Welcome to the LCC Library! We offer research help, classroom instruction, borrowing, study rooms, tech help, printing, laptop lending, databases, and more!

Library Services

- We provide instruction tailored to your assignments and learning objectives in our Library Classroom, or in your own classroom. Visit our website and click on “Faculty Services,” then click on “Request Library Instruction.” We have updated the request form so that you can now specify which librarian you would like to teach your classes.

- We design Library assignments, handouts, videos, Moodle widgets, and online Research Guides for academic research skill building. Visit our website and click on “Research Help.”

- We work with faculty to develop collections through selection of materials and resources for the Library collection, such as books, electronic resources/databases, and DVDs. We love to get suggestions of items we should purchase!

Library Resources

Books, ebooks and Video | Browse the collection on the 3rd floor, visit the children’s and young adult sections and the DVD collection! 250,000 ebooks and 45,000 streaming videos are available 24/7.

Article Databases | Accessible on and off campus, LCC’s 100+ research databases provide access to millions of articles from academic sources, magazines, encyclopedias, and newspapers.

Reserve Items | Instructors can request that items be placed on Reserve. Some students might not be able to afford your textbooks, so place a copy on reserve and help them out!

Summit | When you search our new catalog, you also have access to the holdings of 40 other academic libraries in the Pacific Northwest, who provide access to over 20 million items to LCC faculty and students, delivered directly to the Library within 5 days.
