
NEWS & ANNOUNCEMENTS

WHAT TO DO IF YOU SEE A COUGAR

Recently there have been several sightings of wild animals on or near the Lane main campus. These sightings include a fox and one cougar. Sightings of deer, cougars, and even bears have occurred throughout the years at Lane. The most recent sighting was of one cougar in the area at around 8:30 p.m. at night. Typically cougars transit the area and are observed infrequently and never two days in a row. With this in mind, it is a good time to review some tips provided by the Oregon Department of Fish and Wildlife should you encounter a cougar:

- * Cougars often will retreat if given the opportunity. Leave the animal a way to escape.
- * Stay calm and stand your ground.
- * Maintain direct eye contact.
- * Pick up children, but do so without bending down or turning your back on the cougar.
- * Back away slowly.
- * Do not run. Running triggers a chase response in cougars, which could lead to an attack.
- * Raise your voice and speak firmly.
- * If the cougar seems aggressive, raise your arms to make yourself look larger and clap your hands.
- * If in the very unusual event that a cougar attacks you, fight back with rocks, sticks, tools or any items available.

Please also remember to call Public Safety at 5558 if you spot a cougar on or near the vicinity of campus. Guidelines for other "wildlife encounters" are available at:

TITANS WILL DEFEND 80-HOME GAME WIN RECORD JANUARY 8

Lane's women Titans basketball team defends its 80-game home court winning streak on Saturday, January 8 at 4 p.m. The Titans take on the Linn-Benton Lady Roadrunners at 4 p.m. in the gym, building 5.

With 80 home-game wins, the Titans hold the national collegiate home game record for an active team. They haven't lost at home since 2002.

Besides the home-game record, the Titans are in pursuit of their fourth Northwest Athletic Association of Community College championship title to add to their 2006, 2007 and 2009 titles. They've also won five Southern Region titles, in 2003, 2005, 2006, 2007, and 2008.

Head Coach Greg Sheley is in his 12th season at Lane. He has 243 wins to his credit, the most ever for a Titan coach. He has bachelor's and master's degrees from California State University at Chico.

MLK AWARD NOMINATIONS DUE

The Associated Students of Lane Community College is requesting nominations for the "2011 Dr. Martin Luther King Jr. Award." Any individual or community organization is eligible to be considered for this honor. This award is intended to recognize the social and civic excellence of those in our community. The deadline for nominations is Monday, January 10, at 12 p.m.

Include your reasoning-testimonial and your own contact information. Please submit your letter of nomination to the Multicultural Program Coordinator Eric Richardson at richardsone@lanecc.edu or Building 1, Room 210. ASLCC will select the recipient from nominations at its January 10 general meeting. The award will be formally presented by the Multicultural Program Coordinator at the MLK Jr. Celebration Reception at the Hult Center January 17. Submitted by Tracy Weimer.

ADA/504 COMPLIANCE PUBLIC FORUM

An ADA/504 Compliance Public Forum will be held on Thursday, January 13, from 2-4 p.m. This is a great opportunity for you to share your ideas or learn more about accessibility issues at Lane. The ADA/504 Compliance Committee will meet during this time and anyone from the campus community is welcome to attend and participate. If you would like accommodations in order to participate in this meeting or want more information, contact Disability Resources at 541-463-5150 or disabilityresources@lanecc.edu

TEA AND TOPICS: TALK ABOUT YOUR TEACHING

Thursday, January 13, 3-5 p.m., 19/241

TOPIC: Student Success in Online and Hybrid Classes. Please join us for light refreshment and informal conversation about improving success for our distance learning students. Sponsored by Learning Communities and the Title III Engaging Students grant, Tea and Topics provide occasions for faculty across disciplines to get to know one another better, to develop an interdisciplinary perspective around issues related to student success, to share information and to problem-solve. Part-time faculty are eligible to receive a stipend for attendance. For more information, contact Anne McGrail mcgraila@lanecc.edu or visit our website:

PREVIEW NIGHT FEBRUARY 2

Lane Preview Night, the annual open house at Lane Community College for high school students and their families, will be held Wednesday, February 2, from 6-8:30 p.m. in the gym, building 5.

The event is an opportunity to visit main campus, learn more about Lane's academic and career training programs, and get a better feel for what higher education is all about. It's also a chance to meet faculty and win prizes like Titan gear and tuition certificates.

Break-out sessions will offer help with the financial aid process, a tour of the new Health and Wellness Center, and details on transferring to another college or university after Lane.

Lane's relatively low cost, wide variety of classes and programs, and high success rate of graduates make it an attractive option, says David Van Der Haeghen, Student Recruitment and Outreach Coordinator. For more information, call 5678 or go online at

<http://lanecc.edu/es/previewnight.html>

CONVERSATION TABLES WINTER 2011

Conversation Tables are a fun, dynamic and stress-free way to learn a new language and culture in a social environment. Choose from five different languages: English, Chinese, Japanese, Korean and Spanish. Each one is held conveniently in the cafeteria space for one hour per week during Weeks 3-10 of the term and is open to everyone at all language levels - no experience necessary! Check Building 11 for the Conversation Table schedule at the end of Week 2. Questions? Contact Jennifer Hare at harej@lanecc.edu or by calling 3409.

NOW RECRUITING CONVERSATION TABLE LEADERS

International Programs is always looking for people to lead Conversation Tables in any language. Any student who can commit to one volunteer hour per week and who is passionate about sharing his or her native language, country and culture with others is an optimal candidate. Any language is welcome: English, Arabic, German, Farsi, French, Vietnamese, Portuguese, Tagalog, Italian, Russian, Indonesian, Malay, Korean, Japanese, Chinese, Spanish and more! If you think of any students who might be interested, feel free to put them in touch with Jennifer Hare at harej@lanecc.edu or 3409 or Building 11, Room 249. There will be a special Conversation Table leader orientation on either Wednesday, January 12 or Thursday, January 13 from 3-5 p.m. to meet other Conversation Table Leaders and brainstorm ideas on how to lead their own. Questions? Contact Jennifer Hare at harej@lanecc.edu or by calling 3409.

WOMEN IN TRANSITIONS BENEFIT CONCERT AND CHORAL WORKSHOP

A benefit concert for Lane's Women in Transitions program will be held Saturday, February 19, at 7:30 p.m. in the Ragazzino Performance Hal. featuring Soromundi, Lesbian Chorus of Eugene. Tickets are \$10, or \$8 for students and seniors. Available at the door or online at www.lanecc.edu/tickets

An all-day choral workshop will be held Saturday, February 19, with Soromundi, Lesbian Chorus of Eugene, in conjunction with the Women in Transitions benefit concert. The workshop will provide women who are interested an opportunity to join the choir for a day and sing in a concert that evening to benefit the Women In Transitions program at Lane. The workshop is open to all women. The workshop chorus will perform five or six songs at the end of the benefit concert. If you would like to participate: Check your schedule to see if you are available on February 19 for the entire day. If so, complete the registration form and mail to Soromundi, PO Box 40934, Eugene, Oregon, 97404. Registration deadline is January 11. There is a \$25 registration fee that covers the cost of music, a Soromundi T-shirt, and admission to the concert. Registration forms are available through the Women's Center, or contact Barbara Delansky at delanskyb@lanecc.edu

TRAININGS & CLASSES

T2T: INTRODUCTION TO DEVELOPING AN ONLINE OR HYBRID COURSE?

10-week hybrid course. Fridays 1-3 p.m. Jan. 4-Mar. 11 with additional time spent online. 2 credit course (pass/no pass or audit only). Bldg. 2 room 121/122 (new ATC) Instructor: Meredith Keene-Wilson

What is it like to teach online? What is it like to be an online student? Experience both perspectives during this introductory course. You will be working in a hybrid course environment as you learn about teaching with technology and about transforming your existing curriculum for the online environment using Moodle and best practices. Topics include: getting started, setting up your structure, alignment of key components, tools in Moodle, and designing for quality. If you are interested in participating please enroll directly in ExpressLane, CRN# 34239. Class fee waived for Lane instructors. For more information contact Meredith Keene-Wilson at keene-wilsonm@lanecc.edu or call 541-463-3200. website: <http://lanecc.edu/t2t>

DAVID JOYCE GALLERY WINTER EXHIBIT OPENS

The David Joyce Gallery in the Center for Meeting and Learning has opened its winter term exhibit, "FOH: Front of House: The Art of Dining Architecture, Hospitality and Service." Featuring six local artists, FOH celebrates this familiar term used in the culinary and hospitality industry, which indicates all hospitality operations that occur outside of the kitchen, primarily the dining room. The exhibit plays upon this widely-used term, and focuses on restaurant architecture and the exteriors that visually invite and welcome us as well as images that depict the essence of hospitality and service and the intimate connection between nourishment and community. The exhibit runs through Monday, March 21. An artists' reception will be Thursday, March 3 from 4:30-6 p.m. with hors d'oeuvres prepared and served by the students in the Culinary Arts and Hospitality Management program. For more information, contact Julie Fether at 3518.

TEST ACCOMMODATION TIPS FROM DISABILITY RESOURCES

Disability Resources encourages students to meet with their instructor to share their Letter of Accommodation (LOA) and discuss how testing accommodations will be provided. If you, the instructor, can provide the additional time and a quiet space for the student to test --fantastic! If you don't have the time or space to offer, please inform the student and refer him or her back to the Disability Resources office to make arrangements. We prefer to schedule students at the same time the test is being conducted in class, and ask instructors for approval if the time differs. We are now asking students to provide us with five work-days advance notice to set-up Testing Accommodations. If you plan to administer pop-quizzes, or your exam includes a lab (like Bio or Chem), please work closely with our Testing Accommodation staff to coordinate the details. We're happy to work with you, in the background, to make the accommodation process as smooth as possible and still allow you the opportunity to surprise all students equally. If you have any questions, please contact Cathie Reschke at 5079 or reschkec@lanecc.edu

DR PROVIDED CHAIRS AND TABLES

Disability Resources provided chairs and tables are accommodations placed in specific rooms for specific students. These chairs and tables are not to be removed by students, faculty, or any other LCC employee...except the responsible Facilities Management staff. Students who have furniture accommodations must request the furniture each term, so that DR knows where the furniture is needed. There is a great deal of effort by Facilities Management and Disability Resources to get the appropriate furniture to the requesting students in a timely manner. So, if an adjustable table, ergonomic or padded chair appears in your classroom, do not remove it, and please don't move it within the classroom. Students who have furniture accommodations have a Letter of Accommodation (LOA) which identifies them as the student who is to use the chair/table. If there are more students with LOAs identifying them as needing furniture accommodations than there are chairs in the room, have the students come to DR and speak with Cathie. If you have questions, contact Cathie Reschke at 5079, or Disability Resources at 5150.

THANK A CLASSIFIED EMPLOYEE WITH A RANDOM ACT OF CHOCOLATE

Beginning winter term the Classified Professional Development Team (CPDT) is launching a new classified employee appreciation program. Is there someone you feel deserves a special thanks? FACILITIES UPDATES

HOUSEKEEPING

Over the winter break, custodians accomplished a variety of deep cleaning projects ranging from carpet cleaning, small maintenance repairs, to cleaning the gym bleachers. Most deep cleaning requests were accomplished along with numerous priority project work. Contact Katherine Vos, 5561.

BOND PROJECT UPDATE—

BUILDING 5 REMODEL

Construction of the building five addition project is complete and the general contractor is on the site completing final punch list items of the project. Other repairs to the HVAC system that were discovered during the construction phase of the project will be ongoing over the next 45 days. This work is expected to help to improve air flow in the second level of the building. Punch list items are expected to last for another 30 days and is work is expected to be scheduled around class schedules to minimize disruption. Painting and floor sealing will be scheduled for after hours and weekends. Contact Mark Richardson, 3456.

BUILDINGS 10 AND 11 REMODEL

Hyland Construction has completed the underground plumbing and most of the foundation system for the project. Footing installation on the south side of building 10 is scheduled to start in two weeks. This activity will require large equipment to complete the work. Much of the shear wall for the building has started. This work is expected to be noisy at times. The general contractor is working around program class schedules to complete work activity known to cause the most noise to minimize disruption. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS BUILDING

The project is in the design development phase which means in general that the design team (architects and engineers) is working on details. On the architectural side these include such things as the design of counters in department offices, cabinets in workrooms and how doors and windows integrate with walls. The engineers are working on such things as getting electrical power and communication components into every room and connecting the equipment proposed for the Energy Management program lab. The mid-point of this phase is scheduled to be reached in the next week or so which will trigger another cost estimate. The Board of Education is expected to award a contract for CM/GC services at its January meeting. Adding a contractor to the team will bring another dimension to the project. The CM/GC will provide services such as constructability reviews, value engineering and cost estimating to the project. The Management Team is scheduled to meet Thursday, January 13 to review the work accomplished by the design team since late December. Contact Bob Mention, 5747.

TRACK AND SOCCER BOWL

Delta Construction and their subcontractors have been on the site the last few days working on completing punch list and warranty items. Some of the outstanding tasks are weather related and cannot be completed until later this year. Contact Mark Richardson, 3456.

FACILITIES TRADES—

FMP PROJECTS AND SCHEDULED MAINTENANCE UPDATES

FMP trades were very busy over the winter break. Projects undertaken, some completed the first week in January, include: (Building 3) reconfigure HR reception area; (Building 4) IEQ support; (Building 5) critical re-lamp of main gym, support installation of new lockers, climbing structure, new basketball scoreboards, hurricane clips for baseball dugout, replaced basketball pulleys; (Building 11) reconfigure cabinet in Art office; (Building 12) complete installation of door/window for Machine Technology lab classroom, install of partitions for Clothing Stash; (Building 16) reconfigure Science office; (Building 18) repair/refinish sections of wood floor; (Building 19) relocated door for Business advising office; (Center) replace failed electrical breakers, floor replacement and repaint office 15B, install of support facilities for online sales tent. Due to very limited budget, FMP trades will be restricted in our ability to take on new work. Please continue to report Facilities-related issues to the facilities office at 5216 or e-mail facilitiesoffice@lanecc.edu Contact Angela Fazio, 3428.

BUILDING AUTOMATION SYSTEM STRATEGIC IMPROVEMENTS

Technicians from TraneOregon and Controls Contractor Inc. worked on site Monday to address outstanding issues with the Building Automation System (BAS) Phase 1 Upgrades. This work has involved coordinating staff and students concerns in multiple buildings on main campus with two control contractors, college energy analyst, and facilities trades staff. Work will continue through the week to upgrade the Center building BAS communications network. Lane staff is keeping track of the affected areas with BAS trending tools. Please continue to report any HVAC issues or concerns to the Facilities Office at facilitiesoffice@lanecc.edu or 5216 as we complete the system integration process. Contact Anna Scott, 5805.

ENERGY CONSERVATION PROJECTS - LIGHTING FIELD CHECKS

Main campus new buildings, remodels and additions have been built to reflect the college commitment to energy and water efficient standards. Eugene Water and Electric Board has helped the college by providing incentives for installing higher efficiency building equipment and/or building design. On Wednesday, January 12, from 9:30 a.m.-12:00 p.m., an EWEB representative accompanied by FMP staff will be on site in Buildings 2,4 and 5 to field check classroom, office, and restroom lighting as a part of the incentive process. This will not effect classrooms during scheduled instructional hours. Contact Anna Scott, 5805.

TRAININGS & CLASSES

JAM THE GYM

The Lane Athletic Department would like to invite everyone to be a part of the Fourth Annual Jam the Gym on Saturday, January 29, Titan Gym, Building 5. The first 500 fans in attendance will receive a free t-shirt sponsored by Bi-Mart. The evening will feature the men and women's basketball teams in a double-header against Clackamas Community College. The women's team will kick things off at 4 p.m. and will be followed by the men's game at 6 p.m. Admission is free to everyone. In addition, we are encouraging all fans to bring non-perishable food item to help us support Food For Lane County. Items will be collected at the gate. Contact: Brent Ellison.

PREVIEW NIGHT FEBRUARY 2

Lane Preview Night, the annual open house at Lane Community College for high school students and their families, will be Wednesday, February 2, from 6-8:30 p.m. in the gym, Building 5. The event is an opportunity to visit main campus, learn more about Lane's academic and career training programs, and get a better feel for what higher education is all about. It's

also a chance to meet faculty and win prizes like Titan gear and tuition certificates. Breakout sessions will offer help with the financial aid process, a tour of the new Health and Wellness Center, and details on transferring to another college or university after Lane.

Lane's relatively low cost, wide variety of classes and programs, and high success rate of graduates make it an attractive option, says David Van Der Haeghen, Student Recruitment and Outreach Coordinator. For more information, call 5678 or go online at

<http://lanecc.edu/es/previewnight.html>

SABBATICAL APPLICATION DEADLINE

The deadline for sabbatical applications for the 2011-2012 academic year is 4 p.m., Tuesday, February 8. You will find information about this opportunity for contracted faculty members, along with the application and model applications that were approved in recent years, online at: <http://www.lanecc.edu/fpd/grants/sabbatical/paid/index.html> Sabbatical committee members can serve as mentors for applicants. FPD Sabbatical Committee: Jody Anderson, James Florendo, Jay Frasier, Berri Hsiao, Mary Lou Lynch, Adrienne Mitchell, and Deanna Murphy. Questions? WOMEN IN TRANSITIONS BENEFIT CONCERT AND CHORAL WORKSHOP

A benefit concert for Lane's Women in Transitions program will be Saturday, February 19, at 7:30 p.m. in the Ragazzino Performance Hall, featuring Soromundi, Lesbian Chorus of Eugene. Tickets are \$10, or \$8 for students and seniors. Available at the door or online at www.lanecc.edu/tickets Contact: Barbara Delansky, delanskyb@lanecc.edu

2010-11 INNOVATIONS OF THE YEAR NOMINATIONS OPEN

Each year Lane holds a competition to identify several projects that embody a spirit of innovation envisioned by past president Eldon F. Schafer. The Schafer Innovation Awards are selected in collaboration with the Innovation of the Year, sponsored by The League for Innovation in the Community College. Funds are awarded to the selected innovations and great ideas through the generous support of Lane's Foundation. Nominations for Innovations of the Year are due Monday, February 14. All faculty, staff and managers have been sent a nomination flier via e-mail and are encouraged to submit nominations. If you would like assistance preparing your nomination or have additional questions contact Tamara Pinkas, League Rep., pinkast@lanecc.edu, 5011.

EMPLOYEE RECOGNITION GALA MAY 25

The President's Office is pleased to share that the date for this year's annual Employee Recognition Gala has been confirmed for Wednesday, May 25. The two-hour event will be held from 3-5 p.m., and will take place in the Center for Meeting and Learning. Please place this special event on your calendars.

A special thank you to all members of the Lane employee community who provided a numerous variety of positive comments and constructive criticism following last year's event. We will integrate this information into the event design and concept as we work toward producing another memorable employee appreciation event. We will, once again, be supporting local businesses by choosing members of our small business community to provide us with products and awards, advancing Lane's commitment to sustainability by using reusable and recyclable products at the event, and showcasing Lane talent.

If you are among those employees who are planning to retire by this (coming - strike this) summer, please remember to alert both your department and Human Resources so that we may recognize and thank you properly for your years of service to the college and our students during the retiree recognition part of the program. Contact: Roxanne Young, 3655.

FACULTY CONNECTIONS COORDINATOR POSITION POSTING

Contracted faculty members are eligible to apply for the position to coordinate Lane's comprehensive new faculty orientation program. The position description, application process, and compensation information are online at:

http://www.lanecce.edu/fpd/documents/Faculty_Connections_Coordinator_Position_2011_pdf.pdf

Application materials must be submitted by 5:00 p.m. on January 31, 2011 to search committee chair, Tamara Pinkas at pinkast@lanecce.edu For questions, please contact Tamara Pinkas at pinkast@lanecce.edu or Adrienne Mitchell at mitchella@lanecce.edu

FACILITIES PROJECT UPDATES

BUILDING 5 REMODEL AND ADDITION

The addition and remodeling in building five projects are complete. Some heating and ventilation issues in certain areas have been reported and a collaborated effort with FMP/bond staff and engineers continue the tedious work to locate and identify the source of the problem and then priority work to correct the issue will be performed. Contact Mark Richardson, 3456.

BUILDINGS 10 AND 11 REMODELS

Construction of the interior walls and stair cases inside the building has begun. Excavation crews will be moving to the west side of the project site between Buildings 10 and 11 soon to start working on the new concrete ramp and access to Building 10. Steel for the interior of the building is expected to start arriving the first week of February. With this activity, additional equipment and noise will be introduced into the area. On Friday, January 14, construction of the new entry began between Buildings 10 and 11. The contractor is removing large amounts of dirt from the area and this work will continue for up to three weeks. Lane is asking students and staff in Building 11 to keep the doors closed as much as possible on both floors of the entire east side of the building in order to help prevent noise and various odors from entering the building. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS BUILDING

At its January meeting the Board of Education approved a financing plan to and awarded a contract to the firm of Lease Crutcher Lewis (LCL) to provide Construction Management/General Construction services. LCL provided CM/GC services for the recently completed Health and Wellness Center. The management team discussed a wide range of topics at its last meeting: 50 percent Design Development (DD) drawings, a schedule update, the process update, the status of sustainability incentives, a soils/geotech report, good faith effort to subcontract with women and minority owned businesses and emerging small businesses, comfort criteria, and summer classroom use. Work in all of those areas continues. LCL is preparing a construction cost estimate based on the 50 percent DD drawings and is scheduled to present the estimate to the management team at a meeting on January 27. Contact Bob Mention, 5747.

NEWS AND ANNOUNCEMENTS

PEACE CENTER HOSTS JOURNALIST AND AUTHOR REESE ERLICH

The Lane Peace Center is bringing award-winning foreign correspondent and author Reese Erlich to campus on Thursday, January 27 from 1-2:30 p.m. in Building 17, Room 309. Erlich is touring with his new book, "Conversations with Terrorists: Middle East Leaders on Politics, Violence and Empire," in which he questions how the U.S. has dealt with terrorist threats since 2001, suggesting that by "labeling all opponents as terrorists," the government has "from a practical perspective... rendered the term terrorism' meaningless." You are invited and encouraged to attend. Contact: Stan Taylor, taylor@lanecc.edu or 5820.

DEFAZIO COMING TO CLASS

Oregon Congressman Peter DeFazio will speak with Steve Candee's U.S. Government and Politics class on Monday, January 31, from 1-1:50 p.m., in Center 401. Limited guest seating available: contact Steve at 5188.

CITY OF EUGENE "CELEBRATING CHAMPIONS" PARADE THANKS

Here's a huge shout-out to the student leaders and athletes, faculty, staff, managers and family members who supported Lane's entry in the City of Eugene's "Celebrating Champions" parade. Thank you also to students, staff and others on the sidelines who showed Lane the love as the float went by. A special thank you to Advanced Technologies faculty member Steve Webb and his wife Tammy for arranging for the truck for Lane's float and for making it all seem so easy. Saturday was a particularly proud day to be a part of Lane Community College and we thank you all! Helen Garrett, Academic and Student Affairs, 5725 and Brett Rowlett, President's Office, 5850.

PUBLIC SAFETY POSTS INFO, OFFERS TIPS ABOUT VEHICLE BREAK-INS

A new Public Safety newsletter can be downloaded from:

<http://www.lanecc.edu/psd/newsletter.html>

A new informational brochure is available at:

http://www.lanecc.edu/psd/newsletter/DPS_brochure_1.pdf

Vehicle break-ins on campus occur at all hours, day and night, seven days a week and all have one thing in common: something to steal...something valuable left in a car. Most are crimes of opportunity and can be prevented by taking a few simple precautions. The most common items stolen are car stereos, book bags and backpacks, purses, wallets and checkbooks, cell phones,

iPods or electronic devices, GPS units, music CDs, jewelry and gym bags. However, nearly anything of value is a potential target for would-be thieves. Some prevention tips:

- * Don't leave valuables in your car. If you must leave anything in your vehicle, lock it in the glove box or trunk or at the very least, place it out of plain sight, preferably before entering campus.

This includes change, CDs, or anything else of value.

- * Eliminate "signs" in your vehicle that it may contain valuables. This includes docking stations or connector cables, computer-related items, etc. Also, do not leave any case or container (such as a lap top or brief case) in your car. Thieves will assume that the computer is inside, even if it is not.

- * Remove face plates from aftermarket stereos/CD players.

- * Park in well-lit, high traffic areas.

- * Lock all the doors and secure windows, including wing windows.

- * Set any alarm or anti-theft device.

- * Avoid using hide-a-keys. Thieves know the most popular hiding places.

If your vehicle is broken into, please notify Public Safety immediately at 5558 to make a report.

Once the responding officer completes the report, it will automatically be forwarded to the Sheriff's Office for your convenience. Contact: Jace L. Smith, Public Safety Manager, 5561.

ENCOURAGE STUDENTS TO APPLY FOR SCHOLARSHIPS NOW

Please tell your students about the hundreds of scholarships available to them through the Lane Community College Foundation. Students will apply for all Foundation scholarships through the STARS Online application. All instructions and information necessary to successfully complete the scholarship application are available on the Foundation website at:

<http://www.lanec.edu/foundation/scholarshipopps.htm>

The online application deadline is March 12. Submitted by Barbara Enright, 5226.

KLCC MICROBREW FESTIVAL

The KLCC Microbrew Festival is Friday and Saturday, February 11-12, from 5-11 p.m., at the Lane Events Center, 796 W 13th Ave., Eugene. All proceeds benefit the station. Admission is \$12 and includes a souvenir glass and one beer ticket. Additional beer tickets are \$1 each. Guests must be 21 year or over. Microbrew aficionados will find 50 breweries from Oregon, California, Colorado, Idaho, Washington, Hawaii and even Vermont offering samples of their most popular brews and many specialty brews. The Ty Curtis Band will rock the house on Friday, and Portland's Jacob Merlin will shake things up on Saturday. Live music begins at 7:30 p.m. each night. The festival is KLCC's largest fundraising event of the year. More information is online at www.klcc.org or by calling 6000.

AARP OFFERS TAX HELP

2010-11 INNOVATIONS OF THE YEAR NOMINATIONS OPEN

Each year Lane holds a competition to identify several projects that embody a spirit of innovation envisioned by past president Eldon F. Schafer. The Schafer Innovation Awards are selected in collaboration with the Innovation of the Year, sponsored by The League for Innovation in the Community College. Funds are awarded to the selected innovations and great ideas through the generous support of Lane's Foundation. Nominations for Innovations of the Year are due Monday, February 14. All faculty, staff and managers have been sent a nomination flier via e-mail and are encouraged to submit nominations. If you would like assistance preparing your nomination or have additional questions contact Tamara Pinkas, League Rep, pinkast@lanecc.edu, 5011.

FACULTY CONNECTIONS COORDINATOR POSITION POSTING

Contracted faculty members are eligible to apply for the position to coordinate Lane's comprehensive new faculty orientation program. The position description, application process, and compensation information are online at: http://www.lanecc.edu/fpd/documents/Faculty_Connections_Coordinator_Position_2011_pdf.pdf Application materials must be submitted by 5 p.m. on January 31, to search committee chair Tamara Pinkas at pinkast@lanecc.edu For questions, please contact Tamara Pinkas at pinkast@lanecc.edu or Adrienne Mitchell at mitchella@lanecc.edu

PROJECT HOMELESS CONNECT SEEKS DONATIONS AND VOLUNTEERS

One of Lane County's largest community outreach events is seeking donations to help homeless citizens in the local area. Planning is under way for the fifth annual Project Homeless Connect for Lane County event set for Thursday, March 17 at the Lane Events Center and Fairgrounds.

Organizers are collecting coats, hats, gloves, scarves, socks, sleeping bags and backpacks. Items should be in good, clean condition. A variety of personal hygiene products are also needed, including hand sanitizers, shampoo, diapers, soap, toothbrushes and toothpaste. Donations may be dropped off at any St. Vincent de Paul store location throughout the county. Store locations are available at www.homelessconnect.org Items must be labeled "Project Homeless Connect."

Businesses, organizations, churches or schools interested in collecting items for the event may request a donation barrel for their respective venues. Financial contributions may also be made through United Way of Lane County 3171 Gateway Loop, Springfield, Oregon 97477.

Volunteers are also needed for the event. Groups or individuals may register to volunteer at www.homelessconnect.org or contact Kathy Arendsen at United Way at (541) 741-6000 or karendsen@unitedwaylane.org

The one-day, one-stop event offers homeless citizens, or those at risk of homelessness, access to critical services and basic necessities. Guests are offered free onsite medical exams, dental checkups, vision care, hot meals, haircuts and basic provisions. In addition, more than 80 local service agencies provide information on housing, employment, education, legal counsel, addiction treatment and a variety of other services available for youth, families, seniors and veterans. Submitted by the editor from a Lane County news release.

FACILITIES UPDATES

THINK SUMMER: FMP SUPPORT FOR PROJECT REQUESTS, SUMMER 2011

Departments that have projects or any needs for work in respective areas and wish the work to be considered for completion during the summer break, please be sure that a work request is submitted with a budget source entered where indicated (if appropriate) and a brief description included by no later than April 1, no fooling. Keep in mind that if the value of the project is greater than \$100,000, it triggers a formal bid process that requires approximately eight weeks procurement time in addition to the design and internal approval processing. Plan on 12 to 16 weeks, minimum, to allow planning time for the project process. If the project's cost is valued below \$100,000, then plan on an eight to 12 week planning process before the project can be awarded and work started. Projects submitted for the summer season must be received by April 1. If the value or cost of the project is greater than \$100,000, then the project must be submitted to FMP on a work request by no later than March 1. These larger projects require higher level Executive Team review and approval. Please also indicate if grant funding is included and if any time lines for expenditure or completion need to be considered. If operating budgets for FY11 are a source of funding, these funds would need to be not just encumbered but spent so this would also need to be considered when planning needs for FMP team support. In brief, FMP needs to know department needs that will require FMP support during the summer break. It is our commitment to provide the best possible timely service and advanced planning will help us greatly. Work requests for facilities services are processed per the COPPS procedure located at: <http://www.lanecc.edu/cops/facmain.htm> If you have any questions regarding this process or this request, please contact the facilities office at 5216 or David Willis at 5566. Thank you for your consideration.

HOUSEKEEPING

Housekeeping encourages staff to utilize sustainable cleaning products when tidying up an office or kitchen location. Classroom white boards should be cleaned with water and a rag. Most chemicals that are sold to clean white boards are not sustainable and can be toxic to those who have sensitivities. Use water. It's free, it's safe, and it does a great job. Housekeeping supplies custodial rooms in each building with sustainable chemicals rags and spray bottles and when needed, can be accessed for use by department staff. Housekeeping does not supply white board pens, erasers, or chalk. For the safety and health of all, Housekeeping strongly encourages departments to purchase non-toxic (Xylene Free) white board markers and dust free chalk. Contact Katherine Vos, 5561.

PROJECT UPDATE—

BUILDING 5 REMODEL AND ADDITION

LCL continues to complete punch list items inside the dance studio and Fitness Education Center addition. Designers and FMP have developed a plan to work with a contractor to make repairs to the HVAC controls. The repairs are scheduled to start this week and are not expected to cause disruption to class schedules. Contact Mark Richardson, 3456.

BUILDINGS 10 AND 11 REMODELS

Construction of the concrete entrance ramp has started and this work is expected to continue until January 31. FMP staff requests that students and staff keep the doors on the outside of the building on both floors closed as much as possible. This will help prevent odors, dust, and noise from entering the building during the day. Contact Mark Richardson, 3456.

BUILDING AUTOMATION SYSTEM

Technicians from TraneOregon, Controls Contractor Inc. worked four days on site from January 17-20 to address issues discovered in the previous Building Automation System (BAS) equipment level network in the Center building. TraneOregon has found and verified several existing equipment level network communications issues that have affected temperature caused concern in the Center building. Working with Lane staff, the contractors have made great strides to resolve the Center building equipment level communications and temperature issues. Later this week, TraneOregon and Lane staff will be working on building 19 on the previous system programming and BAS equipment level network issues uncovered. Several locations on campus are being operated manually and will continue to be until these issues have been addressed.

Work also continues with the commissioning process of the building equipment in the new addition to Building 5. BAS Phase 1 upgrades work has involved coordinating staff and students concerns in multiple buildings on the main campus with two control contractors, college energy analyst, and facilities trades staff. Lane staff continues to track affected areas with the latest BAS trending tools. Please continue to report any HVAC issues or concerns to the Facilities office at facilitiesoffice@lanecc.edu or call 5216, as work to complete the system integration process is finalized. Contact Anna Scott, 5805.

ENERGY CONSERVATION - STUDENT FIELD WORK

On Tuesday, January 18 Energy Management students from the Commercial Energy Analysis class studied existing building conditions in Buildings 16 and 17 continuing a tradition of using the college's facilities as a learning lab. Students and their instructor, Suzanne Marinello, avoided disrupting classes and staff during their visits. Please be aware that from time to time students may be "in the field" to look at existing classroom, office, and restroom areas as a part of the learning process in conducting energy audits. Facilities staff assists the Commercial Energy Analysis class by providing access to architectural drawings, building energy information, and access to building equipment. Contact Anna Scott, 5805.

DOWNTOWN CAMPUS BUILDING

Work on the project is racing ahead to meet schedule. Among the most important things happening this week is a meeting scheduled for Thursday, January 27. The Project Manager, Design Team and Contractor will present the latest plans and construction estimates to the project management team. Contact Bob Mention, 5747.

FMP TRADES

Through the concerted effort of Controls Contractors, FMP HVAC Technicians and Energy Analyst, significant progress was made this week toward gaining temperature control over Center, Buildings 16 and 19. This team continues to investigate and remedy control issues that

existed prior to the launch of BAS Phase 1. FMP Painters are brightening Building 5 lobby by painting the dull grey concrete white. FMP Electricians have been aggressively replacing burnt out lights in stairwells and building exteriors to improve site safety. Please use caution and handrails when using stairs. Contact the Facilities office to report safety concerns at facilitiesoffice@lanecc.edu or call 5216. Contact Angela Fazio, 3428.

CURRENT NOTICES—

NOTICE: BUILDINGS 10 & 11 CONSTRUCTION ACTIVITY

On Friday, January 21, excavation crews moved to the west side of the project site (between buildings 10 and 11) to begin working on the new concrete ramp and access to building 10. With this activity, additional equipment and noise is being introduced into the area. The contractor is removing large amounts of dirt from the area and this work will continue for up to three weeks. Barricades will be in place restricting access to immediate areas around construction. Lane is asking students and staff in building 11 to keep the doors closed as much as possible on both floors of the entire east side of the building in order to help prevent noise and various odors from entering the building. Questions? Contact Mark Richardson, 3456.

EVENTS THIS WEEK

CREPE DAY: Once again, the French Program and the Culinary Arts & Hospitality Program are teaming up to celebrate France's traditional Crepe day, "La Fête de la Chandeleur" (Candlemas), by offering sweet and savory crepes for sale Tuesday, Wednesday and Thursday, February 1, 2 and 3, from 10:30 a.m.-1 p.m. in the cafeteria. While the culinary arts students learn and perfect the venerable craft of crepe making, LCC French students will be available to assist all those waiting for a crepe with French pronunciation exercises. You might like help with the French proverb: "Quand la Chandeleur est claire, l'hiver est par derriere; Chandeleur couverte, quarante jours de perte!" (If February 2 is clear, no more winter to fear; if the Chandeleur is overcast, 40 days winter to last!). Come eat a crepe and celebrate with us! (\$2/crepe). Contact: Karin Almquist, Ph.D., Instructor of French, 5140.

LANE PREVIEW NIGHT: Annual open house for high school students and their families, Wednesday, February 2, 6-8:30 p.m., Titan gym, building 5. More than 1,000 are expected to attend. For details go online at <http://lanecc.edu/es/previewnight.html> Contact: David Van Der Haeghen, 5678.

JULIE PERINI "THEY HAVE NAMES FOR GIRLS LIKE ME": The Lane Art Gallery is proud to present this exhibit by Portland artist Julie Perini featuring experimental video and film stills. The show opened Monday and runs through February 17. A lecture will be held Thursday, February 3 at 3 p.m. with a reception immediately following from 4-5 p.m., in the gallery, building 11. When asked to describe her work, Perini stated, "The video explores ideas about cinematic identification, the history of representation of women in cinema, and notions of gender as performance. This piece constantly grows longer and is a different edit each time the work screens." For more information call the Art Department at 5409.

NEWS AND ANNOUNCEMENTS

JAZZ FESTIVAL SELLS OUT SATURDAY NIGHT CONCERT

The Sixth Annual Oregon Jazz Festival held at Lane on January 21 and 22 was an unqualified success, said festival co-director Ron Bertucci. This year, a record 722 tickets were sold, resulting in the first-ever sellout for the Saturday night concert.

The festival was created to allow high school and middle school jazz ensembles and combos and their directors to study with professionals in band and individual instrument clinics, network, hear jazz played by some of the nation's best jazz musicians, and to participate as guest artists. On Saturday, more than 370 students from around Oregon and Southwest Washington worked work with the professionals. Top students won certificates of merit and scholarships to summer

jazz camps. This year's featured guest artist was saxophonist and recording artist Donny McCaslin of New York. Festival participants and the general public attended concerts both days. "This was our best festival ever!" said Bertucci. Lane co-hosts the festival each year with the University of Oregon Jazz Studies program, under director Steve Owen. Events are held in the Performance Hall and Center Building on Lane's main campus. THANK YOU AND FAREWELL

Dear Lane friends and colleagues: Thanks to all of you for your well wishes, cards and the great bon voyage last week. I spent the weekend traveling to Texas as I'll be starting my new position at Texas A&M-Central Texas in the near future. I thought I was leaving the snow and fog behind but I drove through some very thick fog and they're forecasting snow! Please feel free to keep in touch with me at todd_lutz@yahoo.com as I still don't have a work e-mail yet. Submitted by Todd Lutz, former Chief Information Officer.

SABBATICAL APPLICATIONS DUE

The online application deadline is March 12. Submitted by Barbara Enright, 5226.

FACILITIES UPDATES

HOUSEKEEPING

Housekeeping uses sustainable cleaning products and supplies custodial rooms in each building with cleaning products. When needed, department staff may access and use custodial supplies when tidying up an office or kitchen location. Classroom white boards should be cleaned with water and a rag. Spray bottles and rags are also supplied. Most chemicals that are sold to clean white boards are not sustainable and can be toxic to those who have sensitivities. Use water. It's free, it's safe, and it does a great job. Housekeeping does not supply white board pens, erasers, or chalk; however, for the safety and health of all, Housekeeping strongly encourages departments to purchase non-toxic Xylene-free white board markers and dust free chalk. Contact Katherine Vos, 5561.

PROJECT UPDATES

BUILDINGS 10 AND 11 REMODELS

Masonry work for the structure is almost complete. Excavation work continues between buildings 10 and 11. While excavating last week, contractors discovered clogged up underground drainpipes that will have to be removed and replaced. This activity will extend the underground work in that area for another week. Although the use of bio-diesel powered equipment in this area will be reduced, it is recommended to keep the doors closed on both floors of building 11 as much as possible for the remaining duration of the project. Structural steel for building 10 is scheduled for delivery beginning this week. The delivery is expected to cause some traffic congestion on the east side of building 10 during the times the trucks are being unloaded. Staff and students are encouraged to use the campus entrance between buildings 10 and 12 if parking in the east lots. Contact Mark Richardson, 3456.

BUILDING AUTOMATION SYSTEM

During the week of January 24-28, technicians from TraneOregon, Controls Contractor Inc., and Lane staff worked at building 19 on the previous system programming and Building Automation System (BAS) equipment level network issues. Building 19 controls and programming work will continue this week. Primarily this is work to address issues discovered in the previous BAS equipment level network in building 19 that has resulted in temperature variation concerns. Several locations in building 19 are being operated manually and will continue to operate in manual mode until these issues have been addressed.

On Monday, January 24, Lane staff and BAS Phase 1 commissioning agent SOLARC received more intensive training from TraneOregon to improve skills in using the Niagara AX trending tools. Due to the great strides made in the last couple of weeks to resolve the trending, scheduling, and alarming issues with the BAS Phase 1 project as well as resolutions to

equipment level communications issues, SOLARC can now begin to verify the project goals and complete commissioning of the BAS Phase 1 project.

BAS Phase 1 upgrades work has involved coordinating staff and students' concerns in multiple buildings on the main campus with two control contractors, the college energy analyst and facilities trades' staff. Lane staff continues to track affected areas with the latest BAS trending tools. Please continue to report any HVAC issues or concerns to the Facilities office at facilitiesoffice@lanecc.edu or call extension 5216 as work to complete the system integration process is finalized. Contact Anna Scott, 5805.

DOWNTOWN CAMPUS BUILDING

The CMGC and an independent cost estimator continue to work on revising cost estimates. A value engineering process has started that should help identify changes that can be made to reduce costs while maintaining the overall instructional programming of the project. Cost revisions are fairly common on large projects during the design development process. The contractor is preparing to occupy the site and mobilize for work on March 1. The official groundbreaking ceremony is scheduled for March 4. Contact Bob Mention, 5747.

NOTICE: BUILDINGS 10 AND 11 CONSTRUCTION ACTIVITY UNDERWAY

On Friday, January 21, excavation crews moved to the west side of the project site (between buildings 10 and 11) to begin working on the new concrete ramp and access to building 10. With this activity, additional equipment and noise was introduced into the area. The contractor is removing large amounts of dirt from the area and this work will continue for up to three weeks. Barricades will be in place restricting access to immediate areas around construction. Lane is asking students and staff in building 11 to keep the doors closed as much as possible on both floors of the entire east side of the building in order to help prevent noise and various odors from entering the building. For questions, please contact Mark Richardson, 463-3456.

NEWS AND ANNOUNCEMENTS

ANDREA NEWTON EARNS PRESTIGIOUS CO-OP AWARD

The Cooperative Education and Internship Association has named Andrea Newton as recipient of the 2010-11 Dean Herman Schneider Award which recognizes an outstanding educator/administrator in the field, the highest honor bestowed by this international organization. Andrea was selected for her significant and comprehensive record of contributions for the advancement of the philosophy and practice of cooperative education or internships over a sustained period of time. She will be honored at CEIA's spring conference in April in San Antonio. Lane's co-op program is in the top five in the nation and is the largest among all two-year colleges west of the Mississippi. The program serves more than 2,000 students a year. Submitted by Tamara Pinkas, Lead Faculty, Cooperative Education, 5011.

MICHEL RONNING NAMED CLASSIFIED EMPLOYEE OF THE MONTH

Kudos and congratulations go to February's Classified Employee of the Month – Michel Ronning in Child and Family Education. Representatives of the Classified Professional Development Team joined staff in the CFE to present Michel with the EOM award for February 2011. Michel started out as a Lane student a number of years ago. She began working at Lane in September 1983 as a sub-preschool teacher and worked her way through the ranks. In September 2000 she became Child Care Center Coordinator. One of the things that everyone in the CFE Department and the campus community as a whole appreciate is that Michel always greets a new task given to her with a positive attitude. Things come at her often fast and furious and need immediate attention and Michel will take the time to help in any way that she can. She is flexible and able to attend to many tasks at one time. She has developed friendly relationships with many of the families who use the Child Development Center for the care of their young children. There are times when things get tense in the office and Michel is able to diffuse the tension and often bring the lighter side to the perspective of the situation. The Center is thankful that Michel is here to rely on for the smooth operations of the classes, center and program. When you see Michel, congratulate her for doing a terrific job and celebrate her nomination as February's Classified Employee of the Month. And remember that, you too, can help us to

recognize exemplary classified employees by nominating them for this award by the 15th of each month. Nomination forms are available: 1) on the CPDT website:<http://www.lanecc.edu/cpdt/recognition/eominfo.html>; or 2) from Elaine Marsh, IRAP: marshe@lanecc.edu

LANE PREVIEW NIGHT THANK YOU

A huge thank-you to everyone on campus who assisted with this year's Lane Preview Night. The program attracted well over 1,000 parents and students from across Oregon to the main campus for an information fair, workshop presentation and a welcome from President Mary Spilde and student leadership. Lane Preview Night is an annual success because of the time, talent and knowledge that current students, faculty and staff share with our target audience and community. Submitted by David Van Der Haeghen, Student Recruitment and Outreach Coordinator.

MAKING WISE CHOICES - A WORKSHOP FOR STRUGGLING STUDENTS

It's Week 6. Do your students know how they're doing in your class? Are you concerned with how well some of your students are performing? The answer may not be as simple as withdrawing or changing their grade to an audit. These decisions can have serious consequences. Encourage students to attend the Making Wise Choices workshop. Making Wise Choices educates students on GPA calculation and the various grading options - including pass/no pass, withdrawals, and incomplete grades. It reviews financial aid expectations for satisfactory academic progress (SAP) and provides information on campus support services. Tuesday, February 15, 1-2 p.m., Building 19, Room 232; Tuesday, February 22, 11:30 a.m.-12:30 p.m. Building 19, Room 234; Thursday, February 24, 3-4 p.m., Building 19, Room 250. COLLABORATIONS DANCE 2011 FEBRUARY 24-26

The Lane Dance Program presents Collaborations Dance 2011 from February 24-26 in the Performance Hall, Building 6. All performances begin at 7:30 p.m. The concert includes choreography by members of the dance faculty and danced by Lane dancers and members of the community. Tickets are \$10 general admission, \$8 for students, staff and seniors (55+). Advance tickets are available online at lanecc.edu/tickets, or at the door on performance nights. Bonnie Simoa will present two pieces. The first, "Concatenation," unfolds meaning through dimensional designs in space, textural relationships, and full-bodied gestural phrases. Accompanied by the gorgeous cello music by David Lang's "World to Come," eight dancers from the Lane Dance company, dressed in blood red silk from shoulder to heels, weave stories and tales through the fabric of space with dancing ranging from delicate to ravenous. Simoa's second piece is the premier of "Tracing Vestiges" with the Lane Dance Company. Hauntingly beautiful, this dance explores the power of pivotal moments from our past that remain in our consciousness and shape and define who we are. The work is accompanied by the stirring dreamlike music from "Riceboy Sleep" by Jonsi and Alex. Jean Nelson presents "Bop Bop," a swinging, zesty, spirited piece set to Frank Sinatra's "Bop! Goes My Heart."

Alseny and Andrea Yansane present "Bagatae," a medley of music and dance pieces from the Baga people, an ethnic group found on the coast of Guinea, West Africa.

Sarah Nemecek offers "Shadows of Clouds Rolling Across Mountains." This original work set on dancers of the Lane Dance Company was provoked by an exploration into time, and how the external perception of time is dependent upon internal climate. Dancers investigate how working independently, in duet, in trio, in group unison impacts their experience of time, and how the progression of time impacts the choices they make within the limited framework of the choreography.

Anita Sanford presents "Grief" and "Usher Medley." "Grief" takes the viewer on a journey through life's twists and turns with a potpourri of dance styles. "Usher Medley," is a fun dance tribute to music artist Usher, set to his music.

Laura Hiszczyński premieres "Games We Play," a dance that developed from the playful, energetic and creative qualities of the dancers. In the spirit of true collaboration, the dance was created by the dancers through playing various "games."

FACULTY: HELP YOUR STUDENTS DEVELOP TIME MANAGEMENT AND SELF-MANAGEMENT SKILLS

Due Monday, March 7 at midnight: Ten curriculum development mini-grants are available this winter term to infuse time management and self-management strategies into your curriculum. Sponsored by the Title III Engaging Students grant, this round of grants supports work that uses integrative learning to intentionally develop students' time management and self management skills. STEMTECH CONFERENCE CALL FOR PROPOSALS

The League for Innovation is accepting proposals for the second annual STEMtech conference now through April 15. This new conference brings educators, industry leaders, and others to discuss increasing student learning and success in science, technology, engineering, and mathematics (STEM) majors and careers and to explore the strategic use of information technology to better serve their students, campuses, and communities. Proposals are being

sought for concurrent sessions, roundtable discussions, and posters sessions for the following conference tracks: health and science; energy, environment, and sustainability; mathematics, engineering, and architecture; manufacturing, industry, and agriculture; technology, multimedia, and telecommunication; recruiting, retaining, and transitioning students into STEM programs; technology systems and applications; and e-learning resources. Submit online at:

http://www.league.org/2011stemtech/cfp/cfp_page1.cfm

Faculty who are accepted to present at this conference may be eligible for funding through a special fund offered by President Spilde through Faculty Professional Development. For information about funding contact Tamara Pinkas, Lane's League Rep, at 5011.

PERS SEMINAR

February 23, 12-1 p.m. and March 1, 4 p.m.-5 p.m., Building 5, Room 206. The seminar will be presented by First Investors and geared towards employees retiring in 2012. However, the seminar will be generic in nature so that any employee, regardless of tenure, may attend. Please RSVP to Anna at anna.ponykala@firstinvestors.com Refreshments will be provided.

BECOME A CROSS PAPER FELLOW

Proposals for The Cross Papers Fellowship 2011-12 are due April 30. The fellowship recipient will write The Cross Papers Number 15, and present the work during a special session at Innovations 2012 in Philadelphia. The recipient is awarded a \$2,000 stipend, complimentary registration to Innovations 2012, up to \$1,000 toward travel expenses for the conference, 10 copies of the published monograph, and a commemorative plaque. The fellowship is designed for community college practitioners and scholars. The Cross Papers blend meaningful research and effective strategies for teaching and learning, and the primary audience is community college faculty. More information and proposal guidelines are available at

<http://www.league.org/crosspapersfellow/index.cfm> Tamara Pinkas, League Rep., 5011.

FACILITIES UPDATES

KEYS REMINDER

Every year a number of new employees, including temporary and part-time faculty, need keys cut right away (rushed) to get immediate access to buildings and rooms during off campus shifts or hours when the campus is normally closed to the public. This year, we will also have a new keyless access system that will be programmed to allow smart cards issued to employees to have access to exterior doors after 11 p.m. and before 6 a.m. when the college is typically closed to the public. Manual keys are needed for interior doors. Please submit your work requests for keys as early as possible so that FMP staff can cut the needed keys and send them up to Public Safety for issuance to the respective requestors. In addition, those that do not have their smart access cards yet, are encouraged to call the Public Safety office at extension 5558

to arrange a time to process their access card. It usually only takes about 10 to 15 minutes to get a card. Thank you.

PROJECT UPDATES—

BUILDING AUTOMATION SYSTEM (BAS)

Lane staff continues to track affected areas with the latest BAS trending tools. Please continue to report any HVAC issues or concerns to the Facilities office at facilitiesoffice@lanecc.edu or call extension 5216 as work to complete the system integration process is finalized. Contact Anna Scott, 5805

DOWNTOWN CAMPUS BUILDING

The design team continues to work on developing the design of the interior and exterior of the building and the cost estimators continue to refine their estimates. The college has hired a consultant to assist the architects to minimize "accessibility" issues in the building design. The design team is scheduled to make a status report to the management team on Thursday, February 10. Contact Bob Mention, 5747.

CURRENT NOTICES—

NOTICE: BUILDINGS 10 and 11 CONSTRUCTION TRAFFIC CONGESTION

Structural steel for building 10 is scheduled for delivery during this week. The delivery is expected to cause some traffic congestion on the east side of building 10 during the times the trucks are being unloaded. Staff and students are encouraged to use the campus entrance between buildings 10 and 12 if parking in the east lots. Contact Mark Richardson, 3456.

NEWS AND ANNOUNCEMENTS

OBITUARY:

The Social Science Department regrets to announce the death of Eugene Police Sergeant Jerry Webber. He suffered a fatal wound from the accidental discharge from one of his rifles. Sgt. Webber was an instructor in the Criminal Justice Program at Lane Community College having been the instructor for the Narcotics and Dangerous Drug class taught each spring term. He did a great job with his Criminal Justice work, presenting difficult material to an appreciative audience. He was an excellent police officer, professional and dedicated to the service of his community. Submitted by John Delnero and Ken Murdoff.

GROUPWISE FIX

Many of you have noticed that GroupWise (GW) email has experienced frequent instability during this last year which coincided with our upgrade to GroupWise version 8 last February. We applied multiple patches, each one promising to fix the issues we were experiencing. However, each patch, although fixing one thing frequently broke another and the instability remained. Recently, at a conference, we learned that these problems were inherent issues in the upgraded GroupWise version 8 and all schools working with GroupWise were experiencing the same troubles. We believe we have a "fix" by changing the operating system for GW. We plan to implement this shift at a time that minimizes the impact on the campus community and are targeting the latter part of the spring break. We will keep you informed. Thanks for your patience.

REACH STUDENTS THROUGH MYLANE

myLane has powerful messaging capacity that allows staff and faculty to get information to specific populations of students. Because myLane is connected to Banner, any information stored in the student records can be used as a way to send messages. For example, you can send messages to students with a specified GPA, credit hours, major, completed courses, etc. Messages are displayed in the personal announcements channel on the myLane home page. If you would like to know how to use this robust messaging tool, contact Carol McKiel ext 3132 or mckielc@lanecc.edu

ACADEMIC COLLOQUIUM

The campus community is cordially invited to attend the Academic Colloquium, "East Meets West/ Muslim Meets Christian World," presented by Speech faculty member, Karen Krumrey, at 3:00 p.m. on Thursday, February 17th in CML 214 (refreshments provided). Karen will present and share photos from the Council on International Educational Exchange seminar she attended, "Spain and Morocco: Exploring the Coexistence and Challenges of Neighboring Cultures." A flyer is available online at:

WOMEN IN TRANSITIONS BENEFIT CONCERT FEBRUARY 19

A benefit concert for Lane's Women in Transitions program will be held Saturday, February 19, at 7:30 p.m. in the Ragozzino Performance Hall, featuring Soromundi, Lesbian Chorus of Eugene. Tickets are \$10, or \$8 for students and seniors. Available at the door or online at www.lanecc.edu/tickets Contact: Barbara Delansky, delanskyb@lanecc.edu ``

COLLABORATIONS DANCE CONCERT FEBRUARY 24-26

The Lane Dance Program presents Collaborations Dance 2011 from February 24-26 in the Performance Hall, Building 6. All performances begin at 7:30 p.m. The concert includes choreography by members of the dance faculty and danced by Lane dancers and members of the community. Tickets are \$10 general admission, \$8 for students, staff and seniors (55+). Advance tickets are available online at lanecc.edu/tickets, or at the door on performance nights. Bonnie Simoa will present two pieces. The first, "Concatenation," unfolds meaning through dimensional designs in space, textural relationships, and full-bodied gestural phrases. Accompanied by the gorgeous cello music by David Lang's "World to Come," eight dancers from the Lane Dance company, dressed in blood red silk from shoulder to heels, weave stories and tales through the fabric of space with dancing ranging from delicate to ravenous.

Simoa's second piece is the premier of "Tracing Vestiges" with the Lane Dance Company. Hauntingly beautiful, this dance explores the power of pivotal moments from our past that remain in our consciousness and shape and define who we are. The work is accompanied by the stirring dreamlike music from "Riceboy Sleep" by Jonsi and Alex.

Jean Nelson presents "Bop Bop," a swinging, zesty, spirited piece set to Frank Sinatra's "Bop! Goes My Heart."

Alseny and Andrea Yansane present "Bagatae," a medley of music and dance pieces from the Baga people, an ethnic group found on the coast of Guinea, West Africa.

Sarah Nemecek offers "Shadows of Clouds Rolling Across Mountains." This original work set on dancers of the Lane Dance Company was provoked by an exploration into time, and how the external perception of time is dependent upon internal climate. Dancers investigate how working independently, in duet, in trio, in group unison impacts their experience of time, and how the progression of time impacts the choices they make within the limited framework of the choreography.

Anita Sanford presents "Grief" and "Usher Medley." "Grief" takes the viewer on a journey through life's twists and turns with a potpourri of dance styles. "Usher Medley," is a fun dance tribute to music artist Usher, set to his music.

Laura Hiszczyński premieres "Games We Play," a dance that developed from the playful, energetic and creative qualities of the dancers. In the spirit of true collaboration, the dance was created by the dancers through playing various "games."

40 WORKS--REGIONAL JURIED ART EXHIBIT OPENS FEB. 22

TEA AND TOPICS: TALK ABOUT YOUR TEACHING. Getting and Staying Connected:

Integrated Curriculum and Faculty Collegiality Please join us next Friday, February 25th from 3-5 pm in 19/241 for light refreshments and a conversation about how faculty teaching in learning communities can get connected, stay connected, and integrate their curriculum for the highest student learning impact. We'll also brainstorm ways that Learning Communities and the Title III Engaging Students program can best support faculty in their work in learning community environments. "Tea and Topics" provides occasions for faculty and instructional staff across disciplines to get to know one another better, to develop an interdisciplinary perspective around issues related to student success, to share information and to problem-solve. Part-time faculty are eligible to receive a stipend for attendance. For more information, contact Anne McGrail at mcgraila@lanecc.edu or visit our website:

LCC STUDENTS CELEBRATE BLACK HISTORY MONTH WITH SPECIAL EVENTS FEB. 26-27

Acclaimed performers are coming to Eugene for Black History Month events sponsored by Lane Community College student groups and co-sponsors.

A Billie Holiday Tribute will be held Saturday, February 26, from 7-9 p.m. at Central Lutheran Church, 1857 Potter Street in Eugene. Maya Thomas will perform. Thomas is a Lane alumni and graduate of the Julliard School in New York City. After many years working in NYC and then as a company member of the Oregon Shakespeare Festival, Thomas is back to celebrate the life and music of American jazz singer and songwriter Billie Holiday. Thomas has dedicated herself to the lifework and legacy of Billie Holiday for the past 15 years. Oliver Lake will perform an introductory piece.

Oliver Lake performs Sunday, February 27 from 4-6 p.m. in the Lane Performance Hall, main campus, 4000 E. 30th Avenue in Eugene. He is an acclaimed saxophonist, composer, poet and performer. He helped establish the St. Louis Black Artists Group in the 1960s and founded the World Saxophone Quartet in 1977. His son is jazz drummer Gene Lake. The event includes an opportunity to meet and talk with Lake following the performance.

Opening for Lake will be the West African music and dance company Won Tan Nara with Alseny Yansane and Andrea DiPalma, and Mounfanyi Percussion and Dance Ensemble with Fana Bangoura. Each will give a 15-minute performance. Caribbean folk musician Evan Belize will perform a Calypso music piece.

Sponsors include the Associated Students of Lane Community College, Black Student Union at Lane Community College, Red Lion Hotel of Eugene, Eugene Weekly, KLCC 89.7 and Facilities, Management and Planning.

This is an educational opportunity for students that will offer insight on the African American experience, says Eric Richardson, multicultural program coordinator for ASLCC.

Tickets are \$12 general admission, \$5 for students, staff and seniors. Advance tickets are available online at www.lanecc.edu/tickets or at the door the nights of the performances.

CLASSICAL CUISINE DINNER "A FEAST OF TALES"

LANE ATHLETES COLLECT 510 POUNDS OF FOOD

Lane Athletes collected food during the exciting Jam the Gym basketball event Saturday, January 29th. Thank you coach Greg Sheley, the athletic leadership team and all that helped. Food in the department I Can, One Can boxes will be collected Wednesday, February 23rd. Everyone keep up the good work. All the food goes to Food For Lane County for food boxes and meal sites. Remember to donate one can of non-perishable food a month to Lane's ongoing food drive. For some people getting a food box makes a difference in being able to buy needed medication or to pay a heating bill. Many food box recipients are working however still unable to meet basic needs. Look for a box near you or call for a location, 541-463-5395. Submitted by Beverly Farfan, farfanb@lanecc.edu

FACILITIES UPDATES

FOOD SERVICES HOURS: Beginning February 21, 2011, the Food Court will be closing at 5 p.m., Blenders Espresso will continue to stay open until 6 p.m.

THINK SUMMER - PROJECT REQUESTS DUE BY APRIL 1

Have a summer project? Now is the time to make the request for Facilities Management and Planning support. Projects submitted after April 1 will likely not be considered for the summer project work schedule. Please make requests by following the COPPS procedure located at: <http://lanecc.edu/facilities/workrequests.html>. Be sure to include the funding source (if you have one), the reasoning for the need...for example: Is this a safety, regulatory compliance, indoor air quality, instructional space, or another type of request? Include the schedule needed, any constraints to the schedule, the sponsors, and all other information helpful in describing the specifics of the request. FMP is looking at a very busy summer schedule. Don't miss this opportunity and plan now. Contact David Willis, 5566.

MOTOR POOL UPDATE

FMP is in the process of refreshing some of the college's aging motor pool fleet. If you have an unmet motor pool need that FMP should be made aware, please e-mail information to [Russ Pierson](mailto:Russ.Pierson) or [David Willis](mailto:David.Willis). We have limited funds but will do what we can to meet your needs. Contact David Willis, 5566.

WATER CONSERVATION STUDENTS RETROFIT RESTROOMS

Last week, students from Lane's Water Conservation Program retrofit 37 restroom water faucets with aerators that restrict water flow from 1.5 gallons per minute or more to 0.5 gallons per minute. Student groups have been working on bathroom faucet retrofits since 2006. Currently, about 80 percent of campus bathroom faucets have been retrofitted. These retrofits appear to have had a significant impact on our water use. Through the combined efforts of staff and students, we achieve an annual average savings of 73 gallons per student per year and an average cost savings of \$2,257.61 per year. Aerators were generously donated by EWEB. Contact Jennifer Hayward, 5594.

HOUSEKEEPING

Housekeeping staff has noticed numerous spills and carpet stains in classrooms. Please remind students to refrain from bringing food or drink into classrooms. Faculty may want to reference policy via the college online policies and procedure system (COPPS) at <http://www.lanecc.edu/cops/food.htm>. A new Housekeeping web page has been created and is under construction. Housekeeping is listed on the FMP website at <http://www.lanecc.edu/facilities>. Contact Katherine Vos, 3455.

PROJECT UPDATES

BUILDINGS 10 AND 11 REMODEL

Steel construction has started in the interior of building 10. Much of the steel connections are bolted together and will not require welding equipment to be running. However, setting steel into place can be noisy at times when fitting pieces together. Most of the interior and exterior block walls are complete. Construction is expected to continue this week on the west side of building 10. Concrete placement is scheduled for Friday, February 18, and will be pumped into place with equipment staged on the south side of the construction fence in order to prevent trucks from running between buildings 10 and 11. Access between buildings 10 and 12 will be congested but will remain open for central campus access.

DOWNTOWN CAMPUS BUILDING

Planning for the ground breaking ceremony is moving ahead and all the parts that will come together for the March 4 event. The contractor will begin mobilizing on the site shortly after March 4 and plans are to issue the first bid package on or about February 21. The first bid package will be for soil grouting and it is a large contract. The bids will be due later in March and the contractor will need to get the successful subcontractor started as soon as possible. Consequently, the Board of Education authorized President Spilde to award the contract for "soil grouting" to the lowest qualified bidder instead of waiting until the April board meeting.

The architects and engineers continue to reconcile the estimates and refine the design to meet the schedule of completing the design development phase by March 1. Contact Bob Mention, 5747

COLLABORATIONS DANCE CONCERT FEB. 24-26

The Lane Dance Program presents Collaborations Dance 2011 from Feb. 24-26 in the Performance Hall, Building 6. All performances begin at 7:30 p.m. The concert includes choreography by members of the dance faculty and danced by Lane dancers and members of the community. Tickets are \$10 general admission, \$8 for students, staff and seniors (55+).

Advance tickets are available online at lanecc.edu/tickets, or at the door on performance nights. Bonnie Simoa will present two pieces. The first, "Concatenation," unfolds meaning through dimensional designs in space, textural relationships, and full-bodied gestural phrases.

Accompanied by the gorgeous cello music by David Lang's "World to Come," eight dancers from the Lane Dance company, dressed in blood red silk from shoulder to heels, weave stories and tales through the fabric of space with dancing ranging from delicate to ravenous.

Simoa's second piece is the premier of "Tracing Vestiges" with the Lane Dance Company.

Hauntingly beautiful, this dance explores the power of pivotal moments from our past that remain in our consciousness and shape and define who we are. The work is accompanied by the stirring dreamlike music from "Riceboy Sleep" by Jonsi and Alex.

Jean Nelson presents "Bop Bop," a swinging, zesty, spirited piece set to Frank Sinatra's "Bop! Goes My Heart."

Alseny and Andrea Yansane present "Bagatae," a medley of music and dance pieces from the Baga people, an ethnic group found on the coast of Guinea, West Africa.

Sarah Nemecek offers "Shadows of Clouds Rolling Across Mountains." This original work set on dancers of the Lane Dance Company was provoked by an exploration into time, and how the external perception of time is dependent upon internal climate. Dancers investigate how working independently, in duet, in trio, in group unison impacts their experience of time, and how the progression of time impacts the choices they make within the limited framework of the choreography.

Anita Sanford presents "Grief" and "Usher Medley." "Grief" takes the viewer on a journey through life's twists and turns with a potpourri of dance styles. "Usher Medley," is a fun dance tribute to music artist Usher, set to his music.

Laura Hiszczyński premieres "Games We Play," a dance that developed from the playful, energetic and creative qualities of the dancers. In the spirit of true collaboration, the dance was created by the dancers through playing various "games."

TEA AND TOPICS: TALK ABOUT YOUR TEACHING. Getting and Staying Connected:

Integrated Curriculum and Faculty Collegiality Please join us this Friday, Feb. 25th from 3-5 pm in 19/241 for light refreshments and a conversation about how faculty teaching in learning communities can get connected, stay connected, and integrate their curriculum for the highest student learning impact. We'll also brainstorm ways that Learning Communities and the Title III Engaging Students program can best support faculty in their work in learning community environments. "Tea and Topics" provides occasions for faculty and instructional staff across disciplines to get to know one another better, to develop an interdisciplinary perspective around issues related to student success, to share information and to problem-solve. Part-time faculty

are eligible to receive a stipend for attendance. For more information, contact Anne McGrail at mcgraila@lanecc.edu or visit our website: <http://lanecc.edu/lc/fresources/TeaAndTopics.htm>

FACILITIES UPDATES

FOOD SERVICES HOURS: Beginning Feb. 21, 2011, the Food Court will be closing at 5 p.m, Blenders Espresso will continue to stay open until 6 p.m.

STICKY RESIDUE FROM TAPE DAMAGE PAINTED SURFACES

Facilities painters have completed painting the grey concrete in Building 5, at the P.E. lobby, with a clean, bright white paint. Please help keep all of the campus painted surfaces looking their best by not using Scotch tape or packing tape to post notices on painted surfaces. These products leave a sticky residue that damage painted surfaces. Instead post notices on bulletin boards, tape on glass surfaces, or use special white or blue "painters tape". Thank you for your support. Contact Angela Fazio, 3428

RECYCLING CENTER PROJECT ACHIEVES HIGH CONSTRUCTION RECYCLING RATE

Hyland Construction has reported a 65 percent recycling rate for the Building 10 project, which includes Lane's new Recycling Center. The construction project recycling and waste minimization work and reporting aligns with the college's core value of sustainability, educates contractors about construction and demolition recycling, and provides the college with a model of sustainable project construction. Among other items, Hyland recycled over 3.5 tons of metal, 3 tons of wood, and 2.5 tons of brick since construction began. Contact Mike Sims, 5569.

PROJECT UPDATES

DOWNTOWN CAMPUS BUILDING

The project contractor, Lease Crutcher Lewis (LCL), started work mid-January. Since then, LCL has been working with the design team to provide constructability reviews, time schedules and cost estimates. Construction cost estimates are still above budget and the design team continues to work with the contractor to find opportunities to bring them into budget.

The first physical work needing to be done on the project is to stabilize the subsurface soil at the west side of the pit. This will be done by a process called "Jet Grouting." The process involves injecting a cementitious grout into ground below the surface. This will reinforce and stabilize the soil. The contractor let contract documents for doing this work out for bid on February 17. Bids are due on March 4. Physical work will commence shortly thereafter. Contact Bob Mention, 5747.

JOIN A TEACHING SQUARE GROUP

Faculty members are invited to participate in Teaching Squares this spring. The program is designed to improve teaching skills and build community through a non-threatening process of classroom observation and shared reflection. A Teaching Square is a group of four faculty members from different disciplines who engage in reciprocal classroom visits, share syllabi and other pertinent course information, reflect on classroom observations, and discuss best practices with colleagues. Past participants have said, "It was stimulating," and, "It was a great experience seeing other instructors teach... I feel like I was able to gain insight on some teaching practices that do and do not work in the classroom... I also like that it was not a huge time commitment." FPD provides a \$200 stipend for faculty members to facilitate participation. If you are interested in participating, please register by March 4, 2011. Registration information and additional details are available online at: <http://www.lanecc.edu/fpd/teachingsquares.html> or contact Faculty Professional Development Coordinator, Adrienne Mitchell at mitchella@lanecc.edu or x 5871.

MAKING WISE CHOICES - A WORKSHOP FOR STRUGGLING STUDENTS

Are you concerned with how well some of your students are performing? The answer may not be as simple as withdrawing or changing their grade to an audit. These decisions can have serious consequences. Encourage students to attend the Making Wise Choices workshop. Making Wise Choices educates students on GPA calculation and the various grading options - including pass/no pass, withdrawals, and incomplete grades. It reviews Financial Aid expectations for satisfactory academic progress (SAP) and provides information on campus support services. Tues, Feb 22, 11:30-12:30 p.m. Bldg 19, Rm 234; Thurs, Feb 24, 3:00-4:00 Bldg 19, Rm 250

INTERSECTIONS OF IMMIGRATION SYMPOSIUM

The University of Oregon Latino/a Law Student and Multicultural Law Student Associations (LALSA and MLSA) will hold a symposium entitled Intersections of Immigration on Feb. 25, 2011. The student portion of the symposium will be held from 9:30 a.m. to 6:00 p.m. The symposium will be based around the intersections between immigration and other areas of law. There will be five discussion panels as well as lunch, a keynote speaker, and post-event hors d'oeuvres. Four Oregon State Bar CLE credits are pending for the event, and four Washington State Bar CLE credits have been approved.

Registration may be completed via our website at <http://oregonsymposium.weebly.com>. Students must register on our website by Feb. 20 to attend free of charge with their valid student IDs. The panels will cover topics of family law and immigration; criminal law and immigration; business law and immigration; human rights law and crisis immigration, including asylum and domestic violence law; and nonprofit law and immigration.

There will be three to four panelists per panel. Each group of panelists will be composed primarily of immigration practitioners who specialize in the panel's corresponding area of law. Law professors will moderate the panels and ask the panelists questions regarding practical considerations for those in immigration practice, such as daily work, types of clients served, and types of projects completed. Each panelist will have the opportunity to respond to policy questions, including questions regarding the effects of immigration on corresponding areas of law as traditionally practiced, possible areas of improvement within the immigration system, and opportunities for improved client situations and efficiency levels if immigration policies were changed. Please e-mail trujillo@uoregon.edu or jaked@uoregon.edu with questions.

JOIN SOLV FOR AN OREGON TRADITION ON MARCH 26TH FROM 10 AM TO 1PM!
 Perhaps LCC would like to have a group or groups join the effort.

The first all-volunteer beach cleanup in the nation was held here in Oregon in 1984. Twenty-seven years later, thousands of volunteers continue to come together twice a year each spring and fall to take care of our beaches. The beautiful Oregon coastline accumulates trash washed ashore after winter storms, and volunteers will brave the spring weather on Saturday, March 26th to pick up litter and protect the health of our watersheds and oceans. www.solv.org

EVENTS THIS WEEK

ARTISTS' RECEPTION, "FOH: Front of House: The Art of Dining Architecture, Hospitality and Service," David Joyce Gallery, Center for Meeting and Learning, Thursday, March 3, 4:30-6 p.m., Building 19. Hors d'oeuvres prepared and served by Culinary Arts and Hospitality students. Featuring six local artists, FOH celebrates this familiar term used in the culinary and hospitality industry, which indicates all hospitality operations that occur outside of the kitchen, primarily the dining room. The exhibit plays upon this widely-used term, and focuses on restaurant architecture and the exteriors that visually invite and welcome us as well as images that depict the essence of hospitality and service and the intimate connection between nourishment and community. Contact: Julie Fether, 3518.

A FEAST OF TALES: CLASSICAL CUISINE DINNER, Thursday, March 3, 5 p.m., Center for Meeting and Learning. Tickets are \$35 each and can be ordered online at lanecc.edu/culinary/cuisine.htm. The five-course dinner features British cuisine including petite Cornish pasties for hors d'oeuvres, a Cornish style red fish soup, braised shoulder of lamb with potato and curds pie, a beetroot salad and a Scottish tart for dessert. Entertainment will feature Lane theatre students performing a variety of Shakespeare scenes and songs directed by Sparky J. Roberts, plus a performance by Ashland performer Joe Cronin. A no-host wine and beer bar will be available.

BUILDING IT TOGETHER: DOWNTOWN GROUNDBREAKING, Friday, March 4. Event kicks off at 10:30 a.m. with comments in the Eugene Public Library Bascom/Tykeson Room, followed by dirt-tossing at 11:15 a.m. on the site across the street, and a reception afterwards in the Atrium Building lobby. Joining Lane President Mary Spilde will be Lane Board of Education Chair Tony McCown, Eugene Mayor Kitty Piercy, Governor's Office Education Policy Advisor Nancy Golden, and U.S. Senator Jeff Merkley. Contact: Brett Rowlett.

CPDT - IPPD I - SPRING 2011 APPLICATION DEADLINE APPROACHING

The application deadline to request IPPD 1 funding for spring term 2011 is Wednesday, March 16, by 5 p.m. For those of you who are not familiar with this opportunity, the IPPD 1 program helps classified staff to reach their own personal/professional goals by assisting with books, fees, and tuition for courses taken through Lane Community College for credit or non-credit and/or university classes for those seeking a higher education degree.

Please read the guidelines carefully. Fill out the application and return three copies - complete - to Kathy Alexander in Human Resources, Building 3, Room 114. Late and/or incomplete applications will be returned and not be accepted. If you require support for filling out the application, have questions regarding documentation requirements, or any other questions, please contact one of the sub-committee members listed below - prior to the application deadline. We will be glad to assist you. All IPPD fund request, applications and guidelines, are located at the following website: <http://www.lanecc.edu/cpdt> - CPDT Main web page. Submitted by Kathy Alexander, IPPD I Chair, 5586.

BUILDING USE AFTER HOURS POLICY REMINDERS

Students may not stay in a building without other staff or faculty present, i.e. unattended, In this case, "staff" means program staff, not service support staff such as housekeepers.

Staff and faculty must notify Public Safety if they plan on working, entering, or remaining in a building after the building is closed.

The intent of these established policies is to assist in accounting for people during emergency situations, to assist individuals who may be working and have an accident or suffer an injury, and to improve Public Safety service and crime prevention effectiveness especially with regard to making contact with persons not authorized on campus. Contact: Jace L. Smith, Public Safety Manager, 5561.

GROUPWISE UPDATE

Last week two unrelated events occurred simultaneously, creating a very disruptive experience for us all. One of the events was a scheduled-delivery e-mail requesting your cooperation in cleaning up your GroupWise mailbox. The other was a condition that made it nearly impossible for you to empty your GroupWise trash while you were trying to clean up your mailbox. In addition to these two events, the scheduled-delivery e-mail we sent should have been blind copied to the "LCC Employees" list, but wasn't - creating the "reply to all" storm that was endured by all. We truly apologize for the disruption to your work and the frustration you have endured due to these events.

The trash-emptying issue has to do with the fact that we implemented an "e-mail mirroring" solution, named Reload, last September. Not only does Reload "back up" our e-mail system; it creates a mirror image that can be used to quickly restore accidentally deleted folders and messages, and to restore damaged mailboxes. We have configured Reload with a safety switch that prevents users from emptying their trash until those items have been backed up. Doing so is what allows us to restore accidental deletions.

The Reload system had a communication issue after the Data Center power shutdown that was not resolved until late Tuesday afternoon. As a result, no backups were made between Thursday, February 17 and Wednesday, February 23. So, while many of you were dutifully cleaning out your mailboxes, you were unable to empty your trash because Reload had not been able to back up those items. Again, we are very sorry for the aggravation this caused you. Finally, many of you wrote that this trash-emptying issue has been going on for months. When Reload is running correctly, you can empty any items deleted prior to the current day; the current day is excluded that's because those items have yet to be backed up. We dropped the ball in letting you know about the Reload implementation last fall and, clearly, many of you have noticed the different GroupWise behavior and have been exasperated by it. There simply is no other way to create a safety net for accidental deletions that does not negatively impact the trash emptying experience.

We apologize for the disturbance this has caused and for our lack of collegewide notification of the implementation of the Reload solution. Our intention for the future is to provide regular updates through the Weekly to ensure you are informed of changes, updates, new features, etc. to ensure you are not surprised and/or frustrated by changes due to a lack of information. Thank you for your continued patience and support. Submitted by IT.

SEATTLE IN THE SUMMER WITH THE MARINERS AND RED SOX

The Amtrak train trip to Seattle has made its return for the weekend of August 13 and 14. LCCEF is sponsoring this event for all staff, family and friends to join in on a great trip with round trip tickets on Amtrak Cascades (which now has free wi-fi!), a room at the Crown Plaza Hotel and tickets to the Mariner's vs. Red Sox game on Saturday evening. Come join us on a great summer tradition of baseball under the lights in Seattle! Verbal commitments for travel are due by March 11. FACILITIES UPDATES

FMP ROCKS! OUTSTANDING SUCCESS IN REMOVAL OF SNOW AND ICE

A big thank-you to the Facilities staff who worked the extra hours to assure that the ice and snow experienced last week was properly removed and the campus was presented in the safest way possible. It means a lot when staff members come to work at 2 a.m. in order to get an extra start on these things. It is especially appreciated when volunteers from other trades teams offer to come to work at 2 a.m. on these days to help. The Grounds team did a wonderful job spreading deicer granules on the roadways and also spraying liquid deicer on the ramps and stairs. The HVAC team did a great job making sure the heating systems all worked keeping the buildings from freezing. The decision that Dennis Carr made to close the campus before staff and students began to arrive for work and classes on Thursday was also timely and very considerate. Public Safety was very helpful placing "Campus Closed" and "Icy Conditions" signs, closing gates, and securing exterior doors with our new keyless entry system. Contact: David Willis, 5566.

REMINDER - DEADLINE FOR SUMMER PROJECT REQUESTS IS APRIL 1

Please remember to submit a work request for all FMP related project requests planned for this summer by April 1. Contact: David Willis, 5566.

PROJECT UPDATES--

BUILDINGS 10 AND 11 REMODEL

Hyland Construction is operating on a tight schedule and is expected to complete the project as scheduled by August 2011. Steel construction inside the building will be complete March 2. Mechanical and electrical contractors will increase work force and production beginning this week and will start installation of the infrastructure for the project. Kicking off this part of the project is exciting and progress will be easily identified as the project moves closer to completion. First and second floor concrete placements are scheduled in March and will take two weeks to complete. Contact: Mark Richardson, 3456.

BUILDING AUTOMATION SYSTEM

Building Automation System (BAS) Phase 1 project commissioning efforts are continuing and expected to close mid March. Lane staff, SOLARC, and technicians from TraneOregon met during the week of February 22-25 to verify the project's data migration and trending capabilities. Due to the snow day Thursday, testing of the BAS alarming and staff messaging capacity was scheduled and will occur on Wednesday, March 2. Please be aware that some minor interruptions to building equipment may occur as alarm conditions are simulated in order to test the system. Next, commissioning goals include verifying graphics and continued testing of the equipment scheduling programming. Contact: Anna Scott, 5805.

ENERGY EFFICIENCY AND RENEWABLE ENERGY INCENTIVES

The Sustainability office is in the process of rounding up more than \$500,000 in Oregon state tax credits, utility incentives, and grants for their work in conserving electricity and natural gas in Lane Community College's new buildings and renovation projects. The process for

incentive/grant/rebate collection is 50 percent complete. Approximately \$300,000 of this funding comes from the Oregon Department of Energy - Business Energy Tax Credit program for energy conservation and renewable energy generation at the newly constructed Health and Wellness Center and the Solar Station. Over \$90,000 comes from the Eugene Water and Electric Board's energy efficiency rebates for lighting upgrades in Buildings 2, 4, 5, and 10, energy conservation measures in the Health and Wellness Center and the Native American Longhouse, and solar electric generation at the solar station. This is in addition to EWEB's \$100,000 Green Power Grant awarded to the college for the solar station project. The college plans to receive approximately \$31,000 from the Energy Trust of Oregon for its work in reducing natural gas usage at Building 5 and the Laundry facilities by installing a solar thermal array atop the Health and Wellness Center and installing efficient natural gas appliances in the Native American Longhouse and the Building 10 renovation.

On Monday, February 28, TraneOregon will be working at the Center building to help Lane staff resolve recently identified equipment level communications issues.

Work plans are in progress for Building 19 controls and programming to continue work at the CML and Workforce Training areas in March. Primarily this is work to address long term ongoing issues discovered in the BAS equipment level network in Building 19 that has resulted in temperature concerns. Several locations in Building 19 are being operated manually and will continue to be until these issues have been addressed.

BAS Phase 1 upgrades work has involved coordinating staff and student concerns in multiple buildings on the main campus with two control contractors, college energy analyst, and Facilities trade staff. FMP continues to track affected areas with the latest BAS trending tools. Please continue to report any HVAC issues or concerns to the Facilities office by submitting an e-mail to facilitiesoffice@lanecc.edu or by calling extension 5216 as work to complete the system integration process is finalized. For questions, please contact Anna Scott, 5805

COMPUTERIZED MAINTENANCE MANAGEMENT SYSTEM

FMP has researched and is in the process of selecting a new computerized maintenance management system (CMMS) to replace MPulse. Staff training and implementation of the new system is planned to begin in June. Contact: Angela Fazio, 3428.

DOWNTOWN CAMPUS BUILDING

The snow-caused campus closure last Thursday preventing the project design/management team from meeting with the college managers. The meeting is to be rescheduled. The architects have completed the design development phase of the project and have moved into the contract documents phase.

The contractor has issued bid documents for stabilizing the soil on a portion of the site. The bids are due March 8. Actual work to stabilize the soil will not begin until after the college approves the bid. The contractor plans to issue another set of bid documents next week. This set will be for site demolition, geo-wells and structural fill.

The official Downtown Campus building groundbreaking ceremony is scheduled for March 4. Contact Bob Mention, 5747.

LANE T&F PREVIEW NEEDS VOLUNTEERS. On Saturday, March 12th Lane Community College will be hosting its first Track and Field meet since 2005. We are looking for meet helpers, no experience needed, anybody who can move a hurdle or hold a tape measure. Willamette University, Northwest Christian University, South Western Oregon Community College, and College of the Siskiyous will be competing against the Titans. We will also be looking for additional help on May 14th when we host the NWAACC Southern Region Championships. Please e-mail me if you are interested in either of these volunteer opportunities. Thank you, Grady o'connorg@lanecc.edu

COMMUNITY HELPERS: We are in an unpredictable environment, and encounter folks in the community with a variety of needs and life challenges. Being proactive in difficult and delicate

situations is important. Community trainings are offered through Shelter Care and White Bird organizations on the fundamentals of De-Escalation. De-Escalation is the term for (staying calm while helping folks in crisis situations). Shelter Care and White Bird are both good contacts for onsite trainings. NAMI www.nami.org is also an excellent local resource. Keep in mind First Christian Church, Oak Street downtown offers limited community assistance for folks in crisis situations with a variety of needs, whether it is food, shelter, or bus fare. In addition, there are the Egan Warming Centers, <http://eganwarmingcenter.com/> and St. Vincent de Paul's Lindholm Service Station, Hwy 99 <http://www.svdp.us/what-we-do/emergency-services/>. More information about local community assistance and agencies can be obtained through <http://www.211lane.org>. Submitted by Celia Maximin - Continuing Education maximinc@lanecc.edu

IT'S TIME FOR THE 54TH ANNUAL Eugene's Parent Child Preschool Play! This year we are presenting "Second Hand Story": A tale starring The Big Bad Wolf, Papa Bear, Jack, Rapunzel and more! We will also have a shadow Puppet Play, "The Little Engine That Could." The performances will be Saturday, March 5 & 12 at 1376 Olive St. next to the First United Methodist Church. Showtimes are at 10 am; 11:30 am; 1 pm; 2:30 pm. Advance Tickets: \$4 per person or \$12 for a family of four. Pay at the door: \$5 per person or \$15 for family of four. Game, refreshments, preschool open house and prize drawings following each performance! Call 541-338-8841 or e-mail Stacey Zinniker (zinnikers@lanecc.edu) for more information or advance tickets.

A GREAT VACATION GET AWAY is found at the BLK Beach House in Florence. Not only that, you can bring your dog for free. This is a newer manufactured home in great condition with a fenced in yard, spacious open living room, 2 bedrooms, 1 bath, and the kitchen is supplied with everything you need: pots, pans, microwave, coffee pot, toaster and more. There is a queen size bed in one bedroom and twin and full size beds in the other room. It's a five minute walk to the beach. This is our home away from home and rented only to select clientele (like Lane employees). Guests are on the honor system to respect our home. The rates are very reasonable, in part because you are expected to clean up after yourself upon departure. There's a two night minimum and rates are \$58/weekend night in the winter/spring. Call Wendy Simmons at (541) 431-1277 or e-mail her at wsimmons@efn.org for more information.

EVENTS THIS WEEK

VISITING SCHOLARS IN ISLAM: A lecture by national scholar and author Carl W. Ernst will be held Tuesday, March 8, from 5:30-7 p.m., at the Center for Meeting and Learning, Building 19, Room 104. It is free and open to the public. Ernst is the William R. Kenan, Jr. Distinguished Professor of Religious Studies at the University of North Carolina at Chapel Hill, and director of the Carolina Center for the Study of the Middle East and Muslim Civilizations. Ernst is a specialist on Islam in West and South Asia, and author of more than eight scholarly books, including the prizewinning work "Following Muhammad: Rethinking Islam in the Contemporary World" (UNC Press, 2003, translated into six other languages; and he is co-editor of a recent collection of essays titled "Rethinking Islamic Studies: From Orientalism to Cosmopolitanism" (USC Press, 2010). His lecture is titled, "Rethinking Islam in the Contemporary Era." This will provide an overall introduction to the subject of Islam using an historical approach that will also address certain key contemporary issues, including the historic presence of Muslims in Europe and America, and the significance of anti-Muslim prejudice today. Other topics will include basic features of Islamic law and ethics (shari`a), theologies, and relations with other religious traditions. The lecture will be followed by a moderated discussion. The lecture will be followed by a moderated discussion. Submitted by the editor.

TEA AND TOPICS: TALK ABOUT YOUR TEACHING: Thursday, March 10, from 3-5 p.m., Building 19, Room 241, our fifth "Tea and Topics" teaching conversation of the year. Topic: "Writing Across the Curriculum." How can we increase the role that writing plays in all of our courses? How can we extend writing instruction beyond the required composition courses students take? What are some obstacles to including writing in disciplines? How do conventions of writing differ across disciplines and how can we begin teaching these to students within an associates/transfer framework? Sponsored by the Title III Engaging Students program. Part-time faculty are eligible to receive a stipend for attendance. For more information, contact Anne McGrail or visit our website: <http://lanecc.edu/lc/fresources/TeaAndTopics.htm>

NEWS AND ANNOUNCEMENTS

INNOVATION WINNERS ANNOUNCED

The Sustainability AAS degree was selected for both this year's League for Innovation's Innovation of the Year Award, and a Schafer Innovation Award of \$1,500, through the Lane Foundation Schafer Innovation endowment. Kudos to principal sustainability team members Margaret Robertson, Advanced Technology Division, Susie Cousar, Health and Physical Education Division, Claudia Owen, Science Division, and Jennifer Hayward, Sustainability Office.

Four \$1,000 Schafer Innovation Awards were given this year to the following worthy efforts: 1) Peace Center's Visiting Islamic Scholars Series, 2) Art on Campus Committee's Poetry on the Walls project, 3) the Tobacco-free Campus Initiative, and 4) Computer Access Project for Students Taking Developmental Writing Classes. The Teambuilding as Wellness program earned a \$500 Schafer Innovation award. For information about the Schafer/League for Innovation, Innovation of the Year process contact Tamara Pinkas, League Rep., 5011, or Janet Anderson, Lane Community College Foundation, 5803.

LANE SELECTED FOR ACHIEVING THE DREAM PROJECT

Lane Community College is one of 30 community colleges nationwide selected for the Achieving the Dream 2011 cohort. This will support Lane's efforts to improve student success, close achievement gaps, and increase student retention, persistence, and completion rates.

Conceived in 2004 by Lumina Foundation for Education and seven founding partner organizations, Achieving the Dream, and its signature Student-Centered Model of Institutional Improvement, is focused on creating a culture of evidence in which data and inquiry drive broad-based institutional efforts to close achievement gaps and improve student outcomes overall.

The Achieving the Dream model is designed to help more students earn postsecondary credentials, including occupational certificates and degrees.

Lane will have the opportunity to learn from other Achieving the Dream institutions, and receive assistance from experienced practitioners in building a culture of evidence campuswide, using data to identify problems, setting priorities, and measuring progress toward increasing student success.

"We are excited to join community colleges across the country who share our commitment to student success," said President Mary Spilde. "Access to post secondary education is no longer enough. We need to redouble our efforts to assure that students complete their academic and career goals. We expect to learn a lot as an institution and do an even better job of preparing students for further education, work and life in general."

The Achieving the Dream Cohort includes: Amarillo College (TX); Grays Harbor College (WA); Northwest Indian College (WA); Athens Technical College (GA); Jefferson Community & Technical College (KY); Passaic County Community College (NJ); Bellingham Technical College (WA); Lane Community College (OR); Pierce College (CA); Century College (MN); Lorain County Community College (OH); Prince George's Community College (MD); Clover Park Technical College (WA); Los Angeles City College (CA); Raritan Valley Community College (NJ); Cumberland County College (NJ); Los Angeles Harbor College (CA); Skagit Valley College (WA); East Los Angeles College (CA); Los Angeles Mission College (CA); Spokane Falls Community College (WA); Eastern Maine Community College (ME) Los Angeles Trade Technical College (CA); The University of Texas at Brownsville and Texas Southmost College (TX); Edmonds Community College (WA); Los Angeles Valley College (CA); West Los Angeles College (CA); Everett Community College (WA) Lower Columbia College (WA) Whatcom Community College (WA). RAYMOND BAILEY NAMED CLASSIFIED EMPLOYEE OF THE MONTH

Kudos and congratulations go to March Classified Employee of the Month, Raymond Bailey. Representatives of the Classified Professional Development Team joined staff in the Library to present Raymond with the EOM award for March 2011. Raymond started at LCC as a time-

sheet library assistant in September 1997 and hired full-time in April 1999. He is deeply committed to customer service and passionate about creating the kind of learning environment students need to succeed at Lane. Raymond has a gift for spatial analysis and during the summer he designed some new layout configurations for library furniture that made the library seem much more open, and added much-needed study spaces. When library users walked through the doors in fall 2010 there were many favorable comments about the new sense of openness in the space, and despite record enrollment they experienced a greater level of calm than thought possible. Raymond consistently goes out of his way to help library patrons with everything from computer support to interlibrary loans.

When you see Raymond, congratulate him for doing a terrific job and celebrate his nomination as March's Classified Employee of the Month. And remember that, you too, can help us to recognize exemplary classified employees by nominating them for this award by the 15th of each month. Nomination forms are available: 1) on the CPDT website:<http://www.lanecc.edu/cpdt/recognition/eominfo.html>; or 2) from Elaine Marsh, IRAP: marshe@lanecc.edu .

TRiO STEM IS OPEN, HELPING STUDENTS, AND TAKING APPLICATIONS

TRiO STEM, the new student support service program for students with majors in science, technology, career tech, engineering, or math, now has its tutor center, building 12 room 219, open from 8:30 - 6:00 Monday through Friday. We have tutors with a variety of expertise. Students can get help with all math levels, economics, Chem 221-223, biology, physics, writing and Microsoft Office. There are also people available who can talk with students who are struggling and who need one-on-one support. Please let students know TRiO STEM is taking applications in building 1 room 219. Instructors can request someone from TRiO STEM to visit their classes to talk briefly about the program. For more information contact Carol McKiel mckielc@lanecc.edu or 3132.

CPDT IPPD SPRING 2011 APPLICATION DEADLINE APPROACHING

The application deadline to request IPPD 1 funding for spring term 2011 is Wednesday, March 16, by 5 p.m. For those of you who are not familiar with this opportunity, the IPPD 1 program helps classified staff to reach their own personal/professional goals by assisting with books, fees, and tuition for courses taken through Lane Community College for credit or non-credit and/or university classes for those seeking a higher education degree.

Please read the guidelines carefully. Fill out the application and return three copies - complete - to Kathy Alexander in Human Resources, Building 3, Room 114. Late and/or incomplete applications will be returned and not be accepted. If you require support for filling out the application, have questions regarding documentation requirements, or any other questions, please contact one of the sub-committee members listed below - prior to the application deadline. We will be glad to assist you. All IPPD fund request, applications and guidelines, are located at the following website: <http://www.lanecc.edu/cpdt> - CPDT Main web page. Submitted by Kathy Alexander, IPPD I Chair, 5586.``

FACILITIES UPDATES

SUSTAINABILITY OFFICE INTERN UPDATE

The Winter 2011 Sustainability office intern has been learning about integrating database technology for tracking and assessing waste management, energy, and water resources. Examples of the areas that the intern has studied and assisted with include auditing the utilities database to update annual energy and water indicator reports, initiating integration of a barcode scanning system into the new waste management database, and starting the utilities database integration of information from the college's facility level water, natural gas, and electric sub-meters.

PROJECT UPDATES—

BUILDINGS 10 AND 11 REMODEL

Hyland Construction is operating on schedule and is expected to complete the project by August 2011. Steel construction inside the building is complete and the placement of the second floor concrete begins this week which will take two weeks to complete. Mechanical and electrical contractors have increased work force and production has started on the installation of infrastructure for the project. Contact Mark Richardson, 3456.

BUILDING AUTOMATION SYSTEM

Building Automation System (BAS) Phase 1 project commissioning efforts continue to be a top priority. BAS Phase 1 system commissioning is expected to close mid March. On Wednesday, March 2 Lane staff and technicians from TraneOregon began what has resulted in a successful testing of the BAS alarming and mass messaging capacity. Tests for the trending equipment performance were finalized and set up on February 25. Next, the commissioning goals include verifying graphics and continuing to test the equipment scheduling programming.

Purchasing for contracted services is in progress for Building 19 controls and programming to address long term ongoing issues discovered while working in the BAS equipment level network at the CML. Additional controls work planning continues for the Workforce Training areas. Several locations in building 19 are being operated manually and will continue to be until these issues have been addressed.

BAS Phase 1 upgrades work has involved coordinating staff and student concerns in multiple buildings on main campus with two control contractors, the college energy analyst, and Facilities' Trades staff. Lane staff continues to track affected areas with the latest BAS trending tools. To report any HVAC issues or concerns to the Facilities office, please e-mail facilitiesoffice@lanec.edu or call extension 5216 as work to complete the system integration process is finalized. Contact Anna Scott, 5805

DOWNTOWN CAMPUS BUILDING

Several noteworthy events happened last week: A meeting with the neighbors who live or work around the project site, the Groundbreaking ceremony, and a "make-up" meeting of the management team and project consultants.

The meeting with the neighbors was attended by people who live nearby and others who own or represent nearby businesses. The meeting was convened to give the neighbors some general information about the building, its occupants and use, and to assure the neighbors that the college and contractor will do everything possible to minimize disruption caused by the operation of the building and/or its construction. Helen Garrett and Brett Rowlett presented information about the operation and schedule of the building and Andy Dykeman (the contractor's Superintendent) spoke about the project schedule and the impact of construction

activities on the adjacent streets, Broadway alley, and sidewalks. He gave everyone his contact information and urged them to let him know if they experienced any disruption.

An overflow audience attended the Groundbreaking ceremony on Friday, March 4. Everyone was excited about the project itself and the prospect of its playing a pivotal role in rejuvenating the downtown. The theme of the ceremony was that it takes all of us, working together, to make this project a success.

The management team heard proposals from the architects to make various refinements to the academic building (such as manually operated windows or automatic operators) and to make adjustments to the student housing building to better accommodate occupants. Contact Bob Mention, 5747.

LANE T&F PREVIEW NEEDS VOLUNTEERS. On Saturday, March 12th Lane Community College will be hosting its first Track and Field meet since 2005. We are looking for meet helpers, no experience needed, anybody who can move a hurdle or hold a tape measure. Willamette University, Northwest Christian University, South Western Oregon Community College, and College of the Siskiyous will be competing against the Titans. We will also be looking for additional help on May 14th when we host the NWAACC Southern Region Championships. Please e-mail me if you are interested in either of these volunteer opportunities. Thank you, Grady o'connorg@lanecc.edu ``

IF YOU NEED IT, WE STILL HAVE IT. Fifteen copies, that is, of Microsoft Office 2003 Work at Home media. Faculty and staff can still use the office suite only for college related work at home. Our License agreements with Microsoft still apply. We advise against installing Office 2003 on any machine that currently runs MS Office 2007 or Office 2010. We will keep the media available through the spring term or until we exhaust the supply. Cost= \$1.00 Submitted by Keith Burrell, Titan store

SWEET BUNGALOW for sale in University district, 25th and Emerald St. Two bedrooms and one bath, with extra room that can be third bedroom, studio, or family room. French doors opening onto garden, fireplace, currently has wood-burning cookstove in kitchen in addition to cook stove. Fir floors. Solid little stucco house- a gardeners delight. Asking \$225,000. Email for a conversation and/or an appointment to see it. Robert Sposato. Academic Learning Skills, sposator@lanecc.edu, ext. 5072

COMMUNITY HELPERS: We are in an unpredictable environment, and encounter folks in the community with a variety of needs and life challenges. Being proactive in difficult and delicate situations is important. Community trainings are offered through Shelter Care and White Bird organizations on the fundamentals of De-Escalation. De-Escalation is the term for (staying calm while helping folks in crisis situations). Shelter Care and White Bird are both good contacts for onsite trainings. NAMI www.nami.org is also an excellent local resource. Keep in mind First Christian Church, Oak Street downtown offers limited community assistance for folks in crisis situations with a variety of needs, whether it is food, shelter, or bus fare. In addition, there are the Egan Warming Centers, <http://eganwarmingcenter.com/> and St. Vincent de Paul's Lindholm Service Station, Hwy 99 <http://www.svdp.us/what-we-do/emergency-services/>. More information about local community assistance and agencies can be obtained through <http://www.211lane.org>. Submitted by Celia Maximin - Continuing Education maximinc@lanecc.edu ``

A GREAT VACATION GET AWAY is found at the BLK Beach House in Florence. Not only that, you can bring your dog for free. This is a newer manufactured home in great condition with a fenced in yard, spacious open living room, 2 bedrooms, 1 bath, and the kitchen is supplied with everything you need: pots, pans, microwave, coffee pot, toaster and more. There is a queen size bed in one bedroom and twin and full size beds in the other room. It's a five minute walk to the beach. This is our home away from home and rented only to select clientele (like Lane employees). Guests are on the honor system to respect our home. The rates are very reasonable, in part because you are expected to clean up after yourself upon departure. There's a two night minimum and rates are \$58/weekend night in the winter/spring. Call Wendy Simmons at (541) 431-1277 or e-mail her at wsimmons@efn.org for more information.``

WHIRLPOOL DRYER FOR SALE, older workhorse, has never had a single problem, selling it to make way for a stacking unit. Advertised on Craigslist for \$125 <http://eugene.craigslist.org/app/2212191521.html>, will sell to LCC employee for \$100. Please e-mail higginsc@lanecc.edu or call 541-434-1075.``

LARGE SOFA: Hunter green, earth tone, large comfortable sofa. Excellent shape, terrific for sitting, or napping. \$200. SINGLE LOFT BED: Child's three-piece wood loft bed, includes bed/mattress/ladder, bookshelves and a third piece with three drawers. Light wood finish with contrasting cherry wood accents. \$300. Contact rosenbergh@lanecc.edu or ext. 5141.``

NEWS AND ANNOUNCEMENTS

FRA AWARDS GO TO COLLINS, BEHM AND SULLIVAN

Congratulations to the winners of the winter term Faculty Recognition Awards: Kelly Collins, Harriet Behm, and Barbara Sullivan.

* Kelly teaches health records technology. His nominators said: "Kelly works with us to make learning the materials in his class exciting. He takes time to answer all our questions and meets with us outside of class if time does not permit. He uses visual tools to help us understand the material and patiently guides us through the material when we do not understand. He is very approachable and does not make you feel stupid when you ask questions. Of all the teachers I have had, I rank Kelly at the top."

* Harriet teaches chemistry. A student wrote, "I took chemistry at OSU my freshman year and I had the hardest time understanding basically every concept that was taught. Harriet made her classroom a fun and interactive learning environment and every single person feel comfortable to ask questions if they weren't understanding. I am not a science person and especially not a chemistry person. She helped me understand so well and with going to her office hours and her quick responses to emails, I pulled out of the class with a solid A."

* Barbara Sullivan teaches writing and literature. Her students said, "She equips and encourages students to actively participate in learning about writing/reading and diversity, social and economic awareness. Barbara provides opportunities to learn in a variety of formats in order to provide accessibility to all learning levels. Barbara sets classroom standards of respect and appropriate behavior. Barbara encourages and equips her students to learn as much as they desire. She empowers us to believe in ourselves and opens doors to learning."

For more information about Faculty Recognition Awards, contact Larry Scott at 5458.

LONG RANGE PLAN

This is the first of a series of short articles about the Long Range Plan.

Almost two years ago, the college started working with University of Oregon planners and students to prepare a framework to guide the growth of the college over the next 30 to 50 years. When completed, the affects of this framework will go beyond the boundaries of the college property to influence the development of the whole Russell Creek Basin. Through a series of workshops and presentations to large and small groups, all segments of the college community—students, faculty, the Governance Councils, administrators, Board members, and other staff—have participated and contributed information that led to the designs proposed by the planners. Meetings with our neighbors and interviews with regulatory agencies introduced our concepts and asked for response. With few exceptions, the great majority of those who have been introduced to the plan are supportive of it. We are now in the last phase of planning. The Long Range Plan has already had an impact on the campus even though the plan's final shape isn't yet complete. The scopes of three of the remaining Bond projects (Center Building remodel, Forum Building and the upper level of Building 18) are currently being reviewed to align with the Long Range Plan framework and reduced budgets.

In summary, the Long Range Plan envisions:

More instructional space; a variety of entrepreneurial enterprises that add income to the college while providing hands-on work experience for students; a new I-5 interchange that relieves the present congestion; on-campus housing for students and staff; and opportunities for our neighbors to participate with us to create a more sustainable lifestyle in the basin.

There is still time for input to the planning process. Here are the remaining meeting times and locations:

March 15, 3-4 p.m., Library Computer Classroom

March 16, 1-3 p.m., Renaissance Room

The other all campus sessions were held on:

January 26 from 1-6 p.m. in CML 220

January 27 from 10 a.m. to 5 p.m. in CML 220

January 28 from 1-6 p.m. in CML 220

February 11 from 1-5 p.m. in CML 220

March 8 from 2-6 p.m. in CML 220

March 10 from 4-5 p.m. in Building 16, Room 211

March 11 from 2 p.m. in Center 407

LANE WINS BUDGET AWARD FOR SIXTH YEAR IN A ROW

For the sixth year in a row, Lane has won a Distinguished Budget Presentation Award from the Government Finance Officers Association of the United States and Canada. The award recognizes the college's efforts to meet the highest principles of governmental budgeting in alignment with national standards to present the budget as a policy document, a financial plan, an operations guide, and a communications piece. Lane's budget is prepared under the direction of Chief Financial Officer Greg Morgan. Submitted by the editor.

CAROLE NAPIER RETIREMENT OPEN HOUSE

Please join College Finance on Wednesday, March 23 from 2-4 p.m. to wish Carole Napier best wishes on her retirement. A tasty cake and drinks will be served. Submitted by Barb Lowder.

GROUP BUS PASS AND STICKERS FOR SPRING TERM

Students or staff taking a credit class on main campus or at the Downtown Center are eligible for a LCC bus pass good for the entire term. Photos for bus pass ID cards will be taken in Building 19, Room 117 on March 28, 29, and 30 from 8 a.m. to 4 p.m. Stickers for winter term will be available beginning April 5 at the Titan Store return window or at the DTC. Visit www.ltd.org for changes to the spring schedule. Contact: Jennifer Hayward, 5594.

T2T: TEACHING SQUARES, IMPROVING YOUR ONLINE COURSE

Team up with colleagues to improve teaching and build community through a structured, non-evaluative process of course review and reflection. We will set up a framework for peer review of our online courses similar to the FPD Teaching Squares model. The project runs weeks 1-9, there are five class meetings and online time spent reviewing one another's courses. The time commitment is approximately 20 hours total. A \$200 stipend is awarded at completion of the project. This project is a joint effort between Faculty Technology Specialists, Faculty Professional Development and of course, you, the faculty. If you are interested in participating or would like more information please contact Meredith Keene-Wilson at keene-wilsonm@lanecc.edu website: <http://lanecc.edu/t2t>

FACULTY DEVELOPMENT WORKSHOP THIS APRIL

Mark your calendars and plan to attend the Integrative Learning and Student Success Faculty Development Workshop Thursday and Friday, April 21 and 22, 9 a.m.-3 p.m. in CML 102. Some goals of this workshop: to provide an opportunity for faculty to meet within and across disciplines and with student services staff to learn more about how to improve the teaching and learning process in their disciplines and service areas; to build expertise among faculty and student services staff in what it takes for students to learn more deeply and to be more successful in all their courses. Teams are encouraged to attend together. There is some funding available for substitutes and to support part-time faculty attendance. Find more on our website: <http://lanecc.edu/lc/fresources/AprilWorkshop.htm>

CTE FACULTY INTERNSHIP OPPORTUNITIES AVAILABLE

Perkins grant funds are available for paid faculty internships through August 31 for faculty to work at business sites related to their teaching discipline. The purpose of these funds is to strengthen the career and technical skills of students participating in career and technical programs. Faculty work with businesses to stay current with all aspects of an industry and develop a higher level of industry knowledge and skills. Internships are paid at the curriculum development rate and are to be with local employers within commuting distance of the college. Applicants are responsible for making internship arrangements. For Perkins Internship Guidelines and application, e-mail Carol Woodman at woodmanc@lanecc.edu or call 5509.

RACE AND ETHNICITY UPDATES

Due to recent federal regulation changes regarding the reporting of race and ethnicity data to the Department of Education, as well as complying with EEOC reporting standards, there will soon be a message on ExpressLane asking employees to confirm their race and ethnicity status. This request will appear after the employee has logged into ExpressLane but prior to accessing their time sheet. Thank you in advance for your assistance in this matter. Submitted by Aneita Grogan, Human Resources, 5110.

FACILITIES UPDATES

RECYCLING GUIDELINES

* Paper: Any paper except paper towels, tissue, or food-related paper (plates, pizza boxes, etc). No paper coffee cups. Books or other bound material okay. If you have just a few books or magazines, please place them in any paper-recycling bin. If you have enough to fill a box, please do so and call 5714 for a pickup.

* Compost (in cafeteria only): Any pure food waste (meat, bones, and dairy in small amounts) is acceptable. Plates, hot and cold cups, forks, knives, spoons, and forks are acceptable provided they are purchased from Lane's cafeteria. Please remove and discard tops from coffee and soft drink cups. No other coffee cups or other service ware is recyclable or compostable unless the container specifically states that it is compostable. If you have questions please consult the displays near each recycling area or if you have specific questions, call the Recycling Coordinator at 5569.

* Glass, Metal, and Plastic Containers: Any #1-5 plastic containers. Aseptic containers okay (soy and rice milk boxes and peak-top milk containers). Any metal or glass food or beverage container is okay. Please remove and discard lids and lightly rinse container (this will prevent odors and ants). No #6 plastic, plastic wrap or bags, coffee or soft drink cup lids, or Styrofoam peanuts (please discard as trash).

Cardboard: Please break down cardboard boxes and remove any packaging. Place collapsed cardboard in the nearest cardboard container or if you have an abundance of cardboard, please call x5714 for a pickup.

* Other items: Items such as furniture, office supplies, electronic equipment, or toys can be picked up by surplus property and reused or recycled. Call 5569 for information about surplus property.

Contacts:

- * Pickup requests for paper, containers, or cardboard, Bob Walen, 5714.
- * Outdoor Trash: Colin Vurek, 541-556-8890 (cell).
- * Indoor Trash, please call the Facilities Office, 5216.
- * Recycling Coordinator, Mike Sims, 5569.

PROJECT UPDATES—

DOWNTOWN CAMPUS BUILDING

Hooray! The groundbreaking ceremony was very successful and construction is about to begin! The first work package for the Downtown Campus building includes improving some subsurface ground conditions. Bids for the package have been submitted by subcontractors and the college has approved awarding a contract for the work. The successful subcontractor will mobilize on site and commence work in the near future. Meanwhile, the second work package is out to bid. The second package concerns site demolition, foundations, geo-wells and structural fill. Bids for the second package are due late March.

The "fast-tracking" process has started. Basically, fast-tracking means that after the overall design of the building has been established, the architects and contractor divide the overall design into a logical sequence of work packages, i.e., site preparation and foundations, structural frame, exterior envelope, interiors, etc. Then, as soon as the architects have completed the detail drawings and specifications for the first work package (for example site and foundations) it can be bid and, if the bids are acceptable, construction can begin. This process permits construction to start while the architects are working to complete the drawings and specs on the following work package. Employing the fast-track process is the most economical and promising project delivery system to complete the project within the time schedule. Contact Bob Mention, 5747.

NEWS AND ANNOUNCEMENTS

IN MEMORY

George Gyorgyfalvy, 86, died March 6 at his home in Bend after battling acute myelogenous leukemia. He taught soccer, gymnastics, weightlifting, conditioning, skiing, and kayaking and coached many years for the competitive gymnastics and soccer programs at Lane, from 1967 until his retirement in 1988. His son, Martin, contacted the Foundation to request that news of his father's passing be shared with the college community because "his years at Lane meant a lot to him." A family remembrance may be read online in The Register-Guard at:

<http://www.legacy.com/obituaries/registerguard/obituary.aspx?n=george-gyorgyfalvy&pid=149201456>

Condolences may be sent by e-mail to Martin Gyorgyfalvy at mgyorgy@bendcable.com

Carole Carlson, 69, passed away March 12. Services were held Monday in Medford. Carole was the first switchboard operator at Lane Community College and is remembered by telecommunications staff and others at Lane. An obituary may be read in The Register-Guard online at:

LONG RANGE PLANNING WEBPAGE SET UP

The college has set up a webpage for information about the Long Range Plan. The address is <http://www.lanecc.edu/campuslrplanning>

Click on the Conceptual Vision DRAFT. When thinking about Long Range Planning, it's important to recognize that no plan is set in stone because no one knows what the future holds. What can be planned is a framework or skeleton for future development that can be fleshed out when and as needed. In the meantime the plan shows some opportunities to work towards. There will be more opportunities for you to make your planning thoughts known. Watch this space for dates and times. Contact Bob Mention, 5747.

PUBLIC SAFETY HAS A LARGE INFLUX OF LOST AND FOUND MATERIALS

During the past week, Public Safety has received a large amount of lost and found property. The collection of materials includes: textbooks, clothing, credit cards, cell phones, calculators, wallets, MP3 players, glasses (a large number of both prescription and sunglasses), and many other articles. To claim an item, please bring positive ID to Public Safety and provide a detailed description of the item lost. Claimants must also sign for their property. Submitted by Jace Smith.

CHRONICLE OF HIGHER ED SUBSCRIPTION AVAILABLE

The Lane Library subscribes to the Chronicle of Higher Education so you don't need a personal subscription to read it. Just set up a free personal account. For details on how to do this, go online to: <http://screencast.com/t/BIrwTfxvkdNb>
Happy reading, Marika Pineda, Library Director, 5824.

FACILITIES UPDATES

FACILITIES PROJECTS FOR SUMMER – REQUESTS DUE APRIL 1

In order to be considered for inclusion on the Facilities summer work plan, departments that have a summer project and need assistance from Facilities are reminded that requests are due April 1. Please submit a work request using MPulse. Facilities has a very busy spring and summer schedule again this year and temporary FMP trades related staff will soon be hired to support the peak summer season project and maintenance related needs of the college. If you are aware of anyone that may be interested in pursuing a temporary Trades-related position in FMP, please share this information with them and refer them to:

<http://www.lanecc.edu/hr/leoinfo.htm>. Thank you. Contact: David Willis, 5566.

MOTOR POOL UPDATE

Specialized Support Services staff is cleaning motor pool vehicles during spring break. Please be aware that some vehicles will not be available on some days during the week to allow for this scheduled cleaning. It is the intention for FMP to provide the cleanest possible vehicles for college staff use. Contact David Willis, 5566.

GROUNDS UPDATE

Special thanks are extended to the grounds crew which spent the better part of two mornings last week cleaning tree branches and debris from campus after the windstorm on Sunday, March 13. Thank you. The Facilities Trades are busy inspecting buildings, roofs, cell phone towers, and other outdoor features of the campus for any possible wind-related damage. If you see any damage that may be wind-related, please promptly report it to the Facilities office at extension 5216 or e-mail facilitiesoffice@lanecc.edu. Contact: David Willis, 5566.

HOUSEKEEPING

Over spring break, Housekeeping will focus extra cleaning efforts on: carpet cleaning, high dusting, scrubbing hard floor surfaces, and deep cleaning restrooms with pressure washers. Please e-mail Housekeeping if you have an urgent need at housekeepingcoordinators@lanecc.edu or call at extension 3455.

PROJECT UPDATES—

BUILDINGS 4 AND 5 ADDITION AND REMODEL

The remaining tasks to close out the projects in Buildings 4 and 5 will be completed this week. During spring break, Lease Crutcher Lewis will have construction crews working in all areas of Buildings 4 and 5, and locker rooms and showers will be closed. Contact Mark Richardson, 3456.

BUILDINGS 10 AND 11 REMODEL

The four major concrete placements for the Building 10 project begin this week and are scheduled to be completed by Tuesday, March 29. All areas around Building 10 including between Buildings 9 and 10, 10 and 12, and the test cells will have large diesel equipment on location from 5 a.m.-7 p.m. Monday, March 21 and Tuesday, March 22. The open area between Buildings 10 and 12 will have restricted access at times and using an alternate access route to the center of campus is encouraged. The final concrete placement for the project is scheduled for 5 a.m.-7 p.m., Monday, March 28 and Tuesday, March 29. This final concrete placement will not block access to the campus, and will be contained inside the immediate construction area. Truck traffic is still expected to be heavy and caution will be encouraged when using the north parking lot. As a reminder, Hyland Construction will be working on the heating water lines, which means there will be no heat in buildings 4, 5, 6, 7, 11, and 30 starting 6 a.m. on Wednesday, March 23 through the day and possibly, to noon on Thursday, March 24. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS BUILDING

The management team met with the architects and contractor last Thursday, March 17, to discuss several issues, e.g. the furnishings layout in the student interaction area between the CML and the classrooms on the first floor, the type and location of window coverings, and the question of operating the windows manually or with motorized options. The next management team meeting is scheduled for March 31. Bids for the first work package (soil stabilization) came in on target and mobilization for that work is scheduled to begin this week. Bids for the second work package (site civil and utilities, geothermal well drilling, and public right of way improvements) are due on March 22. That work is scheduled to begin with well drilling in mid-April. Contact Bob Mention, 5747.

NEWS AND ANNOUNCEMENTS

FRA AWARDS GO TO COLLINS, BEHM AND SULLIVAN

Congratulations to the winners of the winter term Faculty Recognition Awards: Kelly Collins, Harriet Behm, and Barbara Sullivan.

Kelly teaches health records technology. His nominators said: "Kelly works with us to make learning the materials in his class exciting. He takes time to answer all our questions and meets with us outside of class if time does not permit. He uses visual tools to help us understand the material and patiently guides us through the material when we do not understand. He is very approachable and does not make you feel stupid when you ask questions." "Of all the teachers I have had, I rank Kelly at the top."

Harriet teaches chemistry. One student wrote, "I took chemistry at OSU my freshman year and I had the hardest time understanding basically every concept that was taught. Harriet made her classroom a fun and interactive learning environment and every single person feel comfortable to ask questions if they weren't understanding. I am not a science person and especially not a chemistry person. She helped me understand so well and with going to her office hours and her quick responses to emails, I pulled out of the class with a solid A."

Barbara teaches writing and literature. Her students said, "She equips and encourages students to actively participate in learning about writing/reading and diversity, social and economic awareness. Barbara provides opportunities to learn in a variety of formats in order to provide accessibility to all learning levels. Barbara sets classroom standards of respect and appropriate behavior. Barbara encourages and equips her students to learn as much as they desire. She empowers us to believe in ourselves and opens doors to learning."

For more information about faculty Recognition Awards, contact Larry Scott at 5458.

ISLAM LECTURE SERIES CONTINUES WITH STEPHEN SHOEMAKER

Stephen Shoemaker lectures at Lane on Thursday, April 7, at 5:30 p.m. in the Center for Meeting and Learning, Room 104. His address is titled, "Reading the Qur'an with Albert Schweitzer, or Jesus, Muhammad, and the End of the World."

Shoemaker says that for much of the past century, scholarship on the beginnings of Islam, particularly in English, has portrayed Muhammad primarily as a prophet of social justice and economic reform, often to the effect of marginalizing the powerful eschatological voice of the Qur'an. While many of the earliest Western scholars of Islamic origins saw the impending judgment of the hour as the heart of Muhammad's religious message, more recent scholarship has favored an understanding of Muhammad as interested more in reforming the world than heralding its imminent destruction. While this image of Muhammad may fit well with the much later traditions of the early Islamic biographies of Muhammad, it does not do justice to the forceful eschatological message of the Qur'an.

Shoemaker has a doctorate from Duke University and teaches courses on the Christian traditions. His primary interests are ancient and early medieval Christian traditions, and more specifically in early Byzantine and Near Eastern Christianity. His research focuses on early devotion to the Virgin Mary, Christian apocryphal literature, and the relations between Near Eastern Christianity and formative Islam. He is author of "The Death of a Prophet: The End of Muhammad's Life" and "The Beginnings of Islam," a study of the "historical Muhammad" that

focuses on traditions about the end of his life. Shoemaker has published numerous studies on early Christian traditions, a series of articles on the earliest "Life of the Virgin," an English translation of this first Marian biography from Old Georgian, and he is preparing a new critical edition of the early Syriac Dormition narratives.

The Visiting Scholars In Islam lecture series is free and open to the entire community. The series is the outcome of months of collaborative work by Lane religious and peace studies faculty and administrators in partnership with the University of Oregon. For more information contact the office of Academic and Student Affairs.

PARKING LOTS D AND E RESERVED

Parking Lot E is reserved on Tuesday, April 5, and Lot D is reserved on Friday, April 8, for events occurring in the Center for Meeting and Learning. Please plan to park in an alternate lot on these dates. The disability parking in lots D and E will still be accessible to students and staff who need it. Thank you in advance for your cooperation. JOYCE GALLERY EXHIBIT CELEBRATES OREGON WINE COUNTRY

The David Joyce Gallery in the Center for Meeting and Learning has opened its spring/summer exhibit, "Oregon Wine Country." The colorful display spans a variety of mediums and features 12 local artists, including seven artists representing the Plein Air Painters of Lane Country. The show celebrates living in Oregon, a state known for its world-class wines with more than 15 approved winegrowing regions and more than 300 wineries producing 72 varieties! The "Oregon Wine Country" artists have illustrated some of the most diverse and beautiful wine-growing landscapes and wineries in the world – mostly found here in the abundant Willamette Valley. The exhibit opened March 28 and runs through September 2. All art is for sale with 25 percent of the proceeds supporting the David Joyce Gallery. An artists' reception will be held Thursday, May 26 from 4:30-6 p.m. with hors d'oeuvres and refreshments prepared and served by the students in the Culinary Arts and Hospitality Management Program. For more information, contact Julie Fether at 3518.

CTE FACULTY INTERNSHIP OPPORTUNITIES AVAILABLE

Perkins grant funds are available for paid faculty internships through August 31 for faculty to work at business sites related to their teaching discipline. The purpose of these funds is to strengthen the career and technical skills of students participating in career and technical programs. Faculty work with businesses to stay current with all aspects of an industry and develop a higher level of industry knowledge and skills. Internships are paid at the curriculum

development rate and are to be with local employers within commuting distance of the college. Applicants are responsible for making internship arrangements. For Perkins Internship Guidelines and application, e-mail Carol Woodman at woodmanc@lanecc.edu or call 463-5509.

PUBLIC SAFETY NEWSLETTER AVAILABLE

The latest Public Safety Newsletter is available online at

<http://www.lanecc.edu/psd/newsletter/newsletter.pdf> This issue includes information on department training, crime prevention, last month's campus incidents, an officer profile, and a feature story on the new dispatch service that is supplied by the University of Oregon. Don't miss it! Also, please print out and post the newsletter in each department. Thank you! Public Safety.

CLASS OBSERVATIONS

Faculty Professional Development provides confidential feedback on teaching based on classroom observations. Upon your request, a Lane faculty member with expertise in instructional design and pedagogy as well as experience providing formal feedback to teachers will observe one of your classes and provide suggestions on ways to enhance your teaching.

This program is not part of any evaluation system, and all feedback will be completely confidential and constructive. Additional details are online at:

<http://www.lanecc.edu/fpd/classroomobservation.html> . For additional information, please contact FPD Coordinator, Adrienne Mitchell, at fpd@lanecc.edu

CHRONICLE OF HIGHER ED SUBSCRIPTION AVAILABLE

The Lane Library subscribes to the Chronicle of Higher Education so you don't need a personal subscription to read it. Just set up a free personal account. For details on how to do this, go online to: <http://screencast.com/t/BlrwTfxvkdNb> Happy reading! Marika Pineda, Library Director, 5824.

FACILITIES UPDATES

HOUSEKEEPING

Over spring break, custodians provided deep-cleaning services in all buildings. This included high dusting, carpet cleaning, deep scrubbing of hard floors, detail cleaning of restrooms and classrooms. Contact: Katherine Vos.

FACILITIES

FMP Trades were busy over spring break working in areas normally off-limits while classes are in session. Projects accomplished:

- * Painters: Painted old Building 5 Dance Studio and touched-up areas in both locker rooms and the David Joyce Gallery.
- * Carpenters: Worked in locker rooms and classrooms in Building 5 and repaired the Downtown Center floor drain.
- * HVAC/Mechanical: Drained and reestablished heating and chilled water supplies to the entire north end of campus for Building 10 tie-ins.

- * Electrical: Lamp replacement in classrooms, installed new electrical supplies for Cottage Grove pottery kilns, and supported the installation of the new baseball scoreboard.
 - * General Services: Special events set-up coordination.
 - * Plumbing and Special Maintenance: Cleaned all grease traps in Center and Building 19 kitchens, and supported the repair of Building 9 trusses.
- Please continue to report facilities-related issues to the facilities office at extension 5216 or e-mail facilitiesoffice@lanecc.edu Contact Angela Fazio, 3428.

PROJECT UPDATES—

BUILDINGS 10 AND 11 REMODEL

Concrete placements continue today, March 29. This is the last of the large concrete placement for this project. The grueling task of installing the HVAC ducts will start on Wednesday, March 30 and will continue throughout the remainder of the project. With this task brings frequent deliveries to the project, odd smells, and loud echoing noises; none of which is expected to be harmful or consistent throughout the day. Following installation of the HVAC ducts is steel wall framing. This work is expected to create the same smells and noises as encountered during the installation of the duct work. Equipment used for the installation of the wall framing is a powder operated nail gun used for setting nails in concrete. Loud popping noises are normal when using this equipment. Contact Mark Richardson, 3456.

WHY IT'S IMPORTANT TO NOTIFY PUBLIC SAFETY OF OFF-HOURS OCCUPANCY

Recently an instructor called Public Safety and reported a leaking water valve. When the officer responded, the instructor shared that he had actually slipped and fell before he called. This incident occurred when the school was closed. This instructor was able to call Public Safety to report the issue. Because the instructor was not scheduled to be on campus and had not called Public Safety previously, it is fortunate that he was not seriously injured and unable to call. In another incident, an employee let students into a secured building on the weekend. The employee asked the students if they were supposed to be on campus and they said that they had made arrangements with their instructor. One of the students smelled strongly of marijuana. An officer patrolling the campus saw the students in an area that was supposed to be secured. The officer asked who they were and who was responsible for them. The officer then spoke to the employee, who decided that perhaps he did not want to be responsible for the conduct of those students.

While Public Safety officers have enforcement discretion with regard to most laws, they must follow campus policy. It can be a difficult situation when students or employees are injured when they were not scheduled to be on site, have little or no supervision or help, when the college or the area they are in is officially closed.

Other issues include fire response, crimes against persons when campus is relatively unoccupied due to official closure, and the time-consuming task of having to look up license plates of unidentified vehicles when campus is closed and no one has informed Public Safety that they are on campus.

To support college core values and strategic directions to provide a collaborative, respectful and safe learning and working environment, please remember the courtesies and policies that ensure that students are scheduled and supervised while on campus after hours, and that you notify Public Safety when you're staying late or coming in during closed hours. Thank you.
Public Safety.

NEW EMPLOYEE EMERGENCY MANUALS ARE HERE

All employees should be receiving a copy of the Employee Emergency Manual within the next week. There is a version for the 30th Avenue campus and a version for satellite campuses. The new manuals are light blue in color. Please recycle all other versions as some information has changed. Please take time to read through the information as it does outline the college safety plan for various types of emergencies. The first 75 people to spot something new in this version can e-mail barthd@lanecc.edu and win a prize. We need to all work together to make Lane a safer place to work and learn. Questions? Contact Dawn Barth, emergency and risk management analyst, at 5503.

WATER FOR LIFE, NOT FOR PROFIT

The Lane Peace Center's fourth annual peace symposium, "Water for Life, Not for Profit", will be Friday, April 15, at the Longhouse. This event is free and open to the public. There are three sessions:

10-11:30 a.m. - Water and Indigenous Rights, doors open at 9:30 a.m.

1:00-2:30 p.m. - Water Justice: Local and Regional, doors open at 12 p.m.

6:00-9:30 p.m. - Water for Life, Not for Profit, main session, doors open at 5:30 p.m.

The symposium features Winnemem Wintu spiritual leader and tribal chief Caleen Sisk-Franco and headman Mark Franco – indian activists working to protect their homelands and return the Winnemem's sacred salmon to the McCloud River.

Other keynoters include:

* Agnes Baker Pilgrim, TaKelma Indian, Elder, member of the International Council of 13 Indigenous Grandmother on the 'Sacredness of Water'

* Debbie Davis, Policy Director of the Environmental Justice Coalition for Water in Oakland California on 'Water Privatization, the Bottled Water Battle, and Water as a Social Justice Issue'

* Teresa Huntsinger, Clean Rivers Program Director of the Oregon Environmental Council on 'Water and Justice in Oregon'.

* Mayor Kitty Piercy of Eugene, on 'Water Issues in Eugene and Lane County'

The symposium also features an art exhibit by activist artist Janet Essley entitled Daughters of the Earth. Suggested donation for the symposium and reception is \$10. No one will be turned away for lack of funds. Proceeds go directly to support the work of the Lane Peace Center.

"DUENDE DE LORCA" EXAMINES THE POET'S LIFE

Lane is proud to present Teatro Milagro's live production of "Duende de Lorca" at 3:30 p.m. on Thursday, April 28, in the Performance Hall, Building 6. The performance is free and open to the public. Milagro's new work about the Spanish poet and playwright, Federico Garcia Lorca, shows the struggle of the artist's life and the creative vision of Lorca that has inspired generations of writers and artists. This new work also addresses his struggles with gender issues in a very tasteful way that makes this play very relevant to topical issues on college campuses that are working to address marginalization of both racial and sexual minorities. The play has been well received both in Portland and in rural communities in Southern Oregon and will be presented at the Cesar Chavez Diversity Conference in Colorado at the end of this month. This performance is sponsored by Lane's Office of Diversity, Professional & Organizational Development Office, and Division of the Arts. Contact: Donna Koechig.

GENERAL CRIME PREVENTION TRAINING

Friday, April 29, 10-11 a.m., Building 3, Room 216 (Boardroom). Public Safety Director Jace Smith and officers will present general information on keeping offices, personal belongings and vehicles secure on campus. They will also discuss criminal methods for common crimes on campus and easy strategies for preventing and discouraging criminal activity. Submitted by Donna Koechig.

WEIGHT WATCHERS BENEFIT AVAILABLE

Did you know that if you are enrolled in PacificSource health plan or are an OEBB member, your insurance may either reimburse or pay directly for the Weight Watchers program?

* PacificSource members (classified and management): As part of your PacificSource medical coverage, you can participate in a Weight Watchers program and receive reimbursement. You can receive a one-time reimbursement for either Weight Watchers meetings OR Weight

Watchers Online. This is a pilot program that was offered from July 1, 2010-June 30, 2011. We just heard from PacificSource that this program has been extended until December 31, 2011! To access more information about PacificSource's program, go to:

<http://www.lanecc.edu/hr/benefits/PacificSource.htm> Submitted by HR.

* OEGB members (faculty and part-time faculty): OEGB members can enroll in Weight Watchers as well. This benefit bills your insurance directly (ODS or Providence); as long as you enroll in the program using the OEGB dedicated number: (866) 531-8170. Members can attend Weight Watchers meetings or enroll in Weight Watchers Online. This program started October 1st, 2010 and is an ongoing benefit offered to OEGB members. To access more information about OEGB's program, go to: <http://www.oregon.gov/DAS/OEGB/FAQWWW.shtml>

LANE LIBRARY HAS SPECIALLY-DESIGNATED LIAISON LIBRARIANS

Did you know that LCC Library has faculty librarians specially dedicated to each college department and discipline? We are committed to helping you get the books and DVDs you want, help you align your teaching and information needs, work on resources for new curricula, help develop library-related assignments, and otherwise create for you the best library experience possible. To check your designated liaison, go to:

FAMILY CONNECTIONS SERVES PARENTS AND CHILD CARE PROVIDERS

Family Connections of Lane and Douglas Counties, hosted by Lane Community College, is the local childcare resource and referral agency and helps parents find childcare, pre-schools, summer camps near one's work, home or school, with just one phone call, or via the Internet. Family Connections provides practical information and resources on how to choose quality childcare and what to look for to ensure a nurturing and developmentally appropriate environment for your child. The service also assists those interested in becoming a childcare provider or enhancing their skills, through continuing education classes and workshops. More information is online at: <http://www.lanecc.edu/mpr/news/re101387.htm>

FACILITIES UPDATES

SPRING SEASON WARMER TEMPERATURES AND HVAC SYSTEM SWITCHOVER

Often, it is rather cool in the morning but rather warm in the afternoon as the spring season brings warmer outside temperatures. During the spring switchover, the FMP HVAC mechanics start water flowing again in the cooling towers to add efficiency to our chillers and provide cooling during the warmer afternoons. In addition, FMP is commissioning a new building automation system, Niagara AX over the top of the existing outdated LONN Works systems. This added complexity will likely lead to some additional work to make adjustments in programming and system integration to allow better temperature control in our indoor spaces. Your patience is appreciated as we work hard to get through this commissioning phase as quickly as possible. Below is more information for consideration:

GUIDELINES FOR REPORTING CONCERNS TO FMP: Please use the following guidelines to report an HVAC, lighting, or indoor environmental quality concern to Facilities Management and Planning.

* **REPORTING LIGHT, HEAT, VENTILATION, and AIR CONDITIONING (HVAC) CONCERNS:** To report an HVAC or lighting concern, call the FMP office at 463-5216 directly, and/or e-mail at facilitiesoffice@lanecc.edu. The office can then dispatch the appropriate staff. More information is available on the procedures for reporting HVAC problems and/or concerns at <http://www.lanecc.edu/cops/facmain.htm>.

* **INDOOR ENVIRONMENTAL (IEQ) QUALITY WEBSITE:** Lane has a website devoted to indoor environmental quality. It is <http://www.lanecc.edu/facilities/IEQ/>. Please visit this website for procedures on reporting indoor environmental quality concerns. The website also contains a reporting form that you may use to report concerns, information about construction practices to protect indoor environmental quality, and other helpful links.

Please include the building number, room number(s), and type of change or concern in the header of your e-mail communication. Contact David L. Willis, 5566.

DOWNTOWN CAMPUS BUILDING

In summary, the design development phase has been completed, the project is within budget and on schedule, and site preparation activities are planned to start this week.

Completion of design development phase means that all of the major building components have been identified and addressed in a satisfactory manner. The Construction Document phase comes next. This is where the architects and engineers draw up the details of how the contractor is to construct the building and specify what materials, equipment and products are to be incorporated into the building. The contract documents for the site preparation activities have been completed, bid and subcontractors have been identified.

The site preparation activities include soil stabilization by the jet-grouting method, demolition of the existing asphalt paving, filling the pit with compacted crushed rock, installing the rain-water storage tank, drilling the geo-wells, and miscellaneous site utility work. Contact Bob Mention, 5747.

NEWS AND ANNOUNCEMENTS

ROSARIA HAUGLAND PRESENTED AACC ALUMNI AWARD

Rosaria Haugland was named one of four Outstanding Alumni by the American Association of Community Colleges at its 91st Annual Convention in New Orleans from April 9-12. Born in Italy and one of six children, Haugland was the first in her family to graduate from college. She earned a doctorate in biology from the University of Milan and a doctorate in biochemistry from Syracuse University in New York. She and her husband founded Molecular Probes in 1975. They participated in Lane's Small Business Management Program from 1983-86 and won the program's Business of the Year award in 2001. The company grew into a multimillion dollar business and was later sold to Invitrogen. Haugland is president of the Rosaria P. Haugland Foundation. She has served on the Lane Foundation Board of Trustees since 2004 and is a member of the Opening Doors campaign leadership team. Haugland received a Distinguished

Alumni Award from Lane in 2010, and a Benefactor Award from the national Council for Resource Development in 2008.

TERRI HANSEN NAMED EMPLOYEE OF THE MONTH

Kudos and congratulations go to April's Classified Employee of the Month – Terri Hansen in Child and Family Education. Representatives of the Classified Professional Development Team joined staff in the CFE to present Terri with the EOM award for April 2011. Terri joined LCC July 1, 2002 as a Student Advisor in Family Connections and is currently working as the Child Care Enhancement Program Specialist. Terri is an extremely valuable asset to the Family Connections program. She understands the importance of team work and actively participates in college programs and local community activities. She provides outstanding customer service and is responsive to customers as they come into the office providing them with the assistance they need. Each day Terri comes to work with a positive can do attitude. Her enthusiasm for her day-to-day work provides others with a positive outlook. Terri's assistance goes beyond her daily position. She has served on the hearings committee with public safety and volunteered to become a CERT responder. She remains active in the CERT activities throughout Lane County. Her passion for children and families in our community is shown by her volunteering as a board member with the South Lane Family Relief Nursery for 5 years.

When you see Terri, congratulate her for doing a terrific job and celebrate her nomination as April's Classified Employee of the Month. And remember that, you too, can help us to recognize exemplary classified employees by nominating them for this award by the 15th of each month.

Nomination forms are available: 1) on the CPDT

website:<http://www.lanecc.edu/cpdt/recognition/eominfo.html>; or 2) from Elaine Marsh, IRAP: marshe@lanecc.edu

TORCH TAKES REGIONAL AWARD

The college's student-produced newspaper, The Torch, took the top prize at the Society of Professional Journalists' Mark of Excellence Awards in Region 10. The paper won first place in general excellence in the non-daily two-year/community college newspaper category at the organization's spring conference in Richland, Wash. on April 9. The Torch beat out newspapers in Oregon, Washington, Idaho, Montana and Alaska. Several staffers took home individual awards as well. The paper's next challenge comes Sept. 23 at SPJ's national conference where it will compete against the winner of every regional contest in the country. For more information, contact Eder Campuzano, editor, at 5655.

CULINARY AND HOSPITALITY STUDENTS WIN BEST BITE AWARD

The Best Bite Award for "Presentation and Hospitality" was given for a second time to students from the Lane Community College Culinary Arts and Hospitality Management program at the 21st Annual Chefs' Night Out held at the Hult Center on Tuesday, April 5. Sixty vendors from favorite local restaurants, caterers, wineries and microbreweries were a part of the festivities, in which 100 percent of the ticket sale proceeds were donated to FOOD for Lane County. Lane's booth featured house-made lamb sausages cooked on a Himalayan salt block and house-cured salumi served on mini-biscuits. Contact: Julie Fether.

CONGRATULATIONS AND WELCOME TO LIZ COLEMAN

Congratulations and welcome to Liz Coleman, the new Faculty Connections Coordinator! Faculty Connections is an orientation and mentorship program for new faculty members that takes place each September and continues through the academic year. Stipends are awarded to participants. If you're new to Lane or wish to become more integrated in the college, please contact Liz at colemanl@lanecc.edu or 5783. Additional details are on the Faculty Connections

LEARNING GARDEN HARVESTS FIRST SALAD OF SPRING

The Learning Garden had their first harvest of the Spring: salad mix, bok choy and radishes. The harvest will be prepared by culinary arts students and served in the Renaissance Room this week. This is just the beginning of the spring season full of delicious spring greens and vegetables which will continue to be prepared and served by the Renaissance Room. Make reservations at 3533 and enjoy a delicious lunch while also supporting the Learning Garden on campus. Submitted by Rosie Sweetman, Learning Garden Specialist, 5899.

EWEB GREENPOWER CUSTOMERS, REMEMBER TO VOTE

The EWEB Greenpower Grant evaluation team selected six applications including Lane's, for a vote by EWEB Greenpower customers. Ballots are due back to EWEB or postmarked by Monday April 18. Lane's project would support the cost of a 12 kW photovoltaic array on the roof of the Downtown Campus academic building. The system would be used both for energy production as well as for educational purposes. The array would include three four kW systems, each with a different type of panel: 1) monocrystalline, 2) thin film, and, 3) either polycrystalline or cylindrical copper indium gallium diselenide (CIGS modules). The system would be designed to accommodate expansion, so that Lane could add panels in the future, as funds are available. A few panels of each type would not be connected to the grid in order to facilitate student's hands on experience and allow them to remove and connect panels as part of the educational program. For more information about our grant application go to www.eweb.org/greenpower/grants. Vote for Lane! Submitted by Anna E. Scott, 5805.

"DUENDE DE LORCA" EXAMINES THE POET'S LIFE

Lane is proud to present Teatro Milagro's live production of "Duende de Lorca" at 3:30 p.m. on Thursday, April 28, in the Performance Hall, Building 6. The performance is free and open to the public. Milagro's new work about the Spanish poet and playwright, Federico Garcia Lorca, shows the struggle of the artist's life and the creative vision of Lorca that has inspired

generations of writers and artists. This new work also addresses his struggles with gender issues in a very tasteful way that makes this play very relevant to topical issues on college campuses that are working to address marginalization of both racial and sexual minorities. The play has been well received both in Portland and in rural communities in Southern Oregon and will be presented at the Cesar Chavez Diversity Conference in Colorado at the end of this month. This performance is sponsored by Lane's Office of Diversity, Professional & Organizational Development Office, and Division of the Arts. Contact: Donna Koechig.

GENERAL CRIME PREVENTION TRAINING

Friday, April 29, 10-11 a.m., Building 3, Room 216 (Boardroom). Public Safety Director Jace Smith and officers will present general information on keeping offices, personal belongings and vehicles secure on campus. They will also discuss criminal methods for common crimes on campus and easy strategies for preventing and discouraging criminal activity. Submitted by Donna Koechig.

SAVE THE DATE - LANE'S DAY OF CARING

this year will be June 4, from 9 a.m.-12 p.m. at the Grassroots Community Gardens on Coburg Road. This is a service gardening project to raise organic food to help Food for Lane County supply nourishing vegetables to those in need right here in our own community. Volunteers will be weeding, picking, transporting soil, etc. There will be projects available for all ages and skill levels. Family and friends are welcome. There will be opportunity to sign up at the Spring In-service or contact Bonnie Phipps at 5135 or phippsb@lanecc.edu

EMPLOYEE EMERGENCY MANUALS ARE HERE

All employees should be receiving a copy of the Employee Emergency Manual within the next week. There is a version for the 30th Ave campus and a version for Satellite Campuses. The new manuals are light blue in color. Please recycle all other versions as some information has changed. Please take time to read through the information as it does outline the college safety plan for various types of emergencies. The first 75 people to spot something new in this version can email barthd@lanecc.edu and I will send you a prize. We need to all work together to make Lane a safer place to work and learn. Questions contact Dawn Barth, emergency and risk management analyst, 5503.

NOW HIRING STUDENT OUTREACH REPRESENTATIVES FOR 2011-2012

If you work with current Lane students who need a great on-campus job next year, please encourage them to apply for a position as a Student Outreach Representative. Enrollment and Student Financial Services is now accepting applications for this important, exciting student job that will allow current Lane students to give campus tours, attend on and off campus recruitment events and showcase the college to new and prospective students. Applications are available in Building 1, Room 101, or online at lanecc.edu/es Applications are due by Thursday, May 5 at 5 pm! Contact David Van Der Haeghen, Student Recruitment & Outreach Coordinator, at 5688 with questions.

OREGON INSTITUTE FOR LEADERSHIP DEVELOPMENT

The American Association for Women in Community Colleges (AAWCC) is seeking applicants for a scholarship to the Oregon Institute for Leadership Development. The Institute will be held at Silver Falls Conference Center June 20-23, and it focuses on leadership development and connects women with community college administrators and executives from across the state. This is a wonderful opportunity for women who are seeking to enhance their leadership skills. Please contact Donna Zmolek at 5301 or zmolekd@lanecc.edu for an application form. Applications must be received by April 20.

LIBRARY RETIRING OLD VHS TAPES

Our old collection of VHS tapes is being gradually withdrawn from the Library and replaced with DVDs where demand warrants. Some faculty are still using VHS tapes in class - please notify Don Macnaughtan if you want a videotape retained. We can either hold onto the tape until it wears out, or replace it with a DVD if available. Contact: Don Macnaughtan macnaughtand@lanecc.edu

CTE FACULTY INTERNSHIP OPPORTUNITIES AVAILABLE

Perkins grant funds are available for paid faculty internships through August 31 for faculty to work at business sites related to their teaching discipline. The purpose of these funds is to strengthen the career and technical skills of students participating in career and technical programs. Faculty work with businesses to stay current with all aspects of an industry and develop a higher level of industry knowledge and skills. Internships are paid at the curriculum development rate and are to be with local employers within commuting distance of the college. Applicants are responsible for making internship arrangements. For Perkins Internship Guidelines and application, e-mail Carol Woodman at woodmanc@lanecc.edu or call 463-5509.

WEIGHT WATCHERS BENEFIT AVAILABLE

Did you know that if you are enrolled in PacificSource health plan or are an OEBB member, your insurance may either reimburse or pay directly for the Weight Watchers program?

* PacificSource members (classified and management): As part of your PacificSource medical coverage, you can participate in a Weight Watchers program and receive reimbursement. You can receive a one-time reimbursement for either Weight Watchers meetings OR Weight Watchers Online. This is a pilot program that was offered from July 1, 2010-June 30, 2011. We just heard from PacificSource that this program has been extended until December 31, 2011! To access more information about PacificSource's program, go to:

<http://www.lanecc.edu/hr/benefits/PacificSource.htm> Submitted by HR.

* OEBB members (faculty and part-time faculty): OEBB members can enroll in Weight Watchers as well. This benefit bills your insurance directly (ODS or Providence); as long as you enroll in the program using the OEBB dedicated number: (866) 531-8170. Members can attend Weight Watchers meetings or enroll in Weight Watchers Online. This program started October 1st, 2010 and is an ongoing benefit offered to OEBB members. To access more information about OEBB's program, go to: <http://www.oregon.gov/DAS/OEBB/FAQWW.shtml>

FACILITIES UPDATES

BUILDINGS 10 AND 11 REMODEL

Construction work on the inside of Building 10 is scheduled to continue and will be increasing. Crews are installing large duct work and roof supports for the new HVAC equipment. Interior wall construction began last week and is expected to continue throughout the remainder of the project. During activities such as this, odd smells and loud noises throughout the day are expected. A separate project to relocate the trash compactor is scheduled to start with-in the next two weeks. This will cause further traffic congestion on the east side of the Building 10 project. Lane's project management staff requests that traffic be limited in this area to student activities and deliveries only. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS BUILDING

The jet grouting subcontractor has mobilized on site and drilled a test hole last Friday. If the results from the test hole meet standards, the jet grouting should begin today. The grouting process is scheduled to be completed by April 26. Amendment two was executed. It includes several tasks among which are demolition of existing asphalt, filling the pit with structural fill (crushed rock), and drilling Geo-wells. The management team meets with the design team to discuss a variety of issues on Thursday, April 14. The CM/GC expects to set up its project office in an existing building on the north side of the alley. Contact Bob Mention, 5747.

NEWS & ANNOUNCEMENTS

KAY RYAN WINS PULITZER

Last year's Reading Together visiting author, Kay Ryan, yesterday was awarded the Pulitzer prize for poetry. Read more in the Marin Independent Journal at

http://www.marinij.com/marinnews/ci_17876324

Ryan teaches at Marin College and is a former U.S. Poet Laureate. She spoke at Lane on May 13 to an enthusiastic crowd. She founded Poetry for the Mind's Joy in collaboration with the Library of Congress and the Community College Humanities Association to highlight poetry at community colleges.

Reading Together engages students in reading and discussion of shared texts. This year's visiting author is Tamim Ansary, well-known Afghan-American author and lecturer. He will visit campus May 12 and 13; watch Lane Weekly for details. Submitted by the editor.

STUDENT AFFAIRS COUNCIL HOSTS SOCIAL MEDIA DISCUSSIONS

Struggling with Facebook, Twitter and texting in the classroom, love it and cannot imagine life without it, or are you somewhere in between?

The Student Affairs Council invites all faculty, staff and students to join us for a three-part discussion series on technology in the classroom. We'll utilize what we hear as we consider the possible development of policies regarding appropriate use in the classroom and beyond.

* Wednesday, April 27 9-10 a.m. 2/121 (Academic Technology Center lab)

What are the current social media tools out there now, how much of an issue is this and what are the experts saying about this new classroom phenomenon? Learn about tools like LinkedIn, Tumblr, Twitter, Facebook and Stumbled Upon.

* Wednesday, May 11 9 - 0 a.m. 2/121 (Academic Technology Center lab). If you use Facebook, do you know how to control your settings to allow family, friends, students and colleagues to be able to view different items? Come to learn how to manage this and share your ideas on whether we should be monitoring posts or not.

* Tuesday, May 24 4-5 p.m. 2/121 (Academic Technology Center lab). Should we consider promoting a college policy on the use of Facebook and social media in the classroom? What are the possibilities for using this a tool for teaching and supporting our Progression and Completion goals. Let's talk!

Contacts: Mario Parker-Milligan and Helen B. Garrett, Student Affairs Council Chair and Co-Chairs, 5725.

LANE DAY AT THE CAPITOL

Join us for Lane Community College Day at the State Capitol next Wednesday, April 27. There will be legislative visits scheduled throughout the day (optional), an official welcome from the

Senate and House, and Lane exhibits on display in the Capitol's Galleria. Everyone is welcome. Please contact Brett Rowlett, rowlettb@lanecc.edu or 5850, for more details.

PHYSICAL THERAPIST STUDENTS TO PRESENT SERVICE LEARNING PROJECTS

The Physical Therapist Assistant Class of 2011 will be presenting its Service Learning Projects by way of poster presentations during a reception Wednesday, April 27, from 5-6:30 p.m. in the PTA Lab located in Building 30, Room 122. Light refreshments will be served. Please join us in celebrating service learning and sending the first graduating PTA class on their final clinical rotations. Questions can be sent to Beth Ann Thorpe 3274 or thorpeb@lanecc.edu

GRAND OPENING: NEW DANCE STUDIO

Thursday, April 28, 5-7 p.m., Room 136, Building 5

The Lane Dance Program will hold a gala grand opening of its new dance studio. Hors d'oeuvres and beverages will be served, and live dance and music will be performed.

The public is invited to celebrate the completion of the state-of-the-art dance studio.

Groundbreaking began this summer, and the studio was completed for winter term. Students and faculty have been enjoying this inspiring new studio space and are excited to invite you to this celebration. The Lane Dance Company will perform two 2011 premieres, Tracing Vestiges and Shadows of Clouds Rolling Over Mountains. Students from Balinese Dance will perform the beautiful temple dance: the Rejang Dewa. Contact: John Watson.

"DUENDE DE LORCA" EXAMINES THE POET'S LIFE

Lane is proud to present Teatro Milagro's live production of "Duende de Lorca" at 3:30 p.m. on Thursday, April 28, in the Performance Hall, Building 6. The performance is free and open to the public. Milagro's new work about the Spanish poet and playwright, Federico Garcia Lorca, shows the struggle of the artist's life and the creative vision of Lorca that has inspired generations of writers and artists. This new work also addresses his struggles with gender issues in a very tasteful way that makes this play very relevant to topical issues on college campuses that are working to address marginalization of both racial and sexual minorities. The play has been well received both in Portland and in rural communities in Southern Oregon and will be presented at the Cesar Chavez Diversity Conference in Colorado at the end of this month. This performance is sponsored by Lane's Office of Diversity, Professional & Organizational Development Office, and Division of the Arts. Contact: Donna Koechig.

TAKE BACK DAY FOR UNWANTED PRESCRIPTION DRUGS

Lane will collect expired, unused and unwanted prescription drugs on Saturday, April 30 from 10 a.m. to 2 p.m., as part of the Drug Enforcement Administration's National Take Back Day. Medications may be brought to the lobby of the Center for Meeting and Learning, Building 19, main campus. Prescription drugs will be accepted, except for chemotherapy drugs or sharps. All liquids should be tightly closed. Lane Public Safety and Health Clinic staff will turn over collected medications to the DEA for responsible disposal. The event is free and anonymous, no questions asked.

The DEA reports that Americans turned in 242,000 pounds, or 21 tons, of prescription drugs at similar events last year. Disposal is a vital public safety and health issue. Medicines that languish in home cabinets are susceptible to diversion, misuse and abuse. Rates of prescription drug abuse in the U.S. are high, as are accidental poisonings and overdoses due to these drugs. Studies show that a majority of abused prescription drugs are obtained from family and friends, including from the home medicine cabinet. In addition, flushing medication down the toilet or throwing them in the trash pose potential safety and environmental health hazards. Contact: Jace Smith.

SEARCHING FOR A GRADUATION SPEAKER

Do you know of student graduating in June who has the ability to present a great speech? Please direct them to the keynote speaker contest. The chosen speaker or speakers will receive a \$100 stipend for their speech. Details:

- * This contest is open to all students who are graduating in 2011
- * The graduation ceremony will feature a keynote address by a Lane student
- * Graduation is Saturday, June 11, 4 p.m. at the Lane County Fairgrounds Exhibit Hall

The keynote speech should reflect:

- * Recognition of time, work and energy students have shown in completing their degree, diploma or certificate
- * Offer inspiration to students regarding future employment prospects and demonstrate the value of education in reaching their goals
- * Show examples of success achieved through the speaker's experiences at Lane.
- * Recognize contribution of staff, family and friends in helping students succeed.

Contestants will present their speech to a selection committee on May 5 between 3-4:30 p.m. Interested students should prepare a speech no longer than five minutes in length, and sign up for a time to present their speeches no later than April 30 with Tina Lymath in Student Life and Leadership Development, building 1, room 201B. Call 5336 with any questions. The deadline for entering is May 1. Contact: Tina Lymath, Student Life and Leadership Development, 5336.

LEGISLATORS AND BUDGET CO-CHAIR CAMPUS TOWN HALL MEETING

Lane County's state legislative delegation will hold a town hall meeting with Ways and Means Co-Chair Peter Buckley on Thursday, May 5 from 7:00-8:30 PM in the Forum Building (Bldg 17, Rooms 308 & 309). The event is an excellent opportunity for members of the Lane Community College community and the general public to ask questions and provide feedback on the state budget and other issues currently before the legislature. Submitted by: Brett Rowlett, Director of Government and Community Relations, rowlett@lanecc.edu or 5850.

100-MILE-MEAL INSPIRES SPRING CLASSICAL CUISINE DINNER

The Culinary Arts and Hospitality Management program will hold its annual spring classical cuisine dinner, "The 100-Mile Meal – National Flavors, Locally Grown," on Thursday, May 26 at the Center for Meeting and Learning, Building 19. The buffet-style dinner will offer a variety of seasonal tastes from produce and ingredients procured within a 100-mile radius of main campus. Share in the excitement of watching food freshly prepared right before your eyes! The dinner begins at 5 p.m. with hors d'oeuvres and a silent auction. The dining room will close at 8:30 p.m. There is no reserved seating for "The 100-Mile Meal." Tickets are \$35 individual or \$250 for a table of eight. Tickets can be purchased online only at

www.lanecc.edu/culinary/cuisine.htm

CLOSURES

- * ARCHIVES will be closed on April 20-25 while the archivist is away at a conference. For assistance or records requests at that time, contact Kristen Gustafson in the Library at 5273.
- * LANE will be closed to the public for spring in-service on Friday, May 6. No classes will be held and no services will be available, unless otherwise announced by a department or program. See the academic calendar online at <http://lanecc.edu/calendars/academic.html>

SAVE THE DATE - LANE'S DAY OF CARING

This year's Day of Caring will be June 4, from 9 a.m.-12 p.m. at the Grassroots Community Gardens on Coburg Road. This is a service gardening project to raise organic food to help Food for Lane County supply nourishing vegetables to those in need right here in our own community. Volunteers will be weeding, picking, transporting soil, etc. There will be projects available for all ages and skill levels. Family and friends are welcome. There will be opportunity to sign up at the Spring In-service or contact Bonnie Phipps at 5135 or phippsb@lanecc.edu

CTE FACULTY INTERNSHIP OPPORTUNITIES AVAILABLE

Perkins grant funds are available for paid faculty internships through August 31 for faculty to work at business sites related to their teaching discipline. The purpose of these funds is to strengthen the career and technical skills of students participating in career and technical programs. Faculty work with businesses to stay current with all aspects of an industry and develop a higher level of industry knowledge and skills. Internships are paid at the curriculum development rate and are to be with local employers within commuting distance of the college. Applicants are responsible for making internship arrangements. For Perkins Internship Guidelines and application, e-mail Carol Woodman at woodmanc@lanecc.edu or call 463-5509.

STUDENT SERVICE ASSOCIATE POSITIONS OPEN

The Counseling Department is recruiting students to apply for Student Service Associate positions for 2011/12. SSAs serve as mentors to their peers, providing information and support with regard to career exploration, scholarships, employment opportunities and campus resources. SSAs develop great leadership skills while helping others. Interested students can learn more at <http://www.lanecc.edu/ces/SSA.htm>. The application deadline is Thursday, May 5 at 5 p.m. Questions can be directed to Christina Salter, 463-5813 or Tammy Simpson, 463-5296.

NOW HIRING STUDENT OUTREACH REPRESENTATIVES FOR 2011-2012

If you work with current Lane students who need a great on-campus job next year, please encourage them to apply for a position as a Student Outreach Representative. Enrollment and Student Financial Services is now accepting applications for this important, exciting student job that will allow current Lane students to give campus tours, attend on and off campus recruitment events and showcase the college to new and prospective students. Applications are available in Building 1, Room 101, or online at lanecc.edu/es Applications are due by Thursday, May 5 at 5 p.m.! Contact David Van Der Haeghen, Student Recruitment & Outreach Coordinator, at 5688 with questions.

FACILITIES UPDATES

FMP SUMMER PROJECT PLANNING

As noted previously in the Lane Weekly, the cut-off for additional summer projects and work orders for FMP was April 1. FMP staff is planning work and will be hiring temporary staff to better support the large number of projects submitted. If you know someone that needs a summer job, FMP has several postings now open for applicants. No additional projects are being accepted at this time for the summer project schedule. Maintenance work order submissions are still being encouraged. The Facilities planning team will continue to review projects that are submitted for resource consideration. With limited resources this year and next, FMP will work on prioritizing a full plate of projects submitted, and the schedule is being projected through June 30, 2012. ASALT is also reviewing the planned work in cooperation with FMP. As the planning team closes in on finalizing the summer project and maintenance task list and allocating available resources, a schedule will be announced in the Lane Weekly. Thank you for your support. Contact David L. Willis, 5216.

PROJECT UPDATES—

DOWNTOWN CAMPUS BUILDING

A lot of preparatory work needs to be done before actual construction can begin. Construction documents must be prepared, building permits must be obtained, testing must be completed, etc. So far, all of this work is going well and is on schedule. Actual construction preparation began by strengthening and stabilizing some subsurface soil in the pit. This is done by a process called “jet-grouting” that involves drilling 133 holes of various depths through the existing concrete slab into the ground below. A jet-grouter that shoots a mixture of cement and water into the ground is lowered into each hole. The device rotates 360 degrees as it is drawn up out of the hole. The rotation results in strengthening a cylindrical volume of earth about six feet in diameter by various depths. This work began last week and it's scheduled to be finished by April 22. The contractor will start two other tasks this week to include: semolition of the asphalt paving, and filling the pit with structural fill (compacted, crushed rock). Contact Bob Mention, 5747.

HURRAY FOR THE ARRAY: DOWNTOWN CAMPUS WINS SECOND EWEB GREENPOWER GRANT

A large thank-you to all of Eugene Water and Electric Board Greenpower customers who voted to award Lane's Downtown Campus our second \$100,000 Greenpower grant in two years. On Saturday, April 23, at the EWEB Earth Day Celebration, Commissioner John Simpson presented the grant award to President Mary Splide, and board members Pat Albright and Tony McCown. The grant supports the cost of a 12 kW photovoltaic array on the roof of the Downtown Campus academic building. The system will be used both for energy production as well as for educational purposes. The array will include three 4 kW systems, each with a different type of panel: 1) monocrystalline, 2) thin film, and, 3) either polycrystalline or cylindrical copper indium gallium diselenide (CIGS modules). The system will be designed to accommodate expansion, so that Lane could add panels in the future, as funds are available. A

few panels of each type will not be connected to the grid in order to facilitate student's hands on experience and allow them to remove and connect panels as part of the educational program. The Solar Station on main campus was awarded the 2009 Greenpower grant. Funding sources for this project include the bond measure, Oregon Department of Energy Business Energy Tax Credits, and EWEB's distribution department. The station has a unique design as an outdoor learning lab. In August 2010 this project created an opportunity for hands-on solar electric low voltage electrical installation training for 12 apprentice-level electricians. Since September of 2010, the 36 Kilowatt grid of solar electrical panels (called an array) at the station has generated 20,274 Kilowatt hours of electricity, the equivalent of powering an average EWEB customer's home for two years. This electrical energy is delivered to Buildings 4, 5 and 30. In addition, 19 charging stations have been installed to serve both 110- and 220-volt electric vehicles. We are still completing the system(s) data monitoring and commissioning for the charging stations and are developing a procedure and guidelines planned for completion by summer term. Staff continues to attend community forums to gather information and inform the community about the station. Look for more information in the next weeks about our Greenpower projects at <http://www.lanecc.edu/sustainability/> and <http://www.lanecc.edu/bond/>

PEACEHEALTH SIUSLAW REGION NAMED CO-OP EMPLOYER OF THE YEAR

Each year the Cooperative Education department chooses a business or organization that has been exceptional in providing cooperative education internship opportunities for Lane students. PeaceHealth Siuslaw Region (formerly known as Peace Harbor Hospital) has been selected as Co-op Employer of the Year 2011 from among 800 organizations who provide co-op experiences for Lane students.

Since 2000, more than 85 students have completed one or more co-op learning experiences within the PeaceHealth Siuslaw Region system. Nearly 26 percent of those students since 2006 have been hired as regular employees, a good example of how an organization invests in internships and shows the benefit for both the organization and the students, said co-op coordinator for Lane's Florence campus, Marv Clemons. "It's a perfect example of 'growing your own'."

PeaceHealth Siuslaw Region will be honored at a dinner event on Tuesday, April 26.

For more information contact Tamara Pinkas, 5011 or pinkast@lanecc.edu

TWO LANE STUDENTS JOIN ALL OREGON ACADEMIC TEAM

Lori Wilson of Springfield and Matthew Ray of Eugene were named to the 2011 All-Oregon Academic Team sponsored by the Oregon Community College Association. They were honored along with other scholars from Oregon's 17 two-year colleges in ceremonies at the state capitol last week. Wilson, 45, is a psychology major planning to transfer to the University of Oregon. Ray, 28, is an architectural drafting major planning to transfer to Texas A&M. OCCA coordinates the event each year to honor students nominated by their home institutions. Contact: Editor.

ANNOUNCEMENTS

TONY SANJUME NAMED NEW RETAIL SERVICES MANAGER

Welcome to Tony Sanjume, joining Lane this week as the new Retail Services director. Tony will be responsible for both the Titan Store and Printing/Graphics. He comes to us from San Diego State University where he managed both the textbook department and Aztec Printing. He has over 20 years of experience in college bookstores and is a past president of the California

College Bookstore Association. A special thanks to Jennifer Steele who has done a spectacular job as interim bookstore manager. She is returning to her passion for project management in College Operations. Contact: Greg Morgan.

INTERIM DIRECTOR OF FINANCIAL AID

As you may know, Bert Logan has left Lane after eight years of service as the director of financial aid, to become the director of financial aid and veterans' services for Portland Community College. We have begun the search process to hire Bert's replacement. In the meantime, please be sure to remove his name from any established GroupWise lists you may have and if you need something that would have gone to Bert in the past, please e-mail both Shelley Evans, lead financial aid advisor at evanssm@lanecc.edu and Helen Garrett, interim financial aid director at garreth@lanecc.edu Submitted by Helen Garrett, 5725.

SOCIAL MEDIA DISCUSSIONS BEGIN APRIL 27

Struggling with Facebook, Twitter and texting in the classroom, love it and cannot imagine life without it, or are you somewhere in between?

The Student Affairs Council invites all faculty, staff and students to join us for a three-part discussion series on technology in the classroom. We'll utilize what we hear as we consider the possible development of policies regarding appropriate use in the classroom and beyond.

* Wednesday, April 27 9-10 a.m. 2/121 (Academic Technology Center lab)

What are the current social media tools out there now, how much of an issue is this and what are the experts saying about this new classroom phenomenon? Learn about tools like LinkedIn, Tumblr, Twitter, Facebook and Stumbled Upon.

* Wednesday, May 11 9 - 0 a.m. 2/121 (Academic Technology Center lab). If you use Facebook, do you know how to control your settings to allow family, friends, students and colleagues to be able to view different items? Come to learn how to manage this and share your ideas on whether we should be monitoring posts or not.

* Tuesday, May 24 4-5 p.m. 2/121 (Academic Technology Center lab). Should we consider promoting a college policy on the use of Facebook and social media in the classroom? What are the possibilities for using this a tool for teaching and supporting our Progression and Completion goals. Let's talk!

Contacts: Mario Parker-Milligan and Helen B. Garrett, Student Affairs Council Chair and Co-Chairs, 5725.

FINALISTS SELECTED FOR CIO; OPEN FORUMS BEGIN MAY 2

Four finalists have been selected for interviews for the chief information officer position recently posted by the Office of Academic and Student Affairs. Each will have an open forum in the Center for Meeting and Learning, Room 205, at 2:15 p.m. on the date indicated with the brief biographies below:

CIO FINALISTS BRIEF BIOS—

* For the past 13 years, Dr. Eric Ellis has been employed at Treasure Valley Community College, in Ontario, Oregon. He has been director of information support services and dean of student affairs, with informal detours into public information, institutional research and project management. This diversity of experience has given him a broad understanding of how technology is woven into every aspect of the community college mission. He holds a bachelor of arts in history from the College of Idaho, as well as a master's and doctorate in educational technology from Pepperdine University. OPEN FORUM: 5/2, 2:15-3:00 p.m., CML 205

* Vikram Ahmed obtained a bachelor of science in business (commerce) from the University of Calcutta, a master's in business management from the Indian Institute of Social Welfare and Business Management, and an MBA with a major in management information systems from East Carolina University. He has managed enterprise systems in large institutions of higher

education, and financial information systems in the banking industry. He has technical expertise along with collaborative project development and implementation experience. OPEN FORUM: 5/3, 2:15-3:00 p.m., CML 205

* With 27 years of professional experience, Dr. James Tisdale has served in community colleges as an instructor, director of admissions and records, and dean of student services in addition to business process consulting, and project management. As a consultant and project manager, he helped several colleges and universities improve their business processes while implementing new administrative information systems. He holds a bachelor of arts in modern languages, a master's in Spanish literature, and a doctorate in higher education administration, student personnel services, from Colorado State University. OPEN FORUM: 5/4, 2:15-3:00 p.m., CML 205

* Dr. William Schuetz earned a bachelor of science in mathematics from the University of Washington, as well as a master's in computer information systems and a doctorate in management of information systems from Claremont Graduate University. Recently he served as the director of technology for the tri-campus location including the Art Institute, Argosy University, and Brown Mackie in Orange County, California, owned by Education Management Corporation. In this role his work included collaboration with faculty, staff and students on institutional effectiveness, technology support, institutional self-study, and enterprise system implementation. OPEN FORUM: 5/4, 2:15-3:00 p.m., CML 205.

INTERNATIONAL FILM FESTIVAL MAY 3 AND 5

Join us as we delve into Iranian and Japanese cultures through two highly acclaimed films that offer a candid and intimate portrait of life from another perspective. Screenings will be held in the Longhouse, Building 31. Light refreshments will be provided. Contact Jennifer Hare at harej@lanecc.edu or 3409 with questions.

* Children of Heaven (Iran) - Tuesday, May 3 from 4-6 p.m.

* Departures (Japan) - Thursday, May 5 from 4-7 p.m.

SPRING FACULTY CONCERTS MAY 5 AND 10

On Thursday, May 5 at 7:30 p.m., in the Ragozzino Performance Hall, Building 6, Lane Faculty Jazz Quintet will play a 75-minute set of jazz standards as part of Lane's Faculty Concert Series. Lane's jazz faculty have been presenting concerts for years but began working together on a weekly basis in the late fall of 2009 and have performed nearly a dozen times since. They are: Dave Bender – trumpet; Ron Bertucci – trombone; Olem Alves – guitar; Nathan Waddell – bass; Glenn Griffith – drums.

They will perform pieces by John Coltrane, Hoagy Carmichael, Joe Henderson, Toots Thielman and Thelonius Monk.

On May 10 at 7:30 pm, in the Ragozzino Performance Hall, Building 6, the Lane Voice Faculty will present American Voices: A Tribute to Song Heritage in the New World. Siri Vik, Gene Chin and Alison Slade will celebrate the work of both classic and contemporary composers such as Aaron Copeland, Leonard Bernstein, Stephen Sondheim and Erick Idle. Accompanists include Sandy Holder, Genevieve Mason, Matthew Svoboda and Seth Mulvihill.

LEGISLATORS AND BUDGET CO-CHAIR CAMPUS TOWN HALL MEETING MAY 5

Lane County's state legislative delegation will hold a town hall meeting with Ways and Means Co-Chair Peter Buckley on Thursday, May 5 from 7:00-8:30 p.m. in the Forum Building (Building 17, Rooms 308 & 309). The event is an excellent opportunity for members of the college community and the general public to ask questions and provide feedback on the state budget

and other issues currently before the legislature. Contact: Brett Rowlett, Government and Community Relations, rowlettb@lanecc.edu or 5850.

SPRING INSPIRATIONS THEATER OPENS 15th SEASON

Blue Door Theater, May 6, 7, 12, 13 and 14 at 7:30 p.m., and May 8 at 2 p.m.

Celebrating its 15th year of Spring Inspirations, Lane Theatre Arts presents 10 one-act plays in the Blue Door Theater, written, directed and acted by students under the guidance of lead faculty Patrick Torelle. The plays began their journey to the stage in Torelle's fall Writing for Theater class. Rewrites continued through the winter and into the spring rehearsals. "It's always a fantastic mix of the comedic, tragic and bizarre," says Torelle. "The thing I love the most," he continues, "we have about 50 students who participate in one way or another. One of them has been here for all 15 years." Each of the works has been carefully honed. "This is some of the most difficult kind of writing there is," explains Torelle, "The playwright has ten minutes or less to tell a coherent

story with a strong beginning, middle and end, clever dialogue, compelling characters, and dynamic twists and turns."

The plays are mounted on a revolving stage, minimizing scene change time, and employ a projection screen to introduce and supplement the action. The plots range from a hilarious look at airport security to domestic abuse and the loss of a child. The use of guns, violence, and strong language may be too intense for the very young, but for everyone else, it promises to be a very entertaining evening.

Tickets available at the door for a suggested donation of \$3 to \$5. Contact: John Watson, 5161; watsonj@lanecc.edu

SPRING CONFERENCE REMINDER

May 6 Spring Conference schedule under construction! Please be certain to put this event on your calendar and plan to attend.

<http://lanecc.edu/in-service/spring11/scheduleglance.html>

Spring has at long last sprung! Beginning with a piping hot beverage and light breakfast food service launching at 8:00 a.m. in the Center for Meeting and Learning lobby, and followed by President Mary Spilde's opening remarks commencing at 8:30 a.m., this year's Spring Conference will showcase Lane's enduring dedication to its staff and students. Each department will host a two-hour intradepartmental learning event for their staff immediately following the conclusion of Mary's remarks at 9:30 a.m., and ending just before an appetizing mid-day meal is served in the cafeteria beginning at 12 noon.

A morning peer-to-peer networking session for all classified staff in administrative support positions will take place alongside the intradepartmental events. This will be a time for you to meet up, share knowledge, and build mutually supportive relationships with your peers. This session expands upon the recent efforts to pull a broader base of classified administrative staff into Lane's peer-to-peer group in order to expand networking opportunities and foster collegial relationships within this busy group. An outstanding roster of best practice training opportunities for classified staff will be held throughout the afternoon, thanks to an overwhelming response to our request for input on training needs and ideas. A team of enthusiastic trainers has agreed to demystify both systems through offering the most current training materials along with their expertise in the form of drop-in labs on both Banner Finance, and Banner Enrollment and Student Financial Services.

The afternoon will, once again, provide training opportunities for all Lane staff, and will include IT workshops for faculty on Moodle updates, Elluminate, OER 101, and edublogging. Additional sessions will include Lane's core abilities for student learning, inclusive design, Lane's new Honors Program, the Lane Student Conduct Code, using the Learning Garden as a teaching

tool, an FPD open house, a library without walls, several Wellness offerings, and a two-hour Writing Across the Curriculum workshop.

No matter which staff category you belong to, please block out your calendar for the entire day in order to enjoy and take advantage of the planning committee's good work. After all, we do it for you.

If you need more information, contact Roxanne Young, event coordinator, at 3655, youngr@lanecc.edu

100-MILE-MEAL INSPIRES SPRING CLASSICAL CUISINE DINNER

The Culinary Arts and Hospitality Management program will hold its annual spring classical cuisine dinner, "The 100-Mile Meal – National Flavors, Locally Grown," on Thursday, May 26, at the Center for Meeting and Learning, Building 19. The buffet-style dinner will offer a variety of seasonal tastes from produce and ingredients procured within a 100-mile radius of main campus. Share in the excitement of watching food freshly prepared right before your eyes! The dinner begins at 5 p.m. with hors d'oeuvres and a silent auction. The dining room will close at 8:30 p.m. There is no reserved seating for "The 100-Mile Meal." Tickets are \$35 individual or \$250 for a table of eight. Tickets can be purchased online only at

www.lanecc.edu/culinary/cuisine.htm

CONVERSATION TABLES - LET THE WORLD COME TO YOU

AFRICAN AMERICAN RITES OF PASSAGE ACCEPTING APPLICATIONS

The African American Rites of Passage Summer Academy is accepting applications from students in grades 6 through 12. This summer's program will accept a limited number of students (25-30).

The application deadline is Friday, June 17. The program will run Mondays through Fridays from June 27-July 15.

The academy is designed to address the cultural, career, academic and social needs of high school and middle school African American and multicultural students of African descent in Lane County. The academy is crafted in an academic and cultural framework for the purpose of connecting these students with the history, literature, traditions and folklore of the experience of African people in western civilization.

The academy is in its 16th year and was founded by Greg Evans. Lane added a Pan Asian American academy in 2001, and Umista Native American and Puertas Abiertas Latino/Latina academies in 2002. For more information contact Greg Evans, Director African American Student Programs, at evansg@lanecc.edu or 5340.

SEARCHING FOR A GRADUATION SPEAKER

Do you know of student graduating in June who has the ability to present a great speech? Please direct them to the keynote speaker contest. The chosen speaker or speakers will receive a \$100 stipend for their speech. Details:

This contest is open to all students who are graduating in 2011

The graduation ceremony will feature a keynote address by a Lane student

Graduation is Saturday, June 11, 4 p.m. at the Lane County Fairgrounds Exhibit Hall

The keynote speech should reflect:

Recognition of time, work and energy students have shown in completing their degree, diploma or certificate

Offer inspiration to students regarding future employment prospects and demonstrate the value of education in reaching their goals

Show examples of success achieved through the speaker's experiences at Lane.

Recognize contribution of staff, family and friends in helping students succeed.

Contestants will present their speech to a selection committee on May 5 between 3-4:30 p.m.

Interested students should prepare a speech no longer than five minutes in length, and sign up for a time to present their speeches no later than April 30 with Tina Lymath in Student Life and Leadership Development, building 1, room 201B. Call 5336 with any questions. The deadline for entering is May 1. Contact: Tina Lymath, Student Life and Leadership Development, 5336.

FIREMED MEMBERSHIP APPLICATIONS AVAILABLE IN HUMAN RESOURCES

Employees are eligible for a discount for FireMed membership. The regular rates for 2011 are \$62 for FireMed Basic and \$102 for FireMed Plus. With the employee discount, your cost for your household will be \$57 for FireMed Basic and \$97 for FireMed Plus. Information is available in the Human Resources reception area.

FACILITIES UPDATES

YOU'RE INVITED!

After years of hard work and dedication it's time to take a permanent vacation! Please join FMP staff on Wednesday, April 27 from 2:45-4:00 p.m. in the Renaissance Room in the Center

Building as we say farewell at a retirement celebration planned for two of FMP's long time dedicated employees, Tom Oroyan and Lynn Atkins. Contact Russ Pierson, 5727.

PROJECT UPDATES—

BUILDINGS 10 AND 11 REMODEL

Most of the interior walls in Building 10 are framed and ready for the next phase. Structural steel on the interior and exterior of the building is complete and ready for final coatings. Placement of concrete walkways on the west side of Building 10 will continue on Wednesday, April 27. In addition, two new construction activities begin this week. Lane has hired another contractor to complete the placement of the new access ramp on the south side of building 10, and bond project employees are moving the trash compactor to a new location. These projects will cause considerable noise at times, and foot traffic between buildings 10 and 12 will be detoured to parking lots through alternate routes. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS BUILDING

During the week of April 11, construction crews began to stabilize the soil beneath the existing basement of the former Sears building. The process uses a high-pressure injection system to force grout into place underneath the existing concrete slab, to form six-foot diameter grout columns. The grout columns will provide additional support to the foundation, in order to prevent settlement from the loads imposed by the new building. The soil stabilization work will be completed by the end of this week. Crews will then begin filling the existing basement, affectionately known as "The Pit". As the fill activities progress over the course of the next few weeks, a new underground electrical vault and underground rain water storage tanks will be placed in the basement. Once the fill activities are complete, a drilling crew will mobilize to begin construction of geothermal wells that will later be tied into the building's mechanical system to augment heating and cooling. Contact Todd Smith, 5132.

TRAININGS

ACADEMIC TECHNOLOGY CENTER WORKSHOPS - See <http://lanecc.edu/atc/wstraining/schedule.html> for details:

Exploring the Moodle Quiz module

In this workshop we will be exploring the Moodle Quiz module which allows the teacher to design and set quizzes consisting of a large variety of Question types, among them multiple choice, true-false, and short answer questions. These questions are kept in the course Question bank and can be re-used within courses and between courses. Workshop level intermediate. Preregistration required. Location: Building 2 Academic Technology Center 121 Dates: Monday, 05/23, 2 p.m.

Using forums in your Moodle class

In this class we will explore the instructional applications of Moodle forums, match the different types of Moodle forums to their instructional uses, and practice setting up different types of forums. For current Moodle users. Registration required. Location: Building 2 Academic Technology Center 121. Date: Thursday, 05/12, 2 p.m.

Hands-On Moodle Gradebook Workshop

Learn how to set up a straight-point or weighted gradebook, enter and manage grade records, and verify and troubleshoot your gradebook. For current Moodle users. Registration required
Location: Building 2 Academic Technology Center 121. Thursday, 05/05 10 a.m.

Moodle Assignments And Activities

In this class we will practice setting up graded and non-graded assignments, activities, and homework. We will have an overview of all activities, including typical uses and grading option. There will be an in-depth practice session on setting up and managing the four types of assignments, as well as learning how to record grades for activities that don't automatically post to the gradebook. Finally, we will view some examples of Moodle Lessons. Registration Required. Location: Building 2 Academic Technology Center 121. Date: Monday, 04/25 2 p.m.

CIO OPEN FORUMS UPDATE

There are two changes in the open forums for chief information officer finalists published in Lane Weekly yesterday. The forum with Dr. William Schuetz will be held May 5, not May 4; and one candidate has withdrawn. All forums will be held in the Center for Meeting and Learning, Room 205, at 2:15 p.m. on the date indicated. Following is the updated information:

Dr. Eric Ellis, Monday, May 2—

For the past 13 years, Dr. Ellis has worked at Treasure Valley Community College, in Ontario, Oregon. He has been director of information support services and dean of student affairs, with informal detours into public information, institutional research and project management. This diversity of experience has given him a broad understanding of how technology is woven into every aspect of the community college mission. He holds a bachelor of arts in history from the College of Idaho, as well as a master's and doctorate in educational technology from Pepperdine University.

Dr. James Tisdale, Wednesday, May 4—

With 27 years of professional experience, Dr. Tisdale has served in community colleges as an instructor, director of admissions and records, and dean of student services in addition to business process consulting, and project management. As a consultant and project manager, he helped several colleges and universities improve their business processes while implementing new administrative information systems. He holds a bachelor of arts in modern languages, a master's in Spanish literature, and a doctorate in higher education administration, student personnel services, from Colorado State University.

Dr. William Schuetz, Thursday, May 5—

Dr. Schuetz earned a bachelor of science in mathematics from the University of Washington, as well as a master's in computer information systems and a doctorate in management of information systems from Claremont Graduate University. Recently he served as the director of technology for the tri-campus location including the Art Institute, Argosy University, and Brown Mackie in Orange County, California, owned by Education Management Corporation. In this role his work included collaboration with faculty, staff and students on institutional effectiveness, technology support, institutional self-study, and enterprise system implementation.

LANE'S TOBACCO-FREE CAMPUS FEATURED BY LEAGUE FOR INNOVATION

The March 22 "Innovation Showcase," an electronic publication from the League for Innovation, features an article titled "A Breath of Fresh Air: Lane Community College Goes Tobacco-free" written by Lane's own Wendy Simmons of the Employee Wellness Program. To read the article go online: <http://www.league.org/blog/post.cfm/lane-community-college-goes-tobacco-free> For more information contact Wendy Simmons, 5551, simmonsw@lanecc.edu or Tamara Pinkas, League Rep, 5011, pinkast@lanecc.edu

ANNOUNCEMENTS

MAY 6 SPRING CONFERENCE: GOING GREEN!

<http://lanecc.edu/inservice>

In an effort to continue to honor and promote Lane's commitment to sustainability, we used three electronic communication vehicles to promote and distribute materials for this year's Spring Conference: Lane Weekly, Lane Employee e-mail, and the in-service website. The schedule and workshop narratives were sent to all Lane employees yesterday in electronic form. Staff was asked to print materials based upon their needs per the four breakout session workshop tracks: classified learning, faculty teaching and learning, all staff health and wellness, and student success.

Beginning with a piping hot beverage and light breakfast food service launching at 8:00 a.m. in the Center for Meeting and Learning lobby, and followed by President Mary Spilde's opening remarks commencing at 8:30 a.m., this year's Spring Conference will showcase Lane's enduring dedication to its staff and students. Each department will be hosting a two-hour intradepartmental learning event for their staff immediately following the conclusion of Mary's remarks at 9:30 a.m., and ending just before an appetizing mid-day meal is served in the cafeteria beginning at 12:00 noon. Thank you to Chef Tim and our dedicated Food Services staff for another outstanding menu, Mediterranean Buffet.

A 10 a.m. to 12 noon Peer-to-Peer networking session for all classified staff in administrative support positions will take place alongside the intradepartmental events. This will be a time for staff to meet up, share knowledge, and build mutually supportive relationships with their colleagues. This session expands upon the recent efforts to pull a broader base of classified admin staff into Lane's Peer-to-Peer group in order to expand networking opportunities and foster collegial relationships within this busy group. An outstanding roster of best practice training opportunities will be held throughout the afternoon, thanks to an overwhelming response to our request for input on training needs and ideas. A team of enthusiastic trainers has agreed to demystify systems through offering the most current training materials along with their expertise in the form of drop-in labs on both Banner Finance, and Banner Enrollment and Student Services.

The afternoon will, once again, provide training opportunities for all Lane staff, and will include IT workshops for faculty on Moodle updates, Elluminate, OER 101, and edublogging. Additional sessions will include Lane's core abilities for student learning, inclusive design, Lane's new Honors Program, the Lane Student Conduct Code, using the Learning Garden as a teaching tool, an FPD open house, a library without walls, several Wellness offerings, and a two-hour Writing Across the Curriculum workshop.

No matter which staff category you belong to, please block out your calendar for the entire day in order to enjoy and take advantage of the planning committee's good work. As we said last week, after all, we do it for you. . .

If you need more information, contact Roxanne Young, event coordinator, at 3655, youngr@lanecc.edu

"LAST ALBUM" PRESENTATION AT IN-SERVICE, AND DIVA GALLERY

In 1986, a young librarian on a research trip to Auschwitz, discovered a hidden collection of family photographs taken from the deportees from one of the last transports to arrive at the camp. Hear Dr. Weiss tell of her more than 20 years of research to identify and restore the memory of these individuals and families, and celebrate their lives as they would have wanted.

She will present their stories at 1:30 p.m. during the May 6 in-service. Then see the exhibit, "The Last Album: Eyes from the Ashes of Auschwitz-Birkenau" opening Friday, May 6 with an ArtWalk reception at 4:30 p.m., at DIVA, 280 W. Broadway in downtown Eugene. This exhibit was made possible in part through the generous support of Lane Community College. Contact: John Watson.

AFGHAN-AMERICAN AUTHOR TAMIN ANSARY TO VISIT CAMPUS

Renowned Afghan-American author Tamin Ansary will lecture at Lane on Thursday, May 12, at 7:30 p.m., in the Center for Meeting and Learning, Building 19. His talk is free and open to the public. The lecture is part of Lane's Reading Together project, which engages students in reading and discussion of shared texts. Ansary will talk about his personal history, contrasting life in a highly conservative Islamic society to that in post-modern United States and explore, along the way, such thorny topics as the burqa and the position of women in Islamic society. Stories from his bi-cultural childhood illuminate how, and why, the worldview of Afghans typically differs from that of Americans. This elaborates on themes touched upon in his critically acclaimed memoir, "West of Kabul, East of New York," one of this year's Reading Together selected books. For more information and a photo, go online at www.lanecc.edu/readingtogether/current/index.html Contact: Eileen Thompson.

HALIE LOREN BENEFIT CONCERT FOR VICTIMS OF JAPAN TSUNAMI

Lane alumna Halie Loren, the locally popular and internationally acclaimed jazz/pop artist coming off tours of Japan and New York City, is presenting a special benefit concert for victims of Japan's earthquake and tsunami on Sunday, May 15, at the newly reopened Jazz Station in Eugene. Proceeds from the event, including sales of CDs, T-shirts, and merchandise, will go to Mercy Corps.

The 7 p.m. performance will feature her full band including pianist Matt Treder, bassist Mark Schneider, and percussionist Brian West, along with special guest guitarist Bill Marsh, performing songs from her newest CD, "After Dark," and other fan favorites.

The Jazz Station, a project of the Willamette Jazz Society, reopened April 1 in a larger, more comfortable venue at 124 W. Broadway. The Society is donating the venue and providing volunteers to staff the event. Doors open at 6:30 p.m., and all ages are welcome. Tickets at the door will be \$10, all of which will go to Japan relief.

In addition to fresh standards and originals, Loren will perform her new song, "In Time (Hope for Healing)," which recently topped the mp3 singles chart at Amazon Japan. All proceeds from sales of the single in Japan and Germany go directly to the Japanese Red Cross. The song, set for a U.S. release later this spring, can be purchased as a download at the concert.

Japanese-themed cookies, bread, pies, and pastries are being provided by LCC cook Eiko Treder with the help of the LCC Culinary Arts program and chef Clive Wanstall. Fine regional wines and beer will also be available. Commemorative T-shirts designed by Momi Smith, an artist originally from Sapporo, Japan, will also be available for purchase, with proceeds going to Japan relief.

ERIC SCHULTZ AND ANNA STEHLE "SURFACE.(ED)" EXHIBIT

The Lane Art Gallery is proud to present "surface.(ed)", a two-person show featuring artists and Lane studio technicians Eric Schultz and Anna Stehle. Schultz works in the sculpture studio and Stehle works in the ceramics studio within the Department of Art and Applied Design. The exhibition consists of both sculpture and ceramics, along with installation work. The show runs from May 2 to May 19. A lecture featuring both artists will be held on Thursday, May 19, at 3 p.m. with a closing reception immediately following. The gallery is located in building 11. There is no charge for admission. The department phone number is 463-5409.

100-MILE-MEAL INSPIRES SPRING CLASSICAL CUISINE DINNER

The Culinary Arts and Hospitality Management program will hold its annual spring classical cuisine dinner, "The 100-Mile Meal – National Flavors, Locally Grown," on Thursday, May 26, at the Center for Meeting and Learning, Building 19. The buffet-style dinner will offer a variety of seasonal tastes from produce and ingredients procured within a 100-mile radius of main campus. Share in the excitement of watching food freshly prepared right before your eyes! The dinner begins at 5 p.m. with hors d'oeuvres and a silent auction. The dining room will close at 8:30 p.m. There is no reserved seating for "The 100-Mile Meal." Tickets are \$35 individual or \$250 for a table of eight. Tickets can be purchased online only at www.lanecc.edu/culinary/cuisine.htm

DISABILITY RESOURCES NOTICE

DR provided chairs and tables are accommodations placed in specific rooms for specific students. These chairs and tables are not to be removed by students, faculty, or any other LCC employee... except the responsible Facilities Management staff. Students who have furniture accommodations must request the furniture each term, so that DR knows where the furniture is needed. There is a great deal of effort by Facilities Management and Disability Resources to get the appropriate furniture to the requesting students in a timely manner. So, if an adjustable table, ergonomic or padded chair appears in your classroom, do not remove it, and please DON'T MOVE IT within the classroom. Students who have furniture accommodations have a Letter of Accommodation (LOA) which identifies them as the student who is to use the chair/table. If there are more students with LOAs identifying them as needing furniture accommodations than there are chairs in the room, have the students come to DR and speak

with Cathie. If you have questions, contact Cathie Reschke at 5079, or Disability Resources at 5150.

PRINT SHOP DEADLINES

The deadline for submitting summer term instructional packets to Printing/Graphics is June 1. Handouts needed for the first day of summer term classes should be submitted by June 10.

Subsequent deadlines for the 2011-2012 academic year are as follows:

Fall term: Packets to Printing/Graphics by August 12.

First-day materials are due September 9.

Winter term: Packets to Printing/Graphics by November 10. First-day materials are due December 3.

Spring term: Packets to Printing/Graphics by February 10.

First-day materials are due March 16.

Observing these deadlines assures timely production of your materials by the print shop and processing by the Titan Store (Bookstore). Questions? Contact Ruth Myers, 5373 or Tom Johnson, 5374.

SEARCHING FOR A GRADUATION SPEAKER

Do you know of student graduating in June who has the ability to present a great speech? Please direct them to the keynote speaker contest. The chosen speaker or speakers will receive a \$100 stipend for their speech. Details:

This contest is open to all students who are graduating in 2011

The graduation ceremony will feature a keynote address by a Lane student

Graduation is Saturday, June 11, 4 p.m. at the Lane County Fairgrounds Exhibit Hall

The keynote speech should reflect:

Recognition of time, work and energy students have shown in completing their degree, diploma or certificate

Offer inspiration to students regarding future employment prospects and demonstrate the value of education in reaching their goals

Show examples of success achieved through the speaker's experiences at Lane.

Recognize contribution of staff, family and friends in helping students succeed.

Contestants will present their speech to a selection committee on May 5 between 3-4:30 p.m.

Interested students should prepare a speech no longer than five minutes in length, and sign up for a time to present their speeches no later than April 30 with Tina Lymath in Student Life and Leadership Development, building 1, room 201B. Call 5336 with any questions. The deadline for entering is May 1. Contact: Tina Lymath, Student Life and Leadership Development, 5336.

FIREMED MEMBERSHIP APPLICATIONS AVAILABLE IN HUMAN RESOURCES

Employees are eligible for a discount for FireMed membership. The regular rates for 2011 are \$62 for FireMed Basic and \$102 for FireMed Plus. With the employee discount, your cost for your household will be \$57 for FireMed Basic and \$97 for FireMed Plus. Information is available in the Human Resources reception area.

FACILITIES UPDATES

HOUSEKEEPING

Clean Whiteboards: Housekeeping supplies clean rags when needed for classroom whiteboards; however, Housekeeping does not supply erasers. Whiteboards should be cleaned

with water. Simply spray water on the board and wipe with a clean rag. Whiteboards should be cleaned by the user after each use. If dry erase ink is left on a whiteboard for several days, the ink sets and can become difficult to erase. Dirty erasers and cloths do not clean whiteboards; they push the dry erase material around which builds up on the surface. Whiteboard tip: if you erase the ink prior to drying, ink smears on the whiteboard and can lead to buildup on the board's surface. Accidental application of permanent marker on whiteboards happens, contact Housekeeping at extension 5568 for assistance with removal of permanent marker, crayon, etc. Contact Katherine Vos, 3455.

PROJECT UPDATES—

BUILDINGS 10 AND 11 REMODEL

Hyland Construction started installing the aluminum frames on the exterior of Building 10 where glass will be installed. This is the first step in enclosing the building which will allow activities like wallboard and painting to begin soon. Demolition and excavation will start on the south side of Building 10 allowing crews to begin work on the new ramp. Building 11 is undergoing some renovations this summer. Proposals have been received by Lane staff to replace the worn out roof on Building 11 with a new metal roof as was installed on Building 4. This work is expected to start on June 15. During installation of the new roof, the area around Building 11 will be closed and building access will be limited to staff and construction employees only. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS BUILDING

The preparation of construction documents has reached the 50 percent completion level. The general contractor is in the process of evaluating proposals from subcontractors interested in providing services included in an early bid package, No. 3 (HVAC, electrical and plumbing). Early bid package, No. 4 (structural work) has been issued to bidders. The deadline for submitting bids is June 6. The soil stabilization work is complete and the contractor has left the site. Survey for location of geo-wells is scheduled to begin and after the survey is complete, the pit will be filled with compacted crushed rock. Contact Bob Mention, 5747.

EVENTS THIS WEEK

KITE RUNNER: Reading Together and the Women's Center present a showing of "The Kite Runner," a profoundly emotional tale of friendship, family, devastating mistakes and redeeming love. The setting is Kabul, Afghanistan before and after the Taliban's iron-fisted rule. It will be shown on Tuesday, May 10, 2011 from 2-4 p.m. in the Women's Center, Building 1, Room 202. This showing is in anticipation of Reading Together's visit by Tamin Ansari on May 12. Contact: Women's Center, 5353.

PARKING LOT D RESERVED Wednesday, May 11, for an event in the Center for Meeting and Learning. Please plan to park in an alternate lot on the 11th. The disability parking in lot D will still be accessible to students and staff who need it. Thank you in advance for your cooperation. Contact: Carolyn Philes.

BOARD AND BUDGET MEETING, Wednesday, May 11, boardroom, building 3. Agenda online at www.lanec.edu/presoffc/board/agenda.htm Contact: Donna Zmolek.

THE NO CASH CLOTHING STASH is up and running! We will have an open house on Thursday, May 12, from 10 a.m. to 2 p.m. We are located in Building 12, bottom floor near the TRIO Stem office. Contact: Tina Lymath, 5336.

AFGHAN-AMERICAN AUTHOR TAMIN ANSARY will lecture at Lane on Thursday, May 12, at 7:30 p.m., in the Center for Meeting and Learning, Building 19. His talk is free and open to the public. The lecture is part of Lane's Reading Together project. Ansary gained national attention when an e-mail he sent to a few friends regarding America's response after 9/11 went viral. He has written two important books, one a memoir, "West of Kabul, East of New York" that describes his bi-cultural experience living in rural Afghanistan and cosmopolitan American, and the other "Destiny Disrupted: A Look at the History of the World Through Islamic Eyes." Ansary will be speaking of the differences between conservative Islamic culture in Afghanistan and his experiences living in the US in his address Thursday evening. A book signing will follow. Ansary will also meet with students for a Q&A Friday morning from 10 a.m. to noon in the Center for Meeting and Learning auditorium, Building 19, Room 220. Social science instructor Stan Taylor and visiting UO professor of religion Rick Colby will co-facilitate the student discussion. Next fall, Reading Together will bring local author Barry Lopez to campus in October to kick off the new school year with a public reading and a chance for students to meet and talk to him in class. More details before the term is over. For more information: lanec.edu/readingtogether Contact: Eileen Thompson.

ANNOUNCEMENTS

ASPIRING LEADERS ACCEPTING APPLICATIONS

We are pleased to announce that the application period for next year's cohort of Aspiring Leaders Training program is now open. The deadline for making your application is 5 p.m. on Tuesday, May 31. The Aspiring Leaders program is designed to grow the potential of Lane employees who may be interested in a future leadership role, or imagine themselves leading others in their professional and/or personal life. If you are interested in growing in these areas, then this program is for you! We will kick the program off with a Fall Retreat on Friday and Saturday, October 21 and 22. Then we will meet for a half-day one Friday per month throughout the academic year, and conclude with another two-day retreat in early June.

It is important to note that the 2011-2012 Aspiring Leaders Training program participants will need to be available for the two-day fall retreat on October 21 and 22. In addition, participants will be required to stay overnight at the retreat site on Friday evening. If you are able to make a commitment to participate in the Fall Retreat, and would like to apply to the program, please select the link below to access the application form and brochure on the Aspiring Leaders website at: <http://www.lanecc.edu/pod>

If you would like to speak with someone in the Professional and Organizational Development Office to obtain more information about the program, please contact Donna Koechig at 5307 or koechigd@lanecc.edu

Tickets at the door will be \$10, all of which will go to Japan relief.

STUDENTS DOING POORLY IN YOUR CLASS?

Encourage your students to attend the Making Wise Choices workshop. This workshop will provide students with sound advice to make the best decision regarding their grading options. The answer may not be as simple as withdrawing or changing their grade to an audit. These decisions can have serious consequences.

Making Wise Choices educates students on GPA calculation and the various grading options, including pass/no pass, withdrawals, and incomplete grades. We will review Financial Aid expectations for satisfactory academic progress (SAP); provide information on campus support services; and step students through a decision making process designed to help them make wise choices. All before May 20, the final day to make schedule changes for spring term! Please announce the Making Wise Choices workshop in your classes. Thank you for your assistance! Making Wise Choices Workshop schedule:

* May 16, Noon - 1:00 p.m. in Building 19, Room 239

* May 18, 1:00-2:00 p.m. in Building 19, Room 234

* May 19, 11:00-Noon in Building 4, Room 106

EMPLOYEE RECOGNITION GALA MAY 25

The President's Office is pleased to share that the date for this year's annual Employee Recognition Gala has been confirmed for Wednesday, May 25, from 3-5 p.m. in the Center for Meeting and Learning. This annual event is a time for us to take pause and honor our Lane colleagues who have dedicated many years of service to the college and its mission. Staff who reached their 10, 20, or 30-years of service will be honored at that time. Please place this annual on your calendar so that you may either be properly thanked and recognized, or attend to applaud your colleagues. We will, once again, be supporting local businesses by choosing members of our small business community to provide us with products and awards, and embracing Lane's commitment to sustainability by using reusable and recyclable products at the event.

Special Note: If you are planning to retire by this summer, please remember to alert both your department head and Human Resources. Our goal is to not miss anyone with retirement plans. Contact: Roxanne Young.

100-MILE-MEAL INSPIRES SPRING CLASSICAL CUISINE DINNER

The Culinary Arts and Hospitality Management program will hold its annual spring classical cuisine dinner, "The 100-Mile Meal – National Flavors, Locally Grown," on Thursday, May 26, at the Center for Meeting and Learning, Building 19. The buffet-style dinner will offer a variety of seasonal tastes from produce and ingredients procured within a 100-mile radius of main campus. Share in the excitement of watching food freshly prepared right before your eyes! The dinner begins at 5 p.m. with hors d'oeuvres and a silent auction. The dining room will close at 8:30 p.m. There is no reserved seating for "The 100-Mile Meal." Tickets are \$35 individual or \$250 for a table of eight. Tickets can be purchased online only at www.lanec.edu/culinary/cuisine.htm

SPECIALIZED SUPPORT SERVICES NOTICE

Specialized Support Services, on-campus program that assists persons with disabilities, is looking for work. Our student-workers provide assistance with labeling, product packaging, and bulk mailing. Giving employment to persons with disabilities not only gives them a sense of value, but adds value to the community. For information call Jeffrey Nutting at 5103.

HEALTH PROFESSIONS ADMIN STAFF MOVED

The following Health Professions administrative staff have moved from Building 4, Room 210 to Building 30, Room 131: Patti Martinez, Roxanne Atter and Diana Feldman. Sonja Compton will now be in Building 30, Room 102 and Lucille Mathis will be located in Building 30, Room 238, by Wednesday of this week. Phone extensions and e-mail addresses remain the same. Submitted by Patti Martinez.

FACILITIES UPDATES

BOND PROJECT UPDATES—

BUILDINGS 10 AND 11 REMODEL

Interior wall construction is moving quickly and expected to be completed by Friday. Wallboard contractors are scheduled to resume their schedule this week and will be ongoing until the task is complete. Mechanical and electrical continues to go forward, completing much of the initial installation for the second level of the building. LANE TOBACCO-FREE POLICY SURVEY

How are we doing? Take this survey being conducted on behalf of the Lane Community College Tobacco-Free Implementation Team. To evaluate how well Lane's tobacco-free policy (i.e. allowing smoking in four designated areas only) is working on the main campus, we would like your input. This research has been authorized by the college, it is voluntary and your answers will remain confidential. To take the survey go to the MyLane Portal, find "Personal Announcements" and click the Tobacco-free policy survey link. The survey will be available through May 30. If you have questions about the survey or about Lane's tobacco-free policy, contact TobaccoFree@lanec.edu Survey results will be posted at <http://www.lanec.edu/tobaccofree>

GET YOUR ARTS IN ADVANCE

Did you know you can get advance notice of Performing Arts events at Lane? Just send your e-mail to watsonj@lanec.edu and you'll be added to "the list"! Contact John Watson at 5161 for more information.

ADA COMPLIANCE PUBLIC FORUM

An ADA/504 Compliance Public Forum will be held from 1-3 on May 26 in Building 16, Room 211. Learn more about legal compliance issues for those with disabilities at Lane, meet the

ADA/Section 504 Compliance Committee, and discuss any access-related concerns, suggestions and needs. If you need accommodations to attend this meeting or would like more information, contact Disability Resources at 541-463-5150 (voice) or TTY: 711 Relay

OPEN ENROLLMENT MEDICAL, DENTAL AND VISION BENEFITS: MAY 16-JUNE 9

This is for classified and management employees only. Open enrollment for changing your dental plan option and adding and/or removing dependents from your medical, dental and vision insurance coverage will begin on May 16 and continue through June 9 for a July 1, 2011 effective date. No action is necessary for those already enrolled who do not wish to make changes.

Due to recent changes in health care administration rules, dependent children are now eligible to remain on insurance until age 26. If you have a 25-year old dependent child who was dropped from insurance during the previous year, and you would like to re-enroll the dependent, you may do so at this time. Coverage will begin July 1, 2011 and will continue until 26-years of age.

To make changes, please click on the following link, which will open up the Insurance Enrollment Application in Adobe Acrobat:

http://www.lanecc.edu/hr/benefits/documents/InsuranceEnrollmentApplication_Classified_Mgmt_.pdf. You may also access the form via the web at

<http://lanecc.edu/hr/benefits/index.htm>. Changes outside of open enrollment are only allowed if there is a change in family status. For questions regarding these benefits, please contact Sharon Daniel at ext. 5190 (for last names ending in A-L) or Heidi Morales at ext. 5592 (for last names ending in M-Z). Heidi Morales, Human Resources, 5592.

TRIO IS OPEN FOR ENROLLMENT

TRIO is now accepting applications for fall 2011. Please refer any students who you believe would be eligible for TRiO to our office, Building 1, Room 219. TRiO is a federally funded student support program, serving first generation and low-income students. Any questions, please call the TRiO office at 3131.

ADVISORY COMMITTEE RECOGNITION GALA HIGHLIGHTS AND THANK YOU

The Career Technical Education Coordinating Council (CTECC) hosted another successful Advisory Committee Recognition Dinner Gala on April 26 with more than 200 attendees. The featured advisory committee for 2010-11 was the fabulous Culinary Arts & Hospitality Management Advisory Committee. They shared a marvelous presentation highlighting their exemplary committee and best practices. The 2011 Outstanding Cooperative Education

Employer of the Year Award was presented to PeaceHealth, Siuslaw Region. Please see the online news release: <http://www.lanecc.edu/mpr/news/rel01402.htm> .

The CTECC would like to thank the following for their assistance in making this event such a success:

- 1) President Mary Spilde for her warm welcome and opening remarks
- 2) The Center for Meeting and Learning team for exceptional event and banquet coordinating, fabulous food and service, and multimedia assistance
- 3) The event greeters and registration/check-in team: Craig Taylor, Greg and Barb Roberts, Tamara Pinkas, and Carol Woodman
- 4) Photographer Dan Welton for creatively recording the highlights of the event
- 5) The wonderful Printing and Graphics team for preparing programs
- 6) The Co-op Ed office staff for assistance with putting registration packets together and transporting supplies
- 7) All of the door prizes were generously donated by our own Lane departments: Health, PE and Athletics, Culinary Arts and Hospitality Management, the TitanStore, Music, Dance, and Theatre Arts, the Business Development Center, and the Lane Florence Center
- 8) The talented door prize distribution team: Marv Clemons and Al King

CTE FACULTY INTERNSHIP APPLICATIONS

Due to an overwhelming request for funding, applications are no longer being accepted for CTE faculty internships. Limited funds for this activity have been allocated for this year. Carol Woodman, 5509.

ASPIRING LEADERS APPLICATION DEADLINE: MAY 31

The deadline for applying for next year's cohort of Aspiring Leaders Training program is 5 p.m. on Tuesday, May 31. The Aspiring Leaders program is designed to grow the potential of Lane employees who may be interested in a future leadership role, or imagine themselves leading others in their professional and/or personal life. If you are interested in growing in these areas, then this program is for you! We will kick the program off with a Fall Retreat on Friday and Saturday, October 21 and 22. Then we will meet for a half-day one Friday per month throughout the academic year, and conclude with another two-day retreat in early June.

It is important to note that the 2011-2012 Aspiring Leaders Training program participants will need to be available for the two-day fall retreat on October 21 and 22. In addition, participants will be required to stay overnight at the retreat site on Friday evening. If you are able to make a commitment to participate in the Fall Retreat, and would like to apply to the program, please select the link below to access the application form and brochure on the Aspiring Leaders website at: <http://www.lanecc.edu/pod>

If you would like to speak with someone in the Professional and Organizational Development Office to obtain more information about the program, please contact Donna Koechig at 5307 or koechigd@lanecc.edu

FACILITIES UPDATES

FACILITIES WORK REQUESTS

As we plan for a busy summer at the college, we want to make sure we are aware of all the facility related safety issues. If you have noticed a facility related safety issue in your area, please write a work request with MPulse or send an email to: facilitiesoffice@lanecc.edu

Please also refer to our work request procedure at:

<http://www.lanecc.edu/facilities/workrequests.html>

Facilities staff will complete as many of the facilities safety related work requests as possible this summer. The safety of our staff and students is Priority 1. In order to align resources with the mission of the college, FMP uses the following guideline criteria to prioritize work requests: All projects regardless of funding source will be prioritized according to the guidelines noted below:

Priority 1:

- * Urgently needed to maintain functions.
- * Emergencies and instructional area HVAC, lighting, other immediate instructional area need.
- * Immediate severe or high safety or health threat, severe risk, and exposure frequency.
- * Indoor Environmental Quality (IEQ) issues.
- * Project needed to meet or maintain immediate urgent regulatory compliance issues.
- * Life cycle R.O.I. > 50 percent.

Priority 2:

- * Minimize damage to existing systems.
- * Moderate safety or health risk and exposure frequency .
- * Code compliance issues.
- * Functional need.
- * Achieves sustainability commitments.
- * Meet or maintain compliance with college policies.
- * Life cycle R.O.I. > 25 percent.

Priority 3:

- * Reoccurring finishes or furnishing replacements.
- * Asset protection requirement.

Priority 4:

- * Want, not a need.

Work requests are completed with available budget and resources. FMP leadership are working closely with Academic and Student Affairs leadership to assure all work aligns with the needs and mission of the college, while addressing immediate and pressing priorities first. Thank you for your support. For additional information or questions, please contact David L. Willis, Director of FMP, at 5566.

HOUSEKEEPING

Housekeeping is preparing a priority list of summer deep-cleaning project work. This work will address floor refinishing, carpet extractions, high dusting, window cleaning, and some annual private office cleaning. Please submit special cleaning requests via email to vosk@lanecc.edu
Contact: Katherine Vos, 3455.

LEARNING GARDEN SHELTER

FMP wishes to thank Lane's Construction Technology students who have been constructing a shelter at the Learning Garden with the oversight of an FMP carpenter. This 8'x6' shelter will include benches and rainwater collection barrels and is slated to be completed by the end of the term. It will provide a place for Learning Garden volunteers to take a break and sit out of the sun or rain. It will also serve as a mini-outdoor classroom. Please take a moment to walk out to the garden to see this craftsman-style shelter and all of the beautiful veggies that the garden volunteers are growing for Conference and Culinary Services. Contact: Jennifer Hayward, 5594.

PROJECT UPDATES—

BUILDINGS 10 AND 11 REMODEL

This project is progressing quickly with a completion date of mid-September 2011. Hyland Construction has several trade teams working on both levels of the building to complete the mechanical and electrical work inside the walls before the final wall structure starts this week. On the exterior of the building, Lane and Lease Crutcher Lewis are progressing quickly to complete an improved campus entry between Buildings 10 and 12. This task involves building a new concrete ramp and stairs. When completed this access area will provide a new and safe entry into the core of the campus for everyone. Contact: Mark Richardson, 3456.

DOWNTOWN CAMPUS BUILDING

Construction Items:

- * The earthwork subcontractor has constructed two earth ramps into the pit. Trucks are bringing crushed rock into the pit and taking unsuitable soil out. Fill and subgrade drainage activities will continue for a couple of weeks.
- * The geothermal well driller is scheduled to mobilize this week. This drilling operation will also last a couple of weeks.
- * Lease Crutcher Lewis has set up a jobsite field office in the alley behind the project.
- * An underground vault in the pit is being constructed for EWEB use.
- * Subcontractors for mechanical, electrical and plumbing systems have been selected.
- * Early bid package No. 4 (structural) is out to bid. Deadline for submitting bids is May 31.

Other Items:

Different groups within the college are working on issues not directly related to construction such as vehicle parking arrangements with the city, security, housing management and operation, art, etcetera. Contact: Bob Mention, 5747.

TRACY REA NAMED EMPLOYEE OF THE MONTH

Kudos and congratulations go to May's Classified Employee of the Month – Tracy Rea in Advanced Technology. Representatives of the Classified Professional Development Team joined staff in AT to present Tracy with the EOM award for May. Tracy began working for Lane in 1989 at the SBDC. She also held positions in the Bookstore and Mathematics. In 2010, she

took full responsibility of both the administrative specialist and student advisor for the Advanced Technology Division. She has done an amazing job learning all the aspects of advising students, tracking students, assisting the counselor, while juggling all of the administrative duties. Tracy has saved the college over \$47,000 this year while literally doing every aspect of both positions. Tracy has taken on all tasks with a can do attitude. Her ability to work with students is amazing. Student after student compliment Tracy and her ability to help them through the process of getting into classes and for taking the time to help them make life-changing decisions. She continually gives students hope and praise. Over the 20 years of service that Tracy has provided to the college she has developed and maintained strong relationships throughout campus. When you see Tracy, congratulate her for doing a terrific job and celebrate her nomination as May's Classified Employee of the Month. And remember that, you too, can help us to recognize exemplary classified employees by nominating them for this award by the 15th of each month. Nomination forms are available: 1) on the CPDT website:<http://www.lanecc.edu/cpdt/recognition/eominfo.html> or 2) from Elaine Marsh, IRAP: marshe@lanecc.edu

FLORENCE FLOAT WINS RHODY DAYS MAYOR'S AWARD

<http://homepage.mac.com/patch.work/LCC2011RhodyParade>

Cheers for the Florence Center whose float won the Mayor's Award in the Rhody Days parade. "Being in the parade turned out to be a lot of fun and a great team building experience for our campus," said Mary Jeanne Kuhar, new dean of the Florence campus. "We learned about the varied and impressive talents our students, staff and instructors possess and we really got to know each other last week--especially on Saturday, building the float, and Sunday, putting the flowers on the float and being in the parade."

Special thanks to Carol and Lynn Unser who designed the bridge and did the actual construction; Marty Pittman and MOA students from main campus who came over to walk with us (we had 18 people on and around our float); Sharon Stiles from the Board of Education and Joseph Calbreath from KMTR for riding on the float; Tracy Simms for banners and T-shirts ("a big hit,"), and Rob Wells, Florence Center Community Learning instructor, for taking pictures (posted to Flickr at the above URL).

"On the float--you will see It was a really great day--winning the Mayor's Award was icing on the cake," said Mary Jeanne. "There has also been quite a lot of good buzz from the community about our entry. One of our students, Lorra Jones, winner of a Ford Foundation Scholarship, handed out blue beads to kids along the parade route and told them they were 'study beads.' The students also spoke to a lot of community folks along the route and encouraged them to come to LCC."

For more information contact Mary Jeanne Kuhar at kuharmj@lanecc.edu or 4805.

ARCHIVES PRESENTS PHOTOGRAPHS FROM WWII IN FRANCE

As we celebrate Memorial Day, a selection of photographs from WWII in France are now available for viewing on the Archives Flickr site:

IN EMERGENCIES, CALL 5555

In the event of an emergency, please call Public Safety at 5555 at any time for any emergency. This number is dedicated for emergency use only. The Public Safety dispatcher will send responders appropriate to the emergency including Health Clinic personnel if needed. They will also contact 911 if it is necessary. This allows for our officers to provide a lead-in for the ambulance to get them to the location as soon as possible. This procedure ensures a speedy response when every second counts. Please be prepared to give detailed information on the location of the emergency so responders can get there as quickly as possible. If you have any questions please contact Dawn Barth, Emergency and Risk Management Analyst, at 5503 or barthd@lanecc.edu

FACULTY PROFESSIONAL DEVELOPMENT DEADLINE: MAY 26

Thursday, May 26 at 5 p.m. is the last deadline this academic year to submit Professional Activities applications for advance approval for summer workshops, conferences, and/or courses. Part-time faculty members who have taught at Lane for one year with a .2 FTE annual average and contracted faculty members are eligible for up to \$2,400 every three fiscal years. Details and the application are available at:

<http://www.lanecc.edu/fpd/grants/profactivities/index.html> Complete applications include all of the following: the electronic application submitted to fpd@lanecc.edu, a hardcopy application, and a printed copy of the conference brochure or course information printed from online delivered to Roxanne Young (2nd floor, building 3). Contact: Adrienne Mitchell, FPD coordinator, at mitchella@lanecc.edu

COUNSELING CLOSED MAY 27

Counseling, Testing, and Enrollment and Student Financial Services will be closed on Friday, May 27 for new student orientation (SOAR). We will all reopen after the holiday on Tuesday May 31. Submitted by Jerry de Leon.

"SHAKESPEARE ON TAP" JUNE 4

An array of scenes and monologues from William Shakespeare's plays will be presented Saturday, June 4 at 2 p.m. and 7 p.m. in the Blue Door Theater, Building 6. Admission is free. Donations are welcome to support the continuing efforts of the Student Productions Association. The enthusiasm for Shakespeare, nurtured at Lane, bubbles forth in several performances during the year. The actors in the Spring Term Shakespeare Showcase, performing more than 20 scenes and monologues, breathe new life into English spoken 450 years ago. The student actors are joined on stage by several faculty members and guest artists from the community. Professional musician Janet Naylor and friends play live musical interludes. Scenes and speeches range from the familiar to the more obscure, and include sonnets, songs, and the varied genres of Shakespeare's plays, from fantasy to realism, history, myth, romance,

horror, and tragedy. Narrator Bill Woolum describes how each piece fits in the context of its larger story.

Director Judith "Sparky" Roberts says, "The program will appeal to Shakespeare-lovers and those who just want to sip of the Bard's heady brew. It can be intoxicating, and in some people, it leads to addiction. But no worries: We offer Shakespeare on tap several times a year."

Actor Joe Cronin, veteran of the Oregon and Utah Shakespeare Festivals, is the assistant acting coach.

Seating is open. Audience members must be 10 years or older to be admitted. For more information, call 541-868-4545.

LANE TOBACCO-FREE POLICY SURVEY

How are we doing? Take this survey being conducted on behalf of the Lane Community College Tobacco-Free Implementation Team. To evaluate how well Lane's tobacco-free policy (i.e. allowing smoking in four designated areas only) is working on the main campus, we would like your input. This research has been authorized by the college, it is voluntary and your answers will remain confidential. To take the survey go to the MyLane Portal, find "Personal Announcements" and click the Tobacco-free policy survey link. The survey will be available through May 30. If you have questions about the survey or about Lane's tobacco-free policy, contact TobaccoFree@lanecc.edu Survey results will be posted at

OPEN ENROLLMENT MEDICAL, DENTAL AND VISION BENEFITS THROUGH JUNE 9

This is for classified and management employees only. Open enrollment for changing your dental plan option and adding and/or removing dependents from your medical, dental and vision insurance coverage will begin on May 16 and continue through June 9 for a July 1, 2011 effective date. No action is necessary for those already enrolled who do not wish to make changes.

Due to recent changes in health care administration rules, dependent children are now eligible to remain on insurance until age 26. If you have a 25-year old dependent child who was dropped from insurance during the previous year, and you would like to re-enroll the dependent, you may do so at this time. Coverage will begin July 1, 2011 and will continue until 26-years of age.

To make changes, please click on the following link, which will open up the Insurance Enrollment Application in Adobe Acrobat:

http://www.lanecc.edu/hr/benefits/documents/InsuranceEnrollmentApplication_Classified_Mgmt_.pdf . You may also access the form via the web at

<http://lanecc.edu/hr/benefits/index.htm> . Changes outside of open enrollment are only allowed if there is a change in family status. For questions regarding these benefits, please contact Sharon Daniel at ext. 5190 (for last names ending in A-L) or Heidi Morales at ext. 5592 (for last names ending in M-Z). Heidi Morales, Human Resources, 5592.

----- FACILITIES UPDATES -----

PROJECT UPDATES—

DOWNTOWN CAMPUS BUILDING

Construction:

* Foundation drainage has been installed and structural fill has been completed to 4' - 0" below grade in the pit.

* The asphalt on the southeast corner of the site has been removed and the area has been prepared for the drilling of geothermal wells.

* Geothermal well drilling equipment has been mobilized and the subcontractor has begun drilling for the wells.

* The large EWEB electrical vault has been closed and concrete will be poured early this week.

Other Items:

* The pre-bid conference for early bid package No. 4 was well attended by subcontractors interested in submitting bids. Bids are due May 31.

* The design engineers held a meeting with FMP staff to review the mechanical, electrical and plumbing aspects of the project.

* Another meeting of the design engineers and the Energy Management program faculty to review the same subjects was scheduled for Monday, May 23.

* The acronym for the Downtown Campus building is getting mixed up with the acronym for the existing Downtown Center. From now on DC will be the acronym for the Downtown Campus building and DTC will be the acronym for the existing Downtown Center.

CURRENT FACILITIES NOTICES—

IMPORTANT! ACCESS CONTROL CARDS WILL BE REQUIRED when accessing all main campus buildings during "off hours" and on weekends beginning fall term, September 26.

Please be aware that FMP staff will re-key all exterior doors on main campus buildings during summer 2011. If you have not done so already, and you need access to any main campus building during "off hours," Monday - Friday or on weekends, beginning fall term, September 26, 2011 and/or thereafter, you will need your access control card.

It is highly recommended that you take a moment before the end of this spring term to schedule a 10-minute visit at the Public Safety office in the Building 13 annexes, to obtain a new access control card. Your card will be programmed to open exterior doors on the buildings for which you need to access.

Standard keys that have been issued to you for use on exterior door hardware will no longer work on these exterior doors. Unless there are interior doors in your buildings that use the key you will have once used to access your exterior doors, it is strongly encouraged that you return your assigned key to the Public Safety office when you pick up your new Access Control Card. The new Access Control Card will be programmed for you to access the exterior doors on all college buildings, should you have authorization.

Old GGM Keys Regarding college security, with the exception of some in FMP, Public Safety, and Housekeeping team members, there is no need for the vast majority of people to have access to almost every interior door on campus. We are requesting that if you do not have a business need for broad college access to interior building doors, that you return your GGM key to Public Safety. Interior doors in our buildings are not scheduled to be re-keyed this summer. The intent of our work this summer is to better secure the exterior envelope of our buildings. In future years (with future budgets), we will re-key the interior doors on campus.

These changes will improve security and safety at Lane Community College.

Please don't wait until the last minute. Due to limited staff resources, we need to process these cards in an organized fashion. If you call in advance, it takes just under 10 minutes to have your picture taken, the card programmed, issued, and ready for use. Scheduling an appointment, getting your Access Control Cards before the end of spring term, and making sure all new staff hired are aware of these changes, will help in providing a smooth and peaceful transition during this summer and fall terms. For any questions, please contact David Willis at 5566, Jace Smith at 5561, or the Public Safety office at 5558.

TRAININGS

MOODLE IS UNDERGOING A FACE LIFT

We will be upgrading Moodle during the week following the spring term. The new Moodle Instance (version 1.9.11) will be available for use starting summer term. The URL to access your courses will remain classes.lanecce.edu - and besides the facelift you may not really notice that moodle went through an upgrade. That is until you visit some of the new and improved modules, themes, and blocks that will be accompanying the upgrade!

There is no bad news to report with this upgrade - everything is good! You will love the new look and feel. If you can not wait to see the new moodle we encourage you to visit our testing environment at classes.lanecce.edu/moodletest - you may see a few of your courses already loaded into the instance. Feel free to enter them and experiment. Any changes you do within the moodletest courses will NOT affect your current or future courses. If you have any questions please contact Kevin Steeves at steevesk@lanecce.edu or 3348.

Lane celebrates graduation on Saturday, June 11, at the Lane County Fairgrounds Exhibit Hall. The ceremony begins at 4:00 p.m. Graduates meet at 3:00 p.m. in the Performance Hall to line up. Doors to the Exhibit Hall open to guests and the public at 3:30 p.m. Speakers include President Mary Spilde, Board of Education Chair Tony McCown, Associated Students of Lane Community College President Mario Parker-Milligan, biology faculty Albert Pooth, and student Jesse Daher. Guests who need special seating should call Tina Lymath at 5336 to reserve a space and further instructions.

OPEN ENROLLMENT MEDICAL, DENTAL AND VISION BENEFITS THROUGH JUNE 9

This is for classified and management employees only. Open enrollment for changing your dental plan option and adding and/or removing dependents from your medical, dental and vision insurance coverage will begin on May 16 and continue through June 9 for a July 1, 2011 effective date. No action is necessary for those already enrolled who do not wish to make changes.

Due to recent changes in health care administration rules, dependent children are now eligible to remain on insurance until age 26. If you have a 25-year old dependent child who was dropped from insurance during the previous year, and you would like to re-enroll the dependent, you may do so at this time. Coverage will begin July 1, 2011 and will continue until 26-years of age.

To make changes, please click on the following link, which will open up the Insurance Enrollment Application in Adobe Acrobat:

http://www.lanecc.edu/hr/benefits/documents/InsuranceEnrollmentApplication_Classified_Mgmt_.pdf . You may also access the form via the web at

<http://lanecc.edu/hr/benefits/index.htm> . Changes outside of open enrollment are only allowed if there is a change in family status. For questions regarding these benefits, please contact

Sharon Daniel at ext. 5190 (for last names ending in A-L) or Heidi Morales at ext. 5592 (for last names ending in M-Z). Heidi Morales, Human Resources, 5592.

2011 LEAGUE INNOVATION OF THE YEAR AWARDS

<http://www.league.org/blog/post.cfm/2011-innovation-of-the-year-award-winners>

Established in 1982, the League's Innovation of the Year Award was initiated to recognize innovations in community colleges that reflect extraordinary achievement and the spirit of innovation and experimentation upon which the League was founded. In 2011, 54 awards were granted in eight categories: (1) workforce preparation and development; (2) learning and teaching; (3) student services and activities; (4) research, assessment, and accountability; (5) resource development; (6) basic skills and developmental education; and (7) leadership and organization. You can view all 54 awards including Lane's innovation of the year (Sustainability AAS Degree) and the dedicated community college educators who are working to create new programs, improve processes, and enhance the opportunities available in their communities at the website below. For more information about the Innovation of the year or Lane's League membership please contact Tamara Pinkas, League Rep., 5011.

FACILITIES UPDATES

FMP SUMMER PROJECTS AND MAINTENANCE WORK PREPARATION CONTINUES

FMP staff has successfully hired four part-time electricians, two part-time painters, four part-time groundskeepers, and three part-time custodians in preparation for the peak season summer maintenance and small project work. FMP staff is also interviewing to hire up to four part-time maintenance helpers, two maintenance workers, two part-time carpenters, and one part-time recycling maintenance helper in early June. Several hundred work orders and several small remodel projects are planned to be completed this summer. Much of the summer work will be focused on the areas around the Building 10 and Building 11. In addition, painting projects are scheduled all around the campus. The handrails will be repaired and re-painted. Power washing will be done to clean up concrete surfaces. The parking lots will also have some cracks filled, top surfaces will be sealed, and re-painting work. The childcare play areas behind Building 27 will be upgraded. In addition, all exterior doors with manual keys will be re-keyed with a new card access control system. Please make sure you get your building access control cards. In addition, FMP staff will be supporting the completion of the Building 10 bond project and the moves associated with it. Building 11 will get a new roof, carpeting replaced on the second floor, and several restrooms in Building 11 will be remodeled and two universal access restrooms will be added. It will be another very busy summer season for FMP staff. For more information, please contact David Willis, 5566.

PROJECT UPDATES –

BUILDINGS 10 AND 11 REMODELS

Construction crews are now focusing on completing the exterior glass to start drying the inside of the building. Interior walls of Building 10 are at focus to allow the painting contractor to begin work. Demolition work of selected areas inside Building 11 is scheduled to start on June 13. During such time, for crews working in and around Building 11, the entire building will be closed until the start of the fall term. Some of the highlights of Building 11 will be remodeling the first floor of the building and replacing the old worn out roof. The old wood canopy will be removed, and the area will be set up to build a skylight in the future.

DOWNTOWN CAMPUS BUILDING—

Construction:

Geothermal well drilling is off to a slow start because some subsurface concrete and rocks have been difficult to drill through. One well is being drilled and another one has been started.

Demolition of the asphalt paving and gravel base is 80 percent complete.

The concrete walls and base of the new subsurface EWEB vault have been poured.

Demolition of the top 36" has been done at certain parts of the pit walls to accommodate the new construction.

Bid Activity:

The deadline for submitting bids for the structural work shown in Bid Package No. 4 has been extended to June 3 at 2 PM to give bidders more time to review a large addendum.

Construction documents:

The architects plan to reach the 75 percent completion level for Bid Package No. 5 scope of work by mid-week. This is the last bid package and it will be a monster package because it includes all finishes, exterior enclosure, MEP, etc.

CURRENT NOTICES—

IMPORTANT ADVISORY FOR ALL LANE EMPLOYEES: Access control cards will be required when accessing all main campus buildings during "off hours" and on weekends beginning fall term, September 26, 2011. Please be aware that FMP staff will be re-keying all exterior doors on main campus buildings during summer term. If you have not done so already, and you need access to any main campus building during "off hours," Monday - Friday or on weekends, beginning fall term, September 26, 2011 and/or thereafter, you will need your access control card. It is highly recommended that you take a moment before the end of this spring term to schedule a 10- minute visit at the Public Safety office in the Building 13 annexes, to obtain a new access control card. Your card will be programmed to open exterior doors on the buildings for which you need to access.

Standard keys that have been issued to you for use on exterior door hardware will no longer work on these exterior doors. Unless there are interior doors in your buildings that use the key you will have once used to access your exterior doors, it is strongly encouraged that you return your assigned key to the Public Safety office when you pick up your new Access Control Card. The new Access Control Card will be programmed for you to access the exterior doors on all college buildings, should you have authorization.

Old GGM Keys Regarding college security, with the exception of some in FMP, Public Safety, and Housekeeping team members, there is no need for the vast majority of people to have access to almost every interior door on campus. We are requesting that if you do not have a business need for broad college access to interior building doors, that you return your GGM key to Public Safety. Interior doors in our buildings are not scheduled to be re-keyed this summer. The intent of our work this summer is to better secure the exterior envelope of our buildings. In future years (with future budgets), we will re-key the interior doors on campus. These changes will improve security and safety at Lane.

Please, don't wait until the last minute... Due to limited staff resources, we need to process these cards in an organized fashion. If you call in advance, it takes just under ten minutes to have your picture taken, the card programmed, issued, and ready for use. Scheduling an appointment, getting your Access Control Cards before the end of spring term, and making sure all new staff hired are aware of these changes, will help in providing a smooth and peaceful transition during this summer and fall terms. For any questions, please contact David Willis at 5566, Jace Smith at 5561, or the Public Safety office at 5558.

VOLUNTEERS NEEDED: KLCC RADIO'S 17TH ANNUAL GARDEN TOUR JUNE 26. This year, all 10 gardens are in the Whiteaker neighborhood; also, city parks, community booths, food, a beer garden, masseuses and musicians! We need volunteers to work a shift on the day of the Tour. Every garden has a couple people sitting at a table out front to take tickets, give information, etc. Fun AND easy! All volunteers receive a free admission ticket to view the gardens either before or after their shift. Time shifts are:

First: 8:15 to 11:15 a.m.

Second: 11:00 to 2:15 p.m.

Last: 2:00 to 5:15 p.m.

More info online <http://www.klcc.org/News.asp?NewsID=51> If you're able to help out please e-mail Kris Fox at foxk@lanecc.edu with your preferred time.``

A GREAT SUMMER VACATION GET AWAY, with very reasonable rates, is found at the BLK Beach House in Florence. Not only that, you can bring your dog for free. This is a newer manufactured home in great condition with a fenced in yard, spacious open living room, 2 bedrooms, 1 bath, and the kitchen is supplied with everything you need: pots, pans, microwave, coffee pot, toaster and more. There is a queen size bed in one bedroom and twin and full size beds in the other room. It's a five minute walk to the beach. This is our home away from home and rented only to select clientele (like Lane employees) and guests are on the honor system to respect our home. The rates are very reasonable, in part because you are expected to clean up after yourself upon departure. There's a two night minimum. For two people summer rates are \$62/night. The cost increases slightly per night per additional person. Weekly rates are cheaper. Call Wendy Simmons at 431-1277 or email her at wsimmons@efn.org for more information.

SUMMER IS COMING! Eagle Haven Cabin is available for your summer get away in the mountains close to home. Reserve your time now to make plans for fishing, boating, swimming, hiking, and gatherings for friends and family. NEWS

LANE COMMUNITY DIGS IN FOR FOOD FOR LANE COUNTY

Lane Community College managers, faculty, classified and students spent a sunny Saturday morning (June 4) helping at Food for Lane County's Grassroots Garden on Coburg Road. Volunteers harvested lettuce, weeded beds, hauled manure and leaves and prepared beds for planting. The 35 volunteers included international students from Lane's ESL Service Learning class who learn about the value of volunteer service while they practice English in the community. Three children 6 and younger pitched in along side their parents. Many companies and organizations hold a United Way Day of Caring in September, but Lane's We Care Committee organizes the annual morning at Grassroots Garden in May or June instead, a better fit with the college calendar. Lane employees have spent the Day of Caring at the Grassroots Garden for at least six years. A big thanks to each of the volunteers who helped at the garden for this year's Day of Caring! From the We Care Committee, submitted by Bonnie Phipps, 5135.

ANNOUNCEMENTS

GROUP BUS PASS AND STICKERS FOR SUMMER TERM

Students or staff taking a credit class on main campus or at the Downtown Center are eligible for a LCC bus pass good for the entire term. Photos for bus pass ID cards will be taken in Building 19, Room 117 on June 20 and 21 from 9 a.m. to 4 p.m. Stickers for summer term will

be available beginning June 28 at the Titan Store return window or at the DTC. Visit Ltd.org for changes to the summer schedule. Contact: Jennifer Hayward, 5594.

CONSIDER SILTCOOS FOR YOUR SUMMER RETREAT

If you are looking for a great place to hold a summer retreat for your group, or just want to get away to a quiet lake on the Oregon coast, consider Siltcoos Station Retreat and Learning Center. This natural setting on the shores of Siltcoos Lake is 20 minutes from downtown Florence. The Center has a boathouse that accommodates up to 35 people and four nicely restored, fully furnished cabins sleeping four to six people. Check it out at our website:

NEW DIMENSIONS: AN INTERACTIVE TEACHING SEMINAR

Faculty Professional Development will sponsor New Dimensions: An Interactive Teaching Seminar again during fall 2011 on Mondays, 3-5 p.m. and during spring 2012 (schedule TBA). (This is a hybrid course, so some online discussions on Moodle will replace face-to-face time). This highly interactive course extends an invitation to faculty across disciplines to explore the practices and insights of highly successful teachers. Whether you have been teaching for two years or twenty, this course offers a forum to examine contemporary research on components that define excellent college teaching to uncover what the best college professors do. Join us for this unique course constructed by faculty for faculty. While enrollment is limited, all faculty are encouraged to apply, and successful participants will be awarded an honorarium. This is an excellent opportunity for those who are interested in developing their teaching. Details are available online at: <http://www.lanecc.edu/fpd/teachingcourseforfaculty.html> If you're interested in participating, please be sure to submit your application by September 1, 2011 to NewDimensions@lanecc.edu If you have questions, please contact Fall instructor, Nadia Raza, at razan@lanecc.edu, Winter instructor, Susan Reddoor, at reddoors@lanecc.edu or FPD Coordinator, Adrienne Mitchell, at mitchella@lanecc.edu

PRINT SHOP DEADLINES FOR 2011-12

The deadline for submitting summer term instructional packets to Printing/Graphics is June 1. Handouts needed for the first day of summer term classes should be submitted by June 10.

Subsequent deadlines for the 2011-2012 academic year are as follows:

Fall term: Packets to Printing/Graphics by August 12.

First-day materials are due September 9.

Winter term: Packets to Printing/Graphics by November 10. First-day materials are due December 3.

Spring term: Packets to Printing/Graphics by February 10.

First-day materials are due March 16.

Observing these deadlines assures timely production of your materials by the print shop and processing by the Titan Store (Bookstore). Questions? Contact Ruth Myers, 5373 or Tom Johnson, 5374.

OPEN ENROLLMENT MEDICAL, DENTAL AND VISION BENEFITS THROUGH JUNE 9

This is for classified and management employees only. Open enrollment for changing your dental plan option and adding and/or removing dependents from your medical, dental and vision insurance coverage will begin on May 16 and continue through June 9 for a July 1, 2011 effective date. No action is necessary for those already enrolled who do not wish to make changes.

Due to recent changes in health care administration rules, dependent children are now eligible to remain on insurance until age 26. If you have a 25-year old dependent child who was dropped from insurance during the previous year, and you would like to re-enroll the dependent, you may do so at this time. Coverage will begin July 1, 2011 and will continue until 26-years of age.

To make changes, please click on the following link, which will open up the Insurance Enrollment Application in Adobe Acrobat:

http://www.lanecc.edu/hr/benefits/documents/InsuranceEnrollmentApplication_Classified_Mgmt_.pdf . You may also access the form via the web at

<http://lanecc.edu/hr/benefits/index.htm> . Changes outside of open enrollment are only allowed if there is a change in family status. For questions regarding these benefits, please contact Sharon Daniel at ext. 5190 (for last names ending in A-L) or Heidi Morales at ext. 5592 (for last names ending in M-Z). Heidi Morales, Human Resources, 5592.

----- FACILITIES UPDATES -----

FACILITIES—

FMP SUMMER PROJECTS AND HIRING UNDERWAY FOR MAINTENANCE WORKERS

FMP staff is working with HR and expediting processes for posting vacant positions and hiring temporary help in preparation for a very busy summer season. A replacement Facilities Planner II (Architect), a position vacated by Tom Oroyan, has been posted. A selection committee will soon meet to work on this hiring with its start date likely mid- to late July. A replacement Facility Maintenance Planner II (Trades Coordinator) position, vacated by Angela Fazio, is also posted. Overall, FMP will be adding upwards of 25 new temporary staff to help with peak season facilities work this summer. These employment opportunities are often popular for students who seek summer employment in preparation for their next academic year. So, if you know anyone who may be interested in applying for any of these employment opportunities with FMP, please direct them to HR's website Lane Employment Online at <http://www.lanecc.edu/hr/leoinfo.htm>, Lane Employment Opportunities link to access job information and instructions for submitting an application. Many thanks to the HR staff who are helping FMP with these hiring processes. Contact Dave Willis, 5566.

ACCESS CONTROL CARDS

If you don't have a new keyless Access Control Card to use to access building exterior doors, please call Public Safety at extension 5558 for more information on how to obtain your card. Cards are free the first time they are issued for employees who need building access, and the process to obtain a card only takes approximately 10 minutes. Exterior building doors will be re-

keyed this summer and a card will be required to access buildings. For more information on access control cards, please call Dave Willis, 5566.

SUMMER CLEANING

Housekeeping staff are ready for your requests to clean office spaces. If you want your office dusted and cleaned this summer, please let Katherine Vos know at extension 5561. Katherine is putting together a great plan to do some deep cleaning this summer. For more information, please contact David Willis, 5566.

PROJECT UPDATES –

BUILDINGS 10 AND 11 REMODELS

Wallboard installation continues in Building 10 on both levels and is scheduled to be complete June 10. Painting crews are also on site working to complete the inside of the building. With the spring term ending soon, many construction projects will begin, including Building 11, which will have restricted access for construction beginning June 13. Building 11 will be undergoing a transformation to upgrade carpets and interior spaces. Along with the interior upgrades, the old worn out roof will be removed and replaced with a new metal roof that will give the building a new look. The new southwest ramp addition to Building 10 will be completed in a couple of weeks and open to the public. This is an exciting transformation to the Building 10 courtyard and it provides additional ADA access for students and staff members to the center of campus. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS BUILDING

Construction Documents: Architects have reached the 75 percent level of completion and have submitted a set of construction documents to FMP for review and comment. These documents include technical drawings that show items like building controls, sustainability features, a security plan, communications, hardware, etc.

Bids: Bids for early Bid Package No. 4 came in last Friday. Separate bids were submitted for concrete structures, waterproofing, structural steel and metal stairs, elevators and wood framing complete with Gypsum board assemblies. The contractor is reviewing the bids to ensure that they meet all requirements and that there are no gaps or overlaps in the bids. After completing this review process, the contractor will name the low, responsible bidders for each type of work. Construction: Approximately 98 percent of the asphalt paving and sub-base gravel has been removed. Drilling of the geothermal wells continues. Drilling has been difficult and continues to be hard going because there is a status of rock about 40 feet below the surface that they have to go through. Drilling will last for a couple more weeks. Contact Bob Mention, 5747.

CURRENT NOTICES—

NOTICE: BUILDING 11 CLOSED FOR CONSTRUCTION JUNE 9 - SEPTEMBER 23

Due to construction and in the interest of safety, Building 11 and the immediate construction work site space surrounding the building will be closed and building access restricted beginning June 9 through September 23. HELLO GOLFERS: We have an important schedule change! We will NOT be golfing on June 17, as we recently realized that the college is not closed that Friday. Our summer Friday schedule this year actually starts on June 24. Here are the dates for our Golf for LIFE activities: June 24, July 1, July 15, August 12, August 26. Tee times are at RiverRidge, and are scheduled to start at 8:00am. Please let your "instructors" - Linda Schantol and myself - know if you plan to come. If you forget to tell us, that's OK too :) There appears to be a lot of interest this year. If someone new has questions, please have them contact us. To clarify: we are not providing golf lessons; we simply coordinate the activity onsite for the Wellness program.
FORE! Gloria Jarvis & Linda Schantol.

FOUR-PERSON SALMON OR STURGEON FULL DAY trip with Angler's Choice Guide Service. This is a \$700 value with one year to redeem your prize. Raffle Tickets are \$5 each. The raffle will be drawn on June 16th, you do not need to be present to win. My son is selling these raffle tickets for Thurston High Basketball Program and these ticket sales directly help him get to Gonzaga University for Basketball Camp. Contact Amy Bennett at 463-5379 or bennetta@lanecc.edu

NEED A GOOD HOME -- SPAYED FEMALE COLLIE/SHEPHERD MIX needs a new home with no other dogs. She has had socialization problems with other dogs since being beat up by another dog as a puppy. She does very well with cats. She does not jump on people and loves human attention. She is just over 8 years old and still has several years of quality life ahead of her. She weighs about 55 pounds. All vaccinations are up-to-date with Rabies still good for more than 2 years. She has spent most of her life on a small farm with a fenced yard and would be looking for another home with a fenced yard and room to run. She does some barking, but not uncontrollably. Chasing sticks and Frisbees and playing in a wading pool are some her favorite activities. She enjoys being outside on sunny days and inside during the nights and during bad weather. She'll curl up on the floor next to you and loves sleeping in the bed with you if you allow. I can send pictures if interested. bells@lanecc.edu

NEWS AND ANNOUNCEMENTS

HEALTH AND WELLNESS CENTER TAKES ARCHITECTURAL PRIZE

The Daily Journal of Commerce, a Portland-based building and construction publication, announced that the Lane Health and Wellness Center won first place in the public buildings category of its 2011 TopProjects contest for the state of Oregon. The center, designed by SRG Partnership Inc. and its consultants in collaboration with the Northwest Energy Efficiency Alliance (NEEA), is lauded in the article for literally reflecting the college's ideals of sustainability in its design. "The marriage of sustainable design and health education led us to the design," said Jon Wiener, project manager and design principal at SRG Partnership Inc. "It was a challenge to take a site on the edge of campus and weave it into the fabric of the community, but we enhanced that corner of campus." Submitted by the editor.

TONY HERNANDEZ NAMED EMPLOYEE OF THE MONTH

Kudos and congratulations to June's Classified Employee of the Month – Tony Hernandez in Housekeeping. Representatives of the Classified Professional Development Team joined staff in Housekeeping to present Tony with the EOM award for June 2011. Tony started working at Lane as an on-call custodian in October 2001 and became full-time in May 2002. Tony consistently demonstrates a positive "can do" attitude. He has developed exceptional time management skills and is competent in multitasking; both of which play a key role in getting his assigned work efficiently accomplished. Tony welcomes and recommends new ideas. He is seen as an informal leader and is well respected by his peers, coordinators and manager. Tony embraces a collaborative spirit, building partnerships with those he serves. He takes ownership of the areas he's assigned to, ensuring the facility is cleaned well beyond department expectations. When staffing levels are low, Tony proactively offers to help. He is an exceptional problem solver and routinely assumes the role of initiating or communicating creative solutions. He's the first to put his hand out to all people. Student, staff and the public are his reason for top standard work. "What can I do?" is his motto. When you see Tony, congratulate him for doing a

terrific job and celebrate his nomination as June's Classified Employee of the Month. And remember that, you too, can help us to recognize exemplary classified employees by nominating them for this award by the 15th of each month. Nomination forms are available: 1) on the CPDT website:<http://www.lanecc.edu/cpdt/recognition/eominfo.html>; or 2) from Elaine Marsh, IRAP: marshe@lanecc.edu

ESL RELOCATES FOR THE SUMMER

English as a Second Language daytime classes for summer 2011 will temporarily relocate to the Lane Downtown Center at 10th and Willamette while the program's facilities on main campus get some needed much-needed attention.

Remodeling work in ESL offices and classrooms on the second floor of Building 11 will include a new roof, reorganized offices, new flooring to replace 40-year-old carpet, and making restrooms disability-accessible. Funding is provided in part by Lane's \$83 million bond approved by voters in 2008.

Up to 400 ESL students and 21 faculty and staff will be affected. The program will return to main campus for fall term.

Please help get the word out to students.

To register for summer ESL classes, students may call (541) 463-5253 for a testing appointment. ESL summer term classes begin Tuesday, July 5. The term ends Thursday, August 25.

"It's a lot of work for faculty and staff to pack and move for a term and then move back, but it will be great to have the improvements complete when we return in the fall," said instructional dean Cathy Lindsley. ESL evening classes already are held in the DTC.

INTERNATIONAL PROGRAMS ALSO MOVE FOR THE SUMMER

International Programs are moving to the Center Building this week in preparation for Building 11 remodeling. After June 15, International Programs staff (Jennifer Falzerano, Christine Marshall, Colby Sheldon, Jane Marshall, Jennifer Hare and Beth Schenderlien) will be available in Center 214 and Center 209. Jane Marshall will be at the Downtown Center Tuesdays and Thursdays and Beth Schenderlien will be there Mondays and Wednesdays. The best way to contact the staff this week is by e-mail. In early September, International Programs will return to Building 11. Contact: Jennifer Falzerano, 3413.

FULBRIGHT U.S.-INDONESIA INITIATIVE: OPPORTUNITIES AND WEBINAR

Due to a recent expansion of the Fulbright program with Indonesia, several new grant opportunities are available for U.S. scholars interested in visiting Indonesian universities during the 2012-2013 academic year.

Core Program: U.S. scholars in the fields of education, economics, religious studies, science, engineering, and mathematics will find especially interested Indonesian university hosts.

However, applicants in all academic fields are encouraged to apply. Scholars interested in a three- to 10-month grant in Indonesia must submit an application by August 1.

Specialist Program: Qualified U.S. scholars or professionals interested in having their credentials reviewed for placement on the Fulbright Specialist Roster should contact fulspec@iie.org Please note: If a project proposal submitted by an Indonesian host university calls for repeat visits by a U.S. Fulbright Specialist, a grantee may visit Indonesia up to three times under the same grant.

As a special exception, U.S. scholars who have reached their lifetime limit on Fulbright scholar grants are eligible to apply for additional grants to Indonesia. The usual required waiting period of five years between grants has also been waived. These exemptions are valid for three years from August 1, 2010 through August 1, 2013. For more information, including application instructions, please go online at: <http://www.cies.org/Fulbright/indonesia>

Photos for bus pass ID cards will be taken in Building 19, Room 117 on June 20 and 21 from 9 a.m. to 4 p.m. Stickers for summer term will be available beginning June 28 at the Titan Store return window or at the DTC. Visit ltd.org for changes to the summer schedule. Contact: Jennifer Hayward, 5594.

HOURS & CLOSURES

HEALTH CLINIC will be closed from June 13-17. Providers will not be on site during that week; so appointments will not be available. Please call for prescription refills as per our prescription refill policy at <http://www.lanec.edu/healthclinic/clinicpolicies.html> Contact: Aixa, 5665.

TITAN STORE hours June 13-17, Monday through Thursday, 8 a.m.-4:30 p.m.; Friday, 9 a.m.-4:30 p.m. The Titan Store will have extended hours June 20 and 21, 7:30 a.m.-7 p.m. Contact: Vicki Colley, 5772.

MEDIA CENTER will operate on a reduced schedule this summer. Starting June 20, the hours will be Tuesdays, Wednesdays, and Thursdays from 8:30 a.m. to 5:30 p.m. Submitted by Dean Middleton.

LANE COMMUNITY COLLEGE will be closed on Fridays this summer from June 24 through August 26. No classes will be held and no services will be available, unless otherwise announced by a department or program. Submitted by the editor.

PRINT SHOP AND WAREHOUSE CLOSED FOR 2-DAY INVENTORY: Printing/ Graphics services will not be available during the department's annual inventory, Wednesday and Thursday, June 29 and 30. The print shop lobby will be open only for drop-off and pick-up of

printing orders on those days. Please plan your printing needs accordingly. Warehouse Services also will conduct inventory the same days, and merchandise will not be available for purchase. UPS and FedEx delivery service will continue without interruption. Regular operations in both departments will resume Tuesday, July 5. For more information, contact Tom Johnson, 5373.

FACILITIES UPDATES

SURPLUS PROPERTY CLOSED JULY AND AUGUST

Surplus Property will be closed for July and August while we clean out and move to the new Recycling Education Center in between Buildings 9 and 10. Look for an improved and more visitor-friendly Surplus Property and Reusable Office Supply Exchange in the fall term. Surplus property pick-ups will still be available. Submit an MPulse work order for pickups and list the items you have for surplus in the comments section. Please call Mike Sims at 5569 for more information.

HOUSEKEEPING BEGINS DEEP CLEANING PROJECTS

Housekeeping will begin deep cleaning project work this week. Custodial crews will strive to dust and vacuum every office. We ask that offices be rid of clutter for easy access. If you do not want your office cleaned or you have special cleaning services you would like to request, please submit a written e-mail request to Housekeeping Coordinators, explain the type of work you would like to have completed and include the best time to access your office. The following deep cleaning services will be accomplished over the summer months: carpet extractions, hard-floor refinishing, burnishing of concrete floors, restrooms will be power-washed, window and door glass cleaned, PE bleachers cleaned, and high dusting. Contact: Katherine Vos, 3455.

PROJECT UPDATES—

BUILDINGS 10 AND 11 REMODELS

Building 11 is now closed for construction, June 13-September 23. Selective demolition of the first and second floors of building 11 has started. This is the first step in completing the planned remodeling work inside the building. The roof replacement project is scheduled to begin this week as well and is expected to be completed by the end of summer term. Construction and equipment traffic will be heavy on the sidewalk located at the north side of Building 11. Pedestrian traffic is being detoured around both Buildings 10 and 11 to maintain safety, and the buildings will remain closed throughout the summer. It is important to contact staff in the FMP office at 5216 or the Bond office at 3450 before trying to enter the building or any other construction site on or off campus. Contact: Mark Richardson, 3456.

DOWNTOWN CAMPUS BUILDING

The Project Manager and Design team met with Lane management on June 9 and presented the following: options for exterior and interior color schemes, ideas about what a "building that teaches" could mean, i.e. how it could be publicly expressed; an update on green building strategy for LEED certification, and options for locating the reception desk on the first floor main lobby.

Construction: As noted last week, drilling for the geo-wells has been slowed by a 40' deep strata of rock. More drill rigs will be brought to site to meet the scheduled completion date. The

contractor will begin preparing the site to receive the rainwater cisterns that are scheduled to arrive on June 20. Contact: Bob Mention, 5747.

CURRENT NOTICES—

BUILDING 11 CLOSED FOR CONSTRUCTION JUNE 9-SEPTEMBER 23

Due to construction and in the interest of safety, Building 11 and the immediate construction work site space surrounding the building will be closed and building access restricted beginning June 9 through September 23. An image of the altered access routes for pedestrian traffic during this time is available at <http://www.lanecc.edu/bond/notices.html> If you have questions, please contact Mark Richardson, 3456.

ACCESS CONTROL CARDS WILL BE REQUIRED when accessing all main campus buildings during "off hours" and on weekends beginning fall term, September 26, 2011.

TRAININGS

REMINDER: MOODLE IS UNDERGOING A FACE LIFT

We will be upgrading Moodle tomorrow, June 15, starting at 6 p.m. Moodle will be unavailable starting at 6 p.m. on June 15 and will remain offline until 12 p.m. June 16. The new Moodle Instance (version 1.9.11) will be available for use starting summer term. The URL to access your courses will remain classes.lanecc.edu - and besides the facelift you may not really notice that Moodle went through an upgrade. That is until you visit some of the new and improved modules, themes, and blocks that will be accompanying the upgrade!

There is no bad news to report with this upgrade - everything is good! You will love the new look and feel. If you can not wait to see the new Moodle we encourage you to visit our testing environment at classes.lanecc.edu/moodletest - you may see a few of your courses already loaded into the instance. Feel free to enter them and experiment. Any changes you do within the moodletest courses will NOT affect your current or future courses. If you have any questions please feel free to contact Kevin Steeves -steevesk@lanecc.edu Please visit the ATC webpage for a list of summer workshops, which will include an overview of all the new Moodle features as well as the much anticipated Gradebook! Submitted by Kevin Steeves.

DISTANCE LEARNING IS NOW LANEONLINE

The Distance Learning department has adopted a new name and a new focus. We continue to offer the same services, courses and assistance as always, but we are positioning for evolution as well. LaneOnline is a strategic step toward (1) the blended model of technology enhanced learning and (2) exploration of emerging technologies. Accordingly, our presentation and our tech are being upgraded. Please check any links or references you may have to the previous Distance Learning web site as they have likely changed:

HONORS PROGRAM ACCEPTING STUDENT APPLICATIONS

The Lane Community College Honors Program is accepting student applications for the 2011/12 academic year. The program provides a challenging and transformative student learning experience by offering honors courses and honors options in a variety of disciplines. Classes emphasize academic rigor, scholarly inquiry, and creative and independent thinking.

Honors program benefits include: collaborative learning with engaged students; faculty mentorship with exceptional instructors; small classes; guest speakers and honors events; access to honors counseling and library assistance; and honors transcript recognition.

For additional information and application instructions please visit the honors program website at <http://www.lanecc.edu/oasa/honors/index.html>

The application deadline is July 5. Submitted by Jenny Merriman

RELAY FOR LIFE

Relay For Life is the American Cancer Society's signature activity. It offers everyone in the community an opportunity to participate in the fight against cancer. Teams of people will be camping out at Willamette High School from noon to noon, July 29 and 30, taking turns walking or running around the high school track. Each team is asked to have a representative on the track at all times during the event if possible. Relay For Life is a life-changing event that has brought together our community to:

Celebrate the lives of those who have battled cancer. The strength of survivors inspires others to continue to fight.

Remember loved ones lost to the disease. At Relay, people who have walked alongside people battling cancer can grieve and find healing.

Fight back. We Relay because we have been touched by cancer and desperately want to put an end to the disease.

Please consider joining our Lane team. For further information on the event, you can contact any of the following team members: Sharon Foster ext. 5599, Patty Parks ext. 5099, Sue Thompson ext 5735, Beverly Farfan ext. 5395, or Gloria Jarvis ext. 5605 or go directly to esrfl.org

ESL GOES DOWNTOWN FOR THE SUMMER; CLASSES START JULY 5

English as a Second Language daytime classes for summer 2011 will temporarily relocate to the Lane Downtown Center at 10th and Willamette while the program's facilities on main campus get some needed much-needed attention.

Remodeling work in ESL offices and classrooms on the second floor of Building 11 will include a new roof, reorganized offices, new flooring to replace 40-year-old carpet, and making restrooms disability-accessible. Funding is provided in part by Lane's \$83 million bond approved by voters in 2008. Up to 400 ESL students and 21 faculty and staff will be affected. The program will return to main campus for fall term. Please help get the word out to students. To register for summer ESL classes, students may call (541) 463-5253 for a testing appointment. ESL summer term classes begin Tuesday, July 5. The term ends Thursday, August 25. Contact: Cathy Lindsley.

HOURS & CLOSURES

LANE COMMUNITY COLLEGE will be closed on Fridays this summer from June 24 through August 26. No classes will be held and no services will be available, unless otherwise announced by a department or program. Submitted by the editor.

PRINT SHOP AND WAREHOUSE CLOSED FOR 2-DAY INVENTORY

Printing/Graphics services will not be available during the department's annual inventory, Wednesday June 29 and Thursday, June 30. The print shop lobby will be open only for drop-off and pick-up of printing orders on those days. Please plan your printing needs accordingly. The college's Warehouse Services also will conduct inventory the same days, and merchandise will not be available for purchase. UPS and FedEx delivery service will continue without interruption.

Regular operations in both departments will resume Tuesday, July 5. For more information, contact Tom Johnson, 463-5373.

MEDIA CENTER summer hours starting June 20: Tuesdays, Wednesdays and Thursdays from 8:30 a.m. to 5:30 p.m. Contact: Dean Middleton.

TITAN STORE extended hours June 21, 7:30 a.m.-7:00 p.m. Contact: Vicki Colley, 5772.

FACILITIES UPDATES

SURPLUS PROPERTY CLOSED JULY AND AUGUST

Surplus Property will be closed for July and August while we clean out and move to the new Recycling Education Center in between Buildings 9 and 10. Look for an improved and more visitor-friendly Surplus Property and Reusable Office Supply Exchange in the fall term. Surplus property pick-ups will still be available. Submit an MPulse work order for pickups and list the items you have for surplus in the comments section. Please call Mike Sims at 5569 for more information.

HOUSEKEEPING

Housekeeping will begin deep cleaning project work this week. Custodial crews will strive to dust and vacuum every office. We ask that offices be rid of clutter for easy access. If you do not want your office cleaned or you have special cleaning services you would like to request, please submit a written e-mail request to Housekeeping Coordinators, explain the type of work you would like to have completed and include the best time to access your office. The following deep cleaning services will be accomplished over the summer months: carpet extractions, hard-floor refinishing, burnishing of concrete floors, restrooms will be power-washed, window and door glass cleaned, PE bleachers cleaned, and high dusting. Contact Katherine Vos, 3455.

PROJECT UPDATES—

BUILDINGS 10 AND 11 REMODELS

With the project scheduled to be completed September 1, many of the crews working for Hyland Construction are working overtime to complete the project. The completion of the building will allow RTEC and the Art Department to expand the instructional spaces and offer more studio space to new and returning students. The carefully designed layout of the building has introduced a large amount of natural light to reflect across the open spaces. The west side entry into the building is designed to have an espresso cart and seating where students can come to relax, view displayed art projects, and have a well lit place to work on assignments. The new access into the campus on the South side of Building 10 is not far from being completed. Later this week, the steep ramp will be closed, and the new ADA access ramp will open. Out in the courtyard between Buildings 10 and 11, final concrete placements will be completed this week with landscaping work to follow. Landscaping will be completed with Lane's Grounds crew and will begin soon. Contact: Mark Richardson, 3456.

DOWNTOWN CAMPUS PROJECT—

Design: Architects continue working on contract documents in connection with Early Bid Package No. 5. These are scheduled to be completed and issued to the contractor by July 11. This package will contain the last major group of work items for the project.

Construction:

Site fill activities are complete to bring the subgrade up to the minus 2'-0" elevation.

Contractor is about 80 percent complete with a large, sub-surface, reinforced concrete electrical equipment vault.

Geothermal well casing activities are complete.

Approximately 25 percent of the geothermal wells have been completed. Drilling will continue for several more weeks,

Excavation for the rainwater storage tanks is complete and the two 10,000 gallon tanks will be placed and backfilled by the end of the week.

The college is working to address several non-construction issues such as:

Preparing a request for proposals to select a property management firm to assist in managing the student housing units.

Preparing a security plan in connection with both the academic and student housing buildings.

Preparing a plan to park vehicles in city owned parking structures.

Contact: Bob Mention, 5747.

NEWS AND ANNOUNCEMENTS

DID YOU BOOK YOUR EVENT IN R-25?

To ensure that your class or event runs smoothly, be sure to enter event information in the R-25. At least a half dozen unscheduled events have taken place on campus this summer. The impact of these failures varies from, a mild surprise on the part of the officers working, to real inconvenience and safety issues on the part of the customers (rooms locked, restrooms locked, no information on evacuees in case of an emergency or service outage, etc.) Submitted by Public Safety.

ONLINE PHONEBOOK

Dex Eugene-Springfield -Lane County Phone Book will be available on your computer.

To do our part for Sustainability, Lane is pushing the phone book to the desktop rather than distributing 1,000 paper copies. We will deliver 2 paper copies to each dept main office as backup copies when the new books arrive in August.

By the end of the day on June 30th, you will notice a blue and yellow icon "Dex Yellow & White ." It is the newest version of the Dex White and Yellow pages. If you click on it, the first time it will load on your computer.

You will notice an added feature: viewing phone books for other parts of Oregon, and 27 other states. These are phone books that are published by Dex Company and their counterparts.

If you have problems with the first download, please call the IT Help Desk at ext 4444.

If you have questions about how to do a search, please call Virginia Brady at ext. 5565.

COMMUNITY COLLEGES FOR INTL. DEVELOPMENT NEWSLETTER ONLINE

Lane Community College is a member of Community Colleges for International Development.

You can see the organization's spring newsletter at <http://www.ccid.cc> to read about how other community colleges provide study abroad experiences and integrate their on-campus international students into the resident student experience. Lane receives a limited number of paper copies of the newsletter. To request a copy for your department/office, send an e-mail to Jennifer Falzerano, falzeranoj@lanecc.edu or Cathy Lindsley, lindsleyc@lanecc.edu

DISTANCE LEARNING IS NOW LANEONLINE

The Distance Learning department has adopted a new name and a new focus. We continue to offer the same services, courses and assistance as always, but we are positioning for evolution as well. LaneOnline is a strategic step toward (1) the blended model of technology enhanced learning and (2) exploration of emerging technologies. Accordingly, our presentation and our tech are being upgraded. Please check any links or references you may have to the previous Distance Learning web site as they have likely changed:

HONORS PROGRAM ACCEPTING STUDENT APPLICATIONS

The Lane Community College Honors Program is accepting student applications for the 2011/12 academic year. The program provides a challenging and transformative student learning experience by offering honors courses and honors options in a variety of disciplines. Classes emphasize academic rigor, scholarly inquiry, and creative and independent thinking.

Honors program benefits include: collaborative learning with engaged students; faculty mentorship with exceptional instructors; small classes; guest speakers and honors events; access to honors counseling and library assistance; and honors transcript recognition.

For additional information and application instructions please visit the honors program website at <http://www.lanecc.edu/oasa/honors/index.html>

The application deadline is July 5. Submitted by Jenny Merriman

RELAY FOR LIFE

The Relay for Life will be held July 29-30 at Willamette High School. One important aspect of the American Cancer Society Relay For Life is the opportunity for people to come together to remember loved ones lost to cancer and honor those who have won their battle. One of the most moving parts of the event is the Luminaria Ceremony on Friday night at 10:30 p.m. As the sun sets over campsites and darkness falls, the night is brightened by the glow of illuminated bags called luminaries, each bearing the name of someone who has battled cancer. Would you like to honor or remember someone with a luminary during the Relay For Life Luminaria Ceremony? Please light a candle in honor of or in memory of a friend or loved one who has had cancer. Your \$5.00 contribution will help save lives, give hope, and empower people through the American Cancer Society and its lifesaving mission. Contact one of Lane's Relay team members, and we can assist you in honoring that special person/s: Sharon Foster ext. 5599, Patty Parks ext. 5099, Sue Thompson ext 5735, Beverly Farfan ext. 5395, or Gloria Jarvis ext. 5605

ESL GOES DOWNTOWN FOR THE SUMMER; CLASSES START JULY 5

English as a Second Language daytime classes for summer 2011 will temporarily relocate to the Lane Downtown Center at 10th and Willamette while the program's facilities on main campus get some needed much-needed attention.

Remodeling work in ESL offices and classrooms on the second floor of Building 11 will include a new roof, reorganized offices, new flooring to replace 40-year-old carpet, and making restrooms disability-accessible. Funding is provided in part by Lane's \$83 million bond approved by voters in 2008. Up to 400 ESL students and 21 faculty and staff will be affected. The program will return to main campus for fall term. Please help get the word out to students. To register for summer ESL classes, students may call (541) 463-5253 for a testing appointment. ESL summer term classes begin Tuesday, July 5. The term ends Thursday, August 25. Contact: Cathy Lindsley.

FACILITIES UPDATES

HOUSEKEEPING

While our custodial crews strive to dust and vacuum every office, we ask that offices be rid of clutter for easy access. If you do not want your office cleaned or you have special cleaning services you would like to request, please submit a written e-mail request to [Housekeeping Coordinators](#), explain the type of work you would like to have completed and include the best time to access your office. The following deep cleaning services will be accomplished over the summer months: carpet extractions, hard-floor refinishing, burnishing of concrete floors, power-washing of restrooms, cleaning window and door glass, cleaning PE bleachers, and high dusting. Contact Katherine Vos, 3455.

PROJECT UPDATES

DOWNTOWN CAMPUS BUILDING

Design work: Architects and engineers are racing to complete the construction documents (drawings and specifications) for the last major package of bids (Bid Package No. 5) by Friday, July 11th. Achieving this goal will keep the project on schedule.

Construction work: The geo-thermal well casings have been completed. The well driller has mobilized a second drill rig to complete the remaining wells on schedule. The rain water storage tanks have been installed. The mechanical, electrical and plumbing subcontractors will mobilize and begin installing underground conduit and piping at the end of the week. The contractor will

put the construction documents for Bid Package No. 5 out for bids shortly after they receive the complete documents in mid-July.

Other work: The entire team of consultants (Project Manager, Architects, Engineers and CMGC) have been reviewing the results of Early Bid Package No. 4 and updating the estimated cost of the remaining work. The results were presented to the college management team at a meeting last Thursday. The result is that the project remains within budget. Contact Bob Mention, x5747

OREGON COUNTRY FAIR including live broadcasts by KLCC from its new booth; Friday, Saturday and Sunday, July 8, 9 and 10; see story below.

NEWS AND ANNOUNCEMENTS

OPEN ENROLLMENT EXTENDED FOR CLASSIFIED EMPLOYEES

For Classified employees only: Open enrollment for changing your dental plan option and adding and/or removing dependents from your medical, dental and vision insurance coverage has been extended until July 11, 2011 for a July 1, 2011 effective date. No action is necessary for those already enrolled who do not wish to make changes.

Due to recent changes in health care administration rules, dependent children are now eligible to remain on insurance until age 26. If you have a 25-year old dependent child who was dropped from insurance during the previous year, and you would like to re-enroll the dependent, you may do so at this time. Coverage will begin July 1, 2011 and will continue until 26-years of age.

To make changes, please click on the following link, which will open up the Insurance Enrollment Application in Adobe Acrobat:

http://www.lanecc.edu/hr/benefits/documents/InsuranceEnrollmentApplication_Classified_Mgmt.pdf

You may also access the form via the web at <http://lanecc.edu/hr/benefits/index.htm>

Changes outside of open enrollment are only allowed if there is a change in family status. For questions regarding these benefits, please contact Sharon Daniel at ext. 5190 (for last names ending in A-L) or Heidi Morales at ext. 5592 (for last names ending in M-Z).

NEW KLCC/WOW HALL BOOTH AT THE OREGON COUNTRY FAIR

The 2011 Oregon Country Fair takes place Friday, Saturday and Sunday, July 8, 9 and 10. This year, an entirely new KLCC/WOW Hall booth will greet visitors to the fair. The old booth shared by the two nonprofits since 1992 finally reached the end of its usefulness and has been replaced by a stunning new booth! KLCC, WOW Hall, and Rainbow Valley Design & Construction collaborated on the project since last summer. Booth plans were prepared by Rainbow Valley, who also spearheaded the construction of this "showpiece" booth. Volunteers from KLCC, the WOW Hall, and the OCF Construction Crew provided muscle and skills as well.

"Using a combination of rough (yew) wood and dimensional lumber, sourced from several places, assembled in a unique place and by a unique team of partially skilled, partially volunteer help makes my budgeting and scheduling a bit of a crystal ball exercise," reports Steve Gab of Rainbow Valley, "but magic happens at the fair and, so far, that's true for this project too." From the new booth, KLCC 89.7 FM will broadcast the music of the Main Stage all weekend long. KLCC hosts will interview musicians, entertainers, and fair personnel, providing music, information and Fair tales to the listening audience throughout the weekend. KLCC friends and family will be on hand to meet the public and chat about KLCC, NPR, public radio, the Fair, or anything else. Fair goers are encouraged to stop by the booth, tune in at 89.7 FM, or listen to the live stream at www.klcc.org

On the other side of the booth, the WOW Hall operates a storage service during fair hours. Fairgoers can check their backpack, costume, instrument or what-have-you and WOW Hall personnel will watch it for \$1. Items can be accessed during the day at no charge. KLCC and the WOW Hall are two popular Eugene institutions that both came into existence around the same time as the Oregon Country Fair. KLCC, a listener-supported public radio station, now serves over 88,000 listeners in western and central Oregon. The WOW Hall, an all ages performing arts venue, provides year round concerts and events and enjoys the support of approximately 900 members and 400 volunteers. Neighbors on 8th Ave in downtown Eugene as well, both organizations enjoy their long time partnership and commitment to bringing a rich variety of music to the community. Visit KLCC and the WOW Hall at our New Booth #299 near the Main Stage Meadow. Contact: Gayle Chisholm.

HOURS AND CLOSURES

COLLEGE CLOSED ON FRIDAYS

Lane is closed Fridays this summer through August 26. No classes will be held and no services will be available, unless otherwise announced by a department or program. For more information go online at <http://www.lanecc.edu/mpr/news/re101427.htm>

MEDIA CENTER

Summer hours are Tuesdays, Wednesdays and Thursdays from 8:30 a.m. to 5:30 p.m. Contact: Dean Middleton.

FACILITIES UPDATES

HOUSEKEEPING

While our custodial crews strive to dust and vacuum every office, we ask that offices be rid of clutter for easy access. If you do not want your office cleaned or you have special cleaning services you would like to request, please submit a written e-mail request to Housekeeping Coordinators (housekeeping_coordinators@lanecc.edu), explain the type of work you would like to have completed and include the best time to access your office. The following deep cleaning services will be accomplished over the summer months: carpet extractions, hard-floor refinishing, burnishing of concrete floors, power-washing of restrooms, cleaning window and door glass, cleaning PE bleachers, and high dusting. Contact Katherine Vos, 3455.

PROJECT UPDATES—

BUILDINGS 10 AND 11 CONSTRUCTION SAFETY REQUIREMENTS

Buildings 10 and 11 will remain closed until the construction projects are complete. No access inside the fenced area is permitted, unless accompanied by a member of the bond staff. These rules are in place to ensure proper safety for everyone entering these buildings. For those interested in requesting a tour, please remember that safety equipment must be worn at all times. A limited quantity of safety equipment is available and will be provided by FMP, however, due to a limited number of hard hats on hand, Bond staff encourage those who can to bring their own hard hats for any scheduled tour. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS PROJECT

Design: The architects will complete the construction documents on July 11 as scheduled.

Congratulations to the design team (architects, engineers and other consultants) on completing this massive task on schedule. The sheer volume of the drawings and specifications is huge.

Construction: Thirty-nine of the geo-thermal wells have been drilled. The remaining 11 wells are scheduled to be completed by the end of this week. The tower crane base has been installed and the footing is scheduled to be poured this week with installation of the crane to follow next week. Piping and conduit installation and excavation for the structural footings will begin this week. The layout for the underground MEP (mechanical, electrical and plumbing) utilities has begun.

Other: The contractor has been asked to present a guaranteed maximum price (GMP) for the project to the Board for consideration at its July meeting.

Finally, congratulations to everyone at LCC who has been involved and assisted with getting this project to this milestone. This is the largest single construction project under undertaken by the college since its beginning. Contact Bob Mention, 5747.

RELAY FOR LIFE is July 29-30 at Willamette High School. One important aspect of the American Cancer Society Relay For Life is the opportunity for people to come together to remember loved ones lost to cancer and honor those who have won their battle. One of the most moving parts of the event is the Luminaria Ceremony on Friday night at 10:30 p.m. As the sun sets over campsites and darkness falls, the night is brightened by the glow of illuminated bags called luminaries, each bearing the name of someone who has battled cancer. Would you like to honor or remember someone with a luminary during the Relay For Life Luminaria Ceremony? Please light a candle in honor of or in memory of a friend or loved one who has had cancer. Your \$5 contribution will help save lives, give hope, and empower people through the American Cancer Society and its lifesaving mission. IN MEMORY: CLIFF MATSON

Cliff Matson, charter Board of Education member, died recently at age 92. He served on Lane's first board in the Zone 2 position from October 1964 through June 1971. In addition, he advocated establishing the dental assisting and dental hygiene programs at Lane. A family remembrance was published in the July 3 Register-Guard at

<http://www.legacy.com/obituaries/registerguard/obituary.aspx?n=clifford-d-matson&pid=152311208> Information also is available on the Archives web page at <http://www.lanecc.edu/archives/Historypres.html> Submitted by the editor.

GOT AN EVENT? USE 25LIVE

If you are planning a meeting or an event, make sure that the event has been scheduled in 25Live using your own account or have a division designated master scheduler create the event on your behalf.

When events do not get scheduled in the scheduling system, it can affect several things: create scheduling conflicts, the electronic doors are not unlocked, the HVAC system will not turn on and Public Safety is not aware of the event for attendees safety and security. All spaces at all campuses are in the scheduling system, so this scheduling procedure is not limited to main campus. Classes requiring registration in Banner will automatically be moved into the scheduling system. Scheduling of a motor pool vehicle, A/V and general services equipment can also be done in 25Live. If you need a 25Live account, contact laneevents@lanecc.edu and you will be provided access. Training in 25Live is offered by Information Technology on a regular basis for those wanting to learn more. Contact: Alen Bahret.

FACILITIES UPDATES

FACILITIES

Extensive work on the east side of Building 5 is in progress to prepare the area for a mural project. After pressure washing the concrete on the entire east side of Building 5; including the

walls, walkways, stairs, and the ramp down to the northeast, Lane's Arts department mural project team will begin work. Barricades on the walkways from the southwest corner of the building, the two stairways to the east toward the grass, and the ramp on the northeast will be in place. These areas will remain closed until completion of the mural project due to extensive scaffolding which will block the ramp and walkways. Signs will be posted rerouting pedestrian traffic around the affected areas including signs for the ADA access route to use the elevator on the lower level of Building 6 for access to the upper level. For questions, please contact Russ Cox, 3429.

HOUSEKEEPING

Custodial crews dust and vacuum every office. Please rid offices of clutter for easier access to custodians. The following deep cleaning services will be accomplished over the summer months: carpet extractions, hard-floor refinishing, burnishing of concrete floors, power-washing of restrooms, cleaning window and door glass, cleaning PE bleachers, and high dusting. If you do not want your office cleaned or you have special cleaning services you would like to request, please submit a written e-mail request to Housekeeping Coordinators (housekeepingcoordinators@lanecc.edu), explain the type of work you would like to have completed and include the best time to access your office. Contact Katherine Vos, 3455.

PROJECT UPDATES—

BUILDINGS 10 AND 11 REMODELS

Buildings 10 and 11 will remain closed until the construction projects are complete. Unless accompanied by a member of the bond staff, no access inside the fenced area is permitted. Access modification into the campus on the South side of Building 10 is nearly complete. The steep ramp area is closed and a new ADA access ramp has opened. New steps are being formed replacing the steep ramp. Between buildings 10 and 11, final concrete placement is complete. On Friday, July 15, sections of the north parking lot N will be closed and will reopen on Wednesday, July 20. This closure is needed to allow for crane access to the project site. On Monday, July 18, the crane will begin lifting large pieces of equipment and placing them on the roof of Building 10. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS PROJECT

General: The General Contractor's guaranteed maximum price (GMP) will be offered for consideration by the Board of Education at this week's meeting, Wednesday, July 13.

Construction: This week, the geo-thermal wells will be completed and the driller will de-mobilize. The drilling has been more difficult than anticipated due to the presence of a rock strata about 40' below the surface. Underground/under-slab mechanical, electrical and plumbing installation has begun. The tower crane base has been placed and erection of the crane will be completed late this week. It's a BIG crane. Its operating height is 142' and its arm is 229' long! (see the webcam here: <http://www.lanecc.edu/dc/video.html>)

Design: The architects and their consultants are rushing to complete the contract documents before the end of the week.

Contact: Bob Mention, 5747.

ATC HIRING PART-TIME FACULTY

The Academic Technology Center is looking for a few instructors to develop documentation and deliver training on Moodle, MyLane, and other technology topics. It doesn't matter what your discipline is, as long as you are a good technical writer and workshop presenter, and are comfortable with techy web stuff. For more information, contact Michael Levick, levickm@lanecc.edu or 3349.

TRY OUT THE ICLICKERS

Come by and take a test drive of the ATC's new Classroom Response System, iClickers. Quickly and easily poll your class for instant feedback. Compatible with Moodle Grade Book. Classroom kits available for one-on-one training and checkout as well as in-class support. Large class sizes are supported! E-mail atc@lanecc.edu or call 3377 today for more information.

THANK YOU

Please accept my sincere gratitude for the cards and words of support during this past month after my mom passed away. I really appreciate the wonderful people here at Lane. Sandy Wilhelm.

HOUSEKEEPING

Deep cleaning services will be accomplished over the summer months: carpet extractions, hard-floor refinishing, burnishing of concrete floors, power-washing of restrooms, cleaning window and door glass, cleaning PE bleachers, and high dusting. If you do not want your office cleaned or you have special cleaning services you would like to request, please submit a written e-mail request to Housekeeping Coordinators (housekeeping coordinators@lanecc.edu), explain the type of work you would like to have completed and include the best time to access your office. In addition: Specialized Support Services in collaboration with Housekeeping has, to date, cleaned personal offices in the following buildings: 1,3,4,5,6,17,30. Cleaning will continue this week in Building 18 and Center. The cleaning services performed are the following:

1. Dusting of easily accessible areas such as desks, bookshelves, shelves, file cabinets, vents, window sills, ledges, etc. Window coverings are not serviced.
2. Inside glass cleaning
3. Vacuum or sweep floors
4. Mop vinyl floors
5. Carpet extraction based on need, available time, and priority.

PROJECT UPDATES—

BUILDING 10

This project is progressing quickly. Hyland Construction is working several crews on overtime to achieve their expected completion date in September. The second floor is nearing completion. Painting crews have completed their work inside the classrooms on the second level, and cabinets will be installed this week. Then the focus will shift to completing the painting and preparing areas for the installation of cabinets on the first floor. Contact Mark Richardson, 3456.

BUILDING 11

Building 11 projects have been proven to be a challenge for bond staff and contractors who are involved. Surprises are being uncovered by construction crews in several locations related to the design and age of this building. Unforeseen conditions have caused work to lag behind a little, but will not affect the expected completion date of mid-September. Removal of the old roof is completed and the installation of the new metal roof has begun. The roof contractor is working ahead of schedule and expects to be completed by the end of August. Contact Mark Richardson, 3456.

BUILDINGS 10 AND 11 CONSTRUCTION SAFETY REQUIREMENTS

Buildings 10 and 11 will remain closed until the projects are complete. No access inside the fenced area is permitted, unless accompanied by a member of the bond staff. These rules are in place to ensure proper safety for everyone entering these buildings. For those interested in requesting a tour, please remember that safety equipment must be worn at all times. A limited quantity of safety equipment is available and will be provided by FMP, however, due to a limited number of hard hats on hand, Bond staff encourage those who can to bring their own hard hats for any scheduled tour. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS PROJECT

Design: The bid documents for Package No. 5 went out to bid on Monday, July 18. The deadline for receiving bids is August 11. This is the last major package of bids required for the project. In addition, the architects completed the final or conformed set of contract documents on Monday, July 18. Construction: All of the geo-wells have been drilled and underground utilities are being installed. Excavation for structural foundations has begun and the tower crane has been installed and will be load tested this week. Contact Bob Mention, 5747.

CURRENT CONSTRUCTION AND MAINTENANCE PROJECT NOTICES—

ACCESS TO THE EAST SIDE OF BUILDING 5 RESTRICTED FOR MURAL PROJECT

On Monday, July 11, extensive work on the east side of Building 5 began to prepare the area for an Art department mural project. After pressure washing the concrete on the entire east side of Building 5; including the walls, walkways, stairs, and the ramp down to the northeast, Lane's Arts department mural project team will begin work on a mural that will cover the outside concrete wall on the east side of Building 5. Barricades on the walkways from the southwest corner of the building, the two stairways to the east toward the grass, and the ramp on the northeast will be in place. Due to extensive scaffolding which will block the ramp and walkways, these areas will remain closed until completion of the mural project which is estimated to be finished by September 15. Signs will be posted for alternate routes for pedestrian traffic including signs for ADA access posted to the entrance door of Building 6 indicating the location

of the elevator inside of the building that can be used to access the upper level. For questions, please contact Russ Cox, 3429.

PART OF PARKING LOT N CLOSED 7/14-7/19

On Thursday, July 14, part of parking lot N was closed to allow the placement of crane equipment that contractors will use to move three new HVAC units onto the roof of Building 10. First, the crane base will be driven across the parking lot, will turn down the road that slopes to the lower level cutting through the grass on the corner, then driven and placed between buildings 10 and 12. Once the base is in place, crews will transport and assemble the rest of the crane pieces onto the base, and then it will be used to lift the HVAC units onto the top of the building. Once the HVAC units are in place, then the reverse. Crews will disassemble and transport the crane, and then drive the crane base back through the parking lot and off campus. The installation, use, disassembly and removal of the crane is expected to be complete and the parking lot reopened by 12:00 a.m. on Wednesday, July 20. For questions, please contact Mark Richardson at 3456.

POWER SHUTDOWN JULY 29 & AUGUST 5

Power will be shut down in Buildings 1, 2, 3, 18, 19, 24, 25, 26, 27, and the Greenhouse on Friday, July 29 at 6-8 a.m. in order to remove the greenhouse panels from the transformer feeding them. The panels will be moved to a new location during the following week. Power will again be shut down in Buildings 1, 2, 3, 18, 19, 24, 25, 26, 27, and the Greenhouse on Friday, August 5 6-8 a.m. to reconnect the greenhouse panels to the transformer. For questions, please contact Carl Hassman at 5541.

HOUSEKEEPING

Deep cleaning services are being accomplished this summer. Carpet extractions, hard-floor refinishing, burnishing of concrete floors, power washing of restrooms, cleaning window and door glass, cleaning PE bleachers, and high dusting is being performed. If you do not want your office cleaned or you have special cleaning services you would like to request, please submit a written e-mail request to Housekeeping Coordinators housekeeping_coordinators@lanecc.edu and explain the type of work you would like to have completed and include the best time to access your office.

In addition, Specialized Support Services in collaboration with Housekeeping, has to date cleaned personal offices in the following buildings: 1, 3, 4, 5, 6, 17, 18, 30, and Center. The cleaning services performed are the following:

1. Dusting of easily accessible areas such as desks, bookshelves, shelves, file cabinets, vents, window sills, ledges, etc. (window coverings are not serviced);
2. Inside glass cleaning;
3. Vacuum or sweep floors;
4. Mop vinyl floors;
5. Carpet extraction based on need, available time, and priority.

Contact: Katherine Vos, 3455.

PROJECT UPDATES—

BUILDING 10

Painting crews have completed the second-level classrooms and are now installing cabinets and floor covering. This is the final step in converting the open space into well-designed state of the art classrooms. The area has open ceilings that contain most of the original design of the building. On the first floor of the building, crews are working hard to complete painting. Once complete, Lane staff will begin installing equipment for the Art Department, which will transform the once open space into a new first class learning environment. Contact Mark Richardson, 3456.

BUILDING 11

The Building 11 remodel is progressing as expected and is scheduled to be complete mid-September. Hyland construction has completed the first step of the electrical installation and crews are starting to construct walls inside the area to be occupied by the Specialized Support Services program. Umpqua Roofing and their subcontractors are installing a steel roofing system similar to that which was installed onto Building 4. The new roofing system has better moisture barrier and insulation layers that help provide a more comfortable environment inside the building. The roof work is scheduled to be completed by September 1. Contact Mark Richardson, 3456.

BUILDINGS 10 AND 11 CONSTRUCTION SAFETY REQUIREMENTS

Buildings 10 and 11 will remain closed until the projects are complete. No access inside the fenced area is permitted, unless accompanied by a member of the bond staff. These rules are in place to ensure proper safety for everyone entering these buildings. For those interested in requesting a tour, please remember that safety equipment must be worn at all times. A limited quantity of safety equipment is available and will be provided by FMP, however, due to a limited number of hard hats on hand, Bond staff encourage those who can to bring their own hard hats for any scheduled tour. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS PROJECT

Design: Contract documents (drawings and specifications) for the last major elements of the project (site, shell and interiors) have been finished and turned over to the contractor. The contractor has asked for bids on those elements and the bids are due on August 11.

Construction: Trenching and laying pipes for under-floor utilities continues. All 50 geo-wells have been drilled and the pipes installed. The tower crane has been tested and is in use. Formwork and rebar placement for concrete mats, columns and continuous footings along Charnelton is in progress. Concrete pours began late last week and will continue this week. A considerable amount of unsuitable soil has been discovered and must be replaced with structural fill. Watch the Downtown Campus construction - updated hourly between 8 a.m. and 8 p.m. at <http://www.lanecc.edu/dc/video.html> Contact: Bob Mention, 5747.

ONE OF MY STUDENTS ASKED ME to spread the word about an American Foundation for Suicide Prevention fundraiser on Tuesday, July 26 at all three of the local Papa's Pizza Parlors. Flyers are at <http://media.lanecc.edu/users/arnaudv/Files/> and 50% of all food purchases goes to the organization as well as 25% of any gift certificates purchased. This is a great way to help this cause. Submitted by Velda Arnaud.`

ONLY 2 DAYS UNTIL THE AMERICAN CANCER SOCIETY RELAY FOR LIFE. The LCC team extends an invitation for you to join us this Friday or Saturday, July 29th and 30th, noon to noon at Willamette High School. Look for our LCC tent on the southeast of the track spot #F20. Some highlights during the event are the following: noon Friday-Kick Off; 6 p.m. Opening Ceremony; 7:00 p.m. Survivor Ceremony; 7:30 p.m. Survivor Walk; 10:00 p.m. Luminaria Ceremony; 10:30 p.m. Lighting Luminaries. Saturday, July 30th 11:00 a.m. Fight Back Ceremony; 11:30 Awards;

and noon Closing and Thank you's. There are many festivities, bands, raffles, kids area projects and activities something for the entire family to experience. If you plan to attend, there will be a variety of parking situations available, from long term, short term, and drop off areas with volunteers directing everyone who plans to drive. At the event, our team will take turns walking around the track to raise money and awareness to help the American Cancer Society create a world with less cancer and more birthdays. Saving lives from cancer starts with one team, one participant, and one dollar at a time. Our team is doing our part to make sure that cancer never steals another year of anyone's life. Please join our team or make a donation. The impact we can make together is much greater than what any of us could do alone! Contact any team member: Sharon Foster ext. 5599, Patty Parks ext. 5099, Sue Thompson ext 5735, Beverly Farfan ext. 5395, or Gloria Jarvis ext. 5605. You can also donate by going directly to the Relay website at esrfl.org and donate directly to Lane's team. Thank you!`

IT'S TIME TO UPDATE YOUR RECORDS AND ARCHIVES

Summer is always a good time to go through your office file cabinets and see if there are files you can transfer to the Archives for either permanent or temporary storage. Records that should be kept for long-term historical and administrative value are correspondence, reports, policy statements, committee and staff meeting minutes and reports, photographs and scrapbooks, and much more. Remember that records come in many different formats - electronic or digital records as well as paper. If you want help in transferring records to the Archives or if you need some advice on what to keep, contact Elizabeth Uhlig, Archives, at 5466 or at archives@lanec.edu or check out the Archives website at <http://www.lanec.edu/archives> .

FACILITIES UPDATES

HOUSEKEEPING

While our custodial crews strive to dust and vacuum every office, we ask that offices be rid of clutter for easy access. If you do not want your office cleaned or you have special cleaning services you would like to request, please submit a written e-mail request to Housekeeping Coordinators (housekeeping_coordinators@lanecc.edu), explain the type of work you would like to have completed and include the best time to access your office. The following deep cleaning services will be accomplished over the summer months: carpet extractions, hard-floor refinishing, burnishing of concrete floors, power-washing of restrooms, cleaning window and door glass, cleaning PE bleachers, and high dusting. Contact Katherine Vos, 3455.

PROJECT UPDATES—

DOWNTOWN CAMPUS PROJECT

Design: Architects have completed Addendum 1 to Bid Package No. 5 and it's been sent to the contractor. The contractor will review the addendum and decide if the bid period needs to be extended for a few days. Robertson Sherwood Architects has been hired by the city to design the Public Safety Station interior space in the Downtown Campus.

Construction: Contractor is working on foundations. This work includes excavation, forming of foundation mats and pads, placing steel reinforcing bars, pouring concrete and removing forms. Contractor is also excavating trenches and laying utility (electrical and waste) lines beneath the ground floor slab.

Contact: Bob Mention, 5747.

CURRENT NOTICES—

NORTHEAST FIRE LANE/ACCESS ROAD CORNER EXPANSION, THROUGH AUGUST 10

On Friday, July 29, contractors began work to expand the corner of the fire lane/access road near the northeast end of Building 7. This work is required to "soften" this corner and allow larger trucks with trailers to safely deliver materials and supplies to the Advanced Technology professional/technical programs' and FMP maintenance buildings. Larger fire trucks will also have better and safer access into the fire lanes near these buildings. Excavation, concrete and pavement placement work will continue through Wednesday, August 10. If you have any questions, please contact Mark Richardson at 3456.

NEWS AND ANNOUNCEMENTS

HATFIELD HELPED COMMUNITY COLLEGES

Mark Hatfield, former U.S. senator and Oregon governor, passed away Sunday. His career included support for Lane Community College. According to the Archive's oral history with Lane founding president Dale Parnell, Parnell lobbied Hatfield for support for community colleges and eventually obtained it. Here's an excerpt from the interview conducted by archivist Elizabeth Uhlig with Dale Parnell in 2003:

EU: What happened in Lane County – was that similar to what was happening elsewhere in Oregon as other community colleges were being formed?

DP: Yes. It was part of the background. I had talked with then our governor Mark Hatfield - in those early days he didn't know much about community colleges - and tried to enlist his support for establishing community colleges. And he at first was kind of leery of the idea, well, mainly because of budget - finance problems. Well, how would we pay for this? And on the idea of a "neglected majority," he finally came around. And they authorized a position in the State Department of Education – I'm trying to remember the fellow's name - Bob Hattan was his name. He came from Michigan – a community college he had started earlier. And so there was somebody at the state level who was putting some emphasis on the community college. That was his full-time job – to help start the community colleges of Oregon.

And Leon Minear was the state superintendent at the time and he gave it his full support. So without Mark Hatfield's help, with the Legislature. And, of course, Tom McCall was totally supportive of Lane. He named me to be the state school superintendent and we were still developing community colleges at that time. And he was totally supportive. So you needed that state level leadership as well as the local leadership.

BUILDINGS 10 AND 11 REMODEL

Bond moving crews and art department staff are moving equipment from Building 11 into the remodeled Building 10. This is a huge milestone for the project and the Advanced Technology and Art department as the completely remodeled building transforms into classroom spaces and more that will be ready for students this year. Transformation inside Building 11 is now picking up speed in all areas of the building. All interior walls in the new Specialized Support Services (SSS) area are finished and crews are now completing the final coat of interior paint. Hyland Construction is on the site long hours along with their subcontractors in both buildings to bring this project to completion. Contact Mark Richardson, 3456.

BUILDINGS 10 AND 11 CONSTRUCTION SAFETY REQUIREMENTS

Buildings 10 and 11 will remain closed until the projects are complete. No access inside the fenced area is permitted, unless accompanied by a member of the bond staff. These rules are in place to ensure proper safety for everyone entering these buildings. For those interested in

requesting a tour, please remember that safety equipment must be worn at all times. A limited quantity of safety equipment is available and will be provided by FMP, however, due to a limited number of hard hats on hand, Bond staff encourage those who can to bring their own hard hats for any scheduled tour. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS PROJECT—

Architects: Even though the architects have completed the contract documents for the major bid packages they still have lots of work to do. No set of documents can anticipate unknown site conditions or address every construction detail. Consequently they must quickly respond to a lot of questions asked by the contractor, subcontractors and material/equipment suppliers.

Bidding: The deadline for submitting bids for the work in Bid Package No. 5 is 2:00 PM on August 11. After the bids have been submitted, the CMGC will review each of them to verify their scope of work. This process will take a few weeks. The cost of Bid Package No. 5 won't be known until the process has been completed.

Construction: There is a lot of activity on the site and construction is moving ahead on schedule. The majority of the large foundations have been completed. Crews have formed and poured several reinforced concrete columns. That work will continue this week. The majority of the deep-underground MEP (mechanical, electrical, and plumbing) lines have been installed. Work on the connection of the geothermal wells and the shallow MEP lines continues.

CURRENT NOTICES—

NORTHEAST FIRE LANE/ACCESS ROAD CORNER EXPANSION, THROUGH AUGUST 10
On Friday, July 29, contractors began work to expand the corner of the fire lane/access road near the northeast end of Building 7. This work is required to "soften" this corner and allow larger trucks with trailers to safely deliver materials and supplies to the Advanced Technology professional/technical programs' and FMP maintenance buildings. Larger fire trucks will also have better and safer access into the fire lanes near these buildings. Excavation, concrete and pavement placement work will continue through Wednesday, August 10. If you have any questions, please contact Mark Richardson at 3456.

ACCESS TO THE EAST SIDE OF BUILDING 5 RESTRICTED FOR MURAL PROJECT

On Monday, July 11, extensive work on the east side of Building 5 began to prepare the area for an Art department mural project. After pressure washing the concrete on the entire east side of Building 5; including the walls, walkways, stairs, and the ramp down to the northeast, Lane's Arts department mural project team will begin work on a mural that will cover the outside concrete wall on the east side of Building 5. Barricades on the walkways from the southwest corner of the building, the two stairways to the east toward the grass, and the ramp on the northeast will be in place. Due to extensive scaffolding which will block the ramp and walkways, these areas will remain closed until completion of the mural project which is estimated to be finished by September 15. Signs will be posted for alternate routes for pedestrian traffic including signs for ADA access posted to the entrance door of Building 6 indicating the location of the elevator inside of the building that can be used to access the upper level. For questions, please contact Russ Cox, 3429.

NEWS AND ANNOUNCEMENTS

MURAL PROJECT WILL TRANSFORM CEMENT WALL INTO A WORK OF DIVERSITY

Lane is offering a unique mural painting course where students are learning hands on about the execution of large-scale public murals by painting one on main campus with instructor and internationally know muralist Tom Madison.

The abstract design represents the concept of excellence through diversity. Thirteen students, some of whom are graphic design graduates who have returned just for this course, will complete the mural over the course of the next month. They will begin prep for priming this afternoon.

The mural will cover the entire east side of Building 5 (gym) facing Bristow Square. It will reach 26 feet high in three sections with returns of nine feet. The faces include a central, primary image of about 33 feet, and two side columns of about 11 feet each, creating a linear span of about 55 feet.

The course goes far beyond the topics and practices covered in a traditional painting class. "Not only is the size and scale much larger, but students must understand the political process of public art," says Madison. "Conceptualization of design is much more important than painting on a personal level. This work engages the public on a mass level and must appeal to a broad range of tastes and cultural backgrounds while conveying its meaning."

The course is one of the first offered by Lane's new Honors Program, which began accepting applications this summer. Most Honors Program courses begin this fall.

Support the course was provided in part by the Art on Campus Committee and by the President's Fund. College facilities did site work to prep the area. Tommy's Paint Pot of Eugene donated all of the primer and paint.

Madison has taught at Lane for the past 10 years and also at Oregon Sate University, Western Oregon University, and Linn-Benton Community College. He has a degree in fine art from WOU and has worked as an illustrator and graphic designer, including positions in the museum industry. His work includes large-scale murals depicting the flora and fauna of the Red Sea for a palace on the Red Sea coast of Saudi Arabia including 12,000 square feet of mural work inside and outside completed over the course of many years. For more information contact Madison at 5887.

CAROLYN CHAMBERS REMEMBERED

Carolyn Chambers was a strong supporter of Lane and her loss is deeply felt by the college community. She passed away on August 8 at age 79 after a long struggle with cancer. An obituary published in the Register-Guard notes that a celebration of life will be held August 20 at 2 p.m. at the Hult Center. The RG's story about her is online at:

COME CELEBRATE LANE AT THE EUGENE CELEBRATION

Lane has been chosen as one of three grand marshals for this year's Eugene Celebration Parade, which begins at 10 a.m. on Saturday, August 27. Lane also is one of eight teams who will compete in the first annual bed race to raise money for Habitat for Humanity, at noon that same day. To top it off, our colleagues at the Downtown Center on Willamette will host an open

house from noon to 5 p.m. to showcase our move into the new Downtown Campus and help the public get to know our fantastic faculty and staff.

Want to join the parade? We'd love to have more faculty, staff and their families walk or ride along with us at the front of the parade in our grand marshal entry.

To participate, wear Lane clothing and be at the South Eugene High School parking lot by 9:30 a.m. on Saturday, August 27. We'll have folks sitting on straw bales on a truck bed, and others walking alongside celebrating Lane and our move into the Downtown Campus next year. For more information, contact Helen B. Garrett, 5725.

KLCC TO BROADCAST LIVE FROM EUGENE CELEBRATION

August 26 and 27: Keep the Eugene Celebration with you! On Friday and Saturday night, the music from the KLCC Stage at 8th and Olive will be broadcast on the radio and streamed to listeners on the web, courtesy of KLCC. Friday's schedule includes Fely Tchaco at 7:30 p.m., Pimps of Joytime at 9 p.m., and Karl Denson's Tiny Universe at 10:30 p.m. On Saturday, it's Son Melao at 7 p.m., McTuff at 8:30 p.m., and Ivan Neville's Dumpstaphunk at 10 p.m. All regular KLCC programming is pre-empted for the live broadcast. The broadcast is provided by the generous support of area businesses. Contact: Gayle Chisholm.

INTERNAL CONTROLS MANAGER ANNOUNCEMENT

Laura Martin will be transitioning to work full-time as the Internal Controls Auditor out of both main campus and Cottage Grove (her home town). She will be auditing the Cottage Grove and main campus procedures and finance, while lending management assistance to the staff in Cottage Grove. The transition will occur over many weeks as budget office responsibilities permit. Submitted by Greg Morgan.

FACILITIES UPDATES

PROJECT UPDATES—

BUILDING 10 REMODEL

Building 10 is now in the beginning of the move-in phase and subcontractors hired by Lane begin installing classroom furnishings this week. Many unforeseen tasks caused this project to lag behind schedule in some areas, but with a combination of determination and overtime, Hyland has recovered most of their lost time and is expected to have the building open by the start of fall term. Painting, floor covering, doors, and cabinets are now the task at hand. The remaining six weeks of the project will be fast pace for both Hyland Construction and Lane staff, so traffic in and around the project site is expected to be heavy at times. Contact Mark Richardson, 3456.

BUILDING 11 REMODEL

Last minute changes in Building 11 have caused work to fall behind schedule, requiring crews to work overtime to complete the project in time. Most of the interior work has been completed for the remodeled areas and painting is scheduled to begin this week. Installation of the new roof is on schedule and is expected to be completed by August 30. Contact Mark Richardson, 3456.

BUILDINGS 10 AND 11 CONSTRUCTION SAFETY REQUIREMENTS

Buildings 10 and 11 will remain closed until the projects are complete. No access inside the fenced area is permitted, unless accompanied by a member of the bond staff. These rules are in

place to ensure proper safety for everyone entering these buildings. For those interested in requesting a tour, please remember that safety equipment must be worn at all times. A limited quantity of safety equipment is available and will be provided by FMP, however, due to a limited number of hard hats on hand, Bond staff encourage those who can to bring their own hard hats for any scheduled tour. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS PROJECT

Design: The architects continue to respond to queries from the contractors, material suppliers and others as construction proceeds.

Bids: Bids for the work noted in Bid Package No. 5 were received last Thursday, August 11. A lot of bids were submitted. The contractor has to review each bid to ensure its scope of work; this will be time consuming since so many bids were submitted.

Construction: Work on the shallow utility lines is proceeding, the geo-wells are being connected, and reinforced concrete columns and walls at the first floor level are being formed and poured. Watch Downtown Campus construction on our web cam, updated hourly between 8 a.m. and 8 p.m. at <http://www.lanec.edu/dc/video.html> Contact Bob Mention, 5747.

CURRENT NOTICES—

PARKING LOT MAINTENANCE AUGUST 15 - SEPTEMBER 2

Campuswide parking lot maintenance work began August 15 and will be completed by September 2. Expect delays and lot closures during this time. This week, August 15-19, the contractor will be painting curbs, crosswalks, stops, speed bumps and other traffic markers. At times, campus roadways will be reduced to one lane. The contractor will provide traffic control when a roadway is reduced to one lane.

During the week of August 22-26, there will be slurry coating, pavement repairs, crack sealing and parking lot striping occurring in various lots. Barricades and signs will be placed at lots affected daily. Parking lot N will remain closed, and it is suggested that users of parking lot N use lot M during this time. On August 24 and 25, parking lot B will be partially closed, and parking lot L partially closed on August 24.

All parking lot users are requested to exercise caution and heed barricades and signs during the next two weeks. This work is necessary and completed each summer at Lane to maintain parking lot surfaces and ensure safe driving conditions year round. Your patience and understanding is appreciated. For questions, please contact Brian McMurray, 5829.

ACCESS TO THE EAST SIDE OF BUILDING 5 RESTRICTED FOR MURAL PROJECT

On Monday, July 11, extensive work on the east side of Building 5 began to prepare the area for an Art Department mural project. After pressure washing the concrete on the entire east side of Building 5; including the walls, walkways, stairs, and the ramp down to the northeast, Lane's Arts department mural project team will begin work on a mural that will cover the outside concrete wall on the east side of Building 5. Barricades on the walkways from the southwest corner of the building, the two stairways to the east toward the grass, and the ramp on the northeast will be in place. Due to extensive scaffolding which will block the ramp and walkways, these areas will remain closed until completion of the mural project which is estimated to be finished by September 15. Signs will be posted for alternate routes for pedestrian traffic including signs for ADA access posted to the entrance door of Building 6 indicating the location of the elevator inside of the building that can be used to access the upper level. For questions, please contact Russ Cox, 3429.

NOTICE: POWER SHUTDOWN - BUILDING 6, FRIDAY, AUGUST 19, 6-7 A.M.

Power to Building 6, Performing Arts, will be shut down on Friday, August 19, from 6-7 a.m. in order to replace a faulty 600 amp breaker in the electrical room's main distribution panel. Due to unexpected changes in size between the old breaker and the new breaker, appropriate parts had to be ordered to complete this work and, therefore, the power shutdown planned on July 15 was canceled. For questions, please contact Carl Hassman at 5541.

EUGENE CELEBRATION FIRST ANNUAL BED RACE TEAM: JOIN US!

Lane has been invited to be one of eight teams competing this Saturday, August 27 at noon at the Eugene Celebration First Annual Bed Race. This fun and silly event raises money for Habitat for Humanity and is a chance for Lane to celebrate as we prepare to become an even more vital member of the Downtown Eugene community. We still are looking for team members to round out our team of six. All that is required is the ability to push a bed down a short distance, be competitive, have fun and be a good sport. Please contact Helen Garrett at 5725 if you are interested or want more details.

NEWS AND ANNOUNCEMENTS

PRESIDENT SPILDE APPOINTED TO EDUCATION INVESTMENT BOARD

Gov. John Kitzhaber has appointed President Spilde to the Oregon Education Investment Board. She previously served on the governor's education investment team and his post-secondary education transition team. The Oregon Education Investment Board was established by Senate Bill 909, passed by the 2011 Legislature, to create a seamless, unified system of public education from early childhood through college so that all Oregonians are well prepared for careers in the current and changing economy. Submitted by the editor.

"ASPIRE" MAGAZINE BECOMES "COMMUNITY EDUCATION CLASS SCHEDULE"

Aspire Magazine, which evolved from the traditional class schedule years ago, has undergone another evolution as we roll out the new "Community Education Class Schedule" next week. We made this change based on the fact that the majority of credit students have already registered when the publication arrives right before the start of the term and that this is the

primary method by which students wanting to take classes for lifelong learning, professional and small business development find out what is available. The schedule continues to direct credit students to our website to be able to enroll in classes and it lists all of our degree and certificate programs in a layout that is accessible and easy to read. Submitted by Helen B. Garrett, Executive Dean of Student Affairs, 5725.

SBDC LAUNCHES BUSINESS MANAGEMENT PROGRAM FOR VETERANS

Lane's Small Business Development Center will offer a new business management program for veterans this fall. The Veteran Business Management (VSBM) program is designed specifically for veteran small business owners. VSBM will allow each entrepreneur to work "on" as well as "in" his or her business in order to achieve business, family, and personal goals. The program is designed and proven to improve small business owners' management and leadership skills resulting in greater success and profitability. Preference is given to recently deployed veterans whose businesses have been impacted by their deployment, but enrollment is open to all veterans.

The VSBM program will be taught by Ron Tinsley, U.S. Army 1966-69, University of Oregon business school graduate, and owner of several Oregon small businesses. The program runs for three consecutive terms, cost is \$99 with scholarships available. Fall term class begins Wednesday, October 12. Space is limited; apply early. Contact the Lane Small Business Development Center at 541.463.5255, LccBizcenter@lanecc.edu or Ron Tinsley at 541.463.4625, tinsleyr@lanecc.edu

FACILITIES PLANNER II SELECTION PROCESS CONTINUES

The selection process for the Facilities Planner II (Campus Architect) position continues with interviews this week. A new FMP Campus Architect is expected to start in mid-September. The hiring process for the Maintenance Facilities Planner II (Trades Coordinator) is also moving forward with interviews planned for the second week of September. The new Trades Coordinator is expected to start late September. FMP staff continues to hire temporary employees for Maintenance Helper positions and a few other temporary positions posted on the college employment website. FMP has hired over 40 temporary employees for the summer peak load work which has made a huge positive difference in the amount of work completed and will certainly help us get ready for the fall term. As of this moment, all projects are on schedule to be completed before the start of the fall term. Contact David L. Willis, 5566.

HOUSEKEEPING: COMPLETED PROJECT WORK

Private office cleaning - To date, private offices in the following buildings have been dusted, vacuumed, mopped, and windows cleaned: Buildings 1, 3, 4, 5, 6, 8, 12, 17,18, 30 and all offices in the Center building where there is entry available via a GGM. Carpet cleaning is

underway and those offices with the highest need will take first priority. If your office was inadvertently missed, please email Housekeeping at: [Housekeeping Coordinators@lanecc.edu](mailto:HousekeepingCoordinators@lanecc.edu) To better service the future cleaning of private offices, please evaluate the cleaning service your office received by completing a brief three-question cleaning survey. Use the following link to access the survey: <http://www.surveymonkey.com/s/J7WG3ZG>

Floor refinish work: The Custodial Team has completed floor refinish work at the following locations: Building 6 - entryway and choir room, Building 12 - hallways and classrooms; Building 18 - classrooms; Building 30 - upper hallway and all classrooms. Carpet Cleaning: Carpet extraction in offices, classrooms and open spaces is underway and this project work is scheduled and prioritized.

PROJECT UPDATES—

BUILDING 10 REMODEL

Crews are working to complete the building's interior. The completion date for Building 10 is now being projected at September 15. Lane's Housekeeping staff will complete floor preparation and sealing inside the building beginning Saturday, August 27. While this work is being completed, access inside the rooms will not be allowed. Office furnishings are scheduled to arrive on site on August 29 and crews will begin assembly and installation on August 30. The first week of September, Hyland Construction will remove its construction trailers and clean up debris on the outside of the building. Be informed that when this operation begins, the site will become dusty around the outside of the building until the cleanup work is complete and the dust is able to settle. Contact Mark Richardson, 3456.

BUILDING 11 REMODEL

The task of replacing the worn-out aged roof is almost complete. Umpqua Roofing and Smith's Sheet Metal have teamed up to make sure this project is successful. On the first level, Hyland Construction has completed replacing some of the interior finishes and lighting fixtures. This project is expected to be completed the week of September 12. Contact Mark Richardson, 3456.

TRACK AND INNER FIELD RESURFACING PROJECT

Crews have begun cleaning in preparation for the track restripe and resurface work. During the week of August 29, crews will be completing a final cleaning and then will apply a spray sealer on the track surface. This sealer is used to provide a better wear surface and allows the material to last longer. This work is expected to take two weeks to complete. During this time, the track, inner field, and the surrounding areas are closed to all. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS PROJECT

Design: Architects continue to respond to questions, changes and submittals as construction proceeds.

Bids: Contractor is still reviewing subcontractor bids for Bid Package No. 5.

Construction: Crews have poured about 90 percent of the foundations and are pouring level one concrete columns. Several shear walls have been poured and more will be poured this week.

Note: Shear walls are walls designed to resist horizontal forces, e.g. wind, from pushing a structure over. Concrete slab on grade pours are scheduled to begin late this week.

Watch the Downtown Campus construction webcam, updated hourly between 8 a.m. and 8 p.m., at <http://www.lanecc.edu/dc/video.html> Contact Bob Mention, 5747.

CURRENT NOTICES—

TRACK AND INNER FIELD CLOSED THROUGH SEPTEMBER 5

The entire track and inner field are closed for maintenance work that is expected to continue through September 5. Crews are performing maintenance on the track surface and restriping the lanes. This closure includes all sloped areas around the perimeter of the track. The restriping maintenance work requires the use of paint and a coating, both of which produce a strong odor in the immediate area. For questions, please contact Mark Richardson, 3456.

PARKING LOT MAINTENANCE THROUGH SEPTEMBER 2

Campuswide parking lot maintenance work is underway and will be completed by September 2. EXPECT DELAYS AND LOT CLOSURES DURING THIS TIME. At times, campus roadways will be reduced to one lane. The contractor will provide traffic control when a roadway is reduced to one lane. During the week of August 22 - 26, there will be slurry coating, pavement repairs, crack sealing and parking lot striping occurring in various lots. Barricades and signs will be placed at lots affected daily. Parking lot N will remain closed, and it is suggested that users of parking lot N use lot M during this time. On August 24 and 25, parking lot B will be partially closed, and parking lot L partially closed on August 24. All parking lot users are requested to exercise caution and heed barricades and signs during the next two weeks. This work is necessary and completed each summer at Lane to maintain parking lot surfaces and ensure safe driving conditions year round. Your patience and understanding is appreciated. For questions, please contact Brian McMurray, 5829.

ACCESS TO THE EAST SIDE OF BUILDING 5 RESTRICTED FOR MURAL PROJECT

On Monday, July 11, extensive work on the east side of Building 5 began to prepare the area for the Art Department mural project. After pressure washing the concrete on the entire east side of Building 5; including the walls, walkways, stairs, and the ramp down to the northeast, Lane's Arts Department mural project team began work on a mural that will cover the outside concrete wall on the east side of Building 5. Barricades on the walkways from the southwest corner of the building, the two stairways to the east toward the grass, and the ramp on the northeast will be in place. Due to extensive scaffolding which will block the ramp and walkways, these areas will remain closed until completion of the mural project which is estimated to be finished by September 15. Signs will be posted for alternate routes for pedestrian traffic including signs for ADA access posted to the entrance door of Building 6 indicating the location of the elevator inside of the building that can be used to access the upper level. For questions, please contact Russ Cox, 3429.

NEWS AND ANNOUNCEMENTS

BIKE CORRALS DESIGNED BY LANE STUDENTS TO BE CHRISTENED

Starting next week, Eugene area bike riders will be able to experience a little art when they park their bikes at two downtown locations. The City of Eugene partnered with Lane art instructor Lee Imonen and his students over the past year to design and create three artistic bike corrals for downtown. Two of the corrals will be christened" with their first bike locking on Thursday, September 8, starting at 10:30 a.m. at 450 Willamette Street.

Mayor Kitty Piercy will give an address in front of the Morning Glory Restaurant across from the train station. A bicycle group will then travel over to the Kiva grocery store at 11th and Olive to dedicate the second piece.

"The work is fabulous and the students deserve a round of applause for their efforts," says Imonen.

Students in last fall's Art 117: Three Dimensional Basic Design came up with nine different designs for the downtown bike corrals. The public reviewed and commented on the designs while they were on display in the Atrium and the Eugene Public Library during January and February. A selection committee composed of the City's Public Art Committee, Bicycle Pedestrian Advisory Committee, and other stakeholders reviewed public input and determined the winning designs.

The project was funded by the city and in-kind donations including the design work and thousands of hours of labor from Imonen and his students.

REUSEABLE OFFICE SUPPLY EXCHANGE TEMPORARY RELOCATION

The ROSE room in the Center Building is officially closed. While we wait to move into our new space in September, the ROSE Room is located in the Surplus Warehouse at the east end of Building 7. FACILITIES UPDATES

MAIN CAMPUS EXTERIOR DOORS BEING REKEYED THROUGH SEPTEMBER 9

Last summer, the exterior door smart access card access system was implemented. All employees have been encouraged to visit the Public Safety offices to process a new smart access card. This summer, we are rekeying the main campus exterior doors with a new key system. The old key system has been around since the 1960s and over 400 grand master keys are missing or were never recovered when employees left the campus. By re-keying the exterior doors, the building exterior will be secured. All employees are encouraged to get a smart access card as soon as possible to gain access to buildings after hours or when the campus is "closed." We do have a few classrooms and offices that open directly to the exterior. If these rooms can be accessed from the interior of the buildings, then the smart access card system will be utilized. If not, then the affected employees are encouraged to write a work order for a key and to contact Public Safety. There are only a few of these type exterior access points. The vast majority of the exterior doors will be re-keyed starting now through September 9. Building 10 exterior and interior doors will be keyed with the new key system after the construction work is completed. The bottom line is that if you have a smart access card, you will still have access to the buildings on campus 24 hours a day, 7 days per week. If you do forget your smart access card, you can still call Public Safety at extension 5555 after hours to have a Public Safety Officer meet you to provide access to buildings and spaces on campus. This project will help to assure that the buildings on the campus can be properly secured. It is our strong desire to continually improve the safety, security and sustainability of our campus through incremental improvements as resources allow. Thank you for your gracious and thoughtful support. For more information, please contact Dave Willis at extension 5566 or Jace Smith at 5561.

FACILITIES TRADES—

Building 11 tasks to complete by the end of the week include new carpet being installed in the hallways on the upper level as well as the International Student program office remodel drywall taping and texture. Painting the walls will start on Monday, September 5 and then work will resume finishing electric and heating.

Building 15 drywall is complete in Advanced Technology offices and the ceiling grid is now in place. The next step is to complete the finish electrical. The carpet has been installed and the base will be completed next week.

Building 16 work includes the removal and installation of new lighting fixtures in two remaining rooms. Work to replace task room lighting in Rooms 103, 105, 140 and 142 will begin August 31.

Building 17 tasks include refinishing the lower entry concrete floor, entry wood work, and the doors. New cabinet and sink installation in the entry to follow. Contact Heath Pierce, 3458.

PROJECT UPDATES—

BUILDING 10 REMODEL

Hyland Construction and their crews are now working overtime to make sure the project is completed. The classrooms on the second floor are not at a point where tables and furniture can be installed. Furniture for the building was scheduled to arrive on August 29 and will be placed in offices. Classroom tables and chairs are expected to arrive soon as well. Cabinetry for the classrooms is being installed, and the finished product looks great. This week Hyland construction will be focusing on the outside of the building. All the office trailers will be removed this week and the area around Building 10 will be cleaned. Now that the building is secure, all the temporary fences will be removed from the site. Along with disassembling temporary fence,

Island Fence will remove the permanent fence from around the trash compactor and will reinstall it in its new location. After the fence has been reassembled, the trash compactor will be moved, and its old concrete pad will be removed. Contact Mark Richardson, 3456.

BUILDING 11 REMODEL

Several project tasks in and outside of Building 11 are going strong. Hyland Construction has completed the walls and painting at the new student support department offices, and the final step will be installing the new floor covering. The Art History classroom is close to being complete. After a final coat of paint and the concrete floor has been waxed, LCC staff can start installing the classroom furniture and electronics. Final touches inside the Art gallery are expected to be completed this week and final floor preparation will begin. This building is expected to be completed around September 16. Contact Mark Richardson, 3456.

TRACK AND INNER FIELD RESURFACING PROJECT

Delta Construction, in a joint effort with Atlas, was scheduled to start working on the track resurfacing on August 29. During this time, the track will remain closed and no one will be allowed its surface. After the coating has been applied, the entire track will be restriped with a fresh coat of paint. As a reminder, the paint and coatings used for this process are expected to give off strong odors in the immediate and possibly surrounding areas. Walkers that are sensitive to strong odors are encouraged to alter their walking route away from the area for the next few weeks until the project is completed. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS PROJECT

Contractor continues to pour Level 1 concrete columns and shear walls. There are three more shear walls to pour on Level 1. The first slab on grade pour has been done at the northeast corner of the building. The next slab pour is scheduled for Tuesday, August 30; it will be at the north side of the building. Three geothermal manifolds have been completed and tested. The mechanical, electrical and plumbing lines below slab are nearly complete at the north side of the building.

There is a lot of work going on in a very tight site. Workers, vehicles, and material vie for enough space to quickly perform their assigned tasks. Take a moment to imagine how to keep carpenters, earth movers, electricians, concrete trucks, plumbers, and stacks of materials from getting in the way and obstructing work from being done. Efficient site management is under appreciated but absolutely necessary to meet the construction schedule. Happily, the contractor is managing the site very well. The contractor will be finishing up painting campus-wide, as needed.

Thursday, September 1 and Friday, September 2

Lot N will be closed for seal coating and striping. Access will be provided for construction vehicles and motor pool only. Lot L will be partially closed for seal coating. Please plan to park on the west end of the lot. Please observe signs and barricades.

Saturday, September 10

There is a tentative schedule for pavement repair of bus lane adjacent to Lot B. The west entry to campus will be CLOSED.

For questions, please contact Brian McMurray, 5829 or Russ Cox, 541-977-4917.

TRACK AND INNER FIELD CLOSED THROUGH SEPTEMBER 5

The track and infield are closed for maintenance work expected to continue through September 5. Crews will be performing maintenance on the track surface and restriping the lanes. This closure includes all sloped areas around the perimeter of the track. The restriping maintenance work requires the use of paint and a coating, both of which produce a strong odor in the immediate area. For questions, please contact Mark Richardson, 3456.

ACCESS TO THE EAST SIDE OF BUILDING 5 RESTRICTED FOR MURAL PROJECT

The Lane's Arts department mural project team is doing a mural that will cover the outside concrete wall on the east side of Building 5. Barricades on the walkways from the southwest corner of the building, the two stairways to the east toward the grass, and the ramp on the northeast will be in place. Due to extensive scaffolding which will block the ramp and walkways, these areas will remain closed until completion of the mural project which is estimated to be finished by September 15. Signs will be posted for alternate routes for pedestrian traffic including signs for ADA access posted to the entrance door of Building 6 indicating the location of the elevator inside of the building that can be used to access the upper level. For questions, please contact Russ Cox, 3429.

EVENTS THIS WEEK

BIKE CORRAL DEDICATION, Thursday, September 8, 10:30 a.m., 450 Willamette Street. Art instructor Lee Imonen and his students created three artistic bike corrals for downtown as part of last year's Three-Dimensional Basic Design class. Two of the corrals will be christened with a bike locking and a speech from Mayor Kitty Piercy in front of the Morning Glory Restaurant across from the train station. Cyclists will then ride over to the Kiva grocery at 11th and Olive to dedicate a second piece. "The work is fabulous and the students deserve a round of applause for their efforts," says Imonen. Everyone's invited to attend the dedication.

FOODSERVICES HIRING FAIR, Thursday, September 8, 11 a.m. to 2 p.m., and Friday September 9, 9 a.m. to 12 p.m., both in the Center Building cafeteria. Part-time, hourly positions are available for cooks, cashiers, dishwashers, and baristas. Students are encouraged to apply in person. Contact: Michael O'Neal.

NEWS AND ANNOUNCEMENTS

JOYCE GALLERY OPENS YELLOW EXHIBIT TODAY

The David Joyce Gallery located in the Center for Meeting and Learning has opened its fall 2011 exhibit titled, "Fall: Yellow, Yellow the Color of Bright." Featuring five Oregon photographers and their stunning imagery of foods, the land, and welcoming environments, "Yellow, Yellow the Color of Bright" is a study in color theory. Yellow was chosen to inspire the artist to look beyond the obvious and share with us their colorful illumination representing the fall season.

The gallery also is featuring life-sized photographic cutout works of artist David Joyce for whom the gallery is named. David was an art instructor at Lane for 25 years and best known in the community for his monumental flying people mural at the Eugene Airport, which is currently being re-touched. A variety of David's art will be shown with each gallery exhibit this year. "Yellow, Yellow the Color of Bright" runs Tuesday, September 6 through Wednesday, December 28, Mondays-Fridays from 8 a.m. to 5 p.m. All art is for sale with 25 percent of the proceeds supporting the gallery. An artists' reception will be held Thursday, October 13, from 5-6:30 p.m. with hors d'oeuvres and refreshments prepared and served by the students in the Culinary Arts and Hospitality Management program. Contact: Julie Fether, 3518.

CO-OP PARTNERSHIP FEATURED IN ONLINE PUBLICATION

Applied Scientific Instrumentation, Lane's Cooperative Education Employer of the Year for 2007, has been featured as a case study in the online publication, Corporate Voices for Working Families at:

<http://www.cvworkingfamilies.org/publication-toolkits/applied-scienti%EF%AC%81c-instrumentation-small-high-tech-company-finds-talent-source-c>

Titled "Small High Tech Company Finds Talent Source at Community College," the article says, "Through a strong cooperative education partnership with Lane Community College (LCC) in

Eugene, Oregon, where ASI is located, the company has secured a reliable source of talent to meet its skilled workforce needs." Ten of its 15 employees in 2007 were co-op interns hired by the company. See Lane's news release online at:

<http://www.lanecc.edu/mpr/news/rei00886.htm>

"Kudos go to Tamara Pinkas and Marv Clemons for their good work with the students and the company—the foundation for the success!" says Executive Dean Andrea Newton.

ASI now employs 22 full-time employees and has annual sales of \$8-10 million. They make imaging hardware and electronic, automated systems used in complex biological experimentations serving the neuroscience research community. For more information contact Andrea Newton, 5315.

EVENTS THIS WEEK

LCC FLORENCE CENTER SOAR for new students, today, Tuesday September 13, afternoon session from 2-5 p.m. or evening session from 5-8 p.m. Students living in Western Lane County will have an opportunity to meet and work with Financial Aid counselors, academic advisors and bookstore representatives without having to drive to Eugene. Special thanks to Helen Garrett, John Hamblin, David Van Der Haeghen, Tony Sanjume, and Ava Nelson for making this session possible. For more information contact Mary Jeanne Kuhar at 4805.

SMALL BUSINESS DEVELOPMENT CENTER OPEN HOUSE, today, Tuesday September 13, 6-7:30 p.m., 1445 Willamette Street, Eugene. All staff invited. Come meet our staff and learn more about the center and the programs we offer. Door prizes and giveaways. For more information contact the SBDC at 5255.

IN-SERVICE VIDEO PARTICIPANTS NEEDED: The President's Office is taping a video for an in-service presentation and we need staff, faculty and managers to volunteer for a very brief piece. It should only take a few minutes, and no one will be required to memorize a script. The purpose of the scene will be to have a representative group of Lane employees all saying one line at the same time. If you are interested, willing, and able, please meet at 2 p.m. on Wednesday, September 14 on the steps outside Building 3 on the east side (between Building 3 and the Center Building). We will be done by 2:30 p.m. or sooner. If you have any questions or need clarification, please contact Donna Zmolek at 5301.

INVITATION TO FINANCIAL AID DIRECTOR INTERVIEW FORUMS

You are invited to attend the all-campus forums for two candidates coming to campus to interview for the open financial aid director position.

* Susan Degen, Wednesday, September 14, 2:45-3:15 p.m., Boardroom. Degen has served as the manager of public programs for the Oregon Student Assistance Commission in Eugene since the fall of 2009. She holds a bachelor of arts in comparative literature from California State University, Long Beach, and a master's in comparative literature from the University of Oregon.

* Helen Faith, Thursday, September 15, 2:45-3:15 p.m., Boardroom. Faith has served as director of financial aid at University of Western States in Portland since the fall of 2006. She holds a bachelor of arts in literature from University of California, Santa Cruz, as well as a master's in educational leadership and policy from Portland State University.

Contact: Helen B. Garrett, Executive Director of Student Affairs, 5725.

ANNOUNCEMENTS

CAN YOU HELP WITH THE WELCOME BOOTH?

Student Life and Leadership Development is seeking help with the annual welcome booth on the first two days of school. Volunteer shifts run in two-hour increments beginning at 7:00 a.m. We are looking for all shifts for both days, Sept. 26 and 27, to hand out free coffee and voodoo

Doughnuts. In the afternoon we will be giving away Pepsi products and popcorn. Please email Tina Lymath if you can help.

BOARD MEETS SEPTEMBER 21

The Lane Community College Board of Education meets Wednesday, September 21, at 6:30 p.m., in the boardroom, 4000 E. 30th Avenue, Eugene. The board agenda will be online at www.lanecc.edu/presoffc/board/agenda.htm Contact: Donna Zmolek, 5301.

25LIVE SYSTEM UPGRADES AND TRAINING

The college's scheduling system 25Live was upgraded last week to the newest version which supports keyless entry, R25 and 25Live, the college's main scheduling system. The new version of 25Live added several new features and improved system responsiveness.

IMPORTANT: If you are going into 25Live version 18 for the first time since the upgrade last week, you will need to clear out your browser cache and history to force the browser to load the new updated web pages. If you need assistance upgrading or clearing out your browser cache/history, please contact the Information Technology Service Center at 4444. Watch for new training sessions during in-service on September 21 and 23 in 25Live Scheduling, 25Live Calendar Publishing and X25 Seat and Room Utilization. Submitted by Alen Bahret, Information Technology, 3347.

FACILITIES UPDATES

BUILDING KEY AND CARD ACCESS ON MAIN CAMPUS

As you may be aware, as part of the bond projects over the past two years, the college has included a campus security project to actively implement electronic keyless access cards across main campus as well as in other college facilities. This work continued this summer with the manual re-keying of most of the exterior access doors for nearly all the buildings on main campus. This access card implementation step was necessary in order to fully assure the safety and security of college buildings and property through the keyless access card system. The re-keying work this summer also means that the standard building keys held by many Lane employees will no longer work to open locked exterior doors for most college buildings and facilities. Prior email notice concerning this matter was shared with all Lane employees on May 18, 2011.

Note that the electronic access cards are only needed by college employees when the keyless access control system (and the buildings/facilities) are in locked mode. Therefore, it is now essential that Lane employees have and use an access card if/when they intend to access a college building or facility whenever the keycard doors are in locked mode. The steps to acquire an access card are very straightforward. If you do not already have an electronic keyless access card please follow the guidelines noted below that apply to you, to acquire an access card at your earliest convenience.

1. I just need a keycard for the building I work in. Simply go to the Public Safety Department office in Building 13 (modular unit located on the southeast corner of main campus), and upon verification by Public Safety that an individual is a current employee, the employee will be issued a keycard for the building in which they work.
2. I need a keycard for multiple buildings. For college employees who work in multiple buildings, or for college employees who require access to multiple buildings as part of their college assignment, the responsible college manager-administrator must send an email to

keycard@lanecc.edu to authorize the access card for an individual Lane employee to access multiple buildings.

3. Keycards and Public Safety priorities. Note that the access cards are only needed by college employees when the keyless access security system (and the buildings-facilities) are in locked mode. Therefore, given the limited staffing of both FMP and Public Safety please be aware that issuance of the access cards to Lane employees is a lesser priority for Public Safety personnel than responding to emergencies or urgent public safety incidents. Depending upon circumstances, college employees may be required to wait or return to the Public Safety Department at a time when Public Safety personnel are available to issue the keycards.

4. Standard keys will no longer be issued for exterior campus doors except as necessary for Public Safety, Facilities or emergency responder personnel.

All Lane employees who need access to buildings on main campus, or access to other buildings and facilities that have been part of the keyless access card transition, are strongly encouraged to acquire your access card ASAP!

Most of the exterior doors have now been or soon will be re-keyed. If anyone has a need to access an office, a classroom, or a space that has access only through an exterior door, please follow current procedures to request a new key card to be issued to the affected employees through an FMP work order request. Please provide the building, room number, and the employee's name on the work order. Please provide requests as soon as possible to allow sufficient processing time before in-service day and the start of the fall term, September 26. FMP and Public Safety staff will process requests as quickly as possible. Use all established current processes for these requests. If for some reason you would rather send an e-mail request for key access, send it directly to: facilitiesoffice@lanecc.edu FMP staff will be happy to write a work order request on your behalf. Contact David Willis at 5566, Jace Smith at 5561, or Dennis Carr at 5585.

HOUSEKEEPING

Housekeeping continues to complete summer deep cleaning project work at all campus locations. New floor equipment was delivered to the Florence Center and carpet extractions are underway. Over the next two weeks, carpets at the Downtown Center are scheduled for extractions. This week, Building 11 will have the newly remodeled areas deep cleaned, and wax will be applied to the new Marmoleum floors. Construction work in Child Care has delayed completion of the stripping and refinishing of hard floors along with carpet extractions. The facilities will require re-cleaning and floor work completed once construction is completed. The SSS day and night teams have been especially helpful assisting Housekeeping with office cleaning along with a variety of project work. High window cleaning is underway and a contractor is scheduled to assist with this project work. Please contact Housekeeping for special cleaning requests at housekeepingcoordinators@lanecc.edu or call 5578. Contact Katherine Vos, 3455.

PROJECT UPDATES—

BUILDING 10

This project is moving forward on its goal for a completion date of September 15. The project has had some challenges but will be finished and ready for the fall term. Hyland Construction and staff are working six days a week to make sure the project is completed. Classrooms inside the new building are designed and planned with smart technology that will allow the programs to offer the most advanced information technology available to all students. The open industrial design of the building is intended to inspire students of all ages to get involved with the professional technical programs scheduled in this building. In the final phases of the project, many staff members have been assisting each other in a team effort to make sure the

classrooms and labs are ready for the fall term. Construction clean up and touch up to work is expected to last for a while after the project is completed. Some last minute changes in the design of the building have caused some tasks to overlap into the first part of the fall term. These alterations are small in nature and will not affect the college's ability to get a certificate of occupancy or the opening of classes in the new building.

A special thank you has been expressed to Andy Salzman and Jeffery Hanson for their help and hard work on this project. Andy and Jeff have put in long hours on this project to make sure the new building is ready for students. Andy has supported this project with valuable information and hours of dedication in relocating the Art Division. In addition, Mark Richardson has done a wonderful job coordinating this project from the start to this point and plans to continue working extended hours to make sure the punch lists are thorough and that every needed task stays on schedule. Contact Mark Richardson, 3456.

BUILDING 11 REMODEL

This building project is a result of three separate projects that are going together to occupy and function from Building 11. The first project will have Hyland Construction working on the new offices for the SSS team. Next, a new Art Gallery for student artwork displays will be assembled, the last part of the project is to renovate the Art-history classrooms and add two more classrooms on the north side of the building. Another part of the project is being completed by FMP trades on the second floor of the buildings. The project coordinator Heath, along with the other leads is working hard to complete this project by the start of the fall term. Contact Mark Richardson, 3456.

TRACK AND SOCCER BOWL ENHANCEMENT

This fast-paced task being performed by Atlas is scheduled to be completed by September 22. Applying the new color coating on the track surface is a six-step process. The weather for applying the materials has been great and this week is forecasting overcast skies but no rain. The installation of the new material used to complete this project is only adversely affected by rain. Since we have had sunny warm weather, the installation is moving along on schedule. This week the final coatings will be applied to the track and lane striping will follow. After the striping has been completed the track will be ready for use. All of this work is being done under the original warrantee of the manufacturer and at no cost to the college. This work corrects color inconsistencies between manufactured product "lots" or "batches" and provides the college with the highest possible track surface. The track surface will be ready for the upcoming track event on September 24. Contact Mark Richardson, 3456.

CURRENT NOTICES—

NOTICE: LONDON PLANE TREES WEST OF BUILDING 4 TO BE REPLACED SEPTEMBER 16-18

Seven London plane trees whose pollen has highly allergenic properties will be removed September 16, 17, and 18 and replaced in late fall with an appropriate species. To ensure safe removal, a professional tree removal service will be contracted. Access on Parnell Loop Road will be closed during the process. Bus routes and lanes will be maintained, open and in service. An IEQ (indoor environmental quality) firm recommended the immediate removal of the London plane trees because the pollen is affecting both outdoor and indoor air quality. Replanting in late November or early December will give new trees the best chance of healthy survival and growth next spring. For more information, please contact Jennifer Hayward at 5594, Frank Drengacz at 5567, Dave Willis at 5566, or Dennis Carr at 5585.

NOTICE: ACCESS TO THE EAST SIDE OF BUILDING 5 RESTRICTED FOR MURAL PROJECT

On Monday, July 11, extensive work on the east side of Building 5 was done to prepare the area for an Art Department mural project. Work included pressure washing the concrete on the entire east side of Building 5, including the walls, walkways, stairs, and the ramp down to the northeast. The mural team is now at work. Barricades on the walkways from the southwest corner of the building, the two stairways to the east toward the grass, and the ramp on the northeast will be in place. Due to extensive scaffolding which will block the ramp and walkways, these areas will remain closed until completion of the mural project which is estimated to be finished by September 15. Signs are posted for alternate routes for pedestrian traffic including signs for ADA access posted to the entrance door of Building 6 indicating the location of the elevator inside of the building that can be used to access the upper level. For questions, please contact Russ Cox, 3429.

TRAININGS

MOODLE WORKSHOPS

Moodle will be experiencing some downtimes in preparation for the upcoming term. Please review the calendar below so you are aware when Moodle will be unavailable.

Sat, 9/17/11

NEWS AND ANNOUNCEMENTS

FACULTY ART EXHIBITION "SELF" OPENS SEPTEMBER 26 IN NEW GALLERY SPACE
The Lane Community College Art Gallery is proud to present our annual exhibit by the Art and Applied Design Faculty entitled "SELF." The exhibition will include a wide variety of media by both the full-time and part-time instructors. Faculty has been asked to share work that is a self-portrait or self-reflective in nature. The show runs from September 26 through October 20. We are also pleased to announce that this exhibition will be located in both our new and old gallery spaces. A reception will be held on Thursday, October 6, from 5:30-7 p.m. The reception is free and open to the public. The galleries are located in building 11 on main campus. The Art and Applied Design Department phone number is 5409.

VOLUNTEERS NEEDED FOR WELCOME BOOTH

Student Life and Leadership Development is seeking help with the annual welcome booth on the first two days of school. Volunteer shifts run in two-hour increments beginning at 7:00 a.m. We are looking for all shifts for both days, September 26 and 27, to hand out free coffee and voodoo Doughnuts. In the afternoon we will be giving away Pepsi products and popcorn. Please email Tina Lymath if you can help.

PROJECT SHiFT COMES TO A CLOSE

As some of you know, Project SHiFT, under the umbrella of Disability Resources, is coming to a close as of September 30. While the grant is ending, the important concepts of Project SHiFT will continue to be woven into the college's activities and philosophical approach. Meanwhile, during the next couple of weeks, please plan to stop by Building 1, Room 214 by September 30 to give Bob Choquette and Diannah Anavir your greetings and good wishes as they transition out of their roles. Contact: Nancy Hart, 3010.

NOVEMBER 5: OSAA HIGH SCHOOL STATE CROSS COUNTRY CHAMPIONSHIPS

Please consider the magnitude of the event when scheduling campus events for Saturday, November 5. Eldon Schafer drive will be closed from 8 a.m. to 4 p.m. and the parking lots will be packed. Attendance figures have averaged over 4,500. Thank you to all those staff members who continue to make this one of Lane's premiere special events since 1971! Contact: Grady O'Connor, 5550

FLORENCE SOAR A SUCCESS

John Hamblin, interim director of Enrollment and Student Financial Services, and the wonderful staff at the Florence Center, put on the first-ever Florence SOAR event. On Tuesday, September 13, 36 students from the Florence area attended sessions to learn about course registration, financial literacy, tips for student success and applying for financial aid. They also had opportunities to meet each other and the Florence staff, have their photo taken for a Lane student ID and browse a traveling bookstore display. Many of the students were happy to not have to drive to Eugene for orientation. We hope it will be the first of many such events. Special thanks to the Florence Center and Titan Store staff for all their hard work in making this event happen. Submitted by Mary Jeanne Kuhar.

NEW FACULTY ADVISOR FOR PHI THETA KAPPA, SIGMA ZETA CHAPTER

In September, Ce Rosenow became the new faculty advisor for the Sigma Zeta chapter of the Phi Theta Kappa Honor Society. Executive Dean Helen Garrett served as the interim advisor since January and directed the search to find a faculty member to fill the position. Rosenow, who has worked at both the Cottage Grove and main campuses, currently teaches writing for the Language, Literature and Communication Division. She also co-directs the new Lane Honors Program with Katie Morrison-Graham. Rosenow explains that she is excited about becoming the new advisor because "I see many ways for the honor society and the new honors program to support each other and provide a variety of honors opportunities to Lane students." Contact: Helen B. Garrett, Academic and Student Affairs, 5725.

NEED ACCESS TO THE NATIVE BANNER STUDENT MODULE OF STUDENT MODULE MYLANE FEATURES?

As a reminder on how to request access for staff in the Native Banner Student Module or to the myLane functions related to student processes, the manager of the staff member needing access should complete the Banner Student Module Access form in COPPS online at: <http://www.lanec.edu/cops/bannacc1.htm> and submit it to Darlene Baker in Enrollment and

Student Financial Services. Darlene will review the request, clarify any questions with the manager and if we can approve it, will arrange for training and eventual access. If there is a reason that it is recommend that we don't approve access, Helen B. Garrett, data custodian for the Banner Student Module, will review the request and consult with the requesting manager. Questions? Contact Helen B. Garrett, Academic and Student Affairs, 5725.

DISABILITY RESOURCES NOTICE

Disability Resources and Facilities provide chairs and tables as accommodations for students with disabilities. These are placed in specific rooms for specific students, and shouldn't be moved by students, faculty, or any other LCC employee... except the responsible Facilities Management staff. Students who have furniture as an accommodation must request the furniture each term, so that DR knows where the furniture is needed. There is a great deal of effort by Facilities Management and Disability Resources to get the appropriate furniture to the requesting students in a timely manner. So, if an adjustable table, ergonomic or padded chair appears in your classroom, do not remove it, and please don't move it within the classroom. Students who have furniture accommodations will have a Letter of Accommodation (LOA) which identifies them as the student who is to use the chair/table. If there are more students with LOAs needing furniture accommodations than there are chairs in the room, please refer the student to DR to speak with Cathie. If you have any questions, please contact Cathie Reschke at 5079, or Disability Resources at 5150.

DEPARTMENT HOURS

FACILITIES UPDATES

FACILITIES SUMMER MAINTENANCE PROJECTS

Summary: FMP hired over 40 temporary time sheet employees to provide support for many projects and urgent items that needed to be completed before the start of fall term. There are now over 110 people working in FMP departments. Over 800 priority work orders have been

completed this summer. The Facilities Management and Planning staff has done an exemplary job this summer, completing hundreds of tasks with very few safety injuries and incidents and broad based team oriented approaches. The enthusiasm to make things happen for our students, faculty and staff is contagious. Barriers have been overcome. Solutions have been developed and implemented. Everyone has rallied to get it done! Here are some of the details:

Completed Electrical Shop Items—

- Building 15 office remodel passed its final electric inspection, 100 percent complete.
- Building 9 transformer replacement passed its final inspection, 100 percent complete.
- Greenhouse panel move passed its final inspection, 100 percent complete.
- Building 11 International offices passed its final inspection, 100 percent complete.
- Building 11 (two new IDF IT Data Closets) 75 percent complete with completion near the start of the fall term.
- Building 16 (6) labs getting new pendent lighting and several with task lighting, 100 percent complete.
- Building 18/201 computer lab with wiring and data for the podium and all new computers, scheduled to be 100 percent complete by September 23.
- Building 3 security remodel nearing completion which is scheduled for September 23.
- Building 1 security remodel to be completed by September 23.
- Center Building new cafeteria seating will have new electrical services installed with completion expected the first week of October.
- Several hand dryers were installed in restrooms in Building 16.
- Cottage Grove parking lot lighting upgrades to LED have been completed.
- The light fixtures in the north entry of the Center Building first floor have been replaced with new ones.
- A new controller and hoist is scheduled to be hard wired by September 23.
- Building 16 lighting upgrade in the second floor rooms is scheduled for September 19 - 23. Due to precious metals shortages associated with China exports, there is a shortage nationwide for lighting lamps and ballasts. These materials are backordered.
- Over 6,000 fluorescent lighting lamps have been replaced. We just received 1,100 more lamps that were backlogged. Many classrooms have been re-lamped to provide reliable lighting without midyear impacts due to flickering or burned out lamps.
- Sub-metering building meters for electrical service, heating water and chilled water have been electrically tied in and programmed. We are approximately 50 percent complete with this work. Anna will have fun with all this energy data.

Completed Painting Project Items—

- Building 5, gym with branding items.
- Building 10, cabinets and podiums, with over 100 gallons of clear finish.
- Building 11, nearly complete interior first and second floors re-paint of all walls.
- Building 15, Advanced Technology Division offices.
- Building 17, lobby renovation for media arts.
- Exterior hand rails.
- Florence, one classroom, entry, and north building timber entry.

Completed Carpentry Shop Project Items--

- Building 5, east exterior rotted wood beam replacement at the northeast entrance.
- Building 6, new walls to separate a space for better office use, new entrance step traction treatment.
- Building 10, over 100 cabinets and six podiums fabricated from raw materials, installed, reducing costs to the bond.

- Building 11, International Program offices.
- Building 15, Advanced Technology Division offices.
- Building 18/201, computer lab wall changes, door relocation, attaching tables to floor before they are hardwired.
- Building 26, child care landscape structures.
- Ten new sustainable seating benches.
- Five new bike racks at the LTD bus terminal.
- Florence, north building entrance wood beam structure replacement.

Completed Grounds/Landscape Project Items—

- Building 26, rear yard child care landscape upgrades.
- Building 5, north and east landscape installations.
- Building 3, north and west landscape upgrades.
- Removal of seven London Plane trees west of Building 4. Replanting of beautiful trees with much less allergenic properties is scheduled for late November or early December.
- Dan Conklin, Dave Willis, Todd Smith generating a list of waste water treatment improvements which will have preliminary engineering work done this fall. These improvements are needed to support record enrollment increases and to meet future DEQ permit requirements.
- Preliminary design work underway to plan landscape improvements around the Bristow Square areas with college processes planned this academic year and installation during the summer of 2012.

Completed Housekeeping Project Items—

- All offices have been deep cleaned. This includes dusting, cleaning window sills, vacuuming with a HEPA filtered vacuum.
- The majority of all hard surface floors have been stripped, sealed, and waxed.
- The majority of all carpeted floors have been extracted.
- Building entries, stairwells, and windows have been cleaned.
- Exterior building high level windows are scheduled be cleaned by September 23.
- Providing clean-up work for all the bond and construction renovation projects throughout campus.
- A new 3M product is being tested which would eliminate the need for stripping and waxing. Once this new product is applied it just needs to be cleaned and re-applied every year. We will apply this product to the Building 16 hallways to test the product in a real use application. If it works, it will save the college a tremendous amount of labor time over time.

Sustainability Team Project Items—

- Mike Sims is preparing for the transfer of the surplus property and recycling areas to the new center. A new compactor and bailer have been purchased and are being installed. The compactor is relocated to a more egress friendly location that does not have a steep ramp. Large surplus property items such as old vehicles, an old motor home, and an old transformer are all being surplusd out or sold to firms to recycle the materials.
- Jennifer Hayward has been 100 percent committed to the thorough inspection, discovery, exploration, discussion/testing/analysis, design, and solutions implementation for all IEQ matters in Building 4. This work is very complex, included both FMP trades work/contractor work over the past three plus months, and seems to be nearing completion. A deep cleaning of all mechanical spaces, ductwork, and spaces below the ceiling was completed by September 18. Many improvements have been made which should have a significant positive impact to the indoor air quality of Building 4. A few more future improvements to

more complex systems are scheduled through December. PCA Environmental Consulting, Oregon OSHA representatives, BHE engineers, LCL Construction, BelFor Construction, FM Sheet Metal, professional cleaning contractors, Jennifer Hayward, Dave Willis, Dennis Carr, Todd Smith, Brian McMurray, Health Professions staff, and many FMP trades staff have all participated and supported this project.

- Anna Scott continues to track over \$450,000 in energy conservation measure project grants, rebates and incentives on projects completed over the past 18 months.

Larger Maintenance Contracted Projects—

- Parking lot improvements are completed. Parnell Loop Road was partially resurfaced, portions of parking lot N were resurfaced, slurry coating was applied to steep slope areas in parking lot L to improve safety traction in cold weather, all safety crosswalks/stops/speed limits were all repainted, fire lane curbs were painted red, cracks were sealed, and gravel lots were re-graded and compacted.
- Several fire hydrants were repaired.
- A transformer serving Building 9 burned up and was then replaced with a new transformer.
- Building 11, new carpeting and new solid surface flooring was installed in all common areas.
- Rekeying of the main campus exterior doors is scheduled to be completed by September 26. This phase will secure the exterior doors of all buildings at the main campus. This is the first time this has been done since the campus was built in the 1960s.
- Bottle filling stations are scheduled to be installed in five locations.
- An emergency repair was made to a burned out geo-well pump at the DTC. This pump failure resulted in the indoor air temperatures exceeding 88 degrees F. FMP staff hired a contractor to pull the pump from the bottom of a 250 foot well and replace it with a new one.
- The soccer field score board was installed.

It has been a very busy summer. Many improvements have been made. The campus is ready for a very busy fall term. Many thanks to all FMP staff who have given up vacations, worked many hours of overtime, and have gone more than the extra mile to serve the college. It really does make a difference. The transformation of the college facilities continues to progress. We will be ready for the fall term. It is exciting to see so many improvements in one summer. Thank you for your support. Contact: Dave Willis, 5566.

BUILDING KEY AND CARD ACCESS ON MAIN CAMPUS

As you may be aware, as part of the bond projects over the past two years, the college has included a campus security project to actively implement electronic keyless access cards across main campus as well as in other college facilities. This work continued this summer with the manual re-keying of most of the exterior access doors for nearly all the buildings on main campus. This access card implementation step was necessary in order to fully assure the safety and security of college buildings and property through the keyless access card system. The re-keying work this summer also means that the standard building keys held by many Lane employees will no longer work to open locked exterior doors for most college buildings and facilities. Prior email notice concerning this matter was shared with all Lane employees on May 18.

Note that the electronic access cards are only needed by college employees when the keyless access control system (and the buildings/facilities) is in locked mode. Therefore, it is now essential that Lane employees have and use an access card if/when they intend to access a

college building or facility whenever the keycard doors are in locked mode. The steps to acquire an access card are very straightforward. If you do not already have an electronic keyless access card please follow the guidelines noted below that apply to you, to acquire an access card at your earliest convenience.

1. I just need a keycard for the building I work in. Simply go to the Public Safety Department office in Building 13 (modular unit located on the southeast corner of main campus), and upon verification by Public Safety that an individual is a current employee, the employee will be issued a keycard for the building in which they work.
2. I need a keycard for multiple buildings. For college employees who work in multiple buildings, or for college employees who require access to multiple buildings as part of their college assignment, the responsible college manager-administrator must send an email to keycard@lanecc.edu to authorize the access card for an individual Lane employee to access multiple buildings.
3. Keycards and Public Safety priorities. Note that the access cards are only needed by college employees when the keyless access security system (and the buildings-facilities) is in locked mode. Therefore, given the limited staffing of both FMP and Public Safety please be aware that issuance of the access cards to Lane employees is a lesser priority for Public Safety personnel than responding to emergencies or urgent public safety incidents. Depending upon circumstances, college employees may be required to wait or return to the Public Safety Department at a time when Public Safety personnel are available to issue the keycards.
4. Standard keys will no longer be issued for exterior campus doors except as necessary for Public Safety, Facilities or emergency responder personnel.

All Lane employees who need access to buildings on main campus, or access to other buildings and facilities that have been part of the keyless access card transition are strongly encouraged to acquire your access card ASAP!

Most of the exterior doors have now been or soon will be re-keyed. If anyone has a need to access an office, a classroom, or a space that has access only through an exterior door, please follow current procedures to request a new key card to be issued to the affected employees through an FMP work order request. Please provide the building, room number, and the employee's name on the work order. Please provide requests as soon as possible to allow sufficient processing time before in-service day and the start of the fall term, September 26. FMP and Public Safety staff will process requests as quickly as possible. Use all established current processes for these requests. If for some reason you would rather send an e-mail request for key access, send it directly to: facilitiesoffice@lanecc.edu FMP staff will be happy to write a work order request on your behalf. Contact David Willis at 5566, Jace Smith at 5561, or Dennis Carr at 5585.

PROJECT UPDATES—

BUILDING 10 REMODEL

“Building 10 can now be occupied.” This is the authorization statement made by the Lane County building inspector last week. Building 10 has been granted a temporary occupancy permit that will allow the college to open for the fall term. This permit also allows Lane to make some last minute modifications to the exhaust system for the Art Department. The main item now is clean up. With the project moving along at a fast pace, the focus week is working on touch up items and cleaning around the outside of the building. Contact Mark Richardson, 3456.

BUILDING 11 REMODEL

This project is still in the completion phase in some areas of the building. Specialized Support Services has moved into their newly remodeled space. The Art Gallery and Art History

classroom have been completed but there is some minor touch up work left to do. Hyland crews are finishing the touch up work and expect to have it completed by Wednesday, September 21. Contact Mark Richardson, 3456.

TRACK AND INNER FIELD RESURFACING PROJECT

The project will be completed by the end of the day, Tuesday, September 20 and will reopen for general use on Wednesday, September 21. Contact Mark Richardson, 3456.

MOODLE WORKSHOPS

Moodle will be experiencing some downtimes in preparation for the upcoming term. Please review the calendar below so you are aware when Moodle will be unavailable.

Wed, 9/21/11, 6:00 pm – Friday, 9/23/11 12:00 pm

* All courses will be backed up. This may cause the server to be slow, or non-responsive for the next 2-3 days.

Fri, 9/23/11, 6:00 pm - 10:00 pm

* Scheduled maintenance outage from 6 pm to 10 pm.

Sun, 9/25/11, 6:00 pm - 12:00 am

* Students will be unenrolled from Summer 2011 classes.

* All Summer 2011 courses will be made invisible to students.

* Instructors will be removed from Spring 2010 courses.

* The Fall 2011 category will be made visible to students.

* Fall 2011 course visibility settings will stay the same. If a course is visible to students, it will stay visible; if it is invisible, it will stay invisible.

Please contact the ATC at atc@lanecc.edu or 3377 if you have any questions.

NEWS AND ANNOUNCEMENTS

MIKE ZIMMERMAN NAMED CLASSIFIED EMPLOYEE OF THE YEAR

Michael Zimmerman in Health and Physical Education was named Classified Employee of the Year at in-service last week. Some comments from his fans include, "Michael Zimmerman is above the elite, he is the very best classified colleague I have ever known. He often goes way above and beyond his basic job duties to solve problems, meet demanding and impossible timelines, keep a large and diverse staff well served, and keeps our division functioning at a very high level." "Mike is respectful at all times even when others aren't respectful in return." Efficiency "is standard operating procedure in everything Michael does." "Everything! from his positive attitude, the unselfish attitude he models at work, his generosity, his kindness, his calm demeanor, his sense of humor....the list goes on and on. Mike is one of Lane's most valuable assets and is completely deserving of this award." When you see Michael, congratulate him for doing a terrific job and celebrate his being Classified Employee of the Year.

HAVE YOU SUBMITTED YOUR PROPOSAL TO PRESENT AT INNOVATIONS 2012?

Deadline for proposal submissions is September 30 for Innovations 2012, the premier event for professionals dedicated to improving organizational teaching and learning, and discovering new approaches for enhancing the community college experience. The conference provides a tremendous forum for collaboration among academic experts and leading community college professionals while granting participants exclusive access to the most inventive and thought-provoking programs from around the world.

The conference provides opportunities for colleagues to showcase their model programs, share lessons learned, and look to the future by experiencing a wide array of new ideas through the conference streams, which include: learning and teaching, leadership and organization, workforce preparation and development, student services and activities, basic skills and developmental education, resource development and foundation management, research, assessment, and accountability, diversity, equity, and inclusion, sustainability, and open educational resources.

Presenters for each session will be notified of proposal status by October 28. Submit proposals online through the League's website at www.league.org/i2012

Financial support may be available to faculty who present or attend the conference through Faculty Professional Development. If you have questions, contact Tamara Pinkas, Lane's League for Innovation representative, at pinkast@lanecc.edu or 5011.

"SELF" ART FACULTY RECEPTION OCT. 6

The Lane Art Gallery is proud to present our annual exhibit by the Art and Applied Design Faculty entitled "SELF." The exhibition includes a wide variety of media by both the full-time and part-time instructors. Faculty were asked to share work that is a self-portrait or self-reflective in nature. The show runs through October 20. We are also pleased to announce that this exhibition will be located in both our new and old gallery spaces. A reception will be held on Thursday, October 6, from 5:30-7 p.m. The reception is free and open to the public. The galleries are located in building 11 on main campus. The Art and Applied Design Department phone number is 5409.

BARRY LOPEZ TO GIVE READING OCT. 6

Renowned author Barry Lopez will give a reading at Lane on Thursday, October 6 at 7:30 p.m. in the Center for Meeting and Learning. The event is free and open to the public. Lopez also will speak with students on Friday.

Lopez is an internationally known essayist, short story author and winner of the National Book Award. He is visiting the Lane as a guest of the college's Reading Together program which

brings a well-known author to campus so students have the opportunity to meet him or her. Over the course of the academic year, Reading Together events and activities support the campus-wide effort to read texts by the featured author in classes across several disciplines. This year, students are reading from two recommended anthologies, "Vintage Lopez" (2004) and "Crossing Open Ground" (1989). Also in spring term, students will showcase their work produced over the course of the year in response to Lopez's writing in a special exhibit at the college.

The Reading Together project is made possible through the generosity of patron Jane Stevens King. For more information contact Eileen Thompson at 3394 or thompson@lanecc.edu

TRANSIT 2011 MEDIA ARTS CONFERENCE OCT. 7-8

The Lane Media Arts Department and Chambers Family Foundation present the Transit 2011 Media Arts Conference from October 7-8 at the Center for Meeting and Learning, Building 19 Room 102.

The two-day conference features a variety of experts, speakers and panelists from throughout the Western United States to present on broad range of topics from emerging trends in media arts to working in major film studios to writing scripts to the politics of the music industry. The conference kicks off Friday morning with Mark Shapiro of LAIKA presenting the making of the Oscar-nominated feature animation "Coraline." Jeffrey Cooper from LA's Cut Entertainment Group will present "Formula for Success: The Independent Film Producer" as well as a talk on how films get produced. Paul Friedlander, director of the music industry program at California State University, Chico will present "It's the End of the World as We Know It: The Brave New World of Digital Music Distribution." Award-winning animator and auth or Jason Lethcoe (Walt Disney Studios, Dreamworks SKG, and Sony Pictures) will talk on working for the studios as well as giving a workshop on storytelling and storyboarding. Husband and wife screenwriting team Sara and Gregory Bernstein ("Trial and Error," "Call Me Claus," "The Conformist") will talk about the writer's process as well as give a talk on how to pitch a story to studio execs. Saturday opens with Shapiro talking on "Films and Beyond: Reaching Key Audiences," and Friedlander sharing his insight of the international music industry as well as a talk on the politics of the music industry. Lethcoe will talk on the emerging independent scene in film and animation. In addition, a panel of Lane student alumni will provide honest insight into their own paths to success after studying at Lane.

Both days feature lighting workshops by award-winning videographer and lighting specialist Leonard Henderson, and expert panels on career paths and d creative industry directions.

There will be several open sessions to meet with presenters, chat and ask questions.

The conference is free and open to the public but online pre-registration is required at

SHADES OF PINK OCT. 21

It's time again for PacificSource's popular event, Shades of Pink! Women (and men!) are invited to learn about health, nutrition and beauty while sipping local wines and mingling with friends at "Shades of Pink: An Evening for Women, Wine and Wellness" on Friday, Oct. 21 The free event will be held at the Eugene Hilton, from 4:30 p.m. to 8:30 p.m.

Shades of Pink is designed to unite community health and wellness experts with local residents for an evening that celebrates and encourages women's roles as informed participants in their health care. The event has grown to approximately 70 wellness representatives, including physicians, health care providers, medical associations, spas and gyms, who will be available to share their expertise and information on products and services.

Information about this event can be found via:

http://www.lanecc.edu/hr/benefits/documents/ShadesofPinkPoster_2011.pdf or for more information, please visit PacificSource's website, <http://www.shadesofpink.com>

NOVEMBER 5: OSAA HIGH SCHOOL STATE CROSS COUNTRY CHAMPIONSHIPS

Please consider the magnitude of the event when scheduling campus events for Saturday, November 5. Eldon Schafer drive will be closed from 8 a.m. to 4 p.m. and the parking lots will be packed. Attendance figures have averaged over 4,500. Thank you to all those staff members who continue to make this one of Lane's premiere special events since 1971! Contact: Grady O'Connor, 5550.

FOR CLASSIFIED AND MANAGEMENT BENEFIT ELIGIBLE EMPLOYEES

Preventive Care: Understanding your Benefits

PacificSource Health Plans has provided us with some educational information to help members understand the changes to preventative care coverage. The Affordable Care Act (federal

healthcare reform) requires health plans to provide coverage without imposing any cost-sharing requirements (such as a copayment, coinsurance, or deductible) for specific recommended preventive care services. To help members understand what constitutes preventive care (vs. diagnostic care), and how PacificSource covers these services, they have developed an educational flier called "Preventive Care: Understanding Your Benefits" available online at: http://www.lanecc.edu/hr/benefits/documents/PreventiveCare_UnderstandingYourBenefits-Oregon_1.pdf

For more information on recommended preventive care services, or if you would like additional information on Healthcare and reform, please visit the following link: <http://www.pacificsource.com/healthcare-reform/preventive-care>

FACILITIES UPDATES

FACILITIES SUMMER MAINTENANCE PROJECTS

Summary: FMP hired over 40 temporary time sheet employees to provide support for many projects and urgent items that needed to be completed before the start of fall term. There are now over 110 people working in FMP departments. Over 800 priority work orders have been completed this summer. The Facilities Management and Planning staff has done an exemplary job this summer, completing hundreds of tasks with very few safety injuries and incidents and broad based team oriented approaches. The enthusiasm to make things happen for our students, faculty and staff is contagious. Barriers have been overcome. Solutions have been developed and implemented. Everyone has rallied to get it done! Here are some of the details:

Completed Electrical Shop Items—

- *Building 15 office remodel passed its final electric inspection, 100 percent complete.
- *Building 9 transformer replacement passed its final inspection, 100 percent complete.
- *Greenhouse panel move passed its final inspection, 100 percent complete.
- *Building 11 International offices passed its final inspection, 100 percent complete.
- *Building 11 (two new IDF IT Data Closets) 75 percent complete with completion near the start of the fall term.
- *Building 16 - Six labs with new pendent lighting and several with task lighting, 100 percent complete.

- *Building 18/201 computer lab with wiring and data for the podium and all new computers, 100 percent complete.
- *Building 3 security remodel nearing completion.
- *Building 1 security remodel completed September 23.
- *Center Building new cafeteria seating will have new electrical services installed with completion expected the first week of October.
- *Several hand dryers were installed in restrooms in Building 16.
- *Cottage Grove parking lot lighting upgrades to LED have been completed.
- *The light fixtures in the north entry of the Center Building first floor have been replaced with new ones.
- *A new controller and hoist is scheduled was hard wired September 23.
- *Building 16 lighting upgrade in the second floor rooms was scheduled for September 19-23. Due to precious metals shortages associated with China exports, there is a shortage nationwide for lighting lamps and ballasts. These materials are backordered.
- *Over 6,000 fluorescent lighting lamps have been replaced. We just received 1,100 more lamps that were backlogged. Many classrooms have been re-lamped to provide reliable lighting without midyear impacts due to flickering or burned out lamps.
- *Sub-metering building meters for electrical service, heating water and chilled water have been electrically tied in and programmed. We are approximately 50 percent complete with this work. Anna will have fun with all this energy data.

Completed Painting Project Items—

- *Building 5, gym with branding items.
- *Building 10, cabinets and podiums, with over 100 gallons of clear finish.
- *Building 11, nearly complete interior first and second floors re-paint of all walls.
- *Building 15, Advanced Technology Division offices.
- *Building 17, lobby renovation for media arts.
- *Exterior hand rails.
- *Florence, one classroom, entry, and north building timber entry.

Completed Carpentry Shop Project Items—

- *Building 5, east exterior rotted wood beam replacement at the northeast entrance.
- *Building 6, new walls to separate a space for better office use, new entrance step traction treatment.
- *Building 10, over 100 cabinets and six podiums fabricated from raw materials, installed, reducing costs to the bond.
- *Building 11, International Program offices.
- *Building 15, Advanced Technology Division offices.
- *Building 18/201, computer lab wall changes, door relocation, attaching tables to floor before they are hardwired.
- *Building 26, child care landscape structures.
- *Ten new sustainable seating benches.
- *Five new bike racks at the LTD bus terminal.
- *Florence, north building entrance wood beam structure replacement.

Completed Grounds/Landscape Project Items—

- *Building 26, rear yard child care landscape upgrades.
- *Building 5, north and east landscape installations.
- *Building 3, north and west landscape upgrades.

*Removal of seven highly allergenic London Plane trees west of Building 4. Replanting of beautiful trees with much less allergenic properties is scheduled for late November or early December.

*Dan Conklin, Dave Willis, Todd Smith generating a list of waste water treatment improvements which will have preliminary engineering work done this fall. These improvements are needed to support record enrollment increases and to meet future DEQ permit requirements.

*Preliminary design work underway to plan landscape improvements around the Bristow Square areas with college processes planned this academic year and installation during the summer of 2012.

Completed Housekeeping Project Items—

*All offices have been deep cleaned. This includes dusting, cleaning window sills, vacuuming with a HEPA filtered vacuum.

*The majority of all hard surface floors have been stripped, sealed, and waxed.

*The majority of all carpeted floors have been extracted.

*Building entries, stairwells, and windows have been cleaned.

*Exterior building high level windows were cleaned.

*Providing clean-up work for all the bond and construction renovation projects throughout campus.

*A new 3M product is being tested which would eliminate the need for stripping and waxing. Once this new product is applied it just needs to be cleaned and re-applied every year. We will apply this product to the Building 16 hallways to test the product in a real use application. If it works, it will save the college a tremendous amount of labor time over time.

Sustainability Team Project Items—

*Mike Sims is preparing for the transfer of the surplus property and recycling areas to the new center. A new compactor and bailer have been purchased and are being installed. The compactor is relocated to a more egress friendly location that does not have a steep ramp. Large surplus property items such as old vehicles, an old motor home, and an old transformer are all being sent to college surplus or sold to firms to recycle the materials.

*Jennifer Hayward has been 100 percent committed to the thorough inspection, discovery, exploration, discussion/testing/analysis, design, and solutions implementation for all IEQ matters in Building 4. This work is very complex, included both FMP trades work/contractor work over the past three plus months, and seems to be nearing completion. A deep cleaning of all mechanical spaces, ductwork, and spaces below the ceiling was completed. Many improvements have been made which should have a significant positive impact to the indoor air quality of Building 4. A few more future improvements to more complex systems are scheduled through December. PCA Environmental Consulting, Oregon OSHA representatives, BHE engineers, LCL Construction, BelFor Construction, FM Sheet Metal, professional cleaning contractors, Jennifer Hayward, Dave Willis, Dennis Carr, Todd Smith, Brian McMurray, Health Professions staff, and many FMP trades staff have all participated and supported this project.

*Anna Scott continues to track over \$450,000 in energy conservation measure project grants, rebates and incentives on projects completed over the past 18 months.

Larger Maintenance Contracted Projects—

*Parking lot improvements are completed. Parnell Loop Road was partially resurfaced, portions of parking lot N were resurfaced, slurry coating was applied to steep slope areas in parking lot L to improve safety traction in cold weather, all safety crosswalks/stops/speed limits were all repainted, fire lane curbs were painted red, cracks were sealed, and gravel lots were re-graded and compacted.

*Several fire hydrants were repaired.

- *A transformer serving Building 9 burned up and was then replaced with a new transformer.
- *Building 11, new carpeting and new solid surface flooring was installed in all common areas.
- *Rekeying of the main campus exterior doors. This phase secures the exterior doors of all buildings at the main campus. This is the first time this has been done since the campus was built in the 1960s.
- *Bottle filling stations are scheduled to be installed in five locations.
- *An emergency repair was made to a burned out geo-well pump at the DTC. This pump failure resulted in the indoor air temperatures exceeding 88 degrees F. FMP staff hired a contractor to pull the pump from the bottom of a 250 foot well and replace it with a new one.
- *The soccer field score board was installed.

CUSTODIAL TEAM: A 5-STAR SUMMER

I just wanted to take a moment to especially thank Katherine Vos, Janet Martin, Craig Kulm, and the custodial staff for all the overtime, extra hard work, sore muscles, and long hours you have all invested to present the learning spaces at the college in the best possible clean and orderly conditions for our students and faculty. You have had the best summer in many, many years working as collaborative teams to get very good work done. You have relentlessly provided cleaning to all offices, resurfaced all hard surface floors, extracted carpeting in most areas, and provided extensive window cleaning and common restroom and gathering spaces deep cleaning. Your commitment to the college is spectacular. Thank you so much. You are making a wonderful positive difference here at Lane Community College.

It has been a very busy summer for all of us in FMP. Many improvements have been made. The campus is ready for a very busy fall term. Many thanks to all FMP staff who have given up vacations, worked many hours of overtime, and have gone more than the extra mile to serve the college. It really does make a difference. The transformation of the college facilities continues to progress. We will be ready for the fall term. It is exciting to see so many improvements in one summer. Thank you for your support. Contact Dave Willis, 5566.

BUILDING KEY AND CARD ACCESS ON MAIN CAMPUS

As you may be aware, as part of the bond projects over the past two years, the college has included a campus security project to actively implement electronic keyless access cards across main campus as well as in other college facilities. This work continued this summer with the manual re-keying of most of the exterior access doors for nearly all the buildings on main campus. This access card implementation step was necessary in order to fully assure the safety and security of college buildings and property through the keyless access card system. The re-keying work this summer also means that the standard building keys held by many Lane employees will no longer work to open locked exterior doors for most college buildings and facilities. Prior email notice concerning this matter was shared with all Lane employees on May 18.

Note that the electronic access cards are only needed by college employees when the keyless access control system (and the buildings/facilities) is in locked mode. Therefore, it is now essential that Lane employees have and use an access card if/when they intend to access a college building or facility whenever the keycard doors are in locked mode. The steps to acquire an access card are very straightforward. If you do not already have an electronic keyless access card please follow the guidelines noted below that apply to you, to acquire an access card at your earliest convenience.

1. I just need a keycard for the building I work in. Simply go to the Public Safety Department office in Building 13 (modular unit located on the southeast corner of main campus), and upon verification by Public Safety that an individual is a current employee, the employee will be issued a keycard for the building in which they work.

2. I need a keycard for multiple buildings. For college employees who work in multiple buildings, or for college employees who require access to multiple buildings as part of their college assignment, the responsible college manager-administrator must send an email to keycard@lanecc.edu to authorize the access card for an individual Lane employee to access multiple buildings.

3. Keycards and Public Safety priorities. Note that the access cards are only needed by college employees when the keyless access security system (and the buildings-facilities) is in locked mode. Therefore, given the limited staffing of both FMP and Public Safety please be aware that issuance of the access cards to Lane employees is a lesser priority for Public Safety personnel than responding to emergencies or urgent public safety incidents. Depending upon circumstances, college employees may be required to wait or return to the Public Safety Department at a time when Public Safety personnel are available to issue the keycards.

4. Standard keys will no longer be issued for exterior campus doors except as necessary for Public Safety, Facilities or emergency responder personnel.

All Lane employees who need access to buildings on main campus, or access to other buildings and facilities that have been part of the keyless access card transition are strongly encouraged to acquire your access card ASAP!

Special thanks go out to Bob Dyck who has been cutting keys for those that need them with relentless focus. Thank you, Bob. Other well-earned thanks are also extended to Paul Colvin who has volunteered his time for over a year to plan and coordinate the rekeying of our exterior doors. Paul's commitment to LCC has extended for many years now after his retirement as the Facilities Management and Planning Director. Thank you Paul for the many hours you have invested to plan this work as a volunteer.

Most of the exterior doors have now been or soon will be re-keyed. If anyone has a need to access an office, a classroom, or a space that has access only through an exterior door, please follow current procedures to request a new key card to be issued to the affected employees through an FMP work order request. Please provide the building, room number, and the employee's name on the work order. FMP and Public Safety staff will process requests as quickly as possible. If for some reason you would rather send an e-mail request for key access, send it directly to: facilitiesoffice@lanecc.edu FMP staff will be happy to write a work order request on your behalf. Contact David Willis at 5566, Jace Smith at 5561, or Dennis Carr at 5585.

INDOOR TEMPERATURE GUIDELINES

We at Facilities Management and Planning understand the importance of a comfortable work and study environment and want to work with everyone to save energy and maintain comfort. With the change of season upon us this is an appropriate time to remind everyone of the indoor temperature guidelines, adopted in 2006 as part of the energy policy, and in an effort to balance a comfortable learning and working environment with energy conservation. We recognize that comfort varies for individuals, and have developed indoor temperature guidelines based on scientific studies to create comfortable conditions for the greatest number of students and staff.

* Warm weather month guidelines: 74 to 77 degrees F

* Cool weather month guidelines: 68 to 73 degrees F

* Ancillary space (hallways, lobbies, stairwells): 63 to 82 degrees F

Note: During transition months, such as October and April, guideline ranges expand to 68 to 77. These expanded ranges also apply during extreme weather conditions and periods of high electric demand. Guidelines are applied during normal business hours. Staff and students are encouraged to wear clothing that can be adjusted to maintain personal comfort. If you feel that temperatures are too high, (higher than 78 degrees F), or too cool, (lower than 68 degrees F), in your area please contact Facilities Management and Planning at 5216 or facilitiesoffice@lanecc.edu Contact: Dave Willis, 5566

BUILDING 10 AND 11 REMODELS

Construction of the new RTEC and Art building, and the remodel of Building 11 is in the final stages of completion. FMP landscape crews are working on the outside of the building while Hyland Construction completes a list of touch-up items inside the building. These touch-up items are expected with every project and always take time to complete. One of these items is the audiovisual for the classrooms. Due to a late order of hardware, these rooms will not be completed until the end of this week. Contact Mark Richardson, 3456.

TRAININGS

WELLNESS OFFERINGS—

Wellness classes start next week! Check out Zumba, Nia, Tai Chi, Stretch and Strength and/or other wellness activities. GO NUTS FOR THE HOLIDAYS AND BEYOND! The Oregon Spirit Chorus of Sweet Adelines is selling delicious nuts again - just prior to the holidays when you'll need them for munching and baking! Now in our fifth year of selling these, join the many happy customers enjoying this quality product, and help our non-profit organization fund our expenses. They're sold by the pound and I will deliver them in November...hopefully before the Thanksgiving holiday. Here's what's available: Cashews - roasted/salted, \$10.00; Mixed Nuts - roasted/salted (no peanuts), \$10.00; Hazelnuts - roasted/salted, \$9.00; Pistachios - salted, in the shell, \$9.00; Smokehouse Almonds, \$6.00; Raw Whole Hazelnuts (new choice this year), \$9.00; Raw Whole Almonds, \$6.00; Walnuts - halves/pieces, \$9.00; Pecans - halves, \$12.00; Almonds - blanched/slivered, \$6.00. Sorry, no Macadamias this year; they were priced out of the market. These are very fresh nuts and the price is comparable for the quality - they are literally still on the trees right now, so their freshness is fabulous! Most varieties freeze well, too. Contact me for an order form @ jarvis@lanecce.edu . Order deadline is Thursday, Oct 13, and all orders must be prepaid. Gloria Jarvis, College Finance-Grants, 5605.`

NEWS

DARCY SPENCER NAMED EMPLOYEE OF THE MONTH

Kudos and congratulations go to October's Classified Employee of the Month – Darcy Spencer in Math. Representatives of the Classified Professional Development Team joined staff in Math to present Darcy with the EOM award for October 2011. Darcy started working at Lane in 1991 in Counseling and worked on time-sheet off and on before being hired full-time in 2004 in the Math Department. Colleagues gave numerous examples to justify her receiving this award. To name just a few, Darcy serves as the front-line person for the Mathematics Division and handles her position with confidence and friendliness. She has a strong commitment to student success

and regularly goes out of her way to help students negotiate Lane's bureaucracy. Darcy demonstrates all the qualities of demonstrating initiative and creativity, efficiency in job performance, outstanding customer service, maintains positive working relationships, and shows effective coping skills in spades! She is highly competent and efficient and handles an incredible volume of work and variety of challenges in the math office. When you see Darcy, congratulate her for doing a terrific job and celebrate her nomination as October's Classified Employee of the Month. And remember that, you too, can help us to recognize exemplary classified employees by nominating them for this award by the 15th of each month. Nomination forms are available: 1) on the CPDT website:<http://www.lanecc.edu/cpdt/recognition/eominfo.html> or 2) from Elaine Marsh, IRAP, marshe@lanecc.edu

LISTENERS SPOKE, KLCC LISTENED—SIGNIFICANT PROGRAMMING CHANGES BEGIN
KLCC-FM's first major programming change in over a decade began October 3. Over 1,700 listeners participated in surveys and other research conducted over the past nine months to guide KLCC in providing more of what listeners want. In response, two popular National Public Radio (NPR) news/talk programs have been added to the weekday lineup, more regional and local news is incorporated throughout the day, and arts and culture features have been blended into a new mid-day music program.

Monday through Friday, NPR's Morning Edition now begins an hour earlier, airing from 4-9 a.m. NPR's Fresh Air has moved to a new timeslot, now airing at 9 a.m. Added to the weekday lineup is NPR's Tell Me More at 10 a.m., followed by NPR's popular Talk of the Nation with Science Friday at 11 a.m. News at Noon, will explore local and regional issues with news analysis, feature reports, arts reviews, interviews and commentary. And after the music, NPR's All Things Considered has expanded, now airing 3-6:30 p.m.

The KLCC Music Department has created a brand new music and arts show airing from noon to 3 p.m. Living Large, hosted by Eric Alan and produced by Michael Canning, brings listeners music, arts and culture with a deep sense of place -- creative expression from places local, regional and beyond, expansively explored and celebrated. The best new music releases merged with live performances, interviews, stories and heritage songs that have gained new meaning over time.

KLCC's commitment to local and regional news is stronger than ever. In addition to News at Noon, hosted by Tripp Sommer, KLCC News will present updates and stories at the top of the hour from 6 a.m.-6 p.m. Additional local and regional news will be incorporated into Morning Edition and All Things Considered. KLCC reporters will be capturing the news as it happens, delivering it to KLCC listeners throughout the day.

With a strengthened news lineup and new approach to music programming, KLCC intends to be more engaged, to present more of the activities and ideas of our communities, and to tell more stories of the world around us. Life's on...tune in...to KLCC 89.7 FM. Questions, comments, applause? Contact Program Director Don Hein, heind@lanecc.edu or 6003 or General Manager Steve Barton, bartons@lanecc.edu or 6006.

WELLNESS GRANT CONTINUES TO RELIEVE STRESS

Congratulations to the Employee Wellness Program for receiving its third and final \$25,000 grant from the OEA Choice Trust Wellness Program. Funds will purchase health and fitness equipment for two designated "wellness" activity rooms and for meeting/break rooms throughout campus and at Lane campuses in Cottage Grove, Downtown Eugene and Florence. Providing equipment and educational materials to assist in stretching, muscle/core strengthening, relaxation, aerobic conditioning, agility and balance will reduce stress. The program, "Wellness TEAM (Together Enhancing Active Movement) Building" will focus on providing support for establishing "wellness champions" in departments throughout campus to encourage stress

release with the above equipment and through a variety of techniques. Contact: Wendy Simmons.

IN MEMORY

Delpha "Debbie" Daggett passed away Sept. 21 at age 75. She was a founding instructor at Lane, teaching physical education until her retirement in 1994. A family tribute is posted in The Register-Guard online from <http://www.registerguard.com/web/news/obituaries> and an obituary can be found online at: <http://www.registerguard.com/web/newslocalnews/26904696-41/sept-died-eugene-springfield-grandchildren.html.csp> Submitted by the editor.

ANNOUNCEMENTS

LIBRARY CARRIES VINTAGE LOPEZ IN EBOOK FORMAT

Want to read "Vintage Lopez," this fall's Reading Together selection? It is readily available as an electronic book from LCC Library. Anyone can read the book online, with no limit on simultaneous access. The book is viewable on any device that can read html on the web. This access is free to Lane faculty, students, and staff. Faculty can provide a link to the book, or parts of the book, in Moodle. Here is the link to the online book:

CONVERSATION TABLES LEADER RECRUITMENT

International Programs is looking for student leaders to lead one-hour a week Conversation Tables in any language, including English, for international students to practice their English! Please have interested students contact Beth at schenderleinb@lanec.edu Orientations are October 4 and 5 from 3-4:20 p.m. in Building 11, Room 249.

RADIOTHON STARTS THURSDAY

KLCC 89.7 FM begins its on-air campaign for new and renewing members on Thursday, October 6, at 6 a.m. during NPR's Morning Edition. Fall Radiothon will continue until noon on Thursday, October 13, or until the goal of \$285,000 is met, whichever comes first.

The pre-Radiothon "Thon Buster" campaign is now underway. Listeners are encouraged to shorten Radiothon by contributing to KLCC before Radiothon begins. Over \$105,000 has already been raised from Thon Busters. Every dollar received at KLCC by 5 p.m. on October 5 reduces the Radiothon goal. Listeners can contribute on-line from the KLCC web site at

www.klcc.org

Today, October 4, is Last Chance Cyber Day! KLCC will give away three \$100 gift certificates to Marché Restaurant in Eugene. Listeners can contribute on-line at www.klcc.org

KLCC is the primary NPR affiliate in the Eugene/Springfield area, reaching communities from the Coast to Bend and Roseburg to Salem. KLCC depends on listener contributions for 35 percent of its total operating budget. This fiscal year KLCC must raise a total of \$590,000 from the listening audience to sustain current levels of service.

SAGA MEETINGS BEGIN

The Success and Goal Attainment Committee (SAGA) is a group of staff and faculty from many disciplines at Lane with the focus on improving student success. SAGA works to: determine criteria and target areas for success and retention efforts through an inclusive process and

consistent with the College's mission and goals. It emphasizes the understanding of barriers to success and retention from both a student point of view and a faculty/staff point of view, in addition to gleaning best practices from the literature on student success, retention, and related areas. SAGA meetings will be held the first and third Wednesdays each month from 3-4:30 p.m. in Building 2, Room 213. Our first meeting of the year will be October 5. If you are interested in joining SAGA, please come to a meeting or contact Mary Parthemer at ParthemerM@lanecc.edu

CELEBRATE YELLOW AT DAVID JOYCE GALLERY ARTISTS' RECEPTION

The David Joyce Gallery will host an artists' reception on Thursday, October 13, from 5-6:30 p.m. in the gallery, second floor Center for Meeting and Learning, to celebrate its first exhibit of the 2011-12 season. "Yellow, Yellow the Color of Bright" is a study in color theory featuring five Oregon photographers and their stunning imagery of foods, the land, and welcoming environments. Yellow was chosen to inspire the artist to look beyond the obvious and share with us their colorful illumination representing the fall season. The gallery also features life-sized photographic cutout works of artist David Joyce to whom the gallery is named. David was an art instructor at Lane for 25 years and most known in the community for his monumental flying people mural "Flight Patterns" at the Eugene Airport, which is currently being re-touched. Please join the reception and enjoy with hors d'oeuvres and refreshments prepared and served by students in the Culinary Arts and Hospitality Management program. Contact: Julie Fether.

COMMUNITY COLLEGE MOMENT READING AT TSUNAMI

WHAT: Community College Moment Reception and Reading at Tsunami Books

WHEN: Thursday, October 13, 6:30-8:30 p.m.

Wine and Cheese Reception at 6:30-7 p.m., Reading at 7-8:30 p.m.

WHERE: Tsunami Books, 2585 Willamette St., Eugene

Greetings, Lane Faculty and Staff: The Community College Moment is hosting a reading and reception at Tsunami Books on Thursday, October 13 from 6:30-8:30 p.m.

Join us for wine and cheese and hear Lane contributors read selections from their work published in this year's issue of the Moment. The Community College Moment has a tradition of hosting readings with authors, one that started with the inaugural issue in 2001 and continues this year at one of Eugene's favorite independent bookstores and reading venues. For more information, contact Russell Shitabata at moment@lanecc.edu

PERSONAL FITNESS ASSESSMENT AND EXERCISE PROGRAM OPPORTUNITY

Have you always wanted to know more about your own personal fitness level? Do you need help developing an exercise program that is not only effective, but also fun? Lane Community College's own Exercise and Movement Science students are looking for volunteers to complete an assignment for one of their courses and we would like to offer this free opportunity to LCC's employees. If you are interested, please contact Marisa Hastie at hastiem@lanecc.edu In order to be eligible you must be: 1) registered for the Fitness Education Center or willing to register; 2) in generally good health without major medical limitations (these are first year students that will be helping you!); and 3) be able to commit to three to five one-hour meetings with your student trainer throughout the term. Space is limited to the first 22 to respond that meet eligibility requirements!

FIRST YEAR MATTERS PROJECT WELCOMES YOUR INVOLVEMENT

Lane's work is beginning on The First Year Matters: Foundations of Excellence. This is a nine-month, guided assessment and improvement process centered on students' first year experience. Working with a consortium of Oregon community colleges and the John N. Gardner Institute for Excellence in Undergraduate Education, the focus will be on institutional policies,

practices and programs. A campus-wide task force will use local expertise and multiple forms of evidence to guide intellectually substantive and collegial discussions to evaluate and improve the first year student experience. For more information or to become involved, please contact Lida Herburger at HerburgerL@lanecc.edu

DON'T MOVE THE DISABILITY RESOURCES CHAIRS AND TABLES

Disability Resources and Facilities provide chairs and tables as accommodations for students with disabilities. These are placed in specific rooms for specific students, and shouldn't be moved by students, faculty, or any other LCC employee... except the responsible Facilities Management staff. Students who have furniture as an accommodation must request the furniture each term, so that DR knows where the furniture is needed. There is a great deal of effort by Facilities Management and Disability Resources to get the appropriate furniture to the requesting students in a timely manner. So, if an adjustable table, ergonomic or padded chair appears in your classroom, do not remove it, and please DON'T MOVE IT within the classroom. Students who have furniture accommodations will have a Letter of Accommodation (LOA) which identifies them as the student who is to use the chair/table. If there are more students with LOAs needing furniture accommodations than there are chairs in the room, please refer the student to DR to speak with Cathie. If you have any questions, please contact Cathie Reschke at 5079, or Disability Resources at 5150.

DID YOU KNOW LANE HAS A GRANTS OFFICE?

The office is under the Office of Academic and Student Affairs and includes Mara Fields, Lynn Nakamura, and Kathy Thomas. Many excellent programs—both new and well established—are supported by grants and it is Lane's dedicated faculty and staff (in partnership with the grants office) that develop and implement these programs. To learn more about all the elements of a grant proposal development, or what to do once you receive an award, please visit the Grant Office website <http://www.lanecc.edu/grants/> Staff-instigated grant projects begin with the Grant Proposal Form <http://www.lanecc.edu/grants/proposalform.html>

STRATEGIC DIRECTION CONFERENCE ON SUSTAINABILITY

Please plan to join your Lane Community College colleagues on Friday, October 14, for a day of presentations and discussions to understand what a Sustainable Learning and Working Environment could mean to all of us and how we can infuse this in our current work.

Departments are invited to send teams to the conference. Faculty and staff who are not part of a team are also welcome and encouraged to attend.

The conference features two keynote speakers: Dr. Debbie Rowe and Bill Bradbury.

Break out sessions will include the Climate Action Plan, Curriculum infusion and a Learning Garden tour.

PROPOSAL DEADLINE EXTENDED FOR INNOVATIONS 2012

The new deadline for proposal submissions is October 15 for Innovations 2012, the premier event for professionals dedicated to improving organizational teaching and learning, and discovering new approaches for enhancing the community college experience. The conference provides a tremendous forum for collaboration among academic experts and leading community college professionals while granting participants exclusive access to the most inventive and thought-provoking programs from around the world.

The conference provides opportunities for colleagues to showcase their model programs, share lessons learned, and look to the future by experiencing a wide array of new ideas through the conference streams, which include: learning and teaching, leadership and organization,

workforce preparation and development, student services and activities, basic skills and developmental education, resource development and foundation management, research, assessment, and accountability, diversity, equity, and inclusion, sustainability, and open educational resources.

Presenters for each session will be notified of proposal status by October 28. Submit proposals online through the League's website at www.league.org/i2012

EUGENE YMCA DIABETES PREVENTION PROGRAM

The YMCA is committed to helping prevent chronic disease by giving individuals of all ages tools for healthy living. The YMCA Diabetes Prevention Program starts with 16 core classes and is followed up with monthly maintenance through the year. The YMCA has had success with the results of their first two groups. Classes offered start October 18, meeting Tuesdays, 6-7 p.m. or October 19, meeting Wednesdays, 9:30-10:30 a.m. Cost of the program is \$200 for members and \$250 nonmembers. Financial assistance is available to participants who need it. Please contact Kari Porter, program director, to learn more about this yearlong, evidence-based program at 541-686-9622 or kari@eugeneymca.org Submitted by Wendy Simmons.

OREGON DIVERSITY INSTITUTE

The 2011 Oregon Diversity Institute will be held at the University of Oregon this year on Thursday, November 3. There will be limited scholarships for Lane staff and students to attend. If interested in attending, contact Elizabeth Andrade at 5801 or Donna Koechig at 5307.

NOVEMBER 5: OSAA HIGH SCHOOL STATE CROSS COUNTRY CHAMPIONSHIPS

Please consider the magnitude of the event when scheduling campus events for Saturday, November 5. Eldon Schafer drive will be closed from 8 a.m. to 4 p.m. and the parking lots will be packed. Attendance figures have averaged over 4,500. Thank you to all those staff members who continue to make this one of Lane's premiere special events since 1971! Contact: Grady O'Connor, 5550.

FACILITIES PROJECT UPDATES

BUILDINGS 10 AND 11 REMODELS

Construction remodels of buildings 10 and 11 are moving closer to a completion. Many areas of both buildings have small items to be completed, but large strides are being made every day to complete them as quickly as possible. Many of these items will be completed after hours on weekends to avoid disrupting classes. The architect and engineers for the project have completed a design that will allow Hyland Construction to complete the installation of the large kilns located in the work yard. It is expected Hyland will start on the modifications right away, but this work might not be completed for another two weeks. Contact Mark Richardson, 3456. On September 28, it was discovered that the new drain system for Building 10 was obstructed. Further investigation revealed a large mass located in the line below ground. After removing a section of the concrete floor and excavating down four feet, it was discovered the line was blocked with rock and grout. With the help of Twin Rivers Plumbing, Lane staff members was able to remove the blockage and place the concrete by noon the following day.

During a flush test of the system, it was also discovered that the floor drain in the first floor women's restroom is plugged. At 4:30 a.m. on Friday, October 7, construction crews will be removing another section of concrete in the center of the restroom and replacing the section of drain that is plugged. The cutting and removal of the concrete, tile and drain will be completed by 12 p.m. During this repair, the first floor women's restroom will be closed. At 12 p.m., Saturday, October 8, when the restroom reopens, the two center stalls will remain closed until the concrete is cured, and the tile has been replaced on October 14.

DOWNTOWN CAMPUS BUILDING

Construction of both the academic and housing buildings is proceeding on schedule and it's a very aggressive schedule. The structural frame and partitions of the academic building is steel and concrete while the structural frame and partitions of the housing building is wood. Even though the construction types are different the contractor plans to add a floor to both the academic and housing buildings every two weeks.

Academic Building: About 85 percent of the concrete slab at the ground floor has been poured. The reinforced concrete columns and shear walls that extend from the ground floor to the second floor have been poured and the formwork for the east side of the second floor slab is being erected. This week the contractor will start installing steel studs for the first floor walls at the west side under the housing podium.

Housing Building: The concrete podium that supports the five floors of housing has been poured and the contractor has started framing the wood walls of the second floor apartments. One delivery of wood framed wall panels is arriving on site every working day. Framers are then installing the panels.

Conference Center and Courtyards:

Work in these areas will not commence until all of the floors for both buildings have been built. Contact: Bob Mention, 5747.

FACILITIES NOTICES

BUILDING KEY AND CARD ACCESS ON MAIN CAMPUS

As part of the bond projects over the past two years, the college has included a campus security project to actively implement electronic keyless access cards across main campus as well as in other college facilities. This work continued this summer with the manual re-keying of most of the exterior access doors for nearly all the buildings on main campus. This access card implementation step was necessary in order to fully assure the safety and security of college buildings and property through the keyless access card system. The re-keying work this summer also means that the standard building keys held by many Lane employees will no longer work to open locked exterior doors for most college buildings and facilities. Prior email notice concerning this matter was shared with all Lane employees on May 18.

Note that the electronic access cards are only needed by college employees when the keyless access control system (and the buildings/facilities) is in locked mode. Therefore, it is now essential that Lane employees have and use an access card if/when they intend to access a college building or facility whenever the keycard doors are in locked mode. The steps to acquire an access card are very straightforward. If you do not already have an electronic keyless access card please follow the guidelines noted below that apply to you, to acquire an access card at your earliest convenience.

1. I just need a keycard for the building I work in. Simply go to the Public Safety Department office in Building 13 (modular unit located on the southeast corner of main campus), and upon

verification by Public Safety that an individual is a current employee, the employee will be issued a keycard for the building in which they work.

2. I need a keycard for multiple buildings. For college employees who work in multiple buildings, or for college employees who require access to multiple buildings as part of their college assignment, the responsible college manager-administrator must send an email to keycard@lanecc.edu to authorize the access card for an individual Lane employee to access multiple buildings.

3. Keycards and Public Safety priorities. Note that the access cards are only needed by college employees when the keyless access security system (and the buildings-facilities) is in locked mode. Therefore, given the limited staffing of both FMP and Public Safety please be aware that issuance of the access cards to Lane employees is a lesser priority for Public Safety personnel than responding to emergencies or urgent public safety incidents. Depending upon circumstances, college employees may be required to wait or return to the Public Safety Department at a time when Public Safety personnel are available to issue the keycards.

4. Standard keys will no longer be issued for exterior campus doors except as necessary for Public Safety, Facilities or emergency responder personnel.

All Lane employees who need access to buildings on main campus, or access to other buildings and facilities that have been part of the keyless access card transition are strongly encouraged to acquire your access card ASAP!

Most of the exterior doors have now been or soon will be re-keyed. If anyone has a need to access an office, a classroom, or a space that has access only through an exterior door, please follow current procedures to request a new key card to be issued to the affected employees through an FMP work order request. Please provide the building, room number, and the employee's name on the work order. Use all established current processes for these requests. If for some reason you would rather send an e-mail request for key access, send it directly to: facilitiesoffice@lanecc.edu FMP staff will be happy to write a work order request on your behalf. Contact David Willis at 5566, Jace Smith at 5561, or Dennis Carr at 5585.

FACILITIES WORK REQUEST PROCEDURE

When requesting items that need facilities attention, please refer to the procedure on our Facilities webpage at: <http://www.lanecc.edu/facilities/workrequests.html> or on the COPPS procedures at: <http://www.lanecc.edu/cops/facmain.htm>. Please do not call staff directly asking for services. All work requests are prioritized per the following:

Priority 1:

- * Urgently needed to maintain functions.

- o Emergencies and Instructional Area HVAC, Lighting, Other

- * Immediate safety or health threat, severe risk, and exposure frequency

- * Indoor Environmental Quality (IEQ) issues.

- * Project needed to meet or maintain immediate urgent regulatory compliance issues

- * Life cycle R.O.I. > 50 percent

- * Requests by the President's Office

Priority 2:

- * Minimize damage to existing systems

- * Moderate safety or health risk and exposure frequency

- * Code compliance issues

- * Functional need

- * Achieves sustainability commitments

- * Meet or maintain compliance with college policies

- * Life cycle R.O.I. > 25 percent

Priority 3:

- * Reoccurring finishes or furnishing replacements

* Utility and Infrastructure systems sustainable maintenance and repairs for maximum performance and lowest life cycle costs

* Asset protection requirement

Priority 4:

* Want, not a need

All facility work requests must be submitted using the above process. Please consider that the staff in FMP has completed hundreds of accumulated work orders over the summer (great) to get the campus ready for the fall term. Starting this October, FMP staff will be implementing a new work order system that promises to allow improved communication and enhanced productivity, maximizing and leveraging all available resources even further to provide the you with the best possible service. More information on this system can be viewed at:

INDOOR TEMPERATURE GUIDELINES

We at Facilities Management and Planning understand the importance of a comfortable work and study environment and want to work with everyone to save energy and maintain comfort. With the change of season upon us this is an appropriate time to remind everyone of the indoor temperature guidelines, adopted in 2006 as part of the energy policy, and in an effort to balance a comfortable learning and working environment with energy conservation. We recognize that comfort varies for individuals, and have developed indoor temperature guidelines based on scientific studies to create comfortable conditions for the greatest number of students and staff.

* Warm Weather Month Guidelines: 74 to 77 degrees F

* Cool Weather Month Guidelines: 68 to 73 degrees F

* Ancillary Space (Hallways, Lobbies, and Stairwells): 63 to 82 degrees F

Notes: During transition months, such as October and April, guideline ranges expand to 68 to 77. These expanded ranges also apply during extreme weather conditions and periods of high electric demand. Guidelines are applied during normal business hours.

Staff and students are encouraged to wear clothing that can be adjusted to maintain personal comfort.

If you feel that temperatures are too high, (higher than 78 degrees F), or too cool, (lower than 68 degrees F), in your area please contact Facilities Management and Planning at ext. 5216 or e-mail at facilitiesoffice@lanecc.edu. Contact Dave Willis, 5566

GO NUTS FOR THE HOLIDAYS AND BEYOND! The Oregon Spirit Chorus of Sweet Adelines is selling delicious nuts again - just prior to the holidays when you'll need them for munching and baking! Now in our fifth year of selling these, join the many happy customers enjoying this quality product, and help our non-profit organization fund our expenses. They're sold by the pound and I will deliver them in November...hopefully before the Thanksgiving holiday. Here's what's available: Cashews - roasted/salted, \$10.00; Mixed Nuts - roasted/salted (no peanuts), \$10.00; Hazelnuts - roasted/salted, \$9.00; Pistachios - salted, in the shell, \$9.00; Smokehouse Almonds, \$6.00; Raw Whole Hazelnuts (new choice this year), \$9.00; Raw Whole Almonds, \$6.00; Walnuts - halves/pieces, \$9.00; Pecans - halves, \$12.00; Almonds - blanched/slivered, \$6.00. Sorry, no Macadamias this year; they were priced out of the market. These are very fresh nuts and the price is comparable for the quality - they are literally still on the trees right now, so their freshness is fabulous! Most varieties freeze well, too. NEWS

HIGH SCHOOL CONNECTIONS RANKED IN NATIONAL TOP 10

The High School Connections program at Lane has been selected as one of the top 10 high-school-to-college transition programs in the nation and will be profiled in a book published by the Community College Survey of Student Engagement.

"We are honored to receive this outstanding recognition and we continue to strive for continuous improvement in meeting the needs of Oregon's high school students," said director Deron Fort. "We are committed to bridging the gap between high school and college."

High School Connections includes several specific programs at Lane: College Now, which awards high school and college credit for free college-level classes taught at high schools; RTEC career and technical courses offered at the college or in high schools; Expanded Options for qualifying students to take courses at the college or online to complete their high school diploma; individual partnerships with various high schools; and a GED program for students who did not graduate from high school but want to earn a high school equivalency certificate.

Lane collaborates with more than 30 high schools in 23 school districts. Last year, High School Connections served more than 5,000 high school students.

CCSSE is a research and service initiative of the Community College Leadership Program in the Department of Educational Administration at the College of Education, University of Texas-Austin. For more information about High School Connections, go online at:

OFFICERS SAVE A LIFE

Public Safety officers responded to a report of an individual who had possibly overdosed in Lot K on main campus last Friday. Officers arrived and found an unconscious, but breathing man. 9-1-1 had been dispatched but was still en route. As the officers monitored the man, his respirations and heart action stopped. Sergeant Thomas and Officer Hanneson administered CPR and were able to resuscitate him. He was transferred to McKenzie Willamette Hospital by Springfield EMS. Sergeant Harris provided scene control, a lead in for EMS, and communication support for the incident.

It is noteworthy that in a very few minutes, Sergeant Harris, Sergeant Thomas, and Officer Hanneson responded to back-to-back calls. Before this call, officers responded to a two-car accident at the entrance of campus on Gonyea. Immediately after the medical incident, officers responded to a disturbance between parties and arrested an individual for an outstanding warrant (absconding and fail to appear). Later that afternoon, officers searched for, found, and checked the welfare of a person who sent text messages to another party claiming that she was going to commit suicide. This is your Public Safety department serving you. Submitted by Jace L. Smith, Public Safety Manager, 5561.

IN MEMORY

John Holland passed away Sept. 27 from cancer. He was 65. He worked at Lane as a custodian for more than 20 years. He retired in 2003. An obituary was published October 2 in The Register-Guard and is online at:

RE-VISIONING LEARNING: A STRATEGIC DIRECTIONS CONFERENCE

Faculty and staff are invited to join in an extended conversation with colleagues in a Strategic Directions Conference on Learning on November 18, 9 a.m. to 3 p.m., in the Center for Meeting and Learning, Room 220. This "Re-visioning Learning" conference is a workshop for talking about the meaning of higher education in the community college, revising Lane's core abilities, and infusing courses and programs with common learning outcomes central to the educated person. In the morning we will build a pedagogical framework and brainstorm a revision of Lane's core learning outcomes. In the afternoon, we will test-drive what we have envisioned, applying core outcomes to our everyday work at Lane.

Topics include:

- discussing other colleges' common outcomes.
- re-visioning Lane's core outcomes.
- thinking about how students learn and how we can help them learn by being forthright about what is important.
- infusing courses with key outcomes.

Refreshments and lunch will be served. Faculty may request substitute instructor coverage for their classes. Part-time faculty can submit a time sheet to claim a stipend for conference attendance. Enrollment is limited. You can register online now at <http://bit.ly/pGUZdS>

For more information, email breadenb@lanecc.edu

INTERNATIONAL PROGRAMS LOCATION

International Programs has completed its move and is now located in Building 11, Room 235. Office Hours are 8:30 a.m. to 4:30 p.m. Mondays through Fridays except for Thursday mornings when International Programs closes for its weekly meeting. Questions? Contact Jennifer Falzerano at 3413 or falzeranoj@lanecc.edu

LANE HONORS PROGRAM - UP FOR THE CHALLENGE

For students who want to challenge themselves to a higher level of learning and performance, the Lane Honors Program provides a transformative educational experience centered around scholarly inquiry, academic rigor and intellectual growth. Encourage your students to apply for winter term or join the Honors Program initiative by developing and teaching an honors class. Honors classes are available to all students who are up for the challenge, while admission to the Honors Program requires a formal application. For more information, visit www.lanecc.edu/honors or send questions to honors@lanecc.edu or by calling 3438.

PUBLIC SAFETY REMINDER REGARDING DOOR UNLOCKS

Classroom doors will unlock within 10-15 minutes prior to scheduled event (including classes) start time. Public Safety will not unlock facilities without the presence of a Lane employee. Please refrain from phoning in requests on the emergency line (5555). Requests received on the non-emergency line will not be honored unless/until a staff person is present at the location. The instructor or a paid student employee designated to assist with a class or event must be present for a Public Safety officer to unlock the door. Thank you for your cooperation in this matter. Contact: Officer Lisa Rupp, 5558.

PHONE SCAM ALERT

Officer Lisa Rupp in Public Safety is working with the Attorney General's office on a scam currently occurring at Lane. A caller tells the person on the line that the person they are calling about has a warrant out for their arrest. Their ultimate goal is to get money from the victim to "take care of the warrant." Please assist Public Safety by obtaining the caller's name, the company they work for, their phone number, the alleged reason for the call, and the person they are calling about. These callers often call from a different country using land lines within the U.S. Please do not give them any information. Thank you for your help and assistance. Contact: Officer Lisa Rupp, ruppl@lanecc.edu

FIRST-YEAR MATTERS TEAM SEEKS YOUR INPUT

The focus of the First Year Matters: Foundations of Excellence process is on the first year—a critical time for retention, learning and development of skills that support future learning. The process uses local campus expertise; the people who really know the campus well. We are forming our workgroups now and need your input. If you would like to get involved or want more information, contact Lida Herburger at herburgerl@lanecc.edu or Mary Parthemer at parthemerl@lanecc.edu

NET PRICE CALCULATOR NOW AVAILABLE ONLINE

Net Price Calculator is an online tool that provides students with a picture of what their anticipated costs and awards may be. Providing this information was a mandate of the Higher Education Opportunity Act of 2008. This tool is placed in Student Announcements on the homepage and on Enrollment Services and Financial Aid pages. It is also available in MyLane, MyMoney channel under the Financial Literacy channel. Check it out at

<http://www.lanecc.edu/es/calculator/index.html> Special thanks to Chris McDowell, Sylvia Sandoz, Craig Taylor, and Bert Ewing for their work on this project. Contact: John Hamblin.

NEW STUDENT AMBASSADORS JOIN THE TEAM

Enrollment Services is pleased to announce Lane's new student ambassadors. There are eight new Learn and Earn student employees: Vince, Kelly, Charles, Jordan, Colette, Sharrie, Oscar, and Lucas. They are providing tours on campus and meeting our local needs with students in Lane County as well. They are an amazing bunch. Feel free to connect with them at outreach@lanecc.edu Contact: John Hamblin.

LANE TO HELP HOMELESS AND LESS FORTUNATE COMMUNITY MEMBERS

Lane staff and students are starting to plan for this year's Free Whiteaker Community Thanksgiving Dinner for 2500 men, women and children. Instructor Sue Thompson is starting our Sleeping Bag Drive. Our goal is to have 325 20° sleeping bags that her team of Lane employees and friends will distribute during the dinner. People can sponsor one or more bags for \$15-\$18 each. Tax-deductible checks may be made to Whiteaker Community Dinners. Donations may be sent or dropped off to Beverly Farfan at the Cooperative Education office Building 19, Room 231 or Sue Thompson's mailbox in H&PE, Building 5, Room 205. Chef Clive Wanstall, Joe McCully, and Brian Kelly of the Culinary Arts and Hospitality programs and students are planning the preparation of the delicious meal. Gee McKeegan from the Counseling Office is starting to collect the needed toiletries and warm clothing that will also be distributed during the dinner. For more information and how to get involved go to our website, www.wcdinner.org or contact Beverly Farfan, Cooperative Education faculty and Thanksgiving event coordinator at 5395 or 541-912-2228 or farfanb@lanecc.edu

FACILITIES UPDATES

BUILDING 10 REMODEL

This project has suffered some delays but none have stopped the building from opening for the fall term. Hyland Construction and its subcontractors have completed the exhaust system for the kilns inside the building. The revised system for the outside kilns has arrived and Hyland Construction will start working on this task next week. Audio and visual in the classroom and in instructional spaces is completed in most areas and Lane's IT staff continues work to program the systems. The Grounds department sent landscaping crews to complete the new landscaped area on the west end of Building 10, however, landscaping is weather dependent and some of the area will not be finished until spring 2012. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS PROJECT

Construction continues to progress on schedule. Delivery and erection of wood wall panels is moving ahead and joists for the next floor are being installed. Almost the entire ground floor concrete slab has been poured and forming for the second floor slab at the academic building is underway.

The city has directed the contractor to close the alley on the north side of the site from public use. This is a public safety concern.

WELLNESS

WELLNESS GRANT CONTINUES TO RELIEVE STRESS

Congratulations to the Employee Wellness Program for receiving its third and final \$25,000 grant from the OEA Choice Trust Wellness Program. Funds will purchase health and fitness equipment for two designated “wellness” activity rooms and for meeting/break rooms throughout campus and at Lane campuses in Cottage Grove, Downtown Eugene and Florence. Providing equipment and educational materials to assist in stretching, muscle/core strengthening, relaxation, aerobic conditioning, agility and balance will reduce stress. The program, “Wellness TEAM (Together Enhancing Active Movement) Building” will focus on providing support for establishing “wellness champions” in departments throughout campus to encourage stress release with the above equipment and through a variety of techniques. Contact: Wendy Simmons.

WELLNESS OFFERINGS

It's not too late to get healthy. Check out Gentle Yoga, the Hybrid Online Weight Loss Challenge, Nia, Stretch and Strengthen, Tai Chi Tuesdays, and/or other wellness activities. Drop by for some personal training during the open gym time Tuesday/Thursday from 7:00 - 8:00 a.m. in Building 30, Room 135. For the full list of fall employee wellness classes, go to <http://www.lanec.edu/wellness/wellnessclasses.htm> Contact: Wendy Simmons.

EUGENE YMCA DIABETES PREVENTION PROGRAM

The YMCA is committed to helping prevent chronic disease by giving individuals of all ages tools for healthy living. The YMCA Diabetes Prevention Program starts with 16 core classes and is followed up with monthly maintenance through the year. The YMCA has had success with the results of their first two groups. Classes offered start October 18, meeting Tuesdays, 6-7 p.m. or October 19, meeting Wednesdays, 9:30-10:30 a.m. Cost of the program is \$200 for members and \$250 nonmembers. Financial assistance is available to participants who need it. Please contact Kari Porter, program director, to learn more about this yearlong, evidence-based program at 541-686-9622 or kari@eugeneymca.org Submitted by Wendy Simmons.

NEWS

PRESIDENT SPILDE NAMED ACCT CEO OF THE YEAR

President Mary Spilde was named CEO of the Year by the Association of Community College Trustees at its annual congress in Dallas, Texas. The prestigious 2011 Marie Y. Martin Chief Executive Award was announced Oct. 14 at the association's awards event.

Nominees are from any of the 1,200 community, technical and junior colleges in the United States, Canada, and other countries that constitute the ACCT. The CEO of the Year is selected from five regional winners. ACCT is a non-profit educational organization of governing boards representing more than 6,500 elected and appointed trustees.

Spilde has served as president of Lane since August 2001 and is past president of the American Association of Community Colleges. She is a national authority on community colleges, workforce development, and sustainability. She serves on various boards including the 21st-Century Commission on the Future of Community Colleges of the American Association of Community Colleges and the Oregon Education Investment Board. Submitted by the editor.

LANE RECEIVES AMERICORP FUNDS

Lane has received funding for 50 AmeriCorp memberships for Lane students involved in community service. The funding is part of a statewide, \$700,000 AmeriCorp Students in Service grant that funds 600 part-time positions across Oregon to encourage college students to volunteer in their communities. Student volunteers will be eligible to earn an \$1,175 education award upon completion of 300 hours of service. Since 2006, more than 200 Lane students have participated and earned an education award through this program. For more information contact Beverly Farfan at 5395 or farfanb@lanecc.edu

LANDSCAPE PLANTS INSTRUCTOR WINS NEIGHBORHOOD COMPOSTING GRANT

Lane's Sherry Wellborn was featured in a Sept. 30 Register-Guard story about composting, "Super Compost: Four families get a city grant to build a better worm bin." The story is online at www.registerguard.com/web/newslocalnews/26913606-41/bin-eugene-wellborn-compost-neighborhood.html.csp Sherry teaches Lane's three-term Landscape Plants course sequence. She won a city grant for her neighborhood composting project, the topic of the article. Lane Weekly thanks Margaret Robertson for this information.

KLCC COMPLETES FALL RADIOTHON

Radiothon, KLCC's on-air campaign for new and renewing members, ended at noon on Thursday, Oct. 13 with a total of \$260,080 raised, 88 percent of the fall goal. A total of 3,087 listeners became members or renewed their membership during the campaign. KLCC instituted major programming changes only days before Radiothon began, and many listeners called the pledge line with comments and opinions. Most callers showed their support for the changes by making a contribution. KLCC welcomed the opportunity to hear from so many listeners during the initial week of programming changes. ANNOUNCEMENTS

"SIGHTINGS" EXHIBIT BY JEFFERSON GOOLSBY OPENS OCT. 24

The Lane Art Gallery is proud to present the exhibition "Sightings" by Jefferson Goolsby, media arts program coordinator and instructor. The show runs from Oct. 24 through Nov. 10. A lecture will be held Thursday, Oct. 27, beginning at 3:30 p.m. with a reception immediately following. Both are free and open to the public. Goolsby is an intermedia artist working in moving and still image, sound, performance, and interactive installation exploring themes of geographic and cultural displacement, globalization, and individual reckoning. His work has been presented throughout the United States and internationally including the Maine Center for Contemporary Arts Biennial; International Symposium on Electronic Arts 2008 (Singapore) and 2009 (Belfast); Jordan Schnitzer Museum of Art; and the Portland International Experimental Film Festival. The Art Gallery is in Building 11. The exhibit will be in Room 119. There is no charge for admission. For more information call Art and Applied Design at 5409.

"MEMORIES OF WAR, THE NEW GENERATION" EXHIBIT OPENS OCT. 24

The Lane Art Gallery is proud to present "Memories of War, The New Generation," Oct. 24 to December 1, with a reception on Thursday, Nov. 3, from 5:30-7 p.m. The exhibit is part of the "Counterpoint 2011 War + Peace" series hosted by the Eugene Symphony and features work from all mediums by regional artists. Their works explore the viewpoints of the new generation of war and peace. The focus of the exhibition will be to exam the history of war and how it

contrasts to the new world changes in the post 9/11 era. Exhibiting artists include Kate Ali, Susie Morrill, Andreas Salzman, Jennifer Salzman, Lee Imonen, Susan Lowdermilk, Jan Halvorsen, JS Bird, Satoko, Bob DeVine, Carrie O'Coyle, Alice Sundstrom, Anne Godfrey, Kristie Potwora, Dan Welton, Jeri Mrazek and Ellen Tykeson. The Art Gallery is in Building 11. The exhibit will be in Room 103. There is no charge for admission. For more information call Art and Applied Design at 5409.

2011-2012 WE CARE CAMPAIGN KICK OFF: FEEL THE POWER OF GIVING!

Our six-week fund-raising campaign for the Foundation and United Way begins Oct. 24 and ends December 2. This week, Department Reps will attend campaign orientations and will pick up employee packets for staff and distribute them to their department employees at scheduled meetings or individually. Once again during the campaign, there will be drawings on Fridays for gifts donated by college staff. So, when you get your packet, be generous, have fun and remember the best way to give is from the heart! This year's campaign co-chairs are Tiana Marrone-Creech, Foundation, and Jennifer Falzerano, International Programs.

INFORMATION SESSION ON FRENCH STUDY ABROAD FOR SUMMER 2012

Encourage students to come to learn more about opportunities to study abroad in France in the summer of 2012. An information session will be held Tuesday, Oct. 25, from 2-4 p.m. in Center 451. Questions? Contact Karin Almquist at almquistk@lanecc.edu or Jennifer Falzerano at falzeranoj@lanecc.edu

WOMEN'S SOCCER TACKLES BREAST CANCER AS WELL AS CLARK AT OCT. 26 PINK OUT GAME

The Lane Women Titans soccer team will fight breast cancer as well as the Clark College Penguins on Wednesday, Oct. 26, in its Second Annual Pink Out home game beginning at 6 p.m.

The Titans will give away free, commemorative pink T-shirts to the first 200 spectators, to help raise awareness about breast cancer. The American Cancer Society will be on hand to provide breast cancer information, including special half-time speakers, and to accept donations.

The Titans started the Pink Out game in observance of Oct. as Breast Cancer Awareness month.

"We wanted to do this because we're women, and as athletes, we have to look out for our health," says student athlete Kiara McDonagh. "It's important that people be aware and get checked out, even if you don't think you have cancer." She speaks from experience. A few years ago, her aunt passed away from cancer that started in the breast and spread. Other family members also have battled cancer. "If it runs in your family, get checked out early." Athletic Director Greg Sheley says response was overwhelming last year. "There was a real outpouring of heartfelt emotion. Lots of people came up to me and talked about their personal experiences with cancer. People really want to do something to help prevent and treat this disease. Coming to the Pink Out game is a good way to show support, and of course, a great opportunity to see Lane's amazing women's soccer team."

McDonagh agrees. "We kind of got off to a rocky start this year but we're on a five-game winning streak now. We have fight in us. We like to win. It would be great to get a lot of people out for the game."

The team holds second place in the NWAACC Southern Region standings. This will be the last home game of the year. For more information go online at:

"FOLD, SPIN, FALL" DANCE CONCERT OCT. 28 AND 29

The Lane dance program presents the fall concert "Fold, Spin, Fall" on Oct. 28 and 29 at 7:30 p.m. in the Ragozzino Performance Hall, Building 6. The concert features a collection of new work by local and national dance and music artists. The work presented represents a broad range of artistic expression, including film, dance and live music. Admission is \$10. Advance tickets are available online at lanecc.edu/tickets, or can be purchased at the door. For information about the performances, go online at www.lanecc.edu/mpr/news/re101460.htm

PRESCRIPTION DRUG TAKE-BACK DAY OCT. 29

Lane Public Safety and the Drug Enforcement Administration will give the public another opportunity to prevent pill abuse and theft by ridding their homes of potentially dangerous expired, unused and unwanted prescription drugs, on Saturday, Oct. 29 from 10 a.m. to 2 p.m. Bring your expired, unused and unwanted prescription medications for safe disposal to Building 19, Center for Meeting and Learning. The service is free and anonymous, no questions asked. No liquids, sharps or illicit drugs will be collected.

"We had a very good turn out last year and we have already received numerous phone calls for this year's event," says Jace Smith, Public Safety manager at Lane. "April 2011 was the first time that LCC Public Safety worked with the DEA on this effort. People liked the availability of the drop off and asked us to conduct the program again. This year several individuals and at least two agencies that serve others and have significant amounts of medications to dispose of have made inquiries. We expect a significant increase in drop offs this year," he says.

Medicines that languish in home cabinets are susceptible to diversion, misuse and abuse. Rates of prescription drug abuse in the U.S. are high, as are the number of accidental poisonings and overdoses. Studies show that a majority of abused prescription drugs are obtained from family and friends, including from the home medicine cabinet. National Prescription Drug Take-Back Day allows people to safely dispose of expired, unused and unwanted medications. Flushing them down the toilet or throwing them in the trash pose potential safety and health hazards. Congress passed the Secure and Responsible Drug Disposal Act in 2010. It allows an "ultimate user" of controlled substance medications to dispose of them by delivering them to entities authorized by the Attorney General to accept them. The DEA has begun drafting regulations to implement the act, a process that can take as long as 24 months. Until new regulations are in place, local law enforcement agencies like Lane Community College Public Safety and the DEA will continue to hold prescription drug take-back events every few months. For more information contact Jace L. Smith, Public Safety Manager, 5561.

MUSIC FACULTY PERFORM "PIANO MANIA" NOV. 1

On Tuesday, Nov. 1, concert goers will have the treat of hearing up to five pianos in concert at one time as the LCC music faculty presents their fall concert, "Piano Mania!" Performing will be Hung-Yun Chu, Larry Clabby, Sandy Holder, Genevieve Mason, Barbara Myrick and Matthew Svoboda. Music will be from composers as diverse as Brahms, Bach, Chopin and Hoagy Carmichael. The performance will take place in the Ragozzino Performance Hall, Building 6. Curtain is at 7:30 p.m. Tickets are \$10 general admission, \$8 for students, seniors and LCC staff. Advance tickets can be purchased at lanecc.edu/tickets or at the door the night of the performance. Submitted by John Watson, 5161, watsonj@lanecc.edu

OREGON DIVERSITY INSTITUTE NOV. 3

The ODI board, Lane Community College, and the University of Oregon invite everyone to the Oregon Diversity Institute 17th Annual Conference on Thursday, Nov. 3, at the UO. The keynote speaker will be Dr. Claude Steele, dean of education at Stanford University. Steele is recognized as a leader in the field of social psychology and for his commitment to the systematic application of social science to problems of major societal significance. His research focuses on the psychological experience of the individual and, particularly, on the experience of

threats to the self and the consequences of those threats. While at Stanford University, he further developed the theory of stereotype threat, designating a common process through which people from different groups, being threatened by different stereotypes, can have quite different experiences in the same situation. The theory has also been used to understand group differences in performance ranging from the intellectual to the athletic. Other speakers and performances include Meriah Heredia Griego, MCRP, and Rehearsals for Life. Cost is \$80 for general registration and \$50 for students and includes lunch. Some Lane student and staff scholarships are available. Contact Elizabeth Andrade at 5801 or Donna Koechig at 5307 for more information. Register online at tickets.uoregon.edu/odi

SPACES FILLING FOR RE-VISIONING LEARNING CONFERENCE NOV. 18

Spaces are filling up! Please register now for Re-Visioning Learning: A Strategic Directions Conference, Nov. 18, 9 a.m. to 3 p.m., in the Center for Meeting and Learning, Room 220. This workshop addresses the meaning of higher education in the community college by reviewing and revising Lane's core abilities. We will also discuss and practice the art of infusing courses and programs with common learning outcomes central to the educated person. Topics:

- discussing and re-visioning Lane's core outcomes
- infusing courses and programs with key outcomes

Refreshments and lunch will be served. Faculty may request substitute instructor coverage for their classes. Part-time faculty can submit a time sheet to claim a stipend for conference attendance. Enrollment is limited. Register online at bit.ly/pGUZdS For more information, see the conference website: www.lanec.edu/studentsuccess/coreLearningOutcomes/index.html or email breadenb@lanec.edu

CONTINUING EDUCATION/COTTAGE GROVE WELCOMES PAULA WESTGATE

We are excited to welcome new team member, Paula Westgate. Paula hails from the Center for Meeting and Learning/Culinary Arts and is the new program coordinator for Continuing Education and Cottage Grove. She has been at the CML since 2004 and held several positions from instructor to sales and marketing specialist. Before that, she owned and operated Oakway Wine and Deli from 1982-2003. Please join me in welcoming Paula to our team. You can contact her at 5944 when she joins us full time, on Oct 31. Contact: Jenette Kane.

LANE TO HELP HOMELESS AND LESS FORTUNATE COMMUNITY MEMBERS

Lane staff and students are starting to plan for this year's Free Whiteaker Community Thanksgiving Dinner for 2500 men, women, and children. Instructor Sue Thompson is starting our "Sleeping Bag Drive." Our goal is to have 325 30° sleeping bags that her team of Lane employees and friends will distribute during the dinner on Nov. 24. People can sponsor one or more bags for \$15-\$18 each. Tax-deductible checks may be made to Whiteaker Community Dinners. Donations may be sent or dropped off to Beverly Farfan at the Cooperative Education office, Building 19, Room 231, or Sue Thompson's mailbox in H&PE, Building 5, Room 205. Chef Clive Wanstall, Joe McCully and Brian Kelly of the Culinary Arts and Hospitality programs and students are planning the preparation of the delicious meal. Gee McKeegan from the Counseling Office is starting to collect the needed toiletries and warm clothing that will also be distributed during the dinner. For more information and how to get involved go to our website, www.wcdinner.org or contact Beverly Farfan, Cooperative Education faculty and Thanksgiving event coordinator, at 5395 or 541-912-2228 or farfanb@lanec.edu

LEARNING GARDEN'S RECORD HARVEST BENEFITS RENAISSANCE ROOM

The Learning Garden is harvesting record amounts of produce this fall and it is going directly to the Renaissance Room for their delicious menu items. Beets, winter squash, fingerling potatoes, tomatoes, salad greens, parsnips, carrots, broccoli, peppers and much more are at their prime.

The Renaissance Room is Lane's student-run restaurant located in the Center Building. Make a reservation at 3533 and take part in tasting our amazing fall harvest! Contact: Rosie Sweetman.

FIRST YEAR MATTERS NEEDS YOUR EXPERTISE

More than 100 two and four-year institutions have undertaken the Foundations of Excellence (FoE) self-study in an effort to build campus-wide appreciation for the foundation of undergraduate education--the first college year. Lincoln Land Community College in Illinois states, "One important theme that emerged from the FoE process was a clearly stated, widely vetted and publicized institutional philosophy that guides development of the learning environment for students in the first year." Do you want to help shape Lane's philosophy? Send an e-mail to FirstYearMatters@lanec.edu to volunteer or request more information. Contact: Lida Herburger.

SIGN UP FOR PERFORMING ARTS MAILING LIST

Did you know that you can get early notices about events in the Center for the Performing Arts? Simply email MDTA Marketing Specialist John Watson at watsonj@lanec.edu and ask to be added to the list. In addition to early notices about events, you'll be eligible for special discounts on select events throughout the academic year. Join the list and support performing arts at Lane.

KUDOS TO IT

Please join the IT Leadership Team in belated congratulations to our hard working IT staff and LETS student workers for completing the following projects over the summer in preparation for fall term. The staff who were instrumental in accomplishing these tasks are: Eric Andersen, Carl Best, Denise Brinkman, Dale DuVall, Dave Fors, Jon Fritz, Rodger Gamblin, Scott Hall, Charlie Patterson, David Peaslee, Phil Powers, Pat Seagrove, Josh Taylor, and Ardene Toney. Also, special thanks to LETS student workers for helping accomplish these tasks: Greg Baker, Daniel Williams and Mark Marney.

- ENHANCEMENTS and UPGRADES—**
- * IT Service Center – Extron programming for all new enhanced classrooms to ensure remote support capabilities
 - * DNS/DHCP Services Upgrade – At long last, we replaced our old DNS/DHCP server with two appliances which provides us high availability and provides redundancy helping to keep this functional 24/7/365.
 - * Symantec Anti-Virus/Anti-Spam Upgrades – We upgraded faculty/staff workstations that were still running the older version of Symantec to the new SEP (Symantec Endpoint Protection). Plus the version of SEP was upgraded on the server and pushed that version out which raises the level of workstation security to current levels.
 - * Novell Subscription Management Server – This new server was installed and configured to act as the download point for all Novell servers, protecting the Internet bandwidth from multiple servers downloading these updates. We can now update all servers with a single download.
 - * DataCenter Infrastructure Upgrades – We moved our virtual server presence to a Cisco blade server system, backed by a new, blazing fast NetApp storage array, all connected with next generation 10-gigabit connectivity. This provides Lane with a solid infrastructure base with unparalleled computing power and fault tolerance.
- This listing does not encompass everything that IT has been working on, but includes most of the main projects that were completed over the past two months. Submitted by the IT Leadership Team: Bill Schuetz, CIO and Banner Team; Brad Hinson, Academic Technology Team; Thad Cowdin, Infrastructure Services Team; and Barbara Barlow, IT Project Coordinator and Communications Liaison.

PROJECT UPDATES—

BUILDINGS 10 AND 11 REMODEL

Hyland Construction and their trades will continue to complete painting and other interior items this week. Details have been completed on the location and design of the outdoor kilns, and part manufacturing has begun on the parts needed to complete the installation. With having a late start on this part of the project the targeted completion date is the third week of November. Acoustical work inside the building has started and will continue for another week. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS PROJECT

Academic Building – All of the slab-on-grade has been placed except for the CML. The level two post-tensioned slabs will be complete at the end of the week. Level two shear walls and columns are approximately 20 percent complete. Metal framers are laying out walls on level one and began framing Monday, Oct. 17.

Housing Building – The wood framers have placed 90 percent of the walls on level two. Floor joists for level three are approximately 50 percent complete. Level three walls were delivered on Monday, Oct. 17. Plumbing risers from level one to level two are being installed. Contact Bob Mention, 5747.

LOOKING FOR A HOME FOR A VERY SWEET KITTEN (10-12 weeks old) and his momma. They are both black and white, super cute, and very sweet and affectionate. They are not yet spayed or neutered. They are free to a good home, and I'd like to find this new home asap. They unfortunately don't get along with our cat and they should probably go to a home where they are the only cats. Please email hartb@lanec.edu or call (541) 606-0733 for more info.`

BC TA TA CRUSADERS: Join us in our fight against breast cancer. You can help make a difference by supporting our team. Please go to our Facebook page or Google us. This is the 2nd annual Eugene Race For The Cure. Last year 7,000 turned out for this walk/run to raise funds to find a cure for breast cancer and for breast cancer research. The Susan G. Komen Foundation also provides medical services to those who do not have health insurance. For more information, please go to komenoregon.org. We have 5 cancer survivors on our team. One in eight women will be diagnosed with breast cancer in her lifetime. And breast cancer also affects men. We have raffle tickets available from our team members, and also available at the LCC Small Business Center or Paradise Oak Furniture in Eugene. Raffle tickets are available at \$5 each. The drawing will be held on Oct. 23rd and you do not need to be present to win. EVENTS THIS WEEK

DR. ANITA WEISS, professor and head of international studies at the University of Oregon, will speak in Center for Meeting and Learning, Room 220 on Tuesday, Oct. 25, from 1-2:50 p.m., on "The Impact of U.S. Drone Use and Foreign Policy on the Internal Politics, Culture, and Religious Dynamics Inside Pakistan." This lecture is sponsored by Lane's Initiative on Islam and Other Religions and is open to entire Lane community of students and staff. Dr. Weiss spends a great deal of time in Pakistan and she is extremely knowledgeable of what goes on there. Through her lecture and our questions we will hopefully gain a better understanding of the complexity of the situation in the zone of war that includes Afghanistan and Pakistan. Anyone even vaguely familiar with recent news is aware of how entangled this web of influences is. Dr. Weiss will try and help us see some of the individual threads and their interconnections more clearly. Please come and please encourage all of your students to attend. Submitted by Cliff Trolin.

INFORMATION SESSION ON FRENCH STUDY ABROAD FOR SUMMER 2012, Tuesday, Oct. 25, 2-4 p.m., Center 451. Encourage students to come to learn more about opportunities to study abroad in France in the summer of 2012. Questions? Contact Karin Almquist at almquistk@lanecc.edu or Jennifer Falzerano at falzeranoj@lanecc.edu

WOMEN'S SOCCER PINK OUT GAME, Wednesday, Oct. 26, 6 p.m., soccer field. Free, pink T-shirts to the first 200 spectators to help raise awareness about breast cancer. The American Cancer Society will be on hand to provide information, including special half-time speakers, and to accept donations. The Titans will take on the Clark College Penguins. For more information go online at: www.lanetitans.net/soccer-w/ Submitted by the editor.

OREGON INSTITUTE OF TECHNOLOGY outreach visit, Thursday, Oct. 27, 9-11 a.m., Building 16, Room 211. Faculty, staff, and students who have an interest in learning about the OIT Clinical Laboratory Science Program are welcome to attend this valuable question and answer session. The information provided will include OIT prerequisites, academic structure, externship sites, and application process. Submitted by Denise Elder, Science Division.

"SIGHTINGS" EXHIBIT LECTURE AND RECEPTION with Jefferson Goolsby, Thursday, Oct. 27, 3:30 p.m., Lane Art Gallery, Building 11, Room 119. Goolsby is an inter-media artist working in moving and still image, sound, performance, and interactive installation exploring themes of geographic and cultural displacement, globalization, and individual reckoning. His work has been presented throughout the United States and internationally including the Maine Center for Contemporary Arts Biennial; International Symposium on Electronic Arts 2008 (Singapore) and 2009 (Belfast); Jordan Schnitzer Museum of Art; and the Portland International Experimental Film Festival. The show runs through Nov. 10. For more information call Art and Applied Design at 5409.

"FOLD, SPIN, FALL" DANCE CONCERT, Friday and Saturday, Oct. 28 and 29, 7:30 p.m., Ragozzino Performance Hall, Building 6. The concert features a collection of new work by local and national dance and music artists. The work presented represents a broad range of artistic

expression, including film, dance and live music. Admission is \$10. Advance tickets are available online at lanecc.edu/tickets, or can be purchased at the door. For more information, go online at www.lanecc.edu/mpr/news/rel01460.htm Submitted by John Watson.

PRESCRIPTION DRUG TAKE-BACK DAY, Saturday, Oct. 29 from 10 a.m. to 2 p.m., Building 19, Center for Meeting and Learning. Prevent prescription drug abuse and theft by bringing your expired, unused and unwanted prescription drugs for appropriate, environmentally sound disposal. The service is free and anonymous, no questions asked. Sponsored by Lane Public Safety and the Drug Enforcement Administration. No liquids, sharps or illicit drugs will be collected. For more information contact Jace L. Smith, Public Safety Manager, 5561.

ANNOUNCEMENTS

FLORENCE CENTER AND IT WELCOME DAVID ARMSTRONG

LCC Florence and Lane IT departments are pleased to welcome David Armstrong as our technology technician at the Florence Center. David has 25 years of experience with technology support in educational, business and government settings. He previously worked at Oregon State University providing IT services to the athletic department, and also served in a similar position at the United States Military Academy in West Point, NY. More recently, David served the City of Florence as the director of IT and finance, and he continues to work with private clients through his consulting business. David is pleased to again be working in an educational environment. He is very active in the Florence community serving as a board member for Florence Food Share, board president of First Harvest Rotary District 5110 and as a district lay leader for the Oregon Conference of the United Methodist Church. Please join me in welcoming David to the Florence Center team. David can be reached at 4830 or armstrongdw@lanecc.edu .

We are also quite grateful for the help and support we received from Charlie Patterson over the past eight months in supporting the technology needs of the students, faculty and staff at LCC Florence. Submitted by Mary Jeanne Kuhar, 4805.

SCHOLARSHIP WORKSHOPS

It is scholarship season! Scholarship prep workshops for Lane students are being offered on the following Wednesdays at 3:30 p.m.: Oct. 26, Nov. 2, Nov. 9 and Dec. 9. brysonj@lanecc.edu or call 5164.

NEED ACCESS TO THE BANNER STUDENT MODULE?

If you are trying to arrange for a staff member to have first time or new access to the Banner Student Module/myLane forms, you just need to have the reporting manager for the position complete the Banner Student Module Student System Access Request form available at <http://www.lanecc.edu/cops/bannacc1.htm>

This will take you to the COPPS Information Technology: Banner Access Requests site and you'll look for the link in bold below in this sentence to find the form.

For access to the Student Module, please fill in the Banner Student System Access Request form and send the filled-in copy to Darlene Baker, bakerd@lanecc.edu, via email.

2011/12 WE CARE CAMPAIGN KICK OFF "FEEL THE POWER OF GIVING!"

This is the first official week of the campaign. Over the next six weeks, you will be hearing about our efforts in supporting Lane's Foundation and United Way of Lane County as we partner to raise awareness and financial support for these programs. Our goal this year is to raise \$110,000 and 50 percent employee participation. Last year, we raised \$106,000 with 45 percent participation, so we expect that we can meet the challenge this year. The community needs are great, and we hope that you will be able to make a pledge to help this very local effort. This year's We Care Committee members are co-chairs, Tiana Marrone-Creech and Jennifer Falzerano, committee members: Cathy Lindsley, Carol McKiel, Michael O'Neal, and Patty Parks.

YOU TOO CAN BE A WINNER...

Each week we will have a drawing for prizes donated by Lane's staff. Your Department Rep should have your pledge forms if you have not already received them. In order to participate, you must turn in your Employee Campaign forms with donation to your Department Rep or the Foundation Office by NOON on Friday to enter the weekly drawing for prizes.

This week's prizes include:

- * Auntie Phoebe's harvest apple pie donated by Phoebe Anderson, Co-op Education
- * Sweet Life gift certificate for \$15 donated by Carol McKiel, TRIO
- * Olive Garden gift certificate for \$20 donated by Kathy Lindsley, ALS/ESL
- * Eugene Farmer's Market token for \$20 donated by Jeanette Kane, Continuing Education
- * One Week Parking Pass donated by the Foundation Office

2011-2012 WE CARE CAMPAIGN KICK OFF: FEEL THE POWER OF GIVING

Our six-week fund-raising campaign for the Foundation and United Way began Oct. 24 and ends December 2. This week, Department Reps will attend campaign orientations and will pick up employee packets for staff and distribute them to their department employees at scheduled meetings or individually. Once again during the campaign, there will be drawings on Fridays for gifts donated by college staff. So, when you get your packet, be generous, have fun and remember the best way to give is from the heart! This year's campaign co-chairs are Tiana Marrone-Creech, Foundation, and Jennifer Falzerano, International Programs.

COMING TO AN E-MAIL BOX NEAR YOU...

On Oct. 31, you will be receiving your invitation to participate in the First Year Matters: Foundations of Excellence (FoE) Faculty/Staff survey. Survey responses are an important source of information for the FoE task force as we evaluate Lane's first year effectiveness and recommend appropriate institutional improvements. So please give us the treat of your expertise by completing the survey quickly. Submitted by Lida Herburger.

TEA AND TOPICS: TALK ABOUT YOUR TEACHING

Please join us on Wednesday, Nov. 9, from 3-5 p.m. in 2/213 for a conversation about "Teaching Core Outcomes and Student Success". Learn more about Lane's work on re-visioning its Core Learning Outcomes. (This conversation previews the "Student Success: Core Learning Outcomes" conference on Friday, November 19.) Light refreshments will be served and part-time faculty are eligible to receive a stipend for attending the Tea and Topics series. Find out more on our website: <http://lanecc.edu/lc/fresources/TeaAndTopics.htm>

"Tea and Topics" is sponsored by Learning Communities and the Title III Engaging Students grant. Submitted by Anne B. McGrail, 3317.

RE-VISIONING LEARNING STRATEGIC DIRECTIONS CONFERENCE

Make sure your department is represented at the Re-Visioning Learning Strategic Directions Conference, Nov. 18, 9 a.m. to 3 p.m., in the Center for Meeting and Learning, Room 220. The purpose of the workshop is to review and reshape Lane's core abilities for the 21st-century student in higher education. We will take this time to discuss what we have in place now and how that might be revised to capture more accurately the skills we want students to have when they leave our classes. Part of the workshop will focus on hands-on practice in structuring courses and programs to address common learning outcomes central to the educated person. Refreshments and lunch will be served. Faculty may request substitute instructor coverage for their classes. Part-time faculty can submit a time sheet to claim a stipend for conference attendance. Enrollment is limited and spaces are going fast. Register online at bit.ly/pGUZdS For more information, see the conference website: www.lanecc.edu/studentsuccess/coreLearningOutcomes/index.html or email Barbara Breaden at breadenb@lanecc.edu

SUSTAINABILITY COMMITTEE RECRUITING NEW MEMBERS

This is an exciting year for sustainability at Lane. We have a new and expanded Recycling Education Center, the solar station in parking lot B is feeding renewable electricity back into Lane's grid, our learning garden harvested over a ton of produce for Lane's kitchens last year, we have a climate action plan that we are beginning to implement, and Lane has five sustainability focused degree programs in which our students are enrolled! Be a part of this exciting work by joining Lane's Sustainability Committee. Meetings are the first and third Mondays of each month from 2:30-3:30 p.m. Location TBA. Please contact Jennifer Hayward via e-mail or at call 5594 to receive e-mail notifications about the meetings.

MUSIC FACULTY PERFORM "PIANO MANIA"

On Tuesday, Nov. 1, concert-goers will have the treat of hearing up to five pianos in concert at one time as the LCC music faculty presents their fall concert, "Piano Mania!" Performing will be Hung-Yun Chu, Larry Clabby, Sandy Holder, Genevieve Mason, Barbara Myrick and Matthew Svoboda. Music will be from composers as diverse as Brahms, Bach, Chopin and Hoagy Carmichael. The performance will take place in the Ragozzino Performance Hall, Building 6. Curtain is at 7:30 p.m. Tickets are \$10 general admission, \$8 for students, seniors and LCC staff. Advance tickets can be purchased at lanecc.edu/tickets or at the door the night of the performance. Submitted by John Watson, 5161, watsonj@lanecc.edu

OREGON DIVERSITY INSTITUTE

The ODI board, Lane, and the University of Oregon invite everyone to the Oregon Diversity Institute 17th Annual Conference on Thursday, Nov. 3, at the UO. The keynote speaker will be Dr. Claude Steele, dean of education at Stanford University. Steele is recognized as a leader in the field of social psychology and for his commitment to the systematic application of social

science to problems of major societal significance. His research focuses on the psychological experience of the individual and, particularly, on the experience of threats to the self and the consequences of those threats. While at Stanford University, he further developed the theory of stereotype threat, designating a common process through which people from different groups, being threatened by different stereotypes, can have quite different experiences in the same situation. The theory has also been used to understand group differences in performance ranging from the intellectual to the athletic. Other speakers and performances include Meriah Heredia Griego, MCRP, and Rehearsals for Life. Cost is \$80 for general registration and \$50 for students and includes lunch. Some Lane student and staff scholarships are available. Contact Elizabeth Andrade at 5801 or Donna Koechig at 5307 for more information. Register online at tickets.uoregon.edu/odi

“MEMORIES OF WAR, THE NEW GENERATION” EXHIBIT OPENS

The Lane Art Gallery presents “Memories of War, The New Generation,” through December 1, with a reception on Thursday, Nov. 3, from 5:30-7 p.m. The exhibit is part of the “Counterpoint 2011 War + Peace” series hosted by the Eugene Symphony and features work from all mediums by regional artists. Their works explore the viewpoints of the new generation of war and peace. The focus of the exhibition will be to exam the history of war and how it contrasts to the new world changes in the post 9/11 era. Exhibiting artists include Kate Ali, Susie Morrill, Andreas Salzman, Jennifer Salzman, Lee Imonen, Susan Lowdermilk, Jan Halvorsen, JS Bird, Satoko, Bob DeVine, Carrie O’Coyle, Alice Sundstrom, Anne Godfrey, Kristie Potwora, Dan Welton, Jeri Mrazek and Ellen Tykeson. The Art Gallery is in Building 11. The exhibit is in Room 103. There is no charge for admission. For more information call Art and Applied Design at 5409.

LANE TO HELP HOMELESS AND LESS FORTUNATE COMMUNITY MEMBERS

Lane staff and students are starting to plan for this year’s Free Whiteaker Community Thanksgiving Dinner for 2500 men, women, and children. Instructor Sue Thompson is starting our “Sleeping Bag Drive.” Our goal is to have 325 30° sleeping bags that her team of Lane employees and friends will distribute during the dinner on Nov. 24. People can sponsor one or more bags for \$15-\$18 each. Tax-deductible checks may be made to Whiteaker Community Dinners. Donations may be sent or dropped off to Beverly Farfan at the Cooperative Education office, Building 19, Room 231, or Sue Thompson’s mailbox in H&PE, Building 5, Room 205. Chef Clive Wanstall, Joe McCully and Brian Kelly of the Culinary Arts and Hospitality programs and students are planning the preparation of the delicious meal. Gee McKeegan from the Counseling Office is starting to collect the needed toiletries and warm clothing that will also be distributed during the dinner. For more information and how to get involved go to our website, www.wcdinner.org or contact Beverly Farfan, Cooperative Education faculty and Thanksgiving event coordinator, at 5395 or 541-912-2228 or farfanb@lanecc.edu

FACILITIES UPDATES

PROJECT UPDATES—

DOWNTOWN CAMPUS PROJECT

General: The project is still on schedule. EWEB has completed installing the primary water and fire lines to the building. Century Link (Qwest) has relocated its communication lines to new vaults and conduit in the alley and Charnelton Street.

Academic Building: Two sections of the post-tensioned concrete slab will have been placed by Friday. Level two shear walls and columns are approximately 85 percent complete. Metal framers are installing top and bottom wall track on level one.

Housing Building: Level three walls are approximately 40 percent complete and plumbing and sprinkler system rough-in has started on level two. Contact: Bob Mention, 5747

FACILITIES UPDATES—

HAVING KEYLESS ACCESS PROBLEMS? CALL PUBLIC SAFETY

If you encounter a problem with card reader doors that don't lock or unlock when they are supposed to, that don't appear to be operating properly, or if you have problems with your key card, please report the problem to Public Safety. Public Safety will evaluate the problem and send the information on to Facilities for action, if needed. Thank you for your cooperation. Contact Brian McMurray, 5829.

MOTOR POOL SERVICES

Remember that the motor pool is here to serve you Monday through Friday from 7:00 AM to 4:00 PM. Please allow time to check the condition of your vehicle and process any necessary paperwork. We can serve you best if you plan to arrive for your packet between 7:15 AM and 3:45 PM each day to allow for this little bit of extra attention. Remember to return your vehicle immediately at the end of your trip – someone else is often waiting to use it at the time noted on your reservation. For questions or concerns, you may contact motorpool@lanecc.edu or call Russ Pierson at extension 5727.

INDOOR TEMPERATURE GUIDELINES

We at Facilities Management and Planning understand the importance of a comfortable work and study environment and want to work with everyone to save energy and maintain comfort. With the change of season upon us this is an appropriate time to remind everyone of the indoor temperature guidelines, adopted in 2006 as part of the energy policy, and in an effort to balance a comfortable learning and working environment with energy conservation. We recognize that comfort varies for individuals, and have developed indoor temperature guidelines based on scientific studies to create comfortable conditions for the greatest number of students and staff.

* Warm Weather Month Guidelines: 74 to 77 degrees F

* Cool Weather Month Guidelines: 68 to 73 degrees F

* Ancillary Space (Hallways, Lobbies, and Stairwells): 63 to 82 degrees F

During transition months, such as October and April, guideline ranges expand to 68 to 77.

These expanded ranges also apply during extreme weather conditions and periods of high electric demand. Guidelines are applied during normal business hours.

Staff and students are encouraged to wear clothing that can be adjusted to maintain personal comfort.

If you feel that temperatures are too high, (higher than 78 degrees F), or too cool, (lower than 68 degrees F), in your area please contact Facilities Management and Planning at extension 5216 or e-mail at facilitiesoffice@lanecc.edu. Contact Dave Willis, 5566.

HOST FAMILIES NEEDED FOR CHILEAN HIGH SCHOOL STUDENTS: Oregon Adventure, an organization that promotes educational exchanges, is looking for Eugene families to host high school students from Chile from Nov. 19 to March 8. The students are excited about their first experience in the USA and are spending their summer vacation visiting Oregon to get to know school and family cultures and make friends. Becky Haskins of Oregon Adventure says "The most important thing is they just want to be 'one of you' and not a guest or someone requiring extra work and attention. They are excellent students at home and want to broaden their education through this English immersion experience in Oregon." If you are interested in hosting, please contact Becky Haskins (becky@oregonadventure.com), 541-686-2620, or Ashley Haskins (ashleydhaskins@gmail.com), 541-896-1710 for more information and details.

SOUTH AFRICAN Jewelry and Craft show on Wednesday, November 15th from 5:30 - 7:30 in Springfield. We will have a variety of wonderful hand-crafted items including beautiful beaded necklaces, earrings, and bracelets, enchanting beaded animals and holiday ornaments, and superbly embroidered cards, bookmarks, and magnets. All items were hand-made by Zulu women in employment projects in an area of South Africa struggling with one of the highest HIV infection rates in the world, as well the long-standing effects of apartheid, poverty, and unemployment. All the crafts are reasonably priced and make unique gifts and with 100% of the proceeds go to support Thembanathi, a non-profit. Thembanathi has been supporting Holy Cross AIDS Hospice, who in addition to operating a hospice and clinic for adults and children, provides services to nearly 2800 children and 1200 families. This year Thembanathi is excited to be supporting a new community who is working to begin a childcare center to fill a critical need for both young children and families trying to make a better life. You can read more about Thembanathi at www.thembanathi.org. RSVP for directions to Hosted by Katherine Vos. RSVP and get address of event: kgvos@2.com or call 541-653-8616.

LOOKING FOR A HOME FOR A VERY SWEET KITTEN (10-12 weeks old) and his momma. They are both black and white, super cute, and very sweet and affectionate. They are not yet spayed or neutered. They are free to a good home, and I'd like to find this new home asap. They unfortunately don't get along with our cat and they should probably go to a home where they are the only cats. Please email hartb@lanecc.edu or call (541) 606-0733 for more info.

NEWS AND ANNOUNCEMENTS

OREGON CONSORTIUM GRANT BRINGS \$2 MILLION FOR JOB TRAINING

Lane will receive \$1.7 million in Department of Labor grant funds for job training for unemployed and under-employed workers, and those eligible for Trade Act Adjustment benefits. The college will use the funds to help eligible students to complete a degree or certificate program and to expand career pathways certificate options in emerging industries and occupations. The grant also will allow the college to add career coaches to enhance student services and increase ways to award credit for prior learning. Dawn DeWolf, division dean of Workforce Development at Lane, will direct the program.

"We will train more than 350 students for high demand jobs in aviation, computer information technology, health professions, and advanced technology careers," she said. "Career advisors will help ensure that participants complete a credential or degree and find a job to meet industry demand.

The funds are part of a three-year, \$18.7 million grant awarded to the Oregon CASE Consortium through the Trade Adjustment Assistance for Community College and Career Training grant program of the U.S. Department of Labor and the U.S. Department of Education. CASE is an acronym for Credentials, Acceleration, and Support for Employment. The consortium includes all of Oregon's 17 community colleges. For more information contact Dawn Dewolf.

MARK RICHARDSON NAMED FACILITIES PLANNER II

It is with a sense of profound relief that Facilities, Management and Planning is very pleased to announce that Mark Richardson has joined our Facilities Team as the new Facilities Planner II (Maintenance Trades Coordinator). Please welcome Mark to his new role. Mark brings many years of large construction project experience, a vast knowledge of trades technologies and methods, and proven project success here at the college. Mark successfully completed several large deferred maintenance and bond projects as the "Project Coordinator." These projects include the Building 4 and 5 major renovations and addition of the dance studio, the new track and soccer fields, new roof replacement projects on several buildings, and the recent Building 10 and 11 renovations. Many thanks to Todd Smith, Russ Pierson, LynnMarie Chowdhury, Marilyn Walker, Kathy Torvik, Kevin Williams, Carl Hassman who all served on the hiring committee. Contact: David L. Willis.

ACADEMIC AND STUDENT AFFAIRS WELCOMES SARA FOX

Sara Fox joins the Academic and Student Affairs team on November 1 as an administrative coordinator in the role previously held by Tana Stuart. Sara comes to Lane from California Northstate College of Pharmacy where she served as the experiential education program

coordinator since 2008. She will be supporting the Code of Conduct and Formal Student Complaint Processes and all of the various projects and programs overseen by the ASA team along with supporting Helen Garrett. Tana now assists Bill Schuetz, Chief Information Officer, and maintains the web pages for ASA. Contact: Helen B. Garrett, 5725.

LIBRARY HAS NEW ENVIRONMENTAL DATABASE

LCC Library has acquired a great new environmental database. GREENR (Global Reference on the Environment, Energy, and Natural Resources) covers sustainability, green technologies and the environment. GREENR includes refereed case studies, articles from academic journals and magazines, news, statistics, podcasts, and more. It covers science, international studies, business, law, politics, and other disciplines. With the college's growing commitment to sustainability, this should be invaluable to both students and teachers. Check it out at <http://www.lanecc.edu/library/find/research.php> Contact: Don Macnaughtan at macnaughtand@lanecc.edu

SPECIALIZED SUPPORT SERVICES IS EXPANDING

We are now conducting vocational evaluations for individuals with disabilities to assess work skills, abilities and interests. We are looking for sites on campus where we can conduct these vocational assessments. Some of the tasks we need are sorting, filing, job shadowing, organizing, and anything that looks like a job to do. We also have need for trades and basic work skill sites. There is a strong emphasis on clerical work, but any job site would be useful. The best part of these assessments is they provide free workers to get jobs done that you just don't have the time to do yourself. These assignments can last from one day to four weeks. The individuals performing the tasks will have a job coach with them to perform the assessment. If you are interested or would like more information, please contact Stormy George at georges@lanecc.edu or 5093.

PUBLIC SAFETY NEWSLETTER ONLINE

The latest edition of the "Safer Campus" newsletter is online now. This is a double issue that includes news, crime information, prevention tips, two officer profiles, and many other features! Check it out at: <http://lanecc.edu/psd/newsletter/newsletter.pdf> Contact: Jace Smith.

WE CARE CAMPAIGN "FEEL THE POWER OF GIVING" UPDATE

We are pleased to announce that after our first week in the campaign we have raised \$53,228 in pledges for the Foundation and United Way! Thank you so much for your generosity to the sustainers who continuously give on a regular basis and to everyone else who pledged so soon in the campaign. When you donate \$10/pay period to the Foundation, it covers the cost of 2-3 books or lab equipment, shoes and uniform for a nursing student. \$10/pay period can pay for two month's rent for a family at risk of homelessness through United Way. Please know that any amount is welcomed as these are truly challenging times in our local community. If you have any questions, contact your Department Rep or the Foundation Office.

YOU TOO CAN BE A WINNER...Each week during the campaign we have Friday drawings for prizes donated by Lane's staff. In order to participate, you must turn in your Employee Campaign forms with donation to your Department Rep or the Foundation Office by noon on Friday to enter the weekly drawing. Your Department Rep should have your pledge forms if you have not already received them. This week's prizes include:

- * Gift Card for 2 movies (\$10) at Cinemark – Donated by Janet Anderson, Foundation
- * Lane Dining Card (\$10) – Donated by Deron Fort, HS Connections/Co-op Ed
- * Bottle of Wine (The Four Graces – Donated by Nancy Hart, CFE/Disability Resources
- * Working Hands Signed Book – Donated by Rick Williams, Art & Arts Applied Design

* Gift Card Starbucks (\$10) – Donated by Dawn DeWolf, ABSE/Workforce
AND THE WINNER IS....

Our first week's "Feel the Power" winners are:

* Jim Salt, Social Science - Won a \$20 Olive Garden Gift Card donated by Cathy Lindsley, ASL, Tutoring, ESL.

* Helen Park, ABSE - Won Auntie Pheobe's Harvest Apple Pie donated by Pheobe Anderson, Co-operative Education

* Colin Vurek, SSS - Won a \$15 Sweet Life Patisserie gift card donated by Carol McKiel, Trio STEM

* Celia Maximin, Continuing Education/Cottage Grove - Won a \$20 in Farmer's Market tokens donated by Jenette Kane, Continuing Education/Cottage Grove

INVITATION TO EXHIBIT "RED, RED THE COLOR OF WARM"

The David Joyce Gallery, located on the second floor of the Center for Meeting and Learning, is currently accepting art proposals for its winter exhibit, "Red, Red the Color of Warm." The show is based on color theory with culinary and hospitality themes. The gallery accepts proposals in a variety of mediums from artists in the area as well as art students, staff, and faculty from Lane, UO, OSU, and other neighboring colleges and universities. The winter exhibit will run from Friday, December 30, 2011 to Monday, March 26, 2012. The deadline for submission is Monday, November 7. If you are interested in submitting a proposal, please contact Julie Fether at fetherj@lanecc.edu for more information.

TEA AND TOPICS: TALK ABOUT YOUR TEACHING

Please join us on Wednesday, Nov. 9 from 3-5 p.m. in 2/213 for a conversation about "Teaching Core Outcomes and Student Success." Learn more about Lane's work on re-visioning its Core Learning Outcomes. This conversation previews the "Student Success: Core Learning Outcomes" conference on Friday, Nov. 19. Light refreshments will be served and part-time faculty are eligible to receive a stipend for attending the Tea and Topics series. Find out more on our website: <http://lanecc.edu/lc/fresources/TeaAndTopics.htm>
"Tea and Topics" is sponsored by Learning Communities and the Title III Engaging Students grant. Submitted by Anne B. McGrail, 3317.

EAS SYSTEM TO BE TESTED NOV. 9

On Wednesday, Nov. 9 at 11 a.m., citizens will hear on their radios and see on their televisions a test of the Emergency Alert System (EAS). The test will last approximately three minutes. Normal programming will return following the test. This is a nationwide test organized by the FCC and the Federal Emergency Management Agency (FEMA). This test will be different than in the past by using a "live" national alert code, i.e., a coded message that will present itself as an actual emergency announcement, not a test. This will allow FCC and FEMA to test the actual working order reliability of legacy EAS equipment and the state of readiness of EAS operators and participants. Television stations are being encouraged to run a scroll at the bottom of the screen stating that it is just a test. Oregon Office of Emergency Management (OEM), FEMA, broadcasters, NOAA and other agencies are diligently trying to get the word to people that this is, in fact, a test. Often, citizens who are unsure of whether the alert is real or a test, place calls to 911 which tie up the phone lines for legitimate emergencies. If anyone has questions about the test, please do not call 911. Please tell your neighbors and friends about this test so that Oregonians will be the most informed of all the states and will not be caught off guard by this unusual test of the EAS equipment. More information is online at www.fema.gov/emergency/ipaws/eas_info.shtm

PRINT SHOP ANNOUNCES DEADLINES FOR 2011/12

The deadline for submitting winter term instructional packets to Printing/Graphics is Nov. 10. Handouts needed for the first day of winter term classes should be submitted by Dec. 2. Subsequent deadlines for the 2011/12 academic year are as follows:
Spring term: Packets to Printing/Graphics by Feb. 10.
First-day materials are due March 16.
Observing these deadlines assures timely production of your materials by the print shop and processing by the TitanStore (bookstore). Questions? Contact Tom Johnson, 5373.

STUDENT ORIENTATION FOR WINTER

SOAR (Student Orientation, Advising, and Registration) for new winter 2012 students will take place on both Friday, Nov. 18 and Friday, Dec. 2. We are anticipating 700-1000 new students for winter term. If your department has resources or information that you would like advertised at SOAR (in addition to those listed on the New Student Resources website <http://lanecc.edu/counseling/newstudentresources.html>) please send materials to the Counseling Department in Building 1, Room 103 before Nov. 10. Extra materials provided will be saved for future SOAR events. Contact Cindy Lott, Counseling, 5232.

RE-VISIONING LEARNING STRATEGIC DIRECTIONS CONFERENCE

Twenty spaces remain for the Re-Visioning Learning Strategic Directions Conference on Nov. 18, 9 a.m. to 3 p.m., in the Center for Meeting and Learning, Room 220. Our goal is to review and reshape Lane's core abilities for the 21st-century student in higher education. The conference planning team intends to offer you a hands-on workshop on forming learning outcomes and then putting them into practice. Refreshments and lunch will be served. Faculty may request substitute instructor coverage for their classes. Part-time faculty can submit a time sheet to claim a stipend for conference attendance. Register online at bit.ly/pGUZdS For more information, see the conference website: www.lanecc.edu/studentsuccess/coreLearningOutcomes/index.html or email Barbara Breden at bredenb@lanecc.edu

LANE TO HELP HOMELESS AND LESS FORTUNATE COMMUNITY MEMBERS

Lane staff and students are starting to plan for this year's Free Whiteaker Community Thanksgiving Dinner for 2500 men, women, and children. Instructor Sue Thompson is starting our "Sleeping Bag Drive." Our goal is to have 325 30° sleeping bags that her team of Lane employees and friends will distribute during the dinner on Nov. 24. People can sponsor one or more bags for \$15-\$18 each. Tax-deductible checks may be made to Whiteaker Community Dinners. Donations may be sent or dropped off to Beverly Farfan at the Cooperative Education office, Building 19, Room 231, or Sue Thompson's mailbox in H&PE, Building 5, Room 205. Chef Clive Wanstall, Joe McCully and Brian Kelly of the Culinary Arts and Hospitality programs and students are planning the preparation of the delicious meal. Gee McKeegan from the Counseling Office is starting to collect the needed toiletries and warm clothing that will also be distributed during the dinner. For more information and how to get involved go to our website, www.wcdinner.org or contact Beverly Farfan, Cooperative Education faculty and Thanksgiving event coordinator, at 5395 or 541-912-2228 or farfanb@lanecc.edu

TERM'S END SHAKESPEARE SHOWCASE

The Term's End Shakespeare Showcase will be held Saturday, Dec. 3, shows at 2 p.m. and 7 p.m., Blue Door Theatre, Building 6. This free event includes live music and is a community collaboration directed by Sparky J. Roberts. Donations are welcome for sustenance of the Student Productions Association. Limited to age 10 and older. For more information call 5761 or e-mail motherwit@gmail.com

FACILITIES UPDATES

BUILDINGS 10 AND 11 REMODELS

Hyland Construction extended the schedule and work continues to complete minor punch list items remaining on the Buildings 10 and 11 remodel projects. This week their crews have been scheduled to complete the installation of the Art Department kilns on the south side of Building 10. Delivery of some materials necessary to complete the installation is expected to arrive on Thursday Nov. 3. Once installation of the kilns is complete, crews will begin the process to install the kiln hoods and vent pipes that will be routed above the roof of the building. The kiln hoods and vent pipe installation will take three weeks to complete. Most items listed on the punch list for the inside of the building have been completed. Items remaining on the outside of the building are mainly painting and the weather has proven to be an issue when scheduling to complete this work.

Interior wayfinding signs for Building 10 are on order and installation of the signs is scheduled to begin the week of Nov. 14.

DOWNTOWN CAMPUS PROJECT

General: Project remains on schedule and within budget.

Housing building: Delivery and installation of wood wall panels continues. Erection of fourth floor wall panels begins this week as well as the installation of fire sprinklers and plumbing lines.

Academic building: Third floor walls and columns are being formed as is the fourth floor slab. Rough in begins of mechanical, electrical and plumbing infrastructure. Contact Bob Mention, 5747.

BEAUTIFUL HENDRICK'S PARK AREA HOME with 3 bedrooms and huge living/family room, about 1400 square feet, \$790 a month. Gardener provided. Free high speed internet and cable. Merrill Watrous ext 5423.

A GREAT VACATION GET AWAY, with very reasonable rates, is found at the BLK Beach House in Florence. Not only that, you can bring your dog for free. This is a newer manufactured home in great condition with a spacious open living room, 2 bedrooms, 1 bath, and the kitchen is supplied with everything you need: pots, pans, microwave, coffee pot, toaster and more. There is a queen size bed in one bedroom and twin and full size beds in the other room. The backyard is fenced in. It's a five minute walk to the beach. This is our home away from home and rented only to select clientele (like Lane employees) and guests are on the honor system to respect our home. The rates are very reasonable, in part because you are expected to clean up after yourself upon departure. There's a two night minimum and rates are \$62 night for two people, add \$3/night per person beyond two people. Call Wendy Simmons at 431-1277 or email her at wsimmons@efn.org for more information.

HOST FAMILIES NEEDED FOR CHILEAN HIGH SCHOOL STUDENTS: Oregon Adventure, an organization that promotes educational exchanges, is looking for Eugene families to host high school students from Chile from Nov. 19 to March 8. The students are excited about their first experience in the USA and are spending their summer vacation visiting Oregon to get to know school and family cultures and make friends. Becky Haskins of Oregon Adventure says "The most important thing is they just want to be 'one of you' and not a guest or someone requiring extra work and attention. They are excellent students at home and want to broaden their education through this English immersion experience in Oregon." If you are interested in hosting, please contact Becky Haskins (becky@oregonadventure.com), 541-686-2620, or

Ashley Haskins (ashleydhaskins@gmail.com), 541-896-1710 for more information and details.``

SOUTH AFRICAN Jewelry and Craft show on Wednesday, November 15th from 5:30 - 7:30 in Springfield. We will have a variety of wonderful hand-crafted items including beautiful beaded necklaces, earrings, and bracelets, enchanting beaded animals and holiday ornaments, and superbly embroidered cards, bookmarks, and magnets. All items were hand-made by Zulu women in employment projects in an area of South Africa struggling with one of the highest HIV infection rates in the world, as well the long-standing effects of apartheid, poverty, and unemployment. All the crafts are reasonably priced and make unique gifts and with 100% of the proceeds go to support Thembanathi, a non-profit. Thembanathi has been supporting Holy Cross AIDS Hospice, who in addition to operating a hospice and clinic for adults and children, provides services to nearly 2800 children and 1200 families. This year Thembanathi is excited to be supporting a new community who is working to begin a childcare center to fill a critical need for both young children and families trying to make a better life. You can read more about Thembanathi at www.thembanathi.org. RSVP for directions to Hosted by Katherine Vos. RSVP and get address of event: kgvos@2.com or call 541-653-8616.``

EVENTS THIS WEEK

EMERGENCY ALERT SYSTEM nationwide test, Wednesday, November 9, 11 a.m. Pacific. This test of the EAS is organized by the FCC and the Federal Emergency Management Agency (FEMA). All TV, radio and satellite media will be interrupted for about 30 seconds with tones and audio while the system is tested. It will seem real, but in fact, it will only be a test. Do not call 9-1-1. Find out more on YouTube at http://www.youtube.com/watch?v=oSpH2_CyQmE or FEMA online at www.fema.gov/emergency/ipaws/eas_info.shtml Contact: Dawn Barth, Emergency and Risk Management Analyst.

PETER DEFAZIO of Oregon's 4th Congressional District will speak to Steve Candee's US Government & Politics class on Wednesday, November 9, from 10-10:50 a.m., in Center 401. Guests welcome; contact Candee at 5188.

YOU'RE INVITED TO HERMAN WELA'S RETIREMENT PARTY: Herman has been a familiar face at Lane for many years. He started in 1987 with Campus Ministry; in 1990, he became a Union Courier, and for the past seven years he has worked with Specialized Support Services through the Senior Companion Program. Herman has been that engaging face and voice who has supported our student workers with respect, humor, and Hawaiian wisdom. Please join us as Herman moves on to retirement. Drop by Wednesday, November 9, Bldg. 11, Room 131 (Specialized Support Services's new office) from 2:30-4:00 p.m. for refreshments and sharing well wishes to Herman as he starts a new chapter in his life.

THIS WEDNESDAY! TEA AND TOPICS: TALK ABOUT YOUR TEACHING, Wednesday, November 9, 3-5 p.m., in 2/213. Please join us for a conversation about "Teaching Core Outcomes and Student Success." Learn more about Lane's work on re-visioning its Core Learning Outcomes. (This conversation previews the "Student Success: Core Learning Outcomes" conference on Friday, November 19th.) Light refreshments will be served and part-time faculty are eligible to receive a stipend for attending the Tea and Topics series. Find out more on our website: <http://lanecc.edu/lc/fresources/TeaAndTopics.htm> "Tea and Topics" is sponsored by Learning Communities and the Title III Engaging Students grant. Contact: Anne B. McGrail, 3317.

NEWS AND ANNOUNCEMENTS

TITANS TAKE NWAACC CHAMPIONSHIP, MEDAL

The Titan Men's and Women's Cross Country squads traveled up to Oregon City on October 29 for the NWAACC Southern Region Championships at Clackamas Community College. The men had five runners in the top-10 and claimed the team title. The women placed two runners in the top-5, with Gylany Crossman capturing the women's overall title. The Titans head to Everett, WA, to compete for the NWAACC league titles on November 12. Please read The Register-Guard story from Lane's home page at www.lanecc.edu Submitted by John Scholl, head cross-country coach.

LINDA ACKERS NAMED EMPLOYEE OF THE MONTH

Story and photo online at <http://lanecc.edu/mpr/success/story77.htm>

Kudos and congratulations go to November's Classified Employee of the Month – Linda Ackers in the Library. Representatives of the Classified Professional Development Team joined staff in the Library to present Linda with the EOM award for November 2011. Linda is the kind of employee who sets the bar high at Lane. She has a deep understanding of Lane's culture and vision, and she contributes tremendously to the library's meeting its instructional and service goals. She is passionately committed to serving students, and is dedicated to library principles of privacy, access to information, and intellectual freedom. Linda is expert in her field, and constantly seeks ways to improve the library's web presence and services for students. Because of Linda, the library's website is very well regarded among community colleges in our region. She keeps the library's web services humming, from library databases to video tutorials. It is Linda who makes it possible for our students, staff, and faculty to access online library resources day or night. She thinks ahead and takes initiative to solve problems almost before they happen. Not only is she a linchpin in the library, but she contributes to cross-campus initiatives and committees such as the Tech Council. Outside the college, she has made important contributions to furthering the strategic directions of the Orbis Cascade Alliance, an organization that is key to the success of our library and those of our peer institutions. When you see Linda, congratulate her for doing a terrific job and celebrate her nomination as November's Classified Employee of the Month. And remember that, you too, can help us to recognize exemplary classified employees by nominating them for this award by the 15th of each month. Nomination forms are available: 1) on the CPDT website: <http://www.lanecc.edu/cpdt/recognition/eominfo.html> or 2) from Elaine Marsh, IRAP, marshe@lanecc.edu

P/G WELCOMES NEIL ISAACSON

Printing and Graphics department is pleased to welcome Neil Isaacson to Lane Community College as our newest Graphic Artist. Neil comes to Lane Community College with 25 years of experience in the graphic artist and publishing world. His most recent job was working at Harvest House Publishers in Eugene, Oregon as a book designer. Before that Neil spent 17 years working for the Springfield Public Schools district as a graphic designer with many responsibilities that have accustomed Neil to the public sector educational workplace. Many of you at Lane Community College have worked with Neil in the past on some freelance projects that he has done for the college over the years. In his spare time Neil is active in the world of music playing in TotalHip, a blues/R&B band; RedWing, an old-time fiddle group; and the Emerald Valley Opry, whose proceeds support the Willamette HS music program. Please join me in welcoming Neil to Lane Community College. He can be reached at isaacsonn@lanecc.edu or 5674. Submitted by Tony Sanjume.

LANE IS WEST COAST PARTNER IN NEXT GENERATION LEARNING CHALLENGES GRANT

Lane is a partner in Central Piedmont Community College's Next Generation Learning Challenges Grant from Gates Foundation and Educause. The project was profiled in Chronicle of High Education at <http://chronicle.com/article/7-Community-Colleges-Try-an/129605>

As a partner, Lane will receive several online tools to help developmental students succeed, including an online learning styles inventory and an online personality profile, similar to the Myers-Briggs Inventory. The tools provide students with information on how they can use their strengths to become successful students. Other tools include an early alert and referral system that instructors and advisors can use together to support student success.

A team from Lane went to Central Piedmont in Charlotte, NC, twice to learn about these systems that CPCC developed as part of their U.S. Department of Education Title III grant. Next Generation Learning Challenges grants focus on using already developed tools and strategies and applying them in new contexts. Funds from the grant support the staff travel as well as a small amount for instructors' involvement.

Lane is the only West Coast college in the project. Lane's grants office collaborated with CPCC in the application and Lane's Academic Learning Skills, Advising and Counseling, Instructional Technology and Institutional Research and Planning departments are working together to support Lane's involvement in the NGLC effort. Contact: Cathy Lindsley.

OSAA THANKS

Thank you to everyone who helped make the Annual OSAA State High School Cross Country Championships a success. We really appreciate the campus-wide support, and appreciate everyone's patience during this massive special event. We had over 4,000 spectators and athletes, with nearly 100 Oregon high schools represented. Special thanks to our Facilities Department, Public Safety, Grounds Crew, Custodial, and all of the campus-wide volunteers. Next year's date is November 3, 2012. Grady O'Connor, Meet Director, ext. 5550.

DOES LANE CC NEED A STREAMING VIDEO SERVER?

Ian Coronado, faculty technology specialist, discusses the pros and cons and asks for faculty input in his blog post on the ATUDE (Academic Technology Used to Deliver Education) blog. Please take a moment to quickly survey the pros and cons and to chime in with your two bits worth. Go online at: pln.lanecc.net/atude/ Contact: Sandy Jensen.

IT TO DELETE BLACKBOARD COLLABORATE AND/OR ELLUMINATE LIVE RECORDED SESSIONS

Instructors: At the end of the current term we will be removing all recorded sessions (Blackboard Collaborate and/or Elluminate Live) from our current server in order to decrease the size of our data file in order to increase server performance.

This process will be repeated at the end of each term. Each term you will also need to convert and retain your recorded sessions into a playable format. You may email the ATC and request for the files to be transferred to your media server account. Or you may convert the files yourself if you need a faster turn around time. Please allow a minimum of two weeks for the ATC to process your request.

If you choose to request the ATC to convert your sessions for you please provide the ATC with the following information:

- * Instructor name
- * CRN where recording is located (if in Moodle)
- * Title of recording
- * Date recording was created
- * Media server account where you would like recording located

If you would like to learn how to convert the files personally you may learn how to at one of our Blackboard Collaborate workshops. ATC workshops schedules are found here.

You may learn more about what Elluminate Publish can do by reading the Publish Brochure. Please note: If you choose not to request your recordings to be saved not have access to these files after following each term. Submitted by Kevin Steeves, Learning Management Administrator.

MOMENT EXTENDS SUBMISSION DEADLINE

Do you have a teaching idea you're trying out, an essay you've been working on, a poem you're finishing, a project you've been working on with colleagues? If so, there's still time to submit something to The Community College Moment. We are extending our deadline for submissions to November 14. For submission details, please see our website at <http://lanecc.edu/ccmoment/submissions.html> . For questions, please contact Russell Shitabata at Moment@lanecc.edu. Contacts: Russell Shitabata and Ben Hill, editors.

YOUR OPINION MATTERS

Of those who have responded to Lane's faculty/staff Foundations of Excellence survey, 30.6 percent feel there are adequate resources for extracurricular activities for our students. Do you agree or disagree? Tell us what you think by completing the survey. Your link to the survey is unique and first came to you from the First Year Matters e-mail address on October 31 with a reminder notice sent on November 3. Your voice is unique and we need your help to improve the learning environment for our students. For more information about the First Year Matters: Foundations of Excellence, contact Mary Parthemer at parthemerm@lanecc.edu or Ken Murdoff at murdoffk@lanecc.edu or Lida Herburger at herburgerl@lanecc.edu

PACIFIC SOURCE MAY HAVE SENT FLU SHOT CHECK IN ERROR

Notice to employees covered by Pacific Source insurance for flu vaccine: A reminder, you are not responsible for the cost of your LCC flu shot. However, you may be receiving a \$25 check mailed to you in error from PacificSource Health Insurance. PacificSource asks that you return the check to them. If you have already cashed the check, PacificSource will be contacting you for reimbursement. If you have further questions, please contact PacificSource Customer Service directly. WELCOME TO LANE'S CHILD AND FAMILY CENTER

The Lane Child and Family Center is a state licensed preschool/child care program serving students, staff, and the community. The Center is open Mondays through Fridays, 7:00 a.m.- 5:30 p.m., and consists of five classrooms serving children ages 30 months through 5 years old. The center offers flexible full-or part time schedules to meet family's needs for childcare. We provide engaging opportunities for children to explore, discover and experiment with a wide variety of materials in a safe and emotionally responsive environment.

The Child and Family Center is also a teacher preparation school and parent cooperative. We are staffed by professionally trained teachers and enhanced by students teachers enrolled in the Early Childhood Education program and parents Co-oping. Our low caregiver-to-child ratios allow individual attention for each child and a variety of activities for children on a daily basis. Call or come by the office for additional information. Submitted by Cecilia Justina.

LANE TO HELP HOMELESS AND LESS FORTUNATE COMMUNITY MEMBERS

Lane staff and students are starting to plan for this year's Free Whiteaker Community Thanksgiving Dinner for 2500 men, women, and children. Instructor Sue Thompson is starting our "Sleeping Bag Drive." Our goal is to have 325 30° sleeping bags that her team of Lane employees and friends will distribute during the dinner on November 24. People can sponsor one or more bags for \$15-\$18 each. Tax-deductible checks may be made to Whiteaker Community Dinners. Donations may be sent or dropped off to Beverly Farfan at the Cooperative Education office, Building 19, Room 231, or Sue Thompson's mailbox in H&PE, Building 5, Room 205. Chef Clive Wanstall, Joe McCully and Brian Kelly of the Culinary Arts and Hospitality programs and students are planning the preparation of the delicious meal. Gee McKeegan from the Counseling Office is starting to collect the needed toiletries and warm clothing that will also be distributed during the dinner. For more information and how to get involved go to our website, www.wcdinner.org or contact Beverly Farfan, Cooperative Education faculty and Thanksgiving event coordinator, at 5395 or 541-912-2228 or farfanb@lanec.edu

The Term's End Shakespeare Showcase will be held Saturday, December 3, shows at 2 p.m. and 7 p.m., Blue Door Theatre, Building 6. This free event includes live music and is a community collaboration directed by Sparky J. Roberts. Donations are welcome for sustenance of the Student Productions Association. Limited to age 10 and older. For more information call 5761 or e-mail motherwit@gmail.com

2011-2012 WE CARE CAMPAIGN "FEEL THE POWER OF GIVING" UPDATE

This is the third week of the campaign, and we are almost at the halfway point! A quick update on the total dollars pledged: Foundation: \$53,348 and United Way: \$12,060 for a combined total of \$65,405. THANK YOU! That's an amazing mid-way point.

By now, your pledge sheet should be available in your department. Some of you may have already had meetings with Foundation and United Way staff and heard compelling stories about how your pledges make a huge difference in these challenging times. If you'd like to hear first-hand how it makes a difference to two of our own Scholarship recipients, click on the following YouTube links and hear their stories. It only takes a few minutes: Heather Schultz, Business, www.youtube.com/watch?v=ASRf9O01D-4 & Jason Winkler, Physical Therapy Assistant, www.youtube.com/watch?v=Qn7icFL8Khl. For \$5/pay period, your United Way pledge can provide four weeks of food for a mother and two children residing in a domestic abuse shelter or purchases prescription discount coupons for 3,000 uninsured people. Remember, you do make a difference in our local community.

YOU TOO CAN BE A WINNER...

Each week during the campaign we have Friday drawings for prizes donated by Lane's staff. In order to participate, you must turn in your Employee Campaign forms with donation to your Department Rep or the Foundation Office. This week because of the Veteran's holiday, the drawing will be held on THURSDAY, November 10th. Please turn in your pledge sheets by NOON on THURSDAY to enter the weekly drawing. Your Department Rep should have your pledge forms if you have not already received them. This week's prizes include:

- * Gift Certificate for (1) Berry Pie – Donated by Phoebe Anderson, Co-op Education
- * Starbucks Gift Certificate for \$10 – Donated by Deron Fort, High School Connections, Co-op Education
- * Lane Dining Card for \$50 – Donated by Brian Kelly, Culinary & Hospitality
- * Gift Card to TaRaRin for \$25 – Donated by Jim Lindly, SBDC & Employee Training
- * Week Long Foundation Parking Pass – Donated by the Foundation

AND THE WINNER IS....

Last Friday's winners were the following:

- * Ken Murdoff, Social Science won a signed edition of Working Hands by Rick Williams donated by Rick Williams, Arts.
- * Melinda Dunnick, Enrollment & student Financial Services won a (\$10) Lane Dining Dollars Card donated by Deron Fort, High School Connections
- * Mark Huntington, Advanced Technology won a Bottle of Wine donated by Nancy Hart, Disability Resources.
- * Catherine Parrish, TRIO - Congratulations won a Gift Card for two movies (\$10) Cinemark donated by Janet Anderson, Foundation
- * Jennifer Steele, College Finance/Operations won a (\$10) Starbucks Gift Card donated by the Dawn DeWolf, ABSE.

FACILITIES UPDATES

WINTER WEATHER ICE AND SNOW EVENT PREPARATIONS

Employees are encouraged to wear winter weather footwear with soft material, traction soles and ankle support on colder wet mornings in which there is a possibility of wet, icy, or even snowy conditions at the campus. In addition, please consider wearing gloves to protect your hands from icy handrails and cold door hardware.

FMP Grounds staff has planned to arrive very early in the morning to conduct de-icing operations, but not every square foot on sidewalks or parking lots will be free of ice. Grounds staff have contracted with Knife River for snow removal if the accumulation exceeds 2" on the interior roadways on main campus.

FMP Carpentry staff has installed additional handrails and traction steps in more locations to make the campus safer. Mark Richardson is also considering the installation of traction strips on more exterior steps that do not have any at this time.

A smaller team of college leadership staff including Dennis Carr, Joan Aschim, Dawn Barth, Jace Smith, and David Willis is meeting occasionally to evaluate and refine the campus response to cold, icy or snowy conditions. Contact Dave Willis, 5566.

SAFETY PRECAUTIONS FOR HOLIDAY DECORATIONS

As in the past, we have published the following safety regulations for holiday decorations in school buildings:

1. All decorations must be either inherently fire retardant or treated with a flame retardant to be flame resistant.

2. CANDLES OR ANY OTHER SOURCE OF OPEN FLAMES ARE NOT ALLOWED.

3. NATURAL CHRISTMAS TREES:

a. Must not be placed in any required exit path or near any heating device.

b. Must be mounted securely in a tree stand with a water-type reservoir. Add fresh water daily.

c. Trees over six feet tall must not be decorated with any type of electrical lights.

d. Trees less than six feet tall may be decorated with UL-listed miniature lights and heavy-duty extension cords, if necessary. All wiring must be in perfect order.

e. Must be removed from the building by the end of workday, FRIDAY, DECEMBER 9, 2011.

f. MUST BE REMOVED IMMEDIATELY AT ANY SIGN OF DRYNESS SUCH AS BRITTLENESS, LOSS OF COLOR, OR FALLING NEEDLES.

NOTE: Christmas trees in fresh condition are inherently fire retardant. They become extremely flammable, however, when indoor heat and low humidity dry them out. To reduce the hazard, saw the trunk off at least one-inch above the original cut, and keep the tree standing in water. Add water to the reservoir frequently to keep the water level always above the cut.

4. ARTIFICIAL TREES:

a. If non-metallic, may be decorated with electrical lights in accordance with paragraph 3.d above.

b. If metallic, must NOT be decorated with any type of electrical decoration or devices.

c. Must not restrict any required exit path.

If you have any questions about these regulations, please give me a call.

Reminder: The use of LED type holiday lights or decorations without any lights at all (best) are in alignment with our core Sustainability values.

Thank you for helping us to keep our facilities safe and free from any fire hazards. Contact Dave Willis, 5566.

PROJECT UPDATES—

BUILDINGS 10 AND 11 REMODELS

The main focus now is completing the installations of the outdoor kilns for arts programs.

Materials to construct the new system will arrive this week allowing the general contractor to push forward to complete the installation. Hyland Construction and its crews will remain on campus working through a lengthy list of items that need to be completed. Over the past three weeks most of the items were completed and removed from the list. The remaining items are minor in nature but time consuming or are located in hard to reach areas of the building. With

Hyland dedicated to completing these items in a timely fashion, their goal is to have all work completed by the end of November. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS PROJECT

The basic report is that the academic and housing buildings continue to rise into the air as construction progress continues on schedule and in budget. The mechanical, electrical and plumbing infrastructure follows closely after the structure is in place. Watch the Downtown Campus construction via the webcam, updated hourly between 8 a.m. and 8 p.m. at

UNDERSTANDING THE AGING PROCESS, WHAT'S NORMAL, WHAT'S NOT

In order to better understand the issues our parents are dealing with as they age we need to better understand the aging process and what is normal and what is not. In this session we will explore those differences and identify what can be done in the event there is a concern. Join the Aging Parents Support Group for this presentation by Donna Peterson, Gerontologist, on Wednesday, November 16, from 12 - 1 p.m. in Building 4, Room 254

DIVERSITY TRAININGS—

* November 10, Hiring for Cultural Competence: Practical Methods and Strategies o Get What You Need," workshop by Cris Clifford Cullinan, 9-11:30 am, CML Room 225. This workshop is designed to provide participants from Lane Community College with practical methods and strategies to assess the cultural competence of candidates for positions at Lane. Each method or strategy can be adapted as appropriate for the particular position in question, whether the position involves designing curricula and teaching in the classroom, serving students and others in an office, or working to maintain services throughout the larger campus. Because "one size does not fit all," hiring processes designed to assess the cultural competence of candidates need to be tailored to the position in question and to the types of situations the person in that position is likely to encounter. Participants will learn practical methods and strategies to include cultural competence as one factor in 1) designing appropriate advertisements; 2) improving paper screening procedures; 3) writing effective interview and reference questions; and, 4) designing and carrying out hiring demonstrations. Contact Donna Koechig, Office of Professional and Organizational Development, at x5307 for more information.

* November 10, "The Renaissance of Chinese Culture and Its Global Impact" by guest speaker Xiaoyang Wang. Two Presentations: Thursday, November 10, 2011; 10:00 – 11:00 AM and 1:00 – 2:00 PM, Administrative Building #3, Boardroom (Rm. 216). During the presentation, Ms. Xiaoyang Wang will address the following topics: * The essence and uniqueness of traditional Chinese culture; * How the rich tradition was interrupted; * How the authentic culture is coming back to the world stage through the genuine artistic values of Shen Yun Performing Arts www.shenyun2012.org By rediscovering this ancient wisdom, it is hoped that we are better equipped to deal with difficult issues facing us today. Ms. Xiaoyang Wang grew up in China and is currently the president of Oregon Falun Dafa Association, a non-profit organization dedicated to promoting traditional Chinese culture and sharing it with local communities. Contact Donna Koechig, Office of Professional and Organizational Development, at x5307 for more information.

HOST FAMILIES NEEDED FOR CHILEAN HIGH SCHOOL STUDENTS: Oregon Adventure, an organization that promotes educational exchanges, is looking for Eugene families to host high school students from Chile from November 19 to March 8. The students are excited about their first experience in the USA and are spending their summer vacation visiting Oregon to get to know school and family cultures and make friends. Becky Haskins of Oregon Adventure says "The most important thing is they just want to be 'one of you' and not a guest or someone requiring extra work and attention. They are excellent students at home and want to broaden their education through this English immersion experience in Oregon." If you are interested in hosting, please contact Becky Haskins (becky@oregonadventure.com), 541-686-2620, or Ashley Haskins (ashleydhaskins@gmail.com), 541-896-1710 for more information and details.``

A GREAT VACATION GET AWAY, with very reasonable rates, is found at the BLK Beach House in Florence. Not only that, you can bring your dog for free. This is a newer manufactured home in great condition with a spacious open living room, 2 bedrooms, 1 bath, and the kitchen is supplied with everything you need: pots, pans, microwave, coffee pot, toaster and more. There is a queen size bed in one bedroom and twin and full size beds in the other room. The backyard is fenced in. It's a five-minute walk to the beach. This is our home away from home and rented only to select clientele (like Lane employees) and guests are on the honor system to respect our home. The rates are very reasonable, in part because you are expected to clean up after yourself upon departure. There's a two night minimum and rates are \$62 night for two people, add \$3/night per person beyond two people. Call Wendy Simmons at 431-1277 or email her at wsimmons@efn.org for more information.``

MIDDLE EAST SPECIALIST ELLIS GOLDBERG TO SPEAK AT LANE

The Lane Community College Islamic Initiative, the Lane Peace Center, and the University of Oregon are proud to co-sponsor Middle East Specialist Ellis Goldberg to Lane on Thursday, November 17. You are invited to attend this free educational event. There will be two presentations as follows:

* Evening Session: Thursday, November 17, at 5:30 p.m. in the Center for Meeting and Learning, Room 104: "Egyptian Spring: Desperately Seeking Revolution"

Abstract: In 18 days at the beginning of 2011 massive protests in Egypt brought down the government of President Hosni Mubarak after 30 years in power. Protesters wanted changes in a government that was repressive, unresponsive, as well as incompetent and corrupt. The armed forces stepped in with a promise to safeguard the revolution and provide a transition to

an elected civilian government. Egyptians are wondering how this will all end. Professor Goldberg will address some of the causes of the revolution as well as the political conflicts that have continued to roil the country in the period since February. He will discuss the economic, social and political problems that Egypt must attempt to resolve in order to establish a government that is stable, democratic and successful.

* Afternoon Session: Thursday, November 17, from 1-2:50 p.m. in the Center for Meeting and Learning, Room 220: "Armies, Democracy and a Suggestion for US Policy in the Middle East" Abstract: The military in Egypt has assumed control of the revolutionary process. This is a very different situation than exists in Tunisia where the military stood aside from the transition or Libya where it had been profoundly weakened by the Qaddafi regime itself. It also differs from both Syria and Yemen where the armed forces, or at least important sections of it, remain strongly in favor of maintaining the regime. Ellis Goldberg will discuss why the Egyptian military has taken a different path than other Arab militaries and the implications for US policy of supporting powerful military forces in the region, if it in fact wishes to promote democratic transitions

Bio: Ellis Goldberg is a professor in the Department of Political Science at the University of Washington. He received his Ph.D. from the University of California in Berkeley, specializing in the study of Middle Eastern politics. Dr. Goldberg has chaired the Middle East Center of the Jackson School of International Studies, been a visiting professor at Princeton University, and a visiting research fellow at the Center for Middle Eastern Studies at Harvard University. His books and other publications deal with the post-colonial trade union movement in Egypt, political movements within Islam, and human rights. Dr. Goldberg was teaching at the American University in Egypt and living in Cairo from January 16 until June 7, 2011 and spent many days in Midan al-Tahrir and on the streets of Egypt.

NEWS AND ANNOUNCEMENTS

LANE XC RESULTS

The Titans traveled to Everett, WA for the NWAACC Championships at Everett Community College this past weekend to close out the season. Although the rain held off for both races, the temperature was a bone chilling 40 degrees, and rain all week left the rolling hill course very muddy and covered with puddles.

The women started the day off with two top-10 performances over the 5k course. Gylany Crossman (SO) finished a strong second to claim All-American honors. She closed the gap on the leader and held that spot most of the race while fighting off a pack of six ladies over the last 1-1/2 miles. Rachel Jensen (SO) was picking off other runners the entire race to come in very strongly capturing the ninth spot overall. "I'm so proud of these two gals' performances today," said Coach John Scholl. "They've had to work through some obstacles this year, but they've persevered and came out with a great finish to their season. I know they're disappointed with their place and/or time, but several other coaches (including me) were impressed with how tough they ran today."

The men followed up with a blistering 8k having the overall winner run 24:32. Each of the seven Titans ran their fastest time of the season by 30-50 seconds with a team average of 25:46 (5:11/mile). Daniel Silvey (FR) was the Titans first runner coming in an impressive 13th. Ryan Perry (FR) and Kyle Ruhlin (FR) stepped up in a huge way to move up in the team lineup finishing 14 and 22. Cesar Perez (SO) and Michael Maisonville (FR) didn't have their strongest showings, but still ran tough races to claim the Titans four and five spots, putting Lane's top-5 in the top-30. Joe Campbell (FR) was just off that finishing a strong 31st, and Stetson Smith (FR) had another breakthrough race rounding out Lane's top-7. These outstanding performances allowed the men to capture third overall, 6 points ahead of fourth place Clackamas, and 9 points ahead of fifth place Treasure Valley. "What an awesome 8k today," said Coach Scholl. "I'm amazed how fast the times were. I knew our guys were ready to run well, but this blew me away. Our guys moved up spots the entire way, with several guys even passing two or three in the final stretch. To say these guys fought hard today is an understatement."

That concludes the Titans XC season. They will have a long training break until the track season gets started in March. Follow the story online at <http://www.registerguard.com/web/sports/27164123-41/points-everett-saturday-women-lane.html.csp> Contact: Athletics.

GROUPWISE IS GETTING A BRAND NEW ENGINE—FIVE THINGS YOU SHOULD DO TO PREPARE

During the holiday break between December 19 and January 2, GroupWise will get a brand new engine (i.e. a powerful, new server and operating system combination that should make it much more reliable.) To help make this a smooth conversion you need to do the following on or before Friday, December 9:

- 1) Empty your trash folder
- 2) Reduce the number of items in your Mailbox, and Sent Items folders through deleting, filing, and/or archiving
- 3) Document all resources you own, as well as who you have allowed to access these resources
- 4) Document who has proxy access to your calendar, mailbox, etc.
- 5) Document any additional address books you have created and whom you have shared them with

Why do you have to take these steps? For item 1, our conversion systems don't move trash. Items 2-5 are precautionary (i.e. in case something goes wrong during the conversion). We are moving millions of messages, and lots of other objects, so with Murphy (and his law) in mind, we want to protect your data. By following the above 5 steps you will minimize the probability of data loss for your email account.

If you can minimize your email usage between December 19 and January 2 it will help. If you have any questions, concerns, or problems relating to this conversion, please contact the IT Service Center at 4444 or email them to itsc@lanecc.edu Thank you from your IT Leadership Team.

AAWCC FALL CONFERENCE; KEYNOTERS ARE MARY SPILDE AND SHELLEY MOON
The AAWCC Oregon Chapter will hold its Fall Conference and 25th Anniversary Celebration in Tigard on Thursday and Friday, November 17 and 18 in Portland. The theme is "Honoring Our Past, Shaping Our Future." Keynotes will be given by Lane President Mary Spilde and poet, playwright, performer and social change activist Shelley Moon. Register online at <http://www.aawccoregon.org/fall-conference> Submitted by Donna Koechig.

NEW MANAGERS WALKABOUT

A new managers campus walkabout will be held Thursday, November 17, at 10 a.m., beginning in the Boardroom, Building 3. We will visit Student Affairs: Enrollment and Student Financial Services, Student Recruitment and Outreach, Veterans Resources, Counseling, Advising, Career and Employment Services, Assessment and Testing, TRiO, Title III Grant, Substance Abuse Program, Veterans Center/Office, Student Life and Leadership Development, Women's Program, Multicultural Center, Longhouse, and Disability Resources. For more information contact Donna Koechig.

LEGISLATIVE TOWN HALL

There will be a legislative town hall on campus next Monday, November 21 from noon until 1:30 p.m. Local state representatives and senators will be on campus to discuss issues important to the Lane Community College community. The event will occur in the Boardroom, Building 3, and is open to the public. Staff, faculty and students are welcome to attend. Contact Brett Rowlett at rowlettb@klanecc.edu or 541-463-5058 for more details.

TEXTBOOK OPPORTUNITY

Learn about affordable ways to replace expensive textbooks on Monday, November 21 or Monday November 28, 12:30-1:30 p.m., Building 2, Room 214. There are free online resources that may replace those expensive textbooks for your courses. This is an orientation to open educational resources and the online communities. There will be time for questions, so please bring them. For more information contact Velda Arnaud atarnaudv@lanecc.edu or call 541-463-5682 (email is preferred). To register go to: <http://lanecc.edu/atc/wstraining/schedule.html>

POTATO PEELERS NEEDED

Chef Clive Wanstall, Joe McCully, and Brian Kelly of the Culinary Arts and Hospitality programs and students are planning the preparation of the delicious meal for the Whiteaker Community Thanksgiving Dinner. More than 2000 pounds of vegetables need to be peeled and chopped on Sunday, November 20 from 10 a.m. to 2 p.m. If you are interested in helping email Beverly Farfan at farfanb@lanecc.edu We will meet in the cafeteria kitchen.

HELP SPREAD THE WARMTH

As the temperatures lower we think even more about people who need our help. Lane staff and students are starting to collect blankets and warm clothing for this year's free Whiteaker Community Thanksgiving Dinner on November 24 for 2,500 men, women and children. Instructor Sue Thompson is starting our Sleeping Bag Drive. Our goal is to have 361 20-30 degree sleeping bags that her team of Lane employees and friends will distribute during the dinner. People can sponsor one or more bags for \$15-\$18 each. Tax-deductible checks may be made to Whiteaker Community Dinners. Donations may be sent or dropped off to Beverly

Farfan at the Cooperative Education office building 19, Room 231 or Sue Thompson's mailbox in H&PE, Building 5, Room 205. Thank you to everyone who has been putting your change in our sock jars in the cafeteria and building 30. Volunteers are still needed. For more information and how to get involved go to www.wcdinner.org or contact Sue Thompson at thompsons@lanecc.edu or Beverly Farfan at farfanb@lanecc.edu

2011-2012 WE CARE CAMPAIGN "FEEL THE POWER OF GIVING" UPDATE

This is the fourth week of the campaign, and we are mid-way in the campaign. As of Thursday morning, we have raised a combined \$75,384 for Foundation and United Way. Thank you! We are making great strides in reaching our \$110,000 goal. We have two more weeks of the campaign which ends December 2. So, if you have not already completed your pledge forms, please consider making a pledge. We need your support. Here are some local statistics to consider: Lane County Poverty by the numbers: In 2009, 59,662 people were living below the federal poverty line. The number of families receiving food stamps in 2009 was 30,898 and 53.7% of school aged children were eligible for free/reduced lunch program.

YOU TOO CAN BE A WINNER--Each week during the campaign we have Friday drawings for prizes donated by Lane's staff. In order to participate, you must turn in your Employee

Campaign forms with donation to your Department Rep or the Foundation Office by noon Friday, November 18 to enter the weekly drawing. Your department rep should have your pledge forms if you have not already received them.

This week's prizes are the following:

- * \$25 SeQuential Biofuel Gift Card donated by Janet Anderson, Foundation Office
- * \$20 Fred Meyer Gift Card donated by Lida Herburger
- * \$10 Lane Dining Dollars Gift Card donated by Mike O'Neal, Food Services
- * \$100 Camas Swale Farm Gift Certificate donated by Camas Swale Farm

AND THE WINNER IS—

- * Darlene Baker, Enrollment and Student Financial Services- Week Long Foundation Parking Pass donated by the Foundation

SAI OFFERS HOLIDAY SUPPORT

A recent Successful Aging Institute (SAI) class focused on ways to reduce stresses that may arise for older adults and their loved ones at special holiday times. Seven suggestions included: Keep it simple; enjoy your loved one "as is;" adjust expectations to the current reality; avoid overstimulation; reminisce together in small doses; ask for help from others; and take good care of yourself. For additional tips, contact SAI director Barbara Susman at susmanb@lanecc.edu

THE LEARNING GARDEN GROWS MORE THAN FOOD

There has been much work restoring the two creeks surrounding the Learning Garden. The creeks were once inundated with invasive blackberries and Scotch broom. Most of the invasive species have been manually removed and a preliminary nature trail has been built that surrounds the garden fence. This winter native shrubs and many edible species will be planted to begin the process of creating a native riparian area. We invite you to take a walk along the nature path through the next few months and observe the changes occurring. If you're lucky you may spot the resident beaver, a tiny green wetland frog or an osprey overhead. Contact: Rosie Sweetman, Learning Garden Specialist, (541) 463-5899.

SURVEY THANKS

The First Year Matters: Foundations of Excellence Launch Team wishes to thank those who have taken the time to complete the online survey. If you have not submitted yours, there is still time. And a great big thank you to the 74 people who have signed up to participate on Dimension Assessment Teams. The work of these Teams in winter term will lead to an action plan to improve the first year experience for our students. There is still room at the table if you want to get involved. For more information, contact Mary Parthemer at parthemerm@lanecc.edu; Ken Murdoff at murdoffk@lanecc.edu or Lida Herburger at herburgerl@lanecc.edu

COMMUTE BY BICYCLE?

There is now a storage space! For those staff members who commute by bicycle on an occasional or regular basis, you now have a secure storage room for your bicycle and riding

gear on main campus. The remaining section of the decommissioned Building 2 tunnel has been reassigned to IT for storage and bicycle storage for staff. The storage room can be found on the first floor between Building 2 and 3. There are four bicycle stands, hooks for gear and the remaining tunnel handrail can be used to secure more bicycles. Thanks to Thad Cowdin in IT and Dave Willis in FMP for making the tunnel conversion possible to create this storage room for commuters. If you have ideas or needs regarding transportation on any campus, contact the Transportation Subcommittee members from the Facilities Council - Jennifer Hayward or Alen Bahret. To get the access code for the bicycle storage room, contact Jennifer at haywardj@lanecc.edu or Alen at bahreta@lanecc.edu

INTERNATIONAL WORK ABROAD FOR LANE STUDENTS

Lane is fortunate to be the only community college in the Pacific Northwest to offer students international work abroad through IE3. There are work/learn sites all over the globe and many offer home stays or on-site housing, typically in developing countries, they can help lower participation costs. Students earn 12 credits while working abroad while allowing them to maintain their full-time student status for financial aid purposes. Please let students know about this wonderful option and give them this web site to explore sites that might be right for them;

<http://ie3global.ous.edu/>

I am available for very short five-minute presentations classes and student groups. International work abroad program brochures are available. January is the next application date for summer internship so it is time for students to get started. Please send students my direction. Tamara Pinkas, 5011

BENEFITS OPEN ENROLLMENT THROUGH DECEMBER 7

Open enrollment for the following benefits continues through December 7:

* Section 125 for calendar year 2012 (Classified, Management, Faculty and Part-time Faculty):

A new form must be completed for the new calendar year even if you are not making any changes from the previous calendar year. If you are enrolled for calendar year 2011, enrollment for calendar year 2012 is not automatic. You must complete a new election form. Forms are available via: <http://www.lanecc.edu/hr/forms.htm>

* Reminder: For Classified and Management Employees Only: To be eligible for the College contribution to your Health Care reimbursement, you must first complete the Health Risk Assessment via www.pacificsource.com For information and instructions go to: <http://www.lanecc.edu/hr/benefits/index>

* Supplemental Life Insurance (Classified and Management): An enrollment form needs to be completed for new enrollment and changes to existing enrollment only. No action is necessary for those already enrolled who do not want to make changes.

* Long Term Disability Buy-up (Classified and Management): An enrollment form needs to be completed for new enrollments only. No action is required for those already enrolled.

Learn more about these benefits by attending one of the drop-in information sessions. For more information call Sharon Daniel at 5190 or Heidi Morales at 5592.

BENEFITS OPEN ENROLLMENT INFORMATION SESSIONS

Representatives from Human Resources will be available to assist in enrollment and answer any questions you may have regarding open enrollment for Section 125, Supplemental Life Insurance and/or Long Term Disability Buy-up. A representative from OEA Choice Trust, our plan administrator for 2012, will also be available to assist in enrollment and answer questions pertaining to Section 125. The scheduled sessions are in Building 5, Room 206:

* Wednesday November 16, 11:00 a.m. - 1:00 p.m.

* Friday, December 2, 1:00 p.m. - 3:00 p.m.

* Monday, December 5, 10:00 a.m. - 12:00 p.m.

PERFORMING ARTS EVENTS COMING UP—

* THE LANE SYMPHONIC BAND will present a program old favorites and newer tunes on Sunday afternoon, November 20 at 3 p.m. Ron Bertucci conducts. Tickets are \$5 general admission, \$3 for students, Lane staff and seniors. All end of term concerts are on the main stage, Ragozzino Performance Hall, Bldg 6. Not only are the end of term concerts the best entertainment value in western Oregon, proceeds from the concert help fund music scholarships for deserving students! Submitted by John Watson

* THE LANE CHAMBER CHOIR, THE LANE CONCERT CHOIR AND THE LANE GOSPEL CHOIR will perform in concert on Thursday, December 1 at 7:30 p.m. This is a very popular concert that often sells out. Matt Svoboda, Debi Noel, Vicki Brabham conduct. Tickets are \$5 for general admission, \$3 for student staff and seniors. Not only are the end of term concerts the best entertainment value in western Oregon, proceeds support scholarships for deserving students! All of our end of term concerts are on the main stage, Ragozzino Hall, Building 6. Submitted by John Watson

* THE LANE CHAMBER ORCHESTRA invites you to join Lane students and special guests from our community for the Fall end of term concert. This is a matinee concert on Sunday, December 4 at 3:00 p.m. This is a great way to spend a Sunday afternoon! Hisao Watanabe conducts. Tickets are \$5 for general admission, \$3 for student staff and seniors. Not only are the end of term concerts the best entertainment value in western Oregon, proceeds support scholarships for deserving students! All End of Term concerts are on the Main Stage, Ragozzino Performance Hall, Building 6. Submitted by John Watson.

* THE TERM'S END SHAKESPEARE SHOWCASE will be held Saturday, December 3, shows at 2 p.m. and 7 p.m., Blue Door Theatre, Building 6. This free event includes live music and is a community collaboration directed by Sparky J. Roberts. Donations are welcome for sustenance of the Student Productions Association. Limited to age 10 and older. For more information call 5761 or e-mail motherwit@gmail.com

FACILITIES UPDATES

WINTER WEATHER ICE AND SNOW EVENT PREPARATIONS

Employees are encouraged to wear winter weather footwear with soft material, traction soles and ankle support on colder wet mornings in which there is a possibility of wet, icy, or even snowy conditions at the campus. In addition, please consider wearing gloves to protect your hands from icy hand rails and cold door hardware.

FMP Grounds staff has planned to arrive very early in the morning to conduct de-icing operations, but not every square foot on sidewalks or parking lots will be free of ice. Grounds staff have contracted with Knife River for snow removal if the accumulation exceeds 2" on the interior roadways on main campus.

FMP Carpentry staff has installed additional hand rails and traction steps in more locations to make the campus safer. Mark Richardson is also considering the installation of traction strips on more exterior steps that do not have any at this time.

A smaller team of college leadership staff including Dennis Carr, Joan Aschim, Dawn Barth, Jace Smith, and David Willis is meeting occasionally to evaluate and refine the campus response to cold, icy or snowy conditions. Contact Dave Willis, 5566.

SAFETY PRECAUTIONS FOR HOLIDAY DECORATIONS

As in the past, we have published the following safety regulations for holiday decorations in school buildings:

1. All decorations must be either inherently fire retardant or treated with a flame retardant to be flame resistant.
2. Candles or any other source of open flames are not allowed.
3. Natural Christmas trees:
 - a. Must not be placed in any required exit path or near any heating device.
 - b. Must be mounted securely in a tree stand with a water-type reservoir. Add fresh water daily.
 - c. Trees over six feet tall must not be decorated with any type of electrical lights.
 - d. Trees less than six feet tall may be decorated with UL-listed miniature lights and heavy duty extension cords, if necessary. All wiring must be in perfect order.
 - e. Must be removed from the building by the end of workday, Friday, December 9.
 - f. must be removed immediately at any sign of dryness such as brittleness, loss of color, or falling needles.

Note: Christmas trees in fresh condition are inherently fire retardant. They become extremely flammable, however, when indoor heat and low humidity dry them out. To reduce the hazard, saw the trunk off at least one-inch above the original cut, and keep the tree standing in water. Add water to the reservoir frequently to keep the water level always above the cut.

4. Artificial trees:

- a. If non-metallic, may be decorated with electrical lights in accordance with paragraph 3.d above.
- b. If metallic, must not be decorated with any type of electrical decoration or devices.
- c. Must not restrict any required exit path.

If you have any questions about these regulations, please give me a call.

Reminder: The use of LED type holiday lights or decorations without any lights at all (best) are in alignment with our core Sustainability values.

Thank you for helping us to keep our facilities safe and free from any fire hazards. Contact Dave Willis, 5566.

PROJECT UPDATES—

BUILDING 11

Project planning has started in Building 11 for the remaining items in the Art gallery. Hyland Construction had to return the door mechanism that was incorrectly sent from the manufacturer to exchange for the mechanism initially ordered. In the meantime, they will be painting in the area and FMP staff plan to join them to complete several other little items. This work is expected to take two weeks to finish. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS PROJECT

Both the academic and housing buildings continue to rise into the sky with the mechanical, electrical and plumbing infrastructure following behind.

The primary structure of the housing building is typical wood framing but academic building structure is special. The floors above the ground floor slab are 10" thick, "post-tensioned" reinforced concrete slabs supported by columns. In brief, these slabs have a grid of steel cables embedded in them and after the concrete has cured for a period of time, these cables are stretched-tensioned, giving added strength to the slab. This type of structure is strong enough to

support the necessary loads without the need for beams underneath the slab, and it frees up the space between the bottom of the slab and the suspended ceiling for electrical plumbing and other infrastructure lines. In addition, these slabs have acoustical properties and thermal mass that will be cooled in the summer by natural ventilation at night. This type of structure is ideal for educational purposes since it's so flexible. See what's happening now. Watch the Downtown Campus construction via the webcam, updated hourly between 8 a.m. and 8 p.m. at <http://www.lanecc.edu/dc/video.html> Contact Bob Mention, 5747.

Various uses include webinars, holding virtual office hours and delivering lectures.

DIVERSITY TRAININGS—

November 15: "HONORING ELDERS: AMERICAN INDIAN CULTURAL TRADITIONS" with Nick Sixkiller, education specialist for the Confederated Tribes of Siletz Indians and enrolled citizen of the Cherokee Tribe of Oklahoma, 2-3:30 p.m., Longhouse, Building 31. Celebrate the rich and varied legacy of Native American peoples of our region. Connect the dots from past to present to discover how the nine confederated tribes of Oregon maintain their cultures while living in the modern world. Learn the importance of elders to all tribes, as those who nourish the young with their wisdom. The presentation is free and open to the public. For more information, contact Donna Koechig, at. 5307.

November 21: "OREGON A PECULIAR PARADISE: The Life, Times and Trials of Being Black in Oregon", by Henry Luvert, president of the Eugene NAACP, Monday, 2-3:30 p.m., Boardroom, Building 3. A history of Oregon's race attitude toward African American and other communities and what impact this has had on the state Oregon today will be discussed. How much did Jim Crow and the KKK influenced the laws of Oregon and how it affected the population of African Americans in the state of Oregon? Who was Joseph Lane and why do we care? Remove racist language from Oregon law or keep it? These and many other questions are discussed and explored. For more information, contact Donna Koechig, at. 5307.

Lane Weekly

Tuesday, November 15, 2011 - Corrections

The following announcements include corrections to today's Weekly:

COUNSELING AND ADVISING

On Thursday, November 17, the Counseling and Advising Department will be closing at 3:15 p.m. for an in-service. As previously announced, the department will be closed Friday, November 18, for Student Orientation, Advising and Registration (SOAR), including the Testing Office, Career and Employment Services as well as Counseling and Advising. The department will re-open Monday, November 21, at 8 a.m. Contact: Susan Shipp, shipp@lanecc.edu or 5231.

END-OF-TERM MUSIC CONCERTS

End-of-term music concerts start Friday, November 18, with the Lane Jazz Ensemble and The Spectrum Vocal Jazz Ensemble at 7:30 p.m. on the main stage in the Ragozzino Performance Hall. A very cool way to start off the weekend! Vicki Brabham opens with Spectrum and Ron Bertucci follows with the Jazz Ensemble. There are tunes featuring both ensembles and a couple of special treats: Ron rakes a solo on his trombone during the Spectrum set, and Spectrum will premier a tune, "Swing It To Me," by local composer Anne Leong arranged for the Jazz Ensemble by Vicki. See you at the show! Contact: John Watson, watsonj@lanecc.edu or 5161.

LEGISLATIVE TOWN HALL

There will be a legislative town hall on campus next Monday, November 21, from noon until 1:30 p.m. Local state representatives and senators will be on campus to discuss issues important to the Lane Community College community. The event will occur in the Boardroom, Building 3, and is open to the public. Staff, faculty and students are welcome to attend. Contact Brett Rowlett at rowlettb@lanecc.edu or 5850 for more details.

EVENTS THIS WEEK

THANKSGIVING HOLIDAY, Thursday and Friday, Nov. 24 and 25. College closed. No services will be available, and no classes or events will be held, unless otherwise scheduled by a department or program. See the academic calendar online at <http://lanecc.edu/calendars/academic.html>

NEWS AND ANNOUNCEMENTS

SENATE APPROVES INVESTMENT BOARD NOMINEES

The Senate has approved President Mary Spilde's gubernatorial appointment to the Oregon Education Investment Board. The OEIB is overseeing an effort to create a seamless, unified system for investing in and delivering public education from early childhood through high school and college so that all Oregonians are prepared to be productive members of their communities and for careers in our economy. FIRST PHYSICAL THERAPIST ASSISTANT GRADUATES NOW LICENSED AND READY FOR WORK

After five months of waiting since graduation, students from Lane's Physical Therapist Assistant program can now go to work. In 2009, Lane admitted its first class of PTA students. Unlike other health professions programs offered at Lane, this class started and finished their program without the assurance that their degree would result in employment. It was up to these students, faculty, and the college to prove Lane's program would meet national standards. If the program fell short, then students would have a degree without a license to practice. It was time to put Lane's "Achieving Dreams" vision into action.

Over two years, students attended a blended classroom of online learning and intensive hands-on lab practice. An active local advisory committee worked with faculty to develop an academic and clinical curriculum to meet workplace needs. Students traveled throughout Oregon and Washington to complete over 648 hours of clinical learning with skilled PTs and PTAs in hospitals, skilled nursing facilities and outpatient clinics.

Eighteen PTA students donned caps and gowns and walked through the processional at Lane's graduation in June. All graduated with the uncertainty of the program's accreditation future. None knew if they would ever have a job as a PTA. All they could do was study for the national exam and hope for the best.

Now, these PTA pioneers can breathe a little easier. On Nov. 10, Lane's PTA earned five years of initial accreditation from the Commission on Physical Therapy Education (CAPTE). Last week, Oregon welcomed its first licensed PTAs from Lane. Congratulations to Lane's PTA graduates for achieving dreams. Submitted by Christina Howard, MPT, PTA Program Coordinator, 5764.

WELCOME ROSE ELLIS, NEW BUDGET DIRECTOR

Rose Ellis comes to Lane with more than 25 years experience in public budgeting and finance including leadership positions at the University of Oregon and the City of Eugene. Please join us in welcoming Rose to the budget office team! Submitted by J. Steele, College Operations.

NEW STATEWIDE RIDESHARING RESOURCE

Point2point Solutions has announce that Oregon's new, statewide ridesharing resource, Drive Less Connect, has made its official debut. Drive Less Connect is available to all residents of Lane County as a free service from the Oregon Department of Transportation, in conjunction with local transportation options partner point2point Solutions. Register online at www.DriveLessConnect.com and click on the Rewards Tab for more info. Submitted by the editor.

THANK YOU FROM HERMAN WELA

Herman retired from the Senior Companion Program and had a retirement farewell last week. He wanted to thank everyone who dropped by and spent some time sharing memories and well wishes. He plans to check in periodically and will still be seen on campus in his new retirement status.

2011-2012 WE CARE CAMPAIGN "FEEL THE POWER OF GIVING" UPDATE

We only have one more week of the Foundation and United Way Campaign. The official campaign ends December 2 and we are getting closer to reaching our goal of \$110,000. This is our last push and we are hoping that you will consider making a pledge if you have not done so already. To date, we have raised \$80,000 and still have previous donors who have not turned in their pledges yet. Thank you to everyone for your generosity as every dollar we raise stays local and benefits those who live in our community.

AND THE WINNER IS....

Last Friday's winners were the following:

- * Bree McKenzie - Counseling won a \$25 SeQuential Biofuel Gift Card donated by Janet Anderson, Foundation.
- * Carolyn Litty - Advanced Technology won a \$20 Fred Meyer Gift Card donated by Lida Herburger, Counseling.
- * Joseph Escobar - Social Science won a \$10 Lane Dining Card donated by Mike O'Neal, Food Services.
- * Kathy Torvik - Disability Resources won a KLCC Tote Bag and Mug donated by Cheryl Crumbley, KLCC.
- * Henry Gazo - Business CIT won a Poinsettia donated by Dennis Carr, Human Resources.

YOU TOO CAN BE A WINNER...Each week during the campaign we have weekly drawings for prizes donated by Lane's staff. This is a short week due to the Thanksgiving break, so pledge forms will need to be turned in by noon, Wednesday, to your Department Rep or directly to the Foundation Office. Your Department Rep should have your pledge forms if you have not already received them.

This week's prizes are the following:

- * \$10 Lane Dining Dollars Gift Card donated by Mike O'Neal, Food Services
- * \$10 Lane Dining Dollars Gift Card donated by Mike O'Neal, Food Services
- * \$10 Lane Dining Dollars Gift Card donated by Mike O'Neal, Food Services
- * Bottle of Wine donated by Jennifer Falzerano, International Students
- * "Get-Out-of-Jail" Parking Pass donated by Jace Smith Public Safety

WEAVING WORDS PROJECT BEGINS NOV. 28

"Weaving Words—A Community Weaving Project Where Individuals are Woven Together" with Susan Pavel, artist of Coast Salish weaving, will be held Monday afternoons on Nov. 28 and Dec. 5 and 12 at Lane's Longhouse. Lane is honored to be one of the co-sponsors of the Weaving Words Project. This event is open and free to the public. Pavel is the featured artist for the exhibit titled "AQ3Tsyay: Weaver's Spirit Power" at the Museum of Natural and Cultural History, and invites students, staff and community members to participate in the community weaving project. She will be available to assist in the weaving process and encourage each person to share stories of their lives. The completed community blanket will be represented as a whole where strand of yarn and individuals are woven together showing the strength of our community and will be given away at Potlatch and Giveaway on Jan. 13, 2012 at 7 p.m. at the UO Many Nations Longhouse. The dates and times that the "Weaving Words" Project will be at Lane's Longhouse are:

- * Nov. 28, 2011, 3 pm - 5 pm
- * Dec. 5, 2011, 3 pm - 5 pm
- * Dec 12, 2011, 3 pm - 5 pm

FACILITIES UPDATES

CUSTODIAL SERVICES UPDATE

If you have some urgently needed deep cleaning items in your respective area, please forward the requests to Janet Martin or Craig Kulm or Dave Willis for winter break deep cleaning consideration. Until further notice, all custodial concerns which need management attention should be forwarded to Dave Willis, 5566.

HOW TO CLEAN WHITE BOARDS

Please use only water and wipes or dry erasers to clean the white boards on campus. Please do not use standard cleaners from the local store. We are using non-VOC markers and cleaners whenever possible. Submitted by Dave Willis, 5566.

MOTOR POOL UPDATE

If you need studded tires or snow chains to facilitate driving over a mountain pass or in Eastern Oregon, please note this when making your motor pool reservation. You may want to first give

Marilyn Walker a phone call on extension 5224 to verify that the vehicle of choice is properly equipped. Not all vehicles will have studded tires due to the expense of having multiple sets of tires. Most vehicles will have one set of snow chains. FMP motor pool vehicles have had two accident/incidents in the past week. We ask that everyone driving motor pool vehicles drive as safely as possible during the winter months. Weather can change on a day to day or night to night basis. Please monitor your local weather service at <http://forecast.weather.gov/MapClick.php?CityName=Eugene&state=OR&site=PQR&textField1=44.0522&textField2=-123.086&e=0> and monitor current road conditions at: <http://www.tripcheck.com/Pages/RCMap.asp?mainNav=RoadConditions&curRegion=4>. Thank you. Submitted by Dave Willis, extension 5566.

PROJECT UPDATES—

DOWNTOWN CAMPUS PROJECT

Contractor's construction update: "The crews at the Lane Community College Downtown Campus have made excellent progress over the past month! On the housing tower, we are currently setting the fourth floor wood wall panels on the west side. On the north side, we are installing the fifth floor joists and sheathing. The team is pushing hard to be 'topped out' with the housing wing's framing activities by the end of the year. This will allow the roofing activities to start in January. In addition, we are performing rough-in work for the mechanical, plumbing, and electrical systems on the 2nd and 3rd floors.

"The last major concrete wall pour on the academic tower is scheduled for next Wednesday. We already completed the concrete deck pours earlier this month. The finalization of the concrete is a major milestone for the team and allows formwork materials to be demobilized from the site. Next week you will also begin to see exterior steel and stud framing begin to take shape around the building with the mechanical and electrical subcontractors roughing in their work on the first floor. The project continues to track on the original project schedule thanks to the hard work and collaboration of the entire project team."

For a child's eye view of construction progress, see the KVAL Communities Downtown Eugene story at <http://downtowneugene.kval.com/news/parents-kids/251877-childs-eye-view-lcc-downtown-campus>

FINAL WEEK...2011-2012 WE CARE CAMPAIGN "FEEL THE POWER OF GIVING"

There are so many generous donors who have already contributed to the campaign, and we want to thank you collectively. As of last week, we have raised \$89,000. The campaign goal is \$110,000, so we have a big push this week to raise \$21,000 to reach that goal. It takes all of us working together no matter how small or large your pledge. This campaign is a combined effort to support the Foundation and/or the United Way of Lane County. Our gifts directly influence the lives of literally thousands of people from Lane County. When we gift, we are giving people the opportunity to become more stable and self reliant through education and services that help them attain these goals. Please turn in your pledge forms this week; feel the power of giving!

AND THE WINNER IS...Last Wednesday's drawing winners:

- * Anthony Hampton, Counseling - \$10 Lane Dining Card donated by Mike O'Neal, Food Services
- * Jennifer Ferro, Library- "Get out of Jail Free" parking pass donated by Jace Smith, Public Safety

CLASSIFIED PROFESSIONAL DEVELOPMENT APPLICATION DEADLINE

Winter term IPPD I applications are due by 5 p.m. on Dec. 15. The Classified Professional Development Team supports and encourages life-long learning for qualified classified staff in

areas of personal and professional growth, that align with the mission, vision, and core values of the college. CPDT provides assistance to classified staff taking higher education or continuing education classes toward their personal/professional goals. Log on to the CPDT website at <http://www.lanecc.edu/cpdt> for information and application requirements. ``

BENEFITS OPEN ENROLLMENT CONTINUES

Open enrollment for the following benefits continues through Dec. 7:

* Section 125 for calendar year 2012 (Classified, Management, Faculty and Part-time Faculty):

A new form must be completed for the new calendar year even if you are not making any changes from the previous calendar year. If you are enrolled for calendar year 2011, enrollment for calendar year 2012 is not automatic. You must complete a new election form. Forms are available via: <http://www.lanecc.edu/hr/forms.htm>

* Reminder: For Classified and Management Employees Only: To be eligible for the college contribution to your health care reimbursement, you must first complete the Health Risk Assessment via www.pacificsource.com For information and instructions go to: <http://www.lanecc.edu/hr/benefits/index>

* Supplemental Life Insurance (Classified and Management): An enrollment form needs to be completed for new enrollment and changes to existing enrollment only. No action is necessary for those already enrolled who do not want to make changes.

* Long Term Disability Buy-up (Classified and Management): An enrollment form needs to be completed for new enrollments only. No action is required for those already enrolled.

Learn more about these benefits by attending one of the drop-in information sessions. For more information call Sharon Daniel at 5190 or Heidi Morales at 5592.

BENEFITS OPEN ENROLLMENT INFORMATION SESSIONS

Representatives from Human Resources will be available to assist in enrollment and answer any questions you may have regarding open enrollment for Section 125, Supplemental Life Insurance and/or Long Term Disability Buy-up. A representative from OEA Choice Trust, our plan administrator for 2012, will also be available to assist in enrollment and answer questions pertaining to Section 125. The scheduled sessions are in Building 5, Room 206:

* Friday, Dec. 2, 1:00 p.m. - 3:00 p.m.

* Monday, Dec. 5, 10:00 a.m. - 12:00 p.m.

DEPARTMENT HOURS

THE COUNSELING AND ADVISING DEPARTMENT will be closed for Student Orientation, Advising and Registration (SOAR) on Friday, Dec. 2. A provider will be in periodically to check the fax for refill requests from your pharmacy. Contact: Mona Arbuckle, 5666.

FACILITIES UPDATES

INDOOR TEMPERATURE GUIDELINES

Facilities Management and Planning understands the importance of a comfortable work and study environment and we want to work with everyone to save energy and maintain comfort. With the change of season upon us this is an appropriate time to remind everyone of the indoor temperature guidelines, adopted in 2006 as part of the energy policy, and in an effort to balance a comfortable learning and working environment with energy conservation. We recognize that comfort varies for individuals, and have developed indoor temperature guidelines based on scientific studies to create comfortable conditions for the greatest number of students and staff.

Warm Weather Month Guidelines: 74 to 77 degrees F

Cool Weather Month Guidelines: 68 to 73 degrees F

Ancillary Space (Hallways, Lobbies, Stairwells): 63 to 82 degrees F

Notes: During transition months, such as October and April, guideline ranges expand to 68 to 77. These expanded ranges also apply during extreme weather conditions and periods of high electric demand.

Guidelines are applied during normal business hours.

Staff and students are encouraged to wear clothing that can be adjusted to maintain personal comfort.

If you feel that temperatures are too high, (higher than 78 degrees F), or too cool, (lower than 68 degrees F), in your area please contact Facilities Management and Planning at 5216 or e-mail at facilitiesoffice@lanecc.edu

WINTER WEATHER ICE AND SNOW EVENT PREPARATIONS

Employees are encouraged to wear winter weather footwear with soft material, traction soles and ankle support on colder wet mornings in which there is a possibility of wet, icy, or even snowy conditions at the campus. In addition, please consider wearing gloves to protect your hands from icy hand rails and cold door hardware.

FMP Grounds staff has planned to arrive very early in the morning to conduct de-icing operations, but not every square foot on sidewalks or parking lots will be free of ice. Grounds staff have contracted with Knife River for snow removal if the accumulation exceeds 2" on the interior roadways on main campus.

FMP Carpentry staff has installed additional hand rails and traction steps in more locations to make the campus safer. Mark Richardson is also considering the installation of traction strips on more exterior steps that do not have any at this time.

A smaller team of college leadership staff including Dennis Carr, Joan Aschim, Dawn Barth, Jace Smith, and David Willis is meeting occasionally to evaluate and refine the campus response to cold, icy or snowy conditions. Contact Dave Willis, 5566.

SAFETY PRECAUTIONS FOR HOLIDAY DECORATIONS

As in the past, we have published the following safety regulations for holiday decorations in school buildings:

1. All decorations must be either inherently fire retardant or treated with a flame retardant to be flame resistant.
2. Candles or any other source of open flames are not allowed.
3. Natural Christmas trees:
 - a. Must not be placed in any required exit path or near any heating device.
 - b. Must be mounted securely in a tree stand with a water-type reservoir. Add fresh water daily.
 - c. Trees over six feet tall must not be decorated with any type of electrical lights.
 - d. Trees less than six feet tall may be decorated with UL-listed miniature lights and heavy duty extension cords, if necessary. All wiring must be in perfect order.
 - e. Must be removed from the building by the end of workday, Friday, December 9.
 - f. Must be removed immediately at any sign of dryness such as brittleness, loss of color, or falling needles.

Note: Christmas trees in fresh condition are inherently fire retardant. They become extremely flammable, however, when indoor heat and low humidity dry them out. To reduce the hazard, saw the trunk off at least one-inch above the original cut, and keep the tree standing in water. Add water to the reservoir frequently to keep the water level always above the cut.

4. Artificial trees:
 - a. If non-metallic, may be decorated with electrical lights in accordance with paragraph 3.d above.
 - b. If metallic, must NOT be decorated with any type of electrical decoration or devices.
 - c. Must not restrict any required exit path.

If you have any questions about these regulations, please give me a call.

Reminder: The use of LED type holiday lights or decorations without any lights at all (best) are in alignment with our core Sustainability values.

Thank you for helping us to keep our facilities safe and free from any fire hazards. Contact Dave Willis, 5566.

PROJECT UPDATES—

BUILDING 10

Two of the outdoor kilns are complete and ready for use. One kiln remains to be finished and Lane construction crew expects to have the system completed this week. Completion of the kilns will mark the completion of the project. Hyland Construction will remain on campus until Friday completing small warranty items. Painting indoors in areas outside the classroom spaces and outside the building is expected to continue. Additional painting work that needs to be completed inside the building will be placed on hold until winter break. Contact Mark Richardson, 3456.

TRAININGS

WELLNESS TRAININGS—

- * Check out Employee Wellness Program offerings at <http://www.lanecc.edu/wellness>
- * WEIGHT WATCHERS will return to Lane in January if we can get enough people to commit. For managers and classified staff, the cost is discounted at \$155.39 (normal cost is \$221) and you can get up to \$100 of that reimbursed for these in-person meetings through PacificSource. You would bring a check to the first meeting, and the "Weight Watchers Reimbursement Request Form" from PacificSource. You then attend a set number of meetings, and can receive up to \$100 back. For faculty, (family members on OEBC can join too) once we set the day/time of the meetings, you call Weight Watchers in Eugene to give them your insurance ID number, they mail you the "At Work" pass and it's free. If you are interested in bringing Weight Watchers back to Lane, contact Wendy Simmons at simmonswws@lanecc.edu or ext. 5551 and let her your preferred meeting times, i.e. noon or 5 p.m. Monday through Thursday.
- * OPEN GYM TIMES OVER THE BREAK: In addition to the Fitness Education Center hours over the break we will provide open gym times with personal trainer/wellness guru Layne King. Come to workout, get personal help trying out equipment, or help with a fitness training program during these days/hours: Monday - Thursday, Dec. 12 – 15; Tuesday - Thursday, Dec. 27 – 29; and Tuesday - Thursday, Jan. 3-5; from 12 - 1:30 p.m. Just drop in, no pre-registration required and it is free.

TECH TALKERS FOR THIRD THURSDAYS

- * The Academic Technology Center is initiating a Third Thursday series of talks on techie topics next term. Everything from new Web 2.0 applications to digital storytelling to iPad2 aps will get air time. If you'd like to step up and offer to present in your area of specialized interest, please let us know here: <http://pln.lanecc.net/atude/third-thursday-presentation-request/>
Contact: Kevin Steeves.
- * Currently on the ATUDE Blog: "Crazy Cool and New!" A new online product for essay grading that students, not teachers use before handing in their work; changes at the Khan Academy site for online teaching videos; and "Conduit Mobile," which allows you to create something pretty special. Please visit and leave a message: <http://pln.lanecc.net/atude/> Contact: Sandy Jensen.

WEAVING WORDS PROJECT CONTINUES

"Weaving Words—A Community Weaving Project Where Individuals are Woven Together" with Susan Pavel, artist of Coast Salish weaving, continues one more Monday on Dec. 12, from 3-5 p.m., at Lane's Longhouse. Yesterday, Eugene Mayor Kitty Piercy was among the participants. Lane is honored to be one of the co-sponsors of the Weaving Words Project. This event is open and free to the public. Pavel is the featured artist for the exhibit titled "AQ3Tsya'yay: Weaver's Spirit Power" at the Museum of Natural and Cultural History, and invites students, staff and community members to participate in the community weaving project. She will be available to assist in the weaving process and encourage each person to share stories of their lives. The completed community blanket will be represented as a whole where strand of yarn and individuals are woven together showing the strength of our community and will be given away at

Potlatch and Giveaway on Jan. 13, 2012 at 7 p.m. at the UO Many Nations Longhouse.

YOUTH MENTORING CONFERENCE OPEN FOR REGISTRATION

Join Oregon Mentors, Portland State University and Oregon Leaders for the Lane County Symposium on Youth Mentoring for a conference for youth service practitioners and policy-makers to discuss the latest developments in youth mentoring theory and research and how they are translated into program practice. This is a free event with lunch provided, featuring national and state mentoring experts, so please pass this announcement along to anyone from your networks you think might be interested. In addition to information on program design and best practices, the event will summarize the information from a special gathering this past summer of leading researchers focusing on mentoring youth who have had contact with the juvenile justice, foster care and mental health systems.

WHEN: Tuesday, December 13, 10 a.m. -2 p.m. (lunch provided)

WHERE: Center for Meeting and Learning McDonald Conference Room (102)

PRESENTERS: Thomas Keller - Portland State University; Jay Baughman - Big Brothers Big Sisters of Lane County; Celeste Janssen - Oregon Mentors; Michael Garringer - National Mentoring Center/Education Northwest; Leah Mangis - Marion County New Solutions, Salem; Jenny Stern-Carusone - Center for the Advancement of Mentoring/EDC.

For more information and to register, go online at

<http://lanecountymentoringsymp.eventbrite.com>

The event is supported by the Oregon Community Foundation and is free and open to all youth service providers, youth program staff, educators, and public policy makers. Seating is limited, so please register soon! If you have questions please contact Kay Logan at 503.725.9680, kay.logan@pdx.edu Submitted by the editor.

INNER-CHILD SESSIONS FROM CLASSIFIED PROFESSIONAL DEVELOPMENT TEAM

The Classified Professional Development Team is holding inner-child workshops December 13 through 15 from 10 a.m. until 3 p.m. in the Multicultural Center. We will serve hot chocolate and cider, breads and light snacks. There will be puzzles, arts and crafts, games and other fun projects to do. Make a holiday card or come and wrap a gift. For more information please email Tina Lymath. Brought to you by CPDT.

GET READY FOR THE NEW GROUPWISE ENGINE

During the holiday break between December 19 and January 2, GroupWise is getting a brand new ENGINE (i.e. a powerful, new server and operating system combination that should make it much more reliable.) To help make this a smooth conversion you need to do the following before December 19:

- 1) Empty your trash folder
- 2) Reduce the number of items in your Mailbox, and Sent Items folders through deleting, filing, and/or archiving

Why do you have to do 1 & 2 above?

For item 1, our conversion systems don't move trash.

Item 2 is precautionary (i.e. in case something goes wrong during the conversion).

We are moving millions of messages, and lots of other objects, so with Murphy (and his law) in mind, we want to protect your data.

If you can minimize your email usage between December 19th and January 2nd it will help too.

If you have any questions, concerns, or problems relating to this conversion, please contact the IT Service Center at 4444 or email them to itsc@lanecc.edu Thank you! Submitted by the IT Leadership Team.

FOUNDATION CHECK REQUEST NOTICE

Due to the holidays and limited staffing during the final two weeks of December, please have all Foundation check requests needed before the end of the year to the Foundation office no later than December 15, 2011. All In-kind gift forms for In-kind donations received through December 31, 2011, should be sent to the Foundation by January 20, 2012. Thank you for your help and have a wonderful holiday! Submitted by Jeri Steele.

LANE CHILD AND FAMILY CENTER HAS LOTS TO OFFER

The Lane Child and Family Center is a state licensed preschool/child care program serving students, staff, and the community. The Center is open Monday through Friday, 7 a.m.-5:30

p.m. and consists of five classrooms serving children ages 30 months through 5 years old. The center offers flexible full-or part time schedules to meet family's needs for child care. We provide engaging opportunities for children to explore, discover and experiment with a wide variety of materials in a safe and emotionally responsive environment.

The Child and Family Center is also a teacher preparation school and parent cooperative. We are staffed by professionally trained teachers and enhanced by students teachers enrolled in the Early Childhood Education program and parents Co-oping. Our low caregiver-to-child ratios allow individual attention for each child and a variety of activities for children on a daily basis. Call or come by the office for additional information.
Contact the Lane Child and Family Center at 5519

SAVE THE DATE: DIVERSITY STRATEGIC DIRECTION CONFERENCE JANUARY 20

The Diversity Strategic Direction Conference will be held Friday, January 20, 2012, from 8:30 a.m.- 4:30 p.m., featuring Dr. Lee Anne Bell, author of "Storytelling for Social Justice, Connecting Narrative and the Arts in Antiracist Teaching."

Diversity is one of the key strategic directions of focus for this year at the college. Participants will engage in presentations facilitated by our keynote speaker and breakout sessions facilitated by Lane staff. Sessions will center on the identification and recognition of "stock stories" and the role they play in creating and sustaining systems of oppression, as well as ways to develop a practical and critical framework for thinking and acting on concealed stories reflecting racism and other "isms". Come and participate in this innovative approach to address and engage the college's efforts towards student progression and completion. Learn how Lane's Diversity Strategic Direction and Diversity Core Value provide a framework for student success.

Registration information and other materials will be available soon on Lane's website at:

<http://www.lanec.edu/studentsuccess/StrategicDirections/Diversity/>

For more information, please contact Donna Koechig at KoechigD@lanec.edu or 5307.

LANE FAMILY DAY SET FOR MAY 19

We are excited to announce that we will be hosting the second annual Lane Family Day on May 19th, 2012! Nearly 600 people from our community joined us last year and we expect an even larger turnout this May. Lane Family Day is an opportunity for Lane Programs to highlight all of our unique offerings for students with children in a fun, open venue. It is also a time for us to celebrate and acknowledge the challenges of being a student parent.

As the year progresses we will be asking departments to provide an activity (kid friendly) and a staff person or two to run the booth that highlights your department. For example, last year the science department offered some great experiments, to spark the curiosity of our current (parent) and future (kids) imagination.

Please start planning now for how you can contribute to this amazing day. For more information or to start volunteering contact any member of the Lane Family Day Planning Team: Tiana Marrone-Creech, Michael Oneal, Rosa Lopez, Heather O'Leary and Sue Norton.

PROJECT UPDATES—

BUILDING 10

Project completion activities scheduled for the week of December 5 include making door modifications and painting the art gallery. In Building 10, the painting contractor is expected to finish the outstanding item on their list. This means the contractor will be painting inside and outside of the building at random times throughout December. It is suggested that occupants or visitors sensitive to paint odors avoid the immediate areas around where the contractors are working. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS PROJECT

This week the framing for the final floor of housing will start and the rough in of mechanical, electrical and plumbing work will reach the third level. Metal wall framing on level one is 50 percent complete and the installation of exterior "skin" on the academic building has started. See what's happening now: Watch the Downtown Campus construction via the webcam, updated hourly between 8 a.m. and 8 p.m. at <http://www.lanecc.edu/dc/video.html>. Contact Bob Mention, 5747.

TITAN STORE 3RD ANNUAL OPEN HOUSE AND HOLIDAY RAFFLE: Come by for refreshments, a wonderful assortment of gifts, a welcoming atmosphere and free gift wrap with \$20 purchase at the Titan Store Annual Open House and Holiday Raffle on Wednesday, December 7, from 12-3 p.m.. Enter to win one of two great Combo Prizes: Wii, digital camera, and Applebee's gift card, OR Xbox, Kinect, and Gas card. Tickets are \$1 each or 6 for \$5. Drawing held December 7th at 3 pm. Need not be present to win. All raffle proceeds benefit Lane students this holiday season. Contact: Vicki Colley."

THE ANNUAL HOLIDAY GIFT TREE is up and going strong in Bldg #1 on the second floor. We have 100 names of children from birth through 10 years this year. All these children have parents who attend the main campus. Gifts need to be returned by December 8th or 9th in order for the parents to be called before the school closes for the holidays. No more names will be put on the tree after Thanksgiving. If you would like more information or would like to take a name from the tree, please call Bette Dorris at 5365. "

DONATIONS WANTED FOR FUNDRAISER GARAGE/CRAFT SALE: My children are trying to raise money for a school trip to Washington DC in June. They are looking for donations for a garage/craft sale, they are holding on Dec 9th & 10th. If you have anything that you would like to donate, please email me: SenaP@lanec.edu "

PLEASANT HILL HOLIDAY ART SHOW, "Event 58", Saturday, December 10th, 12 - 8 pm, at 35843 Hwy. 58, in Pleasant Hill (at the Ray's Market Plaza). Join us for a day of art, wine and

music, with a variety of talented artists from around the Pacific NW. There will be pottery, jewelry, glass, paintings, basketry, garden art, fiber arts, and more. This is a first-time show in this location, and there will be plenty of wonderful opportunities to buy gifts and treasures from local artists! There will also be complimentary wine and local music. For more information, please contact 541-746-0129. Submitted by Robert Thompson x5878`

CALICO KITTEN NEEDS A NEW HOME: I have a 4.5 month kitten who needs a loving home. She's a bright-eyed, adorable, perky little thing who loves to explore, play and climb up to my shoulder and purr. Unfortunately, her high energy is not a good fit for my household--especially for my 8 yr. old kitty. The ideal home would have another--preferably younger--animal who she could tumble and play with. She needs a willing playmate, which my older cat is not! I think she would be fine with a dog. I would not recommend a home with small children. She would also need the opportunity to explore outdoors and be both an indoor/outdoor cat. (She can only be indoor where I live.) Her shots are all up to date. I'm sad to give her up. She is delightful and deserves a good, loving home! Call Kathy at 541-463-5091.

GREAT CHRISTMAS GIFT for a child, gently used 3/4 Santa Rosa Folk Guitar I bought for my daughter, and now it's time to pass it on. Asking \$45. Will bring to campus if you'd like to check it out. Call Patty at 463-5099.`

FOR SALE: TOTAL BODY GYM as seen on QVC. Brand new, never used. I thought I'd have room for it, but I was mistaken. Instructional DVD and extras included. \$295 (the price I paid). Call Enid Leonard at ext. 5075 or 541-686-4318.`

DOES ANY ONE NEED A HOUSEKEEPER? I can refer you to a housekeeper who does an excellent job and has been helping us for two to three years or so. He just informed me that he has time to clean more homes, so I want to let my LCC colleagues know about his services. He charges \$17.50 an hour for house keeping and carpet cleaning working with a partner to get the job done efficiently and quickly. Let me know if you are interested; I will mail you his business card or tell you his phone number. He is waiting for your call. Sydney Kissinger

A GREAT VACATION GET AWAY, with very reasonable rates, is found at the BLK Beach House in Florence. Not only that, you can bring your dog for free. This is a newer manufactured home in great condition with a fenced in yard, spacious open living room, 2 bedrooms, 1 bath, and the kitchen is supplied with everything you need: pots, pans, microwave, coffee pot, toaster and more. There is a queen size bed in one bedroom and twin and full size beds in the other room. It's a five minute walk to the beach. This is our home away from home and rented only to select clientele (like Lane employees) and guests are on the honor system to respect our home. The rates are very reasonable, in part because you are expected to clean up after yourself upon departure. There's a two night minimum and rates are \$62 per night for two people. The cost increases by \$3 for each additional person. Weekly rates are cheaper. Call Wendy Simmons at 541 431-1277 or email her atmailto:simmons@efn.org wsimmons@efn.org for more information.`

NEWS AND ANNOUNCEMENTS

MEN'S AND WOMEN'S BASKETBALL RESULTS

The men's and women's basketball teams represented Lane well this past weekend, both making the finals in their respective tournaments. The Lady Titans lost by 3 points to an undefeated Clackamas squad 82-79, and now post a record of 5-2 on the year. The men's team fared well against an undefeated Spokane team, but still came up short losing 76-66 and now are 4-4 on the year. Both teams head to Washington for their respective tournaments December 16-18. The women will play against Tacoma at 1 p.m. on Saturday for their first game in the Skagit Valley Tourney. The men will play the late game on Saturday against Clark at 10 p.m. in the Wenatchee Valley Crossover. Please visit www.lanetitans.net for more in-depth results and recaps. Submitted by John Scholl, Head Cross Country/Asst Track Coach.

EMPTY YOUR EMAIL TRASH BY DECEMBER 19

During the holiday break between December 19 and January 2, GroupWise will get a brand new ENGINE (i.e. a powerful, new server and operating system combination that should make it much more reliable.) To help make this a smooth conversion you need to do the following before December 19:

- 1) Empty your trash folder
- 2) Reduce the number of items in your Mailbox, and Sent Items folders through deleting, filing, and/or archiving

Why do you have to do 1 & 2 above?

For item 1, our conversion systems don't move trash.

Item 2 is precautionary (i.e. in case something goes wrong during the conversion).

We are moving millions of messages, and lots of other objects, so with Murphy (and his law) in mind, we want to protect your data.

If you can minimize your email usage between December 19 and January 2 it will help too.

If you have any questions, concerns, or problems relating to this conversion, contact the IT Service Center at 4444 or email them to itsc@lanecc.edu Submitted by the IT Leadership Team.

GROUP BUS PASS AND STICKERS FOR WINTER TERM

Students taking a credit class on main campus or at the Downtown Center are eligible for a LCC bus pass good for the entire term. Photos for bus pass ID cards will be taken in Building 19, Room 117 on January 9, 10, 11 and 12 from 8 a.m. to 4 p.m. Stickers for winter term will be available beginning January 18 at the Titan Store return window or at the DTC. Visit ltd.org for changes to the winter schedule. Contact: Jennifer Hayward, 5594.

YORUBA AFRICAN ART EXHIBITION OPENS JANUARY 9

The Lane Art Gallery presents the Yoruba African Art Exhibition from January 9 to February 2. This exhibition features pieces from the private collection of Mary Johnston of Florence, OR and includes works from the Yoruba Tribe of South Nigeria. The pieces give a historical overview of ceremonies, customs and beliefs that are relevant to the Yoruba people. The gallery is located in Building 11 on main campus. There is no charge for admission. For more information contact Art and Applied Design at 5409.

NORTHWEST STONE INVITATIONAL OPENS JANUARY 9

The Lane Art Gallery presents the Northwest Stone Invitational, curated by Lane sculpture instructor Lee Imonen, from January 9 to March 15. An artists' reception will be held Thursday, January 26 from 5:30-7 p.m., free and open to the public. The exhibition will feature regional artists showcasing contemporary stonework. Artists include Christine Paige, MJ Anderson, Stuart Jacobson, Laree Morgenstern, Mike Leckie, Al Sieradski, Mark Andrew, Deb Taube, Tom Urban, Kim Lewis, Marie Sivak, Kate Ali, Lee Imonen, Dan Michael, Lane Tompkins, Laura Alpert and Rich Hestikind. The gallery is located in Building 11 on main campus. There is no charge for admission. For more information contact Art and Applied Design at 5409.

FOUNDATION CHECK REQUEST NOTICE

Due to the holidays and limited staffing during the final two weeks of December, please have all Foundation check requests needed before the end of the year to the Foundation office no later than December 15, 2011. All In-kind gift forms for In-kind donations received through December 31, 2011, should be sent to the Foundation by January 20, 2012. Thank you for your help and have a wonderful holiday! Submitted by Jeri Steele.

LEARNING COMMUNITIES/TITLE III NEWSLETTER AVAILABLE ONLINE

SAVE THE DATE: DIVERSITY STRATEGIC DIRECTION CONFERENCE JANUARY 20

The Diversity Strategic Direction Conference will be held Friday, January 20, 2012, from 8:30 a.m.- 4:30 p.m., featuring Dr. Lee Anne Bell, author of "Storytelling for Social Justice, Connecting Narrative and the Arts in Antiracist Teaching."

Diversity is one of the key strategic directions of focus for this year at the college. Participants will engage in presentations facilitated by our keynote speaker and breakout sessions facilitated by Lane staff. Sessions will center on the identification and recognition of "stock stories" and the role they play in creating and sustaining systems of oppression, as well as ways to develop a practical and critical framework for thinking and acting on concealed stories reflecting racism and other "isms". Come and participate in this innovative approach to address and engage the college's efforts towards student progression and completion. Learn how Lane's Diversity Strategic Direction and Diversity Core Value provide a framework for student success.

Registration information and other materials will be available soon on Lane's website at:

<http://www.lanecc.edu/studentsuccess/StrategicDirections/Diversity/>

For more information, please contact Donna Koechig at KoechigD@lanecc.edu or 5307.

LANE FAMILY DAY SET FOR MAY 19

We are excited to announce that we will be hosting the second annual Lane Family Day on May 19, 2012! Nearly 600 people from our community joined us last year and we expect an even larger turnout this May. Lane Family Day is an opportunity for Lane Programs to highlight all of our unique offerings for students with children in a fun, open venue. It is also a time for us to celebrate and acknowledge the challenges of being a student parent.

As the year progresses we will be asking departments to provide an activity (kid friendly) and a staff person or two to run the booth that highlights your department. For example, last year the science department offered some great experiments, to spark the curiosity of our current (parent) and future (kids) imagination.

Please start planning now for how you can contribute to this amazing day. For more information or to start volunteering contact any member of the Lane Family Day Planning Team: Tiana Marrone-Creech, Michael Oneal, Rosa Lopez, Heather O'Leary and Sue Norton.

FACILITIES UPDATES

WORK ORDERS

Currently, FMP has over 1200 open work orders. During December, many of the trades will be taking a well-deserved vacation. What this means, is that there is going to be limited coverage during the last half of December. FMP staff ask that everyone be patient during this time of the year, and be assured that crews will respond to their calls as quickly as possible.

As the new year approaches, changes will be made in how work orders are processed. FMP will soon be implementing a new computerized management system which is expected to improve productivity and response time considerably. Starting this month, all current work orders that are on file will be reviewed for accuracy and to confirm necessity. During this process, some work orders may be closed. Requesters may receive notice that their work orders were canceled. If so, please note that this is because the project was determined to be weather related, cost driven, scheduled for completion by an outside contractor, or dated in such a way that the information is not verifiable. This does not mean the work will not get completed; this process is only to help move information from one management system to another. Contact Mark Richardson, 3456.

WORK REQUESTS

As a standard at Lane, work requests may be submitted through MPulse by authorized administrative staff designated in your department or division. The department or entity requesting services must submit an electronic work request including an approved account number (if required). Only emergencies or routine services may be requested by phone at 541-463-5216 or by e-mail to facilitiesoffice@lanec.edu FMP requests that you not contact trades staff directly to request services. Do not contact FMP management to request services as well. Doing so causes complications with work order processes and affects the response time of work orders already in the system. Contact Mark Richardson, 3456.

MOTOR POOL UPDATE

The motor pool vehicles will be deep cleaned this week by Specialized Support Services staff. The motor pool will be closed December 19-27 (college closed days). Please do not wait until the last minute in the late afternoon to pick up your motor pool vehicle. If you are traveling over a mountain pass or need studded tires, please request this at the time of the reservation. FMP is in the process of adding two more 14 passenger extended vans. These vans are expected to be in service sometime during the winter term. FMP is also looking for a white low-mile hybrid or all electric vehicle. If you have a lead on such a vehicle, please let Dave Willis know at extension 5566. If you need to coordinate a reservation, please work with Marilyn Walker at extension 5224. Contact Dave Willis, 5566.

PROJECT UPDATES—

BUILDINGS 10 AND 11

Hyland Construction and its crews are planning to complete the remaining punch list items during the winter break. Work is expected to start this week and will be completed around January 3. The majority of the items involve the painting which causes little impact to the building; however, odors emitted from the paint and off-gassing from the caulking and other materials will be present. It is suggested that anyone sensitive to these types of odors avoid the areas as much as possible. Contact Mark Richardson, 3456.

DOWNTOWN CAMPUS PROJECT

Academic Building –

Work has started on the steel structure at the rooftop, metal stud framing at the first floor is 70 percent complete and rough-in of MEP is complete on first floor.

Housing Building –

Framing has started to build the sixth floor. The project schedule shows that framing completes in two weeks. MEP (mechanical, electrical and plumbing) is roughed-in throughout the fourth floor.

Piping for the rainwater harvest system has started in the courtyards.

FOR SALE : Nintendo Wii. Comes with one controller, one Wii "nunchuck", Wii Sports, Will Sports Resort (with motion plus attachment), and pinball games. Netflix ready to stream to your TV. In original box with all documents, instructions, and cables. Lightly used and in almost new

condition. A great kids or family game. \$125 or best offer. Email Mike Sims, simsm@lanecc.edu or call x5569.``

CALICO KITTEN NEEDS A NEW HOME: I have a 4.5 month kitten who needs a loving home. She's a bright-eyed, adorable, perky little thing who loves to explore, play and climb up to my shoulder and purr. Unfortunately, her high energy is not a good fit for my household--especially for my 8 yr. old kitty. The ideal home would have another--preferably younger--animal who she could tumble and play with. She needs a willing playmate, which my older cat is not! I think she would be fine with a dog. I would not recommend a home with small children. She would also need the opportunity to explore outdoors and be both an indoor/outdoor cat. (She can only be indoor where I live.) Her shots are all up to date. I'm sad to give her up. She is delightful and deserves a good, loving home! Call Kathy at 541-463-5091.``

GREAT CHRISTMAS GIFT for a child, gently used 3/4 Santa Rosa Folk Guitar I bought for my daughter, and now it's time to pass it on. Asking \$45. Will bring to campus if you'd like to check it out. Call Patty at 463-5099.``
