is underway. Contact Bob Mention, 5747.

SOLAR STATION

The electrical contractor continues to install PV panels and necessary components for the first five Level I charging stations and expects to complete this work this week. In November, the components of the first five dual Level I stations will be replaced and converted to dual Level I/II stations. In addition, five more stations will be installed that will bring the total of dual Level I/II stations to 10 which will complete this project. Parking and passage impacts immediately around the Solar Station work area will continue throughout the week. Contact Dave Smith, 3433.

CURRENT CONSTRUCTION NOTICES

* Fire alarm testing in Buildings 6, 19, and 31 on September 16. Contact Dave Smith, 3433.

* Parking lot maintenance through September 17. Contact Angela Fazio, 3428.

TRAININGS & CLASSES

T2T: INTRODUCTION TO DEVELOPING AN ONLINE OR HYBRID COURSE

Full term online course. Sept. 27 - Dec. 4, Instructor: Vicky Kirkpatrick

What is it like to teach online? What is it like to be an online student? Experience both perspectives during this Introduction to Online or Hybrid class. You will be an online student as you learn about teaching with technology and about transforming your existing curriculum for the online environment using Moodle and best practices. This online class will give you an overview of things you need to know about teaching an online or hybrid course. Topics include: getting started, setting up your structure, alignment of key components, tools in Moodle, and designing for quality. Registration is required as space is limited. If you are interested in participating please enroll directly in ExpressLane, CRN# 24298. You must be enrolled as a credit student to enroll in this class. Class fee is waived for Lane instructors. For more information contact Vicky Kirkpatrick at kirkpatrickv@lanecc.edu or 541-463-5400.

T2T: SOCIAL NETWORKING AND WEB TOOLS FOR ONLINE INSTRUCTION

5-week hybrid course. Tuesdays 2pm-3:50pm, Sept. 28 - Oct. 26 with additional time spent online. Bldg. 2 room 122 (new ATC), Instructor: Ian Coronado.

The focus of this course is on the use of social networking and web tools that will foster instructor-student, content-student, and student-student interaction for online and hybrid course instruction. We'll look at new and emerging technologies for online learning, social networking tools and more. Registration is required as space is limited. If you are interested in participating please enroll directly in ExpressLane, CRN#24296. You must be enrolled as a credit student to enroll in this class. Class fee is waived for Lane instructors. For more information contact Ian Coronado at coronadoi@lanecc.edu or call 541-463-5197.

T2T: AUDIO AND VIDEO FOR ONLINE INSTRUCTION

Five-week hybrid class. Tuesdays 2pm-3:50pm, Tuesdays Nov. 2 - Nov. 30 with additional time spent online. Bldg. 2 room 122 (new ATC) Instructor: Ian Coronado.

Do you teach online, hybrid or have a web enhanced traditional class? Want to use more audio and video in your class, but find that there are too many hurdles to get these things online?

Come to our five-week session, bring some videos and ideas you want to put online, and put those hurdles behind you. Understand, download and use the more efficient formats for audio and video, editing existing content, and production of audio/visual materials. Moodle experience required. Meet in the classroom on Tuesdays 2pm-3:50pm combined with online time for this 1 credit course (pass/no pass or audit only). Registration is required as space is limited. If you are interested in participating please enroll directly in ExpressLane, CRN# 24297. You must be enrolled as a credit student to enroll in this class. Class fee is waived for Lane instructors. For more information contact Ian Coronado at coronadoi@lanecc.edu or call 541-463-5197.

ACADEMIC TECHNOLOGY CENTER WORKSHOPS - See

<http://lanecc.edu/atc/wstraining/schedule.html> for details:

* Smart Classroom And Smart Cart Operation - Learn how to turn on, log onto, operate, and troubleshoot Smart Classroom and Smart Cart audiovisual systems. Duration: 1 Hour. No Registration Required. Dates: Wednesday, September 22, 10 am; Tuesday, September 28, 4 pm; Friday, October 1, 4 pm. Location: TBA

* Technology Orientation For New Faculty - Introduction to LCC computer resources, including: Logins and Passwords, Class Lists and E-mailing Students, GroupWise E-mail, Time Sheets, Grading, Smart Classrooms, & Support Resources. Duration: 3 Hours. Registration Required: E-mail atc@lanecc.edu Dates: Wednesday, September 22, 2010, 2 p.m. Tuesday, September 28, 9 a.m. Location: TBA

* Moodle Introduction - Moodle offers numerous options for setting up a class, including discussions, transferring files, announcements, grading, posting syllabi and assignments online, creating links to other Web sites, and even setting up Web pages and wikis! This hands-on workshop will introduce participants to the Moodle software system. Duration: 2.5 Hours. Registration required: e-mail atc@lanecc.edu Dates: Friday, September 24, 9 am Wednesday, September 29, 2 pm Location: TBA

ANNOUNCEMENTS

IT MOVING BACK TO BUILDING 2

The dust has settled, the rooms are painted and the furniture is in. Information Technology is moving back to Building 2 this week! This includes the Academic Technology Center (ATC), Distance Learning, IT Help Desk, Media Services, network, web and programming staff as well

as Telecommunications. The ATC is now located in Building 2/Room 121-122. Be sure to call ahead if you have an appointment with an IT staff member to find out where their office is located. Submitted by Lori Brenden, 3354.

LANE COMMUNITY CARES 2010 - WELCOME TO FALL CAMPAIGN

Based on the success of our first Lane Community Cares Campaign last fall, the committee (Jim Salt, Doug Smyth, Bob Baldwin, Marcia Bell, Sonya Christian, Ken Murdoff, John Hamblin, and Helen Garrett) is launching this again for the start of fall 2010. Please visit the Lane Community Cares website at <http://www.lanecc.edu/oasa/communitycares.html> to find out what you can do as a faculty or staff member at Lane to welcome back our returning students or to assist new Lane students with navigating enrollment processes and the start of fall term. We invite all staff to read through the updates on the website, review the Frequently Asked Questions and to sport the pink "Lane Community Cares: How Can I Help You" stickers. Please drop by the Meet and Greets to learn what students just coming to Lane are hearing about their best options for enrolling at Lane and current updates on financial aid, class availability and parking. You may pick up your pink stickers there or stop by Tana Stuart's desk, Building 3 to obtain as many as you need. For more information contact Helen B. Garrett, Academic and Student Affairs, at 5725 or garretth@lanecc.edu

TORCH SEEKS COLUMNISTS

At the Torch this year, we'd like to print a column from a different faculty, administrator or staff member at Lane. The only guideline for guest commentaries is that columns be 700 words long at most and that we reserve the right to edit for space and clarity. We prefer that the columns address issues or concerns pertaining to the college and outlying communities, but this is not required. For more information contact Eder Campuzano, Editor in Chief, The Torch, 5655.

FOUNDATION SCHOLARSHIPS STILL AVAILABLE

The Lane Community College Foundation has Scholarships available for students in the following fields only: Dental Assisting, Dental Hygiene (Douglas County residents only), Health Records Technology, Medical Office Assistant, Respiratory Care (first-year students only), certificate programs for Massage Therapist, Nursing Assistant, Phlebotomy, Pharmacy Technician, Sterile Processing and EMT, Farm or Business Management program at the Small Business Development Center, Flight Technology (women students only). Applications will be accepted from Sept. 15 - Oct. 15. All instructions and the link to our STARS online application are available at: <http://www.lanecc.edu/foundation/scholarshipopps.htm> If you encounter problems, or have questions about the application process, please call 5226 or e-mail LCCScholarships@lanecc.edu

FALL PARKING TIPS

Main campus parking will be tight this fall. Avoid the crush and take the bus. Use your staff tuition waiver to take a fitness class and get a free bus pass for the term. Try it out: pick up a free, one-day pass good for Sept. 23-28, at the Employee Benefits Fair on Sept. 22 or at Fall In-Service on Sept. 23. You can also carpool, arrange for a ride, or ride your bike or motorcycle. Watch the fun bus pass video on Lane Tubers Café from the college home page, and keep an eye on the home page for more information.

WELCOME BOOTH NEEDS VOLUNTEERS

The Welcome Booth will be up Sept. 27 and 28 outside Building 4 near Classified Hill. Volunteers are needed to greet, give directions and answer questions to the multitude of students on campus. Help is needed from 7-9 a.m., 9-11 a.m., 11 a.m.-1 p.m. and 1-3 p.m. each

day. Please call 5336 with your name and department, or e-mail Tina Lymath at lymatht@lanecc.edu Hope you had a wonderful summer!

ACHIEVING LEADERSHIP SUCCESS WITH VISION

Lane SBDC is offering the renowned Learning to Lead Series by AchieveGlobal(tm) starting Oct. 5. Learning to Lead Series provides supervisors and managers with practical tools to meet the expanding demands of their jobs. This series develops the specific skills needed to maintain constructive relationships and lead successful teams. These courses are highly interactive and focus on building practical skills that can be used immediately on the job to improve productivity. Molly Scurto, certified AchieveGlobal Trainer will lead the series. Visit our website for further details or additional classes at Lanesbdc.com/home/lbd/smartlist_38/business_leadership or call the Lane Small Business Development Center and speak with our Business Resource Team at 5255.

LANE'S GOT TALENT

Do you have a special talent or skill? Are you a trapeze artist? Can you balance a spoon on your nose? Are you double jointed? Do you play an instrument? The American Association for Women in Community Colleges (AAWCC) is looking for such special persons to perform at our "Lane's Got Talent" fundraiser. Our show will be on Thursday, Dec. 2 from 4:30-5:30 p.m. If you are interested in wowing us for a maximum of four minutes, please contact Siv Serene at barnums@lanecc.edu or call 5894 to be included on the program.

FACILITIES UPDATES

CONSTRUCTION AND REMODEL PROJECTS FINISHING AND MOVE-IN PROCESS

FMP staff and contractors are in the process of wrapping up construction and remodel work on many projects. Some "punch list" items and/or items that are in the scope of work but are small in nature may continue into the fall term. Items that are not in the original scope of work and are "after the fact" type ideas or requests that faculty, managers, staff, or others would like for future consideration should be coordinated through their respective college "Project User Group" leaders and administrators or (if urgently needed) through an e-mail or phone call to the respective FMP project coordinator per the following:

1. David Amundson, ext. 3455: Building 2, 6, 10
 2. Mark Richardson, ext. 3426: Building 4, 5, 19, track and soccer fields
 3. Brian McMurray, ext. 5829: Health and Wellness Center, Longhouse
 4. Lynn Atkins, ext. 5131: Concrete replacements, building 10, project employee work.
 5. Angela Fazio, ext. 3428: All maintenance projects, including parking lots, painting exterior walls of buildings 4/5, and power washing work, many other items.
 6. Toby Kubler, ext. 3458: All moves and relocations
 7. Mike Sims, ext. 5569: All surplus property and recycling issues
 8. Anna Scott, ext. 5805: All renewable energy projects
 9. David Smith, ext. 3433: Keyless entry, fire alarm systems, exterior lighting, and solar station.
 10. Jennifer Hayward, ext. 5594: All indoor air quality testing, other sustainability related items.
- FMP and bond budgets are very limited and committed so any extra or added items will be very carefully reviewed and evaluated. Many items will not be added after the fact. We just do not have extra money in the bond for new or additional project scope items. All FMP operations maintenance related items must be requested in our normal work request process. Please refer to the FMP college web site for maintenance request process. Thank you for your support

regarding the process requested above. FMP staff has limited resources so will not have much resource time to pick up "extra" or "new" work before the first week of the fall term. Urgent issues that affect instruction spaces, safety, or compliance regulations should still be requested. We will do our best to provide a smooth and helpful service during this exciting and yet challenging period. We hope you are pleased with the work we have done this summer. Thank you. Contact Dave Willis, 5566.

INNOVATIVE WASTE MANAGEMENT STRATEGY IN NEW SPACES ENCOURAGES RECYCLING

Lane continues to be a leader among colleges and universities in innovative waste management strategies that encourage reducing, reusing, and recycling. New this year in Buildings 2, 4, 5, and 30 are recycling stations in hallways. The old waste management model was to have only garbage cans in every room that was emptied by FMP staff. Our waste studies showed that most of this material was recyclable, but was going into the trash. People who wanted to recycle would have to take recyclables to a remote location. The old model encourages occupants to throw everything in the trash and requires people to make an extra effort to recycle. In the new model, recycling stations are conveniently located in hallways near the exit to every classroom and building. Building occupants will place all classroom and office discards in the appropriate bins at these stations. This new system saves time and money, creates more savings and revenue, looks better than freestanding units, and allows occupants better access to recycling. Cardboard recycling will continue to be collected outside buildings. There will be information about where to place cardboard posted near the recycling stations. Thanks for recycling and helping to make Lane a sustainability leader. Contact Mike Sims, 5569.

SUSTAINABILITY IN BUILDINGS 4 AND 5

The Building 4 and 5 remodels were designed to meet the U.S. Green Building Council's Leadership in Energy and Environmental Design (LEED) standards. Green features in the buildings include water use reduction and energy optimization. The projects are also using products with recycled content, products that were locally produced, and sustainably harvested wood. This project is also providing valuable experience to an Energy Management program student intern who is working with college staff, the design team, and construction firm to gather and report data according to LEED requirements. Contact Jennifer Hayward, 5594.

BUILDING AUTOMATION SYSTEM STRATEGIC IMPROVEMENTS

Router equipment enclosures have been installed in Buildings 4, 6, 7, 12, and 16. New routers have been installed in Buildings 4 and 7. Coordination continues between the building automation system (BAS) phase one contractor, TraneOregon, the bond construction teams, IT, and FMP staff to assist the integration of the new and existing heating, ventilation, and air conditioning (HVAC) controls at Buildings 4, 5, and 7 into an upgraded campus system. Work to extract information from Buildings 1, 3, 6, 9, 11, 12, 15, 16, 17, 18, and 19 will begin in the coming weeks. The goals of phase one project include replacement of the BAS information routing equipment and upgrading the BAS network interface to a web-based system. Contact Anna Scott, 5805.

BUILDING 2 REMODEL

Inspections by building officials and the State Fire Marshal were successful, and Lane received a certificate of occupancy for the completely remodeled building. IT staff continue to move into their offices and Lane moving crews, carpenters, electricians and IT staff are installing furniture, wiring, teaching podiums, screens, white boards, projectors, computers and other equipment into the enhanced classrooms and Distance Learning classrooms. The newly remodeled data center on the ground floor provides upgraded routers and servers for better communication at

peak use hours. The equipment is housed in racks that supply cooled air directly to the electronics from an updated HVAC system. The data center cooling is expected to be more effective and uses only half the energy. Redundant HVAC systems will automatically switch on in the event of a cooling system failure to protect the equipment from overheating. Contact David Amundson, 3455.

BUILDING 4 REMODEL

The building 4 project was one of the most challenging projects completed this year. A joint effort with Lane staff, GBD Architecture, and Lease Crutch Lewis made this project a success. The entire HVAC system constructed below ground in the 1960s was abandoned and a new HVAC (Heating, Ventilation, and Air-Conditioning) system was installed. The new duct system has a sealed air supply and return air system makes the indoor air quality the highest quality possible. The new floor design added six new classrooms and a new computer lab with new computers. An open floor plan and large windows will provide a comfortable environment for students to enhance their education. Most staff members will be returning this week to a new office space that is larger, with better indoor lighting, and in an environment constructed to LEED standards. Large exterior windows and indoor glass provide day lighting inside the building giving staff a natural well-lit working environment. Contact Mark Richardson, 3456.

BUILDING 5 REMODEL AND ADDITION

As the addition portion of this project to this building continues, most of the remodel work to this area is complete. The addition of the dance studio is scheduled to be completed by December 15. Several features have been designed into the floor plan that better defines access to the lower floor. The main entry doors were replaced with new storefront glass doors exposing the lobby area as a central relaxing environment of both buildings. From the second floor, the concrete walls have been cut open to allow staff and students to see the stairs leading to the lower level and the display of the new checkout counter and the new state of the art storage system. This centrally located checkout area will provide better access and is designed to reduce congestion during busy class times. The women's shower facilities have been expanded to allow room for more lockers which are scheduled to be installed during the winter break. The Fitness Center has been renovated providing an enhanced natural airflow from the glass doors installed as part of the new design. Two large fans have been added to the ceiling of the fitness center that will draw air from the outside and will exhaust through vents placed on the roof. Contact Mark Richardson, 3456.

BUILDING 6 ELEVATOR

The new elevator was approved by the State Elevator Inspector. The elevator will provide accessibility to the restrooms for the Performance Hall patrons as well as by building users during the day. The new piano lab is equipped with new electronic pianos for group keyboard classes. Contact David Amundson, 3455.

BUILDING 19 BUSINESS OFFICES

This project is complete and this week staff will finish moving into their new office spaces. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS BUILDING

Architects and engineers continue working on the schematic design of the building. The schedule shows the schematic design phase wrapping up by late October. There's much to accomplish before then.

The second student housing charrette was held last Friday. The conversation focused on sustainable design options and floor plan arrangements. The architects received a lot of good input that will influence the next design iteration.

Last week the selection committee interviewed two firms that proposed commissioning services. The committee is currently deciding which firm to recommend to the board for awarding the contract.

Two meetings are scheduled for this week. One will be for the management team to review and comment on some floor plan proposals and the other is planned for some of the energy management program faculty and a few FMP staff to discuss building control systems.

At its September meeting, the Board of Education accepted CMGC findings and directed administration to move to a public hearing. Contact Bob Mention, 5747.

FLORENCE HVAC REPLACEMENT

This week FMP staff received the schematic design report for the mechanical system replacement at the Florence CLC. Earlier this summer, college staff, Systems West Engineers, and PIVOT Architecture worked together at the first public user group (PUG) meeting to give input for the creation of the schematic design report. College staff will review the report in the next several weeks and begin the hiring process for a commissioning agent who will help the college to ensure that we meet our mechanical system replacement design objectives. Contact Anna Scott, 5805.

NATIVE AMERICAN LONGHOUSE

Hardwood flooring installation has been delayed several weeks, causing project completion to move out to the second week of October. The first few weeks of classes that have been scheduled for the Longhouse will be held elsewhere on campus. Please check class schedules. Finish-out work continues in the building, including painting, hanging doors and kitchen set up. Landscaping is close to complete. Project completion is expected in early October. Contact Brian McMurray, 5829.

SOLAR STATION

The Solar Station photovoltaic array system was started up this week and it is generating AC power. After a total of only 19 hours of operation, the solar station has generated 290 kilowatt hours of electricity back to the Lane electrical grid. The first five Level I charging stations have also been installed. These produce 120-volt electricity and will be converted to dual Level I/II charging stations (dual voltage levels of 120 or 208 volts) and five additional dual level stations will be installed in late November or early December. Contact Dave Smith, 4633.

TRACK AND SOCCER BOWL UPGRADES

Track: Delta Construction and Field Turf have been working long hours to reach the goal of having the project completed. Although the entire project will not be completed until November, the new track and field surfaces will be ready to be used by the fall term. This was a huge hurdle for all the construction crews to complete such a large project in a very short amount of time. Upgrades made to the new outdoor area are a new synthetic field, long jump spaces, shot put areas, and concrete sidewalks for easy access. The new asphalt track will need to be covered with a two-tone rubber coating that is expected to last for over 10 years. The new score board that is to be installed mid October will be completely digital and will allow track officials to display results for all lanes at one time. With the Titan name displayed on the top, other proud sponsors will be able to display their information on the other three panels that surround the scoreboard. Contact Mark Richardson, 3456.

Soccer Bowl: This field is an exciting addition for the physical education and sports programs. The new design allows for better access and outdoor spectator seating. In the past, this area

was often wet and standing water was always an issue. With the newly engineered draining system and gravel parking, the water will now drain into an underground storm-drain system keeping the area dry and useable year round. An access road has been added to the southeast corner of the field so those with limited physical ability will be able to park next to the field making their time more enjoyable. After the field is completed, the old baseball scoreboard will be replaced with a new, larger, double-sided digital scoreboard that is used for the new soccer and baseball fields. Surrounding the new scoreboards reaching twenty feet high will be a protective netting system allowing both fields to be used at the same time and provides protection from flying balls on both playing fields. Contact Mark Richardson, 3456.

FMP TRADES PROJECTS

Contact: Angela Fazio, 3428.

- * Building 1: Door replacement between the Women's Center and Student Activities is in progress. This will improve efficiency of monitoring both areas with limited staff.
- * Building 2: Completed installation of Steelcase cubicle spaces.
- * Building 3: The replacement of the small kitchenette flooring is completed.
- * Building 4: Painting of external walls is in progress. Installation of two under-sink cabinets for the Health MOA lab that were removed due to water damage is in progress.
- * Building 5: Completed fabrication of new Fitness Center counter; installation is scheduled this week.
- * Building 11: Flooring replacement of office 225 completed.
- * Health and Wellness Center: FMP trades are participating in the owner system training sessions and move-in activities.
- * Native American Longhouse: Completed installation of window trim and interior door frames; staining and painting completed. Installation of kitchen shelves and cabinets completed. Installation of interior doors is ongoing.
- * Smoking Shelter Relocation: As part of tobacco-free project, all smoking shelters and signs have been removed from the main campus core. Striping around all shelters is to be completed this week. Plan to meet with the wayfinding committee soon to finalize a plan for the installation of new signs.
- * Main Campus Parking Lot Maintenance: Crack sealing, resealing and restriping of asphalt parking lots is ongoing.
- * Main Campus Safety: "Floating" concrete stairs around the Center building have been reset to secure and level stair treads.
- * Pressure Washing: Pressure washing of concrete walks and walls will continue around Buildings 2, 4, 5 and Center.
- * Cottage Grove: Facilities portion for upgrade of two classrooms to enhanced classrooms is completed.
- * Florence: Parking lot striping to take place in October. Soliciting bids for painting front entrance.
- * Downtown: Contractor installing new flooring in Level 1 restrooms.
- * Building Automation System: Trades are supporting the launch of the upgraded Building Automation System (BAS) by field verifying building layouts and room numbering on layout plan drawings.

TRAININGS & CLASSES

ACADEMIC TECHNOLOGY CENTER

We have moved! We are now located in Building 2, Room 121/122. Please drop by if you need our support.

WORKSHOPS & PRESENTATIONS:

See <http://lanecc.edu/atc/wstraining/schedule.html> for details

- * Enhanced Classroom Av Systems - Hands-on practice operating smart classroom systems. No Registration Required. Location: LCC18 102. Duration: 1 Hour. Dates: Wednesday, Sept. 22, 10 a.m.; Tuesday, Sept. 28, 4 p.m.; Friday, Oct. 1, 4 p.m.
- * Technology Orientation For New Faculty - Introduction to LCC computer resources, including: Logins and Passwords, Class Lists and Emailing Students, GroupWise Email, Time sheets, Grading, Smart Classrooms, & Support Resources. Location: LCC18 208 Duration: 3 Hours. Registration Required: Email atc@lanecc.edu Dates: Wednesday, Sept. 22, 2010, 2 p.m.; Tuesday, Sept. 28, 9 a.m.
- * Moodle Introduction - Moodle offers numerous options for setting up a class, including discussions, transferring files, announcements, grading, posting syllabi and assignments online, creating links to other web sites, and even setting up web pages and wikis! This hands-on workshop will introduce participants to the Moodle software system. Duration: 2.5 Hours. Registration required: email atc@lanecc.edu Location: LCC18 208. Duration: 2 1/2 Hours. Dates: Friday, Sept. 24, 9 a.m.; Wednesday, Sept. 29, 2 p.m.
- * Mylane Guided Tour. Come take a guided tour of MyLane. Location: Center 451. Presenter: ATC Staff. Duration: 1 Hour. Dates: Friday, Sept. 24, 9 a.m.; Friday, Sept. 24, 10 a.m.
- * Mylane Group Studio. Explore community tools in the MyLane Location: Center 451 Presenter: Carol Mckiel Duration: 1 Hour. Dates: Friday, Sept. 24, 1 p.m.
- * Mylane Course Studio Explore course collaboration tools in MyLane Location: Center 451 Presenter: Carol Mckiel Duration: 1 Hour. Dates: Friday, Sept. 24, 2 p.m.
- * Enhanced Classroom Drop-in Practice Learn how to turn on, log onto, operate, and troubleshoot Smart Classroom and Smart Cart audiovisual systems No Registration Required Location: Building 18 Classroom 107. Duration: 3 Hours Dates: Friday, Sept. 24, 1 p.m.
- * Google Docs We will explore the use of Google tools and discuss practical applications for traditional, online and hybrid classes. Location: Building 18 Computer Lab 206 Presenters: Kirkpatrick & Arnaud Duration: 1 Hour. Dates: Friday, Sept. 24, 9 a.m.; Friday, Sept. 24, 11 a.m.

T2T: INTRODUCTION TO DEVELOPING AN ONLINE OR HYBRID COURSE

Full term online course. Sept. 27 - Dec. 4, Instructor: Vicky Kirkpatrick

What is it like to teach online? What is it like to be an online student? Experience both perspectives during this Introduction to Online or Hybrid class. You will be an online student as you learn about teaching with technology and about transforming your existing curriculum for

the online environment using Moodle and best practices. This online class will give you an overview of things you need to know about teaching an online or hybrid course. Topics include: getting started, setting up your structure, alignment of key components, tools in Moodle, and designing for quality. Registration is required as space is limited. If you are interested in participating please enroll directly in ExpressLane, CRN# 24298. You must be enrolled as a credit student to enroll in this class. Class fee is waived for Lane instructors. For more information contact Vicky Kirkpatrick at kirkpatrickv@lanecc.edu or 541-463-5400.

T2T: SOCIAL NETWORKING AND WEB TOOLS FOR ONLINE INSTRUCTION

5-week hybrid course. Tuesdays 2pm-3:50pm, Sept. 28 - Oct. 26 with additional time spent online. Building. 2 room 122 (new ATC), Instructor: Ian Coronado.

The focus of this course is on the use of social networking and web tools that will foster instructor-student, content-student, and student-student interaction for online and hybrid course instruction. We'll look at new and emerging technologies for online learning, social networking tools and more. Registration is required as space is limited. If you are interested in participating please enroll directly in ExpressLane, CRN#24296. You must be enrolled as a credit student to enroll in this class. Class fee is waived for Lane instructors. For more information contact Ian Coronado at coronadoi@lanecc.edu or call 541-463-5197.

T2T: AUDIO AND VIDEO FOR ONLINE INSTRUCTION

Five-week hybrid class. Tuesdays 2pm-3:50pm, Tuesdays Nov. 2 - Nov. 30 with additional time spent online. Building. 2 room 122 (new ATC) Instructor: Ian Coronado.

Do you teach online, hybrid or have a web enhanced traditional class? Want to use more audio and video in your class, but find that there are too many hurdles to get these things online?

Come to our five-week session, bring some videos and ideas you want to put online, and put those hurdles behind you. Understand, download and use the more efficient formats for audio and video, editing existing content, and production of audio/visual materials. Moodle experience required. Meet in the classroom on Tuesdays 2pm-3:50pm combined with online time for this 1 credit course (pass/no pass or audit only). Registration is required as space is limited. If you are interested in participating please enroll directly in ExpressLane, CRN# 24297. You must be enrolled as a credit student to enroll in this class. Class fee is waived for Lane instructors. For more information contact Ian Coronado at coronadoi@lanecc.edu or call 541-463-5197.

25LIVE TRAINING FOR FACULTY AND STAFF

Version 14 of 25Live was recently installed last week and is now in service. Thank you for your patience while we worked through installation "bugs and features". We are ready to go now!

There are many new features as this was a big release which added new functionality in event management, e-commerce and now even reports! Schedule rooms for your staff meeting and schedule equipment for your class or event. All browsers have been tested and 25Live appears to work well with Chrome, Firefox, Internet Explorer 7/8 and Safari. (Firefox users: Make sure that you have upgraded to version 3.6.9 or higher) (Internet Explorer 7/8 users: You might get a warning message asking you if you want to "Stop running this script?" Click on no and continue).

TRAINING EVENT MANAGEMENT SCHEDULING AREAS

These will be discussed and demonstrated:

Room Scheduling (academic and event)

Motor Pool Rental (rent a car and use one form for data entry - no longer necessary to use Mpulse)

Audio/Visual Check Out (for an event or equipment only)

General Services Equipment (tables, chairs, tents and other equipment)

Two hands-on training sessions are scheduled for Sept. 22nd at 10 a.m. and 2 p.m. These classes will be in Building 18 Room 206 due to the move of the ATC to Building 2. Each of these classes last 90 minutes with hands on practice. It is requested that you register for the class so your account can be created, but a training account can be used if you just want to drop-in. Register using new functionality of 25Live by clicking on the "Attend This Event" link found on the event or on the 25Live Home page. If you do not have a 25Live account and want to register or have any other questions, send them to LaneEvents@lanecc.edu. Submitted by Alen Bahret, Information Technology, 3347.

HISTORY VIDEOS FOR SALE: 7 new and almost new History Channel videos; \$4 each or all 7 at \$25 plus 4 bonus videos. History Channel video titles include Mt. Rushmore, Observatories: Stonehenge to the Hubble Telescope, Panama Canal, The Golden Gate Bridge, The Great Wall of China, The Great Pyramids of Giza and Other Pyramids, The Titanic and Other Ocean Liners. Bonus videos include X-1 and Space & NASA Trilogy, D Day Battle of the Bulge, Vane Scott's "Many Faces of Old Glory," and Vietnam. Contact Annick Todd at ext. 3405.`

WOMEN OF FAITH TICKET FOR SALE: Oct. 8-9, Portland, OR Rose Garden Arena \$89 per person. Price includes all sessions (Friday 10 am - 3:30 pm, Friday 7 pm - 10 pm; Saturday 9 am - 5 pm) Plus a box lunch both days. For questions or assistance call Mary 541 556-9384 Submitted by Mary Binford.`

FOR SALE: BLACK LEATHER COUCH, in good condition. Folds out to a full size bed. \$750 new, \$200. Call Bryan at (541) 606-8776, or Cathie at ext. 5079, reschkec@lanecc.edu `

TENOR SAXOPHONE for sale. It's a Bundy brand and is "basically a Bueshler"--according to a local music storeowner. \$750.00. Call Drew Viles x5480 if interested, or email me at vilesa@lanecc.edu `

WANTED: LOOKING FOR A USED, 2000 or newer Honda Accord or Fit, or a Toyota Camry. Manual transmission, low miles, reliability needed. Please contact: Kathleen Caprario Ulrich, Art Department, 541.554.9932 to leave a message.`

BEAUTIFUL EXECUTIVE DESK...Like new! This "U" shaped desk would be a beautiful addition to your office! It measures 6' x 8' and made of light blond maple with a honey maple bordered in-lay. This desk has 6 locking drawers: 3 regular drawers, 2 regular file drawers and 1 legal file drawer. The desk has a left or right option, an under-the-desk shelf attached to a modesty panel, and a roll-out keyboard drawer. Also available 2 matching chairs. Call Geri Meyers at 541.517.75571 or meyersg@lanecc.edu `

EGGS FROM FREE-RANGE CHICKENS AVAILABLE, MIXED BROWN & WHITE, \$3.00/DZ. MAXIMUM 5 CLIENTS FOR now. Thursday pick up each week. Contact Chef Chris @ -3505 or crosthwaitec@lanecc.edu `

COOKING FOR A HEALTHIER YOU. Join Registered Nurse and LCC baking & cooking instructor, Sandy Scheetz, and Registered Dietitian and LCC Health Professions Division nutrition instructor, Beth Naylor, on the LCC 30th Ave. Campus to cook up some quick and

healthy solo-, family- or friend-style meals using local and seasonal healthy ingredients. 3 Saturdays 10 am - 1 pm: Oct. 9, 16, 23. To register, Fall Classes/Community Ed./Personal Enrichment/Cooking. For more information, email Beth.`

THE VOYEUR GALLERY at 547 Blair Street in Eugene will host a workshop teaching the basics of Asian Binding on Wednesday, Sept. 29 at 7:00pm. Local Book Artist John Watson will lead the workshop, which will introduce students to such binding forms as the traditional Four-hole, Ledger and Tortoise Shell bindings. Watson teaches at workshops in galleries around Oregon and Texas. This is the first time this year he has taught this popular workshop in Eugene. This is the second in a series of workshops on different art forms for the owner of The Voyeur, Mo Bowen. The Voyeur specializes in photography and photo-derived works, and as Bowen says, "Holding these workshops is a great way to connect with our community of artists and show how photography can be used in different art forms. The workshop fee is \$25, and includes all materials that will be needed to construct 3 books. Seating is limited to 10 people. Workshop reservations can be made by calling The Voyeur at 541-912-7544.`

FOR RENT: 1 bedroom cottage in a great neighborhood, full kitchen, vaulted ceiling, French doors to a private fenced backyard with potential garden space. No pets. 1927 1/2 Lawrence- across the street from Washington Park. \$550/month includes utilities. Julia Munkvold, retired, 541-868-4892`

DON'T FLUSH Those Old Drugs! On Sept. 25, DEA will coordinate a collaborative effort with state and local law enforcement agencies to remove potentially dangerous controlled substances from our nation's medicine cabinets. Collection activities will take place from 10:00 a.m. through 2:00 p.m. at sites established throughout the country. The National Take-Back Day provides an opportunity for the public to surrender expired, unwanted, or unused pharmaceutical controlled substances and other medications for destruction. These drugs are a potential source of supply for illegal use and an unacceptable risk to public health and safety. This one-day effort is intended to bring national focus to the issue of increasing pharmaceutical controlled substance abuse. The local pick-up site will be at the DEA Office, 211 E 7th Avenue, Eugene. The program is anonymous, will accept prescription and over the counter solid dosage medications, i.e. tablets and capsules; will NOT accept IV solutions, injectables, needles or illicit substances such as marijuana or methamphetamine. Mona Arbuckle x5666. Info at <https://www.deadiversion.usdoj.gov/SEARCH-NTBI>

MY SON WILL BE STARTING his 2nd year as a music major at LCC this fall. On Labor Day his Buffet tenor saxophone was stolen. This is not a common make of saxophone, so I am hoping that letting as many people as possible know about this will maximize the chances of its recovery. If you see such an instrument offered for sale, you can contact me at gettyst@lanecc.edu, or the Eugene police department. Tom Gettys.`

MY DAUGHTER, Stephanie Loop, is one of the best gymnasts representing the National Academy of Artistic Gymnastics...She is selling shopping passes that are good on Saturday Oct. 16th valid at Macy's. When you Shop for a Cause on Saturday, Oct. 16, you'll receive 20% (or 10%) savings on almost all of your purchases, including regular, sale and clearance merchandise, and 25% off a single purchase. And, you will be eligible to win a \$500 gift card, no purchase necessary.. She really needs your support. Stephanie gets to keep 100% of the proceeds! It is a \$5 donation. Thanks in advance your friend, Rita Loop. loopr@lanecc.edu `

LANE WEEKLY is the employee newsletter of Lane Community College. Send submissions to weekly@lanecc.edu Guidelines online at www.lanecc.edu/cops/newsletter.htm For information, call (541) 463-5591. The Weekly is available to the vision-impaired through Disability Resources at (541) 463-5150. Lane Community College is an equal opportunity/affirmative action institution. Issue date: Tuesday, Sept. 21, 2010

NEWS

DALE DUVALL HONORED AS EMPLOYEE OF THE YEAR

Dale Duvall, network server administrator in the Information Technology department, was honored as the Employee of the Year at college in-service on Sept. 23. Dale has been with the college since March 1996. He is known to many as the guru of Macintosh computing at Lane who "has saved hundreds of users from thousands of problems" and is "a master troubleshooter and problem solver." In presenting the award, President Mary Spilde said, "Dale is exactly the kind of employee who makes Lane Community College an enduring success." Dale was named Employee of the Month in January. The annual award is presented at fall in-service to one of the monthly award winners. See story and photo at

ANNOUNCEMENTS

LANE COMMUNITY CARES ASKS: DO YOU KNOW WHAT THE BUILDING NUMBERS ARE?

Students are actively trying to find their way to their classes and more often than not, because their myLane schedules show building numbers with rooms, they'll need help finding their way. Please do not use names of buildings, because they may not be labeled and won't have meaning to our new students. Also, Building 4 (home to Health and PE) currently is not labeled so you'll need to be creative with that. Please have this website map handy:

<http://www.lanecc.edu/mpr/locations/mc.htm>

Check out our website at <http://www.lanecc.edu/oasa/communitycares.html> for tips on directing students on what they need to know this week and stop by Tana Stuart's desk, Building 3, to pick up the pink stickers and tobacco-free campus maps. Contact: Helen B. Garrett, Academic and Student Affairs, 5725.

FALL PARKING TIPS

Main campus parking is tight this fall. Avoid the crush and take the bus. Use your staff tuition waiver to take a fitness class and get a bus pass for the term. Class fees are \$77 including the \$27 transportation fee. Lane's Transportation web page has lots of great new information. Check it out at <http://www.lanecc.edu/facilities/transportation/index.html>. On this page you can find a trip planner to assist you in planning your bus trip to the college. There is a list of Park N Ride locations that includes approximate travel times from each parking lot to Lane. Most of these trips are shorter than you may think! You will also find a carpool poster that you can post in your department to find carpool partners. Contact: Jennifer Hayward, 5594.

FOOD SERVICES OPENS JUICE BAR

Food Services opened its new juice bar on Monday in the Health and Wellness Center. Located on the first floor, the bar features an organic healthy menu including coffee, espresso, pastries and other grab-and-go items. Share your thoughts and suggestions, and check out the daily

featured entree, on the Food Services Facebook page. You can also find daily entree, soups and prices on MyLane.

Food Services hours:

- * Health and Wellness Center, 7 a.m.-6 p.m.
- * Blender espresso: 7:00 am-6:00 p.m.
- * Hot Dog cart: 11 a.m.-3 p.m.
- * Terrace Cafe- 8 a.m.- 4 p.m.
- * Cafeteria: Mondays through Thursdays, 7 a.m.-6 p.m. and Fridays 7 a.m.-3 p.m.

GROUP BUS PASS AND STICKERS FOR FALL TERM

Students or staff taking a credit class on main campus or at the Downtown Center are eligible for a LCC bus pass good for the entire term. Photos for bus pass ID cards will be taken in Building 19, Room 117 on Sept. 28, 29, and 30 from 8 a.m. to 4 p.m. Stickers for fall term will be available beginning Oct. 5 at the Titan Store return window or at the DTC. Visit www.ltd.org for changes to the fall schedule. Contact: Jennifer Hayward, ext. 5594.

MID-WILLAMETTE COLLEGE FAIR, SUNDAY, OCT. 3

The 2010 Mid-Willamette College Fair will be held in the Lane gymnasium (Building 5) on Sunday, Oct. 3 from 12-3 p.m. Nearly 80 colleges and universities from across the United States will be on hand to share information with prospective students and their families from across Lane County. Anyone interested in a future in higher education may attend, and no sign ups or preregistration is required. Students may drop in anytime during the fair and meet with representatives who can answer questions related to student housing, on-campus involvement, programs of student and cost of attendance. Additionally, workshops on the college admissions process and financial aid and scholarships will be held. All high school seniors who attend can enter to win a \$500 scholarship that will be awarded upon enrollment at a college or university after high school. For more information, contact David Van Der Haeghen, Student Recruitment and Outreach Coordinator, in Enrollment and Student Financial Services at 5688 or vanderhaeghend@lanecc.edu

FLU BLUES?

Lane students, employees and adult family members of employees are eligible for the 2010 influenza vaccine clinic provided by the Lane Health Clinic. The clinic has a limited supply of the vaccine which includes coverage for H1N1. Location, dates and hours for getting your flu shots on campus are:

Building 18, Room 105:

Oct. 5, 9-11 a.m.

Oct. 7, 7:30-9:30 a.m.

Oct. 13, 2:30-3:30 p.m.

Oct. 15, 11 a.m.-1 p.m.

Downtown Center: Oct. 12, 11 a.m.-1 p.m.

Please note the following:

1. Wear short-sleeved shirts or tops.
2. Flu fee is \$25, exact cash or check only. No credit cards.
3. Bring your Pacific Source, ODS or Providence insurance card in order assign the fee to your insurance provider.
4. Go <http://www.lanecc.edu/healthclinic/seasonalflu.html> to download the Seasonal Flu Vaccination Consent Form. Bring the completed form with you. Submitted by Nadine Wilkes, RN, 5665.

FACULTY ART SHOW OPENS; RECEPTION OCT. 6

The Lane Community College Art Gallery is proud to present the 40th Annual Art and Applied Design Faculty Exhibit. The exhibition includes a wide variety of media by both the full-time and part-time instructors. The show runs through Oct. 21. A reception will be held on Wednesday, Oct. 6, from 4-5 p.m. The reception is free and open to the public. The gallery is located in building 11 on main campus. There is no charge for admission. For information call Art and Applied Design at 5409.

BONNIE SIMOA PERFORMS THE BALINESE LEGONG KRATON PLAYON OCT. 16

Bonnie Simoa, recently back from her sabbatical in Bali, will dance the traditional Balinese dance, the Legong Kraton Playon, in the Blue Door Theater on Saturday, Oct. 16 at 7:30 p.m., followed by a slideshow and Q&A. Tickets are \$5 students, seniors and Lane faculty and staff; and \$10 general admission. Seating is limited to 85. This one-night-only performance is a unique opportunity to experience this beautiful traditional dance. In Bali dance serves to satisfy the gods, and bring health and prosperity to the community. No temple celebration would be complete without dance.

Bonnie studied with her guru Sang Ayu Ketut Muklen, a revered maestro from the village of Pejeng, who is one of the last surviving Legong teachers of her generation. At 83, she teaches the old style Legong which is becoming increasingly rare. Due to its intricacy and complexity, this version of the Legong is rarely performed today even in Bali. Sang Ayu has given Bonnie her blessing to perform and teach the dance in the United States. Simoa says, "I am happy to say I am no longer 'the tall white girl doing ethnic dance.' My teacher is proud of my accomplishments, and now more than ever, I understand the feelings and sentiments behind the dance. It is a thrill and a privilege to share my experience of Bali through the dance." Simoa also states that learning and performing this rare dance is a way to help preserve and share this traditional aspect of Balinese dance and culture. Submitted by John Watson, 5161 or watsonj@lanecc.edu

DAVID JOYCE GALLERY EXHIBIT: FOOD, FIELD AND FIBER; RECEPTION NOV. 4

"Food, Field and Fiber," an exhibit featuring fiber-based arts by 12 local female artists, is on exhibit at the David Joyce Gallery in the Center for Meeting and Learning, Building 19, second floor, through January 7, 2011. An artist's reception will be held Thursday, November 4, from 5-7 p.m. Contact: Julie Fether, 3518.

HELPDESK HAS A NEW NAME

The helpdesk has a new name! It is the Information Technology Service Center. If you need assistance from the "helpdesk" please call 4444 (same phone number) or e-mail itsc@lanecc.edu (new e-mail address). Or you can submit your own work request by going to lanecc.edu/it and clicking on IT Direct. Follow the instructions to submit your request. Please keep in mind that contacting the IT Service Center (ITSC) will connect you with student workers who will take your information and create a work request that will then be assigned to a technician. We have a huge number of requests coming in, so please be patient as we catch up with all the requests. Thank you! Barbara Barlow, IT Project Coordinator, 5065.

SUSTAINABILITY AT THE HEALTH AND WELLNESS CENTER

Interested in learning more about the sustainability features in Building 30? Check out the presentation and booklet that are now available on the Health and Wellness Center website: <http://www.lanecc.edu/healthwellness/sustainability.html>. The documents include information about how much energy the building uses, heating, cooling, ventilation, and daylighting strategies, renewable energy, and the rain garden. Contact: Jennifer Hayward, 5594.

DISABILITY RESOURCES NOTICE

Disability Resources provided chairs and tables are accommodations placed in specific rooms for specific students. These chairs and tables are not to be removed by students, faculty, or any other LCC employee...except the responsible Facilities Management staff. Students who have furniture accommodations must request the furniture each term, so that DR knows where the furniture is needed. There is a great deal of effort by Facilities Management and Disability Resources to get the appropriate furniture to the requesting students in a timely manner. So, if an adjustable table, ergonomic or padded chair appears in your classroom, do not remove it, and please don't move it within the classroom. Students who have furniture accommodations have a Letter of Accommodation (LOA) which identifies them as the student who is to use the chair/table. If there are more students with LOAs identifying them as needing furniture accommodations than there are chairs in the room, have the students come to DR and speak with Cathie. If you have questions, contact Cathie Reschke at 5079, or Disability Resources at 5150.

FACILITIES UPDATES

FACILITIES FRONT OFFICE NEW OFFICE HOURS

The office of Facilities Management and Planning is changing to better serve you! In order to reflect our capacity to meet your needs, we have adjusted our office hours of operation schedule. Work order requests may be submitted anytime via e-mail at facilitiesoffice@lanecc.edu However, effective Monday, Sept. 27, staff at the Facilities front office desk are only available by phone at 5216 or in person Mondays through Fridays in Building 7, from 7 a.m. to 4 p.m. We will continue to work hard to assist you with your facilities-related needs and motor pool requests during these new office hours. And, don't forget--motor pool vehicle reservations can now be reserved using 25Live from the Lane Events Calendar link listed on Lane's home page. Contact Russ Pierson, 5727.

HOUSEKEEPING

An enormous amount of work was completed by the custodian team to get Building 30 ready for the grand opening and to get other buildings deep cleaned, some more than once due to the construction dust. The warehouse is stocked and ready to replenish supplies. Trash containers have been distributed to numerous classrooms and offices. A special thanks goes out to the Housekeeping team for their extraordinary hard work. Please contact Housekeeping at 5578 if additional cleaning services are or become necessary in your area. Please remember--food and drink are not allowed in classrooms. Over the summer, Housekeeping extracted numerous stains from newly installed carpet in classrooms. We would greatly appreciate those responsible for conducting classes in the rooms they have been assigned to kindly ask their students to avoid bringing food and drink into the classroom. Contact Katherine Vos, 5561.

PUBLIC SAFETY

Keyless Access: This week, the integration of the R-25 was made with the keyless entry software. It's normal to have a few snafus and we are addressing these issues as we learn about them. Please make sure that your events, classes, meetings, etc. are scheduled on R-25. This includes your normal business hours. If you need the building open prior to normal business hours, you can schedule an unoccupied space such as a room or hall to ensure the building is open at the time you want it to be open. Instructors who desire to enter their classroom early should note the extra time needed in the "pre set up" portion in R 25. The classrooms that have keyless access can be entered if the instructor's key card is programmed

for that classroom. Key cards may be obtained Mondays through Fridays from 8 a.m.-1 p.m., and 2-5 p.m. Please contact Public Safety at 5558 or e-mail Jim Harris if you experience any keyless entry access issues. Thank you for your patience! Contact Katherine Vos, 5561.

SAFETY TIP

Public Safety has noticed an increase of items and money being removed from employees desks. Please do not leave money or any valuables unsecured in your office or desk.

BUILDING 4 REMODEL

The project is now in its final stages of being completed. Staff members have been moved back into the new office spaces and are nearly ready for the fall term. Lease Crutcher Lewis (LCL) is still on the site working on minor punch list items, finishing some small details, and making sure staff members have what they need. Punch list items that require using chemicals or paint will be completed after hours and will be well ventilated after the work has been completed. Access control hardware is installed in all areas in building 4 but programming issues are still being worked on and all doors may intermittently become non-operational throughout the day, Monday, Sept. 27. Contact Mark Richardson, 3456.

BUILDING 5 REMODEL AND ADDITION

This project will complete in two phases. The remodeling portion of the project is completed and ready to occupy. The first phase includes a complete remodel of the check out area and a new classroom addition. Many of the areas still need to have a final coat of paint, and some additional cleaning will be on going for two more weeks. Deep cleaning that requiring the use of chemicals will be completed after hours as done in the past by the Lane janitorial staff. Areas inside the remodeled area will be painted after 9 PM and will be completed in a well-ventilated location. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS BUILDING

Schematic design work continues. Two significant meetings happened last week: the architects presented preliminary plans for all four floors of the academic building to the Management Team and the engineers discussed building control concepts with Energy Management program representatives and FMP personnel. Both meetings were very productive. A meeting is being arranged for Thursday, Sept. 30 for the steering committee and others to review the preliminary floor plans and make comments.

A topographical survey of the site has been completed and the Geotechnical investigation of the site is about to begin. Contact Bob Mention, 5747.

TRACK AND SOCCER BOWL UPGRADES

Delta Construction with the help of Field Turf has completed the infield surface of the track. Atlas Track Surfacing has been on the site since Sept. 23 and started applying the first layer of track coating on Saturday, Sept. 24. Because of the amount time to complete the task, this work will be completed in mid-Oct. . The new score board delivery is on schedule and plans are that we will be installing it the third week of Oct. . Heavy rains have delayed the project by a few days, but the crews remain confident they can be completed by Oct. 1. Contact Mark Richardson, 3456.

TRAININGS & CLASSES

T2T: INTRODUCTION TO DEVELOPING AN ONLINE OR HYBRID COURSE

Full term online course. Sept. 27 - Dec. 4, Instructor: Vicky Kirkpatrick

What is it like to teach online? What is it like to be an online student? Experience both perspectives during this Introduction to Online or Hybrid class. You will be an online student as you learn about teaching with technology and about transforming your existing curriculum for the online environment using Moodle and best practices. This online class will give you an overview of things you need to know about teaching an online or hybrid course. Topics include: getting started, setting up your structure, alignment of key components, tools in Moodle, and designing for quality. Registration is required as space is limited. If you are interested in participating please enroll directly in ExpressLane, CRN# 24298. You must be enrolled as a credit student to enroll in this class. Class fee is waived for Lane instructors. For more information contact Vicky Kirkpatrick at kirkpatrickv@lanecc.edu or 5400.

CONTINUE UNDRRESSING YOUR STRESS...AT THE END OF THE DAY!

* KUNDALINI YOGA promotes better functioning of our bodily systems, increases our radiance and the impact we have on others, promotes emotional balance and enhances intuition, helps to eliminate negative habit patterns, and promotes a sense of relaxation and well being. So, the benefits impact all aspects of our physical, mental and spiritual being. - CRN 23061 -5:30-6:30 pm, M/W, Sep 27-Dec 1, DTC Rm 301 (20 hrs \$99) (Senior \$79) - Khalsa.

* VINYASA YOGA literally means synchronizing breath with movement (flow) in Sanskrit. Various breathing techniques, postures (seated, supine, and standing), and tension-releasing exercises will be incorporated. Students provide their own yoga mats. Christine Hotaling is a Yoga Alliance certified and registered instructor. No class on Nov 11 and 25. - CRN 23072 - 5:30-7 pm, Tu/Th, Sep 28-Dec 9, DTC Rm 301 (24 hrs \$119) (Senior \$95) - Hotaling.

* YOGA IN PLEASANT HILL for those with or without yoga experience. Suitable for all physical abilities. Practice includes basic poses that increase strength, flexibility, balance, and coordination. Reduces tension and aids in relaxation. Bring a blanket. - CRN 23209 - 5:30-7 pm, M, Oct 4-Nov 8, Pleasant Hill High School, 36386 Highway 58, Pleasant Hill (9 hrs \$49)(Senior \$39) - Vukson. Submitted by Kathy Calise, calisek@lanecc.edu or -5252.

ACADEMIC TECHNOLOGY CENTER

We have moved! We are now located in Building 2, Room 121/122. Please drop by if you need our support.

WORKSHOPS & PRESENTATIONS:

See <http://lanecc.edu/atc/wstraining/schedule.html> for details

* Enhanced Classroom Av Systems - Hands-on practice operating smart classroom systems. No Registration Required. Location: LCC18 102. Duration: 1 Hour. Dates: Tuesday, Sept. 28, 4 p.m.; Friday, Oct. 1, 4 p.m.

* Technology Orientation For New Faculty - Introduction to LCC computer resources, including: Logins and Passwords, Class Lists and Emailing Students, GroupWise Email, Time sheets, Grading, Smart Classrooms, & Support Resources. HAVE AN RV OR TRAVEL TRAILER? I am looking to rent one for fall term. It would be parked on our property (not driven around) to serve as temporary housing for a visiting family member. We live just a mile outside of town on a private 3 acre parcel. If you would consider renting, please contact me. Thanks! Christina Salter, 5813, salterc@lanecc.edu

MOVIE VIDEOS FOR SALE: Titles include Spike Lee's "Do the Right Thing," "The Graduate," "Diabolique" (in English), "Mrs. Doubtfire," and "The Godfather." \$5 each or all five for \$20. The videos are in very good to excellent condition. Contact Annick Todd at ext. 3405.

WANTED: 2011 ENTERTAINMENT BOOK. My previous source for purchasing this great discount book while supporting a non-profit organization has dried up. Does anyone know of another organization that's selling these as a fundraiser? Gloria Vanderhorst, Budget Office, 463-5604.

DEER AND ELK HUNTERS, SAVE YOUR HIDES. I'm embarking on a new hobby of traditional tanning and need green hides. If you are inclined to save them, I'd be glad to come pick them up. Call me at 541-342-5255 or email me at eujeankilt@gmail.com. Thanks, Dale DuVall in IT.

WANTED: LOOKING FOR A USED, 2000 or newer Honda Accord or Fit, or a Toyota Camry. Manual transmission, low miles, reliability needed. Please contact: Kathleen Caprario Ulrich, Art Department, email: caprariok@lanecc.edu or 541.554.9932 to leave a message.

FIREWOOD FOR SALE - Seasoned Fir available for \$100/cord and Hardwood for \$150/cord, you haul. If interested, please call (541) 946-1827 or (541) 554-3314.

GO NUTS FOR THE HOLIDAYS! The Oregon Spirit Chorus of Sweet Adelines is selling delicious nuts again - just prior to the holidays when you'll need them for munching and baking! Now in our fourth year of selling these, join the many happy customers enjoying this quality product, and help our non-profit organization fund our expenses. Some prices are actually lower than last year; others had to go up, unfortunately. They're sold by the pound and I will deliver them in November...hopefully before the Thanksgiving holiday. Here's what's available: Cashews - roasted/salted, \$8.00; Mixed Nuts - roasted/salted (no peanuts), \$8.00; Macadamias - roasted/salted, \$10.00; Pistachios - salted, in the shell, \$9.00; Smokehouse Almonds, \$6.00; Almonds - roasted/salted (new choice this year), \$6.00; Raw Whole Almonds, \$6.00; Walnuts - halves/pieces, \$7.00; Pecans - halves, \$9.00; Almonds - blanched/slivered, \$6.00. These are very fresh nuts and the price is comparable for the quality - they are literally still on the trees right now, so their freshness is fabulous! Most varieties freeze well, too. Contact me for an order form @ vanderhorstg@lanecc.edu . Order deadline is Thursday, Oct 14, and all orders must be prepaid. Gloria Vanderhorst, Budget Office, x 5604.`

DESKTOP COMPUTER - HP Pavillion model a530n 1GB DDR2 ram 200 GB 7200rpm, hard disks DVD/ writer/reader, CD / writer/reader 7 port card reader WiFi card if needed available HP Keyboard & HP mouse 17" HP flat LCD f1703 monitor extra -- \$75 *** Fresh install of XP home and Office 2007. THE VOYEUR GALLERY at 547 Blair Street in Eugene will host a workshop teaching the basics of Asian Binding on Wednesday, Sept. 29 at 7:00pm. Local Book Artist John Watson will lead the workshop, which will introduce students to such binding forms as the traditional Four-hole, Ledger and Tortoise Shell bindings. Watson teaches at workshops in galleries around Oregon

and Texas. This is the first time this year he has taught this popular workshop in Eugene. This is the second in a series of workshops on different art forms for the owner of The Voyeur, Mo Bowen. The Voyeur specializes in photography and photo-derived works, and as Bowen says, "Holding these workshops is a great way to connect with our community of artists and show how photography can be used in different art forms. The workshop fee is \$25, and includes all materials that will be needed to construct 3 books. Seating is limited to 10 people. Workshop reservations can be made by calling The Voyeur at 541-912-7544."

FOR RENT: 1 bedroom cottage in a great neighborhood, full kitchen, vaulted ceiling, French doors to a private fenced backyard with potential garden space. No pets. 1927 1/2 Lawrence- across the street from Washington Park. \$550/month includes utilities. Julia Munkvold, retired, 541-868-4892

MY SON WILL BE STARTING his 2nd year as a music major at LCC this fall. On Labor Day his Buffet tenor saxophone was stolen. This is not a common make of saxophone, so I am hoping that letting as many people as possible know about this will maximize the chances of its recovery. If you see such an instrument offered for sale, you can contact me at gettyst@lanecc.edu, or the Eugene police department. Tom Gettys.

MY DAUGHTER, Stephanie Loop, is one of the best gymnasts representing the National Academy of Artistic Gymnastics...She is selling shopping passes that are good on Saturday Oct. 16th valid at Macy's. When you Shop for a Cause on Saturday, Oct. 16, you'll receive 20% (or 10%) savings on almost all of your purchases, including regular, sale and clearance merchandise, and 25% off a single purchase. And, you will be eligible to win a \$500 gift card, no purchase necessary.. She really needs your support. Stephanie gets to keep 100% of the proceeds! It is a \$5 donation. Thanks in advance your friend, Rita Loop. loopr@lanecc.edu

Lane Weekly Extra - Executive Dean Candidate Forums Thursday, September 30, 2010

FINALISTS SELECTED FOR THE EXECUTIVE DEAN OF ACADEMIC AFFAIRS, TRANSFER POSITION; OPEN FORUMS NEXT WEEK

Five finalists have been selected to interview for the executive dean of academic affairs transfer position recently posted by the office of Academic and Student Affairs. Open forums will be held in the Center for Meeting and Learning, Room 220 as noted below:

Dr. Charles Abasa-Nyarko is currently vice president of academic affairs at Bunker Hill Community College in Boston, Massachusetts. He has 18 years experience teaching in higher education and served in a variety of administrative positions. He holds a bachelor of arts in political science with economics from the University of Ghana, a master of arts in political science from Brigham Young University in Provo, Utah, and a doctorate in international studies from the University of South Carolina in Columbia. Open forum: Tuesday, October 5 at 11 a.m.

Valerie Martinez earned her bachelor of science in secondary education from Eastern Montana College in Billings and a master of arts in curriculum and instruction from the University of Wyoming in Laramie. She has taught in higher education for five years and served in several administrative positions. She currently is vice president of instruction/chief instructional officer for Southwestern Oregon Community College in Coos Bay. Open forum: Tuesday, October 5 at 4 p.m.

Dr. Linda Elliott-Nelson has worked in higher education in Arizona since 1988. Her experience includes 12 years of teaching as professor of Spanish/director of the Language Institute at Arizona Western College in Yuma, several administrative positions, and her current position as dean of instruction. She obtained her bachelor of arts in Spanish and management from Northern Arizona University in Flagstaff, a master of arts in business administration and a master of arts in Spanish from Arizona State University in Tempe, and a doctorate in education and community college leadership from Walden University. Open forum: Wednesday, October 6 at 11 a.m.

Xin-Ran Duan of currently is dean of the division of science, engineering and mathematics at Holyoke Community College in Massachusetts. He has served in similar community college positions since 1993. He earned his bachelor of science in mechanical engineering in China, and completed a master of arts in mechanical engineering at the University of Oklahoma in Norman. He also has a doctorate in mechanical engineering from the University of Akron in Ohio and a second doctorate in higher education administration and leadership from Indiana State University in Terre Haute. Open forum: Thursday, October 7 at 11 a.m.

Don McNair earned a bachelor of science in mathematics and a master of arts in mathematics-interdisciplinary with a minor in teaching and learning from the University of Oregon. He has been at Lane Community College since 1982 and his experience includes service as an instructional specialist/math tutor, mathematics instructor, director of the Math Resource Center, and division dean of mathematics. Most recently he has served as interim executive dean of academic affairs transfer since 2007. Open forum: Thursday, October 7 at 4 p.m.

For more information about the forums contact Ken Murdoff.

LANE WEEKLY is the employee newsletter of Lane Community College. Send submissions to weekly@lanecc.edu Guidelines online at www.lanecc.edu/cops/newsletter.htm For information, call (541) 463-5591. THIS WEEK

WHITE HOUSE COMMUNITY COLLEGE SUMMIT STREAMS LIVE TODAY

The first White House Summit on Community Colleges is today, Tuesday, Oct. 5, opening session at 12 p.m. EDT (9 a.m. Pacific) and closing session at 3 p.m. EDT (12 p.m. Pacific). Both sessions will stream live at <http://www.whitehouse.gov/live> The summit will explore how community colleges can help meet the job training and education needs of the nation's evolving workforce, and meet President Obama's goal for America to lead the world with the highest proportion of college graduates by 2020.

SPEAKER PANEL WITH COMMISSIONER CANDIDATES TONIGHT

The first speaker panel in Steve Candee's PS 104 "Problems in US Politics" class is today, Tuesday, Oct. 5, from 7:30-8:50 p.m. in Center 425. Guests are the four candidates for Lane County Commissioner in the upcoming November Election: West Lane, Jerry Rust and Jay Bozevich; and Springfield, Sid Leiken and Pat Riggs-Henson. Guests are welcome but seating is limited. Contact Steve Candee at 5188.

EXECUTIVE DEAN CANDIDATE FORUMS THIS WEEK

Five finalists have been selected to interview for the executive dean of academic affairs transfer position recently posted by the office of Academic and Student Affairs. Open forums will be held in the Center for Meeting and Learning, Room 220 beginning today, as noted below:

* Dr. Charles Abasa-Nyarko of Boston, Mass., is currently a consultant for assessment of student learning. He has held the position of vice president of academic affairs, vice president of academic services, dean of arts and sciences, and associate dean of English, library and social sciences in various colleges. He also has 18 years experience teaching in higher education. He holds a bachelor of arts in political science with economics from the University of Ghana, a master of arts in political science from Brigham Young University in Provo, Utah, and a doctorate in international studies from the University of South Carolina in Columbia. Open forum: Tuesday, Oct. 5 at 11 a.m.

* Valerie Martinez earned her bachelor of science in secondary education from Eastern Montana College in Billings and a master of arts in curriculum and instruction from the University of Wyoming in Laramie. She has taught in higher education for five years and served in several administrative positions. She currently is vice president of instruction/chief instructional officer for Southwestern Oregon Community College in Coos Bay. Open forum: Tuesday, Oct. 5 at 4 p.m.

* Dr. Linda Elliott-Nelson has worked in higher education in Arizona since 1988. Her experience includes 12 years of teaching as professor of Spanish/director of the Language Institute at Arizona Western College in Yuma, several administrative positions, and her current position as dean of instruction. She obtained her bachelor of arts in Spanish and management from Northern Arizona University in Flagstaff, a master of arts in business administration and a master of arts in Spanish from Arizona State University in Tempe, and a doctorate in education and community college leadership from Walden University. Open forum: Wednesday, Oct. 6 at 11 a.m.

* Xin-Ran Duan of currently is dean of the division of science, engineering and mathematics at Holyoke Community College in Massachusetts. He has served in similar community college

positions since 1993. He earned his bachelor of science in mechanical engineering in China, and completed a master of arts in mechanical engineering at the University of Oklahoma in Norman. He also has a doctorate in mechanical engineering from the University of Akron in Ohio and a second doctorate in higher education administration and leadership from Indiana State University in Terre Haute. Open forum: Thursday, Oct. 7 at 11 a.m.

* Don McNair earned a bachelor of science in mathematics and a master of arts in mathematics-interdisciplinary with a minor in teaching and learning from the University of Oregon. He has been at Lane Community College since 1982 and his experience includes service as an instructional specialist/math tutor, mathematics instructor, director of the Math Resource Center, and division dean of mathematics. Most recently he has served as interim executive dean of academic affairs transfer since 2007. Open forum: Thursday, Oct. 7 at 4 p.m. For more information about the forums contact Ken Murdoff.

FLU CLINICS START TODAY

Lane students, employees and adult family members of employees are eligible for the 2010 influenza vaccine clinic provided by the Lane Health Clinic. The clinic has a limited supply of the vaccine which includes coverage for H1N1. Location, dates and hours for getting your flu shots on campus are:

Building 18, Room 105:

Oct. 5, 9-11 a.m.

Oct. 7, 7:30-9:30 a.m.

Oct. 13, 2:30-3:30 p.m.

Oct. 15, 11 a.m.-1 p.m.

Downtown Center: Oct. 12, 11 a.m.-1 p.m.

Please note the following:

1. Wear short-sleeved shirts or tops.
2. Flu fee is \$25, exact cash or check only. No credit cards.
3. Bring your Pacific Source, ODS or Providence insurance card in order assign the fee to your insurance provider.
4. Go <http://www.lanecc.edu/healthclinic/seasonalflu.html> to download the Seasonal Flu Vaccination Consent Form. Bring the completed form with you. Submitted by Nadine Wilkes, RN, 5665.

PRINTMAKING STUDIO RECEPTION IS WEDNESDAY

The Printmaking Studio in the Art and Applied Design department has a temporary location during this year's remodel of Building 10. Join us at our opening reception Wednesday, Oct. 6 from 3-4 p.m. Enjoy light refreshments, print demos, and a raffle to win an original print from printmaking instructors Kristie Potwara and Susan Lowdermilk. We are located in Building 13, Rooms 105 and 106 next to Public Safety. We hope to see you there! Contact: Susan Lowdermilk, 5413.

FACULTY ART SHOW RECEPTION IS WEDNESDAY

The Lane Community College Art Gallery is proud to present the 40th Annual Art and Applied Design Faculty Exhibit. The exhibition includes a wide variety of media by both the full-time and part-time instructors. The show runs through Oct. 21. A reception will be held on Wednesday, Oct. 6, from 4-5 p.m. The reception is free and open to the public. The gallery is located in building 11 on main campus. There is no charge for admission. For information call Art and Applied Design at 5409.

NEWS & ANNOUNCEMENTS

GRANT PROJECT IMPROVES SERVICES TO STUDENT VETERANS

Lane's Integration of Vets in Education (LIVE) is a two-year grant funded by a partnership of the Wal-Mart Foundation and the American Counsel on Education. The overall purpose of the grant is to enhance Lane's services to student veterans, reservists, National Guard members and their families. One component of the LIVE grant is the creation of three new state-approved courses with a focus on student veterans. The first class offered this fall is titled, "CG 151: Student Veterans: Understanding Military to College Systems." This course explores the knowledge, skills, and abilities that each person learns and develops during their military service. Students will learn how to transfer prior military experience into a more successful and enriching college experience. In addition, this course will provide student veterans the tools needed to manage their time, analyze, think, and write critically, maximize learning success, and communicate clearly. For more information about the LIVE program contact Michael Sámano, Ph.D., Project Director, Lane's Integration of Vets in Education, Building 1, Room 215, 5497. <http://www.lanecc.edu/veteranservices>

UPDATE YOUR CONTACT OPTIONS FOR LANE ALERT

Please review your contact options for the Lane Alert System. From ExpressLane that is on the Personal Information tab last option. From MyLane it is on the Personal Information option list on the Home tab. You may list phone numbers, e-mail addresses, or SMS (text) options. Emergencies will normally go to all sources at once. Issues that are important but not an emergency (i.e. weather closure, road closure, or emerging issue) will probably only go to e-mail and text. You are not required to accept texts but they go out faster, you get them while you are mobile, and you will need to closely monitor e-mail if you don't want texts during adverse weather conditions. Submitted by Greg Morgan.

WE CARE CAMPAIGN KICKS OFF OCT. 11

Lane's We Care Employee Giving Campaign kick-off for 2010-11 starts on Monday, Oct. 11. This year's theme is "Make dreams come true. Be a super hero!" Many of you already saw our super hero display and had your pictures taken as a super hero at our Benefits Fair and at In-service. Even President Mary Spilde graciously wore the crusader's cape to convey our message. As a committee, we decided to have some fun with our super hero by getting your attention to a very serious effort, the need to get involved in investing in our community that desperately needs our help. Over the next seven weeks of the campaign, you will be hearing about our efforts in supporting Lane's Foundation and United Way of Lane County as we partner to raise awareness and financial support of these organizations. This year's We Care Committee members are Carol McKiel and Patty Parks (co-chairs), Cathy Lindsley, Michael O'Neal, and John Watson. The Foundation support team is Janet Anderson, Tiana Marrone-Creech, and Bonnie Phipps. United Way Loaned Executive team members are Amy Bresler and Bev Coplin. Submitted by Patty Parks.

REGISTER TO VOTE BY OCT. 12

Ballots for this year's general election will be mailed in less than two weeks. Do you still need to register to vote? The deadline to register is Tuesday, Oct. 12. If you have an Oregon driver's license or ID, you may register online at <http://www.OregonVotes.org> ASLCC (student government) is also registering voters, and you may stop by their offices in Building 1, Room 206. In you have specific questions about voting or registration, you may contact Lane County Elections at 541-682-4234. Contact: Brett Rowlett, Director of Governmental & Community Relations, rowlett@lanecc.edu or 5850.

PARKING LOTS RESERVED FRIDAY, OCT. 15

Parking Lots C, D, and E will be reserved on Friday, Oct. 15 for events occurring in the Center for Meeting and Learning. Please plan to park in an alternate lot. The disability parking in lots C, D, and E will still be accessible to students and staff who need it. Thank you in advance for your cooperation. Submitted by Carolyn Philes, 3511.

BONNIE SIMOA PERFORMS BALINESE DANCE OCT. 16

Bonnie Simoa, recently back from her sabbatical in Bali, will dance the traditional Balinese dance, the Legong Kraton Playon, in the Blue Door Theater on Saturday, Oct. 16 at 7:30 p.m., followed by a slideshow and Q&A. Tickets are \$5 students, seniors and Lane faculty and staff; and \$10 general admission. Seating is limited to 85.

This one-night-only performance is a unique opportunity to experience this beautiful traditional dance. Bonnie studied with Sang Ayu Ketut Muklen, a revered maestro from the village of Pejeng and one of the last surviving Legong teachers of her generation. At 83, she teaches the old style Legong which is becoming increasingly rare. Due to its intricacy and complexity, this version of the Legong is rarely performed today even in Bali. Submitted by John Watson, 5161 or watsonj@lanecc.edu

REGISTRATION ENDS SOON FOR SUSTAINABLE BUILDING ADVISOR PROGRAM

This certificate program is designed for working professionals who are interested in learning the concepts and strategies that are involved in designing and constructing sustainable buildings. Convenient classes are held one weekend (Friday and Saturday) each month from October to June and are taught by experts in the field. Classes begin Oct. 22. A limited number of \$500 scholarships from EWEB are available. Registration ends soon for the Sustainable Building Advisor Program. For more information call Elaine Vidal at 3154 or visit www.nweei.org/sba

DAVID JOYCE GALLERY RECEPTION NOV. 4

"Food, Field and Fiber," an exhibit featuring fiber-based arts by 12 local female artists, is on exhibit at the David Joyce Gallery in the Center for Meeting and Learning, Building 19, second floor, through January 7, 2011. An artist's reception will be held Thursday, November 4, from 5-7 p.m. Contact: Julie Fether, 3518.

LEGISLATIVE UPDATES MADE EASY

Interested in staying up-to-date on local, state and federal politics? Subscribe to Lane's legislative e-mail updates by sending an e-mail to rowlett@lanecc.edu with the subject "subscribe." Contact: Brett Rowlett, Director of Governmental & Community Relations, rowlett@lanecc.edu, 5850.

HPV—WHY RISK IT?

The State of Oregon has provided the LCC Health Clinic with a limited supply of Gardasil vaccine for HPV, or human papillomavirus. Although the value of this shot is \$150, the only charge for this important vaccine is a \$10 administration fee. For more information: <http://www.lanecc.edu/healthclinic/hpv.htm> Submitted by Nadine Wilkes, RN, 5665.

LIBRARY OFFERS RESOURCES FOR HISPANIC HERITAGE MONTH

The Library extends a warm welcome to faculty returning for fall. This month is Hispanic Heritage Month. Take a look at some of the resources available for your students: NewsBank Special Report! National Hispanic Heritage Month <http://bit.ly/cCL7Cm> Also, this is a good time to think about helping out some of your students who may have mislaid/forgotten their textbook. Consider placing any spare copies of your textbooks on reserve at the Library. It is always a

good fallback for students. Just bring your copies down to the Library circulation desk. Contact: Don Macnaughtan macnaughtand@lanecc.edu

DAVID JOYCE GALLERY CALL TO ARTISTS

The David Joyce Gallery is accepting proposals for the Winter 2011 David Joyce Gallery exhibit "Front of House." You are cordially invited to submit sketched or digital image proposals for this unique exhibit! We honor all artists in the area as well as art students from Lane, UO, and OSU. The "FOH – Front of House" exhibit will be installed the week of January 10, 2011, and will be on display through early April 2011. Proposals are due by November 1, 2010. We'd like to display a variety of mediums depicting images of restaurants, coffee houses, cafés, bakeries, or appropriate storefronts, as well as images that depict the essence of hospitality and service and the intimate connection between nourishment and community (for example, images of servers or hospitality professionals "in action," a café patio where guests are enjoying a meal and company, or one alone in thought with coffee and a book). Please contact Julie Fether at fetherj@lanecc.edu or 3518 to receive the artist's submission form.

FOOD SERVICES OFFERINGS

Our new Juice Bar on the first floor of the Health and Wellness Building features an organic healthy menu including coffee, espresso, pastries and other grab and go items.

We hope you'll come down and see us. You can also visit us on Facebook (Lane Community College Food Service) and express your thoughts, suggestions and see the daily featured entree. You can also find our daily entree, soups and prices on My Lane.

Food Services hours:

- * Health and Wellness Center, 7 a.m.-6 p.m.
- * Blender espresso: 7:00 am-6:00 p.m.
- * Hot Dog cart: 11 a.m.-3 p.m.
- * Terrace Cafe- 8 a.m.- 4 p.m.
- * Cafeteria: Mondays through Thursdays, 7 a.m.-6 p.m. and Fridays 7 a.m.-3 p.m.

"WELCOME TO OUR TOBACCO FREE CAMPUS" INFORMATIONAL CARDS

Small 4 x 5 cards with campus maps showing designated shelters, and information about our tobacco free campus, are available to inform students about the new designated smoking areas. You can pick those up from Tana Stuart in Building 3 or Wendy Simmons in Building 30.

FACILITIES UPDATES

FACILITIES FRONT OFFICE NEW OFFICE HOURS

The office of Facilities Management and Planning is changing to better serve you! In order to reflect our capacity to meet your needs, we have adjusted our office hours of operation schedule. Work order requests may be submitted anytime via e-mail at facilitiesoffice@lanecc.edu However, effective Monday, Sept. 27, staff at the Facilities Front Office Desk will only be available by phone at 541-463-5216 or in person Mondays through Fridays in Building 7, from 7 a.m. to 4 p.m. We will continue to work hard to assist you with your facilities-related needs and motor pool requests during these new office hours. And, don't forget—motor pool vehicle reservations can now be reserved using 25Live from the Lane Events Calendar link listed on Lane's home page. Contact Russ Pierson, 5727.

INDOOR TEMPERATURE GUIDELINES

Facilities Management and Planning understands the importance of a comfortable work and study environment and want to work with everyone to save energy and maintain comfort. With the change of season upon us this is an appropriate time to remind everyone of the indoor temperature guidelines, adopted in 2006 as part of the energy policy, and in an effort to balance a comfortable learning and working environment with energy conservation. We recognize that comfort varies for individuals, and have developed indoor temperature guidelines based on scientific studies to create comfortable conditions for the greatest number of students and staff.

Warm Weather Month Guidelines: 74 to 77 degrees F

Cool Weather Month Guidelines: 68 to 73 degrees F

Ancillary Space (Hallways, Lobbies, Stairwells): 63 to 82 degrees F

Notes:

During transition months, such as October and April, guideline ranges expand to 68 to 77.

These expanded ranges also apply during extreme weather conditions and periods of high electric demand.

Guidelines are applied during normal business hours.

Staff and students are encouraged to wear clothing that can be adjusted to maintain personal comfort.

If you feel that temperatures are too high, (higher than 78 degrees F), or too cool, (lower than 68 degrees F), in your area please contact Facilities Management and Planning at 5216 or e-mail at facilitiesoffice@lanecc.edu

PROJECT UPDATES—

BUILDING AUTOMATION SYSTEM STRATEGIC IMPROVEMENTS

Coordination continues between the building automation system (BAS) phase one contractor, TraneOregon, the bond construction teams, IT, and FMP staff to assist the integration of the new and existing heating, ventilation, and air conditioning (HVAC) controls at buildings at the 30th Avenue campus into an upgraded campus system. The goals of phase one project include replacement of the building HVAC information routing equipment and upgrading the BAS network interface to a web-based system. Router equipment enclosures have been completed. IT and FMP staff have the computer server installed and TraneOregon has installed the new BAS control software. Heating, ventilation, and air conditioning (HVAC) controls have been upgraded in buildings Center, 1, 3, 4, 5, 6, 7, 9, 11, 12, 15, and 16 and are functioning with the fall term occupancy schedules. Work to extract information from buildings 17, 18, and 19 began Sept. 30. The team's focus on next two weeks will be on the work to create the graphical access to all the BAS data. The project is expected to be complete at the end of October 2010. Contact Anna Scott, 5805.

BUILDING 2 REMODEL

Classroom equipment was installed and operating in time for classes to start last week, the Information Technology staff has moved into the new offices, and the new data center is operating smoothly. Miscellaneous loose ends i.e. permanent room numbers, window blinds, and adjustments to the HVAC system, will be completed without disturbing class schedules or office use. Contact David Amundson, 3455.

BUILDING 6 ELEVATOR

All work in Building 6 was completed ahead of schedule and elevator was approved for public use before classes began on Sept. 27. The piano lab was completely wired and ready for use and is hosting a full schedule of keyboarding classes. Contact David Amundson, 3455.

DOWNTOWN CAMPUS BUILDING

The architects continue meeting with the leads and faculty from various programs to show them preliminary designs of their space and its location in the building. Representatives from Facilities, Public Safety and Housekeeping have also met with the architects to discuss their needs. As noted previously the design process is iterative. The architects are also continuing to explore housing unit designs, common spaces and options for trash removal and recycling. Preliminary exterior design concepts are scheduled to be presented to the management team on Wednesday, Oct. 6. Contact Bob Mention, 5747.

FLORENCE HVAC REPLACEMENT

College staff is reviewing the schematic design report for the mechanical system replacement at the Florence campus. Earlier this summer, college staff, Systems West engineers, and PIVOT Architecture worked together at the first public user group (PUG) meeting to give input for the creation of the schematic design. College staff is beginning the hiring process for a commissioning agent who will help the college to ensure that we meet our mechanical system replacement design objectives. Contact Anna Scott, 5805.

NATIVE AMERICAN LONGHOUSE

Hardwood flooring, installation, and material holdups have delayed the project's completion. Classes previously scheduled in the Longhouse will be held elsewhere on campus until the work is completed. Please check class schedules for details. Project completion is expected Oct. 25. Contact Brian McMurray, 5829.

SOLAR STATION

The solar station commissioning agent, EESI, has been hired and is beginning its work with FMP staff and the construction team to verify that our project requirements have been met. As of noon on Sept. 29, and a total of 183 hours of operation, the solar station has generated 2,002 kilowatt hours of AC power back to the Lane electrical grid. That is the equivalent of 1.5 months of power for an average Lane county residential house in a little over a week. The first five Level I charging stations have been installed. These produce 120-volt electricity and will be converted to dual Level I/II charging stations (dual voltage levels of 120 or 208 volts). Five additional dual level stations will be installed in late November or early December. Contact Anna Scott, 5805.

FMP TRADES PROJECTS

Contact Angela Fazio, 3428.

The Facilities Trades Team responds to hundreds of work orders each month, in addition to working behind the scenes to maintain all building systems and grounds to ensure that LCC is a comfortable and healthy place to work and learn. This summer they were also able to complete a significant number of projects that upgrade and enhance the campus. Good job team and thank-you for jobs very well done! A few of the larger projects include:

- * Carpenters: Fabricated and installed custom cabinetry in Native American Longhouse, Health Labs and new Fitness Center; trimmed-out doors/windows and installed doors in the Longhouse; created temporary space for offices dislocated during construction; refurbished handrails and benches throughout campus; reset concrete stairs around the Center building to improve safety.

- * Painters: Brightened the Center building cafeteria by painting grey concrete beams and lightening walls, painted interior of Longhouse, stained all cabinetry produced by carpenters, painted and relocated smoking shelters, refurbished playground structures at the Child Care complex, and painted handrails and benches throughout campus.

- * Electricians: Installed all electrical in Longhouse, completed replacement of building exterior lights to improve safety and illumination on campus, supported enhanced classroom and computer lab upgrades.

- * HVAC: Replaced air ventilation filters, supported design and switchover to a new Building Automation System to improve control and response time to HVAC issues.
- * Grounds: Designed and installed new gardens, walks and walls around the Native American Longhouse, provided and maintained all of the grounds and color spots throughout campus.
- * General Services: Moves, moves, moves - handling and disposition of surplus office and classroom furniture, set-up and clean up of major campus events.
- * Special Maintenance: Serviced and detailed all motor pool vehicles, re-keying and locks installation for all newly remodeled space in Buildings 2, 4, and 30.
- * Other Projects: Pressure washing of concrete walls and walks in inner campus, asphalt maintenance of main campus and Cottage Grove parking lots, new flooring in several buildings, support of tobacco free activities.

TRAININGS & CLASSES

EMPLOYEE WELLNESS TRAININGS

Start the year off building your immune system by joining a wellness class or the "Undress Your Stress with Playfulness" Program this Fall. Classes start this week. Check out <http://www.lanecc.edu/wellness/wellnessclasses.htm> for classes and events such as Boot Camp, Beginning or Advanced yoga, Nordic Walking and much more. Contact Wendy Simmons or Layne King at simmonsww@lanecc.edu or KingLM@lanecc.edu and ext. 5551 for more information.

WEEKLY WORKSHOPS FOR STUDENTS

There will be a workshop for students that will go over Moodle basics on Wed, Oct. 6 from 11 - 11:40 in the library computer lab. Faculty who use Moodle may want to announce the workshop to their students.

Next week, the workshop will cover myLane and advanced registration tips and be held Wednesday, Oct. 13, from 10:30 to 11:10 in the small computer lab off the Enrollment Services lobby in building 1.

FIREWOOD FOR SALE - Seasoned Fir available for \$100/cord and Hardwood for \$150/cord, you haul. If interested, please call (541) 946-1827 or (541) 554-3314.``

GO NUTS FOR THE HOLIDAYS! The Oregon Spirit Chorus of Sweet Adelines is selling delicious nuts again - just prior to the holidays when you'll need them for munching and baking! Now in our fourth year of selling these, join the many happy customers enjoying this quality product, and help our non-profit organization fund our expenses. Some prices are actually lower than last year; others had to go up, unfortunately. They're sold by the pound and I will deliver them in November...hopefully before the Thanksgiving holiday. Here's what's available: Cashews - roasted/salted, \$8.00; Mixed Nuts - roasted/salted (no peanuts), \$8.00; Macadamias - roasted/salted, \$10.00; Pistachios - salted, in the shell, \$9.00; Smokehouse Almonds, \$6.00; Almonds - roasted/salted (new choice this year), \$6.00; Raw Whole Almonds, \$6.00; Walnuts - halves/pieces, \$7.00; Pecans - halves, \$9.00; Almonds - blanched/slivered, \$6.00. These are very fresh nuts and the price is comparable for the quality - they are literally still on the trees right now, so their freshness is fabulous! Most varieties freeze well, too. Contact me for an order form @ vanderhorstg@lanecc.edu . Order deadline is Thursday, Oct 14, and all orders must be prepaid. Gloria Vanderhorst, Budget Office, x 5604.``

DESKTOP COMPUTER - HP Pavillion model a530n 1GB DDR2 ram 200 GB 7200rpm, hard disks DVD/ writer/reader, CD / writer/reader 7 port card reader WiFi card if needed available HP Keyboard & HP mouse 17" HP flat LCD f1703 monitor extra -- \$75 *** Fresh install of XP home and Office 2007. Please text or call Ron at: 541-744-0323 (prefer texting). Submitted by Geri Meyers meyersg@lanecc.edu ``

VIOLIN - 4/4 (full size) Violin with a canvas hard case, and bow just over 2 years old and never used -- \$50, includes extra strings, rosin and a carrying strap for the case. Please text or call Ron at: 541-744-0323 (prefer texting). Submitted by Geri Meyers meyersg@lanecc.edu ``

NEWS & ANNOUNCEMENTS

MAKE DREAMS COME TRUE: BE A SUPER HERO

LCC's We Care Campaign for the Foundation and United Way officially starts Oct. 18 and ends December 3. This week, department reps will be attending special orientations to go over their roles and responsibilities during the annual campaign. At these meetings, reps will pick up employee pledge packets for all staff, and as soon as possible, distribute them to department employees at either scheduled meetings or individually. Once again during the six-week campaign, there will be weekly drawings for gifts donated by college staff. To be entered in the drawing, employees need to return their pledge cards with a donation to their department rep or to the Foundation Office by noon Friday to be eligible for the drawing. A gift of any size enters you in the drawing. Be generous, have fun and remember the best way to give is from the heart! Submitted by Patty Parks.

NEW HR MANAGER STARTS MONDAY, OCT. 18

Please join Human Resources staff in welcoming Darcy Dillon as the new human resource manager! Darcy was most recently a human resource manager at Oregon State University. She has a strong HR background supporting employees and managers in represented settings in both the public and private sectors. Darcy will most directly supervise the HR benefits team, and she will be involved in employment and labor relations as well. Welcome Darcy Dillon! Contact: Dennis Carr.

BLOODMOBILE COMING TO CAMPUS

Tuesday, Oct. 19 and Wednesday, Oct. 20. To schedule an appointment to donate blood, please e-mail fullerj@lanecc.edu or call Judy Ann at 5564.

WOMEN'S CENTER BROWN BAG TALK: FINANCIAL RESOURCE FOR STUDENTS

Students can save money toward the cost of their education and get matching funds by signing up for an Individual Development Account through St. Vincent de Paul. The students get a \$3 match for every \$1 they save! Colleen Stewart from St. Vincent's will be in the Women's Center on Tuesday, Oct. 19 from 12-12:50 p.m. in Building 1, Room 202, to explain the steps to set up an IDA. Submitted by Ruth Wren.

TEA AND TOPICS: TALK ABOUT YOUR TEACHING

Thursday, Oct. 21 from 2:30-4 p.m. in Building 19, Room 234. All faculty and instructional support staff are welcome to come to our first "Tea and Topics" of this academic year. Sponsored by Learning Communities and the Title III Engaging Students grant, "Tea and Topics" provides opportunities for faculty and staff to talk about topics related to student learning and success. Enjoy light refreshments and talk with your colleagues about your ideas and challenges around student success topics. The topic on Oct. 21 will focus on developmental education, with guests from our Academic Learning Skills department. Part-time faculty are eligible for a stipend after attending several Tea and Topics conversations. Learn more by visiting our web page <http://www.lanecc.edu/lc/fresources/TeaAndTopics.htm> or contact Anne McGrail mcgraila@lanecc.edu

FPD FUNDS AVAILABLE

Faulty members interested in applying for FPD Professional Activities funding are encouraged to attend a drop-in work session on Thursday, Oct. 21, from 1:30-2:30 p.m. in Center 232. Please bring a flash drive, information about the course or conference you plan to attend, and any questions you have. Details, program guidelines, and application are online at: <http://www.lanecc.edu/fpd/grants/profactivities/index.html> Contact FPD Coordinator, Adrienne Mitchell at mitchella@lanecc.edu if you have any questions.

AAWCC KICKOFF LUNCH

Lane's chapter of the American Association for Women in Community Colleges (AAWCC) will hold its fall kickoff luncheon on Monday, Oct. 25 from 12-1 p.m. in the Center for Meeting and Learning, Room 105. Current members, come and renew friendships. Not a member? Come and check out a great organization that you may want to join and get a free lunch. Becky Washington from Portland Community College will speak on developing your online image with "Brand or Be Branded--Using Social Media Effectively." Becky will present helpful tips for people to create a positive online impression. Seating is limited. RSVP to Siv Serene Barnum, barnums@lanecc.edu or 5894.

DIVISION MEMORIAL FOR KRIS TUPPER

Health Professions will have a division memorial for Kris Tupper on Friday, Oct. 29 from approximately 5:30-7 p.m. in Building 4, Room 204. Craig Tupper and the children will attend. Light refreshments will be provided. The purpose is to tell stories about Kris so her family can know our feelings about her and her contributions to Dental Assisting and Health Professions or in general. Contact: Sheryl Berman.

WOMEN'S CENTER OPEN HOUSE

Join us on Friday, Oct. 29 from 10 a.m.-1:30 p.m. for treats, hot cider and coffee. Costumes encouraged and appreciated. Building 1, Room 202. Submitted by Jill Bradley.

NEW FROM THE LIBRARY

The Lane Library has some resources to help students connect with the upcoming elections. Go to the Library's Voting Library Guide at: <http://lanecc.libguides.com/voting>. There are links to registering online, general election information, local, state and federal representatives, and a great video from Ed Helms on "Voting and YOU!"--in cheesy '50s style! Contact: Don Macnaughtan macnaughtand@lanecc.edu

OSAA HIGH SCHOOL STATE CROSS COUNTRY MEET, SATURDAY, NOV. 6

The championships bring 4,500 visitors to main campus. Consider the magnitude of this event when scheduling campus events. Eldon Schafer drive will be closed from 8 a.m. to 4 p.m. and the parking lots will be packed. Contact: Grady O'Connor, 5550.

ANNUAL AAWCC CONFERENCE

The Oregon Chapter of the American Association of Women in Community Colleges (AAWCC) is holding its annual conference on Nov. 18 and 19 at Embassy Suites near Washington Square in Tigard. This year's theme is "Obstacles and Opportunities: Thriving in Changing Times." The conference is always a great experience, providing a high quality professional development experience for Oregon community college women. Registration is \$175 if received before Nov. 1. For more information, visit the AAWCC website at <http://www.aawccoregon.org/>. Submitted by Donna Zmolek, 5301.

LANE TO HELP HOMELESS AND LESS FORTUNATE COMMUNITY MEMBERS

Lane staff and students are starting to plan for this year's Free Whiteaker Community Thanksgiving Dinner for 2,500 men, women and children. Instructor Sue Thompson is starting our "Sleeping Bag Drive." Our goal is to have 325 20" sleeping bags that her team of Lane employees and friends will distribute during the dinner. People can sponsor one or more bags for \$15 each. Tax deductible checks may be made to Whiteaker Community Dinners. Donations may be sent or dropped off to Beverly Farfan at the Cooperative Education office in Building 19, Room 231, or Sue Thompson's mailbox in H&PE, Building 5, Room 205. Chef Clive Wanstall, Joe McCully, and Brian Kelly of the Culinary Arts and Hospitality programs and students are planning the preparation of the delicious meal. Gee McKeegan from the Testing Office is starting to collect the needed toiletries and warm clothing that will also be distributed during the dinner. For more information and how to get involved contact Beverly Farfan, Cooperative Education faculty and Thanksgiving event coordinator at 5395, 541-912-2228 or farfanb@lanecc.edu

FACULTY: BEFORE YOU SELL YOUR BOOKS...

Periodically, faculty members are solicited by book buyers to sell books furnished them by book sellers for review. Before selling books faculty members should review Oregon Government Ethics rules prohibiting gifts, honoraria, or other personal benefit in excess of \$50 annually http://www.oregon.gov/OGEC/statutes_rules.shtml as most texts are valued in excess of \$50.

This does not prohibit faculty members from receiving and using books in their official role or transferring them to another college purpose of their choice. Questions? Greg Morgan, 463-5516

IPPD-2 FUNDING FOR FALL HAS BEEN DEPLETED

Demands for IPPD-2 funding have used up available funds for this term. We will have more funds available in winter. For other CPDT programs and activities please look at the website <http://www.lanecc.edu/cpdt/> Gary Conklin.

OFF TO A VERY FULL FALL

Food Services fed 5,210 customers on the first day of fall term, compared to 3,265 the first day of fall 2007. Read about this and other tasty first-day details on the ASA website at: http://www.lanecc.edu/oasa/communications/acc_100510.html Submitted by the editor.

LEGISLATIVE UPDATES MADE EASY

Interested in staying up-to-date on local, state and federal politics? Subscribe to Lane's government relations e-mail updates by sending an e-mail to rowlett@lanecc.edu with the subject "subscribe." Contact: Brett Rowlett, Director of Governmental & Community Relations, rowlett@lanecc.edu, 5850.

DID YOU KNOW PERFORMING ARTS HAS AN ADVANCE NOTICE MAILING LIST?

By signing up, you can get advance notice of coming performances and concerts from Music, Dance and Theater at the same time the media gets the press release.

You can also see the schedule for the term at <http://lanecc.edu/perarts/schedule.htm>

Also join the Performing Arts conversation with almost 700 fans! Join us on Facebook at <http://www.facebook.com/LanePerformingArts?ref=ts> Submitted by John Watson.

FOOD SERVICE HOURS

Please visit Food Service at any of the locations listed below or on Facebook (Lane Community College Food Service) to express your thoughts, suggestions and see the daily featured entree. You can also find our daily entree, soups and prices on My Lane.

- * Health and Wellness Center, 7 a.m.-6 p.m.

- * Blender espresso: 7:00 am-6:00 p.m.

- * Hot Dog cart: 11 a.m.-3 p.m.

- * Terrace Cafe- 8 a.m.- 4 p.m.

- * Cafeteria: Mondays through Thursdays, 7 a.m.-6 p.m. and Fridays 7 a.m.-3 p.m.

DISABILITY RESOURCES UPDATE FOR FACULTY

You may have noticed that there is a new look to Disability Resources student "Letter of Accommodation" (LOA). We hope that the new LOA will be a little more user-friendly by listing the students' accommodations in a bulleted list. We would like to offer this clarification:

The first half of the letter consists of Universal Design strategies instructors might incorporate into their courses to make the classroom environment accessible to the most students possible, with respect to abilities, disabilities and varying learning styles. The second half of the letter consists of specific accommodations that the individual student can use in your classroom. It's divided into categories: Test Accommodations, accommodations that DR will be involved in setting up (i.e. furniture), and accommodations that students may utilize in the classroom and work out directly with the instructor. We encourage you to have a conversation with the student about which accommodations s/he will want to use in your course; the student may want to use all the accommodations or only a few.

We are also phasing out the Faculty Acknowledgment Form; we are no longer requiring its use. We are giving out this form only to those students who specifically request it. You may contact Disability Resources at 5150 if you have any questions. Also, our website has a lot of good information: <http://www.lanecc.edu/disability/teach.htm>

----- FACILITIES UPDATES -----

HOUSEKEEPING

Housekeeping would appreciate staff and faculty partnering with custodians to ensure that all classrooms stay food and drink free. Contact Katherine Vos, 5561.

PUBLIC SAFETY

Please make sure that all events and classes are scheduled in 25 Live. Instructors may need their keyless access cards updated to ensure they can access a building or smart classroom. This update requires a manager sending an email to Jim Harris at Public Safety informing him of the modification.

Thanks to all staff and managers who assisted with parking lot control. You all did an outstanding job! During the first week, lots were at capacity by 9:30 a.m. most days. Over the second week, parking eased up and spaces were available in overflow lots. Until notice is otherwise provided, anybody may park at the solar station.

Public Safety encourages all staff to review the employee emergency plan and evacuation plan provided by the Health and Safety Department. As a reminder, please report suspicious containers, packs, etc. to Public Safety and follow all safety instructions provided. Contact Katherine Vos, 5561.

PROJECT UPDATES—

BUILDING AUTOMATION SYSTEM STRATEGIC IMPROVEMENTS

Heating, ventilation, and air conditioning (HVAC) controls have been upgraded in all buildings on our LON based centralized building automation system (BAS) at the 30th Avenue campus. Buildings Center, 1, 3, 4, 5, 6, 7, 9, 11, 12, 15, 16, 17, 18, and 19 are functioning with the fall term occupancy schedules. Facilities and TraneOregon staff have responded to a small number of temperature concerns that relate to the transfer of data from our old BMS system to the new system. Please continue to report any HVAC issues or concerns to the facilities office at facilitiesoffice@lanecc.edu or call extension 5216, as we complete the system integration process. Work continues to create the graphical access to all the BAS data. Floor plans for the main campus buildings have been field checked by FMP staff for accuracy and are being updated with assistance from FMP fall AutoCAD interns. These updated floor plans will be integrated by TraneOregon with HVAC equipment zone information and will be the foundation of our new web-based system. The project is expected to be complete at the end of October. Contact Anna Scott, 5805.

DOWNTOWN CAMPUS BUILDING

Architectural work on both the academic and student housing portions of the building is on schedule and going well. The affected college personnel are to be congratulated for their timely work.

Over the last two weeks the architects have presented the preliminary floor plans to the management team and the leads and faculty of the occupying programs. All were very impressed with the plans and think they will meet the functional needs of their programs. The architects have started work on the exterior elevations of the building and will present those within the following weeks. The schematic design phase is nearing completion and this means that the major elements of the design (the floor plans, elevations, passive design elements, basic structure, etc.) are in place and a preliminary cost estimate can be started. The design development (DD) phase comes next. In DD the architects work with each of the occupants to design the interiors of each room. This includes cabinets, door locations, office, classroom and lab layouts, etc.

The board is expected to award a contract for commissioning services at its meeting on Oct. 13. Contact Bob Mention, Bond Project Manager, 5747.

SOLAR STATION

Bond trades staff will begin work this week at the Solar Station to install two bollards at the Parking Lot B electrical transformer required by the Lane County. Please be aware that there may be minor impact to parking in the two adjoining spaces in front of the transformer. The first five Level I charging stations are installed. These produce 120-volt electricity and will be converted to dual Level I/II charging stations (dual voltage levels of 120 or 208 volts). Five additional dual level stations will be installed in late Nov. or early December. Contact Anna Scott, 5805.

JOBS

TRAININGS & CLASSES

EMPLOYEE WELLNESS TRAININGS

"I'm Too Busy Too Relax" with Nancy Hopps is this Thursday, Oct. 14 from 4:00 - 5:00 p.m. in Building 5, Room 206.

"Don't Get Mad, Get Funny" with Leigh Anne Jasheway is Friday, Oct. 15 from 12 - 1 p.m. at the Downtown Center, Room 202.

Check out <http://www.lanecc.edu/wellness/upcomingevents.htm> for more details.

It's not too late to join a wellness class or "Undress Your Stress with Playfulness" this Fall.

Classes start this week. Check out <http://www.lanecc.edu/wellness/wellnessclasses.htm> for classes and events such as Boot Camp, Beginning or Advanced yoga, Tai Chi and much more.

Contact Wendy Simmons or Layne King at simmonsws@lanecc.edu or KingLM@lanecc.edu and ext. 5551 for more information.

ACADEMIC TECHNOLOGY CENTER

ADS

ADRIENNE MITCHELL READS FROM HER TRANSLATION of Rosa Montero's novel, "Beautiful and Dark," with other local translators, Thursday, Oct. 14, 7 p.m., Tsunami Books. Also see the review of the book in the current Eugene Weekly:

<http://eugeneweekly.com/2010/10/07/books.html>

THERE IS A STUDENT ON CAMPUS who would like to start a Toastmasters Club. Is there anyone interested in talking to this student and perhaps being an advisor for a club. Please contact Bette Dorris, 5365.

FOR SALE: BLACK LEATHER COUCH in good condition. Folds out to a full size bed. \$750 new, \$200. Call Bryan at (541) 606-8776, or Cathie at ext. 5079, reschkec@lanecc.edu

I'M LOOKING FOR A HOME for a sweet two-year old gray male cat. He's homeless and looking to be adopted. He's been hanging around my house, and I can't adopt him as I have two cats, and they do not like this boy! Greenhill won't accept him (not an owner surrender), and he really deserves a good home. He's not been neutered, and I would be happy to share the cost for the procedure. Mr. Boy is very friendly and would be a great addition to any home. Please consider helping. call Enid at 541-686-4318 or 5075 or write to me at leonarde@lanecc.edu

GOLDEN RETRIEVER PUPPY needs a loving forever home. He is about three months old. Current on vaccines. Exceptionally cute. In the process of being potty trained. If interested, contact Maya Ford at fordm@lanecc.edu or call 541-942-5467.

JERRY ROSS STUDIO SALE -- part of DIVA Studio Tour -- Tickets available at studio Sat-Sun Oct 16, 17 10 am - 5 pm 831 Snell off of West Amazon. Sat-sun Oct 23, 24 as well. This is a fundraiser to help defray cost of studio at American Academy in Rome (Nov-Dec). Note: landscape paintings of Lane Community College (views from different locations) will be on display. Also Italian beach paintings, portraits, figurative work, landscapes of Italy, Eugene, Oregon, drawings, & small works on wood. Jerry Ross, CIT.

FOR SALE: BRAND NEW IPOD TOUCH (8GB). Acquired with the purchase of a macbook from UO bookstore. I have the receipt and it has been unopened. New price \$199. For sale \$150 OBO. Liz Coleman 541-463-5783 or colemanl@lanecc.edu.

CHILDCARE: Tuesday, and Thursday evenings from 5:45-8:15 PM. Downtown Center: Computer Lab: Monday and Wednesday 5-6:30PM. Classrooms Monday and Wednesdays 6:20-9:00. Main Campus: Level 1, Wednesdays 11-1. Excellent opportunity for undergraduate students in foreign language, (Spanish a plus but not necessary) linguistics and applied linguistics to get experience in a foreign language classroom and create professional contacts with teachers currently in practice. Students doing SLAT certificates or interested in teaching ESL as a profession are encouraged to apply. Students must be recommended by a professor to be considered for the position. Please go to website and contact Indira Bakshi to apply and for more information. Opportunity for college credit through Coop ED at LCC one tuition free credit. Contact: Indira Bakshi, 463-3419, bakshii@lanecc.edu, Website:

JACK-O-LANTERNS ON 5TH - Oct. 30: A Festival of Monstrous Proportions on Saturday, Oct. 30, from noon to 8:00 pm at 5th Street Market

http://sheltercareevents.com/Pumpkin_Home.html . Be an integral part of this exciting event while helping out a good cause, brought to you by ShelterCare and 5th Street Market. Proceeds will benefit the most vulnerable in our community. Volunteers are also needed in many areas, such as lighting pumpkins, overseeing a scavenger hunt, and set-up, among many others. For more information on volunteer opportunities, please contact Gene Obersinner, Intern and Volunteer Coordinator at 541-686-1262 ext 305 or gobersinner@sheltercare.org Submitted by Phoebe Anderson.``

STEPHANIE LOOP, a great gymnast, is selling shopping passes good on Saturday Oct. 16th valid at Macy's. When you shop on Saturday, Oct. 16, you'll receive 20% (or 10%) savings on your purchases, including regular, sale and clearance merchandise, and 25% off a single purchase. And, you will be eligible to win a \$500 gift card, no purchase necessary.. Stephanie needs your support. She gets to keep 100% of the proceeds! It is a \$5 donation. Thanks in advance your friend, Rita Loop. loopr@lanecc.edu ``

GREAT QUEEN MATTRESS SET awaits you. Simmons box spring and two-year old pillow top mattress should bring you years of fine sleeping. Asking \$150 or best offer. Contact Wendy Simmons at wsimmons@efn.org or (541) 431-1277.``

LANE WEEKLY is the employee newsletter of Lane Community College. Send submissions to weekly@lanecc.edu Guidelines online at www.lanecc.edu/cops/newsletter.htm For information, call (541) 463-5591. The Weekly is available to the vision-impaired through Disability Resources at (541) 463-5150. Lane Community College is an equal opportunity/affirmative action institution. Issue date: Tuesday, Oct. 12, 2010

THIS WEEK

BLOODMOBILE ON CAMPUS today, Oct. 19 and tomorrow, Oct. 20. To schedule an appointment to donate blood, e-mail fullerj@lanecc.edu or call Judy Ann at 5564.

WATCH PARTY: Live community watch party for the signing of White House Initiative on Educational Excellence for Hispanics, today, Tuesday, Oct. 19, Center for Meeting and Learning, Building 19, Room 102. Doors open at 9:30 a.m.; signing will be about 10 a.m. Lane hosted a local community discussion with initiative director Juan Sepulveda in 2009 to gather feedback on the initiative. The initiative was established in 1990 to provide advice and guidance to the secretary of education on education issues related to Hispanics and to address academic excellence and opportunities for the Hispanic community. The initiative has been continued by executive order ever since. More information is online at

<http://www2.ed.gov/about/inits/list/hispanic-initiative/index.html> Contact: Brett Rowlett.

WOMEN'S CENTER BROWN BAG TALK today, Oct. 19, 12-12:50 p.m., Building 1, Room 202. Colleen Stewart of St. Vincent de Paul will describe how students can save money toward the cost of their education and get matching funds, with an Individual Development Account. Contact: Ruth Wren.

PHYSICS INTERNS PRESENTATION SERIES begins Oct. 20. For five weeks during Physics X time from 5-5:50 p.m. on Wednesdays in Building 119, Room 16, LCC students selected as UCORE interns will discuss their research. You are invited. Refreshments provided. See story below under Announcements. Contact: Dennis Gilbert.

LEARNING GARDEN HARVEST FESTIVAL, Thursday, Oct. 21, 10 a.m.-4 p.m. Soup made of garden produce and prepared by Lane culinary staff will be served at noon. Garden tours at 1:15 p.m., 2:15 p.m., and 3:15 p.m. Compost demonstrations at 10:30 a.m., 11:30 a.m., 12:30 p.m., 1:30 p.m., 2:30 p.m., and 3:30 p.m. Opportunities to plant garlic and harvest potatoes. Take this opportunity to take a walk, check out the garden, learn something new, and have fun. All are welcome. Please spread the word to students and co-workers. The Learning Garden is a thriving student-led garden that provided more than 1,000 pounds of produce for Lane last year. It is located in the southwest area of campus down a gravel access road accessed from parking lot D. Contact: Jennifer Hayward.

TEA AND TOPICS: TALK ABOUT YOUR TEACHING, Thursday, Oct. 21, 2:30-4 p.m., Building 19, Room 234. This session will focus on developmental education with guests from Academic Learning Skills. All faculty and instructional support staff are welcome. Sponsored by Learning Communities and the Title III Engaging Students grant. Light refreshments. Part-time faculty are eligible for a stipend after attending several Tea and Topics conversations. Details online at <http://www.lanecc.edu/lc/fresources/TeaAndTopics.htm> or contact Anne McGrail at mcgraila@lanecc.edu

PERS SEMINAR presented by First Investors, Thursday, Oct. 21, 4-5 p.m., Building 5, Room 206. Information will cover: Differences in Tier One, Tier Two, OPSRP and IAP; eligibility for

retirement [age and/or service requirements]; benefit estimates; methods of drawing an income from PERS (pension and annuity options and lump sum settlement (LSS) options) and the pros and cons for each. RSVP to Anna Pomykal at First Investors (anna.pomykala@firstinvestors.com) if you are able to attend. Individual appointments also available upon request. Submitted by Heidi Morales.

NEWS

FLIGHT GRAD EARNS DISTINGUISHED FLYING CROSS

Lane aviation graduate Ryan DeChent has been awarded the Army's Distinguished Flying Cross for heroism while serving as a pilot-in-command and air mission commander for during a 2009 deployment to Afghanistan. In an awards ceremony on Sept. 10 at Fort Campbell, Kentucky, DeChent was commended for bringing 21 service members to safety after the CH-47F Chinook helicopter he was piloting was struck and damaged by a rocket-propelled grenade. The Fort Campbell Courier said DeChent served a 12-month tour in Afghanistan including numerous combat missions to resupply soldiers on the ground. The full story is online at: http://www.fortcampbellcourier.com/news/article_077eceb4-c1d6-11df-9431-001cc4c03286.html Ryan earned an associate of applied science in flight technology at Lane in 2000. He also earned a private pilot fixed-wing license and private pilot helicopter license at Lane. He now serves in the US Army as a Chief Warrant Officer 3 assigned to Company B, 7th Battalion, 101st Regiment, 159th Combat Aviation Brigade, 101st Airborne Division. Submitted by the editor for Lane Aviation Academy.

ANNOUNCEMENTS

RIDE THE BUS: USE THE LTD TRIP PLANNER

Riding the bus may be easier than you think. Buses are now coming more frequently to Lane than ever before. Download LTD's trip planner from Lane's transportation page(<http://www.lanecc.edu/facilities/transportation/index.html>) and then call LTD's customer service for help planning your trip. Many people find that they can get here more quickly on the bus than they expected. Also consider using one of LTD's many Park N Ride locations. A list of these locations including an estimated time to get to Lane is available on Lane's transportation page. Contact: Jennifer Hayward, 5594.

COMPUTER LAB AVAILABLE AT THE DOWNTOWN CENTER

Beginning Oct. 18, lab hours are Mondays and Wednesdays, 9 a.m. to 4 p.m., Tuesdays 1-4 p.m., Thursdays 9 a.m.-12 p.m., Fridays 9 a.m.-12 p.m. The lab is available to all current students, instructors and college staff. No food or drink is allowed in the lab. Please use computers for educational, academic and administrative uses only. Students and staff must comply with Lane's appropriate use policy. Lab hours subject to change. Contact Continuing Education at 5252 with any questions.

PUBLIC SAFETY REMINDER

Buildings are locking down via the R 25 schedule. If you need access after scheduled hours, please make sure you carry your key card. Please call Public Safety at 5558 if you need access to a building and you forgot your key card. Submitted by Katherine Vos.

MAKE DREAMS COME TRUE: BE A SUPER HERO

This is the first week of the We Care Campaign for the Foundation and United Way. More than we have seen in the past, the needs in our community for services are great. You can see that with our own increased student enrollment as individuals search for new careers/occupations to navigate these challenging economic times with hopes for a better future. The campaign touches on many aspects of those lives, not only here through our scholarship programs, but through United Way's support of agencies that provide food, housing, child care, health care and a wide array of services that help during tough times. We have raised the bar for staff participation in the Campaign to 60 percent participation. No matter how large or small, every gift will make a difference. To track our progress, check out the cafeteria window in the east entrance for weekly updates on our efforts of being super heroes. Efforts will be charted in dollar amounts and participation percentages.

Lastly, each Friday throughout the campaign, we will be drawing winners for gifts donated by staff. In order to be eligible for the drawings, turn in your gifted donation forms to your department rep or to the Foundation office by noon, Friday. Winners will be notified Friday afternoon. Weekly winners will be put back in the final drawing on Dec. 3 for the grand prize. Good Luck!

This week's prizes are:

Starbucks Gift Certificate for \$20; donated by John Hamblin, ESFS

Sweet Life Gift Certificate for \$15; donated by Carol McKiel, Title III

Live Houseplant; donated by Anna Kate Malliris, ASA

Chocolates; donated by Greg Morgan, College Operations

Super Hero Wall Decal donated by Andrea Newton, ASA

Lane Baseball Cap donated by Lane Athletics Dept.

Submitted by Patty Parks.

UCORE INTERNS TO DISCUSS THEIR RESEARCH; SERIES BEGINS OCT. 20

For five weeks during Physics X time from 5-5:50 p.m. on Wednesdays in Building 119, Room 16, LCC students selected as UCORE interns will discuss their research. You are invited.

Refreshments provided. Scheduled to present are:

- * Rebecka Tumblin, Oct. 20: Protostellar disks arise from the gravitational collapse of gas clouds within star forming nebulae. Protostellar disks are a widely observed astrophysical phenomenon and are believed to play a crucial role in star formation and the evolution of solar systems such as our own. If you like science and are wondering what in the heck any of this means you are invited to hear Rebecka discuss her work on theoretical astrophysics. Rebecka is a regular at Physics X where students who have questions that may be outside the scope of their classes can participate in discussions with other students and have their questions answered by knowledgeable individuals.
- * Tobias Brown, Oct. 27: What do geckos and wormholes have in common? The Casimir Effect produces an area of negative energy that allows geckos to stick to walls, and if scientists can reproduce the effect on a large scale we may be one step closer to creating one of the infamous sci-fi portals through time and space. Tobias Brown will give a presentation on research he was a part of at the University of Oregon during Physics X on October 27.
- * Justin Schroeder, Nov. 3: Women and minorities are underrepresented in the science, technology, engineering and mathematics (STEM) disciplines. How colleges and universities attract and retain women in the STEM disciplines has been an ongoing cause for concern in a research group at the UO, in which Justin worked. He will talk about his work with SPICE, the Science Program to Inspire Creativity and Excellence. SPICE's

primary focus is keeping middle school aged girls interested in perusing education and careers in STEM disciplines.

- * William Bullington, Nov. 10: Shock waves are an abundant phenomenon throughout the universe. They seem to play a significant part in star formation and are readily observable in the remnant of a supernova, the death of a star. William (Billy) will be giving a presentation on his work with the Imamura Group at the University of Oregon studying the stability of magnetohydrodynamic shock waves.

Contact: Dennis Gilbert.

FPD FUNDS DEADLINE: OCT. 21

Faulty members interested in applying for FPD Professional Activities funding are encouraged to attend a drop-in work session on Thursday, Oct. 21, from 1:30-2:30 p.m. in Center 232. Bring a flash drive, information about the course or conference you plan to attend, and any questions you have. Details, program guidelines, and application are online at:

<http://www.lanecc.edu/fpd/grants/profactivities/index.html> Contact FPD Coordinator Adrienne Mitchell at mitchella@lanecc.edu if you have any questions.

AAWCC KICKOFF LUNCH OCT. 25

Lane's chapter of the American Association for Women in Community Colleges (AAWCC) will hold its fall kickoff luncheon on Monday, Oct. 25 from 12-1 p.m. in the Center for Meeting and Learning, Room 105. Current members, come and renew friendships. Not a member? Come and check out a great organization that you may want to join and get a free lunch. Becky Washington from Portland Community College will speak on developing your online image with "Brand or Be Branded--Using Social Media Effectively." Becky will present helpful tips for people to create a positive online impression. Seating is limited. RSVP to Siv Serene Barnum, barnums@lanecc.edu or 5894.

VETERANS HELPING VETERANS FILM SERIES BEGINS OCT. 26

LIVE (Lane's Integration of Vets in Education) is hosting a film series titled, "Veterans Helping Veterans." All showings are in the Boardroom, Building 3. Showings are on four consecutive Tuesdays and all begin at 2 p.m. The schedule:

Oct. 26: The Best Years of Our Lives (172 minutes. Not rated.)

Nov. 2: Music Within (94 minutes. Rated R.)

Nov. 9: The Lucky Ones (115 minutes. Rated R.)

Nov. 16: Lioness (81 minutes. Not rated.)

Contact: Michael Sámano.

DIVISION MEMORIAL FOR KRIS TUPPER OCT. 29

Health Professions will have a division memorial for Kris Tupper on Friday, Oct. 29 from approximately 5:30-7 p.m. in Building 4, Room 204. Craig Tupper and the children will attend. Light refreshments will be provided. The purpose is to tell stories about Kris so her family can know our feelings about her and her contributions to Dental Assisting and Health Professions or in general. Contact: Sheryl Berman.

BONNIE SIMOA TO LEAD EVENING OF IMPROVISATIONAL DANCE OCT. 29-30

Bonnie Simoa and leading contemporary dancers will perform in an evening of improvisational dance on Oct. 29 and 30 at 8 p.m. in the Ragozzino Performance Hall, Building 6. Simoa, director of dance at Lane, has brought together seven of the most talented local movers and shakers in contemporary dance for "The Chandelier Project: An Evening of Improvisational Dance." You will witness them at their creative best, exploring making something from nothing, right before your very eyes! They don't know what they will be dancing, nor do they know what

music or sounds will accompany them. They are entering into the unknown, and inviting you to join them to ride this creative edge. Christian Cherry, music director for dance at the University of Oregon, tends to the dance with his "musical" choices in an almost wizard-like way...whether it be talking nonsense into a drum, or playing his heart stopping piano improvisations, his expert sensibilities unsurpassed. He is a master. Dancers for the performance are Sarah Ebert, Brad Garner, Cynthia Gutierrez-Garner, Shannon Mockli, Sarah Nemecek and Bonnie Simoa. As a group of movers, they blur the edges of dance, performance, and choreographic form. Each time they begin dancing together, the performers enter a process of playful exploration and inquiry into what it means to be human, a dancer, a music maker, an artist. "How do we make something from nothing? How can we fully attentive to each moment, and not be bound by the outcome?" And to take it all one step further, lighting will be improvised with James McConkey, theater technical director at Lane, at the lighting board. For more information contact John Watson.

WOMEN'S CENTER OPEN HOUSE OCT. 29

Join the Women's Center on Friday, Oct. 29 from 10 a.m.-1:30 p.m. for treats, hot cider and coffee. Costumes encouraged and appreciated. Building 1, Room 202. Submitted by Jill Bradley.

ANNUAL AAWCC CONFERENCE REGISTRATION DISCOUNT BY NOV. 1

The Oregon Chapter of the American Association of Women in Community Colleges (AAWCC) is holding its annual conference on Nov. 18 and 19 at Embassy Suites near Washington Square in Tigard. This year's theme is "Obstacles and Opportunities: Thriving in Changing Times." The conference is always a great experience, providing a high quality professional development experience for Oregon community college women. Registration is \$175 if received before Nov. 1. For more information, visit the AAWCC website at <http://www.aawccoregon.org/>. Submitted by Donna Zmolek, 5301.

OSAA HIGH SCHOOL STATE CROSS COUNTRY MEET, SATURDAY, NOV. 6

The championships bring 4,500 visitors to main campus. Consider the magnitude of this event when scheduling campus events. Eldon Schafer drive will be closed from 8 a.m. to 4 p.m. and the parking lots will be packed. Contact: Grady O'Connor, 5550.

LANE TO HELP HOMELESS AND LESS FORTUNATE COMMUNITY MEMBERS

Lane staff and students are starting to plan for this year's Free Whiteaker Community Thanksgiving Dinner for 2500 men, women and children. Instructor Sue Thompson is starting our "Sleeping Bag Drive." The goal is to have 325 20° sleeping bags that her team of Lane employees and friends will distribute during the dinner. People can sponsor one or more bags for \$15 each. Tax deductible checks may be made to Whiteaker Community Dinners. Donations may be sent or dropped off to Beverly Farfan at the Cooperative Education office, Building 19, Room 231, or Sue Thompson's mailbox in H&PE, Building 5, Room 205. Chef Clive Wanstall, Joe McCully, and Brian Kelly of the Culinary Arts and Hospitality programs and students are planning the preparation of the delicious meal. Gee McKeegan from the Testing Office is starting to collect the needed toiletries and warm clothing that will also be distributed during the dinner. For more information and how to get involved contact Beverly Farfan, Cooperative Education faculty and Thanksgiving event coordinator at 5395, 541-912-2228 or farfanb@lanec.edu

----- TRAININGS & CLASSES -----

WORKSHOPS FOR STUDENTS

Faculty and staff, would you consider announcing these upcoming workshops to your students?

Advanced Registration Tips and myLane - Oct 19 (3:15-4:00) and Oct. 20 (11:00-11:45)

Moodle Basics - Oct. 26 (3:15-4:00) and Oct. 27 (11:00-11:45)

Need Help Getting Connected to Lane in Your Home? - Nov. 2 (3:15-4:00) and Nov. 3 (11:00-11:45)

Microsoft Word Basics - Nov. 9 (3:15-4:00) and Nov. 10 (11:00-11:45)

All workshops are held in the small computer lab off the Enrollment Services lobby in Building 1, Room 121. Submitted by Carol McKiel, 3132.

AUTUMN MAGIC, SURFACE DESIGN AND ARTIST BOOK WORKSHOP

Explore the elusive creative space between care and wild abandon with Andie Thrums as a way to invite the magic of fall into the making of a book. The workshop will be Nov. 6-7, from 10 a.m.-5 p.m. in Building 11, Room 119. All levels are welcome, beginning to advanced. Cost is \$75 for Lane staff and registered Lane students, \$100 community at large (Includes \$20

materials fee). Class limited to 12 students. Registration deadline is October 29. Contact Susan Lowdermilk at lowdermilks@lanecc.edu to register.

EMPLOYEE WELLNESS TRAININGS

<http://www.lanecc.edu/wellness/wellnessclasses.htm>

ACADEMIC TECHNOLOGY CENTER

<http://lanecc.edu/atc/wstraining/schedule.html> for details

* Moodle Introduction, Saturday, Oct. 23, 9 a.m. Moodle offers numerous options for setting up a class, including discussions, transferring files, announcements, grading, posting syllabi and assignments online, creating links to other Web sites, and even setting up Web pages and wikis! This hands-on workshop will introduce participants to the Moodle software system.

Duration: 2.5 Hours. Registration required: e-mail atc@lanecc.edu

EMPLOYEE WELLNESS TRAININGS

*Join the "Undress Your Stress with Playfulness" program to get a free stress reduction tool such as a hi-tech pedometer, relaxation CD, yoga mat or resistance band with handles. You will also receive incentives for reducing your stress. Support for this program has been provided by the OEA Choice Trust Wellness Grant.

*"I'm Juggling as Fast as I Can!" with Leigh Anne Jasheway is Wednesday, Oct. 20 from 12 - 1 p.m. in Building 5, Room 206.

*"Foam Roller Massage and Release to Undress Your Stress" is Friday, Oct. 22 from 12:10 - 12:45 p.m. in Building 5, Room 126 with Layne King.

*Check out <http://www.lanecc.edu/wellness/upcomingevents.htm> for more details and <http://www.lanecc.edu/wellness/wellnessclasses.htm> for wellness classes and events such as Boot Camp, and Tai Chi. Contact Wendy Simmons or Layne King at simmonsww@lanecc.edu or KingLM@lanecc.edu and ext. 5551 for more information.

Sales throughout the store! \$10-\$20 off MP3, video players & digital cameras, 25% off all novels, 30-50% off all scarves, 10-50% off selected clothing, supplies, flash drives, electronics, jewelry and clearance items. Submitted by the Titan Store, 5256.

FREE TO GOOD HOME - one very young kitten, possibly 6-8 wks, black fur with some adorable white markings on face and boots. Found abandoned. Contact Jinny McKenzie at 541-337-5388 or email Judy McKenzie at mckenziej@lanecc.edu

2002 CHEVY IMPALA LS, 3.8L V-6, 92,000 miles, red body, light grey interior, spoiler, pwr sun roof, CD player, premium sound, air condition, dual climate control, cruise control, ABS traction control, electric seat, pwr windows, pwr doors, new brakes, new rotors, new hub, new ABS sensor, new catalytic converter, new tires, CD player. Great condition inside and out, quick, sporty, fun, very reliable. \$4950.00. We are second owner, personal friends were the first. The Kelly Blue Book is 5725.00. Clean record, CARFAX report available. No trades please, cash only. Call 541-554-7171.

A GREAT VACATION GET AWAY TO RENT OR BUY is found at the BLK Beach House in Florence. Not only that, you can bring your dog for free. This is a newer manufactured home in great condition with a spacious open living room, 2 bedrooms, 1 bath, and the kitchen is supplied with everything you need: pots, pans, microwave, coffee pot, toaster and more. There is a queen size bed in one bedroom and twin and full size beds in the other room. It's a five minute walk to the beach. This is our home away from home and rented only to select clientele (like Lane employees). Guests are on the honor system to respect our home. The rates are very reasonable, in part because you are expected to clean up after yourself upon departure. There's a two night minimum and rates are \$58/weekend night in the winter (starts November) and \$62/weekend night in the summer. We're asking a reduced price of \$144,900 to buy. Call Wendy Simmons at (541) 431-1277 or email her at <mailto:simmons@efn.org> wsimmons@efn.org for more information.`

I'M LOOKING FOR A HOME for a sweet two-year old gray male cat. He's homeless and looking to be adopted. He's been hanging around my house, and I can't adopt him as I have two cats, and they do not like this boy! Greenhill won't accept him (not an owner surrender), and he really deserves a good home. He's not been neutered, and I would be happy to share the cost for the procedure. Mr. Boy is very friendly and would be a great addition to any home. Please consider helping. call Enid at 541-686-4318 or 5075 or write to me at leonarde@lanecc.edu ``

GOLDEN RETRIEVER PUPPY needs a loving forever home. He is about three months old. Current on vaccines. Exceptionally cute. In the process of being potty trained. If interested, contact Maya Ford at fordm@lanecc.edu or call 541-942-5467. ``

THERE IS A STUDENT ON CAMPUS who would like to start a Toastmasters Club. Is there anyone interested in talking to this student and perhaps being an advisor for a club. Please contact Bette Dorris, 5365.``

FOR SALE: BLACK LEATHER COUCH in good condition. Folds out to a full size bed. \$750 new, \$200. Call Bryan at (541) 606-8776, or Cathie at ext. 5079, reschkec@lanecc.edu ``

FOR SALE: BRAND NEW IPOD TOUCH (8GB). Acquired with the purchase of a macbook from UO bookstore. I have the receipt and it has been unopened. New price \$199. For sale \$150 OBO. Liz Coleman 541-463-5783 or colemanl@lanecc.edu ``

LANE WEEKLY is the employee newsletter of Lane Community College. Send submissions to weekly@lanecc.edu Guidelines online at www.lanecc.edu/cops/newsletter.htm For information, call (541) 463-5591. The Weekly is available to the vision-impaired through Disability Resources at (541) 463-5150. Lane Community College is an equal opportunity/affirmative action institution. Issue date: Tuesday, Oct. 19, 2010

THIS WEEK

VETERANS HELPING VETERANS FILM SERIES BEGINS OCT. 26

LIVE (Lane's Integration of Vets in Education) is hosting a film series titled, "Veterans Helping Veterans." All showings are in the Boardroom, Building 3. Showings are on four consecutive Tuesdays and all begin at 2 p.m. The schedule:

Oct. 26: The Best Years of Our Lives (172 minutes. Not rated.)

Nov. 2: Music Within (94 minutes. Rated R.)

Nov. 9: The Lucky Ones (115 minutes. Rated R.)

Nov. 16: Lioness (81 minutes. Not rated.)

Contact: Michael Sámano.

ERIC FRACASSI "SATURDAYS AND SOME DAYS"

Lane's Art Gallery exhibition Eric Fracassi "Saturdays and Some Days" is open through Nov. 11, with a reception Oct. 28, 4-5 p.m. in the Lane Art Gallery, Bldg 11, Main Campus. The exhibition is a recent body of work from Eric's ongoing "Recollection Series." A reception will be held on Thursday, Oct. 28, from 4:00-5:00 p.m. The reception is free and open to the public. There is no charge for admission. Contact Art and Applied Design Department, 5409.

BIOLOGY, IN COSTA RICA, STUDENT INFO SESSION OCT. 28

Need a 4 Credit Biology Class? Consider taking BI 103, Field Biology, in Costa Rica this summer. The course runs July 11-14 on main campus, then from July 24-Aug. 14, in Costa Rica. The class is designed for the non-Science major to satisfy 4 credits of a lecture-lab transfer requirement. It can also be taken as an advanced elective for Biology Majors. We will explore the ecology of several different habitats in the beautiful Central American country of Costa Rica, examining the natural histories of a variety of tropical species. The cost, approximately \$2,700, covers airfare, all room, board, and travel costs within the country, but not tuition or books. Financial Aid is available for those who qualify. There will be an informational seminar with slides, videos, refreshments, and information about how to apply for the class, on Thursday, Oct. 28, from 5-6 p.m. at Lane, in Building 16, room 111. Please RSVP by calling or e-mailing Joe, 5452 or russini@lanecc.edu

FLU SHOT CLINICS

Flu shot clinics will be on Oct. 29 and Nov. 1. Both clinics will be from 1-3 pm and held in the new Health & Wellness Building, 30, Room 132. Cost \$25. Bring a check or exact cash. Wear short sleeves. Consent and vaccine information sheet can be downloaded from the Health Clinic website, and will be available at the clinic. Contact Nadine Wilkes, RN, ext. 5665.

STRATEGIC DIRECTION MINI-CONFERENCE - TECHNOLOGY DAY OCT. 29

Friday, Oct. 29th, 8:30 a.m. - 3:30 p.m., CML. Technology Day is the first of two mini-conferences designed to facilitate discussion and progression toward Lane's Online Learning and Educational Resources strategic direction. Activities are designed to inform and inspire department level planning through presentations, workshops, and open discussion. The day will begin with a welcome and introduction by Brad Hinson, Division Dean of Academic Technology and Sonya Christian, Vice-President, followed by a keynote presentation by Barry Dahl, a widely

known 'edublogger' and expert on instructional technology, web 2.0 tools, and online education. He has an extensive background in the higher-education and technology fields, and currently serves as the Vice President of Technology & e-Campus at Lake Superior College in Duluth, MN. The conference will continue with a panel discussion, lunch, and afternoon breakout sessions. Divisions will be bringing teams of 3-5 members. Contact your division dean if you would like to participate.

PARKING LOT RESERVATIONS

Parking Lots C and E will be reserved on Friday October 29th for events occurring in the Center for Meeting and Learning. Please plan to park in an alternate lot on the 29th. The disability parking in lots C and E will still be accessible to students and staff who need it. Thank you in advance for your cooperation. Submitted by Carolyn Philes.

WOMEN'S CENTER OPEN HOUSE OCT. 29

Join the Women's Center on Friday, Oct. 29 from 10 a.m.-1:30 p.m. for treats, hot cider and coffee. Costumes encouraged and appreciated. Building 1, Room 202. Submitted by Jill Bradley.

DIVISION MEMORIAL FOR KRIS TUPPER OCT. 29

Health Professions will have a division memorial for Kris Tupper on Friday, Oct. 29 from approximately 5:30-7 p.m. in Building 4, Room 204. Craig Tupper and the children will attend. Light refreshments will be provided. The purpose is to tell stories about Kris so her family can know our feelings about her and her contributions to Dental Assisting and Health Professions or in general. Contact: Sheryl Berman.

BONNIE SIMOA TO LEAD EVENING OF IMPROVISATIONAL DANCE OCT. 29-30

Bonnie Simoa and leading contemporary dancers will perform in an evening of improvisational dance on Oct. 29 and 30 at 8 p.m. in the Ragozzino Performance Hall, Building 6. Simoa, director of dance at Lane, has brought together seven of the most talented local movers and shakers in contemporary dance for "The Chandelier Project: An Evening of Improvisational Dance." Dancers for the performance are Sarah Ebert, Brad Garner, Cynthia Gutierrez-Garner, Shannon Mockli, Sarah Nemecek and Bonnie Simoa. For more information contact John Watson.

BALLOT DROP BOX

An unofficial ballot drop box has been placed in Building 1, outside of room 206, Student Life and Leadership Development. Pickups are made weekly with the last pickup on Tuesday, Nov. 2, 4 p.m. Please vote. Any questions, call Bette Dorris, 5365.

NEWS

GRANT WILL HELP LOW-INCOME STUDENTS IN STEM MAJORS

Lane Community College has been awarded a \$219,650 annual grant to assist low-income, first-generation or disabled students complete STEM programs (science, technology, engineering and mathematics). Lane is one of 12 colleges in the nation to receive the grant from the U.S. Department of Education (ED). The award is for five years from 2010 to 2015. Lane will use the grant to serve 120 additional students through the TRIO Student Support Services program. TRIO is a federally funded program serving about 180 at-risk students annually.

Earlier this year, the program received a five-year continuation grant of \$265,312 from the ED. Services will be provided through the TRIO Student Support Services office at Lane and will include academic advising and courses in financial aid, transferring to a four-year college, and financial and economic literacy. Participants will have opportunities to explore career options through mentoring, job-shadowing and attendance at professional conferences. The program also will provide social networking opportunities for students. Program goals are to achieve a persistence rate of 60 percent, a good academic standing rate of 65 percent, a graduation rate of 15 percent, and a graduation-transfer rate of 8 percent. TRIO is a federally funded program serving at-risk students. Contact: Mary Parthemer, TRIO director, 3133, parthemerm@lanecc.edu

ANNOUNCEMENTS

CRIME STATISTICS DISCLOSURE

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) requires educational institutions to provide all current and prospective students and employees with the security policies, regulations and crime statistics of the college. Lane Community College Public Safety works to help you maintain your personal safety and to protect your property by providing a range of public safety services and by sharing information you can use to reduce your chances of becoming a crime or accident victim. A copy of the 09/10 report can be found on the Public Safety Website: <http://www.lanecc.edu/psd/Clery/Clery.pdf>

SAFETY TIP

Due to the buildup of oil on roadways, the roads become very slick just after the first rain. Please use caution when coming to a stop at intersections and when applying brakes.

UCORE INTERNS TO DISCUSS THEIR RESEARCH; SERIES UNDERWAY

Attend Physics X time from 5-5:50 p.m. on Wednesdays in Building 119, Room 16, LCC students selected as UCORE interns will discuss their research. You are invited. Refreshments provided. Scheduled to present are:

- * Tobias Brown, Oct. 27: What do geckos and wormholes have in common? The Casimir Effect produces an area of negative energy that allows geckos to stick to walls, and if scientists can reproduce the effect on a large scale we may be one step closer to creating one of the infamous sci-fi portals through time and space. Tobias Brown will give a presentation on research he was a part of at the University of Oregon during Physics X on Oct. 27.
- * Justin Schroeder, Nov. 3: Women and minorities are underrepresented in the science, technology, engineering and mathematics (STEM) disciplines. How colleges and universities attract and retain women in the STEM disciplines has been an ongoing cause for concern in a research group at the UO, in which Justin worked. He will talk about his work with SPICE, the Science Program to Inspire Creativity and Excellence. SPICE's primary focus is keeping middle school aged girls interested in perusing education and careers in STEM disciplines.
- * William Bullington, Nov. 10: Shock waves are an abundant phenomenon throughout the universe. They seem to play a significant part in star formation and are readily observable in the remnant of a supernova, the death of a star. William (Billy) will be giving a presentation on his work with the Imamura Group at the University of Oregon studying the stability of magnetohydrodynamic shock waves.

Contact: Dennis Gilbert.

ANNUAL AAWCC CONFERENCE REGISTRATION DISCOUNT BY NOV. 1

The Oregon Chapter of the American Association of Women in Community Colleges (AAWCC) is holding its annual conference on Nov. 18 and 19 at Embassy Suites near Washington Square in Tigard. This year's theme is "Obstacles and Opportunities: Thriving in Changing Times." The conference is always a great experience, providing a high quality professional development experience for Oregon community college women. Registration is \$175 if received before Nov. 1. For more information, visit the AAWCC website at <http://www.aawccoregon.org/>. Submitted by Donna Zmolek, 5301.

DAVID JOYCE GALLERY CALL TO ARTISTS

Proposals are being accepted for the winter 2011 David Joyce Gallery exhibit "Front of House." You are cordially invited to submit sketched or digital image proposals for this unique exhibit. Entry is open all artists in the area as well as art students from Lane, UO, and OSU. Proposals are due by Nov. 1, 2010. Entrants may use a variety of mediums to depict images of restaurants, coffee houses, cafés, bakeries, or appropriate storefronts, as well as images that depict the essence of hospitality and service and the intimate connection between nourishment and community (for example, images of servers or hospitality professionals "in action," a café patio where guests are enjoying a meal and company, or one alone in thought with coffee and a book). The "FOH - Front of House" exhibit will be installed the week of Jan. 10, 2011, and will be on display through early April 2011. Please contact Julie Fether to receive the Artist's Submission Form fetherj@lanecc.edu, x3518

ELECTION WATCH

Steve Candee's PS 104 "Problems in US Politics" entire class has been invited to watch the election returns at KEZI's studio on election eve. Candee will provide political commentary on the election for KEZI throughout the evening. He has also been invited to participate in a panel at the Eugene City Club at noon on Oct. 29 on the theme, "What Issues Were Not Discussed in This Election."

LANE FALL FACULTY MUSIC SHOWCASE

Lane Music Faculty and friends team up to perform a variety of classical and contemporary music on Nov. 4, at 7:30pm in the Ragozzino Performance Hall, Bldg. 6, Main Campus. Tickets; \$10 General Admission, \$8 Students, Lane Staff and Seniors. Tickets online at Lanecc.edu/tickets or at the door. The concert is organized by Lane Lead Music Faculty members Ron Bertucci and Barbara Myrick. Selections on the program range from arias from Mozart's Don Giovanni and Liszt's Hungarian Rhapsody No. 2 to tunes by John Williams, Scott Joplin and the Beatles. Proceeds from the concert help support music scholarships for deserving students at Lane. Performers for the concert are: Ron Bertucci, Jim Greenwood, Allison Slade, Hung-Yun Chu, Carol Robe, Theresa Schumacher, Fred Berman, Mike Curtis, Jesse Cloninger, Genevieve Mason, John Jarvie, Jacqueline Cohen, Matt Svoboda, Seth Mulvihill, Nathan Waddell, Barbara Myrick, and Larry Clabby.

OSAA HIGH SCHOOL STATE CROSS COUNTRY MEET, SATURDAY, NOV. 6

The championships bring 4,500 visitors to main campus. Consider the magnitude of this event when scheduling campus events. Eldon Schafer drive will be closed from 8 a.m. to 4 p.m. and the parking lots will be packed. Contact: Grady O'Connor, 5550.

ART RAFFLE

Win an original print from Lane's printmaking instructors, Susan Lowdermilk or Kristie Potwara. Raffle tickets are one dollar each. Buy more than one for a better chance to win. Print your name and email on the ticket and place in the box in the Art and Applied Design office in building 11. Please visit our Art Gallery and department as well. All proceeds benefit Lane Community College's Printmaking studio. The drawing is on Thursday, November 18, 4pm. at Lane's Art Gallery Building 11. For more information contact Susan Lowdermilk, lowdermilks@lanecc.edu

COMPUTER LAB AVAILABLE AT THE DOWNTOWN CENTER

Lab hours are Mondays and Wednesdays, 9 a.m. to 4 p.m., Tuesdays 1-4 p.m., Thursdays 9 a.m.-12 p.m., Fridays 9 a.m.-12 p.m. The lab is available to all current students, instructors and college staff. No food or drink is allowed in the lab. Please use computers for educational, academic and administrative uses only. Students and staff must comply with Lane's appropriate use policy. Lab hours are subject to change. Contact Continuing Education at 5252 with any questions.

MAKE DREAMS COME TRUE. BE A SUPER HERO!

LCC's We Care Campaign for the Foundation and United Way just finished its first week, and we are already making a difference. Remember the lives of others are affected by our generosity no matter how large or small the contribution. Stories are often the best way to share how it affects the recipients of our gifts. Devlyn, one of late year's scholarship recipients said, "Your generosity has inspired me to help others and give back to the community. I hope one day I will be able to help students achieve their goals just as you have helped me." A gift to the United Way of \$5 per pay period or approximately \$10/mo. buys four weeks of food for a mother and two children residing in a domestic abuse shelter. A slightly larger gift of \$15 per pay period can provide emergency dental treatment for four homeless adults or children. Gifting is easy to do. You can either use automatic payroll deduction, often a preferred way to give over time, or a personal check, cash or credit card. Remember to check out the cafeteria windows to follow our progress.

AND THE WINNER IS!

*Kimberly Morton, Counseling - Iron Man Wall Decal donated by Andrea Newton, Academic and Student Affairs

*Cynthia Dietz, Counseling - \$20 Starbucks Card donated by John Hamblin, ESFS

*Kate Parrish, TRIO-Live Plant donated by Anna Kate Malliris, Academic and Student Affairs

*Rodger Bates, Athletics - \$15 Sweet Life Gift Card donated by Carol McKiel, Title III

*Vicki Doughty, Counseling - Gift Certificate for 1 lb. See's Chocolates, donated by Greg Morgan, College Operations

*Gail Shilliday, Library - Baseball Cap donated by Lane Athletics Department

*Joseph Escobar, Social Science - One Week Parking Pass in the Foundation's parking spot donated by LCC Foundation

LANE TO HELP HOMELESS AND LESS FORTUNATE COMMUNITY MEMBERS

Lane staff and students are starting to plan for this year's Free Whiteaker Community Thanksgiving Dinner for 2500 men, women, and children. Instructor, Sue Thompson is starting our "Sleeping Bag Drive". Our goal is to have 325 20" sleeping bags that her team of Lane employees and friends will distribute during the dinner. People can sponsor one or more bags for \$15 each. Tax deductible checks may be made to Whiteaker Community Dinners. Donations may be sent or dropped off to Beverly Farfan at the Cooperative Education office building 19, Room 231 or Sue Thompson's mailbox in H&PE, Building 5, Room 205. Chef Clive Wanstall, Joe McCully, and Brian Kelly of the Culinary Arts and Hospitality programs and students are planning the preparation of the delicious meal. Gee McKeegan from the Testing Office is

starting to collect the needed toiletries and warm clothing that will also be distributed during the dinner. For more information and how to get involved contact Beverly Farfan, Cooperative Education faculty and Thanksgiving event coordinator ext. 5395, 541-912-2228 or farfanb@lanecc.edu.

FOOD SERVICE HOURS

Please visit Food Service at any of the locations listed below or on Facebook (Lane Community College Food Service) to express your thoughts, suggestions and see the daily featured entree. You can also find our daily entree, soups and prices on My Lane.

- * Health and Wellness Center, 7 a.m.-6 p.m.
- * Blender espresso: 7:00 am-6:00 p.m.
- * Hot Dog cart: 11 a.m.-3 p.m.
- * Terrace Cafe- 8 a.m.- 4 p.m.
- * Cafeteria: Mondays through Thursdays, 7 a.m.-6 p.m. and Fridays 7 a.m.-3 p.m.

----- FACILITIES UPDATES -----

MOTOR POOL COPPS PROCEDURE AND SERVICES UPDATE

Many people use our college motor pool vehicles every year. The procedure for motor pool vehicle use is located at: <http://www.lanecc.edu/cops/veh.htm>. Once a reservation for a vehicle is made on 25Live or through our facilities office, we prepare packets for each specific vehicle for you to pick up in building 7. We do ask, however, for at least a 24 hour pre-use notice. We have had several people "drop-in" at the last minute lately requesting vehicles for important college use. We were able to provide vehicles so we were lucky. These vehicles are provided on a first-come, first-served basis. There are three Toyota hybrid vehicles in our motor pool fleet. If you have never driven one, it is a great opportunity for you to have the experience of driving a high-tech hybrid that gets over 45 mpg while providing a smooth and comfortable driving experience. An older motor pool Toyota Prius was recently transferred to the college's automotive technology program to allow students to gain valuable experience working on a hybrid. We were also successful this past summer in replacing this older Toyota Prius hybrid with a newer 2007 Toyota Prius hybrid at below wholesale pricing. Partnering in a sustainable way with both the needs of college staff and students, reinforces our commitment to sustainability as a viable and strategic college core value. By using our college motor pool Toyota Prius hybrid vehicles you are demonstrating your personal commitment to sustainability. Contact Dave Willis, 5566.

FALL WET WEATHER

As we enter the fall wet weather season, we often discover leaking roofs and storm drains that can back-up and create standing water. Leaking roofs can become evident by a small pool of water on the floor or a wet ceiling tile. Although the FMP trades staff have cleaned out roof gutters, inspected existing roofs, and made repairs already this fall, it is very easy to miss some potential leaking spots. Please give the facilities office a call if you see any signs of roof leaks in your area. A work request is also encouraged to be written by your department administrator. The facilities office can be reached at extension 5216 or by sending an e-mail to: facilitiesoffice@lanecc.edu. Contact Dave Willis, 5566.

NEW LANDSCAPING AND WALKING PATHS

Just a reminder to please use new walking paths rather than taking a "short-cut" resulting in walking through new landscape areas on campus. During the wet fall season, it is easy to track mud and leaves into our buildings. We do hope you will partner with us in this request. Contact Dave Willis, 5566.

PUBLIC SAFETY NOTICES

Key approval update: a designated email address for all keyless access card requests has been created so there's one centralized location that captures all requests. Please send all keyless access card approvals and requests to keycard@lanecc.edu. We ask that you no longer send requests directly to a PS employee. All employees trained to create keycards are part of the "keycard" email group and will receive the request. Note: hard keys require a work order request sent to FMP.

PUBLIC SAFETY

Buildings are locking down via the 25Live schedule. If you need access after scheduled hours, please make sure you carry your key card. If you forget your key card please call Public Safety at 5558 for access. Contact Katherine Vos, 5561.

HOUSEKEEPING EQUIPMENT

Housekeeping has purchased riding equipment to allow for cleaning of the new floors in lower building 5. Contact Katherine Vos, 5561.

HOUSEKEEPING REMINDER

Did you know that those with personal office spaces are responsible to empty their office trash? There should be an assigned receptacle near your office area for your personal garbage. If you cannot locate your receptacle or if it is missing, please contact Housekeeping at 5578. Building 30 and 4 have new built-in recycle stations. Please use these stations to empty personal office garbage.

Two ways to partner with custodians to help maintain clean classrooms:

1. Remind students that food and drink are not allowed in classrooms.
2. Encourage students to utilize non-spiral notebooks. Here's why: spiral notebooks are messy. Each time a page is torn out, numerous confetti paper pieces fall to the floor. Cleaning up these pieces adds additional workload to custodians. Contact Katherine Vos, 5561.

PROJECT UPDATES

BUILDING 2 REMODEL

Project Manager, Jeff Durmaj of John Hyland Construction completed the building 2 remodel early and under budget in spite of being faced with a complicated project and a very short time frame for construction. The most technically-challenging part of the project, moving and upgrading the Lane data center, was started at the beginning of spring term, but the bulk of the remodel didn't start until school was out for the summer. Hyland completely remodeled the second floor in time for FMP trades and IT staff to install the equipment for enhanced classrooms and computer labs and for staff to move into the ground floor before fall term began. The building has an upgraded HVAC system that includes recovery of the heat generated by the data center, and multiple redundancies for the data center cooling. The upgrade to building 2 is putting Lane on the map as having a model data center and IT services. Contact David Amundson, 3455.

BUILDING 5 REMODEL AND ADDITION

The remodeling phase of Building 5 is complete. LCL is still working on several correction items and are expecting work to take up to 30 days to complete due to having to complete the work after hours in order avoid disrupting classes. The FEC and dance studio additions piece of the project are on schedule to will be completed by December 15. Contact Mark Richardson, 3456.

BUILDING 6 ELEVATOR

The new elevator was approved by the State Elevator Inspector but has an "out of order" sign on it and is temporarily not in use. The elevator will provide accessibility to the restrooms for the Performance Hall patrons as well as by building users during the day. Contact David Amundson, 3455.

BUILDING AUTOMATION SYSTEM

Commissioning service work (systems verification and check out) for the upgraded heating, ventilation, and air conditioning (HVAC) controls begins this week. Formal training for our college staff on the new Web interface for the upgraded HVAC controls begins on Friday, October 29. Controls have been upgraded in all buildings on our LON based centralized building automation system (BAS) at the 30th Avenue campus. Buildings Center, 1, 3, 4, 5, 6, 7, 9, 11, 12, 15, 16, 17, 18, and 19 are functioning with the Fall term occupancy schedules. Please continue to report any HVAC issues or concerns to facilitiesoffice@lanecc.edu or call extension 5216 as we complete the system integration process. Work to update floor plans including the new system installed in main campus buildings has been completed by FMP staff with assistance from cooperative education students in drafting. These updated floor plans have been integrated by TraneOregon with HVAC equipment zone information and are the foundation of our new web-based system. The project is expected to be complete early December. Contact Anna Scott, 5805.

DOWNTOWN CAMPUS BUILDING

A "Downtown Campus Update" was presented to the board of education at its October 13 meeting. The Project Manager updated the board about the progress made to date and the architect showed a PowerPoint presentation of the preliminary floor plans. The floor plan presentation can be viewed at <http://www.lanecc.edu/bond/downtowncampus-board10-13-10.html>. Board members had questions about the housing plans - size of units, number of beds, furniture, etc. which the presenters responded to. Overall, the board seemed favorably impressed with the direction the project is going in.

The board awarded a contract for commissioning services for the project to Interface Engineering in Portland. Interface was one of five firms that submitted proposals. None of the five were from local firms.

Copies of the preliminary floor plans have been distributed to the management team and steering committee for further review and comment. The architects continued working on the exterior elevations and interior concepts and presented their work to the management team last week on October 21. The architects presented some interior concepts and the landscape architects presented some preliminary designs for the landscaping of the building perimeter and the two courts on either side of the CML. A representative from Interface engineering (the commissioning firm) was present and discussed scope of work and process. Contact Bob Mention, 5747.

TRACK AND SOCCER BOWL

The soccer field was completed and ready to be used by staff and students on October 4. Delta Construction is working on completing the concrete walkways and track surfacing. Track surfacing was completed Saturday, October 16. Scoreboard installation began on Friday,

October 22. This activity is expected to cause delays with anyone wanting to use the jogging trail. Contact Mark Richardson, 3456.

FACILITIES TRADES

FMP Trades are back into a more normal routine of operations, maintenance, and responding to work orders after three very hectic weeks of completing projects and preparing the campus to welcome students and staff back for fall term. This past month, FMP received 420 work orders and completed 510, slowly whittling into our backlog of outstanding requests. Some notable projects completed this week include office remodels for STEM grant (Building 12), roof leak repairs (Building 11 and Florence), laundry boiler repair (Building 7), light repairs (Florence), fabrication of podium and cabinets (Longhouse), mold remediation and duct cleaning (Building 4), investigation and rectification of temperature problems throughout campus due to transition of the new Building Automation System. To submit facility work orders, please see your department Administrative Coordinator. Contact: Angela Fazio, 3428.

CURRENT CONSTRUCTION NOTICES

TEMPERATURE CONTROL ISSUES

Over the past few weeks, many occupants have reported being affected by temperature control issues in offices and classrooms in buildings 1, 3, 4, 5, 6, 7, 9, 11, 12, 15, 16, 17, 18, 19 and Center. This is due to the major renovation bond project work in progress to convert from one Building Automation System to another. During the course of data migration, many points did not transfer correctly and many other undocumented points were discovered. This has resulted in the inability to view and control numerous HVAC controls systems in multiple buildings. The FMP planning team is attempting to work a way through these control problems with an anticipated completion in early December. In the meantime, we sincerely regret your discomfort. Please continue to report issues to the facilities office at extension 5216 or e-mail facilitiesoffice@lanecc.edu. We appreciate your patience as we respond as quickly as possible to urgent needs. Angela Fazio, 3428.

----- TRAININGS & CLASSES -----

FACULTY: HELP STUDENTS ASSESS THEIR MID-TERM PROGRESS

It's mid-term! Research shows that mid-term course self-assessments and corrections can improve students' motivation to continue to learn and do well in their courses. If you would like to try administering a quick student self-assessment in your class, you can find one version at <http://www.lanecc.edu/lc/fresources/midtermcoursecorrection.htm> Feel free to use it or adapt it, post it on your Moodle site, and/or copy it for your students this week or next. Some students may wait until "Crisis Week 8" to reflect on their work. Hopefully this self-assessment in week 5 can help avoid a few such crises.

WORKSHOPS FOR STUDENTS

Faculty and staff, would you consider announcing these upcoming workshops to your students?
Moodle Basics - Oct. 26 (3:15-4:00) and Oct. 27 (11:00-11:45)

Need Help Getting Connected to Lane in Your Home? - Nov. 2 (3:15-4:00) and Nov. 3 (11:00-11:45)

Microsoft Word Basics - Nov. 9 (3:15-4:00) and Nov. 10 (11:00-11:45)

All workshops are held in the small computer lab off the Enrollment Services lobby in Building 1, Room 121. Submitted by Carol McKiel, 3132.

25LIVE EVENT SEARCH AND REQUEST TRAINING

The Oct. training session has been scheduled for 25Live, the college event request system. If you have a need to request rooms or search for events, this training will go through the steps on how to use the system. Tips and tricks for searching using the pre-defined searches or how to build your own search will be covered. The capability to search locations, request event space, audio-visual equipment or a motor pool car is offered to all staff. This is a hands-on class in the lab.

+++ Oct. 28th - 2:00 p.m. to 3:30 p.m. - LCC02 121 - Academic Training Center

To Register: <https://www.applyweb.com/public/register?s=25L00FWQ>

For more information:

[http://showlane.lanecc.edu/25live/#details&obj_type=event&obj_id=123129\[2\]](http://showlane.lanecc.edu/25live/#details&obj_type=event&obj_id=123129[2])

Submitted by Alen Bahret, Information Technology X3347.

T2T: AUDIO AND VIDEO FOR ONLINE INSTRUCTION

Five-week hybrid class. Tuesdays 2pm-3:50pm, Tuesdays Nov. 2 - Nov. 30 with additional time spent online. Building. 2 room 122 (new ATC) Instructor: Ian Coronado.

Do you teach online, hybrid or have a web enhanced traditional class? Want to use more audio and video in your class, but find that there are too many hurdles to get these things online?

Come to our five-week session, bring some videos and ideas you want to put online, and put those hurdles behind you. Understand, download and use the more efficient formats for audio and video, editing existing content, and production of audio/visual materials. Moodle experience required. Meet in the classroom on Tuesdays 2pm-3:50pm combined with online time for this 1 credit course (pass/no pass or audit only). Registration is required as space is limited. If you are interested in participating please enroll directly in ExpressLane, CRN# 24297. You must be enrolled as a credit student to enroll in this class. Class fee is waived for Lane instructors. For more information contact Ian Coronado at coronadoi@lanecc.edu or call 541-463-5197.

EMPLOYEE WELLNESS TRAININGS

*Join the "Undress Your Stress with Playfulness" program to get a free stress reduction tool such as a hi-tech pedometer, relaxation CD, yoga mat or resistance band with handles. You will also receive incentives for reducing your stress. Support for this program has been provided by the OEA Choice Trust Wellness Grant.

*"Undressing Caregiver Stress" with Donna Peterson is Wednesday, Oct. 27 from 12 - 1 p.m. in Building 4, Room 106.

*"Getting the Most Out of Your Pedometer" with Wendy Simmons is Thursday, Oct. 28 from 12:00 - 12:30 p.m. in Building 5, Room 206.

*Check out <http://www.lanecc.edu/wellness/upcomingevents.htm> for more details and <http://www.lanecc.edu/wellness/wellnessclasses.htm> for wellness classes and events such as Boot Camp, and Tai Chi. Contact Wendy Simmons or Layne King at simmonswws@lanecc.edu or KingLM@lanecc.edu and ext. 5551 for more information.

TOBACCO CESSATION 101

Striving for a change in your air?

<http://www.lanecc.edu/healthclinic/healthmatters/quit tobacco.html> Are you trying to quit the tobacco habit? Lane's tobacco-free core campus is ready for you. Join us for a tobacco cessation class. We will discuss proven techniques and resources for quitting that you can get at a low cost or no cost. This class is free and open to all students and employees, and their family members. Led by Nadine Wilkes, Health Clinic R.N. Wed., Nov. 3 at 1 -2 p.m., Building 4, Room 104 Tues., Nov. 9 at 2:30 - 3:30 p.m., Building 5, Room 206 Thurs., Nov. 18 at 12 - 1 p.m., Building 5, Room 206

ADS

DAY OF THE DEAD

Monday, Nov. 1, 6 pm Jordan Schnitzer Art Museum at the UO

Tuesday, Nov. 2, 6:30 at the Long House at the UO

You are invited to celebrate the annual celebration of the Day of the Dead which will take place on the University of Oregon's campus. This year the celebrations are dedicated to the 100 year Anniversary of the Mexican Revolution. A group from Mexico, "Los Musiqueros", will be performing traditional revolutionary Mexican music. As always, the events are free and there will be traditional 'pan de muerto' with coffee.

AUTUMN MAGIC, SURFACE DESIGN AND ARTIST BOOK WORKSHOP

Explore the elusive creative space between care and wild abandon with Andie Thrums as a way to invite the magic of fall into the making of a book. The workshop will be Nov. 6-7, from 10 a.m.-5 p.m. in Building 11, Room 119. All levels are welcome, beginning to advanced. Cost is \$75 for Lane staff and registered Lane students, \$100 community at large (Includes \$20 materials fee). Class limited to 12 students. Registration deadline is Oct. 29. Contact Susan Lowdermilk at lowdermilks@lanecc.edu to register.

SOROPTIMIST SCHOLARSHIP INFO SESSION, Wednesday, Nov. 3, 2010 from 1:00-1:45 in the Women's Center, Bldg 1, Rm 202. Vicki Merkel from a local Soroptimist club will explain the eligibility criteria and application process for the Women's Opportunity Award. Applications are due December 1, 2010. Lori Wilson, LCC student and one of the 2010- 2011 winners will also present with tips based her successful application experience. Students will need letters of reference and all applications are done online at soroptimist.org/awards/apply.html Please share this information with interested students.

NEW SOURCE FOR ORANGES AND GRAPEFRUIT

Lane Athletics will no longer be selling oranges and grapefruits, but we do have a connection to order from Elmira High School baseball, through ex-Lane Baseball Coach Dale Hartley. The benefactor of this year's sale is the Elmira High School baseball team. "The head coach at Elmira, Jordan Bousquet, is a great young man and coach who is working really hard to improve the quality of the baseball program at Elmira. He played baseball at Lane Community College and was part of the 2004 NWAACC Championship team at Lane," Dale says. Twenty pound boxes of oranges and grapefruits are \$25.00 this year. The deadline for ordering and paying is Thursday, Nov. 18. The fruit will be arriving in town on Thursday, Dec. 2 or Friday, Dec. 3. Dale will be glad to deliver to Lane and if we have a large order I will assist him. Contact Sharon Foster at ext. 5599, if you are interested in ordering.

WANTED: STATIONARY RECUMBENT BICYCLE in good condition at reasonable price.

Contact: lorinaj2002@yahoo.com

FOR SALE: Corner desk system: oak. Right side 24" wide x 60" long: file drawer, 2 small drawers, pull out, pencil drawer. Left side 20" wide x 49" long (full width left to right is 73") keyboard pullout, pre-made wire hole, slide out printer shelf, pencil drawer. Excellent condition, photo on Craig's list. \$295 OBO. Can deliver. Dan Welton, Media Arts, x5475 or 541.683.9148.

FOR SALE: Desk, solid oak 24" x 48": 2 wide file drawers, pencil drawer, excellent condition \$225. Book case hutch (fits on top of desk). Solid oak 32" high x 47" wide. Left side enclosed cabinet. Right side adjustable shelves. \$70. Together \$275. Excellent condition. Can deliver. Dan Welton, Media Arts, x5475 or 541.683.9148.

FALL SPIRIT RAFFLE & SALE AT THE TITAN STORE Oct. 25-Nov. 5. Enter to win a Weber Gas Grill, Coby Portable Stereo System or 8 GB iPod Nano. Tickets are \$1 each or 6 for \$5, all proceeds go to student scholarships. Sales throughout the store! \$10-\$20 off MP3, video players & digital cameras, 25% off all novels, 30-50% off all scarves, 10-50% off selected clothing, supplies, flash drives, electronics, jewelry and clearance items. Submitted by the Titan Store, 5256

VACATION RENTAL When was the last time you treated yourself to a weekend/holiday of peace and quiet, listening to the whisper of the wind in the pines and the surf on the beach below; maybe catching a glimpse of a whale's spout or the cry of an eagle. When was the last time you explored tide pools or walked one of the many trails along the Pacific coast; went crabbing off the pier or simply sat and watched the sand pipers play the waves. Maybe now's the time? 4 bedroom, 2 bath fully equipped home on two acres above the ocean, kitchen with dishwasher, washer/dryer, very large living/dining room with fireplace, large parking area, all behind your own private gate. Whalebones is great for a family reunion or a couple wanting a retreat. House is close to Newport so everything you could want is close at hand, yet will not disturb the calm. For more information call Sally 541-686-8228 whalebones_newport@comcast.net submitted by Emma Radcliffe radcliffe@lanecc.edu

FREE TO GOOD HOME - one very young kitten, possibly 6-8 wks, black fur with some adorable white markings on face and boots. Found abandoned. Contact Jinny McKenzie at 541-337-5388 or email Judy McKenzie at mckenziej@lanecc.edu

A GREAT VACATION GET AWAY TO RENT OR BUY is found at the BLK Beach House in Florence. Not only that, you can bring your dog for free. This is a newer manufactured home in

great condition with a spacious open living room, 2 bedrooms, 1 bath, and the kitchen is supplied with everything you need: pots, pans, microwave, coffee pot, toaster and more. There is a queen size bed in one bedroom and twin and full size beds in the other room. It's a five minute walk to the beach. This is our home away from home and rented only to select clientele (like Lane employees). Guests are on the honor system to respect our home. The rates are very reasonable, in part because you are expected to clean up after yourself upon departure. There's a two night minimum and rates are \$58/weekend night in the winter (starts Nov.) and \$62/weekend night in the summer. We're asking a reduced price of \$144,900 to buy. Call Wendy Simmons at (541) 431-1277 or email her at wsimmons@efn.org for more information.``

LANE WEEKLY is the employee newsletter of Lane Community College. Send submissions to weekly@lanecc.edu Guidelines online at www.lanecc.edu/cops/newsletter.htm For information, call (541) 463-5591. The Weekly is available to the vision-impaired through Disability Resources at (541) 463-5150. Lane Community College is an equal opportunity/affirmative action institution. Issue date: Tuesday, Oct. 26, 2010

THIS WEEK

R25 TRAINING, today, Nov. 9, 9-11 a.m., ATC, late comers welcome. Hands-on training covering 25Live homepage; events searching and creating; spaces searching and viewing and building and room naming conventions; resources searching and viewing; special scheduling areas; audio-visual, general services and motor pool; e-commerce target audiences and how it is used; reporting and running reports help system and how it is setup. If you only have 90 minutes, you can get the basics to search events, spaces, resources and create events in that amount of time. This class is designed for the beginning user, but includes some advanced tips for the more experienced 25Live end-user. Contact: Alen Bahret. Register online at: <https://www.applyweb.com/public/register?s=25L00FX8>

LIVE film series, "Veterans Helping Veterans," Boardroom, Building 3, 2 p.m. Showing today, Nov. 9: "The Lucky Ones." For more information contact: Michael Samano at 5186.

UCORE INTERN William Bullington presents Wednesday, Nov. 10, during Physics X at 5 p.m. in Building 16, Room 119. Shock waves are an abundant phenomenon throughout the universe. They seem to play a significant part in star formation and are readily observable in the remnant of a supernova, the death of a star. William (Billy) will give a presentation on his work with the Imamura Group at the University of Oregon studying the stability of magnetohydrodynamic shock waves. Contact: Dennis Gilbert.

PERS SEMINAR, Wednesday, Nov. 10, 11:45 a.m. - 12:45 p.m., Building 5, Room 206. Topics: Differences in Tier One, Tier Two, OPSRP and IAP; eligibility for retirement [age and/or service requirements]; benefit estimates; methods of drawing an income from PERS (pension and annuity options and lump sum settlement (LSS) options) and the pros and cons for each. RSVP to Anna Pomykala at First Investors at anna.pomykala@firstinvestors.com if you are able to attend.

VETERANS DAY CLOSURE, Thursday, Nov. 11. See the academic calendar online at www.lanecc.edu/calendars/academic.html

PHI THETA KAPPA-SIGMA ZETA CHAPTER annual clean-up of 30th Avenue, Veterans Day, Nov. 11, 9 a.m. to noon. For information call 3238 or 5682.

TEA AND TOPICS: TALK ABOUT YOUR TEACHING, Friday, Nov. 12, 3-5 p.m., Building 19, Room 241. All faculty and instructional support staff are welcome to come to our second "Tea and Topics" of this academic year. Sponsored by Learning Communities and the Title III Engaging Students grant, "Tea and Topics" provides opportunities for faculty and staff to talk about topics related to student learning and success. Enjoy light refreshments and talk with your colleagues about your ideas and challenges around student success topics. On November 12th we will talk with faculty who have infused their curriculum with student success strategies. Part-time faculty are eligible for a stipend after attending several Tea and Topics conversations. Learn more by visiting our web page <http://www.lanecc.edu/lc/fresources/TeaAndTopics.htm> or contact Anne McGrail mcgraila@lanecc.edu

NEWS

STUDENT VETERAN SEES EDUCATION AS THE KEY TO CHANGE

Rande White of Springfield is deep in transition. With a youth spent in the Army that sent him around the world twice, followed by years in the workforce, at age 52 he has begun to search for a future where he can give back to the community. He's getting started at Lane Community College. Read his story and see his photo online at:

<http://www.lanecc.edu/mpr/success/story65.htm> Submitted by the editor.

CATS' BEST FRIEND

Many staff inquired about the woman pedestrian tragically killed on 30th Avenue last week. She was not a Lane employee or current student. Register-Guard columnist Bob Welch tells her story online at: <http://www.registerguard.com/csp/cms/sites/web/news/cityregion/25510588-41/says-cats-pupke-starly-welch.csp> Submitted by the editor.

ANNOUNCEMENTS

OSAA THANK YOU

Thank you to everyone who helped make the Annual OSAA State High School Cross Country Championships a success. We have been the proud host of this event for the last 40 years! We really appreciate the campus-wide support, and appreciate everyone's patience during this massive special event. We had over 4,000 spectators and athletes, with nearly 100 Oregon high schools represented. Special thanks to our Facilities Department, Public Safety, Grounds Crew, and all of the campus-wide volunteers. Next year's date is November 5, 2011. For more information contact Grady O'Connor, Meet Director, 5550.

NEW DIMENSIONS: INTERACTIVE TEACHING SEMINAR OFFERED BY FPD

Faculty Professional Development is pleased to offer New Dimensions: An Interactive Teaching Seminar, a course designed by faculty for faculty. Whether you have been teaching for two years or twenty, this course offers a forum to examine contemporary research on components that define excellent college teaching to uncover what the best college professors do.

Enrollment is limited to 18 participants in winter term. All faculty are encouraged to apply. This is an excellent opportunity for those who are interested in developing their teaching. Successful participants will receive a \$400 stipend upon completion of the course. Additional information and application are online at:

https://docs.google.com/document/d/1Fnq4AErop_W3yCG5lyY0dcny_BofTzmsEdp3twdKW7w/edit?hl=en&authkey=CPPqrc8E If you have questions, please contact instructors Nadia Raza at razan@lanecc.edu or Susan Reddoor at reddoors@lanecc.edu. Submitted by FPD Coordinator, Adrienne Mitchell, www.lanecc.edu/fpd

BENEFIT FOR COMMUTERS: FREE EMERGENCY RIDE SERVICE

One of the main reasons many people drive alone to work is the security of having a car available to them in case of an unexpected emergency. In order to support those interested in

bussing, carpooling, or biking, Lane provides a FREE Emergency Ride Home through point2point Solutions.

How do you sign up? Enroll at: <http://www.point2pointsolutions.org/application-forms/erh-employees/>. You will receive an Emergency Ride Home ID card.

How does it work? When you have an emergency, go to the Human Resources office in Building 3. Employees who work at satellite campuses should go to the reception desk at their site. The person at the front desk will give you a voucher and call a taxi for you. When you reach your destination, fill out the voucher and keep the appropriate copies. No need to pay. For more information, see <http://www.point2pointsolutions.org/resources/emergency-ride-home/employees-information/>. Contact: Jennifer Hayward, 5594.

PLAN NOW FOR LANE PREVIEW NIGHT 2011 - WEDNESDAY, FEB. 2

Lane Preview Night, the college's annual on campus open house recruitment event for prospective high school students and their families, will take place Wednesday, Feb. 2, 2011 from 6-8:30 p.m. in Building 5 (gym). In the coming weeks, you and your department, program or resource will be contacted to participate in this very important annual event. It is critical that the college community embrace this special opportunity to show off all the great support systems and learning opportunities we provide to our target audience. We look forward to your support of and participation in another successful Lane Preview Night! Submitted by David Van Der Haeghen, Student Recruitment and Outreach Coordinator, Enrollment and Student Financial Services.

BENEFITS OPEN ENROLLMENT: NOV. 8-DEC. 2 <http://www.lanecc.edu/hr/benefits/index.htm>
Open enrollment for the following benefits will begin on Nov. 8 and continue through Dec. 2.

* Section 125 for calendar year 2011 (Classified, Faculty & Management): A new form must be completed for the new calendar year even if you are not making any changes from the previous calendar year. If you are enrolled for calendar year 2010, enrollment for calendar year 2011 is not automatic. You must complete a new election form.

* Supplemental Life Insurance (Classified and Management): An enrollment form needs to be completed for new enrollment and changes to existing enrollment only. No action is necessary for those already enrolled who do not want to make changes.

* Long Term Disability Buy-up (Classified and Management): An enrollment form needs to be completed for new enrollments only. No action is required for those already enrolled.

Learn more about these benefits by attending one of the drop-in information sessions. For questions regarding these benefits, please call Sharon Daniel at 5190 or Heidi Morales at 5592.

BENEFITS OPEN ENROLLMENT INFORMATION SESSIONS

Representatives from Human Resources will be available to assist in enrollment and answer any questions you may have regarding open enrollment for Section 125, Supplemental Life Insurance and/or Long Term Disability Buy-up. A representative from OEA Choice Trust, our plan administrator for 2011, will also be available to assist in enrollment and answer questions pertaining to Section 125. Scheduled sessions:

* Nov. 9, 9:00 a.m. - 10:00 a.m. in Bldg 5 Room 206

* Nov. 17, 4:00 p.m. - 5:00 p.m. in Bldg 5 Room 206

* Nov. 22, 10:00 a.m. - 11:00 a.m. at the Downtown Campus, Room 202

* Nov. 22, 1:00 p.m. - 2:00 p.m. in Bldg 5 Room 206

* Nov. 30, 11:00 a.m. - 12:00 p.m. in Bldg 5, Room 206

MAIL/WAREHOUSE LIMITED SERVICES NOTICE

Mail/Warehouse services will be open limited hours Friday, Nov. 12. Hours will be 10:00 a.m. to 3:00 p.m. Please have all out going mail to Mail Services no later than 2:45 p.m. on that day for processing.

Seasonal reminder on mailroom policies: With the holidays upon us, we would like to remind everyone that we are not allowed to deliver personal packages and that personal mail or packages should not be sent to the college. It is a red flag when we see things from JC Penney, Sears, or Victoria's Secret (among others). If it becomes obvious that people are having their personal packages sent here, we will stop delivering packages altogether. Please do not jeopardize everyone's department's deliveries by ignoring the college's policies. Thank you for your cooperation on this issue, and we wish you the best of Holidays! Submitted by Mail Services

PRINT SHOP DEADLINES FOR 2010/11

The deadline for submitting winter term instructional packets to Printing/Graphics is Nov. 12. Handouts needed for the first day of winter term classes should be submitted by Dec. 3. Subsequent deadlines for the 2010-2011 academic year are as follows:

- * Spring term: Packets to Printing/Graphics by February 11.

- * First-day materials are due March 18.

Observing these deadlines assures timely production of your materials by the print shop and processing by the Titan Store (Bookstore). Questions? Contact Tom Johnson, 5373.

SCHOLARSHIP SEASON IS HERE

Michelle Holdway, scholarship coordinator from the University of Oregon, will present transfer scholarship information at a workshop on Tuesday, Nov. 16 from 3:30-5 p.m. in Building 19, Room 241. Learn tips for creating a successful scholarship application to the UO. For registration and more information call 5164 or e-mail Jackie Bryson at brysonj@lanecc.edu

SBDC PARTNERS WITH OSU EXTENSION ON AGRICULTURAL PROGRAM

Lane's Small Business Development Center and OSU Extension Service/Lane County are partnering to offer an Agricultural Business Management Program beginning in December. There will be an open house for those interested in the program on Nov. 17 from 6-7:30 p.m. at the SBDC at 1445 Willamette Street, Room 213, to introduce the instructors, provide an overview of the program topics, and tour the facility. A full-program scholarship will be awarded to an attendee at the open house. This program is designed to help all type of ag businesses (large and small farms, landscapers, value added producers) to achieve their goals through improved financial management, business assessment skills, and improved horticulture capacity. Refreshments provided. For more information contact Diane Pigg at 4623 or piggd@lanecc.edu or visit the website at <http://www.lanesbdc.com>

AAWCC CONFERENCE NOV. 18-10

The Oregon Chapter of the American Association of Women in Community Colleges (AAWCC) holds its annual conference on Nov. 18 and 19 at Embassy Suites near Washington Square in Tigard. This year's theme is "Obstacles and Opportunities: Thriving in Changing Times." The conference is always a great experience, providing a high quality professional development experience for Oregon community college women. For more information, go online at www.aawccoregon.org Contact: Donna Zmolek, 5301.

AAWCC HOSTS TALENT SHOW

AAWCC is hosting the first annual Lane's Got Talent on Thursday, December 2, from 4:30-5:30 p.m. in the Blue Door Theater. You'll be entertained by magicians, comedians, storytelling, and more. Tickets are \$10, and all proceeds go to the AAWCC student scholarships. Help students

while having fun. For tickets contact an AAWCC board member or call Siv Serene Barnum at 5894 or e-mail barnums@lanecc.edu. Submitted by Siv Serene.

TEN MINI-GRANTS AVAILABLE FOR CURRICULUM INFUSIONS

Due Date: Monday, Dec. 6. Ten curriculum development mini-grants are available this fall to infuse time management and self-management strategies into your curriculum. Sponsored by the Title III Engaging Students grant, this round of grants supports work that uses integrative learning to intentionally develop students' time management and self management skills. If you are interested, visit our website <http://lanecc.edu/lc/fresources/StudentSuccessPrinciples.htm> More information and the brief application form are online at <http://lanecc.edu/lc/fresources/StudentSuccessPrinciples.htm> Contact Anne McGrail mcgraila@lanecc.edu

GET EARLY-BIRD DISCOUNT FOR INNOVATIONS CONFERENCE

Feb. 27-March 2, 2011 Hilton San Diego Bayfront.

Join education professionals worldwide in this premier global innovation conference where experts and veterans present ideas, exhibit programs, and showcase initiatives that advance every aspect of the community college. Funds may be available for two faculty to attend this League for Innovation Conference. See Faculty Professional Dev. web site for funding criteria: <http://www.lanecc.edu/fpd/grants/league.html> For information about the conference: <http://www.league.org/i2011/> Tamara Pinkas, League Rep, 5011.

HELP LANE SPREAD THE WARMTH TO HOMELESS AND LESS FORTUNATE COMMUNITY MEMBERS

Lane staff and students are starting to collect warm clothes for this year's Free Whiteaker Community Thanksgiving Dinner. Instructor Sue Thompson is starting our "Sleeping Bag Drive." Our goal is to have 325 20° sleeping bags that her team of Lane employees and friends will distribute during the dinner. People can sponsor one or more bags for \$15 each. Tax deductible checks may be made to Whiteaker Community Dinners. Donations may be sent or dropped off to Beverly Farfan at the Cooperative Education office in Building 19, Room 231, or Sue Thompson's mailbox in H&PE, Building 5, Room 205. For more information and how to get involved contact Beverly Farfan, 541-463-5395, 541-912-2228 or farfanb@lanecc.edu

CHECK OUT THE NEW JUICE BAR

Have you been down to Food Service's new Juice Bar in the Health and Wellness Building? We are featuring an organic healthy menu which includes coffee, espresso, pastries and other grab and go items.

We hope you'll come down and try one of our new smoothies. You can also visit us on Facebook (Lane Community College Food Service) and express your thoughts, suggestions and see the daily featured entree. You can also find our daily entree, soups and prices on myLane.

Hours: Health and Wellness building 7:00 am - 4:00 p.m.

Blender espresso: 7 a.m.-6 p.m.

Hot Dog cart: 11 a.m.- 3 p.m.

Terrace Cafe- 8 a.m.- 4 p.m.

Cafeteria: Mon-Thurs- 7 a.m.- 6 p.m., Friday 7 a.m.- 3 p.m.

Holiday Hours: The Cafeteria will be open on November 24, 2010 from 7 a.m. to 3 p.m. Happy Holidays.

MAKE DREAMS COME TRUE. BE A SUPER HERO!

We are now at the half-way point in the We Care Campaign and have some amazing stats to report. As of Monday, November 8, we have reached 43 percent of our \$125,000 goal of total dollars raised. This is the breakdown thus far:

- * \$31,068 Foundation, \$20,550 United Way, totaling \$51,618

- * 150 individual donors or 25 percent out of the 60 percent goal (not including the continuous givers to the Foundation who will be added in later in the campaign)

Thank you: It is a true testament to the generosity of our staff that we are a community that cares. If you have any doubts about giving and who really benefits, please check out the following YouTube video of testimonials from our own scholarship recipients and hear first hand how their lives have been changed.

Nursing Testimonial:

http://www.youtube.com/watch?v=S2vbLSbja7U&feature=player_embedded

Environmental Testimonial:

<http://www.youtube.com/watch?v=ovNRAdjxTWs>:

AND THE WINNERS ARE!

- * Ram Rattan, Printing and Graphics - Starbucks Gift Card donated by John Hamblin, ESFS

- * Cassandra Rhay, ESFS - Fudge or a Cheesecake donated by Sheryl Berman, Health Professions

- * Fred Beisse, CIT - Ta Ra Rin Gift Certificate donated by Jim Lindly, SBDC.

- * Bob Walen, Specialized Support Services - Zen Garden donated by Janet Anderson, Foundation

- * Casey Adams, IT - KLCC Sling Tote, donated by Paula Chan Carpenter, KLCC

- * Janet Martin, Facilities - Athletic Stretch Tubing & Bands, donated by the Wellness Department

- * Karen Krumrey, Language and Literature - Lane Titan T-shirt The Lane Athletics Department

- * Tom Tennent, Specialized Support Services - Auntie Phoebe's 3-Berry Vineyard Pie donated by Phoebe Anderson

- * Anne Metzger, Health Clinic - One Week Parking Pass in the Foundation's parking spot donated by The Foundation Office

Thanks to each of you for being a Superhero and Making Dreams Come True through the 2010 Employee Campaign!

YOU TOO CAN BE A WINNER...

November 12 will be the fourth week drawing for the We Care Campaign; and our prize list keeps growing! We have so many donors who've supported the campaign and an element of fun, a big thank you to the donors for their generosity. This week's prizes include:

- * Superhero Wall Decal donated by Mary Parthemer, TRIO

- * Hand Strung Pearls donated by Janet Anderson, Foundation

- * Prince Pucklers Gift Certificate donated by Laurie Swanson, HS Connect

- * Gift Certificate to Sixth Street Grill donation by Foundation

- * Lane T-Shirt & Hat donated by The Foundation Office

- * Long Sleeve Athletic Shirt donated by Exercise and Movement Science

- * Auntie Phoebe's Harvest Apple Pie donated by Phoebe Anderson, Co-op Education

- * One Week Reserved Parking in Foundation Office donated by The Foundation

Turn in your Employee Campaign forms to your Department Rep or Foundation Office by noon on Friday to enter the weekly drawings. If you have already won, your name will be put back in the final drawing for the Grand Prize. Good Luck!

PUBLIC SAFETY CRIME PREVENTION TIP

Office Security: Your protection and protection of your property starts with your willingness to take a few simple steps:

- Keep your purse, wallet, or other valuables with you at all times or lock them in a drawer or closet.
- Never leave your keys lying around.
- Cash or credit cards left on your desk or in an unlocked drawer is a great temptation to thieves.
- Request authorization from persons asking for confidential information or from delivery or repair people who want to enter an area restricted to employees.

Additional information can be found at www.lanecc.edu/psd/Clery/Clery.pdf

Submitted by Katherine Vos.

----- FACILITIES UPDATES -----

MOTOR POOL RESERVATIONS

As the fall term progresses, reservations for Motor Pool vehicles are increasing. In an effort to serve as many people as possible, we kindly request that when reserving a vehicle, that details such as the date needed, time of pick up, time of return, and calculated time of actual vehicle usage are as accurately portrayed as possible. If you find the reservation for a vehicle is no longer needed, or the date and/or time of usage has changed, please call the FMP office at extension 5216 or e-mail at MotorPool@lanecc.edu to update the details of the reservation. An additional reminder: According to Lane's policy, no motor pool vehicles are to be parked at the user's home overnight. Vehicles must be returned to the main campus when not in use. Contact Russ Pierson, 5727.

HOUSEKEEPING

The Housekeeping team will be preparing the Longhouse for its grand opening ceremony that is scheduled on Friday, December 3, at 11 AM. Contact Katherine Vos, 5561.

PROJECT UPDATES—

BUILDING 5 REMODEL AND ADDITION

Construction of the FEC addition and dance studio is scheduled to be completed on December 15. Exterior site work begins Monday, November 8. This activity will require diesel powered equipment to be brought back to the site to remove areas of the landscaping on the east side of building 5. Contact Mark Richardson, 3456.

BUILDING 10 AND 11 REMODEL

The Building 10 and 11 remodel project has been awarded to Hyland Construction. The project construction is scheduled to begin Monday, November 8 and will be completed in two phases. The first phase is the reconstruction of Building 10 only. The second phase includes remodeling most areas of the first floor of Building 11 to begin in the spring of 2011. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS BUILDING

Correction: The architects are scheduled to present the schematic design of the project next Wednesday, November 10, not on November 4 as previously stated. The management team met on November 4 to discuss a number of "housekeeping" issues including the arrangements

for presenting the schematic design to the "leads" and PUGs of the occupying units and other interested parties, the status of third party solar energy providers, enclosed and partially enclosed offices and the schedule of meetings for the design development phase. Contact Bob Mention, 5747.

TRACK AND SOCCER BOWL

The infield of the track and the new soccer field is ready for use. The general contractor will be on site for the next 30 days completing the punch list of corrections created by the architect. The fence that is currently around the construction site will be removed soon. Contact Mark Richardson, 3456.

FACILITIES TRADES

FMP Trades have been working to complete construction at the Longhouse: carpenters (audio-visual, kitchen and display cabinets, fence, and door hardware), electricians (lights, electrical supplies), grounds, painters, in addition to a number of contractors trades. Contact Angela Fazio, 3428.

SUSTAINABILITY IN BUILDING 2 REMODEL

The Building 2 remodel was designed to meet the U.S. Green Building Council's Leadership in Energy and Environmental Design (LEED) certified standards. Green features of the building include water saving fixtures that reduce water use by 35 percent compared to a code compliant building and energy saving features that reduce energy use by 20 percent compared to a code compliant building. One of the more unique and successful energy efficiency features in Building 2 is a heat recovery system in which heat generated by the servers in the data center is used to heat the rest of the building. Jennifer Hayward, 5594.

CURRENT CONSTRUCTION NOTICES—

* TEMPERATURE CONTROL ISSUES FOR OCCUPANTS OF BUILDINGS 1, 3, 4, 5, 6, 7, 9, 11, 12, 15, 16, 17, 18, 19 AND CENTER

Over the past few weeks, many occupants have reported being affected by temperature control issues in offices and classrooms in buildings 1, 3, 4, 5, 6, 7, 9, 11, 12, 15, 16, 17, 18, 19 and Center. This is due to the major renovation bond project work in progress to convert from one Building Automation System to another. During the course of data migration, many points did not transfer correctly and many other undocumented points were discovered. This has resulted in the inability to view and control numerous HVAC controls systems in multiple buildings. The FMP planning team is attempting to work a way through these control problems with an anticipated completion in early December.

In the meantime, we sincerely regret your discomfort. Please continue to report issues to the facilities office at extension 5216 or e-mail facilitiesoffice@lanecc.edu. We appreciate your patience as we respond as quickly as possible to urgent needs. Angela Fazio, 3428.

TRAININGS & CLASSES

ACADEMIC TECHNOLOGY CENTER WORKSHOPS

<http://lanecc.edu/atc/wstraining/schedule.html> for details:

* Moodle Assignments And Activities - Overview of all activities, including typical uses and grading options and hands-on practice setting up assignments and other kinds of graded and

un-graded activities. Duration: 2.5 Hours. Registration required:

<https://www.applyweb.com/public/register?s=25L00FYE>

* Moodle Gradebook - Learn how to set up a straight-point or weighted gradebook, enter and manage grade records, and verify and troubleshoot your gradebook. For current Moodle users.

Duration: 2.5 Hours. Registration required:

<https://www.applyweb.com/public/register?s=25L00FYG>

EMPLOYEE WELLNESS TRAININGS

* World Diabetes Day is Sunday, November 14 and people with diabetes are encouraged to do the Big Blue Test. Go to <http://BigBlueTest.org/> to test your blood sugar at 2 p.m. (local time), do 14 minutes of activity, test again and share the results.

* Holiday Survival Techniques: Avoiding Overload, Unreasonable Expectations & Bankruptcy with Comedian Leigh Anne Jasheway is, Monday, Nov. 15, 1 - 2 p.m., Building 5, Room 126.

* Reduce your stress by joining the Undress Your Stress with Playfulness program to get a free stress reduction tool such as a hi-tech pedometer, relaxation CD, yoga mat or resistance band with handles. As you work toward your goal, you will receive other stress reducing incentives such as a foot massage or \$20 certificate to Smith Family Books. Support for this program has been provided by the OEA Choice Trust Wellness Grant.

*Check out <http://www.lanecc.edu/wellness/upcomingevents.htm> for more details and <http://www.lanecc.edu/wellness/wellnessclasses.htm> for wellness classes and events. Contact Wendy Simmons or Layne King at simmonsws@lanecc.edu or KingLM@lanecc.edu and ext. 5551 for more information.

WEEKLY WORKSHOPS FOR STUDENTS

Faculty and staff, please consider announcing these upcoming workshops to your students.

- "Microsoft Word Basics" - Tues, Nov. 9 (3:15-4:00) and Wed, Nov. 10 (11:00-11:45)

- "myLane Group Studio" - learn how to set up groups with a shared drive for files and information. use it to set up study groups, clubs, etc. - Tues, Nov. 16 (3:15 - 4:00) and Wed, Nov. 17 (11:00 - 11:45)

All workshops are held in the small computer lab off the Enrollment Services lobby in building 1, room 121. submitted by Carol McKiel, 3132.

MEN'S BASKETBALL FUNDRAISER: Men's Basketball is doing a raffle for Three - One Hundred Dollar Gift Certificates to Fred Meyer. The tickets are \$5 dollars each with 3 chances to win. The drawing will be held on Wednesday, November 24th. You can purchase tickets from one of the men's basketball players or contact head coach. Bruce Chavka, 5553 or chavkab@lanecc.edu

GIFTS GALORE at the Titan Store! Come check out the wonderful and unique assortment of gifts available at the Titan Store. Free gift with \$50 gift purchase during the month of November, 5256

THE LCC POWWOW IS COMING UP SOON (December 4), and as usual, we will offer cart rides from the parking lot to the gym for elders, dancers, drummers--anyone who needs help. If you're interested in being a part of this fun service, please e-mail or call Jeff Harrison at harrisonj@lanecc.edu or 5145. We need drivers from 10 a.m. until 11 p.m. Also, we'd like to offer this service the day before, for the grand opening of the new longhouse. Please contact Jeff if you can help on Friday Dec. 3 between 10 a.m. and 1 p.m.

VACATION RENTAL When was the last time you treated yourself to a weekend/holiday of peace and quiet, listening to the whisper of the wind in the pines and the surf on the beach below; maybe catching a glimpse of a whale's spout or the cry of an eagle. When was the last time you explored tide pools or walked one of the many trails along the Pacific coast; went crabbing off the pier or simply sat and watched the sand pipers play the waves. Maybe now's the time? 4 bedroom, 2 bath fully equipped home on two acres above the ocean, kitchen with dishwasher, washer/dryer, very large living/dining room with fireplace, large parking area, all behind your own private gate. Whalebones is great for a family reunion or a couple wanting a retreat. House is close to Newport so everything you could want is close at hand, yet will not disturb the calm. For more information contact Emma Radcliffe Radcliffe@lanecc.edu or check out our new posting on <http://www.vacationhomerentals.com/vacation-rentals/Newport-Oregon-vacation-rental-home-proID-53115.html><http://www.vacationhomerentals.com/53115> 11

ARE YOU A RETURNED PEACE CORPS VOLUNTEER? The West Cascade Peace Corp Association is planning a big party in downtown Eugene on March 1, 2011, to celebrate 50 years of Peace Corps. In preparation, we are collecting photos and profiles of RPCVs in Lane County, for a newspaper insert. Where did you serve and when? What are you doing now? Please write to maggie@pacinfo.com (www.westcascadepca.org). Submitted by Mary Parthemer.``

UNLIKE THE LATE 1970s fundraising for marching band uniforms that I participated in as a teen (scented candles, wall sconces, mugs), it seems as though fundraising has a more yummy focus nowadays. Cookie dough in 10 different flavors: Tillamook Country jerky, gourmet coffee (ground and whole beans), cheesecakes, cinnamon rolls, breads, and personal pizzas. I'm helping my son who is a student at River Road Elementary school. Fundraising is for sponsoring

field trips and classroom resources. I have an order form, contact me for information. Michael Samano, samanom@lanecc.edu, 5186.``

I REMODELED MY KITCHEN and now have 4 florescent lights and 56" wide white blinds I don't need and want to give them to someone who can use them. Charlotte behmc@lanecc.edu ``

Contact Julianne Stermer (retired ECE faculty) at 541-726-4942 or j.stermer@comcast.net.□``

LANE WEEKLY is the employee newsletter of Lane Community College. Send submissions to weekly@lanecc.edu Guidelines online at www.lanecc.edu/cops/newsletter.htm For information, call (541) 463-5591. The Weekly is available to the vision-impaired through Disability Resources at (541) 463-5150. Lane Community College is an equal opportunity/affirmative action institution. Issue date: November 9, 2010

LANE WEEKLY

November 16, 2010

THIS WEEK

VETERANS HELPING VETERANS FILM SERIES: "Lioness," Tuesday, Nov. 16, 2 p.m., Boardroom, Building 3. Contact: Michael Sámano, 5186.

UO SCHOLARSHIP WORKSHOP, Tuesday, Nov. 16, 3:30-5 p.m., Building 19, Room 241, with Michelle Holdway, UO scholarship coordinator. She will present transfer information and tips for creating a successful scholarship application to the UO. For registration and more information call 5164 or e-mail Jackie Bryson at brysonj@lanecc.edu

SPEAKER PANEL, Tuesday, Nov. 16, 7:30-8:50 p.m., Center 425. Steve Candee's "Problems in US Politics" class will hear a presentation on "Causes & Solutions to the Unemployment Problem" with guest speakers Bob Bussell, UO Labor Education and Research Center; Nancy Forest, Eugene-Springfield Solidarity Network/Jobs with Justice Chapter; and Phil Martinez, Lane economics instructor. Guests welcome, space limited. Contact Steve at 5188.

BIOLOGY IN COSTA RICA STUDENT INFO SESSION, Wednesday, Nov. 17, 5-6 p.m., Building 16, Room 111. Need a four-credit biology class? Consider BI 103, Field Biology in Costa Rica, July 11-14 on main campus, then July 24-Aug. 14 in Costa Rica. The class is designed for the non-science major to satisfy four credits of a lecture-lab transfer requirement. It can also be taken as an advanced elective for biology majors. We will explore the ecology of several different habitats in the beautiful Central American country of Costa Rica, examining the natural histories of a variety of tropical species. The cost, approximately \$2,700, covers airfare, all room, board, and travel costs within the country, but not tuition or books. Financial aid is available for those who qualify. RSVP by calling or e-mailing Joe Russin at 5452 or russinj@lanecc.edu

BOARD OF EDUCATION, Wednesday, Nov. 17, 6:30 p.m., boardroom, building 3. At approximately 6:45 p.m. a public hearing will be held on the use of the CMGC (Construction Method General Contractor) process for the Downtown Campus. Agenda is online at www.lanecc.edu/presoffc/board/agenda.htm Contact: Donna Zmolek.

"IN FORMATION" ART EXHIBIT by Lane instructors Anne Godfrey and Rob Adams, Nov. 15 to Dec. 2, Art Department Gallery, Building 11. Lecture Thursday, Nov. 18 at 3 p.m. with reception at 4 p.m. Information at www.lanecc.edu/mpr/news/rel01335.htm

END-OF-FALL TERM STUDENT CONCERTS begin Sunday, Nov. 21. More information at www.lanecc.edu/mpr/news/rel01333.htm Contact: John Watson.

NEWS

PAULA WESTGATE NAMED EMPLOYEE OF THE MONTH

Kudos and congratulations go to November's Classified Employee of the Month, Paula Westgate of the Center for Meeting and Learning. Representatives of the Classified Professional Development Team joined staff in the CML to present Paula with the Employee of the Month award for November 2010. She has been with Lane and the Center for Meeting and Learning since October 2004 as administrative specialist. Some reasons for this award include her helping develop seasonal menus and including the local community in conversations about food. She found a workable arrangement for the CML to host the Local Food connection for Lane County for five straight years. Paula creates marketing ideas, e-mail lists, personal visits and phone calls that are low cost but yield a high degree of business to the college, increasing the department's ability to contribute back to the general fund. She has helped streamline the process in which events are booked. Paula considers a group's budget carefully and finds ways to provide great food and service to groups of all economic categories. Her sense of humor, grace and calm is legendary in the CML. She finds a way to help keep everyone happy and healthy. Paula is a model of a culturally competent staff member. All internal groups, external groups, students, staff and faculty are treated with dignity and fairness. And remember that, you too, can help us to recognize exemplary classified employees by nominating them for this award by the 15th of each month. Nomination forms are available: 1) on the CPDT website: www.lanecc.edu/cpdt/recognition/eominfo.html or 2) from Elaine Marsh, IRAP: marshe@lanecc.edu

ANNOUNCEMENTS

CATCH UP ON LEARNING COMMUNITIES/TITLE III NEWS

Read the Fall 2010 Learning Communities/Title III newsletter by following the link to our website here: www.lanecc.edu/lc/fresources/LearningCommunitiesNews.htm The newsletter features articles about the multiple faculty and staff development activities occurring across campus this year. The focus of the Engaging Students program is to integrate academic and student affairs and to increase student engagement, retention and success. The newsletter includes a calendar of activities on campus, as well as proposal deadlines for curriculum development work. If you have questions, contact Anne McGrail, mcgraila@lanecc.edu

FACULTY: TAKE A MOMENT TO FILL OUT THE FACULTY SURVEY OF ENGAGEMENT

The Title III Engaging Students Program is collecting data about faculty engagement. Please take a few moments now to log on to myLane and complete the Fall 2010 Faculty Engagement Survey. Your responses will be confidential. You will not be identified, and your answers will be combined with all responses to these questions. You will find the survey on the Faculty/Advisor page in myLane: <https://mylane.lanecc.edu/cp/home/displaylogin> The faculty survey is in the upper right-hand corner of the page. Examples of student engagement practices include using e-mail to connect with students, discussing grades and assignments with students, encouraging students to work together on projects in and out of class, and referring students to tutoring. If you have questions, contact Carol McKiel, Title III Coordinator mckielc@lanecc.edu

TEST ACCOMMODATION TIPS FROM DISABILITY RESOURCES

Disability Resources encourages students to meet with their instructor to share their Letter of Accommodation (LOA) and discuss how testing accommodations will be provided. If you, the instructor, can provide the additional time and a quiet space for the student to test – fantastic! If you don't have the time or space to offer, please inform the student and refer him or her back to

the Disability Resources office to make arrangements. We prefer to schedule students at the same time the test is being conducted in class, and ask instructors for approval if the time differs. We are now asking students to provide us with five workdays advance notice to set-up Testing Accommodations. If you plan to administer pop-quizzes, or your exam includes a lab (like bio or chem), please work closely with our testing accommodation staff to coordinate the details. We're happy to work with you, in the background, to make the accommodation process as smooth as possible – and still allow you the opportunity to surprise all students equally. If you have any questions, please contact Cathie Reschke at 5079 or reschkec@lanecc.edu

HELP LANE SPREAD THE WARMTH TO HOMELESS AND LESS FORTUNATE COMMUNITY MEMBERS

Lane staff and students are starting to collect warm clothes for this year's Free Whiteaker Community Thanksgiving Dinner. Instructor Sue Thompson is leading our "Sleeping Bag Drive." Our goal is to have 325 20° sleeping bags that her team of Lane employees and friends will distribute during the dinner. People can sponsor one or more bags for \$15 each. Tax deductible checks may be made to Whiteaker Community Dinners. Donations may be sent or dropped off to Beverly Farfan at the Cooperative Education office in Building 19, Room 231, or Sue Thompson's mailbox in H&PE, Building 5, Room 205. For more information and how to get involved contact Beverly Farfan, 541-463-5395, 541-912-2228 or farfanb@lanecc.edu

OPEN HOUSE AT THE TITAN STORE

Visit the Second Annual Winter Open House at the Titan Store for Lane faculty, staff and administrators, Wednesday, Dec. 1, 12-3 p.m. Meet the staff, tour the store, enjoy refreshments, shop the winter sale. Contact: Vicki Colley.

TEN MINI-GRANTS AVAILABLE FOR CURRICULUM INFUSIONS

Due date: Monday, Dec. 6. Ten curriculum development mini-grants are available this fall to infuse time management and self-management strategies into your curriculum. Sponsored by the Title III Engaging Students grant, this round of grants supports work that uses integrative learning to intentionally develop students' time management and self management skills. If you are interested, visit our website lanecc.edu/lc/fresources/StudentSuccessPrinciples.htm More information and the brief application form are online at lanecc.edu/lc/fresources/StudentSuccessPrinciples.htm Contact Anne McGrail mcgraila@lanecc.edu

PEACE CENTER EVENTS COMMITTEE SEEKS NEW MEMBERS

The Lane Peace Center Events Committee organizes peace and justice related events for the Lane Community College campus and the Eugene community. Our major project each year is the Lane Peace Symposium featuring renowned keynote speakers and music. This year's symposium is scheduled for April 15, 2011. The committee meets the first and third Tuesdays of the month from 3-4:30 p.m. This is a working committee requiring a minimum commitment of 3-4 hours per month, with additional time commitments in the month leading up to the Peace Symposium. While all are encouraged to join, specific skills in graphic arts, fund raising, social networking skills, working with media, web skills, and event organizing are needed. The committee seeks members from all employee and student groups oriented toward ending war and promoting social, racial, gender and environmental justice. If you are interested in joining the committee, contact Stan Taylor at taylors@lanecc.edu or 5820. For more information, go to: lanecc.edu/peacecenter

BENEFITS OPEN ENROLLMENT CONTINUES THROUGH DEC. 2

www.lanecc.edu/hr/benefits/index.htm

* Section 125 for calendar year 2011 (Classified, Faculty & Management): A new form must be completed for the new calendar year even if you are not making any changes from the previous calendar year. If you are enrolled for calendar year 2010, enrollment for calendar year 2011 is not automatic. You must complete a new election form.

* Supplemental Life Insurance (Classified and Management): An enrollment form needs to be completed for new enrollment and changes to existing enrollment only. No action is necessary for those already enrolled who do not want to make changes.

* Long Term Disability Buy-up (Classified and Management): An enrollment form needs to be completed for new enrollments only. No action is required for those already enrolled.

Learn more about these benefits by attending one of the drop-in information sessions. For questions regarding these benefits, please call Sharon Daniel at 5190 or Heidi Morales at 5592.

BENEFITS OPEN ENROLLMENT INFORMATION SESSIONS CONTINUE

Representatives from Human Resources will be available to assist in enrollment and answer any questions you may have regarding open enrollment for Section 125, Supplemental Life Insurance and/or Long Term Disability Buy-up. A representative from OEA Choice Trust, our plan administrator for 2011, will also be available to assist in enrollment and answer questions pertaining to Section 125. Scheduled sessions:

* Nov. 17, 4:00 p.m. - 5:00 p.m. in Bldg 5 Room 206

* Nov. 22, 10:00 a.m. - 11:00 a.m. at the Downtown Campus, Room 202

* Nov. 22, 1:00 p.m. - 2:00 p.m. in Bldg 5 Room 206

* Nov. 30, 11:00 a.m. - 12:00 p.m. in Bldg 5, Room 206

MAKE DREAMS COME TRUE: BE A SUPER HERO

Only two weeks left of the regular We Care Employee Campaign with the wrap-up week following Thanksgiving break. Dec. 3 will end the formal campaign so we are encouraging you to pull out your pledge sheets and make that donation to the Foundation and/or United Way. Last week we were well on our way of reaching our goal \$125,000, having reached 43 percent. Why does your donation make a difference? Rebecca, one of last year's recipients said, "I am grateful to set an example to my children that determination and hard work will put you on a path for success. The scholarship makes a huge difference in my ability to do this." A \$20 donation per pay period to United Way will provide four months of home-delivered meals to a housebound senior or disabled person. Two reasons why we make a difference!

AND THE WINNERS ARE

* Sharon Daniel, Human Resources - Superhero Wall Decal donated by Mary Parthemer, TRIO

* Heather Young, Continuing Education - Hand Strung Pearls donated by Janet Anderson, Foundation

* Gayle Chisholm, KLCC - Prince Puckler's Gift Certificate donated by Laurie Swanson, HS Connections

* Jeff Harrison, Language, Lit and Communications - Gift Certificate to 6th Street Grill donated by Lane Foundation

* Norma Driscoll, Health Professions - Auntie Phoebe's Harvest Apple Pie, donated by the Phoebe Anderson, Cooperative Ed

* Kathy Torvik, Disability Resources - Lane "T-shirt" and Hat, donated by Lane Foundation & KLCC.

* Dean Bergen, Mechanical Tech - Lane Titan Long Sleeve Shirt donated by Exercise & Movement Science.

* Margaret Robertson, Advanced Tech - One Week Parking Pass donated by Lane Foundation. Thanks to each of you for being a Superhero and Making Dreams Come True through the 2010 Employee Campaign!

YOU TOO CAN BE A WINNER...

November 19 will be the fifth week drawing for the We Care Campaign. We have one more regular drawing before the grand prize drawing on Dec. 3. Since next week will be a short week prior to Thanksgiving, the sixth week drawing will be held on Wednesday, Nov. 24, instead of our normal Friday drawings. Don't miss out on the chance to win. So many donors have added to the campaign's fun; thank you again for your generosity. This week's prizes include:

- * Euphoria Chocolates, donated by Susan Carkin, LLC

- * Lunch at the Renaissance Room with Sonya Christian donated by Sonya Christian, VP Academic and Student Affairs

- * Titan Bookstore Gift Certificate donated by Jennifer Steele, Bookstore

- * Titan Spirit Goods donated by Tracy Simms, Executive Assistant, President's Office

- * Gift Certificate for one gallon of Forrest Paint donated by Peggy Bollenbaugh, Bookstore

- * Baseball Cap donated by Lane Athletics Department

- * One Week reserved parking in Foundation space donated by the Foundation

This week, turn in your Employee Campaign forms to your department rep or the Foundation office by noon on Friday to enter the weekly drawings. If you have already won, your name will be put back in the final drawing for the Grand Prize. Good Luck!

STUDENTS JOIN THE I CAN, ONE CAN FOOD DRIVE

Students will be collecting food through Dec.. Our goal is to collect 500 pounds of food. Food for Lane County's food supply continues to decline. With only a four week supply of food in their warehouse. The need is even greater this time of year as they try to supply food for the holiday food box distribution. Collection barrels will be available in the gym, cafeteria, building 1, Cooperative Education office (Building 19, room 231). Remember there are also collection boxes around campus. Tell your friends. Donate one or more cans of non-perishable food each month to Lane's ongoing food drive. For some people getting a food box makes a difference in being able to buy needed medication or to pay a heating bill. Many food box recipients are the working however still unable to meet basic needs. Look for a box near you or call for a location, 5395 or Anna at 503-381-2668. Submitted by Beverly Farfan, farfanb@lanecc.edu

SAFETY TIP OF THE WEEK: KEY CONTROL

If you are responsible for office keys, don't leave them on your desk or in the top drawer where they could be taken or copied easily. Do not loan LCC assigned keys to others, keys are assigned to only the user and the user is responsible assigned keys. If keys are lost or stolen notify Public Safety immediately. Contact: Katherine Vos.

FACILITIES UPDATES

PUBLIC SAFETY

The keyless access card printer is being repaired. Key cards will continued to be issued without printing. Those who are issued blank key cards will need to return to have their picture taken and department info added to the card. The printer is expected to be returned to Public Safety sometime this week. Contact: Katherine Vos.

PROJECT UPDATES—

BUILDING 5 REMODEL AND ADDITION

Construction of the FEC addition and dance studio is scheduled to be completed on Dec. 15. Exterior site work began Monday, Nov. 8. This activity will require diesel powered equipment to be brought back to the site to remove areas of the landscaping on the east side of Building 5. Contact Mark Richardson, 3456.

BUILDING 10 AND 11 REMODEL

The Building 10 and 11 remodel project has been awarded to Hyland Construction. The project construction began Nov. 8 and will be completed in two phases. The first phase is the reconstruction of Building 10 only. The second phase includes remodeling most areas of the first floor of Building 11 and this construction will begin in the spring of 2011. Contact Mark Richardson, 3456.

BUILDING AUTOMATION SYSTEM STRATEGIC IMPROVEMENTS

Heating, ventilation, and air conditioning (HVAC) controls have been upgraded in all buildings on our LON based centralized building automation system (BAS) at the 30th Avenue campus. We are now commissioning the system with assistance from SOLARC Architecture and Engineering to assure that the system is functioning according to our specifications. Facilities staff have completed the basic and intermediate training on the BAS web interface. We are utilizing the BAS system interface to assist in commissioning the system as well diagnosing and resolving issues that arise concerning HVAC. During last week facilities staff and contractor efforts have been concentrated on resolving temperature issues in approximately 10 rooms on the second floor of Building 19. This work has involved coordinating staff and students concerns in the Building 19 areas with two control contractors, college energy analyst, and facilities trades staff. Progress has been made towards balancing out temperature fluctuations and our staff is keeping track of the effected areas with our BAS trending tools. Please continue to report any HVAC issues or concerns to the Facilities Office at facilitiesoffice@lanecc.edu or call 5216 as we complete the system integration process. Commissioning for the project is expected to be complete at the end of November. Contact Anna Scott, 5805.

DOWNTOWN CAMPUS BUILDING

The architects presented the latest floor plans, exterior elevations and descriptive information about the building to the management team last week for review and comment. This information has also been sent to the construction cost estimators. If their estimate is within the budget the design will move forward. If the estimate is greater, the design will have to be adjusted to align it with the budget. Leads and project user groups who represent all of the occupying programs will have an opportunity to review and comment on the building design before the schematic phase is complete. Final schematic design drawings will be posted online at www.lanecc.edu/bond/buildingdcindex.html Contact Bob Mention, 5747.

TRACK AND SOCCER BOWL

The infield of the track and the new soccer field is ready for use. The general contractor will be on site for the next 30 days completing the punch list of corrections created by the architect. The fence around the construction site has been removed. Contact Mark Richardson, 3456.

CURRENT CONSTRUCTION NOTICES—

TEMPERATURE CONTROL ISSUES FOR BUILDINGS 1, 3, 4, 5, 6, 7, 9, 11, 12, 15, 16, 17, 18, 19 AND CENTER

Over the past few weeks, many occupants have reported being affected by temperature control issues in offices and classrooms in buildings 1, 3, 4, 5, 6, 7, 9, 11, 12, 15, 16, 17, 18, 19 and Center. This is due to the major renovation bond project work in progress to convert from one

Building Automation System to another. During the course of data migration, many points did not transfer correctly and many other undocumented points were discovered. This has resulted in the inability to view and control numerous HVAC controls systems in multiple buildings. The FMP planning team is attempting to work a way through these control problems with an anticipated completion in early Dec.. In the meantime, we sincerely regret your discomfort. Please continue to report issues to the facilities office at extension 5216 or e-mail facilitiesoffice@lanecc.edu. We appreciate your patience as we respond as quickly as possible to urgent needs. Angela Fazio, 3428.

TRAININGS & CLASSES

AUTOMATE YOUR GRADES WITH MOODLE

- Build your gradebook once and use it every time you teach the course
- Class roster automatically loaded in gradebook
- Each student has instant, secure access to their own grades
- Supports straight point or weighted grading
- Many flexible options

No need to become an expert. Drop by the ATC and let us set up your gradebook for you!
Academic Technology Center: LCC02 122, phone 3377, e-mail atc@lanecc.edu and web lanecc.edu/atc

EMPLOYEE WELLNESS TRAININGS

* "Can you Stand on One Foot and Write the Alphabet with the Other?" with Wendy Simmons is Monday, Nov. 29, 12:10 - 12:45 p.m., at the KLCC Performance Hall 105

* "Bend & Stretch... Reach for the Stars" with Nancy Hopps is Wednesday, Dec. 1, 1 - 2 p.m., in the Center for Meeting and Learning, Room 220

* Reduce your stress by joining the Undress Your Stress with Playfulness program to get a free stress reduction tool such as a hi-tech pedometer, relaxation CD, yoga mat or resistance band with handles. As you work toward your goal, you will receive other stress reducing incentives such as a foot massage or \$20 certificate to Smith Family Books. Program support has been provided by the OEA Choice Trust Wellness Grant.

*Check out www.lanecc.edu/wellness/upcomingevents.htm for more details and www.lanecc.edu/wellness/wellnessclasses.htm for wellness classes and events. Contact Wendy Simmons or Layne King at simmonsws@lanecc.edu or KingLM@lanecc.edu and 5551 for more information.

Powwow on Saturday, Dec. 4, gymnasium, building 5, grand entries at 12 p.m. and 7 p.m. Contact: Donna Koechig. See Register-Guard story at:

<http://registerguard.com/csp/cms/sites/web/news/cityregion/25593924-41/longhouse-college-community-lcc-building.csp>

BOB PURSCHELLEY RETIREMENT RECEPTION and open house, Friday, Dec. 3, 2-4 p.m., Florence Center, 3149 Oak Street. Come and enjoy cake and coffee with a presentation and open mic at 3 p.m. Contact: Susie Barba, 4810.

NEWS & ANNOUNCEMENTS

DOWNTOWN CAMPUS MEETINGS NOTICE

Design work on the Downtown Campus project is moving very quickly. Four important upcoming events are scheduled:

1. Schematic Design presentation. The Steering Committee is invited to the Center for Meeting and Learning, Room 102, on Monday, Dec. 6, from 1-2 p.m. The architects will present the schematic design for the building and respond to your questions and comments.
2. All college personnel are invited to the Center for Meeting and Learning, Room 102, between 2-3 p.m. on Monday, Dec. 6, to review the schematic design of the Downtown Campus building. This is your chance to catch up on the status of the project.
3. The Management Team is invited to meet with the architects in the Center for Meeting and Learning, Room 102 from 3-5 p.m. on Monday, Dec. 6 to discuss recommendations for Value Engineering.
4. Design Development meetings: The architects will meet with the leads (and others) of the occupying programs at various times on Tuesday and Wednesday, Dec. 14 and 15, in Building 7, Room 212K. The purpose of the meetings is to tell the architects what casework you need in the rooms you will be occupying.

Contact: Bob Mention, 5747.

PLAN NOW FOR PREVIEW NIGHT - WEDNESDAY, FEB. 2

Lane Preview Night, the college's annual on campus recruitment event for prospective and incoming high school students and their families, will take place on Wednesday, Feb. 2 from 6-8:30 p.m. in the gym. As a reminder, this is the college's only on-campus event dedicated to showcasing our academic transfer and career and technical programs, as well as our various campus resources. All college managers have received correspondence regarding this year's program, so please spread the word and save the date. Please contact David Van Der Haeghen, Student Recruitment and Outreach Coordinator in Enrollment and Student Financial Services, at 5688 to confirm your participation in the information fair portion of the evening (6-7 p.m.). Thank you for your support of Lane's recruitment and outreach efforts! David Van Der Haeghen, Student Recruitment and Outreach Coordinator, 5688.

FOOD SERVICES HOLIDAY HOURS THROUGH DEC. 31

Food Services will have new hours of operation for the holidays. Check it out on our Facebook page (from the college home page, click the FB link and scroll down to the Lane Community College Food Services page link).

* Terrace Café closed; normal hours resume January 3.

* Hot Dog Cart will remain open, weather permitting, until Dec. 2.

* Espresso/Health and Wellness: November hours: 7 a.m. to 3 p.m. December hours: opens at 7 a.m. and closes at 3 p.m. on the 6th and the 7th. Last day of operation is Dec. 8; normal hours resume January 3.

* Food Court closes at 6 p.m. on Dec. 6 and 7. Dec. 8 Food Court closes at 3 p.m. and on Dec. 9 and 10 7 a.m. to 1:30 p.m. Dec. 13 through 17 hours of operations are 7 a.m.-1:30 p.m. Hours for Dec. 28, 29 and 30 are 7 a.m. to 1:30 p.m. Happy holidays! Submitted by Holly Lanigan.

HEALTH CLINIC HOLIDAY HOURS

The Health Clinic will close on Friday, Dec. 10 at noon and will reopen January 3 at 8:15 a.m. Providers will not be on site during that time so appointments will not be available. Call Safety at

5555 for medical emergencies. Please call for your prescription refills as per our prescription refill policy at <http://www.lanecc.edu/healthclinic/clinicpolicies.html> Contact: Jan Nyleen, 5665.

ONE LAST BENEFITS OPEN ENROLLMENT INFORMATION SESSION

Representatives from Human Resources will be available to assist in enrollment and answer any questions you may have regarding open enrollment for Section 125, Supplemental Life Insurance and/or Long Term Disability Buy-up. A representative from OEA Choice Trust, our plan administrator for 2011, will also be available to assist in enrollment and answer questions pertaining to Section 125. Last session: * Nov. 30, 11:00 a.m. - 12:00 p.m. in Bldg 5, Room 206

BENEFITS OPEN ENROLLMENT CONTINUES THROUGH DEC. 2

www.lanecc.edu/hr/benefits/index.htm

* Section 125 for calendar year 2011 (classified, faculty and management): A new form must be completed for the new calendar year even if you are not making any changes from the previous calendar year. If you are enrolled for calendar year 2010, enrollment for calendar year 2011 is not automatic. You must complete a new election form.

* Supplemental Life Insurance (classified and management): An enrollment form needs to be completed for new enrollment and changes to existing enrollment only. No action is necessary for those already enrolled who do not want to make changes.

* Long Term Disability Buy-up (classified and management): An enrollment form needs to be completed for new enrollments only. No action is required for those already enrolled.

For more information call Sharon Daniel at 5190 or Heidi Morales at 5592.

TEN MINI-GRANTS AVAILABLE FOR CURRICULUM INFUSIONS

Due Date: Monday, Dec. 6. Ten curriculum development mini-grants are available this fall to infuse time management and self-management strategies into your curriculum. Sponsored by the Title III Engaging Students grant, this round of grants supports work that uses integrative learning to intentionally develop students' time management and self-management skills. If you are interested, visit our website

<http://lanecc.edu/lc/fresources/StudentSuccessPrinciples.htm> More information and the brief application form are online at <http://lanecc.edu/lc/fresources/StudentSuccessPrinciples.htm>

Contact Anne McGrail mcgraila@lanecc.edu

CATCH UP ON LEARNING COMMUNITIES/TITLE III NEWS

Read the Fall 2010 Learning Communities/Title III newsletter by following the link to our website here: www.lanecc.edu/lc/fresources/LearningCommunitiesNews.htm The newsletter features articles about the multiple faculty and staff development activities occurring across campus this year. The focus of the Engaging Students program is to integrate academic and student affairs and to increase student engagement, retention and success. The newsletter includes a calendar of activities on campus, as well as proposal deadlines for curriculum development work. If you have questions, contact Anne McGrail, mcgraila@lanecc.edu

FACULTY: TAKE A MOMENT TO FILL OUT THE FACULTY SURVEY OF ENGAGEMENT

The Title III Engaging Students Program is collecting data about faculty engagement. Please take a few moments now to log on to myLane and complete the Fall 2010 Faculty Engagement Survey. Your responses will be confidential. You will not be identified, and your answers will be combined with all responses to these questions. You will find the survey on the Faculty/Advisor page in myLane:

<https://mylane.lanecc.edu/cp/home/displaylogin> The faculty survey is in the upper right-hand corner of the page. Examples of student engagement practices include using e-mail to connect with students, discussing grades and assignments with students, encouraging students to work

together on projects in and out of class, and referring students to tutoring. If you have questions, contact Carol McKiel, Title III Coordinator mckielc@lanecc.edu

CARPOOLING IS EASY

Save money and reduce your carbon footprint by carpooling. Lane's official carpooling service is point2point Solutions. Find a carpool partner by registering at

<http://www.point2pointsolutions.org/application-forms/pool2work/> . You may also try to find a carpool partner within your department by posting this "carpool wanted" poster in your division <http://www.lanecc.edu/facilities/transportation/documents/carpool.pdf> . Contact: Jennifer Hayward, 5594.

STUDENTS JOIN THE I CAN, ONE CAN FOOD DRIVE

A new federal report says Oregon ranks third in the nation for hunger. See the story here:

http://www.oregonlive.com/pacific-northwest-news/index.ssf/2010/11/federal_report_oregon_third-hungriest_state.html

Lane students will be collecting food through December. Our goal is to collect 500 pounds of food. Food for Lane County's food supply continues to decline. With only a four-week supply of food in their warehouse, the need is even greater this time of year as they try to supply food for the holiday food box distribution. Collection barrels will be available in the gym, cafeteria, building 1, Cooperative Education office (Building 19, Room 231). Remember there are also collection boxes around campus. Tell your friends. Donate one or more cans of non-perishable food each month to Lane's ongoing food drive. For some people getting a food box makes a difference in being able to buy needed medication or to pay a heating bill. Many food box recipients are the working however still unable to meet basic needs. Look for a box near you or call for a location, 5395 or Anna at 503-381-2668. Submitted by Beverly Farfan, farfanb@lanecc.edu ``

MAKE DREAMS COME TRUE. BE A SUPER HERO

This is our final week of the We Care Campaign fundraiser for the Foundation and United Way. Many individuals have stepped up and made their pledges. We are very grateful to the generosity that has been shown once again by Lane staff, both current and retired. We know these are challenging times, but once again, we ask that you consider turning in your pledge form with a donation; no amount is too small. Every donation does make a difference. To date, we have attained the following pledges with a goal of raising \$125,000:

* Foundation \$66,543

* United Way \$28,305

* Total Campaign efforts \$94,848; only \$30,152 to reach our goal. Thank you from the We Care Committee.

AND THE WINNERS ON NOVEMBER 19TH WERE

Due to our snow day last week, The Weekly was not published and the following winners were not reported in our weekly drawing:

* Richard Freund, Math - Euphoria Chocolates donated by Susan Carkin, LLC

* Cecilia Combest, Enrollment & Student Financial Services - Lunch in the Renaissance Room with Sonya Christian, donated by Sonya Christian

* Jody Anderson, Social Sciences - Titan Bookstore Gift Certificate donated by Jennifer Steele, Bookstore

* Sue Thompson, Health and PE - Titan Hooded Sweatshirt donated by Tracy Simms, Marketing

* Phyllis Nissila, ABSE - Two Passes to OMSI donated by Jenette Kane, CE/CG

- * Ann Walker, ABSE -Certificate for Paint from Forrest Paint Co., donated by Peggy Bollenbaugh, Bookstore
 - * Sharon Hagan, Health Professions - Baseball Cap donated by Lane Athletics Dept.
 - * Drew Viles, Social Sciences - One Week Reserved Parking donated by Lane Foundation
- Thank you to everyone for your generosity.

AND THE WINNERS ON NOVEMBER 24TH ARE

- * Brett Rowlett, President's Office - LCC Cafeteria Gift Certificate donated by Michael O'Neal, Food Service
- * Jane Benjamin, Social Sciences - Case of Apples donated by Sue Norton, CFE.
- * Bob Choquette, Disabilities Resources - Bottle of Wine and Chocolates donated by Patty Parks, Specialized Support Services
- * Tracy Rea, Advanced Tech - Three Wick Candle donated by Tiana Marrone-Creech, Foundation.
- * Tammy Simpson, Counseling - Water Bottle donated by Exercise and Movement Science.
- * Annie Monroe, ABSE - Framed Art Photo, donated by Lane Foundation
- * Angela Martinek, Math- Lane Titan T-Shirt (M) donated by Lane Athletics Department
- * Kim Hayes, Specialized Support Services - One Week Parking Pass in the Foundation's parking spot donated by Lane Foundation

Again, thanks to everyone who has contributed throughout the Campaign with your generous gift donations. It has added that little spark of interest and fun to the weekly efforts.

YOU TOO CAN BE A WINNER OF THE GRAND PRIZE

Our last drawing will be held this Friday, December 3. The We Care Committee is requesting that all pledge forms be turned in during this time to your Department Rep or the Foundation Office. Please turn in your forms by NOON, FRIDAY. Everyone who has turned in a pledge form with a donation during the Campaign will be entered in the Grand Prize drawing that includes the following gifts:

- * Lunch with Mary Spilde at the Renaissance Room donated by Mary Spilde, President's Office
- * Super Hero Wall Decal donated by Laura Martin, BUD
- * Theater Tickets for Four for LCC Performance donated by John Watson, Theater
- * Sweet Life Gift Certificate donated by Craig Taylor, IRAP
- * Two Bottles of Wine donated by Janet Anderson, Foundation

Thank you to all the donors of gifts and pledges; you are our SUPER HEROES!

START THINKING ABOUT YOUR INNOVATION OF THE YEAR

Don't let the deadline for Innovation of the Year catch you unprepared. In March you will be asked to prepare a three page nomination describing how your innovation meets the following criteria: Effectiveness - Explain the development and/or reasons for creating the innovation and how the innovation effectively attained its goals or outcomes. Efficiency - Describe how the innovation contributes to a more efficient way of doing things. Affordability - Demonstrate that the innovation contains or reduces costs and/or generates funds for the institution. Replicability- Explain how the innovation has been or could be replicated at Lane and/or at other institutions with a minimum of difficulty. Creativity - Discuss how the innovation is creative. Explain if the innovation is an original creation (primarily new ideas) or a unique adaptation (using known elements in new ways). Further details will be sent out in January but don't wait...begin writing now! For more information contact Tamara Pinkas, League Rep., 5011.

TRAININGS & CLASSES

EMPLOYEE WELLNESS TRAININGS

- * "Bend and Stretch, Reach for the Stars" with Nancy Hopps, Wednesday, Dec. 1 from 1-2 p.m. in the Center for Meeting and Learning, Room 220.

ADS

POWWOW (Dec. 4) will offer cart rides from the parking lot to the gym for elders, dancers, drummers--anyone who needs help. If you're interested in being a part of this fun service, please e-mail or call Jeff Harrison at harrisonj@lanecc.edu or 5145. We need drivers from 10 a.m. until 11 p.m. Also, we'd like to offer this service the day before, for the grand opening of the new longhouse. Please contact Jeff if you can help on Friday Dec. 3 between 10 a.m. and 1 p.m.``

WHAT SIDE ARE YOU ON? ARE you a Beaver or a Duck? Well if you want to show your pride, come on out to the Phi Theta Kappa Civil War Car Smash Fundraiser all this week on the southwest side of the Center building. We'll have an assortment of tools for you to choose from as you uncork your frustration or pride upon the ominous vehicle of opposition. We will be taking books, old electronics, or \$2 as payment for a whack at the hoopty. We look forward to seeing you out there, and Phi Theta Kappa wishes you a wonderfully warm holiday season. Velda Arnaud, Advisor, x5682.

MICROSOFT OFFICE FOR MAC 2011 Work at Home media has arrived. The installation disc costs \$10 dollars and is available for Lane Community College Employees; however, the license excludes student workers. To obtain a copy of the installation DVD, you need to verify

employment with the College and sign a licensing usage agreement. Submitted by Keith Burrell, Titan Store.

DID YOU KNOW YOU CAN GET ADVANCE NOTICE of all Performing Arts concerts and performances, often before the media knows about them? Simply send an e-mail to John Watson, watsonj@lanecc.edu and we'll put you on the list! E-mails to the list go out at the same time the press releases go out, so you'll know what's happening before the reporters get back from lunch! Thanks for supporting Lane Performing Arts! Contact: John Watson.

WANTED: CRAFT ITEMS, Lego platforms & misc pieces, plastic food containers, beads, fabric, yarn, toilet paper tubes, paper towel tubes, any kind of "crafty" thing you might have hanging around would be greatly appreciated by the Women in Transition program. Please bring items to the Women's Center, Bldg 1, room 202. We are using these items year-round. Submitted by Sharon Braaten, 5796, braatens@lanecc.edu

WE ARE LOOKING FOR A HOME for a beautiful, sweet dog whose owners left him when they moved to Canada. He's a black lab, about six months old. He has plenty of energy and likes to go for runs, but is also happy to just relax in front of the heater. Contact me for more details. Cathy Russell at 541 912-5542 or russellc@lanecc.edu

FOR SALE: 4 STUDLESS SNOW TIRES mounted on nice alloy rims. Used briefly for two seasons. Toyo 205/70R15 (fit Grand Caravan). \$150. wilkesn@lanecc.edu

FOR SALE: JVC KD-R200 AM/FM single-DIN MP3/WMA-compatible in-dash CD receiver with remote control. The KD-200 is a great replacement for stock systems. Enjoy CDs and CD-RWs, MP3/WMA CDs, and AM/FM radio, or connect your digital audio player. Asking \$85.00 as hardly used. Contact Nancy 485-0846 or e-mail at cockrelln@lanecc.edu

FOR SALE: 2 PAIRS OF ROSSIGNOL Nordic skis. Waxable, good for light back country and touring. One pair is 210 cm with size 42 Alpina boots. The other is 190 cm with size 37 Alpina boots. Both have NNN bindings, poles. \$25 each. wilkesn@lanecc.edu.

COLLECTOR'S ITEM: ARE YOU A STAMP COLLECTOR? Are you a Star Wars fan? Maybe you are both. If so the Titan Store has Star War Saga stamps in full sheets. Each sheet contains 15 stamps in good to excellent condition and will be sold for \$6.15 per sheet (face value). If interested contact Roberta at x 5680.

LOOKING FOR A SMALLISH BOOKCASE with glass doors under \$50. If you have one, please call me at home (541) 466-5966 or e-mail levinek@lanecc.edu

FOR SALE: LAPTOP COMPUTER. Toshiba Satellite M30/M35 series; has Microsoft office, Word, Quiken, Acrobat plus carrying case. Perfect for small office/personal use. \$350. Annie Monroe, ABSE. 463-5029

KITTEN NEEDS A HOME. This sweet, half-grown male showed up at our door on Thanksgiving night. He is a cuddler, uses a litter box and does not bite or use his claws when he plays. Seems to be well acclimated to humans and likes to be combed and handled. We cannot keep him so he will go to LCAS if we cannot find a home soon. Pictures at <http://www.flickr.com/photos/lidaherburger/sets/> If you can provide a good home, contact Lida at herburgerl@lanecc.edu

FIREWOOD FOR SALE - Seasoned Fir available for pick up. Asking only \$100 per cord. If interested, please call (541) 946-1827 or (541) 554-3314.

LOOKING TO PURCHASE somebody's outdated portable DVD player. I going to travel with my 7 year old and don't want to lug a laptop or invest in an ipad at this time. I'm hoping that someone has a DVD player that's gathering dust. Jill Siegfried, Counseling
siegfriedj@lanecc.edu

HOUSE FOR RENT: Small, one bedroom house with office or study area. Located in southwest Eugene area abutting large natural park. Deck and basement storage \$765 + deposit.
Johnwinquist@gmail.com or 541-344-1125

FOR SALE: COFFEE TABLE and matching end tables. Light wood with protective coating on top with black iron legs. In excellent shape. See photos at

The disability parking in lot C will still be accessible to students and staff who need it. Thank you in advance for your cooperation. Contact: Carolyn Philes.

NEWS & ANNOUNCEMENTS

WELCOME TO JACE SMITH

Please welcome Jace Smith who started December 1 as Lane's new Public Safety manager. Jace comes to Lane from Minneapolis. He has a master's degree in public policy from the University of Minnesota and a bachelor's degree in political science from Ohio State University. He has 19 years of security management experience with Hamline University, Allina Health Systems, and the Minneapolis Police Department. He has also worked in student affairs and residential life at the University of Wisconsin. We are fortunate to have him join us here at Lane. Contact: Greg Morgan.

NEED HELP PAYING FOR A CONFERENCE OR WORKSHOP?

IPPD II funding is available again for winter and spring. IPPD II helps pay costs associated with attending conferences and workshops for personal and professional development. Download guidelines and an application from our website. For more information about IPPD II and other employee recognition and development programs offered by the Classified Professional Development Team (CPDT), visit the CPDT website at <http://www.lanecc.edu/cpdt>

WHAT DOES CPDT DO?

The Classified Professional Development Team supports and encourages lifelong learning for classified staff in areas of personal and professional growth that align with the mission, vision, and core values of the college. CPDT provides assistance and recognition to classified staff through the following programs:

- * Individual personal and professional development reimbursement funds for classes and courses: IPPD I (note: new application forms and revised guidelines); conferences and workshops—IPPD II; membership dues, publications and certifications—IPPD III.

- * Employee Recognition Programs for Employee of the Month, and Welcome Wagon.

Winter term 2011 applications are due by 5 p.m., December 15. For more information about programs offered by the Classified Professional Development Team, visit the CPDT website at <http://www.lanecc.edu/cpdt> Contact: Kathy Alexander, 5586.

WHITEAKER COMMUNITY THANKSGIVING DINNER HEARTFELT THANKS

Heartfelt thanks to Chef Clive Wanstall, Joe McCully, and Brian Kelly, the many Culinary Arts and Hospitality Management students and graduates, and the Center for Meeting and Learning for cooking the 1,700 pounds of turkey and almost all the other food that was served to more than 2,000 men, women, and children who attended the free dinner. A big thank you, to all the Lane staff, students, and friends who helped Thanksgiving Day. Also everyone who helped with the many hours of food preparation activities. Submitted by Beverly Farfan, farfanb@lanecc.edu

LANE SPREADS THE WARMTH TO MANY

The Whiteaker Community Thanksgiving Dinner thanks the Lane staff, students, and friends who help spread community warmth to over 2,000 men, women, and children. Thanks to all who donated to this year's sleeping bag drive. Special thanks to Sue Thompson from the Health, PE, and Athletics and Co-op Education Departments who organized the collection and with her great Lane group of staff, students, and friends distributed the much needed items early Thanksgiving morning to the many waiting guests. It is hard to describe the looks on peoples' faces as they receive a new sleeping bag or blanket. Many of our guests spent the cold night waiting in line. We were able to pass our goal and distribute 320 new sleeping bags and more than 300 new blankets and throws. A special thanks to the Lane Men Basketball team for coming out in the cold Thanksgiving morning to help. Thank you to Gee McKeegan from Testing with the help of Lane staff and students for coordinating the organization and distribution of clothing and other needed items in the "Free Store". Thank you to the cafeteria workers and everyone who put in change in our Spread the Warmth sock jars. Thank you to Ron Rourke, Lane Programmer/Analyst for coordinating the Transportation area. 15 drivers provided more than 100 rides to and from the dinner. Thank you to Jeri Mrazek and her photography students and former Lane student, Aloma, director of the Free Photo Project for all the great photos people received of themselves, family members, and friends. Again thank you to all the Lane staff, students, and friends who shared in this experience of community coming together. Submitted by Beverly Farfan, farfanb@lanecc.edu .

MAKE DREAMS COME TRUE: BE A SUPER HERO

The We Care Committee has officially completed the LCC fundraising campaign for the Foundation and United Way. We'd like to thank everyone who participated, from donors to the behind-the-scenes staff that includes department reps, Foundation staff, United Way Loaned Executives and agency representatives and the We Care Committee members. It takes a coordinated effort to run a campaign; we cannot do it alone. THANK YOU!

This has been a challenging year economically so we know it may have been a difficult time to ask for donations. That being said, we did not quite reach our goal of raising \$125,000 but did an amazing job of coming close:

- * Foundation: \$66,326
- * United Way: \$29,265
- * Total Campaign Efforts: \$95,591

The needs continue and giving does not necessarily end because our official campaign effort ended, you can donate at any time to the Foundation Office to support our scholarship and special project funds. In fact, every new dollar donated to the Foundation will be matched dollar for dollar by the Miller Foundation. To be eligible for the match, the donation needs to be made by March 31, 2011. Contact the Foundation Office for more details.

Once again, thanks to everyone who participated. The We Care Committee's next project will be organizing our Day of Caring in the spring of 2011. Look for Weekly announcements for details as we recruit volunteers to work at Food for Lane County Community Gardens on Coburg Rd. Contact: Patty Parks.

AND THE WINNER OF THE GRAND PRIZE IS!

Bob Baldwin, Purchasing who won the following fabulous prizes:

- * Lunch with Mary Spilde in the Renaissance Room, donated by Mary Spilde, President.
- * Superhero Wall Decal, donated by Laura Martin, BUD.
- * Tickets for Four to a Lane Theatre Performance, donated by John Watson, Theatre
- * Sweet Life Gift Certificate, donated by Craig Taylor, IRAP
- * Two Bottles of Wine, donated by Janet Anderson, Foundation

Congratulations and thanks again to all the donors for your support and generosity. As a final reminder, if you have not picked up your prize during the campaign, please call the Foundation Office for pick-up arrangements. Contact: Patty Parks.

DEPARTMENT HOLIDAY HOURS—

FOOD SERVICES holiday hours are posted on our Facebook page (from the college home page, click the FB link and scroll down to the Lane Community College Food Services page link): * Terrace Café closed; normal hours resume January 3.

* Espresso/Health and Wellness: December hours: opens at 7 a.m. and closes at 3 p.m. today; last day of operation is December 8; normal hours resume January 3.

* Food Court closes at 6 p.m. on December 7. December 8 Food Court closes at 3 p.m. and on December 9 and 10, 7 a.m. to 1:30 p.m. December 13 through 17 hours of operations are 7 a.m.-1:30 p.m. Hours for December 28, 29 and 30 are 7 a.m. to 1:30 p.m. Happy holidays! Submitted by Holly Lanigan.

HEALTH CLINIC will close on Friday, December 10 at noon and will reopen January 3 at 8:15 a.m. Providers will not be on site during that time so appointments will not be available. Call Safety at 5555 for medical emergencies. Please call for your prescription refills as per our prescription refill policy at <http://www.lanec.edu/healthclinic/clinicpolicies.html> Contact: Jan Nyleen, 5665.

SOCIAL SCIENCE Department Office will be closed from December 17-31.

ATC winter break hours: LCC02 121/122 for 12/13-12/17 open 8 AM - 5 PM; for 12/28-12/30, closed. Please drop by if you are interested in learning about Moodle, or would like to work on your Moodle course. This is a great time to get a jump start on building a course, learn about our Media Server, or take a peek at our equipment available for checkout!

----- FACILITIES UPDATES -----

FMP staff will be in the office and available by phone at 5216 from 7 a.m.-4 p.m. from December 13-17, December 20-22, and December 28-30. We are also available by e-mail at facilitiesoffice@lanec.edu. However, FMP will not have many staff available during the winter break due to scheduled vacation days. We will serve the campus to the best of our abilities during these times. Contact: Russ Pierson, 5727.

PROJECT UPDATES--

BUILDING 4 IEQ REMODEL

Demolition began Monday, December 6 on the Building 4, Rm. 107, Dental Lab remodel. All contents of the room will be cleaned and removed to storage. Flooring and most cabinets in this room will be replaced. All mold and asbestos containing materials will be abated. The lab's

exhaust system will be upgraded to help ensure a clean and safe work environment. Ceiling tiles will be cleaned or replaced in this room and throughout the entire dental lab workspace. This project will also include flooring replacement in the adjacent reception area and offices. Work will be completed the week of December 27 with offices available to staff on December 28. Contact Brian McMurray, 5829.

BUILDING 5 REMODEL AND ADDITION

Construction continues to push forward in both areas of the building 5 additions. Multipurpose addition will allow for greater flexibility and will be furnished with new equipment, a better sound system, and a lot of natural lighting and ventilation. The second half of the new addition is a dance studio that will be a highlight of new classroom standards here at Lane. Over winter break, Buildings 4 and 5 are scheduled to go through one more fast paced renovation that is expected to cause some noise from construction activities. The fitness center will be open with very limited access and the locker rooms will be closed. Construction of the addition and fast paced remodeling project is scheduled to be completed by January 2, 2011. Contact Mark Richardson, 3456.

BUILDING 10 AND 11 REMODEL

Hyland Construction is working through some issue with rock to complete the underground plumbing and new wall footings for the project. Wall construction is scheduled to start the week of December 6 and will be a mile stone for the project. Following wall construction, the steel frame will be erected to support the second floor. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS BUILDING

The three events scheduled in the CML on December 6 went well. The architects presented the schematic designs to the steering committee, the "open house" for everyone to review the designs, and the meeting with the management team all happened on that day.

The first draft of the construction cost estimate has been completed and the design team is answering questions and clarifying issues raised by the estimators. The design team is confident that the final version of the estimate will meet the budget.

Proposals in response to RFP 10/11-04 CMGC services must be submitted by 2 p.m., Tuesday, December 7. The selection committee plans to get a recommendation to the board at its January meeting. Contact Bob Mention, 5747.

FACILITIES TRADES—

Winter break FMP projects and scheduled maintenance:

- * Center Building: Replacement of six failed electrical breakers, facilitate requirements for online sales tent, cleaning and maintenance for kitchen hoods. An electrical outage will be scheduled for the center building during the week of December 21.

- * Building 3: Reconfigure the human resources reception area to increase efficiency of the space, then patch and paint the walls.

- * Building 5: Re-lamp the lighting fixtures in the building 5 gyms. We will also replace worn basketball hoop pulleys.

- * Building 11: Relocate Art office sink, reconfigure counter and cabinets, and label the associated electrical panel for proper space clearances.

- * Building 12: Erect partitions in the lower building 12 space outside room 119 to facilitate the relocation of the student clothing stash area. FMP staff will also install a door for machine shop, Rm. 119, to allow increased instructional access back and forth, improving the instructional use of the space.

- * Building 16: Reconfigure of Science department office space to accommodate employee needs for privacy and effective work space utilizations.

* Building 19: Relocate one door for a business academic advisors office so that access is not through a classroom but through a hallway.

As these projects are in addition to the hundreds of work orders we process each month, we will not be able to take on any more work for the winter break with the available people resources that we have. Please continue to submit work orders or contact the Facilities office at extension 5216. New work orders will be reviewed and prioritized as resources allow. Contact Angela Fazio, 3428.

TRAININGS & CLASSES

EMPLOYEE WELLNESS TRAININGS

* "Mid-day Sound Sensation" with Nancy Hopps is Wednesday, December 15 from 12-1 p.m. in Building 5, Room 126.

* Winter Wellness classes: Answer the Ball Call, Lovely Bone & Better Balance, Yoga (3 types), Boot Camp for Champs, Weights Wake-Up Call and more are posted at <http://www.lanecc.edu/wellness/wellnessclasses.htm>. Sign up using the corresponding CRN.

* Employees, their family members, domestic partners, spouses and retirees are welcome to attend wellness events and classes. For more information contact Wendy Simmons or Layne King at simmonsws@lanecc.edu or ext. 5551 or KingLM@lanecc.edu

ACADEMIC TECHNOLOGY CENTER WORKSHOPS -

<http://lanecc.edu/atc/wstraining/schedule.html>

* Enhanced Classroom Av Systems: Hands-on practice operating smart classroom systems (1 hour); Location: Building 2 Academic Technology Center 121

Tuesday, January 4, 2011, 10 a.m.

Wednesday, January 5, 2011, 10 a.m.

Thursday, January 6, 2011, 1 p.m.

Friday, January 7, 2011, 10 a.m.

Monday, January 10, 2011, 1 p.m.

No Registration Required

* Technology Orientation For New Faculty: Class Lists, Email, Spam Filters, Grading, And Other Essentials (3 hours); Location: Building 2 Academic Technology Center 121

Thursday, January 6, 2011, 2 p.m.

Monday, January 10, 2011, 2 p.m.

Tuesday, January 11, 2011, 9 a.m.

Wednesday, January 12, 2011, 2 p.m.

Friday, January 14, 2011, 9 a.m.

Registration Required: <http://lanecc.edu/atc/wstraining/schedule.html>

T2T: INTRODUCTION TO DEVELOPING AN ONLINE OR HYBRID COURSE?

10-week hybrid course. Fridays 1:00 pm - 3:00 pm, Jan. 4 – Mar. 11 with additional time spent online. 2 credit course (pass/no pass or audit only). Bldg. 2 room 121/122 (new ATC) Instructor: Meredith Keene-Wilson

What is it like to teach online? What is it like to be an online student? Experience both perspectives during this introductory course. You will be working in a hybrid course environment as you learn about teaching with technology and about transforming your existing curriculum for the online environment using Moodle and best practices. Topics include: getting started, setting up your structure, alignment of key components, tools in Moodle, and designing for quality.

If you are interested in participating please enroll directly in ExpressLane, CRN# 34239. Class fee waived for Lane instructors. For more information contact Meredith Keene-Wilson at keene-wilsonm@lanecc.edu or call 541-463-3200.

T2T: AUDIO/VIDEO FOR INSTRUCTION

Five-week hybrid class. Tuesdays 2:30 pm - 4:30 pm, Jan. 4 – Feb. 1 with additional time spent online. 1 credit course (pass/no pass or audit only). Bldg. 2 room 121/122 (new ATC) Instructor: Ian Coronado

Do you teach online, hybrid or have a web enhanced traditional class? Want to use more audio and video in your class, but find that there are too many hurdles to get these things online?

Come to our five-week session, bring some videos and ideas you want to put online, and put those hurdles behind you. Understand, download and use the more efficient formats for audio and video, editing existing content, and production of audio/visual materials.

If you are interested in participating please enroll directly in ExpressLane, CRN# 34238. Class fee waived for Lane instructors. For more information contact Ian Coronado at coronadoi@lanecc.edu or call 541-463-5197.

LOOKING FOR A SMALLISH BOOKCASE with glass doors under \$50. If you have one, please call me at home (541) 466-5966 or e-mail levinek@lanecc.edu ``

FOR SALE: LAPTOP COMPUTER. Toshiba Satellite M30/M35 series; has Microsoft office, Word, Quiken, Acrobat plus carrying case. Perfect for small office/personal use. \$350. Annie Monroe, ABSE. 463-5029 ``

KITTEN NEEDS A HOME. This sweet, half-grown male showed up at our door on Thanksgiving night. He is a cuddler, uses a litter box and does not bite or use his claws when he plays. Seems to be well acclimated to humans and likes to be combed and handled. We cannot keep him so he will go to LCAS if we cannot find a home soon. Pictures at

<http://www.flickr.com/photos/lidaherburger/sets/> If you can provide a good home, contact Lida at herburgerl@lanecc.edu ``

FIREWOOD FOR SALE - Seasoned Fir available for pick up. Asking only \$100 per cord. If interested, please call (541) 946-1827 or (541) 554-3314. ``

LOOKING TO PURCHASE somebody's outdated portable DVD player. I going to travel with my 7 year old and don't want to lug a laptop or invest in an ipad at this time. I'm hoping that someone has a DVD player that's gathering dust. Jill Siegfried, Counseling siegfriedj@lanecc.edu ``

FOR SALE- PRICE REDUCED! Coffee table with matching end tables. In excellent shape. Light wood top with black iron legs. No stains or damage to the wood top. Was asking \$75 but will take \$60. Contact Dawn 5503 or barthd@lanecc.edu ``

FOR SALE: T-MOBILE Samsung Gravity. White with turquoise accents. Has a slide out full QWERTY keyboard. Just need your sim card and you will be ready to go. Has always been kept in a case so in great shape. Comes with 2 wall chargers, a car charger and a wired handsfree ear piece. \$40. Call Dawn at 5503 or barthd@lanecc.edu ``

LANE WEEKLY is the employee newsletter of Lane Community College. Send submissions to weekly@lanecc.edu Guidelines online at www.lanecc.edu/cops/newsletter.htm For information, call (541) 463-5591. The Weekly is available to the vision-impaired through Disability Resources at (541) 463-5150. Lane is an equal opportunity/affirmative action institution. Issue date: Tuesday, Dec. 7, 2010

NEWS & ANNOUNCEMENTS

PRESIDENT SPILDE TO CO-CHAIR HIGHER ED TRANSITION TEAM

Governor-elect John Kitzhaber announced that President Mary Spilde will co-chair his post-secondary education team, along with Duncan Wyse, president of the Oregon Business Council. Their charge is to address the need to make certain that state funding is stable and predictable, meet the workforce and labor needs of a new Oregon economy, ensure the right flexibility in structure to drive innovation in Oregon's economy, and ensure affordable, reliable access for our students. Springfield Schools Superintendent Nancy Golden and former Republican-gubernatorial candidate Ron Saxton were selected to co-chair the team addressing elementary and secondary education issues. Submitted by the editor.

HELEN GARRET TO LEAD REGISTRARS ASSOCIATION

Helen Garrett, executive dean of student affairs, has been named president of the Pacific Association of Collegiate Registrars and Admissions Officers. PACRAO represents 12 western states and four Canadian provinces and is part of the American Association of Collegiate Registrars and Admissions Officers. Garrett has been a member of the association since 1996. Submitted by the editor.

MICHAEL ZIMMERMAN NAMED EMPLOYEE OF THE MONTH

Kudos and congratulations go to December's Classified Employee of the Month, Michael Zimmerman in Health and Physical Education. Representatives of the Classified Professional Development Team joined staff in Health and Physical Education to present Michael with the Employee of the Month award for December 2010. Michael started at Lane as a motorcycle instructor in July 1991. During the next several years his positions included a substitute aid in Child Development; sub-helper and substitute teacher in the Fitness Education Center; faculty coordinator in Health and Physical Education. He was hired full-time in September 1997 as facilities coordinator and is now an instructional specialist in Health and Physical Education. Some statements from Michael's nominations include: "Michael Zimmerman is above the elite, he is the very best classified colleague I have ever known. Over the years he has been our 'go to guy,' and has always done his job, and more very well, often going way above and beyond his basic job duties to solve problems, meet demanding and impossible timelines, keep a large and diverse staff well served, and keeps our division functioning at a very high level. With several different division chairs over those years, Michael is the glue that held us together in ways beyond his job description." "Mike is respectful at all times even when others aren't respectful in return." "Efficiency' is standard operating procedure in everything Michael does. Everything! From his positive attitude, the unselfish attitude he models at work, his generosity, his kindness, his calm demeanor, his sense of humor...the list goes on and on. I can say with complete certainty that Mike is one of Lane's most valuable assets and is completely deserving of this award."

When you see Michael, congratulate him for doing a terrific job and celebrate his recognition as December's Classified Employee of the Month. And remember that you too can help us to recognize exemplary classified employees by nominating them for this award by the 15th of each month. Nomination forms are available: 1) on the CPDT website:<http://www.lanecce.edu/cpdt/>

CAROL GOLDSBERRY RETIREMENT OPEN HOUSE

Please join Human Resources in wishing a fond farewell to Carol Goldsberry, payroll analyst, on Wednesday, December 15 from 2-4 p.m. in the Boardroom, Building 3. Carol is retiring after 21 years at the college. Stop by any time to visit and enjoy some cake and punch. Submitted by Sharon Daniel.

1970S ART FACULTY SHOW OPENS AT LANE JANUARY 3

The Lane Art Gallery is proud to present "40 Years of Excellence: LCC Art Gallery 40th Anniversary Exhibition." The exhibition will feature the works of past instructors who were part of the 40 years of excellence showcased through out the years at the LCC Art Gallery. This exhibition will include work by the following artists: Harold Hoy, Craig Spilman, Joyce Kommer, Walter Stevens, David Joyce, Kacey Joyce, Nancy Hoskins, Bob Prokop, Bets Cole, Bruce Dean, Thomas Rubick, Tom Rohr, Walt O'Brien, Margaret Coe, John Bauguess, Monique Belitz, Glen Diseth, Gary Stanfield, Lynn Wiley, Dan White, Roger McAlister, DeAnna Douglas and Alda Saunders.

In the past 40 years, LCC Art Gallery has brought to the local area over 400 exhibitions and has been a constant in the Eugene art community. Please join us in celebrating this incredible milestone. The show runs from January 3 to 27. A reception will be held on January 18 from 5:30-7:30 p.m. It's free and open to the public. The gallery is located in Building 11 on main campus. There is no charge for admission. The Art and Applied Design Department phone number is 5409.

TEA AND TOPICS: TALK ABOUT YOUR TEACHING

Thursday, January 13 from 3-5 p.m., 19/241. Topic: Student Success in Online and Hybrid Classes. Please join us for light refreshment and informal conversation about improving success for our distance learning students. Sponsored by Learning Communities and the Title III Engaging Students grant, Tea and Topics provide occasions for faculty across disciplines to get to know one another better, to develop an interdisciplinary perspective around issues related to student success, to share information and to problem-solve. Part-time faculty are eligible to receive a stipend for attendance. For more information, contact Anne McGrail mcgraila@lanecc.edu or visit our website: <http://lanecc.edu/lc/fresources/TeaAndTopics.htm>

WHAT DOES CPDT DO?

The Classified Professional Development Team supports and encourages lifelong learning for classified staff in areas of personal and professional growth that align with the mission, vision, and core values of the college. CPDT provides assistance and recognition to classified staff through the following programs:

- * Individual personal and professional development reimbursement funds for classes and courses: IPPD I (note: new application forms and revised guidelines); conferences and workshops–IPPD II; membership dues, publications and certifications–IPPD III.

- * Employee Recognition Programs for Employee of the Month, and Welcome Wagon.

Winter term 2011 applications are due by 5 p.m., December 15. For more information about programs offered by the Classified Professional Development Team, visit the CPDT website at <http://www.lanecc.edu/cpdt> Contact: Kathy Alexander, 5586.

WINTER BREAK HOURS

LANE COMMUNITY COLLEGE will be closed to the public for winter break from Monday through Monday, December 20 through 27, and again on Friday, December 31. No services will be available unless otherwise announced by a department or program. See the academic calendar online at <http://lanecc.edu/calendars/academic.html>

LANE WEEKLY staff newsletter will not publish on December 21. The next issue will be Tuesday, December 28. Contact: weekly@lanecc.edu

ATC winter break hours: through December 17, open 8 a.m.-5 p.m. Hours for December 28-30, closed.

FOOD SERVICES hours are posted on Facebook (from college home page, click the FB link and scroll down to the Food Services page link). Food Court hours through December 17, open 7 a.m.-1:30 p.m. December 28-30 open 7 a.m.-1:30 p.m. Terrace Café and Espresso/Health and Wellness, closed; normal hours resume January 3.
Contact: Holly Lanigan.

HEALTH CLINIC closed, reopening January 3 at 8:15 a.m. Providers are not on site during the closure and appointments will not be available. Call Public Safety at 5555 for medical emergencies. Call for prescription refills as per the refill policy at <http://www.lanecc.edu/healthclinic/clinicpolicies.html> Contact: Jan Nyleen, 5665.

INTERNATIONAL PROGRAMS OFFICES closed Tuesday, December 28. Contact: Jennifer Falzerano.

SOCIAL SCIENCE department office closed December 17-31. Contact: Carrie Brandt.

TITAN STORE closed Friday, December 17, and will re-open December 28 at 8 a.m. Winter term books will be available beginning December 28. Contact: Vicki Colley.

FACILITIES UPDATES

FACILITIES, MANAGEMENT AND PLANNING

Facilities, Management and Planning staff will be in the office and available by phone at 5216 from 7 a.m.-4 p.m. from December 13-17, December 20-22, and December 28-30. We are also available by e-mail at facilitiesoffice@lanecc.edu However, FMP will not have many staff available during the winter break due to scheduled vacation days. We will serve the campus to the best of our abilities during these times. Contact: Russ Pierson, 5727.

RECYCLING

A new recycling and trash collection system for Building 4 and parts of Building 5 is in place for winter term. The recycling program will move the new cabinetry into place in the upper and lower levels of Building 4 and the lower level of Building 5 and the Building 5 lobby over the holiday break. Workers will also remove the old concrete trash cans from these locations at this time as well. Also, trash cans from classrooms will be removed so that users can recycle their items as soon as they exit the rooms. Room signs to let users know of this change will be posted. Waste audits consistently reinforce the fact that the majority of classroom trash is recyclable. This new recycling system, which is exactly like the one in Building 30, Health and

Wellness, will increase recovery rates and save the college more money from trash avoidance, increase revenue from the sale of recyclable commodity material, and allow for greater efficiency for the recycling and housekeeping crews. Contact: Mike Sims, 5569.

HOUSEKEEPING

Housekeeping is preparing a winter break cleaning schedule for the following days: December 20, 21, 22, 28, 29, and 30. Because several custodians will be off on vacation leave, your assistance is requested so available resources to those areas that need cleaned can be deployed. Please consult your responsible manager and then submit the following information to facilitiesoffice@lanecc.edu -- division name, building number, floor level, division contact, contact extension, and details of any special cleaning needs/requests. Contact: Katherine Vos, 5561.

WINTER WEATHER GENERAL NOTICE

Facilities, Management and Planning is prepared to spread deicer, shovel snow, and dissolve any other snow or ice issue that may arise. In addition, an outside service contractor has been hired to plow snow from the perimeter access roads in the event that snow accumulating over a two-inch depth needs to be removed. This winter is expected to be wet and an increased risk of snow and ice is likely. Please pay particular attention to outside walking paths, hand rails, and parking lots when temperatures are at or below freezing. Dennis Carr (extension 5585) will coordinate emergency notifications regarding campus closures or late starts if needed during the winter season. Most of the motor pool vehicles are equipped with all weather or studded snow tires. Please use caution when driving motor pool vehicles during the winter months. Snow chains are not supplied for motor pool vehicles. Generally, during winter storm events, it's always a great idea to wear dry winter footwear with good traction, have a set of warm gloves, and use extra caution when carrying anything on uneven surfaces. If you need additional information regarding our preparations for the winter season and what you can do to be aware of our plans, please contact Public Safety at extension 5558 or the FMP office at extension 5216. It is our strong commitment to provide the safest possible campus for our students, staff, and visitors. Thank you for your support. Contact: David Willis, 5566.

WINTER BREAK INDOOR AIR TEMPERATURES

Although Facilities, Management and Planning plans to have most buildings and office spaces heated to comfortable occupied set point values, it is a good idea to dress in layers that can be removed should temperatures become warmer than expected. Contact: David Willis, 5566.

WINTER BREAK BUILDING USE

Please continue to use 25Live to reserve all events planned during the winter break. Contact: David Willis, 5566.

WINTER TERM PARKING

Parking on campus during the winter term is expected to be very tight during the first two weeks. Contractors are being asked to park off campus and be shuttled to work sites. All parking areas are expected to be open and available for use. Adjacent roads to the campus will not be ticketed if students park along them during the first two weeks of the term. Please do not drive on landscaped areas, grass areas, or in areas not designated as parking areas as the soft dirt will get trenched and damage will result, plus a vehicle driving in these areas may get stuck. Additional parking and alternative transportation messages will be shared as we near the winter term. Contact: David Willis, 5566.

PROJECT UPDATES—

DOWNTOWN CAMPUS BUILDING

A snapshot of some of the things that are currently underway:

The architects/engineers and cost estimator continue to work on aligning the design with the budget.

The Board of Education approved adding a fifth floor to the student housing which reduces the cost per bed and thus reduces overall ongoing costs.

Five proposals were received in response to the Request for Proposals for CM/GC services.

The selection committee is processing the proposals.

The leads and others from each of the programs that will occupy the academic building will meet with the architects this week to discuss what furniture, equipment and casework is needed in each of the rooms to be occupied.

Contact: Bob Mention, 5747.

FACILITIES TRADES

Winter break Facilities, Management and Planning projects and scheduled maintenance:

- * Center Building: Replacement of six failed electrical breakers, facilitate requirements for online sales tent, cleaning and maintenance for kitchen hoods. An electrical outage will be scheduled for the Center Building during the week of December 21.

- * Building 5: Re-lamp the lighting fixtures in the gyms.

- * Building 11: In progress: relocate Art office sink, reconfigure counter and cabinets, and label the associated electrical panel for proper space clearances.

- * Building 12: In progress: install a door for machine shop, Room 119, to allow increased instructional access back and forth, improving the instructional use of the space.

- * Building 16: In progress: reconfigure of Science department office space to accommodate employee needs for privacy and effective work space utilizations.

- * Building 19: In progress: relocate one door for a Business academic advisors office so that access is not through a classroom but through a hallway.

Please continue to submit work orders or contact the Facilities office at extension 5216. New work orders will be reviewed and prioritized as resources allow. Contact: Angela Fazio, 3428.

----- TRAININGS & CLASSES -----

25LIVE TRAINING OFFERED DECEMBER 14

Information Technology will offer the last 25Live class of 2010 on December 14 from 1:30-3:30 p.m. The class will be in the Academic Technology Center. The class will provide an overview of Lane Events Calendars and the 25Live system using event, location, resource searches and event creation. This is a hybrid hands-on class where you can try some the functions being taught or just observe the process. Registration is required to ensure that there are enough seats in the lab and that end-user accounts have been created or activated prior to class time.

Use the registration link to register:

T2T: INTRODUCTION TO DEVELOPING AN ONLINE OR HYBRID COURSE?

10-week hybrid course. Fridays 1-3 p.m. Jan. 4-Mar. 11 with additional time spent online. 2 credit course (pass/no pass or audit only). Bldg. 2 room 121/122 (new ATC) Instructor: Meredith Keene-Wilson

What is it like to teach online? What is it like to be an online student? Experience both perspectives during this introductory course. You will be working in a hybrid course environment as you learn about teaching with technology and about transforming your existing curriculum for the online environment using Moodle and best practices. Topics include: getting started, setting up your structure, alignment of key components, tools in Moodle, and designing for quality. If you are interested in participating please enroll directly in ExpressLane, CRN# 34239. Class fee waived for Lane instructors. For more information contact Meredith Keene-Wilson at keene-wilsonm@lanecc.edu or call 541-463-3200.

T2T: AUDIO/VIDEO FOR INSTRUCTION

Five-week hybrid class. Tuesdays 2:30-4:30 p.m., Jan. 4-Feb. 1 with additional time spent online. 1 credit course (pass/no pass or audit only). Bldg. 2 room 121/122 (new ATC) Instructor: Ian Coronado

Do you teach online, hybrid or have a web enhanced traditional class? Want to use more audio and video in your class, but find that there are too many hurdles to get these things online? Come to our five-week session, bring some videos and ideas you want to put online, and put those hurdles behind you. Understand, download and use the more efficient formats for audio and video, editing existing content, and production of audio/visual materials.

If you are interested in participating please enroll directly in ExpressLane, CRN# 34238. Class fee waived for Lane instructors. For more information contact Ian Coronado at coronadoi@lanecc.edu or call 541-463-5197.

HOLIDAY GIVING TREE in the second floor lobby of Building 1 has numerous students who have their children's names on the tree. 97% of the names are new this year. They range from new born through 10 years of age. If you can, extend your holiday cheer and take a name off the tree in order to help these families. All gifts are due back by Friday, December 17. Thank you Bette Dorris, 5365.

FUND RAISER FOR MEN'S BASKETBALL - Christmas Drawing. Congratulations to 3 lucky winners - Each will receive a \$100 gift certificate from Fred Meyer. Three Drawings: 1st winner - Angela Lanning; 2nd winner - Todd Hamilton; 3rd winner - Karen Krumrey. Congratulations again and a Very Merry Christmas to all from Men's Basketball and the entire Athletic Department. Submitted by Sharon Foster.

The Weekly is available to the vision-impaired through Disability Resources at (541) 463-5150. Lane is an equal opportunity/affirmative action institution. Issue date: Tuesday, December 14, 2010

NEWS & ANNOUNCEMENTS

PARKING LOT C RESERVED JANUARY 3

Parking Lot C is reserved on Monday, January 3, for an event occurring in the Center for Meeting and Learning. Please plan to park in an alternate lot on the third. The disability parking in lot C will still be accessible to students and staff who need it. Thank you in advance for your cooperation. Submitted by Carolyn Philes.

GROUP BUS PASS AND STICKERS FOR WINTER TERM

Students or staff taking a credit class on main campus or at the Downtown Center are eligible for a LCC bus pass good for the entire term. Photos for bus pass ID cards will be taken in Building 19, Room 117 on January 3, 4, 5, and 6 from 8:00 a.m. to 4:00 p.m. Stickers for winter term will be available beginning January 11 at the Titan Store return window or at the DTC. Visit www.ltd.org for changes to the winter schedule. Contact: Jennifer Hayward, 5594.

AAWCC VARIETY SHOW RESULTS

Thank you to everyone who participated in or supported the talent show sponsored by the American Association for Women in Community Colleges held December 2. It was confirmed: Lane really does have talent! Students and staff alike performed and shared some amazing gifts. Our fundraising efforts raised \$440, which goes directly to the student scholarship account. AAWCC appreciates everyone who gave their time, talent, and financial support. Submitted by Donna Zmolek, AAWCC Past President.

TRAININGS & CLASSES

25LIVE TRAINING

Another class in a series of repeated classes in 25Live will be offered on January 13 from 9-11 a.m. in the ATC - Building 2 Room 121.

25Live Training for Faculty and Staff: Version 15 provided a drastic improvement in performance for the loading of the Dashboard Home Page and other screens within 25Live. Learn about event management, event and location searches, e-commerce and reports! Schedule rooms for your staff meeting and schedule equipment for your class or event. The four major internet browsers have been tested and 25Live now loads and works fast with Chrome, Firefox, Internet Explorer 7/8 and Safari. Registration is requested to make sure there is enough computers for everyone and that your 25Live account has been created prior to your arrival to the class.

Training Event Management Scheduling Areas: (these will be discussed and demonstrated)
Room Scheduling (academic and event)

Motor Pool Rental (rent a car and use one form for data entry - no longer necessary to use Mpulse)

Audio/Visual Check Out (for an event or equipment only)

General Services Equipment (tables, chairs, tents and other equipment)

E-Commerce Setup and Availability
Reporting Options

To Register use this link or the link in 25Live:
